

Had an Earth merchant to tell me this week that he wanted a big advertisement in the paper.

He wanted it to read like this "WANTED 3 INCHES OF RAIN-FALL, FOLLOWED BY 2 WEEKS OF REAL WARM SUNSHINE."

I told him I could sure fix him up with an ad like that, and although we blanketed the area north, south, east and west, I felt I must admit our circulation might not reach in THAT DIRECTION.

The one who could make that ad come true was in Heaven, and our paper was definitely a down to EARTH paper.

Paul Poyner, at White's has his front door so hard to push open that it takes quite a lot of "Umph," desire and determination to gain entrance.

Perhaps the idea is although he claims it's because the wind blows the door open and lets sand blow in, he probably figures if anyone goes to all the trouble to get inside it would plain be embarrassing to them not to buy something or other after they'd struggled so hard to gain admittance.

My suggestion is, after being told that brother Haney and his staff at Muleshoe outsold Paul and his crew one week recently, which I'm told, Haney attributed his staff's upsurge in sales all began after they started taking Rybutol Vitamins, (sold at Whites Discount Drug Center, of course). Now Paul is encouraging his crew to take "Rybutol Vitamins" in order to get ahead of Haney.

However, I think Paul's way out in front, he's possibly got a better idea not only does he plan to sell them to his crew, but I expect the next time I walk in to see a big basket of Rybutol Vitamins just inside the door, because anyone who has to use every ounce of energy to get inside will doubtless be in a weakened condition and buy some vitamins in order to have strength to get out again. Better still, he might also get a basket outside too, so's to be sure people will grab a bottle swallow a few in order to get in.

The community felt a great loss Tuesday morning with the passing of Mr. R. E. Barton. This loss will be felt for years to come as he left many friends, with many memories, some that go far back into the yesteryears when Mr. Barton was a young man pioneering this area.

Years of Devotion Heard Chubby Dent looked "real cute" in the new suit he bought. Guess who said that? Who else but his everloving Pansy. Through the years Chubby has always maintained his status as "Prince Charming on the White Horse" to his wonderful spouse, Pansy.

Lions To Sponsor Old Fashioned Political Rally The Earth Lions Club will sponsor an old-fashioned pie and cake sale Saturday, April 7 at the local FFA barn.

Political candidates will be speaking and clean, wholesome entertainment and recreation will be on the program.

In addition to the speaking, there will be an auction of pies and cakes to raise money to finance various projects the Lions undertake during the year.

Four C. of C. Directors To Be Selected for Year The Earth Chamber of Commerce nominating committee met last week and recommended nine candidates for office of directors.

Four of the nine will be selected to serve in the capacity are: L. H. Dent, Bill Stockard, Phil Raught, Carroll McDonald, Charles Dunn, M. H. Beem, Raymond Mullinex, Carl Taylor and Harold Miller.

All Chamber of Commerce members are urged to have their votes in, on or before April 6 to the Chamber office.

VOLUME 8 10 CENTS EARTH, LAMB COUNTY, TEXAS, THURSDAY, MARCH 26, 1962 10 PAGES NUMBER 34

One Killed, Nine Injured In Accidents

Two wrecks occurred near Earth Sunday morning, one at 1:40 a. m., killing one man and injuring three others. A second wreck at 3:00 a. m. at the same location injured six others, including deputy sheriff V. L. Smith, Jr. of Earth.

Killed instantly in the first wreck was Alonzo Olivarez, 23, Earth, and driver of the death car.

Other occupants in the car were Eddie Marroquin, 40, of Olton, who suffered undetermined injuries, Robert Cortez, 19 of Earth received muscle strain and Ambrose Flores of Earth received a scalp laceration and cuts on his right hand.

They were taken to West Plains Hospital and Greene Clinic. Olivarez was pronounced dead on arrival. Cortez and Flores were dismissed from West Plains Hospital on Monday. Marroquin, at last reports was still a patient at Greene Clinic.

According to V. L. Smith deputy sheriff from Earth, Olivarez apparently lost control of his 1955 Mercury when it went off the road onto a muddy shoulder, causing it to overturn 2 1/2 times, coming to rest on its top.

The driver was said to have been thrown from the car. The car was a total loss.

V. L. Smith, Jr. and Patrolman Jim Freeman of Muleshoe investigated the accident.

Later at 3 a. m. while the officers were still at the scene of the first accident, a car driven by Benjamin Messenger of Clovis, struck the wrecked Mercury, causing it to hit the State Patrol car. As the Messenger car approached the scene of the accident, Freeman was sitting in his car operating a red flashing light and Smith was standing half out of the patrol car waving at the oncoming Messenger car with a flashlight. Smith was thrown across the open door of the patrol car when it was hit by the wrecked car and the

second impact on the patrol car when the Messenger car smashed into it, threw Smith atop the patrol car.

Passengers in the Messenger car were Stella Cearley, 60, Mrs. Odella Gilmore, Mrs. Gilmore's son, Robert 7, and daughter, Viola Lynn 10 all of Earth. Mrs. Cearley and the children received lacerations and bruises and Mrs. Gilmore received a broken nose. They were taken to Littlefield Hospital

and released Monday and Wednesday. Messenger is still in Littlefield Hospital. He will face charges of DWI upon release, according to V. L. Smith, Jr.

Smith remains in the hospital, but is reported to be doing well. He suffered a whiplash injury to his neck and a sprained knee.

Damages were \$150 to the patrol car and the Messenger was a total loss.

Robert E. Barton Pioneer Citizen Dies Tuesday A. M.

R. E. Barton, 79, died at his home here March 27 at 6:50 a. m. Pioneer of this area and resident of Earth since 1917. Mr. Barton was a former businessman and at the time of his death, was a retired farmer.

He was a charter member of the First Baptist Church of Earth and served as a deacon when the church was organized in the fall of 1926.

Funeral services were held Wednesday, March 28 at 2:30 p. m. at the First Baptist Church. Rev. Bruce Giles of Lubbock and Rev. Cecil Meadows, pastor officiated at the services.

Burial was in the Earth Cemetery under the direction of Payne Funeral Home of Amherst.

Pallbearers were Billy Stovall, Robert Moss, Weldon Barton, Ardis Barton, Melvin Barton and Richard Stockstill.

Honorary pallbearers were deacons of the church.

He is survived by his wife, Nellie; three daughters, Mrs. Jack Moss, Mrs. R. W. Thomas both of Oklahoma City and Mrs. Curtis Sterling of Brownfield; two sons, Edd of Lubbock, and Roscoe of Long Beach, California; two sisters, Mrs. Minnie Pate, Earth and Claudia Money of Pampa and one brother, Arthur of Earth.

Also surviving are six grandchildren, Bob Moss, Oklahoma City; Mrs. Richard Stockstill, Earth; Billy Jack Stovall, Oklahoma City; Eddie Earl Barton, Dallas and Suzanne and Janice Sterling of Brownfield. Also there are four great grandchildren.

Ham Dinner Huge Success

The PTA sponsored ham dinner was a tremendous success.

A total of \$214 was taken in.

Members of the PTA brought salads, angel food cake or gave one dollar to help pay for the ham.

The bread was furnished by the Cook Book Bread Company.

Mrs. Orville Cleavinger, on behalf of the PTA wishes to thank those who furnished food or money, the citizens who came out to eat the ones who stayed to help clean up the cafeteria and anyone else who had a part in making the dinner a success.

LaDon Messer and Julia Chance Awarded F. H. A. State Degrees

High honors were accorded to LaDon Messer and Julia Chance on March 23, when they were awarded FHA State Degrees.

The recipients will go to the State FHA meeting Dallas April 27-28 to receive their awards.

The winners were chosen by ten homemaker teachers of Area I.

Of the ninety degrees received, only ten were rejected.

The girls were required to work up notebooks, showing progress of the local FHA Chapter and how they assisted in carrying out the projects. Each girl helped to set up six goals and had to explain why she had chosen it, what she would do to accomplish it and how much progress had been made toward it. Another standard, was to tell what she had done to help her school, her community, and her

The Student Council room is the setting for the entire play.

All of the character parts are very outstanding and should cause much laughter among the audience.

The students taking part have put a great deal of time and effort into this hilarious comedy.

Play directors are Mrs. Gladys McCaskill and Jodie Mahan.

The public is invited to attend and help make this senior play a big success.

Gusty Wind Rips Roof From Barn

A freak wind Saturday unroofed a metal barn belonging to Bill Morris who lives two miles north on the Amherst. The corrugated roofing was scattered over a wide area.

Three utility poles belonging to General Telephone Company were pulled out of the ground and laid across the road, south of the Morris place.

The wind blew at times in gusts above normal hurricane force.

Earth-Springlake City Elections Tuesday

Don't Forget, Bond Election Tuesday, In City of Earth

A bond election has been called for Tuesday, April 3 at the Earth community building on the issuance of bonds for a new City Hall and community room combined. Bonds will also be voted on for improvement and extension of the waterworks system.

At the election, propositions to be submitted are "Shall the City Council be authorized to issue bonds in the amount of \$20,000 for building a new City Hall and \$10,000 for the waterworks system, bonds maturing serially in such installments as may be fixed by the City Council, the maximum maturity being not more than 20 years from their date and bearing interest at a rate of not more than five (5) per cent per annum.

If the bond election carries the specifications for the building will be available at the City Office for anyone who is interested in placing a bid on the building.

There has been no money spent in connection with any planning of the proposed building. The City books have been checked by a tax consultant, and the taxes will not have to be raised for this project.

The proposed City Hall and community room will be built on the site of the present community building.

The proposed community room will be designed to accommodate up to 150 persons seated. There will also be a kitchen, storage and restrooms.

The community room will be available to clubs, civic groups and etc. at no charge. Out-of-town groups and money-making projects will be charged a fee.

The voters of this community are urged to go to the polls and vote for these bond issues. They are much needed and necessary for continued progress in our city.

The bond representative was in town Monday and everything is ready to go when the bonds are voted in.

Carroll McDonald will serve as election judge assisted by Phil Raught, Mrs. Minnie Pate and Mrs. V. J. Sigman will serve as clerks.

NOTICE

The Earth Lions Club will stage their annual Broom Sale, Tuesday and Wednesday. Anyone wishing to buy brooms and other household items are asked to be ready with their list of items, as the Lions will canvass the rural area as well as the City of Earth.

Carroll McDonald will serve as election judge. Clerks will be V. J. Sigman, Jimmy Banks, Ed Dawson and Carroll Blackwell.

Earth-Springlake City Elections Tuesday

On Tuesday, April third, citizens of Earth will go to the polls to elect a mayor and three aldermen to fill the vacancies created by the expiration of the terms of Marcus Messer, mayor and aldermen Pat McCord, E. C. Kelley and Dutch Been.

Appearing on the ballot will be Marcus Messer candidate for reelection to the office of mayor. Messer is officially unopposed, however, several local citizens have named Carroll Blackwell as their choice for write-in candidate for the post of mayor and invite citizens to likewise write-in Blackwell's name as their choice for mayor if they prefer.

Other names on the ballot are E. C. Kelley and Pat McCord in the race for reelection as aldermen Truman Lewis and Wendell Clayton are also candidates in this race.

Absentee voting will continue through March 30. Anyone wishing to vote absentee may do so at the City Office between the hours of 9 a. m. and 5 p. m. Deadline for absentee voting is 5 p. m. March 30.

All eligible voters are urged to go to the polls and vote on April 3.

SPRINGLAKE ELECTION

Tuesday, Springlake citizens will go to the polls to elect a complete slate of city officials. A mayor and five aldermen must be elected as is their custom every two years.

Seven candidates have filed for positions as aldermen. However, no one filed for the mayor's post.

Those filing are Jimmy Stephens, W. B. Hicks, Ashley Davis, Carl Perkins, James Sandersen, Bill Perkins and Howard McClure.

The terms of mayor Floyd Crawford and aldermen A. M. McGowan, James Washington, Jerry Barden, Ernest Goforth and Sandy Sanderson expire.

Hamilton-Baldwin Vows Exchanged

United in marriage with a double ceremony at 5 p.m. March 23 at the First Baptist Church in Earth, Miss Norma Lynn Hamilton became the bride of Jimmy Baldwin.

Officiating at the ceremony was the groom's father, Rev. M. B. Baldwin.

Parents of the couple are Mr. and Mrs. Price Hamilton of Earth and Rev. and Mrs. M. B. Baldwin of Springlake.

Given in marriage by her father, the bride wore a floor length gown of hand clipped Chantilly lace, designed with a modified portrait neckline, featuring a narrow band of satin and pearl trim. Brief sleeves were complimented by white wrist length gloves.

From the fitted bacque bodice stemmed a magnificent dome skirt, scalloped at the hemline and sweeping into a full chapel train.

fell from a matching Chantilly lace hat.

The bride carried a bouquet of white roses atop a white Bible.

The ceremony was performed under an archway of greenery entwined with white gladiolas, and Her finger tip veil of illusion white pom-pom mums. Candelabras of tiered white candles stood on each side of the arch.

Helen Angeley was maid of honor. Her dress was of soft blue cotton with embroidered bodice, full skirt, square neckline and cap sleeves. She wore blue shoes and hat and carried a bouquet of white pom-pom mums.

Bridemaids were Mrs. Robert Riley of Springlake and Miss Loy Jean Hamilton of Earth. Their dresses were of soft white cotton with a full skirt. The square neckline and cap sleeves were trimmed in lace. They carried bouquets of white pom-pom mums.

Best man was Everett Baldwin of Springlake.

Groomsmen were Hal Hudson and Ronnie Dent of Earth.

Kenny Hamilton, Bobby Sloan, Jackie Scheller and Jerry Jones, all of Earth, served as ushers.

Miss Sharon Bean of Earth sang "Oh Promise Me" and the "Lord's Prayer," accompanied on the organ by Mrs. George Laing. Traditional wedding marches from Lohengren and Midsummer Nights Dream were played by Mrs. Laing. Wedding music before the ceremony was "Ave Maria" by Bach, "Romance" by Schumann, and "To A Wild Rose" by McDowell.

For her daughter's wedding Mrs. Hamilton chose a beige suit with matching accessories and wore a corsage of pink roses.

The groom's mother wore a mauve pink dress with matching accessories. Her corsage was of pink roses.

Immediately following the ceremony, a reception was held in the church dining room.

The bride's table was covered with a white linen cloth and centered with a miniature bride and groom beneath an inverted wine snifter which was framed by a white net ruffle and topped with white ranunculus and candy tuff.

The four tiered wedding cake was iced in white and was topped with a miniature bride and groom. Reception assistants were Gaye Northcott, Joan Gover, Susanne Davis and Twila Whitford.

For the wedding trip to Roswell, N. M. the bride chose a lace trimmed, blue cotton dress, white hat and gloves, and black patent shoes and parasol.

The bride and groom are members of the senior class at Springlake and plan to graduate in May.

The couple will be at home in Springlake.

HARVEY BASS APPLIANCE

Muleshoe, Texas

By BETTY MATLOCK

Mr. and Mrs. Frank Bozeman spent the weekend in Arizona with the Mike Dents.

PINK AND BLUE SHOWER

Mrs. Keith Boone was honored with a come and go pink and blue shower, Tuesday from 2:30 to 4 p.m. on the home of Mrs. Jimmy Banks.

The serving table was covered with a crocheted cloth over pale pink. A baby carriage filled with tiny blue, white and pink flowers formed the centerpiece. Pink punch and cake squares iced in white and decorated with either a pink or blue bootie were served. Assorted nuts were also served.

The honoree was presented a useful and pretty corsage of pink, white and blue socks decorated with shoe bells and diaper pins.

Approximately nineteen guests attended and 32 gifts were received.

Out of town guests were the honoree's mother, Mrs. Bud Andrews of Olton and Mrs. Wooda Jackson of Lubbock, sister-in-law of the honoree.

Hostesses for the occasion were Mesdames Banks, Robert Bridge, Lewis Bolinger, Leroy Bolinger, Almon Whitford, Ray Banks and B. V. Padon.

Farm Facts

President Lincoln on May 15, 1862, signed the act creating the U. S. Department of Agriculture. President Kennedy has proclaimed a centennial observance to begin May 15, 1962, to commemorate the contributions of agriculture to the health and welfare of every citizen, to the national well-being, and to the development of emerging nations.

When the USDA was established, one U. S. farm worker was producing enough food and fiber for five people. Now, one farm worker grows enough food and fiber for 26 people.

A USDA fact sheet notes that today's farm products are of superior quality. Wholesomeness of our food is beyond doubt. Its variety seems without limit, and its cost requires only one-fifth of our take-home pay.

"This is the farmer's success story. To it, the Department of Agriculture has contributed research, economic

aid, education, technical help, and other services. But, essentially, the world's most efficient agriculture springs from the hard work, the ingenuity, and the ability of American farmers and ranchers."

I'm just thinking how great is electric heat—the floors are so warm—it's fun to play on them. I remember back a bit when mommy and daddy were talking about putting in electric heat—they had some doubts, sure, but those doubts are all gone now. "This is the best heat we've ever had," daddy said to mommy, and mommy agreed—I do, too!

ins, Mrs. Walter Gaines and Mrs. L. D. Williman of Los Angeles.

Mr. and Mrs. Clyde Monk entertained several friends Sunday in their home with a birthday dinner honoring Jess Pendergrass. A delicious dinner with lemon birthday cake was enjoyed by the following: Mr. and Mrs. C. B. Scott, and Ronald, Mr. and Mrs. Jess Pendergrass and Susan, Mr. and Mrs. J. B. Wright and grandchildren, Sherry and Lana, Mr. and Mrs. L. R. Hall and the host and hostess.

Birthday greeting this week go to Jan Mason, Ray Vanlandingham and Sherry Robinson, March 26; Betty Newsom, March 27; Dean Harkey, Clyde Monk and Essie Hall, March 30.

The Lazbuddie School Board Election will be held April 7 in the school auditorium. Five have entered the race to fill the two places of outgoing board members, Harold Wilson and Bob Jones. The five candidates on the ballot are Jaque Smith, Jess Pendergrass, J. J. McDonald, Eugene Redwine and W. G. Harlin.

This community expresses its deepest sympathy to Mr. and Mrs. Elton Page of Lazbuddie and other relatives on the death of her mother, Mrs. W. S. Clark, 70, who passed away in the Muleshoe Hospital March 21.

This community also extends deepest sympathy to Mr. and Mrs. George Crain and other relatives in the area on the death of Mr. Crain's father, A. Crain, 79, of Sidan. Mr. Crain passed away in the Amherst Hospital Sunday morning at 6 o'clock.

Mr. and Mrs. E. D. Chitwood, Jr. accompanied by his mother, Mrs. Chitwood, Sr. were in Buckeye, Ariz. over the weekend visiting the elderly Mrs. Chitwood's brother and family, the Euel Edwards'. Mrs. Chitwood remained in Buckeye for several days visit with her brother and family.

The Midway HD club met Tuesday afternoon, March 20 in the home of Dorothy Brown. Alzada Gullely gave the program on showing how to smock aprons and pillows. Members are expected to have their aprons and pillows completed to show at the next club meeting Tuesday afternoon in the home of Lora Brown. Refreshments were served to the following members present, Alzada Gullely, Irene Watkins, Dorothy Brown, Dorothy Mason, Mildred Redwine, Effie Splawn, Lora Brown and Grace Young and four visitors, Pauline Houston, Marie Redwine, Mrs. J. C. Redwine and Elsie Williams.

Leo Mason, Sterling Donaldson and Eugene Redwine were elected to serve on the board of directors at the Oklahoma Lane community meeting last week. Mason and Redwine of Lazbuddie and Donaldson of Oklahoma Lane. The community building is midway between the Lazbuddie and Oklahoma Lane communities.

Officers for the board of directors were selected by the group with those to serve, Vernon Symcox, president; Sterling Donaldson, vice president; Donald Christian, treasurer and Mrs. Clarence Johnson, secretary.

Harold Carpenter was master of ceremonies for the program at the meeting. Participating on the program were Jan Mason, Ruth Ann Blankenship, Randy Stewart, Shelia Garner, Zella Donaldson and Debra Garner. Outgoing board members were Windborn Hardage, Edmund Kitten, and Mrs. Dee Brown. Those remaining on the board from last year are Claud Watkins, Vernon Symcox, Donald Christian and Medames Delbert Garner, W. T. Magness and Clarence Johnson. A covered dish meal was served and everyone had an enjoyable time.

Relatives and friends were on hand Thursday, March 22 for J. W. Crim's annual weather forecast at the sunrise. After gathering material for the fire and a light wind from the west J. W. Crim, Lazbuddie farmer made a fire and watched the smoke and studied its blowing toward the east. The wind would change gently from the northwest as he made his prediction that many say just don't miss.

The results were just about that spring rains would be late and farmers better keep their wells going.

Crim predicted we would probably have the late rains but then two months of dry weather was seen in his forecast. Mr. Crim has been forecasting the weather on the basis of the wind at sunrise on March 22 for 31 years, having learned this from the practice said to have originated from the Indi-

monthly Cub Scout Pack Meeting was held at the Junior High study hall with C. L. Berry, Cub committeeman in charge of the program. The invocation was given by S. H. Salley.

Den III opened the program with an audience participation skit, using an Australian folk song, "Waltzing Matilda." Den VI had a display of two different kinds of boats that the members had made this month. Den I gave historical facts about Hawaii and wore leis that they had made. Members of Den II played bonzo drums while two members, Johnny Dale McNamara and Kent Coker demonstrated the Hula dance.

Den III is again the Honor Den of the month having received Mr. Cub Scout in February also. Members of this den are Jimmy Craig Goodwin, Kent Parish, Edith Hamilton, David Holt, Glenn Lackey, Kirby Kelley, Kent Parish, Melvin Salley, Dennis Rylant, Rickey Welch and Terrill Ott, a new member. Den mothers for Den III are Mrs. W. D. Holt and Mrs. James Lackey.

Advancements presented were Billy Street and Jimmy Littleton, Bear badges; Samul Lewis, Wolf badge; all members of Den II, John Kelley of Den VI and son of Mr. and Mrs. Chester Kelley received his Bobcat pin.

The committee appointed at the February Pack meeting had met and has chosen new officials for the coming year for the Cub Scouts. S. H. Salley has been chosen to serve as Cubmaster and has consented to serve in this capacity. Lynn Glasscock will serve as the assistant Cubmaster. Names of all the committeemen are not available at this time. Those serving on the appointing committee were Edwin O'Hair, Donald Street, Lynn Glasscock, Gayle Littleton and Agnes Lewis.

Anyone desiring to order First Aid Kits may do so by contacting a den mother or Cub Scout before April 15 at which time the last order will be mailed. No orders will be taken after that time. April 30 will be the re-chartering date and end of the Cub Scout year.

NOTICE

A recognition service for Scout leaders of the George White District is to be held in Littlefield on April 19 at 7:30 p.m. at the community building. A picnic supper will be served with tickets for the event being \$1.50 each.

All Scout and Cub Scout leaders, Den mothers and committeemen and families are invited to attend. Reservations are to be made by April 4. Anyone desiring to go may contact the Cubmaster, H. S.

BULLETIN Hale County Proves Soil Test Valuable

Billie Sol Estes, the West Texas financial giant sometimes called the largest distributor of anhydrous ammonia in the world, was picked up Thursday night by the F. B. I. along with Coleman McSpadden and two members of the Superior Manufacturing Co.

Estes' and McSpadden's bond was set at \$500,000 each. The two tank men's bond was set at \$250,000 each.

Salley or Scoutmaster Travis Jaquess or C. L. Berry, committeeman.

BOY SCOUTS MAKE PLANS FOR FUTURE

A campout is being planned by the Boy Scouts for Friday, April 20. Plans were also made for the next Court of Honor to be held on April 17 at the community building.

Twenty five boys were on hand to help formulate the ideas.

No lesson in First Aid was given at Tuesday night's meeting due to the unavoidable absence of Dr. W. D. Holt who is giving the lessons. One more lesson in First Aid will end the course and several of the boys will then be eligible for First Aid Merit Badges.

of P205 were applied was 691 pounds of lint.

College Station—Result demonstrations in Hale county have shown the value of a soil test in determining fertilizer need. The demonstrations were conducted by Charles Cypert, associate county agent, together with farmer co-operators in the county.

On the Charles Bucy farm, the soil test recommendation called for 60 pounds of nitrogen and 30 pounds of phosphorus as P205. Mr. Bucy's crop yielded 602 pounds of lint per acre without fertilizer. With the application of 60 pounds of nitrogen, the yield was 678 pounds per acre. The 60-30-0 rate increased the yield to 731 pounds of lint per acre.

Treatment with nitrogen alone returned \$18.00 additional profit per acre, while treatment with the soil test recommended rate returned an extra \$3.60 per acre.

The demonstration on the Bert Lane farm yielded 558 pounds of lint per acre without fertilizer. Application of the soil test recommended rate 60-30-0 raised the yield to 965 pounds of lint per acre. Per acre yield where 10 pounds of nitrogen and 50 pounds

of P205 were applied was 691 pounds of lint.

Added net return due to the application of the recommended rate was \$112.00 per acre. The increase from nitrogen alone resulted in a net return of almost \$100.00 per acre, while application of the 10-50-0 returned \$33.00 per acre.

Cypert points out that in both of these cases the application of a soil test recommended rate returned the greatest net profit per acre. This is typical of the results that farmers are obtaining by using soil tests to determine fertilizer needs. Have you had your soil tested?

LEGAL NOTICE

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Commission, Earth, Texas, for the construction of grading drainage, concrete curb and gutter, caliche base and triple asphalt surface treatment on certain streets, and valley gutters if required, as hereinafter designated, will be received in the Office of the City Secretary, City Hall, Earth, Texas, until 2:00 P. M., Central Standard Time, April 6, 1962, at which time and place they will be publicly opened and read aloud.

Prices in the proposal shall be made on the basis of unit measurement for each item of the proposal. The approximate quantities are as follows: Concrete Curb and Gutter, 5454 L. P. 6" Caliche Base 12,250 S. Y.; Triple Asphalt Surface Treatment 12,250 S. Y.; Prime Coat 12,250 S. Y.; Valley Gutters 218 S. F.

Bidder's must submit a cashier's check issued by a bank satisfactory to the Owner, or a bidder's bond from a reliable Surety Company, payable without recourse to the order of the City of Earth, Texas, in an amount not less than five (5%) percent of the largest possible bid submitted as a guarantee that the successful bidder will enter into contract and execute bond and guaranty on the forms provided, within ten (10) days after written notice of award to him. Bids without the required check or bid bond will not be considered.

The successful Bidder must furnish performance and payment bonds on the attached forms in the amount of one hundred (100%) percent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety or other Surety or Sureties acceptable to the Owner.

The City reserves the right to reject any or all bids, to waive formalities, and to accept the bid which seems most advantageous to the City's interest.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, and the 44th Legislature of the State of Texas covering the wage scale and payment of prevailing wages as established by the Owner, and all Federal Wage and Hour Legislation, if such is applicable.

Information for Bidders proposals, forms, plans, and specifications are on file at the Office of the City Secretary at Earth, Texas and are open for public inspection. A set of such documents may be obtained from Ralph W. Douglas, Engineer, P. O. Box 832, Littlefield, Texas.

The Bidder's attention is called to the fact that he will be paid in cash for the work done under this contract, approximately thirty (30) days after completion and acceptance by the Owner.

Included in the Special Project Specifications is a condition whereby the contract may be added to or deleted from without affecting the prices bid.

No bid may be withdrawn after the scheduled closing date for the receiving bids, for at least thirty (30) days.

LEGAL NOTICE

ORDINANCE NO. 51

AN ORDINANCE FIXING THE MAXIMUM RATE OF SPEED FOR MOTOR VEHICLES; ALLOWING FOR SPEED ZONES; PROVIDING FOR PENALTY; AND DECLARING AN EMERGENCY

WHEREAS, the City Council of Earth, Texas, upon the basis of engineering and traffic investigation, find it necessary to establish maximum speed limits, and create speed zones in certain areas, all in the corporate limits of the City of Earth, Texas.

WHEREAS, the City Council of the City of Earth also finds it is necessary to immediate preservation of the public health and safety to provide for the immediate enactment of such measures, constituting an emergency; NOW THEREFORE,

BE IT ORDAINED BY THE CITY OF EARTH, TEXAS:

SECTION 1. Speed limits of Thirty (30) miles per hour; It shall hereafter be unlawful for any person to drive or operate a motor vehicle upon any street, roadway or highway in the City Limits of the City of Earth, Texas, at a greater rate of speed than Thirty (30) miles per hour, except where speed zone signs are erected indicating a higher or lower rate of speed, in which case the speed indicated by the speed zone signs shall be the maximum speed permitted. And it shall be unlawful for any person to operate a motor vehicle in excess to the speed limits indicated on any official speed zone sign.

SECTION 2. The speed zones established by this Ordinance shall include all of U. S. 70 within the Corporate Limits of Earth, Texas; the maximum legal speed limits shall be as follows:

Beginning at the west city limit the maximum legal speed limit for both eastbound and westbound traffic shall be 50 m.p.h. for a distance of 0.300 miles; thence 35 m.p.h. for a distance of 0.486 miles to the center line of Elm Street; thence 40 m.p.h. for a distance of 0.210 miles; thence 55 miles m.p.h. for a distance of 0.300 miles; thence 60 m.p.h. during the daytime and 55 m.p.h. during the nighttime for a distance of 0.200 m.p.h. to the east city limit, the center line of the county road.

And all Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 3. The speed zones established by this Ordinance shall include all of F. M. 1055 (Amherst Street) within the Corporate Limits of Earth, Texas; the maximum legal speed limit shall be as follows:

Beginning at the north city limit, center line of a county road, the maximum legal speed limit for both southbound and northbound traffic shall be 60 m.p.h. during the daytime and 55 m.p.h. during the nighttime for a distance of 0.200 miles; thence 55 m.p.h. for a distance of 0.385 miles; thence 50 m.p.h. for a distance of 0.200 miles to the center line of North West Third Street; thence 40 m.p.h. for a distance of 0.432 miles to the center line of South East Third Street; thence 55 m.p.h. for a distance of 0.252 miles to the south city limit.

And all Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 4. Any person violating any of the provisions of this Ordinance shall, upon conviction thereof, be fined in any sum not less than Ten (\$10.00) nor more than Two Hundred (\$200.00) Dollars.

SECTION 5. That the hazards, dangerous to public health and safety, creates a necessity requiring all rules providing that no ordinance shall be finally passed on the day of its introduction be suspended; and this Ordinance is declared to be an emergency measure, to take effect from and after the date of its first publication. AND IT IS SO ORDERED, BE PASSED AND APPROVED THIS 5th DAY OF MARCH, 1962.

Colored School News

By Mary Dell T. Osborne

I attended the third annual convention of District 13 of Texas State Teachers Association in Lubbock Municipal Auditorium, March 8-9, with Glenn D. Reeves of Littlefield, president presiding.

Having attended the morning and afternoon general sessions, the classroom teachers session and luncheon and the mathematics session I left the meeting feeling not only refreshed but better informed and equipped to look within myself and my teaching methods as to how to approach today's classroom problems, nerves and anxieties and the public's expectation of my services to children and the world in which they are to live and function and make a living.

Dr. Vernon V. Sisney, chief clinical psychologist of the Veterans Administration Hospital of Oklahoma City the morning speaker told us in down to Earth language how we should not teach more and better, but that each child is to be listened to and consoled at times; since an unsympathetic attitude at times might warp the

child's thinking toward society or make him anti-social. He also dealt with human relationships of families.

From the following rich background of knowledge and experience of the presidency of the Oklahoma State Psychological Association, the charter president of the Oklahoma City Northeast Optimist Clubs, and having been Oklahoma County chairman for the White Horse Conference on Children and Youth and his work with law enforcement agencies and the courts in dealing with juvenile problems he brought us this enlightening message. We as parents and teachers, he said, discourage children by ignoring their feelings, holding onto our petty tensions, not bringing the big ones out into the open and analyzing them, and by unthoughtfully leaving keys in cars or doors unlocked that tempt children unduly into committing crimes.

Cayce Moore, the evening speaker, of Hearne, Texas newspaper columnist, and philosopher broke our tensions further with his homespun, humorous way of put-

ting things. He talked about keeping up in the space age without loss of balance of values in economics spiritual worth and social relations also.

Having come from Bryan, myself, a stone's throw from Hearne, I enjoyed very much the speaker's way of expressing his sage philosophy.

We had a delicious luncheon at noon during the classroom teachers' session at Monterey High School cafeteria. We were entertained by an A Capella choir and instrumental music.

Charles Sanderson of the State Education Department, gave a wonderful talk on teacher ethics and preparations. He said that it is a shame that Texas has to grant so many "emergency teacher certificates" in order to man its schools. He also said that other professions and businesses are making a drain on many of our very efficient teachers and prospective teachers. The speaker emphasized that teachers should, in many instances, take a greater interest in local organizations and church work, even to holding office.

He said that although here and there school boards over the state have set up provision for teachers' sick leave in most of the state no provision is made and that it is common to see teachers on the job that should be home in bed. He asked teachers to ask their legislators to push the "Teacher Uniform Sick Leave Bill."

The classroom teachers were asked to join a Lubbock bus trip at twenty-five (\$25.00) dollar a head, to Atlantic City to the NEA Convention.

In the mathematics session, Dr. Richard Heineman of Texas Tech's mathematics department, spoke on "Recent Trends in Mathematics." He had copies of material problems in mathematics passed out to the audience to acquaint the teachers with kinds of problems in algebra, trigonometry and geometry; that their students have been expected to know to pass entrance examination in the Texas Tech engineering department.

He said that was the requirement up to the end of this school session, but that beginning with the fall session of 1963, all these mathematics will be taught in the department after enrolling in the engineering course. Dr. Heineman is the author of books in algebra and geometry that simplify and condense several of the steps usually taught in the courses. He said that many students who come to Tech show little knowledge of analysis in problem solving. He praised the Dallas system for the calibre of its entrance exam students for mathematics and those of Phillips near Borger.

Boy Scout's Scout-O-Rama

Tim Ray Matthews, Ollie Charles Thomas and Isaac John Osborne represented our Scout Troop in the discussion and illustration of assigned subject, "Citizenship in Nation." Billy Ray Thomas represented the Cubs but was too late to show the clay models made by Cubs, Robert Lee Washington and Willie Ray Carr. Charles Ray Brown had a cardboard airplane and put an electric battery in it that moved the propeller. Explorer, Willie Ray Johnson was assigned to tell about "Aviation" He did a wonderful job of telling about the different spheres of the atmosphere and their effects on weather, flying and whether a flyer would go into permanent orbit, (become a satellite) or keep outside the earth's gravity to the sun.

All of the boys, both Scouts and Explorers, were familiar with each others subject so that if one was not present the other could take over. The charts were made by Tim Ray Matthews, Willie Ray

Farm Facts

Farmers are borrowing more money than ever before. In the face of the trend toward larger farms, credit helps provide the things they need to produce more efficiently.

Farmers are borrowing more money than ever before.

The farmer's use of credit will continue to mount, notes W. D. Curtis, economist with the Louisiana State Agricultural Service. This will be due to: (1) greater investment per farm; (2) an increase in the use of power, fertilizer, chemicals, better seed, and other production necessities; (3) failure of savings to keep pace with mounting capital needs; and (4) a more businesslike approach to credit—if convinced it will pay them to borrow, they borrow.

From 1953 to 1960, the dollar volume of farm credit system loans increased 129%, while the number of farms decreased 30%. Long-term mortgage loans by federal land banks increased 18%, while short- and intermediate-term loans by production

credit associations increased by nearly 25%. Despite the trend to "commercial" farms, the farm family will remain important because it performs the major share of work on these farms.

Johnson and Isaac John Osborne. Den mother Osborne asked the stimulating questions to the audience first, if they could not answer then the boys answered. We won a blue proficiency pennant.

Should you care to go up in the ionosphere in a plane some day, we hope these boys can be of service in the information bureau on the ground level, for they really demonstrated what knowledge was available to them. They talked about the 'D' and the height at which the satellite climbed to send back President Eisenhower's Christmas message. Although the 'D' layer is the first instance of echo reflection we are now receiving more than the Christmas message from over a hundred miles up from satellites with instruments that draw and send back messages to help us in our national defense and tell us about the weather and the composition of the planets and the distant stars more accurately.

Our Scouts sold \$27.50 worth of tickets to the Scout-O-Rama. Isaac John Osborne won a Scout knife and neckerchief slide and Willie Ray Johnson won a tie slide.

PUBLIC SCHOOL WEEK

All the children took part in this demonstration for the public and their parents. Our subject in the language arts department of speech was showing off our study of air, sun and water. To do this, we used the windmill for first grade which they told about, story telling for seventh grade; fourth grade, "The Arabian Desert," telling about the Tent People and the Oasis farmers. They compared the lives of these people to what we ourselves would be if we did not use machinery to bring the water to the surface for irrigation of our crops. The third grade read about the desert in their weekly reader and geography so they joined the fourth grade. Second grade did spelling and story telling. Each morning there were recitations of multiplication tables and measurements through square measure, kitchen measurements, liquid and dry measurements and the metric system.

Prof. Osborne's room had beautiful maps and art, and our eighth grader, Willie Ray Johnson did some electric wiring.

Monday, March 19, we had a seventh grade visitor from Tahoka, Dimbar School. He was the cousin of Willie Ray Johnson. Both boys left Tuesday with their

Kathryn West, Reporter. The 4-H club met Thursday afternoon at 5 p.m. in the community center. The meeting was called to order by the president, James

Pitts. The motto, pledge and prayer were led by James Pitts.

Plans were made for the next meeting and it was decided to have a weiner roast for the 4-H members and their families. Everyone is to ask someone interested in joining 4-H to come. Each family is to bring food for their family and guests.

Lynna Pitts gave a demonstration on making frijole dip. Kathryn West gave a talk on "Food Fitness." After refreshments were served by the Pitts, the meeting adjourned for outdoor recreation.

Mr. and Mrs. J. C. Bickwell visited with Mr. and Mrs. Rafe Rogers and sons at Whitharral Sunday.

Mr. and Mrs. J. A. Littleton, Jr., Becky and Jimmy had dinner at the J. A. Littleton home Sunday.

Mrs. Ralph Cook and Mrs. Bobby Sanders visited with Mrs. A. C. Barton Thursday.

CAL FARLEY

Cal Farley To Be Guest Speaker At Chamber of Commerce Banquet

Tickets are now on sale for the annual Chamber of Commerce banquet which will be held at the Springlake School cafeteria Friday, April 6, at 7:30 p.m.

Cal Farley, often called "America's greatest foster father" and one of the nation's outstanding authorities on juvenile delinquency, will be the guest speaker.

Mr. Farley is founder and president of Boy's Ranch near Amarillo. He started the Ranch, the first in America, 22 years ago, following a successful career as a world champion athlete, civic leader and businessman.

He has won wrestling championships and played professional baseball.

Acquiring a bankrupt tire shop, he built it into a three-quarter million dollar a year enterprise. This was known as the Flying Dutchman Service.

During these years, he was surrounded by youngsters who hung around the gym and tire business. Boys from the bottom of the barrel is what he called them because they were truant, drifting boys without proper supervision at home. He liked these boys and helped form a club that is still in operation in Amarillo.

In 1939, Farley bought the old abandoned courthouse of Tascosa and Boy's Ranch became a reality. It began with six homeless boys off the streets of Amarillo. In 1947, he sold his thriving business and has put thousands of dollars of his own money into the Ranch, dedicating the rest of his life to helping homeless and delinquent boys find "A Shirt Tail To Hang To."

Today Boy's Ranch is home for 286 boys from all over the nation. Over the past 23 years more than 1300 boys have lived there and received their education and training.

Awards will be presented to the outstanding citizen of the year and to the outstanding boy and girl of the senior class.

Tickets can be obtained from members of the Chamber of Commerce.

The James Lackey family, the W. J. Rylant family and Darlene Redd spent Sunday afternoon in the Sandhills at Horseshoe Bend. Several arrowheads and some broken Indian pottery were found by the group.
