

Where Are You Living?

By DAVID HARTMAN

This is the question I often ask friends I haven't seen in a long time. They respond with the name of the place etc.

Without realizing it we sometimes live in several places at once. You didn't know you could do that did you. In addition to living wherever you are now there is at least one other place you can live at the same time -- the past, present, or future.

It seems the past is especially attractive for some folks. Perhaps because it is decorated with things familiar. They are comfortable with past glories and accomplishments. Perhaps the greatest harm that comes from the past is when we live out every minute of our lives there without regard to any other alternative open to us.

The past can be helpful. For example it helps us to see how we got to where we are today. The past can also teach us

valuable lessons on how not to do some things.

Sometimes looking back over past successes gives us courage for the present and future. Especially if things may be going a bit rough for us at the moment.

I repeat the great harm comes when we "camp" in the past. This closes the door to the present and the future. It stops all possibilities of growth. If we do not continue to grow we stagnate and "die".

As comfortable, memorable, and glamorous as the past may seem we must let it become the past and move to some other place to live. There is a gem of truth in this statement by F. P. Dunne, "The past always looks better than it was; it's only pleasant because it isn't here."

Another possibility open to us is the future. Some folks are as hung-up on the future as others are on the past. Ev-

FHA Girls To Be Busy

During the summer various committees of the Future Homemakers of America Club met and planned club projects

everything takes the shape of tomorrow. The uncertainty of the future speeds some of their retreat in the past.

As exciting as the future is we cannot live there every moment. Tomorrow is the captor of our hopes, dreams, and aspirations. And unless there is some way to secure their release they die unfulfilled.

If we insist on living yesterday or tomorrow we miss today. It is today -- the present -- that hopes, dreams, and aspirations are fulfilled. Dreams turn into reality only in terms of what I like to call the eternal now. After it is said and done all we human beings have to live and experience in this life is right now.

I had a Bible prof at Hardin-Simmons University that used to say, "I am not so much concerned about the Sweet By and By as I am the nasty now and now." The "nasty now and now" concerns most of us because that is where we live.

I found the following bit of information that shows an interesting trend: College business schools report that more of their graduates are seeking jobs in smaller companies than in the past. The emphasis is on immediate challenge rather than long-range security.

Said one dean: "Young men today seem to be looking for jobs with less future and more present." (Bits & Pieces, Pg. 5)

How many people do you know that have sacrificed for the future to the point they failed to enjoy many pleasant day by day experiences?

Rearing children can be like that. We can concentrate so much on growing them up that we fail to enjoy them in their day by day progress.

Consult the past, consider the future, but live today.

for the coming year.

Beginning in September and continuing through April, the girls will be involved and busy with many interesting projects which will not only benefit the community, but other communities and countries.

Secret Grandmothers will be selected to be honored by the girls during September.

The month of October will see FHA girls collecting beautiful unsigned and unaddressed but stamped Christmas cards. These cards will be packaged and sent to the State Hospital. Patients in the hospital will be using the cards to send to friends and relatives.

During November club members will salute our soldiers by gathering such articles as razors or blades, soap, toilet articles and numerous other items. After the gifts are gathered, they will be packaged and mailed for soldiers in foreign countries to receive in time for Christmas.

Future Farmers of America along with Future Homemakers of America will hold a chili supper during the month of December.

Various girls in the club will also go on a shopping trip that month. The trip will be to buy clothes and other items for some needy family in this area. Around Christmas time, the club will hold a Christmas party.

A project entitled TUBFRM will get underway in January. Cancelled stamps will be collected and sent to Norway where they will be sold to stamp collectors. All profits will go to help fight tuberculosis and other diseases.

Twirl Week promises to be a fun week for the girls during February when the Best Beau Banquet will be held.

The aroma of delicious homemade cookies will fill many club member's homes during March. The girls will be baking cookies to send to the High Plains Training Center in Plainview.

Young pre-first graders will be certain to appreciate the beautifully decorated Easter eggs that FHA members will supply them with in April.

Also during April, FHA Week will be sponsored. During the week girls will gather for all occasions. On Sunday they will attend church as a group. Monday an assembly will be sponsored by the girls while Tuesday night will be Daddy Date Night with eighth graders.

Secret Grandmothers will be honored with a tea Wednesday and Thursday will bring about Color Day and the planting of roses. After School "Hat" Day Friday, the girls will work at the Goodwill Centre Saturday.

Young pre-first graders will be certain to appreciate the beautifully decorated Easter eggs that FHA members will supply them with in April.

Also during April, FHA Week will be sponsored. During the week girls will gather for all occasions. On Sunday they will attend church as a group. Monday an assembly will be sponsored by the girls while Tuesday night will be Daddy Date Night with eighth graders.

Secret Grandmothers will be honored with a tea Wednesday and Thursday will bring about Color Day and the planting of roses. After School "Hat" Day Friday, the girls will work at the Goodwill Centre Saturday.

Mrs. Linda James, president of the organization, announced the first regular meeting is set for Thursday, September 16, at 7 p.m. in the homemaking cottage. At that time, an election of officers will highlight the meeting.

The club is seeking to interest additional homemakers in joining. Anyone interested in becoming a member of the Young Homemakers is invited to attend the September meeting.

The Young Homemakers Club is involved in many worthwhile projects to benefit the community.

Attending the social Tuesday were Mrs. Carolyn Curtis, Mrs. Bettye Hausmann, Mrs. Mary Jones, Mrs. Nancy Baucum, Mrs. Linda James, Miss Sue Smith, sponsor; and guests, Mrs. Cynthia Byen, Mrs. Kathie Shirley and Mrs. Charlotte Smith.

More Funds Needed To Continue Suppression

Members of Lamb County Better Weather, Inc. announced Friday for raising additional money to extend the hail suppression program until October 1.

H. L. Messamore, secretary, said \$1,138 more was needed to meet the \$2,600 payment that would assure continued cloud seeding operations through this month.

Hale County cloud seeding advocates voted to extend their hail suppression program through October 10.

Messamore added that Lamb County could continue protection through October 10 for \$600 more in addition to the September installment.

At the present time, Lamb County farmers have paid for cloud seeding operations through September 15. If funds aren't raised to continue the operations, Messamore said the hail protection in Lamb County will end the middle of this month.

Recently members of the board of directors of Plains Weather Improvement Association met to view tornado photographs taken by Atmospherics, Inc., pilots and discuss briefly the 1972 closure of the 1971 budget.

Frank Moore, president, reviewed the season to date, listing no major hail damage in the target area, to houses, cars or other property, and said that crop losses "had been small, perhaps five per cent in Hale County."

Under the program set up by the association, payments this year to Atmospherics have been through installments, with the

total amount covered by contract.

In discussing the program this year to date, members stated there had been some confusion on the part of participants as to why aircraft from Atmospherics had not always been seen seeding in hail areas. Bill Carley, project supervisor, joined with members of the association in agreeing that more technical data was needed by farmers to understand the seeding procedure.

"The silver iodide process calls for seeding updrafts, while hail usually rides a downdraft to the ground," Moore said. "The updraft, located perhaps a mile to three miles from the hail, is where the planes have to work to cut off the feeder supply to the hail," he added.

Moore said several participants in the program had called, wondering why planes were not seeding, when in actuality, he stated, "they might have been in the air continuously for more than six hours seeding clouds."

Carley said there are two types of thunderstorms which cause severe damage in this High Plains area and added that the pilots and crew had "learned quite a bit about weather here during the past two years." He listed squall lines as potentially the most severe, but easier to control, individual cell clusters in most stationary thundershowers are less severe but more difficult to seed.

The supervisor, who also is one of three pilots assigned here for the program, said

Karen Jones Receives Degree

Karen Ann Jones, daughter of Mr. and Mrs. Wallace O. Jones of Earth, received a Bachelor of Science Degree in Child Development and in Home and Family Life during commencement exercises in August at Texas Tech University in Lubbock.

KAREN JONES

Miss Jones, who is a 1967 graduate of Springlake-Earth High School, graduated from Tech with a grade average of above three points. While attending Tech for four years, she was named to the Dean's Honor Roll each semester except two.

While attending school here, Karen belonged to the National Honor Society, was Senior class historian, received a degree from Betty Crocker as a Homemaker of Tomorrow and received a scholarship sweater from the XIT Study Club.

The recent Tech graduate will be employed in Lubbock.

Springlake Lions Down Earth 8-3

Strike Three! You're Out! -- These baseball terms were heard frequently Saturday night when members of the Earth Lions met the Springlake Lions at the City Park in Earth for a softball game.

The Springlake Lions were victorious over the Earth team with a score of 8 to 3. The players and spectators may have disagreed with the umpires but there were no screams like "Kill the umpire" heard.

Why? Well, could be that the umpires were prettier than the usual brand of umps. Lady umpires were Mrs. Tom Liveley, behind home plate; Mrs. Don Clayton at third base; and Mrs. Doug Parish at first.

The approximately sixty people who attended the affair enjoyed it to the fullest.

Delicious refreshments of various flavors of homemade ice cream and homemade cakes were served to all attending.

Young Homemakers Get Acquainted

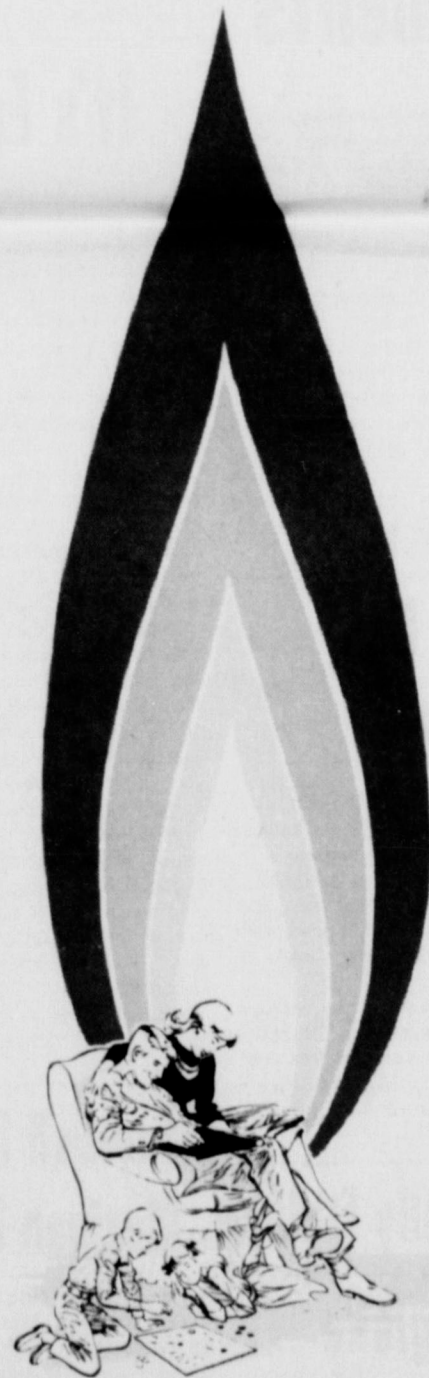

Members of the Young Homemakers Club held a Get Acquainted Social Tuesday, August 31, in the homemaking cottage on the school campus. Everyone enjoyed chatting and getting acquainted while delicious refreshments of cake and Cokes were served to the members and guests present. The cake was iced in white and decorated around the edge with red carnations, the club's flower.

Mrs. Linda James, president of the organization, announced the first regular meeting is set for Thursday, September 16, at 7 p.m. in the homemaking cottage. At that time, an election of officers will highlight the meeting.

The club is seeking to interest additional homemakers in joining. Anyone interested in becoming a member of the Young Homemakers is invited to attend the September meeting.

The Young Homemakers Club is involved in many worthwhile projects to benefit the community.

Attending the social Tuesday were Mrs. Carolyn Curtis, Mrs. Bettye Hausmann, Mrs. Mary Jones, Mrs. Nancy Baucum, Mrs. Linda James, Miss Sue Smith, sponsor; and guests, Mrs. Cynthia Byen, Mrs. Kathie Shirley and Mrs. Charlotte Smith.

Comfort is...

Fresh, warm air gently circulating from floor to ceiling . . . down-to-earth dependability . . . easy-on-the-budget operating costs. Comfort is gas heating. There's no heat more comfortable.

And there's no heat cleaner than gas. Gas burns clean. It's one energy source that doesn't dirty the air.

Air-circulating gas heating systems also give you the first-half of a built-in gas air conditioning system. Adequate heat ducts can carry cool

air to your whole house too -- so you can add-on gas cooling right away or later if you prefer. Together, gas heating and gas cooling are an unbeatable combination for year 'round total comfort.

If you're building a home or planning to replace an out-dated heating system, choose thrifty gas heat. Check with your heating contractor.

PIONEER NATURAL GAS COMPANY

Centre Board Meets

Members of the Goodwill Centre Executive Board met Wednesday, September 1, at the Goodwill Centre for their regular monthly meeting.

Recently the board members lowered prices on items in stock at the Centre to help reduce the stock on hand. At the Wednesday meeting members voted to have normal prices go back into effect on all sales made.

Also, board members have decided that the Goodwill

Centre will pay for transportation of needy or underprivileged children to receive medical care.

Attending the meeting were Mrs. Doug Parish, secretary-treasurer and Methodist Church representative; Mrs. Florence Gover, TOPS representative; Mrs. A. E. O'Hair, president and Eastern Star representative; and Mrs. T. V. Marrell, reporter and Home Demonstration Club representative.

Booster Club Hosts Get Acquainted Party

The Wolverine Booster Club sponsored a Get Acquainted party for coaches, football players and their families at 8 p. m. Tuesday in the Springlake-Earth school cafeteria.

Coaches Duane Locke, Tom Phelps, Bert Leaverton and Earl Ramsey were introduced to the large crowd by Wolverine Booster Club president, Lynn Glasscock.

Each of the coaches gave a short talk in which predictions for the coming game were assumed to be fair.

Following the introduction of the coaching staff, the football players were then intro-

duced by the coaches.

After everyone enjoyed visiting with one another, delicious refreshments of homemade ice cream and cookies were served to those who were present.

It was reported that Larry (Tubby) Price won the ice cream eating contest.

The next meeting of the club will be at 8 p. m. Tuesday, September 14, in the school cafeteria. Anyone and everyone who may be interested in backing our hard fighting Wolverines is cordially invited to attend the next meeting.

JUNIOR CLASS OFFICERS who plan to help make the 1971-72 school year a memorable one are, bottom row, Daria Dear, secretary; Paige Gaston, student council representative; and Juanita DeLeon, treasurer. Top row, Kevin Anderson, student council representative; Brian Sanderson, president; and Guy Davis, vice president.

Lamb County Businessman Director For PCG Elected

Lamb County cotton producers and agribusinessmen held an election of a businessman director to Plains Cotton Growers, Inc. at a breakfast meeting at 7 a. m. Tuesday, September 7, at the Crescent House Restaurant in Littlefield. J. D. Smith, Lamb County producer-director to the 25-county commodity organization, reported that Paul Burnett of Littlefield was re-elected to fill the position of businessman director.

Each of the 25 counties in the PCG territory has two directors,

one a businessman and the other a cotton producer. The directors each serve two years with businessmen elected on odd years and producers on even years.

In addition to the election a PCG staff member talked about cotton activities.

The annual meeting of the county commodity organization has been tentatively set for the last of September. At that meeting an election of officers for the organization will be held.

BOZEMAN TO WORK FOR SWINE RANCH

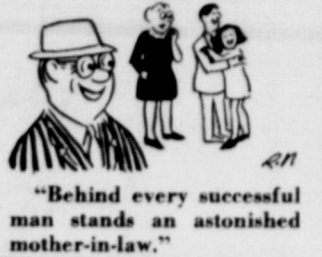

Mr. and Mrs. Shelby Bozeman and children of Earth will soon be moving to the Pitchfork Ranch near Guthrey.

He will be in charge of swine production on the ranch. The ranch has an accredited SPF production with approximately 120 sows at present. It is expected to build up to a 400 sow operation.

Bozeman has been manager of Earth Swine Breeders for the past year. Darrell Mote of Plainview has been appointed to temporarily replace Bozeman. Earth Swine Breeders has 175 sows at present.

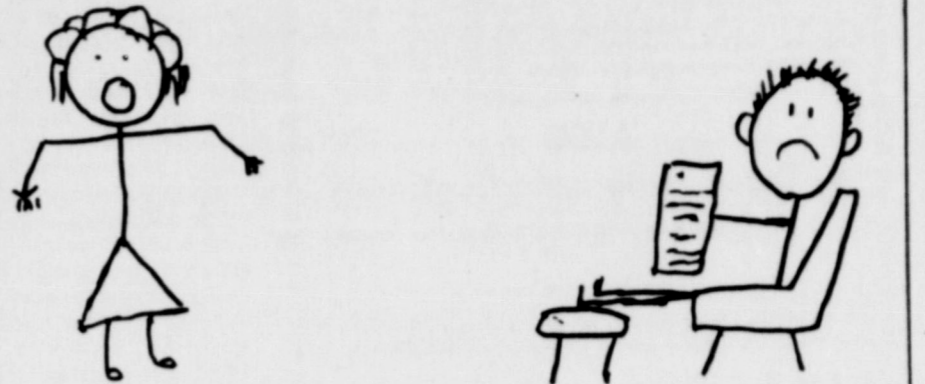

Bozeman stated his regrets at leaving Earth but said an opportunity like the ranch has offered was a step forward and he felt like he could not turn down the chance for advancement.

If you like the idea of helping others, you'll like the Army Reserve.

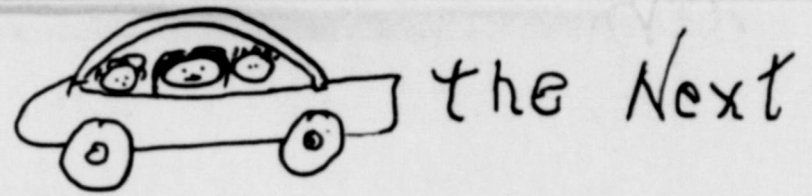

"Behind every successful man stands an astonished mother-in-law."

Who IS this guy?

When you see him, coupled with our corporate emblem, on a lineman's hardhat, on the door of a line truck or service truck, on our offices or signing our newspaper and TV messages, you know that here's a hard-working little fellow who gets around - 24 hours a day.

His name is Reddy Kilowatt.

He's a versatile little fellow who is capable of doing all kinds of good things for you. He can cook your meals, dry your clothes, wash your dishes, heat your place in winter, cool it in summer, light it up year 'round - and a hundred other chores around the home. He's a businessman, too. He helps to run retail stores, offices, commercial buildings, big and small industries and farms and ranches - efficiently, economically and dependably.

He, together with his 1,800 co-workers . . . they are *The ELECTRIC Company* . . . the one you can rely on. And this year marks our 50th Anniversary . . . that's over 438,000 hours of working for you dependably, efficiently and at the lowest possible wages. Hour by hour, we pledge to continue working hard for you for the next 50 . . . that's the kind of guy Reddy Kilowatt is.

31-9137

ELECTRICITY . . . IT DOES SO MUCH GOOD FOR SO MANY PEOPLE!

Catholic Church Holds Raffle

Parish Council members from the Saint Mary Magdalene Catholic Church in Earth sold tickets for a chance at a hog Monday, September 6, at radio station KMUL in Muleshoe. Mackey Oldfield of Dimmitt won the hog. He purchased the winning ticket from Arthur Ruiz of Sunnyside.

Three hundred tickets were sold at one dollar each. The proceeds will be used to help purchase stained glass windows for the Earth church.

Members of the Parish Council are ERASON ZAMORA, president; Paul San Miguel, vice president; Ellis Acevedo, secretary; Arthur Ruiz, Paul Moneral, M's. Pam Marquez and Jesus Compean.

Ex-Convict Speaks At Assembly

Junior high and high school students of Springlake-Earth schools attended an assembly in the school auditorium Wednesday, September 1.

Jerry Carnee of Plainview, who was a prison inmate for five years spoke to the students on such subjects as the importance of good citizenship, drugs and various crimes.

Carnee, who is the father of two boys, is touring the area speaking to interested groups on these subjects and trying to keep youths from making such mistakes as he and others did in the past.

This program was sponsored by the student council which attained Carnee from Southern Assembly Programs in California.

Such programs are conducted by ex-convicts from prisons in an attempt to show youths throughout the country the things which may lead to a life of crime in the hope of preventing these youths from falling victims to similar circumstances and to relate various ways in which obstacles in life can be overcome without having to turn to unlawful means.

Traffic Deaths Down But Forecast Is Up

There is good news and bad news on the traffic safety front.

The good news is that traffic deaths decreased nationally by three per cent for the first three months of 1971.

The bad news comes from Franklin Kreml, chairman of the Presidential Task Force on Highway Safety, who predicts that traffic deaths will increase from 55,300 in 1970 to 70,000 annually by 1975 and 80,000 annually by 1980 if the present fatality rate is not reduced.

McNamara-Reese Double Vows Exchanged

Miss Diana Kay McNamara of Lubbock, formerly of Springlake, and Larry Howard Reese of Lubbock were united in marriage in a double ring ceremony Saturday, September 4, at 7:00 p.m. in the home of Mr. and Mrs. Orlan Bibby of Springlake, aunt of the bride. Vows were read by Morgan Sturges, minister of the Tulla Church of Christ.

The bride is the daughter of Mr. and Mrs. Bill Perkins of Gruver, former residents of Springlake. The groom is the

son of Mr. and Mrs. Howard Reese of Littlefield.

Traditional wedding music was rendered by pianist, Mrs. Fae Washington of Springlake.

Vows were exchanged before an altar enhanced by tall baskets of white gladiolas on either side.

The bride, given in marriage by her father, was lovely in a winter white knit suit trimmed in gold and accented by bone accessories. She carried a nosegay of pink rosebuds, white carnations and white

baby's breath enhanced by greenery on pink tulle with white satin streamers.

For the traditional Something Old and Borrowed the bride carried an off white silk embroidered handkerchief, handmade by her great-great aunt, and a mother's pin which belonged to her grandmother.

Her suit served as Something New. Something Blue was the traditional garter given to her by Mrs. Fae Washington. In her shoe she wore pennies bearing the years of the couple's births.

Miss Dalpha Banks of Amarillo served as maid of honor. Her street length dress was of hot pink cotton satin with a pleated bodice and belted waistline. She carried two long stemmed pink rosebuds tied with white ribbon streamers.

Johnny Reese, brother of the groom, served as best man. For her daughter's wedding, Mrs. Perkins selected a lovely blue crepe dress with long sleeves and a pleated skirt. Her accessories were white and she wore a white carnation corsage.

The groom's mother was attired in a yellow dacron crepe dress with long sleeves and a pleated skirt. Her corsage was of white carnations and her accessories were black patent.

Immediately following the ceremony, a reception was held in the dining room of the home. The serving table was laid with white lace over a pink satin cloth. The centerpiece was of dahlias in shades of pink. The white two tiered wedding cake was adorned with miniature rosebuds and topped by a bride and groom. Silver and crystal appointments were used by Sharon White of Littlefield and Kathy Bibby of Springlake, cousins of the bride, to serve guests.

Guests were registered by Mrs. Doug Messer of Midland. The bride wore a white orchid corsage adorning a white knit suit for a wedding trip to Lubbock and then to Burnet.

Mrs. Reese is a 1967 graduate of Springlake-Earth High School and a 1971 graduate of Texas Tech University. She

MRS. LARRY REESE
(nee Diana McNamara)

will be teaching in Special Reading in Burnet Junior High School.

Reese is a graduate of Littlefield High School. He has served two years in the Army and attended Texas Tech University. He will be employed in Burnet also.

The couple will be at home at 107 East Taggard in Burnet.

Ellis Family Attends Graduation

Mr. and Mrs. Lance Ellis, Gregory and Toni of Modesto, California, Mr. and Mrs. Norman Ellis, Gay, Andy, Arlie and Amy and Mr. and Mrs. Claude Ellis attended graduation ceremonies for Renee Ellis recently at Abilene Christian College. Renee is the daughter of Mr. and Mrs. Lance Ellis, the granddaughter of Mr. and Mrs. Claude Ellis and the niece of Mr. and Mrs. Norman Ellis.

After the graduation exercises, the group all returned to Earth and visited in the Claude Ellis home.

Renee plans to travel through foreign countries and then enroll in a California college to further her education.

Women Honored At Coffee

Businesswomen of the Earth-Springlake area were honored at a coffee from 10-11 a.m. Tuesday, September 7, at Howell's 216 Floral in Earth.

Everyone who attended the affair really enjoyed it and the hostesses were very pleased to see those who were able to attend. Tantalizing refreshments of cookies, Denver tarts, coffee and orange drinks were served from a lovely table. The table, which was covered with a white lace cloth, held a beautiful centerpiece which consisted of grapes in an antique brass basket.

Hostesses for the event were Mildred Howell, Juanita Blackburn and Kathleen Cole of Howell's 216 Floral, Margaret Parsons of Olton, Sally Ellis of Muleshoe and Helen Hulley of Earth, all representing Parsons-Ellis-Singleton Funeral Home.

Party Line

Frank Jackson, who is a patient in Methodist Hospital in Lubbock, began cobalt treatments Tuesday. He will be required to take five treatments weekly. He is expecting to be released from the hospital but is to remain in Lubbock throughout the length of time he is to take cobalt treatments.

Rainbow Girls Hold Initiation

The local Chapter 156, Order of the Rainbow for Girls, met for a regular meeting Monday, September 6.

The meeting, which opened in regular form, was presided over by Earlene Walker, Worthy Advisor, with Mrs. Kathie Shirey as Mother Advisor.

Minutes of the previous meeting were read and approved. Mrs. Shirey requested the girls to turn in all bumper stickers they had not sold.

Vicki Wislan read her list of tentative officers she plans to have for the next four months. These will be voted on for approval at the next meeting.

One petition was read and an investigation committee was named. Those on the committee are Mrs. Kathie Shirey, Debbie Green and Kieta Haber.

Following the business session, an initiation was held for Jason Schellar and Donna Green.

The meeting was closed in regular form and refreshments of cookies and punch, supplied by Gina Wislan, Carmen

Wimberly and Fonda Goodwin, were served to the group.

Sixteen girls and eight adults were present for the meeting. Adults present were Mrs. Kathie Shirey, Mrs. Ann Kelley, Mrs. Madelle Simmons, Mrs. Mabel Wislan, Leonard Green and Clinton Green.

There were two out of town guests present for the meeting, Mr. and Mrs. Billy Robnett of Lubbock.

Party Line

Karen Hinchliffe, Regina Cole and Bobby Myers attended a Lay Witness Mission at Crosbyton Friday, Saturday and Sunday.

Mr. and Mrs. Phil Middleton of Amarillo are in Earth this week on vacation. While here they are assisting his parents with the production of the News-Sun and commercial printing and helping Tom Sanders with housework.

XIT Appreciation Tea Honors Contributors To Girlstown UMY Stresses Making Your Life Count

XIT Study Club members sponsored an Appreciation Tea for all contributors to their Girlstown projects at 8 p.m. Tuesday, September 7, in the Springlake Community Building.

Ms. Charollette Cain welcomed all the guests and introduced "Miss Girlstown," Miss Kathy Stull. Miss Stull rendered the thanks of herself and everyone at Girlstown for contributions and work they

had received at Girlstown at Whiteface through the Springlake Club.

A trio of girls also from Girlstown, Miss Sundal Ford, Miss Debbie Stone and Miss Norma Josey, entertained everyone with their lovely singing. The girls sang "Little Things", "Do Lord" and "Love Shined on Me". Miss Ford supplied instrumental music on her guitar.

Mrs. Marshall Cooper whose husband is director at Girlstown at Whiteface accompanied the girls to Springlake. Refreshments of assorted cookies, punch and coffee were served to the twenty persons present from a beautifully decorated table. A lace cloth over yellow linen covered the table which featured a very pretty floral wreath and candle centerpiece. The brown and yellow toned candle,

which stood on a crystal stand, was encircled with a wreath of lovely fall flowers. Crystal and silver appointments were used to serve the refreshments. The next meeting of the club is set for Tuesday, September 21, at 8 p.m. in the home of Mr. and Mrs. Hollis Cain. A program entitled "State Planning" will be presented at the meeting by Ted Ray of Lubbock.

The Junior High United Methodist Youth met Sunday evening at 5:00 p.m. in their classroom.

A very interesting program entitled "Thinking for Yourself" was presented to the group by L'Anna Sulser. The program was designed to stress making each day in your life count by using each precious minute for something useful

because past periods in life cannot be relived.

To present the program Miss Sulser used two skits performed by those attending. The first skit was titled "Fred Somers Decides." Fred was a child in an average American home who decided to invite a friend who had been in a detention home to visit in his home.

"Joe Goodfellow" was the name of the second skit. The background prop was a large clock. Joe Goodfellow was the hands of the clock and he acted out each hour of the day such as getting up, going to school, eating lunch, going home and so forth. This skit was used to show how easily people fall into a rut by following the exact same routine

day after day and never thinking for themselves what they can do to add variety to their lives.

Following the program, the group enjoyed refreshments of Cokes and candy bars. The remainder of the evening was spent in playing games and visiting.

Enjoying the evening of fellowship were Chuck Dunnam, Charla Dunnam, Kim Jones, Gina Wisian, L'Anna Sulser and Mrs. LaMoyné Matlock, sponsor.

BEGINNING THEIR YEARS of experience in high school leadership as Freshman class officers are, bottom row, Amelia Zamora, student council representative; Agnes Palacto, secretary; and Rosemary Acevedo, treasurer. Top row, Junior Sauseda, student council representative; Doug Jones, vice president; and Dyke Gaston, president.

Senior Citizens Gather

The Senior Citizens gathered at the Community Building for their monthly meeting on Wednesday, September 8.

R. W. Fanning offered the blessing prayer preceding a delicious covered dish meal. President Grill Bulls presided at a short business session with secretary, Marie Ross, reading the minutes of the previous meeting.

Following the business session, a number of the citizens enjoyed playing various games such as 42.

Sitting at the monthly birthday table were Mrs. Edith Brockette, Mrs. R. C. Hyde, Mrs. Frank Butter and George Hintner.

Present for the occasion were Mrs. Edith Brockette, Mrs. Elsie Hawkins, Mrs. Almer Barton, Mrs. Mae Hamilton, Al Sanders, Joe Lee Truelock, George Hintner, Leonard Green, Mrs. Bonnie Haberter, Mrs. Judith Jones, Mrs. Besse Cearley, Mrs. Minnie Pate, Mrs. Ruby Hodge and Mrs. Lucille Henderson.

Also attending were Arnie Rinyon, Miss Ruby Jones, M. T. Ida Allen, Mrs. Gladys Goodwin, Mrs. Jane Beavers, W. C. White, Mr. and Mrs. Frank Butter, Mr. and Mrs. Grill Bulls, Mr. and Mrs. R. C. Hyde, Mr. and Mrs. R. W. Fanning, Mr. and Mrs. Jack Hinson, Mr. and Mrs. Homer Sanders and guests, M. and Mrs. Teal Loftis of Kress.

Girl Scout Neighborhood Meet-Announced Party Line

Mrs. Donald Clayton has announced a Girl Scout Neighborhood meeting will be held Tuesday, September 14, at 9:30 a.m. in the Springlake Community Building.

This meeting will be to organize and plan programs for the forthcoming year for members of the Girl Scout and Brownie Troops.

Anyone interested in helping with a Brownie or Girl Scout Troop should attend this meeting.

Girls who are in the second grade are eligible to become Brownies. Those girls interested in joining the Brownies are asked to have their mother accompany them to the Neighborhood meeting.

Mrs. Clayton requests that, if at all possible, troop leaders serving last year to please be present for the meeting.

L. K. Anderson is still a patient in University Hospital in Lubbock. Anderson, who suffers from emphysema and heart trouble, cannot have visitors at this time as his condition is still very serious.

Wendell Clayton has been dismissed from Methodist Hospital in Lubbock and is recuperating at home.

U. S. FARM POPULATION DOWN --- The U. S. farm population declined 5.8 percent in 1970 to a total of 9,712,000 reports the U. S. Department of Agriculture. As a result, farm population accounts for only 4.8 percent of the national total compared to 8.7 percent in 1960.

Notice

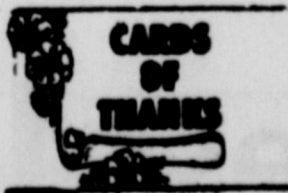

The Earth Lions Club noon luncheon which was scheduled for Sunday, September 11, at the Community Building in Earth, has been postponed. The luncheon will be re-scheduled at a later date.

Plans are underway for the opening of Community Kindergarten on September 21.

Mrs. Charles Parish will be assisting Mrs. Ed Dawson.

Both five and four-year-old children will be accepted, four days weekly for five year olds and two days for four year olds.

For further information call 257-3783 or 986-2623.

I would like to express my sincerest appreciation to everyone for your thoughtfulness, prayers, and concern during my illness. Each act of kindness was greatly appreciated.

Mrs. G. S. Armstrong.

1971-72 BEING THEIR FINAL school year, Senior class officers who hope to leave behind a lasting contribution to their school government are, bottom row, Janet Britton, student council representative; Phyllis Smith, secretary; and Criss Dent, historian. Top row, Becky Littleton, treasurer; Karen Hinchliffe, historian; Mike Cleavinger, vice president; Joe Rivas, president; and Chris Brock, student council representative.

Jean Rumbaugh Queen Of The Week

TOPS Happy Losers 217 met Thursday, September 2. Ten members answered roll call. The meeting was presided over by club leader Emily Clayton. Jean Rumbaugh was Queen of the Week with a 2

3/4 pound loss. Lois Rudd was runner-up with a loss of 1 pound.

Kathy Rumbaugh's name was drawn for the \$1.00 prize and she was present to collect.

Diets and diet recipes were

discussed. The program given by Mrs. Pauline Hucks, was taken from the Consumer Report and dealt with fraudulent exercise clothing and machines on the market. Each member was asked to write their Rep-

Homemakers Install Officers

The Springlake-Earth Chapter of Future Homemakers of America met in the school cafeteria for the first meeting of the school year Thursday night, September 2.

Several of the FHA members opened the program by lighting candles and giving a goal to be achieved through FHA.

Mrs. Linda James, president of Young Homemakers, then installed officers for the coming year beneath a beautiful backdrop which featured the name of the club and their emblem. She stood behind a table covered with a white linen tablecloth which held red and white candles and beautiful red roses.

The new president, Becky Littleton, then took charge and initiated Freshman members. Each Freshman girl was

presented a red and white ribbon.

While refreshments of cookies and punch were being prepared, the club members, who were all dressed in their red FHA dresses, sang several songs being led by Karen Hinchliffe.

Officers installed were Becky Littleton, president; Marian Dawson, first vice president; Criss Dent, second vice president; Sherry Pittman, third vice president; Karen Dear, fourth vice president; Kim Kelley, fifth vice president; Pat Cleavinger, historian; Suzy Temple, pianist; JoAnne Coker, secretary-treasurer; and Darla Dear, parliamentarian.

Sponsors for the club are Mrs. Cecil Slover and Miss Sue Smith.

Party Honors Tammy Garner

Tammy Garner, the young daughter of Mr. and Mrs. Jack Moore of El Monte, California, was honored Tuesday with a party in the home of Mr. and Mrs. Calvin Wood.

Tammy and her parents, who are former Earth residents, are visiting in the home of Mr. and Mrs. W. D. (Dub) Martens this week. The Martens are Mrs. Moore's parents.

Attending the party were the honoree, Tammy Garner; Jennifer Wood, Jeri Been, Cindy Parish, Angela Moore, Mrs. Jack Moore, Mrs. Charles Parish, Mrs. Marvin Been and Mrs. Calvin Wood.

The party was given so that representatives and Senators requesting laws to make companies prove their claims before their products can be placed on the market.

The meeting was dismissed with the group repeating the "Serenity Prayer."

Members present were Mrs. Jo Houchin, Mrs. Lois Rudd, Mrs. Pauline Hucks, Mrs. Inez Inglis, Miss Jean Rumbaugh, Miss Kathy Rumbaugh, Mrs. Alms Ott, Mrs. Beverly Taylor, Mrs. Florence Gover and Mrs. Emily Clayton.

Tammy and her friends in Earth could see one another and get re-acquainted.

After eating cookies on the patio of the Wood home, the youths chose to play games and watch Roy Rogers on television.

Party Line

Mr. and Mrs. Ross Middleton spent Friday night as guests of their son and wife, Mr. and Mrs. Phil Middleton in Amarillo. They were joined there at 1:30 a. m. Saturday by their daughter, Polly Jean Middleton, and Pat Breedlove of Tulsa and Mrs. George Middleton of Muskogee, Oklahoma. Shortly following their arrival a birthday cake with candles and gifts were presented to Mrs. George Middleton. The occasion was her 79th birthday.

The group all returned to Earth Saturday afternoon and dined at the Ross Middleton home. Sunday night the group were dinner guests of Mr. and Mrs. Gene Chaney and Melissa of Olton and Mrs. Chaney's mother, Mrs. Sophia Holt, also of Olton.

Mr. and Mrs. Doug Messer of Midland were in Earth over the Labor Day weekend visiting Tom and Toni Sanders, Mr. and Mrs. Marcus Messer and Marianne. They also visited with the Phil Middletons while here.

John Padilla is a patient in Central Plains Hospital at Plainview. Padilla, who had surgery on his leg Tuesday, is reported to be doing fine.

Mr. and Mrs. Milton Bland spent Sunday night with Mrs.

Almer Barton.

Mr. and Mrs. W. F. Williamson of Shallowater visited Monday with Mr. and Mrs. Ross Middleton, Mr. and Mrs. Abe Griffin and Mr. and Mrs. Everett Patterson, all of Earth.

OLTON	MULESHOE
IOWA PARK	GRANBERRY

--- TIE BREAKER ---
WOLVERINES.....HALE CENTER.....

Name.....
Address.....
City..... State.....

CONTEST RULES

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p.m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted score will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

Eyes Are One Of Man's Most Priceless Possessions

One of man's most priceless possessions is his eyes, and help in conserving this treasure is on its way, reports the Texas State Department of Health.

This help is in the form of a federally-imposed requirement for impact-resistant lenses on eyeglasses. Thousands of Texans already wear them.

Effective December 31, all glasses and sunglasses sold in the United States must have lenses of laminated glass, heat-tempered glass or plas-

tic. This seems like a simple solution to some of the eye injury problems. But it took years of effort by accident prevention experts to attain this ruling by the Food and Drug Administration.

Last year, reports the National Safety Council, there were 110,000 eye injuries in this country. It's obvious that only a fraction of this number came from broken lenses. Almost 11 per cent of the injuries resulted in a permanent partial-blindness, which means that one or both eyes were

damaged permanently. More than seven out of 10 persons suffering eye injury went through a period of blindness -- even if only temporary.

While the impact-resistant lenses won't provide total protection from breaking, they will be a big step in the right direction. The FDA regulation will provide greater protection in tougher lenses. But they cannot be considered as providing an unbreakable shield against eye injury. The new regulation covers prescription and non-prescription glasses.

If there is some reason why these impact-resistant lenses won't fulfill the visual requirements of a particular patient, regular lenses can be obtained.

The performance standard for impact-resistant lenses is based on American National Standards Institute specifications. Essentially, the standard requires that a given lens be capable of withstanding an impact test in which a 5/8 inch steel ball weighing approximately .56 of an ounce is dropped from a height of 50 inches.

Industry has long used the "shatterproof" goggles or glasses. It realized that tragedies resulting from lenses which have shattered into blinding slivers upon impact were needless and preventable.

One of the largest beneficiaries of the new regulation will be the average wearer of glasses -- the athletic youngster, the outdoorsman, the handyman and do-it-yourselfer, the housewife and office worker. They run into situations every day which test the safety of their glasses and sunglasses. The new lenses will provide a better barrier against injuries to the eyes, says the Health Department.

NEWCOMERS TO THE AREA

Mr. and Mrs. Ricky Russell and their daughter, Candiss Gail, who is 3 months old, recently moved to Springlake. Former Springlake residents, the Russells moved to Tyler from Springlake in November of last year. Russell was employed as a builder of mobile homes at Tyler.

Russell and his family will reside in Springlake but he is employed at Earth Oil & Gas Company.

The family is affiliated with the Baptist Church.

Ricky, who has attended Springlake-Earth Schools, is the son of Mr. and Mrs. Billy Russell of Springlake.

Special Tours Slated At Lubbock Field Day

"Research for Progress" is the theme of the 62nd Annual Field Day and Open House slated for September 14 at the Texas A&M University Agricultural Research and Extension Center at Lubbock.

Activities at the Center are coordinated by Dr. George McBeck, resident director of research; and Billy C. Gunter, district agricultural agent for the High Plains. The professional staff includes some 40 Experiment Station and USDA researchers and Extension specialists who will be on hand to explain the latest scientific experiments and answer questions on everything from farm management to farm equipment.

Dr. Jerry Johnson, Experiment Station agronomist who is chairman of the field day, says that visitors will have the choice of a general tour of the Center's 300 acres and also four special tours. These special tours will feature discussions of sorghum varieties, weed control, narrow-row cotton and control of Verticillium wilt. They will start every 30 minutes and include detailed explanations of current experiments.

"The grain sorghum tour will allow visitors to observe 66 hybrids growing under identical field conditions," Johnson says. He and agronomist Dr. Darrell Rosenow will show sorghum varieties that have been converted from original exotic plants. Visitors will be able to see exotic types growing side-by-side with improved varieties.

On the weed control tour, Dr. Dudley Smith and Dr. Allen Wiese of the Experiment Station will discuss the use of pre-emergence and post-emergence chemicals in cotton and grain sorghum. Control of johnsongrass, whiteweed, and other perennials will also be covered along with guidelines for minimizing residue carry-over.

Planting patterns for irrigated and dryland conditions will be shown in a planting system that can be cultivated; and varieties being developed for narrow-row production will

be discussed by Dr. Levon Ray. Elmer Hudspeth will talk about narrow-row planting and harvesting equipment.

The Verticillium wilt tour will feature cotton varieties being grown on severely-infested land at the Center. The effects of crop rotation and narrow-row production on wilt control will be covered by Dr. Earl Minton.

Other Extension specialists and researchers will be available for questions from producers and gardeners on subjects such as soil fertility, irriga-

tion, oilseed crops, swine production, horticulture crops and farm management. The public is welcome to bring specimens for consultations with entomologists and plant pathologists.

In addition, there will be a large farm machinery exhibit and a general open house of the Center facilities, Johnson reports. The various laboratories and greenhouses will be open; and the USDA South Plains Ginning Research Laboratory near the Center will also welcome visitors.

The field day is from 1-5 p.m. Tuesday, September 14. The Center is seven and one-half miles north of Lubbock on U.S. 87, the Amarillo Highway.

AREA FAMILIES VACATION IN NEW MEXICO

Several area families traveled to Ruidoso, New Mexico, over the Labor Day weekend where they enjoyed a good time at the Kelley cabin there.

Traveling to Ruidoso were Mr. and Mrs. Marvin Sanders, Mr. and Mrs. Clarence Kelley, Mr. and Mrs. Bobby Green, Stevie and Kelley, Mr. and Mrs. Barry Lewis of Mile-shoe, Mr. and Mrs. Jim Sanders, Tina, Malissa and Mike of Midland, Freddy Kelley of the U.S. Naval Station in San Diego, California, Kent Kelley of the U.S. Naval Station at Norfolk, Virginia, Jerrel Lee Haberter and Max Hudgins of Littlefield and Mr. and Mrs. Ray Kelley of Earth.

Sunnyside News...

By Tenny Bowden

Bob Ball of Olton, father of Garner Ball and Mrs. J. Paul Waggoner, passed away in Plains Memorial Hospital in Dimmitt Monday morning. He had his 86th birthday the 20th, the day he suffered his last stroke. Several from the community attended the funeral services in Olton Wednesday afternoon. The relatives have been staying in Olton most of the time. Tom McGill was one of the active pallbearers.

Several from the community attended the funeral services of Jack Gregory of Dimmitt in Dimmitt Wednesday morning. Mrs. Irving King came home from Monument, New Mexico, last Friday after a visit there with her son, Billie and family.

Mrs. J. C. Holbrooks returned home from Tucson, Arizona, Tuesday night after a two week visit with their daughter, Mr. and Mrs. Russell Kamey, and her son, Jody Houlton. Jody still has some paralysis, but it is believed he will in time recover and be normal after the brain damage he received in a fall some time ago. They have moved from Tucson now to Colorado Springs to work with Ronald Henderson in business there.

Mrs. John Gilbreath and Mrs. Punk Gilbreath played in the Ladies' Golf Association tournament in Dimmitt last weekend. Mrs. Punk Gilbreath won the tournament. They also attended the salad supper at the Country Club last Thursday night.

Stanley Harris has been elected the president of the Hart sophomore class. Marian Dawson will serve as choir treasurer of the Springlake-Earth choir. She is also a senator. I left her out of the list of seniors in last week's news. Eddie Alair will be a running back on the Springlake-Earth Wolverine team this year. They will play their first game next week.

Band rehearsals have been underway at Springlake-Earth for some time. Like seniors, we have many community youths in this Wolverine band. Lesa and Steve Morgan, Lonnie and Debbie Wilson, Renee Jones, Danny and Don Holmans, Lisa Orr and Marian Dawson.

C. J. Fowlkes of Houston, brother of Mrs. E. R. Sadler, underwent cerebral-vascular surgery in Methodist Hospital there Thursday morning after being admitted last Sunday following a light stroke. He got out of the intensive care unit Friday and seems to be making a rapid recovery.

Jack Jackson got out of the intensive care unit at Methodist Hospital in Lubbock Friday and will start cobalt therapy Monday. He is in room 631 if you would like to send him a card.

Ray Joe Riley was recently selected to appear in the 1971 edition of "Outstanding Young Farmers of America." He started his long list of accomplishments in Springlake High School. He graduated as valedictorian of the class of 1962 and has year by year added to the list of impressive accomplishments.

Gerald Graham was elected treasurer of the Springlake-Earth Young Farmers Organization last Thursday night. The officers met again Monday night for a planning meeting.

Mr. and Mrs. Orville Thompson of Hobbs, New Mexico, spent Wednesday night and Thursday with Mr. and Mrs. Ed Thompson. The men are twin brothers.

Mrs. Ha Haydon returned home from a visit in Weatherford with friends and relatives Wednesday.

Kelley Haydon, as well as Dolores Waggoner, attended the Church of Christ Teenage Christian Conference in Denver City last Saturday. They were among 2,113 youths who attended.

Mr. and Mrs. Thomas Parson took his mother, Mrs. T. E. Parson, Sr., back to her home in Blanket Friday afternoon after an extended visit here. They stayed over the weekend for a family reunion. Had Mr. Parson lived, they would have been celebrating their 62nd wedding anniversary Sunday. Announcement was made this week of the engagement of

Janis Bridge and Gary Strahan of Muleshoe. Rev. M. D. Durham of Lubbock will officiate the ceremony assisted by the pastor of the First Baptist Church of Springlake on Friday, September 10.

The new house of the Hershel Wilson's was bricked and roofed this week and the Roy Pheasant house was being painted and improved.

A trace to .20 inch of rain was received in the community Friday morning. Lightning hit the pickup in which Cliff Layman was riding Thursday night and shook it around but no harm was done to him or the pickup, other than he too was shook up.

Mr. and Mrs. Denny McGowan came in Friday night from Fort Hood for the weekend. They live in Killeen near the base. Danny is a former resident of the community and took his basic training at Fort Gordon, Georgia. While he was there he wrote the following poem which seems typical of most boys in basic training not only today but during World War II and perhaps even World War I. It is entitled "Time Spent at Fort Gordon."

Just across the Savannah River
Fort Gordon is the spot
Where we are doomed to spend our times
In the place that God forgot.

Out with the snakes and lizards
Out where a man gets blue
Right in the middle of nowhere
And a thousand miles from you.

We sweat, we freeze, we shiver
It's more than a man can stand
We're not supposed to be convicts
Just defenders of our land.

We're soldiers of the Third Army
Receiving a very small pay
Defending people with millions
For two and a half a day.

Living with our memories
Waiting to be with our gals
Hoping all the while
They don't marry our pals.

Nobody knows we are alive
Nobody gives a damn
At home we are forgotten
For we belong to Uncle Sam.

The time we spend in the Army
The times of our lives we missed
Boys, don't let the draft get you
And for God's sake, don't ENLIST.

When we die, we'll go to Heaven
And hear Saint Peter yell,
"Let the boys from Fort Gordon in,
For they've spent their time in Hell."

Like all the rest he is not bitter about the service now like he was then and someday he will be very proud to look back to his Army days and the time he gave of himself for his country.

A 7 pound 9 ounce boy was born to Mr. and Mrs. Dubby George in Virginia Beach, Virginia, last Wednesday. He was named Jack Carson George. Mrs. Lillian Carson and Resa flew to be with them last Friday and returned Saturday afternoon. They brought home one half of a huge clam shell. The clam weighed 120 pounds with 72 pounds of meat and had a pearl inside it.

Rev. Mack Turner and the evangelist, Rev. Dale Cain of Lazbuddie, were dinner guests of Mr. and Mrs. Gale Sadler Tuesday, Mr. and Mrs. Bill Morgan Wednesday, Mr. and Mrs. Milburn Haydon Thursday, Mr. and Mrs. Alton Louder Friday. They and Mrs. Turner had supper with Mrs. Helen Orr and Lisa Friday night and they and Mrs. Dale Cain and Tracy all had supper Saturday night with Mr. and Mrs. R. J. Lefevere and family. Rev. and Mrs. Mack Turner, Rev. Dale Cain and Rev. and Mrs. Albert Castro and three daughters of Parkview Baptist Church in Littlefield, Mrs. Vernon Scott and boys of Farwell and Mr. and Mrs. R. J. Lefevere and family were dinner guests of Mr. and Mrs. Weldon Bradley Sunday. Both the evangelist and singer went back to their home

churches for the evening services.

Visitors were present in almost every revival service. Danny Castro, a fourth grader, brought special music every night except Wednesday and Saturday nights. Mrs. Castro and all the family except Albert, Jr. were present Friday night and part of the family came Sunday. Albert, Jr. came with him Saturday night.

Marvel Goss returned to her home in Brownwood Thursday after a visit here with her sister, Mr. and Mrs. Noble Armstrong. Her son, Kenneth and family, arrived Wednesday night to spend a few days with her.

Kent and Kelly Bradley spent the day Saturday with Quint Waggoner. Kent had to be taken to the doctor Saturday afternoon because of an attack of asthma after playing around a newly filled insilage pit. He was admitted to Plains Memorial Hospital in Dimmitt Saturday night with an allergic reaction.

Carl Dean Carson left last Sunday and drove to Virginia Beach, Virginia, arriving last Wednesday. He will work with Dubby George in the construction business and stay with them for an indefinite period.

M. and Mrs. R. V. Bills spent the Labor Day weekend in Dallas with their son, Mr. and Mrs. Larry Don Bills. J. W. Carr went to Clovis Sunday to visit with his sister who has just given birth to twins, a boy and a girl. They

already had several children.

Noble Armstrong visited in Earth Sunday morning with his parents, Mr. and Mrs. Gentry Armstrong. Mrs. Armstrong was dismissed from Plains Memorial Hospital in Dimmitt Saturday.

Mrs. Chuck Lay and Chris of Levelland spent the weekend with Mr. and Mrs. Noah Spencer. Mr. Lay came for them Sunday.

Mrs. Johnnie Reines and daughter of Lubbock and Roy Bradley visited with Mr. and Mrs. Weldon Bradley Sunday afternoon. She is a cousin to Weldon and Roy.

Mr. and Mrs. Winston Waggoner returned home Monday from the Colorado State Fair with several winners in the Brown Swiss Dairy Division. They won first place with a bull calf, second in State Herd, second in Junior Get-A-Strer, second with a heifer, third with a bull yearling and several lesser prizes. They were competing against 10 herds in this division.

Mr. and Mrs. R. S. Rogers of LaVerne, California, have spent the last three weeks here with her sister, Mr. and Mrs. John Gilbreath and boys, and her relatives in Olton.

Coby, Matt and Mrs. John Gilbreath and Bob and Robert Duke attended a 4-H meeting at Flagg Friday night. The two corn dryers which were located north of the Farmers Grain Co. leg elevator here last year have been relocated. The Touchstone

dryer was moved out of the community and the Gilbreath dryer relocated one-half mile off 385 on Farm to Market 145 on Punk Gilbreath's place. They have installed two elevators with the dryer and it is a joint enterprise between John, Punk and Sam Gilbreath and Jackie Clark.

Mr. and Mrs. Eddie Owsley and Shane of Hereford spent the day Sunday with her parents, Mr. and Mrs. J. C. Holbrooks.

Sixty-nine attended Sunday School with 19 in Training Union Sunday. Several more came in for the services Sunday night.

Saturday Busy Day At Centre

Saturday, September 4, representatives of the Springlake Home Demonstration Club were in charge of the Goodwill Centre in Earth.

Several customers called at the Centre from 2:30-5 p.m. and sales totaling \$10.90 were recorded.

Workers reported that there is a need of little boys' clothes in wearable condition for the Centre.

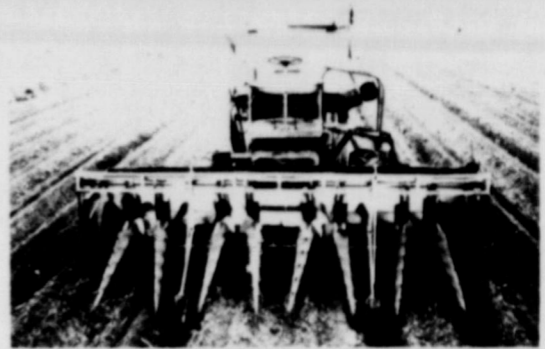

On hand to aid customers were Mrs. Ola Fanning and Mrs. Pearl Cooper.

Next Saturday members of the Rebekahs will have charge of the Centre.

Party Line

Guests for a bar-b-que at the Dene Gray home Saturday were Mr. and Mrs. James Gray, Beverly and Paul of Muleshoe, Mr. and Mrs. Bobby Gray and son of Plainview, Mrs. James Gray of Plainview and Mr. and Mrs. Dick Pierce, James and Larry of Earth.

Don't leave your profit in the field

Roll-A-Cone

Pick the profit off the ground with the time-tested combine attachment.

Use the superior design cone principle of the Roll-A-Cone Combine attachment to harvest the irregular, leaning, tangled, fallen or flat grain sorghum. Get more bushels per acre in less time. The Roll-A-Cone gets far better results than other gathering methods. It is simple to install and operate. You haven't harvested all your grain unless you've used the Roll-A-Cone.

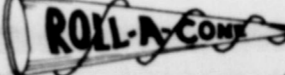

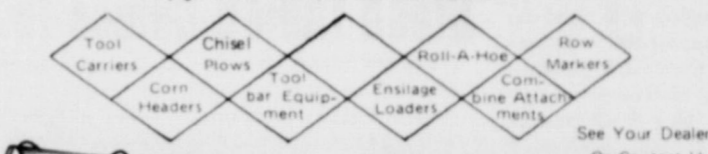

Universal Corn Header

Now corn and milo farmers, for the first time ever, can harvest both crops with one inexpensive attachment.

Costs about half as much as other corn headers. Cuts any size row 20" to 40".

Crops need not be standing to do a good job. Positive chain drive prevents stops from clogging. Picks up fallen crops.

Why go to the field with less than the best...

Foundation Grants \$1 Million To Texas Projects

The Moody Foundation of Galveston has awarded nearly \$1 million to a wide range of projects across Texas at its fourth meeting of 1971.

Seventy-six grants totalling nearly \$4 million have been made this year to causes such as pollution research, educational innovation and medical and welfare programs.

More than \$500,000 was awarded to seven educational projects ranging from special classes for the emotionally disturbed to improving college faculty quality.

The Region IV Education Service Center in Houston received \$149,850 to develop a computerized career counseling and teaching aid for Gulf Coast high schools, and the Mary Lee School of Special Education in Austin was awarded \$31,000 for educating and rehabilitating emotionally disturbed girls.

The University of Texas Medical School Branch in Galveston received \$8,000 for its summer program to recruit minority students into the field of medicine, and the UT College of Business Administration Foundation received \$15,000 to improve faculty excellence.

A total of \$315,000 will finance the Foundation's college and vocational scholarship programs and ten scholarships which are administered by the Texas Interscholastic League.

Foundation funds also financed hospitals or medical care facilities in seven Texas cities. A \$75,000 grant was awarded to the Child Guidance Center in Houston, Freestone County Hospital in Fairfield and King's Daughter Hospital in Temple were among other recipients.

The Concho Valley Council of the Boy Scouts in America in San Angelo received a \$22,383 grant to continue its outreach program to Mexican-Americans along the Texas border, and the State Department of Public Welfare will use its \$15,804 to match federal funds that will establish a training program for volunteers who will assist field workers in counseling the indigent and aged.

Other grants include \$22,500 to the Southwest Legal Foundation in Dallas and \$18,591 to the Children's Rehabilitation Center in Amarillo.

Members of The Moody Foundation, largest trust in Texas, include S. Marcus Greet of Houston, Paul R. Haas of Corpus Christi, James M. Lykes Jr. of Houston and Robert L. Moody, Shearn Moody, Jr., William L. Moody IV and Mrs. Mary Moody Northen, all of Galveston.

THESE SOPHOMORE OFFICERS are sure to do a good job representing their class for the 1971-72 school year. They are, bottom row, Karen Dunnam, student council representative; Becky Smith, secretary; and Kim Kelley, treasurer. Top row, Scott Lee, student council representative; Sammy Parish, president; and Hal Wood, vice president.

Green Thumb Comes To Lamb Christian Conference To Be Held

The Green Thumb State Office in Waco announced that a Green Thumb Crew began working in Lamb County Tuesday September 7.

Green Thumb Crews from adjoining counties will be working in Lamb County on a rotating basis for the present, according to Mrs. C. L. Abemethy of Plainview, Regional Supervisor for Green Thumb.

Green Thumb is sponsored by the Texas Farmers Union in a twofold effort to revitalize rural areas and provide a decent living for retired rural citizens. One of the most successful projects to aid low income citizens, the program spends over eighty-five percent of its budget in wages to the work participants.

To qualify for the program an individual must be over 55 years of age, live under a minimum income level established by the Department of Labor, and be physically able to work.

The average age of Green Thumb workers in Texas is 66 years. Most men come from rural backgrounds and have little or no retirement or social security income.

Green Thumb works for any local, state, or federal governmental unit as well as non-profit organizations which provide a service to the public.

For further information on the Green Thumb Program contact your County Judge, or Green Thumb, Inc., 800 Lake Air Drive, Waco, Texas 76710.

All teenagers are invited to attend a Teenage Christian Youth Conference Saturday, September 11, at the Greenlawn Church of Christ in Lubbock.

A discussion rally will be held and questions will be answered by panels of teenagers, clergymen and other adults. Such subjects as Jesus Christ -- Super Star, Speaking In Tongues and the Jesus Movement will be discussed.
