EARTH, LAMB COUNTY, TEXAS, THURSDAY, JUNE 23, 1977 10 PAGES NUMBER 49

Water Meters Check O.K.

In recent weeks, the City of Earth Water Department has been installing new water meters and checking old ones to be positive they are in proper working condition.

Some question had been raised to the Council as to the possibility that some of the meters had been registering faulty information. In talking with those who are directly responsible for

the operation of the city water department, it was learned that some considerable effort has been expended in an attempt to assure all users that their meters are registering properly and that the city will continue to monitor these meters to insure continued accurate readings.

It was brought out that it is virtually impossible for a meter to register more water than has

passed through, only that there is a possibility that the meter might register less. These meters are engineered to pass 5 gallons of water in 33 seconds and no more, and this is the basis for all testing.

Members of the council urge all residents who have questions about water meters to please contact someone in City Hall and an attempt will be made to explain any questions or differences.

Methodist Celebrate 50th

The Earth United Methodist Church will celebrate its Fiftieth Anniversary next Sunday, June 26th.

The first Methodist Church building was completed March 11, 1933 and dedication services were held by Bishop Hiram A. Boaz. The fund making this possible was begun by O.B. Ginn in the fall of 1932. He was backed by Rev. H.H. Allen and many members.

Membership grew to 119 shortly thereafter and within a year work was begun on a basement addition. The little congregation continued to grow. Membership reached 131 by the end of Rev. Allen's three year term.

A Woman's Missionary Society was organized that next year under the guidance of Rev. and Mrs. L.L. Hill, who also remained with the church for three years. The first president of the society was Mrs. Griffith.

The church became a full-time church in 1938 when Rev. and Mrs. C.A. Holcomb came to Earth. Membership rose to 161 during Rev. Holcomb's pastorate, and the first Methodist parsonage was built and furnished.

The Women's Society of Christian Service, a bible study group and service organization, was organized in 1940.

During the next three years Rev. H.W. Barnett served as pastor and was replaced in 1944 by Rev. T.M. McBrayer. With the disbanding of the congregational Church of Old Springlake, a

number of the members from that church joined the Methodist Church in Earth.

Plans were started to build a new and larger sanctuary in 1946 with the coming of Rev. and Mrs. Hugh F. Blaylock to our community. By 1948 these plans had been carried out and in September of that same year the first services were held in the new building.

Rev. and Mrs. Carl McMasters came to lead the Methodist Church in 1949, and it was during his pastorate that the Springlake Congregational Church presented an organ to the church. The new sanctuary was also dedicated at that time.

In 1951, Rev. J.R. Wood and his family moved to this community, in May, and served three years. The Circuit rider, the first church paper was published soon after the arrival of Rev. and Mrs. F.E. Matthews in May, 1954.

Also in that year, the present parsonage was built at a cost of \$18,000. Norman Sulser became the first president of the Methodist Men's Organization begun in 1955.

Ground breaking ceremonies were held in the latter part of June 1956 for the Educational Building.

In July of that same year the Betty Campbell Circle was organized. Fifty women and two circles, the Edna Doughty and Betty Campbell Circles made up the Women's Society of Christian Service.

The Church School program was improved under the new methods of teaching during the time that Rev. and Mrs. H.M. Secord served with the church from 1958 until 1961.

Rev. and Mrs. Homer Salley came here in 1961 and remained with the church until 1963. The Mortgage Burning Ceremony was held February 13, 1963 with Rev. Gene Mathews as guest speaker. Also during Rev. Salley's stay with the church the debt on the Educational Building was retired.

Moving to Earth from the Overton Methodist Church in Lubbock in 1963, the Rev. and Mrs. Albert F. Findley worked with the church here until June, 1968.

It was in January of 1965 that the plans and dreams of a new Methodist Church building became a reality. Work was begun on the building on May 11, 1964 and was completed Saturday, January 16, 1965.

Erected in addition to the present education building were 6 classrooms, a 24'x17' fellowship hall with a seating capacity of 48 people, a kitchen, a parlor, a chapel 24'x17' which seats 48 people, a pastor's study, the Sanctuary which seats 385 with additional choir seating of 36. This entire new addition along with the education building and 11 class rooms gives the church a total area of 15,779 sq. ft. The total cost of construction came to \$153,000.

Sunday, January 24, 1965 was a proud day in Earth for many people who had planned and worked so hard for the

new church building. It was on this day that the dedication service was held by the pastor Albert F. Lindley, who was assisted in the Service of Consecration by Dr. J.E. Shewbert, Plainview District Superintendent. Membership at that time was 285.

The old Sanctuary was torn down and new parking areas were added to accommodate the rapidly growing congregation.

Rev. and Mrs. Johnnie Williams became the new pastor in June, 1969. Membership continued to climb. Johnny and Juana Williams left the Earth Methodist Church in 1971.

During the summer of 1971, Bro. Charles Dunnam, Betty and their children moved into the Methodist parsonage

The next pastor of the Methodist Church was Bro. Walter White and his family, Mrs. White, Teena, and Dee. The Whites moved here from Munday, Texas, where he was pastor of the Methodist Church there. Shortly after their arrival here, a dedication ceremony was held on July 14th, in the church during a Sunday morning service. The church edifice was dedicated to the glory of God and the ministry of man. The present pastor of the Earth, United Methodist Church is Rev. Bill Watson.

The Rev. Elroy Wisian, Jr., is the only person to enter the full-time ministry from this church. A fellowship dinner will follow the morning church service. In the afternoon a program of reminiscing by former pastors and members will be held. All trends of the church are invited to enjoy the day with them on this special occasion.

The Earth United Methodist Church has been blessed through the years by the service by many dedicated ministers and their families. From its organization in 1927 up until the present date of 1977, the congregation has grown in membership and spirit.

In June, 1977, this church celebrates its Fiftieth Anniversary with special services held on June 26, 1977.

There are three charter members surviving and Mrs. Sam Clearley has remained active for the entire 50 years.

The Rev. Elroy Wisian, Jr., is the only person to enter the full-time ministry from this church.

A fellowship dinner will follow the morning church service. In the afternoon a program of reminiscing by former pastors and members will be held.

The Power of Prayer

Why should we pray? How should we pray? For what should we pray? What is unanswered prayer? These are questions man has asked since God first spoke to Him, questions that must be answered!

Far too long, prayer has been overlooked as a subject for a definite film study, but, now ECRF Films presents its newest release "The Power of Prayer."

The opening moments of the film are spent in Israel, examining thousands of years of Jewish history and how they pertain to prayer.

"The Power of Prayer" features some of the most well-respected, Christian spokesmen in America; and such as, Dr. W.A. Criswell, Dr. John F. Walvoord, Josh and Dottie McDowell, Chaplain Ray and Dr. and Mrs. Howard Hendricks. These men and women will be sharing what the Bible says as to the how and why of prayer. They'll also share their own personal experiences of the times of victory, frustration and confusion, so be sure to join us at:

The First Baptist Church on Sunday, June 26 at 6:00 p.m. Everyone is invited.
