

Driver Escapes Injury In Truck Mishap

Basil Duron Jeffrey of Field-ton escaped injury when the 1970 model Freightliner truck and trailer he was driving overturned at approximately 9:30 a. m. Thursday, August 6, at the intersection of US 385 and FM 2901 two miles north of Springlake.

According to Highway Patrolman Bill Angel of Littlefield who investigated the mishap, the southbound ve-

hicle careened off the left side of the highway knocking down numerous highway signs. In his attempt to pull the truck back onto the pavement, Jeffrey overcorrected his line of motion and jackknifed the truck and trailer causing it to overturn on the right side of the highway. The truck and trailer, belonging to the Jerrel Haberer Trucking Company of Littlefield, was empty when the accident occurred.

RECIPIENT OF THE OUTSTANDING SALES OF OLIN PRODUCTS TRIP at the Olin Chemical convention held at Rockport was Flagg Fertilizer. Shown above are Mr. and Mrs. Fred Kooztz of Flagg Fertilizer and Mr. and Mrs. Daryl White. White, Olin District Sales Manager of Lubbock, made the presentation.

Local Olin Dealers Named Winners

The Sea Gun Sports Inn in Rockport became the scene of much excitement when thirty-eight dealers and sponsors from West Texas and Eastern New Mexico gathered for the annual Olin Chemical convention and awards presentation held July 30 through August 1.

Highlighting the three days of meetings, lectures and relaxation for the three local dealers attending was the presentation of awards made by Daryl White, District Sales Manager of Lubbock.

Mr. and Mrs. Fred Kooztz representing Flagg Fertilizer were named winners of the trip presented by Olin for the outstanding sales of all Olin Products.

Farm Chemical Company of Earth, represented by Mr. and Mrs. Norman Hinchliffe and Mr. and Mrs. Thomas Lively, received recognition and was presented a plaque for the outstanding sales of Ammophos Fertilizer. Accepting the award plaque for Farm Chem-

ical Company of Springlake in the sales of anhydrous ammonia division were Mr. and Mrs. James "Sandy" Sanderson and Mr. and Mrs. David Metcalfe.

Amid the hustle and bustle of convention programs, those attending found time to do some sight seeing and visit Rockport Bay for a few hours of fishing pleasure. Although the local dealers returned with a feeling of pride, they shared one great disappointment--there just wasn't enough time to really get in some good fishing!

Mr. and Mrs. Harvey Wellman and children, Karen and Greg, of Wellman, also Mr. and Mrs. Jim Briggs and children, Johnnie and Jenna of Fort Collins are here visiting their parents, Rev. and Mrs. Johnnie Williams. Both Mrs. Wellman and Mrs. Briggs are daughters of the Rev. and Mrs. Williams.

Most Powerful Weapon On Earth

Dear Polly,

I enjoyed your article in the Earth News-Sun two weeks ago on the Peace Symbol. It is sad that so many people have to rely on a symbol to express their desire for peace. If we are truly holding God's hand in our fight for this goal, we need no outward sign tattooed on our forehead or hanging from a chain around our neck. If we want the world to be quiet and calm and serene, we must first achieve these God-given gifts in ourselves.

I have never been overly excited about becoming involved in world affairs, but God has brought me to the realization that I don't have to get out and march on the Capitol Building or conduct a sit-in or even burn down a church. I, like all of God's children, possess the most powerful weapon on Earth, stronger-better-believe it or not--than riot control equipment. Its name is PRAYER!

If we want peace, let's start on ourselves, then our neighbor or friend and then our community. Instead of a sit-in, why not a Pray-in? Why can't we adults learn a lesson from the youth of our community? What a glorious witness they are giving by having a time of fellowship, no mention of religious background, race or color. I have a very dear friend who loves to share a special verse from the Bible--"God has no favorites"--and we can prove it. In what better way can we achieve world peace than to start in our own lives and our community.

MY PRAYER FOR PEACE

Dear God, I come before you with a heavy heart today. Help me live for peace in some small way.

Place on my heart Your loving grace
So all my judgements may take their place
In the deep shadows of my inner mind
Never finding a way to release their unkind
Thoughts and words and deeds,
I pray for peace and others needs.

I pray for guidance and help today
To get involved in a Christ-like way
In my community and world and others sorrow;
Their joys, their trials--TODAY, not tomorrow,
Please help those who want peace without
To ask You first for peace within,
Grant Your blessings on all to-

day
Who seek world peace in a Christ-like way.

A parting thought--If someone comes up to you and says, "God Loves You and I Love You," don't be startled! That statement is like a passkey--

it opens hearts.

My sincere appreciation for your time and effort on keeping the citizens of the Springlake-Earth area informed.

Sincerely,
Judith Jones

Two-Vehicle Mishap Damages Total \$400

An estimated total of \$400 in damages resulted from a two-vehicle collision which occurred at 6 p.m. Friday, August 7, at the intersection of US 70 and FM 1055 in Earth. Vehicles involved in the mishap were a 1967 Ford Coach driven by James L. Thomas and a 1956 White truck driven by Monte C. Winders. According to investigating officer, Highway Patrolman Weldon Parsons of Littlefield, Thomas was sitting in the proper traffic lane at the intersection on FM 1055 waiting for the cars in front of him to clear, when Winders made a right turn off highway 70. Highschool Band Kicks-Off New Year With Rehearsals

The Springlake-Earth High School Band kicked-off the new year with three fine rehearsals this week. About 60 of the band students were on hand to begin practicing for the first half time performance at Amherst, September 11.

The band is currently working on many old standard marches ("British 8th", "Algeria", "Grandioso", etc.) as well as many new tunes for pep rallies and entertainment in the stands (including "Back to the Jungle", "Do You Know the way to San Jose", "Long Tall Texan", "Yesterday", etc.)

Two more rehearsals are set for tomorrow (August 14, Friday) at 3:00 and 8:00. Serving of homemade ice cream will follow the night's rehearsal. Many of the upper-classmen have checked out uniforms. Freshmen are scheduled to get theirs tomorrow.

Mr. Starks said this week that the band is getting much accomplished and seems to have the attitude that is required to build winners. Good established upper-classmen will be joined by freshmen, fresh from a first division junior high band.

A final marching and playing rehearsal will be set on Friday, August 28. One hundred per cent attendance will be essential for that rehearsal. The time and date will be announced in a later News-Sun edition.

This year's marching concert will be held on the new astro-turf of Jones Stadium in Lubbock, Drum major, Jan Cleavinger; and majorettes, Marlan Dawson (head), Janice Bridge, Connie Kelley and La Donna Sigman have been working this summer as they prepare to lead the Wolverine Band to its best year ever.

Senior Citizens Invited To Meet

A Senior Citizen Get-Together is slated for Thursday, August 20, from 2:30 to 4:30 p. m. in the Earth Community Building. The purpose of this meeting is to organize a Golden Age Club for the Earth and Springlake communities.

Any person over 65 years of age is cordially invited to attend. It is the desire of many in our communities to arrange this as a monthly event. The

Golden Age Club would give our Senior Citizens an opportunity to visit with each other and enjoy a time of sharing, entertainment and games.

If there is an organization interested in sponsoring a monthly meeting (providing a short entertaining program and refreshments) they are asked to please call Mrs. Dean Jones, 965-2613, or Mrs. Earl Jordan, 257-3917.
