
NOSIN... With Polly

... HAVE COME TO A
 CHING HALT! You
 grandparents who have
 the long years, day in
 and out, told me about the
 antics of your beautiful,
 sweet, loving grand-
 daughter, Keri Denise
 Middleton. I can now cease--IT'S
 ALL OVER!
 Now a grandparent to a
 sweet, smiling, sleep-
 eyed, healthy look-
 ing, strong lunged,
 big granddaughter; just
 as I'll have much more
 when I get to see her at
 college and hold her. At
 I've only seen her
 the nursery window--so
 me minute think I'm
 let you off the hook,
 ag to demand equal time
 means you can listen in
 on the things Keri Denise
 at least, until she be-
 comes a cheerleader at the Un-
 of Texas, and graduates
 perhaps become the
 president of the U. S.

Keri's mother and daddy just
 have that certain look about
 them--both glowing--as they
 hold hands and walk down the
 corridor to see their precious
 daughter.
 For now, my arms ache to hold
 her, but I know that will be
 forthcoming. I can only give
 thanks to God for this wonderful
 gift of a grandchild of love.
 I couldn't get a close up of
 her through the window, but
 she looks and acts just like
 this.

Dedication of Historical Marker, Friday, October 13

An official Historical Marker for Springlake-Earth School will be dedicated Friday, October 13th at 2 p.m.
 The marker has already been placed in front of the Junior High building. This building is the original Springlake-Earth School and it is from that one building that the beautiful campus we now have grew.
 The inscription on the marker reads:
 Springlake-Earth School (in 202-Square-Mile District).
 Opened 1908 as a one-room school, Springlake became an independent district in 1924 when Halsey Ranch land was sold to settlers and local population increased. Enlarged school opened 1925 in new \$30,000 brick structure on site bought from J.F. Kelley, E.C. Martin was superintendent; Otis Brown, M.E. Cleavinger, Earl Hewitt, Arthur Edwards, George Lanville, H. M. Packard, W. C. White, Trustees.
 "Earth" was added to the school name in March 1964.
 A special program has been planned for the dedication which will be in front of the Junior High Building.
 Master of Ceremonies for the occasion will be W. L. Mann, superintendent of S-E School. Welcome will be given by Ward Cooksey, S-E High School Principal.
 David Hartman, pastor of the First Baptist Church, will give the invocation.
 Music will be provided by the Springlake-Earth Band, under the direction of Tom Soelle. Wayne Anderson, S-E Choral Director, will present a solo, "This is My Country."
 Mrs. J. L. Hinson will then give special recognition to the special guests.
 Lamb County Judge, Truitt Sides, of the Historical Survey

Dee Stiles In Need Of Blood

Dee Stiles, son of Linda Pat Stiles, formerly of Clovis, New Mexico, and Dwayne Stiles of Amarillo is in the Northwest Texas Hospital, Room 546, in Amarillo.
 Dee is suffering from leukemia and is in desperate need of blood. He is type O positive, however, the blood bank will accept any type blood replacing what they use.
 If as many as twenty-five donors are available, the Blood Bank will send their

Mobile Unit to Dimmitt to accommodate the donors.
 We're always talking about helping others, now is our chance to really do something. As a community let's show our concern for little Dee and get the necessary donors.
 If you can give blood, please contact either Perry Martin or Jody Ellis at the Earth News-Office or 257-3868 by Saturday so that arrangements can be made to have the Mobile Unit available.

Queen and King Candidates Chosen

The time has come again to celebrate Homecoming and that means the election of a new Football Queen and King, by the students at Springlake-Earth High School.
 The Queen and King will be crowned during half time activities at the Wolverine-Farwell game scheduled for 8 p.m. Friday night at the Wolverine Stadium.
 The Queen candidates are Barbara Buckner, Sheila Lewis, Kim Kelley, Darla Dear, Shelly Gaston.
 Candidates for Football King are Nicho Triana, Larry Thomas, Brian Sanderson, Luis Palacio, and Pete Rodriguez.

WHICH OF THESE LOVELY LASSES WILL BE CHOSEN FOOTBALL QUEEN? Left to right, front row, Shelly Gaston, Barbara Buckner, top row, Sheila Lewis, Kim Kelley, and Darla Dear.

Exes Plan Bar-B-Q

The Springlake-Earth Ex-Student Association plans to have a bar-b-q dinner before the homecoming game Friday.
 Dinner will be served beginning at 5:30 p.m. until game time. Everyone is invited and tickets can be purchased at the door, \$1.75 for adults and \$1.00 for students.
 Voting for the upcoming Ex-Student Association officers will be held at this time and the results will be announced at the party after the game.

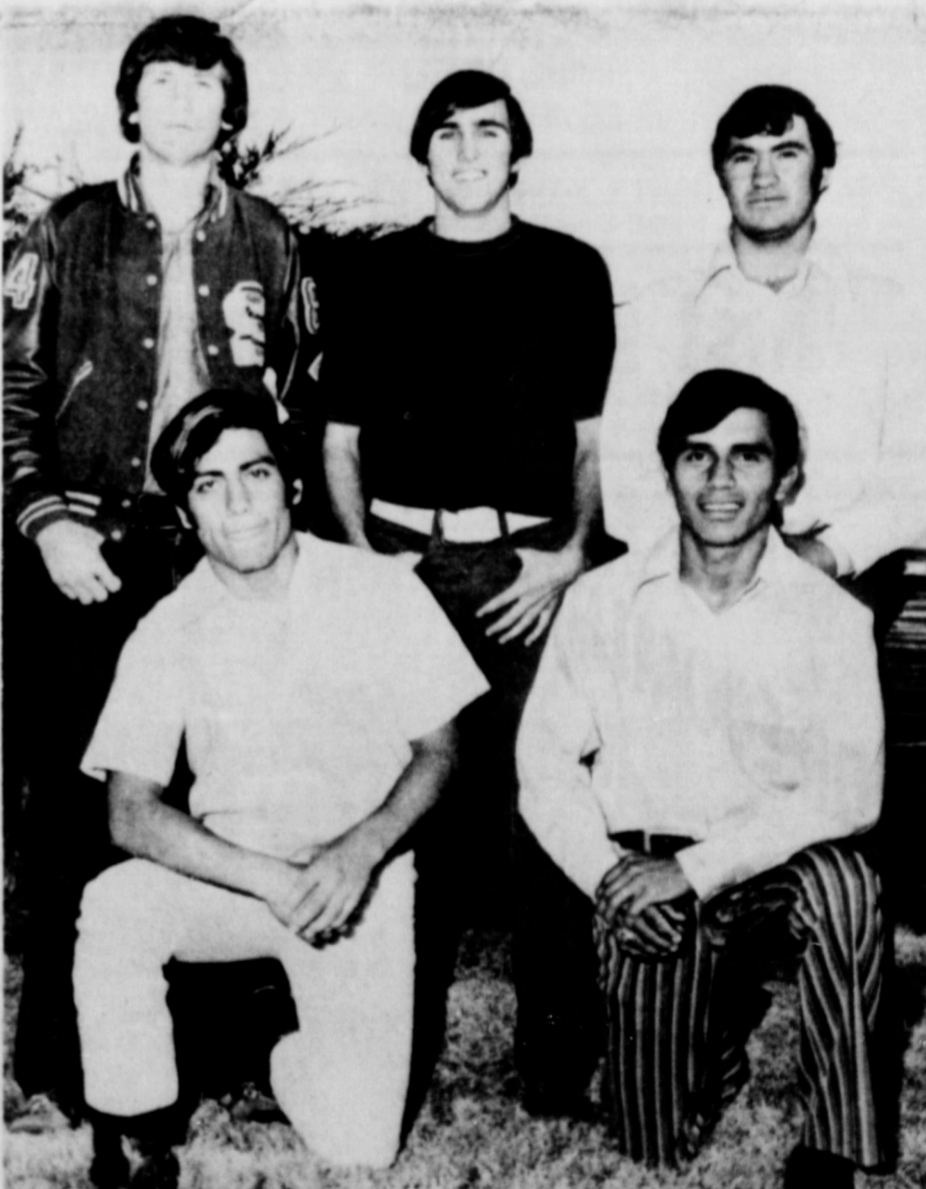

Coffee, hot chocolate, and doughnuts will be served to all exes and their families immediately following the Wolverine-Farwell game.
 Faye Washington and Jack Morrison will provide entertainment including music reminiscent of years gone by.
 Honor classes will be 1932, 1942, 1952, 1962, and 1972.
 The program this year will be shorter so that there will be more time for visiting.
 There will be a drawing for a door prize.

TB Clinic October 18

The TB Clinic will be held Wednesday, October 18 from 4 to 8 p.m. at the Earth Community Building.
 The local PTA is sponsoring the clinic and reminds everyone that the TB skin test is available to you and members of your family. Farmers are especially urged to bring their farm laborers and families to the community building for this test.
 It will only take two or three minutes of your time and there will be no charge.
 On Friday, October 20th, you will need to return to the community building between 4 and 8 for a reading of your TB test.

Preparation Being Made For Homecoming

Homecoming is planned for October 13. The Ex-Student Association has planned a party for all Springlake-Earth ex-students and their families following the game between the Wolverines and Farwell.
 This will be a perfect time to renew old acquaintances and make new ones.
 Refreshments will be served and entertainment provided.
 The Junior and Senior girls of the S-E High School are making signs in preparation of decorating the gym for the Homecoming Pep Rally, which will be October 13 at 8:30. The football King and Queen candidates will be introduced at this time.

ONE OF THESE BOYS will be crowned Football King Friday at the Pep Rally. They are in bottom row, Pete Rodriguez, Luis Palacio. Top Row, Brian Sanderson, Larry Thomas, & Nicho Triana.

Plans For Airport Continue

The Directors of the Earth Chamber of Commerce met in regular monthly meeting October 6, 1972, at the Wolverine Drive Inn for breakfast at 7 a.m.
 The minutes of the previous meeting were read and approved.
 The correspondence was read, and it was stated that Macky McCarty will be in Lubbock on October 19th and 20th of October for the West Texas Chamber of Commerce meet-

ing, and will represent the Earth Chamber there.
 It was reported that work is still continuing on the plans for an airport for Earth, and that more work will be done this coming week.
 Work is also being done on filling the place of the Pharmacy and some other possibilities of improving the town. There was also a discussion on the financial condition of the community, and city and school taxes.
 Bill Scott mentioned that there was a need for good rent houses for the town at this time, and it was reported that the housing project is progressing.

THE FIRST BALE OF COTTON was brought in to Barton Bros. Gin Friday, October 6. Pictured with the first bale are Mack McCarty, Shorty Barlow, Ardis Barton and Billy Wayne Barlow.

Barlow Gins First Bale

At 1:30 p.m. last Friday, October 6, the first bale of cotton was ginned in the Earth area at Barton Brothers Gin.
 The 420 pound bale was produced by Billy Wayne Barlow on the Ed Williams farm located two miles north and four and one-half miles west of Earth. It came from a 1,940 pound load of seed cotton. The load yielded 700 pounds of seed.
 Barlow planted Greg seed on the 9th and 10th of May. He irrigated every other row around the first of August.

"IT'S A GIRL"

Little Keri Denise Middleton arrived in this world at 1:20 a.m. Saturday, October 7 in the Midland Memorial Hospital to see her doting parents, Mr. and Mrs. Phil Middleton of Midland for the first time.
 The parents and their University of Texas future cheerleader, instantly approved of each other a hundred percent.
 Keri Denise weighed 7 pounds 14 ounces and measured 19 1/2 inches in height. She stars in an overflowing nursery containing 28 babies, all of whom are beautiful and bright judg-

ing from the expression on the faces of their parents, grandparents, aunts and uncles who stand outside the nursery window with their eyes glued to their own pride and joy just inside the nursery.
 Keri is the only granddaughter of Tom Sanders of Springlake and M. and Mrs. Ross Middleton of Earth.
 Her great grandparents are Mrs. George Middleton of Okmulgee, Oklahoma, Mr. and Mrs. Otha Dent of Austin and Mrs. Ilo Sanders of Springlake. Middleton is manager for Public Finance in Midland.

Davis and Triana Suffer Injuries

Guy Lynn Davis reinjured his knee in the Sudan game Friday night. He will possibly be out for the remainder of the season.
 Nicho Triana suffered an elbow injury in the Priona game September 29 and is still unable to play.
 Expenditures on newspaper advertising have expanded five-fold since World War II.

Booster Club Makes Signs

The Wolverine Booster Club made "Home of a Wolverine" signs at their October 3 meeting to give to the football boys.

Tuesday, October 10, when they met they viewed the film of the Wolverine-Sudan 8th

grade, "B" team and varsity games.

After the film there was a discussion on the upcoming game with Farwell.

A good number of Wolverine Boosters were present for the meeting.

 EARTH

Senior Play Set For October 17

"One Foot In Heaven", a delightful comedy, will be presented by the Springlake-Earth Senior Class Tuesday at 8 p. m. October 17 in the school auditorium.

The play takes place in the year 1938 and deals with the problems encountered by a minister when he takes over a new church. The problems range from the minister's children being examples in the community to church members who can't get along, to race prejudice within the church that must be solved.

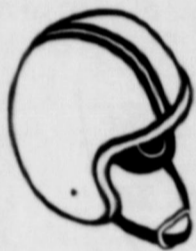

The play was made into a movie in 1940 and then again in the '60's under the title, "Angel in My Pocket."
 Steve Hay will play Rev. William Spence; his wife, Hope

Spence will be played by Lisa Orr; Hartzell Spence, Guy Lynn Davis; Eileen Spence, Paige Gaston; Dr. Roomer, Brian Sanderson; Louise, Darla Dear; Marcia, Toni Sanders; Molly, Kim Welch; Ronnie, Clifford Daniel; Letty, Barbara Buckner; Mrs. Sandow, Gail Wages; Ms. Digby, Renay James; Georgie Digby, Larry Thomas; Mrs. Cambridge, Lesa Morgan; Mrs. Jealison, Vickie Wistam; Major Cooper, Bobby Myers; Bishop Sherwood, Doug Freeman; Fraser Spence, Monty Price.

Everyone is invited to attend and enjoy an evening of delightful entertainment. Tickets may be purchased from any cast member or at the door.

J. W. Dear First In Football Contest

The tension is mounting as the football contest nears the half way mark. All contestants are working hard to pick the winners in an effort to add to their total scores.

The lucky contestant with the highest score at the end of the contest will receive two tickets to the Cotton Bowl in Dallas and \$25.00 in cash.

J. W. Dear is the first place winner this week with 115 points.

Second place winner with 110 points is Larry Price and Jerry Barden with 105 points placed third.

The over all standings in the contest are:

- 420--Jo Eddy Riley; 405--Guy Kelley, J. W. Dear; 400--Larry Price; 395--Jerry Barden, Kevin Riley; 390--Jim Winder, Charles Winder; 385--Derek Edwards; 380--Tom Sanders, Norman Clayton, William P. Holland, K. J. Bobby Angeley, Lynn Glasscock, David Hanson; 360--Dale Riggs, Jeanne Clayton, Guy Lynn Davis, Lane Loudder, Minnie Ellis; 355--Marvin Been, Jr.; 350--Jerry Been; 340--Kenny O'Hair, Kevin Anderson, Johnny Kelley, Guy F. Kelley; 330--Betty Anderson, Bobby Myers, Larry Thomas, Joe Ellis; 320--Lexie Fennell, Randy Bills, Dickie Brown, Robert L. Conner, Dawn Branscum, Carol Criswell, Doug Jones; 310--Rodney Geissler; 305--Jimmy Randolph; 300--Karen Layman, Glenn Branscum, Clint Dawson; 280--Troy Layman, Corley R. Baker, Eric Freeman; 270--Wendy Branscum, Allen Moore; 260--Bill F. Anderson, Frank Torres, Casper Morales; 250--Edwin O'Hair, Kevin Kelley; 240--James Thomas; 235--Kirk O'Hair; 220--Ray Joe Riley; 195--Mike West; 180--Rex Hawkins; 170--Debbie Green, Karen Hulcy; 150--LaJuana O'Hair; 140--Neil Pounds; 120--Oscar Escamilla, Bobby Castro; 110--Lane Phelps; 100--Joyce Green; 90--Donna Green, Edna Robertson, Mrs. Susan Baker; 80--Robert Geissler, Jose Triana; 70--Janey Townsend, Royce Jordan, Carlos Triana, Clinton Green, M. E. Kelley; 60--Brad Bridges; 50--Jimmy Coker; 30--Terry Hood.

Today's newspaper is a friend of the family, guide and personal counselor, employment service, marketplace of ideas and commodities, source of news and information, stimulator of thought and opinion, and a great deal more.

KIM HOLDER WINS IN NEWSPAPER SALES CONTEST

Kim Holder, daughter of Mr. and Mrs. Claud Holder, a 6th grade student at Springlake-Earth was the winner of the Earth News-Sun subscription contest.

Other high salesmen were Rosie Lewis, Carrie Barden and Mike Smith. The Springlake-Earth Band sold approximately \$2600 worth of magazine subscriptions and \$300 in newspaper subscriptions. They will receive 40% of the sales.

School Board Meets

A half hour on the evening TV news would fill no more than six of the eight columns of an ordinary newspaper.

"The News" is the most common name among daily newspapers in the U.S. and Canada. "The Times" is next most common.

SEE YOU AT THE GAME!

The Springlake-Earth School Board met Monday at 8 p. m., October 9 in the school library.

The minutes were read and approved and all bills paid.

The Board worked with Mrs. C. Houchin on delinquent tax collections and made plans for collecting these taxes.

Next, the Board took a look at the school enrollment. The enrollment is 783, about the same as it was last month. There are 336 students in elementary, 201 in Junior High and 28 students in special education.

A committee was appointed to purchase a later model used car for school use.

A short discussion was held on the school sewage drain off lake. Further work is planned in connection with this.

The Board decided to repair and extend the present tennis court.

The meeting was adjourned. Those present were Bill Mann, superintendent, Jerry Kelley, president, P. A. Washington, vice president; Ed Dawson, secretary and trustees, Ardis Barton, Duane Jones, Jimmy Craft and Ray Joe Riley.

Nothing else deals in such detail with the people and events around you as the hometown newspaper.

Census On Consumer Buying

Questions on consumer buying and home improvements expectations will be asked by representatives of the Bureau of the Census in this area during early October, according to Percy R. Millard, Director of the Bureau's Data Collection Center in Dallas.

The survey is taken four times yearly as part of a nationwide effort to guide governmental agencies in developing programs based on consumer spending patterns. A sample of residents in this area will be asked if they expect to buy a house, car, or major household appliances during the next year and if they have made recent purchases of these items. Homeowners will be asked about home improvements and repairs made during the last three months.

The July 1972 survey indicated no significant change from earlier plans this year to buy new cars or houses. Expectations to buy major household items were somewhat improved, but the proportion of homeowners planning to make improvements remained unchanged.

Information supplied by individuals participating in the survey is kept confidential by law and will be published only in the form of statistical totals.

The Census Bureau representative in this area is Mrs. Rosemary McNeese of Amherst.

Senior Citizens Enjoy Luncheon

A delicious covered dish luncheon was served to the Good Earth Senior Citizens Wednesday, October 4 at the Community Building.

Hostesses were Mrs. Zou Wilson, Mrs. Bea Hinson, and Mrs. Bonnie Haberer.

The invocation was given by Mrs. M. E. Kelley.

After lunch, Ruel Fanning presided over the business meeting.

A delightful comedy program was presented by a group of ladies of the First Baptist Church including Mrs. David Hartman, Mrs. Pete O'Hair, Mrs. Rex Clayton, Mrs. Hershel Hulcy, Mrs. Donald Kelley, and Mrs. Zou Wilson at the piano.

Special guests at the luncheon were Aunt Nannie Ginn and Mrs. Eva Ataway from the Amherst Nursing Home.

Members present were Mrs. Zou Wilson, Mrs. Bonnie Haberer, M. and Mrs. J. L. Hinson, Mrs. Beulah Coker, Mrs.

Ruby Hodge, Mrs. Lena Hite, Mrs. Carra Morgan, Mr. and Mrs. Frank Butter, Mrs. M. E. Kelley, Mrs. Annie Runyon, Mrs. Marie Ross, Leonard Green, Mrs. Bessie Cearley, Mrs. Mae Hamilton, Mrs. Gladys Goodwin and Mr. and Mrs. Ruel Fanning.

Executive Board Meets

The Goodwill Centre Executive Board had its monthly meeting October 5.

It was suggested that each week the workers in charge sort the clothing and keep the Centre neat.

Those attending the meeting were Mrs. A. W. Gover, Mrs. Ruel Fanning, Mrs. Kenneth Lowe, Mrs. Earl Walker, Mrs. James Smith, Mrs. C. C. Goodwin, and Mrs. Marie Ross.

WSSCS Enjoy Study

The Women's Society of Christian Service met Tuesday morning at 10 a.m. in the United Methodist Church with Mrs. Doug Lewis as leader. She presented the study "Men and Machines," bringing out the effect of technology on the lives of people.

A lively discussion period followed where ideas of how Christians can help to direct progress without harmful results to certain areas of society.

Those present were Mrs. Beula Coker, Mrs. Bert Leaverton, Mrs. J. A. Littleton, Jr., Mrs. J. H. Holland, Jr., Mrs. J. J. Coker, Mrs. Gladys Goodwin, Mrs. J. L. Hinson, Mrs. Bessie Cearley, Mrs. Norman Sulser, Mrs. R. A. Axtell, Mrs. Doug Lewis, and Mrs. Ida Allen.

JIMMA SUE BANKS

Banks-Bradley Announce Engagement

Mr. and Mrs. Jimmie Banks of Springlake announce the engagement and approaching marriage of their daughter, Jimma Sue to David Warren Bradley, son of Mr. and Mrs. Roy Bradley of Goldsmith.

Miss Banks and Bradley are

both 1971 graduates of Springlake-Earth High School.

The wedding is scheduled for November 25, 7:00 p.m. in the Springlake First Baptist Church. The public is cordially invited.

Girl Scouts Add New Member

The Sunflower Girl Scout Troop 373 met Monday, October 9 in the Community Building. Teresa Lewis was added to the troop.

Mrs. Joe Gonzales led the girls in the Girl Scout Promise and the patrol leaders called the roll and collected the dues.

Permission cards were passed out to the girls for their trip to Lubbock for Disney on Parade. The girls plan to go as a group on a bus.

The girls reported on their home badges to Mrs. Joe Gonzales. It was decided to set aside one meeting each month for a Court of Honor and home badge reports. Songs and games were played including Flea and Stick Stick. Delma Gonzales gave a short

talk on one of the Girl Scout Laws and what it teaches her.

Grace was led and refreshments of soft drinks and cookies were served by Debra Hood and Deborah Houston to Teresa Ott, Stephanie Parish, Sharon Spencer, Delma Gonzales, Gloria Price, Belinda Hampton, Rhonda Offield, Patricia James, Doniece Taylor, Hattie Thomas, Oleta Thomas, Beverly Hood, Jackie Hood, Linda Hood, Patricia Lowater, Jodie Daniel, Sylvia Gonzales, and Teresa Lewis; Junior leaders, Dina Jo Hampton and Teresa Lively; Adult leaders, Mrs. Don Taylor, Mrs. Joe Gonzales, Mrs. Jerry Hampton, Mrs. Melvin James, Mrs. Roosevelt Houston, and visitors, Mrs. Joe Hood, Sr., Shirley Hood, and Mrs. Gilbert Gonzales.

Eastern Star To Sell Cards

The Earth Chapter 870 Order of Eastern Stars met Monday, October 9, at 7:30 p.m. in the Masonic Hall with Mrs. Jimmy Craft, Worthy Matron and Leonard Green, Assistant Worthy Patron presiding.

Plans were made to attend the Grand Chapter Convention, October 16-19 in Fort Worth. The Chapter has received the

all occasion and Christmas cards which they will sell as a fund raising project.

Others attending were Mrs. Jimmy Shirley, Mrs. B. Campbell, Mrs. Donald Kelley, Mrs. Forrest Simmons, Mrs. Johnny Murrell, Mrs. M. E. Kelley, Mrs. Gene Brown, Mrs. Gladys Parish and Mrs. John Laing, Sr.

Springlake GA's Begin Meeting

The Springlake GA's will have their first meeting today, Thursday, October 12 in the First Baptist Church immediately after school until 5 p.m.

Mrs. Gene Jones will be working with the older GA girls,

while Mrs. Delvin Walden will be in charge of the younger girls.

Mrs. Kenny Kendrick will be working with Mission Friends. The Springlake WMU will provide the refreshments each week.

NOTICE

There will be a bridal shower honoring Gloria Stephens, daughter of Mr. and Mrs. Jim Stephens of Springlake, Tuesday, October 24th from 7 to 8 p.m. in the Donnie Clayton home.

Selections have been made at Howell's 216 Floral and H. S. Sanders Lumber.

Miss Stephens is the bride-elect of Ralph Ronald Dunavant.

The Springlake-Earth Schools will be dismissed at 3 p.m. Friday, October 13 to prepare for homecoming.

UMYF Listen To Tapes

The UMYF met Sunday evening at 5 p.m. in the United Methodist Church.

They are engaged in a study of the book of Galatians and listened to a series of tapes on the book.

Present were Paige Gaston, Shelly Gaston, Vickie Wisian, Gena Wisian, Darlene Sulser, Jack Dunnam, Karen Dunnam, Tracy Lee, Colita Biles, and sponsors, Mr. and Mrs. Elroy Wisian.

Eddie Haydon of Sunnyside is in the St. Mary's Hospital in Lubbock. He is in surgical traction.

Brownies Learn To Devil Eggs

The Springlake Brownie Troop 308 learned to devil eggs Monday when they met at the Community Building.

Mrs. Donald Clayton, leader, had the eggs already boiled when the girls arrived. Each girl peeled and deviled her own egg which she ate with a cold drink served by Barbara Mayes.

The troop opened the meeting with the pledge to the Flag led by Dyan Jones.

Laura Romoz led the girls in the Brownie Promise and the Brownie Song was led by Sheryl Clayton.

The girls completed plans to attend Disney On Parade in Lubbock, Saturday, October 14.

Brownies present were Barbara Mayes, Cheryl King, Sheryl Clayton, Laura Romoz, Twilla Eagle, Jennifer Pelham, Dyan Jones, Michael Fields, and leader, Mrs. Donald Clayton.

Local Women To Attend District Meeting

Several members of the Texas Federation of Women's Clubs Thirteenth Annual Meeting to be held October 13-14 in Silverton.

Mrs. A. C. Hughes, State President will be guest speaker. Two hundred women are expected to attend the workshop.

Those attending from here are Mrs. Wayne Rutherford, Lottie Orteg, Mrs. Marie H. S. Sanders, Mrs. Lena Hite, Sam Cearley, and R. W. Fanning.

Hello World

Mr. and Mrs. Jimmy Brunson, 3302 Terrace, Midland, are the proud parents of a baby boy named Bradley William. Bradley was born October 9 at 6:15 p.m. in Odessa. He weighed 8 pounds 10 ounces. He has one brother, Brandon Wayne. Paternal grandparents are Mr. and Mrs. Ray Brunson, Red River, New Mexico and maternal grandparents are Mr. and Mrs. Glen McGeath of Earth.

The Corley Bakers of Earth were blessed with the birth of a son, October 7 at 8:58 a.m. The little lad has been named Bryan Lynn and tipped the scales at 7 pounds 7 ounces and measured 19 inches long. Grandparents are Mr. and Mrs. Harold Ingle and Mr. and Mrs. Calvin Baker, all of Sudan.

Doniece Taylor Celebrates 12th Birthday

Miss Doniece Taylor had a slumber party Friday, October 6 to celebrate her 12th birthday. Attending were Lisa Pittman, DeAnn Clayton, Mona Price, Rosie Lewis, Susie Lansford, Joyce Ingram, Belinda Hampton, Vickie Dunnam and the hostess. The girls were treated to a Mexican supper followed by a full night of games, snacks and errie happenings. After an almost slumberless night the girls enjoyed a country breakfast and wished their hostess a very sleepy good-bye.

Friendship SS Class Enjoy Luncheon

Friendship Sunday School of the United Methodist met in the home of Mrs. Bessie Cearley, Mrs. Naomi Burgess, Mrs. Jack Hinson, Mrs. C. Hill Bull, Mrs. Ida Allen, Mrs. Gladys Goodwin, Miss Rudy Jones, Mrs. Lottie Orteg, Mrs. Gladys Parish, Mrs. Marie Ross, Mrs. L. Z. Anglin, and a guest, Mrs. Melton Welch and the hostess, Mrs. Belew.

The Springlake WMU met Monday, October 9 at 9 a.m. in the home of Mrs. G.H. Miller. Mrs. Miller presented a program on Mission and Cultural Differences. The group pointed out how people limit themselves to their own community rather than reaching out to the whole world. We tend to let our cultural and geographical boundaries limit our interest in people.

WMU Discuss Mission and Cultural Differences

The Springlake WMU met Monday, October 9 at 9 a.m. in the home of Mrs. G.H. Miller. Mrs. Miller presented a program on Mission and Cultural Differences. The group pointed out how people limit themselves to their own community rather than reaching out to the whole world. We tend to let our cultural and geographical boundaries limit our interest in people.

The Cashless Society

Living in a cashless society is a challenge to every money manager. Credit is easy to get and difficult to manage. A Better Credit Manager is a goal of a day-long meeting on "Cashless Society," scheduled for October 19 in Lubbock.

The meeting is open to all interested persons, and will include speakers from state agencies and home economics leaders, according to Mrs. Lynn Bowerman, Lamb County Extension agent and member of the South Plains Development Program.

Registration will begin at 9:30 a.m. in the University Center Ballroom at Texas Tech. The morning program will feature Mr. James Sutton, Consumer Education Consultant, office of Consumer Credit who will discuss the Cost of Credit. Mr. Haley Phillips, manager of the Retail Merchants Association in Lubbock will complete the morning program by informing participants how to get and keep a good credit rating.

The afternoon session will begin at 1 p.m. with a Style Show. Mr. Sutton will speak again on Credit Contracts, and Dr. Donald S. Longworth, Dean of the College of Home Economics will speak on the psychological aspects of credit. The three speakers will be joined in a question and answer panel by Mrs. Tom Box, presiding chairman.

The program will include numerous door prizes and take-home materials. By the 3 p.m. conclusion of the program, participants will be armed with the skills and knowledge to survive in the coming society.

Band Booster To Sponsor Dinner

The Wolverine Band Booster Club will sponsor a casserole and salad dinner Sunday, October 22, in the school cafeteria. The ladies will make their favorite dishes so a delicious dinner will be served. Serving will begin immediately after church services and continue until everyone has been served.

The Stage Band will provide dinner music. All proceeds will go to the Band to help pay for their upcoming trip to Corpus Christi and to cover the cost of the new Junior High Band Blazers. Tickets may be purchased from any band member or at the door.

Georgia Bahlman is recovering nicely after having surgery Wednesday. She is in the Littlefield Hospital and Clinic.

If you own life insurance, you own stock in American business corporations.

Q. Newspapers print so much bad news. Why don't they concentrate on good news?
A. Society as a whole has benefited often because the press has reported disaster or violence with such insistence and detail that public opinion has led to overdo reforms. Actually there is much good news in every newspaper.

Why do newspapers object to the withholding of news?

The dangers of withholding news of crime or criminals, for instance, include the everpresent possibilities of special favors, secret deals, cover-ups, star chamber proceedings and other hocus-pocus often attempted to hide the news from the people.

Texas Cowbelles To Organize

A local Chapter of the Texas Cowbelles is being organized and all women who are interested in the Beef Industry are welcome to join.

A dutch treat luncheon meeting will be held in Plainview, Thursday, October 26, at 10:45 a.m. If you would like to make reservations or learn more about the Cowbelles, call Mrs. Owen Norfleet or Mrs. Charles Koontz, Olton.

A person with a handicap often overcomes it by being superior in another way.

A real eye-opener to electric heating costs

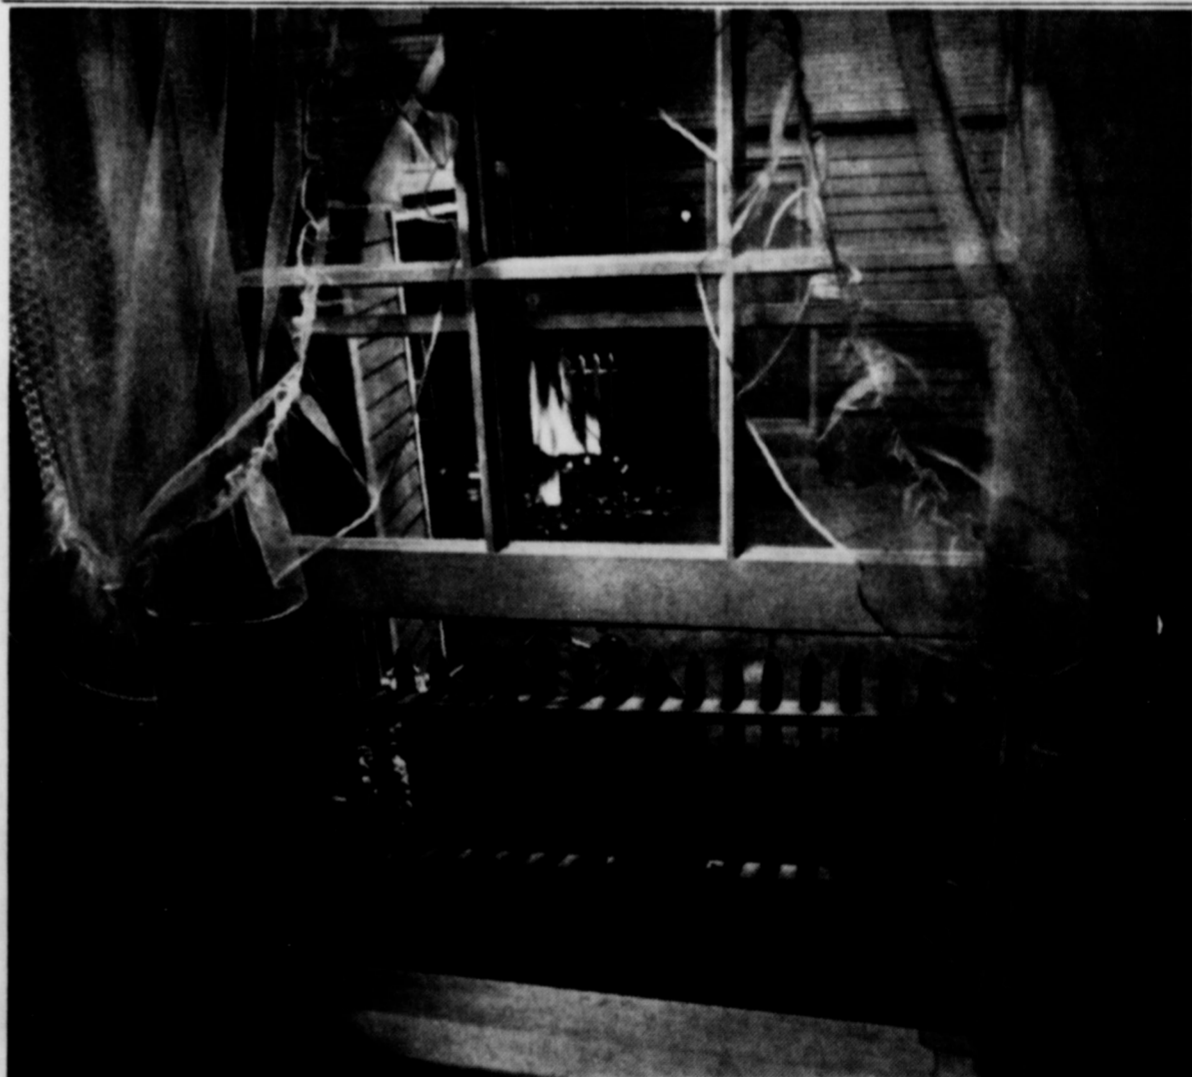

Electric heating operating cost estimates usually surprise our customers. They expect electric heat to cost a good bit more. A factual, easily understood, written estimate opens their eyes to the fact it can cost little more than they've been paying. Thousands of our customers are heating electrically now because they asked for the facts about electric heating costs. Phone us today for an estimate. It's free. It's accurate. And, it's a real eye-opener.

When people want to know... Four out of five read a newspaper as the "best way to find out" — for everything from political news and convention hoopla to community happenings.

If your six year old saw something like this, would he know how to phone for help?

It's too important a question to leave to chance. That's why we're running this ad. If there are any six- or seven-year-olds around your house, teach them how to report emergencies. Tell them to dial "0", give their name and tell our operator where they are and what's wrong. With older children, train them to dial emergency numbers direct, since that's the fastest way to call for help. But don't stop there. Copy down the emergency

numbers listed on the inside front cover or first page of your telephone directory. Add your family doctor's number. And the number of the nearest hospital. Next, tack up the list near your phone. Then get your kids to memorize it, in case it gets lost. By the time they're through memorizing those numbers, they're going to have every grownup in the house knowing them, too.

PVT. RONALD L. YONDELL

U.S. ARMY, Germany, Sept. 11, Army Private First Class Ronald L. Yondell, 21, son of Mr. and Mrs. Artie C. Yondell, Olton, recently was assigned to the 8th infantry division in Germany.

Pfc. Yondell is a chapparral crewman in Battery C., 1st Battalion of the Divisions 59th Air Defense Artillery. He entered the Army in March, 1972, completed basic training at Ft. Polk, La., and was last stationed at Ft. Bliss.

The Private is a 1968 graduate of Olton High School. His wife, Barbara, lives in Canyon.

Noah Webster, who published his first dictionary in 1806, was born in West Hartford, Conn. in a house which is now a National Historical Landmark.

SBA Representative to be in Littlefield October 5

A field representative of the Small Business Administration's Lubbock District Office will be available to interview and counsel small businessmen at the Chamber of Commerce on Thursday, October 5, 1972, from 9 a.m. to 4 p.m.

Any small businessman interested in obtaining information about the Small Business Administration's loan programs, SCORE, management assistance or other programs may call for an appointment at 385-4451 at the Littlefield Chamber of Commerce, City Hall, Little-

field. Applicants may also obtain information about Economic Opportunity Loans which may be made to assist in the establishment, preservation and strengthening of small businesses. These loans are available under Title IV of the Economic Opportunity Act of 1964, as amended.

Interested parties should bring with them personal financial statements, current business balance sheets and profit and loss statements for the last two years, if available.

Q. Someone has to pay for the advertising in newspapers and all other media. Isn't it always the customer who pays?

A. In a sense, this is true. Advertising is part of the cost of production, but it is a cost which brings savings in its wake. It speeds sales, cutting selling costs; makes mass production possible, leading to lower costs, enabling the public to buy more with its dollar than it could if advertising did not exist.

"THINK"

STORE YOUR MILO WITH **American Grain Corporation**

We are working toward a combined Grain & Cattle Feeding program whereby you, the grain producer, and outside beef producers may share jointly in the income from finished cattle; and we hope to offer you the opportunity to participate in this program with a portion of the grain you place in American Grain Corporation, Plainview, Texas storage facilities.

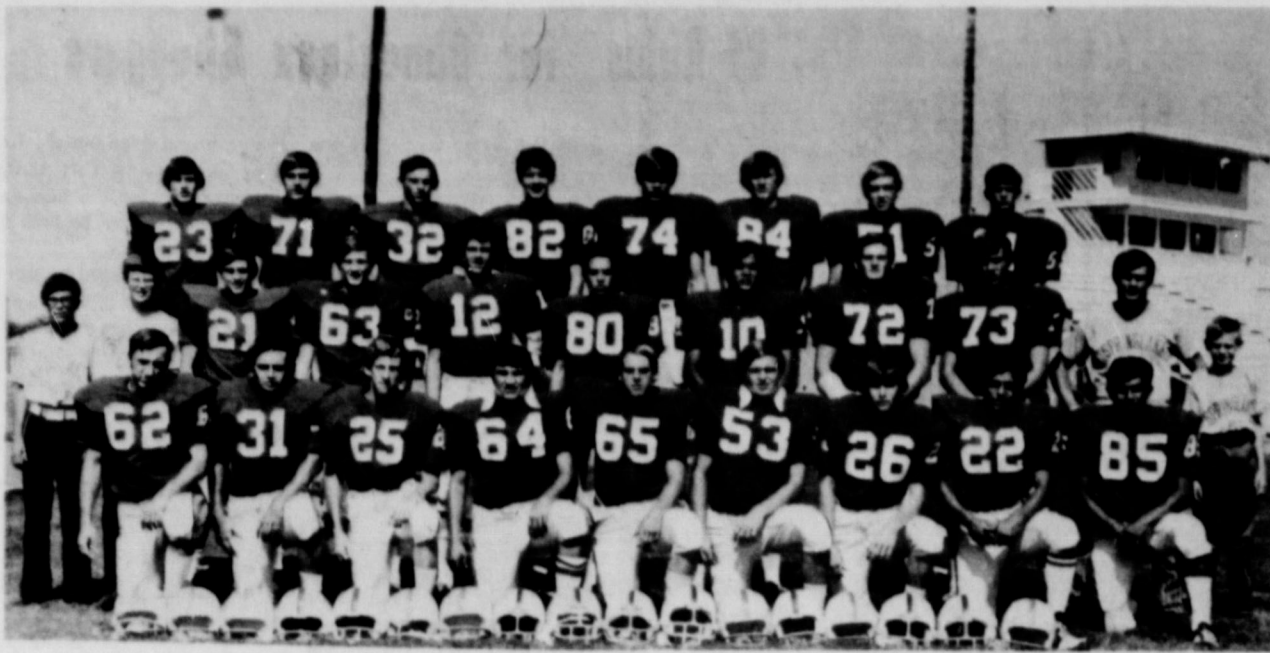

With this in mind our Grain Sorghum Storage Program is as follows:

1. Receiving, storing and load out charge (any time from unloading date through loan maturity date of June 30, 1973); eight cents per cwt. — \$0.08.
2. Paid up Warehouse Receipts will be issued to you when requested (\$1.80 per cwt.; basis Hale County).
3. You will have the option to place a portion of your grain in the Grain & Cattle Feeding Program at a later date.
4. You can redeem your stored grain sorghum (in excess of that amount you might place in the Grain & Cattle Feeding Program) any day of your choice and sell it at the full feed lot, domestic, or export FOB price.
5. We do ask that American Grain Corporation be given refusal when your grain stored with us is offered for sale.
6. The eight cents (\$0.08) per cwt. storage and handling charge will be due on your load out date.
7. Storage charge after loan maturity date will be at regular USDA rates. (If placed in resale program, USDA is currently paying resale storage.)

WOLVERINE VARSITY TEAM... The mighty Wolverines have won three games and lost two this season. They will play Farwell Friday at 8 p.m. in the Wolverine Stadium. The team members are: left to right, first row, Doug Freeman, Tommy Clayton, Randy Stephens, Nicho Triana, Sam Parish, Brad Haley, Edwin Fulfer, Pete Rodriguez, Luis Palacio; second row, managers,

Ronnie Thomas, Clifford Daniel, Larry Thomas, Kent Lewis, Hal Wood, Brad Freeman, Rudy Monreal, Brian Britton, Lonnie Wilson and managers Aaron Scheller and Jimmy Smith. Third row, Guy Davis, Monty Price, Bob Angeley, Bob Cleavinger, Danny Marriot, Brian Sanderson, Barry Pittman, and Charles Winder.

Wolverines Beat Sudan in District Opener

Only the scoreboard decided the win when Springlake-Earth edged past Sudan 7-6 in a district clash.

According to statistics, the Hornets led in the first down department, yards rushing and in yards passing and also led

the game until the mid-way mark in the final stanza.

Turnovers and mistakes were key factors in the game as there were 13 turnovers and a dozen penalties.

A fumble by Springlake-Earth was recovered by Sudan in the

first half in their end zone to stop a Wolverine scoring attack.

On the Hornet's way back upfield they finally managed to get within 20 yards of the goal and on fourth down Kim Ingram booted a 20-yard field goal for a Hornet three-pointer and to give Sudan the lead.

The remainder of the half was ball swap as the Hornets stopped the Wolverine offense by pouncing on two fumbles and intercepting a pass.

Gary Edwards intercepted a Wolverine pass with only ticks left in the half to set the stage for another field goal attempt by Ingram. The boot was short and Sudan went to the dressing room at the half with a 3-0 lead.

Both teams' drive in the third quarter bogged down as neither was able to penetrate the others defense.

It was in the final stanza that the Wolverines mustered a six-pointer after a pass interference was called on Sudan on the Hornet four-yard line.

With first and goal to go, the Wolverines used Brian Sanderson to plow to the one and then bounce over the goal as he charged the line only to be bounced back to the Hornet line. His forward motion was stopped right on the goal for a score. Larry Thomas kicked the conversion to give the Wolverines a 7-3 lead with 8:54 left in the game.

The remainder of the game was a strong defensive duel as neither team was able to move the ball against the other.

Springlake-Earth is 3-2 in season and 1-0 in district. Sudan is 2-3 and 0-1.

3 Big Prizes Nothing to Lose - No obligation

CONTEST RULES

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p.m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winner.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted score will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

Seal Contest To Launch Tech's 50th Anniversary

Texas Tech, which will launch its 50th anniversary celebration early next year, has announced a seal design competition aimed at providing an appropriate symbol to be used in connection with the observance.

The month-long competition, beginning Friday, October 6, and ending Monday, Nov. 6, will be open to any persons or any group, according to Speech Prof. John F. Deethardt, chairman of the seal subcommittee of Tech's 50th Anniversary Activities Committee.

The winning designer (or group) will receive a cash award of \$100.

A theme of academic excellence and achievement was suggested by Dr. Deethardt who pointed out that the committee is "seeking a design to represent the past accomplishments and future aspirations of the institution."

Entry forms may be picked up at the circulation desk of the university library and should be completed and attached to the back of the design when it is submitted.

Entries may be executed in any media and there is no limitation on the number of entries per person or group. Either a detailed drawing and/or a model may be submitted. Entries should be submitted to the reference room desk on the first floor of the library building between the hours of 7:30 a.m. and 10 p.m. daily, Monday through Friday of each week and until 8 p.m. in the closing day of the competition.

The selected design will be used in many ways during the series of anniversary programs, beginning with the first observance of Charter Day, February 10, 1973.

"It may be miniaturized as small as a dime," Dr. Deethardt said, "or magnified as large as a stage backdrop, and executed in innumerable forms—printed, engraved, sculptured and the like."

Texas Tech received its charter on Feb. 10, 1923, and enrolled its first students in the fall of 1925.

McCarty To Attend CofC Meeting Red Cross Reports On Project Find

Macky McCartney will represent the Earth Chamber of Commerce at the annual M-d-Year Meeting of the Board of Directors of the West Texas Chamber of Commerce in Lubbock October 19 and 20.

More than 200 directors, members of the West Texas Chamber of Commerce, their wives and guests are expected to attend.

The two day meeting will close Friday with a noon luncheon at the Lubbock Country Club with an address by the Honorable Omar Burleson, U. S. Congressman, from the 17th District. Burleson is a member of the powerful House Ways and Means Committee.

The Lamb County Chapter of the American Red Cross met Friday, October 6 at 4 p.m. in the Red Cross office.

A report was given concerning Project Find. The Department of Health Education and Welfare commissioned Red Cross to assist in locating people who were unaware of the food assistance program. Cards being processed at this time were enclosed in the August Social Security checks. A total of 132 contacts have been made with approximately 86 more to go for the Lamb County area.

Another project of this Red Cross Chapter this month was the ditty bags for '72. This year 25 bags filled with comfort items were sent to servicemen in Viet Nam. These bags were mailed early so they will arrive in time for Christmas.

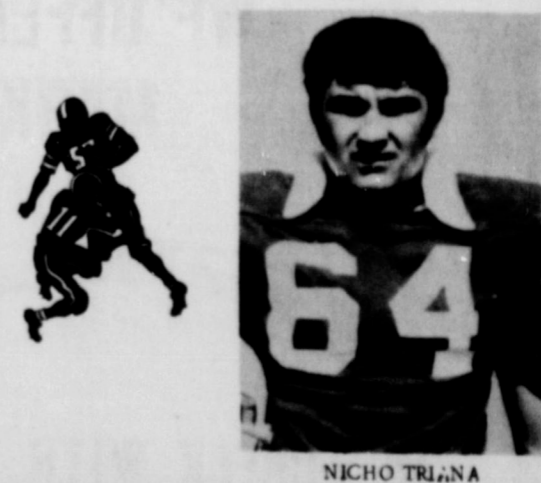

Those attending the meeting were Mrs. Lester LaGrange, Mrs. R.R. Smith, Mrs. Lottie Orteg, representing Earth, Mrs. Bonnie Haberer, Mr. James P. Arnold, Rev. C. P. McMaster, Mr. Eldon Franks and one visitor, Mrs. Eldon Franks.

The correct method of flying the flag of the United States on Memorial Day is half-staff from sunrise until noon, honoring our war heroes, and full-staff from noon until sunset.

THE WISE WOMAN WHO WANTS TO MAKE HER HUSBAND LOVE HER MORE REALIZES THAT IT'S SMARTER SOMETIMES TO LOSE AN ARGUMENT ALTHOUGH THE FACTS MAY SEEM TO BE ON HER SIDE. THE BEST WAY TO GET YOUR WAY IS TO LET HIM HAVE HIS WAY... SOMETIMES!

Seal Contest To Launch Tech's 50th Anniversary

Texas Tech, which will launch its 50th anniversary celebration early next year, has announced a seal design competition aimed at providing an appropriate symbol to be used in connection with the observance.

The month-long competition, beginning Friday, October 6, and ending Monday, Nov. 6, will be open to any person or any group, according to Speech Prof. John F. Deethardt, chairman of the seal subcommittee of Tech's 50th Anniversary Activities Committee.

The winning designer (or group) will receive a cash award of \$100.

A theme of academic excellence and achievement was suggested by Dr. Deethardt who pointed out that the committee is "seeking a design to represent with appropriate symbology the past accomplishments and future aspirations of the institution."

Entry forms may be picked up at the circulation desk of the university library and should be completed and attached to the back of the design when it is submitted.

Entries may be executed in any media and there is no limitation on the number of entries per person or group. Either a detailed drawing and/or a model may be submitted. Entries should be submitted to the reference room desk on the first floor of the library building between the hours of 7:30 a.m. and 10 p.m. daily, Monday through Friday of each week and until 8 p.m. in the closing day of the competition.

The selected design will be used in many ways during the series of anniversary programs, beginning with the first observance of Charter Day, February 10, 1973.

"It may be miniaturized as small as a dime," Dr. Deethardt said, "or magnified as large as a stage backdrop, and executed in innumerable forms--printed, engraved, sculptured and the like."

Texas Tech received its charter on Feb. 10, 1923, and enrolled its first students in the fall of 1925.

Mc Carty To Attend COF C Meeting Red Cross Reports On Project Find

Macky McCarty will represent the Earth Chamber of Commerce at the annual M-d-Year Meeting of the Board of Directors of the West Texas Chamber of Commerce in Lubbock October 19 and 20.

More than 200 directors, members of the West Texas Chamber of Commerce, their wives and guests are expected to attend.

The two day meeting will close Friday with a noon luncheon at the Lubbock Country Club with an address by the Honorable Omar Bureson, U. S. Congressman, from the 17th District. Bureson is a member of the powerful House Ways and Means Committee.

The Lamb County Chapter of the American Red Cross met Friday, October 6 at 4 p.m. in the Red Cross office.

A report was given concerning Project Find, The Department of Health Education and Welfare commissioned Red Cross to assist in locating people who were unaware of the food assistance program. Cards being processed at this time were enclosed in the August Social Security checks. A total of 132 contacts have been made with approximately 86 more to go for the Lamb County area.

Another project of this Red Cross Chapter this month was the ditty bags for '72. This year 25 bags filled with comfort items were sent to servicemen in Viet Nam. These bags were mailed early so they will arrive in time for Christmas.

Those attending the meeting were Mrs. Lester LaGrange, Mrs. R.R. Smith, Mrs. Lottie Orteg, representing Earth, Mrs. Bonnie Haberer, Mr. James P. Arnold, Rev. C.P. McMaster, Mr. Eldon Franks and one visitor, Mrs. Eldon Franks.

The correct method of flying the flag of the United States on Memorial Day is half-staff from sunrise until noon, honoring our war heroes, and full-staff from noon until sunset.

County Bale Count Set At 110,000

Despite hail and recent inclement weather, Lamb County's cotton harvest is on the brink of a record harvest. A forecast of 110,000 bales is predicted in the latest cotton yield estimated by the Lamb County ASCS office in Littlefield. This is 5,000 bales more than the extension office predicted a month ago. According to Richard Newman, county executive director of the ASCS office, these figures will give leeway both

ways. "But we're hoping the yield will be higher," he said. "With a little luck farmers in this county have some cotton that can kick out an unreal harvest." While the harvest looks good, grade and micronaire will be critical factors when it comes to the price per pound. The recent cool, wet weather is expected to take its toll. Most farmers are hoping for another month of warm weather before a killing freeze hits.

Have You Looked Progress in The Eye?

BY: MRS. LYNN BOWERMAN & BOBBY BRUNSON

How often have we looked progress in the eye and then turned our backs because we were unsure which direction to

go or which new method or technique to follow? Well, 4-H is a venturesome organization of active boys and girls and these youngsters are constantly eyeing progress and taking the necessary steps to

RELAXING BETWEEN SCENES at play practice. The Senior Play will be presented Tuesday October 17.

move forward and to grow and develop. 4-H is reaching out into new areas, involving youth with new interests and backgrounds, points out Lynn Bowerman and Bobby Brunson, County

Extension Agents. This year's theme of National 4-H Week, October 1-7, is "A New Day--A New Way."

"4-H is reaching more and more of our youth across the state, says County Extension Agents. "It's reaching into urban areas and involving youngsters with a multitude of backgrounds, needs and interests. Thus 4-H has expanded its program areas to meet these various needs and interests."

4-H actually has taken on a new look, according to Mrs. Bowerman. Boys and girls are now encouraged to "do their own things," set their own pace, venture into new areas of interests.

4-H'ers are limited only by their imagination, and that's what makes 4-H so exciting today. 4-H is attuned to such present-day concerns as community development and improving the environment.

Although there are now more than 100,000 boys and girls between the ages of 9 and 19 enrolled in 4-H in Texas, many more are eligible to join. And with the upcoming observance of National 4-H Week, the call goes out to these youngsters to become involved in a real "action-oriented" program in 4-H.

Special programs and activities will be staged in counties throughout the state during 4-H Week to recognize 4-H'ers, their parents, friends and other supporters. This is a good time to learn more about 4-H and then to make the decision to invest a little time and energy to become involved in an organization that has something for everyone. Being a 4-H'er can mean the most exciting years of your life.

4-H is a part of the educational program conducted by the

Texas Agricultural Extension Service of Texas A and M University. It is directed at the local level by county Extension agents who work with volunteer 4-H adult leaders and other local citizens. Anyone interested in joining 4-H should contact the Extension office.

Texas State Unit of NCCA Sets Meeting

The Texas state unit of the National Cotton Council is calling a cotton industry leadership meeting in Lubbock on October 12. It will be held at the Red Raider Inn at 10 a. m., and will conclude with a dutch treat luncheon.

Topics to be discussed include a cotton legislative review, public relations for agriculture, an economic study of the producer's future, and a progress report on Cotton Incorporated. We will have top Council staff with us to discuss these timely subjects.

This will be a very informative meeting and we hope you can be with us and will bring a cotton industry friend.

Scabies Quarantine Critical for Stock Shows

With the stock show and fair season at hand, exhibitors should pay special attention to the scabies quarantine that is still in effect in a number of Northwest Texas counties.

In quarantined counties animals must be dipped in an approved dip, either toxaphene show, points out County Extension Agent Bobby Brunson. Cattle on a continuous show circuit need to be dipped only once if exhibited within a 30-day period and if they have not been mixed with any undipped cattle from a quarantined area.

or lime and sulphur, within 30 days prior to entry in a Stockshow officials will want to check animals closely, especially if they are from one of the quarantined counties. These include Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Collingsworth, Cottle, Dallam, Deaf Smith, Donley, Floyd, Foard, Gray, Hale, Hall, Hemphill, Hansford, Hardeman, Hartley, Hutchinson, Lamb, Lipscomb, Moore, Motley, Ochiltree, Oldham, Farmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler.

According to Brunson, animals from a number of other states must also be dipped prior to being shipped to Texas. These animals can be dipped upon arrival if accompanied by a special permit. The states include Oklahoma, Kansas, New Mexico and Colorado. If animals from a quarantined county will be shipped to one of these states for entry in stock shows, it is important that certain state and federal requirements are met. Animals must be inspected within 10 days by a state federal inspector and must be dipped within 10 days prior to departure. If they are dipped upon arrival if accompanied by a special permit.

SMOOTHEST STUBBLE CUTTER YOU EVER PULLED

KING OK OFFSET HARROW
NO SIDE DRAFT

Works like a tandem;
Cuts like an offset

- Operates the way you operate a tandem harrow. Turns either direction at the end of the field.
- Properly adjusted, it creates no side draft.
- Extra cutting action eliminates necessity to overlap each turn over

- the field; eliminates furrow on each side of the harrow; leaves smooth, level field.
- Available with round and cut-out discs.
- Sizes suitable for all popular tractors.

New design really works! We have it! See it now!

DON'T TAKE RURAL TEXANS FOR A RIDE... AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT MCGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state... because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern... and George McGovern needs us.

LAZBUDDIE NEWS...

Phyllis Watson
 Friends of Greta Paul
 met her with a gift tea in
 Fellowship Hall of the
 Church, Lazbuddie,
 Monday morning. She was
 presented with a lovely flower
 and swag lamp. Greta
 will be greatly missed
 in the Lazbuddie area.
 Congratulations to the Laz-
 buddie Longhorns for having
 their fourth game in a row.
 Score was 12-6 over Am-
 erican.

Lazbuddie Young Home-
 makers met Tuesday, October
 10, for the programs for the
 coming year. Seventeen
 members were present for the
 meeting.

Young Homemakers are
 planning to have a picnic
 at the case, 1/2 case or

years. The Wards are doing
 real fine. Both John and Mike
 are married and Paul is a soph-
 more this year. Can you be-
 lieve it?

Ronald Mayfield was home
 over the weekend to visit his
 parents, Mr. and Mrs. J. T.
 Mayfield. Ronald is the agri-
 culture advisor in the Lorraine
 school system. Two of his
 students accompanied him to
 Lazbuddie and were weekend
 guests in the Mayfield home.

Birthdays go to: Greg
 Gregory, Lillian Smith, Tressa
 Patterson, Margaret Wilson,
 Lee Bond and Alzada Gulley.

I was unable to get more news
 due to the telephone men work-
 ing on the lines.

OCTOBER 1960

The Lazbuddie Who's Who
 are: Class Favorites, Patsy
 Morrow and Roy Max Miller;
 Most Beautiful, Judy Brown,
 Marlene Carol and Janice
 Darling. Most Handsome, R.
 L. Porter, Roy Max Miller and
 Jerry Don Glover.

12 YEARS AGO
 The W.M.U. of the Baptist
 Church observed the week of
 prayer last week. The theme
 for the week was "Good Tid-
 ings of Great Joy." Mrs.
 Thomas Carroll was in charge
 of the program. A covered dish
 luncheon was served at noon,
 followed by a quilting in the
 afternoon. Wednesday the pro-
 gram was "Tidings to All Peo-
 ple." Other studies following
 during the week were Tidings
 of Peace, Tidings of Redem-
 tion and They That Publish the
 Tidings.

Mrs. W. S. Menefee, May
 Green, Carrie Withroe and
 Mrs. Wimberley presented a
 study on "With Partnership
 With God." Mrs. E. E. Mason
 was in charge of the last pro-
 gram. Mrs. John Agee brought
 special music throughout the
 week for the meetings.

The 1972 High Plains cotton
 crop again is estimated at just
 under 2 million bales by the
 joint cotton estimates com-
 mittee of Plains Cotton Grow-
 ers, Inc. and the Lubbock Cot-
 ton Exchange.

The exact October estimate
 for 25 counties surrounding
 Lubbock came to 1,978,000
 bales, 15,000 below the Septem-
 ber 1 projection of 1,993,000
 bales. Standing acreage was
 unchanged from September, at
 2,494,500. The average per-
 acre yield indicated by the
 October estimate is therefore
 381 pounds as compared to 383
 pounds on September 1.

Committee spokesmen noted
 that weather conditions in the
 month of September were ex-
 cellent for crop development,
 and there would have been
 cause for higher production ex-
 pectations except for a high
 incidence of verticillium wilt
 in many areas and severe weed
 problems in others. Some
 fields on the Plains may not be
 harvested at all because of
 weeds, and Bill Gunter, mem-
 ber of the Committee and Dis-
 trict Extension Agent said
 there is more wilt on the Plains
 than ever before.

"So," said PCG Committee
 Chairman Joe D. Unfried of New
 Home, "the beneficial effects
 of good weather have been just
 about cancelled out by wilt and
 weeds."

The highest producing counties
 on the Plains, according to the
 estimate, will be Lubbock and
 Dawson, with a volume pro-
 jection of 215,000 and 210,000
 respectively. Some Dawson
 County observers are saying
 they may replace Lubbock

County this year as the area's
 leading producer.

The most severe cut in county
 production from the September
 estimate shows up in Gaines
 County where the figure drop-
 ped 30,000 bales from 180,000
 to 150,000. Committee in-
 formants in that county report-
 ed that after a re-assessment
 of overall crop conditions,
 particularly fields with severe
 weed problems, "we think the
 lower figure is a little more

realistic."

A good sized drop in estimat-
 ed production was also seen in
 Dickens County, from a 23,-
 000-bale guess last month to
 16,000 bales now foreseen.
 Primary reason is given as the
 boll weevil infestations in that
 area.

Unfried said value of the crop
 to the area economy is still a
 big question mark under cur-
 rently declining market prices,
 "but with anything like a rea-
 sonable price and if the quality
 of the crop is fairly good, its
 value should approach \$350
 million, including government
 payments.

The joint PCG-LCE commit-
 tee will look again at crop pro-
 spects and issue revised esti-
 mates as of November 1 and
 December 1.

When visiting your in-laws,
 it's both thoughtful and wise
 to stay at a hotel or motel
 instead of their home. Other-
 wise, they might go way over-
 board in trying to please you,
 and get overtired and anxious
 in the enthusiastic process.

 WOLVERINES!!

What Is The Future of Small Business?

Small business owners and
 managers interested in sharp-
 ening management skills are
 invited to attend a conference
 entitled "What is the Future of
 Small Business?" co-sponsored
 by the Littlefield Chamber of
 Commerce and the U. S. Small
 Business Administration, on
 October 26, 1972.

Speakers for the conference
 will be Mr. J.B. Hare, Man-
 agement Assistance Officer,
 and Mr. M. Hard A. Townsend,
 Borrower Services Officer, both
 of the Lubbock District Office
 of the Small Business Admin-
 istration. The conference will
 be held from 7:30 to 9:30 p.m.,
 Thursday, October 26, 1972, in
 the XII Room of the Security
 State Bank, Littlefield.

The conference is designed
 to assist the small businessman
 in analyzing his increasingly
 competitive situation, identi-
 fying his problem and explor-
 ing possible solutions to the
 problem.

This conference is open to the
 public and there will be no re-
 gistration fee. For further in-
 formation contact the Little-
 field Chamber of Commerce,
 P.O. Box 507, Littlefield,
 Texas, telephone 385-4451; or
 U.S. Small Business Adminis-
 tration, P.O. Box 10107, Lub-
 bock, Texas 79408, telephone
 747-3711, ext. 462.

Weed Control Has Far Reaching Effects In Future

Spraying herbicides today may
 help control weeds for many
 years to come, according to
 Dr. Rupert Palmer, weed con-
 trol specialist for the Texas
 Agriculture Extension Service.

"The effects of weed con-
 trol may be much more far-
 reaching than might be imag-
 ined," says Palmer. "Just as
 important as eliminating weeds
 at the present time is keeping
 them under control in the fu-
 ture."

The Texas A&M University
 specialist recently made a
 study of a stand of junglerice
 or barnyard grass in a rice
 field. He found 125 plants per
 square foot, which totals
 5,445,000 plants per acre.

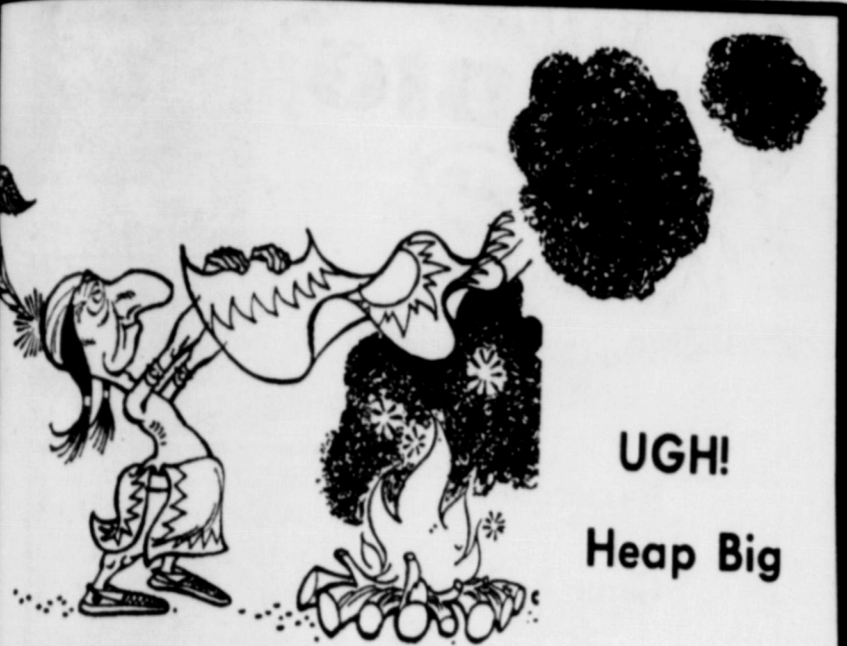

Each plant had an average of
 60 seeds so this meant about
 326.7 million seeds per acre.
 Assuming that all the seeds
 remained viable and germinated
 each year as they did this year,
 it would take 60 million seeds
 to replace this year's seed crop,
 notes the specialist.

"Herbicides sprayed to control
 this stand of grass before seed
 production cost about \$8 per
 acre. The one treatment prob-
 ably prevented the need for
 yearly control for 60 years,"
 contends Palmer.

In addition to rice, barnyard-
 grass also infests cotton, grain
 sorghum, corn, peanuts and
 and vegetable crops.

But My Car Is Still In Warranty

The best advice and protection concerning automobile warranties is to buy from a dealer whose reputation you know and trust. It does not take much effort to determine how local auto dealers have handled warranty type work for your friends and acquaintances.

Many problems which arise concerning "warranty work" are caused because the automobile owner does not read the warranty he receives at the time of purchase. Until 1971 some automobile manufacturers gave a five year or 50,000 mile warranty on the power train. Now most automobile manufacturers provide a warranty of 12 months or 12,000 miles, whichever comes first. How do you go about seeing that you get all that is coming to you under the warranty that came with your automobile.

First, you should be convinced that the work to be done is covered by the warranty. Assuming that it is covered by the warranty, it must be within the time period and amount of mileage specified in the warranty. Next, you should take your automobile to an authorized dealer. It should be remembered that most automobile warranties are valid only if the repairs are made by authorized dealers. Therefore, be sure that the repair facilities you have taken your car to are factory approved.

If any authorized dealer or repair facility informs you that their repair is not covered by the

warranty, ask why. If you don't receive a satisfactory reply, ask to speak to a factory representative. Don't be afraid to speak up. All automobile manufacturers have representatives in regional centers to receive and handle complaints from owners. These people are authorized to approve questionable warranty work. Many times this complaint to the factory representative is all that is needed to get the necessary repair work done under warranty.

It should be remembered that, on occasions, the dealer probably has experienced difficulty obtaining reimbursement from the manufacturer for previous warranty repairs. If there is any question in the dealer's mind as to whether the work to be done will be covered by the warranty and paid for by the manufacturer, he usually will insist that the work be approved by a representative of the manufacturer before commencing. If the factory representative and dealer both refuse to do the repairs under the terms of the warranty, ask for a written refusal setting forth the reasons the work will not be done.

Now is the time for a certified letter to the manufacturer's consumer relations department. Be specific and go into detail concerning your complaint. Give names and dates. Attach a copy of the written refusal by the dealer and factory representative. If you still do not get satisfaction, the 62nd Leg-

islature passed an act creating the Texas Motor Vehicle Commission. The address of this agency is P.O. Box 13287, Capitol Station, Austin, Texas 78711. They are equipped to look into matters such as this.

The Texas Deceptive Trade Practices Act gives the Attorney General's office power only over false, misleading or deceptive acts or practices in the conduct of any trade or commerce. We generally do not have authority to act in cases of breach of contract, poor workmanship or defective products. However, you should probably write our office so that we can look into the matter to determine if there has been a violation of our Act and if legal action against the dealer or manufacturer is indicated. You should send your complaint to Attorney General Crawford C. Martin, Attention: Consumer Protection Division, P.O. Box 12548, Capitol Station, Austin, Texas 78711.

Wish I'd Said THAT

"He who gets too big for his britches will be exposed in the end." — Lee R. Call, Star Valley (Wyo.) Independent.

"All the primaries proved was that different parts of the country are mad about different things." — Jack E. Hester, The Charleston (Ind.) Courier.

"A will of your own is more likely to help you succeed than the will of a rich relative." — Fred W. Grown, The Bergen (N.J.) Citizen.

"Never refuse a good offer in the game of life—it may be the opportunity you seek." — Mrs. Gary Hiott, The Pickens (S. C.) Sentinel.

Makes Education Possible for Students

Opportunity Plan, Inc., at West Texas State University, is establishing a publication department. The department came this year from Milton "Buff" Morris, executive vice president of OPI. He explained that there has long been a need for such a department in the 19 year life of the program.

Opportunity Plan, Inc., is an independent student loan fund which has made it possible for hundreds of students to attend universities, technical schools, vocational courses, graduate schools, and even professional institutions on a "package" deal. Participants in the program do not have to excel scholastically, athletically, artistically, or in any skill. "Any student with good character who is sincere in desiring to further his education is eligible to apply for financial assistance through the OPI," Morris points out. "But on the Opportunity Plan, he receives more than just financial assist-

SUPPORTING LIBERTY

YOUR COMMUNITY NEWSPAPER

With more governmental powers centered in Washington, D.C. and the state capital to direct our businesses, help finance our schools, master-mind our public works and supervise our shopping, it becomes increasingly essential that citizens be well informed.

When proposed panaceas for solving economic and other problems are glibly voiced, we see our newspaper role as furnishing sound journalistic judgment and interpretive reporting to put the proposals in true perspective.

The political, economic and individual freedoms of the American people can be preserved only if the public is aware of the facts which bear on current issues.

This is where newspapers, especially community newspapers, serve a unique function. We provide the "grass-roots" reaction to events taking place in the state and the nation. We serve as a unique two-way communications medium between the people at home and their elected representatives.

This community newspaper provides the most complete local coverage of social, sports, educational and other news events in more detail than any other medium. We also try very hard to be the community's conscience.

ance. We give the students our trust, we supervise their budgeting of money and study-- we try to help them help themselves."

For the current school year, there are more than 138 students actually participating in the OPI program, dispersed in 26 institutions. Though the plan was initiated by Morris at

West Texas State University in 1953, its use is by no means limited to WTSU.

Moneys from the multi-thousand dollar operation are received totally through contributions from individuals, organizations and memorials. Though there is a general OPI fund, there are also 66 divisions, which include community funds, memorial funds, and those established by private contributors. Morris expresses hopes to have community divisions established in every town in the area within two years.

One of the primary functions of the public relations innovation will be the publication of a periodical newspaper, newsletter, or magazine, explaining the operations of OPI, its activities, personnel and contributors, public appearances, schools and towns included, progress of divisions, and, foremost, profiles and human interest stories concerning students who have or are attending schools on the Opportunity Plan.

Karleene "Korkye" Martin has been named to direct the public relations activities. In addition to printed publications, she will assist Morris in meeting with community groups, schools, and in presenting the OPI story through multi-media. Mrs. Martin obtained a B.A. degree in journalism from Oklahoma Baptist University, Shawnee, Okla., and has participated with her husband, Troy, in publication of two newspapers, The Olton Enterprise and the bi-weekly Canyon News. She recently completed graduate work for a master of arts degree in speech at West Texas State University. She is the mother of four children.

"It is not the job of the press in a free society to say sweet things about people who wield power in government."
—Senator Alan Cranston

"All I know is what I read in the papers." Will Rogers said it. The great humorist penned a bit of wisdom with exaggeration. Everything you know may not come from newspapers, but it's a good place to start. It's the full information medium.

Are You The One?

Thousands of Texans have received letters or legal-appearing documents recently stating that the sender has in his possession a copy of a will on an estate under probate. Usually these originate from an out of state source.

Of course the deceased has the same last name as the recipient. While there is usually some disclaimer such as "we are not attempting to state that the provision set forth in said will have a reflection to you", just the opposite is clearly implied by the correspondence.

Typically the amount of the estate is not set forth but the impression is given that it is large. All of this conjures up a vision of inheriting a large sum of money from some unknown rich relative.

Not long ago thousands of families throughout the nation named Kelly received offers to provide information which

could assist them in establishing a claim to an estate of more than \$50,000 left by a Mary Kelly.

An investigation disclosed that every Kelly listed in certain telephone books received the same offer. And while the cost for the information was only \$10, it still was a long shot bet that any of the Kellys contacted would be entitled to any money.

Just as in the Kelly case, operators of schemes such as this normally sell information to literally thousands of families, usually selected at random, with no thought or intention that they may in fact be in line to inherit anything of value.

The cost of these worthless papers normally range from about \$6 to \$12. For this reason many unknowing people are willing to take a chance and are reluctant to complain when they find they have been cheated.

- Q. A story we sent in about our church bazaar did not get in the paper. Why?
- A. The Editor has the problem of deciding the priority of news items. Whether an item does or does not get in a particular issue depends on the space available.
- Q. Why do you clutter up your newspaper with advertising?
- A. Without advertising, you would pay many times the price you now pay for a copy. Almost from the beginning of newspapers, advertising has helped pay the cost of production and distribution. No newspaper has ever stayed in business for very long without advertising. Advertising is also important to our free enterprise economy.

It's HOMECOMING!

"Credit is easier to find than quicksand, although either one will swallow you up."—Clarin D. Ashby, the Utah Basin (Utah) Standard.

Plains Cotton Acreage Estimate Show 2,602,000 Acres

The July 1 estimate of standing cotton acreage on the High Plains, made by Plains Cotton Cotton Growers, Inc. and the Lubbock Cotton Exchange, shows 2,602,000 acres of cotton in the 25 PCG counties surrounding Lubbock. This compares with 2,499,700 planted acres and 2,324,400 harvested acres in 1971.

While the estimate is called the "July 1 estimate," according to Joe D. Unfred of New Home, chairman of the PCG Estimates Committee, calculations were not made until July 5, and acreage lost to hail prior to that time was taken into consideration.

Jimmy Cochran of Lubbock is chairman of the LCE committee, and the two groups in effect function as one. Information for the joint committee's reports is drawn from Extension Service personnel, officials of the Agricultural Stabilization and Conservation Service, ginners, farmers and other sources. Acreage and production estimates will be issued following the first of each month, August through December.

Discussion in the committee meeting July 5 indicated that from 100,000 to 150,000 acres of cotton was planted on the Plains and lost to adverse weather too late for replanting. This would place total planted acres in the 25 counties at around 2.7 or 2.75 million acres, up eight to ten percent over 1971 plantings.

Normal "abandonment" of cotton from planting to harvest on the Plains runs about 7 percent on the average, and this level of abandonment in 1972 would leave around 2,530,000 acres for harvest. Abandonment in 1971 would leave figured 7.1 percent.

Acres allotted to farmers in the High Plains area for payment purposes under the Federal cotton program in 1972 totaled only 1,685,535. Thus the current estimate indicates farmers this year overplanted allotments by about 1,040,000 acres, or 62 percent. Estimated standing acres are 154 percent of 1972 allotments.

Looking ahead to the harvest, almost anything can happen, with the final outturn largely dependent on weather. Generally speaking, crop conditions over the area are now described as "good" to "excellent." But there are weak spots. Hockley County in particular has been plagued by hail, wind and excessive rains this Spring, and a big percentage of the crop there will be late. Martin, Howard, Midland and parts of other "dryland counties" failed to get planting moisture early in the season and most of the cotton there was planted after June 5. Over all, it is estimated that about 28 percent of the Plains crop is June 5 or later cotton.

Still, moisture conditions are the best seen in years, and a bumper crop, areawide, is a definite possibility.

An areawide yield equal to the 433 pounds per acre averaged from 1962 through 1971, assuming 2,530,000 acres harvested, would bring in 2,283,000 bales, and production somewhere in this range from 2

to 2.3 million bales is probably the most likely.

On the extremes, a per-acre yield of only 264 pounds as was recorded in 1971 would turn out less than 1.4 million bales. But should the area equal the 513 pounds per acre achieved in 1965, baleage would zoom over 2,700,000, topping the all-time record of 2,433,900 bales gathered in 1961.

The following chart shows, by county, harvested acres for 1971, 1972 allotted acres and the joint PCG-LCE estimate of standing acres this year.

Bailey - harvested acres, 1971, 57,100, allotted acres, 1972, 69,453, estimated standing acres July 1, 1972, 60,000;
 Castro - harvested acres, 1971, 44,000, allotted acres 1972, 37,755, estimated standing acres July 1, 1972, 35,000;
 Lamb - harvested acres, 1971, 165,000, allotted acres, 1972, 133,999, estimated standing acres July 1, 1972, 170,000.

Consumers Want to Know

by MARGARET SPADER
 Director of Consumer Affairs
 National Association of Manufacturers

What type of vacuum cleaner do you prefer, the tank type or an upright?

Actually, the choice depends on the type of furnishings in a home. If you have many square feet of carpeting and no hard surface floor, the upright, which combines agitation and suction to remove dirt should be considered. But, if you have bare

floors, plus a lot of dusting as well as carpets, the tank type with tool attachments might be the best choice. There is a combination model that features a powered nozzle similar to the upright, that also has an assortment of the above-the-floor attachments. It's a good idea to look at all three types and evaluate the features offered in view of the cleaning you have to do.

What's the best way to judge suction of a vacuum cleaner? The best material for testing a cleaner's efficiency is a granular material like sand

or salt. After the cleaner run over it, check below the rug pile to see if it has picked up, not pushed. Picking up thread, powder, or a heavy object is not a meaningful test of cleaner.

"How you spend your money is far more important than how you spend your money," says Los Angeles management consultant David Norris. "Money mistakes can be corrected but time is forever."

SUNNYSIDE NEWS

By TEENY BOWDEN

Phelan received word Sunday morning that his wife, Clarence (Booger) Weatherford passed away. They left immediately for Weatherford where the funeral was held Monday. Porter Smith was addressing the Plains Memorial hospital Tuesday night. Dimmitt Tuesday night was dismissed Thursday. Porter came to keep the child help out with the children. Sadler was out of school this week with the strap. Baby Wolf of Santa Fe Monday through Tuesday with her niece, Mr. E.R. Sadler. King of Mountain, N. M., Monday with Mrs. King. She went home for the week and to her grandson, Marshall, to play football in the last of the season. He is a member of the Santa Fe High School football team. Mrs. L.B. Bowden and Mrs. L.D. Winders of Earth and Eleanor in High Plains Baptist Church in Amarillo with Ben and his daughter, M. Todd Steen. Mrs. R.E. Duke and Mrs. L.D. Winders of Earth and a church sponsored a watermelon feast at Olton Tuesday night. Mrs. Earl Phelan of Olton and Mrs. M. Don Phelan and son, Don Coppers Cove visited Saturday with Mr. and Mrs. L. Duke. Larry Don is staying at Fort Hood and will be returning to Germany for a three month tour of duty. Thomas Parson, Mrs. E. Sadler, Mrs. Roy Phelan, Mrs. J. LeFevre, Mrs. L. E. Sadler, Mrs. Charlie Jones, Mrs. David Blair, and Mrs. Cox attended the Llanos Annual meeting in Olton Thursday. Mrs. Phelan and Mrs. Jones, Mrs. Sadler, Mrs. Cox helped the women from Frisco and put on a skit as part of the program. E.R. Sadler, Mrs. Roy Phelan and Mrs. L.B. Bowden in Littlefield Thursday for the WMU meeting in the Nursing Home with Mrs. Fowkes, aunt of Mrs. Phelan. Mrs. J. Paul Waggoner returned home from Ker Wednesday. Mrs. Bob Sadler to their house Thursday and will spend several days with

Mrs. Bob Ball and Mr. and Mrs. Garner Ball and family. Mrs. Beulah Measles and Mrs. Joyce Duke of Tulsa visited Tuesday with Mrs. Bob Ball and the Garner Balls, Mr. and Mrs. Rob Caviness of Olton visited with them Wednesday. Mrs. Ball and Mrs. Caviness are sisters. Mrs. James Parks of Dimmitt visited with her sister, Mrs. Lloyd Blanton Wednesday. Mrs. Robert Duke received word Friday morning after she had gone to school that her father had passed away in his sleep early Friday morning. Bob came in from Tech and the family left for Duncanville where her parents, Mr. and Mrs. W. C. Thrall made their home. They were to have celebrated their 50th wedding anniversary in December. Mr. and Mrs. Hershel Wilson, Mr. and Mrs. David Blair, and Mr. and Mrs. Bill Morgan sponsored a group of young people going to Plainview Wednesday night to hear Bob Herrington at the First Baptist Church. Those going were Debra and Randy Ball, Resa Carson, Steve Morgan, Danae and Debbie Wilson, Renee Jones and Lonnie Wilson, Mr. and Mrs. Weldon Bradley and Mr. and Mrs. R.J. LeFevre went to a later service Wednesday night. Mrs. Blair and Debra Ball also attended Tuesday night. Mr. and Mrs. Ellis Carter of Hereford visited Saturday afternoon with Mr. and Mrs. R.E. Duke. Mrs. L.D. Winders and Mr. and Mrs. Cliff Layman had supper with them Sunday night. Mr. and Mrs. Hershel Wilson and family visited in Ropesville Saturday with his parents, Mr. and Mrs. L.E. Wilson in their new home. A large crowd attended community meeting Friday night. It was decided to have a Thanksgiving dinner at the community building on Thanksgiving night at 6:00 for everyone in the community. Each family is to bring some trimmings to go

with the turkey and dressing which will be furnished. Mrs. Lloyd Blanton hosted her family over the week-end and they quitted a quilt Saturday for their oldest brother. Four other sisters spent Friday night. Claudia Porter of Floydada, Gladys Gilstrap of Ball, Jewel Taylor of Lubbock and Merle McFarland of Brownfield, Mr. and Mrs. James Parks and family of Dimmitt, Mrs. Arthur Moorman and Mrs. G.W. Mathis, Gill, Leigh and Carl of Clovis and Mrs. Dalton Mimms, and Karen of Lazbuddie joined them Saturday. Mrs. Gilstrap stayed through Sunday. Mr. and Mrs. David Blair and boys spent Saturday night and Sunday with his mother, Edith Blair of Farwell. Martin and Brenda LeFevre were home from Tech for the week-end. Mr. and Mrs. Lewis Ball of Hart Camp visited Saturday night with Mrs. Bob Ball and Mr. and Mrs. J. Paul Waggoner, Mr. and Mrs. Leroy Poyers and family of Hale Center and Mr. and Mrs. Ernest Venable of Olton visited with them Sunday. Mrs. David Sadler and girls of Lubbock spent the week-end with Mr. and Mrs. Ezell Sadler and her parents in Hereford. Mr. Sadler joined her Sunday and they spent the day Monday also. Mr. and Mrs. James Powell and children spent the day Sunday and Mrs. Larry Sadler and girls visited with them Sunday afternoon. Mrs. Ray Joe Riley, president of the Lamb-Bailey Bi-County PTA Council, presided at the council meeting in Amherst Tuesday. The Springlake-Earth PTA will sponsor a TB skin test at the community building in Earth October 18th from 4 until 8 p.m. Mrs. John Gilbreath worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Friday morning and Mrs. Winston Waggoner took the orientation for new auxiliary members, Mrs. L.B. Bowden working on books for the library

Ask us another about newspapers

• This is Newspaper Week and a good time to inaugurate this feature to answer any questions you may have about this newspaper or newspapers in general. Address your question to the Editor.

Q. How does one get a news item in the paper?
A. It must be newsworthy and of interest to a large segment of a newspaper's readers. Competition for news space is intense and there is no guarantee that a write-up will be used. Follow style of this newspaper.

Q. How can a damaging news story be kept out of the paper?
A. Don't try it! Nothing disturbs an editor more than a request to suppress news which he feels the public has a right to know.

Monday afternoon. Mrs. Punk Gilbreath and Mrs. John Gilbreath attended the hospital auxiliary workshop in Dimmitt Wednesday. Coby and Matt Gilbreath attended the Flagg 4-H Club awards program and covered dish dinner Friday night. Coby received an award in leadership and an award in sheep production. Matt received an award in sheep production. Coby will serve this year as vice-president. Matt as council delegate, Robert Duke will be an adult leader for the club. Mr. and Mrs. John Gilbreath and boys attended the zone punt, pass, and kick contest in Amarillo Saturday. Matt participated in the event. The First Baptist Church of Shamrock is honoring their

pastor, Rev. and Mrs. Murlie Rogers with a Silver Anniversary Tea Sunday afternoon, October 15th from 3 until 5 p.m. in the basement of the church. They have sent an invitation to all their friends to attend if possible.

- Q. A story we sent in about our church bazaar did not get in the paper. Why?
- A. The Editor has the problem of deciding the priority of news items. Whether an item does or does not get in a particular issue depends on the space available.
- Q. Why do you clutter up your newspaper with advertising?
- A. Without advertising, you would pay many times the price you now pay for a copy. Almost from the beginning of newspapers, advertising has helped pay the cost of production and distribution. No newspaper has ever stayed in business for very long without advertising. Advertising is also important to our free enterprise economy.

Plains Cotton Acreage Estimate Show 2,602,000 Acres

The July 1 estimate of standing cotton acreage on the High Plains, made by Plains Cotton Cotton Growers, Inc. and the Lubbock Cotton Exchange, shows 2,602,000 acres of cotton in the 25 PCG counties surrounding Lubbock. This compares with 2,499,700 planted acres and 2,324,400 harvested acres in 1971.

While the estimate is called the "July 1 estimate," according to Joe D. Unfred of New Home, chairman of the PCG Estimates Committee, calculations were not made until July 5, and acreage lost to hail prior to that time was taken into consideration.

Jimmy Cochran of Lubbock is chairman of the LCE committee, and the two groups in effect function as one. Information for the joint committee's reports is drawn from Extension Service personnel, officials of the Agricultural Stabilization and Conservation Service, ginners, farmers and other sources. Acreage and production estimates will be issued following the first of each month, August through December.

Discussion in the committee meeting July 5 indicated that from 100,000 to 150,000 acres of cotton was planted on the Plains and lost to adverse weather too late for replanting. This would place total planted acres in the 25 counties at around 2.7 or 2.75 million acres, up eight to ten percent over 1971 plantings.

Normal "abandonment" of cotton from planting to harvest on the Plains runs about 7 percent on the average, and this level of abandonment in 1972 would leave around 2,530,000 acres for harvest. Abandonment in 1971 would leave figured 7.1 percent.

Acres allotted to farmers in the High Plains area for payment purposes under the Federal cotton program in 1972 totaled only 1,685,533. Thus the current estimate indicates farmers this year overplanted allotments by about 1,040,000 acres, or 62 percent. Estimated standing acres are 154 percent of 1972 allotments.

Looking ahead to the harvest, almost anything can happen, with the final outturn largely dependent on weather. Generally speaking, crop conditions over the area are now described as "good" to "excellent." But there are weak spots, Hockley County in particular has been plagued by hail, wind and excessive rains this Spring, and a big percentage of the crop there will be late. Martin, Howard, Midland and parts of other "dryland counties" failed to get planting moisture early in the season and most of the cotton there was planted after June 5. Over all, it is estimated that about 28 percent of the Plains crop is June 5 or later cotton.

Still, moisture conditions are the best seen in years, and a bumper crop, area-wide, is a definite possibility.

An areawide yield equal to the 433 pounds per acre averaged from 1962 through 1971, assuming 2,530,000 acres harvested, would bring in 2,383,000 bales, and production somewhere in this range from 2

to 2.3 million bales is probably the most likely.

On the extremes, a per-acre yield of only 264 pounds as was recorded in 1971 would turn out less than 1.4 million bales. But should the area equal the 513 pounds per acre achieved in 1965, baleage would zoom over 2,700,000, topping the all-time record of 2,433,900 bales gathered in 1961.

The following chart shows, by county, harvested acres for 1971, 1972 allotted acres and the joint PCG-LCE estimate of standing acres this year.

Bailey - harvested acres, 1971, 57,100, allotted acres, 1972, 69,453, estimated standing acres July 1, 1972, 60,000;
Castro - harvested acres, 1971, 44,000, allotted acres 1972, 37,755, estimated standing acres July 1, 1972, 35,000;
Lamb - harvested acres, 1971, 165,000, allotted acres, 1972, 133,999, estimated standing acres July 1, 1972, 170,000.

Consumers Want to Know
 by MARGARET SPADER
 Director of Consumer Affairs
 National Association of Manufacturers

What type of vacuum cleaner do you prefer, the tank type or an upright?

Actually, the choice depends on the type of furnishings in a home. If you have many square feet of carpeting and no hard surface floor, the upright, which combines agitation and suction to remove dirt should be considered. But, if you have bare

floors, plus a lot of dusting as well as carpets, the tank type with tool attachments might be the best choice. There is a combination model that features a powered nozzle similar to the upright, that also has an assortment of the above-the-floor attachments. It's a good idea to look at all three types and evaluate the features offered in view of the cleaning you have to do.

What's the best way to judge suction of a vacuum cleaner? The best material for testing a cleaner's efficiency is a granular material like sand

or salt. After the cleaner is run over it, check below the pile to see if it has picked up, not pushed down. Picking up thread, powder, or a heavy object is not a meaningful test of cleaner.

"How you spend your money is far more important than how you spend your money," says Los Angeles management consultant David Norris. "Money mistakes can be corrected but time is forever."

SUNNYSIDE NEWS

By TEENY BOWDEN

Ask us another about newspapers

• This is Newspaper Week and a good time to inaugurate this feature to answer any questions you may have about this newspaper or newspapers in general. Address your question to the Editor.

Q. How does one get a news item in the paper?

A. It must be newsworthy and of interest to a large segment of a newspaper's readers. Competition for news space is intense and there is no guarantee that a write-up will be used. Follow style of this newspaper.

Q. How can a damaging news story be kept out of the paper?

A. Don't try it! Nothing disturbs an editor more than a request to suppress news which he feels the public has a right to know.

Phelan received word Saturday morning that his daughter, Clarence (Booger) Weatherford passed away Friday night of a heart attack. They left immediately for Weatherford where the funeral was held Monday. Porter Smith was addresser at the Plains Memorial home Tuesday night. Dimmitt Tuesday night was dismissed Thursday. Porter came to keep the school help out with the children. Sadler was out of school this week with the strep.

Baby Wolf of Santa Fe Monday through Tuesday with her niece, Mr. E.R. Sadler. King of Monument, N. M., visited Monday with Mrs. King. She went home for the week and to her grandson, Marshall play football in the last of the season. He is a

and Mrs. L.B. Bowden Canyon Tuesday with Louder and Eleanor in High Plains Baptist in Amarillo with Ben and his daughter, Mr. Todd Steen. and Mrs. R.E. Duke and L.D. Winders of Earth had a church sponsored and watermelon feast park at Olton Tuesday.

and Mrs. Earl Phelan of and M. and Mrs. Don Phelan and son, Coppers Cove visited with M. and Mrs. Phelan. Larry Don is stationed at Fort Hood and will be to Germany for a three year tour of duty.

Thomas Parson, Mrs. E. Sadler, Mrs. Roy Phelan, J. Lefevere, Mrs. L. Phelan, Mrs. Charlie Jones, David Blair, and Mrs. Cox attended the Llanos W.M.U. Annual meeting in Olton Thursday. Mrs. led the Mission Friends since as associational. Mrs. Jones, Mrs. and Mrs. Cox helped the women from Frisco and put on a skit as part of income.

E.R. Sadler, Mrs. Roy and Mrs. L.B. Bowden in Littlefield Thursday the W.M.U. meeting in the Nursing Home with Fowlkes, aunt of Mrs.

and Mrs. J. Paul Waggoner returned home from Ker Wednesday. Mrs. Bob went to their house Thursday several days with

Mrs. Bob Ball and Mr. and Mrs. Garner Ball and family. Mrs. Beulah Measles and Mrs. Joyce Duke of Tula visited Tuesday with Mrs. Bob Ball and the Garner Balls. Mr. and Mrs. Rob Caviness of Olton visited with them Wednesday. Mrs. Ball and Mrs. Caviness are sisters.

Mrs. James Parks of Dimmitt visited with her sister, Mrs. Lloyd Blanton Wednesday. Mrs. Robert Duke received word Friday morning after she had gone to school that her father had passed away in his sleep early Friday morning. Bob came in from Tech and the family left for Duncanville where her parents, Mr. and Mrs. W. C. Thraill III made their home. They were to have celebrated their 50th wedding anniversary in December.

Mr. and Mrs. Hershel Wilson, Mr. and Mrs. David Blair, and Mr. and Mrs. Bill Morgan sponsored a group of young people going to Plainview Wednesday night to hear Bob Herrington at the First Baptist Church. Those going were Debra and Randy Ball, Resa Carson, Steve Morgan, Danae and Debbie Wilson, Renee Jones and Lonnie Wilson, M. and Mrs. Weldon Bradley and M. and Mrs. R.J. Lefevere went to a later service Wednesday night. Mrs. Blair and Debra Ball also attended Tuesday night.

Mr. and Mrs. Ellis Carter of Hereford visited Saturday afternoon with Mr. and Mrs. R.E. Duke, Mrs. L.D. Winders and Mr. and Mrs. Cliff Layman had supper with them Sunday night. M. and Mrs. Hershel Wilson and family visited in Ropesville Saturday with their parents, M. and Mrs. L.E. Wilson in their new home.

A large crowd attended community meeting Friday night. It was decided to have a Thanksgiving dinner at the community building on Thanksgiving night at 6:00 for everyone in the community. Each family is to bring some trimmings to go

with the turkey and dressing which will be furnished.

Mrs. Lloyd Blanton hosted her family over the week-end and they quilted a quilt Saturday for their oldest brother. Four of her sisters spent Friday night, Claudia Porter of Floydada, Gladys Gillstrap of Ball, Jewel Taylor of Lubbock and Merle M. Farland of Brownfield, M. and Mrs. James Parks and family of Dimmitt, Mrs. Arthur Moorman and Mrs. G.W. Mitms, Gill, Leigh and Carl of Clovis and Mrs. Dalton Minims, and Karen of Lazbuddie joined them Saturday. Mrs. Gillstrap stayed through Sunday.

M. and Mrs. David Blair and boys spent Saturday night and Sunday with his mother, Edith Blair of Farwell.

Martin and Brenda Lefevere were home from Tech for the week-end.

M. and Mrs. Lewis Ball of Hart Camp visited Saturday night with Mrs. Bob Ball and Mr. and Mrs. J. Paul Waggoner, Mr. and Mrs. Leroy Powers and family of Hale Center and Mr. and Mrs. Ernest Venable of Olton visited with them Sunday.

Mrs. David Sadler and girls of Lubbock spent the week-end with M. and Mrs. Ezell Sadler and her parents in Hereford. Mr. Sadler joined her Sunday and they spent the day Monday also. Mr. and Mrs. James Powell and children spent the day Sunday and Mrs. Larry Sadler and girls visited with them Sunday afternoon.

Mrs. Ray Joe Riley, president of the Lamb-Bailey Bi-County PTA Council, presided at the council meeting in Amherst Tuesday. The Springlake-Earth PTA will sponsor a TB skin test at the community building in Earth October 18th from 4 until 8 p.m.

Services Held For Daniel Padilla

Funeral services for Daniel Padilla, 60, a resident of Earth since 1949 were held Wednesday, October 11, at 2 p.m. in the St. Mary Magdalene Catholic Church of Earth.

Father Robert O'Leary, priest of the Immaculate Conception Catholic Church in Muleshoe officiated. Burial was in the Earth Cemetery by Lemons Funeral Home of Plainview. Mr. Padilla died at 10:15 a.m.

Monday at Central Plains Hospital in Plainview. He was foreman of the Green Thumb Project, a work project for retired persons in the Earth area.

Survivors include his wife, Leontina; four daughters, Miss Rita Padilla and Mrs. Adam Zamora both of Earth, and Mrs. Betty Rayes and Mrs. Frances Ades both of Dimmitt; nine sons, Nestor of Amarillo,

Carlos of Watsonville, Calif., Todicia and Daniel Jr., both of Friona, Raymond of Dimmitt, and Lorenzo, Salvador, Sebastian and Juan all of Earth; one brother, Fillmon of West Jordan, Utah; one sister, Miss Lucinada Padilla of Ribera, N. M.; and 15 grandchildren.

It takes 50,000 pounds of engineering drawings to build a jet airliner.

More than 88,300 Texans have Glaucoma, an insidious eye condition which causes certain blindness unless detected in time and treatment started. But half of these individuals do not realize they have Glaucoma! The Texas Society for the Prevention of Blindness sponsors free Glaucoma screening programs aimed at detecting unknown Glaucomas.

Amblyopia, or "lazy eye blindness" is a condition which can produce one-eyed blindness in very young children. If discovered early enough, it can be corrected and vision restored. To detect amblyopia and other children's eye conditions, the Texas Society for the Prevention of Blindness sponsors screening programs for preschool children throughout Texas.

Diabetic Retinopathy is A Leading Cause of Blindness

Diabetic retinopathy, the eye blood vessel disease associated with diabetes, is predicted to overtake cataract and glaucoma in the coming decade as the leading cause of blindness in the nation. In response to this forecast, the National Society for the Prevention of Blindness and its state affiliates are mounting an intensive educational campaign to increase public awareness of the problem and the measures being developed to combat it.

With the increase in the diabetic's life expectancy, made possible by the discovery of insulin half a century ago, has also come the increase in his chances of developing retinopathy, a disease classified into progressive stages of which the last is blindness. According to current estimates, 50% of diabetics who have had diabetes for 20 years will contract retinopathy, as will 95% of those who have lived with diabetes for 30 years.

There is no cure for diabetic retinopathy, although therapies exist and are being refined by researchers in both government and the private sector. Current treatment centers on photocoagulation, in which an intense beam of light is used to "spot weld" the blood vessels of the eye to keep them from hemorrhaging; and suppression of the pituitary, the body's "master gland." And work is presently going on to improve

diagnostic methods relating to the disease.

The Society's efforts are geared to alerting diabetics and their families to the danger to vision which accompanies diabetes and disseminating information about research into treatment of diabetic retinopathy. As it is estimated that nearly one person in 20 is either an actual or potential diabetic, and that one-fifth of the population are "carriers" having a 50% chance of passing diabetes on to their children even though they themselves do not become diabetic, the number of people to be reached is truly vast. It is clear that diabetic retinopathy is fast becoming a major health problem, and the consensus among leaders in the fields of ophthalmology and diabetology is that the earlier the diabetic patient seeks ophthalmic consultation when any indication of an eye problem exists, the better.

Founded in 1908, the Society is the oldest voluntary health agency nationally engaged in the prevention of blindness through a comprehensive program of community services, public and professional education and research.
