OUT GOOD! Firemen did an outstanding job of putting the Aztec Cafe fire OUT GOOD. The partial sign in the upper left hand corner was accidentally photographed as it lay beside one of the five fires in the vacant building. Arson is suspected.

Aztec Cafe Is Scene Of Fire

At 2:00 a. m. Sunday morning firemen were called to put out a blaze that had flared up on the east wall of the Aztec Cafe located between the Justice of the Peace office and the City Barber Shop.

David Robels, a Latin American youth, reported the fire and alerted the firemen by blowing the siren.

Upon reaching the scene, firemen extinguished the blaze quickly and began their investigation.

It was revealed that in five areas of the building piles of paper and wood were found smoldering but only one was blazing.

Two of the fires had been set behind the counter in the center of the building while one was started along the west wall. However, one of the two fires that had been started along the east wall of the building actually caused most of the damage to the building.

Off the five fires only one became a real threat, but it was caught in an early stage by firemen. Only minor damage was caused by the five small fires.

It was reported that footprints leading to and from the back entrance were discovered in the alley by police officials. Photographs of the prints were taken for the investigation records.

The building is owned by Amos Flores of Fort La Vaca in South Texas.

City Marshall Alvin Pittman was quoted as saying, "Any person found in a suspicious place after hours will be taken into custody. This action has been taken to prevent any other suspected acts of arson."

15 Days Left In Contest

With fifteen days left in the gigantic Earth News-Sun subscription campaign, boys and girls continue to file in one by one and in groups to sign up for the campaign contest.

One little lady has already won a bicycle, but instead of stopping, she has set out to win another bicycle for her sister.

Each Friday between 1:00 and 4:00 p. m., boys and girls rush to the News office to turn in their points for they realize that each point brings them closer to their goal.

In two weeks, anyone can sell at least twenty-five points worth of subscriptions. Miss Becky Humphrey proved that it can be done, for she did exactly that. She sold enough subscriptions for a new bike in only six days.

Of course, she really applied herself to obtaining her goal, but to see her smile now, one can tell that her work was all worthwhile.

A bicycle, TV, or gift certificate would make a wonderful gift for some loved one if only an adult or youngster would spare some of their time to win a prize that would brighten that person's life.

Fifteen days are left... will you be our next winner?

City Secretary Begins Duties

Mrs. Flora Maserang, who was hired as the new city secretary on July 22, will begin her official duties tomorrow.

Mrs. Maserang is filling the vacancy left by the resignation of Betty McAlpine.

Mrs. Maserang previously worked for Plains Gas Inc. in Lubbock prior to moving to Earth on June 20, with her family.

She reports that her duties with the gas company were much the same as her new duties as City Secretary.

Mrs. Maserang is the mother of two children, Renee, 6, and Deuel, 5. Mr. Maserang is employed with Southwestern Public Service at Plant X.

Jennifer Angeley Attends Seminar

Miss Jennifer Angeley, daughter of Mr. and Mrs. Jack Angeley, was one of the three Lamb County high school students who was selected by the Littlefield Farm Bureau to attend the annual Farm Bureau High School Citizenship Seminar in Waco at Baylor University on Tuesday, July 30 through Saturday, August 2.

The three Lamb County representatives joined students from other surrounding high schools in Lubbock where they left at 8:30 a. m. by chartered bus.

During the five day seminar the 450 high school students attending were introduced to such outstanding lecturers as Dr. John Noble, Chilton Gaves, and Dr. C. L. Kay. Panel discussions were another means of teaching devices that were used.

Films dramatizing the American structure of life and patriotism were used to instill the pride of being an American in each maturing mind.

Thursday and Friday nights were set aside as special recreation nights. During the two nights, the young people divided into two groups and provided talent for entertainment.

The young people returned home on Saturday, August 3, after having a very inspiring week.

JENNIFER ANGELEY

School's Federal Funds Cut

School Superintendent, Bill Mann, reports that federal education funds to all schools have been cut due to the general cut down in expenditures by the government ordered as a condition for passing the income tax surcharge.

A cut of 15 per cent in the Title I fund, 60 per cent in the Title II, and 60 per cent in the Title III educational funds was called for by the federal government.

Title I funds are monies granted by the federal government to local school districts under the Elementary and Secondary Education Act of 1961.

The fund was primarily set up for the purpose of aiding in special remedial education for those needing it.

The aim of the program is to aid and supplement efforts already being carried out on the local level, and are not strictly limited to correction of academic deficiencies.

The Title I program was begun in the Springlake-Earth School System in 1964. Bill Mann reported that the 1968-69 Title I appropriation will be \$22,513.10 compared to last year's \$26,486.00.

Mr. Mann said that schools should be prepared to have a 15% cut each year.

The Title I program was devised to aid the culturally deprived children who come from homes with incomes under \$2,000 per year.

Mr. Mann continued to say that the amount of federal appropriations granted to individual school districts depends on the number of underprivileged families living in that district according to the 1960 federal census.

The Title II program was designated for buying library books. In the 1968-69 appropriation, library funds were cut 60% from \$2,300 to \$920.

Mr. Mann reports that the only alternatives would be to buy fewer books or to use more of the taxpayers' money.

Clayton Selects Hereford As Site For Water Hearing

Frank Ford, Republican candidate for State Representative who is opposing Representative Bill Clayton in the 72nd Legislative District, today expressed his pleasure that Representative Clayton has chosen Hereford as the host city for his water hearing for the entire West Texas Area.

"It is an honor for our community to be chosen for this meeting," Ford said. "And I shall be at the Hereford Bull Barn to personally welcome Mr. Clayton to Hereford upon his arrival."

Although I intend to open a clean, hard-hitting campaign on the issues very soon," continued Ford, "there will be a complete moratorium on politicking, so far as I am concerned, on October 5, the day of the meeting. Obtaining adequate water for the future growth of our area is far too

important for it to become embroiled in partisan politics, and Mr. Clayton and I will work together on this, regardless of which of us is called upon to represent the people of this district in the next Legislature."

"Following the completion of this hearing, perhaps Mr. Clayton will be able to take a few days with me for a series of radio debates, open to all questions from the people, in each county of the district," Ford concluded, "as healthy competition is key to good government, and the people of this district have expressed their desire to have a choice in this race."

The 72nd District includes Cochran, Lamb, Bailey, Castro, Farmer and Deaf Smith Counties.

Lamb County Pioneers Hold 2nd Planning Meeting

A second planning meeting for the Pioneer meeting to be held on August 27, at the Community Center in Littlefield, was in session at the Reddy Room of Southwestern Public Service on Monday evening, August 12. In the absence of Marshall Kelley, president, the vice president, Ray Smith of Spade, presided at the meeting.

Registration for the Pioneer Day will begin at 10:30 a. m. with a basket dinner being served at 12:00. Following lunch, a business session will be held then a program will begin at approximately 2:30 p. m.

If you have lived in Lamb County thirty years, you are eligible to be a member of the group and, of course, visitors are very welcome.

Those attending the planning meeting from this area were Mr. Bonnie Habener and Mr. and Mrs. Jack Hinson.

Mr. and Mrs. J. L. Hinson spent the week end in Amarillo visiting relatives.

Monty Watson In Accident

Monty Watson, 12, son of Mr. and Mrs. Harlon G. Watson, is suffering from a concussion following a motor scooter accident at 4:30 p. m. on Monday, August 5, 4 1/2 miles north and 1 1/2 miles east of Springlake.

Monty was riding with three friends, Randy Stephens, Scott Scheller and Sammy Parish, when his scooter hit a rough place in the dirt road and overturned, knocking the young man unconscious.

Monty's friends aided him as well as they knew how. Sammy Parish, 12, went to call his mother, while Randy Stephens, 13, went to the T. V. Dyer home for help. Scott Scheller, 12, remained behind to make Monty as comfortable as possible by bathing his face with water from a nearby ditch.

Randy reports that within minutes a man traveling along the road stopped to help the boys, then T. V. Dyer arrived at the scene and took Monty to his home.

Monty was then rushed to the Littlefield Hospital and Clinic where he still remains under care. He is reported to be doing much better.

Mr. and Mrs. J. A. Littleton Jr. and family, Mr. and Mrs. C. C. Goodwin and family, Mr. and Mrs. Skeeter Brock spent the week end in Ruidoso, from Ruidoso, the Brocks traveled on to Arizona. They will return this week.

School Board Approves 7 Teachers

The School Board met in a regular meeting at 8:00 p. m. Monday evening in the high school library. Board members present were Orville Cleavinger, Weldon Barton, John Bridges, Jerry Kelley, Gene Templeton and P. A. Washington.

Approving the bills and the minutes was the first order of business.

The main item on the agenda was the approval of seven new teachers. They were Jerry Starkes, band director; Francis Davenport, home economics; Judy Moore, special reading; Dale Bramlett, elementary; Mike Parcell, assistant football coach and world history; Jerry Beard, high school science; and Georgia Bahman, elementary.

The board spent some of its meeting time discussing delinquent taxes and the steps in collecting them.

Alvin Pittman, City Marshall was employed as the truant officer for the Springlake-Earth Independent School District. The board directed the truant officer to file charges on those who were habitually absent without cause. It was pointed out by the Board that it was not only important that it was not only important that regular attendance be observed, but also to the taxpayer, in that average daily attendance determines the amount of state aid the district receives.

As the last order of business the School Board set Thursday, August 22, at 8:00 p. m. as the public hearing date for the school budget.

Monday, August 26; 8:30 a. m. First official day of school. In connection with registration, all juniors who are planning to graduate under Plan II should have the parents come to the high school principal's office before registration.

Also all 1968-69 first grade students of the Springlake-Earth School District are requested to have their enteropex vaccination before entering school. Also DPT, polio and measles inoculations are recommended. Records of these immunizations must be brought to school with the child on registration day.

Golf Course Meeting Held

Persons interested in seeing Earth obtain a golf course were present at a golf course planning meeting at 8:30 Tuesday night in the Citizens State Bank Annex, Harold Miller, who was appointed by the Chamber of Commerce to investigate the possibilities of the golf course, presided over the meeting.

Among the items discussed concerning the golf course was the prime location, cost of a nine-hole course and club house, and the probable income of the club.

A discussion concerning the aid of the Federal Housing Administration was discussed, but it was decided to delay further action on the matter until more details could be obtained. It

was pointed out that blueprints, building specifications and a club membership roll should be obtained before asking the FHA for aid.

Two committees were appointed to investigate the finer details of securing a club. Calvin Wood and Bob Belew were appointed to look into the complete contracting price of a nine-hole golf course and club house. Doug Parish was selected to investigate the most practical size, type and location of the golf course club house.

Harold Miller reported that as soon as the two committees completed their investigations there would be another planning meeting.

CORRECTION

A meeting of the Wolverine football squad was held on Wednesday, August 14, but practice will not start until Monday, August 19, instead of Thursday, August 15, as stated in last week's paper.

News-Sun Wins Advertising Award

The Earth News-Sun was proud to have representatives on hand at the West Texas Press Association Better Newspaper Contest to receive the third place award in Advertising Composition.

The press conference was held on Friday, August 9, through Saturday, August 10, in Abilene.

The Awards Breakfast at which Ross L. Middleton re-

ceived the third place award, was sponsored by the West Texas Chamber of Commerce. The breakfast was held at 8:00 a. m. Saturday morning, in the banquet room of the Windsor Hotel.

The Earth News-Sun will be able to add this award to the many other trophies and plaques they have won over the fifteen years that they have been of service to the City of Earth and the surrounding area.

Springlake - Earth Outsiders Continue To Win

In baseball action last week, the local Outsiders team defeated both Edmonson and the Plainview Astros.

Wednesday, August 7, found Harlyn Galloway and Steven Sanderson in the winning pitcher's circle with a 17-3 victory over the Plainview Astros. The game was played at 8:30 p. m. in Plainview.

Edmonson left the blow of the Springlake-Earth team for the first time Sunday afternoon at 3:00 p. m. when Doug Messer pitched the team to a 14-1 victory.

Monday night's action found the team whipping the Littlefield Spanish Outsiders 22-5 at 8:00 in Littlefield.

Harlyn Galloway was assisted at the pitcher's mound by Phil Middleton and Randy Washing-

ton. Harlyn pitched five innings with no runs made.

Floyd Henderson was named as the outstanding hitter of the Monday night game.

The Outsiders played the Plainview Astros last night at 8:00 p. m.

Their future games are with the Littlefield Outsiders at 8:00 Friday night and with Tulia at 2:00 Sunday afternoon.

The Springlake-Earth Outsiders are being sponsored by Sandy Sanderson of the Springlake Farm Chemical and Grain Company. Sandy has recently furnished the team with jerseys and caps.

The local team has maintained a fantastic record of 15 wins and one loss during this season's play.

Rev. Baldwin Holds Revival

Rev. M. B. Baldwin, pastor of the local Baptist Church, will be holding revival services in the Harmony Baptist Church near Paducah during the week of August 18-25.

As a young boy, Rev. Baldwin and his family attended church there and as a result, it was at

this church that he was licensed to preach.

Consequently, Rev. Baldwin's older deceased brother and nephew, Sidney West, were both ordained to preach at this church.

Mr. West is now serving as pastor of the church.

In activities highlighting the "Miss Grain Sorghum of the Nation" pageant, Miss Karyn Hughes, 18, daughter of Mr. and Mrs. Van E. Hughes of Dimmitt, was named the 1968 pageant winner.

Miss Hughes is a graduate of Lake Highland High School in Richardson, where she was sweetheart and a member of Who's Who Among American High School Students. She moved to Dimmitt only recently with her parents.

After being chosen the new "Miss Grain Sorghum of the Nation" from a field of 33 contestants, she was awarded a \$1,000 college scholarship to the college or university of her choice.

First runner up was Miss Debbie White, 18, daughter of Mr. and Mrs. Jeff Wiggins of Seagraves. Miss White was awarded a \$500 college scholarship. She was sponsored by the Seagraves Chamber of Commerce. Miss Geraldine Sayle, 19, daughter of Mr. and Mrs. G. W. Sayle of Claude, was second runner-up. Her sponsor was the Berger Jaycees. Her college scholarship amounted to \$250.

Miss Gayle Fry, sponsored by the McLean Jaycees won the Miss Congeniality title. Miss Fry, 18, is the daughter of Mr. and Mrs. C. E. Fry of McLean. She received a \$50 bond.

The ninth annual pageant was held at 7:30 p. m. on August 10, in the Dimmitt High School Auditorium with Lloyd Call of Eastern New Mexico University, acting as Master of Ceremonies.

Judges for the pageant were Miss Molly Grubb, 1967 Miss Texas; Dr. James Grandberry of Lubbock, formerly a "Five Outstanding Young Texans" winner; and Dr. T. Paige Caruth, dean of student life at West Texas State University.

The top ten finalists consisted of Karyn Hughes of Dimmitt, Debbie White of Seagraves, Geraldine Sayle of Amarillo, Susanne Brown of Claude, Darolyn Butler of Pauls Valley, Oklahoma, Colleen Coffman of Stratford, Becky Elliott of Friona, Carolyn Platt of Levelland, Tisha Griffin of Muleshoe and Linda Waite of Bovina.

The "Miss Grain Sorghum of the Nation" pageant is made possible through the efforts of the Miss Grain Sorghum Committee of the Castro County Chamber of Commerce. The committee is composed of Robert Benton, chairman, Gale Bruequel, Earl Brock, Mrs. Jackie McLeroy, Mrs. Walter Maynard, Bob Bryant, Mrs. Dorothy Magness and Mrs. Wynona Adams.

Mr. and Mrs. Garland Stovall and family of Norwalk, California, have spent five days with Mr. Stovall's mother, Mrs. R. L. Drake.

Guests of Mr. and Mrs. W. R. Fanning are their son and his family, Mr. and Mrs. T. B. Fanning of Enid, Oklahoma. They left today.

Student Council Workshop Memories

Ricky Byers, Jamie Washington, Marsha Dawson and Mr. Koeninger recently returned from a week full of activities at the Student Council Workshop held at Trinity University in San Antonio, August 4-9. Attending the workshop were 49 high schools with 245 stu-

and Solving Problems in Student Council. Much of the day was spent in the school groups preparing a skit or entertainment for an evening program. Every day each school was given a problem, known to student councils, which was to be acted out in some kind of skit. Any form of program such as these skits, talent nights, yells, school situations, etc., was done in a competitive manner.

Also there was intramural competition in pool, table tennis and volleyball. Everyone was ready for the break Wednesday afternoon and evening. Some slept, swam, shopped, but many took this opportunity to visit IlemisFair.

One of the big events of the week was the banquet Thursday evening. Each group was also completely responsible for planning and decorating a table, symbolizing their school. Besides having the skit that afternoon and preparing for the banquet, Thursday night was achievement night when dramatic skits were given. Some were very patriotic and thought-provoking, displaying our country's problems such as

the war in Vietnam. It was a relief to see Friday since no programs had to be thought up, but it was, of course, a sad time to leave all the friends made in those six days. There were many large schools represented with people of all types and talents. Although we were from one of the smallest schools, we still felt important in our individual groups. Besides giving ideas and helping our own school, Ricky was the vice-president of his school, and both Jamie and Marsha were the song leaders in their individual groups. When the total points were announced, Jamie's school received a white ribbon for third place, and Marsha's was given the blue one for first place. We were very tired after all the work and excitement, but left the week was truly beneficial and gave each of us a desire to strive in guiding our school through a most successful year.

Mr. and Mrs. J. B. Eagle and family were vacationing at Ruidoso and Sierra Blanca, New Mexico, last week.

Lamb County Producer Director To PCG To Be Elected August 23

John D. Smith of Littlefield and Paul Bennett of Amherst have announced that the Lamb County producer director to Plains Cotton Growers, Inc. will be elected at a meeting on Friday, August 23, 8 p. m. in the County Courthouse, Littlefield.

Bennett, who is the businessman director to the 23-county cotton producer organization, and Smith, the current producer director, have invited all cotton interests in the county to be on hand for what they term an "interesting, educational and very worthwhile program."

These directors govern the work of our organization," Smith said, "and that work is of vital importance to all of us. So every producer, ginner and other businessman should have a voice in the selection of the PCG Board member from Lamb County."

NOTICE!

Due to an accident, it was believed that for a while the Smith-Parish wedding vows would not take place. However, the wedding will be held as planned at 8:00 p. m. on Friday, August 23, in the Earth Church of Christ. All friends and relatives are invited to attend.

Miss Melodie Swauger of Amarillo spent Thursday and Friday with Joan Gover.

Our Boys In Service

Private Thomas A. Bryant, son of Mr. and Mrs. Bill Bryant, arrived home on Saturday, August 10, for a fifteen day leave from Fort Ord, California.

Bryant, who is a member of Company A, 2nd Battalion, 2nd AIT Brigade (4th platoon), completed his basic training in the U. S. Army at Fort Bliss in El Paso. On June 8, he was transferred to Fort Ord which is located near Monterey, California.

Fort Ord has served as an extension training center which furthers the Fort Bliss basic training. However, at Fort Ord, the troops receive more freedom than was allowed at Fort Bliss.

When Private Bryant's leave is completed, he will return to Oakland, California, from where his final destination is unknown.

VIETNAM--Army Private First Class Alfred E. Washington, 24, son of Mr. and Mrs. Walter Washington, Route 2, Earth, was assigned July 23 to the 4th Infantry Division near Dak Pek, Vietnam, as an infantryman.

Sgt. Jimmy Smith, son of Mr. and Mrs. H. C. Smith, is presently at home for a 30 day leave.

Jimmy is enroute from Laughlin Air Force Base near Del Rio to San Francisco where he will leave for Thailand.

Sp/4 Davey Haberer is on a two week furlough from Fort Meade, Maryland.

Davey arrived Tuesday night and will report back to Fort Meade in two weeks.

Party Line

Mr. and Mrs. Paul Stuart and daughters, Jana, Joni and Shari, spent the week end with Mr. and Mrs. W. H. Braden. The Stuarts are from Boys Ranch. Mrs. Stuart is Mrs. Braden's daughter.

Mrs. W. H. McCall of Covington will be spending two weeks with her mother, Mrs. B. J. Brochette.

Woman's Body Found After 22 Hours

At 3:15 Sunday afternoon, the body of Mrs. J. W. Kirkpatrick, 59, of 2106-16th Street, was found lying in the front seat of her car in the 4200 block of Avenue Q.

The body was finally discovered by Carl Prichard of 1620 43rd Street while he was picking up papers that had blown against the car into his yard.

Justice of the Peace, Wayne Le Croy said the woman had been dead at least 22 hours. He withheld a ruling in death until further investigation could be made.

Prichard said he had noticed the car there about 5:30 p. m. Saturday but, "I thought someone had just ran out of gas."

Police said the car was headed north on Avenue Q. The car's motor was off but the ignition was still on and Patrolman G. A. Ewing said the car still had approximately a half tank of gas.

Mrs. Kirkpatrick was a member of the First Baptist Church and the Downtown Chapter of the Business and Professional

Woman's Club. She was also a registered nurse employed at the Lubbock City-County Health Unit.

Mrs. Kirkpatrick was a native of Crumby, but she moved from Plainview to Lubbock in 1958.

Survivors include her husband, her mother, Mrs. Zona Simmons of 6213 Kenosha Drive; two stepsons, J. L. Kirkpatrick of 2905 Dartmouth; one stepdaughter, Mrs. Joe Hawkins of Arlington; three brothers, R. E. Simmons of Sunray, Ollie Simmons of Buckeye, Arizona, and Walton L. Simmons of Bakersfield, California; and two sisters, Mrs. A. Hollingsworth of Springlake and Mrs. Jack Nix of 6213 Kenosha Drive.

Funeral services are pending at Henderson Funeral Home.

Mr. and Mrs. Wayne Rutherford and Mr. and Mrs. Bud Cooper and children visited Sunday in the Dwayne Louder home.

Commencement Exercises Held At Eastern New Mexico University

Commencement exercises for 129 Bachelor Degree graduates and 122 Masters Degree graduates were held at the University of Eastern New Mexico on Friday, August 2, at 8:00 p. m. Mr. and Mrs. Jerry Hawthorne, two members of the Springlake-Earth faculty, were on hand to receive their Master of Education Degrees. Mr. Hawthorne specialized in administration, while Mrs. Hawthorne specialized in elementary teaching.

Mrs. Elizabeth Laing, a former Earth resident also received her Master of Arts Degree in applied music. Mrs. Laing was featured at the commencement exercises when she performed a piano solo.

Guest speaker at the exercises was Dr. Richard Armour, Emeritus Dean of Faculty and Balch Lecturer of Scripps College in Claremont, California.

Dr. Armour's address was followed by the conferring of degrees by Dr. Charles W. Meister, president of Eastern New Mexico University.

Earth residents attending the commencement exercises were Mr. and Mrs. John Laing, Mr. and Mrs. B. Campbell, Mr. and Mrs. Mildred Haley and Brad, Mr. and Mrs. Teague of Olney attended the graduation of their daughter, Mrs. Jerry Hawthorn.

Modern Processing And Packaging Provides Seasonal Foods For Year 'Round Consumption

Modern processing and packaging has transformed a once-a-year feast bird into wholesome turkey within easy price range of nearly every food budget the year round.

Stores are promoting turkeys this time of year; they are plentiful, according to Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist.

In the processing, air-tight bags are shrunk skin tight a-

round freshly dressed birds to safeguard their fresh, flavor-some qualities. The bird then is frozen.

Turkey meat is so tasty, and economical, too, that demand for it continues to increase. During the decade from 1920 to 1929, Americans ate an average of 1.6 pounds per person per year. Use of turkey meat has continued to increase to a high of about 8 pounds per person last year.

Present-day turkey farms are highly specialized operations and flocks generally number in the thousands. Formerly, just a few birds were raised on scattered farms.

Canned turkey, frozen turkey pies, specialty items such as smoked turkey, sliced turkey and gravy, turkey tamales, turkey pizza, and turkey TV dinners are available in most food stores.

Boneless rolls or turkey roasts are also popular offerings; they may contain up to 40 percent

A WORD OF WARNING

To Those Temped To QUIT SCHOOL:

MANY OF THE HIGH SCHOOL STUDENTS OF LAMB COUNTY OBTAINED JOBS WHEN SCHOOL CLOSED LAST SPRING, THEY ENJOYED THE SENSE OF RESPONSIBILITY WHICH THOSE JOBS PROVIDED; AND THEY FOUND THAT THE MONEY EARNED ALLOWED THEM TO BUY LUXURIES WHICH THEIR FAMILIES COULD NOT PROVIDE.

UNFORTUNATELY

THIS EXPERIENCE HAS IN THE PAST CAUSED SOME TEEN-AGERS TO DECIDE AGAINST GOING BACK TO SCHOOL. THOSE WHO DO NOT THINK FARTHER AHEAD THAN TOMORROW OR NEXT WEEK HAVE DECIDED THAT CONTINUING TO WORK WILL GIVE THEM THE MONEY FOR THE CARS AND ENTERTAINMENT WHICH, AT THE MOMENT, SEEMS MOST IMPORTANT.

REGRETTABLY

THE BOY OR GIRL WHO DOES QUIT SCHOOL WILL REGRET IT LATER---WHEN IT'S TOO LATE TO DO ANYTHING ABOUT IT. A LITTLE EXTRA EDUCATION OFTEN MAKES THE DIFFERENCE BETWEEN SUCCESS AND MEDIOCRITY. THE WORLD TODAY WANTS AND NEEDS TRAINED AND EDUCATED MEN AND WOMEN.

Kirby and Camille Tell Of Their Experiences Abroad

On Friday, July 19, 17 excited young people and our three sponsors boarded the 7:10 a. m. flight for New York. At 1:30 we arrived and transferred to the Taft Hotel. We spent the remainder of the afternoon touring Rockefeller Center, which included the RCA Building and Radio City Music Hall. That night we went to the Broadway musical "Man of La Mancha." Saturday was spent touring New York City. We visited China Town, Bowery, Greenwich Village, Harlem, Fifth Avenue, and Wall Street. We caught a plane out that night for Amsterdam.

We arrived at the Amsterdam airport at 10:00 Sunday morning. The afternoon was spent touring the city which included the Rijksmuseum a diamond factory, and we rode a motor-launch down the canals of Amsterdam. That night we had dinner at our hotel and one of our courses included smoked eel.

Monday morning faced us with a 10 hour train ride to Bern, Switzerland. On the way, we passed through Germany and saw castles on the River Rhine. Thinking we had a lay-over in Bonn, our tour leader, Dr. Worrell, and two of our boys were left by the train while getting their lunch. We traveled on to Switzerland and arrived in Bern at 7:30 p. m. The three stragglers arrived about 11:30 the same night.

Tuesday morning, we began the first of a series of conferences, which was the main objective of our trip.

There were five thousand young people attending the Baptist Youth World Conference. There were conference meetings from 9:00-12:00 in the mornings and 8:00 in the evenings. We had a different speaker at each meeting, which included Billy Graham. After the morning speaker, we had separate discussion groups. There were around 200 different groups, and the young people were divided evenly

among them. The discussions were interesting, but we were surprised by some of the ideas represented by some of the youths there.

We spent the afternoons of this week going on tours. Touring the city, we found it most beautiful and interesting. The cleanliness of the city surprised us, and the beautiful flowers everywhere made our stay more enjoyable. We felt more welcome in this country than any other because of the friendly people. The language barrier was the only problem in Switzerland.

The Swiss people speak a combination of German and Dutch, and it was quite hard to understand them. The food in Switzerland also faced us with something new. We had various new dishes including beef tongue, rabbit and beef heart.

For breakfast each morning we had a hard roll, marmalade and cheese. It was hard for us to adjust to a meal like this, but in time we grew to like it. Also, something new to us were the fresh fruit and flower stands on almost every street corner.

On Sunday, the 28th, after the Billy Graham service, we left by rail for Milan, Italy. We spent the night in Milan, and early the next morning, we transferred to our hotel, and prepared for the next day's tour.

Tuesday, our tour included the Spanish Steps, Freni Fountain, the Pantheon, St. Peter's Basilica in the Catacomb, the Vatican, Roman Forum, and the Colosseum. That night, some of our group went to an opera.

Wednesday, we visited the Sistine Chapel, where Michelangelo painted the ceiling while lying on his back, and the Vatican Museum. The afternoon was free for shopping.

Thursday, we made an all day excursion to Florence by way of bus. On the way, we stopped at Assisi, the birthplace of St.

KIRBY KELLEY and CAMILLE HABERER

Francis. There we visited the Cathedral, then had lunch. The country side of Italy was very different from that of Switzerland. Italy was hot and dry, which made us appreciate Switzerland even more. The people in Italy were not as friendly, but the food was better! Initially, they served their meals in several courses. The first course was either spaghetti, ravioli, or soup. Next came the meat and vegetables. The third course was the dessert. One night we had cantaloupe ice cream. The ice cream in Italy was the best in the world!

Friday morning we had a sight-seeing tour of Florence including Pitti Palace, Michelangelo's statue of David, Medici Chapels, and St. Lawrence's Cathedral. That afternoon we went to Pisa and visited the famous leaning tower and the Cathedral.

Saturday we left Florence and started for Venice by rail. The railway system in Europe is quite different from that of ours. The trains are run by electricity, and they are quite a bit faster and quieter. The cars had separate compartments which held 8 people in each compartment.

While in Venice, we visited a Murano glass factory, St. Mark's Square, the Doges' Palace, Piombi Dungeons, and the Bridge of Sighs.

We were a little disappointed in Venice because of the filth within the city. The people, too, made us feel as though we were not welcome. We weren't at all sorry to say good-bye to Italy as we boarded the bus for Paris.

Our welcoming party in Paris was the rain! In fact, it rained the whole time we were in Paris. This made it quite hard to get good pictures. We were impressed by the large struc-

ed the historical college. Upon reaching Stratford, we visited William Shakespear's birthplace.

Early Saturday morning, we left London Airport for home. We were all ready to come home, but it was kind of sad, because we had become accustomed to the hard rolls for

breakfast, the ancient hotels, the "spit bath", the 35¢ Cokes, and the foreign foods.

On the trip we made many new friends and shared many experiences together. This has been an exciting and educational experience we will remember all of our lives.

Band Practice Underway

Approximately sixty members of the Springlake-Earth Wolverine Band met with the new band director, Jerry Starkes, at 7:30 p. m. Tuesday night to plan for the pre-school rehearsals.

Rehearsals began Tuesday morning at 8:00. The rehearsals will be divided into two sections with the first half of the morning being used for marching practice and the sec-

ond half being used for playing. The rehearsal lasts until 11:30 a. m.

In Tuesday night's planning meeting the band decided to have an ice cream social on Monday, August 19, in the band hall at 8:00 p. m.

Mr. Starkes reported that Marsha Dawson and Gloria Stephens would be leading this year's Wolverine band as drum major and head twirler, respectively.

Vaccination Of Pets Important In Prevention Of Rabies

Is rabies a thing of the past? Don't bet your life on it, says the Texas State Department of Health, Statistics and activities of the Health Department indicate otherwise.

"Rabies in man is always fatal," said Dr. James E. Peavy, state commissioner of health, "and for that reason prevention is the only cure."

A big step in prevention is vaccination of pets. "Vaccination of pets takes on a more vital role when you come to realize that most rabiestreatments received by humans have come from exposure to pets," said Dr. Peavy. He noted also that rabid pets

normally expose the people closest to them--their masters or neighbors.

Among the animal heads examined for rabies last year, 385 were found to be positive for rabies upon laboratory examination by the State Health Department. Another 16 cases were affirmed on military bases following examination at the Fort Sam Houston laboratories in San Antonio.

Of the 385 cases, 86 were dogs; 32, cats; 27, foxes; 152, skunks; 44, bats; 24, bovines; and 20, other species. Six horses and seven raccoons were found to be positive among the "other" species in 1967.

Party Line

Mr. and Mrs. Norman Hinchliffe and family have just returned from a ten day trip that took them to Mexico to visit Mr. Hinchliffe's mother, Mrs. J. D. Hinchliffe, to Carthage to visit Mrs. Hinchliffe's parents, Mr. and Mrs. C. Applegate, and then on to Houston.

Robert L. Hite, wife Portia and son, Wallace were week end guests of Lena Hite. Mr. and Mrs. Hite are from Arlington.

"Before I speak to her father I'd like to ask you for your secretary's hand in marriage."

Green Bug Epidemic Subsiding

The green wheat bug epidemic which recently plagued an area from Hereford to Littlefield and from Muleshoe to Plainview has finally begun to slack off.

Beginning about four weeks ago, the tiny insects were first noticed in area milo crops. The insect seems to be most common in wheat crops, since this was the first year milo crops have been infested.

Effective spraying methods have been accredited with bringing the epidemic under control. It was noted that at one time, area flying services were unable to handle the vast number of demands for spraying services. At the moment the demand is under control and milo crops are returning to normal.

PARTY LINE

Karen and Wade Cargile attended the singing school held at the Primitive Baptist Foundation in Cone last week.

Ten Attend Youth Rally

Young people from the Earth Baptist Church attended a Youth Retreat at the Plains Baptist Assembly in Floydada.

Leaving the church at 1:00 p.m. on Monday afternoon, they carried a sack lunch to be enjoyed at the evening meal. The afternoon was filled with volleyball games and baseball. Later in the afternoon a talent

contest was held in which the Kelley Trio consisting of Anita, Donita and Connie Kelley participated. They were accompanied by Mrs. Sharon Tunnell. During the Llanos Altos Youth Rally business meeting new officers were elected for the coming year. Among those new officers was Donita Kelley, who was elected song leader of the youth group.

Youth Choirs Attend Texas

Forty-three young people from the Springlake and Earth Baptist Youth Choirs and their guests attended the musical production of "Texas" at Palo Duro Canyon Friday, August 9. The twenty-two young people from Earth met the twenty-one choir members from Springlake at 4:00 p.m. at the Springlake Baptist Church. From that point they traveled as a group to Palo Duro.

The group arrived in time to

have a cookout and supper consisting of steak and chicken before the performance.

The sponsors accompanying the group were Mr. and Mrs. John Bridges, Rev. and Mrs. Don Holmes, Mr. and Mrs. Sandy Sanderson, Mr. and Mrs. Jerry Fields and Noble Miller, all from Springlake; Mr. and Mrs. Donald Kelley, Mrs. Pete O'Hair, Mrs. Jerry Kelley and Mrs. Buddy Adrian, all from Earth.

TOPS Gain 10 1/4

Members of the TOPS Happy Losers Club met in their regular meeting at 6:30 p.m. on Thursday, August 8, in the Citizens State Bank Annex.

Inez Inglis, leader, called the group to order with the TOPS Pledge. Fourteen members answered roll call with 10 pounds lost and 10 1/4 gained.

Emily Clayton was selected Queen of the Week and Vicki McClure was selected as Queen of the Junior Tops Club.

Lois Rudd was winner of the voluntary towel contest. In the towel contest, each member

who wishes to participate brings a bath towel. The first member to lose ten pounds wins all of the towels. The contest began on June 20.

Inez Inglis brought the program on "The TOPS Backsliders."

The TOPS Happy Losers are now involved in a contest with the Tumbling TOPS Club in Plainview. Each member is encouraged to participate in order for the Happy TOPS to win.

The club was dismissed with the Serenity Prayer.

Firemen Hold Family Night

Local firemen enjoyed an ice cream and cake social on Monday evening at 8:30 p.m. at the fire house.

Eighteen firemen and their wives attended the social which had been set aside as family night.

Highway Patrolman, Lieutenant Mason, of Lubbock, presented the program over "Safety Procedures."

The only matter of business was the voting in of two new members, Jim Robbins and Billy Pittman.

Mrs. Sanders To Teach Piano

Mrs. Leon Sanders of Dimmitt has reported that she will be giving private piano lessons a-

gain this year during regular school hours.

She will be available at the school on Wednesday afternoon from 1:00-5:00 for those parents who would like to come by and enroll their children in private piano.

CAROL ANN KENDRICK

Mr. and Mrs. H. W. Kendrick of Earth, announce the engagement and approaching marriage of their daughter, Carol Ann to Cary Elliott of Irving.

The bride-elect is a 1967 graduate of Springlake-Earth High School.

The prospective groom is the son of H. C. Elliott of Irving, and Mrs. Fern Rogers of Lubbock. He is presently employed in Grand Prairie.

The couple will exchange vows in Lubbock on Saturday, August 31.

Family Night Observed By H-D Club

The Springlake Home Demonstration Club observed its annual Family Night at the Springlake Community Building on Tuesday, August 6, at 8:00 p.m.

Those attending were served iced tea, sandwiches, ice cream and cake. Everyone visited and had fun for the remainder of the evening.

Members and guests present at the meeting were Mrs. Hilbert Wisian, Edna McClure and grandson, Marvin McClure of California, Mrs. C. O. Bibby and daughter Kathy, Mrs. Wayne Davis and Dell and Tammy, Mr. and Mrs. Bob Boone, Mr. and Mrs. Floyd Bills, Mr. and Mrs. A. Hollingsworth, Myrtle McNamara, Marvel Caruthers and Mrs. L. C. Blalack.

"OUR DAY" Book mobile Schedule

The following poem, "Our Day," written by Pady Mann, was submitted to the paper by Lillian Hamilton. The poem was written as a tribute to all those people who have given freely of their time to help the Mann family.

Up in the morning and working by six,
Coffee to perk and breakfast to fix,
I stagger around as if half dead,
And wish I was back in my nice cozy bed.

Dishes to wash and beds to make,
Creeping, and crawling, and maskings we take,
Reading, and walking, and patterning at nine,
The patterners will come and all will be fine.

Then to the table we gather around,
To pattern our Jimmy without a sound.

The patterning starts without waiting at all,
And then in five minutes he's having to crawl.

Then off to the kitchen we go with a trot,
To find there waiting, a big coffee pot,
Round the table, sipping our brew,
Talking of places and things to do,

Wishing they had longer to stay,
Because this is the best time of the day.

We talk of places and things we have done,
And before we know it the timer has rung.

We run to the table with figures so trim,
To find there not waiting our little boy Jim.

He is hidden in the closet or under the bed,
I just can't find him what else can be said.

Before we know it the patterns are done,
We can honestly say that it was fun.

The patterners are gone and we feel very bad,
Because when they leave it makes us so sad.

Their laughter ringing in our home,
Makes me feel I am not alone,
And when it's time for them to part,
They will never leave within my heart.

God bless our patterners who have worked so hard,
And may they have a big reward.

I pray each person who comes our way,
Will have their reward in Heaven some day.

5. Points are earned the following way: NEW SUBSCRIPTIONS-(This is to a person not presently taking the News-Sun)-equal one (1) point for each year. RENEWAL SUBSCRIPTIONS-(To persons now taking the News-Sun who would like to add one or two years on to their subscriptions)-a renewal equals 1/2 point for each year. In other words if you sell a person a new subscription for two years, you have earned 2 points. If you sell a renewal for 2 years you have earned 1 point. No subscriptions will be sold for less than 1 year or more than three years.
6. When your points reach the goal you are working for, come in to the News-Sun office and you will receive the TV, bicycle, or gift certificate. The choice is yours.
7. Points will be given on subscriptions sold to people in this trade area-Springlake, Earth, Olton, Muleshoe, Hart, Dimmitt, Littlefield, Sunnyside, Lazbuddie, Pleasant Valley, Flagg, Dodd Community, Circle, Amherst, Sudan.
8. You must collect either cash or check and turn it in with your receipts.
9. Print the information on the subscriptions sales clearly. All information must be printed clearly before credit can be given to you.
10. ANYONE reaching 80 points will receive a first prize. So do not think you will not win if you are not the first to win the first prize and have made your 80 points. You will still win a first prize. This is true on all prizes.
11. Everyone is a winner. If you do not have enough points by the deadline to win one of the prizes you will be paid 20% of all your sales.

Census Bureau To Survey Smoking Habits In Area

Census Bureau interviewers will conduct a survey here concerning the smoking habits of the population during the week of August 19, Director Francis H. Wilmer of the Census Regional Office in Denver announced. Interviewers will ask about people's past smoking habits as well as present habits in order to discover whether there have been significant changes over the past year.

Hints Offered On Grain Sorghum Harvesting

COLLEGE STATION---Weeds in grain sorghum this year may cause some problems for harvesters, Henry O'Neal, Extension agricultural engineer with Texas A&M University, says. Wet weather has caused excessive amounts of Johnsongrass and careless weeds in many fields and the troublesome pests can foul up profits for producers. The engineer suggests a slower speed to take care of the tough, high-moisture weeds and more care in cleaning the combine. Each morning the operator should check all gates and sieves for "homeyew" or "syr-up" which can collect and cause buildups of dust and trash and cause throw-out losses of grain. Straw-walkers should also be checked before starting work each morning. Before going into a weedy field, it is best to adjust the

Questions about jobs are designed to provide data for use by the U. S. Department of Labor in determining current national employment and unemployment trends. machine according to the operator's manual and then make secondary adjustments as field conditions warrant, O'Neal points out. To cover the ground as quickly as possible and avoid seed losses, both in uncleaned heads and cracked seeds, the operator may have to maintain a compromise speed. When the combine "grows" it is an indication of excess speed and probable seed losses. Losses in profits for the producer can be caused by grain left in the field, cracked seed, or dockage at the elevator. In most fields, there is usually one spot which is weedier than the rest. The clean portion of the field should be combined first to get out the high quality seed. The weedy part can wait a longer period as it will usually result in higher moisture grain, O'Neal concludes. produce 4,900 pounds an acre. Adjoining fields had weeds in various amounts, and these were counted by rows. It was found that one weed every 32 feet of row reduced the yield 150 pounds an acre.

Weeds Cause Big Grain Crop Loss

Texas Tech farm researchers have figured that the loss caused by weeds among grain crops on the High Plains runs as high as \$84 million a year. Here's the way they figure it: A weed-free grain sorghum field at the Tech research farm

LAST YEAR, of each dollar the American spent for day-to-day living, he spent about one-fifth or 20 cents for food. If he compared the part he spent for food with his total income, he spent an average of 15 cents of each dollar of income (before taxes). He spent an average of 18 cents of each dollar of income (after taxes).

Working Wives Increase

WASHINGTON, D.C.--"Rosie the Riveter" is back on the job, but it's a different kind of Rosie and a different Rosie. The Rosie of the past--for patriotic reasons--helped to keep the wheels of industry turning at home, while America's men were operating the machinery of World War II. The modern Rosie works for different reasons. According to Finance Facts, a monthly newsletter on consumer behavior, published by the National Consumer Finance Association, economic reasons are the prime cause for wives to seek employment, even though some 33 per cent of their husbands

Know Your Knits, And Follow Instructions For Their Care

With the increase of knit fashions, knowing the care they require is important. Check the fiber content of the knit garment or piece goods you purchase and pass the information along to your dry cleaner. The Texas A & M University specialist stresses this because acrylic knits must be handled differently from wool knits. Knits containing heat-sensitive fibers should usually be air-dried and often cannot withstand the steam of finishing.

THE FAILURE OF MANY TEEN-AGE MARRIAGES usually is based on three factors-- incompatibility, personality failures and immaturity. Teenagers often do not have a sense of responsibility, the ability to adapt to an adult role, the selfishness and the stability required for a successful marriage.

Mr. and Mrs. Ben Loudder of Canyon and their daughter, Mrs. Jack Hardin of Oklahoma City, visited Monday morning with Mr. and Mrs. W. E. Loudder, Ollie Pearl Waide and Mr. Mr. and Mrs. Ezell Sadler.

Mrs. Pearl Sadler of Dimmitt, visited Monday afternoon with Mr. and Mrs. Gale Sadler, Cindy and Susan.

Mrs. E. R. Sadler worked at Plains Memorial Hospital in Dimmitt Monday afternoon at the desk, gift shop, library and ran the coffee cart.

Kelly Haydon was honored along with Dawn Barden of Earth with a birthday party last Tuesday evening in Earth. They and their guests had a swimming party and a cook-out with hot dogs and the trimmings. Mr. and Mrs. Eddie Haydon, Kim and Jeanne were present and helped host the party.

Terry Bridge played in the Springlake - Earth outsider's baseball game last Friday night winning over Littlefield. They played again last Sunday evening at Dimmitt and won that game also.

Mrs. Lloyd Blanton was a hostess to a bridal shower honoring Donna Beth Street last Friday afternoon.

Mr. and Mrs. Jerry James and children returned to their home in Highfill, Arkansas, Tuesday after a visit with the Robert Bridge family.

Mr. and Mrs. Reuben Hill of Big Springs drove up through the night Tuesday night when his sister, Mrs. Raymond Lilley took a turn for the worse Tuesday evening. They stayed until Thursday.

The G.A.'s and the Jr. counselors, Mrs. Hershel Wilson and Mrs. Bill Morgan entertained the WMS women with an appreciation tea before the regular meetings Wednesday night. They presented a short program and presented the director, Mrs. M. D. Durham with a GA pin with a special made bar attached with the word Director, and served tea and cookies. About 25 attended.

The WMS met for the circle program Wednesday night. Mrs. Milburn Haydon had charge of the program.

Mrs. Euless Waggoner and Doree of Sulphur Springs arrived Tuesday to spend several weeks with relatives here and for the shower and wedding of their daughter, Evelyn.

Mrs. Jon C. Little and children of Mont Vista, Colorado, arrived Thursday to visit a week with Mr. and Mrs. E. R. Little and relatives at Circle.

Mrs. Charlie Waide and Ollie Pearl attended the Rodeo Parade in Silverton Thursday afternoon. Bobby and Patricia

participated in the parade with the Hart Junior Riding Club. They won another first place.

Mr. and Mrs. Floyd Ivey received word Thursday morning that his brother, Loice Ivey of Kerrville, had passed away. They and Mr. and Mrs. Mokey Ivey left before noon to help with the arrangements and attend the funeral services. They returned home Friday night.

Cecil Curtis was commended by the High Plains Underground Water Conservation District 1 publication "The Cross Section" in its July issue for his unique tailwater return system, which has worked successfully for about two years. Instead of the return water flowing directly into the pit and building up silt in the pit, he has the tailwater running through two bermada grass grassways. This is accomplished by two diversion terraces that empty into waterways at each end of the system. By the time the water reaches the pit the silt has been removed. He has installed a circular asbestos return line from the tailwater pit back into his regular irrigation line.

Mrs. F. D. Rogers and Mrs. Carolyn Hansen of Big Springs spent the day Thursday with Mr. and Mrs. Raymond Lilley at Plains Memorial Hospital.

Mokey Ivey is the instructor for the new flying course opened in Dimmitt at the Tidwell flying service Tuesday the 6th. He has all four of the diplomas required to teach others to fly in the ground school instruction course.

Johnson Named Information Director For Texas Electric Cooperatives

A man of many interests and numerous talents is Neal Johnson, newly appointed Information Director for the Texas Electric Cooperatives, Inc., Austin, the statewide service association for rural electric systems.

Johnson will coordinate information pertaining to rural electrification in Texas, including liaison with newspapers, radio and television stations for the organization which represents the 73 rural electric cooperatives in the state.

He succeeds Jim Morris who resigned his duties only recently to prepare for his work in the missionary field for the Methodist Church.

Entering his work with the Texas Electric Cooperatives, Johnson, 31, brings several years of newspaper and broadcasting experience to his new post. Following his graduation from Abilene Christian College in 1961, he did graduate work at Texas Tech. He was Farm Editor for the Wichita Falls Times and Record News and Farm Director of KFDR-TV,

after the tornado.

Mr. and Mrs. David Sadler of Lubbock spent the week end with Mr. and Mrs. Ezell Sadler. They all left Sunday to attend the Hensley family reunion at Lake Brownwood through Thursday.

Rev. M. D. Durham came in from James Saturday morning when Mrs. Raymond Lilley became worse. He returned for the evening revival services there.

Cliff Davis of Pecos spent Saturday night with his aunt, Mr. and Mrs. Garner Ball, Randy and Debra.

Karen Lewis of Olton attended the Sunday morning church services while the rest of the family was at the hospital. She also visited with Mr. and Mrs. Floyd Ivey Sunday afternoon.

The Sunbeams enjoyed a "Christmas in August" party at the church Saturday afternoon with their leaders, Mrs. Larry Sadler and Mrs. Coy Mason. They brought gifts to send to missionaries with the Spanish speaking of Alice, played games, had refreshments and used a missionary tree they have been working on as the Christmas tree. Those present were Dancan Wilson and her mother, Mrs. Hershel Wilson, Lynn Brown, Susan Sadler, Carrie and Stacey, Donna Hockenberry, Mark Bridge, Amy and Le Lynn Mason and Mrs. M. D. Durham.

NEAL JOHNSON

Wichita Falls and KGBD Radio and TV, Lubbock. A native of Frederick, Oklahoma, Johnson was a member of the 4-H and Future Farmers of America while growing up on the family's wheat, cattle and cotton farm. He later farmed and ranched in Till-

man County, Oklahoma. As Information Director for the Texas Electric Cooperatives, he works closely with many organizations and activities with goals of building the economy of rural Texas. He is immediate past-president of the Lubbock Agriculture Club and Secretary of the West Texas Water Institute. He was recently elected to the Board of Trustees of the 4-H Foundation.

The new Director holds several honors including The Individual Supporter Award from the Vocational Agriculture Teachers Association of Texas and the Honorary Lone Star Farmer Degree from the Future Farmers of America, Texas Association.

Johnson with his wife, the former Sandra Terry of Abilene, daughter Diane, 6, and son Keith, 4, are new residents of Austin and have already entered into the community life through the Brentwood Church of Christ and the Brentwood Elementary School. They reside at 7518 St. Phillips.

LETTERS TO THE EDITOR

News Editor EARTH NEWS Earth, Texas

Dear Editor:

This is to inform you of a meeting of the House Interim Water Study Committee to be held on the Lake of the Pines, at the Texas Village, on September the 6th, at 10:00 a. m. Enclosed is a brochure showing the location of Texas Village.

The following is an agenda of topics to be discussed:

1. Should legislation be provided for the purpose of annexing portions of Lamar, Red River, and Bowie Counties to the Red River Authority?

2. Where feasible, should the powers and functions of existing districts and authorities be broadened or extended to include navigation facilities and operations?

3. Should the State provide for land acquisition now for future reservoir sites?

4. Should fishing licenses be done away with and replaced by a water recreation fee to make it equally fair for those using public waters for fishing, boating, skiing, etc.?

5. Should we give the Texas Water Development Board more financing for accelerated development of our Texas water resources?

6. Should a regional authority be provided to assist in coordinating local, state and federal interests in planning, developing and administering all the water resources in all local basins where districts presently exist?

We hope you will be able to attend this meeting and participate in the discussion.

Sincerely,

Bill Clayton, Chairman Interim Water Study Committee

A permanent set, underground sprinkler irrigation system has recently been installed at the High Plains Research Foundation at Halaway. This system is composed of underground plastic pipe, furnished by Gifford-Hill Western, with permanent sprinkler heads which can be controlled automatically from an electronic control panel, furnished by the Eastern Rain-Bird Sprinkler Company, and an injector pump for application of chemical solutions through the system furnished by the Nor-Pak Company of Dumas.

59th Academic Year To Begin At Wayland

Wayland Baptist College in Plainview will begin its 59th academic year September 5, with a new \$500,000 auditorium.

Wayland President, Dr. Roy McClung, said that indications of the progress of the school is reflected in the recently completed Haral Memorial Auditorium, to be dedicated September 8; construction progress on the \$500,000 Moody Science Building, and addition of seven new faculty offices in the administration building.

The deadline for making application for the fall term is

August 26, with dormitories opening August 28, for freshman orientation.

Seniors, juniors and sophomores will register September 3, beginning at 8:00 a. m., and freshman will register at the same time on September 4.

Students may begin moving into the dorms September 1. Dining facilities will be open at 7:45 a. m. that day.

The micro-term, a three-week period between semesters affording students four hours credit for concentrated study during that time, will again be in effect from January 6-24.

Detecting Tipsy Drivers Reduce Road Deaths

Washington, D.C. --- Four months after a new test to detect tipsy drivers was introduced in Great Britain road deaths in that country fell by a whopping 22 per cent. This is what British pathologist Dr. Donald Teare reported at a meeting here of experts on accidents.

In addition, there was a 15 per cent reduction in highway ac-

cidents. Under the new British law, a policeman may require a driver to take the test when he suspects that the driver has had too much to drink; or when he has seen a driver commit a moving traffic offense; or when a driver has an accident. If the test shows that there is more than a certain percentage (0.08 per cent) of alcohol in the blood, the offender loses his license for a year.

In four months the police have given more than 15,000 tests. Of these, 6,661 were positive.

Proposed Water Legislation To Be Made Public

Proposed water legislation will be made public in September. Representative Bill Clayton of the House Interim Water Study Committee of the Texas Legislature announced at the West Texas Chamber of Commerce meeting in Wichita Falls that proposed legislation authorizing the formation of Master Water Districts will be made public at press conferences to be held in Lubbock and Amarillo early in September.

Following public release of the proposal, public hearings will be held in Longview and in Hereford. The public hearings are needed, according to Clayton, to determine the thinking of the people affected by the plan. The public will

be given the opportunity to express its wishes in the formation of their water import agency. Representative Clayton indicated that after the public hearings were completed and redrafting of the proposed legislation, a bill will probably be introduced in the Texas Legislature during its next regular session starting in January.

The Hereford hearing is now scheduled for 9:30 a. m., October 5 at the Deaf Smith County Bull Barn. It should be completed by 4:30 p. m. The East Texas hearing is scheduled for September 6-7, Texas Village at Lake of the Pines. The East Texas and West Texas meetings will be followed by a hearing in Austin probably in November.

RAFAEL RODRIGUEZ

Rodriguez Receives Diploma

WACO--Rafael O. Rodriguez, son of Mr. and Mrs. Gregorio Rodriguez of Earth, was one of 28 students who graduated August 2 from the one-year construction equipment mechanics course at James Connally Technical Institute.

Rodriguez, 21, is a graduate of Springlake-Earth High School. He was president of the Baptist Student Union while attending Connally Tech.

Following his training here, he has had 10 job offers and now has accepted a position with Fork Lift Sales and Service Company in Dallas.

Altogether, 153 graduates received degrees at the Connally Tech commencement exercises. More than 1,300 students have completed vocational training at the school since its inception in January 1966.

Rev. and Mrs. Leon Smith and family from Houston are spending two weeks with Mrs. Smith's mother, Mrs. J. J. Barlow. They will also visit with other relatives and friends in the area.

Massive Effort To Increase Scout Enrollment Over 20 County Area

A special luncheon for school principals was held on August 7 to inform these men of the important role their schools have in this affair, Harr said.

Minor stated that the Council Commissioner Staff would receive their special instructions regarding the "Accounting For the Future" special emphasis on August 16 at the Scout Service Center in Lubbock. The 80 men will meet for dinner at 7:00 p. m. and receive their materials and instructions. Minor said each of the seven Districts would then have an "all Scouter (adults) Fall Program" kick-off meeting on dates as follows:

George White, August 19, Chairman J. C. Cathey, Levalland.

Comanche Trail, September 5, Chairman Percy Edson, Falls, Arrowhead, September 5, Chairman Jesse Johnson, Lubbock.

Longhorn, September 5, Chairman Jim Brown, Lubbock, Mackenzie Trail, September 5, Chairman Tom Elliot, Lubbock.

Haynes, September 7, Chairman John McDonough, Plainview.

Quannah Parker, September 9, Chairman J. B. Huckabee of Brownfield.

Harr and Minor concluded by saying any boy wishing to join Scouting or any organization wishing to sponsor a Scouting Unit should contact the Council Service Center, Box 3055 Lubbock, or call SH 7-2631.

13 Persons Fined In July

During the month of July, 13 persons were fined against in the local corporation court for a total of \$465.

Mr. and Mrs. Vern Albin, Jerry and Sandra visited in the Wayne Rutherford home last week.

Mrs. Fanny Adrian and Mr. and Mrs. Roy Mulkey of Amarillo, Mr. and Mrs. Fred Adrian of Olton, Mr. and Mrs. John Adrian, Guy Lynn Davis and Kim Holder were Sunday dinner guests of Mr. and Mrs. Buddy Adrian.

Food Is Shipped To Famine Victims

A million pounds of high protein food is being shipped to famine victims in Nigeria and Biafra by CROP, the Community hunger appeal of Church Service.

An initial shipment of baby food was sent by air (via Liston) on July 17, a second air shipment of five tons of baby cereal is now awaiting clearance, and other shipments are being made by sea.

CROP shipments this week to Nigeria/Biafra will include 779,932 pounds of beans, 103,000 pounds of a dietary supplement and 27,000 pounds of baby meat. The materials are contributions from major food processors as well as from individuals and local CROP appeals which are conducted in 25 states.

Protein deficiency has become a major plight from the Nigeria/Biafra deadlock resulting in the kwashiorkor disease for

many of the Biafran refugee children. It has also become a focal need in other countries in recent years that CROP has been called upon to aid by the shipping of high protein foods and other resources for indigenous agricultural development.

Church World Service, through which CROP serves, has been mobilizing all of its resources to help as it can in this African crisis in cooperation with other agencies such as Catholic Relief Service, International Red Cross, Danish Inter-Church Aid, Christian Aid of Britain, etc.

CROP appeals will be conducted in many counties and communities of Texas during the next few weeks with the youth of the churches taking a major role during the Halloween season.

Boys Ranchers Preparing For Labor Day Rodeo

Excitement and desire to win are running high as the nearly 350 boys at Cal Farley's Boys Ranch prepare for their 24th annual Labor Day Rodeo.

Four times a week the boys are rehearsing for the rodeo and trying to qualify as contestants on the bucking broncos, Brahmas, steers and calves. Even the Ranch's youngest are saddling their stick horses and getting ready to set some new records in the barrel races.

Traditionally the biggest Labor Day Event of the Texas Panhandle, the Boys Ranch rodeo,

is expected to attract a record number of visitors, topping the over 9,000 spectators who attended the two performances last year. Aside from the action that will be provided by young riders on bucking animals, the boys will operate a barbecue concession, work in the chutes, act as ushers, sell cold drinks and pop corn, park cars and assist with the many details involved with the production of a rodeo.

Believed to be the only rodeo in the nation in which boys are the only contestants riding professional rodeo animals under RCA rules, two performances are scheduled at 2:30 p. m., September 1 and 2. Box seats may be purchased in advance for \$2.50 by calling 374-4687 or writing the Boys Ranch office at 600 West 11th, P. O. Box 1890, Amarillo, Texas. General admission prices are \$1.50 and 75¢ for children and servicemen in uniform.

LETTERS TO THE EDITOR

M. Ross L. Middleton
The Earth News-Sun
Earth, Texas 79031

Dear Ross:

This is the most exciting time of the year for our boys as they get ready for the 24th annual Boys Ranch Rodeo, and once again we hope you will help them put it on as you have in the past.

We never cease to be amazed over what these boys can do if someone will just help them do it, and already they have started their practice rides on the broncos and bulls. All of them want to be in the rodeo, including many new boys who have come to us within the past few weeks, so it looks like this will be the biggest one of all.

If you can use this story, it will mean a great deal to these kids who are always so grateful for what anyone does for them. We do hope you and your family can make one of the two performances this year. Thank you for all of the help you have given our boys in the past and with all good wishes to you, I am

Sincerely yours,
CAL FARLEY'S BOYS RANCH
