

O'ER THE RAMPARTS WE WATCH

OLD GLORY

A day traditionally known as Flag Day, when we pay our respects to "Old Glory," comes on June 14.

The first Flag Day remembrance took place in 1877 when the Government requested all public buildings to fly the national flag in commemoration of its 100th anniversary.

Since this time the day is dedicated to the freedom that symbolizes America, a flag that is to be respected by all Americans. It denotes a positive act of pride, performed by those who realize the importance of keeping the red, white, and blue symbol of our nation flying in the breeze.

We, as Americans, on this day should not be lax in the manner in which we display our flag or the way we behave when the flag is in our presence. The very fact that we are free to decide how we want to honor the flag should be the best reason to wave it.

Let all of us be proud of our flag and honor it by displaying "Old Glory" on this day.

Salvation Army Service Unit Sends Boy To Camp

Three local lads from Earth were chosen to attend the Salvation Army Camp Hobbitzelle at Midlothian, Texas through the efforts and financing of the local Salvation Army Service Unit. The first time the local Service Unit has been financially able to send local lads to camp. Two of the lads, however, were unable to attend due to an unexpected trip to California by their parents.

The selections were made through the local school nurse, Mrs. Dorothy Wood, who selected 13 year old Gerald Thomas, and 14 year old Gilbert Flores. The first time the local Service Unit has been financially able to send local lads to camp. Two of the lads, however, were unable to attend due to an unexpected trip to California by their parents.

Gerald Thomas left Earth Sunday morning at 6:30 a. m. for Plainview where he took a bus on to the camp. Phil Raught, Salvation Army Service Unit chairman, and W. A. Hatfield, Committeeman, took the lad to

Plainview to meet the bus. The local unit will pay all travel expenses and meals to and from camp. Also they will provide the lad with spending money for cold drinks and candy while at camp. The camp fee will be paid from the General Fund out of Dallas.

Purpose of the camp is to provide a wholesome place to help boys live and play together and to develop an increased appreciation for worship and reverence toward God.

The camp program includes swimming, horseback riding, sailing, water skiing, fishing, sports, campfires, Bible studies, etc.

The local Salvation Army Service Unit Committee includes Phil Raught, chairman; Don Larkin, Vice Chairman; Mrs. Lynn Glasscock, Secretary; L. K. Anderson, Welfare Society; and Doug Parish, M. H. Been, Ross Middleton, M. B. Baldwin, Mrs. Dorothy Wood, Walter Driver, Alvin Pittman, and W. A. Hatfield as committeemen.

Alicia Galloway Participating In Summer Missionary Work

Alicia Galloway will be a worker in the "Invincible Summer Missionary" program of the Llanos Altos Association. Her duties will be to teach in Vacation Bible Schools for 10 weeks this summer. She will teach in Negro, Spanish, and Anglo Missions each week. Jan Everett from Mulashoe will accompany Alicia and share the duties.

Miss Galloway left Tuesday for Fort Worth, where she will have four days of orientation. The orientation program will be held at the Southwestern Baptist Seminary. The four day school is designed to teach the workers more about their jobs and how to conduct the Vacation Bible Schools.

News Office To Close June 17-24

Personnel at the News-Sun will print two papers, next week, in order to close the office for the following week so that the office personnel may have a week's vacation.

The first paper will go to press at the usual time Wednesday at 6 p. m. and be mailed out at the regular time Thursday June 15, at 8 a. m.

The second issue will go to press Friday night, but will not be mailed out until the regular time, 8 p. m. on Thursday June 22.

Everyone having news to report is asked to please call in early. Advertisers too, are asked to please cooperate and have their copy ready early in order that two papers may be produced within the same week.

Mr. and Mrs. Marvin Sanders were accompanied to Midland, Sunday by Mrs. Clarence Kelley and son Kent, where they visited Mr. and Mrs. Jim Sanders and family.

--- NOTICE ---

Earth Lions Entertained By German Exchange Student

The Earth Lions Club was entertained Tuesday by Thomas Graf, a foreign exchange student from Germany. The lad showed slides and told about the nation from which he comes and nearby bordering countries.

Thomas showed slides of Karlsruhe, his home town; his family; Hungary; Switzerland; Berlin; the Black Forest; the Rhine River; New York City; and Hereford. He discussed and explained each slide.

Thomas' father is a butcher in Karlsruhe. During the war his father was captured by the Russians, and when he returned home after the war he weighed 80 pounds, which is 80 pounds less than his normal weight. The rest of the family consists of a mother, two sisters, and a brother.

Upon his return to Germany, Thomas' plans are to attend one more year of high school (Germans must attend 13 years of school before starting college) and then enroll in the University of Heidelberg to study

THOMAS GRAF

science, chemistry, and perhaps medicine.

Before leaving to go back to Germany, Thomas will take a three week bus tour of the United States starting June 29. After completing this tour he will return home to Karlsruhe.

CITY TO ENFORCE ORDINANCES...

Weeds And Dogs Gotta Go...

The City Council met Monday and took care of several small items of business. They also voted to enforce the Dog Ordinance and Weed Control Ordinance, one hundred per cent, within the city limits.

Beginning Thursday, June 8, all dogs, tagged or otherwise, must be kept in the owner's yard or tied up. Dogs found roaming the streets will be impounded, and a fee charged, before the dog can be reclaimed. Those left more than three days will automatically be exterminated. City Dads felt there was no other choice, since receiving a multitude of complaints about dogs running loose in the city.

The Weed Ordinance was reviewed, and will be enforced properly, according to the ordinance set up approximately three years ago. Property owners of vacant lots will be responsible for keeping weeds down. Also alleys must be cleared of all weeds. This decision was reached following a review on the cost of spraying the city twice weekly, with little noted results due to the enormous amount of high weeds growing within the city's boundaries.

The Ordinance describes that a fine not less than \$5 and not

to exceed \$50, can be charged those failing to destroy weeds on property within the city's boundary.

The group approved the reading of the previous meeting, and approved the paying of current bills. They also renewed their franchise with Southwestern Public Service Company.

City Dads also made the decision to put out shrubbery in the City Park and hired Joe Hood to keep the park mowed.

A planning and zoning committee was appointed by the group, as well as an equalization board. Those named to the planning and zoning committee are Roger Haberer, J. A. Littleton, Jr., Leon Dent, Lynn Glasscock, and Marcus Messer. The equalization board includes Perry Martin, W. C. Maxcey, and Harold Miller. Alternates to the position are Bob Belew and Rex Clayton.

Those attending the meeting were Mayor E. C. Kelley, City Secretary, Betty McAlpine and Assistant Joan Bulls. Also present were City Attorney, Andy Stroebel, Water Superintendent, Jimmy McGuire, and Aldermen, Neil Pounds, Doug Parish, Earl Parish, and Bill Bryant, also Leroy Wilkinson and Ross Middleton.

One Hospitalized Following Accident

A two-car collision occurring at the intersection of Elm and Northeast Second Street in Earth, Monday afternoon at 3:40 resulted in the hospitalization of Mrs. Gayle Sawyer of Earth. Mrs. Sawyer remains in the Littlefield Hospital.

City Marshal, Alvin Pittman, investigating officer, said the two cars collided as E. R. McAlpine, driving west on Northeast Second Street, in a 59 Ford pickup, approached the intersection of Elm and North Second Street simultaneously with that of Mrs. Gayle Sawyer, who was

driving south down Elm Street in a 61 Impala Chevrolet.

Pittman said McAlpine tried to stop as he saw Mrs. Sawyer's car, but failed to prevent the impact. Pittman also indicated McAlpine's view could have been obstructed by the hedge near the street crossing.

McAlpine was given a ticket for failure to yield right-of-way.

Damages were estimated at \$500 to the Sawyer car and \$250 to the McAlpine pickup.

Pittman said everything else had been quiet in Earth this week. He had only issued two other tickets.

COLLISION MONDAY AFTERNOON... at Elm and N. E. Second Street damaged vehicles and sent Mrs. Gayle Sawyer to Littlefield Hospital.

Local Babe Ruth Team Wins Two, Drops One

LOOKING FORWARD TO A WEEK AT CAMP, GERALD THOMAS poses early Sunday morning with Phil Raught (left) and School Nurse, Mrs. Dorothy Wood and W. A. Hatfield prior to leaving for a week's fun time.

Earth's Babe Ruth League team has started off its season with a bang. The Earth nine won its first two games, but lost its third game by a one run margin.

In the season opener Earth got strong pitching from Steve Sanderson and took a 3-1 decision over Halfway. Steve was the winning pitcher.

In the next outing Earth showed it had strong hitting as well as pitching. Earth stomped Parsons Funeral Home 12-2.

In the first inning Earth scored three runs. Freddie Helms led the inning off with a double, Tony Barton walked, then Helms scored on an error. Steve Sanderson doubled to score Barton. A single by Steve Jones brought Sanderson across the plate.

The third inning saw Earth score three more runs. Terry Bridge singled, Steve Sanderson reached first on an error, and Johnny Eagle drew a walk. Bridge scored on a wild pitch. Steve Jones singled to drive Sanderson home. A wild pitch scored Eagle.

Donny Wheat singled in the fifth, and Johnny Dale McNamara walked. Greg Slover sacrificed Wheat home. One error enabled Hoyt Glasscock to reach first. A single by Eddie Alair loaded the bases. A walk to Brock scored McNamara. Glasscock scored on an error, and Alair scored the final run. Hoyt Glasscock was the winning pitcher.

The third game saw Earth drop a close one to Halfway. 4-3. Halfway scored one run in the first inning. Freddie Helms singled in the first and third innings, but Earth was unable to score.

In the top of the fifth Halfway scored three runs. In the bottom of the fifth Earth loaded the bases, but again failed to score. In the sixth Earth came to life. Steve Jones singled, and Greg Slover was hit by a pitch. Next Donny Wheat doubled to score Jones. An error scored Slover and sent Nick Triana to first. Wheat scored on a fielder's choice to Terry Bridge.

In the bottom of the seventh Earth loaded the bases again, but as in the fifth inning Earth failed again to get any runs. Terry Bridge was the losing pitcher for Earth.

The standings in the league read:

Earth	W	L
Jack Straw Gin	2	1
Parsons Funeral Home	0	1
Halfway	1	2

Boy Scouts Make Plans For Camp

Fifteen members of Boy Scout Troop #14 met at the Scout Hut Tuesday night and discussed the Scout Camp at Tres Ritos, on August 6-13. Several local scouts plan to attend the camp.

Election was held by secret balloting to select three boys of the local troop to join the "Order of the Arrow" organization. Results of the election will be kept secret until the last night of the Tres Ritos Camp, when those elected will be revealed. Scout Master Travis Jaques met with the group.

Welcome Rains Aid Area Farmers Amphibious Car Anyone???

Rain, high winds, and one tornado was reported in the Earth, Springlake, and the surrounding communities. Amounts of up to four inches of rain have been reported. No damage was reported from high winds, or the tornado, and only a trace of hail was reported in a small area several miles north and west of Earth.

Moisture from the rain greatly aided area farmers. Most farmers reported that they had received from two to three inches of rain just right for continued growth of the crops.

Jarvis Angeley of the Pleasant Valley Community reported from two and one-half to three inches. Angeley received no hail with this rain.

Two inches of moisture was reported by Guy Francis Kelley, who farms seven miles north of Earth. No damage from hail was declared by Kelley.

Perry Martin also north of Earth got one of the heaviest amounts reported. Martin recorded four inches of rain. No hail was received by Martin.

Farmers from near Springlake fared as well as farmers from the Earth area.

J. W. Dear located four miles west of Springlake recorded two and one-half inches of moisture and damage from hail.

No hail and three and one-half inches of rain was reported on the J. J. Coker farm. Coker is located three miles north and one and one-half miles east of Springlake.

Les Watson stated he received quite a bit of good rain and no hail. Watson lives north of Springlake.

The tornado was reported to have been spotted five miles northeast of Springlake. Jerry Barden, who lives near where the twister was reported to be, said he did not see the funnel cloud, but there was quite a bit of high wind. Barden also reported as having received a large amount of rain and no hail.

Herb Wendomb commented that he had gotten hail damage from the first rain last week. He did not estimate how much damage was done. Wendomb received the hail seven miles west of Earth near Nichols Gin.

Linda Starkey is recuperating at her home following recent surgery in the Medical Center in Plainview.

Mrs. J. J. Coker who underwent surgery in the Littlefield Hospital recently, is reported to be recuperating at home.

About a dozen Earth ladies who were in Lubbock Thursday found themselves stranded from their homeland, Earth, and were forced to find refuge over night in a motel in Littlefield when flooded conditions made the road impassible.

Mrs. M. E. Kelley who was visiting her sister near Lubbock, didn't attempt to make the trip home. However, others, used to the long dry spell, drove through down pouring rain to every road in the country that led into Earth, only to find themselves

cut off and isolated from home by swollen streams covering the roadways.

Mrs. Ralph Rudd and her daughter Mrs. Ledford Enloe, barely made it through when a kindly knight in shining armor offered help. Mrs. Enloe, on returning to her home in the Rocky Ford community, found every storm window and door broken out, and water standing throughout the house. The following day she and her mother again faced the flooded roads to replace windows and doors in her home.

Former Resident Preparing For Vietnam Duty

Gene Higgins, as a representative of the State Department, has been assigned to 1 1/2 years of service in Vietnam as a public administration advisor. His job in Vietnam will be to instruct the people on how to set up their own city governments. Headquarters for Higgins in Vietnam will be located in Saigon.

In preparation for his duties, Higgins is currently attending a four-week language school in Washington, D. C. Although Higgins will have an interpreter, he is learning more about how to communicate with the Vietnamese people.

Higgins has his Bachelor's Degree in Political Science from Eastern New Mexico University and his Master's Degree from Southern Methodist University in City Government.

Higgins' experience along the line of his duties in Vietnam has come from being city manager in Alamogordo, New Mexico, Fort Stockton, Texas, and Las Cruces, New Mexico.

Mrs. Higgins is in Washington with her husband. She and their children will reside in Portales, 1947.

GENE HIGGINS

New Mexico during Mr. Higgins' absence.

Gene Higgins is the son of Mr. and Mrs. Bruce Higgins of Earth. He was born and raised in the Earth community and graduated at Springlake High School in 1947.

Several Items Needed At Local Good Will Centre

The Community Centre Committee gathered Thursday in Pounds Pharmacy for a regular monthly session. The group decided an error had been made during presentation of the scholarship to Margaret Wilborn at the recent commencement exercises. Rather than a \$100 scholarship given by the Good Will Centre as was announced that night, the Good Will Centre, instead awarded Miss Wilborn with a \$125 scholarship per semester.

The group voted to pay nineteen dollars doctor bill for a local family. A discussion of plans for setting up a sewing room in the Centre, to move the Free Sewing School for Spanish American women and girls into the Centre. County agent Lady Clair Phillips, along with the local homemaking teachers and others are currently instructing the sewing school in the homemaking department at school.

The Good Will Centre is now in need of donation of any pieces of furniture and old sewing machines. They also are in need of folding tables and chairs for the sewing room. Anyone who has these to donate may call 257-2861.

Mrs. C. L. Houchin who was in charge of the Good Will Centre, Saturday, said she took in \$24 in sales. She reported the most needed items were children's clothing, toys (any type of repairable toys), also bedding such as spreads, blankets or quilts.

The committee will meet again on August 3. Anyone needing assistance is asked to call Neil Pounds and Pounds Pharmacy. Members of the Community Centre Committee are Mrs. Johnny Murrell, Mrs. C. T. Richardson, Mrs. T. V. Murrell, Neil Pounds, Miss Aurilla Sanders and Mrs. C. L. Houchin.

Bookmobile In Area Today

## WTPA Scholarship Awarded Fort Stockton Lass

An 18-year-old Fort Stockton girl has been named winner of the 1967 West Texas Press Association \$800 college scholarship.

The winner is Margaret Laurence, a recent graduate of Fort Stockton High School.

The announcement was made this week following a meeting of the WTPA Scholarship Committee Sunday in the Johnson House Restaurant in Lubbock. Those attending on the committee were Bill Turner, Chairman, Littlefield; Ross Middleton, Earth; Wendell Tooley, Floydada; and Dave Kuefler, Lamesa.

First alternate in the contest voting was an 18-year-old Snyder girl, Fatsy Rainwater.

Miss Laurence, daughter of a service station operator in Fort Stockton, plans to attend Sul Ross College, Alpine, for two years, then transfer to Texas Tech to complete her training in journalism.

West Texas Press Association, which started the newspaper scholarship in 1956, had four students in college this year.

Miss Laurence will receive \$200 per year (\$100 per semester) for each of the four years of college providing satisfactory academic requirements are met. She has been active in journalism at Fort Stockton, serving as editor-in-chief of her high school paper, The Tumbleweed, this past year.

The Fort Stockton school paper was chosen state champion for

Class AAA this year by the Texas High School Press Association.

Her column, "Running Around," received the state "Cream of the Crop" award.

She also was presented an award as Fort Stockton's "journalist of the year," during Angelo State College's Journalism Day.

## Kin Of Local Woman Drowns

Foy Hurt, 60, a Delta County rancher drowned last Wednesday while attempting to rescue cattle stranded by a flood. The body was recovered Thursday.

Hurt is a resident of Klondike where his wife serves as postmistress.

Mrs. Hurt said her husband left their home early Wednesday morning in a pickup truck with a horse-loaded trailer, during a heavy storm, to look after his cattle.

When he did not return, searchers found his truck and trailer near the river and the horse in swirling neck-deep water, unable to climb the slippery bank to safety. The horse was rescued.

Hurt was a cousin of Mrs. Lee Sloan of Earth.

The following recipe for orange-rum loaf is the recipe sent in by Norma. ORANGE-RUM LOAF

### Glaze

1/4 cup sugar  
Juice of one orange  
1/8 tsp. Adams Rum Flavor

### Batter

1/4 cup Karo  
1 cup buttermilk  
1 tsp. Adams Butter Flavoring  
2 tsp. Adams Rum Flavor  
1 tsp. Adams Orange Extract  
1/2 tsp. "Adams Best" Vanilla Extract  
Grated rind of one orange  
3/4 cup granulated sugar  
1/4 cup brown sugar  
1/2 cup margarine  
3 eggs, well beaten  
1 3/4 cup flour  
1/2 tsp. salt  
1/2 tsp. baking powder  
1/2 cup chopped nuts

Preheat oven to 375 degrees. Glaze: Combine sugar, orange juice, and Adams Rum Flavor. Stir until sugar has dissolved. Set aside to be poured over warm cake. Batter: Mix Karo, buttermilk, Adams Butter Flavoring, Adams Rum Flavor, Adams Orange Extract, "Adams Best" Vanilla and orange rind and set aside. Cream sugars and margarine. Add well beaten eggs to the sugar mixture. Sift flour salt, baking powder, and soda and add alternately with the milk, Karo and flavorings mixture. Beat only to blend thoroughly. Add chopped nuts. Pour into well greased and floured 5" x 9 1/2" x 3" loaf pan. Bake in 375 degree oven for 50 minutes or until it tests done. Pour orange glaze over warm cake before removing from pan, allow to cool. ## Susan Ruby Installed As Worthy Advisor Of Rainbow Assembly

Susan Ruby, daughter of Mr. and Mrs. Doug Ruby, was installed as Worthy Advisor of the local Rainbow Assembly in an impressive ceremony Monday night at 7:30 in the Earth Masonic Lodge Hall.

The welcome was given by Mrs. Beth Kelley, with Rev. Walter Driver giving the invocation.

"Faith and Love" was the theme chosen by Miss Ruby, symbolizing this theme was the Holy Bible. Scripture for the ceremony was John 15:1 read by Margaret Wilborn. Mrs. Yvonne Layman, soloist sang, "How Great Thou Art," which was Miss Ruby's selected song.

The room was decorated with yellow carnations and greenery, carrying out the chosen yellow and white color theme throughout.

Miss Ruby introduced her sponsors Mrs. M. E. Kelley and Mrs. Fern Bock, her parents Mr. and Mrs. Doug Ruby, her mascot, Mona D. Truelock and other guests.

Other officers installed along with Miss Ruby were Worthy Associate Advisor, Anita Kelley; Charity, Donita Kelley; Hope, Camille Haberer; Faith, Mary Nell Walker; Recorder, Norma Kelley; Treasurer, Brenda O'Hair; Chaplain, Connie Kelley; Drill Leader, Susie Adair; Love, Annette Hodge; Religion, Karen Hinchliffe; Nature, Kathy Myers; Immortality, Sharla Haberer; Fidelity, Jo Ann Temple; Patriotism, Susie Temple; Service, Pam Avery; Confidential Observer, Kathie Brown; Outer Observer, Diane Hodge; Musician, Becky Littleton; and Choir Director, Ann Bearden.

WORTHY ADVISOR SUSAN RUBY, (center) is pictured with a quartet of new officers. They are left to right, Mary Nell Walker, Faith; Donita Kelley, Charity; Anita Kelley, Worthy Associate Advisor; and Camille Haberer as Hope.

Silver glittered letters reading "Faith and Love" decorated the east wall behind the Worthy Advisor's station. Yellow miniature carnation attached to lovely weeping willow branches hung from the ceiling above each of the stations in the assembly room.

Mother Advisor, Mrs. Dortha-phine Brown introduced the installing officer Mrs. Ann Kelley and her assistants, installing Marshal Mrs. Beth Kelley, Installing Chaplain Miss Norma Kelley, also installing Musician Mrs. Elizabeth Loring and Recorder, Mrs. Gayle Littleton.

Following the installation program the group were escorted to the serving room where they were served pineapple sherbert punch and cake by Naomi Carr and Terry Crisp.

The table was covered with a yellow cloth with a white net overlay and centered with an arrangement of white and yellow carnations. The white cake was made in the form of an open Bible and was decorated with yellow carnations.

Doug Ruby, father of the Worthy Advisor, gave the benediction.

## Salem To Show Films Of South America, Sunday

Joe Salem of Sudan, will be at the Methodist Church in Earth Sunday, June 11, at 7 p.m., where he will show pictures and narrate the scenes and customs of people in South America that he recently visited.

In South America he visited the Methodist Church Mission Field, gathering information and taking pictures of the places where missionaries were working with the people there. The informative pictures will give an idea of conditions in South America.

Mrs. Bell Goldson, mother of Mrs. Virgil Lewis and Mrs. Henry Lewis of Earth, was dismissed Wednesday from the Littlefield Hospital and allowed to return to Earth to recuperate. Mrs. Goldson had been hospitalized for a week.

## Hagy, Ray United In Double Ring Ceremony

Double ring wedding vows united in marriage Miss Lillie Janette Ray and James Edward Hagy at 7:30 p.m. Friday in College Avenue Baptist Church, Lubbock.

Providing wedding music were James Chilton, organist, and Mrs. Kenneth Kyle of Amarillo Soloist. Ring bearers were Tim Ray and Steven Ray, both of Los Alamos, N.M., and candlelighters were Mark Dickson and Kevin Dickson.

Officiating was the Rev. Harris T. Ray of Littlefield, father of the bride. He was assisted by the Rev. Cletus Causwell of Woodrow.

Parents of the bride are the Rev. and Mrs. Ray. The bridegroom is the son of Mrs. J. B. Hagy, 907 82nd St., Lubbock, and the late Mr. Hagy.

Best man was Keith Richardson of Dell City, and groomsmen were Carrol McGinnis, Gary Satterfield, Don Bell and Russell Gillentine. Sammy Smith was usher.

A reception was in the church's fellowship hall.

After a wedding trip to San Francisco, the couple will reside at 4203 64th St. in Lubbock.

Mrs. Hagy is a former resident of the Earth-Springlake area, and attended Springlake School. She is also a 1965 graduate of West Texas State University, and is a teacher at Jackson Elementary School. Her husband, a graduate of Lubbock High School is manager of the grocery department at Furr's Family Center.

LIONS NET \$153,28 IN BROOM SALE

Sales during the annual broom sale sponsored by the local Earth Lions Tuesday, totaled \$613.10. Of that amount the local Lions received \$153.28 for their part.

Neil Pounds, treasurer, said proceeds from the sale would go into the club's fund to be used for future projects.

## Meeting Scheduled To Stir Interest In PV Lions Club

District Governor of Lions International, Pete Cheaney, of Lubbock and Deputy District Governor, Jarvis Angeley will be in charge of a meeting to be held Thursday night at 9:00 in the Pleasant Valley Community Building. The purpose of the meeting will be to acquaint the men interested in organizing a Lions Club with some of the activities of a Lions Club.

LOCAL YOUTHS ATTENDING SHOOl IN OKLA.

Cheaney will show slides of the Crippled Children's Camp in Kerrville. This camp is a project sponsored by the Lions Clubs of Texas.

A prior meeting was held last week, but because of a lack of attendance another meeting had to be scheduled this week.

David Foster and Craig and Welda Barton are presently attending a "Horseman's School" in Addington, Oklahoma.

## Chamber To Send Invitations To Sheriff Poses For Rodeo Parade

Directors of the Earth Chamber of Commerce and Agriculture met in a regular monthly session at 10 a.m. Friday in the local Chamber office.

The major business at hand was to discuss work in connection with the big Earth Annual Rodeo in July, with information as to the date for the rodeo and entry deadline of area sheriffs' poses for entering. The parade is to be checked, and letters of invitations to various poses and organizations sent out.

The school began on June 1 and will last one month.

At the school the threesome will be given instructions on riding, roping, and the proper care of horses.

Decorations for the town during the big rodeo led to a decision that all flags should be displayed, and that each individual business should decorate as they desire.

Chamber president, Neil

Pounds commented on the letter he had received from Dr. Floyd Golden, thanking the local Chamber for the donation given him following his address at the local Chamber Banquet. Pounds also told the directors that an Earth-Springlake Business Association had been organized.

Those attending were Pounds, Henry Lewis, Edwin O'Hair, Leroy Wilkinson, Doug Parish, Harold Miller and Jim Williams.

Mrs. Wesley Clark was in Lubbock Monday, to see her doctor. Mrs. Clark is suffering from cold, sore throat and allergies.

## Free Sewing Classes for Spanish Women Held Each Friday

Members of the Adult I Sunday School Class of the First Methodist Church in Earth, taught by Mrs. Ray Axtell, is currently sponsoring a sewing class, to aid Spanish American women and girls in the community to sew.

The project is being met with enthusiasm both by those desiring to learn the art of sewing and by those lending a helping hand with the instruction of classes. County agent, Lady Claire Phillips, is assisting with the instruction along with both homemaking teachers Mrs. Marie Sloner and Mrs. Evelyn Maxcey of Olton, along with various members of the Sunday School Class.

Classes are currently being conducted each Friday night in the Homemaking Department of Springlake-Earth School. The free sewing school is a future project for the Good Will Centre and will be moved into the Centre as soon as a sewing department can be set up there.

In the fall when canning season begins, the group plans to expand these classes to cover canning and preserving foods.

Mr. and Mrs. Edd Bell and children returned Saturday from visiting several days with his father, L. T. Bell, and other relatives in Waco.

## Clayton Sums Up Accomplishments Of 60th Legislature

The 60th Legislature adjourned near mid-night on May 29, after 140 days of the hardest work that any legislature in history has done. I know that longer hours were spent on committees and sub-committees, than at any time during the years that I have served my district as a member of the legislature. Very shortly now I shall close my office here in Austin, and will be in Springlake. It has been a pleasure to represent you during this session of the legislature. I just hope that I have represented you well, believe me I have tried. I sponsored and passed 23 bills, and had four bills that did not pass the House, and two bills that were lost in the Senate. Besides these I co-authored about twenty other bills. The State Affairs Committee, of which I was a member, heard 291 bills. The Counties Committee, of which I was chairman, heard 230 bills. The Conservation and Reclamation Committee, of which I was a member heard 275 bills. The Urban Affairs Committee, of which I was a member, heard over 60 bills. So, you can see these four committees considered 40% of the 2000 bills introduced in the House and Senate. The Rules Committee, of which I was a member, considered all of the bills that were reported favorably from the various committees before they were placed on the calendar for House action. I was chairman of 24 sub-committees and on 65 other sub-committees. It is the policy of the House of Representatives to send each bill that the committee hears, to a sub-committee for closer study than the main full committee can give to every bill. The sub-committee then reports the bill back to the main committee for its action. Some of the major pieces of

Water Adjustment Act--this act allows the Water Rights Commission to adjust water rights in Texas. This is something that has been needed for many years. This will help determine the amount of water available to move to West Texas. State Employees' Pay Raise--gave to the employees of the State the first major raise in salary that they had had in many years, and allowed the State agencies to compete for capable personnel to fill vacancies that have existed because of inadequate salaries. Some of the major areas that were helped were the personnel to staff adequately the Texas Highway Patrol, the State Health Department, the State Highway Department, and other State agencies over the entire State. Education Bills--one of the bills of major interest was the increase in teacher pay by \$600 a year; other legislation would set up a sick leave program for teachers; allows pilot programs for 10 months and 12 months school systems, and more money for higher education. Local County Government--this legislation affects our local county offices, and standardizes the fees in certain offices such as clerks and offices of the justice of the peace. Industrial Safety--for the first time Texas has an industrial safety act, which will serve to lessen the number of accidents in the industrial areas of Texas. This was a compromise bill, and was agreed on by industry and labor. Code Of Criminal Procedure--this legislation tightens the law in favor of law enforcement. It will help in the apprehension and prosecution of those violating our laws. Open Meetings Bill--this measure provides that all State Agencies and political subdivisions shall hold public meetings, open to the press and anyone interested. Nothing can be withheld from the public. Air And Water Pollution--this measure will help the State clean up pollution in the streams, and the air pollution act was strengthened. Park Bonds--a revolving fund has been set up for the development of State parks by charging admission to State parks. The charge will be much the same as is now done at Palo Duro State Park.

THE (YELLOW) PEE WEE TEAM... is a hard playing team that takes to the field ready for a game. The name (Yellow) does not describe this youthful group of future professional ball players, as they are not afraid to tackle any team in the league. Front row (left to right) Dickie Brown, Freddy De la Garza, Jesse De la Garza, Brent Washington, Ray Van Banks and Emille Ortez. Second row: Timmy Thomas, Junior Guierrez, Brad Barden, Rodney Geissler, Eric Freeman, Jeffrey Washington and Rodney Dunn. Coaches are P. A. Washington, George Washington and Jerry Barden.

Legislation Was Passed That Will Allow Commodity Groups To Organize To Help Themselves through research and promotion. This is permissive on the part of each individual farmer.

Natural Fibers Commission Study Was Authorized--in all probability this study will lead to the creation of a commission for cotton, wool, and mohair research. This could create a demand for our short staple cotton.

LSD was placed under the dangerous drugs act--I hope this will stop the use of this drug by many of our young college students.

Legislation To Allow Research By Certain Industries In Connection With Texas Tech College--

this should be a boom to Tech and the area in finding industries that are suitable to West Texas.

The Creation Of The Western Information Television Network which will be one of the greatest strides in higher education to the people of our area. This system will eventually save millions of dollars by using a combination of talent from the various schools in the network. It might provide a method of taking college classes in some of the smaller towns or even at home.

These are a few of the more than 900 bills that passed at this session.

Probably three of the most controversial bills that did not

pass at this session were:

1. State minimum wage legislation which would have set a minimum of \$1.25 for all workers including farm workers.

2. Liquor by the drink proposal which would have permitted open saloons in Texas.

3. Pari-mutuel betting on horse races which would have allowed several race tracks and gambling in our State.

If you have any questions or if I can be of help to you in any way feel free to call on me at Springlake.

legislation that passed this session included the following measures:

City Sales Tax--this measure allows any city in Texas to call an election to determine whether

that city shall impose a city sales tax on the people who purchase retail items within the city. A number of the larger cities plan, in the near future, to exercise this right to vote on whether or not they will have a city sales tax. The tax can not exceed 1%.

Traffic Safety--this legislation provides that a person must be 16 years of age, and must have taken driver training before he can be licensed to drive an automobile; otherwise the person must be 18 years of age; it also provides that drivers' licenses of persons under 21 years of age will be a different color. This will keep minors from giving false ages in trying to purchase alcoholic beverages.

Industrial Revenue Bonds--this measure allows cities and counties to issue bonds to attract industry; these bonds are to be paid for by the revenue from the industry that is attracted. This should be one of the best ways for small cities to draw industry. I sponsored and passed this bill.

## Quarantine Removed In County

For the past 10 months Lamb County has been under federal quarantine on cattle scabies.

This quarantine has been released as of May 24, 1967. Official notification to this effect was received by Buddy C. Logsdon, County Agricultural Agent June 1, 1966.

Counties other than Lamb involved in the quarantine release were Briscoe, Castro, Floyd, Hale, Motley, Randall and Swisher Counties in Texas and Merced County, California.

Free movement of livestock will now be allowed throughout the area according to Buddy C. Logsdon, County Agent.

## Scout Pack Receives Awards

Cub Scout Pack 614 held a meeting Monday, June 5, at 8 p.m. at the school.

Entertainment was "The Skunks", a skit given by members of Den 6. They were Lee Brown, Brent Washington, Robert Geisler, Bryant Taylor and Kirk O'Hair.

Awards were presented by G. R. Bloodgood, Den Master, to some of the scouts for their achievements. Lee Brown, Kirk O'Hair, Bryant Taylor, Brent Washington, and Robert Geisler were all awarded Bobcat Pins. Wolf Pins were received by Cokie Hopping and Randy Bills. One two-pin was presented at the meeting to Bill Bloodgood.

Future meetings of the pack were arranged. The August meeting will be a weiner roast with the exact date to be set later by the Den Mothers. The September meeting will be on September 4 at 8 p.m. at the school. There will be no July meeting.

## REASONS WHY YOU SHOULD HAVE A CHECKING ACCOUNT AT

Convenient payment of bills from your easy chair. Time, effort and money saved.

Positive proof of payment in the form of your cancelled check. No receipt required. No danger of double payment.

A useful record of income and expenses in the stubs and pages of your checkbook. Saves you hours of time in preparing your income tax returns. Helps keep your budget straight.

No loss or theft of large cash sums, because checks make the carrying of a lot of cash unnecessary.

More economical spending. You can't make large cash expenditures on impulse when you carry only enough for your daily cash needs. You think twice before you write a check.

The prestige and satisfaction of having a bank account and of paying by check.

By Tenny Bowden.

Mr. and Mrs. Eldon Lilley were in El Paso last Thursday through Saturday. Rev. and Mrs. Eddie Howard and Rev. and Mrs. M. D. Durham were guests last Sunday of Mr. and Mrs. A. L. Wilson.

Alford Crisp recently received a diploma in Electronics Communication from the DeVry Institute of Technology in Chicago. He completed the one year home training course in April. He started the course after his car wreck, and plans to take some advanced training.

Rev. and Mrs. M. D. Durham visited with Marvalynne Durham at Fort Defiance, Arizona, Monday through Wednesday.

Lori Westmoreland of Littlefield stayed last Sunday night to visit this week with her grandparents, Mr. and Mrs. Alton Louder. They took her home Friday and visited with the Lowell Westmoreland family. Gena came home with them.

Around 15 inch of rain was received Monday evening through Thursday afternoon and Thursday night, and from 50 in the north to 1.75 in the west part of the community Saturday evening a little hail was received in the west.

Mrs. E. R. Sadler and Mrs. J. Paul Waggoner attended the Castro County Activities committee meeting in Dimmitt Monday night.

Mrs. Dean Kirby and Ronald of Dimmitt visited Tuesday afternoon with Sandy Louder and Mr. and Mrs. W. E. Louder. Sandy went home with them and stayed until Tuesday afternoon.

Mr. and Mrs. Milburn Haydon left Wednesday morning for Oklahoma City to spend a few days at the clinic there. They also visited in Weatherford before coming home Sunday night.

The W. M. S. met Wednesday night for a Stewardship emphasis. The president had charge of the program.

Myra Elliott passed the Lady-in-Waiting step before the G. A. Reviewing Council Wednesday night. La Donna Kay Franklin passed the same step recently.

Mr. and Mrs. Irving King went to Monument, New Mexico, Wednesday to visit with Mr. and Mrs. Billie King and family. They started home Thursday evening and got caught in the heavy rains and hail and had to spend Thursday night in Sudan. They came home Friday morning by Muleshoe.

Mrs. E. R. Sadler left by plane from Lubbock Thursday afternoon for Rockport to visit a few days with her parents, Mr. and Mrs. M. H. Fowkes and help her mother celebrate her birthday

which was Friday. Mr. Sadler also got caught in the heavy rain, and was delayed waiting for the water to subside enough to get through in the pickup. He made it by going east and south of Littlefield and then back to Olton. This road was blocked later.

Mr. and Mrs. Elmer Dixon visited Thursday evening with Mr. and Mrs. Weldon Bradley and Lee.

Mr. and Mrs. Weldon Bradley and Mr. and Mrs. Gordon Bradley of Tucumcari left Friday for San Antonio after receiving word that Mr. Bradley's brother who lived near San Antonio had passed away. They returned home Sunday.

Mrs. Charles Hedrick and boys were in Stratford this week to see about a house. Charles is being transferred by Western Ammonia to Stratford.

Mr. and Mrs. J. Paul Waggoner and Jimmy had supper in Dimmitt Friday night with Mr. and Mrs. Ernest Waggoner and other members of the family.

Mr. and Mrs. Roy Phelan visited in Fieldston Friday with Mr. and Mrs. Earl Phelan. They lost their cotton crop to hail and high water and some of the feed was still under water.

Mr. and Mrs. Raymond Lilley left Saturday for Big Springs to visit with her aunt who was seriously ill.

Mrs. James Powell and girls of Dimmitt visited Saturday with Mrs. Ezell Sadler. Randy is in Oklahoma with his grandparents.

Mr. and Mrs. Woodrow Powell, Mr. and Mrs. Jesse Pharis and boys of Midland visited last Saturday with her brothers Mr. and Mrs. Winston Waggoner and children, and Eddie Waggoner. Evelyn Waggoner of near Sulphur Springs visited with them Thursday and Friday. She brought word that Mrs. Eules Waggoner was in the hospital, and possibly faces major surgery. Tests were incomplete.

Mrs. Bobby Gulley and Vicki of Clovis and Mrs. Grady Herington of Farwell visited Monday with their niece and daughter. Mr. and Mrs. Winston Waggoner, Quint and Holly Dee. They brought Quint home with them.

Mr. and Mrs. George Drake and Linda moved from the community to east Texas this week.

Greg George of Dimmitt spent Saturday night and Sunday with his grandparents, Mr. and Mrs. Houston Carson, Carl Dean and Resa.

Mr. and Mrs. John Graham returned home Thursday night from a week's visit in Ohio with friends and relatives. Mrs. Gerald Graham and boys are still with her parents there.

IT'S SURE A LONG WAY TO FIRST BASE!!! However, this speedy little Pee Wee is seen making short time of it, by his long strides. The Yellows and Greens are matched in a battle of skill.

Kenneth Akers and Candee Smith of Lubbock visited Wednesday, Wednesday night, and Thursday with his grandparents, Mr. and Mrs. John Spencer.

Mr. and Mrs. Ernest Sandel and her mother, Mrs. Newt Stewart of Dimmitt visited in the Sunday morning worship services. Rev. and Mrs. M. D. Durham had Sunday dinner with them.

Mr. and Mrs. Larry Sadler were honored with a barbecue hamburger supper at the home of Mr. and Mrs. Ezell Sadler Saturday night. Others present were their children Carrie and Stacy, Mr. and Mrs. David Sadler, Richard Armstrong of Amarillo, Johnnie Presley of Dimmitt, Mr. and Mrs. James Powell, Tresa Denae and Cheryl and Mr. and Mrs. Ezell Sadler.

Mrs. Fred Helm and Freddy of the gas camp were visitors in the Sunday morning church services. Mr. and Mrs. Irving King visited in Amarillo Sunday with her mother, Mrs. F. M. Sweeney and Bill.

Seventy-two attended Sunday School Sunday morning. There were no night services because of the bad weather. The children at choir practice were taken to Bradley's basement when alerted about the tornado which was sighted by several in the southwest part of the community. The gas plant sounded their tornado alarm, and several went to the cellar, but no damage was done so far as is known.

In the north part of the community a hail storm with high winds and up to 3 1/2 inches of rain wiped out a narrow strip of crops. It seemed to move from

## How Safe Is Your Home?

"Safe at home" means a baseball player can relax for a while—but American homeowners who take safety for granted are "out in left field." Leota C. Lane, Extension family life specialist at Texas A&M University, reports that 28,000 persons are killed in home accidents each year. About 25 million home accidents occur which cause injuries requiring medical attention. These statistics indicate that one's home can be a downright dangerous place.

American Medical Association records indicate that falls west to east. Some of the hail was golf ball size, and fell with terrific force. Highway 385 was flooded in several places, but it was never blocked. Fields were a solid sheet of water for two hours after the storm. Cotton and soy beans in this two miles wide strip or less were a complete loss, most of the wheat was from 60% to 100% loss, and maize and corn were considerably damaged. The hail came in three different shifts, the heaviest and large hail first with most of the damage, later smaller hail with no winds. It was about marble size and fell straight down. The third hail was pea size and also fell with no winds. All took place within an hour.

Mr. and Mrs. Bill Morgan and family returned home from their vacation in Oklahoma Sunday afternoon.

are the second most common cause of accidental death, next to highway accidents. Falls in and around the home each year cause injuries to nearly seven million people and 12,000 deaths.

Falls account for more than half of the fatal accidents for people over 65 years old, and about 75 per cent of these falls occur at home. Falls on stairs cause nearly 2,000 fatal injuries each year. Proper lighting and sturdy handrails on stairs are important factors in home safety for adults and children alike.

A light switch near the door of each room is an invaluable safety measure. Loose rugs, scattered toys, and extension cords are safety hazards in any home. Spilled water or grease on floors are additional causes of falls and are particularly dangerous for older people.

Safe equipment should be provided for reaching high places, emphasizes Miss Lane. Never use boxes, chairs, or other home furnishings for climbing to get things from hard-to-reach places. "Fall-proof" your home. Keep your family "safe at home."

Pruda Kay Sanders left Friday to enroll in summer school at Hardin-Simmons University in Abilene. She will attend both summer sessions, while working part-time at the YWCA. She is majoring in Special Education, and her minor is Elementary Education.

## Rites In Haskell Today For Mother Of Local Man

Funeral services for Mrs. J. D. Wheatley 81, of Haskell, Texas will be held Thursday (today) in the First Baptist Church of Haskell. Interment will be in the Roberts Community Cemetery.

Mrs. Wheatley died Tuesday June 6.

Mrs. Wheatley had been a resident of Haskell since 1918. Her husband preceded her in death in 1902.

Survivors include four sons, A. E. Wheatley, Earl and Elmer, Marvin and Carl Wheatley all of Haskell; three daughters, Mrs. Martin Robinson, Kilgore, Mrs. Laura Mae Whittaker, Ft. Worth, and Mrs. Freda Littlefield of Abilene, one brother, W. A. Sandlin, Dallas, and one sister Mrs. Wayne Hart, Austin, fourteen grandchildren and 23 great grandchildren. Two of her grandchildren are Mrs. Larry Tunnell and Tommy Wheatley, both of Earth.

## Rites Held For Former Earth Doctor

Services for Dr. C. H. Bausman Jr., 38, former resident of Earth, were at 3 p. m. Monday in the First Methodist Church of Post. Officiating were the Rev. Curtis Lee, pastor of the church, and Jerry Tubbs, Irving.

Burial was in Terrace Cemetery under direction of Hudman Funeral Home.

Dr. Bausman died Saturday morning at Garza Memorial Hospital in Post.

Born in Oak Park, Illinois, Dr. Bausman graduated from the medical school of Northwestern University, Chicago, in 1952. He was a medical officer at Sheppard AFB, Wichita Falls, before he went into private practice. Bausman opened and operated the Earth Family Clinic in March, 1964, after having moved from Amherst. From Earth he moved to Post in 1965.

He was a member of the First Methodist Church and of the Post Lions Club.

Survivors are his wife Patty; two sons, Charles III, and David Wayne; and a daughter, Rebecca Lynn, all of the home; and his father, C. H. Bausman, Sr., of Lubbock.

Funeral services were held at Post, Texas, Monday, June 7, 1967, at 3 p. m. in the First Methodist Church of Post, Texas. Burial was in the Terrace Cemetery, Post, Texas.

## Farmers Must Receive ASCS Approval Before Planting Soybeans

Some South Plains cotton farmers face an important decision—whether to replant hulled-out or cold damaged cotton or to plant permitted cotton acreage to soybeans.

If the decision is to plant soybeans, growers must receive prior approval from the county ASCS office, says Buddy C. Logsdon, county agricultural agent. With this approval, cotton price support payments may still be received.

Growers can expect a decline in lint yields as planting dates become later in the season, Logsdon points out. In fact, some yields have decreased as much as 728 pounds per acre.

Average lint yields obtained at the South Plains Research and Extension Center over a five-year period have been 800 pounds per acre for June 1 plantings compared to 662 pounds per

acre for plantings on June 8-10. Based on an average price of 16¢ per pound, this difference alone amounts to \$14.08 per acre.

Logsdon adds that there are a number of factors to consider before planting soybeans on cotton acreage. First of all, adequate irrigation water should be available to produce sufficient yields.

Also, tests have shown that yields are increased if cotton follows soybeans in a rotation. Thus higher yields should be obtained on next year's acreage if soybeans are planted this season.

Of course, the rental agreement between the landlord and tenant must be considered points out Logsdon. Usual agreements call for one-fourth of the gross income from cotton to go to the land owner whereas one-third of the income from soybeans is paid.

The expected income above operating costs is another important factor in deciding between late-planted cotton and soybeans, points out Logsdon. On a per acre basis, to produce a line yield of 800 pounds, a grower may spend \$80 and thereby leave a net operating return of \$40.

In comparison, irrigated soybeans planted by June 6 normally yield about 30 bushels or more per acre. Considering a production cost of \$36 per acre for soybeans, a producer could expect reasonably more net operating return from soybeans than from cotton.

If cotton is to be replanted, the county agent feels that a few guidelines should be considered with regards to varieties. Only early maturing varieties should be planted at this late date due to the shortened growing season. Long staple varieties such as Acala and Del Cerro will not have sufficient time to mature.

Irrigation of late cotton also becomes more critical, says Logsdon. Less water should be applied in order to insure early fruiting. Following preplant irrigation, generally one additional application at peak bloom is sufficient.

Thursday afternoon guests in the Lewis Faver home were Stacy Koolininger, La Cressa James, Tony Sanders, Debbie Bell and Sherry Dent.

V. J. Sigman and Danny Smith left Sunday night for Truth Or Consequences, New Mexico, on a fishing trip. They will return Saturday.

# Lazbuddie News...

By Mrs. C. A. Watson

Severe weather, including high winds, hard rains and hail did quite a bit of damage to farmers' crops in the area. During a rain storm one evening last week, trees were blown down in the immediate area. A feed barn containing hay was blown out in the field, also a chicken house destroyed on the James Harvey farm between Clays Corner and Lazbuddie. Heaviest hail damage seems to be southwest of Clays Corner. Some crops will be planted over in soybeans or other season crops. The grain crops in the area weren't damaged so badly.

Mr. and Mrs. Edwin Young visited the past weekend in Ft. Stockton, Kentucky, with their nephew, Cooper Young, Mr. and Mrs. Stephen Young were in San Antonio the past weekend visiting her parents.

Mr. and Mrs. E. A. Parham returned late Sunday from Anson where they had been visiting his parents, Mr. and Mrs. W. M. Parham.

Jim Roy Daniels, Fred Burch, and Pete Jesco attended the Water, Inc. meeting in Lubbock recently.

Mr. and Mrs. Dwain Menefee and children, Friona and Mr. and Mrs. Don McDonald and children from Lazbuddie were Sunday evening visitors in the P. E. Cargile home, Lariat.

The Lazbuddie Tax Equalization Board members will meet in the Board Room at Lazbuddie School the evening of June 12 for the purpose of a business discussion. Anyone in the area having business to discuss with the board is invited to attend.

The 4-H members, their mothers and leaders will meet with other 4-H clubs in Farmer County Wednesday, June 7, for the purpose of planning for the clothing project. Guest speaker is Mrs. Russell Haberger giving talks on "Persons Approvements." Also other subjects on clothing will be discussed.

The students and teachers of the First Baptist Bible School being held this week enjoyed a picnic at the Clovis Park Fri-

### DURING GENERAL ELECTRIC'S 10th ANNUAL

# Trainload SALE!

For the tenth year in a row — here comes the General Electric appliance train! It's loaded with GE refrigerators, freezers, color TV's, washers, dryers, air conditioners and other major items for your kitchen and/or home entertainment. At big savings for you. Here's why:

GE is the only major manufacturer which makes all its appliances at one location — Louisville, Kentucky. Each year at the start of the summer season the Southwest Distributor assembles at the factory a large selection of special production models, plus some closeouts and discontinued models. These are ordered by dealers in the Southwest at savings from regular prices. Because direct-to-dealer rail cars are used, additional savings in freight, warehousing, handling and paperwork are made.

During the trainload sale event, all these savings are passed on to you — as much as \$80.00 on some items!

Naturally, there is a limited supply of some models. So don't delay — if you plan to buy a major appliance, color TV or stereo, soon, shop these bargains today.
