

NOSIN.....

WITH POLLY

We sure convinced our "Okie" folks that in Texas we do everything bigger and better.

The arrived Wednesday afternoon for a few days visit, and Thursday night we had a cloudburst in Earth. The rain came down in torrents, in fact we had four inches of rain in 30 minutes.

We, as is a tradition of all Texans, shyly referred to it as merely an ordinary Texas shower.

Shocked, stunned and without stuttering—they agreed the State of Texas did definitely manage to do everything bigger and better. We felt good at heart, we felt certain we had completely convinced them that Texas was superior, when the ended with "It sure does, it made two ordinary "Okies" into the darndest fibbers we ever saw."

—nosin'—

Not very many people absolutely run away from being an honored guest, and a free dinner or being the recipient of free gifts.

But, then not just everyone experiences that feeling one gets from living dangerously.

Sgt. Doyle of the Ground Observers Corps experienced that feeling Tuesday, when he imagined he had completely outwitted our City Marshal, Mr. Camp, who was attempting to stop him. Sgt. Doyle got a little shook up and quickly darted around a corner and parked and came walking swiftly into the office.

Went through swiftly to the back shop, not stopping to speak or chat with anyone. Upon seeing Ross almost to the alley, taking a shortcut out the back way enroute to the Lions Club noonday luncheon, he quickly vertook him and accompanied Ross to the luncheon.

His biggest surprise came when in walked the City Marshal with Mr. and Mrs. Tomlin of Dallas and introduced them as the Lion and Chamber of Commerce Guest of the Month, and who was the recipient of a fine lunch, and gifts from local merchants following the luncheon.

Doyle was shocked. The next time he gets the idea to live dangerously and shake the cops, doubtless he'll take it out by striking gopher matches before closing the flap rather than take chances on missing a free meal.

—nosin'—

We haven't as yet been able to introduced them as the Lions and detmine the origin of that obnoxious odor that seems to be drifting across the north part of town. Whether, it's stagnant water or a pipen located nearby, is still a mystery. If it is stagnant water, certainly this will create a mosquito breeding place, and should it be a pipen, certainly it is not an asset to our city.

We Apologize To
The City Little
League Champs

To the winning team, the Giants we wish to apologize for not having a picture of this fine team of Little League boys, who attained the highest score at the close of the Little League season and to their manager, Marcus Messer.

A picture of the team was taken, but it was no good, and the team could not be gathered together again.

The Giants were J. B. Thomas, Doug Messer, Harley Galloway, Jimmy Robinson, Junior Cox, Julio Cortez, John Achee, Raul Cortez, Terry Parish, Davie Haberer, Gary Cowley, Mike Dent, Jessie Cole, Connie Eagle, Jimmy Shirey and Phillip.

Sponsors of the team were Kimbell Gin and Rutherford and Co.

EARTH LIONS CLUB and CHAMBER OF COMMERCE — "Tourists of the Month." Mr. and Mrs. A. V. Tomlin of Lake Dallas. The Tomlins were enroute to their home after a two week's vacation in California. After a luncheon at the Lions Club meeting, gifts were presented by local merchants, the Tomlins then continued their journey home.

Lake Dallas Couple Tourist Guests Of
Earth Lions and Chamber of Commerce

A Lake Dallas couple, Mr. and Mrs. A. V. Tomlin were the Tourist Guest of the Month of the Earth Lions Club and Chamber of Commerce, Tuesday at the noon luncheon meeting of the Lions Club.

Mr. and Mrs. Tomlin were returning to Lake Dallas after a two weeks vacation at Bridgeport, California and with their son who met them at San Francisco and had been sightseeing and vacationing in the mountains.

Mr. Tomlin is employed at Dallas Power and Light Co.

When arrested to be brought to the Lions Club dinner, Mrs. Tomlin remarked, she wondered what they had done wrong as they only had one lemon with them and the law allows two.

The Chamber of Commerce and the Earth Lions Club honor a tourist each month passing through Earth at a Lions Club luncheon, during this time their car is checked and serviced by a local station and local merchants present them with gifts and mementos of the occasion.

Mitchell Laundry
Under New
Management

The Mitchell Laundry will open Monday, August 11 under the new management of Mr. and Mrs. J. C. McGuire of Muleshoe.

A pickup and delivery service will be offered, also help yourself, wet wash and finished work.

Protest Hearing
Held at City
Council Meeting

The regular City Council meeting was held Monday night, with Mayor Marcus Messer, R. H. Belew, Pat McCord and John Welch present.

A protest hearing was held on the assessment ordinance for street paving which is now in progress. At this time no definite decision has been accomplished.

Two representatives of the Jaycees, Ardis Barton and Ted Haberer met with the Commission to discuss plans for care and improvement of the City Park. The Commission agreed to employ a caretaker for the park.

Guest of the Commission was John Aldridge, city attorney, and several engineers who are working with the paving contractor, including Ralph Douglas.

STREET PAVING
PROGRESSING RAPIDLY

According to Mayor Marcus Messer construction on the City street paving project is progressing rapidly.

Messer said, five more blocks have been agreed and signed for paving, making a total of 15 blocks at present time in the Taylor, Doughty and Ussery additions.

All grading, curb and gutter will be completed before the final topping, which will be completed in one operation.

Paving contracts in charge of the construction are Chastain and Creel of Snyder, Texas.

Jaycees To Form
Softball Team

The regular meeting of the Jaycees was held at the Star Cafe at noon Monday.

Weldon Barton, president was in charge of the meeting. A discussion was made on the Tri-Regional convention to be held in Lubbock, Saturday and Sunday, August 9-10. Plans are being made to organize a softball team.

Fourteen members attended the meeting.

Local Salvage Man
Charged With
Sale of Whiskey

Joe Stark, a garage and wrecking yard operator was arrested at 3 p.m. Saturday and charged with liquor law violation.

Deputy sheriff, Joe Ebeling reported that when raided, 58 pints of whiskey was found in Stark's possession at his garage which is located on Highway 70 in the east part of Earth, and at his home in Springlake.

Authorities placed Stark in jail at Littlefield, where he is waiting a hearing before County Judge Pat Boone.

E. C. Dodd To Be
School Supervisor
For Parker County

Mr. and Mrs. E. C. Dodd, former Earth residents are now residing in Lubbock, but will move to Weatherford, where Mr. Dodd will be County School Supervisor in Parker County for the following schools, Springtown, Millsap and Brock.

Mrs. Dodd will teach English at Aledo High School. Mrs. Dodd has taught language and arts the past year in the 7th grade at the Springlake Schools.

Prior to moving to Weatherford, Dodd had been supervisor of the Springlake, Spade and Amberst Schools the past three years. The Dodds are leaving this area due to reasons of Dodd's health.

Paving gets
Underway At
Springlake School

Road construction and paving is underway at the Springlake School with the Texas State Highway Department in charge.

The entire parking area and street in front of the schools will be paved also the road directly north of the campus and past the bus barn and also the road entrance to the football field. This will add a distinctive look to the schools.

Local citizens have donated trucks, time and labor to aid in the construction of the project. The material, labor and equipment has been offered the school at wholesale by the State Highway Department. Another added feature of the State Highway Department is the widening of the highway in front of the schools and constructing a better drainage to help overcome the hazards the school has had in the past.

The County is doing the paving of the road on the north side of the campus to the bus barn.

Increase Yields and Profits With The MARTIN HARVEST HOARDER SYSTEM

THE MARTIN SYSTEM is a Drier and Storage Unit all in one. Yet it costs little more than ordinary storage facilities.

Large Farmer or Small Farmer - You can follow the 4 key steps to profits with A MARTIN HARVEST HOARDER SYSTEM.

1. Harvest early — at 33% Moisture Content. Gain 10 to 15 more bushels per acre because your crop doesn't stay in the field to dry, where it is at the mercy of the sun, wind and rain.
2. Dry with Low Cost Forced Air. Drying with forced air is cheap because the air is free and it takes only pennies a day to run the fan. Dry with out danger of fire.
3. Store in the Same Bin. Just turn off the drying switch and your crop is in storage. No expensive handling equipment or labor. Condition the grain at any time by turning a switch.
4. Sell or Feed More, Better Crops. Sell No. 1 corn or grain and you are free to sell any time of the year on better markets. Whether you feed or sell, the greater profits will soon pay for your Martin system.

IH TRACTORS & EQUIPMENT

Gene Brownd Sees New IH Tractor Line

GENE BROWND, farm equipment dealer in Earth, recently joined approximately 8,500 dealers and company sales personnel from every part of the United States and Canada for the introductory showing of Harvester's new line of farm and commercial wheel tractors. Changes in styling and design of the new tractors is indicated by the five-plow, six-cylinder Farmall 560, largest in the line.

Gene Brownd, International Harvester dealer in Earth, was in Chicago several days last week attending an introductory showing of the new line of International Harvester tractors just off the production line.

In addition to six cubic power sizes and many different models of Farmall and International tractors, Brownd saw a number of new McCormick farm implements also introduced at the company showing, attended by more than 8,500 Harvester dealers and sales personnel in the United States and Canada.

The new line of tractors is in keeping with the trend towards larger and more productive operations, both on the farm and in industry. There are six-cylinder engines on the big tractors; advanced styling; increased power in most models; a host of new operating features; and wider selection of gasoline, LPG, distillate, or diesel engines, and new power steering on more models than ever before in the history of tractor manufacturing.

New tractors are being shipped to district IH sales offices and soon can be seen in dealer showrooms. In the meantime, Gene Brownd announces that Brown - White Equipment Co. will join with other Harvester dealerships and the district sales office in presenting a big public IH Field Demonstration Day to show the new tractors and equipment near Lansing, September 15. Anyone desiring to attend the demonstration can get complete information from Brown - White Equipment Co.

The New Line Of Tractors And Equipment Will Arrive at Brown - White Equipment Co. In Next Few Days . . .

A SHOWING OF THE NEW LINE OF INTERNATIONAL - HARVESTER TRACTORS AND EQUIPMENT WILL BE HELD AUGUST 15, AT THE EDDIE WILCOX FARM IN PLAINVIEW, LOCATED ON HIGHWAY 70, WEST EDGE OF PLAINVIEW ON NORTH SIDE OF HIGHWAY — THIS SHOWING IS OPEN TO THE PUBLIC. FARMERS IN AREA ARE INVITED TO ATTEND.

Pleasant Valley News

The home of Nan Allison was the scene of a lingerie shower Saturday afternoon from 4 to 6 p.m. for Rosemary Hicks, bride-elect of Don Smith. The centerpiece for the table were shrimp pink carnations. It was topped with a miniature clothes line containing doll lingerie. Mrs. Hicks, Rosemary, and Carolyn Hicks were presented pink gladioli corsages. A beautiful decorated cake and punch were served by Mary Jo Holt and Shirley Mathieson to about 30 guests.

Hostesses besides Nan, Mary Jo Mathieson and Shirley were Patsy Shafer, Dolores Gaddy, Toni Billingsley, Mary Janice Puckett, Mozella Ellis, Ami Broyles, Elsie Smith and Evelyn Brother. Several sent gifts, but were unable to attend.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #48—Number Five on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 48 proposing an amendment to the Constitution of the State of Texas providing that a home rule city may provide by Charter Provision and a general law city operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, both elective and appointive, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby; providing for an election, a form of ballot and the issuance of a proclamation to that effect.

by majority vote of the qualified voters in such municipality, and any vacancy or vacancies occurring on such governing body shall not be filled by appointment but must be filled by majority vote of the qualified voters at a special election called for such purpose within one hundred and twenty (120) days after such vacancy or vacancies occur.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at the General Election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing that a Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby.

"AGAINST the Constitutional Amendment providing that a Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby.

"A municipality providing a term exceeding two (2) years but not exceeding four (4) years for any of its non-civil service officers must elect all of the members of its governing body

parents and other relatives and friends.

"Complete Meals

from "extra" food made possible with my food freezer!"

says Mrs. Marvin Shurbet, PETERSBURG, TEXAS

Frozen meals stretch our food dollars, and give me more free time to enjoy my family and our guests.

What housewife can always measure exactly how much of each food her family will eat? Even the most exacting woman will occasionally have vegetables, meats and desserts "leftover." It's a shame to throw good food away and no one really likes to do that. Well, Mrs. Shurbet has solved that problem. Here's what she says, "When I cook more than my family eats at a meal, I put remaining servings on foil, divided plates, seal in SARAN WRAP, and store in my food freezer. If additional portions are needed to make complete dinners, I simply add them from various meals."

*SARAN WRAP — A trademark of the Dow Chemical Company, Midland, Mich.

When I am away from home, my family always finds good meals in the freezer. It is so easy for them — just unwrap, heat and eat!

THIS IS A POWER-POOPER

...automotively it may be tops — but it suffers from the also-rans, almost-coulds, and nearly-dids.

THIS IS A POWER-POPPER

THIS IS THE MAN

It's zoom-zip, skim-scoot reduced to a chemical formula for go-gas.

... who puts the Power-Popper into the Power-Popper. He's the best friend a motorist ever had — because he changes rigorous-rides to glad-glides.

Our light-hearted exaggeration is dedicated to the idea that driving should be fun! But we're dead serious about one thing — SHAMROCK QUALITY ...
