On the LEVEL

a column by
William Russell Clark

Although I am of the opinion that the census report of Memphis, as taken by the four enumerators here, will be as nearly correct as it is humanly possible for four people to ascertain, and while I am ready to back up the statement I made in a recent editorial that I believed the percentage of error would not be greater than one percent, if that, still, in common with every citizen here, I want Memphis to get all that is coming to her.

In order to encourage the reporting of anyone who may have been overlooked, unintentionally, of course, The Democrat will pay twenty-five cents for the name of each resident of the city who was not listed by the census enumerators. Do not bother to come to The Democrat office unless it is ascertained of a certainty that a person or persons have been overlooked.

This idea is not at all original. It has been tried with success by other cities, and has proved to be an asset in getting at the correct population. The remuneration does not amount to much, but it should offer some little inducement to those who have not been enumerated in the census count, if such there are in Memphis.

When the final figures are in, when every possible recourse has been made to ascertain, as accurately as possible, the population of this city, I hope that our people, as a whole, will be satisfied with the results. It is a well known fact that we have been claiming too many people. It is equally well known that at this season of the year our population is less than it is in the fall, for instance. But there is a specific time to do everything. The census has to be taken, and at that time the Federal authorities are expeditious.

Offer I am making on behalf of The Democrat is not intended to reflect any discredit on the census enumerators. I know they had a tremendously big job and I believe it was executed admirably. But at best, we are all human, and everything considered, there is some likelihood of error.

We know, of a certainty, that some of the towns in this vicinity are not any too well pleased with the census figures given them. This is probably due to the fact that they have been accustomed to over-estimate their population just as has been the case with us. Naturally, when such a course has been followed and when the figures do not compare with the total population generally believed (Continued on page 7)

Minister Here Will Hold Revival Meet At Giles Next Week

Lester W. Fisher, minister of the Seventh and Brice Streets Church of Christ will begin an evangelistic campaign at Giles on next Sunday afternoon. Mr. Fisher will return to Memphis, following the service Sunday, and will fill his pulpit here, as usual, on Sunday evening.

It was stated that the meeting at Giles would be continued Monday night and each night thereafter during next week. Services will begin promptly at eight o'clock, and the revival campaign will be conducted in the auditorium of the high school there, as no church buildings are available in the neighboring town. Leonard Damron, of Memphis, will be in charge of the song services. A cordial invitation is extended to the citizenship of Memphis to attend any or all of the services.

Hall County Jury Of Review To Act On Damage Claims

Eighteen of the twenty-two landowners along the proposed route of the new highway from Memphis to Mulberry Bridge by way of Lakeview who were summoned by the Jury of Review of Hall County, made their appearance before the jury at 10 o'clock Wednesday morning, and made claim to damages to their property occasioned by the routing of the new highway.

Each of the property owners placed a written claim before the jury asking for adjustments on damages occasioned by the new road that will cross their property, making short oral explanations of their claims.

Membership of Jury
Members of the Jury of Review who will conduct investigations into the claims of property owners along the proposed route of the new road are E. O. Bevers, Lakeview, chairman; T. J. Dunbar, secretary; Arthur Gidden, Plaska; Jim King and W. P. Watts, Memphis. These men met Wednesday afternoon and looked over all written claims that the property owners had submitted Wednesday morning. Actual investigation work is expected to begin Friday morning. The membership of the jury will have to go over the property where damages are claimed and will decide whether or not the claims are justified. It will take about two weeks, it is estimated, to complete the work and to compile a report of the jury's findings.

HONOR STUDES AT JUNIOR HI ANNOUNCED

Cora Fox Yonge and Cearly R. Kinard Win First Honors

The Junior High School will graduate one of the largest classes in the history of the school on Friday morning, May 23, according to H. J. Gore, principal of the school. Graduation exercises will be held in the Junior High building, beginning promptly at 10 o'clock. Rev. H. A. Shaw, pastor of the First Christian church, has been selected to deliver the address to the graduates, some 65 or 70 in number.

High Honor Students
The valedictorian of this large class of graduates is Cora Fox (Continued on page 7)

Baseball Game Is Scheduled Sunday

A number of baseball fans in Memphis and surrounding territory have signified their intention of going to Estelline Sunday to witness a ball game in that city between Estelline and Pampa. Both teams have shown good form for this early in the season and an interesting game is being anticipated Sunday. Announcement from Estelline states the game is called at 3:30 p. m., and that fifty cents will be the price of admission.

Noted for Prowess
Estelline has been noted for her prowess in developing athletic teams for several years past. The town boasts of having one of the best high school basketball teams in the state and this has been the case now for several years past. Estelline upset the dope and turned in a wonderful season in football last fall, and now she is expected to repeat in baseball. Both Pampa and Estelline have well rounded out teams, the Pampa team being a full-salaried one. Many of those who expect to play baseball with Memphis this summer intend to see the two neighboring teams in action Sunday.

The Candidacy Of Clint Small

(An Editorial)
Months before any intimation had been received that Senator Clint Small, of Wellington, would be a candidate for the Democratic nomination for Governor of Texas, The Democrat came out in an editorial to the effect that this newspaper would support the candidacy of Earle B. Mayfield. This was done for several reasons. To begin with, we firmly believed at the time that Mayfield was the strongest man in the race; we noted five planks in his platform that applied particularly to West Texas; we knew, of a certainty that the candidate had always been favorable to the interests of this section of the state, and finally, he was and is, a personal friend of the editor of this newspaper. It was only natural, therefore, for the paper to be outspoken in behalf of his candidacy.

ALLIE CAVINESS LAID TO REST LAST SUNDAY

Was Popular Both In Church Activities And School Work

Allie Etoll Caviness, daughter of Mr. and Mrs. C. L. Caviness, was called by death in a local hospital at 7:15 p. m., Saturday night, May 3, following an operation for appendicitis which she underwent at 2 p. m. the day before. She had been ill for some three weeks preceding the operation, according to attending physicians, and the operation proved to be too late to affect her recovery. She was fourteen years and fourteen days old at the time of death. Allie Caviness was born in Yale (Continued on page 7)

Statement Of Facts In Hess Tyler Case To Be Filed June 5

According to Judge J. M. Elliott who, with Judge W. A. McIntosh, was appointed by the Court to conduct the defense of Hess Tyler in connection with the killing of Bryan Nall, Eli storekeeper, the fifth day of June is the last day for filing the statement of facts and bills of exception with District Clerk D. H. Arnold. Judge Elliott stated that these papers would not be filed before that date. Hess Tyler was convicted of the murder of Nall and his punishment assessed at death, at the February term of district court. He is now in the state penitentiary at Huntsville. After the statement of facts and bills of exception are filed with District Clerk Arnold, he makes up the record and it is then sent to the Court of Criminal Appeals at Austin for consideration. Judge Elliott believes that the case will not be argued before the higher court until some time in October or November, but he thinks the case will be reversed.

Three Cars Mire Down In Quicksand In Attempt To Ford Creeks Saturday

"If you don't know quicksand, you had better stay out of there!" was the warning of old-timers along the banks of streams near the Plaska community last Saturday night, and when three residents of that community failed to hear this warning and drove their cars into the streams, they lost them in the treacherous sands. Three motorists are said to have driven their cars into the streams last Saturday night and tried to ford them, despite the fact that the water was higher than it had been in months. **Car Engine Stalled**
When Buck Owens, of Plaska, drove his Chevrolet sedan into Indian Creek east of Plaska, he felt quite confident he could make it without trouble, but when he had (Continued on page 7)

Epworth Leaguers Hold Parley Here

Representatives from Pampa, Groom, Clarendon and Shamrock attended the district rally of Epworth Leaguers of the Clarendon District here last Saturday and Sunday. After registering Saturday afternoon, the delegates were assigned to homes. At seven o'clock Saturday night, a bountiful luncheon prepared by the women of the church and served by members of the local Epworth Leaguers was enjoyed. Honor guests on this occasion were Ansil Lynn, a returned missionary from Africa; Rev. J. W. Watson, who is conducting the revival services now in progress at the First Methodist church and Rev. H. A. Shaw, pastor of the First Christian church. Rev. Watson voiced his appreciation of the work of the young people and invited their cooperation during the (Continued on page 7)

From Now On It Is Going To Be "Daddy" Jackson

If any one has noticed a broad smile lighting up the countenance of H. A. Jackson, superintendent of the Memphis Public Schools, there is reason enough to make him smile. Last Sunday morning at four o'clock, Mrs. Jackson presented him with an heir. Mother and infant are reported to be doing nicely, and H. A. is just about the happiest man in Memphis. Ask him.

The baby has been named Horace Andrew, Jr. He is a lusty infant, tipping the scales at nine pounds, on the morning of his arrival. His proud father is already making plans for his son, stating emphatically that he expects to make a football star of him under the expert coaching of Skinny Walter. He has also made reservations for him at Baylor University.

He Makes Sure Of Not Losing His Hat In Midst Of These "West Texas Rains"

Know how to keep your hat on during one of these West Texas sandstorms? If you have trouble in keeping up with that article of wearing apparel when on the streets during one of these "West Texas rains" and want to find a remedy, follow the example set by a man seen on the streets of Memphis on Wednesday morning of this week. This fellow, who unquestionably has made a providential

DIVINE PLEASURES IN REVIVAL AT CHURCH HERE

Methodist Meeting To Be Brought To Close On Sunday Evening

Forceful sermons each morning and evening preached by Rev. J. W. Watson, of Lubbock, are proving to be strong drawing cards as large crowds attend each service of the revival meeting now in progress at the First Methodist church. Getting off to a good start Sunday morning, added impetus was given the evangelistic campaign at the services Sunday night, as several of the churches dismissed for the Methodist revival, and the church was filled to capacity.

Frank Phelan Makes Report Of District Conclave Of Rotary

Frank Phelan, one of the two representatives from the local Rotary Club to attend the district meeting at Temple recently, gave a comprehensive report on the work accomplished, at the weekly meeting of the Memphis Rotary Club Tuesday at noon. Mr. Phelan's remarks were frequently punctuated with wit and humor. He attended the Temple meeting in company with Rufus Greene, going in the place of R. L. Ragsdale, newly elected secretary of the local club, who was unable to attend.

The program for the day was turned over to Era Miller by Nolan Walter. Preceding Mr. Phelan's report, Rev. Miller introduced Dr. Ernest E. Robinson, who extended an invitation to Rotarians to be present during the progress of the revival meeting at the First Methodist church. The next speaker was Rev. J. W. Watson, of Lubbock, who is conducting the revival, who brought a short, inspirational address.

Council Asked To Declare City-Wide Clean-Up Day Soon

Representatives from the Charles R. Simmons Post No. 175 of the American Legion appeared before the members of the City Council at their regular meeting Tuesday night at eight o'clock, and asked that the city declare a city-wide clean-up day. The Legion tendered the services of this organization in sponsoring the clean-up day and asked that the city pay for having the trash hauled away. The matter was referred to the Committee on Sanitation for consideration. Following this request, B. E. Davenport was elected mayor pro-tem.

Will Repair Paving
In a wire received by City Secretary D. L. C. Kinard Tuesday, the Panhandle Construction Company of Lubbock advised the council that they were sending a crew here this week to repair certain pieces of faulty paving in various parts of the city. This company laid the last paving that was done locally. C. L. Hasie was selected by the council as engineer of the work that will be done by the construction company.

Committees Announced
Standing committees of the City Council were announced by City Secretary Kinard at the meeting Tuesday night. The committees named were: Street and Alley Committee, J. F. Forkner and N. E. Burke; Finance Committee, Byron Baldwin and B. E. Davenport; Fire, Lights, Police and Sanitation Committee, J. A. Whalley and C. C. Meacham.

RACE TRACK AT FAIR GROUNDS IS IMPROVED

Track Will Be One Of Fastest Courses In Texas, Is Belief

Announcement is made this week by Bill Kesterson, president of the Hall County District Fair Association, that the race track is being changed so that, when completed, it will be one of the fastest courses in Texas. Work was started in changing the track Monday under the direction of Jack Dillingham, contractor of Memphis, who is being assisted by eight men.

Rainfall General Over This Region

Jupiter Pluvius has been outdoing himself during the past week in the amount of rainfall he has permitted. The heaviest rain fell Thursday night of last week when the official precipitation was shown to have been 1.30 inches. On Saturday, May 3, the rainfall in Memphis amounted to .18 of an inch; on Monday, May 5, the precipitation here was .30 of an inch and the rain Tuesday amounted to .25 of an inch. These figures were furnished The Democrat by J. J. McMicken, local weather observer.

Moisture Was General
The moisture has been general throughout the Panhandle, being particularly heavy in some parts of the North Plains. Crop conditions have improved considerably, and a good season is in the ground for planting purposes. Much of the rainfall in Memphis and Hall County has been accompanied by high winds and severe electrical storms. A cyclone is reported to have struck near Childress Wednesday afternoon, and a number of fatalities have been noted over the state since the rainy spell set in.

HOMER SHANKLE HONOR STUDENT AMONG BOYS

Major Honors Go To Clara Alexander And Ida Jones

Announcement was made this week by Ike W. Jay, principal of the senior high school of the honor students in the Senior Class of 1930. Clara Alexander was awarded the honors of valedictorian with an average for the year of 95.7-8. Ida Jones received salutatorian honors with an average of 95.2-8. Homer Shankle is the honor student among the boys with an average of 90.2-8. A number of other members of the Senior Class made high averages.

According to Mr. Jay, senior examinations will begin on May 15, and the Seniors will get out of school on May 19. All other examinations will begin on the latter date. Books of all classes will be checked in on May 22 and 23. The speakers at commencement have not been determined as yet, but the commencement sermon will be preached on Sunday morning, May 18, in the senior high school auditorium. Graduation exercises will take place on Thursday night, May 22.

There will be something like 60 graduates in the Class of 1930, it was stated. The Seniors, following out the custom of other years, will wear cap and gown regalia during the commencement exercises.

Beneficial to System

Superintendent H. A. Jackson prepared the following statement relative to the school year which is fast drawing to a close: "The Memphis Public Schools have, for its organization, the five-three-three-plan, that is, five grades in the West Ward School, beginning with the first to the fifth, inclusive; three grades in the Junior High School, beginning with the sixth to the eighth, inclusive; and three grades in the Senior High School, beginning with the Ninth to the eleventh, inclusive. However, in the East Ward School, we only have three grades, from the first to the third, inclusive. Our school being organized under this plan has certainly proved beneficial to our system. According to records, more students are passing and better grades are being made since we have thus organized our schools.

Home Room Clubs

"During the past year, we have organized home room clubs in the Senior High School, each student, taking a part in some of the following clubs, Science, Math, English, History, Spanish, Latin, Public Speaking, Commercial and Home Economics. Good club work gives the students better grades in their subjects. It also offers them good training that will be beneficial in later life, while doing this kind of work. In (Continued on page 7)

Four Cases Come Up For Hearing Before Judge A. C. Hoffman

Four cases came up for trial before County Judge A. C. Hoffman in County Court this week, three civil cases and one lunacy case. Court was held Monday and Tuesday, but due to some delay in cases scheduled to be tried, court was ordered recessed until Friday morning.

The first case coming before Judge Hoffman Monday morning was that of the State of Texas vs. Bill Sparks. Sparks, seventy-two year old resident of Memphis, was said to have been adjudged insane by the jury and was ordered sent to the state hospital in Wichita Falls for treatment. Other cases coming before the court were: S. T. Harrison, et al vs. G. A. Evans, et al, judgment against L. Holt; Turkey Motor Company vs. J. A. C. Smith, judgment, and R. W. Ivey vs. J. D. Fralay, judgment.

High School Wins Honors In Clothing Contest

RECOGNITION IS GIVEN WORK OF GIRLS HERE

Locals Make A Good Showing At Houston Meet Last Week

High school officials are elated over the fact that Memphis won one first place and one third place in the State Clothing Contest which was held in Houston last week, with a total of some 600 entries. Memphis High School won first place in cotton costumes for all occasions, receiving an award of \$10. Jewel Smith gave a report of what Memphis High is doing in child care work and received third place, which carried with it an award of \$5.

Judged With Larger Schools
Miss Johnnie Christian, head of the home economics department of the local high school accompanied two of her students, Nell Grant and Jewel Smith, to the state meet in Houston, leaving here last Wednesday and returning Sunday. Nell Grant was entered in the traveling costume contest and Jewel Smith was entered in the high school girls' cotton costume contest. This is the first time that Memphis has been judged with the Class "A" schools. Heretofore, Memphis has been entered in Class "B". The awards are all the more important since this year Memphis was in the group with the larger schools.

Entertainment Features
Many entertainment features were accorded the visiting high school girls while they were in Houston. They were taken on a trip to the San Jacinto battlefields last Thursday afternoon. Friday night, they were tendered a banquet by the Merchants Association of Houston. Saturday afternoon, they were taken on an excursion to Galveston. They were met at the interurban station by representatives of the Galveston P. T. A. and were taken for a drive over the city. Later on in the afternoon, the Galveston Chamber of Commerce furnished bathing tickets for the girls, who enjoyed surf bathing.

Football Training Starts On Monday

With 21 boys reporting to the call of Coach Nolan Walter Monday afternoon, spring football training got off to a good start. More boys are coming out for football than ever before. What is worrying Coach Walter is the fact that some of his best players may not be eligible at the start of the season this fall. Some of the boys have been falling down in their grades, and it is entirely probable that some of the best material will not be available.

Nine lettermen are reporting for practice, but of this number, several may be ineligible. The lettermen are: James Hammond, captain-elect, Bill Sanders, Albert Pearson, J. W. West, Gerald Kunkler, Esell Champion, J. D. Jackson, Curtis Bourland and Bob Phillips.

Others reporting for spring training include: Blanton Bagwell, Gayle Greene, Reginald Greenhaw, Holland McMurry, Leon Boyd, George May, Buster Leslie, Morris Ballew, Harry Womack, Carl Gerlach, Paul Wood, Ivan Thornton, Charles Flanery, Eben Brooks, Bill Bowerman, John Smith, Cecil Stargel, Wilson Brooks, Orville Sawyer, J. P. Boles, Weldon Crow and Roy Chappell.

CORRECTION IS MADE IN WHIRLWIND STORY

Jerry Sitton, editor of The Whirlwind, weekly High School news supplement to The Democrat, wishes to correct an inaccuracy that appeared in The Whirlwind for May 2.

In reporting a pajama party given by the B. U. D. Club, it was stated that a group of high school girls paraded downtown in their pajamas. This is untrue. The girls did parade around the square, but they did not don pajamas until they reached the home of Mrs. A. B. Jones, where the party was held.

Mrs. Jet R. Fore and Jet R. Junior left Friday for Mineral Wells where they will spend the summer.

Mrs. Fred Willingham, of Tahoma, visited this past week with Mrs. Webster, mother of Mrs. Willingham.

Summer School To Begin On May 26

Announcement was made this week by Superintendent H. A. Jackson that the summer term of school begins on May 26 and closes on July 8. This session is open to all students who desire to attend summer school.

In speaking of the summer school, Mr. Jackson said: "We especially urge those students to attend who are irregular in grades, those who have incompleting subjects or courses, those who desire additional credits for college entrance, those who wish to do review work, and those who expect to enter Memphis schools next year. More especially do we urge your attendance if you expect to enroll in the senior class."

Heretofore, students coming from other schools, and particu-

larly rural schools, have had some difficulty in doing the required work the senior year. We believe that such students by attending summer school will not only become familiar with the school system and make additional credits which, of course, will lessen the amount of work for the following year, but will enable them to do more and better work."

If further information is desired, students are requested to see the superintendent or principal at the high school building or call telephone number 273.

TEXAS THEATRE WILL OPEN HERE UNDER MANAGEMENT R. E. MARTIN

Announcement is made by R. E. Martin this week that he will go into the picture show business, effective on or about October 12, 1930. Mr. Martin will open up the Texas Theatre in the building which he owns, now occupied by the Gem Theatre. Between the present and the time he expects to open the theatre under his management, Mr. Martin stated that he will purchase the very best equipment possible. All-talking pictures will continue to be shown, and many novel innovations will be made in the picture program.

Number of Improvements
A number of improvements are to be made in the building proper. It is Mr. Martin's intention to have a balcony built with a seating capacity of 150 people, which, with the present seating capacity of 450, will enable him to adequately care for 600 people. The walls will be re-decorated; new drapes will be hung and the entire inside of the building will be gone over. Mr. Martin will have associated with him Mrs. Martin. They plan to sell their present business at Main and Eleventh streets where, for five years past, they have successfully operated a general merchandise establishment, specializing in school supplies.

High Class Entertainment
In speaking of taking over the theatre, Mr. Martin said: "Since the lease under which the Gem Theatre is now operating expires in October, and since no extension has been made in the lease, I have decided to take over my building and to run a first class theatre there of my own. I promise theatre-goers of Memphis and surrounding territory that they will find high class entertainment at the Texas Theatre under the management of myself and Mrs. Martin. It will be our desire to please and to afford the best in entertainment features at popular prices."

To Texas in 1876
Mr. Martin came to Texas in 1876 from Georgia, making his first stop at Hearne later removing to a farm in Ellis County near Ennis. In 1885, he moved to Haskell, Texas, and for the next four years worked on a ranch. On November 1, 1888, Mr. Martin went in partnership with his two brothers in the newspaper business at Haskell, taking over the Haskell Free Press. In August, 1892, Mr. Martin went into the drug business in Haskell. In 1893, he moved his drug business to Seymour. In 1897, he sold out and moved to Corsicana, buying a stock of drugs in that city. He later went into the advertising field while operating the drug store.

Bought McKinsey Ranch
In 1900, Mr. Martin sold his business to a competitor and went in partnership with Jones brothers of Haskell. They bought the McKinsey ranch in Schleicher County, consisting of 40 sections and 1,200 head of cattle. Mr.

Martin operated this ranch until August, 1901. In 1902, he was in the drug business in Amarillo, leaving that city to buy a drug store in Fort Worth, which he operated until 1915. While in Fort Worth, Mr. Martin had his first experience in the picture show business.

Came to City in 1916
Mr. Martin came to Memphis in 1916, operating a drug store where Chas. Oren's jewelry establish-

"I Feel Like I Have A New Life Before Me," Says Woman

Mrs. Taylor Says She Suffered 30 Years When She Began Taking Orgatone (Argotane)—Now Feels Better in Every Way

"I am simply feeling so improved as far as my health is concerned, that I feel like I have a new life before me, since taking Orgatone (Argotane)," said Mrs. A. E. Taylor, residing at 1904 Jackson street, Amarillo, Texas, in her statement to the Orgatone (Argotane) representative. "Yes, sir, I am feeling like a different woman and I want everybody to know it," continued Mrs. Taylor. "I have suffered with a badly disordered stomach and constipation for thirty years and one bottle of Orgatone (Argotane) has done me more real genuine good than anything else I have ever tried. I guess I ought to know real medicine when I have tried it as I certainly have taken enough of it in my years of illness."

"I had been suffering for as many years with a very bad stomach and other troubles and my condition had become wretched. After meals gas would form and bloat me up till I would get so miserable and dizzy at times I could hardly stand on my feet. I lost all desire for food of any kind and the little I did eat caused me constant misery in my stomach and I lost energy and all interest in everything."

"I tried most every kind of medicine and did everything I know how to do trying to get relief, but I kept getting worse all the time."

"Orgatone (Argotane) has completely changed life around for me and I just can't find words to express my gratitude for it. I have been relieved of these terrible bloating spells and those sinking bilious attacks have left me as well as my constipation. My appetite is better now and I can eat as much as I ever could and I relish my meals. I wish I could thank the maker of Orgatone (Argotane) for placing this wonderful medicine in reach of suffering people."

Genuine Orgatone (Argotane) may be bought in Memphis at the Tarver Drug Company.—Adv.

years later, he built the store now occupied by Clark Drug Company, and ran a drug store there until March, 1925. In the summer of 1925, he built the structure now occupied by the Gem Theatre, which building he plans to take over in October of this year.

This Sturdy Chevrolet Six 1 1/2 Ton Truck \$520

J. O. B. Factory, Flint, Mich. Complete with front bumper, full length running boards and rear fenders.

No matter what your business may be, bear in mind when you buy a truck that it's wise to choose a Six!

A six-cylinder engine runs smoothly—saving both the chassis and body from the harmful effects of vibration. It is more flexible in traffic. It requires less gear-shifting. And it maintains high speeds more easily.

The Chevrolet Utility Truck gives you all the superior-

ities of six-cylinder performance—for it is powered by a great 50-horsepower six-cylinder valve-in-head engine. And, in addition, it brings you all the advantages of modern design listed at the left.

Come in today and see this sturdy six-cylinder 1 1/2 Ton Truck. You can see for yourself why truck users are finding it's wise to choose a Chevrolet Six!

- 1 Six-cylinder engine—50-horsepower—combines remarkable smoothness, flexibility, power and economy.
- 2 Ball bearing steering offers a short turning radius of 24 1/2 feet and assures easy handling in restricted places.
- 3 4-speed transmission gives ample power for every condition of road or load.
- 4 Channel steel frame, 6 inches deep, 15 1/2 feet long, takes over-size bodies without excessive overhang. Chevrolet offers unusually low loading height.
- 5 The rear axle is bigger, stronger and has spiral bevel gears—in easily accessible for inspection or adjustment, due to a detachable cover plate.
- 6 Four long semi-elliptic springs, mounted parallel to the frame, carry peak loads with safety, and provide better load distribution.
- 7 Rear fenders, splash aprons and full-length running boards are standard equipment on the Chevrolet truck and are included in the list price.

It's wise to choose a SIX

FRIDAY NIGHT IS SUCCESS

Actors Show A Fine Understanding Of Popular Comedy

A play, bearing all the earmarks of high-hearted youth and spirited comedy, "Daddy Long Legs," by Jean Webster, was enacted by nineteen members of the Senior Class of 1930 in the senior high school auditorium beginning at eight o'clock last Friday evening under the personal supervision and direction of Mrs. Marshall Allen. Miss Ora Lee Bray, class sponsor, was business manager for the production. The comedy was staged by special arrangement with Samuel French of New York.

Fine Understanding
The actors exhibited a fine understanding of this popular four act comedy. While the play was a long one, judged by the standards of the stage, it was sprightly, and if a little too wordy in places, the finesse and tact exhibited by the high school performers encouraged it over the rough places and made of the evening an eventful one in the annals of high school dramatics. A large crowd was present to witness the play.

Complete Performance
Mrs. Marshall Allen, as director, accounted for a very complete performance, free of the usual amateurish lapses that so often ruin otherwise creditable plays. Her ability to handle the large cast, to make each member live the part on the stage, to intone a naturalness of expression and to keep the play in perfect continuity, proved her talent as a director par excellence.

Built Around Judy
The play was built around the parts of Judy, orphan girl in the John Grier home, played by Sara Hart, and Jervis Pendleton, on the board of trustees of the institution, played by Frank Simmons. Pendleton conceived the idea of giving Judy a real education away from the surroundings of an orphanage, without letting her know who was responsible. Without having seen him, she believed him to be long, tall, angling and bald, and started writing to him as "Daddy Long Legs." How the student and benefactor were brought together, fell in love, and achieved a measure of happiness, furnishes the plot for the play. Outstanding interpretations were given by Sara Hart and Frank Simmons, as principals, and the following cast: James McBride, Homer Shankle; Cyrus Wykoff, Lindsey Hoffman; Abner Parsons, Randolph Johnson; Griggs, A. J. Rushing; Walters, Jerry Sittin; Miss Prichard, Frances Joy Tomlinson; Mrs.

McBride, Ernestine Walker; Mrs. Semple, Marietta Gibson; Mrs. Lippett, Ruth Harrison; Sadie Kate, Mazie Perkins; Gladiola, Mary Winston Walters; Loretta, Chloe Johnson; Mamie, Clara Alexander; Freddie Perkins, Crump Morrison; Carrie, Annie Rene Montgomery.

Between the acts, Pauline Ross gave a number of piano solos; Albert Pearson and Bill McKelvey rendered a duet, and Albert gave several individual numbers; Iris Hollis sang a solo; Royce Brooks gave two saxophone solos. Mrs. Elmer S. Shelley was accompanist. Ushers for the evening were: Catherine Easterling, Jewel Grundy, Mary Louise Huff and Margaret Gowan. Furniture used in the play was by courtesy of King Furniture Company.

Frank Phelan Is Complimented By Company Officer

Frank Phelan, manager of the Memphis Coca-Cola Bottling Company is in receipt of a letter from Charles V. Rainwater, secretary and treasurer of the parent company in Atlanta, Georgia, in which Mr. Rainwater highly compliments the local plant and its

which closed last January. Mr. Rainwater enclosed a sheet which disclosed the fact that the Memphis plant had been shipped 3,894 gallons of Coca-Cola syrup last year, which accounted for a per capita consumption of 43 bottles. The five plants nearest to Memphis showed a per capita of 19 bottles, and five other plants in other parts of the territory had a per capita consumption of 52 bottles.

In concluding his letter, Mr. Rainwater stated: "The attached sheet shows that you have made a wonderful record compared with your neighbors, and we want to express our appreciation for what you have accomplished, and to wish for you continued growth in the great business in which you are engaged."

Misses Shaw Will Sing In Operetta

Misses Doris and Mota Maye Shaw, talented daughters of Rev. and Mrs. H. A. Shaw of Memphis, will sing in the chorus of Texas Christian University's production of "The Chimes of Normandy" on the evening of Saturday, May 10. Miss Doris sings alto and

tire membership of which will take part in the chorus of the production.

The opera will be given as an outdoor production in the T. C. U. stadium. The performance is in charge of Dr. H. D. Guelick, head of the School of Fine Arts. Approximately 300 girls from the department of physical education, under the direction of Mrs. Helen Murphy, will make up the dancing chorus for the opera. The production is being given as the climax of Fort Worth's annual celebration of National Music Week, and as a preliminary of T. C. U.'s observance of Mother's Day.

Miss Neville Wrenn came from Canyon Sunday to attend the funeral of Allie Caviness.

Miss Lois Harrell spent the week end in Wichita Falls visiting with Mrs. H. S. Ackerman.

J. R. Harrell visited in Amarillo Sunday with his son, H. S. Harrell.

D. C. Hyder Jr. spent the week end with his father, Dr. D. C. Hyder.

Mother's Day

We read about the mother of the days of yore. With their curls, pinked faces and their hair as white as snow; They were "middle aged" at forty; And at fifty donned lace caps, And at sixty clung to shoulder shawls And loved their little naps.

But I love the modern mother Who can share in all the joys, And who understands the problems Of her growing girls and boys! She may boast that she is sixty, But her heart is twenty-three— My glorious bright-eyed mother Who is keeping young with me. FLORENCE HOWARD.

ANNOUNCEMENT

All Parent-Teacher Associations in Hall County are notified to have representatives present at the monthly meeting of the County Council, at Memphis, Saturday, May 10, at 3 o'clock in the auditorium of the public library. Mrs. N. A. Hightower, Pres. Mrs. B. T. Prewitt, Sec'y.

GIRL SCOUT NEWS

The Girl Scouts were happy to entertain the Girl Scout Council, the Advisory Board, their mothers, and Mrs. H. M. Faulkner, of Estelline with several members of the P. T. A. at Estelline and nineteen girls, on Wednesday, April 30, at the Girl Scout headquarters in the auditorium of the public library.

The Girl Scouts of Troops 2 and 3, under the direction of Miss Ira Hammond, presented a very impressive pantomime entitled "How the Girl Scout Laws Were Written."

Betty Dale West in the striking costume of a Queen, represented The Story Book Lady and was escorted to the center of the room by two Girl Scouts, Annie Ruth Williams and Natalie Munson who were Ladies in waiting to the Queen and carried her train. Seated on her throne she read the play as it was presented. The story deals with the fact that the Girl Scouts appealed to the Brownie of the forest, prayed so effectively by Audrey Lofland, to compose their laws, and after strenuous effort and concern the Brownie fell asleep. During her slumber other characters in costume came by and each wrote a law on the paper where the Brownie had been scribbling her feeble efforts. A knight in armor representing HONOR was enacted by Cora Fox Yonge; one of Robin Hood's men, LOYALTY, by Martha Draper; A puritan Maiden, USEFULNESS, Dorothy Jones; an American School Girl, FRIENDSHIP, Nell Walker; a Colonial girl, COURTESY, Geraldine Watson; St. Francis of Assisi, KINDNESS, Helen Ruth Wiggins; a Roman Soldier, OBEDIENCE, Faye Baskerville; Sunbeam, CHEERFULNESS, Bernice Roach; a Dutch Girl, THRIFT, Vallie Harrell; PURITY, Nell McNeely; three Girl Scouts, Mary Miles, Evelyn Lamb and Virginia Orr.

When the Brownie awoke, to her surprise and joy she found the laws were ready and eagerly calling the Girl Scouts she gave to them the results of her visit to dreamland. Amid real rejoicing the characters again entered and the laws were given in full, adding to the enjoyment of all the Girl Scouts and visitors who witnessed this interesting one act play.

The three troops assembled in formation and gave to the visitors some of the work and points of interest of their activities.

The Tenderfoot pin was awarded to Naomi Wiggins, Virginia Orr and Lilla Beth Johnson.

The Council, Advisory members and Junior members of the Advisory Board, numbering 44, were introduced.

Annie Ruth Williams was introduced and told what she thought of Girl Scouting. Betty Dale West told of some of the activities and Martha Draper who has earned several merit badges displayed them as they were arranged on her uniform and told of the requirements. Her badges represented Housekeeping, Hostess, Laundress, Music, Cooking, Citizens and Scholarship. She also wears a silver star which denotes regular attendance for the year 1928.

Mrs. H. M. Faulkner of Estelline then introduced the women and girls from Estelline and the girls were given an opportunity to register and received necessary

information to start on the road towards a Tenderfoot Girl Scout. The Memphis Girls are to be present when the Estelline Girl Scouts are awarded their Tenderfoot pins. Two adult members of Estelline are members of the local Council, as the charter includes Memphis and Hall County.

Gulf Pipe Line Break Is Caused By Heavy Rainfall

Following the hard rains of last Thursday afternoon and night, the Gulf Pipe Line sprang a leak, which caused some damage to the farming country through which the line runs and created considerable excitement in the vicinity of Lodge. The pipe was washed out in Oak Creek, some ten miles from the Gulf Pipe Line Station, which is located about four miles from Lodge.

The break was noticed Thursday night and oil was pumped for about three hours and fifteen minutes before the break was found. The oil was being pumped at the rate of 235 barrels per hour. The station at Panhandle was communicated with and the supply of oil cut off. The head-gates were then closed and repairs on the line were completed at one o'clock Saturday morning. Five joints in the pipe line were found to have been washed out, and the oil ran a distance of some 13 1/2 miles to the river.

According to information received from the Gulf Pipe Line Station, the extent of the damage to property is not known, but due to the fact that most of the oil ran down the course of Oak Creek, which might have proved to be a considerable damage to farming interests was somewhat curtailed.

FRANCES MONTGOMERY IS PRESENTED IN PIANO RECITAL AT MANGUM

Miss Helen Elaine Rattan presented her pupil, Miss Frances Elizabeth Montgomery in a junior piano recital, assisted by Miss Tressie Kiffe, contralto, Friday evening, May 2, at 8 o'clock at the high school auditorium.

Miss Montgomery is a freshman in junior high school and is a member of the state honor society having made the highest grade in junior high school which entitled her to a lettered sweater. In 1929 she entered the Panhandle Music contest at Amarillo, winning first over 50 girls of her age. She is the daughter of Mr. and Mrs. W. E. Wilson, 512 West Taylor street. This is her third year as a music student.—Mangum (Okla.) Daily News.

Miss Frances Montgomery was formerly a resident of Memphis and attended the Memphis public schools. At the time she entered the Music Festival in Amarillo in 1929, she was a pupil of Mrs. J. C. Henson of this place.

Smith Samples

Smith school pupils will present the play "The Arizona Cowboy" next Friday night, May 9, at Smith school. Admission will be 25 and 10 cents.

Miss Ara Fay Womack, of Hereford, Texas, is living with her sister, Mrs. Sloan Baker, and attending Smith School.

Smith Katz has played sixteen ball games this year. They have won all but three games, one of these being a 5 to 5 tie with Newlin. The Wholesalers, of Memphis, beat the Katz by only one tally in a good game last Friday evening.

Frank Jackson, F. O. Harris, W. G. Jackson and Charley Hill took advantage of the opening of the fishing season last Thursday at Childress Lake.

G. B. Jackson and family, attended a birthday dinner Sunday at T. J. Brock's home in Plaska.

G. W. Lockhart and family visited in the home of J. P. Long, shore Sunday.

Yaw Kee, Hezikiah Buggs, and Young-un, are the comedy parts in the Arizona Cowboy. If they don't make you laugh next Friday night at Smith School you will get your money refunded.

This New Powder Kills Rats and Mice But Nothing Else

Rid your premises of rats and mice without danger to your livestock, pets and poultry. This means more to you than you think. The United States Department of Agriculture, estimates the cost of each rat per year at \$1.30 in food consumed and property destroyed.

Squill Kill can be used freely in the home, barn or poultry house with absolute safety.

NOT A POISON

Squill Kill is a Red Squill preparation. Red Squill is recommended by the U. S. Department of Agriculture as being taken readily by rats, and relatively harmless to human beings and domestic animals.

Squill Kill retails at 50 cents. Demand Squill, accept no substitute.

MEACHAM'S PHARMACY

Let's Chat Awhile

BY DOROTHY B. ROBBINS

Yesterday a flapper and later a serious student of science. I know her and so do you. We number her as one of our respective families. The mother of today takes no chances, runs no risks and makes a thorough study of her subject; the science she studies is that relating to the rearing of young William.

The exhibit is little short of perfection—probably not at all. Not all the bouquets go to mothers of Williams, the little Susannes are getting their share of proper mothering and are developing sturdily.

A seriousness that sits well on young shoulders accompanies these modern day scientists in their research work. All of us are willing to lend a helping hand. We carry young Bill's bottle of fig juice that he must have at a certain time or absent ourselves from gay company for an hour or so for the better preparation of his mid-day menu.

Note the squaring of the young mother's jaw as she asserts: "Nobody is going to tell me how to raise William. I am going to do what I think is right and what my doctor says for me to do."

It has come to this, that children do not have to be sickly when teething; they do not have to go through a hard time when measles and chickenpox attack them, and they do not have to be bothered with tonsils and adenoids. Consequently, the children of today are being well equipped for tomorrow's journey.

Whatever comes, the young folks are forging ahead, nobly, and managing their families admirably. The old-fashioned grandmother is getting scarcer and the one sailing under the new order may reach port feeling like a cousin to her own grandchildren.

The Candidacy Of

our next chief executive. With divided support here in the West, there is no telling what the outcome will be. If the voters in this section of the state will go to the polls as one man and cast their ballots for Small, this candidate has an excellent chance of getting in the run-off primary, according to astute political observers. Once he is in the run-off primary, his chances for ultimate victory are said to be good.

Clint Small is a resident of our neighboring county of Collingsworth. He is "home folks" to us. People here have watched his career, first as a lawyer, then as mayor of Wellington, county judge of Collingsworth County, district judge, and finally, as state senator. They are aware of his qualifications for office. He is no stranger or foreigner. He is one of us. When a home man makes the race for public office, it is only natural that he should expect the kind of support we are capable of giving him. If we want to see a West Texan elected, we should back his candidacy to the limit, and we believe this course of action will be followed generally.

SPECIAL MUSIC AT BAPTIST CHURCH SUNDAY

Special Mother's Day music will be rendered at the First Baptist church at the 11 o'clock service Sunday morning, under the direction of Mrs. D. L. C. Kinard, musical director and Mrs. Margaret Morgan-Andrews, organist.

Sunday morning, the musical program will be as follows: Doxology; duet, "Memories of Mother," Misses Oneita and Iris Hollis; solo, "Dear Little Mother of Mine," Miss Vernadine Jones; anthem, "The Sweetest Story Ever Told," choir; Offertory; quartette, "To Serve My Mother's God," Mesdames Throop and Leverett, Messrs. Hyder and Kinard.

D. C. Hyder Jr., of Amarillo, stopped over with his father, Dr. D. C. Hyder, a few hours last Sunday, on his return trip from Abilene, where he won the Texas State Championship in Violin, for boys of his age.

Mr. and Mrs. J. A. Batson, of Amarillo, stopped Tuesday on their way to Childress, to visit Mr. and Mrs. J. R. Batson.

Lions Hold Zone Meeting Locally

The regular weekly luncheon of the Memphis Lions Club last Thursday was converted into a Zone Meeting for the Eleventh District, with Zone Chairman Homer Mulkey of Clarendon presiding. Twelve out of town Lions and 22 local Lions were in attendance. H. A. Shaw and J. A. Odom of Memphis and Sam Braswell of Clarendon and John R. Scott of Childress made short talks.

Lion Braswell urged attendance at the state convention to be held in Austin May 12-14.

Visiting Lions present were: Homer Mulkey, L. D. Lewis, Odus Caraway, T. E. Trastle, G. L. Boykin, Sam Braswell, O. C. Watson and T. D. Nored, Clarendon; John R. Scott, Childress. Other guests were: T. E. Allen, Memphis; Morris Gootlieb, Perry, Oklahoma, and Roy Gaither, Altus, Okla.

Dr. D. C. Hyder motored to Mineral Wells last Monday where he attended the Texas State Medical Association meeting. This is one of the largest organizations of regular doctors in the United States, and attracts to its meetings men pre-eminent in their respective branches of the profession from all over the United States.

Say, people, I wonder if you've been noticing what sorry fires we've been having lately. There hasn't been a decent fire in this town since M. G. Ray was elected fire chief. Something ought to be done about it. People will think Memphis is a small town if we keep having small fires and false alarms. As a heavy taxpayer I demand that we have a really big fire now and then, and if Mr. Ray can't get the job done, let's get us a fire chief that knows a good fire when he sees one.

Judge A. S. Moss beat Bailey Gilmore to the office with a big red rose from one of those Democrat bushes. It's the first I've seen from those bushes we distributed and it's a beauty, even if The Democrat did have something to do with it. You might not think so, but even serious-minded lawyers can appreciate pretty flowers. This particular rose is just as red as Judge Moss' legal pleas are fiery and effective. Looks like to me, though, that Bailey should have hurried a little. He's a candidate, you know.

Perhaps you don't care a snap about my dislikes, but since I mentioned one of my antipathies last week I have thought of another. I very, very heartily dislike to hear grown people talking baby talk to each other. I can condone parents talking babyish to their small children, but when a grown young lady lipthips infantile lingo to a grown man, or when a grown wife makes child-like enunciations to a grown husband, or vice versa, I want to get right out in the middle of someone's big cow pasture and scream at the top of my coloratura soprano.

T. M. Potts, who represents the "P" of the D & P Chevrolet Company, won fame overnight last week when he said that what Memphis needs most is more goodwill and the destruction of misunderstanding. That short but meaty article by Tomie (I have insisted that he ought to spell his name with two "m"s, but he says that's his own business and that he'll spell his name without any m's at all if he pleases) met a responsive chord in Memphis and he has been congratulated on every side for pointing out a growing sore spot of our community. Incidentally, Tomie is just the type of person who has plenty of goodwill. He ought to know what he's talking about.

I'm ashamed to admit it, but I don't know a single decent joke this week about anyone in Memphis. Wait a minute! Don't misunderstand me. I don't know any indecent ones, either.

The Amarillo Daily News made a rather startling statement Wednesday morning in reporting the storm that swept a portion of Texas Tuesday. I wish T. E. Johnson, managing editor of The News, would explain the following: "Nine persons reported to the Waco News-Tribune as having been killed in communities near that city."

At least one good Memphis citizen has responded to my request that odd jobs around Memphis homes be given to our unemployed. The man to whom I refer phoned me Tuesday that he wanted his lawn mowed and his yard cleaned. One of the easiest things I ever did was to find a man who was eager for the work. Please phone us about your work, people, and let us pass it on to local people who are in desperate straits. Don't forget this. It may mean food for someone who certainly is entitled to eat.

Elsewhere on this page you'll find the latest list of contributors to The Democrat's Milk and Ice Fund. The anonymous \$25 donation is from a Memphis business man who has no equal for liberality commensurate with his means when he is certain the cause is a worthy one. His name is being withheld at his own request. That one donation has helped wonderfully to swell the fund, but don't forget that your fifty cents or your dollar bill will

help greatly, too, and is just as welcome as larger contributions.

Response to our call for money to supply milk and ice for babies of unfortunate Memphis families has not been what I had hoped for. I feel like the fund should total at least \$200 by now. It can reach that figure right away if you will remember to send or bring us your contribution right now—today. You can spare the money and I think you are convinced beyond a doubt that the cause is worth while. What are you waiting on?

There's a young man in Memphis—and he's a very good friend of mine, too—who has made it a habit to emit a loud, lusty and very realistic sneeze from the audience at every entertainment that he attends at the High School Auditorium. His latest sneezing success was rendered last Friday evening during a love scene in the Senior play, "Daddy Long Legs." Even grown, well-mannered people laughed at it at the occurrence because its ridiculous aspect did make it more or less temporarily funny.

I'm going to ask this young man to look at that type of behavior from this angle. First it was grossly unfair to the performers, who were doing their best to present creditable entertainment (and they succeeded too). The play was interrupted fully three or four minutes, during which time an amateur actor may easily forget his lines and seriously impair a play's presentation. Second, although a number of people laughed at the spontaneity of the incident, it only resulted eventually in unfavorable criticism of Hall County's champion sneezer and I don't believe he would consider one loud sneeze worth the embarrassment it may have caused the play's director and cast.

I've said this in the friendliest sort of spirit. I think a mighty lot of the young man I'm talking about, and I'll admit he's got this sneezing business down to a fine point—an accomplishment that I wouldn't mind possessing myself. I hope he'll be kind enough to at least consider the rambling thoughts I've tried to present in the two paragraphs above.

L. E. R.'s Mail

Paris, Texas, April 30, 1930.

Dear Sir:

I am sending a check for \$2.50 for the paper. We are glad to get The Memphis Democrat every week. We think it is the best paper in the world for a town the size of Memphis. It is just as good as the paper we have here in Paris. I think Memphis and Hall County are the best in Texas.

Respectfully,
C. G. GACHES.

There are thousands of weekly newspapers. Mr. Gaches, much better than The Democrat, but I heartily agree that Memphis and Hall County are the best in Texas. Not only Texas, but the whole world!

—L. E. R.

Dear L. E. R.:

Don't be so ignorant. Lindbergh's little hop across the Atlantic brought him \$25,000. I have always understood. And why does he get the money to fly since Guggenheim doesn't put up? I thought he was now flying for Uncle Sam. All that experimenting on the West Coast, Will Rogers says, advertised California more than anything that has happened in a long time. Would he have to wonder where the money was coming from if he came to Memphis? Bet you'd go down in your pocket to the tune of five or ten if you could get him there.

Don't you think you could do a little "flying around" if you got twenty-five thousand for one flight?

Careful, Si! You jested at Jim Ferguson's tumble out of bed and got an ankle sprained. Jesting at Lindbergh is enough to sprain the other and a neck or two.

Please renew my subscription. A WELL WISHER.

Why should Lindbergh spend his own \$25,000 flying hither and you just to show people how safe aviation is? Besides, he's already flown enough to have spent all that. I'm not criticizing America's hero, I'm just wondering where all the expense money is coming from. However, I do think Lindy has demonstrated how flying around promiscuously can get one in hot water for life. Didn't he fly to Mexico and get married? Yes, I'll renew your subscription—as soon as you remit the very necessary \$2. How do you think The Democrat is going to pay the enormous salary I draw for writing this column if you don't send money with your renewal instructions?—L. E. R.

To exist, there is room for comment and comment, I believe Memphis people will be willing to ride by the results of the census and will not be inclined to find fault with the population this town is accorded.

In order to do away with any unfavorable comment that may arise, in the event Memphis is not shown to have as large a population as some of us believe, has inspired me to get at the matter through a procedure that has been conducive of good results in other towns. Every name turned in to us must be verified. We certainly do not want to count any person more than once. What we desire most of all is to do justice to Memphis and we believe this is one way of accomplishing the purpose.

Some delay has been experienced in compiling the results of the census enumeration in this city. I talked with O. M. Unger, census supervisor of District No. 2 this week and he stated that until some matters had been cleared up, the figures for this city and county would not be available. He did not say how long it would take, but I am hopeful that the results can be made known in next week's issue of the paper.

some of the clubs, students are required to do some research work which will prove very profitable to them when they go to college.

Had Successful Year

"Hi-Y and Girl Reserve clubs have had a successful year in their work and much of their success should be attributed to the leaders and sponsors of these clubs. We have organized two new clubs, one for the Senior High and one for the Junior High School. Mrs. Elmer S. Shelley is the director for the Glee Club in the Senior High School, and Mrs. M. McNeely is the director at the Junior High School. These clubs have been outstanding throughout the year. They have given several programs and have helped to entertain on several occasions. Work of this kind cannot be over-emphasized in our schools.

"I wish to thank each club of the town who has had a part in making our chapel programs a success by giving programs throughout our schools. These programs have certainly been helpful to the students, and they appreciate them very much.

Thanks Each Minister

"I also wish to thank each minister of the town for their splendid talks to the student body and for the cooperative spirit they have toward our schools. They may never know the good that has been accomplished through their contact with the student body. I also take this opportunity to thank the business men and who took part in chapel boosting our boys just before a big football game. These talks helped the boys to play good, clean games, and maintain the right kind of sportsmanship.

Wonderful Cooperation

"I wish to thank the P. T. A. for its leadership and wonderful cooperation the past year. The membership is considerably larger than last year. I feel that the P. T. A. has contributed much to the interest and success of our schools. Through their programs, they have studied out school problems. By their means, they have contributed much to each one of our schools, and I wish to thank each one who has had a part in this work. I am sure next year we will still have a greater membership and will continue with such enthusiastic work.

"We have had a wonderful cooperative spirit throughout Memphis for our schools, and this is certainly commendable for which I thank each one for the interest that has been manifested toward our schools during 1929 and 1930."

A number of the students in the Junior High School graduating class made creditable grades. Students who achieved an average of 90 or over include Macolene Harwood, Floyd Wattenbarger, Henry Boyd Newman, Faye Pannell, Billie Dragg, Martha Draper, Margie Gustin, Bettie Dale West and Audrie Lofland.

The complete program for the graduation exercises has not been

completed, as yet, but will be announced in the near future. The graduates will take up studies in the senior high school next fall.

revival. An interesting address on the work in Africa was made by Mr. Lynn.

Closing Session Sunday

On Sunday morning at 8:45, the Executive Committee was in session until the Sunday School hour. At 2 o'clock Sunday afternoon, the Leaguers met in closing session in the auditorium of the library, because of funeral services at the church. Details of the work of the Leaguers were discussed and plans made for the completion of the year's work, including reports and finances. The presidents of the three unions were made responsible for the chapters under their supervision, so that all reports and finances would be ready on Sunday, May 18, at McLean, for a final check-up. At the McLean meeting, delegates will be elected to the annual Epworth League Assembly at Canyon in June.

A. track, and some of the best auto racers in the South are expected to compete here during the Hall County District Fair this year, which will start on September 16 and will continue through September 19, Mr. Kesterson stated.

Distance Is Extended

"The course will be as good as any race track in the state when completed," Mr. Kesterson said. "The distance around the track has been extended from three-eighths of a mile to one-half mile. We are expecting to have some of the best racers obtainable to take part in the racing events each day of the fair. Substantial purses will be offered, which will unquestionably attract some of the 'big boys' in racing. Work in repairing the course is expected to be completed by July 1."

reached the center of the stream, his engine stalled and within only a few minutes his car had sunk to such a depth that he could not pull out. In less than a half hour, only a tip of one corner of the top of the car was visible above the surface of the water. It took helpers several hours to pull the car from its hold in the sands. Trucks, blocks and tackles were resorted to by workmen to pull the car out.

Two Other Cars Stuck

The same night, two other residents of Plaska were caught in much the same way as was Owens. Tom Ellis lost his Model "T" Ford touring car in Indian Creek about two miles north of where Owens drove his car into the creek. It was several hours later before he recovered the car. Only a short time after this had happened, Elvis Barnes, also of the Plaska community, drove his car into Oats Creek, west of Plaska. He did not recover his car, which was a model "T" Ford, until late Sunday morning. All three cars were practically useless when recovered.

County, Arkansas, on April 19, 1916, where she lived until she moved to Memphis with her parents some six years ago. At the time of death she was a sophomore in Memphis High School and was a prominent participant in all school activities. She was also a prominent young Sunday school and church worker.

Funeral Services Sunday
Funeral services were held from

the First Methodist church here at two-thirty Sunday afternoon, being conducted by Dr. Ernest E. Robinson, pastor. Ministers of the various churches of Memphis assisted Dr. Robinson in conducting the services. A large concourse of friends and relatives packed the auditorium of the church to pay their final tribute to their beloved friend.

Pallbearers Close Friends

The pallbearers who officiated at the funeral were close friends of the family, and the six girls who were selected as honorary pallbearers were intimate friends of Allie. The active pallbearers were: S. S. Davis, N. A. Hightower, M. C. Ward, C. R. Webster, Ike W. Jay and H. J. Gore. Honorary pallbearers were: Dorothy Jones, Charlotte Fore, Ruth Baker, Elizabeth Champion, Ollie Merle Bean, and Helen Ruth Wiggin.

In Charge of Flowers

Those in charge of flowers were: Vera Neeley, Georgene Sexauer, Elizabeth Cooper, Jessie Wood, Nell Walker, Cora Fox Yonge, Martha Draper, Floy Gerlach, Margilee Sigler, Josephine Wicker, Lola Mae Grundy, Lorence Webster, Tommie Boren and Rose Cohen.

Allie is survived by her parents, Mr. and Mrs. C. L. Caviness, an older sister, Mrs. Preston Bethel of Conway, Arkansas, and a younger brother, Jim Caviness. Interment was held following the funeral services, at Fairview Cemetery.

Straightforward Messages

Straightforward gospel messages are being preached by Rev. Watson, who is popularly known as "The Flaming Fire." The evangelist has announced the following subjects which he will speak on during the closing days of the meeting: Thursday night, which is to be Young Peoples' Night, "The Challenge of the Heights;" Friday morning, "The Richest Man in Town;" Friday night, "The Religion that Men of Today Most Desire;" Sunday morning, "Father and Mother Hour;" Sunday night, "The Trinity of Calls."

"There is not a sensational subject among the number," Rev. Watson stated in announcing the subjects Tuesday night. He is a firm believer in preaching non-sensational sermons. The last service of the meeting will be held on next Sunday night.

Speaking Of Mud, Here's About The Muddiest One Out

"Mr. Russell Clark, Memphis, Texas, Dear Sir:

"I have read with interest your Colyum, 'On the Level' of last week, May second, in regard to the mud between Lubbock and our fair city of Memphis. This recalls to my mind the beautiful days in France some years ago while in the employ of Uncle Sam. I do not know if you were 'over there' or not, but if you were, you will recall the different kinds of mud there too. I have dug down deep among all sorts of junk and fished out the following poem on mud. Which do you think is the greatest? The title of this is, 'Who Said Sunny France?'"

"It lies on your blankets and over your bed, There's mud in your cover that covers your head, There's mud in the coffee, the slum and the bread,

Sunny France. "There's mud in your eyebrows; there's mud up your nose, There's mud on your leggings to add to your woes;

The mud on your boots finds its place 'twixt your toes," Sunny France.

"Oh, the grimy mud, the slimy mud, the mud that makes you swear,

The cheesy mud, the greasy mud, that filters through your hair, You sleep in the mud, and drink it, that's true,

When you open an egg, you'll find mud in it too— Sunny France.

"There's mud in the water, there's mud in the tea, There's mud in your mess-kit as thick as can be,

It sticks to your fingers like leaves to a tree, Sunny France.

"Oh, the ruddy mud, the muddy mud, the mud that gets your goat,

The sliding mud, the gliding mud, that sprays your pants and coat, It cakes in your mouth till you feel like an ox,

It slips down your back and rests in your sox, You think you are walking on cut glass and rocks,

Sunny France. "There's mud in your gas mask, there's mud in your hat,

There's mud in your helmet, there's mud on your gat,

Yet though mud's all around us, we're happy at that; Oh the dank, dark mud, the rank, rank mud,

There's just one bird to blame, We'll wish him well, 'we will like Hell,"

And Kaiser Bill's his name, MAYNARD H. DRAKE."

Scout "Camparee" Is Being Planned

According to an announcement made this week by I. E. Jolly, Scout Executive, the first annual "comparee," which is a rally of all the Scouts in the council of this district, will convene Thursday and Friday, May 29 and 30 at the local Fair Grounds. Boys of the entire district will assemble here for the "comparee."

This is the first attempt by the Scout officials to try to hold a rally of all the Scouts in the Council. The purpose of the "comparee" is to secure a better understanding of the Scout program among not only the Scouts and officials, but also among the parents and the public.

According to Mr. Jolly, it is an effort of the officials to standardize Scout advancement; to develop among the Scouts trained authorities to assist the Scoutmasters and relieve them of their responsibility for troop advancement; and to develop troop morale and patrol spirit.

The program consists of the first assembly Thursday afternoon. Minor details of pitching camps and other things will ensue. Thursday night beginning at eight o'clock, the Boy Scout Court of Honor will be held. The public in general is invited to attend the meeting.

The boys will arise at six-thirty Friday morning and after the usual details of the day are attended to, first aid and fire building will be demonstrated. At twelve o'clock the boys are to be presented with a chicken dinner. In the afternoon, signaling, knot tying, and model airplanes will be demonstrated.

Eight rules apply to those who enroll in the "comparee." These rules, according to I. E. Jolly, will be strictly enforced and everything will be carried off in military fashion. Scouts who expect to attend the "comparee" should get in touch with Mr. Jolly at once.

MOTHER'S DAY

Nobody's Mother is old today, And no Mother's son feels his age, For the leaves of Yesterday's Book, Have backward, turned backward a page.

As children they see their Mother's face, And a blessed contentment they know, Walking abroad a hand in hers, May's perfume around as they go, Mother's Day hearts are ever young, Suffused with memories clean and white;

As rivulets swell a noble stream, So Love floods their day with its light. —Dorothy B. Robbins.

OPERETTA WILL BE PRESENTED ON MAY 21

50 Members Of Glee Club To Take Part In Production

Beginning promptly at 8:30 on Wednesday evening, May 21, fifty members of the Memphis High School Glee Club will be presented by their director, Mrs. Elmer S. Shelley, in "The Belle of Bagdad," an operetta in two acts by Geoffrey F. Morgan and Frederick G. Johnson. The operetta is expected to be an unusually complete musical entertainment, having in its cast fifteen featured singers of the glee club, with an adequate supporting cast of thirty-five. Clarence Jackson and Maizie Perkins have been selected to sing the leading roles, with Blanton Bagwell, baritone, in the leading comic role.

Adventures of Trio

The story on which the operetta is based relates the adventures of a movie photographer and two aviators in Bagdad. The trio are in search of a certain belle in the town of whom they have heard, and whom they have selected as the leading lady for their next picture. Before their arrival in Bagdad, police there receive word of an assassin who carries a bomb in a camera and orders are issued by the Caliph that all people seen with cameras are to be executed.

The three adventurers try to identify the girl of their dreams by certain photographs in their possession, and when the prefect of police discovers them carrying a camera, they are sentenced to be executed. Their adventures furnish the theme on which the plot is built.

Cast of Operetta

The cast of the operetta is as follows: Mrs. J. Horace McCann, new American Consul in Bagdad, Sarah Bradshaw, soprano; Elsa McCann, her daughter, Annie Rene Montgomery, soprano; Anne Blackwell, a friend of Elsa's, Iris Hollis, contralto; Archie Fitzgibbons, from dear old London, Homer Shankle, tenor; Zelinda, a dancer, Sara Hart; Rose, daughter of the Caliph, Mary Winston Walters, mezzo-soprano; Lily, another daughter, Margot Shaw, mezzo-soprano; Ali Ben Mustapha, the prefect of police, Bill Sanders, baritone; Hassan El Carib, the Caliph of Bagdad, V. L. McGlocklin, bass; Jewel, his favorite daughter, Maizie Perkins, soprano lead; Bob Ballentine, an airplane mechanic, Blanton Bagwell, baritone; Bill Black, his friend and companion, Bill McKelvy, baritone; Henrietta Whipstitch, a romantic spinster, Pau-

line Ross, soprano; Dick Taylor, from the Super-Supreme Film Company, Clarence Jackson, tenor lead, and a chorus of natives, guards, tourists, dancers, and so forth.

Popular prices will be charged for the performance.

Masons Of County Banquet Last Week

Seventy-two Masons who are members of Blue Lodges throughout the county were in attendance at a banquet at the Masonic Temple here last Thursday evening, as guests of the local Masons. Although the attendance was cut short somewhat by inclement weather, it is said that the crowd last Thursday evening was one of the largest to assemble in the Temple for some time to discuss Masonic work. Among the visitors at the banquet was a large delegation from Clarendon, headed by Judge A. T. Cole, who was the principal speaker for the evening.

D. H. Arnold, prominent Hall County Mason presided over the

banquet as toastmaster. Mr. Arnold introduced the following program which was given while women from the First Christian church served the dinner: violin solo, Frank K. Fore; vocal solo, Thomas E. Noel; vocal duet, Mrs. C. L. Sloan, Jr., and Mrs. Mac Tarver; vocal solo, Omer Johnsey, Harry Delaney and Thos. E. Noel.

After the banquet had been tendered, the Masons retired to the main auditorium of the temple where a round table discussion, which followed the main address by Judge A. T. Cole of Clarendon, lasted until midnight.

Hudgins To Attend Anniversary Meet Kansas City Life

E. N. Hudgins, who has held a contract with the Kansas City Life since November 28, 1913, will attend the twenty-fifth anniversary meeting of The O. Sam Cummings Agency, Texas Managers, at Dallas on Monday, May 12.

As a token of appreciation, Mr. Cummings has had a special Service Emblem designed. One of these will be presented to each of 165 Texas men and women who have been continuously connected with Kansas City Life for five to twenty-five years.

Many of the company executives will be in Dallas upon the occasion of the Texas Agency's silver anniversary celebration, and President J. B. Reynolds will personally present each man with his Service Emblem.

ANNOUNCEMENT MADE OF NEW FRIGIDAIRE

Announcement was made May 6, of the new multi-cold Frigidaire, with four temperatures, five compartments and two atmospheres within the same electric refrigerator, by the Frigidaire

Corporation.

According to George Spann, local Frigidaire salesman, one of the new multi-cold Frigidaires was installed in Memphis prior to arrival of this publicity announcement.

Vegetables, in this advanced electric refrigerator, have a separate compartment kept at a temperature best suited for their preservation. Meats have a separate storage compartment in which they may be kept indefinitely, or this same compartment may be used for storing ice cubes or desserts for any length of time, thereby doubling the dessert and ice freezing capacity.

Mr. Spann spoke in glowing terms of the beauty of the new refrigerators, and their splendid utility and durability.

Co-operation Will Build A Greater Memphis!

Be Farsighted Enough to Know

that when you go out of town to buy every day needs—clothing—and every article that is offered by Memphis merchants, you send just the amount of the purchase out of your city forever. You are helping build the city miles away from home. That merchant does not pay taxes in Memphis—does not help build your churches or schools, while the local man, dependent on local patronage, does help in the building of those improvements so necessary for the growth of our town.

In Guiding and Developing the Town In Which You Live

Your Part Is Vitally Important.....

During 1930 Let's Boost Home Industry

This year let's give local industries our whole-hearted support. Go in and tell your local clothier, automobile dealer, tire dealer and all the rest that you are behind them and will favor them with your business.

That will do more to make business good in Memphis than any raise in the selling price of locally produced products. Prices will be more fair, and your own business will be more stable. Let's band together to make this year the biggest for Home Industries in the history of the community.

Memphis Merchants Offer You Quality Merchandise!

The quality of good merchandise is the same in Memphis as it is in New York, Paris or Chicago. Nationally advertised products, and good brands of every class of goods are handled right here at home. Watch the windows and advertisements of local merchants. You'll find that the same merchandise that you have been going out of the city to purchase is offered right here in your home town at the same or lower prices.

These home merchants are helping Memphis become a real City. Give them your support. Their profits stay at home and help you, too!

NOTICE TO THE PUBLIC
Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation, which may appear in the columns of this paper, will be gladly corrected upon due notice of same being given to the editor personally at the office at 211 Main Street, Memphis, Texas.

- THE DEMOCRAT'S PROGRAM FOR 1930
1. Less selfishness and more selflessness in the business, professional and social life of Memphis and Hall County.
2. The placing of agriculture on a higher plane, with emphasis being put on diversification, live at home movement, and the cow, sow and hen route to contentment and general well being.
3. A better understanding between Memphis and the towns and communities in Hall County.
4. More respect for city ordinances in connection with parking of cars in the downtown district, observance of fire rules and regulations, and keeping the streets of the city in a clean condition.
5. More general cooperation in all movements seeking the betterment of Memphis and Hall County.
6. A municipal auditorium.
7. More paved streets.

A HAPPY SELECTION
Citizens of Memphis generally are well pleased with the selection of Henry Read as the new secretary of the Memphis Chamber of Commerce. The selection is a happy one, reflecting as it does the wishes of a large majority of local citizens.

Expressions of gratification have been many since the initial announcement of Mr. Read's acceptance was made public. Men in all walks of life, in many endeavors, of many attitudes have commended highly the choice of the directorate of the local Chamber of Commerce. Mr. Read has been closely associated in and identified with practically every forward looking movement for the betterment of Memphis and Hall County since he took up residence here in 1902.

IT'S ABOUT TIME FOR A CLEAN-UP WEEK
As regularly as spring comes around, just that regularly should a clean-up campaign be formulated locally. As long as we have been here, such a campaign has been in order, but it seems that we are getting a late start this year.

MOTHER'S DAY
SUNDAY, May 11, will be observed in all sections of the United States, as Mother's Day. While every day is largely a mother's day, only once during the period of twelve months does the entire nation center its attention on the mothers of men.

THE SEVENTH DISTRICT CONVENTION
THERE is really no good reason why Memphis should not become a convention city. The fact that Panhandle newspaper men were entertained so adequately here a few weeks ago lends color to the fact that we both know how to entertain and that our facilities are ample.

MEMPHIS NEED OF NEW GYM DISCUSSED

Need Of A Gym Is Pointed Out By Ernestine Walker

BY ERNESTINE WALKER

I have been reading articles on "What Memphis Needs Most," in The Democrat, and since the Editor of the Whirlwind has asked me, I shall write an article on "What Memphis High School Needs Most."

P. T. May Be Taught
In almost every high school in the state, that is the larger ones, Physical Training is taught to the high school pupils. A good gym is needed for this.

Estelline Has Gym
Estelline has a good gym. Memphis is much bigger than Estelline and there is no reason why we should not keep pace with that city.

Few Attend Games
It is true that Memphis people have not attended basketball games, and I don't blame them. If they go, they have to stand up throughout the game; people get in front of them and they can't see.

ON and OFF THE CAMPUS

BY THE EDITOR

Get a load of this, will you. Now what have I done to get something like this.

I have been reading your column every week and it seems to me that it is your delight in picking on some poor unsuspecting soul and give them some unsought publicity.

I think the main trouble with your writing is that you do not use your brains (if you have any) when you are writing.

I believe in the freedom of the press, but I do not believe in abuse of the freedom. You seem to believe in freedom of the press, the way you are free with what you say.

Some people may think that you will someday be a good writer, but I think the case is hopeless. However, occasionally you show a streak of intelligence.

You have heard the saying, "A fool is born every minute," well I believe that "There is a dumb person born every minute."

And the optimist, Mr. XXX, was so bold to call my writings "masterpieces;" it sounds sarcastic, but I won't take it that way.

I have proof that I got the letter. Ask Albert Pearson, he is the only person who read it besides myself.

I received your most complimentary letter. Needless to say, I greatly appreciated hearing from such an interested writer.

And I further think that it takes a person who has some sense to read stories and get sense out of them.

Counting from last Monday only fifteen school days remain before the school term of 1929-1930 will be over.

Members of the Senior Class have only one more week to attend classes after this week.

I do think Mr. XXX and I would make great friends. He is the kind of chap that I like.

FOOTBALL BOYS START WORK MONDAY

Good Team Predicted For Next Fall By Coach Walter

Spring football training started Monday of this week with some twenty boys out, to learn to carry the pigskin. The fundamentals of football will be taught by Coach Walter with the assistance of some of the lettermen of last year's squad.

Light Workout Monday
Coach Walter put the men through a light workout for the opening day, giving them plenty of work.

Fundamentals Taught
The first day's workout consisted of passing, pass catching, punting, punt catching, and other fundamentals of football.

Lettermen Out
for the team are Albert Pearson, J. W. West, J. D. Jackson, Gerald Kunkler, William Thomas Sanders, Curtis Bourland, Bob Phillips and Ezell Champion.

THREE MORE WEEKS OF SCHOOL LEFT FOR STUDES
Counting from last Monday only fifteen school days remain before the school term of 1929-1930 will be over.

Members of the Senior Class have only one more week to attend classes after this week.

According to I. W. Jay, principal, announcement of senior examinations will be made some time soon.

Holding the first of a series of meetings that are being sponsored by the Hall County Agricultural Council, last Friday night at Parnell, over a hundred Parnell farmers from surrounding communities were present at the Parnell church.

Those appearing on the program were, J. H. Spearman, who discussed "The Business Man and the Farmer;" E. W. Thomas, Hall County Farm Agent, discussing "Farm Credits;" Miss Ruby Adams, County Home Demonstration Agent, "Live at Home;" J. L. Darby discussing "County Livestock Shipping Association;" and concluding the program an open house discussion led by B. N. Mothershead on "Better Staple Cotton."

According to E. W. Thomas, farm agent, another meeting similar to this will be held soon at some Hall County town or community.

Presbyterian Boy Scout Troop Goes On Hike Recently

J. HARDIN MALLARD
 Scout Troop No. 4 of the Presbyterian church had one of their regular monthly hikes on April 26, which was the spring opening for the boys in spring and summer hiking and camping. Among the regular Scouts were four Cub attaches which means boys from nine to eleven. A nine-year-old is a wolf cub; a ten-year-old is a bear cub and an eleven-year-old is a lion cub, from which he passes to a Tenderfoot Scout at the age of 12. There was a wolf cub, two bear cubs and a lion with the troop on this hike.

The boys went to the western side of Browder's ranch and prepared dinner at the pump house where good water was to be had. Some of the Scouts took each a cub as a cooking partner for dinner so that the cub could learn the trick, too. It was fine to see the splendid fellowship existing between the Scout and his cub companion, and the cub having his first experiences in such lore was blooming out with the big experience all day.

The Scoutmaster took a camera along and got pictures of the boys while in action, when they did not know they were being snapped. Some interesting pictures were made which will be put up on the bulletin board of the church to give the church people an idea of what Scouting is out in the open field.

In their browsing around at the dinner hour, the Scouts got up a five foot bull snake, a very large toad and a turtle out of the creek. These were the victims of the prowess of these young explorers. A number of contests were had. In the rifle contest, Bobby Thomas, Wayne Baker and Floyd Wattenbarger led with the highest scores. In the tree climbing contest, Bobby Thomas and A. Q. Gull and Chester Wattenbarger led. In the canyon wall scaling, Wayne Baker, Bobby Thomas, and Chester Wattenbarger were ahead. Joe Paddy carried the first aid kit and was the doctor for all the bruises and scratches, and the chief in the signalling practice. The boys all declared it was one of their very best hikes and are still anxious to do bigger things.

Annual Senior Day Observed By Class

BY JERRY SITTON
 Observing the annual Senior Day, members of the 1930 Senior Class of Memphis High School spent their holiday last Monday at Dripping Springs, in the Palo Duro Canyon, near Claude. Some sixty students with their sponsors were present.

The day was beautiful, more so than was expected as it followed a big rain. No wind was blowing; no clouds, nothing. At eight o'clock, the students left the high school in eleven cars. Several of the cars were delayed on account of blowouts, and one in particular, had so many punctures that it was after twelve o'clock before the canyon was reached.

Arriving at the canyon, the students started the day by paying the springs a visit. Exploring parties were formed and tramps through the hills followed. Following the long and tiresome tramps over the hills, a picnic luncheon was served. It can be truthfully said that there was enough food to feed an army.

After the meal, tramps were again in order. Many of the boys, however, sought the inviting shade of the rocks, the springs, the picturesque hills with their cedar trees, and individual members of the party.

After the last tramp, the homeward journey began. The only sorrowful affair of the day came as the cars started on the winding road that led out of the canyon. The place where the last holiday the Seniors will ever get—the last of their high school days—was left behind.

Accompanying the Seniors on their outing were Ike W. Jay, high school principal; Miss Ora Lee Bray, senior class sponsor and Miss Margaret Bell, junior class sponsor.

Hazel Delaney is spending the week in Shamrock visiting friends.

Mr. and Mrs. Ira Foster, of Memphis, spent the week end in Memphis.

R. H. Goodnight, of Wellington, son of a former Memphis pioneer, underwent an operation recently, but is reported as getting along fine.

The Coming Generation

Don Q. and Winifred Jane Tarver, pictured above, seem to be the best of friends. They are the children of Mr. and Mrs. Horace Tarver, 604 S. Seventh. Don Q. is 3 and Winifred Jane is 5 years old. We don't need to tell you they're a fine pair of youngsters. You can easily see that.

Plan First Annual Club Encampment

Final plans for the first annual Educational and Recreational Encampment for Boys and Girls 4-H Clubs were made on Saturday afternoon of last week in a meeting of the officers of the various boys and girls clubs of the county, which was held in the office of Ruby M. Adams, county home demonstration agent. After considerable deliberation, it was decided that the encampment would be held on Tuesday, June 17, at Bitter Lake, near Brice. The complete program for the day has not been arranged as yet.

The meeting has been planned by the boys and girls club workers to begin early on the morning of June 17, and to last throughout the day. A varied educational and recreational program is to be arranged. I. E. Jolly, local Boy Scout Executive, will have charge of the recreational activities of the day. Lunch will be prepared and served on the grounds at noon, according to Miss Adams.

One of the features of the program is expected to be team demonstrations from the various girls clubs. Two girls from each club will take part in the competition, and from the number will be selected one team which will be entered in district competition soon. All members of 4-H clubs throughout the county are looking forward with much anticipation to the day, and it is expected that more than a hundred boys and girls will be present.

J. L. Barnes, Robert Grundy, D. A. Grundy and A. Baldwin spent Tuesday fishing at Childress Lake.

Prominent Masons To Speak In City

Two prominent Texas Masons will speak to local Masons on Wednesday evening, May 14. Wilbur Keith, Executive Secretary of the Masonic Service Association of Texas and Hiram F. Lively, Grand Master of the Grand Lodge of Texas, are the speakers who will be here on that night, according to D. H. Arnold, who has arranged the program for the evening.

These two men will speak here on Wednesday night previous to the annual spring ceremonial of Khiva Temple which will be held in Amarillo on Thursday, May 15. Many local Shriners will be in Amarillo on that day. Following the Shrine ceremonial, Hiram F. Lively will be in conference with deputies from lodges throughout the Panhandle, on May 16.

John Hammond Wins T.C.U. Letter

Information was received from Fort Worth this week to the effect that John Hammond, oldest son of Mr. and Mrs. George Hammond of Memphis, won first place in the broad jump in the dual track meet held at Texas Christian University last Saturday between T. C. U. and S. M. U. John's distance for this event was 22 feet and three-quarters inches. This will entitle John to receive a letter in track.

This is John's third year at Texas Christian University. He has been showing great form in all track events participated in by T. C. U. this year. He won first place in the broad jump in the dual track meet between Simmons and T. C. U., his distance being 21 feet nine and one-half inches, and won second place in the broad jump in another meet. John is a candidate for the T. C. U. football squad and with Hubert Dennis, has a good chance of making the team this coming season.

DOROTHY ELLIOTT IN PRODUCTION AT T. C. U.

Information received from Fort Worth this week is to the effect that Dorothy Elliott, daughter of Judge and Mrs. J. M. Elliott of this city, will have a part in the dancing chorus of Texas Christian University's production of "The Chimes of Normandy" on the evening of May 10. Miss Elliott will dance in the folk dances. The performance is in charge of Dr. H. D. Guelick, head of the School of Fine Arts.

Mrs. Bernice Bean Wesley arrived Saturday evening from Canyon for a week's visit with her parents, Mr. and Mrs. E. Bean.

AT THE CHURCH OF CHRIST
(Seventh and Brice Streets)
Lester W. Fisher, Minister

Bible school 9:45 a. m.

Hear the Minister Sunday 11 a. m. on: "Christian Mothers the 'Great Need of this Age,'" and 8 p. m. "Why I Believe the Bible." "Skepticism, evolution, atheism, and materialism are hammering at the very foundation upon which Christianity is founded. There are many reasons why people should believe the Bible and renounce, denounce and condemn infidelity. Don't miss this sermon Sunday night. It is the third in a series of messages on THE BIBLE.

Ladies Bible class Monday 3:30 p. m.

Young People's meeting Tuesday 8 p. m.

Mid-week service Thursday 8 p. m.

Bible drill for children Saturday 2 p. m.

Our slogan: "Two hundred in two Sundays" was a winner. Last Sunday 226 came to study the Bible. Next Sunday we are pulling for 250. It will be easy with everyone cooperating. These figures tell the story: March 16, 144; March 23, 155; April 20, 173; and May 4, 226 present. We have learned that God giveth us the victory when we really work. "Continue in the things which thou hast learned." Every service in this church is planned for your spiritual uplift and benefit. The public is invited.

A New Testament will be given away to the young man who found one hundred dollars in one of our local grocery stores last week. No one saw him find the money, but being honest he returned it to the owner. He deserves a New Testament.

B. Y. P. U. Training School
Beginning on Monday night and continuing through Friday night of next week, the young people of the Baptist church will engage in a training school. Miss Grace Conn, of Dallas, field representative in Texas of our B. Y. P. U. work, will be here on Sunday and throughout the week to direct the work of training. She will teach a large class of Seniors and adults the outline of T. C. Gardner's "Modern B. Y. P. U. Methods." "Intermediate Officers and Their Work" will be taught to the Intermediates, and "Trail-Makers in Other Lands" to the Juniors, and the Primary Methods to the children, 8 years and under. These primaries will get an attendance certificate if they attend 3 nights out of the 5. We want to boost the training school, and have as a goal that 100 awards will be issued. We want 100 people in the training school. Tell some one else about it, and then come and bring some one, so that all of us may be enabled to do more efficient B. Y. P. U. work. Miss Conn will generate enough pep to take us through the summer on high, with over 100 every Sunday night.

Beauty at Its Best
The scenes present beauty at its best. The great outdoors of the West, photographed in natural colors, is a stirring sight. The covered wagons rumbling over the plains and the long nights with the camp fires singing the simple songs of the plains, are scenes of touching beauty. The love story, telling of the regeneration of a man through the devotion of his wife, fits in with the adventure spirit of the film.

Segal and Boles Star
Vivienne Segal, well known on the musical stage, is delightful in the leading feminine role, and John Boles, playing opposite Miss Segal, repeats the good acting and fine singing he did in "The Desert Song." Joe E. Brown, the comedian, Sam Hardy, the villain, and Rudolph Cameron, the young Lieutenant, all give excellent performances.

The production was directed by Ray Enright and is an adaptation of "Rainbow," the operetta by Laurence Stallings and Oscar Hammerstein II.

E. O. Beavers of Lakeview, a member of the Jury of Review, has been in Memphis this week.

Mrs. Will Kesterson is reported as being on the sick list this week.

Wesley Daughters Hold Meeting On Thursday, May 1

The Daughters of Wesley Bible Class met on Thursday at 3 p. m. May 1, at the home of Mrs. Ed Cudd, Mesdames Slover, Dial, and R. D. Stuart being assistant hostesses.

The devotional was conducted by Mrs. Floyd McElreath, who gave a very interesting talk on "Mother." At the close of the devotional Mrs. McElreath read a very beautiful poem, "Mother's Knee, the First Church," which gave the picture of what a mother can mean to her child.

Roll call was answered by twenty-four members, who gave "Mothers of the Bible," as answers.

At the close of the business session a very appreciated Mother's Day program was given. Mrs. Joe DeBerry sang "The Spirit of Motherhood." Mrs. Brumley read, "A Letter from Mother," both of which numbers were much enjoyed by all present.

The Bible Story was taken from the book of Daniel, and was told by Mrs. Will Bagwell, the leader.

A delicious salad course was served by the hostess, following which the class adjourned to meet June 5 at the home of Mrs. DeBerry.

"Song of The West" To Play At Gem As Fire Dept. Benefit

"Song of the West," a new Vitaphone all-color production presented by the Warner Bros., and boasting a fine story as well as a capable cast headed by Vivienne Segal and John Boles, will be shown at the Gem Theatre Thursday and Friday of this week, as a benefit for the Memphis Volunteer Fire Department.

Business Women To Sponsor Programs

Three very attractive entertainments will be staged in Memphis under the auspices of the Business and Professional Women's Club. These attractions are the King Male Quartette, who will sing, play instrumental numbers, and play on the Swiss Bells. The next evening's entertainment will be by Loring Campbell, an artist, ventriloquist and magician. The Misner Players, five in number, will play the well-known and ever popular "Sun-Up," that has been entered in so many Little Theatre tournaments over the country.

The B. & P. W. Club is bringing these entertainments through the Columbian Artists Union, by the efforts of Miss Mattea McClurkin, of Amarillo.

The dates, which will be announced later, will be from October first to December first.

The girls of the Business Club, are recommending these as high class entertainments, and they have also been carefully gone into by George A. Sager of the Chamber of Commerce, and H. A. Jackson, school superintendent.

Horton Takes Over Phillips Station
H. D. Horton, well known resident of Memphis, who was formerly in the cleaning and pressing business here, has taken over the management of the Phillips Station at Ninth and Main streets, effective Monday of this week.

Mr. Horton will have associated with him A. A. Robinson, who has been working at the station for the past six weeks. Mr. Robinson was formerly employed by the Garrott Candy Company of this city.

Mr. Horton stated that he would appreciate having his friends and acquaintances call to see him in his new place of business. He is equipped to furnish good service, day and night, and he promises that very thing. The station is also equipped to wash and grease cars.

Mrs. Will Kesterson is reported as being on the sick list this week.

GOODNIGHT IS BETTER FOLLOWING OPERATION

R. H. Goodnight, former representative of the Sherman Nursery Company here, is reported to be convalescing from an appendicitis operation which he underwent at a local hospital on last Sunday morning. Mr. Goodnight was in a serious condition for several days following the operation, according to attending physicians, but he has passed the worst part of the convalescent period and is doing nicely at present. He expects to be released from the hospital within the next few days.

Mr. and Mrs. R. C. Channing, and Mr. and Mrs. O. S. Goodpasture spent Sunday in Wichita Falls.
