HITLER WASN'T KIDDING BEFORE PACT AT MUNICH

NUERNBERG, Dec. 3. (AP) — Hitler was not bluffing when his threats of war in 1938 led England and France to sign the Munich Pact, secret German plans introduced at the international war crimes trial of 20 leading Nazis disclosed today.

Documents laid before the international military tribunal showed that the Munich Pact — by which the Czech Sudetenland was handed over to the Nazis — was signed only two days before the date set by the German High Command for four armies and the air force to be prepared for a blitz invasion of Czechoslovakia.

The German air force also expected France to join the fight and had prepared detailed plans for attack in the west, the evidence introduced by American prosecutors made plain.

BLAZE DESTROYED AFTER WHIPPING FALA—Blaze (right), Elliott Roosevelt's bull mastiff, paid with his life for chewing up Fala (left), the late president's Scottie, the New York State Health Department reported.

unrest and Hungary had promised to be ready to "take part in the conflict by October first", official German documents disclosed. Field Marshal Wilhelm Keitel, Chief of the High Command, had been ordered Sept. 26, 1938, to move his assault forces up to the jumping off places for the Czechoslovak invasion.

Congress Asked To Set Up Fact Finding Boards

President Requests Ban On Walkouts In Arbitration

WASHINGTON, Dec. 3 (AP) — President Truman asked congress today to set up a fact-finding board to make recommendations for solving labor disputes in "important nationwide industries" and to ban strikes or lockouts during federal consideration.

GM Charged As Monopoly

Iranians Again Petition Soviet To Allow Entry

TEHRAN, Dec. 3. (AP) — The Iranian government urgently petitioned Soviet Russia today to permit transportation of Iranian troops to trouble-ridden Azerbaijan province, where armed democrat autonomists were reported to have seized police and government officials.

Locals Disapprove Parts Production

DETROIT, Dec. 3 (AP) — The CIO Automobile Workers today asked US Attorney General Tom Clark to investigate General Motors Corp. with a view to anti-trust prosecution, contending GM's control of a large part of the supply of fuel pumps for the industry constitutes a monopoly.

McVay Formally Charged By Navy With Negligence

WASHINGTON, Dec. 3 (AP) — The Navy formally accused Capt. Charles B. McVay III today of negligence and culpable inefficiency in the loss of the 10,000-ton cruiser Indianapolis in the closing days of the war.

GERMANS GROAN, RESENT CONFUSED OCCUPATIONAL POLICIES OF ALLIES

FRANKFURT, Dec. 3 (AP) — German resentment against American occupation methods is developing gradually into bitter hatred which is giving rise to increasing talk of resistance, according to a survey made by US intelligence officers.

Winter Scout Camps Set For Holiday Weeks

Boy Scouts of Big Spring and Colorado City district will have a winter camp with scouts from the Concho Valley council at Mertzon beginning Dec. 26 through Jan. 1.

GIVEN PRISON TERM

WUPPERTAL, Germany, Dec. 3 (AP) — Col. Erich Killinger, 52-year-old German prison camp commandant, was sentenced by a British military court today to five years imprisonment and two of his aides received prison terms for mistreatment of RAF fliers in a "sweat box" camp.

When Kimes was able to talk at the hospital he first refused to say who he was and told attendants he did not want his relatives to be notified.

Gregory, a laborer, had been a resident of Howard county since 1907. Survivors include his father, J. G. Gregory, Ackerly; a brother, G. W. Gregory, Fort Stockton; two sisters, Mrs. J. H. Bruton, Crane, and Mrs. R. L. Anderson, Ackerly.

There are some bright spots in the picture. One is the agreement by which Russian and American troops are being withdrawn completely from Czechoslovakia.

Under the second charge, he was accused of failing, after being informed that the ship was in a sinking condition, "to issue and see effected such timely orders as were necessary to cause said vessel to be abandoned, as it was his duty to do."

Under the second charge, he was accused of failing, after being informed that the ship was in a sinking condition, "to issue and see effected such timely orders as were necessary to cause said vessel to be abandoned, as it was his duty to do."

Under the second charge, he was accused of failing, after being informed that the ship was in a sinking condition, "to issue and see effected such timely orders as were necessary to cause said vessel to be abandoned, as it was his duty to do."

Under the second charge, he was accused of failing, after being informed that the ship was in a sinking condition, "to issue and see effected such timely orders as were necessary to cause said vessel to be abandoned, as it was his duty to do."

They learned from Miami police that Woods' car and registration papers were stolen a month ago. Kimes was informed of this, but he refused to admit his identity until officers prepared to take his fingerprints.

This conviction, it was said, is shared by many of the clergy who profess pro-Allied sympathies. In general, the investigators found the Germans seem to feel they have suffered enough.

Anyone who can spend a little time helping out at the local office is asked to get in touch with Miss Miller by phoning 228.

Under the second charge, he was accused of failing, after being informed that the ship was in a sinking condition, "to issue and see effected such timely orders as were necessary to cause said vessel to be abandoned, as it was his duty to do."

## Rice Leads Southwest Conference In Rushing, Mustangs In Passing

DALLAS, Dec. 3 (AP)—Six of the seven Southwest conference football squads showed away the moleskins and bright today, after a hectic season that drew more than a half-million fans.

Only the University of Texas has unfinished business. The Longhorns return to the gridiron next Monday to start training for their Cotton Bowl date Jan. 1 with Missouri. As champions of the conference for the third time in four years, the Longhorns will be host team in the Dallas classic.

Final games of a most interesting campaign which saw Southern Methodist finish second — just one game behind Texas — were played last week. Texas swept up the title by beating Texas A. and M. 20-10 while Southern Methodist whipped Texas Christian 34-0 and Baylor honored Rice 17-14.

It was one of the closest races on record with fifteen of the 21 conference games being decided by margins no higher than 13 points. There were four one-point decisions, among which was Texas' lone defeat of the season — a 7-6 upset by Rice. Three games were determined by three points, one by five, two by six, one by seven, two by ten and one by thirteen. There were only four one-sided games, three by 34-0 and one by 27 points.

Perhaps the conference didn't play top football compared with the rest of the country (it's inter-sectional record showed eight losses against seven victories) but certainly there was no lack of interest.

## Broncs Oppose El Paso High In Border City

By HAROLD V. RATLIFF  
Associated Press Sports Editor

The battle for the Texas schoolboy football championship begins this week with favorites pronounced in six of the eight bi-district games.

Wichita Falls, Odessa, Highland Park (Dallas), Crozier Tech (Dallas), Waco and Lufkin were top choices as sixteen teams square off but among the four favorites representing South Texas districts, you could take them out of a hat and feel as safe as if you tried to rate them on season performance.

Milby (Houston) plays Goose Creek and Thomas Jefferson (San Antonio) tangles with Brownsville in the two games difficult to select the favorites.

Milby and Brownsville are undefeated and untied but such records mean nothing when inter-district struggles begin. And in the case of Goose Creek and Thomas Jefferson, a mazing comeback that saw them reach their peak in the closing weeks must be taken into consideration.

In fact, if there are favorites it appears the beaten clubs should get the nod, meaning Goose Creek is a paper edge selection to clip Milby and Jefferson a narrow pick to tumble Brownsville.

Wichita Falls, one of the state title favorites, meets a rugged Amarillo eleven; undefeated, untied Odessa clashes with an El Paso high team over which it already holds a victory; Highland Park engages Paris in the only game matching unbeaten teams; Crozier Tech plays defense-minded North Side (Fort Worth); once-defeated Marshall tackles the state's top scoring team — Lufkin, and Waco and Breckenridge, each with one loss on its record, fill out the opening round of state play.

The general choices for the semi-finals are Wichita Falls and Highland Park in the upper bracket but there's a lot of beating around the bush in selecting the top two teams of the lower bracket. It is pretty well agreed however, that Waco or Lufkin will be one of them and in fact, that the winner of this game will be a finalist. Goose Creek appears the No. 1 choice for the other semi-finalist.

The bi-district round is evenly divided among Friday and Saturday play with four games each. Here is the first round schedule:

Friday: Highland Park at Paris, 2:30 p. m.; Crozier Tech vs. North Side at Fort Worth, 8 p. m.; Marshall at Lufkin, 2:30 p. m.; Brownsville vs. Thomas Jefferson at San Antonio, 8 p. m.

Saturday: Amarillo at Wichita Falls, 2 p. m.; Odessa at El Paso, 2 p. m.; Breckenridge at Waco, 2:30 p. m.; Goose Creek vs. Milby at Houston, 2:30 p. m.

## Porkers Begin Road Adventure

By the Associated Press

All Southwest conference basketball teams will be in action this week. Baylor, Texas A. and M., Rice and Texas will be taking the court for the first time.

Arkansas, which rolled up 101 points Saturday night in walloping Sedalia, Mo., Army Air Field, will open an inter-sectional schedule which will take it through the South and East.

The Razorbacks, boasting a 76-25 victory over Camp Chaffee, Ark. and 101-37 decision over Sedalia Air Field, engage Western Kentucky Teachers at Little Rock Thursday and Friday nights, then next week journey to Memphis, Tenn., to play NATTC, going from there to New York to play New York University and looping back through Kentucky to engage Kentucky University at Lexington.

Southern Methodist, which holds a 50-28 victory over Ashburn General Hospital and 54-44 decision over Dallas Naval Air station, plays the latter at Dallas tonight.

Texas Christian, which opened the season with a 30-20 win over the Eagle Mountain Marines, engages North Texas State at Denton tomorrow night and the same team at Fort Worth Friday night.

Baylor opens the season tomorrow night against Randolph Field at San Antonio. Texas A. and M. begins the campaign against Camp Bowie at College Station Wednesday night and Texas opens the season with Kelly Field at Austin Friday night. Other games this week:

Friday and Saturday nights—Southern Methodist vs. Oklahoma at Norman.

Saturday night — Texas A. and M. vs. Ellington Field at College Station.

## Williams Ordered To Defend Title

NEW YORK, Dec. 2 (AP)—The National Boxing association has warned lightweight champion Ike Williams to sign for a championship bout by Jan. 1 or face loss of his crown.

At the end of its two-day session yesterday the NBA, through President Abe J. Greene of Patterson, N. J., took a shot at welterweight champion Fred (Red) Cochran for passing up contenders 'Tippy Larkin, of Garfield, N. J., Jimmy Doyle of Los Angeles and Ray (Sugar) Robinson of New York to meet Marty Servo.

## New England Ace Scoring Leader

NEW YORK, Dec. 3 (AP)—The nation's collegiate football scoring king is Walter Trojanowski, of Connecticut University, a 23-year-old former soldier.

Trojanowski, who galloped 22 touchdowns and 132 points in eight games, completed his season Nov. 17.

The leaders:

**EAST**  
Walter Trojanowski, Connecticut 132; Felix Blanchard, Army 114; Glenn Davis, Army 108.

**SOUTH**  
Harry Ghaul, Miami, 100.

**FAR WEST**  
Terry Ragan, Redlands—Calif., 72.

**MIDWEST (and Big Ten)**  
Ed Cody, Purdue 72.

**MISSOURI VALLEY**  
Bob Fenimore, Oklahoma A. and M., 72.

**ROCKY MOUNTAINS**  
Elmo Cromer, Colorado State, 72.

**SOUTHWEST**  
(and Southwest Conference)  
Bob Goode, Texas A. and M., 66.

**SOUTHEASTERN CONFERENCE**  
Fred Grant, Alabama, 66.

**SOUTHERN CONFERENCE**  
Lynn Chewing, Virginia Military, 60.

**PACIFIC COAST**  
Ted Tannehill, Southern California, 42.

## Hoosman Fights Savold Tonight

By HUGH FULLERTON, JR.  
NEW YORK, Dec. 3 (AP)—Al Hoosman, the big heavyweight who came out of the Army to get the benefit of Jimmy Johnston's publicity efforts, may get his first real test tonight when he faces Lee Savold at St. Nick's. And that leads you to wonder what about the rest of the new boxing talent that supposedly was being developed in service bouts. . . . Nat Fleischer of the Ring magazine has the answer. He says the newcomers are performing "beyond expectations" though, naturally, they're nowhere near the top yet. . . . Fleischer ventures a prediction that either Howie Brodt or Laverne Roach, Marine middleweights, will be a world champion some day. They both look exceptionally promising. . . . Then there's Johnny Ebarb, spotted by Joe Louis as a great prospect overseas. He has grown up to a heavyweight. . . . And there also is Marcus Lockman, who uses the tag of "Kid Chicken." He's a light heavy who won a handful of titles in Australia and New Guinea.

## LOOKING 'EM OVER

With ANGUS LECHESTER  
Big Spring's Hugh Cochron rated a halfback spot on the reserve all-District Three football team selected by the coaches for the Able Reporter-News. The lineup made its appearance Sunday.

Named to the "varsity" contingent are eight linemen and five backs. The mentors could not agree on some of the posts, hence the spares.

The first team:  
Ends—Pete Renner, San Angelo and Rex Partridge, Odessa; tackles—Harold Headrick, San Angelo; Jerry Smith, Sweetwater; and Pat Evtit, Odessa; guards—Weldon Behrend, San Angelo; and Tommy Tucker, Odessa; center, Abe Lincoln, Sweetwater; backs—Dwain Dodson, San Angelo; Billy Murphy, Abilene; Doll Feagan, Sweetwater; Byron Townsend and J. W. Thompson, both of Odessa.

Reserve backs picked with Cochron are Orville Neiman, Lamesa; Don Lambert, Sweetwater; and Bob Hay, San Angelo.

Had Cochron played in the Sweetwater bout—he was crippled and didn't get to suit out — he might have worked his way onto the first string. He collected seven votes, one less than Feagan and Townsend.

Thompson, Murphy and Dodson gained the unanimous backing of the coaches.

Ike Robb, the local lad this corner thought was the best guard if not the best lineman in district circles, gained honorable mention along with Gerald Harris, the Longhorns' fullback.

Cochron is eligible to attend a football banquet being given in Sweetwater the night of Dec. 17 for members of the first and second teams. The fete is being sponsored by the Sweetwater Rotary club. He'll probably attend along with Coach John Dibrell.

Watch for Jewel Wallace, the San Angelo grid master, to wind up as coach of Trinity University next autumn. Trinity is going into big-time football in 1946, intends in four or five years to seek a berth in the Southwest conference.

The local high school basketball squad is going to be handicapped by lack of size the coming season. Coach John Malaise will probably field a quintet averaging something like five feet nine inches in height.

There was some agitation in and around Dallas to invite Indiana to the Cotton Bowl game. The Hoosiers won the Big Ten crown and wound up around the top in all national grid polls. Too, Bo McBillan, the Indiana coach, hails from Fort Worth.

However, the bid never went out, due to the Big Ten's iron-clad rule against post season games. McMillan would probably have jumped at the chance to bring his team to Texas and he been able to set league sanctions.

The AP's All-America grid eleven makes its appearance in this organ a week from Tuesday.

First A-A team of the season made its appearance last week when the New York Sun blossomed forth with its annual selection.

Named to the Sun's squad are:  
Ends—Richard Duden, Navy, and Henry Feldberg, Army; tackles—Al Nemets and DeWitt Coulter, both of Army; guards—Johnny Green, Army, and Warren Amling, Ohio State; center—Vaughn Mancha, Alabama; backs—Harry Gilmer, Alabama, Jake Leight, Oregon, and Glenn Davis, and Doc Blanchard, both of Army.

Feldberg and Coulter are both Texans. Leight performed for Randolph Field in 1944.

Ellis Read, the former Big Spring Golden Gloves lightweight boxing champion, was a visitor here over the weekend. Ellis now lives in Levelland, looks as fit as the night he licked Ruffian Rhone for the right to represent this district in the state GG finals at Fort Worth six years ago.

TALL CAGER  
SOCORRO, N. M., Dec. 3 (AP)—The New Mexico school of mines submits Elmore Morgenthaler as a likely candidate for the title of tallest collegiate cager in the nation this season.

Morgenthaler towers 7 feet, 1 inch.

## Football Campaign Complete, Memory (Of Army) Lingers On

### Orange Bowl Foe For Holy Cross Yet To Be Named

NEW YORK, Dec. 3 (AP)—The football season is finished except for the bowl festivals and East-West, North-South games, but the thousands of fans who saw Army's record-busting array in action probably will be talking about this peerless grid machine until another fall campaign rolls around.

In beating Navy 32-13 Saturday for their ninth straight victory this year and their 18th in a row over two seasons, Coach Earl Blaik's repeating national champions became the first cadet corps ever to go through two campaigns with perfect records and the first to win more than 16 games in succession.

It was Doc Blanchard and Glenn Davis again who led the Cadets to victory in their climactic clash with Navy and those two all-Americans will be back in Army's colors next year. Between them they scored all five of the Cadets' touchdowns with the big driving fullback racking up three and the flash Davis hotfooting it for two.

A sell-out crowd of 102,000 spectators saw the service classic in Philadelphia, but the top throng of the day was gathered in Los Angeles' Memorial coliseum where 103,000 fans watched Southern California's Trojanians defeat UCLA 25-15 and earn the right to meet Alabama in the Rose Bowl.

Alabama wound up its campaign unbeaten and untied by slaughtering Mississippi State 55-13 as Harry Gilmer put on another impressive aerial display by completing 43 of 19 passes for two touchdowns. The only major bowl vacancy left is in Miami where the Orange Bowl committee today will pick an opponent for Holy Cross.

In the running for that position are University of Miami (Florida), Tennessee, Louisiana State and Georgia.

Miami furthered its chances by walloping Auburn 33-7 Friday night while the other contenders also staged impressive closing day performances Saturday. With Bobby Lund romping for four touchdowns, Tennessee clinched second place to Alabama in the Southeastern conference by trouncing Vanderbilt 45-0; Louisiana State won the battle of the bays by whipping Tulane 33-0 and Georgia wrapped up the state title by overwhelming Georgia Tech 33-0.

With Paul Page breaking loose for three long touchdown runs, Southern Methodist mauled Texas Christian 34-0 and finished second to Texas in the Southwest conference. Baylor's Bull Johnson put Rice out of the picture by booting a 31-yard field goal with 15 seconds to go to upset the Owls 17-14.

The ranking form reversal of the weekend saw Great Lakes' Sailors knock down Notre Dame 39-7 while California staged another surprise by beating St. Mary's Pre-Flight 6-0.

Second place in the Southern conference went to Wake Forest who beat Clemson 16-15.

In other games Oregon State nosed out Oregon 13-12 and Tulsa defeated Hondo Army Air 20-18. Stanford, which resumed football late in the season, defeated the San Mateo Merchant Mariners 12-6.

## First Round Pairings For District 19 Cage Tourney To Be Made In Austin

First round pairings for the District 19 basketball tournament, which will be unraveled in the Coahoma high school fieldhouse Feb. 15 and 16, will be made by Rodney Kidd of the state inter-scholastic league in Austin within the near future.

Seven quintets are committed to compete for the right to represent the district in the regional meet-

ing, which will probably be held February 22-23. They are Stanton, Coahoma, Forsan, Courtney, Garden City, Sterling City and Knott.

The tournament will be conducted on a double elimination basis. Entry fee of \$4 for each team was agreed upon at an October meeting of league officials. The money will go toward purchase of trophies and the payment of incidental expenses.

Money received from admission fees will be divided among teams after expenses have been deducted.

M. R. Turner, newly elected chairman of the district, will select officials for the tournament.

## RAY WANTS SHOT AT MAURIELLO

GALVESTON, Dec. 3 (AP)—New York promoter Mike Jacobs has been asked to place Elmer (Violent) Ray, Florida Negro heavyweight, against Tami Mauriello, Lee Oma or Joe Baksi in Madison Square Garden.

Tommy O'Loughlin, manager of Ray, said here yesterday he had offered to place the Negro in the garden against Mauriello, Oma or Baksi, at "Jacob's own price."

The Florida heavyweight has been ranked by the National Boxing Association only below Joe Louis, Billy Conn and Mauriello in the current ring ratings.

## Amarillo High School Youth Fatally Shot

AMARILLO, Dec. 3 (AP)—Funeral services were pending today for Roy Earl Jackson, 18, who was fatally shot when a .22 calibre rifle accidentally discharged.

A local high school student, the victim's survivors include his parents, Mr. and Mrs. J. R. Jackson; a sister, two brothers, and the grandparents, Mr. and Mrs. C. R. Jackson of Abernathy and Mr. and Mrs. T. J. Scott of Lubbock.

## Skymen Win, 37-7, Over Superbombers

FORT WORTH, Dec. 3 (AP)—The Skymasters of the army air forces training command were back in the AAF football championship picture today.

The Skymen, who met Second Air Force 37-7 here yesterday, were cheered by news that Third Air Force had been defeated 10-7 by the Fourth Air Force, thus giving the training command a chance to tie for the league title with Third Air Force if they beat Personnel Distribution Command at San Antonio next Sunday.

Training Command spotted Second Air Force a 7-0 lead in the first period, but the second saw the Skymen scoring four touchdowns. One was on a 49-yard drive, another on a pass from Herman Rohrig to Bruce Alford, a third on a pass to Harry Burrus and the fourth on an 80-yard dash by Bill McHugh of an intercepted pass.

In the third quarter Dippy Evans raced 46 yards to a touchdown and Alford recovered a fumble on the Superbomber two-yard line from where Roy Petch carried it over.

## CONVENTION OPENS

DALLAS, Dec. 3 (AP)—A four-day convention of the American Association of Economic Entomologists, opens here today.

Dr. D. L. Van Dine, Washington, president of the association, arrived here yesterday for the meeting.

# Hollis Grocery Ready For Holiday Trade

Preparing for the coming Christmas season, the Hollis Grocery at 303 Bell has stocked up a supply of Christmas trees, candied fruits, fresh fruits, fruit cakes, nuts, and meats for the biggest of all feasts. The trees, which J. B. Hollis, owner and manager, says are more plentiful and less expensive than in several years, are from four to six feet high in a price range anyone can afford for a green-spicy smelling tree.

Boxes of chocolates too are coming rather frequently, with more expected before the end of the

month. Many people have already purchased fruits and nuts for fruit cakes, Mr. Hollis said, even more than could be expected with the sugar shortage. For those who will not do their own baking, he offers a line of cakes from some of the best bakeries of holiday sweets.

Texas and California oranges, Washington apples of a superior quality, grapes and nuts of all kinds are on sale, just the thing to fill Christmas stockings or for an attractive, delicious holiday table arrangement. All fresh fruits

and vegetables are water sprayed in an automatic vegetable rack in the store to retain garden freshness and crispness, Hollis said.

Always offering quality meats, Hollis hopes to have more and more pork to show Christmas shoppers. "We had a run of turkeys Thanksgiving," he said, "but we hope to have plenty of cured hams for Christmas."

The Hollis Grocery has been in its present location on Bell street for over two years now. Mr. and Mrs. Hollis have lived in this community for about 15 years, formerly owned and operated a grocery out of town near the airport. Consistently their stores have pursued the policy of quality meats and foods within ceiling prices, Hollis said.

Besides the couple, Mrs. Carl Hollis, Mrs. Drake and Bobby Hollis are ready to offer patrons the best of foods in the best of service.

# Thomas Planning To Double Space To Display Goods

Almost doubling the store space, the Thomas Typewriter Exchange will soon be able to display more attractively and adequately the many office supply items now offered.

Continuing in the same location at 107 Main street, Eugene Thomas, owner of the Exchange, said Monday that he has purchased the entire building, and the northern section will be open as a part of his store.

Soon Thomas hopes to be able to display many of the difficult to obtain items which he now has in stock. He invites his customers to come down and view the many stocks he now has and expects soon.

At the present time Thomas has a large stock of gift items suitable for anyone in business, and still offers for any individual.

"We regret that many of our customers who have office machines ordered have not received them yet," Thomas said. However, he expressed a belief that they will receive their machines very soon. The Typewriter Exchange handles Royal typewriters, R. C. Allen and Victor adding machines, and they are now coming through from the factories in small numbers.

Thomas appreciates all of his customers and strives to give the best service possible. With the war over, he has hopes of having former employees back again on the job with him.

Recently Bill White, in the service for about five years, joined the store staff.

Both White and Miss Garland Thomas are happy at all times to fill all needs in office supplies or gifts.

Thomas has plans for improving his store both in appearance and convenience, and urged his customers to take advantage of these improvements.

SOMETHING FOR THE HOUSE—Christmas shoppers, stumped for ideas, may find the answer in something for the house. Here are a few suggestions from the stock of the L. I. Stewart Household Appliance store. For rural homes, Stewart has the additional suggestion of butane gas service. (Jack M. Haynes Photo).

READY TO GO—Now that colder weather is at hand, many people, who have delayed in getting cut-offs installed, outside hydrants protected, and other needed winter plumbing done ahead of time, will find Runyan Plumbing Company ready to go and to serve their needs as rapidly as possible. Runyan is one of the oldest established plumbing business here. (Jack Haynes Photo).

# Nalley-Planned Rites Reverent, Always Dignified

"In many years ahead you will recall the services you arrange for a loved one," C. O. Nalley, director of the Nalley Funeral Home, believes. Nalley helps you realize the satisfaction that you planned them in a most dignified and reverent manner.

No matter what you invest, consideration, helpfulness and courtesy will be the same at the Nalley Funeral Home, 906 Gregg. Since C. O. Nalley came to Big Spring in 1938, he has gained in reputation and formed many lasting friendships with persons who have come to him in the past few years in the time of their bereavement.

Bill Thomas, who was with the establishment three and a half years before he went into the armed forces, has again returned to assist the funeral home in complete services. Vernon Easterling joined the staff in August. Nalley is also assisted in his business by his wife, Mrs. Jessie Nalley, who is the lady attendant.

In the time Nalley has been here, he has also become active in church and civic affairs. He is the treasurer of the First Baptist church. Nalley is a member of the chamber of commerce, has been chairman of Howard-Glasscock Red Cross county chapter for two years and belongs to the American Business club.

Nalley Funeral Home also offers emergency ambulance service by telephoning 175.

### NO SECRET

KANSAS CITY, Dec. 3 (AP)—Mrs. Betty Boyd, 83, reported to police the theft of \$1,350 from her home.

That amount, she said, was missing from a hiding place in a hollow post of her old-fashioned brass bedstead.

STOP BAWLIN', PETE!

...AND SO WE GOTTA GET STARTED FOR HOME!

The Nation Today—

Senate Must Approve US Means Of Joining, Working, Voting In UNO

By JAMES MARLOW WASHINGTON, Dec. 3 (AP)—The Senate is engaged in long-winded debate on the United Nations Organization (UNO). Some of the main points may have become fuzzy to you. This is an explanation of them.

with Senate approval, we undertook to carry out the obligations of membership. Now Congress is working out the details of how we are to fulfill our obligations.

The Senate is debating a bill which lays down the rules for our part in UNO. When the Senate finishes with it, the House has to approve before it becomes a law.

It seems pretty sure the bill will go through as written despite all the oratory.

In UNO there are several main agencies in which we'll take part: The General Assembly, the Security Council, the Social and Economic Council and the Trusteeship Council. We'll have one vote in each of those agencies.

At this moment, in history—the atomic era—the Security Council is extremely important. It's job is to prevent war in one of two main ways:

1. By economic means. The council—by shutting off commerce or communications with an aggressor—can try to discourage the aggression.

2. By using force. The UNO members promise to place a certain military force at the disposal of the security council when needed to keep peace.

This is what the present bill would do:

Security Council—the President will appoint our representative. The Senate must approve him. He'll receive \$20,000 a year, and will vote only as the President thinks.

The Social and Economic Trusteeship councils—We'll have a representative on each. Those representatives paid \$12,000 a year and appointed by the President, also must be approved by the Senate.

General Assembly—The President, without Senate approval, can appoint five representatives. Although we may have five representatives at the assembly, we'll have only one vote.

The President—at least once a year he'll have to report to Congress on what UNO has done and what we've done in UNO.

The President, without special Congressional approval, can apply economic sanctions against an aggressor when called upon to do so by the Security Council.

Also the President will be able to work out an agreement with the Security Council—provided, and this is a very important provision, Congress approves—on the size of the military force we promised to place at the disposal of the Security Council.

Wedemeyer Approves Marshall's Election

SHANGHAI, Dec. 3 (AP)—Lt. Gen. Albert C. Wedemeyer, commander of US forces in China, today termed the appointment of Gen. George C. Marshall as envoy "most fortunate."

He told newsmen at a conference that Marshall is well equipped to decide immediately such difficult questions as whether to withdraw US Marines and whether to sell war materiel to China.

No combat planes have been given to China since the war ended, he added; and only non-combat types were being assembled for possible sale to Chiang ak-Shek's government.

He offered no further explanation of recent fighter-plane hops to Shanghai, beyond saying that he was trying to contract Americans into the Shanghai area "for funneling them home."

Shell Company Returns To 40-Hour Work Week

HOUSTON, Dec. 1 (AP)—Shell Oil company, Inc., employees in the Texas-Gulf production division return to a 40-hour work week Saturday for the first time in almost four years, A. J. Galloway, vice-president of the company announced.

Hourly rates and basic monthly salaries increase with the return of the 40-hour week, Galloway said. The Shell's Texas-Gulf production area includes Texas, Arkansas, New Mexico, Louisiana and the southeastern gulf coast states.

GRIN AND REAR IT By Lichty

"Something like this would have to happen just as I was getting a nice start as an only child!"

TEXAS TODAY— THEY DON'T DRINK IN WACO— THEY WANT A BAYLOR DEGREE

By JACK RUTLEDGE Associated Press Staff Signs of the times: Newspapers, haunted by newspaper shortages, curtailed circulations during the war. But today: "The Sherman Democrat will now accept new subscriptions, says a page one notice in that periodical. "New subscriptions will be started at once, by either carrier or mail. There is no increase in rates. In Waco they say "No" differently these days. If you offer a man a beer, or something more potent, he'll shake his head politely and say, "Thanks, but I'm trying to get a degree from Baylor." Some still say "Yes."

Acting Postmaster J. R. Brown of Denison reported the postal employees there already have handled the first holiday package of the Christmas season. He predicts the rush this year will be "several times over" the normal flow. Over 200 telephones were released when the San Angelo Army Air Field closed down. Edward J. Hardgrave, of the

Matty Bell Selected Coach For Classic. MONTGOMERY, Ala., Dec. 3 (AP)—Georgia Tech's Bobby Dodd and Southern Methodist's Matty Bell will be on hand to coach the southern eleven when the annual Blue and Gray game is played here Dec. 29. Blue and Gray officials announced that a southern coach would be chosen. The officials of the annual North-South game said that four more players had been selected for the Southern team. Southern Methodist's Tom Dean and Howard Maley, tackle and fullback respectively, and Center Paul Duke and Tackle Bob Davis, both of Georgia Tech. Mentors of the Northern eleven are Lynn Waldorf of Northwestern, Bq McMillan of Indiana and Ray Morrison of Temple.

Quail Season On Local Nimrods Bringing Back Share Of Deer

Irrefutable evidence that some of the local nimrods are bringing back more than tall stories from their hunting expeditions into the deer country can be found in the city's two major cold storage plants. Venison can be found in quantity at Southern Ice, where approximately 25 of the creatures have been placed, and in the compartments of the Big Spring Locker company. Choice meat of about a dozen deer is temporarily in storage at the latter place. The recent cold spell is expected to inspire many a sportsman into making new expeditions into the hinterlands in quest of elusive herbivorous quadrupeds. Open season in the section east of the Pecos river continues through Dec. 31.

Though there was said to be lean pickings in the range preserves in this vicinity, Big Spring hunters were invading the quail domains over the weekend. Quail season got underway last Saturday and will not close until Jan. 16. Blue quail are reported in large numbers in the counties to the south and southwest of Howard. Trapping season also got underway Saturday. Foxes are said to abound in numbers to the south of the city and have been giving land owners in that section trouble for some time. The carnivorous mammal's appetite for fox is notorious and some of the ranchers have been sitting up all night trying to catch the sly bandits in the act of raiding their chicken coops.

NO COMMISSION FOR THE CAPTAIN

SALT LAKE CITY, Dec. 3 (AP)—Here's one officer who decided he'd rather be an enlisted man. It sounds complicated, but Capt. Hal W. Freeman of Boise, Idaho, gave up his army commission to reenlist as a master sergeant to qualify for a pension. In the army for more than 30 years, Freeman was not entitled to retirement allowance except for disability. Now as Master Sergeant Freeman, he can request immediate release and retire at 75 per cent of his base pay plus longevity pay. If his case it adds up to about \$155 a month for life.

Yanks Rush To Wed Czecho-Slovaks

PILSEN, Czechoslovakia, Dec. 3 (AP)—American soldiers gave this city back to Czechoslovakia today after more than 100 of them had found Czechoslovak brides and there was a rush to the altar when departure became imminent. The last marriage was that of Lt. Philip G. Palmer of Tucson, Ariz., to Olga Skala of Prague. The American troops withdrew into Germany on schedule. The Russian occupation army, which is much larger and has farther to go, is leaving daily.

Mineral Wells Silk Capital Of Texas

MINERAL WELLS, Dec. 3 (AP)—A thriving postwar industry prompts this little West Texas town to claim the title of the silk capital of Texas. About 18 months ago a group of local citizens got together and organized the Texas Silk Industries, Inc., a firm to produce and manufacture silk. They planted 60,000 mulberry trees for silkworms to feed on. A reeling machine to unwind cocoons and rewind the silk thread on bobbins was brought to Texas from New York. Business flourished, and Ernest Mims, secretary treasurer of the company, announced today the group voted to increase the capital stock from \$10,000 to \$50,000 in order to expand. This program will include addition of acreage and new buildings. The number of trees under cultivation will be doubled. A hostery mill is now building a \$25,000 plant in Mineral Wells.

Three Suicide As POW's Movement Gets Underway

STOCKHOLM, Dec. 3 (AP)—Thirteen hundred former German army soldiers had been loaded on board the Russian transport Kuban at Tralleborg by noon today, and Swedish authorities pushed extradition of others of the 2,700 Germans, Balts and Poles being turned over to the Russians. An Austrian captain handed himself at Rinkaby internment camp this morning, bringing the two-day total of suicides among the internees to three. More than 100 have attempted suicide, while 500 others are suffering from the effects of a hunger strike which started a week ago in protest to an order turning the former soldiers over to the Russians. In two of the four camps from which the men were being removed, Germans slashed themselves with knives, razors, and bits of glass.

Washington Death Bus Discovered

CHELSEA, Wash., Dec. 3 (AP)—A school bus, which carried the driver and 15 students to their deaths in Lake Cheelan last Monday, was found by a Navy diver in 200 feet of water, 250 feet off shore shortly after 10 a. m. Saturday. The diver, C. E. Meyers of New York City, reported the bus was resting upside down, facing shoreward. Efforts were to be made to raise the bus. Meyers did not determine immediately how many bodies remained in the machine. Call JACK at 109 for PRINTING (Adv)

Ever Try Making Cough Syrup in Your Kitchen?

Gives Quick Relief. And It's So Easy! No Cooking. If you've never tried mixing your own cough medicine, you've missed a lot. It's no trouble—needs no cooking—and gives you about four times as much cough syrup for your money. You'll say it beats anything you ever tried for coughs due to colds. And here's how it's done:— Make a plain syrup by stirring 1 cup of granulated sugar and one cup of water a few moments, until it is dissolved. Or you can use corn syrup for throat and bronchial irritations, or liquid honey, instead of sugar syrup. Money refunded if it doesn't please. Get 2 1/2 ounces of Pinex from your drugstore. Put this into a pint bottle and fill up with your syrup. This makes a pint—a family supply. Tastes fine and never spoils. Children love it. And as for results, you've never seen anything better. It goes right to work on the cough, loosening the phlegm, soothing the irritation, and helping clear the air passages. You will like it for its results, and not merely for the money it saves. Pinex is a special compound of proven ingredients, in concentrated form, a most reliable soothing agent for throat and bronchial irritations. Money refunded if it doesn't please. Get 2 1/2 ounces of Pinex from your drugstore in every way.

# Check Into Your Guests

Not so long ago a young man, professing to have been an ex-serviceman, was a guest at a local club. Because of the rather interesting story he had told individuals, he was asked to speak. Then ensued a half hour of some of the most remarkable information ever imparted to a local group. He dealt with some highly technical and hush-hush military information. His narration was graphic and exciting and the majority of the membership hearing him was enthralled.

Fortunately, there were those who had also been in the military and familiar enough with some of the things mentioned to know that the story at least bordered on the fantastic. Without causing a scene (which probably would have been proper but might have made a martyr out of an imposter), they sought out this speaker and questioned him on several points. It was soon apparent that his story was fraudulent, even though it might have been a romantic enlargement of some bona fide experiences.

Funny thing about this case is that it isn't by any means isolated. In years past Big Spring clubs have taken perfect strangers to their hearts, have lionized them and have defended them against those who question their right or ability to appear before local organizations. We recall some 10 years ago a pair of young men came into town with tales of being exchange German students. They appeared before all service clubs, even gave a concert at the municipal auditorium, and were guests at several church gatherings. At the "concert," one local musician pronounced them a fraud but was shamed for such frankness. Fittingly, valuables and money disappeared from most of the meeting places where the pair visited, for they had a knack of easing out before the sessions ended. Other people property went with them.

More recently, a fast talking gentleman suddenly chattered his way into the program of several service clubs. He proposed to be the representative of a nationally famous company and a dietary expert of wide reputation. Adroitly, he described every symptom that aching men and women ever have and cleverly wove in his remedy of proper diet. It sounded good and before scores of men knew it, they were clamoring to invest \$5 with the brother for his pamphlet on how to achieve miracles of health solely through regulating digestion. Not long afterwards, warnings were circulated against this imposter. He hadn't done any particular harm, but he had taken a lot of foolish money with him.

The point of this piece is simply this: Make sure of those who have dealings. If they are strangers, make them produce proper credentials and recommendations which may be verified. Make

## With The News

By Dewitt Mackenzie  
AP World Traveler

LONDON, Dec. 3.—Another monarch will have joined the swelling ranks of the royal unemployed if Albania's general election of yesterday bears out its promise, for the success of Premier Enver Hoxha's democratic front is generally taken to mean the exit of the colorful King Zog, now a refugee in England.

When the second World War began there were five kings ruling in Balkan kingdoms — Greece, Yugoslavia, Bulgaria, Romania and Albania. Now there is only one on his throne — youthful King Mihai of Romania, who has stuck out his stubborn jaw and refused to be budged from his heritage. And one wonders how long Mihai will be able to bare his head to the leftist storm sweeping his kingdom. The case of King George of Greece hasn't been settled, but it will be an amazing thing if he is ever recalled from exile in England.

It's some 21 years ago that young Ahmed Zogu, sword at side, rode out of the pages of a medieval story book of adventure and headed a revolt which ousted Bishop Gan S. Noli, who had been governing the country through a parliament of sorts. A couple of years later parliament changed the constitution to permit Zogu to mount the throne as King Zog I, and he zogged along successfully until the exigencies of the World War drove him out.

My observation has been that most—not all—of the thrones in the Balkans were superimposed on a feudal system which has survived through the centuries.

This isn't necessarily a reproach to the king, excepting that he might have used his power to change an evil system of serfdom.

Serfdom is a terrible thing. I've seen peasant girls doing heavy excavation work for 15 cents a day to enrich one of the landed gentry. Entire families and villages live as serfs.

So if the upsetting of the Balkan thrones means that the feudal system is of its way out then there seems no cause to weep.

The kings should have seen the writing on the wall and made the changes themselves.

sure of them before we place them in the confidence of our friends.

Not only will we avoid being duped by smooth speakers, but we will make the way better for deserving guests and friends.

## The Thrill That Comes Once In A Lifetime

## With The AEF: Soldier-Takes Advice From A Man Who Knows

By HAL BOYLE

SHANGHAI (AP)—The bald, old man bent over his piano with nervous fingers as his son, Herbert, strolled with an accordion among the booths lining the small, smoky nightclub, playing the favorite tunes of soldier and sailor friends.

In Prague, the father had played the piano only as a relaxation from his business and the son was a well-known concert pianist and music arranger. But that was before the war, and now Herbert played the accordion so that his father could have a job in the night club, too.

The room was crowded and hazy and full of loud talk. Soldiers and White Russian bar girls overflowed the small dance floor and their liquor glasses left sticky rings on the piano. The old man said nothing.

In one booth Herbert saw again a young soldier he wished was his brother. The boy's face was set in sullen lines. There was a White Russian girl with him. They had been quarreling. Suddenly the girl drained her glass of cherry soda—she called it "poison"—and got a commission from the house for each drink—and walked over to sit down in another booth with two officers. The soldier called the waiter and ordered six cognacs.

The November figure brought the year's total to 327 and far exceeded the 221 filed here throughout 1944.

District Judge Cecil Collins has granted a total of 177 divorces since Jan. 1 as compared to 149 for all of last year. Thirty-two of the cases were handled last month.

## Silk Company Capital Stock Raise Approved

MINERAL WELLS, Dec. 3 (AP)—Stockholders of Texas Silk Industries, Inc., which is backing a new silk producing and manufacturing industry here, voted at a meeting last night to raise the capital stock from \$10,000 to \$50,000, Ernest Mims, secretary-treasurer of the corporation, said today.

The increased capital will be used to expand the industry, Mims said. The 60,000 mulberry trees now feeding silkworms probably will be doubled and acreage and new buildings will be added to the project.

"The company has more silk orders now than it will be able to supply in three years," Mims said.

## Bill Talbot Arrives Home With Discharge

T/Sgt. Bill Talbot, son of Mr. and Mrs. F. H. Talbot, arrived home Friday with his discharge from the air corps after a year in the Pacific theater. He returned to the States Nov. 17 from Korea and received his discharge Thursday in San Antonio where his family met him.

His wife and seven-months old son, Billy Blake, whom he had never seen, have been living here while Sgt. Talbot has been overseas.

## Midland Lumber Co. Will Open Formally

MIDLAND, Dec. 3.—A lumber company owned by Oscar E. Chambers, Dallas, will have its formal opening here Monday.

The plant is one of "the largest of its kind in West Texas."

In spite of the scarcity of construction materials, the yard will be stocked with over half a million feet of lumber, Chambers said.

The owner has recently taken up residence in Midland.

## Washington Merry-Go-Round—

### Ike---Best Friend Of Enlisted Men

By DREW PEARSON

WASHINGTON.—If there were more men in the army like General Eisenhower, this newsmen would not be so swamped with soldier mail.

The other day Sgt. Samuel Cohen of Philadelphia, stationed in Berlin, received a cable telling of a serious emergency at home. Physicians advised his return immediately. Two weeks passed and all Cohen got was the usual Army run-around. He couldn't get a (fulfilling) Finally, a friend suggested that Cohen call General "Ike" directly.

"What can I lose?" Cohen asked, going to a telephone.

When he asked the GI operator for General Eisenhower, the operator asked with no surprise in his voice whether he should ring the general at his home or his office. Since it was then about ten o'clock in the evening, Cohen said to try the general's home.

An aide to Eisenhower answered and listened to Cohen's story, excused himself for a few minutes, came back to the telephone and said, "Sergeant, if you will call the office of General Clay, perhaps something can be arranged for you."

"You had better wait about ten minutes before calling General Clay," he added, "to give General Eisenhower a chance to talk with him first."

Ten minutes later, Cohen called General Clay, where an aide said, "Oh, yes, Sergeant, we've been expecting your call. Now you can come in at eight o'clock tomorrow morning." We'll see about transportation then."

Cohen took off by air the next day before noon.

Truman Turns Reporter

Congressional leaders who met with President Truman last week to discuss serious legislative problems got a chuckle over Truman's story about his surprise flight to see his mother on her 93rd birthday.

Newspapers have already told how Truman called the Kansas City Star to announce his arrival in Grandview, Mo. But in addition, here is what Truman told his Congressional leaders really happened.

It was Sunday afternoon and the usually bustling city room of the Star was in a lull. Only a skeleton editorial force was on the job, and a young reporter answered the phone.

"This is the President," said Truman.

"Who?" said the reporter.

"This is President Truman."

"The hell it is," exclaimed the newsman, convinced that somebody was pulling a practical joke. "Mister, who are you trying to kid?"

Finally the call was transferred to another writer, on the paper, who knew Truman personally and could identify his voice. Highly amused, the President told him the news of his visit.

Milton and Adolf Berle

California's General Berle and US Ambassador to Brazil Adolf Berle have been feuding for years. It all dates back to Berle's resignation from the National Lawyers Guild, which Kennedy recently, Kenny had a chance to get even.

On a tour of Brazil, Kenny made the rounds of Rio De Janeiro, found Brazilians perplexed at the way the eccentric US envoy operated.

"Tell me, Mr. Kenny," one Brazilian asked, "How come Mr. Truman is a girl friend to the peak of Mount Baldy and camping out?"

I asked whether she ever finds men perched longingly on her own gate.

"No romances," she smiled. "It's incredible."

## Labor Men Get Assists From Public

By JACK STINNETT

WASHINGTON.—The Labor-Management conference is learning something that Congressmen have known for a long, long time—the public can think up more brain-twisters in an hour than that old Philadelphia lawyer can figure up in a decade.

For instance, a nearby Marylander would like to see labor guaranteed 2,080 hours' work a year at a minimum wage of 75 cents an hour.

After that, labor would get 20 per cent of the net profits from any company after the investors had picked up 6 per cent; and an additional 10 per cent after a 12 per cent return. Half of whatever is left, if anything, would also go to the workers.

A Pennsylvanian would like to see the wage yardstick based on the number of children in the family.

"The 40-hour week," wrote the father of six children, "may be all right for a man with a wife and maybe one or two kids, but what about the larger family? Couldn't management make wage adjustments according to the number of the worker's dependents?"

**Chilling Rain, Cold Weather Sweeps Texas**

By The Associated Press  
A norther which swept into West Texas yesterday blanketed most of the state today with chilling rains and overcast temperatures.

Snow flurries were reported at Abilene, Lubbock, Harpersville and Texas-New Mexico border points yesterday.

Lowest temperature recorded today was Pampa's 20 degrees. Other points in the 20's were Amarillo 23, Clarendon 26, Lubbock 29, El Paso 29 and Dalhart 25.

Salt flats reported 30 degrees. Big Spring 33, Wink 34, Abilene 32, San Angelo 38, Harpersville 34, Dallas 39, Sulphur Springs 37, Guadalupe Pass 38, Wichita Falls 36, Gainesville 38.

In the 40's and 50's were almost all other cities, extending as far south as the lower Rio Grande valley. Brownsville, in the tip of Texas, reported 52. Laredo had 50, San Antonio 44, Fort Worth 40, Texarkana 40, Waco 41.

Gulf coast points were chilly, too—Beaumont 52, Houston 48, Galveston 51, Corpus-Christi 50.

Rainfall was general, heaviest being at Houston where the weather bureau said 3.36 inches fell between 7 a. m. yesterday and 4 a. m. today. It was the heaviest since Oct. 9-10 when 2.86 inches fell.

At Corsicana 1.39 inches was reported over the weekend, and rain was still falling before a strong north wind.

Austin reported 1.27 inches, Columbus 4.29 inches during the last 48 hours; Wharton 2.40 during the past 24.

Other rainfall was Galveston .76, Dallas .35, Abilene .47, Fort Worth .47, Waco .39, San Antonio .78, Corpus Christi .77.

Continued cold is predicted for much of the state as the norther sweeps south. Houston expects 36 degrees tonight, lowest since January 23.

**TO SPEAK TONIGHT:** Dr. W. A. Sutton is to speak at 8 p. m. today in the city auditorium under sponsorship of the local unit of Texas State Teachers Association. He has been engaged as a guest lecturer by the Educational Department of the Readers Digest and is speaking at meetings of teachers throughout the United States on the subject, "The Battle for America."

Dr. Sutton is superintendent emeritus of Atlanta, Ga. public schools and is the former president of the National Educational Association.

**Contributions Rise For Library Fund**

Contributions, just getting underway, rose to \$60 at noon Monday for the library fund.

Among new donors were Mr. and Mrs. J. H. Greene, Mr. and Mrs. H. D. Norris, Mr. and Mrs. R. L. Nall, Mrs. Pearl Shannon, Bill Dawes.

Norris, chairman, pointed out that the campaign was designed to raise enough for 1,000 volumes for the county library. Because the appropriation comes from the general fund, county support at the present is more or less restrained to the appropriated \$3,000 level, he said. Since the war started, some \$12,000 additional expense was created for the general fund, including the library's portion of that amount.

The volumes are needed to close the gap created by withdrawal of more than 1,600 volumes on loan from the state library.

Eight teams of women are now at work in behalf of the campaign. However, those not contacted may mail checks to the "library fund" in care of The Herald.

**American Legion Meeting Tonight**

Veterans of World War I and II get together at 8 o'clock tonight when the local chapter of the American Legion holds its re-organization meeting at the Settles hotel.

R. R. McEwen, president said that no ex-serviceman commits himself for membership by attending but that the session would be open to all men who saw service during either war. A record attendance is anticipated.

It will be objective of the American Legion members, most of whom are veterans of the first world war, to create a greater spirit of camaraderie with soldiers of the last great struggle.

Elections of officers will constitute part of the business for the night.

The convolve is expected to prove the inspiration for a mammoth membership drive.

**Prospective Sites Viewed By Trustees**

Howard County Junior College board members inspected various prospective sites for location of the college Sunday.

Several locations have been suggested and the board is attempting to make a thorough inspection of them all, before a recommendation is made.

**To Speak For Lions**

T. C. Root, finance officer at Texas Tech and formerly a captain in army intelligence, will be speaker at a United Nations day program Wednesday at the Lions club. Root was responsible for much of the counterintelligence work with Gen. George Patton's army. Guests will be welcomed at the club, said Jack Douglass, secretary, who suggested he be contacted by Tuesday evening for extra reservations.

**B And PW Club Ups Last Week's Bond Sale Push**

Last week's tremendous push in E bond sales failed to come to a complete halt during the weekend with the Business & Professional Women's club reporting sales of \$1,950.

This kept the ball rolling and reduced the E bond deficit to around \$39,000.

"This is so close," said Ted O. Groebel, Victory Loan chairman, "that just a little help from everybody will send us bounding over the top."

"Don't wait for somebody else; jump in now with your purchases, as big as you can make them, and help us do a job that only three other counties in Texas have yet been able to accomplish."

He looked forward to Friday when Pearl Harbor Day activities are being planned. Locally, Groebel hoped to be over the top to specialize in sale of \$200 bonds which honor the late President Franklin D. Roosevelt, who died shortly before the fruits of his labors as a war-time leader were manifested in victory.

The B&PW gain over the weekend gave it \$10,875 in the inter-club sales contest and a per member sales figure of \$286. This was beginning to crowd the \$340 per member for the fourth place Kiwanis.

Texas Electric Service company allocated a \$20,000 purchase to Big Spring and \$1,500 to Coahoma. This was announced by Groebel. These go on the over-all quota.

**Family Can Benefit Twice From Social Security Payments**

There are two times for a worker or his family to take action in order to receive all social security benefits for which they may be eligible, reports Elliott W. Adams, manager of the San Angelo Social Security Board office.

When the worker reaches 65 he should get in touch with the nearest Social Security Board office and ask about his benefits, even if he does not plan to retire at that time. Retirement benefit amounts are not static, as periods of sickness, unemployment, or work in jobs not covered by old-age and survivors insurance reduce the average monthly wage on which benefits are based and consequently decrease the benefit amount. Fortunately, at 65 the insured worker can "fix" the amount of his benefit by filing his claim. If he keeps on working at the same or higher wages he may later raise his benefit amount by filing a request for recomputation.

The other occasion for action is when the worker dies. Then the family or friend should contact the nearest office of the board promptly, whether or not they know the worker was insured, as there may be benefits for the family. Benefits for widows and children can be paid retroactively for only three months after a claim is filed. Therefore prompt action is encouraged, as the family may lose benefits by delay.

**Tommy Equal To Bluebeard Now**

HOLLYWOOD, Dec. 3 (AP)—Georgina Campbell, 27, Hollywood correspondent for the London Daily Mail and the Hobo News, was enroute to New Rochelle, N. Y., today to become asbestos heir Tommy Manville's eighth wife.

Manville, 51, said last night he planned to marry Miss Campbell, and she told reporters here "I'm going to be Tommy's last wife, I guess I just fell in love."

The courtship, she disclosed, was of the whirlwind variety. She met him two months ago on an interview, and five minutes later, she said, Tommy had popped the question.

**District Supervisors To Confer In Stanton**

Soil conservation supervisors of the Martin-Howard district meet in regular monthly conference at 2 p. m. Tuesday at the court house in Stanton.

L. H. Thomas, Big Spring, vice-chairman of the group, will attend along with E. T. O'Daniel, Coahoma, chairman; Gordon Stone, Stanton, secretary; Edmund Tom, Stanton; and Herd Midkiff, Midland.

J. H. Taylor of the local SCS office, will also sit in on the session.

**Subsidy Payments Made To Stockmen**

Sheep and lamb subsidy payments made to Howard county stockmen through the AAA office since Oct. 1 have amounted to \$3,949.83, according to a report issued by M. Weaver of that function.

A total of 711 head in the 65-90 pound category brought \$1752.30. Total weight was 116,820 pounds. Sheep weighing over 90 pounds and brought \$27.41. All others totaled 2154 head, weighed 217,012 pounds and sold for \$2170.12.

Checks went out to 13 persons making applications.

Dairy subsidy payments made to 185 stockmen since Oct. 1 totaled \$7,586.72.

Whole milk, priced at 55 cents per cwt., contributed \$4600.75 to that figure. Butter fat, bringing 13 cents a pound, sold for \$2985.97.

The Army Quartermaster Corps has developed a quick mix ice cream powder to which any of eight different flavors may be added.

Those going were Billy Bob Watson, Mike and Pat Kenney, Edward McClinton, Bobby Hogertz and Kimbell Guthrie.

**OPA To Allow Raise Of \$5 On Newsprint**

WASHINGTON, Dec. 3 (P)—OPA plans to announce soon an increase of at least \$5 a ton in newsprint selling prices, it was learned today.

An official who asked that his name not be used said the increase "might be a little more" than \$5.

Although the purpose of any price boost would be to restore earnings of United States mills to prewar levels, the increase would apply to Canadian as well as domestic producers.

This policy always has been followed in the case of newsprint price adjustments.

Canadian mills produce about three-fourths of the newsprint used in this country.

**Maritimers Walk Out On 24-Hour Stoppage**

NEW YORK, Dec. 3 (P)—A 24-hour work stoppage which the National Maritime Union (N.M.U.) said would involve 90,000 workers throughout the nation got under way this morning when 6,000 men left their jobs on the New York waterfront, tying up 120 ships.

The union said the stoppage was a protest that overseas veterans were not being returned to the United States as rapidly as possible. The union had contended that ships it claims should be used to transport troops are being used for other purposes.

Four men remained on each ship as a security measure, the union reported.

**Ration Certificates Returned To Office**

Several ration certificates have been returned to the local OPA head, workers said Monday and if the proper persons will call at the office may pick up these certificates.

Those whose addresses were not complete or could not be located are D. C. Shockley, L. T. Martin, F. J. Klahr, Robert Villiga, Elmo Birthead, W. W. Long, Claude Hodnett, Mrs. W. R. Bishop, Shirley Fryar, W. J. McNew, James T. Little, Jesus Teal, Jr., Ruby Deel, H. L. Moates and J. W. Overton.

In 26 years the American Standards Association has created more than 700 national industrial safety standards.

**Billie Wilson Home After Navy Discharge**

W. W. Wilson, SOM 2-c, son of Mr. and Mrs. W. G. Wilson, Jr., has been discharged from the USNR following more than four years of service.

Wilson, known to friends here as Billie, had service originally in RCAF, transferring at the outbreak of the war to the US Navy. He had service aboard submarines and subsequently a destroyer before being assigned as an instructor in radar at a West Coast base. He holds several campaign stars and a citation from the secretary of navy.

**MIAMI TO APPEAR IN ORANGE BOWL**

MIAMI, Fla., Dec. 3. (P)—The University of Miami Hurricanes, won the bid to play against Holy Cross in the Orange Bowl on New Year's day today.

The Orange Bowl committee, headed by Chairman George E. Whitten, voted in favor of the 'Cues at a downtown luncheon meeting and immediately left to extend the official invitation to Dr. B. F. Ashe, president of the University of Miami.

Dr. Ashe's acceptance was said to be only a matter of formality.
