HALL COUNTY TO **HAVE COW SHOW** IN SEPTEMBER

Organization Is Perfected Friday In Meeting Here

Plans have been announced for Hall County Dairy Show to be held September 7-8 at which time dairy stock in the county will be placed on display and judged. These plans are an outgrowth of the organizational meeting of the County Dairy Association held Friday morning in the office of R. E. L. Pattillo, county agent.

Officers elected to head the new organization include Dr. L. M. Hicks, president; Charles Williams, vice president; and Andrew Womack, secretary.

According to Mr. Pattillo, the association will classify the entrants in the show according to age in both the registered and non-registered divisions for cows. Only registered bulls will be entered in the competitions.

Arrangements are being made according to the organization's of-ficials, to have E. R. Eudaley of College Station, extension service dairy husbandman, to be present in during the two day show. Mr Memphis this week that Milton Eudaley will assist in the judging of the cattle and speak to Hall County dairymen on the various phases of their work.

Among those attending the and to take part on the program.

According to R. A. Massey, fall term of the college at Williams, Andrew Womack, W. Caldwell, Riley W. Carlton, R. dairymen's meeting Friday were Dot Webster, T. T. Loard, Charles

IN CONTRUCTION OF NEW BUILDING

Voters Will Consider Issue At Polls On August 17; Old Buildings To Be Repaired

An election for the voting of \$17,000 in bonds for the erection of a combination auditorium and physical education building has been ordered on August 17 by Memphis' school board. The board has received notification from Senator Tom Connally, United States Senator from Texas, that a WPA grant of

High Temperatures Reach 1938 Peak During Last Month

Did the heat bother you? Temperatures last month reached the peak for 1938 so far with the thermometer registering 109 last Sunday according to the records of J. J. McMickin, official weather observer and recorder in Memphis. Lowest temperature recorded for July according to Mr. McMickin was on the 25th when his instruments registered 63. July 14 shared honors with Sunday for heat with a maximum temper-

ature of 106. During the month Mr. Mc-Mickin's instruments recorded only .50 inches of rainfall scattered over four days. The last rainfall recorded in Memphis was on the 29th when a light shower fell in this vicinity.

Delegates To Be In Harmony With O'Daniel Program

Eight Appointed To Go To Early in September

Hall County delegates to the State Democratic Convention to be held in Beaumont September 13 will go instructed to be in harmony with the O'Daniel platform, in accordance with the wishes of the county convention which met here Saturday afternoon in the One of the most successful district court room. not be stationed permanently at erty to house the 750 horse-

\$13,909 is available to the Mem-phis school district for the construction of this physical education building, and for the making of other repairs and improvements on the school properties, which re-presents forty-five per cent of the

\$30,000 proposed project.

By voting this bond issue of \$17,000, according to an announcement made by the school board this week, the grant will be made available through the Publie Works Administration agency.

In pointing out the advantages of accepting the grant by voting the bonds in the August 17 election, members of the school board state that physical education is a State Department of Education requirement in all Texas schools and that the local accommodations for this phase of school work are exceptionally small and inadequate. The new physical education building will be used each day for training of school boys and girls and personal physical education will result in better

class work, it was stated. If the present plans of the board are culminated, the new structure will be located between the High School building and the West Ward building, utilizing the walls of the present buildings, thus reducing costs in construction of the building. The equipment for the physical education department is included in the project

In enumerating the expendi-State Meeting at Beaumont tures that the school board must make by way of repairs, which will be necessary to make whether the grant is accepted or not and which could be made with the money raised by the bonds and the grant, it is stated that the outdoor toilets West Ward school, which are outdated and expensive to maintain, will be installed on the ground floor of the West Ward building. A new steam line from the high school heating plant will be laid to the West Ward building which will make it comfortable for the children of the 1st, 2nd, and 3rd grades who occupy that building. The board was forced to transfer (Continued on page 6)

Utility Company To Build Plant

The construction of a new pow gin here Tuesday according to information released this week. The work of erecting poles and stringing lines has already begun and it is understood that the transformer bank will be built sometime during the week.

Part of the equipment is ready in transit to Memphis from ment, the plant will be finished in about six weeks. Ordinarily the erection of equipment of this type requires only a month, however care is being exercised and every precaution for the efficiency of the plant and the safety thus increasing the time necessary for its construction.

Mr. and Mrs. Sam Hardy left ary for its construction.

It is the plans of the company Saturday for Houston where Mr. to use this plant as a stand-by

HI

My heartlest congratulations on your wonderful victory. Your attitude as expressed in today's daily paners is very gratifying to me and I pledge you my co-operation in every way in furthering the best interests of all Texas, and predict for you an opportunity to make one of Texas greatest governors and a fine administration

Bob Alexander, Representative 121st District."

SOME YOUR

Old age used to be a problem but since politics has gone in for it in speh a big way, it's a pleasure.

DRAMATIC END-In less time than it takes to tell about it after this picture was taken, the broken body of John Ward was crumpled on the steps in the bottom of the picture after a 17-story fall. Ward had kept a crowd of 10,000 New Yorkers on edge for 11 hours while he paced the ledge outside his hotel room after a family disagreement. He had just crashed through a steel and glass marquee when the picture was taken. Police and hotel attendants can be seen leaping out of the way.

Estelline Farmer Makes Good On Small Acreage Planted In 1936-1937

One of Hall County's farmers proving that diversified farming pays is John B. Russell of Estelline who has harvested 84 tons of Alfalfa hay from 37 acres planted to this crop at his farm.

Wellington Sky is a product of last one. It was a masterpiece in my estimation."

about \$10 per ton, making a gross income on the 37 acres around \$22 per acre. This average around \$22 per acre. money crop. Mr. Pattillo pointed out that little expense was attendant to the production of the crop, however, the harvesting process was expensive since machinery was used. Club or and other items needed in alfalfa harvest would overcome the heavy expense.

of Pampa is vis-veek with Mr. and Mrs. Gilbert K. Wilkerson of Southgate, Calif., arrived Tuesday of the state and contributes its share to a steady cash income for the farmer throughout the year. which is one of the purposes of extensive diversification in farmng. Small acre ges, planted to will give the farmer another source of cash income and a food feed crop as well and will lessen his dependence on cotton which has been the principal money crop in this locality for many years.

Good Time—and Moral—Had by All in Milwaukee's Liquorless Cabaret

It seems that Milwaukee young people really go for the sundaes and milk shakes-with lots of goo and absolutely no alcoholic content-as served in the Club Sahara.

MILWAUKEE, Wis .- When a night club packs them in by selling only milk and other soft drinks and gooey sundaes, that's news-especially when the night club operates in a city famous for its beer.

Milwaukee's Club Sahara, serving nothing stronger than sarsaparilla and offering a floor show just as tame, is still going strong. The novelty may be gone, just as sceptics predicted
-but not the customers.

Most of the patrons are high school and college students. And they all observe the warning on the big sign reading: "No alcoholic beverages will be permitted on the premises."

It was not always thus. During the prohibition era the Golden Pheasant operated on the same location. As often as not in that period the place was under

THE liquorless night club came into being only after a committee of irate ministers had threatened to go into the business themselves. Appointed by the Milwaukee Ministerial Assolation to investigate the city's night life, the committee found

Then Bernard Glisch, Waukeconfectionery owner, and Col. Howard T. Greene, candidate for governor in 1932 and owner of a large dairy farm, got interested in the project. They decided that the ministers were right.

Progress Made in Volunteer Game Preserve Movement

Game Warden O'Neil Here Monday Conferring With Agent Concerning Work

Austin O'Neil of Wellington. state game warden, was in Memphis Monday conferring with R. E. L. Patillo, county agent, in regard to the establishment of a county-wide game preserve in Hall County.

Mr. Pattillo and Mr. O'Neil be-Hall County farmers requesting their farms for the conservation of 227, representing approximately know of their leaving. land, answered the cards agreeing to cooperate in the movement, and according to Mr. Pattillo 154 posted" signs have been erected.

Mr. Pattillo reports that farmhave stated that the birds have increased about 25 times since the preserve movement was started.

In cooperation with the movement farmers are under no obligation nor have any specifications they itch? Do they burn? issued, suggesting that the farmers leave wide fence rows in their feed crops and collect brush piles

TARVER'S PHARMACY

for nesting places. Birds, and particular quail and similar species, feed largely on insects, according to Mr. Pattillo, and had these birds abounded in Hall County during the past year, cropdame from grass-hoppers would have been greatly reduced.

MOVE TO MISSOURI

Mr. and Mrs. Coleman White left Memphis Saturday for Springfield, Mo., where they plan to make their home. Mr. White has been a resident of Memphis for a number of years. He has been in the gip husings here during

have been greatly reduced.

According to Mr. O'Neil, a rethe time. gional representative of his department will be stationed in Amarillo soon to assist in carrying on game preserves for birds in the Panhandle. Mr. O'Neil serves eight counties as game warden, including Childress, Collingsworth, Hall, Donley, Briscoe, Gray, Wheeler and Armstrong.

MOVE TO CLAYTON

Mr. Pattillo and Mr. O'Neil began the movement a little over a left Memphis Saturday for Clayrear ago by sending cards to all ton, N. M., where they will make home. Mr. and Mrs. White. their cooperation in posting their field have been residents of Memwild birds. Farmers numbering made many friends who regret to phis for the past 14 years and

Mr. and Mrs. Joe Moseley and son Lloyd of Darrouzett, and Miss Della Mae Tuttle of Plainview spent Sunday and Sunday night ers in various parts of the county John Moseley and family.

CAN Henry Armstrong to what of boxing has ever done? Namely, will Homicide Henry

whip Lou Ambers the night of Aug. 12 in New York, and in so doing take possession of three world championships at the same

Most boxing critics are nodding very vigorously in the atfirmative. They don't see how Ambers, the lightweight titlist, can withstand the devastating attack of the dusky must battler. are attack which already has prought Henry the featherway

and weiterweight crowns and sets him up as a heavy favorite to capture the honors now held by Ambers.

Bob Fitzsimmons at various times in his career held the middleweight, light heavyweight and heavyweight titles, but Arm-strong means to corner three championships at once. And it is hard to see how he

NO fighter in recent years has had the seemingly inexhaustible energy, the remarkable stamina and ferocity that Armstrong possesses.
