Democrats Of County Aid In Election Fund

Hall County Democrats aided their party in the national election campaign fund more than any other county in the 18th Congressional district, except Potter County.

A final contribution from Hall County after election day boosted this county's total to its quota of \$642. The only counties in this district to raise their campaign quotas were Hall, Ochiltree, Oldham, Roberts, Hansford, Dallam, Sherman, Collingsworth, and Potter.

James E. King, Hall County Democratic Chairman, listed the following contributors:

Memphis

C. D. Denny, J. H. Read, A. S. Moss, J. E. King, Mrs. Ara Giddens, Imogene King, J. M. Baker, Carl Wolf, F. N. Foxhall, Harry Boswell, Conley Ward, W. P. McMurtry, Thos. E. Noel, O. L. MEMPHIS MAN IS INJURED BY PISTOL BULLET

Raymond Ballew Is Released Under \$2,500 Bond

Tal Knox of near Salisbury is in the Clark Hospital here in a critical condition and Raymond Ballew of Memphis has been released on \$2,500 bond as the result of a shooting scrape which occurred in Ballew's place of business on Main street here last Saturday midnight.

Raymond Ballew was arraigned in justice court here Sunday morning and was released after he made the \$2,500 bond. He waived an examining trial, and his case has been bound over to the grand jury. He is charged with "assault with intent to murder." Ballew was arrested early Sunday morning. (Continued on page 6)

LAKEVIEW TO ENTERTAIN COUNTY INTERSCHOLASTIC LEAGUE MEET

Lakeview was designated as the site of the 1936-37 Hall County Interscholastic League meeting at the monthly meeting of the Hall County Teachers Association and of the independent school teachers at the Baptist Church Annex here last Saturday morning at 10 o'clock.

J. T. Duncan, Estelline school superintendent and director general of the Hall County Interscholastic League last school year, presided over the meeting. H. B. O'Neill, superintendent of the Lakeview schools, was selected director general of the meeting this year, and Bob Clark, Lakeview coach, was named director of athletics.

Other County Interscholastic League officers named Saturday were: Carroll Smyers of Memphis, debates director; J. T. Duncan of Estelline, declamation director; Miss Vera Tops Gilbreath of Memphis, rural school director;

BROTHER LOCAL WOMAN KILLED

Charles T. Holmes, 59, farmer of the Medicine Mound community and brother of Mrs. J. H. Treadwell of Memphis, was instantly killed when a northbound Santa Fe motor car struck his automobile at a grade crossing southwest of Chillicothe Wednesday afternoon of last week.

Mr. Holmes was en route from his home to Chillicothe at the time of the accident. His car was dragged about a quarter mile before the motor car came to a stop. Death was instantaneous.

THOMAS MANAGES FILLING STATION

A. H. Miller Takes Position With Cudd Bros., Norman Thomas With Conoco

A business deal has been completed whereby Norman Thomas assumes management of the Continental Oil Company Service Station No. 1 and whereby A. H. Miller takes a position with the Cudd Brothers Service Station.

The business arrangements were effective as of November 10. For the past six years Mr. Miller has been manager of the large Continental Oil Company service station at Tenth and Main streets, and for the past several years Mr. Thomas has been employed in the service station and automobile business in Memphis. Hall McMurry and Oscar Gerlach will assist Mr. Thomas in running the Continental station.

PENSION CHECKS WILL BE MAILED

Assistance Grants This Month Not To Be Affected By Any Change In Pension Law

Aged Hall County residents who are looking for their November 1 pension checks from the Texas Old Age Assistance Commission will not receive their checks until after November 20, Orville S. Carpenter, executive pension director, has advised.

Mr. Carpenter has been in Washington recently conferring with national officials there in an effort to secure the federal contribution of approximately \$800,000 by Nov. 20, in order that there will be no further delay in getting the checks in the mails.

The Texas state board of control meets in Austin today to determine whether the new pension act is in conformance with federal statutes and regulations. If the board approves the new setup, the federal check will be sent to Austin within the next five days.

Under the act passed by the legislature, the pensions are limited to those actually in need, and additional checking for eligibility in this county and over the state is to be done.

November 1 grants to \$7,000 aged will not be affected by changes in the Old Age Assistance Law.

OPEN TURKEY WPA PROJECT

Improvements To Be Made at High and Ward Schools

Additional Works Progress Administration funds are now filtering into Hall County as the result of a WPA project which has been started at Turkey. The project is for the Turkey high and ward school buildings, with 30 men on the job, and will require four months to complete.

The total expenditure will be approximately \$7,000, according to Supt. Lee Vardy.

Sidewalks across the front of the campus and to the buildings are to be constructed. Trees and shrubbery are to be planted and grass will be set. All window and door casings and outside woodwork are to be painted. Considerable work is to be done on the football field. The field is to be fenced and bleachers are to be erected. Repairs will be made on the bus garage.

LOCAL RABBITS PLACE HIGH IN STATE EXHIBIT

Entry Of A. H. Miller Is Prize Bunny Of Texas Exposition

A senior doe of the New Zealand white breed, owned by A. H. Miller of Memphis, was adjudged the champion normal fur rabbit in the Texas Centennial Exposition's rabbit show.

Mr. Miller had 14 rabbits entered in the giant rabbit show at the Centennial Exposition in Dallas, and he won numerous prizes in a large field made up of entries from 11 states. Awards were in cash.

In the New Zealand whites division, Mr. Miller entered six rabbits and won third and fourth places in the senior doe section, fourth place in the junior doe section, third place in the senior buck, first and fourth places in the six-eight months buck. His entire New Zealand display was adjudged the second best display of that division.

Mr. Miller exhibited six Havana rabbits, winning second, third, and fourth places in the senior doe section, first in the junior doe section, first in the three-five months buck. His Havana display won second place in the division. Combining all of his displays, Mr. Miller won the sweepstakes. (Continued on page 7)

CIVIC BODY TO PUSH PARK JOB

Decision was reached at the regular monthly meeting of the Memphis Chamber of Commerce Tuesday afternoon of this week to further the proposed Works Progress Administration project which calls for the converting of Broome's Park one mile south of the city into a municipal park.

The Chamber of Commerce will seek WPA assistance in the matter. A project for turning the grounds into a city park was asked by the Chamber of Commerce of the WPA some months ago, but no action has been taken on the matter. The local civic body will now push the project, it was said.

The original plans were to landscape the plot, build a swimming pool, and to erect a bridge over the creek between the park and the city.

E. E. Roberts, president of the Chamber of Commerce, presided over the meeting.

Furniture Store Is Opened Here

G. G. Perkins and son O. M. have opened a new and second hand furniture store in the old Hall County Herald building, across the street east of the new post office. The new firm will be known as G. G. Perkins and Son. Read their opening announcement in this issue.

Mr. and Mrs. G. G. Perkins and Mr. and Mrs. O. M. Perkins have moved here from Childress to make their home.

PROGRAMS IN ALL SCHOOLS TO BE GIVEN

Teachers To Explain Present-Day Plans Of Instruction

Observance of National Education Week has been held throughout the city this week, and the seven-day observance will be climaxed tonight (Friday) at 7:30 o'clock at the local high school, at the Junior High school, and at the West Ward school when mothers and fathers of school children, the students themselves, all faculty members, and everyone else interested in education will gather to observe the local schools at work.

Programs will be held in each of the three schools here tonight, starting at 7:30 o'clock, and School Superintendent W. C. Davis has appealed to every person in the Memphis vicinity to visit at least one of the schools tonight for an evening of entertainment and instruction.

Provisions have been made to care for crowded auditoriums at each of the three schools, and programs have been worked out to be under the supervision of the three school principals, H. J. Goss of the high school, L. C. Linn of Junior High, and Mrs. H. B. Estes of West Ward.

Visitors will first assemble in the three auditoriums and see the well-arranged programs. There will be musical numbers, one-act (Continued on page 6)

COTTON GINNING SHOWS INCREASE

8,141 Bales Ginned Prior To November 1; 12,000 Said To Be Ginned To Date

There had been 8,141 bales of cotton ginned in Hall County of the 1936 cotton crop prior to November 1, according to C. Leo Rushing, who takes the figures for the Bureau of the Census.

This corresponded with 9,322 bales ginned to the same date a year ago. According to an unofficial tabulation by a local business man, there had been 12,000 bales of cotton ginned up to Tuesday of this week. There are now 22 gins in operation over the county, it is said.

LOCAL FUTURE FARMERS PLAN TO IMPROVE QUALITY OF COTTON IN HALL THROUGH PLANTERS CLUB

Members of the local chapter of the Future Farmers of America are interested in starting a county-wide project which they believe to be beneficial to themselves and to the county.

They have undertaken to improve the quality of cotton raised throughout Hall County by marketing planting cottonseed through the formation of a Consumers Seed Club. This is done in order to enable the county to benefit from the new grants that are under consideration by the Federal Department of Agriculture for the raising of higher grade cotton.

The local F. F. A. chapter is anxious to raise funds to build a farm shop near or on the high school campus here. Friday afternoon, Nov. 6, the (Continued on page 6)

THE NATIONAL HUMAN BARBECUE

APPROXIMATELY 10,000 persons have been burned to death in the last 12 months. One-third of them were children, says the Industrial News Review. Two-thirds of all the victims perished in residence and apartment fires.

If anything can awaken the American people to the gravity of the fire problem, that brief statement should. If you have a strong stomach, think of those 10,000 roasted bodies. And then realize that at least eighty per cent of fires, big and little fires alike, could easily have been prevented.

It is human frailty to read such a statement as this, reflect for a moment on the horror of it, and then forget it with the mentally-made observation that "Well, my home is safe." Perhaps your home is. But there's better than an even chance it contains hazards that you don't know about.

An up-to-date house is not necessarily a safe house, from the standpoint of fire—many a \$50,000 mansion has gone up in flames. Expensive furniture will burn as easily as cheap furniture—and the finest interior fabrics and woodwork will burn as easily as a piece of cotton cloth and a pine board.

Whether you live in a four-room bungalow or a fifty-room country palace, inspect your property regularly, or have it inspected by someone who understands fire hazards and their prevention. Get the necessary information from your fire department or a similar institution. Once hazards are found, do away with them and make sure they don't reappear. Help reduce the national human barbecue!

Search Panhandle For Fossil Fields

The fossil fields of Donley and Randall counties will be the first to be excavated for a new paleontological project which will cover the entire Panhandle of Texas. This is a WPA project sponsored by the West Texas State Teachers College, with professors of archaeology and paleontology of the college in charge. The valuable materials which are collected through this project will become the property of the Panhandle Plains Historical Society Museum, and three students who are attending college through NYA aid will help prepare them for exhibition.

Among these students is Wayne Christian of Memphis.

Two Memphis Men Enter U. S. Army

Rayo F. Terral and Robert King of Memphis were among the 18 young men who signed up for army service at the Amarillo Recruiting office during the last half of October. Sergeant Robert E. Forsythe reported.

These enlistments brought the total for the month to 31. There are still vacancies to be filled. Those who sign up will be sent to Fort F. E. Warren, Wyo., for service in the field artillery or infantry.

Locals and Personals

G. W. Melear returned Saturday from a visit with his daughter, Mrs. J. B. Lamb at Hedley.

John Burnett of Newlin was a Memphis business visitor Saturday.

Mrs. L. L. Doss and son Jerry, and Miss Angela E. Wilke left Sunday for Dallas where they spent until Thursday at the Centennial. They will visit Miss Wilke's sister in Wichita Falls en route.

Mrs. C. E. Shankle arrived in Memphis last Friday from Tucson, Ariz., and spent until Monday here with her son Joe Shankle, who is spending the school term here with his grandparents, Mr. and Mrs. J. D. Shankle.

Greeter

Sally Rand, America's most charming dance star, was official greeter for the 90th Division convention, which opened at Fort Worth on Friday, November 6, the same day Miss Rand played the first performance of her new Texas All-Star Revue, with which she will tour the state.

VISITS SISTER

Mrs. J. L. Casper of Paola, Kan., came Friday of last week for a visit with her sister, Mrs. F. J. Goffinett, who has been very ill for several weeks. Mrs. Casper and family were among the early residents of Memphis and lived here a number of years before moving to Paola.

Move To Lubbock For School Term

Mr. and Mrs. Sam West have moved to Lubbock to live during the remainder of the school year at Texas Tech. Both of their children, J. W. and Betty Dale, are students at the college.

Mr. and Mrs. West were among the parents figuring in a special honor on account of their son, J. W., playing in the game between Tech and Oklahoma A. & M. Fathers and mothers of the varsity squad members were introduced between halves by Dr. Knapp and received a noisy welcome from the cheering unit as each stepped forward to have placed around his neck numbers corresponding with those worn by his son.

J. W. West plays end and wears the numeral 30.

BACTERIA ARE AS DANGEROUS

IN WINTER AS IN SUMMER
...KEEP YOUR FOOD BELOW 50°!

• If you could see food under a microscope you would know why any refrigerator that cannot maintain temperatures below 50° is dangerous. For above 50° bacteria multiply by the millions—on meat, on leftovers, in milk. They endanger health, lower resistance to disease and waste your food money.

And don't be fooled by winter weather. Outside temperatures are varying and uncertain—but it's always summer in your kitchen. If the temperature where your food is kept is not in the Safety Zone—below 50°—all the time, there's danger.

DEATH NEVER Takes A HOLIDAY!

If I miss a careless automobile driver today, I'll probably get him tomorrow. You see I'm on the job 24 hours each and every day and I never take a vacation.

The man or woman who drives carefully, ever watchful, never lax even for a moment, eyes on the road straight ahead is my enemy . . . and to tell the truth I've never caught him or her napping yet. But someday, somehow, he or she will take a chance, and right there is my big moment . . . I'll try and pounce down heavy and gather him or her to my fold.

Read the newspapers daily for a list of the names of my victims . . . they're here, there and everywhere. That's because they're careless and love to take chances. Often times they're drunk while driving. That's a sure bet for me. If not today, then tomorrow . . . but I'll get you if you persist in taking chances.

You are urged to never take chances at the Wheel!

Culture Club Observes Gentlemen's Evening At Whaley Home November 6

The J. A. Whaley home in the Whaley Addition was the scene of a beautifully appointed dinner and "42" party, Friday evening, Nov. 6, when the Women's Culture Club honored their husbands.

The hostesses for this delightful affair were Mrs. Whaley, Mrs. D. J. Morgenson, Mrs. Ira Neeley and Mrs. Roy Fultz.

Throughout the reception rooms of the home huge baskets and bowls of yellow chrysanthemums and autumn leaves lent their grace and beauty and added much to the scene. In the dining room the table was laid with a lace cloth centered by a large fruit piece with an artistic arrangement of leaves in their varying autumnal shades.

At 7:30 o'clock a delicious three course dinner was served. The color scheme of purple and gold was closely observed in table decorations and menu. The four-square tables laid with Madeira cloths had as their center pieces yellow candles in large chrysanthemum holders of the same shade. Oak leaves with their lovely coloring were used for place cards.

For several hours "42" was enjoyed by Mr. and Mrs. Claude Wells, Mr. and Mrs. R. L. Madden, Mr. and Mrs. A. W. Howard, Mr. and Mrs. Claude Johnson, Mr. and Mrs. T. B. Rogers, Dr. and Mrs. C. Z. Stidham, Mr. and Mrs. Ira Neeley, Mr. and Mrs. Roy Fultz, Mr. and Mrs. J. A. Whaley, Mr. and Mrs. J. B. Beard, Mrs. J. H. Norman, Mrs. George Sexauer, Miss Eloise Norman, Miss Georgene Sexauer and Betty Frances Fultz and George Dean Morgenson.

Mr. and Mrs. James Smith of Brice were visitors in Memphis Wednesday.

Mr. and Mrs. Otho Fitzjarrald were visitors in Chillicothe Wednesday.

Mrs. O. R. Goodall Is Hostess To Blue Bonnet Needle Club

The Blue Bonnet Needle Club met at the home of Mrs. O. R. Goodall Thursday afternoon, Nov. 5, with the social committee, Mrs. Claud Johnson, Mrs. Ottilie Jones, Mrs. Bailey Gilmore, and Mrs. L. L. Doss, in charge.

An interesting program as a feature of the social meeting was enjoyed.

Dainty refreshments in keeping with a theme of the occasion were served to fifteen members and eleven guests.

Members present were Mrs. D. J. Morgenson, Mrs. Claud Johnson, Mrs. Ottilie Jones, Mrs. O. R. Goodall, Mrs. J. B. Chitwood, Mrs. A. A. Kinard, Mrs. W. R. Cabanes, Mrs. J. B. Baird, Mrs. C. C. ATTEND BAPTIST GENERAL CONVENTION IN MINERAL WELLS

Mrs. D. A. Grundy, Mrs. G. H. Hattenbach and Mrs. Jodie J. Wilson left Memphis Sunday for Mineral Wells to attend the eighty-eighth annual session of the Baptist General Convention in session there this week.

Baptist women representing the Woman's Missionary Union meet at the same time the pastors and laymen are in session. Mrs. Grundy is president of District Ten of the W. M. U. 3,153 Baptist churches in Texas are expected to be represented, and 2,000 Texas women are expected to attend.

Baptist W. M. S. Has Business Meet Monday, Nov. 9

A business session of the Woman's Missionary Society of the Baptist Church was held Monday afternoon at the church.

Mrs. R. E. L. Pattillo presided over the session in the absence of the president, Mrs. G. H. Hattenbach. She stated the purpose of the meeting, and "The Kingdom is Coming" was used for the opening song, followed with a prayer by Mrs. J. H. Smith. Worthwhile reports were given by officers and committees of the different departments of the organization.

An interesting study given from the book, "Palatitina Tapestry" was the only program offering made at the meeting.

Mrs. W. C. Smith gave the closing prayer.

Members present included: Mrs. Sam Foxhall, Mrs. W. W. Williamson, Mrs. W. C. Smith, Mrs. R. E. L. Pattillo, Mrs. R. W. Carlton, Mrs. Lee Thornton, Mrs. Jackie Boone, Mrs. Lloyd Phillips, Mrs. Glen Carlos, Mrs. A. Baldwin, Mrs. A. J. Joyce, Mrs. W. C. Anderson, Mrs. J. H. Smith, Mrs. H. C. Crow, Mrs. N. M. Lindsey, Mrs. William Hood, Mrs. Jack Youree, Mrs. R. H. Wherry, Mrs. T. R. Garrott, Mrs. J. S. McMurry, Mrs. J. C. Ebersole, Mrs. J. C. McClure and Mrs. Alvin Massey.

Celebrates 70th Anniversary Of Mrs. J. P. Hancock

Mrs. J. P. Hancock, a resident of Hall County for a number of years celebrated her seventieth birthday at her home Sunday, Nov. 8. A dinner was given in her honor at her home, 113 North Sixteenth street.

Mrs. Hancock has been confined to her bed for more than a year and Mrs. I. P. Hancock baked her birthday cake which was used to form the centerpiece of the table.

A delicious dinner was served to the following: Mr. and Mrs. W. S. Charlsie and family of Clarendon, Mr. and Mrs. Scott Hancock and children of Lakeview, Mr. and Mrs. Dale Hill, Mr. and Mrs. I. P. Hancock and family, Miss Ann Hancock, George Hancock, and Mr. and Mrs. J. P. Hancock.

The honoree, Mrs. Hancock, received many beautiful gifts.

Cyclone Downs Bronchos In Hard-Fought Grid Cl

MEMPHIS TEAM DEFEATS RIVAL IN FINAL GAME

Clarendon Bows To Cyclone's Passing, Running Attack

The flashy Memphis High School Cyclone finished her conference grid schedule here last Friday night with a thrilling 18-6 victory over the powerful Clarendon Bronchos, traditional rivals of the Memphis team.

In scoring three touchdowns on the sturdy Bronchos, the Cyclone rang up more markers than any other team in or out of the district has been able to do this year.

Play Last Game

The three Memphis football captains—Benjie Estes, center; Horace Malone, end; Dennis Walker, quarter—ended their high school grid careers at Cyclone stadium Friday night. They ended their high school playing days with an earned victory.

Memphis swept to victory early in the first quarter. Taking the ball as the game opened, Hall and Pounds of Memphis carried the ball as the Cyclone launched a 60-yard drive that resulted in a touchdown. Hall drove across from the two yard line, and Memphis had scored without once relinquishing the ball. The Cyclone scored again in the first quarter as the result of a recovered fumble deep in Clarendon territory.

Miscellaneous Results in Score

Clarendon scored in the first quarter, also, after getting the ball on Memphis' seven-yard line on a miscue. Cornell, ace Bronco back scored. Memphis' third touchdown was made in the fourth quarter after a sustained drive placed the ball in scoring distance. Walker carried it over on a reverse on fourth down.

A fist fight in the closing minutes of the game between Capt. Estes of Memphis and Capt. Butler of Clarendon enlivened the game and resulted in both men being ejected from the contest.

Line Stands Out

Outstanding in the game for Memphis was Estes, center; Clark, guard; Harris, tackle; and Hall, fullback. Hall saved a touchdown when he tackled Grady on a kick-off return after Grady had eluded all of the other Memphis tacklers. Estes, Clark, Robertson, and Harris made numerous tackles. Malone played well for the locals.

Cornell, Bronco quarter, was outstanding for Clarendon. He intercepted three Memphis passes, did all of the punting and passing for the visitors, and made most of the yards on running plays. Robinson, 200-pound Bronco tackle; Rols, end; and Butler, guard, played good defensive ball for the Clarendon club.

Game Statistics

Memphis led in both first downs and yardage gained from scrimmage. Memphis made 10 first downs to Clarendon's five. The Cyclone gained 213 yards from scrimmage to 112 for the visitors. Memphis attempted nine passes,

completed four, and had three intercepted. Clarendon attempted 12 forwards, completed one, and had two intercepted.

Memphis scored in seven plays after taking the opening kickoff. Walker missed goal, and the score was 6-0. Clarendon took the kick, was held for downs, and Cornell attempted to boot out. The pass from center, however, sailed over Cornell's head, and the charging Memphis forwards swarmed down on the punter on the Clarendon seven-yard line. It took four line plunges by Pounds and Hall to score. Cornell blocked Walker's kick. The score stood at 12-3 with only two or three minutes having been played.

Hall Checks Score

Grady, Bronco fleet fullback, took the kickoff and ran up the right sidelines for 45 yards before he was thrown out of bounds by Hall. A first down, a Memphis penalty, and an error by the officials in permitting Clarendon to have five downs in a series gave the Bronco the ball on the Memphis 10-yard line. There the Cyclone held for three downs, pushing Clarendon back 10 yards in three plays; but on the fourth down Quarterback Walker of Memphis intercepted a Bronco pass on the three yard line. He ran three yards, saw that he was going to be tackled, and threw the ball down, and Clarendon recovered on the Memphis seven. Memphis held for three downs, but Cornell ploughed across on the fourth attempt. Cole missed try for point. Score, 12-6. The quarter ended shortly.

The Walkerites took the kick but were held for downs. Walker kicked to the Bronco 40, but a Clarendon man clipped and the Bronco got the ball on their 25. Cornell quick-kicked. The remainder of the quarter was played in midfield, with Walker and Cornell exchanging punts. The score at the half was 12-6.

Pass Halts Threat

Clarendon received but was held for downs. Walker took Clarendon's punt on the 40. A pass from Hall to Malone was good for 20 yards and a first down. Cornell, however, broke up the threat when he intercepted a pass on his 25. The Cyclone held, and Cornell booted out on the Black and Gold 34.

After failing to make a first down, Walker's punt sailed out on the 26. Cornell's spiral a moment later carried to the 50. The Clarendon line held, and Walker's punt was killed on the 11-yard line by Malone.

Walker muffed Cornell's punt out and Clarendon recovered on her own 40. The locals held there, and Cornell's punt was killed on the Memphis 36. Walker got away on a fake for 18 yards and a first down as the quarter ended.

Hall picked up a first down through the line and then flipped a short pass into the line of scrimmage to Walker for a nine-yard pick-up. Malone made another

LAKEVIEW EAGLES, M'LEAN TIGERS DOWN MOBEETIE, LEFORS TEAMS

Coach Bob Clark's Lakeview Eagles finally broke into the win column at Mobettie last Friday afternoon by downing Coach Clinton Meek's husky Hornets by a score of 13 to 6.

The McLean Tigers, defending district champions who have been bumped from their pedestal, hit their stride again last Friday night against the Lefors Pirates and romped over that team by the one-sided score of 31 to 7.

Both Lakeview and McLean were impressive in their victories. Lakeview, which had knocked the league leaders all over the lot before losing by close scores, won for the first time in the conference race this year. The Hornets now occupy the cellar without a single victory.

The Eagles held command of the situation throughout, although their lack of practice was easily seen. Coach Clark's Eagles have not worked out regularly in some time.

McLean took the ball in the game against Lefors on the opening kickoff and marched to a touchdown in eight plays. Bogan, triple-threat back, ran wild for McLean. Laswell was also outstanding on the offense.

In the fourth quarter, Carrouth, Lefors' outstanding back, intercepted a pass and raced 65 yards before he was over-hauled from behind by a fleet Tiger backfield man. With the ball on the one-yard line, Lefors scored on a line plunge.

first on an end-around. Walker went over on a reverse from the two for the touchdown. Walker's kick was wide. Score, 18-6.

Opens With Passes

The Bronco opened with a wild passing attack, and Estes of Memphis and Butler of Clarendon were thrown out of the game for fighting. Cornell intercepted a Memphis heave on his 34, but the passing attack which followed was halted when Walker went high in the air to bring down an enemy toss. Walker kicked to the 8, but Clarendon got the ball on the 50.

Memphis was given the ball on the next play when a Clarendon tackle, an ineligible pass receiver, caught Cornell's aerial. Walker kicked to the 20, and the game ended as Cornell picked up five through the line.

The starting line-ups: Memphis—Malone (c-c) and Montgomery, ends; Harris and Sanders, tackles; Dodson and Clark, guards; Estes (c-c), center; Robertson and Pounds, halves; Hall, full; Walker (c-c), quarter. Clarendon—Rolls and Cole, ends; Robinson and Noble, tackles; McClenny and Butler (c), guards; Watters, center; Holtzclaw and Slavin, halves; Grady, full; Cornell, quarter. Memphis substitute—Moore, half.

Officials—Barclay, Texas, referee; Slack, ETSTC, umpire; Penick, WTSC, headlinesman.

the Bench Player..

The Wellington Leader, which ranks close to The Democrat as an outstanding weekly newspaper, devoted 121 column inches to football last week, most of which was about the Wellington football team. With an advertising rate of 35 cents per column inch, this means the Wellington team got \$42.35 in free advertising in one week. In the course of a season the Wellington team gets approximately \$400 in free advertising.

Jimmie Gillentine, the Wellington paper's sports authority, is loud in his praise of the Memphis Cyclone. Especially does he praise the passing attack of the locals. Hall, Memphis passer, Gillentine states, ranks just under Gerald Mann and Sam Baugh, All-Southwest Conference greats. Hall will make Gillentine's All-District team, the Wellington sports writer declares.

Hall's passes are not just luck with him. Instead, his passing art has been developed through long hours of practice. Hall practiced passing for hours at a time every day last summer. He tied automobile tires up between the goal posts at Cyclone Stadium and practiced all summer flipping the ball through the tires at 10, 20, 30, and 40 yards. He practiced throwing the ball through the tires while running to the right and to the left—conditions under which he is forced to pass while playing in a game. Hall has two more years of eligibility.

Seven members of the 1936 Cyclone football team have finished their high school grid careers. The three Memphis captains, Estes, Walker, and Malone, will be gone next year. They are the only three first-string men that will be lost to the squad, but Zeb Moore, half; Pat Noel, half; John Gilreath, half; and A. G. Callahan, guard, will be lost from the squad. All have seen considerable service this year and all would be good men next year.

Leroy Robertson was given an award by Jack Boone, local sports enthusiast, last week for making the most tackles in the Clarendon game. Robertson and Estes were tied in the number of tackles until Estes was forced from the game, in the fourth quarter.

The Cyclone closed its grid season last week with five victories against four defeats. Memphis won over Paducah, probable winner of District 4B, Mobettie, Lakeview, Lefors, and Clarendon. Games were dropped to Wellington, Shamrock, Wheeler, and McLean. The Cyclone was recognized as having an exceptionally strong offense. She made more first downs than her opponent in every game, yet lost four games.

The Cyclone has one lineman who is worthy of All-District selection. Yet, it is doubtful if he will get the award. The man is A. J. Clark, right guard. Clark has not received much publicity because he is not a flashy player, but he is as steady and dependable as any guard in the district.

Another Cyclone lineman who will likely receive mention for All-District honors is Pud Malone, co-captain of the team and regular left end. Malone is a polished end, an adept pass receiver, a good defensive man, and one who gets down under punts fast.

Benjie Estes, co-captain and center, appeared to be headed for All-District mention until he was injured in the Lefors game. He had played rings around all opponents until he was hurt, but his injury slowed him up. Brothers of Shamrock and Weeks of Wheeler seem to be the best bets for All-District center.

BASKETBALL IS UNDER WAY AT LOCAL SCHOOL

Football uniforms were turned in by the 1936 Cyclone football team Monday afternoon, and basketball uniforms were issued to aspirants of the Cyclone cage team the same afternoon.

Twenty-one gangling lads, not one of whom is a high school basketball letterman, reported to Coach Frank A. Hubbell for practice Monday afternoon.

Prospects for a winning basketball team do not appear to be overly bright at this time, although a few other players are expected to report for practice within the next few days.

The schedule for the basketball team has not been worked out as yet, and there will be no games played for some time yet. The next few weeks will be devoted to teaching the green boys the fundamentals of the game and building an entirely new team.

Those who reported to Coach Hubbell for practice are Doyle Thompson, Ben Wilson, Roy Gilreath, Frank Phelan, Lloyd Campbell, Eugene Davis, Doyce George, Zeb Moore Jr., Pat Noel, Robert Moss, Bud Crump, Ethens Gleaton, H. C. Land, Billy Fred Rasco, Hildon Lindsey, Jack Holcomb, Izador Hardin, Frank Morrison, J. E. Archer, T. H. Garner, Ralph Hill.

Turkey In Tie For Sectional Honors With Flomot Team

TURKEY, Nov. 12.—Turkey and Flomot met on the football gridiron in Flomot last Friday afternoon to decide the champion of district 4B, north section, but the boys will have to play the game over, as the gun cut the contest short with a 7-7 tie.

All the scoring for both teams was done in the first part of the first quarter. Flomot was the first to count. Line plunges through the tackles and guards put the ball on the eight-yard line, where Quarterback Light plunged it over for the score. Light kicked the extra point.

Turkey received the kickoff and opened a deadly passing attack that in three plays netted a score. A pass of 70 yards from Elliott, half, to Williams, quarter, put the ball on the 11-yard line. Another pass from Elliott to Meacham, over the goal line scored. Another pass netted the extra point.

The tie will be played off soon, and the winner will meet Paducah for the championship of the district.

Wheeler's Win Over Shamrock Almost Clinches District 3B

The Wheeler Mustangs defeated the Shamrock Irish 14-0 in Shamrock last Friday night in a game witnessed by the greatest crowd to gather this year at the Shamrock stadium. The contest was in reality for the championship of this district, as the only team standing between the Mustangs and Lefors, a weak sister in the circuit.

The crowd at the game was estimated to be more than 3,000. Fully 300 of the fans were from Wellington, who flocked to the game to root for Shamrock to defeat Wheeler and thus give Wellington a chance at the crowd.

Shamrock showed a slight edge through the scoreless first half, and in the two opening periods Wheeler failed to make a single first down. Shamrock made six.

Wheeler scored in the last of the third. A 30-yard pass, Ford to Norman, put the ball on the Shamrock three-yard line. On the succeeding play Ford went over. Ford kicked the extra point.

The final score came late in the fourth. Shamrock attempted a pass from the Irish nine-yard

line, and Weeks of the 30 and ran for a goal.

PICTURE SHOWS FOR CHILDREN

PTA MAKES APPEAL FOR PATRONAGE
The Memphis Council of Parent-Teacher Associations met in the high school office Thursday, November 5, and spent most of the time of the meeting in discussing a report of the Motion Picture committee, made by Supt. W. C. Davis.

Plans were then made to in-
form the general public of the
value of the Saturday morning
picture show for school children,
which is being sponsored by this
organization.

The pictures which were shown
the two previous Saturdays had
been at a loss to the management,
but the Council, with the encour-
agement of H. L. Boren, decided to
try different methods to stimulate
a realization of the effect motion
pictures is having on chil-
dren, and to let the people know
that this is really a child welfare
project in which the parents and
teachers are seriously attempting
to remove obvious dangers and de-
velop the equally obvious educa-
tional possibilities. The teachers
were reported co-operating 100
per cent.

More publicity was planned
through local newspapers, talks to
various organizations of the town,
and posters which were to be sent
to all the schools of the county,
along with talks by Miss Topsy
Gilreath and Mrs. Roy Guthrie.
Special effort was made to sell
the business men of Memphis to
the advantage of good pictures in
the town.

A committee, composed of Mes-
dames S. S. Davis, T. E. Noel and
W. J. Brazg, was appointed to de-
cide about how the \$25 prize for
the Amateur Program should be
given.

After several announcements
the Council adjourned. The next
regular meeting to be the first
Thursday in December.

JUNIOR PTA TO MEET
THURSDAY, NOV. 19
The Junior High P.T.A. will
convene in regular monthly meet-
ing Thursday afternoon, Nov. 19,
at 3 o'clock in the Junior High
auditorium.

The following program will be
given: Students of Junior High
will open the program with a mu-
sical number. Hays O. Luna of
the First Christian Church will
give the devotional. Mrs. R. E.

SCHOOL NIGHT
TO BE HELD AT
LOCAL CHURCH

Education Week Will Be Observed Here By Methodists

Services at the First Methodist Church here Sunday night will center around the theme of National Education Week, which is being observed throughout the nation this week; and the local schools will have a part in the religious services, Rev. Orion W. Carter, pastor, has announced.

"We are asking everyone in the local schools who has a school uniform to be present. We want the high school band, the pep squad, the choral club, the rhythm band, the football teams, the school faculty, and the board of trustees all present for the services," Rev. Carter stated. Special sections will be reserved for them, he said.

Supt. of Schools W. C. Davis will give a talk on the purpose and objectives of the National Education Week, and the Rev. Mr. Carter's sermon will be of an educational nature and in keeping with National Education Week.

It is probable that the high school band will give a 30-minute hand concert prior to the regular services, it was said.

BOOK WEEK TO BE HONORED BY LOCAL SCHOOLS

School Libraries To Seek Donations; Is National Event

"National Book Week" will be observed all over the nation and in Memphis the week of Nov. 15 to 21st, and the local schools will take the lead here in the observance.

Displays of books are to be arranged at each of the three local schools, the books to be furnished by leading publishing companies of the state and nation.

All civic and study clubs in the city are asked by school authorities to include National Book Week in their programs next week. An effort will be made to add many volumes to the libraries of the three schools, and the schools will welcome donations of books. Lists of volumes that are desired by the libraries will be mailed prospective donors.

Efforts will be made next week to stimulate interest in book reading of both parents and children. A book circus is being arranged at the Junior High school next week. Classes will be held in bookbinding and book-mending next week. The library at the High school is being reconditioned.

Miss Rosalee Knox, H. J. Gore, L. C. Linn, Mrs. H. B. Estes, Mrs. Clifford Lemons, and Miss Jewel Keenan form the book committee for the three schools.

Everyone is invited to attend the book displays at each of the three schools at any time throughout next week.

ATTEND CITY-WIDE CHILDRESS LUNCHEON

Rev. Orion W. Carter, W. C. Davis, W. R. Cabaness and John Denver went to Childress Wednesday to attend the city-wide luncheon given at the Presbyterian church in Childress. John Deaver, district attorney, spoke at the luncheon.

The luncheon was given as part of the Armistice Day celebration.

ATTENDANCE FOR PTA MEET LIGHT

Keen Interest Is Shown; Local PTA Membership Drive Likely To Be Instituted

Approximately 35 or 40 Parent-Teacher Association representatives from Hall, Donley, and Childress counties attended the P. T. A. school of instruction in Memphis Saturday afternoon of last week in the Baptist Church Annex.

Mrs. Roy L. Guthrie opened the program with a devotional, and Mrs. R. E. L. Pattillo gave an address on "Parents Set the Pattern." Mrs. Pattillo pointed out that environment is a great factor in the life of a child, and implored the parents to raise their standards of endeavor in order to elevate the children, who follow in the parents' footsteps.

Mrs. D. L. C. Kinard, president of the Memphis P. T. A. Council, spoke on "Standards of P. T. A." She discussed points of a standard Parent-Teacher Association and told of work that has been done here.

Mrs. Guthrie, president of the County P. T. A. Council conducted a round-table discussion about P. T. A. work. Mrs. Jenkins of Clarendon reported on the Parent-Teacher Association work being done there.

It is likely that a local P. T. A. membership drive will result from the school of instruction held here last Saturday, it was said.

ATTEND SAFETY MEET

M. J. Bretherton, Bill Ragsdale and Glenn Moore of the local Northern Texas Utilities Co. went to Wellington Tuesday night to attend a safety meeting of the company which is held in Wellington each month. Employees attended from Shamrock, Childress, Wellington, and Memphis.

REV. ROGER SMITH WILL PREACH AT BAPTIST CHURCH

Rev. Roger Smith of the Baptist Seminary in Fort Worth will fill the pulpit at the Baptist Church Sunday at both services. Rev. Smith is a nephew of Mrs. S. T. Harrison and will be a guest in the home of Mr. and Mrs. Harrison.

Article in Regard to Deep Plowing Gets Farmer's Approval

Having read your article in The Memphis Democrat pertaining to deep plowing, I heartily endorse deep plowing as it has materially increased my crop production over a period of several years.

Deep plowing stores moisture, permits root penetration, and keeps land from blowing.

Deep plowing requires reserve horse power whether farming with horses, mules, or tractor.

I fear that too often we farmers believe that just because it is a tractor, any tractor has unlimited power, and we make the mistake of buying tractors too small for deep plowing.

Memphis Footballers See Wellington in Win Over Shamrock, 12-7

Some 5,000 football fans of this section, several scores of whom were from Memphis, saw Wellington down Shamrock 12-7 in a thrilling Armistice Day clash in Wellington Wednesday night.

Coaches Chesty Walker and Frank Hubbell took the entire Memphis Cyclone football team to Wellington to see the game.

By virtue of her win over Shamrock, Wellington was assured of ending the season in at least second place in the conference standing. If Lefors is able to stop the Wheeler Mustangs tonight, Wellington will have won this district. On the other hand, if Wheeler continues her championship march and defeats Lefors, the Mustangs will be the district winners.

Wellington defeated Shamrock Wednesday night through the air, as the fleet Skyrocket backs were bottled throughout most of the game. Shamrock scored late in the fourth quarter.

State Men Make Beer Raid Here

A raid on the New Deal Bar by members of the State Liquor Board was made Tuesday of this week, and several cases of beer were confiscated. Bill Monzingo was arrested in the raid by the state men.

Monzingo pleaded guilty to the "illegal possession of beer for the purpose of sale" before County Judge Jim Vallance this week and paid a fine amounting to \$45.45.

The exact amount of beer confiscated was not determined, as the goods were not invoiced.

COUNTY COURT ENDS

County court adjourned for the term Saturday afternoon of last week, without a single jury case being heard. The only labors of the court were a few whiskey counts heard by County Judge Jim Vallance.

Motor-Lift

BE SURE TO GET THE CASE MOTOR-TRACTOR AND EASY-ON-EAR IMPLEMENTS

The Motor-Lift gains time. It acts instantly regardless of tractor travel. "Easy-On-Ear" saves time BETWEEN JOBS. It changes a matter of minutes hours. . . . quicker than hitching a team. If you are using an all-purpose tractor, these great time savers. They get the most modern equipment will buy.

CASE

—HERE'S WHAT THEY SAY—

HENRY EDENS

I find the Case Model CC Tractor which I purchased from you two years ago to be very reliable in every respect, and the extra power which my tractor develops is certainly an added factor in tractor farming.

I deep sub-soiled (Chiseled) some 400 acres of my farm this year and found that the power my tractor developed was used to a great advantage in this particular work, and feel that no other tractor of same size would have handled the load which I pulled.

I also especially like the simple Easy-Off and On implements and the simple Motor Lift, as these advantages certainly prove time savers and the conveniences are much appreciated.

I am firmly convinced that my tractor does not use any more fuel than smaller tractors on the same load, and my tractor operates very economically on fuel; I had used one other make of tractor prior to purchasing my Case Tractor and with my past two years experience and operation of my Case tractor, there is no comparison as to power developed and fuel economy. I like my Case tractor fine and it is far the best and most economical tractor I have ever operated.

Respectfully yours,

HENRY EDENS

T. B. ROBERTS

I have used my Case CC Tractor for the past two years and am well pleased in every respect. I find the surplus power which my tractor develops is a great asset as there being times I have used it to great advantage in deep plowing as well as belt work.

I sure like the simple method of Easy-Off & On implements, and I am sure my tractor will operate just as economically as any smaller tractor on developing the same power and pulling the same load.

Very respectfully,

T. B. ROBERTS

W. A. HOWARD

I have used my Case CC Tractor for the past two years on 300 acres each year.

I am well pleased with it and especially like the "Easy-On-Ear" and "On" implements.

I find my tractor has developed a surplus of power for every farm need. I must have a simple "motor-lift" and my tractor will operate as easily as any smaller tractor on the same load.

My total repair bill on my tractor for the past year has been only. My total operating cost for fuel this year for 300 acres was \$87.00.

My tractor is now in excellent condition.

Yours respectfully,
W. A. HOWARD

Lewis Foxhall Is Member Debate Team Texas U.

Lewis Foxhall of Memphis and Warren Hughes of Chillicothe, representing the Athenaeum Literary Society, defeated DeWitt Hale of Farmersville and Ped Watkins of San Angelo, representatives of the Rusk Literary Society, in the recent first inter-society debate of the current semester held at the University of Texas in Austin.
Athenaeum had the affirmative and Rusk the negative of the subject, "Resolved that the manufacture of munitions of war should be a government monopoly."
Young Foxhall and Hughes have been selected the best affirmative speakers from more than a dozen who tried out for the Athenaeum squad. The students are members of the intercollegiate debate squad, having been chosen after a series of eliminations which narrowed the field from 70 speakers to 24.
Young Foxhall is the son of Mr. and Mrs. F. N. Foxhall of Memphis. He is a graduate of local high school, and while attending school here won debating honors in county, district, and state meetings.

BUY the New Firestone STANDARD TIRE and SAVE the Difference

\$6.95
4.40-21

HOW YOU SAVE MONEY— Firestone saves money by careful buying of high grade materials—manufacturing in large volume in the most efficient factories in the world—and delivering to you by the quickest and most economical distribution system. These savings are passed on to car owners.

FIRST LINE QUALITY— The new Firestone Standard Tire is a first quality tire, built of high grade materials, by skilled workmen, embodying Firestone patented construction features—used in no other tire.

THE FIRESTONE NAME AND GUARANTEE— Every Firestone Standard Tire bears the Firestone name, your guarantee of greater safety, dependability and economy.

GUM-DIPPED CORD BODY— Every cotton fibre in every cord in every ply is soaked in liquid rubber. This is the only process known that prevents internal friction and heat, providing greater strength, blowout protection and longer life.

TWO EXTRA LAYERS OF GUM-DIPPED CORDS UNDER THE TREAD— This patented Firestone feature binds the whole tire into one unit of greater strength, cushions road shocks, gives extra protection against punctures.

LONGER NON-SKID MILEAGE— The new scientifically designed non-skid tread is wider, flatter, with more and tougher rubber on the road, giving long even wear and thousands of extra miles.

SOCIAL SECURITY FORMS TO BE GIVEN OUT BY POST OFFICE TO ALL EMPLOYERS AND EMPLOYEES

The first steps in the administration of the federal social security act in Memphis will be taken by the post office Monday morning when application blanks for an identification number to approximately 250 employers who come under the act are placed in the employers' post office boxes. The completed forms must be returned to the post office by Nov. 21, J. H. Read, Memphis postmaster, stated.

The second step in getting employers and workers lined up will be taken Nov. 24. On that date postal clerks will deliver application forms for an account number to some 1,000 employees in Memphis. These forms, duly filled in, have to be returned to the post office by Dec. 4.

Both of these blanks are identification forms which will be used in issuing identification numbers. These final numbers will be sent to the security board and to the applicants as well.

Benefits under the act become effective Jan. 1, 1937. The federal old-age benefits system provides for retirement payments from the federal government to qualified persons, beginning at the age of 65. Benefits are based on the wage record of the individual and are of three types: Monthly benefits at 65, lump-sum payments, and death benefits.

These benefits are based on total wages for work done in this country after December 31, 1936, and before a worker becomes 65 years of age. This includes every kind of work for an employer, with a few exceptions. Monthly benefits will range from \$10 to \$85 a month and will begin to be paid on January 1, 1942. To qualify for this type of benefit an individual must be 65 years old, his total wages must be \$2,000 or more, and he must have earned wages for at least one day in each of five different calendar years.

Along with blanks, postmasters over the county will place in boxes and hand out at the general delivery window several governmental bulletins explaining the act, its provisions, and just what the applicant is to do with the forms given him.

It is requested that any employer not receiving a blank by Nov. 17 notify the post office and one will be sent him. The post office will answer any questions on filling out the blanks, Mr. Read said.

Also arrangements will be made with employers to aid their workers in filling out the applications on Nov. 24, if such a service is asked.

PREDICT COTTON CROP WILL GAIN

Increase in National Yield Is Seen; Predictions For Hall County Are Under 1935

Sharply increasing previous estimates, the United States Crop Reporting Board has estimated the 1936 domestic cotton crop at 12,400,000 bales, compared with 10,638,000 bales last year and an average crop of 14,667,000 bales from 1928 to 1932.

The total crop estimate was almost 800,000 bales above the board's forecast as of October 1.

In Hall County it is said to be certain that the yield will not approach that of last year. Twenty-seven thousand bales of cotton were ginned in this county last year; whereas, now it is felt that the 1936 cotton crop here will be below the 20,000 bale mark.

A near record average yield of 199.7 pounds per acre has also been predicted by the board, in spite of low estimated yields in two major producing states, Texas and Oklahoma.

Texas and Oklahoma, which suffered from dry weather, were given estimated yields per acre of 122 and 63 pounds, respectively, compared with yields last year of 133 and 117 pounds.

Perry Hale Named Precinct Official

Perry Hale was appointed constable of Precinct No. 3, the Estelline precinct, this week at the regular monthly session of the Hall County Commissioners Court. Mr. Hale succeeds John Rollins, resigned.

The commissioners court canvassed the returns of the general election conducted November 3 in Hall County and found the returns to be substantially the same as those carried last week in The Democrat.

The entire day was consumed, as the court approved and paid the county bills, including bills from the election judges.

DISTRICT F. F. A. OFFICERS NAMED AT CALLED MEET ON SATURDAY

Eighty-five vocational agriculture students, representing Childress, Clarendon, Samnorwood, Quail, Lakeview, Estelline, and Memphis, met in the Memphis High School building Saturday, November 7, at 10 o'clock for a special meeting of the District F. F. A. Association.

Purpose of the called meeting, which was under the direction of Riley W. Carlton, Memphis vocational agriculture instructor, was the election of district officers and the outlining of work to be accomplished this year.

A demonstration of an opening and closing chapter exercise was given by a team of Future Farmers of America members from the Clarendon chapter. After this demonstration, the group elected district officers, as follows:

M. H. Turner, Childress, president; Robert Moss, Memphis, vice president; Kermit Monzingo, Memphis, secretary; A. J. Berry, Estelline, treasurer; Kenneth Allan, Quail, reporter; Durwood McCracken, Clarendon, farm watchdog; Eugene Davis, Memphis, historian; Emmett Smotherman, Childress, song leader; Keith Wells, Lakeview, parliamentarian; Paul Wischkaemper, Samnorwood, band leader; Walter Labay, Estelline instructor, district adviser.

The district F. F. A. sweetheart is to be selected at a later date, and she will be selected from the F. F. A. sweethearts of the various chapters in the district.

Following the business meeting, a motion picture, arranged by Principal H. J. Gore, was enjoyed at the school.

The meeting adjourned Saturday afternoon, after voting to attend a poultry-judging contest sponsored by the Clarendon F. F. A. chapter December 12 in Clarendon.
