9 COUNTIES MAY GET STAMP PLAN

Judges, Commissioners
Meet in Matador, Discuss
Formation of District

That the Hall County food stamp plan, in operation here since January 15, may be extended to include nine additional Northwest Texas counties was revealed in a news story in the Paducah Post last week.

The counties to be included in the district would be Hall, Cottle, Motley, Childress, Briscoe, Floyd, Collingsworth, Armstrong and Donley.

A meeting of county judges and commissioners was held in Matador last week and formation of the district was discussed, according to the story in the Post.

Federal officials have indicated that it is impossible to set up additional districts to accommodate each of the counties in this section, the news story continued, but expressed the opinion that the Hall County district probably could be enlarged to serve the other nine counties which have a combined population of approximately 95,000 people.

School Trustee Election Ticket Not Formulated

Balloting to Be Saturday;
Terms of Fultz, Coleman,
Cudd Expire This Year

No ticket for the coming election of three trustees for the Memphis Independent School District board has as yet been formulated, Harry Delaney, secretary, said Wednesday. The election is to be held Saturday.

The three trustees whose terms expire this year are Roy Fultz, Roy Coleman, and E. E. Cudd. Balloting will be held in the office of the school tax collector, George Forgy, located on the first floor of the City Hall.

April Fool's Done Passed, But Plenty Of People Were 'Suckers' for One Day

"April Fool's done passed," and many strange and humorous things happened—both here and elsewhere.

For example, a group of small boys, having their fun Monday night, were pulling pranks on West Main. The boys tied a wire to a large piece of tin, placed it in the middle of the street, and waited for cars to pass over it.

After the car passed over the tin, the boys would begin to pull the tin over the pavement, causing a loud scraping noise. Then the cars would stop, only to be greeted with "April Fool."

ANNULAR ECLIPSE
BLACKOUT IN U. S.—Because the moon is farther away from the earth than usual at the time its shadow eclipses the sun, a total blackout will not occur during the coming solar phenomenon. A man at X, however, can see the ring of light around the sun in this annular eclipse. Visible all over the U. S. in the afternoon of April 7, the eclipse will be seen in ring form only in the southern part of states bordering the Gulf of Mexico. If the moon was closer, as it sometimes is, the man at X would see a total blackout.

VETERANS CCC CAMP TO OBSERVE ANNIVERSARY WITH OPEN HOUSE

Members of the Veterans' CCC camp will observe the 7th anniversary of the organization of some 1,500 CCC camps over the nation with an open house Friday. The open house will be held from 9 o'clock in the morning until 2 in the afternoon.

A welcoming committee will greet visitors to the camp, and guides to aid visitors in inspecting the camp will be furnished. The public is invited to attend, it was announced.

The camp was last week given an excellent rating by Lieutenant Colonel Russell C. Throckmorton, district commander, on a tour of inspection. Contributing to the factors in getting the rating were the care of the grounds and the new ceilings in the mess hall and the supply room, Captain R. G. Winkler, local commander, said.

Seven of the veterans checked out of the camp April 1 to accept private employment, leaving an enrollment of 186. The camp now has 16 men less than the possible maximum strength of 202.

Tennessee M. E. Worker to Speak

Dr. C. K. Vliet of Nashville, Tenn., will speak at the Methodist Church at Lakeview Friday, April 12. Albert Cooper, pastor of the Plaska Methodist Church, announced this week.

The services will be for members of the churches at Lakeview, Memphis, and Plaska, Rev. Cooper said. Dr. Vliet is general secretary of the commission on benevolence, and is speaking at various points in the Northwest Texas Conference during his tour.

16 Candidates Talk At Initial Speaking

Sixteen candidates for county and district offices got their first chances to express their views on the offices which they seek at the initial speaking at Weatherly last Friday night.

In addition to the speeches, a program was given, proceeds from which netted the Weatherly P.-T. A. \$31.15. Candidates making speeches were John Deaver of Memphis and Edgar Robertson of Childress, for district attorney; Mrs. Isabel Cypert, for district clerk; M. O. Goodpasture, for county judge. Joe N. Colvin, W. C. Anderson, S. S. Coleman, and C. W. Crawford, for county sheriff; Murray Dial, for county clerk; J. M. Ferrell and J. W. Burk, for tax assessor-collector; H. D. Stringer for county attorney; Burl Bell, A. D. Britt, John Berryman, and Grover C. Ewing, for commissioner, precinct No. 3.

PTA COMPLETES PROGRAM PLANS

State President to Attend
Two-Day District Session In
Memphis April 17 and 18

Final plans were being made this week for the 8th District P.-T. A. convention to be held in Memphis Wednesday and Thursday, April 17 and 18.

The complete program for the meeting has already been arranged, and will include prominent speakers from over the state. Among those to visit this city during the convention will be Mrs. Joe A. Wessendorff, state P.-T. A. president. A state president has never attended an 8th District meeting before this year.

One of the highlights of the meet will be the Chuck Wagon Supper, to be held Wednesday afternoon from 5:45 o'clock until 7:30. The supper will be held in the City Park, and is being sponsored by the local chamber of commerce.

Guests during the two-day convention will be furnished places to stay by members of the local P.-T. A. units.

Although the program will not officially start until Wednesday morning, early arriving visitors will be given an informal tea as a reception in the Memphis Hotel Tuesday night. The reception is (Continued on page 6)

County Singers to Meet at Plaska Sunday, April 14

Session to Open Saturday
Night, Continue Through
Sunday; Quartets Invited

Hall County singers will get a chance to demonstrate the strength of their lungs when the county singing convention meets at Plaska Sunday, April 14.

The program is scheduled to begin Saturday night and last through Sunday, Hayden Goodnight, member of the convention, said Wednesday. Whether the program will be held in the New Peden Memorial Baptist Church or in the schoolhouse has not yet been determined, Goodnight said.

A number of quartets and other noted singers have been invited to attend, Mr. Goodnight said, but he was unable to contact Edgar Foster of Plaska, who is in charge of arrangements, to determine what quartets had accepted.

The singers will get a change to "warm up" for the Plaska singing next Sunday, when the Donley County Singing Convention meets in Alanreed. Mr. Goodnight pointed out that all Hall Countians have been invited to attend the Donley County singing.

Vance Johnson of Amarillo Awarded College Fellowship

Former Memphian One of
15 Honored; to Study at
Harvard University in Fall

Vance Johnson, managing editor of the Amarillo News and former resident of Memphis, has been awarded a Nieman Fellowship for study at Harvard University on leave of absence, authorities at the university announced this week.

Mr. Johnson is one of 15 newspapermen who were selected from 221 applicants in 39 states for the fellowships.

The awards are designed to promote journalism by giving experienced newspapermen the opportunity for unrestricted study of any subjects in the curriculum of the university. The stipends vary according to each recipient's salary. Each newspaperman is paid his salary through the fellowship while he is at Harvard.

Getting his newspaper start on The Democrat in Memphis while he was still in high school, Mr. Johnson later went to Clayton, N. M., where he edited the News for a short time before beginning the Clovis News-Journal.

He graduated from the Memphis High School before this time, however, and later attended Texas Tech.

After remaining three years at Clovis, Johnson went to Amarillo six years ago as a reporter on the Globe. He soon became state editor of the News, and later was promoted to managing editor.

He will continue his duties on the News until the latter part of the summer, when he and his family will leave for Cambridge, Mass. After studying a year at Harvard, where he will devote most of his time to economic, governmental, and sociological studies, Mr. Johnson will return to the Globe-News.

Plans for Program at School Tuesday Completed; Dr. L. A. Woods Will Speak

Details for the program for Hall County school children, at which Dr. L. A. Woods, state school superintendent, will be principal speaker, were worked out this week by authorities in charge of the program. The program is to be held in the Memphis High School auditorium Tuesday morning of next week, beginning at 10 o'clock.

Dr. Woods will also be guest speaker at the Rotary luncheon following the address he is to make at the school.

Approximately 170 rural school children will be present, County Superintendent T. P. Gilreath said this week. In addition to the rural students, as many of the Memphis students will be allowed to attend as the auditorium will seat Superintendent W. C. Davis said Monday.

In addition, the program will include the following parts:

Rural primary chorus, Lesley chorus, West Ward rhythm band, rural girls' chorus, Junior High School chorus, melody band, group singing, band music, West Ward chorus, and high school chorus.

Rehearsal of the girls' glee club and the melody bands will be held Saturday afternoon, Miss Foreman said. The glee club will begin at 1 o'clock, and the bands will begin rehearsal at 2:30. Each rehearsal will be held in the high school bandhouse.

Numbers to be given by the primary chorus will be directed by Mrs. Brunetta Morris of Plaska, Miss Ethel Hillhouse of Pleasant Valley, and Miss Ollie Brown of Deep Lake.

MASSEY IS NEW CITY OFFICIAL

Wattenbarger, Foxhall,
Hattenbach Re-Elected
As Members of Council

The lightest vote in a number of years was recorded in the city election Tuesday when three aldermen were re-elected, and one new alderman was chosen. Only 53 votes in all four wards were cast.

The new alderman is R. A. Massey, who succeeds O. V. Alexander as Ward No. 1's representative on the City Council. Massey received 13 votes, and M. C. Allen's name was written in on one ballot.

G. H. Hattenbach was re-elected as alderman from Ward No. 2, receiving 15 votes. C. Lee Rushing, whose name was written in on the ballot, received one vote.

In Ward No. 3, F. W. Foxhall was re-elected, receiving 16 votes, and Barney Wattenbarger was re-elected as the representative from Ward No. 4, receiving 7 votes.

Mr. Hattenbach was chosen by the City Council Tuesday night as mayor pro-tem, and, in addition to his duties as councilman, will act as mayor in the absence of Mayor J. C. Wells.

All terms of the offices are for two years each. The aldermen elected serve as members of the City Council, which consists of eight aldermen and the mayor. The term of the mayor's office is for two years, and the incumbent, J. C. Wells, was elected a year ago to that office.

Only four of the aldermen are elected each year, thereby assuring the council of having at least four members who have had previous experience in dealing with matters coming before the group.

Dr. Boaz Released From County Jail On \$10,000 Bond

Two Charges of Assault
With Intent to Murder
Made Following Shooting

Dr. E. H. Boaz, arrested Wednesday night of last week following a shooting fray at his home in Memphis, was released on bond Sunday from the Hall County jail.

Two charges of assault with intent to murder were made against Dr. Boaz Thursday morning of last week, with a bond of \$5,000 required in each case. The charges specified the assaults against Sheriff W. C. Anderson and Nightwatchman Charlie Hume.

Dr. Boaz was arrested following the shooting in which Sheriff Anderson was hit but not injured. Dr. Boaz received a wound on his hand.

Mrs. G. C. Baskerville, who lives next door to the Boaz home, was injured when fragments of a bullet coming through the wall of her house from outside scratched her right arm between the wrist and elbow.

Sheriff Anderson and Nightwatchman Hume were called to the scene of the shooting. Dr. Boaz met them at the door, fired two shots, one at Anderson and one at Hume, and then barricaded himself in his home, Sheriff Anderson said. The shot fired at Anderson hit his right side, but was deflected by cards and other papers in his pockets, failing to injure him.

PTA Council Has Officers' Election

Officers of the City-County Council of the Hall County Parent-Teacher Association for the year 1940-41 were elected at a meeting in the office of the county superintendent last Saturday. Chosen were Mrs. W. D. McCool, president; Mrs. Erwin McQueen, secretary; Mrs. Chas. Williams, treasurer; Mrs. William E. Lyon, first vice president; Mrs. Libby Snowden, press reporter; Mrs. Bertha Denison, historian; and Miss Vera Tops Gilreath, corresponding secretary.

HALL COUNTY'S CLUB REPORTS— WEDDINGS

Mrs. Key Reviews Book at Meeting Of Delphian Club

Mrs. John E. Key reviewed the book, "Grace Noel Crowell: The Poet and the Woman," Tuesday at the Delphian Club meeting at the home of Mrs. G. W. Johnson.

The secretary introduced the program on "The Arts" with the quotation, "The best that man has to offer, we bring you," after a prayer by Mrs. C. A. Powell, the flag salute by the club, and roll call answered with an exhibit and story of objects of art.

G. W. Johnson presented the following high school students in a musical program: Freda Erwin played a piano solo; a brass quartette composed of Ted Swift, James Baldwin, J. D. Watson, and Joyce Duren played "Rustic Dance"; M. D. Gunstream gave a trombone solo with Mrs. G. W. Johnson at the piano.

Mrs. John Lofland told Guy De Maupassant's, "A Piece of String," and the program was closed with a vocal solo, "Texas, Great Texas," by Mrs. A. Anisman, accompanied by Mrs. Tom Draper.

The business meeting was presided over by the president, Mrs. W. C. Davis, during which time Mrs. A. Anisman was chosen delegate to the district convention at Shamrock.

The hostess, Mrs. G. W. Johnson, and the co-hostesses, Mrs. C. A. Powell and Miss Frankie Barnes, served refreshments to Mesdames A. Anisman, J. L. Barnes, Jack Boone, R. A. Cole, Clifton Burnett, W. Lower Waistline in New Frock

Silhouette of silk print frock, left, suggests with subtlety the new lower waistline that is a spring dress feature. Practically invisible seams join the bodice to the circular skirt. Profile hat is of white felt with scarlet grosgrain trimming. Stoles and cape-stoles like chic model of sleek Alaska seal skin, right, are smart for spring wear. Shown in the wonderful shade "matara," it is worn over sheer wool dress and would go well over suit or light spring coat.

Baptist W. M. S. Has Program in Church Parlors

The Women's Missionary Society of the First Baptist Church met in the church parlors Monday afternoon for a social and missionary program, with the Minnie F. Moore circle in charge of the program.

The program was as follows: Song, "How Firm a Foundation"; prayer, Mrs. T. R. Garrett; devotional, "The First Adam and the Second Adam," Gen. 3:8-17-19. Mrs. W. Wilson; prayer, Mrs. W. Wilson; "The First Home," Mrs. H. B. Gilmore; "God's Standard for the Nation," Mrs. J. S. McMurry.

"The Christian Sunday," Mrs. W. B. Wilson; "God's Standard for A. W. M. U.," Mrs. G. H. Hattenbach; song, "Home, Sweet Home," by group; prayer, Mrs. B. Baldwin.

Only 5 Pairs Buy Licenses in March

The marriage license business during the first three months of 1940 has been much slower than that of the corresponding months of 1939.

Formerly a couple desiring to buy a marriage license in Texas were required to apply for the license three days in advance. Now, however, the license may be bought without the three-day wait, Dial pointed out.

Couples buying licenses during March (only five) are as follows: L. A. Caldwell and Juanita White, Clarendon; Henry D. Shewmaker and Joyce Lee Bradley, Memphis; C. D. McNeal and Fay Nell Hemphill, Memphis; Albert Johnson Jr. and Opal Inez Hudson, Clarendon; and Troy Waggoner, Levelland, and Pearl Perkins, Turkey.

HERE'S WHY PEOPLE ARE CHANGING to the modern GAS refrigerator!

Only Servel Electrolux freezes silently with NO MOVING PARTS

A tiny gas flame does the work—and that means that this freezing system not only is silent now, but will be silent years from now.

In addition to permanent silence... it assures you that its low operating cost will always be low, since there are no moving parts to wear, lose efficiency.

Whether you're about to replace your present old, worn-out automatic refrigerator or buy your first... these are things you'll want.

Why not make a date with yourself right now to see our new 1940 Servel models?

- NO MOVING PARTS TO WEAR in its freezing system

PLASKA METHODIST CIRCUIT
Albert Cooper, Pastor
The pastor will preach at Friendship April 7. Our second quarterly conference will convene at Plaska April 14, at 8 o'clock. Our district superintendent, Geo. T. Palmer, will preach at that hour, and will hold conference following the service.

The missionary women met Monday afternoon with 11 members present, including one new member. We truly appreciate the gift of half a dozen gowns for the pastor's wife from the society.

We desire to thank each friend for every expression of sympathy, and help, and kindness during this period of illness. May God's blessings rest richly upon each of you.

CHURCHES

PRESBYTERIAN CHURCH
E. C. Cargill, Pastor
At the edge of New York's gleaming "Great White Way" stands a tranquil church where many a discouraged trouper has found peace for his soul.

It is indeed an inspiration to visit the "The Little Church around the corner" in New York, but in Memphis, Texas, churches can be visited day and night for fellowship and prayer. Do you really love your church? If so attend its services, find yourself and for your family a sacred place of worship and devotion.

Special music next Sunday. Sunday school 9:45, preaching service morning and evening.

PLASKA

By MRS. JOHN SMITH

A large crowd enjoyed the play day April 1 at the Plaska school. Various games were played throughout the day, and a basket lunch was served at noon. The 7th grade pupils sold ice cream and candy during the day to get money for their annual trip to Carlsbad Caverns.

Those spending Tuesday with Mrs. Mary Lou Erwin were Mrs. G. P. Owens of Plaska, Mr. and Mrs. J. S. Ballard and son Frank of Eli, and Mrs. L. O. Dennis and son W. C. of Memphis.

Mrs. E. T. Montgomery has been brought home from the hospital. She is reported improved at this writing.

J. T. Dennis, Doyce Hall, Emmitt Harper, and Troy Dunn made a business trip to the plains Tuesday.

A large crowd from Plaska attended the Fifth Sunday Singing convention at Brice last Sunday. Mrs. Edith Dunn has spent most of the week with her daughter, Mrs. Guy Oliver, who is reported on the sick list.

The members of the Methodist Missionary Society met with Mrs. Fannie Mae Tiner Friday of last week, and sewed for the pastor's wife, who is ill in a Memphis hospital.

Mr. and Mrs. R. L. Vallance are the parents of a baby boy.

Jessel, Young Showgirl Delay Wedding

Romance of veteran comedian George Jessel and Lois Andrews, 16-year-old showgirl, hit a snag when the girl's mother suggested the couple delay marriage plans. Jessel and Miss Andrews affirm they are still in love and plan to be married at some future date.

Poultry Raisers Warned of Fraud In Civil Service

A warning was issued this week by J. E. McDonald, state commissioner of agriculture, against the manufacture and sale of nostrums recommended for the cure and prevention of all known poultry diseases, and the increase of egg production.

Most of these preparations are badly misbranded, McDonald explained, and the state is prepared to take action against any misbranded poultry remedy found on the market or being offered for sale, regardless of ownership.

"Many poultry medicines found on the market cost no more than thirty cents per gallon, yet they are priced at sums ranging as high as \$10 per gallon," the commissioner declared.

In addition, some of those offering the nostrums for sale are claiming to be representatives of the State Department of Agriculture. No person is authorized to represent the department relative to the sale or manufacture of any character of poultry medicine, McDonald said.

Charles Campbell spent Sunday night with Billy Joe Murdock. Oleta Ellis visited Mr. and Mrs. Pete Roselle Saturday night. Mr. and Mrs. E. R. Foster and family visited in the Liberty community Sunday.

Nurses Jobs Open In Civil Service

The United States Civil Service Commission has announced an open competitive examination to secure student nurses for employment at the St. Elizabeths Hospital (Federal Institution for Treatment of Mental Disorders), Department of the Interior, Washington, D. C. Applications must be on file with the Commission's office at Washington, D. C., not later than April 29.

The hospital offers a 3-year training course for the student nurses, and pays them a salary of \$288 a year with quarters, subsistence, laundry, and medical attention. Those who satisfactorily complete the training course and receive certificates of graduation will be eligible for promotion to positions on the nursing staff, if vacancies are available.

Applicants must have been graduated from an accredited high school giving a 4-year course upon completion of at least 16 units, including certain units of English, mathematics, science, and history. Senior students now in attendance in their last year of high school will be admitted to the examination under certain conditions. They must have reached their eighteenth but must not have passed their thirtieth birthday. These age limits will not be waived in any case.

Full information may be obtained from H. J. Rice at the post office in Memphis.

Mr. and Mrs. Zeb Moore of Amarillo visited friends in Memphis Saturday. Mrs. Moore went to Chillicothe Saturday afternoon to visit her parents, and Mr. Moore remained in Memphis until Monday.

Mrs. J. M. Lane left this Thursday for Houston where she will visit her nephew, Royce Brooks and family.

Curlee Must Be RIGHT!

The experienced retailer knows that his place in the community is built and maintained, not by the price he gets but by the values he gives. This is most markedly true in the case of the clothing he sells to the great majority of his customers. Here value is potentially much more constructive or destructive than on either the very high or very low levels. And here is where Curlee values are so sure a reliance, for you can always count on Curlee.

Problem: Stopping Yanks, Baseball's Greatest Team

BY IRVING DIX

EVEN the most critical baseball observers are prepared to concur in the belief that the 1940 edition of the New York Yankees is the greatest team ever assembled in organized baseball.

If they're not yet convinced they probably will be before the season is over.

Only the Yankee outfit of 1927 has been held forth as a better club than the 1940 Yanks but when you analyze Joe McCarthy's wrecking crew you come to the following conclusions:

The Yankee infield is practically invulnerable. With Babe Dahlgren on first, Joe Gordon at second, Frank Crossetti at short and Red Rolfe at third you've got the finest inner defense in the game today.

Dahlgren, although he never could match Lou Gehrig's nitting, is a much better fielder. Critics say the acrobatic Joe Gordon will wind up as the greatest second sacker baseball has known—even better than Charley Gehring and the immortal Larry Laloe.

Crossetti is a pepper-box unrivaled today. He's the brains and the spark of the champions' infield. Red Rolfe has few peers at the hot corner.

In the outfield Joe DiMaggio already is being mentioned in the same breath as Tris Speaker and if Charley Keller doesn't turn out to be one of the all-time greats everyone will be surprised. George Selkirk could play with any club in the majors, and so too could Tommy Henrich, the Yanks' first reserve.

WHEN you get to Bill Dickey behind the bat you're talking about the ultimate in catching. Red Ruffing is 37 years old but the big right-hander, trouble-some arm and all, is still the most respected pitcher in the league. The old stand-bys, Lenny Gomez, Bump Hadley, Monte

Joe Gordon . . . greatest second-sacker in game today.

Pearson and Orsi Hildebrand will more than do, and there are some sweet youngsters in Alvey Donald, Marius Russo and Steve Sundra. They're predicting big things, too, for Rookies Marvin Brewer and Tommy Reis. Add up the whole business and wrap it up in the deadliest power hitting that has ever graced a single club and you'll understand why the Yankees are a cinch for their fifth straight world championship.

Well, How About It?

An Open Letter to the West Texas Utilities Co.

DO YOU know of anybody in the Electric Appliance Business that has got rich enough to retire?

ISN'T IT a fact that Fort Worth, Dallas, Amarillo and a number of towns have quit the appliance business and let the merchants have it?

ISN'T IT a fact that a number of states have passed laws preventing utilities from selling merchandise? How many lobbyists do you have at Austin to prevent Texas from passing such a law?

DON'T YOU have monopoly enough? If not, why don't you add drugs, dry goods and groceries?

DO YOU think it fair to charge your refrigerator competitors more per kilowatt in their place of business than do in their homes?

WHY DO you change salesmen year? Is it because that the new won't have to make good the prices made the year before by the man?

DO YOU think it fair to have your man charge from \$30 to \$50 more a refrigerator than it is supposed to sell for?

HAVE YOU promised to crush all refrigerator competitors regarding what it will take to do it?

ISN'T IT a fact that you collected \$250 for electricity for February from your refrigerator competitors' employees? Do you want to see the goose that lays the golden egg?

Fuqua in the mile run, with a time of 5:08; Boyter in the javelin throw, with a distance of 170 feet and 6 inches; and Payne in the discus throw, with a distance of 117 feet.

Other records broken were by Gunter of Claude, who ran the 880 yard dash in a time of 2:08; by the Claude mile relay team, with a time of 3:40.2; by Allsup of Matador, who ran the 220 yard dash in 23 seconds flat; and by Redwine of Lubbock, who dashed 100 yards in 10.1 seconds.

Former tallies of records broken were as follows: 100-yard dash, 10.2; 220 low hurdles, 28.7; 880-yard run, 2:11.5; 220-yard dash, 23.1; mile run, 5:08.0; mile relay, 3:48.9; javelin, 147 feet, 1-1/2 inches; discus, 111 feet, 4 inches.

Finishing in third place was the Lubbock team, with 20 points; in fourth place was Phillips, with 11-1/2 points; and tying for fifth place were Tulia and Dumas, with 11 points each.

Memphis, the host team, placed in only one event and gained only four points—that made by Orville Jones, who tied for first with Calvert of Claude in the pole vault contest. Both men vaulted 10 feet, 5 inches.

Plainview ran off with the honors in the junior division, massing 18 points for first place to 14 for Claude, and 5 each for Estelina and Dumas. Memphis and Paducah tied with 4 points each for fourth place.

Although there was no outstanding man in this year's relays.

as was the case last year when Tyler of Claude won five first places. Boyter of Amarillo was high point man with 13 points, winning firsts in the shot put and javelin and second in the discus throw.

Others running up a number of points for their teams were Gunter of Claude with 7 points, Calvert of Claude with 8 points, Cook of Tulia with 7 points, Allsup of Matador with 6 points, Redwine of Lubbock with 7 points.

Medals were awarded to first and second place winners in each event, and gold trophies were awarded to winning relay teams.

Winners in each event are as follows: 120 high hurdles: Cook, Tulia. 100-yard dash: Redwine, Lubbock.

440-yard dash: B. Alexander, Phillips.

220 low hurdles: Johnson, Amarillo.

880 yard run: Gunter, Claude. 220-yard dash: Allsup, Matador.

Mile run: Fuqua, Amarillo. Medley relay: Claude and Matador (tie).

Mile relay: Claude. Pole Vault: Calvert, Claude. Jones, Memphis (tie).

High Jump: Ragland, Berger. Shot put: Boyter, Amarillo. Javelin: Boyter, Amarillo.

Discus: Payne, Amarillo. JUNIOR DIVISION

High jump: Brown, Claude. Broad jump: Mason, Plainview. 440 relay: Estelina.

50-yard dash: Malone, Plainview. 100-yard dash: Mason, Plainview.

Jeffrey Bragg of California Dies

Jeffrey Bragg of Santa Maria, Calif., son of former residents of Memphis and relatives of W. J. Bragg of Memphis, was killed in an automobile accident last Friday night in California. Funeral services were held Monday morning.

The youth, 22 years old, was the son of Mr. and Mrs. Dan E. Bragg, also of Santa Maria, who lived in Memphis in 1915 and 1916.

Thirty-six per cent of the students of home economics and agriculture at state agricultural colleges are former 4-H Club members, statistics in a national club magazine reveal. Of 1,000 former 4-H Club boys studied, 65 per cent are in agriculture and in teaching.

Goodies From The Griddle

ANNOUNCE wheat cakes for breakfast and watch the family get to the table in double quick time. Serve English Muffins for tea and bow to the compliments of your guests. Be ready with the makings for griddle-toasted sandwiches for Sunday supper and feel comfortable about unexpected guests.

The even maintained heat in the surface units of the modern electric range assures that even golden browning which all good things from the griddle must have. It is so easy to know that the heat is right. Just turn the switch to high heat for five minutes, grease the griddle, then turn to low heat and bake.

Here is a variation for French toast which is delicious. Spread one side of a slice of bread with marmalade, lay a second slice on top. Fasten with toothpicks and dip in a mixture of 1 cup milk, 2 beaten eggs, and 1 teaspoon salt. Fry until golden brown. Top each with a teaspoonful of marmalade and serve. Or if you prefer, put thin slices of ham or tongue between the slices of bread instead of marmalade.

English Muffins
1/2 cup scalded milk
1 cup water
1 teaspoon salt
1 teaspoon sugar
1 yeast cake, dissolved in a tablespoon warm water
3 tablespoons shortening
4 cups general purpose flour

Heat milk with switch turned to high heat. When lukewarm, add water, salt, sugar, yeast, and 2 cups flour. Beat well and let rise at 85° until double in bulk, about one hour. Add softened shortening and rest of flour. Beat and knead well.

Hot meats should have a hot garnish. Broiled orange slices served around the Easter Roast Lamb have plenty of eye appeal. Cut the unpeeled oranges into slices 1/4 inch thick. Marinate for an hour in French dressing. Broil for about ten minutes in the smokeless broiler of the modern electric range. Top with a bit of mint jelly.

WPA Authorizes Work to Begin on Bridle Bit School

School District to Furnish \$3,559, and WPA, \$2,356; 14 Workers to Be Employed

Authorization to begin work on the construction of the two-room school building in the Bridle Bit community was given Wednesday by the WPA, Stearns S. Tucker, deputy state administrator, announced.

The WPA will furnish \$2,356 of the funds to be used, and the school district will furnish \$3,559. Fourteen workers are to be employed on the project.

The new building will replace the one formerly used, which burned slightly more than a year ago. It will be constructed of local materials, and bricks will be made of clay, sand, and asphalt on the building site.

Housing two classrooms, each of which will be modern in every detail, the one-story building will include smaller rooms in each of the two rooms, where students will be allowed to work and study.

being sponsored by the 1939 Study Club.

Among the speakers on the program will be S. M. Coleman, director of child and maternal health of the State Health Department; Roy Hofheinz, county judge of Harris County, who will speak on "Can We Do More to Prevent Juvenile Delinquency?"; Frank Monroe, Pampa Junior High School principal, who will conduct a radio demonstration; and Charles M. Rogers of Amarillo, who will conduct a panel discussion on guidance.

periment was tried out on the "tweakers" who grab at purses. Twenty of the first 25 who saw the purse reached over to pick it up, only to have it jerked away—and one of the men was a radio news writer who had just turned out a story on April Fool tricks.

And in the same location, an aquarium containing only clear water was set up with the sign, "invisible Peruvian fish." Spectators were invited to estimate the length of the fish they thought they could see, and 95 per cent of those who saw it in the first hour actually turned in written estimates.

Maybe Barnum was right.

ATTEND MEETING

Rev. and Mrs. E. C. Cargill, Mary Noel, Mrs. John Deaver, and Mrs. Bob Boston attended the annual meeting of the Amarillo Presbytery in Childress Monday.

Rev. and Mrs. Cargill also attended the second and last day of the session Tuesday.

Ottie Jones, Bill McMurtry, and R. E. Crooks attended a sales meeting in Lubbock Saturday.

Naval Recruiting Man Visits City

J. C. Hamrick, recruiting officer for the U. S. Navy, was in Memphis Thursday of last week to make arrangements to visit the city again to enroll any prospective recruits.

Mr. Hamrick expects to return in the near future, he said, and will give notification of his return in advance. He plans to be here one or two days on his next visit.

Upon his return trip, Hamrick said, he will have quarters at the local post office. Anyone wishing to contact him before that time, however, write him at the post office in Wichita Falls, Tex.

Mrs. Henry Ellis and her parents, Mr. and Mrs. Guthrie, of Lefors spent the week-end with Mr. and Mrs. Reginald of Amarillo visited Mr. and Mrs. George Sunday. The four of them were in Wellington Sunday afternoon.

Clarendon Boys Get Purebred Boar For Service in Farm-Youth Project

The Mayfield brothers, Bagby and Marshall of Clarendon, are expanding their swine breeding operations this week at the Sand Springs Home farms at Sand Springs, Okla., ship a purebred boar to them for service in a farm-youth club project.

He is a linebred Duroc fall pig of Outcross bloodlines sired by Page Majestic Boy and out of the famous Page Stream Lady. The linebreeding in his pedigree makes him a three-quarters brother to the Texas Grand Champion, undefeated junior yearling boar of Oklahoma and Texas state fairs in 1935, shown by the Sand Springs Home farms. The boar's pedigree name is Clarendon's Majestic Page.

The brothers, sons of Mr. and Mrs. W. B. Mayfield, delt for this young sire during the recent Southwestern Exposition and Livestock show in Fort Worth, and had him shipped Wednesday.

The town of Kluge showed a population increase of more than 1,000 percent within eight years after discovery of oil in East Texas. Nine other East Texas cities showed an average population increase of 180 percent.

Comments— (Continued from page 1)
did I think you would ever go far in the newspaper game when you started out as a cub reporter in Memphis. You were not such an outstanding boy—just an average lad with no visible outstanding qualities that would indicate you would ever be more than an average man. But you had an invisible quality: stamina, or instinctual fortitude, or to express it in plain American, plenty of guts to carry on. Your friends in Memphis and Hall County are proud of you and wish you well.
Another Memphis boy who is making good, but in an entirely different field of endeavor, is William H. Bowerman, son of Mrs. Chas. Davenport of Memphis. Bill, as he is known here, selected flying as his calling. Recently he received appointment as inspector at Roosevelt Field, New York City. Last week a New York newspaper carried a picture of Bill as he presented a private's pilot license to Henry W. Van Pala, 23, a senior at Pratt Military Institute of Brooklyn, the first student in the East to solo under the Civil Aeronautics Authority college training program. At present 130 students are being trained at Roosevelt Field, under a program which aims for 10,000 pilots, and Bill passes upon their ability as fliers.
A. B. Wills, president of the Hall County Singing Convention, has extended me an invitation to attend the spring session of the convention at Plaska Sunday, April 14, and to help partake of the dinner to be served at noon. I wouldn't accept his invitation until he promised to let me sing a solo and lead the class in one or two songs. He agreed, and now I am in for it. Will some one lend me a portable victrola with two or three song records?

forts lately. Dogs and chickens have been ruining flower beds and making life miserable for a number of flower enthusiasts lately. So much so that the club sent a delegation to appeal to the City Council Tuesday night to do something about it. The council instructed the city officers to enforce the ordinances more rigidly than in the past.
People who have chickens and dogs running loose are politely requested by the council to keep them up, letting the neighbors who like flowers have a chance to grow them. Citizens who are being molested should report the ordinance violations at once to the city officers.
I am not hinting anything, but I am a private citizen when at home. I have a good out-door furnace and am fond of barbecued chicken. I also try to grow flowers. When chickens and flowers get to mixing around my place, barbecued chicken may be eaten. Edd McCreary has a gun good for stray and marauding dogs.
If newspapers published all the verse, rhyme, jingle, etc. that are sent in for publication there would be no room for news. For that reason publishers draw the line and refuse to publish any, or just what they want to publish. As I have stated before, there is a difference in rhymes and poetry, and I am not able to tell the difference. I just accept what appeals to me and refuse the rest, and in doing so I may be choosing jingle and refusing

poetry. Some months ago T. E. M. of Estelline sent in a short verse and it went into the waste basket. He, or she, sent in another recently, and I am reproducing it herewith because it appeals to me:
The Lord is very near today, because there are souls in need. There's a vacancy in hearts that only His presence can fill. Life is great, so full, so free—Life is such a blessing. But this strange mystery we call Death—
Could it be a blessing? An entrance into a City whose builder and maker is God. Could anything be greater, fuller, freer?
And now I must not omit the Staff Poet's latest or he will be peeved. He has selected a topic for this week's effusion that no one has ever before heard of. It is
WEATHER
Gentle rain as you slowly fall Upon the bosom of the earth, No one can estimate thy value, And in dollars tell thy worth.
For without you we are helpless, Like a babe in mother's arms. When rain comes in abundance We all bask in nature's charms.
We all growl about the weather; Too much rain or not enough. We don't mean it when we cuss it. We are just playing tough.
Facts are facts and we must face them. Don't lose sleep, but try and think—Rain, doesn't always come when needed. But we usually have some to drink.
Carpenters and workmen have been busy this week rebuilding the awning in front of the Greene Dry Goods Company's store here. The old awning, which has been a part of the building for the past 26 years, has been torn away and a new awning built.
According to R. S. Greene, owner of the store, plans are being made to repaint and redecorate the entire front of the building, and new floors will be laid in the aisles in the store.
Mrs. Glynn Thompson spent Sunday with her mother in Turkey.

Mr. and Mrs. Oma Nations and son Alton of Wheeler visited in the home of Mrs. S. W. Black Sunday. Mr. and Mrs. A. Anisman and Cecil Guthrie visited in Amarillo Sunday.
F. L. Hall left Wednesday night for Italy in response to a message that his brother, Sam T. Hall, was not expected to live through the day.

Plastic League Meet Winners Presented Awards at Assembly

presented to students in the plastic contests in an assembly held this morning. The winners in the plastic contests in the plastic league were:

"Battle Hymn" by Bryan, who won first place, and "The Protection of the Home" by Bryan, who won second place.

Never Too Old—Seniors Skip Age On Annual Kid Day

The seniors paraded in short dresses and short pants, carrying dolls, sucking suckers, and walking barefooted Monday. They were observed as Senior Kid Day.

The barefooted boys had a little trouble with their toes, and the girls were unable to protect their dolls at all times.

The boys and girls entered into the spirit of the day and everyone had some good laughs over some of the costumes.

Athee Hutcherson and Lloyd Hicks were awarded prizes for the most representative boy and girl. L. F. Jones and Dorothy Bragg were runners-up in the contest.

Shade Trees Being Planted by FFA

About 41 of the 51 students in the FFA chapter are making steps to improve their home farm by the addition of shade trees and shrubbery. It was reported this week.

The students have cooperated in beautifying their homes by ordering shade trees and fruit trees in large quantities from nurseries over the country. However, some have made individual orders.

About 24 of the students mentioned above have started orchards on their home farms, or have made improvements in their orchards that were already on their farms.

Approximately 27 of the boys in the above list have planted trees on their home farms and have maintained the shelter belts on their farms. The majority of the boys have planted Chinese elms. About 350 Chinese elms have been planted to date.

County Teachers Have 'Fun Night'

The Memphis Faculty was host to the teachers of Hall County Thursday night in an hour of fun. Folk games were played during the evening by young and old. The teachers voted to repeat this type of entertainment more often instead of having long-winded speeches.

Refreshments were served to between 75 and 100 teachers.

Amarillo to Have 3-Day Fun Fest

The largest crowd ever to attend an Amarillo celebration is being prepared for by industrial firms of that city when the first Industrial Open House celebration is staged there April 15-16-17.

Approximately 30,000 invitations are being mailed this week by industrial firms over the southwest, inviting customers and friends to attend the three-day fun fest, and again all entertainment is free to the out of town visitors.

Each evening from now until after the celebration dates, radio station KFDA is presenting interesting programs in behalf of the celebration. Perryton, Wellington, Guymon, Dumas, Stratford, Spearman, and Berger are a few of the cities that will be heard over these broadcasts.

CARD OF THANKS

To our neighbors and friends, words are inadequate and can only faintly express our appreciation of the many condolences and tokens of sympathy including beautiful flowers given us on the passing of our son, husband, and brother, Cecil Roy Burks. All these kind acts will be treasured sacredly in our memories until time is no more. May God be merciful and kind when, in like manner, sorrow may come to you who consoled us.

Mr. and Mrs. F. W. Cooksey of Fort Worth visited Judge and Mrs. A. S. Moss here the past week-end. The Cookseys went to Liberal, Kans., the first of the week and returned to Memphis for a further visit. Mrs. Cooksey and Mrs. Moss are sisters.

Judge A. S. Moss, Mr. and Mrs. Otho Fitzjarrald, and Mrs. R. H. Wherry were Dallas visitors Friday and Saturday.

Mrs. Allie Jones returned Sunday from a three-month visit with her son, Evan Jones at Hanford, Calif.

McMurry College Exes to Observe Founder's Day

Herman Hill in Charge of Local Portion of Program Of State-Wide Celebration

Herman B. Hill will be in charge of the Memphis, Lakeview, Hedley, Clarendon portion of the state-wide celebration of McMurry College Founders' Day to be observed by ex-students of the school Friday evening.

McMurry exes from all communities near Memphis have been invited to Memphis to join in paying tribute to Dr. James Winford Hunt, founder and first president of the college, and to enjoy a period of informal fellowship. Highlight of the evening will be an address by Dr. Frank L. Turner, McMurry president, broadcast over the Texas State Network at 8:15 o'clock. At the close of the address, all exes will join in singing the alma mater.

Throughout Texas and in other states, groups will be meeting for a covered-dish supper and observing the same program at the same time.

On the campus, ex-students with Alsie Carleton in charge, will conduct the Friday morning chapel service, giving special recognition to the senior class of 1940. In the evening the Abilene exes will hold their reunion supper at the dining hall, then go to the auditorium for the program and broadcast.

Pest Eradication Campaign Closed

The Memphis FFA chapter has cooperated one hundred per cent in doing its part to combat the pests that are found on their home farms and in their respective communities, it was reported this week.

Approximately 900 sparrows, 3,000 rats, 350 prairie dogs, 10 coyotes, 17 armadillos, 150 rabbits, 8 chicken snakes, and 7 chicken hawks make up the list of pests killed since the campaign was begun at the first of the school year. The campaign closed March 30.

Band to Attend State Contests

The Memphis High School Band will attend the state contest in Elainview April 5-6.

The band will enter playing, sight reading, and marching.

The following members will enter different contests: M. D. Gunstream, trombone solo; Evelyn Selby, James Fultz, Mary Elizabeth Bryan, and Betty Calahan will enter clarinet quartet; James Baldwin, Ted Swift, J. D. Watson, Joyce Duren, will enter brass quartet.

Fire Prevention Practiced by FFA

The Memphis FFA chapter has cooperated one hundred per cent in the organized rural fire prevention campaign in which each member of the chapter had a very active part. Gene Barnett, instructor, said this week.

The committee reports the following work has been done by boys in the chapter: Removal of oily rags that have accumulated in corners of the closets at home; safety match boxes; eradication of mice and rats; rat-proofing of buildings.

Keeping pens clean and not allowing litter to accumulate to cause fires near the barns; examination of faulty wiring around the home farm; removal and burning of weeds along the fence rows; and in some cases on the range, fire lanes are constructed. Each member stresses fire prevention around the younger members of his family.

Local FFA Boys Install Libraries

The Memphis FFA chapter has made it a requirement for each boy to install an Agricultural Library in his home by having at least 50 good bulletins, leaflets, or pamphlets secured from the extension service, state colleges, agricultural colleges, and experiment stations. The majority of the material must be based on the findings that are taken from experiments in the state of Texas.

Each boy must order bulletins that fit his supervised practice program that will extend over a four year period.

LEADS TYPISTS

Muffet Merrell again led the three beginning typing classes on speed tests. Mrs. Merrell has not been surpassed by any student for weeks, and continues to improve.

S. T. Harrison, C. M. Hawkins, and Pearl Hague spent Sunday in Childress with relatives.

Miss Joyce Sheats spent Sunday in Childress with her parents.

Mrs. A. C. McDavitt, who has been visiting her parents, returned to her home in Lubbock Saturday.

Mr. and Mrs. W. B. Scott spent last week-end visiting relatives in Amarillo.

Swell "Youth Treatment:" Change oil for Spring

Better yet: Change to OIL-PLATING

parts — thoroughly — closely — like fine PLATING. That's your OIL-PLATING, which can't fly off, or drain down to the crankcase. This holds true through long stretches of time and distance . . . all-day runs . . . all-night stands. That's why OIL-PLATED bearings, and OIL-PLATED piston rings in OIL-PLATED cylinders can't even start a stroke unlubricated. The less of that harmful oil-starved starting, the less risk of a worn engine that over-eats oil. Change to OIL-PLATING today at Your Mileage Merchant's Conoco station. Takes no extra time. Church Announcements

Fifth Sunday services were held at the Methodist Church with Rev. Vaughn, pastor, preaching at the morning services and Rev. L. H. Crawford, Baptist pastor, preaching at the evening services.

Announcement was made of the revival to begin at the Baptist Church on April 14, with the Rev. Hawthorn, pastor at Panhandle, in charge of the services, and Rev. E. F. Cook of Amarillo in charge of the song services.

Hawthorn is recommended as an outstanding evangelist, and Rev. Cook needs no introduction to the people of this vicinity as an outstanding choir director. The public is urged to attend this revival.

Play Day Well Attended

As a general "get-together," where neighbors visited, played games, ran races, and otherwise enjoyed themselves, and as a special inducement to the "would-be hokey players," the all day play day was considered a success.

Lunch was spread in the lunch room when approximately 200 people ate the bountiful dinner served picnic style. Volley ball and playground ball was the chief attraction for all ages, with plenty of amateurs in all contests.

Students of the seventh grade sold ice cream, candy, and soda pop throughout the day.

7th Graders and Parents Have Meeting Monday

Parents of the students of the 7th grade met Monday afternoon to discuss the graduation exercises for them, which will be held in May. It was voted for the class to attend the county 7th grade graduation, held each year at Memphis. A special service will be held here in their honor at Church on the second Sunday in May.

Oil Scouting Arouses Curiosity

Considerable speculation and curiosity has been aroused among landowners, who view with interest the activity of a group of geologists who are testing the strata in this vicinity by drilling test holes 200 or more feet deep and then blowing it up with some form of explosive.

The scouts enter fields and farms without permission of the owner, and when questioned, reply they are paid a certain amount to work and a bonus to keep their business a secret. The blasts caused by their work can be heard several miles.

HEADED FOR THE Big League? It's HARD to tell... but EASY to pick a winning oil

WILL this lad ever be a likely candidate for a berth with a major league club? Even an experienced baseball scout, who spends his life scanning the sand lots and combing the bush leagues, would need a crystal ball to answer that one. But you don't need to spend your life learning how to judge the value of lubricants... you don't have to do any crystal gazing... to choose a winning oil for your motor. It's easy to tell. This is why: Without reservations of any kind, we frankly publish the fact that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer. That makes it easy for you to get a big-league oil. Just drain and refill your winter-worn lubricant with Phillips 66 Motor Oil at the Orange and Black 66 Shield.

Species of Hyena Found by WTSC Palentologists

Additional Grant Asked By College to Continue Work on Excavations

A new find in the Palo Duro canyon excavations sponsored by West Texas State College and unearthed by WPA scientific project crews is a species of hyena never before discovered in this country.

Tentative identification made at Canyon has been confirmed by paleontologists of the University of California. Mrs. C. Stuart Johnston is supervisor of the project, on which about 25 men are working.

A continuation of the project, with increase in the number of workmen to 42 has been asked by WTSC. The new grant would make possible excavations in several Panhandle counties.

Appointment of a professor of archaeology, geology and paleontology to succeed the late Prof. Johnston is expected to be announced soon.

Memphians Attend Quitaque Meeting In Honor of Mrs. Walker of Plainview

Upon invitation of the Women's Culture Club of Quitaque, members of the federated women's clubs of Briscoe, Hall, and Floyd counties gathered in Quitaque Friday afternoon to pay their respects to Mrs. J. W. Walker of Plainview and pledge their support to her candidacy for the president of the state federation of women's clubs.

Indicating the enthusiasm with which the 7th district is supporting its candidate and also the high regard in which Mrs. Walker is held personally, large delegations from all clubs were in attendance. Distance was no obstacle to the 50-mile drive from Memphis, representing the six federated clubs of that city.

Following the review, an informal "Walker-for-President" rally was held. Mrs. E. B. Tunnell, president of the Woman's Culture Club, introduced Mrs. Alexander of Plainview, who with a spontaneous and rousing "pop talk," introduced Mrs. Walker. Mrs. Walker responded, voicing her appreciation of the support in her campaign. Mrs. Jim Stroup, Quitaque, led the group in a song written for the occasion, lauding Mrs. Walker's candidacy.

The register was in charge of Mrs. J. C. Rhoderick. The receiving line was composed of Mrs. H. G. Gardner, Mrs. E. B. Tunnell, Quitaque; Mrs. J. W. Walker, Plainview; Mrs. J. W. Alexander, Plainview; Mrs. Bain, Mrs. G. L. Kirk, Miss Mildred Olson, Floydada; Miss Margaret Tucker, Estelline; Mrs. C. H. Huffman, Lockney; Mrs. Carl Periman, Mrs. W. C. Davis, Mrs. Horace Tarver, Miss Patty Nell Craver, Mrs. Earl Pritchett, Mrs. D. J. Morgensen, Memphis; Mrs. Anna Tidwell, Mrs. Thurman Graham, Silverton; Mrs. Laurance Hedrick, Turkey; and Mrs. Bill Woods, Quitaque.

Words of Prophet Apply Today

The International Uniform Sunday School Lesson for April 7 Text: Amos 5:1, 10-15, 21-24

PROPHETIC words of the Hebrew writer Amos concerning his own time are found to apply with equal intensity and reality to the world of today.

Amos was a herdsman who tended his flocks in Tekoa, a little village about 12 miles south of Jerusalem. He had something of the farmer's sense of values and clearness of vision; and, when he came into Jerusalem and observed what was happening in the towns and cities, he was shocked and was moved to protest, just as a plain, honest, hard-working man might be disturbed today with much that he sees in our modern city life.

IT was a time of so-called prosperity in Palestine, but what Amos saw was extreme contrast of wealth and poverty. Some were living lives of indulgence and luxury, while others starved. Amos saw not only that beneath it, but he also saw that beneath it, there were real injustices.

It was not only that those who possessed were unwilling to share with those who had not, but society itself was full of materialism and corruption. The rich and powerful were exploiting the poor for their own ends and their own gain.

Amos describes what he saw in vivid words, as the poor were being trampled upon. He saw also corruption in political life, bribery and dishonesty. He said that the man who is prudent would keep silence at such a time. But Amos himself was not prudent; he was above all things honest and fearless. As he saw these great evils in the society of the time, he appealed to the people to seek good and not evil. He warned them that the course they were pursuing was bound to bring destruction upon them.

You EAT the BEST "ADS" WE TURN OUT

Yes, sir, that's a fact! If we sat up nights and turned out the best doggone ad we'd ever written, we couldn't come near to getting the results that occur when a person simply bites into a piece of good Butternut Bread. Food Conservation In Texas Hits New Peak During 1939

More Farmwomen Make Use of Canning Processes; Number Twice 1938 Figure

Containers of food added to pantries in Texas farms and ranches in 1939 were double those of the previous year.

This is the highest figure conserving food have reached in the history of the Texas Extension Service.

Not only has more food been placed on the pantry shelves in 1939, but there were more pantries and cellars for storing these millions of containers of canned goods.

The specialist cites the work of home food supply demonstrators as the cause of this increase.

Mr. and Mrs. E. S. Foust visited at the bedside of his grandmother in the home of his sister.

While some authorities class water as a food and some do not, all agree that water, as well as oxygen and foodstuffs, is essential to human life.

Hens Are Given Boost as Food Stamp Plan Increases Use of Eggs Five-Fold

The average family's consumption of eggs, the hen's greatest contribution to mankind, is being rapidly increased in areas where the Federal Surplus Commodities Corporation food stamp plan is in operation.

That the families participating in the plan are eating more eggs is shown in a recent survey made by the Poultry Tribune in Springfield, Ill., where the stamp plan was put into effect October 19, 1938.

The first idea connected with this survey was in determining whether the income of a family had anything to do with the amount of eggs a family consumed—and interviewers found that the stamp plan, which increases the buying power of those families on relief by one-half, had increased the consumption of eggs by these people 500 per cent.

Fifty families were interviewed before the plan was in effect, these families said they used an average of 1.1 eggs per week per person, but are now using an average of 6.2 eggs per person per week.

SCS Regional Conservator Explains Work of Four Panhandle CCC Camps

Texas farmers considering the formation of soil conservation districts under provisions of the state law enacted in 1939 should realize that they will get out of districts just about what they put into them, declares H. H. Fennell of Amarillo, regional conservator of the Soil Conservation Service.

Farmers who favor a soil conservation district only because they hope to get something free from federal or state agencies may be doomed to disappointment," the regional conservator states.

"Farmers who exert themselves to check soil erosion and to maintain the fertility of their land are the ones who should rightly expect all possible assistance from federal and state agencies. When groups of such farmers organize their own soil conservation district, they are in a position to request and receive available assistance from agencies that may be in a position to help in the solution of the district's problems."

Since 1935, Fennell pointed out, four CCC camps assigned to work with the Soil Conservation Service in the Texas Panhandle have been assisting farmers cooperating in carrying out demonstration programs of soil and water conservation practices.

These camps are located at Littlefield, Lamesa, Memphis and Perryton, and work within a 25-mile radius.

"Complete demonstrations of the effectiveness of soil and water conservation practices have been carried out on hundreds of Texas Panhandle farms and ranches in the present work areas," the regional conservator said.

"In keeping with the policy of the Service, available CCC camps will be assigned to work with organized soil conservation districts where assistance can be given to the greatest number of interested farmers."

"The camp located at Perryton already is cooperating with wind erosion districts in Lipscomb, Ochiltree, and Hansford counties, but there is a possibility that the number of camps in the Panhandle may be reduced as a result of the proposed 25 per cent cut in funds for CCC camps now pending before Congress," Fennell said.

In cooperating with districts, as during the demonstration periods, CCC camp technicians will

assist cooperating farmers in planning complete conservation programs on their land. Enrollees, as in the past, will assist farmers in building terraces, contour furrowing range land, construction of stock water dams, relocation and building of fences, and similar work. The cooperating farmer will furnish materials and make other appropriate contributions in carrying out the work program on his land.

Work areas of CCC camps will continue to be limited to a 25-mile radius, so in some instances where soil conservation districts are adjacent, it may be possible for one camp to serve two or more districts, it is pointed out.

Under the Emergency Relief Appropriation Act of 1939, Fennell stated, it is possible for farmers of a soil conservation district that is cooperating with the Department of Agriculture to sponsor WPA projects.

Where the district includes sufficient work, supervisors of the district can sponsor such a WPA project with local labor being used where travel is practical. Such projects may be set up to work in a portion of the entire area of a district, but generally WPA labor will not be needed in areas where assistance of CCC camps is being received.

Farmers in a soil conservation district sponsoring a WPA project will pay 25 per cent of the cost of the work which may include cash, materials, supplies, equipment, or other contributions, it is explained.

"While farmers may obtain such assistance through the organization of soil conservation districts, they should remember that the program is their responsibility and that the success attained in the application of soil and water conservation practices on their land will be measured in direct proportion to their own initiative in carrying out the program," the regional conservator declared.

Mrs. Garold Kunkler and her sister, Mrs. Lorene Shepherd who have been visiting here from California the past week, left Tuesday to visit their parents, Mr. and Mrs. B. Wilson, in Salinas for a few days.

Mrs. E. B. McMillan and son Don of Tacoma spent the weekend with their husband and father in Memphis.

Representative of Social Security Board to Be Here

To Visit City Wednesday; Will Explain Problems of Act to Interested Groups

Memphis has been selected by the Social Security Board as one of the points where itinerant service will be established, it was announced this week by Dewey Reed, manager of the Amarillo field office of the Social Security board, which serves the area in which Memphis is located.

This service will be extended to Memphis twice a month. A representative of the Social Security board will be available in the chamber of commerce office between 8:30 and 9:30 o'clock Wednesday morning, April 10.

The visits to Memphis are for the purpose of contacting employers and employees, potential beneficiaries, and others in connection with their problems relating to the Federal Old-Age and Survivors Insurance provisions of the Social Security Act, Mr. Reed said.

The representative of the Social Security board will handle claims for old-age and survivors insurance, applications for social security account numbers, applications for employer identification numbers, and wage discrepancies. He will also be available to furnish information on any phase of the program, Mr. Reed said.

Amarillo Joins Selby Boot Staff

S. D. Parks has been employed by the Selby Boot and Shoe Shop here in the capacity of repairman and bootmaker, according to an announcement made by H. L. Selby, owner of the shop, this week.

Mr. Parks was formerly employed by the Brown Boot and Saddle Company of Amarillo. He succeeded Raymond Evans, who has gone to Clarendon to work in the Selby boot and shoe shop there.

Sleeping Sickness Is Under Control

About a year ago it looked like encephalomyelitis, or equine sleeping sickness, was going to kill off a goodly part of the horses and mules in the United States, but apparently the disease is somewhat under control now.

At least, there were 184,622 cases of the disease in 1938 and only 7,869 in 1939. That is the report made by Dr. H. W. Shoening, chief of the USDA's Bureau of Animal Industry's pathological division, during a recent meeting of the American Horse and Mule Association.

Chick embryo vaccine produced remarkable results, and more than 3,000,000 horses and mules were vaccinated in 1939. Immunity after vaccination usually lasts for around a year.
