James E. King was elected president of the Memphis Chamber of Commerce for the coming year at the first meeting of the newly chosen board of directors Monday afternoon. George R. Cullin and O. V. Alexander were elected first and second vice presidents respectively.

Mr. King has appointed the following active committees to serve the Chamber of Commerce during 1938:

Membership committee—Ed Foxhall, chairman; Sam Hardy, O. V. Alexander, Lee Rushing.

Highway committee—F. N. Foxhall, chairman; S. T. Harrison, M. O. Goodpasture, J. E. King, J. A. Whaley.

Agriculture committee—Dr. W. C. Dickey, chairman; F. E. Leary, R. E. L. Pattillo, C. R. Webster.

Industrial committee—Dr. L. M. Hicks, chairman; Matthew Allen, T. B. Rogers, Roy R. Fultz.

Trade Extension committee—N. W. Durham, chairman; Max King, Leon Bullard, Z. A. Moore.

Civic committee—Tomie M. Potts, chairman; E. M. Wilson, H. D. Delaney, Otho Fitzjarrald.

Publicity committee—J. C. Wells, chairman; E. E. Roberts, T. J. Dunbar, D. L. C. Kinard, Marcus Rosenwasser.

City Council committee—C. C. Meacham, chairman; Edgar Cudd, M. E. McNally.

Finance committee—S. T. Harrison, chairman; T. H. Deaver, Z. A. Moore, J. H. Smith.

Band committee—Milton Pullis, chairman; Otis Jones, H. B. Gilmore.

The date of the annual C of C banquet will be set in the next few days, Carroll Smyers, manager, said. Also, the chamber of commerce will have its complete program of work for the coming year ready for publication as soon as the work-program committee reports.

Mr. Smyers issued the following statement this week: A chamber of commerce without fore-thought objectives is as a ship without a rudder.

With the newly elected board of directors, the chamber of commerce begins its new program with the purpose of creating a better farm market by attempting to give the farmer a better market for his dairy and poultry products.

We chamber of commerce leaders are conscious of the fact that when the farmer has a year-round income, something to sell, and the best prices to sell it for, we will return to an era of prosperity. We pledge ourselves to be ever-conscious of the needs of the farmer, and when the merchants in a town of an agricultural section forget the welfare of the farmer, they might as well close their doors. The farmer must be the first to prosper.

Reed Is Appointed to High Court

The man who President Roosevelt chose to defend the New Deal before the U. S. Supreme Court, Stanley F. Reed, solicitor general, is shown above after the President nominated him for a place on that high bench. Reed, a Kentucky lawyer and professor of law, is 53 and began his first government work as an attorney for the Farm Board under former President Hoover.

Panhandle Water Conservation Meet Held Wednesday

Delegation of Hall County Citizens Attend Important Meeting in Amarillo

Butler Morrison and A. R. McMaster, commissioners of precincts 1 and 2, Carroll Smyers, manager of the Memphis Chamber of Commerce, Dot Webster and Leon Grisham attended a Panhandle Water Conservation meeting in Amarillo Wednesday afternoon.

County judges, county commissioners, farmers, and chamber of commerce managers from all over the Panhandle met at the Amarillo Hotel to hear a report by Carl Hinton, manager of the Amarillo Chamber of Commerce, on development made thus far in Congress on a dam-building program in the Texas Panhandle.

It is hoped that all necessary appropriations and details will be adjusted within a short time in order to begin the construction of many small dams and lakes in this immediate area without cost to the farmer. Carroll Smyers stated, Dams could have been started long ago, he further pointed out, if the local groups had been able to put forth the money. At previous water conservation meetings, attempts to work out a way for the federal government to take care of all expenses have been made, and developments are now at a point that it looks as if those plans would materialize, it was said.

Mrs. T. J. Hampton In Critical Condition

Mr. and Mrs. Jess Dennis, Mr. and Mrs. Hubert Maddox, and Mrs. Thomas Hampton returned Friday from Dallas where they went to be with Mrs. T. J. Hampton, who underwent a major operation at the Baylor Hospital Wednesday. Hubert gave blood for a transfusion for his mother Thursday.

Frank Garrett returned from Dallas Sunday and reported slight improvement in Mrs. Hampton's condition. A second blood transfusion was given Monday. Word received Wednesday by Mrs. Jess Dennis was to the effect that Mrs. Hampton's condition is considered very critical.

Wellington Host To Medical Group

The Childress, Collingsworth, and Hall County Medical Society convened for its regular monthly meeting Friday night, January 21, in the Banquet Room of the Pullman Cafe in Wellington.

A talk on "Management of Acute Cholelithiasis" by Dr. R. R. McDaniel of Quanah and a review of J. D. Henly Smith's book "Chronic Streptococcal Infection" by Dr. J. J. Hannah, also of Quanah, with general discussions of both, constituted the program.

A committee on legislation and public relations was appointed by the president, Dr. E. W. Moss of Wellington, as follows: Dr. W. Wilson, Memphis, chairman; Dr. J. D. Michie, Childress; and Dr. E. W. Jones, Wellington.

Dinner was served to the group including the following Memphians: Dr. and Mrs. J. A. Odom, Dr. and Mrs. W. Wilson, and Dr. D. C. Hyder. After dinner the ladies went to a motion picture theatre to see the film "Wife, Doctor, and Nurse," while the doctors held their business session.

The meeting adjourned to convene again February 18 in the Triangle Room of the Memphis Hotel.

47,799 BALES ARE GINNED TO JAN. 16

There were 47,799 bales of cotton ginned in Hall County up to January 16, 1937, as compared with 18,155 bales to January 16 last year, according to the Bureau of the Census report furnished to The Democrat by C. Lee Rushing, local representative.

The final amount may fall a little short of the much-predicted fifty thousand bales, cotton men and ginners believe.

Farm Benefit Payments From '37 Program To Be Increased 10 Per Cent

FFA BANQUET DATE SET FOR FEBRUARY 15

2nd Annual Affair Will Be First of Its Kind in Area

Tuesday night, February 15, has been set as the date for the second annual banquet of the Memphis chapter of the Future Farmers of America. Dr. Bradford Knapp, president of Texas Technological College at Lubbock, has been secured as principal speaker for the affair, Riley W. Carlton, adviser of the FFA group, has announced.

Future Farmers, their fathers, and each boy's sponsor, a local business man, will attend the banquet, and it will be the first such gathering ever held in the Plains area of this section of the Panhandle, it is claimed.

Details of the banquet are rapidly being worked out by the following vocational agriculture boys: Billy Thompson, decoration; Jack Holcomb, courtesy; Bedford Vickers, menu; Allan R. Webster, finance; J. D. Richardson, music; Allard Parker, program planning; and Glenn Bruce, invitations.

The place at which the banquet will be held is to be announced at a later date.

Cage Tournament To Be Feb. 11-12 At Lakeview

The Hall County Interscholastic League Basketball Tournament will be held at Lakeview Friday and Saturday, February 11 and 12, according to Al Duncan, athletic director of the county meeting. Dates for the meet were set at a meeting of the coaches of the four participating teams two weeks ago.

Memphis, Turkey, Estelline, and Lakeview will engage in the tournament, which will be a round robin affair, with each team playing every other team. The first winner only will enter the district meet at Childress; last year both the first and second teams entered. The meet is expected to be closely contested, with Lakeview and Turkey as pre-tourney favorites.

The play will start Friday night at 7:30 with Turkey playing Estelline and Estelline playing Memphis. Saturday morning Lakeview will oppose Estelline and Turkey will engage Memphis. Lakeview vs. Memphis and Estelline vs. Turkey will conclude the meet Saturday night.

Admission will be 15c to students and 25c to outsiders.

No Worksheets, ... No Subsidy

Farms not covered by worksheets under the 1937 farm program must be covered before their owners can draw subsidy on the 1937 crop, a letter received late last week by County Agent R. E. L. Pattillo from the state agricultural office revealed.

Mr. Pattillo is urging all farmers whose land was not covered by worksheets during 1937 to turn in that information at their very earliest convenience. Between 200 and 250 farmers have not been signed, he said.

FAT STOCK SHOW WILL BE HELD HERE MARCH 5

Baby Beef And Hog Feeding Students To Participate

Tentative arrangements for the first annual Fat Stock Show to be held in Memphis March 5 were worked out Thursday afternoon, January 20, at the Memphis High School by a committee composed of members of the Memphis, Estelline, and Lakeview vocational agriculture departments. Plans are being worked out to secure a capable livestock judge from Texas A. & M. College through the cooperation of the Extension Service. Riley W. Carlton, local agriculture instructor, reported.

The show is being sponsored by the vocational agriculture departments in Hall County for the benefit of students who have been dry-lot feeding baby hogs. A survey revealed that approximately 70 calves and 20 hogs, fattened for show purposes, will be fitted and groomed for this first occasion. The Memphis FFA chapter will have about 40 calves, Estelline about 20, and Lakeview about 10. The hogs will come from Lakeview and Estelline.

A local committee will work out premiums, show lots, advertising, and several other details connected with the show during the coming week, Mr. Carlton said.

Considerable interest has been manifested locally in the show by farmers, ranchers, and business men, who are interested in watching the further development of livestock feeding in Hall County.

RURAL SCHOOLS OF COUNTY INSPECTED THIS WEEK

Miss Vera Gilreath, county superintendent of public instruction, is making her regular inspection of county schools this week.

Schools were last inspected by Miss Gilreath, with J. L. Beard, deputy state superintendent, the first part of December.

Good news for Hall County farmers was contained in a message received recently by county agent, R. E. L. Pattillo, to the effect that all benefit payments derived from compliance with the 1937 Agricultural Conservation Program, will be increased 10 per cent.

Payments to be made were subject to an increase or decrease of 10 per cent depending on the percentage of farmers participating in the conservation program. Since less than 85 per cent of the farmers in the nation were participants in the program, the 10 per cent will be added; however, had there been more than 85 per cent who participated in the program, the payments would have been decreased 10 per cent.

Pattillo stated that as an example of the additional payment, if a farmer's check would originally have been \$100 it would now be increased to \$110.

Additional allowances were made in the East, Central, Northeast, North Central, Southern and Western regions based upon the estimate of 85 per cent of participants in the agriculture program, according to information given out by H. A. Wallace, Secretary of Agriculture.

Estelline Resident's Death Follows Long Period of Illness

M. M. Hogle Services Held Tuesday; Resided in Estelline for Several Years

M. M. Hogle of Estelline died at his home there Tuesday morning. He had been in ill health for the past year. Funeral services were held at the Estelline Methodist Church Tuesday afternoon with Rev. Grady Anderson, pastor, officiating. Burial was made in Estelline Cemetery.

Father of Local Woman Is Buried At O'Donnell

F. N. Cox, 79, father of Mrs. Walter White of this city, died Saturday morning at 11 o'clock in O'Donnell at the home of his son, Otho Cox, following an illness of three weeks duration from a paralytic stroke.

Funeral services for Mr. Cox were held Sunday afternoon at 3 o'clock at the Church of Christ in O'Donnell with the church's minister conducting the services. Interment was in the O'Donnell Cemetery.

The deceased is survived by four children, the daughter, Mrs. Walter White of Memphis, three sons, Otho Cox of O'Donnell, Claud Cox of Lamesa, and Orville Cox of Arizona.

Mrs. White had been at her father's bedside for two weeks, and Mr. White and children, Claudia and Creth, and Mrs. Ellis Rogers and her mother, Mrs. E. S. Jones, all of Memphis, attended the funeral services.

Judge A. S. Moss and Otho Fitzjarrald made a business trip to Floydada Wednesday.

New Features for Democrat Readers

With this issue, The Democrat offers two new features under the headings of "Farm Friends" and "Chamber Chats."

The first named column will be composed of interesting facts about farmers of this area and other information from here and there. It will be written by members of The Democrat staff, Carroll Smyers, local chamber of commerce secretary, is the author of Chamber Chats.

Both features should be of wide interest to readers of this publication. Both columns will be found on the Editorial page of this issue.

Nazarene Zone Rally Attracts Youths of Many Area Towns

The Nazarene young people's zone rally, which was held at the local church in an all-day affair Friday, January 21, was attended by representatives from Wellington, Dodson, Hedley, and McLean, local church officials have announced.

At noon the host church served lunch to the visiting delegates. Regular services of the young people's units are held at the church each Sunday evening.

Wylye Stuart and W. B. Kimberlin made a business trip to Pampa Thursday of last week.

Estelline Teams Have Busy Season

Estelline's Girls Volleyball Team won a 2-1 over the girls team from Kirkland in a game at Estelline Tuesday night, January 18.

The same night, in Estelline, the Hall County town's senior team took the invading Kirkland cagers to a 25-17 drubbing. Kirkland's junior cagers outscored the Estelline juniors 18-9 for Kirkland's only win of the evening. Baccus was high point man for the Estelline seniors.

The following night Estelline again was victorious, defeating Quitaque by the close score of 23-22 in a fracas at Quitaque. Hinton tied with Baccus as high point man.

Thursday night both the senior and junior teams from Lakeview lost to Estelline, the Estelline seniors winning 34-13, at the latter town.

Herschel Montgomery spent Sunday in Shamrock with his parents, Mr. and Mrs. J. A. Montgomery.

GAIN SHOWN IN LATE REPORT OF INSURANCE FIRM

Messrs. E. N. Hudgins and Zeb A. Moore, Special Representatives of Kansas City Life Insurance Company at Memphis, announce that in their statement for December 31, 1937, just issued, their Company shows total assets of \$105,242,470.53, a gain for the year 1937 of \$4,712,184.89, and a gain since 1929 of \$45,891,307.41. The fact that assets have nearly doubled since 1929 is indicative of exceptional progress.

The Company never has been so strong in its forty-three years' history, it is said. Business in force amounts to \$446,530,497., the largest amount in the Company's history. Surplus assets for added protection of policyholders amounts to \$8,889,495.03, an exceptionally high percentage of total assets. The Company paid to policyholders and beneficiaries in 1937 the huge sum of \$9,260,450.06.

The O. Sam Cummings Agency, State General Agents for Texas, said to be the largest life insurance agency in the entire South, completed an exceptionally good year. In the eight and a half years under its present management it has produced \$113,012,089 of life insurance and Annuities, an average of almost exactly one million a month.

Mr. Cummins is this year serving as president of the National Association of Life Underwriters. He formerly served as President of the Texas Association.

Lakeview Wins 2nd. Place in Tournney

At a basketball tournament held at Shamrock, January 22, the Lakeview Eagles won second place after having been nosed out by the Hollis Okla. team with a score of 14-16.

Friday afternoon the Eagles easily won a victory over the Kelton team to a tune of 27-19. In a game played Saturday the Hall County team defeated Perryton 27-18 which placed them in the semi-finals.

Lakeview downed the Childress boys easily enough in a 42-25 contest and this gave them a chance in the finals with a cinch for second place and a crack at the championship.

Luck was against the Eagles in the finals, however, and they had to be content with winning second place in the tournament.

FRIENDSHIP

By MRS. C. L. PADGETT

Our community was made very sad last week to learn of the passing of Mrs. Henry Foster's father, Dr. Ball, of Abilene. Mrs. Foster is principal of our school. Also the passing of Charlie Basham's father of Lompo, Calif. Mr. Basham is a trustee of our school. The community extends deepest sympathy to them both in their bereavement.

H. A. Parker left Saturday for Amarillo to spend several days with his parents and other relatives.

Mr. and Mrs. Edd West moved last week to their daughter's farm near Lesley. Mr. and Mrs. Pyeatt will move to the farm they vacated.

Mrs. C. L. Padgett is confined to her bed this week with influenza.

Mrs. H. A. Parker, A. T. Addie, and Raymond Parker, Glenn and Boyce Bruce, and Russell Harrell attended singing at Plaska Monday night.

Mrs. Guy Smith taught school last week in the absence of Mrs. Foster, who was called to Abilene on account of the death of her father.

Mr. and Mrs. Lewis Edwards, Mrs. R. C. Edwards and children, Mr. and Mrs. Henry Blum Jr. and family, and W. P. Taylor Jr. of Salisbury were guests in the Padgett home Sunday.

Several from here attended the funeral of Mr. Basham in Memphis Sunday afternoon.

No new cases of whooping cough have been reported in our community at this writing.

Memphian Speaks to Young People's meeting of Memphis was the main speaker at the Young People's meeting Sunday night.

His subject was "Power." A large crowd was present to hear him. After the speaking, quartets, solos, and class singing was enjoyed by those present.

Mrs. Butler Stewart, Mrs. Blufford Burnett, Mrs. C. L. Padgett, and Mrs. H. A. Parker were hostesses to a bridal shower given last Tuesday night at the school house, honoring Mr. and Mrs. Lewis Edwards, whose marriage took place New Year's Day. As the guests arrived they registered in the bride's book, after which Mrs. Burnett called the house to order. A nice program was enjoyed.

After the program, Mrs. Roy Guthrie was director of a spelling contest between the men and women. Mr. and Mrs. Edwards won the prize—a pink umbrella with pink raindrops on it. Each raindrop was numbered and called out. Someone in the audience would answer and direct Mr. and Mrs. Edwards to some hidden place in the school room, where busy lovely gifts were found.

ACREAGE CUTS TO FEATURE 1938 PROGRAM

News releases from Washington early this week indicated that tentative crop control arrangements for the 1938 season provide for a reduction of between 15,000,000 and 30,000,000 acres in planting of the major food and fibre crops, agriculture department said.

Such a reduction would involve between 5 and 10 per cent of the total acreage planted to the same crops in 1937.

Officials said today that most of the cut would be in cotton and wheat—crops of which the nation now has huge supplies.

Tentative planting goals are aimed at a total acreage of 275,000,000 to 290,000,000 acres in cotton, wheat, tobacco, rice and other soil-depleting crops. In 1937 the area planted to these crops totaled 305,700,000 acres, officials said. Farm land available for all crops exceeds 365,000,000 acres.

Mrs. J. D. McCants, Mrs. John Lemmon and Mrs. A. E. Ranson of Giles were Memphis visitors Saturday.

Dr. R. L. Kimmins of Childress has accepted a position at the Stanford Pharmacy, located on the west side of the square.

Mrs. B. F. Denny went to Childress Friday and spent until Sunday visiting with Mr. and Mrs. Carl Denny.

Mr. and Mrs. Fred O'Neal returned Thursday of last week from a two-week visit with relatives in Anson.

FORD OFFERS TWO NEW CARS and keeps their PRICES LOW

Right—the Standard Tudor Sedan 60 or 85 horsepower

Below—the De Luxe Ford Sedan 85 horsepower

There are two new Ford cars for 1938—the De Luxe and the Standard—differing in appearance, appointments and price—but built on the same dependable Ford chassis.

Both bring you the basic advantages of a V-type 8-cylinder power-plant—smooth performance and compact design. The De Luxe Ford has the 85-horsepower engine. The Standard Ford provides a choice of 85 or 60 horsepower.

Both new cars are economical to operate. The Standard, with thrifty "60" engine, costs less to run than any Ford car ever built.

And both new cars are priced low price, like economy, is a condition. Ford founded the low-price tradition 30 years ago and keeps Ford prices low.

The De Luxe Ford costs slightly more than the Standard Ford, but more style with extra room in the sedans. Both cars, in proportion, represent unusual values. Both are to the same high standard of excellence. There's a dealer near you.

The Woman's Missionary Society of the Baptist Church met in Bible study Monday afternoon at 3 o'clock at the church. Rev. J. Wm. Mason led the group in singing two songs, "Amazing Grace" and "Savior Like a Shepherd Lead Me," followed with prayer by Mrs. Sam Foxhall. Mrs. H. B. Gilmore presided over a short business session and it was voted to buy new mission study books. Plans were made for an all-day meeting next Monday when a covered dish luncheon and the quilting of two quilts for the Buckner Orphans Home will be diversions for the day.

Billy Blackwell Is Chosen Sweetheart Of FFA Chapter

Miss Billy Blackwell, popular Senior student in the Memphis High School, was chosen sweetheart of the local chapter of the Future Farmers of America at an election held at the high school last Friday night. Miss Blackwell will attend the forthcoming FFA father-and-son banquet February 15. Also, she will compete with seven other high school chapter nominees at a meeting in Childers next month for the honor of district FFA sweetheart, it was said.

T. E. L. Class Has Meeting and Social

Members of the T. E. L. Class of the First Baptist Church met Friday afternoon in the home of Mrs. W. E. Hill for their regular class meeting and social. Mrs. J. W. Johnson and Mrs. Maggie Holcomb were assistant hostesses. Mrs. Chas. Drake, president of the class, presided over the meeting. The class song, "My Faith Looks up to Thee," was sung by the assembly to open the meeting, followed with prayer by Mrs. A. M. Wyatt. Mrs. C. Z. Stidham brought the devotional from Luke, closing with a poem, "Memories." Mrs. John Barber gave the secretary-treasurer's report. Reports from the group captains and vice president were given. It was voted to have a set price for flowers and the class is to send a box of clothing to girls at the Seminary in Fort Worth.

Mrs. F. N. Foxhall Entertains Mystic Weaver Club

Mrs. F. N. Foxhall entertained members of the Mystic Weaver Club Wednesday afternoon at her home on North Tenth street. Bouquets of roses were used to decorate the entrance and living room while a large bowl of varicolored sweet peas centered the dining table. Mrs. W. B. DeBerry, president, presided during the business session which was followed with interesting roll call. Following a time spent at needle work and conversation the hostess was assisted by her daughter, Mrs. John Deaver, in serving a delicious salad and ice course. Members present included Mrs. J. W. Stokes, Mrs. R. C. Walker, Mrs. J. S. McMurphy, Mrs. C. A. Reynolds, Mrs. Seth Palmeyer, Mrs. S. T. Harrison, Mrs. D. A. Grundy, Mrs. Frank Phelan, Mrs. M. J. Draper, Mrs. G. D. Beard, Mrs. S. S. Montgomery, Mrs. R. H. Wherry, Mrs. C. R. Webster, Mrs. G. H. Hattenbach, and Mrs. W. B. DeBerry.

Smart for Any Picture

The smart ensemble Joan Fontaine is wearing here will be featured in her next picture. And a charming piece of sportswear it is for any picture. Charrette and Oxford gray are used effectively to make the box sports jacket. An Oxford tweed skirt is topped off with a plain cashmere sweater of the same tone. A snap-brimmed felt hat of similar color, banded with charrette, suede gloves, bag and shoes complete the ensemble.

Honoring Mrs. Harry Womack who was leaving to make her home in Houston, Mrs. Leon Piliand entertained with a hunderchief shower and bridge party Friday afternoon, January 21, at her home at 910 West Robertson street. The home was decorated for the occasion with magnolias and ivy. Following a series of bridge games lovely refreshments were served to Mrs. R. E. Clark, Mrs. Clarence Partain, Mrs. Charles Champion, Mrs. Jack Norman, Mrs. Herschel Stewart, Mrs. Carl Gerlach, Mrs. Babe Gerlach, Mrs. H. B. Bass, and Thelma Phillips, and the honored guest, Mrs. Womack. Those sending handkerchiefs and unable to attend were Mrs. N. W. Durham, Mrs. Cleron McMurry, and Mrs. Brown McMurry.

HELEN BOSWELL ATTENDS TEA AT CANYON

Miss Helen Boswell spent the week-end in Canyon visiting with friends and attending a tea. Miss Boswell, a former student at W. T. S. T. C., and receiving her B. A. degree at the close of the session last June, went to attend a tea given by the Delta Zeta club Saturday afternoon at Cousin's Hall. She was an active member of the club while a student at the college. Mr. and Mrs. George Thompson and children of Hedley spent Sunday in Memphis visiting with his parents, Mr. and Mrs. G. M. Thompson. Jim Travis of Amarillo spent Sunday in Memphis with his mother, Mrs. W. A. Travis. Mrs. Paul Kennedy of Skellytown visited Sunday in Memphis with her aunt, Mrs. Conly Ward.

Fourth Anniversary of Club Is Observed With Horoscope Luncheon

The Blue Bonnet Needle Club's fourth anniversary was observed Friday, January 21, with a lovely horoscope luncheon at the home of Mrs. E. S. Foust on South Sixth street. The long table was laid with white linen with appointments in silver and crystal. A floral arrangement of white sweetpeas and blue baby breath was placed at either end of the table while the birthday cake artistically decorated to carry out the horoscope idea and club colors, surrounded with four tall, blue candles in silver holders resting on blue and silver stars formed a center decoration. The members found their places by place cards with names and date of birth. Favors were individual horoscope readings on white paper tied with blue ribbon. As the members were seated Mrs. H. H. Lindsey was presented with a shoulder corsage as president of the club for the past year. Following the serving of three courses, Mrs. Lindsey cut the birthday cake and made a wish for the club as she sliced the cake and served it with coffee.

Pearlie Lee Sikes, Wilburn Cotton Marry Monday

The marriage of Miss Pearlie Lee Sikes and Wilburn Cotton of Greeley, Colo., took place Monday evening at 8:30 o'clock at the home of the bride's parents, Mr. and Mrs. J. W. Sikes, on North Seventh street. Rev. J. William Mason, pastor of the First Baptist Church, read the impressive ring ceremony in the presence of the immediate families. Miss Mary Lee Scott, and Johnnie Sikes, brother of the bridegroom, were the attendants. The bride wore a grey wool manish suit with harmonizing accessories and carried an arm bouquet of roses and fern. She is the oldest daughter of Mr. and Mrs. J. W. Sikes, a resident of Memphis since October. The bride's attendant, Miss Scott, was becomingly attired in a maroon crepe dress. Mr. Cotton is the son of Mr. and Mrs. Elzie Hunter of Greeley. Mr. and Mrs. Cotton left Memphis Tuesday for Greeley to make their home.

Mrs. J. A. Harrison Celebrates Birthday Anniversary

Mrs. J. A. Harrison, mother of S. T. and T. M. Harrison and Miss Sina Harrison, celebrated her ninety-first birthday Sunday. She spent the day in her usual quiet way with the exception of having Mr. and Mrs. S. T. Harrison and Mr. and Mrs. T. M. Harrison as her guests for the day. Her daughter, Miss Sina Harrison, served a lovely dinner which included the birthday cake. Mrs. Harrison is a native of Illinois and came to Texas about fifty years ago. She lived in Denton County before coming to Memphis 20 years ago. She is still active considering her age.

W. A. Anthony Is Given Birthday Dinner Sunday

Mr. and Mrs. T. F. Anthony honored his father, W. A. Anthony, with a birthday dinner Sunday, January 23, at their home in the Swearingen community. He received many useful gifts. All of his children and grandchildren were present for the occasion. Mr. Anthony came from Wood County 31 years ago and has lived near Memphis since that time and is well known throughout this section. Those present were: Mr. and Mrs. W. A. Anthony and children, Mr. and Mrs. W. T. Jones and children, Mr. and Mrs. F. J. Jones and children, Mr. and Mrs. Edwin Anthony, all of Swearingen; Mr. and Mrs. Walter Bownds and sons of Lakeview; Mr. and Mrs. E. F. Sustaite, Mr. and Mrs. E. O. Patrick, Mr. and Mrs. John Hilgenfeld, Mr. and Mrs. O. E. Pitts, and sons, Mr. and Mrs. E. W. Patrick of Hughes; and the hosts, Mr. and Mrs. T. F. Anthony.

WHAT THE C OF C DOES FOR YOU

SINCE THE DAY the first Chamber of Commerce was organized in America too many citizens have been indignant toward its actions and endeavors. Many individuals and businessmen have been known to remark, "What has the Chamber of Commerce ever done for ME?"

To enumerate all the good things the organization has done for the benefit of Memphis, and incidentally each individual firm and citizen, would require a good size volume. This enumeration would include trades days, holiday features and a thousand miscellaneous correspondence and personal contacts the public never hears of. All of these benefit each individual within the area, directly or indirectly. Prospective citizens and business establishments write the Chamber of Commerce for figures and information regarding the country before casting their lot in the community.

The organization is a booster for the city and area it represents and the members are protected, in more ways than one. A grafting episode was nipped here last week, by the local unit, to save Memphis Merchants enough to pay their dues for several months. Remember the banana; every time it leaves the bunch it gets skinned. Cooperate with your Chamber of Commerce and it will protect and work for you.

ATTEND THE BIRTHDAY AFFAIRS

THE ANNUAL PRESIDENT'S Birthday Ball is worthy of your support, as one West Texas editor puts it; "regardless of your political inclinations or your personal opinion of the present administration." A "42" party and a bridge party will also be held in conjunction with the nation-wide observance, and they too should have your patronage.

Your support of these affairs is the chief means of fighting infantile paralysis. This dreaded disease no longer completely mystifies medical science. Surgical skill has advanced to the point that most every battle with infantile paralysis can be won. Thousands of boys and girls in Texas have been saved from misery and deformity through organized fighting.

Your dollars, from the scheduled parties and ball, will go for furthering this fight for helpless boys and girls.

PAYING TAXES WITHOUT PENALTY

THE ANNUAL RUSH at county, city and school tax collectors' offices will be in full stride through the next three days. All property owners must pay the entire amount of their taxes before February 1st, or face penalty and interest charges.

County tax collections are far better than a year ago while city and school collections show some increase. However collections in all branches are seriously below the needed amount to balance the budgets.

All three departments are suffering serious deficits because of unreasonable delinquent lists. These unpaid taxes of other years have resulted in ugly red figures on the ledgers of city, county and school tax rolls.

You still have time to pay both current and delinquent taxes, and it is your duty to do so wherever possible.

\$60,000 TO BE PAID UNEMPLOYED

TEXAS FIRST BENEFITS for unemployed, under the new social security law, will total approximately \$60,000 to some 9,000 eligible persons. The average amount per person is reported to be \$8.

The amount is only part of the funds that have been accumulating in the Treasury Department in Washington from contributions by Texas employers during the past two years. One out of every three workers in Texas is qualified to receive benefits from the funds when he becomes an unemployed.

This marks the first results of the Social Security Act as a true benefit to the working man and should see an increased number of workers and employers complying with the law.

War Against Hysteria
The veterans of foreign wars have adopted a very timely campaign to "keep America out of war." Those of us who are old enough know how quickly a war spirit can be engendered to such an extent that no one could raise a voice against war, and it behooves each of us to talk against war while we can. If the plan to draft money and property as well as men can be followed, there will not be such an incentive for many to talk war.—The McLean News.

Oil Madness
When the first test for deep oil in Floyd County now arriving at an interesting depth, speculation on what the reaction of our people would be to a good oil strike is interesting. We predict that if oil is struck in reasonable quantities most of us will go "bug-house," some trying to get rich and the rest wondering how. There is method in this oil madness, the same as to any other, but few, very few, are ever able to master the technique.—The Floyd County Hesperian.

Gratitude
We have just learned that June Woodrum is an ardent reader of Ben Meador's Trail Dust and saves most of them for her Trail Dust scrap book. Mr. Meador, who is the editor of the Matador Tribune, was so delighted over June's admiration that he sent her his picture, autographed, and in addition the Woodrum home is gladdened each Friday morning with an issue of the Tribune—free of charge, mind you. All of this goes to prove how rare is the object of a fan in a newspaper man's life, and further proves just how grateful a newspaper man can be.—The Paducah Post.

Jots 'n' Jest

FAMIL LUDWIG reported on vacation. Probably to let his biographies catch up with him.

Headline says "Upturn by spring," which puts those Hoover around-the-corner cracks right back in style.

Airplane manufacturers build 1,000,000 plane that won't fly. Something like that used car bought just two sets of tires ago.

Passing up a woman for the Supreme Court was judicious. She'd never admit her retirement age.

American crime begins in the home, says J. Edgar Hoover. That is if you can find anyone home.

Farm Friends

As exemplified by their efforts during the past year, farmers of Hall County are battling farm hazards with new hope that soon farming will not be so difficult. Agricultural clubs have been formed and are co-operating with the county agent and soil conservation service to fight soil erosion.

According to John Sharp, secretary and treasurer for the Agricultural Club of Turkey, more than 1,500 acres of land has been signed up for terracing this season. This club was organized last winter for the purpose of buying terracing equipment, so that farmers of the Turkey community might terrace their land at the lowest price possible. The commissioners of Hall County made the down-payment on the equipment, and charges for terracing last winter more than paid for the down-payment plus the expense of operation. According to Mr. Sharp, the Turkey farmers have profited much through proper terracing during the past year.

An organization at Esteline, similar to the one at Turkey, has been functioning favorably. More than 69 miles of terraces have already been erected this year and 120 miles of terracing has been contracted for, according to Hulon Clifton, secretary of the club.

Prospects for the 1938 crop are rather undecided, if interviews made with several Hall County farmers by a Democrat reporter last Saturday can be used as a barometer of the general feeling.

Soil Conservation Service officials, when asked what they thought about the 1938 crop, said: "Prospects are not as good as for last year. Borings in the soil show no sub-soil moisture. Farmers must have lots of rain to make a good crop."

W. N. Youngblood of Brice, who has farmed in Hall County for about 40 years, claimed, however, "Lack of moisture this time of year cuts no ice in Hall County. The farm outlook for 1938 is brighter, but no great lot." Mr. Youngblood farmed 400 acres last year, making one-half ton of feed to the acre and better than a half bale of cotton to the acre. He had no wheat last year, but has in some pasture wheat now. When asked what equipment he used in farming he exclaimed, "A tractor! Using mules in farming would be the same as going back to the horse-and-buggy for transportation."

Pessimism was voiced by W. L. Nabers, who has farmed two miles northwest of Plaska for the last 12 years. "Prospects aren't good considering the low price and no moisture." He made 36 bales of cotton in 1937, plowing with horses. Mr. Nabers raises colts as a sideline.

Frank Cope of Deep Lake is a real pioneer, having been in Hall County since the early 90's. He held a neutral view on the 1938 outlook. "Can't tell anything about it now," he said. His land is terraced, and he thinks it helped considerably in making 100 bales of cotton last year. Mr. Cope has 100 whiteface cattle and 11 Jersey cows, and sold close on to \$700 worth of produce during 1937.

"Farming conditions look bright for 1938," was the opinion of T. W. Luttrell, long-time Lake-view farmer. "Hall County will have a smaller crop, however, because of acreage cut in the farm program." Mr. Luttrell has gathered 30 to 35 tons of feed and 28 bales of cotton from his '37 crop, made on terraced land. He is a staunch believer in mule power for farming.

A Salisbury farmer, who has also been here since the early days, would not commit himself, but said, "See some of these newcomers. They know more about farming than us old heads."

CHAMBER CHATS

By CARROLL SMYERS

My friend, let's you and I sit down right here and have a little friendly chat. You say you've read something about the Chamber of Commerce in this week's paper, and are inclined to wonder about that organization? May I say in a friendly way, before I begin to really tell you about the Chamber of Commerce, that I have no apologies to make for that body of splendid citizens representing the Chamber of Commerce needs no defence.

But you say that the word "commerce" seems to shed the wrong meaning; so let's clear that up right here. When C. of C.'s were first organized, that was over in France, they were composed strictly of business men for commercial promotion. The name "chamber," meaning a deliberative body or an assembly, was attached to "commerce," hence "Chamber of Commerce."

That term soon spread to America and organizations of like nature soon sprang up. Did you say, "Do they still pertain only to commerce?" Absolutely NOT! The Chamber of Commerce has taken into its realm the development of agriculture, farm market, water conservation, good roads, better live stock, sanitation, better street lighting, and the reduction of the tax burden. No, the business man does not want to tell the farmer how to farm; he just wants to help him and be of assistance in every way possible.

D. 1938, the same being the 14th day of February A. D. 1938, then and there to answer a petition filed and return on the 7th day of December A. D. 1937, in a suit, numbered on the docket of said Court as No. 2344, wherein Andy McAtee and Lee McAtee are Plaintiffs, and Robert Morris and his unknown heirs, legal representatives and devisees if he be dead are Defendants and the nature of plaintiffs' demand being alleged as follows:

That on or about March 23, A. D. 1936, plaintiffs jointly owned in fee simple the following lands in Hall County, Texas:

The South 136 acres of Section No. 16, Block "H" of the J. H. Stephens Survey, and 58 acres off in and across the West side of the North one-half of Section No. 23, in Block "H" of J. H. Stephens Survey, containing in all 186 acres of land, that defendants represented to plaintiffs that he owned under contract purchase from the Federal Land Bank of Wichita, Kansas, a corporation, the following lands in Harmon County, Oklahoma, with an unpaid balance of \$899.16 thereon:

East 1/2 of (E 1-2) of the Northeast quarter (NE 1-4), and the East 1/2 of (E 1-2) of the Southeast quarter (SE 1-4) of Section Twenty-four (24), Township 4 N., Range Twenty-seven (27) West of the Indian Meridian.

That defendant Robert Morris and plaintiffs at date aforesaid agreed to exchange of their land described above in consideration of said exchange and the promise by defendant within next few days delivering his executed deed to his Oklahoma land described above to plaintiffs at which time title to plaintiffs' land then conveyed would pass and plaintiffs believing and relying on said promise did then and there execute and delivered now of record in Vol. 71 page 45 of the Deed Records of Hall County, Texas, reciting therein by mistake a consideration of \$1000.00, whereas the true consideration was the aforesaid exchange thereof, but defendant failed and refused to deliver his deed as agreed to by him and thereby breached his contract and wholly failed in said exchange and consideration thereof by reasons of which plaintiffs elect to rescind and cancel their deed of record aforesaid, to remove the cloud cast thereon, and prays the court for citation by him and thereby breached his contract and wholly failed in said exchange and consideration thereof by reasons of which plaintiffs elect to rescind and cancel their deed of record aforesaid, to remove the cloud cast With Democrat Subscribers

I. N. Reeves, of the Parnell community, recently moved his expiration date up another twelve months so The Democrat might continue its weekly visit to their home.

Mrs. Merle Combest, of Plain view, visited with her brother Charles Champion not long ago and renewed her subscription while here.

The Democrat was advised Monday of this week via post card that J. P. Painter has changed his address from Hedley to Mobeetic.

J. I. Allison, of this city, is a new subscriber... and a welcome one.

J. E. Berryman, who farms in the Parnell community, is a new name on The Democrat mailing list.

C. M. Grisham is another Memphian who thinks enough of the home paper to renew for another year.

Tracy L. Davis came in last week to place his announcement for commissioner of precinct 2 and at the same time subscribe for The Democrat.

S. P. Miner farms out near Plaska where about nine out of every ten families read The Democrat.

"Better pay up," said W. D. Mabry, "for I don't want to miss a single issue of The Democrat."

R. C. Hightower, of Dallag, is the kind of subscriber all newspapermen dream about but seldom meet.

Carl Tuller is a new subscriber. He resides in Memphis.

The Democrat has been going to the J. O. Adams home in the Lakeview area for many years and a recent renewal sends it another year.

Mrs. Sherman Irons, of Maud, Texas, wrote her mother Mrs. E. M. Dennis, of this city, that she could not do without The Democrat.

Ardent readers of The Democrat are found at the R. M. Craig home in the Eli community.

A. J. Fowler believes that about the best way to keep peace in his family is to keep The Democrat coming regularly.

YOUR MILEAGE MERCHANT ADVISES

There is one best way TO CHOKE IN WINTER

Through no fault of your own, during past winters, you may have formed a bad habit of "too much choke." Perhaps your gasoline absolutely demanded overtime choking—harmful and wasteful. No need to continue that way with Special Winter Blend Conoco.

- Leave ignition OFF.* Wait for two or three engine revolutions. Now switch on the ignition. Be ready to let up on starter. And you'll know you can promptly begin to push in the choke, as you hear the steady powerful firing of your Special Winter Blend Conoco Bronze.

Coach Frank Hubbell is already receiving requests for information about this year's Cap Rock Relays from last year's entries. The time for this important Panhandle sporting event has not been set definitely, but will probably take place during the interlude between the county and district track meets, Coach Hubbell said. The 1937 relays drew entries from all over the Panhandle including several from Amarillo, Wichita Falls, and Lubbock.

Injured in Accident

C. S. and C. W. Graves received word Thursday that their mother, Mrs. R. Graves, and her sons Cecil, Ernest, and Homer B. were injured when their car and trailer loaded with household goods overturned near Turkey, as they were moving from Silverton to Memphis.

Homer B., who was riding on top of the load on the car, a pickup, was the most seriously injured. Ernest received a fractured hip and bruises. Acid from the battery of the car spilled in Cecil's face and eyes. Mrs. Graves was not injured. She was riding between the two men in the pickup's seat. An ambulance took them to a Plainview hospital after a Turkey druggist rendered first-aid.

Homer B. is still in the hospital and reported to be showing little improvement. Cecil and Ernest were brought to the home of C. S. Graves here Wednesday where they are doing as well as can be expected. Sam Graves of Birmingham, Ala., came in Saturday to be with his brothers.

S. A. James and Gordon Durham took C. W. Graves to Plainview Thursday night.

MEN...

if You Promised a Penthouse, stay out of the Doghouse by giving her *Electric Cookery*

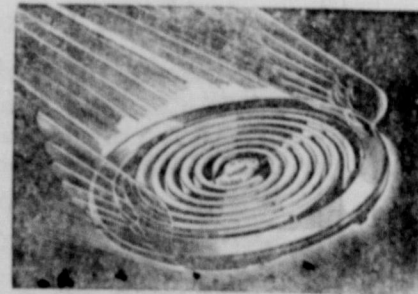

Men, if your wife had illusions of grandeur when she married you... worshipped you as a super-man... then remember this: *A disillusioned feminine heart is more to be feared than a woman scorned!*

If she expected a penthouse, you're apt to land in the doghouse... unless... All-electric houses no longer are illusions. And they're grand! Penthouses, of course, are rare in West Texas. Instead, we have electrified homes. They're better. And, fortunately, any home has all the grandeur of a penthouse if equipped with the right kind of servants... Electric Servants. Electric cookery, refrigeration, dishwashing, water heating, sweeping, entertainment, food mixing, coffee making, sun tanning and clothes washing—all make every home equal to the luxurious penthouse... a feminine dream born of fiction and suppressed desires. So, men, don't disillusion your wife by condemning her to another year, midst hated kitchen drudgery.

WOMEN...

Why Wait Until 1960 to Cook Without a Fire?

It was recently predicted that "cold" or "magnetic" heat would be practical for general cooking purposes about 1960. It was demonstrated how an egg can be fried without fire by using high frequency current magnetically transferred to the skillet from an electric coil. That is "cold" or "magnetic" heat. And that, ladies, is merely another form of *Electric Cookery*, which today is practical and available in every home already having the many other advantages of Electric Service!

CALROD is the name of Hotpoint's patented metal-sealed Flat-top cooking coil that has revolutionized electric cookery. It has brought new speed, new cleanliness, new economy and longer life to electric ranges.

In the Picture: With an electric range, a bacon-egg-toast-coffee breakfast can be prepared in less than 10 minutes. Fix bacon and toast in oven while eggs fry and coffee percolates. Electric fuel for this type of breakfast costs less than three cigarettes.

1. You have five cooking speeds in 1938 models. Use *super speed* to heat skillet. 2. Turn switch to *half speed* for frying... or for fast boiling. 3. A second egg may be fried with switch turned to *quarter speed*... an ideal heat for steaming fresh vegetables. 4. A delicious breakfast without smoke or fumes in kitchen or dining room! For other meals, you have two other *low speeds* for economical cooking of foods.

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Dr. Ball, Father of Plaska Woman Dies In Abilene

Retired Physician Dies After Few Days Illness; Is Given Masonic Burial

Funeral for Dr. John Houston Ball, 70, father of Mrs. Henry Foster of Plaska, and retired physician of Abilene, was held Thursday afternoon, January 20, at 2 o'clock at the First Baptist Church of Abilene, with Dr. Millard A. Jenkins, pastor, officiating. Rev. Henry Littleton, pastor of the First Baptist Church at Hamlin, and Dr. J. D. Sandefer, president of Hardin-Simmons University, assisted with the service. Burial followed in Cedar Hill Cemetery with the Masonic Lodge in charge of graveside rites.

Dr. Ball died unexpectedly Wednesday morning after several days illness. He was admitted to the Hendrick Memorial Hospital Tuesday for treatment. Early Wednesday morning he was seized with a coughing attack, the strain of which proved too much for his heart.

Mrs. Ball and five children, one brother, and one sister survive. The children are Bryan B. Ball, Abilene; Rena Ball, Sterling City; Mrs. Henry Foster, Plaska; Truett Ball, Abilene; and Sudie Fay Ball, Abilene. The brother, R. E. Ball, and one sister, Sallie Mae Wofford, live in Hohenlinden, Miss.

Dr. Ball was born November 24, 1867, in Hohenlinden, Mississippi. He was a graduate of Mississippi State College, Clinton, Mississippi, and the Memphis Hospital Medical College, Memphis, Tennessee. He took post graduate work from the Post Graduate Medical School Hospital of Chicago, Illinois.

Dr. Ball practiced medicine three years before coming to Texas in 1893. He stopped at Wayland a short while, then settled at Crystal Falls. He was married to Miss Ida Fay Robertson in 1898. They later moved to Breckenridge where he practiced medicine until 1920. He then moved to Abilene and retired.

Dr. Ball was active in organizing the Stephens County Medical Society and served as its president and secretary for several years. He was a member of the District Medical Society, the State Medical Association, and the American Medical Association. He was a secretary and treasurer of the State Medical Association in 1916. He was on the board of Councilors of the State Medical Association of Texas for six years, from 1909 to 1915. He was associate editor of the Texas State Medical Journal for six years. He was county health officer of Stephens County for several years. He was councillor for the West Texas Medical Association for six years.

Dr. Ball was initiated into the Eldorado Masonic Lodge No. 182, Cumberland, Mississippi, on March 5, 1890. He was an active member from that time until his death, rising to the position of Grand Master of the Abilene Lodge, number 559. He was certificate man for over twenty years.

He joined the Baptist Church in 1899 at Eliasville, Texas. At the time of his death, he was a member of the First Baptist Church and of the Victory Men's Bible Class in Abilene.

He was a progressive citizen throughout his entire life. He helped build the first telephone line in Stephens County, operating the telephone office in his own home. He maintained seventy miles of telephone lines. He bought the fourth car bought in Stephens County. He fostered every progressive move possible for the advancement of education, serving as trustee of schools in Stephens and Taylor Counties all his active life.

Mr. and Mrs. Foster went to Abilene to attend the services.

Mrs. Thelma McMurry returned Sunday from a visit with her mother in Lubbock.

New Recruits for '38 Cyclone Report For Spring Practice Here This Week

For the past week Coach Frank Hubbell has been drilling 26 aspirants to the 1938 Memphis Cyclone grid squad for the limited time of an hour and a half each afternoon.

The new boys all live in the country and the fact that they have to ride a school bus home necessitates the short practice hours. Coach Hubbell believes that with training and practice in football technique, the boys will develop into first-rate players by the opening of the season next fall.

In addition to these new gridsters, Coach Hubbell will have 17 members of last year's squad, including several lettermen, reporting for practice in the next few days.

New recruits are Virgil Siddle, Ted George, Otto Brannon, J. E. Archer, Floyd Melton, Garland Solomon, Izador Hardin, Coy Yarbrough, Jim Moore, J. D. Morrison, L. A. Lester, Travis Malone, Claude Stevens, W. P. Taylor, Edward Lester, Stafford Downey, Y. Z. Taylor, Ben Moss, Leo Hendrickson, Merle Padgett, Dewey Melton, Jack Martin, Marion Messer, W. F. Dunn, Grady Smith, and Curtis Harrell.

Last year's squad members still out include Eugene Lindsey, Talmadge Pounds, Leroy Robertson, Gordon Hagemeyer, Joe Crump, Curtis Dodson, J. H. Powell, Harold Foster, Lewis Billington, J. D. Richardson, A. G. Kesterson, L. F. Jones, Boyce Bruce, James Fultz, Otto Brannon, Billy Gene Morris, and J. C. McClure.

With some speedy backfielders from his 1937 team and the makings of a powerful line, Coach Hubbell looks forward to having a conference championship winner for 1938.

Billy Polk Hall, Cyclone captain last year, has been assisting the coach in drilling the newcomers.

The DOCTOR says:

about that "tired feeling"

Don't be misled by the false notion that fatigue from ordinary efforts is a natural result. For our bodies are so constructed that they should be able to withstand the routine of regular days. It is only the presence of a physical disorder or infection that creates undue tiredness. It may be from any of a hundred causes—important or minor. But your doctor can set your mind at ease. And when he gives you a prescription, be sure to bring it here where experience and pure drugs protect your safety.
