Mrs. Huddleston Is Given Shower At Liner Home

Mrs. E. J. Huddleston of Perryton, formerly Miss Georgia Lee Hammonds, was honored with a bridal shower at the home of Mrs. Floyd Liner on Thursday evening of last week.

Locals and Personals

Mr. and Mrs. Henry Boyd Newman of Amarillo visited last week with his parents, Mr. and Mrs. H. H. Newman.

Miss Rebecca Ray Weaver, daughter of Mrs. Sam R. Weaver and the late Sam R. Weaver, became the bride of J. C. Turner...

The announcement of the marriage of Miss Eloise Elliott, daughter of Mr. and Mrs. J. A. Elliott of Newlin, and Fred D. Smithson of Denton was made this week.

After a brief wedding trip to South Texas and Louisiana, the couple will be at home at 110 Han Avenue, Denton, where Mr. Smithson is employed by the American Express Company.

Mrs. Roy Patton, circle leader for circle No. 2, was in charge of the program, "An Urgent Gospel Dispel Heathen Darkness."

Immediately following the ceremony a reception was held at the Weaver home on South 9th. The bride's table was laid on an Italian cut word cloth centered by a 3-tiered wedding cake on a mirror reflector.

The couple left the reception for a short wedding trip, after which they will be at home at 1616 Jackson, Amarillo, where the bridegroom is connected with the Soil Conservation Service.

The Current Book Review Club met in the home of Mrs. J. A. Odum at 3:30 Tuesday, October 28, with Mrs. W. C. Dickey and Mrs. Frank Johnson as co-hostesses.

Mrs. Joe Coffee of Amarillo reviewed "Keys of the Kingdom," a current novel by A. J. Cronin. Members present were Mrs. A. Anisman, Mrs. E. E. Cudd, Mrs. W. C. Davis, Mrs. John Deaver, Mrs. W. C. Dickey, Mrs. Tom Draper, Mrs. Roy Fultz, Mrs. Frank Garrett, Mrs. H. B. Gilmore, Mrs. O. R. Goodall, Mrs. Louie Goffin, Mrs. Claud Johnson, Mrs. L. B. Madden.

Set a Gay Table for Fall Frolics

A little ingenuity, some wire, and some crepe paper combine to make an unusually attractive buffet and supper table. Here are instructions that are easy to follow and that will make your frolic an exciting and happy event.

BY WINIFRED CLARK. FALL is the season for frolic. Everyone likes a gay, informal, colorful party. You'll have a glorious time setting up a buffet supper table in the season's cheerful fashion. Amuse yourself and your family by making favors and decorations for the affair.

For trouser legs, paste tubes of double thickness of jade green crepe paper around the wire handles. Wrap the wires about the trousers with yellow crepe cut one-half-inch wide across the grain. Paste pumpkin faces in place.

For the pumpkins of the pumpkin elves candleholders, cut a strip of orange crepe paper, across the grain, five inches wide and long enough to go twice around the candleholder base. Gather one long edge of the orange crepe around neck of candleholder. Tie in place with spool wire. Paste short ends together. Turn inside out and paste to underside of the cardboard base.

RAYMOND BALLEW "The House of Quality"

TOUCH-DOWN TACTICS

UNIVERSITY OF TENNESSEE by John Barnhill Head Football Coach

This is the last in a series of six outstanding diagram plays by leading college coaches from Grantland Rice's new Cities Service Football Guide.

THE diagram as shown above is of a play which we have used with very good results. We have not used this play as frequently as some others and perhaps that accounts in some part for the success of it.

The ball was snapped to No. 1 back who gave it to Bob Fox, the No. 2 back, who continued to the left side as though to make an end run. Fox was a man with all around ability which was another influence that worked toward making this pass play a success.

The left halfback blocked out the defensive right end while both of our ends and the quarterback got themselves into position to receive a pass. When Fox reached the point from which he expected to throw, he usually had one of his receivers in the open. Fox was a very successful ball carrier and a great reverse runner which contributed considerably to the effectiveness of his play. The opponents were never quite sure just what was coming up.

WELLINGTON SKYROCKETS TAKE DISTRICT TILT FROM CYCLONE 27-0

Once more the Memphis Cyclone grid team lost a ball game last Friday night on the home field, but not before a discouraging call-back of a touchdown play which would have put the Memphians back in the ball game disheartened the local gridgers. The tilt ended 27 to 0 in favor of the Wellington Skyrocks.

The call-back came in the second quarter, when the Rockets led by 14 to 0. It looked then as if the visitors would have no trouble.

But a 15-yard clipping penalty against the visitors gave the Cyclone the ball on the Rocket 29-yard line. Douglas Lawrence took the ball and went for a first down. Then Lawrence once more took the ball and went through left tackle for the counter. This time, however, a 15-yard penalty for clipping was assessed against the Memphians, the ball called back, and the half ended before the threat could be carried out.

Early in the first quarter, the Cyclone had the only other scoring opportunity, when Olen Goodner of Wellington fumbled and Glen Stilwell recovered for Memphis on the Rocket 15-yard stripe. Louie Grimes picked up two yards, Lawrence lost three, Grimes failed with a pass, and then he hit the line for no gain. The ball went over to Wellington, and a punt from the toe of Junior Melton put the Rockets out of danger.

Wellington's first score came on the second play in the second quarter. With the ball resting on the Memphis 32-yard line after an exchange of punts, Melton tossed a short pass to Melvin Thompson, who raced all the way. Melton place-kicked the extra point to give the Rockets a 7-0 lead.

Later in the same period, Thompson broke through from the Wellington 22 to the Wellington 41. Melton passed to Williams to place the ball on the Memphis 30. Then Goodner went through left tackle for the remaining yardage and the second touchdown. Melton again booted the ball through the uprights for 14 to 0.

In the third quarter, L. E. Gribble of the Rockets took off around right end from the Rocket 30 to the Memphis 32, but the Rockets

lost the ball on downs. Grimes' kick was short and the Rockets got the ball on the Memphis 47.

Then came one of the smoothest plays of the game. Melton short passed to Thompson, who was standing on the scrimmage line. Thompson never moved out of his tracks but turned to his right and lateraled the ball back to Melton who was going around right end. Melton took the ball for the remaining yards to score the third touchdown. He missed the kick, however, to make the score 20-0.

For a while it appeared as if the game would end that way, but the Rockets were not through. Coach Scott McCall sent in several substitutes, and Melton, Thompson, and Goodner worked with the subs on passes to get the ball to the Memphis 10-yard stripe. Goodner forced the ball to the 4-yard line, and then Melton went through the line and over the goal standing up. His kick was good, and shortly after the game ended.

Stand-out player for Memphis was Lawrence, who was consistent in his gaining sprees. Grimes also turned in another nice game, although two of his punts were short. Wellington made only five first downs to four for Memphis. Memphis starters were Grimes, Lawrence, Jackson, Huggins, backs; Stilwell, Harrison, ends; Evans, Bruce, tackles; Chappell, Romines, guards; and Miller, center.

PAUL J. FRISBIE

Frisbie Completes Marine Sea School

Paul J. Frisbie, son of Mr. and Mrs. B. D. Frisbie of Memphis, has just completed training at the Sea School, Marine Corps Base, in San Diego, Calif.

Private Frisbie was born October 28, 1923, at Carey, and enlisted in the Marine Corps July 7, 1941, at Amarillo. Immediately after enlisting, Private Frisbie was transferred to the Marine Corps Base in San Diego for initial training. After completion of his initial training, Private Frisbie was chosen to attend the Sea School.

When asked to comment on his enlistment in the Marine Corps, Private Frisbie replied: "I enlisted in the Marine Corps for the travel and adventure involved, and to better prepare myself for civilian life."

Lindsey Raises Okra That's Okra

From little seed do giant okras grow—at least that's what N. M. Lindsey of Memphis now firmly believes.

Last Saturday, Mr. Lindsey brought by The Democrat office a huge okra stalk which measured 9 feet, 4 inches in height. It was grown in the yard of his home at 13th and Montgomery streets.

The plant has been producing a large amount of okra, Lindsey said. He was forced to use an axe in cutting down the stalk due to its large size.

WPA Projects—

SUPERVISORS MAKE REPORTS

Reports from four WPA projects in Hall County were given Monday afternoon, when the supervisors of the projects met in the Housekeeping Aide building with the county-wide WPA committee.

Charles Russell of Turkey was chosen chairman of the committee, when the group organized for the year at the Monday meeting. D. B. Wallace of Estelina was named vice chairman, and Mrs. W. V. Coursey of Memphis was elected secretary and reporter.

Mrs. Gene Barnett, county school lunchroom supervisor, in reporting on her project, stated that 43 people are employed, and that 14 school districts (with a total of 18 schools) are being served.

The payroll of the lunchroom project is about \$1,800 monthly. Three-fourths of the homes in the county receive a portion of the benefits of the cafeterias, she said, and 1,300 children are now eating daily in the lunchrooms.

A. C. Hoffman, supervisor of the Hall County tax system project, was unable to be present but sent a report of his work. Eight people are employed under Hoffman in Hall County, and 10 others aid him in the work in Armstrong County, which is included in his district.

Work in this project, which was started in May of 1940, includes the recording of ownership of property which has been listed as unknown, the making of permanent assessors' abstracts and records, the appraisal of all real property (with separate appraisals on land and improvements), and the setting of value of property in each different school district.

The Housekeeping Aide project, now under the supervision of Miss Rachel Deahl, has 18 employees. Forty-three low-income homes are now being aided, Miss Deahl reported. Those to be aided are recommended by the county judge, doctors, the county welfare office, school officials, and the Red Cross officials.

Men May Become Aviation Cadets In New City Units

'Refresher Courses' to Be Given to Those Who Lack Necessary College Credits

To increase aviation cadet training in this area, three college units of 20 qualified aviation cadet applicants each have been formed at Texas Tech, and in addition, Lubbock and Amarillo have organized city units.

The Chas. R. Simmons Post of the American Legion in Memphis is aiding in the program, and an aviation cadet committee of W. C. Davis, Allen Grundy, John Deaver, and L. L. Doss was recently named.

"Refresher courses" are being offered in various cities to enable young men disqualified because of lack of college training to complete the army mental test.

The courses are given for those who do not have sufficient college credits to make them eligible for the training. The school may be operated in conjunction with a local school or college or it may be established from the "ground up," that is, with volunteer instructors and any local buildings suitable for class rooms.

Young men who are interested in becoming aviation cadets may contact the local committee for more information concerning the enlistment.

Since the "refresher courses" will necessarily need to get under way in early November to prepare students for the next army mental test in February of next year, all prospective applicants interested in flying are urged to apply promptly at army recruiting stations to enroll in the November "refresher courses."

The other report was made by Mrs. Roy Guthrie, recreation project supervisor, who has 18 employees with a monthly payroll of approximately \$1,000. This project, which is being expanded to cover many of the rural communities of the county, is attracting about 2,000 people each week, it was reported.

Culture Club Has Meeting in Home Of Mrs. Howard

Mrs. A. W. Howard was hostess for the Woman's Culture Club at her home on West Noel street Wednesday, November 5.

After a brief business session, Mrs. R. E. Clark gave the story of "Christ in the Andes"; Gloria Howard favored the guests with several piano selections; and "American Contribution to International Law" was discussed by Mrs. A. L. Burks.

Refreshments were served to Mrs. Robert Sexauer, Mrs. A. L. Burks, Mrs. Conley Ward, Mrs. D. A. Grundy, Mrs. W. C. Davis, Mrs. L. B. Madden, Mrs. R. E. Clark, Mrs. R. L. Madden, Mrs. J. M. Dickson, Mrs. G. W. Sexauer, Mrs. J. C. Wells, and the hostess.

Study Club Has Meeting in Home Of Mrs. G. Sager

The 1913 Study Club met with Mrs. George Sager at 3 o'clock Wednesday afternoon.

The subject of the program was "Public Welfare and Social Security," with Mrs. Standlee Roberts as leader. "A Great Social Experiment (Uruguay)" was given by Mrs. Standlee Roberts. "Introduction of Customs of Latin America (Paraguay)" was given by Mrs. Norma Hunt. "The Development of the Spirit of Peace on the American Continent (Argentina)" was given by Mrs. M. McNeely. Miss Martha Draper led in conversational Spanish.

Coffee and cake were served to Mrs. D. L. C. Kinard, Mrs. B. Baldwin, Mrs. T. M. Harrison, Mrs. R. C. Walker, Mrs. Wendell Harrison, Mrs. Gayle Greene, Mrs. R. S. Greene, Mrs. M. McNeely, Mrs. Norma Hunt, Mrs. Juanita Montgomery, Mrs. Standlee Roberts, Misses Mary Foreman, Martha Draper, and the hostess, Mrs. George Sager, and one guest, Mrs. W. L. O'Rear.

The next meeting will be with Miss Martha Draper Wednesday, November 19, at 3 o'clock.

Young People of Baptist Church Have 'Hick Party'

The Young People of the First Baptist Church were entertained Monday night at the church with a "Hick Party."

Everyone who attended wore costumes. The men wore overalls and ten-gallon hats and the women wore bonnets, house dresses with aprons, and their hair platted.

With hay in the corners, harnesses hanging on the walls, lanterns hanging from the ceiling of the room, the rooms were filled with an atmosphere of gaiety the entire evening. Games were played and songs were sung.

The supper was served "family style" from a table decorated with old fashioned lamps. The menu for the supper was country sausage, beans, baked apples, potatoes, onions, tomatoes, pickles, cakes, mince-meat pies, and tea, with "Negro mummies" serving.

Those attending were Mr. and Mrs. Olson Sweat, Mr. and Mrs. Cloyd Foreman, Mr. and Mrs. Bill Smith, Mr. and Mrs. Cordell Bales, Mr. and Mrs. L. V. Shockey, Mrs. Bill Hood, Mrs. W. C. MRS. WARD'S PUPILS ENTERTAIN MOTHERS

A group of pupils from the piano class of Mrs. Conley Ward entertained their mothers Wednesday afternoon of last week in the studio, 1220 Noel street.

Fall flowers and jack o'lanterns furnished the decorations. The rooms were lighted with red and yellow candles.

Pupils appearing on the program were Gladys Bownds, Jimmie Bownds, Gereta Graham, Loreta Morris, Laverne Orr, Betty Ann Goodall, Martha Lynn Godfrey, Margaret Ann Massey, Martha Ann Wattenbarger, Roddy Lynn Patton.

Guests were Mrs. R. A. Massey and Roy Alvin, Mrs. J. E. Wattenbarger and Jimmie Lee, Mrs. Mack Graham, Mrs. Roy Patton, Mrs. Bud Godfrey, Mrs. O. R. Goodall, and Gloria Virginia Howard.

Plainview says that a dressed turkey show will be held in that city December 3 and 4. It has long been a custom in this country for people to hold style shows, but now, it looks like the turkeys want to dress up also.

Somebody has neglected something, somewhat, somewhere, somehow. Not a single donation has been made since last issue to the Fairview power mower fund.

Jeff Williams of Chickasha, Okla., Rotary International speaker at the inter-city Rotary meeting here Tuesday night, said that it is high time for the appeasers, isolationists, strikers, employees, employers, and all the people to get in line and present a solid unified front in the present world cataclysm.

Albert Law of the Dalhart Texan recently offered a reward of \$50 for the coiner of the term "dustbowl" that was applied to the Dalhart country a few years ago.

In connection with the reward, Albert promised a great entertainment to the coiner. It would be funny indeed if he has to eat his own banquet and entertain himself, as well as pay the reward to himself. Be that as it may, the Dalhart country looks anything else than a dustbowl or desert, with its fine crops of wheat and feed this year.

I wonder how many readers of this column recognized the Staff Poet's voice when he spoke over Radio KGNC last Sunday morning? Anyway, Lewis Nordyke, conductor of the Exchange Editor's program at 8:15 every Sunday morning, had to acknowledge that the staff poet and yours truly are two different people entirely. Nordyke, in a letter received here yesterday, said, "Thanks a million for making the Sunday program a big success. There have been lots of comments, and all good. I was up at Dalhart that afternoon, and the folks there were talking about the program. Even the station (radio) managers liked the program, and that is a pretty rare thing. I'm sure we will have you and the poet back before long. . . . If anyone in Hall County wants me to take a wrought iron oath that you are NOT the poet, I'll take the said oath. But the next time the poet comes up, I think he'd best wear a mask, for some of the folks up here are determined to learn his identity."

THE DEMOCRAT STAFF POET My Grandma was one of the highest society women in her day. She didn't believe in cocktail parties and cigaret smoking. She took her corn standing and smoked a pipe; and she didn't serve teeny-weeny cookies, but served hog jowl and turnips in tin plates. She wasn't afraid of her social position, because she could beat them all cooking.

So today my poem is about SOCIAL CLIMBERS I'd like to be a big shot, and have folks kotow to me; just head the long parade and lead society. It would be great, maybe; for a few days it might be fun, just kidding oneself along—but it wouldn't fool anyone. God made us what we are, and leopards don't change their spots; but we just keep on wishing some day to be big shots.

Legion to Present

day night will be made by Allen C. Grundy, Legion member who has gained distinction as a speaker.

The remainder of the program will be as follows: Organ prelude, Mrs. Margaret Roberts; advance of colors; pledge of allegiance to the flag; song, "The Star-Spangled Banner," by the congregation.

Prayer, Rev. Joe Findley; special band ensemble under the direction of Norman Heath; song, "America the Beautiful," choir; scripture reading, Rev. R. A. Winger; prayer, Rev. E. L. Yeats.

Address, Grundy; song, "America," congregation; retirement of colors; postlude, Mrs. Roberts. Boy Scouts will act as ushers.

Other churches in the city will dismiss their regular services to allow members to attend the Armistice program, it was explained. The program will be open to the public.

Locals and Personals

Bob Crabb of Lakeview has been enjoying a visit from three of his daughters who live at San Jose, Calif. They are Mrs. Emme Williams, Mrs. Estelle Ryherd and Mrs. Bera Johnson. The two first mentioned returned home Wednesday and Mrs. Johnson will remain for an indefinite visit.

Buck Ewen of Lubbock visited Saturday with his sister, Mrs. Jake McCullach.

Watt Long of Hollis, Okla., was a business visitor here Friday.

Mr. and Mrs. Claud Crawford and children of Amarillo visited her father, J. D. Morrison, over the week-end.

Pirates Defeat

(Continued from page 1)

0, and Clarendon out-scored Lakeview 26 to 7.

The top game in this week's play will be at Shamrock, when the Wellington Rockets journey there for the annual grudge battle. Both teams have lost only one conference game each, and still have a good mathematical chance at the conference flag—if either Lakeview or Wellington whips Lefors.

The Memphis Cyclone will go to Clarendon Friday night in another grudge battle. Clarendon will be favored, having downed Lakeview—one of the six teams to beat Memphis. The other district game will be at McLean, where the Tigers meet the lowly Wheeler Mustangs. The Tigers are expected to walk away with an easy victory over the Mustangs, who have not yet won a game this season.

Full season standings find Lefors on top with 7 victories and no losses; McLean and Wellington tied with 6 to 1; Shamrock fourth with 5 victories to 2 losses; Clarendon fifth with 3 to 4; Lakeview sixth with 2 victories, 4 losses, and 1 tie; Memphis seventh with 1 win to 6 losses; and Wheeler last with 0 to 5.

WSCS at Plaska To Present Play

A three-act play entitled "No Men Admitted" will be presented by the Plaska Women's Society of Christian Service at the Plaska school auditorium Friday night beginning at 8 o'clock, it has been announced.

An admission of 10 cents for children and 15 cents for adults will be charged, it was explained.

DEFENSE BOND, STAMP COMMITTEE URGES CITIZENS TO AID IN PROGRAM

A statement of thanks to merchants selling Defense Stamps, and a plea to the public to buy more stamps was made this week by the chairman of the Memphis stamp and bond sales committee, James Vallance.

The statements were as follows: "Our Friend, Mr. Merchant:

"Your government needs your assistance in furthering the sale of Defense Stamps. You have been contacted and will be contacted from time to time regarding the sale of Defense Stamps to your customers through your facilities. We know that you are anxious to cooperate in this matter, and we assure you that it is our earnest desire to furnish you with any information that you may wish relative to the program.

"Let's get behind this program and make a grand showing for Hall County to the state defense department. As you know it will take only a small investment to carry the necessary assortment of Defense Stamps in your store in order to make them available to your customers.

We appreciate your past courtesies and cooperation in this matter and we know that you are proud of the privilege of helping your government build our national defense so strong that we can continue operating and doing business in a free country with a free people."

"To Our Dear Public: "As you have here-to-fore been informed, your merchant is making it convenient for you to purchase Defense Stamps, by making the purchase of them available to you at his store. The stamps are available in 10c, 25c, 50c, \$1, and \$5 denominations. These Defense Stamps are cashable at any time at your local post office. But, of course, they should not be cashed, unless an emergency arises and you are badly in need of the money. They can also be applied on the purchase of a Defense Bond.

"We know that you are enjoying living in a country like ours, where we are privileged to worship, speak, and live our lives as it pleases us to live, without fear of the European Monsters and with such golden opportunities for ourselves and our children. So, let's keep it this kind of a country, by aiding our government, by buying all the Defense Stamps and Bonds that we possibly can. Let's start buying today. And, by doing so help build our national defense so strong that we will never have any fear of being overrun as so many countries have in the short period of the past two years.

"Our young sons and friends are doing their part by serving in the army, let's you and me do our part by buying Defense Stamps and Bonds, thereby providing food, clothes, shelter, and equipment for those who may be called upon to give their very lives for our future security."

Cyclone Meets

(Continued from page 1)

Shamrock downed Clarendon 19 to 0, and Memphis 36 to 0. Wellington defeated Clarendon 14 to 0, and Memphis 27 to 0.

The scores, then, indicate that the Brones will come out with a two or three touchdown decision, although sometimes comparative scores mean little.

Memphis showed some improvement against the Wellington Sky-rockets last week, but the quick, tricky plays of the Rockets proved too much for the Cyclone.

The game will have no effect on the conference title race, for both teams are definitely out of the running. To Memphis and Clarendon residents, however, the spirit of friendly rivalry is usually high, and observers believe the game will be close.

TOO LATE FOR 1941 BUT NOT TOO LATE FOR '42

IT'S TOO LATE to do anything about it this year, but we have next year in mind when we start talking about the football schedules of the two schools at Memphis and Lakeview.

The past two weeks have seen both Memphis and Lakeview meeting their opponents on their home fields, and the arrangement complicates matters for the financial departments of both schools.

When Wheeler came to Memphis to play, Shamrock played at Lakeview; and when Wellington came to Memphis, Clarendon went to Lakeview.

Many football fans like to follow both the Memphis and Lakeview teams, since the two towns are so close together. Many of these fans have the time to go to the home games of each team, since the towns are so near.

Yet when each team plays at home, the fans, of course, cannot be at two places at the same time.

Not only is the arrangement hard on the fans, but it is also hard on the finances of the schools. Memphis football teams do not have enough followers to make the games pay the necessary expenses, especially if bad weather prevents many people from attending. Lakeview is in the same shape—there is simply not enough fans who will attend.

It seems to us that the most satisfactory arrangement would be to have no conflicts. Lakeview has had more home games this year than usual, for heretofore the Lakeview gridiron has not been in very good shape. But from here on out, the Eagles will have to play about as many games away from home as at home.

Surely it is possible to make the schedule arrangement to prevent conflicts in the home games of the two teams. We believe that the fans would be better pleased if there were no such conflicts, and we believe also that the finances of the two athletic departments would be better off. Let's hope that the arrangement is better in 1942.

RED CROSS—NOVEMBER 11

WELL, THE ANNUAL Red Cross roll call will start next Tuesday, November 11, and this is one year Hall County should come through with its full quota.

The Red Cross, as you know, is an organization designed to help any and all people in need of help. If there ever was an organization to fulfill its set duty, the Red Cross is that organization.

During the past few years, Hall County has fallen far behind in its quota. The quota usually isn't very much, and it seems that Hall County citizens would not allow such a blank mark to be made on their record.

This county has received more help during the past 10 or 15 years, in dollars and cents value, than it has paid into the Red Cross.

It's true that we have not had any one great disaster, but the past few years have been lean years, and the Red Cross has done its bit in easing the pain of the hardships on numerous citizens.

Several years ago when the Turkey community area was stricken with flood waters, the Red Cross came through with clothes and food for the suffering citizens. Then during the drouth years, much help was received from the Red Cross in the form of seed which our farmers used.

Now is a good time to repay some of the favors which we have been receiving. Of course, we do not have all the money in the world here in Hall County, but at least we can do our part. The Red Cross is so set up that one person or group of persons do not have to finance it entirely. It lives on the small contributions, from \$1 and up, contributions which all of us can make.

Probably in a few days time you will never realize you have even contributed that dollar. But the Red Cross will, and some suffering person somewhere in the world will be grateful. And remember, the Red Cross cannot help you unless you help the Red Cross.

Press Paragraphs

CULLED FROM THE DEMOCRAT'S EXCHANGES

Mixed Up
Virginia Anderson in the Shamrock Texan: Mrs. E. K. Caperton asked since when was T.C.U. in Dallas. We had all of the people attending the A. and M.-T.C.U. game visiting in Dallas. If Fort Worth ever finds out about it we'll probably get sued.

The Wife
J. C. Estlack in the Donley County Leader: The sweet young thing entered the area of the fashionable dog kennels, and tripped up to the handsome man inspecting his dogs. "I want a pet," she cooed. "I'd love to," he said, "but the wife will be here with the flea powder any minute now."

On the Wall
The Plainsman in the Lubbock Morning Avalanche: That Girl on Broadway says it's usually too late to read the hand-writing on the wall when your back's up against it.

Subscriber
Virginia Anderson in the Shamrock Texan: Dr. J. W. Gooch told us this one: A man was out in the fields hunting one day when it started raining. He crawled in a hollow tree for protection during the storm and the wood swelled so tight he couldn't get out. He started thinking over all the mean things he'd done in the past and suddenly remembered he didn't subscribe for his home-town newspaper. It made him so ashamed he shrunk to half size and crawled out of the tree a free man. So then he subscribed to the paper but was careful not to get caught in any more hollow trees.

No Dust Bowl
Ed Bishop in the Dalhart Texan: Dust Bowl! Ye gods, you couldn't stir up enough dry dust in all Dallas county to give a bedbug the hiccoughs.

Pussyfooting
The Quannan Tribune-Chief: American merchantmen, after being compelled to remain defenseless, are at last permitted to defend themselves against piratical attacks. Pussyfooting is about the worst policy we have been guilty of.

Inflation
Gertie Haskett in the Childress County News: This thing we know as inflation has two extreme stages. The first is when you take a shoestring and run it into a million paper dollars. The second is when you need a million dollars to buy a shoestring.

Capitol 'Fire'
The State Observer: Austin's first "cold wave" of the winter brought the city's fire department to the capitol in full force. The colder weather led to turning on the heat in the capitol; and the compression caused by the heat pushing cold air upwards caused the alarm in the dome to register at fire department headquarters. Firemen were in the building almost before building attendants realized a false alarm had been sounded.

Floor Show
The Apostle in the Donley County Leader: "I want to see the floor show," said the little mouse caught in the trap as it was gnawing a hole in the carpet.

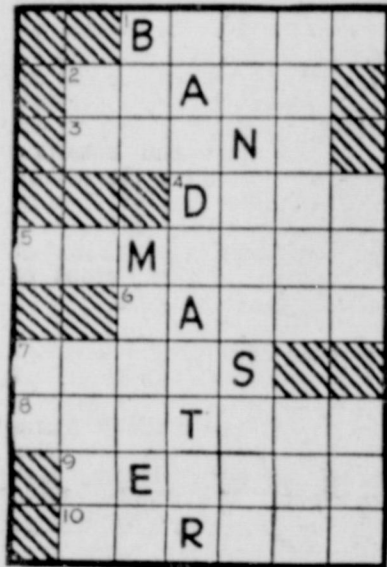

The Rain and Hitler
The Briscoe County News: (At the end of a story concerning the weather): A few more days of wet weather and the cotton will follow in the wake of the 1941 wheat harvest. D—n old Hitler anyway.

Cotton
Carl Rowe in the Turkey Enterprise: About 800 bales have been received to date at the local warehouse, and this is in a year when probably we have more bolls in the field than there ever were in this neck of the cotton belt. So, with only 52 shopping days left until Christmas, it appears as if we may be harvesting our cotton crop until next Easter.

E. E. Hayley in the Saint Jo Tribune: New things, and new ideas are what keep this old world interesting of course. "He says not to bother him. He thinks he's got a reversible center. It will do a lot toward changing the game we now recognize as standard. The new sub rule resulted in 70 changes in the line-up of the A. and M. team against T.C.U. last Saturday. The reversible center, if it becomes a center snap the ball kick it, pass it, block interference. A player will become very valuable center post, but he's due to drive the line."

NEWLIN

By MRS. FRED HEMPHILL

Weather

A light frost "fell" here Friday night, following a half-inch rain Thursday and a sharp drop in temperature. The frost did not kill vegetation, and after several days of warm sunshine the crops are drying sufficiently to enable the farmers to gather them.

Religious Activities

Regular preaching services were held at the Methodist Church with Rev. J. P. Cole, pastor, in charge of the services. A fifth conference was held at Estelline for the Newlin, Hulver, and Estelline churches. Rev. and Mrs. Cole will leave Friday for annual conference, to be held in Abilene, Bible study period before evening services for the adult and young people is being conducted. The adult class is beginning the study of Isaiah.

Community Singing Here

The month of October having five Fridays caused some confusion in the dates of the Hall County recreation program and thus hampered the crowd for the singing at the Newlin school Friday night. The regular date is each first and third Friday night of the month. Next Friday night, November 7, will be the night scheduled for volleyball by the recreation group.

Food Expenditures Increased \$7,268 By Food Stamps

Total of \$10,042 Worth Of Orange Stamps Bought In County During October

Expenditures for food in Memphis and Hall County were increased \$7,268.50 during the month of October through the government's food stamp program, it was revealed this week by L. J. Capelan, regional director of the Surplus Marketing Administration for the 13 Southern states. This sum represented the amount of blue stamps issued by the Memphis and Hall County stamp program office during the month. In addition, \$10,042 of orange stamps were purchased from the government during the period, bringing the total amount available for food purchases due to the stamp program to \$17,310.50 for October.

Participating in the Memphis and Hall County stamp program during the month were 672 cases, representing with their families, 2,463 persons. Those participating represented 75.3 per cent of the 3,360 persons in the area eligible to receive stamps during October.

Since the stamp plan has been in operation, \$116,077.50 in blue stamps have been issued in Memphis and Hall County, augmenting regular food expenditure for the area by that amount. Amount of blue stamps issued per person during October averaged \$2.95.

Cotton Picking—

(Continued from page 1)
The temperature did not drop low enough to hurt vegetation. The frost last week, according to statements of most farmers helped rather than hurt the cotton crop, since it is believed that maturity will set in quicker now. An estimate of the total number of bales ginned in the county was not available today. Temperatures for the week are as follows: Wednesday high 59, low 30; Tuesday, 65-35; Monday 65-38; Sunday, 70-42; Saturday, 70-32; Friday, 55-32; Thursday 54-33. No rain has fallen since the report last week. So far this year, however, 35.75 inches have fallen—more than has fallen in the county for an entire year since records have been made. Rainfall by months is as follows: January, 0.55; February

Report Best Hunting Prospects In Years Throughout Game Areas

Two Georgia state game wardens show the wrong way to carry guns while walking through the fields. Both have their guns in positions which have caused hunting accidents in all states. Gun of warden at the left is pointing at the chest of the one in the rear. The other warden points his gun at his fellow hunter's leg. Should either gun go off accidentally, serious injury would result.

SPORTSMEN returning from hunting grounds in Canada and the eastern seaboard states report an abundance of game and that prospects for "bag-limit" shooting are better than they have been in many years. Duck hunters who traveled to Canadian breeding spots verified stories that there is more waterfowl now than has been there for 15 years.

Woodcock shooting was good this year in New York and New England. Maine, a leading woodcock state, closes its season Oct. 24.

Canadian geese have already been sighted in North Carolina and guides are expecting a fine season, inasmuch as the birds are early.

Pintails and blue petals are present in great numbers on the Carolina coasts and sounds, while wigwags and mallards are also plentiful.

GRROUSE season opened in New Hampshire, Maine, and Vermont and the shooting was great. Grouse was also reported plentiful in Pennsylvania and up over last year on the Michigan peninsula. Hunters "groused" a bit at the heavy foliage in the peninsula, but it is usually heavy the first few days of the season. Hunting season on pheasants, quail, wild turkeys, and rabbits—always the standbys in Pennsylvania, Ohio, and New York—

Hunters of Texas Start Searching For Elusive Ducks

Few Local Shotgun Men Reported to Be Hunting; Season Ends December 31

Duck season opened in Texas last Sunday morning, but few reports of heavy hunting this week were made—possibly because of the scarcity of ducks right now

and also because both business men and farmers are extremely busy. The ducks will probably become easier to find as the season progresses, since the warmer Texas climate is not likely to attract the ducks until the ponds north of the state begin to freeze over. The Texas season ends December 31. Hunters will need more than an ambition, a gun, and some shells to hunt migratory waterfowl. Every hunter needs a federal stamp, which may be purchased for \$1 at a first- or second-class post office. A Texan hunting outside his home county must pay an additional \$2 for a state out-of-state license. The bag limit on all varieties of ducks is six. The daily limit on mallards is three. The limit on the two other species is three. The daily limit on all ducks is six. The daily bag limit is three. In addition, shooting is to be between sunrise and the afternoon.

ORDINANCE No. 288
An Ordinance fixing rentals to be paid by Telegraph, Telephone, Electric, Gas, and Water Companies for the privilege of using their poles, wires, conduits, pipes, and fixtures on the streets, easements, alleys, parks, and other public ways within the City Limits of the City of Memphis, Hall County, Texas, and providing for penalties for violation.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MEMPHIS, HALL COUNTY, TEXAS:

Section No. 1: That all persons, partnerships, associations, organizations, and corporations using or maintaining any telegraph, telephone, electric light, or other poles, or water or gas pipe lines and other fixtures in any of the streets, highways, easements, alleys, parks, or other places within the corporate limits of the City of Memphis, Hall County, Texas, shall on or before the 1st day of March, of each and every year file with the City Secretary of said City of Memphis, Hall County, Texas, a sworn report showing the gross receipts from the business conducted by such persons, partnerships, associations, organizations or corporations within the corporate limits of the said city for the previous year ending December 31st.

Ball To Be Held In AS... N Close

Partnerships, associations, organizations, and corporations, using or maintaining any telegraph, telephone, electric light, or other poles, or water or gas pipe lines and other fixtures in any of the streets, highways, easements, alleys, parks, or other places within the corporate limits of the City of Memphis, Hall County, Texas, shall on or before the 1st day of March, of each and every year file with the City Secretary of said City of Memphis, Hall County, Texas, a sworn report showing the gross receipts from the business conducted by such persons, partnerships, associations, organizations or corporations within the corporate limits of the said city for the previous year ending December 31st.

Section No. 2: That the City Council may when it sees fit have the books, records, and files of the person, partnership, association, organization, or corporation regarding the statement required in section No. 1, of this ordinance examined by a representative of this city to ascertain whether such statement is accurate, but nothing in this ordinance shall be construed to prevent the city from ascertaining the facts by any other method.

Section No. 3: That on or before the 1st day of March of each and every year, every person, partnership, association, organization or corporation occupying or using the streets, highways, easements, alleys, parks or other public places in the City of Memphis, Hall County, Texas, with poles, pipes and for other fixtures shall as a condition to such further occupancy pay to the city annually for such privileges a rental equal to two (2) per cent of the gross receipts received by such person, partnership, association, organization or corporation, from its business conducted in the corporate limits of the City of Memphis, Hall County, Texas, which sums shall be paid to the City of Memphis, Hall County, Texas.

Section No. 4: That upon receipt of the above rental by the City of Memphis, the City Secretary shall deliver to the person, partnership, association, organization or corporation paying the same a receipt for such rental, which said receipt shall authorize such person, partnership, association or corporation to use and occupy the streets, highways, easements, alleys, parks and other public ways of the City in carrying on its business for twelve months from March 1st of such year.

Section No. 5: That the rental for the privilege of using the streets, alleys, highways, easements and public places of the City of Memphis, provided for in this ordinance is not charged as a tax, but is made for the privilege now enjoyed and to be enjoyed by such persons, partnerships, associations, organizations, and corporations of using the streets, easements, alleys and other public ways of the City of Memphis in the conduct of their respective businesses; and such charges are additional to all ad valorem taxes and all other taxes lawfully charged against such persons, partnerships, associations, organizations, and corporations mentioned herein.

Section No. 6: That nothing herein is intended to relieve any person, partnership, association, organization or corporation of any condition, restriction or requirement, imposed by any law or ordinance of the said City of Memphis, Hall County, Texas.

Section No. 7: That this ordinance does not grant a franchise to any utility or person, partnership, association, organization or corporation to use the streets, easements, alleys and other public ways and shall never be so construed by the courts or otherwise, and the City of Memphis reserves the right to cancel the privileges granted hereunder and refund the unearned rentals paid to the City of Memphis.

Section No. 8: That the City of Memphis, Texas, hereby reserves the right to put into effect at any time other restrictions and regulations as to the erection and maintenance of poles, wires, pipes and other appurtenances in the streets, easements, alleys and other public ways of the said City of Memphis from time to time to require such poles, wires, pipes and other property equipment and fixtures as it may deem proper to be removed and to require wires to be run in conduits on such terms as the City of Memphis may deem proper.
