FIVE CENTS

NUMBER 15

## GOVERNMENT RED TAPE HERE

The County of Hall and the City of Memphis are paying for the office space for an employment man here to help farmers obtain cotton pickers.

The man is paid by the government and takes his instructions from the government. One instruction is not to give out any information on the activities of his office, which was organized to serve a public purpose.

The government does not tell how the farmer is to know where to go to get his cotton pickers if the office is not given publicity. The government merely says, in effect, that if the Memphis newspaper wants news of what is going on in the local office, it must go to the Amarillo headquarters for it.

Merely a little more government red tape!

## Hundreds of Farmers Hear Jones Flay Tariff

### Freewill Baptist Church Formed Here on Sept. 26

A Freewill Baptist Church was organized in Memphis last Sunday by Rev. J. G. Stone of Ada, Okla., assisted by Rev. W. L. Dunlop of Sulphur, Okla., and Rev. M. M. McKee of Soper, Okla.

(Continued on page 5)

Maryin Jones, United States Congressman from the Panhandle and who for the past 18 years has been battling in Congress for the cotton farmers of this section, held a crowd of several hundred farmers for an hour and a half on the south lawn of the Hall County courthouse in Memphis last Saturday afternoon as he gave a dramatic discussion of the farm program of the past and hinted at what the program will tend to do in the future.

Cheered frequently in his speech as he upheld President Roosevelt and his administration, Congressman Jones appealed to the farmers for cooperation in an effort to formulate a program which would put the cotton-producing South on a purchasing level with the industrial North and East.

Flays Tariff  
Farmers of Hall and surrounding counties listened intently and heard the Panhandle Congressman, who is recognized, as Chairman of the House Agriculture Committee, to be one of the nation's foremost farm authorities, flay the high tariff walls as unjust to agriculture.

He stated that the only thing for the farmers of the South is a subsidy payment for the growing of farm products in order to place them on a parity with the industrial states. He stated that the government will continue to set 30 per cent of the tariff collections on industrial products aside as a special fund for the stabilization of farm prices.

Lauds West Texas  
West Texas and West Texas people were lauded by Mr. Jones. "It takes pioneer blood to stand" (Continued on page 4)

## NARROW ESCAPE FROM DEATH BY PLASKA GINNER

### Troy Dunn Is Caught In Belt While Working In Gin; Arm Badly Broken

Troy Dunn, employee of the Farmers Union Co-operative Gin Company at Plaska, narrowly escaped death early Wednesday night of this week when he got an arm caught in a conveyor belt while working at the gin.

Mr. Dunn, about 25 years of age and married, escaped with a badly broken arm and lacerations and bruises about the left side of his face. Quick thinking and action on the part of other workmen in the gin prevented the accident from being worse.

Dunn was grabbed and pulled out of the belt and away from the saws, and the gin was hurriedly shut off. The accident occurred at about 8:15 p. m.

The Plaska citizen was rushed to a Memphis hospital, where he received medical attention. Dr. R. E. Clark, attending physician, reported that Mr. Dunn's arm was broken in three places, between (Continued on page 5)

## SALISBURY '9' COPS BASEBALL COUNTY CROWN

### Barnes Shuts Lesley Out As Mates Put Across 12 Runs

Playing before a crowd estimated at 1,500 on the Memphis CCC camp baseball diamond last Sunday afternoon, the Salisbury nine behind the steady pitching of Ted Barnes scored a 12-0 victory over the Lesley team for the championship of the Hall County Baseball League.

Barnes, Salisbury ace moundsman, let the Lesley hitters down with only three well-scattered safeties in shutting them out. The only men to get a safe hit off of him were Gibson, Boone, and Anthony.

The game Sunday was the final of the three-game play-off series for the county championship. Salisbury and Lesley having won one game each previously. Salisbury succeeds Lesley as the county pennant winner, Lesley having won the title from Salisbury in the finals last year.

Errors played a large part in the ragged game, as Lesley's Foster gave up only five hits despite the 12 runs.

The starting line-up: Salisbury—Barnes, pitcher; Daniels, catcher; Hutcherson, first base; Phillips, second base; Morrison, third base; Stewart, shortstop; Taylor, left field; Smith, center field; Davis, right field.

Lesley—Foster, pitcher; Simms, catcher; Byars, first base; Boone, second base; Gibson, third base; Greenwood, shortstop; Widener, left field; Durham, center field; Anthony, right field.

W. M. Davis and Ed Hutcherson are managers of the Salisbury club, and M. D. Kennard and Jack Boone manage the Lesley team.

## LAY PLANS FOR SINGERS' MEET

### Texas And Oklahoma Singers' Association To Convene Here October 9-10

Plans are going forward for the North Texas and Oklahoma Singers' Association Convention which is to be held in Memphis on Saturday night and Sunday, October 9 and 10.

Approximately 8,000 visitors from all over Oklahoma and the northern part of Texas are expected in Memphis on those dates for the gigantic singers' celebration.

## 43 Baby Bees Are Being Fed Out By Members of Memphis FFA Class

Some of the students in the vocational agriculture department of the local high school have organized a club to raise baby bees.

They began feeding 43 calves, selected by a committee composed of Doyce George, Ben Smith, O. W. Stroup, rancher of Quitaque, and R. W. Carlton, vocational agriculture teacher, September 28 on a balanced ration utilizing local or home-grown feeds.

These calves are being bought and fed for the purpose of developing projects for the boys. The Memphis F. F. A. chapter is planning to have a local baby beef show next February, competing with F. F. A. boys from Estelina and Lakeview. It is planned to take the top calves from the local show to the Amarillo Stock Show the latter part of February. Top calves from the Amarillo show will be taken to the Fort Worth Fat Stock Show March 6.

The vocational agriculture department, in sponsoring the feeding of these calves, is aiming to teach the boys to take home-grown feed and to convert it into profitable beef production; also to train the boys in how to feed out beef animals.

The following boys are feeding calves in this project: Allard Parker, Merle Padgett, J. D. Richardson, Allan R. Webster, George Eller, Glenn Bruce, Doyce George, Arthur Adcock, Billy Thompson, L. E. Jenkins Jr., J. W. Dunn, L. A. Richards, J. O. Adams, Lewis Rice, Curtis Dodson, A. G. Kester, W. F. Dunn, J. H. Powell, Ted George, Donald Tyler, Leon Grisham, Eldon Padgett, Sidney Harwell, Arliss Elzey, Robert Wheeler, Ben Smith, Oren Smith, Whaley Gillenwater, Ethens Gleaton, Cordell Bales, Dewey Melton, Coy Yarbrough, Marion Messer, Garland Solomon, and L. J. Lester.

Officers for the Memphis F. F. A. chapter for 1937-38 are: Doyce George, president; Glenn Bruce, vice president; Bedford Vickers, secretary; Allan R. Webster, treasurer; Jack Holcomb, reporter; Gregory Posey, parliamentarian; George Eller, watch dog; Izador Harbin, historian; Kermit Monzingo, song leader; Ralph Hill, band leader; Riley W. Carlton, adviser.

## PRESBYTERIAN CHURCH WILL HAVE HOMECOMING, RALLY DAY SUNDAY

### Heads Homecoming

Rev. E. C. Cargill, pastor of the Memphis First Presbyterian Church, who is leading Homecoming and Rally Day activities at his church for Sunday, Oct. 3.

"Homecoming and Rally Day" will be observed by members and former members of the Memphis Presbyterian Church Sunday, October 3.

Rev. E. C. Cargill, Presbyterian pastor, stated that he is expecting all local members and a large number of former members from many distant points to attend the all-day celebration.

Among the former pastors invited to attend are Rev. R. T. Caldwell of Cheyenne, Wyo.; Rev. W. T. Swain of Knoxville, Tenn.; Rev. Eugene B. Kuntz of Clovis, N. M.; Rev. C. E. Richter of Sacramento, Calif.; and Dr. J. A. MacMillan of Brady. All other former pastors of the church are deceased.

The Rally Day and Homecoming will open at the usual Sunday School hour at 9:45 o'clock Sunday morning, with preaching services following at 11 o'clock. Following the morning services, lunch will be served in the dining room of the building by the women of the church.

A sing-song session will be held in the afternoon, to which all other church members and citizens are invited to attend. Talks will be made by visitors.

Sunday is "World-Wide Communion Day," and the Presbyterian Church celebration will be culminated with a Communion Service.

Mr. Cargill, who has served for the past 10 months as pastor of the local First Presbyterian Church, stated that he is greatly encouraged with the prospects for the Homecoming and Rally Day. He stated that many of the former ruling elders and deacons of the past, comprising the official "family of the church," have signified their intentions of attending the services Sunday.

All Presbyterians who have resided (Continued on page 5)

## STUDENTS GET MINOR HURTS IN BUS WRECK

### Two Lakeview Busses Crash at Childress Early Saturday

Special to The Democrat  
CHILDRESS.—About 75 members of the Lakeview High School football team and girls pep squad, riding in two big school busses, escaped serious injury when the busses crashed broadside at the intersection of highways 4 and 5 in the western outskirts of Childress about 1:30 Saturday morning.

The students were en route to their homes from Shamrock, where the football team had played a game.

Three girls and nine boys received hospital treatment here for cuts and bruises, but all were released after receiving emergency attention.

The bus carrying the boys was leading and had driven into Childress for oil. Tollie Henry was the driver. It had again headed west, and the girls' bus came into the intersection from the north. Raymond Ray, driver of the girls' bus, apparently failed to see the (Continued on page 5)

## School League To Be Formed Saturday At Hall Teachers Meet

J. L. Beard of Childress, district deputy state school superintendent, will be in Memphis Saturday morning when the monthly meeting of the Hall County Teachers Association is held. The meeting will open at 10 o'clock at the Memphis High School auditorium.

All teachers in the county are to attend the meeting, at which time the Hall County Interscholastic League for the current year will be organized. Supt. H. B. O'Neill of Lakeview, present director general of the league, will preside during the election of league officers.

## Beds Needed For Visiting Singers

All persons in Memphis who have one bedroom or more that may be used to accommodate guests for the night of Saturday, October 9, are requested to contact the Memphis Chamber of Commerce.

The local Chamber of Commerce is telephoning Memphis citizens, asking for accommodations for visitors here during the Northwest Texas and Oklahoma Singing Convention. A number of persons who do not have telephones will be glad to furnish a bed or two for the visitors, it was said.

Approximately 8,000 persons are expected here for the singing convention, and a large number of beds will be needed.

## ENROLLMENT FOR CCC TO BE MADE

### County Welfare Office Urges All Interested To Apply For Entrance Soon

Due to recent changes in eligibility requirements for CCC enrollment, applications are being made in fast increasing numbers daily, according to Miss Mena Thompson, county welfare worker.

An enrollment in CCC camps will be made in Hall County some time during the month of October, and as yet the quota for this county has not been set.

Miss Thompson stated that 21 young men have already signed applications to join the CCC, and she urged all others interested in applying to do so at once. The quota for the county will be determined by the number who apply, she said.

The relief status requirement has been waived. A boy from a family whose income is not sufficient to provide a normal standard of living and also furnish training comparable to that received in the camps is now eligible. Also in the past a former enrollee must have served four months while in camp and must have been out of camp a full year before being allowed to re-enroll. (Continued on page 5)

## \$194,000 In Loans Let In 3 Counties By Farm Security

Coinciding with the creation of the Farm Security Administration through the re-naming of the Resettlement Administration, officials of Region Twelve of the federal agency, comprising New Mexico and parts of Oklahoma, Texas, Colorado, and Kansas, recently released figures showing the progress of the rural rehabilitation program to July 31, 1937.

Since the inception of the rural rehabilitation program in this region up to July, 1937, cooperative and rural rehabilitation loans have been made to 21,259 clients. The total amount loaned to individuals in this region is \$8,063,892.32. This does not include corporation funds.

Robert C. Land, county supervisor for the Farm Security Administration in Hall County, and Armstrong counties, reports that the Farm Security has made loans to 231 farmers in the (Continued on page 5)

## Memphis and Lefors Clash Here Friday Night In Conference Football Contest

Smarting from a 12-6 defeat administered them here last Friday night by the Canyon High School Eagles, the Memphis football players will tangle with the Lefors Pirates in a conference clash at the Cyclone Stadium here Friday night at 8 o'clock.

The Memphis-Lefors games in the past have been hard-fought affairs, and local grid fans are expecting this year's game to be no exception.

Coaches Frank Hubbell and Wilson Dees have been working their gridsters over time this week to iron out the weaknesses that cropped up in last Friday's fracas. And the coaches are confident that they will put a better offensive and a better defensive team on the field against the Buccaneers.

"And it will take a better team," Coach Hubbell stated. "For the Lefors team is going to be hard to stop this year." He pointed out that the Pirates beat the Mobeette Hornets by the wide margin of 44-0, while the local crew downed the Hornets by a 12-0 count.

Lefors has an all-district backfield ace from last year's squad, Carrouth, a 165-pound slippery triple-threat man, is the mainstay of the Pirate attack, as the local gridmen who played against him last year will vouchsafe.

A large group of Lefors fans is expected to accompany their team to Memphis, and local school officials are predicting the best crowd of the season so far this year.

The probable starting line-up: Memphis—James Evans and Blackburn Montgomery, ends; John Harris and Dennis Sanders, tackles; A. J. Clark and Paul Dodson, guards; Leroy Robinson, center; Eugene Lindsey and Jack Foster, halfbacks; Talmadge Pounds, quarterback; Billy Polk Hall, fullback.

Lefors—J. Fate and B. Ellington, ends; R. Williamson and J. Denton, tackles; C. Hext and E. Pierce, guards; F. Robertson, center; C. Walsh and E. Taylor, halfbacks; R. Carrouth, quarterback; J. Jackson, fullback.

## Father of Local Woman Succumbs

County Clerk and Mrs. Floyd Springer received a telegram Wednesday morning of this week stating that Mrs. Springer's father, A. A. Canady, a former resident of Hall County, had died in a hospital in Nashville, Tenn. Wednesday morning following a short illness of pneumonia. Mr. Canady was 75 years of age.

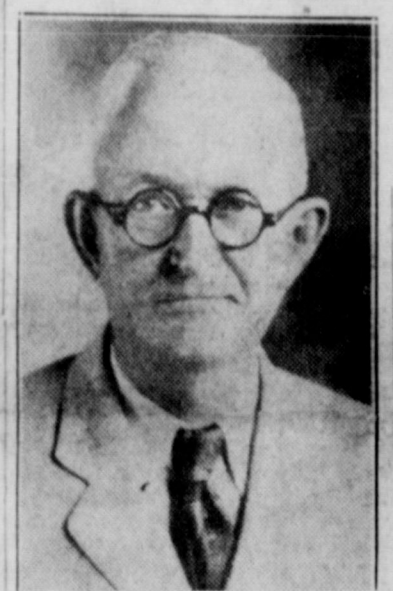

The deceased was a resident of Pampa and had been visiting relatives in Nashville when he was stricken with pneumonia.

He was a resident of Hall County for a number of years, moving from this section some 20 years ago.

The body was taken to Denver, where burial services will be held Friday of this week. Mr. and Mrs. Springer left Memphis Wednesday night for Denver to attend the funeral.

Besides Mrs. Springer and Mrs. R. R. Gill of Lakeview, daughters, Mr. Canady is survived by his wife, two sons, W. S. of Los Angeles and Arthur of Overton, and two daughters, Mrs. George Pille of Denver and Mrs. Jack Graff of Pampa.

## Would Save Soil

County Judge M. O. Goodpasture would save the riches of the soil and bring back this section of the country to the place it once held as the "bread basket of the nation." He spoke on water and soil conservation here Tuesday.

## COUNTY JUDGE URGES AID IN EROSION FIGHT

### Addresses Rotarians On Conservation In Panhandle

County Judge M. O. Goodpasture addressed Memphis Rotarians at the weekly luncheon of the Rotary Club Tuesday noon, discussing the Panhandle Water Conservation Authority and its purposes. Judge Goodpasture, a member of the board of directors of the organization, urged cooperation with the conservation movement in a fight on wind and water erosion in the Panhandle. Judge Goodpasture said in part:

The plan of the government is not merely to provide work for the unemployed, but to be an investment that will benefit the people both now and in the years hereafter. All public land has been settled, and those coming after will have to use the land that is now in use—most of it being abused and allowed to erode by wind and (Continued on page 5)

## 495 Bales of Cotton Are Ginned in Hall County By Sept. 16

Four hundred and ninety-five bales of cotton, counting round as half bales, were ginned in Hall County from the crop of 1937 prior to September 16, according to Lee Rushing of Memphis.

Mr. Rushing gathers the figures for the Department of Commerce Bureau of the Census, Washington.

The 495 bales of cotton compare with 452 bales ginned to September 16, 1936.

# Memphis Joins In Observance of National Fire Prevention Week

## OCTOBER 3-9 SET ASIDE AS SAFETY WEEK

### Local Mayor Issues Proclamation; Asks People To Help

City officials and the Memphis Fire Department are uniting in urging the observance of the period from Sunday, October 3, to Saturday, October 9, as Fire Prevention Week in Memphis.

Fire uncontrolled is one of the most serious problems that confronts the nation today, by reason of the fact that it has taken a heavy toll in the number of people burned to death annually and by reason of the fact that this form of waste has proven to be a heavy financial burden on each of our citizens, Fire Marshal Ed McCreary stated in urging that every person in the Memphis area join in making the community free from fires.

Mayor J. Claude Wells issued a proclamation this week setting aside the period of October 3-9 as Fire Prevention Week in Memphis, and called for the cooperation of every man, woman, and child in lessening the fire hazards.

Fire Chief Alvin Massey and Fire Marshal McCreary are urging that houses, buildings, yards, and alleys be cleared of rubbish as a means of preventing fires.

Talks on fire prevention will probably be made in the local school system during Fire Prevention Week, it was stated.

Marvin Hill of the State Board of Insurance Commissioners stated that a pleasant fire prevention thought is expressed as follows: "The fire that never starts will never get out of control." Fire destroys both human life and property; fire losses have a direct bearing upon the fire insurance rates which the people pay, he pointed out.

Fires can be controlled, but fires will never be controlled until all the people accept fire prevention as an individual responsibility. Fire prevention is a habit and easily acquired, and most pleasant to practice, because it is by such practice that a life may be saved or a disastrous fire prevented.

## FIRE PREVENTION PROCLAMATION

KNOW ALL MEN, WOMEN AND CHILDREN

By these Presents:

That, WHEREAS the health, happiness, life and safety and general welfare of each citizen are dependent upon existing living conditions, and

WHEREAS, the lives and property of our people are endangered by fire caused by rubbish accumulations in homes, offices, stores, factories, alleys and streets, and

WHEREAS, a city is judged largely by its general appearance of cleanliness, freshness and beauty, and

WHEREAS, fire to a very large degree is preventable by the proper appliance of education of education in fire prevention and fire protection;

NOW, THEREFORE, I, J. Claude Wells, Mayor of the City of Memphis, do hereby proclaim the week of October 3 to 9 as FIRE PREVENTION WEEK, during which week I most respectfully urge our civic and commercial organizations, our school officials and teachers and our citizenship as a whole, to cooperate and work with the fire chief, fire marshal and city officials in an effort to control this useless loss of life and property by fire. Every home, office and place of business should be inspected carefully and all fire hazards removed.

IN TESTIMONY WHEREOF, I hereunto sign my name and affix my seal of office on this the 27 day of September, A. D. 1937.

J. CLAUDE WELLS  
Mayor

## Fire Prevention Week To Be Observed Here And Over State October 3 To 9

Urging state-wide observance of the annual Fire Prevention Week, Marvin Hill, fire insurance commissioner, has written over 425 mayors of Texas cities and towns requesting their continued support of what he terms a "most profitable and worthwhile civic project." The week of October 3 to 9 has been chosen and appropriately named, Fire Prevention Week of 1937. It will be observed in Memphis.

Adding impetus to the movement, Commissioner Hill stated, Fire Marshal McCreary stated his approval of the exceedingly low fire loss in Memphis in recent months, and stated that the fire loss could be even lower with full cooperation of the township.

He called attention to the fact that chimneys, flues, and fire places should be inspected for any defects prior to their coming into use in the cold weather.

issued by Governor Allred requesting cooperation and support from "every Texan interested in performing a distinct service to his state, to his community, and to himself."

"Fire uncontrolled is one of the most serious problems that confronts us today," Hall declared in his letter to Texas mayors. "For years it has taken far too heavy a toll in life and property. May we suggest that you and your city officials, fire marshal, fire chief and his department begin making preparations at once for the proper observance of Fire Prevention Week this year."

Tersely expressing the theme of the Week's activities, Hall wrote: "The fire that never starts will never get out of control. Fires can be controlled, but not until every single Texan citizen accepts fire prevention as his individual responsibility."

"Since fire losses have a direct bearing upon the fire insurance rates which the people pay," Hall explained, "there are a great many practical benefits occurring from effective fire prevention. Fire prevention is a habit and easily acquired; and it is most pleasant to practice, for by practicing it, a life may be saved or a disastrous fire prevented."

## LOSS BY FIRE FOR MEMPHIS AT MINIMUM

Only \$1,000 Loss Is Reported Here For Past 11 Months

The fire loss in Memphis for the past 11 months, which covers the time that City Fire Marshal Edd McCreary has been in office, has been almost negligible.

During the past 11 months only nine fires resulting in property losses have broken out in the Memphis city limits. The total damage of eight of these fires as reported by Fire Marshal McCreary is \$664.60.

The damage resulting from the other conflagration, in which a wholesale gasoline storage tank, a platform, and an oil truck were destroyed, has not been announced by the Cities Service company, but it is thought to be more than any other single fire.

The total fire loss for the entire period is approximately \$1,000.

Mr. McCreary pointed out that the above figures do not include automobile fires, of which there have been two or three.

Several trash fires have also occurred in the past several months from which no damage resulted.

The light fire loss in Memphis is resulting in low fire insurance rates.

### ATTEND FUNERAL

Mr. and Mrs. W. M. Davis and their daughter, Mrs. Berchie Bradshaw and her daughter Sandra Lee, left Memphis last Friday for Wichita, Kan., on account of the illness of Mrs. Davis' brother-in-law, Elmer Davis. Mr. Davis died Saturday.

## MEMPHIS SCHOOLS TAKE PART IN NATIONAL FIRE PREVENTION WEEK

Memphis public schools are joining in the observance of National Fire Prevention Week, which is being observed in every county and in every state of the union this week, in a drive to make all school buildings free from fire hazards.

Schools in Memphis, the county, and over the state received fire prevention bulletins last week to be used during Fire Prevention Week, October 3-9.

The pamphlet contains a course of study for different age levels and outlines programs and activities for the various ages. Questionnaires and inspection blanks for the home, school, and laboratory are included, as well as fire drills.

Suggestions for posters to be

made in connection with Fire Prevention Week are shown in the booklet. One hundred and five dollars in prizes will be offered by the fire division of the Insurance Commission for posters submitted by the schools. Prize-winning posters will be used in exhibits for fairs, conventions, and other public gatherings.

Last year several Memphis students placed high in the state contest in the fire prevention posters, and some of the local classes are again making posters and writing themes on the fire prevention topic.

Fire Prevention Week is observed in a measure by the Memphis schools every week of the school year, as regular fire drills are a part of the school activities.

## Hogland Grocery, Modern Institution

Located at 105 South 5th in Memphis the Hogland Mercantile Grocery is a splendid example of the Modern Progressive Grocery Store. Home owned and home managed, it has served Memphis and Hall County for 27 years with food supplies of all kinds. J. L. Barnes, Co-Owner and Manager.

According to the research department of the National Association of Retail Grocers, this, the year of 1937, marks the 300th anniversary of the birth of the privately owned grocery store in the United States. Prior to 1637, according to their statistics, organized food distribution in America was a corporate monopoly. Up to that time the "Governor & Company of the Massachusetts Bay in New England" operated commissaries as a sort of community enterprise. The "Virginia Company" followed a similar fashion. In 1637, however it was proclaimed that individuals might own and operate retail grocery establishments as private enterprises.

Thus, the privately owned retail grocery was born but from that time on the pioneer grocer was a pioneer in a pioneer country and for many years stores carrying as many as 16 imported articles and 30 local commodities were classed as elaborate. In fact until as recently as 1900 the grocery business was in what we now call the "Cracker-barrel" era, when dry groceries were sold out of barrels and boxes, which made ideal rodent centers, one look at which would convince the present day patron that it might be safer to starve. The advent of dry groceries put up in cartons marked the beginning of the "sanitary package" era and was a forerunner to the clean, well ordered food supply store such as the Hogland Mercantile operates in Memphis. At Hogland's, all stocks are conveniently arranged, packed to insure sanitary handling and branded so that you may easily choose those whose quality and taste are most appealing to you.

Hundreds of items in canned goods which are products of nationally known manufacturers as well as a complete line of fresh

fruits and vegetables, without regard to the time of year or distance from source of production, make this a popular supply point for Memphis and Hall County housewives.

Orders are filled quickly and pleasantly and they extend the same courtesy and attention to each patron irrespective of the amount expended. In fact during their 27 years of service their sincere desire has been to serve you in such a way as to make a lasting friend of you.

## 1937 ESTELLINE GRID SCHEDULE

The remainder of the 1937 football schedule for the Estelline High School Bear Cubs is as follows:

- October 1—Estelline at Floydada.
- October 9—Open.
- October 15—Silverton at Estelline.
- October 22—Lockney at Estelline.
- October 29—Estelline at Paducah.
- November 5—Turkey at Estelline.
- November 11—Open.
- November 19—Spur at Estelline.

## Locals and Personals

Mrs. D. A. Grundy and Mrs. J. William Mason returned Thursday of last week from Dallas where they attended the Baptist State Executive Board meeting in session Tuesday and Wednesday. They were accompanied by Dallas by Una and H. C. Loard, who visited with their sister, Mrs. Ed Hamilton.

C. E. Swift and children, Eugene and Elwanda, of Carlsbad, N. M., came Sunday after Mrs. Swift who had been here for three weeks visiting with her parents, Mr. and Mrs. F. T. McCarver. They went to Wichita Falls and spent Sunday night with Mr. and Mrs. E. M. Ewen and returned here Monday en route home.

J. Y. Welch, lawyer of Quanah, attended district court in Memphis Monday.

THE MAN'S STORE

Lbr. Co. for Building Values

and yet they represent the most in utility value. The above are all important features of this firm's service to the public but perhaps the greatest single value they offer is one that costs their patrons nothing—namely—their 50 years (over 25 of which have been spent in Memphis) of buying, merchandising and home building experience. These 50 years have taught the Woodriddle Lumber Company the true meaning of economy; that cheap materials are never economical, especially in building a home. These 50 years of experience have also taught this firm that certain kinds of materials deteriorate sooner than others and that some expensive materials are no better than some that are less expensive. All this experience they gladly pass on free to their customers, and through it they are often saved, not only the inconvenience of sad mistakes but many dollars as well. The Woodriddle Lumber Company invites you to visit them when shopping for building materials of any kind and allow them to show you the savings, convenience, and satisfaction which they make available.

ATTEND FUNERAL IN WELLINGTON MONDAY

Mrs. O. K. Stephenson and daughter Elsie, Mr. and Mrs. Seth Thomason, Mr. and Mrs. Clyde Read and Mr. and Mrs. F. M. Guinn of this city and Mr. and Mrs. Elmer Cheek of Brice and Mr. and Mrs. Herman Hearne of Sunray went to Wellington Monday afternoon to attend the funeral of Mr. and Mrs. Gwinn's granddaughter, Miss Mae Pearl Dodd, who died at the home of her parents, Mr. and Mrs. Manley Dodd, in Wellington Sunday following a two-week illness. Burial was in the Wellington cemetery.

Mrs. Seth Pallmeyer, Mrs. Bill Kesterson, and Mrs. Dick Watson went to Amarillo Monday to meet Mrs. C. H. Zimmerman of Los Angeles, who will spend the winter in Memphis with her sister, Mrs. L. T. Offield, and her nieces, Mrs. Pallmeyer and Mrs. Kesterson.

A. H. Miller Has Winning Rabbits In Amarillo Fair

Art Miller, Memphis rabbit fancier, won a large share of the top honors in the rabbit show sponsored by the Amarillo Rabbit and Cavy Breeders' Association at the Tri-State Fair in Amarillo last week. "Some of the finest rabbits ever shown were entered at Amarillo," the judges stated. Among the prizes which Mr. Miller won were first, second, and fourth places in the Havana Senior Buck division, the best Havana rabbit in the show, first place in the Havana Senior Doe division, second place in the Havana Junior Buck division, and fourth place in the Havana Junior Doe division. Mr. Miller had the best display of New Zealand Whites, and won first place in the New Zealand White Senior Buck division, with the best New Zealand White in the show. He won first in the New Zealand White Senior Doe division, and first in the Junior Doe division.

In the Normal Fur Class, Mr. Miller's rabbits, with an exhibit of six, won first place.

Mr. Miller has entered exhibits in fairs for a number of years in a number of states over the nation, always placing high in the judging.

WPA Heads Miscue To Keep Laborers From Cotton Work

WPA projects have not been closed down over the county as yet, despite action taken by the county commissioners in requesting the district headquarters to close the road projects here temporarily so as to allow the men to help gather the cotton crops of the county.

The district WPA headquarters misunderstood the date that was requested for closing the jobs which was September 23; and as a result the men will continue on the WPA work until October 7. At that time some 250 WPA laborers in the county will be turned loose from the projects to work in the cotton fields.

A large number of pickers have moved into the county from the south and north, but others are needed, it is said.

hear and their in haul countie

Bowen Cox, local typing instructor, is using a new method of teaching in his typing classes. He uses phonograph records, especially made for the purpose, to make the student type in rhythm. The students cannot as yet type to "Twelfth Street Rag," he said.

Fred Estes Jr. from Hong Kong, China, has been in the Memphis vicinity for the past few days, visiting his cousin H. B. Estes and other relatives and friends. Mr. Estes, a radio operator on a steamship, stated that he left Hong Kong before the Chinese-Japanese fighting reached there, although fighting was going on in the North before he left. Mr. Estes, who has traveled extensively, is a graduate of the Memphis High School.

Eight carloads of cattle were shipped out of Turkey last week.

Visitors to The Democrat office last Friday morning were surprised to see a lion in the office. The cub lion was brought in by Bill Antes, publicity manager for the Russell Bros. Circus; and it scampered about the office for 30 minutes or so.

Antes is editor of a Wisconsin newspaper, and is traveling with the circus on his vacation. He writes a daily column for his paper about his travels over the nation, and the column he sent out from here dealt with the cowboys of Hall County. He said in his column that the West Texas cowboys still ride horses, wear big hats, and carry six-shooters.

An Estelline football player, Monte Bob Moore, son of Mr. and Mrs. R. E. Moore of Estelline, received treatment in a hospital at Childress last week for a serious hip injury which he received in a practice scrimmage session.

Hall County taxpayers have been invited to attend a meeting of taxpayers of the state in the Hotel Stephen F. Austin in Austin on October 5 for the purpose of re-organizing the State Taxpayers Association and protesting against further tax levies.

Supt. Lee Vardy has announced that the Turkey schools are now turning out an hour or so early every day to allow the students to help gather the heavy cotton crops in that sector. The schools take up early and have only 30 minutes off for lunch. Supt. J. T. Duncan of Estelline stated here Monday that his school may have to work out some similar plan.

Several students of this county have stated their desire to enroll in a class similar to one taught at the University of Texas. The U. of T. conducts a class in sleeping. It is termed a "rest course," is credited and is limited to girl students.

Tom Ballew, formerly of Memphis but now a resident of Los Angeles, writes for The Democrat to be sent to his address. "It is just like getting a letter from home and I cannot do without it," he wrote.

Typewriter ribbons for both standard and portable makes are carried in stock at The Democrat office. Also most anything in the office supply line are kept on hand.

Miss Ollie Brown of Hall County, now teaching at Laketon, Texas, writes, "I get lonesome for 'home news,' and want you to send The Democrat to me for the term of school."

Lakeview Gridders Lose To Shamrock

SHAMROCK.—An 18-year old sprint over the goal line by Sutterfield early in the first quarter of the game sent the Shamrock Irishment on a scoring spree and a victory of 35-0 over the Lakeview Eagles here last Friday night. The Lakeview aggregation had held a pre-game edge over the Shamrock crew.

CARD OF THANKS

We wish to take this means of gratefully acknowledging the many deeds of kindness extended to us by the doctor, and by our friends and neighbors during Mrs. Hawkins' illness. Your thoughtfulness in bringing flowers and food added to her comfort. Your offers of assistance are also appreciated.

J. F. Hawkins. Mrs. Lena Young and Family. E. V. Hawkins. J. Lesley Hawkins.

MEMPHIS MATTRESS FACTORY Renovating and new mattresses. Special prices on new mattresses. 300 NORTH FIFTH STREET W. H. Hawthorn

Waples-Platter, Tri-State Institution

Originally established in Denison, Texas, in 1873, or 64 years ago, The Waples-Platter Co. has since expanded into an organization with twelve houses—of which the Memphis branch, managed by O. F. Jones, is an important unit—serving practically all of Texas and parts of Oklahoma and New Mexico. Wholesalers and distributors of White Swan and Wapco Brands of food products of all kinds.

Of the business organizations which have helped in making Texas one of the nation's richest and most colorful commonwealths—celebrated last year and this by the Centennial and Greater Texas Exposition at Dallas—none has played a more important or honorable role than the Waples-Platter Company. Originally established on the banks of the Red River in 1873 at what is now Denison, Texas, this company's growth has since then been one of which they may well feel proud. Main offices have since been moved to Fort Worth and branch houses have been established at strategic points throughout Texas and in parts of Oklahoma and New Mexico. These houses, of which the Memphis branch is an important unit, are thoroughly stocked sources of supply for all retail dealers in food supplies of all kinds. They also have factories covering over 20 acres of land in Fort Worth, one of which is the largest independent box factory in the world, making ice boxes, soda water cases and boxes of all kinds. Other factories there make White Swan brands of salad dressing, vinegar, tra, a full line of canned beans including ranch

style beans—black-eyed peas, pork and beans, kidney beans, and many other White Swan and Wapco brands of food products. This unprecedented growth and expansion of the Waples-Platter Company is due in a large measure to the unquestionably superior quality of these brands. Practically every canned food item is available under these two labels. White Swan Coffee for example which is imported, roasted, and packed by the Waples-Platter Co., at their Dallas Plant, is a product of unexcelled quality and a favor-

ite with all who have used it. The Waples Platter Co., can fill orders the same day they are received if desired, and this service enables local retailers to order daily the items needed to keep their stock complete and thereby keep investment down to a minimum. Ask for White Swan, Wapco brands of food products at your store and not only be sure of the best but do your share in supporting a locally established firm.

# CHURCHES

## PRESBYTERIAN CHURCH

**Home Coming and Rally Day**  
Next Sunday is designated as "Home Coming" day and unusual interest is centering around this special occasion for many reasons. All former pastors and members of the Memphis Church are receiving a special invitation to attend the all day service.

The following ministers who were pastors here in other years have been invited and we shall hope at least some of these may be able to come: Rev. R. T. Caldwell, of Cheyenne, Wyo.; Rev. W. T. Swain of Knoxville, Tenn.; Rev. Eugene B. Kuntz, of Clovis, N. M.; Rev. C. E. Richter, of

Sacramento, Calif.; and Rev. J. A. MacMillan, of Brady, Texas.

Beginning at the usual Sunday School hour 9:45 and preaching service at 11 a. m., after which the ladies of the church will serve lunch in the spacious dining room of the building.

The afternoon hours will be largely in the feature of a "Sing Song" occasion to which all lovers of music and song are invited. Many of the old time songs will be enjoyed by friends and neighbors.

The evening service will close with "Communion of our Lord's Supper." Let us make it a day of happiness and gladness for all who attend.

Where address of former members have not been obtained, and if by the means of this or other papers you read the account of the day, please come right on and enjoy the day fully with us. Prayer and love will bring to you a blessed day in service.

E. C. GARGILL, Pastor.

## FIRST BAPTIST CHURCH

Rev. J. Wm. Mason, Pastor  
Sunday morning is the regular time for the observance of the Lord's Supper, therefore the pastor will bring a message on the subject, "In Remembrance of Me" using as the scripture I Cor. 11:23-26. We trust that every member of the church will be in the service Sunday morning for this quarterly observance, and we trust that all will remember that

we do this in remembrance of the One who died on Calvary for us.

For the evening message the pastor will use the subject, "What Men Live By." Dr. Cabot of Harvard once gave us this phrase: "We wonder if you will be in agreement with what this great educator said. What do you think that Jesus would say that we live by? We shall discuss this especially so the young people of the community will be interested in it."

The Sunday school and the B. T. U. are both ready for a good year's work. Will you join in with us in the greatest undertaking that our church has made? We need you, and in succeeding we know that we must depend on you doing your part. We're counting on you!

## CHURCH OF CHRIST

Lakeview, Texas  
C. L. Taylor, Minister. Preaching the first and third Sundays in each month. Bible study each Wednesday evening at 7:30 o'clock.

F. E. McGonigal of Fort Worth, vice president of the State Reserve Insurance Co., spent Wednesday and Thursday here with the local agent, C. A. Reynolds.

Mrs. Mary Ellen Guthrie, nurse at the Odum Hospital, made a business trip to Vernon Thursday.

"Uncle John" Robertson, pioneer Hall County resident who resides near Lakeview, is reported to be seriously ill.

Mrs. Hollis Boren left Thursday for a few days visit with her daughter Jackie, student at T. C. U. in Fort Worth, and her son Bill Joe who is enrolled at A. & M. at College Station. She was accompanied by J. C. Webster, who will visit his brother Lon Webster, in Fort Worth.

## Name It!

(Continued from page 1)

the cow if she dies; but he is permitted no deduction for medical expenses if his wife is ill, nor any deductions, even for funeral expenses, if she dies. Perhaps that is why most farmers have several cows but only one wife.

Farmers of this section certainly have something to complain about, especially the cotton situation. But the latest complaint being made by one farmer is about the big crop he is getting this year. He says it is so hard on the soil.

Three weeks ago The Memphis Democrat published a ten-page cotton section—something that had never before been attempted in this section of the country or any other section of the United States for that matter, according to the best of our knowledge. Last week The Dickens County Times, using The Democrat for a pattern, published a like section. Other papers of the Panhandle are planning to do likewise.

This is mentioned just to let the home people know that The Democrat does not lag behind as a newspaper, but is always striving to stay in the lead—and there are some fine papers over the district.

The cotton section idea was Earnest E. Hayley's own, and he put it over in a big way. Hayley is advertising manager for The Democrat, and knows his onions also cotton.

Drivers of automobiles should not wait until they start to swing on a left turn before holding out their hands and think they are being courteous to the driver behind. The hand should be held out at least 75 feet before starting to swing left. It gives the driver following a chance to slow up.

The best way to build up the trade of a community and extend its reputation and trade territory is to do the things that make the town a desirable place in which to trade, says a Midwest newspaper. First among these are good stores, well arranged, with good stocks properly merchandised and advertised. The next most important thing is the dissemination of a feeling over the trade territory that the business men of the community are as much interested in the customer from a standpoint of service as they are from a profit standpoint. When this feeling prevails in a trade area it is not necessary to resort to high pressure schemes to get business, either games of chance, drawings for prizes or other supposed trade stimulants. These are like a shot of a drug in the arm, they soon play out, and bigger and better doses are required.

The Democrat has repeatedly urged the business men of Memphis to adopt a plan whereby any advertising scheme would have to receive the OK of a committee before the solicitor, especially an outside man, would be allowed to solicit.

No attention has been paid to the urgent appeal. Any scheme, whether with merit or without can be put on, and the bulk of the price charged for such advertising is taken out of town to be spent in some other man's town. Warning after warning has appeared time after time in daily and weekly newspapers of Texas and other states concerning such schemes, but to little avail.

Stranger-solicitors usually tell the business men they are working for The Democrat, when all they do is to contract for advertising space in the paper and pay the regular rate per inch in cash, and they charge the advertiser enough over that amount to make a good living and traveling expenses.

The Democrat is then censured for taking the advertising. Advertising is to The Democrat what merchandise is to a retail business. How many retailers would refuse to sell goods to a person

from some other city, county, or state?

All business men of Memphis know the names of the printers, advertising solicitors, and editors and reporters of The Democrat. When a stranger calls and says he is with The Democrat, check up on him before going any further into the proposition he is offering.

Since the article concerning money flowing into Memphis appeared in the Star-Telegram this week, we may expect plenty of outsiders working plenty of different schemes to get plenty of the said Memphis money.

## "LET ME LIVE FAR AWAY"

(From the Storm Lake (Minn.) Pilot-Tribune)

Let me live in a house away from the road where the cars and the trucks go by; where the noise and the din and the rattle of tin, ring loud through the midnight sky.

Where the siren shrieks like a fire alarm and backfires like cannon roar. I've sold that shack and I'm not going back to live there any more.

The maple that stood where it looked so good, with seats beneath its shade, was hit by a truck—it was my hard luck—when the brakes failed down the grade.

The sparkling spring with its babbling brook that flowed through the meadow green, along its brink looks a bit like ink, and it smells like gasoline.

I'd like to live by the side of the road and be a friend to man; and freely give of the life I live, but I don't believe I can.

I've lost my nerve watching Dead Man's Curve, where the maimed and the dying call, where through the night from a glaring light, strange ghosts dance on my wall.

I'm moving back from that old race track, from the din and the traffic's roar, to a little home where the roses bloom and the birds sing 'round my door, where the trees in bloom give a sweet perfume—a part of an infinite plan; where the sun shines bright and I sleep all night and feel like a friend to man.

## Hundreds Of—

(Continued from page 1)

the hardships we have been forced to endure in this section in the past few years," he declared. "I am proud to be a West Texan," he said.

Mr. Jones quoted Alexander Hamilton as saying the tariff was to the disadvantage of the farmer and rancher, and that there should be some subsidy to offset the tariff. "I am in favor of a tariff for all, or a tariff for none," Jones shouted.

The farm official told of the fight on the tariff problem which was made for years. But the fight against the tariff was finally abandoned for a fight for a final farm program, he said.

Congressman Jones stated that the present farm program is not perfect, but that it is much better than no program at all. He compared it to early inventions, such as the early automobile and airplane, saying that the early models were not perfect but that they were a start.

The speaker stated that he favors economy in business and in government, and hinted that the public works program should be curtailed now that business conditions are improving.

He stated that the reason recovery has been so slow is that the country was down with "Hoover Sickness" when the Roosevelt administration began. He upheld Roosevelt as a man of action, averring that the presidents from 1920 to 1932 could not and would not do anything for the people.

Congressman Jones stated that a new farm program will be worked out with the present Soil Con-

## Gold Star Mothers Are Honored By American Legion Auxiliary

Open house was held last Sunday from 3:30 to 5 o'clock at the home of Mrs. D. J. Morgensen to honor the Gold Star Mothers Mrs. E. C. Cargill and Mrs. W. S. Gooch. During the entertaining hours appropriate piano selections were played by Mrs. Margaret Morgan. The guests were received, registered in a gold star-shaped register, and were presented to the guests of honor by Mrs. D. J. Morgensen.

The open house was given by the American Legion Auxiliary in observance of Gold Star Mothers Day, which was set by proclamation by President Roosevelt for September 26.

The Morgensen home presented a colorful appearance with mixed bouquets of golden rod, cosmos and dahlias in shades of yellow used in profusion about the reception rooms. An added attraction was the arrangement of a group of flags of the Allied Nations on a table with a bowl of yellow flowers. Refreshments were served by Mrs. L. L. Doss and Mrs. W. Wilson.

Mrs. Cargill's son, Myrtle Beverly Cargill, was born in 1896 at Alpha, La.; enlisted at Dallas, Texas, May 30, 1917, in 74th Co., 6th Regt., U. S. Marines; was gassed while in action April 11, 1918, and died April 24, 1918; and was buried at Romains, France. Mrs. Cargill made the pilgrimage in 1930 with the Gold Star Mothers and visited her son's burial place.

Mrs. Gooch's son, Glynn Gooch, was born in 1895 at Saint Jo; enlisted here June 24, 1917, with Co. H, 142d Inf., 36th Div., U. S. Army; was wounded at St. Etienne, France, October 8, 1918, and died October 11. The body was brought to Memphis for burial in 1922.

## Baptist W. M. S. Has Bible Study At Church Monday

The W. M. S. of the Baptist Church met Monday afternoon at 3 o'clock for Bible study.

"Standing on the Promises" was used for the opening song, followed with prayer by Mrs. Lloyd Phillips. Mrs. R. E. L. Pattillo brought a wonderful devotional from the first two chapters of John. Then the song, "Wonderful Words of Life" was sung by the group. Mrs. J. H. Smith gave the closing prayer.

Year books for the new year were distributed to the members that were present.

Those in attendance were: Mrs. Harry Womack, Mrs. A. Baldwin, Mrs. L. G. Rasco, Mrs. L. O. Dennis, Mrs. Alvin Massey, Mrs. E. T. Prater, Mrs. Glen Carlos, Mrs. Sam Foxhall, Mrs. R. E. L. Pattillo, Mrs. J. H. Smith, Mrs. Frank Smith, Mrs. J. S. McMurry, Mrs. Leon Randolph, Mrs. William Hood, Mrs. Lee Thornton, Mrs. Clarence Partain, Mrs. W. Lee Williams, Mrs. Jodie J. Wilson, Mrs. W. T. Hightower, Mrs. T. R. Garrett, Mrs. J. William Mason, Mrs. H. B. Gilmore, Mrs. George Cullin, Mrs. Lloyd Phillips, Mrs. N. M. Lindsey, Mrs. Emma Baskerville, Mrs. Bill Smith, Mrs. R. L. Stucky, Mrs. A. J. Joyce, Mrs. H. C. Crow, Mrs. W. J. Bragg, Mrs. W. L. Wheat, and Mrs. John Barber.

## P. O. P. Club Meets With Billy Prater

The recent S. O. S. Club, now the P. O. P. Club, met Thursday afternoon, September 23, at the home of Billy Prater, 203 East Main street.

During the business session officers were elected as follows: Jane Tarver, president; Genevieve McCool, secretary; Betty Sue Fultz, treasurer; and Billy Jo Prater, reporter.

After the business session refreshments were served by the hostess to Jane Tarver, Genevieve McCool, Frances Simmons, Betty Sue Fultz, Frances Ann Compton, Gloria Scott, and June Edmondson.

## Plaska Needle Club Meets With Mrs. Doyle Hall Sept. 28

The Plaska Needle Club met Tuesday afternoon, September 28, at the home of Mrs. Doyle Hall.

The afternoon was spent in quilting and piecing quilts with the following attending: Mrs. L. A. Bray, Mrs. W. T. Davis, Mrs. Ernest Foster, Mrs. Harold Hodges, Mrs. C. W. Jones, Mrs. T. I. McWhorter, Mrs. E. T. Montgomery, Mrs. J. E. Murdock, Mrs. W. L. Nabers, Mrs. Floyd Davis, Miss Nina Provence, Mrs. Hubert Hall, Mrs. K. D. Nabers, and Mrs. J. L. White.

Visitors were Mrs. Sallie Smith, Mrs. Emma Chapman of Waco, and Mrs. G. D. Hall.

## Memphis Gold Star Mothers

## Lakeview Baptist W. M. S. Meets With Mrs. Robert Milton

The Lakeview Baptist W. M. S. met in the home of Mrs. Robert Milton Monday afternoon, September 27, for their regular monthly missionary program.

The meeting was opened with the song, "Send the Light" which was followed with prayer led by Mrs. Phillips.

After the business session an interesting program on "The Japanese" was presented with Mrs. Ernest Moreland in charge, with the following taking part: Mrs. R. L. Milton, Mrs. R. M. Holt, Mrs. F. J. Schilling, Mrs. R. G. Brister, Mrs. E. Moreland, Mrs. Phillips, Mrs. W. H. Davis, and Mrs. C. J. Reed.

On account of the erection of the new church the women are meeting in the various homes. Next Monday the society will meet in the home of Mrs. F. J. Schilling.

During the social hour the hostess served delicious refreshments.

## Presbyterian Missionary Circle Has Meeting

The Missionary Circle of the Presbyterian church met Monday afternoon at 3 o'clock at the church, with Mrs. J. C. Ross leader of the program.

The meeting was opened by singing "Near the Cross." Mrs. Cargill gave the devotional on "Thy Grow in Using My Life for Him", followed with circle of prayer. Mrs. S. S. Montgomery gave an interesting article from the mission magazine entitled, "Youth Always Loved the Drum"; Mrs. P. M. Fitzgerald gave an interesting one on, "Forward With God" and Mrs. J. A. Grundy, one on, "In Memoriam."

Members present were: Mrs. Mamie VanPelt, Mrs. E. C. Cargill, Mrs. P. M. Fitzgerald, Mrs. D. J. Parker, Mrs. A. A. Dunlap, Mrs. J. A. Grundy, Mrs. J. C. Ross, and Mrs. S. S. Montgomery.

The meeting closed with the Mizpah benediction.

## Locals and Personals

Mrs. J. F. Hawkins, who has been seriously ill for the past several weeks, is sufficiently recovered to drive down town in a car for a short time each day.

Mrs. W. D. Orr went to Abilene Sunday on account of the illness of her daughter Virginia who is attending A. C. C. Miss Orr accompanied her mother to Memphis Monday to remain until she recovers.

Mrs. Grady Hill of Estelline was a visitor in Memphis Monday. Mr. and Mrs. J. M. Lane of Memphis and Mrs. D. C. Brooks of Wellington went to Olton Thursday of this week to spend the day with their brother and son, Grady C. Brooks.

Wyley Stuart and G. L. Tipton made a business trip to Pampa, McLean, and Shamrock Friday of last week.

Bill Holland of Estelline was a Memphis business visitor Wednesday.

Floyd Stout of Estelline, Carl Stout of Dilley, and Cooper Stout of Amarillo were Memphis visitors Monday and Tuesday.

Mr. and Mrs. Tom Evans of Lubbock visited with friends in Memphis from Saturday until Tuesday. They were guests of Mr. and Mrs. Joe Webster Sunday. Mr. and Mrs. Evans lived in Hall county before moving to Lubbock.

## Cudds Entertain Thursday Night Bridge Club

Mr. and Mrs. E. E. Cudd entertained members of the Thursday Night Bridge Club at their home, 922 South Seventh street, last Thursday evening.

At the conclusion of a series of games at bridge Mr. and Mrs. George Greenhaw made high score.

Refreshments were served to Mr. and Mrs. H. S. Sams, Mr. and Mrs. Irvin Johnson, Mr. and Mrs. Hal Goodnight, Mr. and Mrs. Frank Garrett, Mr. and Mrs. George Greenhaw, and Mr. and Mrs. Nelson Combest of Childress.

## Pins Presented To Ten Members Of WOW Circle

Members of the W. O. W. Circle met last Thursday evening at 7:30 o'clock at the home of Mrs. E. T. Prater with a large per cent of the membership in attendance.

The purpose of the meeting was to present members of 25 years standing with pins. Judge A. S. Moss made the presentation and address and presented ten members with pins including Mrs. Myrtle Sisk, Mrs. Jennie Sanders, Mrs. Gladys Stephenson, Mrs. Della Guber, Mrs. Prissie Simmons, Mrs. Emma Turner, Mrs. Sarah Christian, Mrs. Della Sisson, and Dr. H. F. Schofield. W. J. Bragg made a talk on the organization and its standing. Mrs. Bragg presided over the meeting.

## Officers Named By Mrs. Baldwin's S. S. Class

Mrs. Byron Baldwin was hostess for her Sunday School Class Monday afternoon at her home at 1213 West Brice street, for a business session.

The beautiful story of Esther was told by Mrs. J. William Mason.

Officers for the coming year were elected as follows: Jo Beth Weatherbee, president; Maurine Reheis, vice president; Mary Smith, secretary; Helen Ruth Hammonds, press reporter; Geneva Kelly, Billy Raye Cypert, and Catherine Walker, group captains. "Estherians" was selected as the name for the class; colors, red and white; motto, love for others; scripture, Esther 4:14; flower, red rose; aim, to find a place for faithful service; class song, "Our Best."

## Parent-Teacher Week Is Set For October 17-23

Governor James V. Allred has declared October 17-23 Texas Parent-Teacher Week in honor of the Texas Congress of Parents and Teachers which on October 19 celebrates its 28th birthday. The chief executive urged that attention be especially centered on child welfare work during the week set aside.

Mrs. M. A. Taylor of Bonham state president, also stated: "Nearly two thousand Congress units will observe the birthday of the Texas branch of the National Congress and pay tribute to its founder, Mrs. Ella Caruthers Porter."

## ATTEND PRESBYTERY

Rev. E. C. Cargill, Dr. M. McNeely, and T. J. Thompson left Memphis Thursday to attend the regular conference of the Amarillo Presbytery, which convened Thursday of this week at Silvertown.

## "Back to School" Is Theme of Sodolitan Class Friday

The Sodolitan Sunday School Class of the First Baptist Church met in the home of Mrs. H. W. Stringer Friday afternoon, September 24, with Mrs. Berl B. Smith and Mrs. H. L. Nelson as assistant hostesses.

Mrs. A. J. Joyce and Mrs. Emma Baskerville were in charge of the program which was opened with the class song, "Blest Be the Tie." Mrs. W. Wilson gave the devotional. "Back to School" was the theme for the afternoon. A contest of sending telegrams to a make believe school with each member taking part caused much merriment when the telegrams were read. This was followed by an interesting chapel program given by a number of the pupils.

A vocal solo was sung by Mrs. Sam Hardy, and Mrs. J. William Mason rendered a piano number. An original poem, "Back to School" was read by Mrs. W. J. Bragg. Mrs. Sam Foxhall gave a very inspirational talk which concluded the program.

The hostesses served a delicious plate with peach a la mode topped with red cherries and banana nut cake to the following members: Mrs. H. L. Griffin, Mrs. Ed Bounland, Mrs. Ottilie Jones, Mrs. N. M. Lindsey, Mrs. J. S. McMurry, Mrs. Maud Shafer, Mrs. Sam Hardy, Mrs. Frank Smith, Mrs. Henry Scott, Mrs. Sam Foxhall, Mrs. J. C. Lamb, Mrs. C. C. Dodson, Mrs. W. Wilson, Mrs. A. J. Joyce, Mrs. E. T. Prater, Mrs. G. C. Baskerville, Mrs. Allie D. Weaver, Mrs. W. J. Bragg, Mrs. J. William Mason, Mrs. Joe Webster, Mrs. John Perkins, Mrs. W. C. Smith, and Mrs. J. H. Smith.

## First Meeting of Year Is Held By Priscilla Club

Mr. and Mrs. G. H. Hattenbach and Mr. and Mrs. H. B. Estes were hosts for the Priscilla Club Tuesday evening for the first meeting of the new club year at the Hattenbach home, 523 South Eighth street.

The living room and dining room was beautifully decorated in an assortment of fall flowers. A delectable two course dinner was served at 7 o'clock from four-course tables centered with red American beauty roses.

After dinner the following guests enjoyed games of "42": Mr. and Mrs. W. C. Davis, Mr. and Mrs. R. E. L. Pattillo, Mr. and Mrs. Louis Goffinet, Mr. and Mrs. Art Miller, Mr. and Mrs. D. A. Neeley, Mr. and Mrs. James Norman, Mr. and Mrs. Troy Brome, Mr. and Mrs. Sam Cowan, Mr. and Mrs. E. E. Roberts, Mrs. R. C. Walker, Mrs. T. R. Garrett, Mr. and Mrs. Seth Palmeyer, Mrs. C. R. Webster, Mr. and Mrs. S. T. Harrison, and the hosts.

At a recent business meeting of the club which was held at the home of Mrs. Hattenbach officers for the new year were elected as follows: Mrs. E. E. Roberts, president; Mrs. D. A. Neeley, vice president; Mrs. W. C. Dickey, secretary-treasurer.

## Plans Are Made for School of Instruction By City, County Parent-Teacher Groups

A school of instruction sponsored by the county council and by the Memphis city council of the Parent-Teacher Associations is to be held in Memphis Saturday, October 9, at the First Methodist Church. Several district Parent-Teacher Association dignitaries from out of the county will attend and take part in the school of instruction.

Every person in the county and area who is interested in child welfare is invited to attend, and a prize of \$25 is being offered to the rural Parent-Teacher Association having the largest percentage of members present for the instruction. Deep Lake school won the prize last year.

There are three units in the city council of the P. T. A. in Memphis and 14 rural organizations.

A luncheon is to be served in the church dining room Saturday noon, and all women are requested to take covered dishes. The school will have a morning and an afternoon session, and a large number is expected to attend.

The program for the morning session: 10 o'clock—call to order. 10 to 12—special projects, library book shelves, Founders Day, state fundamentals, \$25 prize, round-table discussions, 11:30—conferences.

Program for the luncheon: Slogan—"Contact Every Home." Toastmaster—Mrs. W. J. Bragg. Invocation, Rev. Orion W. Carter; reading, "Home," Mrs. Bill Howard; violin solo, Mrs. Cenley

## "White Banners" Is Reviewed Friday By Pathfinders

The Pathfinders Council met in the home of Mrs. Carl Wolf Friday afternoon at 3 o'clock.

A short business session was presided over by the president, Mrs. Lloyd Phillips, and during the session Mrs. Earl Pritchett was elected parliamentary.

A report of the Highway Beautification meeting held in Childress recently was given by Mrs. W. F. McElreath. A shair draped in black gave mute evidence of the loss of one of the members and a memorial service was held in memory of Mrs. Ira Neeley, past president of the club. Resolutions of respect were read by Mrs. Carl Wolf, and the members stood as the club creed was read.

A book review, "White Banners," was interestingly given by Miss Bernice Webster. Lloyd C. Douglas' career was told by Mrs. Phillips.

## City Council PTA To Make Drive For Tennis Court Funds

Mrs. W. J. Bragg, president of the City Council P. T. A., called an executive board meeting Tuesday afternoon, September 28, at 4:45 o'clock in the home of Mrs. Edd Lofland to discuss plans of a finance project with Mrs. Ann Kemper of Dallas, who is special representative of Holland's Magazine.

The board accepted Mrs. Kemper's plan and the Parent-Teacher Associations together with the school will make a special drive for subscriptions and renewals to the Holland's Magazine.

The money secured through this plan is to apply on the tennis court, which will be a supervised place of recreation for the young people of the community.

"Parents, teachers, and friends, please retain your renewals and subscriptions for solicitation by one of this group if you desire to contribute to the welfare of your community as well as read the best magazine of the South," is the appeal made by PTA officials.

A teacher stated that Holland's Magazine is a most useful one in the school work.

W. J. Franks returned to Dallas Thursday morning where he will spend several days for medical treatment. He has been going to Dallas for treatment for the past several months and is much improved.

Mrs. O. K. Stephenson returned Monday morning from Tatum, N. M., where she has been conducting a revival meeting.

Mr. and Mrs. J. F. Waldron of Benjamin spent Sunday night in Memphis as the guests of Mr. and Mrs. H. B. Sams, returning home Monday.

## All-Day Meet By Methodist

## Mrs. R. C. Walker Is Hostess To Mystic Weavers

Mrs. R. C. Walker was hostess to the Mystic Weaver Club Thursday afternoon, September 23.

A profusion of roses and marigolds were used in places of advantage in the entertaining rooms to add to the attractiveness of the occasion.

The business meeting was called to order by the president, Mrs. W. B. DeBerry, who called on the secretary to read the constitution and by-laws of the club. The club was organized in 1912 and there are only three charter members left.

Following the business session interesting roll calls were given and the remainder of the afternoon was spent in needle work and conversation.

The hostess served a delectable salad and ice course to Mrs. Malone Hagan, Mrs. Candler Hawkins, Mrs. Art Miller, and Mrs. Horace Tarver, guests, and the following members: Mrs. J. L. Barnes, Mrs. J. S. McMurry, Mrs. C. A. Reynolds, Mrs. S. B. Palmeyer, Mrs. F. N. Foxhall, Mrs. S. T. Harrison, Mrs. Frank Phelan, Mrs. M. J. Draper, Mrs. T. R. Garrett, Mrs. G. D. Beard, Mrs. S. S. Montgomery, Mrs. R. H. Wherry, Mrs. Chas. Webster, Mrs. C. W. Kinslow, Mrs. G. H. Hattenbach, and Mrs. W. B. DeBerry.

## Pleasant Valley Homemakers Club Has Meeting

The Pleasant Valley Homemakers Club met at the home of Mrs. H. C. Crawford on Wednesday afternoon, September 22, with Miss Laura Crawford as hostess. This was the last meeting for this season.

The club presented both the president, Mrs. J. L. Sullivan and the secretary, Miss Laura Crawford with a gift.

Two quilts were quilted during the afternoon with the following visitors and members present: Mrs. R. C. Roberts, Mrs. N. W. Williams and Miss Archie Fain Williams of Littlefield; Mrs. Gladys Shirley, Mrs. M. M. Shirley, Mrs. H. T. Rea, Miss Myrtle Rea, Mrs. H. A. Holt, Mrs. O. A. Wines, Mrs. C. Vandewater, Mrs. H. H. Wines, Mrs. John Sullivan, Mrs. A. Dutton, Mrs. C. A. Reagan, Mrs. E. W. Pate, Mrs. Ruby Howard, Mrs. R. H. Rea, Mrs. Arthur Francis, Miss Olea Faye Crawford, Mrs. H. C. Grant, and Miss Ozline Molloy.

## Gammage Needle Club Meets With Mrs. Brice Webster

Mrs. Brice Webster was hostess for the Gammage Needle Club Thursday afternoon, September 23, and a pleasant afternoon was spent in quilting.

During a brief business session it was decided to discontinue the meetings until the second Thursday in December.

The hostess served lovely refreshments of cake and ice cream to the following: Mrs. R. C. Parks, Mrs. M. N. Smith, and Mrs. Quinn Aten, visitors; Mrs. W. S. Malone, Mrs. M. L. Crone, Mrs. Russell Crone, Mrs. Jess Daniel, Mrs. C. E. Stilwell, Mrs. L. A. Stilwell, Mrs. Dot Webster, Mrs. Marvin Webster, and Mrs. M. Childress, members.

Mrs. M. E. Foster and her great grandson Jerry Blaine of Wellington visited with her sister, Mrs. J. M. Lane, here last Friday and attended the Russell Bros. Circus.

## Ladies' Dresses . . . .

regardless of fluffy folds and frills are perfectly pressed, by hand, with our

NEW ELECTRIC-STEAM FINISHING

Coupled with our already modern Superfinishing plant, this new finishing equipment gives perfect satisfaction. Your gayest and prettiest dresses will be safe in our hands.

Members of the Memphis P. T. A. council: Mrs. Roy L. Guthrie, president; Miss Inez Mason, secretary; Mrs. Charles A. Williams representative from commission-ers' precinct 1; Mrs. J. T. Ables, precinct 2; Mrs. A. A. Green, precinct 3; Mrs. Jesse Jenkins, precinct 4; Miss Vera Tops Gilreath, county superintendent.

Members of the Memphis P. T. A. city council: Mrs. W. J. Bragg, president; Mrs. Clude Milam, vice president; Mrs. R. C. Vinson, secretary; Mrs. Bailey Gilmore, treasurer; Mrs. Ed Lofland, publicity chairman; Mrs. S. L. Seago, president of the high school branch; Mrs. D. J. Morgensen, president of the junior high school branch; and Mrs. Jerry Wright, president of the West Ward branch.

Scene of Homecoming and Rally Day

The First Presbyterian Church building of Memphis (pictured above) will be the scene of activity Sunday, Octo-

ber 3, when present and former members of the church converge here for a "Homecoming and Rally Day." A number of former members and pastors of the church have announced intentions of attending the celebration.

First State Bank Service Complete

Originally established in 1933 the First State Bank offers a modern system of finance meeting every requirement of up-to-date banking service.

The service offered by the modern banking institution is a far cry from banking service which was available even as recently as 100 years ago. At one time banks served only as depositories of store houses for money and were paid for storing it in the same way that we pay for storing merchandise in this age.

Today there is no other kind of business which is so essential to and at the same time so voluntarily solicitous of the general welfare of the community in which it is established.

In the 4 years the First State Bank has served Hall County it has endeavored to provide a complete financial service for its community—one providing safety for the depositor and service for the worthy borrower.

Safety for the depositor funds has always been the first consideration in the management of this

bank, and it is a member of the Federal Deposit Insurance Corporation which insures individual deposits up to and including \$5,000. Service to the community is another important consideration and while this is a comparatively young institution yet it has played a leading role in bringing normal financial conditions back to Hall County.

Its officers and directors invite you to discuss your banking problems with them and assure you that your business will receive the

same prompt, courteous consideration, whether your needs are great or small.

New Deal In Health With Terpezone

Made Available to Hall County people less than one year ago by Dr. John W. Fitzjarrald at 315 South 7th—now in his 17th year in Memphis—Terpezone Vapor Treatments have already produced positive results for many local people. Telephone 462 for appointments.

One of the most important discoveries in health science which has been made in the past quarter century is Terpezone Vapor Treatments. While Terpezone was originally discovered over 25 years ago, it has been only in the past 10 years that its use has become general in scope all over the United States.

Aside from the thousands of people all over the nation with various diseases who have been benefited or entirely cured with Terpezone, the finest testimonial to its value is shown by the fact that it is being used and praised by Chiropractors, Medical Doctors, Osteopaths, and other practitioners alike.

Terpezone vapor is not a medicine but rather a germicidal oxygen or artificially produced mountain air obtained by the electrical vaporization of a combination of

chemicals, which purifies and revitalizes the blood streams. It is successfully used in treating all respiratory ailments. In the case of ordinary colds, flu, bronchitis, laryngitis, tonsillitis, catarrhal deafness, hay fever, asthma, or pneumonia, the response is almost immediate, when treated with Terpezone. It is also a positive treatment for skin affliction, anemia, blood pressure and sinus trouble.

The treatment itself consists of merely breathing or inhaling the Terpezone Vapor while you read, sleep, or play in the pleasantly comfortable home surroundings which Dr. Fitzjarrald has provided in his Terpezone room. Absolutely harmless to breathe, Terpezone Vapor treatments have easily and pleasantly relieved and cured many people of the health troubles mentioned above. If you are troubled with any of them you will find it interesting and helpful to visit Dr. Fitzjarrald's office and let him explain how your case will respond to Terpezone.

T. M. Potts left Monday night for Texarkana for a few days visit with his father, J. L. Potts. C. C. Meacham made a business trip to Amarillo Monday.

NEWS FROM ESTELLINE

By MRS. MARY FAULKNER

A covered dish luncheon will be served in the basement following the services and the Fourth Quarterly conference will be held at 2 o'clock.

Attending the circus in Childress Sunday were Mr. and Mrs. Thurman Hutchins and son Jim and Miss Margaret Tucker.

Grover Ewing was a business caller in Memphis Tuesday.

Mr. and Mrs. N. R. Carter and daughter Velma were in Childress Sunday to attend the circus.

Dale Wise spent the week-end in Childress visiting H. M. Faulkner Jr.

A group of young folks attended a party and picnic Friday night after returning from the ball game at Quitaque. They hiked to the sand hills and enjoyed a picnic supper. About 20 were present.

Estelline fans were in attendance full force Friday to see Estelline defeat Quitaque in the first conference game of the season.

Mr. and Mrs. A. A. Greer and sons Don and Allen were circus-goers in Childress Sunday.

Cecil Adams and J. T. Bowman were Childress business visitors Monday.

Monty Bob Moore was returned to his home from a Childress hospital Sunday. He is in a cast and will have to remain in it for three months. He was taken to Childress Thursday evening after being hurt in a football scrimmage.

Pete Propes has moved to Childress, where he is putting in a barber shop.

Tobe Power was a business caller in Memphis Monday.

Tim Moore was in Estelline the last of the week from Quitaque.

Mesdames Walter Labay, Hulien Clifton, and Jack Raines were Childress shoppers Tuesday.

Mrs. Tim Moore spent Saturday night in Childress to be with

# Hall County Farm Photos Destroyed In Fire

## Laboratory Fire At San Antonio Destroys Photos

County Farm Officials Had Awaited Maps Two Months; Will Delay Compliance

Word was received in Memphis Wednesday afternoon of this week by R. E. L. Pattillo, county agricultural agent, from College Station stating that the aerial photographs of the Hall County cotton and feed crops had been destroyed in a fire.

The telegram, from B. F. Vance, an assistant administrative officer, instructed the county farm agent to start measuring the Hall County farms immediately to check compliance with the 1937 soil conservation and domestic allotment act.

The information was received with some heat here, as county farm officials had been waiting for the aerial photographs for two months in order to check compliance with the farm program.

A meeting of the county committee was called by Mr. Pattillo for Thursday afternoon of this week, at which time plans were to be made for chaining the county farms.

The photographs were destroyed in a fire at the picture-developing laboratory in San Antonio.

County Agent Pattillo sent a wire to the state office Thursday asking that undestroyed parts of the photographs be sent here to be used in measuring the county.

The loss of the photographs in the fire will slow the checking of Hall County farm lands for compliance with the federal program considerably.

Jeanette Payne, daughter of Mr. and Mrs. Irwin Payne of Lakeview, underwent an operation in a Memphis hospital Wednesday of this week.

Mrs. H. G. Walker and children arrived from Olton the first part of the week to join Mr. Walker and make their home. They are at home at the Deaver apartment on West Main street.

Mr. and Mrs. John Vallance spent Tuesday and Wednesday in Wichita Falls, where Mrs. Vallance went for medical treatment. She is improving from a two-week illness.

## Hall Farmers Await Action On Cotton Classing Problem

The sale of cotton in Hall County and vicinity has slowed almost to a standstill, as the farmers and compress men await word from the Department of Agriculture on pleas made to send government cotton classers to all compresses.

The situation has arisen over the government cotton loans, terms of which specify that the compress must class the cotton for the loans and be responsible for the loss in the event that the cotton is classed too high. This is resulting in under-classing the cotton and a deadlock in sales, it was said.

M. C. Allen, manager of the Memphis Compress, stated Thursday that he had been in close contact with state and national authorities on the matter, and that he had received word that government cotton classers will likely be sent out in a short time.

He said that he was expecting action on the situation within the next two days.

It is thought that the Department of Agriculture will set up a branch office at Lubbock, and will send out government licensed cotton classers to the various compresses. The classers will grade the cotton, sending in samples every day or two to the Lubbock office.

Marvin Jones, representative from this district, is urging that cotton classers be sent to this section to relieve the situation. He read a telegram here last Saturday to a large crowd of farmers that he had received from Washington, stating that the cotton classing problem was being worked out and that classers would be sent out.

Senator Tom Connally of Texas received word from Washington this week that government men would be stationed at central points to oversee the cotton classing.

West Texas farmers have complained about the practice of sending samples of the cotton downstate for government classification. It is resulting in serious delay and is costing the farmers from 25 to 40 cents a bale.

## SOCIETY Federated Club Institute To Be In Palo Duro Canyon

An all-day federated club institute will be held in the Palo Duro canyon near here Saturday, October 16, in answer to numerous requests for such a gathering.

In announcing a tentative program, Mrs. J. W. Walker of Plainview, president of the seventh district, said that the site would be El Coronado lodge on the rim of the canyon. However, if the weather is threatening, the meeting may be moved to West Texas State Teachers College.

Every club woman in the seventh district will be invited. The session will start at 10 a. m. and conclude about 3:30 p. m. Each member is to be requested to take a picnic lunch and paper dishes. Hot coffee will be served free. Admission to the Palo Duro State park will be 15 cents per car, 20 cents for each adult, and 10 cents for each child.

A junior session will be held at the artists' colony building nearby. Through the courtesy of W. T. Taylor, park manager, there will be a caravan tour conducted at the close of the meeting. Those who desire may obtain accommodations for remaining at the park during the week-end.

The program outline includes discussion of the duties of federated club officers, club ethics, parliamentary law, programs and open forum, state convention, and federation objectives. Various important announcements will be made by board members.

The summer home economics club girls met at the Memphis High School Wednesday afternoon after school to visit some summer projects, carried out by home economics students during the summer.

The first project visited was Mary Isabelle Hanvey's. She had made a wardrobe out of orange crates, and had also re-decorated her kitchen. Here the projects of Janet McQueen, Ann Craver, Billy Blackwell, and Jean Scott were on exhibit. The group enjoyed horseback and bicycle riding. Miss Hanvey treated the group with packages of mints. From her home the group visited Alma Sweat's summer project which was an out-door living room. Miss Sweat entertained with a scavenger hunt, weiner and marshmallow roast, after which she told the story of her project.

Those to visit the projects included: Dorothy Garner, Frances Jane Gillenwater, Florene Scott, Sylvia O'Dell, Elizabeth Goffinet, Theima Mae Saunders, Janet McQueen, Elzina Fain, Jo Aduddell, Polly Ann Sanders, Rosalyn Watson, Joyce Duren, Iva Lou Scott, Owen Gilmore, Marie Rasco, Marion Duren, Mary Isabel Hanvey, Ann Craver, Janice Sue McMurry, Marie Williamson, Nina Ruth Nelson, Louise Cowan, Mirel Veteto, Bobbie D. Wood, Rebecca Bay Weaver, Glenna Mae Melton, Vivian Jones, Jean Scott, Alma Sweat, and the sponsor Miss Rachel Deahl.

**BIRTH ANNOUNCEMENT**  
A daughter, weighing 7 pounds, was born to Mr. and Mrs. Ralph Patrick Thursday morning at their home on North Twelfth street. The baby has been named Peggy Earline.

Miss Lois Eniff Moses visited with Miss Thursa Mae Turner in Clarendon Monday and Tuesday.

## QUANAH JUDGE PRESIDES OVER DISTRICT COURT

Criminal Cases Are To Be Heard Last Week This Term

The 100th District Court reconvened Monday morning, September 27, for the fourth week of this term, presided over by Judge C. Y. Welch of Quanah. Judge Welch is presiding in the absence of Judge A. S. Moss, who is disqualified in several cases.

The case of Jack Walls et al vs. Tom E. Walls, for partition, was tried before a jury. Verdict by jury was in favor of defendant.

In the case of Baylor School District No. 14 vs. Estelline Independent School District, the defendant's general demurrer was sustained, to which ruling of the court, plaintiff gave notice of appeal to the Court of Civil Appeals of the Seventh Supreme Judicial District.

The case of the First State Bank of Memphis vs. S. L. Seago was called for trial and a jury selected, but after the evidence was heard, the jury was discharged and the case put under the advisement of the court.

Petit jurors empaneled for the fourth week were: J. L. Rice, J. T. Dennis, Earl Pritchett, W. F. Holland, E. E. Roberts, J. B. Reed, T. Holcomb, N. A. Hightower, L. H. Price, S. P. Wells, A. W. Francis, B. E. Durrett, Grover Moss, T. M. Harrison, J. W. Molloy, C. O. Davenport, L. G. DeBerry, O. E. Bevers, J. E. Berryman, C. A. Rapp.

Next week will be the last week of the September term of district court here, and several criminal cases are scheduled to be heard. A negro hijacking case began Thursday morning.

## BLIND MAN AND SEEING EYE DOG VISIT MEMPHIS

Memphis residents this week observed a "Seeing Eye" dog at work.

Curtis Veach, blind youth of Childress, and his "Seeing Eye" dog were in Memphis this week, working the town. Mr. Veach is a traveling salesman for a brush concern.

His "Seeing Eye" dog is causing considerable attention in his travels over this section. There are only a few of the dogs in the United States, and they serve as eyes for blind persons.

Mr. Veach went to New Jersey recently to secure his dog. He remained there for a time to train with the German Shepherd dog in going about his every-day duties.

Mr. and Mrs. S. D. Power of Estelline were Memphis visitors Tuesday.

Mr. and Mrs. Ollie Lee of Pampa visited here Sunday with her parents, Mr. and Mrs. W. B. DeBerry, and other relatives.

Mrs. Roy Coleman underwent an operation for appendicitis at a local hospital Monday. She is improving satisfactorily.

Mrs. C. L. Franz of Canyon and Miss Joy McKee of Turkey were guests of Mrs. H. G. Greschel here Wednesday, leaving Thursday morning for their home.

## CASH FLOWS IN MEMPHIS AREA

Hall, Donley Counties To Have Share In Wide Prosperity

(Editor's Note—The following article was written by Gordon Webb, Fort Worth newspaper man, and was carried on the front page of the Fort Worth Star-Telegram Tuesday of this week.)

Hall and Donley counties are witnessing the start of the biggest parade their residents have seen in seven or eight years—a big cotton crop to the gins and the flow of the resulting income into the banks and stores.

The two counties, which did not have the advantage of a large wheat acreage last Spring, will harvest two bales of cotton where one grew in 1936. For the first time in 10 years, Hall County will have enough feed to carry farmers through the winter and produce the next year's crop. Grain sorghums in Donley are the best in more than five years.

The bountiful feed harvest, in the opinion of R. L. Madden, cashier of the First State Bank in Memphis, represents the equivalent of a four-cent addition per pound in price to the 40,000 bales of cotton the county is expected to produce. That, he estimated, would be approximately the amount the farmers would have to borrow to purchase feed.

**Deposits to Be Late**  
Both Madden and S. S. Montgomery, president of the First National Bank in Memphis, are not worrying because their total deposits now are a few thousand dollars less than they were at the same time last year. They explained that the short 1936 cotton crop went to market much earlier.

Both predicted the total of \$267,076 now on deposit will be doubled in less than 90 days, and Montgomery declared he expected his bank soon would have the first million dollar deposit since 1928.

Not considering the potential wealth of the unharvested cotton crop, Hall County's fundamental condition is good, as indicated by an increase of \$176,119 in deposits in the two Memphis banks since 1932, the low point of the depression there.

**Range in Good Shape**  
Donley County, with more cattle, has a total of \$21,000 more on deposits now than a year ago and \$216,000 more than in 1932 in Clarendon's three banks, the Donley State, the First National, and the Farmer's State.

W. W. Taylor of the First National Bank in Clarendon reported his county had the best grass growth on its ranges in several years.

"Our cattle are in good shape to start the winter and the rancher who wants to sell any of his stock is finding a good market," Van Kennedy, cashier of the Farmer's State Bank in Clarendon, said.

R. E. L. Pattillo and H. M. Bredlove, county agents of Hall and Donley counties, respectively, were enthusiastic about the improved condition of the average

farmer and the potential income from his cotton crop.

**\$400,000 in Subsidies**  
In addition to the money the Hall County cotton producers will receive on the market for their crop, they will obtain approximately \$400,000 as subsidy payments from the Federal Government, Pattillo estimated. His county ginned 18,300 bales from the 1936 crop.

J. A. Hutchins, a farmer living 12 miles southwest of Memphis, estimated he would pick 35 bales from 46 acres.

Typical of the lateness of the crop, only two bales have been ginned by Hutchins. J. A. Edwards, living near Estelline, is beginning to gather his crop, which he estimated would yield 50 bales from 145 acres.

**Build Trench Silos**  
"Our ranges are in unusually good condition, compared with recent years," County Agent Bredlove said. "And a number of farmers and ranchers are preparing to store their big feed crops in trench silos."

He said 75 trench silos constructed in 1936 would be supplemented by as many more this year. Alvin Simmons, living near Hedley, will store 300 tons of feed in one silo. He plans to feed out cattle this winter.

"The price of feed makes it more profitable, in view of the value of cattle, for the farmer or ranchman to finish cattle with it," Bredlove explained.

The county agent forecast the Donley cotton production would be 18,000 to 20,000 bales, as compared with about 9,000 last year.

## House Is Destroyed By Blaze Thursday

Fire completely destroyed the four-room frame building belonging to Mrs. Ollie Tribble early Thursday morning of this week on North Fourth street.

The fire broke out at about 2 o'clock Thursday morning, and the building was completely in flames before the fire alarm was sounded. The Memphis Fire Department answered the call, but the structure had been almost completely destroyed by the time the fire trucks arrived on the scene.

The house was vacant, and origin of the blaze was undetermined. Fire Marshal Ed McCreary stated.

Mrs. H. Unger and children of Electra, Mrs. F. Miller and daughter Frances of Vernon, and Mr. and Mrs. W. C. Greschel of Seymour were guests in Memphis Sunday of Mr. and Mrs. H. G. Greschel.

Mr. and Mrs. S. D. Power of Estelline were Memphis visitors Tuesday.

Mr. and Mrs. Ollie Lee of Pampa visited here Sunday with her parents, Mr. and Mrs. W. B. DeBerry, and other relatives.

Mrs. Roy Coleman underwent an operation for appendicitis at a local hospital Monday. She is improving satisfactorily.

Mrs. C. L. Franz of Canyon and Miss Joy McKee of Turkey were guests of Mrs. H. G. Greschel here Wednesday, leaving Thursday morning for their home.

Mr. and Mrs. S. D. Power of Estelline were Memphis visitors Tuesday.

Mr. and Mrs. Ollie Lee of Pampa visited here Sunday with her parents, Mr. and Mrs. W. B. DeBerry, and other relatives.

## Dry Goods Firm Has Grand Opening Here

### NATIONALLY-ADVERTISED MERCHANDISE LEADER STORE FOR MEMPHIS AREA PUBLIC

Pride of the men's department, it was said, is the E. and W. hat, which gets its prominence from its smart styles and its reasonable price.

For the farmer and working man, The Leader is offering the widely-advertised Scott's Level Best Overalls. Mr. Dakil is loud in his praise of the Scott's overall for its service and durability.

Buster Brown Shoes are to be bought at The Leader for the kiddies, and the Air-Step Shoes are being purchased by the ladies.

The Walker Togs, uniform shirts and pants, are among the guaranteed goods on display.

Many other lines of well known nationally-advertised lines of dry goods are being shown store patrons now by The Leader.

Mrs. J. N. Cyfert has received word that her granddaughter Nita Ann Offholter of Asheville, N. C., is recovering satisfactorily from a mastoid operation last week.

Mrs. Grace Kerr and daughter Gloria Kay of Portales, N. M., arrived Sunday morning for a visit with Mrs. J. M. Hammond, Miss Ira Hammond, and other relatives.

### Marce Lee Wash Frocks

\$1.98 UP TO \$2.98

Frocks that every woman loves to wear because they're washable and low

patterns of prints, plaids, checks, dots about every pattern of MARCE LEE are included in our complete stock. This week we have been open in Memphis and already proven themselves popular. They'll be popular with you too. We have your size.

### LEADER STORE OPENED WITH SALES EVENT

Bargain Attractions Offered This Week In Opening Sale

Bargains galore are being offered this week-end by The Leader Store, Memphis' newest dry goods concern, which Friday and Saturday of this week throws its doors open to the public in a general sale to mark the formal opening of the store.

Judging from the crowds which flocked to the store when its opening first was announced last week, Shaker Dakil, the manager, stated, the store will be a scene of activity throughout the sale.

Mr. Dakil has announced numerous bargains for The Leader Store during the Grand Opening

### Grid Chart Shows How They Tackle

In the Canyon-Memphis game last Friday night Cyclone players made the following number of points:

Montgomery, 3, bringing his total to 10; Pounds, 12, with a total of 35; Robertson, 15, with a total of 26; Hall, 23, with a total of 28; Evans, 27, with a total of 42; Clark, 29, with a total of 35; Lindsey, 2, with a total of 4; Dodson, 5, with a total of 14; Harris, 18, with a total of 25; J. R. Sanders, 0, with a total of 5; D. Sanders 18, with a total of 32; Dewlin, 0, with a total of 8; Bruce, 2, with a total of 4; and Foster, 26, with a total of 20.

As stated in last week's paper, the player gets ten points for every tackle he makes at a kickoff, five points for every tackle behind the line of scrimmage, into defensive territory, three points for every tackle on the line of scrimmage, and two points for every tackle beyond the line of scrimmage.

Pounds and Evans remain the best back and lineman, respectively.

### PLEASANT VALLEY

By MRS. NORA VANDEVENTER

Mr. and Mrs. N. W. Williams and daughter Dot of Anton and Mrs. R. C. Roberts spent last week here visiting their daughters Mrs. John Sullivan and Mrs. Gladys Shirley.

"Slim" Bell, an old cowboy friend of Bob Crabb, spent the day here with him Wednesday.

Miss Laura Grace is convalescing from a tonsil operation performed last week.

Mr. and Mrs. H. H. Wines have moved to Plaska, where Mr. Wines is employed at the gin.

Mr. and Mrs. Hub Holt have moved to his farm.

Mr. and Mrs. Elmer Watson were guests of Mr. and Mrs. E. W. Pate Sunday.

Cecil Sangston and family moved to east of Memphis Monday.

Much interest is being shown in the meeting at Plaska. Everyone is invited to attend.

Mr. and Mrs. Alvis Yarbrough are in Arkansas visiting Mrs. Yarbrough's parents, Dr. and Mrs. Sherman.

### PLASKA

By MRS. WILMA DAVIS

Mr. and Mrs. John Smith attended the Tri-State Fair at Amarillo Monday.

Misses Nina Province and Anna and Ray Nace were visitors in Wellington over the week-end.

M. M. Monzingo of Memphis was a business visitor in this section Thursday afternoon of last week.

Mr. and Mrs. J. T. Dennis and Mrs. Wilma Davis and children spent Sunday with Mr. and Mrs. J. L. Dennis of Pleasant Valley.

Mr. and Mrs. Frank Monzingo and children of Memphis visited with Mr. and Mrs. A. B. Hickey Sunday.

Mr. and Mrs. Edgar Foster and children attended the circus in Childress Sunday.

Mr. and Mrs. Doyle Hall and Mr. and Mrs. Hubert Hall attended the Tri-State Fair in Amarillo Wednesday of last week.

Mrs. Blufford Burnett and children of Friendship spent Wednesday of last week in the home of her parents, Mr. and Mrs. J. T. Dennis.

### PARNELL

By MRS. W. W. RICHARDS

Mr. and Mrs. T. J. Cope spent last week-end in Fort Worth.

Rev. Byron Todd filled his regular appointment here Saturday night and Sunday.

Mr. and Mrs. Jim Berryman of Hulver visited with Jess Berryman and family Sunday.

Several of this community attended the circus at Childress Sunday evening.

W. B. Richards of Lockney is spending a few days with his son W. W. Richards and family.

sales event, and he pointed out that other bargains were carried by the company in the general week-day business.

The manager of the new concern has announced his pleasure with his new location here and stated that the new store has been well received in Memphis. He commented on the friendliness of the people of the Memphis trade area.

The new dry goods firm is associated with The Leader Store at Wellington and the one at Quannah, both of which are old established firms.

The Leader here is located between Greenhaw's Barber Shop and the Memphis Bakery on the north side of the square.

Everyone in the Memphis trade territory has been extended an invitation to visit the new concern during the Grand Opening sale.

Miss Marie Barber, who is teaching in the Swenson High School, spent the week-end in Memphis with home folks. She was accompanied by Sam W. King, principal of the school, who visited with relatives in Lelia Lake.

### Locals and Personals

Mr. and Mrs. Sid Baker spent

last Friday night in Wellington with her mother, Mrs. D. A. McCroly who left Sunday for Hooker, Okla., to spend the winter. Mrs. McCroly has spent the summer here and at Wellington with her daughters, Mrs. Baker and Mrs. G. N. Scruggs.

Charlotte Coursey, daughter of Mr. and Mrs. W. V. Coursey, underwent an operation for appendicitis at a local hospital Tuesday.

Mrs. T. W. Luttrell of Lakeview was among visitors in Memphis Saturday.

Mr. and Mrs. Kermit Upshaw and children visited with her parents, Mr. and Mrs. G. C. Dickson near here last week, before leaving for Heldon, Okla., where Mr. Upshaw will be Minister of the Church of Christ. He filled the pulpit here Sunday at the local Church of Christ in the absence of W. M. Davis.

Ewell Grundy of Plainview was a business visitor in Memphis Monday.

### Cotton Storage Made Economical

Originally established here in 1922 the Memphis Compress Co. has for 15 years made economical cotton storage available to Hall County farmers. Bonded storage facilities for 17,500 bales. M. C. Allen, Manager.

What always seemed to be an appallingly wasteful practice in the methods employed by the American farmer is the indifferent manner in which many care for their products after they have spent so much in time and labor in producing them.

In the late years, however, the depression, together with higher land and labor prices, has made it more than ever necessary for the farmer to adopt business-like practices. County farm agents state agricultural colleges and our national department of agriculture have judiciously urged crop rotation and diversification, balanced feeding, better care of livestock and other practices as a means of bolstering farm income but in the South hardly enough emphasis has been placed on the correct care of cotton, our most valuable farm product. A commonly accepted and at the same time quite expensive practice has been to leave ginned cotton in an open lot, where it is exposed to wind, rain,

and all other elements which couldn't but damage it and lower its value.

The Memphis Compress Company's storage rates are so low as to make it a business proposition to use it. With a charge of only 25 cents per month per bale after 15 days free storage no one can afford to leave a bale of cotton, worth \$50 to \$60 in the open where rain and other elements can damage it to the extent of from \$5 to \$15, to say nothing of the danger of theft and fire.

This firm deserves local support to the fullest extent because it is locally established and managed institution which is instrumental in making Memphis a concentration point for cotton grown in this part of Texas. It also helps to maintain a better cotton market in Hall County because of this fact. They not only contribute substantial amounts toward county and municipal expenses through taxes on their plant, but provide a payroll of substantial size to be distributed with local business.

These are some of the reasons for the important position this firm holds in the economic life of this section, and why their continued participation in it should be encouraged.

# Hall County School Leaders Urge Appropriation By Legislature

## MAGIC CITY ON SAN FRANCISCO BAY FOR 1939 FAIR

Nations, States Participate In Golden Gate Exposition

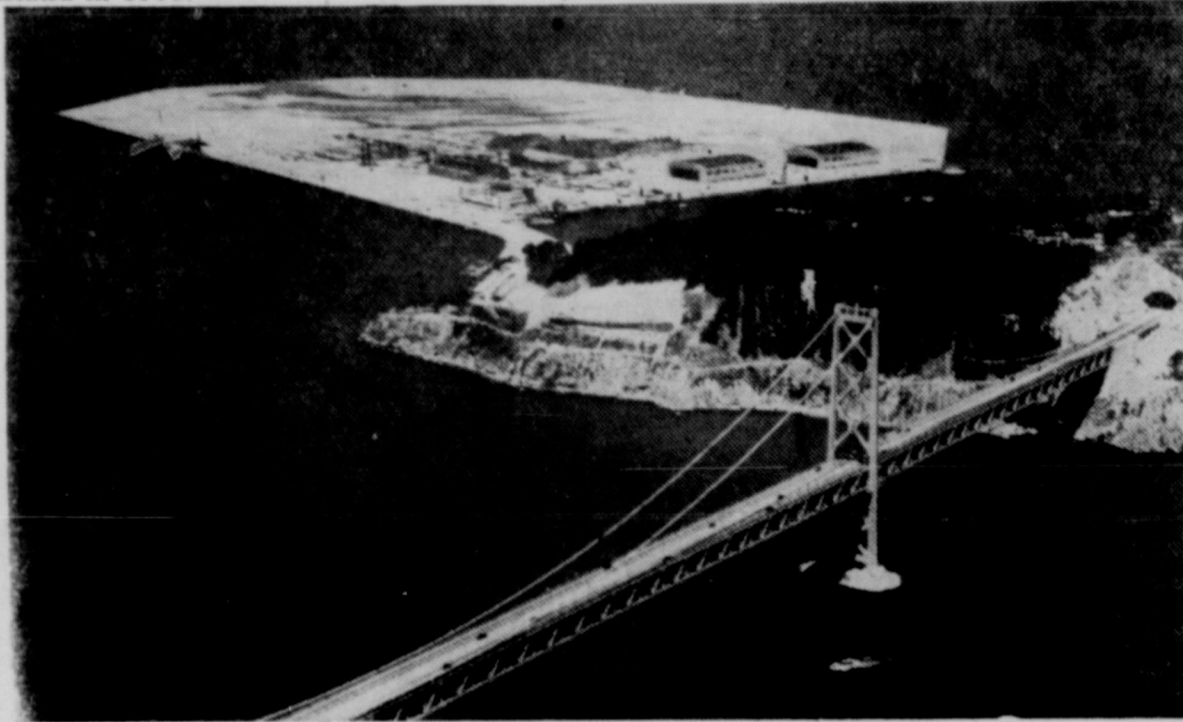

SAN FRANCISCO.—Mammoth exhibit palaces are rising, spectacular towers are etching a new pattern on the skyline and a "magic city" is taking shape in San Francisco Bay for the \$50,000,000 World's Fair of the West, to be held on Treasure Island in 1939.

On the largest man-made island in the world, dredged up from the bottom of the sea, a \$16,000,000 building program is under way. Contracts totalling over \$10,000,000 have been let and ten buildings are practically completed.

Two million dollars budgeted for landscaping and illumination will assure "the most beautiful World's Fair in history," experts declare. One outstanding building will be the Temple of Music.

More than half the states in the Union have already asked for exhibit space in the 1939 Golden Gate International Exposition, millions already having been appropriated for state exhibits.

Japan, Mexico, the Dutch East Indies and Ecuador are the latest foreign nations to announce plans for colorful exhibits. Other countries which have announced participation are Cuba, Santo Domingo, Guatemala, Honduras, Nicaragua, Costa Rica, Panama, Peru, Venezuela and El Salvador. Thus a true "Pageant of the Pacific" is assured. Exhibit palaces will be windowless, with spectacular illumination by day and by night. In a 40-acre Midway, San Francisco will again reign as "Queen of the Amusement World," with a galaxy of kaleidoscopic amusements for millions of visitors.

This striking aerial photograph by Clyde Sunderland shows Treasure Island, San Francisco Bay site of the 1939 World's Fair of the West, adjoining Yerba Buena Island and the San Francisco-Oakland Bay Bridge, a portion of which is seen in foreground. Note World's Fair Palaces under construction on Treasure Island.

Temple of Music, above. Right, Lenore Lombard shows Hawaiian Palace model.

### SCHOOL BUSES MAY QUIT ERE TERM EXPIRES

#### Legislature Of State Convenes Monday to Study Tax Plans

Telegrams during the past several days have been sent to Governor James V. Allred by the county and city school superintendents, school teachers, school patrons, and trustees urging the passing of an appropriation bill to provide additional funds for the transportation of rural students to school.

Additional telegrams were sent by local school leaders to Bob Alexander, representative from this district, urging him to push the appropriation bill.

**Buses May Stop**  
It was pointed out in the telegrams that unless additional transportation funds are made available, school buses in Hall County and over the state will be forced to cease operations after four and a half months of the 1937 school year are completed.

Local school authorities point out that only \$846,198 has been set aside by the state to be used for the operation of school buses, whereas \$1,851,482 was spent in transporting pupils to and from school in the state last year.

**County Gets \$11,500**  
Hall County received approximately \$11,500 from the state for transportation use last year. A like amount has been allotted the county this year, but unless another appropriation is made, it is pointed out, only about half that amount will be forthcoming.

"It will mean that Hall County school buses will have to be stopped when the term is only about half out," Miss Vera Topp Gilreath, county superintendent of public instruction, stated.

Miss Gilreath stated that an appropriation of \$1,000,000 will have to be made by the state if all buses in the state continue to operate properly.

**Legislature Convenes**  
The second special session of the 45th state legislature convened in Austin Monday of this week to take up tax matters. Warning the legislature in joint session Monday of "false prophets" who declare additional revenues are not needed, Gov. Allred urged the members to "carry out the people's program" and vote taxes to finance old age assistance, aid to needy blind, dependent children, and the teachers' retirement act.

"It is a self-evident fact that there is not enough money in the old age assistance fund to adequately provide for our needy old folks," the Governor said. "Unless some additional money is put into this fund by January 1, they are going to suffer even more. You and I are either for or against adequate and additional funds for these old people."

**Aid for Blind**  
"There is no dispute whatever that not a single penny has been provided for the blind, for dependent and neglected children or for our share of the teachers' retirement act. The Texas people have made their wishes known at the ballot box. You and I must meet this challenge with action, or stand indicted for breaking faith with the people."

"Let me caution you against those who say there is no necessity for additional taxes, who denounce old age assistance as a dole. Whether they know it or not, those who say these things are but playing into the hands of selfish interests, of haughty men who think that because they have acquired great wealth they should be given special privileges. Although able to pay, they are unwilling to bear their share of the burden."

**"Need No Taxes"**  
"It's easy in an 'off-election' year for organized powerful groups to propagandize members of the Legislature to the effect that we do not need any new taxes; when they know, you know, I know, we do. It's easy for those who are basking in luxury and ease to say that 'everything's all right' and that we need no new taxes for those in want."

"These people had just as well

### GOOD RELIEF of constipation by a GOOD LAXATIVE

Many folks get such refreshing relief by taking Black-Draught for constipation that they prefer it to other laxatives and urge their friends to try it. Black-Draught is made of the leaves and roots of plants. It does not disturb digestion but stimulates the lower bowel so that constipation is relieved.

**BLACK-DRAUGHT**  
purely vegetable laxative

understand here and now that there is not going to be any turning back. The people have ordered this social security program. Since certain reactionary forces insist that we do not need any new taxes for these purposes, I take my stand with the old folks, with the under-privileged children, with the blind, and with those who have suffered and now suffer social injustices. For them I shall continue to fight!"

The governor said that the "people's social security program" needed a total of \$6,926,000 of new revenue. Of this total, the governor recommended two million dollars annually for aid age assistance, a million and a half dollars for aid to dependent children, and three hundred thousand dollars for aid to the blind. Approximately one and a half million dollars annually was estimated as the state's portion of the teachers' retirement fund. He said the state owed \$1,626,000 on past due old age assistance warrants.

**\$15,000,000 Deficit**  
The deficit of the general revenue fund, according to the governor, exceeded fifteen million dollars and would be increased to twenty million at the end of the fiscal year.

For solution to the tax problem, the governor pointed to his recommendations for increased natural resource taxes; franchise taxes; taxes on the earnings of pipeline companies, utilities and other corporations; and income taxes. He reiterated his opposition to a general sales tax.

Despite Gov. Allred's plea for taxes, newspaper men in Austin announced this week that odds are about even that no new taxes will be voted this session of the legislature.

Mr. and Mrs. Frank Garrett, Mrs. T. J. Hampton, Mrs. Earl Barrick, and Mrs. E. E. Cudd were among visitors in Childress Sunday.

### Russell Bros. Circus Well Received In Memphis Friday Afternoon, Night

By BILL ANTHONY  
Memphis patrons of the circus must have undoubtedly been well pleased with the show put on for them by Russell Bros. and company last Friday. For a town the size of Memphis the performance was high above the average and quite overshadowed any other circus that has played here in a long time.

Considering the enormous amount of circus ballyhoo rampant it is surprising to find one that actually lives up to its claims.

**CROSS CHILDREN MAY HAVE WORMS**  
Watch for upset little stomachs, bad breath, fretfulness, loss of weight, itching around nose and arms. They may have pin or round worms. White's Cream Vermifuge has safety and for years, reliably expelled the worms and toned the delicate tract. White's Cream Vermifuge recommended by druggists.  
TARVER'S PHARMACY and other Drug Stores

Russell Bros. did that in every way—at least to the satisfaction of most of those in attendance Friday.

Advertised as the "greatest circus on earth for the price," the company has a few features which are really better than those to be seen with the larger companies.

For instance, Buddy, Walter Jenner's trained sea lion, is the most intelligent and entertaining animal that this reviewer has ever seen with any circus. Aside from doing a number of tricks, such as descending a ladder with a ball balanced on the tip of his nose and playing "America" on a musical instrument, the animal had an amazing sense of humor. Buddy kept his audience thoroughly entertained throughout his act and was a big highlight of the show.

uretor and she was ... worth the price of admission. ... the best of the trapeze artist—their act was the climax of the whole performance. The daring leaps and somersaults of this group, their almost perfect timing, and Bob Fisher's double backward somersault from the flying bar to his catcher's hands while blindfolded made this act probably the best in the circus.

Miss Aerioletta, Dolly and Louis Rebas, with their loop-the-loop act, and Miss Tetu were other top-notch trapeze artists. Miss Tetu, a Japanese girl, was far down on the circus billing, but her muscle grind, which looked as if it required the limit of physical endurance, received a great deal of applause.

The acrobatic act put on by the Six Lelands was greatly enjoyed by the audience. The triple somersault from a pyramid three men high to a chair held by Miss Florence Leland was especially good.

Every act in the circus was worthy of praise, but the list is too lengthy for anything except a mention of the remaining performers.

All of these were excellent: Frank B. Miller's dancing horses, Irene Ledgett's performing elephants, Reckless Violletta, the elephant who did the cariole, Topsy, the educated chimpanzee, Veo Powers' military ponies and riding monkeys, the Conners and Orton troupes of wirewalkers, Frances Fisher's serial ballet of swinging ladder girls, Capt. Webb's liberty horses, the Jackson Bros.' horizontal bar act, the educated canines, and Tony Leonard's contingent of clowns.

After the circus performance there was a Wild West Show featuring Chief Keys, sharp-shooter and knife-thrower, Johnny Jarnagin, trick rider and fancy rider, and Genevieve Hughes, trick rider.

Accompanying the circus was a fair-sized menagerie and a sideshow. Large crowds witnessed the circus performance in the afternoon and at night. The Memphis schools turned out for the circus Friday afternoon in order to permit the children to attend.

### FORMER MEMPHIANS ARE VISITORS HERE

Mr. and Mrs. O. B. Quarles and daughter Libby of Alvord, and Mrs. Marvin Barnes of Chico returned to their home Monday after a visit here with Mr. and Mrs. C. F. Stout and Mrs. M. C. Howell. Mr. and Mrs. Quarles were residents of Memphis more than 20 years ago and during the time Mr. Quarles was manager of the Quarles Lumber Co. He is now manager for the company at Alvord.

### Seattle Visitor Here

Fred Estes of Seattle, Wash., accompanied Mr. and Mrs. J. W. Noel to Memphis Monday for a visit here with his cousin, H. B. Estes. He has recently returned from a trip to China and other foreign countries. He lived in Memphis for a time several years ago. He is also visiting his cousin, Mrs. J. W. Noel, in Hedley.

Mrs. Loreece Curry, with the WPA at Shamrock, spent last week-end in Memphis with her parents, Mr. and Mrs. Joe C. Webster.

STUDEBAKER PRESIDENT EIGHT SEDAN

The new 1938 Studebakers are being shown in Memphis now for the first time this year by Raymond Ballew, dealer. The President Eight Sedan for six is shown above.

Shifts may be made quickly or slowly. The driver obtains the same "feel" that he does from the conventional type. The car may be pushed to start its engine. Yet the floor boards are cleared. Other mechanical notes include the turning of the transmission gears on their side, eliminating the tunnel in the front floor boards, the free wheeling and overdrive, a new type of clutch that decreases pedal effort, larger brakes, improved steering and a host of other improvements. It is believed by Studebaker people that the 1938 models have the largest luggage compartments in the industry. The actual measurements are: sedans, 20.1 cubic feet; club sedans 20.9 cubic feet. These figures translated into laymen's language mean that you can carry in the compartment the complete luggage of six adults, no matter how lavish they may be equipped with clothes or suitcases. The interiors were done by Studebaker stylists and Helen Dryden, who has been associated with this manufacturer for three years. Interior hardware is severely simple and simply beautiful. Fussy knobs and buttons have been eliminated from the instrument panel. Everything is at the driver's finger tips, yet nothing is obtrusive.

VINES POINTS OUT TWO TENNIS "MUSTS"

"TWO things make a bang-up tennis player," says Ellsworth Vines, brilliant court star. "The fun he has and the condition of his muscles." To his program for keeping muscles and interest in top form Vines attributes the fact that in last winter's

Ellsworth Vines, brilliant court star, is shown in Memphis now for the first time this year by Raymond Ballew, dealer.

Many Brands at Cicero Smith Lbr. Co.

Carrying a large stock of paints, roofing, shingles, wallboard, ladders, hardware, lumber, and other building supplies, the Cicero Smith Lumber Co., in Memphis can supply you with building materials for every demand. J. G. Brown, Manager. The five years depression which has just passed, created and was responsible for the lowest prices known to the lumber and building supply industry in the past quarter century. While building materials have advanced some in price in the last two years, yet they still are substantially lower than prior to the depression with the consequence that property owners will find this an advantageous time to build or repair their home. Also at no time in the past 25 years has the need for such work been so evident, due to the fact that the amount which is done each year in normal times was reduced to a very minimum during the depression. In this respect the Cicero Smith Lumber Co. is one of West Texas' leading lumber companies. The Cicero Smith Lumber Company was originally founded about 33

AIR OF GLOOM PREVAILS OVER LAKEVIEW GRID

Injured Eagles Face Strong Wellington Team This Week

Bob Clark, coach of the Lakeview High School football team, is one of the happiest men in Hall County this week. With four or five of his football players laid up from injuries sustained in a bus wreck and with a game scheduled with the mighty Wellington Skyrocks for Friday night at this week at Wellington, Coach Clark has little else to worry about. He does not need to be reminded, he says, that Wellington rang up a scant 71-0 victory over the Clarendon Broncos last week, while the Lakeview Eagles were suffering a 35-0 setback at the hands of the Shamrock Irish. To make matters worse, one of the players that will be forced to remain on the bench Friday night is Lee Brister, triple-threat Eagle back and sparkplug of the offense. Other first string men injured in the school bus crash at Childress last Friday night are Edward Walls, tackle; Ned Painter, fullback; W. Whitefield, center; Bill Martin, end; and several substitutes. The players are suffering from sprained backs, sprained knees, and minor cuts. Several substitutes received injuries. Weldon Robertson, the worst hurt, had eight stitches taken in a long cut. An attempt by the Lakeview school to have this week's grid game postponed was met with disfavor at Wellington, Coach Clark said.

'IRON LUNG' MADE AVAILABLE TO CITIZENS OF MEMPHIS VICINITY

An "iron lung" is now available to persons of this vicinity. J. J. McMickin, Memphis railway agent for the Fort Worth and Denver, has announced. Because of the prevalence of infantile paralysis throughout the country, and the fact that the Burlington Lines serve a wide area in which a respirator is not quickly available, a Drinker Respirator, or "iron lung," has been purchased by the Burlington system as an addition to the medical facilities to its employees. This respirator will be made available for use, without cost to employees of the company, their families, and the citizens of any community served by the Burlington Lines, in any case which requires mechanical aid to respiration. Requests for permission to use the respirator may be addressed by any physician by wire, through the local agent of the Burlington Lines, to F. R. Mullen, General Manager, Chicago, Burlington & Quincy Railroad Company, 1004

LEAVE FOR LITTLEFIELD

Mrs. A. B. Chapman and Miss Evelyn Lamb were visitors in Littlefield Wednesday. Mrs. Chapman went for the purpose of securing a residence. She and Mr. Chapman left yesterday for Littlefield to make their home. Mr. Chapman has been with the SCS Camp as agricultural engineer since coming to Memphis. Mrs. D. L. Nelson arrived from Wichita Falls Saturday and is spending this week here with her sister, Mrs. Bessie Pendergrass.

Studebakers Memphis

Studebaker automobiles are being shown in Memphis now for the first time this year by Raymond Ballew, dealer. The President Eight Sedan for six is shown above. Shifts may be made quickly or slowly. The driver obtains the same "feel" that he does from the conventional type. The car may be pushed to start its engine. Yet the floor boards are cleared. Other mechanical notes include the turning of the transmission gears on their side, eliminating the tunnel in the front floor boards, the free wheeling and overdrive, a new type of clutch that decreases pedal effort, larger brakes, improved steering and a host of other improvements. It is believed by Studebaker people that the 1938 models have the largest luggage compartments in the industry. The actual measurements are: sedans, 20.1 cubic feet; club sedans 20.9 cubic feet. These figures translated into laymen's language mean that you can carry in the compartment the complete luggage of six adults, no matter how lavish they may be equipped with clothes or suitcases. IMPLEMENT SUPERIOR

The Davenport Implement Store can supply you with Case tractors and farm implements for every need. Savings on the large volume which the manufacturer does, account for the values found in Case implements and the fact that the purchase price of Case implements is more largely accounted for in labor and raw materials than that of most other makes has made this line noted as one which will last and give satisfactory service for years. When desired, they give liberal terms, in fact, as much time as two seasons to pay is available through their deferred payment plan. The Davenport Implement Store especially invites you to inspect their new Case C C Model all-purpose farm tractor. This tractor is large enough to provide power for any farm need, yet its economy in fuel consumption is unsurpassed by smaller tractors. In other words, it does the lighter farm tasks as cheaply as a small tractor and yet has the added advantage of ample reserve power for heavier work. This firm also carries a complete stock of parts and maintains a service department in which they can care for every service need of Case tractor owners. They invite Hall County farmers to call for demonstrations of their equipment and to make their store your headquarters while in Memphis. Mrs. J. D. Shankle returned Thursday of last week from Tucson, Ariz., and Long Beach, Calif., where she spent the summer visiting with her sons, C. E. and Homer Shankle. Mr. Shankle remained in Tucson where he is manager of the Shankle Ranch. C. E. Shankle brought Mrs. Shankle to Memphis and visited several days. Mrs. B. B. McMillan and son Dan spent Saturday and Sunday in Memphis. Mrs. McMillan is teaching a ranch school in the Canadian valley out from Tascosa.

Vacancies Exist In Marine Corps

The officer in charge of the United States Marine Corps Recruiting Station, Dallas, announces vacancies for 100 men a month for the next three months. Men enlisted will be immediately transferred to the Recruit Depot Marine Corps Base, San Diego, Calif., for training and duty. Young men between 18 and 30 years of age, single and without dependents, not less than 64 inches nor more than 74 inches tall, and of good moral character will be considered. Those under 21 years of age must have consent of parents or guardian. Application blanks and full information relative to life and opportunity of a U. S. Marine will be furnished on request. Applicants may apply in person or by mail at the above address. Mrs. J. C. Wells went to Amarillo last Friday for a visit with her mother, Mrs. G. S. Vineyard. She returned to Memphis Tuesday. Mrs. T. E. Whaley and sons, Elmo and Joe William, and Mrs. Frances Anthony and son Bill were visitors in Quannah Wednesday.

Take a ride in it! It is priced almost as low as the lowest!

RAYMOND BALLEW

# Canyon Gridders Defeat Memphis Here Friday

## CYCLONE LOSES GAME TO EAGLES BY SMALL SCORE

### Canyon Scores On 40 Yard Run And 20 Yard Aerial

For three quarters the Memphis High school Cyclone outplayed the visiting Canyon Eagles under the flood lights at Cytone Stadium last Friday night, but the Randall County lads turned on the heat in the closing period to march over the locals and cart off a 12-6 grid victory.

Coach Frank Hubbell's Black and Gold chargers were unable to score when they were within striking distance twice. This, coupled with a flock of penalties and a pass defense that was caught napping on one occasion, proved their undoing.

The Cyclone played Canyon off her feet in the opening quarter, holding Canyon for downs after the kick-off, and then taking the ball after the punt on a drive down the field to the Canyon 13-yard line. A penalty helped the Canyon line hold there. The Eagles scored late in the first quarter when Pounds' punt was partly blocked. Rusk, 180-pound quarterback, plucked the ball out of the air and ran 40 yards through a broken field to score standing up. Gill missed the try for conversion. Score 6-0.

Memphis evened the count early in the second quarter, taking advantage of a Canyon fumble on the Black and Gold 40-yard stripe. Pounds drove over left guard for 14 yards, and on a reverse Lindsey scooted to the Memphis 15. Hall dropped a pass in the arms of James Evans for a first down on the three-yard line. Pounds rammed it to the two-foot mark, and Hall drove over. Sanders' boot went wide, and the score was 6-6.

#### Half Stops Drive

The Cyclone was deep in Canyon

territory on a sustained drive when the gun barked for the half.

The third quarter saw Memphis in possession of the ball most of the time, and the locals were deep in Canyon territory in charge of the pigskin when the quarter ended. Rusk, however, broke up the threat early in the fourth quarter when he intercepted one of Hall's tosses and returned it to his 45 where Hall piled him up.

Canyon got a first down on Memphis' 40-yard line on a fake through the center of the line. An off-tackle slant and a short pass gave the visitors another first on the Memphis 22. Vandergrift, end, snared a pass from Ford and scampered across. Capt. Rusk's kick was blocked. Score 12-6.

With several minutes remaining to go, the Cyclone opened up with a passing attack which accounted for several short completions. The attack, however, was broken up by an interception. Memphis was passing desperately when the game ended.

#### Stars of Game

Stand-outs for Memphis in the backfield were Pounds and Hall. Hall's passing came up to his last year's perfection, as he dropped both long and short heaves squarely into the hands of the intended receivers. The catchers, however, were unable to hold the ball consistently. Pound's knives through the line were hard and low. Lindsey looked good on punt returns and end runs, but he had a tendency to fumble. Foster's role on the offense consisted of blocking.

Sanders, Evans, and Harris stood out in the line play, handling their positions well on both offense and defense. Clark, Dodson and Montgomery looked good at times, and Robertson at center was in on many plays.

Rusk, Gill, Butler, and Vandergrift starred for the visitors.

#### The starting line-up:

Memphis—James Evans, left end; John Harris, left tackle; Paul Dodson, left guard; Leroy Robertson, center; A. J. Clark, right guard; Dennis Sanders, right tackle; Blackburn Montgomery, right end; Jack Foster, left half; Eugene Lindsey, right half; Talma Pounds, quarterback; Billy P. Hall, fullback.

Canyon—Bo Vandergrift, left end; James La Cour, left tackle; Jim Carr, left guard; Tom Butler, center; Jim Pope, right guard; Joe Crowley, right tackle; Fairy Hill, right end; Joe Gill, left halfback; Alvis Ford, right halfback; Ray Rusk, quarterback; D. A. Butler, fullback.

Memphis substitutes — Alton Dewlen, guard; G. Bruce, end; J. R. Sanders, tackle.

Coaches—Frank Hubbell, Texas, and Wilson Dees, ETSTC, Memphis; Emil Hutto, WTSTC, and Gerald Brown, WTSTC, Canyon.

## Turkey Will Play Matador 11 After Win Last Friday

The Terrible Turks of Turkey defeated the high school team from Roaring Springs on the Turkey gridiron last Friday afternoon by a score of 21-6.

Turkey's scores came on passes from Quarterback Arnold, and the Roaring Springs marker came as the result of a Turkey fumble. Turkey's line play also looked good.

Coach Al Duncan's Turks will play Matador in the first conference game of the season at Turkey Friday afternoon of this week.

## Wellington Victory Friday Puts Team In Favorite Spot

Football fans of Memphis, Lakeview, and the other towns in District 3B this week are viewing Wellington as the team to beat for district grid honors this year.

This fact was driven home last Friday night when the Wellington Skyrocks ripped through and around the hapless Clarendon Bronchos to a 71-0 victory. This is the heaviest defeat suffered in a conference game in this district in years.

The Wellington team turned loose the most dazzling offensive football seen in this district this and many other seasons, chalking up 24 first downs to one for Clarendon.

## Estelline Gridders Down Quitaque By Margin of 6 to 0

QUITAUQUE.—One long run in the third quarter by a fleet Estelline back dashed the hopes of Quitaque High School here last Friday afternoon when the local gridriders bowed 6-0 to the invaders from Hall County in a first conference game.

The fatal play was an end run which netted 50 yards and the margin of victory. Although the game went to the invading aggregation, the fighting spirit of the greenhorn Quitaque team encouraged fans here for good prospects later in the season.

The Estelline team showed great possibilities, and it is expected that they may go far in their first year of competition in District 4B. Coach Gene Sunderman's Estelline Bear Cubs have a fast, shifty team.

Estelline will play at Floydada this week.

#### MOVE TO PLAINVIEW

Mr. and Mrs. Moody McCulloch and children left Tuesday for Plainview where they will make their home. Mr. McCulloch came from Plainview to Memphis a year ago to accept a position at the Womack grocery store, and he is returning to Plainview to accept a position with an auto parts establishment.

#### MOVE TO MEMPHIS

Mr. and Mrs. Wesley Hale and son of Quitaque are moving to Memphis this week to make their home. Mr. Hale has accepted a position at the Womack grocery store as clerk and meat cutter. He takes the place of Moody McCulloch in the grocery department.

Z. A. Moore made a business trip to Pampa Friday.

B. Webster of near Littlefield spent Saturday and Sunday here visiting with his mother, Mrs. D. P. Webster and other relatives.

Mr. and Mrs. George Hammond and Mrs. Irvin Johnson went to Amarillo Saturday and spent Sunday with Mr. and Mrs. James Hammond.

Mr. and Mrs. James Norman and children were visitors in Amarillo Monday.

Mr. and Mrs. Alan Brown and son Alan Roy of Childress visited in Memphis Sunday.

Mr. and Mrs. H. W. Stringer went to Amarillo Sunday morning to meet their son H. D. Stringer from El Paso who spent the day in Memphis as their guest. H. D. is attending federal court in Amarillo this week.

George Carter of Lubbock spent the week-end here with his family.

## Hightower Provides Unusual Service

The Hightower Greenhouse at 710 Bradford in Memphis is a member of a world-wide organization, enabling you to have flowers delivered anywhere in the civilized world in a few hours. Also freshly cut flowers furnished daily for any occasion. W. T. Hightower, Prop.

The Florists Telegraph-Delivery Association is one of the most unique organizations in the world. Composed of several thousand member florists, each of which is a leading floral house in its own community, and with members in every civilized country in the world, it provides a service unknown to any other business.

This organization of which the Hightower Greenhouse is a member enables you to have freshly cut flowers delivered to almost any address in the civilized world in the elapsed time of a few hours. It maintains a central office, and clearing house in Detroit, Mich., and each member of this organization has posted bond of substantial size with this clearing house, which is held as a security

that each will carefully fulfill each duty that is his as a party filling a telegraphic order for flowers.

There are among others, several days in the year when flowers as a gift are appropriate for your mother, wife or sweetheart. These are the holidays, Mother's Day, and her birthday and wedding anniversary and on these days, particularly, the recipient appreciates a remembrance in the form of flowers more deeply than any other kind of gift.

The Hightower Greenhouse has its own greenhouse and they are especially prepared to supply flowers daily for any occasion, including funerals. This firm understands the art of assembling flowers in various designs necessary to obtain the most pleasing and beautiful effect and this is a part of the floral business equally as important as growing them. Orders should be placed at the earliest possible moment, however, and thereby give them more time to satisfactorily prepare the order.

**Gulf Oil Corp. Pioneer In Service**

With the distinction of offering the First Free Road Map Service Ever Offered by an Oil Company, of Establishing the First Drive-in Service Station in the World—the Gulf Oil Corporation Has Become Known as a Leading One in Both Service to the Public and Quality of Products. Gulf Products Are Distributed in Memphis and Vicinity by T. B. Rogers, Local Gulf Consignee.

In 1869 the first commercial well producing crude oil was drilled at Titusville, Pa. However, present day oil men can remember 1901 as another important date for two reasons: (1) The Spindle Top well—the industry's most historic well—came in and introduced petroleum production on a tremendous scale! (2) The Gulf Refining Company—now the Gulf Oil Corporation, was founded.

At this early date the automobile was someone's folly and machinery was lubricated with whale oil, sperm oil, tallow dip, animal and vegetable oils and lard. In 1902 Gulf laid 13 miles of pipeline. In 1903 this was extended to 52 miles and the first Gulf refinery—destined to become the world's largest—was established at Port Arthur, Texas. More

years passed and with each, Gulf made major improvements and innovations. On December 9, 1913, for example, Gulf opened the first drive-in service station in the world on Baum Blvd. in Pittsburgh.

From these small beginnings the Gulf Oil Corporation has grown into an organization which now has 12,000 miles of pipeline, eight huge refineries, 2,400 tank cars, 100 marine oil vessels, and 40,000 service stations which serve 33 states of the union, from Maine to Texas. To 18,000,000 motorists in those 33 states—representing 70 per cent of the nation's motor car owners—the Orange Disc which, as the Gulf has become the symbol of service and quality products.

In fact, that Good Gulf Gasoline, Gulf Pride and Gulf Lube motor oils and Gulf service are sufficient explanation for this astonishing growth. Try them at any service station bearing the sign of the Orange Disc, and you will agree that they are convincing reasons.

Mr. Rogers who acts in the capacity of Gulf consignee in Memphis, owns his own equipment, employs his own personnel, and is justly regarded as a local business man.

**Locals and Personals**

Mrs. J. A. Grundy returned Thursday of last week from Gainesville where she has been three weeks on account of the illness of her brother, W. S. Clark.

D. J. Morgensen and son George Dean attended the Al G. Barnes circus in Childress Sunday.

W. M. Walker, Dennis and Ethlyn Walker were visitors in Childress Sunday.

**Texas Farm Head Likes Uniformity Of Agricultural Program For 1938**

COLLEGE STATION—The 1938 Agricultural Conservation Program will set up acreage goals for cash crops which are smaller than the established bases, according to Geo. Slaughter, chairman of the Texas Agricultural Conservation Committee, who has recently returned from Washington, where representative farmers were called to confer with AAA officials as to the program.

The 1938 program is in most respects quite similar to the 1936 and 1937 program, Slaughter said. The range program, developed during 1937, will be continued.

Chief difference in the new program from previous plans is the provision for national goals for major soil-depleting crops to provide adequate supplies for consumption and export, but such as to keep down burdensome surpluses, according to Slaughter. He explained that each state will be given its share of the national goal, and each county will be given its share of the state goal. The county goal will be distributed among the farmers of the county.

In 1938, the maximum payment for each producer will be calculated at the beginning of the crop year and the attainments of soil depleting and soil building goals will be set at conditions for full payment.

The division of payments between landlords and tenants will be the same as the division of crops, Slaughter said.

The new program was hailed by Slaughter as by far the most uniform in application to all regions that has yet been developed. He stated that it is the plan of the Agricultural Adjustment Administration to inform each farmer as to the acreage in each of his crop goals before planting time in the spring of 1938.

**FRIENDSHIP**

By MRS. C. L. PADGETT

Mr. and Mrs. Guy Smith Jr. and little daughter attended a reunion of the Smith family near Childress Sunday.

Mr. and Mrs. Tom Scarberry of Hobart, Okla., came last week to visit Mrs. Scarberry's parents, Mr. and Mrs. L. E. Jenkins, and Mr. Scarberry's sister Mrs. Cecil Gilchrist.

A. T. Parker was a dinner guest of Don Tyler Sunday.

Al Kimbrow of Oklahoma came Sunday for a visit with old friends and to help Lamar West in gathering his crop for several weeks.

Rondel McBride was very sick last week-end, but is better at this writing.

Miss Lucile West of Memphis was a guest of Clara Burnett Sunday.

Several from here attended the ball game at Memphis Sunday afternoon.

Louie Spruill was a dinner guest of Addie Louise Parker Sunday.

Mr. and Mrs. R. C. Edwards and family, Mr. Scott of Memphis Glenn Bruce, Russell Harrell, Miss Winnie Strickland, Mr. and Mrs. H. A. Parker and family, and Miss Louie Spruill were guests in the Padgett home Sunday evening.

Farmers in this community are still very busy gathering their crops.

Mr. and Mrs. Lee Thornton visited with their son Ivan Thornton and his wife in Lubbock Sunday. Ivan has been attending Draughon's Business College in Lubbock since last spring. He will be with a cotton brokerage company during the cotton season.

Miss Ruby Hoffman and Mrs. S. E. Ross and son S. E. of Amarillo spent the week-end in Memphis. Miss Hoffman was guest of her parents, Mr. and Mrs. A. C. Hoffman, and Mrs. Ross and son visited with Mr. and Mrs. W. O. Thomas.

Mrs. Glen Carlos and Mrs. Lloyd Phillips attended the Tri-State Fair in Amarillo last Thursday.

Miss Jimmie Gilreath has accepted a position with the J. H. Morris Cotton Co. as stenographer. Mr. and Mrs. S. S. Coleman of Weatherly were among visitors in Memphis Friday.

Mrs. J. L. Marcum of Estelline was a visitor in Memphis Friday.

Mr. and Mrs. Clifton Burnett, Mr. and Mrs. Ernest McMurry, and Mr. and Mrs. Billy Howard attended the Tri-State Fair in Amarillo Thursday of last week and visited with Mr. and Mrs. Jack Breland.

Mr. and Mrs. Earnest Hayley visited with relatives in Seymour Saturday and Sunday.

Mr. and Mrs. W. C. Chapman and son Cullen visited with Mr. Chapman's mother in Spur Sunday.

**CARD OF THANKS**

We wish to thank each and everyone who sent messages and flowers, or in any way comforted us during our sorrow in the loss of our loved one. Your messages were read to her and she understood and appreciated them almost to the last. ### MORE USES FOR COTTON

REP. GEORGE MOFFETT of Chillicothe last week announced that he would reintroduce his bill for a \$250,000 cotton laboratory during the special session of legislature which met Monday. Governor Allred vetoed a similar bill at the regular session, but it seems to The Democrat that such a laboratory, if handled properly, would be a worthy cause. Allred, it should be mentioned, vetoed the bill because it provided no method of financing the project.

The Chillicothe man points with alarm at the declining world markets for American cotton, and declares that unless new uses are discovered for the staple commodity, old King Cotton may, in a few years, become an impoverished monarch with a large portion of American farmers likewise impoverished.

It would seem to us that Mr. Moffett might well be alarmed. The present farm program is helping us to lose our world markets for cotton, and it would be to the advantage of this country if we could devise new uses for cotton. Marvin Jones here Saturday stated that the search for new uses for cotton is being treated as a national problem, and the matter is being studied at Washington.

It is easy to see what the decline of cotton production will do to the Hall County sector. Less cotton will mean fewer farmers, fewer gins to run, a smaller run for the cotton compresses and oil mills, and less trucking and freighting. This will result in a decrease in the number of tenants, cotton pickers, gin workers, compress workers, truckers, a loss in scholastic number and in teachers, and so on down the line to a loss in business for all local retailers and wholesalers.

The above seems a dreary picture, and it is for the cotton business. But Hall County, we believe, is rich enough in resources to continue to progress even with the curtailment of cotton production. A number of farm officials have said that cutting the cotton acreage in this area will result in a more abundant life for the farmer. He will be forced to raise his own living, or a good part of it. He will be forced to cut his cash crop and produce feed, gardens, and livestock.

Not being gifted with foresight, we shall have to be content to let the situation run its course and hope and work for the best.

oooOooo

### MILKING CLASS B FOOTBALL

SAM BRASWELL, editor and owner of the Clarendon News, has a habit of writing interesting and worthwhile editorials in his newspaper. The following appeared in the News last week:

For a number of years there has been a rising tide of sentiment that football in Texas high schools was over emphasized—something that The Clarendon News has not concurred in as yet.

However, there has transpired certain events which has brought huge added cost to the sport in all our Texas towns, and today many school trustees and a growing number of school superintendents and teachers are being driven to the conclusion that football in the ordinary high school will have to be abolished on account of its excessive cost and the burden of oversight on the part of the school heads.

During the flush times preceding the depression officiating high school games cost about ten or twelve dollars, but there has come about such a commercialization of the sport that today the officials in this territory—maybe others too—are being paid upwards of \$25 per game. Football equipment is being sold on such exorbitant profits and such unnecessary terms, that the heavy investment in football fields, stadia and lighting equipment, the sport is being made to carry a cost that is breaking down of its own weight causing many erstwhile ardent supporters and fans to lose their enthusiasm for the game, to the point of becoming open and active in their opposition to it as the all-absorbing major sport of the high schools of the state.

In every town and community there are those who make no bones of attempting to "horn in" on the games without paying admission—something which has added to the terrors of the situation for the school authorities and shortened the cash receipts for paying off the mounting costs of the sport.

Now fellow-citizens of the Panhandle, something is going to have to be done to cure so many evils of

the situation, or football outside of cities of less than ten thousand people is doomed.

Ten or fifteen dollars per game can be cut off the expense by the officials restoring "expense" basis to their charges, which will mean a restoration of football to something nearer amateur standing. Football equipment can be purchased by an authorized committee on a basis nearer the worth of the merchandise, and other activities included in the sport can be done by supporters of the team, as much of the work is now being done by citizens who give of their time to promote the sport in the community. We know men in every Panhandle town who donate their time, their automobiles, their effort to keeping football afloat in the community.

This milking of football on the field by officials—many of whom would be present to scout the game anyway;—by unshamed gate-crashers; by profit-mad athletic goods houses— and every other avenue of commercialization, must stop or the breaking point is not far away.

The future of high school football is at stake. It cannot carry on like it is today, almost on the same basis as the college sport, without creating a rebellion on the part of school trustees and authorities which will sound the death-knell of one of the finest sports this nation has ever known.

The News has always supported football and other athletics—it is supporting football today, but there are certain signs of danger present which will ruin the game for us all if they are not checked.

Here in the Panhandle, The News believes there are capable officials who are lovers of the sport, who can be brought to see this menace and who will be willing to contribute their services for the good of a great amateur game on "expense basis". The other items will be subject to the determination of the school boards or athletic committees doing the purchasing of supplies and equipment.

Let's stop the milking of football and keep it for our wholesome entertainment and for all the good that is in it.

## Paragraphs From Panhandle Press

Culled From The Democrat Exchanges

### Good Cotton Staple

The ginner of the county are publishing a full page advertisement this week urging cotton producers to wait until their cotton is dry to have it ginned. This is more important this year than ever before. This season the grower will be heavily penalized if the staple is short or the sample bad. There is something else not mentioned in the ad—farmers should start thinking now of getting good seed for next year. Enough long staple seed for two or three plantings should be caught this fall if at all possible.—Wellington Leader.

Chivalry is the attitude of a man toward a strange woman. . . . A compliment is when you say something to another which he and we know is not true. . . . The feminine of bachelor is lady in waiting. . . . The Bible is against bigamy when it says no man can serve two masters. . . . Heredity is a bad thing and it ought to be prevented. . . . A mugwump is a bird that sits on the fence with its mug on one side and its wump on the other.—Wellington Leader.

We've observed that women might be able to understand each other better over the telephone if they'd talk one at a time. . . . Some folks knock so loud they never hear the knock of opportunity; another reason is that opportunity is so frequently accompanied by his hard-boiled partner, work. . . . A store room in most homes is a place to put things until it is time to throw them away. . . . Our idea of an accomplished wife is a woman who knows 10 different ways to use up stale bread. . . . Our observation is there seems to be something radically wrong with our radicals. . . . There are not many fires occurring in Muleshoe; but O'Neil Rockey, local fire chief, suggests it might be a good idea to carry a dog on the fire engine so when they do have one a fire plug could be quickly located.—Muleshoe Journal.

### Shut Up!

The Donley County Leader observes that folks encourage their little tots to talk, and after they learn how, they tell them to shut up.

The following letter was run in the Donley County Leader last week:

Gentlemen:  
I wish to inform you that the present shattered condition of my

bank account makes it impossible for me to send you a check in response to your request. My present financial condition is due to the effect of the Federal Laws, State Laws, County Laws, Incorporation Law, By-Laws, Brother-in-Laws, and Outlaws, that have been hoisted upon an unsuspecting public. Through these various laws I have been held down, held up, sat on, walked upon, flattened, squeezed, and broke until I do not know what I am, where I am, or why I am.

These laws compel me to pay a merchant tax, capital tax, exercise tax, incorporation tax, amusement tax, luxury tax, telephone toll tax, real estate tax, property tax, liquor tax, auto tax, gas tax, light tax, water tax, stock tax, city sales tax, income tax, social security tax, unemployment tax, gasoline tax, cigar tax, school tax, syntax, and carpet tax; and when I am dead they look for an inheritance tax. In addition to these taxes, I am requested and required to contribute to every society and organization that the inventive mind of man can invent and organize; to the Society of Saint John the Baptist, the Dorcas Society, the Y. M. C. A., the Gold Digger's Home, also to every hospital and charitable institution in town; the Red Cross, the Black Cross, the White Cross, the Flaming Cross, and Double Cross. The Government has so governed my business that I do not know who owns it. I am suspected, expected, inspected, and disrespected; examined, re-examined, informed, required, commended, and compelled until all I know is that I am supposed to provide an inexhaustible supply of money for every known and unknown deed, desire or hope of the human race, and because I refuse to donate to all and then go out and get, borrow or steal money to give away, I am ousted, cussed, discussed, boycotted, talked to, talked about, lied about, held up, held down, and robbed until I am just about ruined. The only reason I am clinging to life at all is to see what the hell is coming next.

## Dodge - Plymouth Make Sales Record

The Compton Motor Co. at 115 S. Seventh in Memphis offers in the Dodge and Plymouth Cars the chief reasons why Chrysler Motor Corporation established the most phenomenal sales record ever known in the history of the motor car business. C. S. Compton, Proprietor.

Unknown in the motor car world as recently at 13 years ago the Chrysler Motor Corporation has since that time made one of the most astonishing sales and manufacturing records ever achieved in the motor or any other business. In 1924 Walter P. Chrysler introduced to the American motorist the first and original Chrysler made motor car. It was lighter, faster, stronger, more beautiful and more powerful by substantial margins than any other car in its price range and a radical departure from the products of the older and more firmly established motor car manufac-

turers. In fact it was an innovation in its field and it gained an unprecedented popularity whenever it was introduced. It placed the Chrysler Motors in a position of leadership in the motor car world from the start.

The same daring and engineering genius which was responsible for this initial success has through 13 years of booms, depressions, good times and bad, enabled Chrysler Motors to maintain this position and gradually expand until today this company is one of the big three in the industry. Chiefly responsible for this amazing growth has been the Dodge and Plymouth divisions of Chrysler Motors. Year after year the new Plymouth and Dodge models have startled the automobile industry and thrilled the buying public with their new models which somehow always seem to embody unusual features in beauty, power, comfort, speed, and other desirable motor car features which had hitherto been unknown to competitive models.

The invitation to "drive all

Hanna-Pope & Co. building at Lubbock, knocked the knobs off two big safes and escaped with five expensive diamond rings and an estimated \$1,500 in currency. Cooly going through accounts, currency, cash, and other valuables, the intruders dumped what they did not elect to take with them and, with a last flaunting gesture, escaped from a balcony with their loot in an unusual manner, using a barred window as a ladder to the alley.—Clarendon News.

### Testing Likker

The engineers have a swell method of testing their liquor. They connect 20,000 volts across a pint. If the current jumps across it, the product is poor. If the current causes a precipitation of lyte, tin, arsenic, iron slag, and alum, the whiskey is fair. If the liquor chases the current back to the generator, then they've got good whiskey.—Claude News.

## for WOMEN only

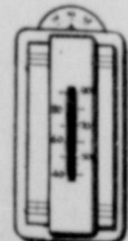

CARDUI is a special medicine for the relief of some of the suffering which results from a woman's weakened condition. It has been found to make monthly periods less disagreeable, and, when its use has been kept up awhile, has helped many poorly nourished women to get more strength from their food. This medicine (pronounced "Card-u-i") has been used and recommended by women for many, many years. Find out whether it will help you by giving it a fair trial. Of course, if not benefited, consult a physician.

### War Veterans To Conduct Reunion

A. A. Kinard, commander of the Charles R. Simmons Post of the American Legion, is urging attendance at the annual reunion of the war-time veterans of the 36th Division, which is to be held in Fort Worth on Saturday and Sunday, October 9 and 10.

Reunion headquarters is at the Texas Hotel. The entertainment includes a dance Saturday night, a barbecue dinner and memorial services Sunday.

All veterans have been invited to take a week-end vacation and "fight the war all over again" with their war-time comrades.

### Memphis Hospitals, Modernly Equipped

Memphis have been established by people well qualified in the matter of building and equipping a hospital.

These hospitals have been established at considerable expense and fills an important community need, in that they save local people time, money, and inconvenience necessary if they were not here. This is one feature Memphis residents should remember as in the past thousands of dollars have left this community as a result of people seeking outside hospital services, whereas now 90 per cent of the cases can be cared for here as well. Similarly friends and relatives of patients often come from distances to visit patients and while here not only spend money for living expenses

### War Veterans To Conduct Reunion

Completely equipped to care for Surgical, Medical, or Obstetrical Cases of any kind, the Hospitals of Memphis are modernly equipped and daily rendering an important service to Memphis and Hall County residents.

The general opinion of people who have been patients in hospitals is that, as a rule, it is more economical to be treated at a hospital than to remain at home. Suffering is more rapidly relieved, the period of illness is often less than half than when treated at home, and it is quite often the case that patients remaining at home go for weeks or even months before their case is properly diagnosed. So often the case becomes serious, even to the loss of life, when if the patient had been promptly hospitalized, where proper laboratory and X-ray findings are available, where the case could be kept under constant observation and a correct diagnosis promptly made, the illness and loss of time to say nothing of the suffering, would have been of comparatively small consequence.

It is of interest to local people to know that the hospitals of

but shop for clothing and other merchandise which otherwise they might buy elsewhere.

The hospitals of Memphis have approximately twenty-five adult beds as well as bassinets for children. They have completely equipped operating rooms, X-ray, and other equipment of the approved type. They are prepared to care for surgical, medical, or obstetrical cases of any kind and the satisfaction expressed by all who have been patients is indicative of the results they achieve.

Miss Margaret Milam has gone to Denton where she will complete work on her B. A. degree at C.I.A. this year. She has been chosen one of forty out of 350 students for a college choir.

### Company Gasoline

oil transportation, is the oldest in the world. It embraces over 7,000 miles of trunk lines as well as an extensive gathering system and it is by this pipeline that the major portion of Sinclair crudes is brought to their twelve great refineries in the United States. Savings effected thru this cheap transportation and their strategically located refineries are passed on to the consumer in the form of higher quality products at no increase in price. Sinclair Pennsylvania motor oil, for example, is made exclusively from Bradford Alleghany crude which is the highest quality and most expensive of all Pennsylvania crudes.

These are some of the reasons why Sinclair gasoline and motor oils are of unusual quality and if you are not already familiar with it, drive into any Sinclair service station, all of which are identified by the big HC sign and see why for yourself.

Mr. Buster acts in the capacity of commission consignee for Sinclair products in Memphis and vicinity, owns his own trucks, employs his own personnel and is justly regarded as a local business man.

### Another Reason Why FIRESTONE GIVES YOU SO MUCH EXTRA VALUE AT NO EXTRA COST

YOU GET EXTRA PROTECTION AGAINST BLOWOUTS—eight extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process. By this process every fiber in every cord in every ply is saturated with liquid rubber. This counteracts dangerous internal friction and heat that ordinarily destroy tire life.

YOU GET EXTRA PROTECTION AGAINST PUNCTURES—because under the tread are two extra layers of Gum-Dipped cords.

YOU GET EXTRA PROTECTION AGAINST SKIDDING—because the tread is scientifically designed.

YOU GET LONGER NON-SKID MILEAGE because of the extra tough, long wearing tread.

Another Reason Why FIRESTONE GIVES YOU SO MUCH EXTRA VALUE AT NO EXTRA COST

TAPPING RUBBER TREES ON FIRESTONE PLANTATIONS IN LIBERIA

From these vast plantations come an ever increasing supply of the world's finest rubber. Firestone economizes in producing raw materials, manufacturing and distribution make it possible for Firestone to give you so much more for your money.

PRICES AS LOW AS \$6.40

### Department Store Invests \$1,000,000 In Advertising

J. Haskin, Director of the News Bureau of Washington, D. C., in the question, "How much does a department store like Marshall Fields & Co. invest in newspaper advertising?"

Marshall Fields & Co. has invested approximately one million dollars a year in newspaper advertising for the past decade.

that Mr. Haskin's answer did not have SPENT approximately ... has INVESTED. ...

merchants consider advertising. However, large firms, who keep their advertising returns, consider advertising a splendid investment. Newspaper advertising returns. Newspaper advertising when conducted consistently ... get created through a percentage of the more sales you make the more in advertising.

ADVERTISING IS AN "INVESTMENT" NOT AN EXPENSE!

### Dear Friends of Hall County:

I was once a Plaska school boy 1911 to 1916, and Buster Crawford, L. Q. Sparks, and Clarence Shankle were my teachers. We lived on Bro. Slover's place on the Red River bottom land two miles southeast of Plaska, or Lodge as it was then called.

I am a subscriber of The Democrat and enjoy reading it very much. As 21 years have lapsed this Sept. 6 since we left Lodge, I run across some names in the paper of people that I know are still in Hall County. I am also glad to hear that this fall will be a good year for a "bumpin' cotton crop."

Just a little history of the Conn family: J. C. Conn (my father) died March 1932; Mettie Conn (mother) lives in Bostonia, Calif.; Leslie A. Conn (oldest son) in trucking business in El Centro; Minter Conn, oil business in Los Angeles; D. D. Conn, mechanic foreman for Vessy & Co. at Salinas; Mary Conn (sister) now Mitchell, Los Angeles; Jack Conn, dry ice business, Los Angeles; Willie Conn (youngest son) manager Swift & Co., Calexico, Calif. LESLIE A. CONN.

Mrs. Rosetta Stephenson went to Amarillo Monday for an indefinite stay. Mr. and Mrs. W. L. Raney of Colorado Springs arrived in Memphis Sunday to spend part of the week here with his sister, Mrs. J. W. Fitzjarrald. They will also visit relatives in Vernon and Seminole, Okla., during the week. Mr. and Mrs. M. M. Alexander and son Miles visited relatives in Dalhart the past week-end. Mr. and Mrs. C. C. Meacham visited in Amarillo Tuesday.

Mr. and Mrs. Z. P. Pilgreen of Vernon visited with Dr. and Mrs. J. W. Fitzjarrald here Monday and Tuesday. Mrs. D. H. Jefferson, who was here visiting her daughter Mrs. J. C. Lamb, was called to Albuquerque, N. M., last Thursday night on account of the illness of her grandson, Frank Randall.

### A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

**DON'T RISK YOUR LIFE ON THIN WORN TIRES**

DO YOU KNOW THAT last year highway accidents cost the lives of more than 38,000 men, women and children? THAT a million more were injured? THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to unsafe tires?

At right is a section cut from a smooth, non-skid Firestone tire. Note the non-skid protection in this condition. At left is a section cut from a new Firestone tire. Note the non-skid protection against skidding, blowouts and punctures. Come in and see by actual demonstration.

# King Furniture Company Joining In Observing National Furniture Week

## NEW FURNITURE WILL BE SHOWN

### Leading Concerns Of Nation Take Part In Sales Event

The King Furniture Company here is joining with other leading home furnishing concerns over the nation in the observance of National Furniture Week.

This week has been set aside by state and national furniture companies as the period in which to show the latest styles in home furnishings and to push furniture sales through promoting pride in the home.

Governor James V. Allred set aside this week in Texas as National Furniture Week through official proclamation.

King's Furniture Company received a large shipment of new merchandise the latter part of last week, and it is being shown now. Modern home furnishings for the entire home, from the kitchen to the upstairs guest room, are being shown this week at King's.

Jim and Max King, proprietors of the furniture company, have invited everyone to call at their modern establishment on Main street and view their many bargains in varied lines of modern and established furniture.

Citizens of Memphis and vicinity have permitted their home furnishings to be neglected during the past several years because of the depression and slack business conditions, but with the return of better times, now is the time for refurnishing and redecorating of homes, it was pointed out.

Mr. and Mrs. M. L. Lewis, Mr. and Mrs. Lonnie Burks and daughter Betty Joe of Shamrock spent Sunday in Memphis as the guests of Mr. and Mrs. Joe C. Webster. Mr. and Mrs. Burks returned to Shamrock Friday from Oden, Ark., where they have made their home for a number of months. They are former residents of Memphis.

Mr. and Mrs. Dan F. Moody of Turkey visited here Tuesday of last week for cotton picking.

Mr. and Mrs. John McDonald and sons of Petersburg were Sunday guests in the John Robertson home.

## John Deere Has 100th Anniversary

The Harrison Hardware Co. in Memphis carries a complete line of John Deere Tractors and Farm Implements which are products of one of the nation's oldest and largest implement manufacturers. S. T. and T. M. Harrison, Proprietors.

At one anvil in a little frontier blacksmith shop in 1837, John Deere built the world's first steel plows. They solved one of the most serious problems of pioneers carving out farms in the great agricultural region of America. From the three plows made by John Deere at a single forge in 1837 to the many thousands of plows and kindred tools now made by the John Deere Plow Co., in a single year is a stupendous jump; yet it was made and the little blacksmith shop soon became a great plow factory—eventually the largest steel plow factory in the world.

Around this factory there grew a group of other factories each devoted to the manufacture of a particular class of implement to stand with John Deere plows in forming the John Deere full line.

### WEBSTER

By NELL COCHRANE

Mrs. Bennett and daughter Mary Joan of Cleburne have returned home after a visit here with their sister and aunt Mrs. J. N. Byars.

Uncle John Robertson is ill at his home here.

Several from here attended the football game at Shamrock Friday night.

Miss Ruth Durham of Amarillo is here visiting her parents, Mr. and Mrs. W. L. Durham.

Rev. G. H. Gattis filled his regular appointment here Sunday and Sunday night.

Mr. and Mrs. L. J. Robertson spent Sunday visiting Mr. and Mrs. Tom Stewart near Wellington.

L. B. Stinebough was a visitor here over last week-end.

School closed here Tuesday of last week for cotton picking.

Mr. and Mrs. John McDonald and sons of Petersburg were Sunday guests in the John Robertson home.

The John Deere Plow Company's constant endeavor has been to make John Deere farm equipment so good that its first cost is soon repaid in extra service given. Now on their 100th anniversary we find that each of these implements has worked its way to popularity on farms all over the world and they now include a wide variety of farm machinery.

The Harrison Hardware Co., for example, can supply you with tractors or farm implements for every need. An example is the Letz Feed Mill which is an individual feed mill, for the farm which grinds any kind of farm feed.

They also carry all John Deere parts and can care for every service need of John Deere Tractor owners.

The business policy of this firm is one of courtesy and convenience to their patrons—in fact their sincere desire is to serve farmers in Hall County in such a way as to make a lasting friend of you. They invite you to call for demonstrations of their equipment and to make their store your headquarters while in Memphis.

Mrs. Vira Floyd and daughter Sylvia were visitors here Thursday afternoon.

Rev. G. H. Gattis was a guest Sunday in the home of Mr. and Mrs. W. E. Henry.

Mrs. John Capps and daughter were visitors here Sunday.

Ila Marie Robertson of Lesley spent the week-end here as the guest of Bonnie Jean Robertson.

Jack Wigginton and Paul Wells were visitors here Sunday evening.

Mrs. J. R. Cochrane, who has been ill for some time, is improving.

Mr. and Mrs. Hoggett of Lakeview were guests Sunday of Mr. and Mrs. W. E. Henry.

Mr. and Mrs. Allen Henry and Miss Ruby Henry were visitors at Fairview last week-end.

Mrs. L. B. Stinebough is here with her parents, Mr. and Mrs. John Robertson.

Farmers are very busy now gathering their cotton.

### ANTELOPE FLAT

By GUSSIE MARIE BULLOCK

Mrs. Henry Bell Edens Jr. was able to be moved home Tuesday.

Mr. and Mrs. C. C. Brown and children, Mr. and Mrs. Dan Dean and sons, and Loyce Gibson were among those attending the Tri-State Fair at Amarillo last week.

Gussie Marie Bullock and Boyce Edens were among the Lakeview High School students attending the Tri-State Fair Wednesday of last week.

Margie Northcutt, Nadyne Waldrop, Hazel Merrill, Alma Graves, Gussie Marie Bullock, Versa Barclay, and Edith Waldrop attended the Home Economics Club meeting Thursday night at Lakeview.

Margie, Nadyne, Hazel Versa, and Gussie Marie were initiated into the club.

Edith Waldrop, Gussie Marie Bullock, Leon Sanders, and Arlon Merrill were occupants of the Lakeview school buses, bearing the football team and pep squad girls, that collided at an intersection in Childress as they were returning home from Shamrock Friday night.

Gussie Marie Bullock received bruises and Leon Sanders cuts and bruises. No one was injured seriously.

Mr. and Mrs. Ed Coon and little daughter Charlene of Arizona spent Friday with Mr. and Mrs. Dan Dean.

Mr. and Mrs. S. A. James took little John Edward James to Memphis Saturday for medical treatment.

J. W. Tidwell, who is teaching at Lakeview, was here Saturday en route to Silverton.

Mr. and Mrs. Alvin Long and grandson Rex Alvin Long of Alarney spent Saturday and Sunday here visiting their son Floyd, who is with the J. A. chuck wagon, and in the W. N. Bullock home.

Mr. and Mrs. Z. L. Salmon and children of Brice visited Mr. and Mrs. Dan Dean Sunday.

Mrs. Ben Hill of Clarendon spent Sunday with Mr. and Mrs. S. A. James.

Mr. and Mrs. Roy Heckman and daughters of Silverton spent Sunday with Mr. and Mrs. C. S. Graves.

Friends of Ernest Graves will be sorry to learn that his condition is not improved.

Buster Graves, who underwent an operation for appendicitis in a Tulsa Hospital, will be removed to his home at Silverton this week.

A number of baseball fans attended the Salisbury-Lesley game at Memphis Sunday. Salisbury won the game 12-0.

H. B. O'Neal and Ray Dunlap of Lakeview were here on business Monday.

Lakeview and Antelope schools have closed for a period of six weeks for cotton picking.

Mr. and Mrs. W. F. Durham and little daughters Geraldine and Shirlene spent the week-end with Mrs. Durham's parents, Mr. and

## Butter Nut Bread Superior

Made by the Good Eats Bakery in Memphis, sold by leading grocers and served by particular People, Good Eats Bread contains a high content of shortening and other rich ingredients and ranks high in food and health value. Geo. L. Pounds, Owner.

Bread has always been a major part of man's diet and food of unusual value because of the high content of protein and carbohydrates which it possesses. Both of these elements are productive of increased vitality, and energy, but of equal importance are the other ingredients.

The Good Eats Bakery makes several different kinds of bread,

each of which is a quality product and a leader in its particular field. Important among these is Butter Nut Bread which is as fine a white bread as is possible to bake. Containing a high content of milk, shortening, and other rich ingredients, Butter Nut Bread is not only balanced in food value but it is fully 50 per cent richer in food value than the average loaf of a decade ago.

Physicians indorse bread of this kind as a food of health quality and one that should be served at every meal.

The Good Eats Bakery also bakes cakes, pies, and rolls of all kinds that are distinctive and de-

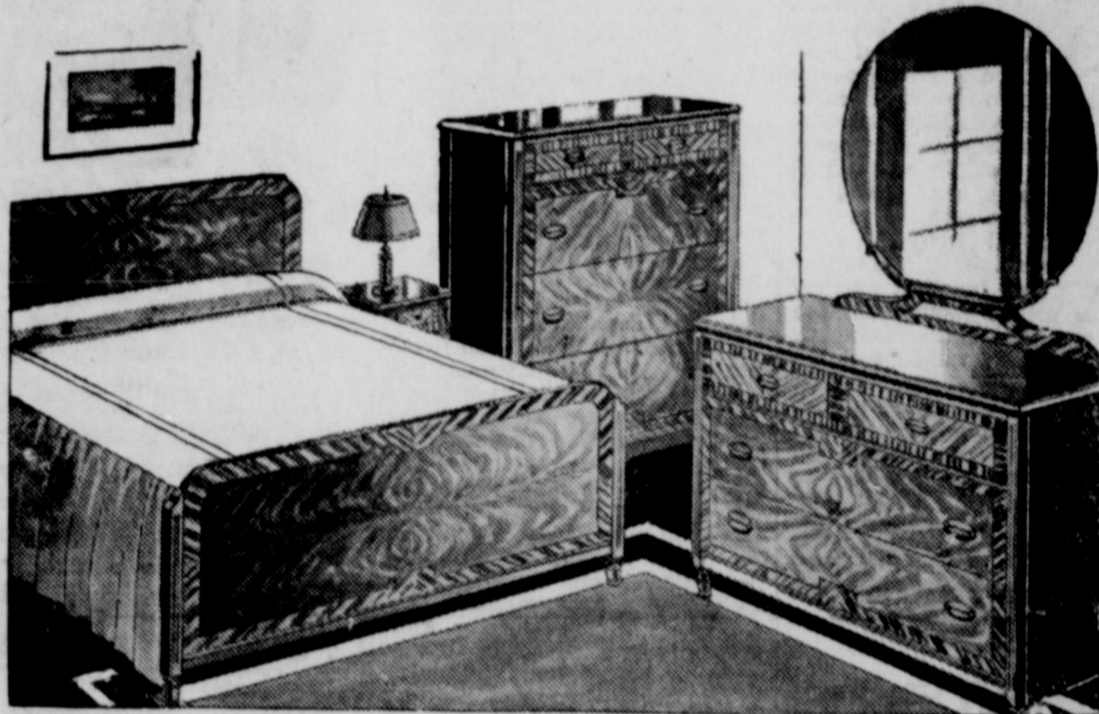

licious in products and quality is regarded as one of the best. The Good Eats Bakery ways open modern in the time the products referred to the effort to products of sanitary conditions. The business establishment with local does, its step over possible Butter Nut and not only but do you Memphis in

We Invite You To Visit Our Displays During National Furniture Week
