1,000,000 BANK MERGER PLANNED

CAPITAL IS TO BE INCREASED TO \$210,000

Total Resources Will Be In Excess Of Two Million Dollars

One of the largest financial deals ever contemplated in West Texas is in the process of consummation, with the announcement made this week of the proposed merger of the First National Bank and the Citizens State Bank of Memphis. Work has been progressing over a period of several months, and has now reached that stage where officials of both banks feel that the merger will be effected within the next several months at the latest.

It was the intention of the banks to issue a statement this week, giving in detail the plans that have been worked out in connection with the merger, but due to the fact that the National Bank Department requires that a merged bank cannot have two banking homes until one of the properties is disposed of, has held up the final adjudication of the matter, necessitating a delay. In other words, according to rules laid down by the U. S. Department of Banking, it is necessary that one of the bank homes be sold, and a cash emolument received for same, before the merger can take effect and be in force.

Is Practical Certainty
It was stated definitely by bank officials that the merger seems a practical certainty, and at the proper time all necessary information will be given the public through the press concerning the board of directors and the officials who will be in charge of the new institution. The merged bank will operate under the amended charter of the First National Bank.

Capital of \$210,000
When the merger goes into effect, the new bank will have capital of \$210,000, with deposits of more than \$1,000,000 and total resources in excess of \$2,000,000, which will make it one of the strongest financial institutions through Wichita Falls, Amarillo. No material changes in the policies of either the First National Bank or the Citizens State Bank are contemplated. The same courteous treatment will be accorded all customers, and the same privileges extended that are in keeping with good banking practice.

Haul Of Robbers Consists Of Ice Cream, Butter

Robbers effected an entrance into the plant of the Gate City Creamery here about midnight Monday and made away with fifteen hundred pounds of butter and four or five gallons of cream, according to L. P. Lane, manager. The thieves smashed the butter and ice cream plentifully over the floor of the building, in trying to get into the office safe was not turned, it is the opinion of Lane, and officers working the case, that the robbery committed by boys. Entry into the establishment was effected by breaking out a door on the north side of building.

Mr. Lane discovered the robbery when he came to work 5:45 o'clock Tuesday morning. The thieves had left the cream vault open and the door swung just in the case \$400 worth of ice cream

On the LEVEL

a column by William Russell Clark

Only this week, a winsome young lady—I assume she was home—made her appearance in office and asked me to subscribe for some well known magazine. As she approached me, she had a delicate little smile—I suppose it was delicate—and said, "Hello." I replied in the affirmative and then she started making an appeal.

"I have something here I know you will be interested in," she still smiling. "You see, I am going to win a \$500 scholarship that will enable me to attend college and I know you want to me. Now, here are my credentials—they are all in order. Magazines would you be interested in taking?"

"I would not be interested in any magazine, young lady. I see, we had a short cotton here last year," I warned, "and we are trying to keep as much money at home as possible. Mail order houses are manning to get their share, however, now see here," she interrupted me, "you evidently do not understand. I am not representing a mail order house. I am getting subscriptions this summer to help put me through school, and I know you will want to help me win that \$500 scholarship. So many people are helping me."

The horrible truth dawned on me at last. "Of course," I said, "if you put it that way, I would like to see you win the scholarship, but it is a set rule with me never to subscribe for a magazine. I always obtain them from the newsstands. It is much more convenient and I never have to follow anyone's feelings by following such a course of action."

"But listen," she insisted, "your buying magazines from the newsstands won't help me to win that \$500 scholarship, and besides, I can save you money. Now take this magazine, for instance. It would cost you four dollars a year on the newsstands. Buy it from me and you save \$1.50, and then you are helping in a good cause. You want to see me get an education, don't you?"

Local Shriners To Leave For Toronto Convention Friday

Jim King and J. Henry Read plan to leave Memphis on Friday of this week to attend a Shriners' Convention at Toronto, Canada. The convention will be in session at Toronto from June 10 to 12, inclusive. The Memphians expect to return to this city about June 20. According to Mr. King, he and Mr. Read will leave Amarillo Friday morning by way of the Rock Island Railroad. They will proceed to Chicago and then continue by rail to Detroit. From Detroit, they plan to go by boat to Niagara Falls, New York, and after a short stay in Buffalo, they will cross into Canada.

Take Short Excursion
After the convention, Mr. King stated that he and Mr. Read would probably take a short excursion up the St. Lawrence River to Ontario and Quebec, visiting places of historic importance. They then plan to return to Chicago to spend a few days before returning home on June 20. Mr. Read is making the trip as the official delegate of Khiva Temple, at Amarillo. He is past potentate of that temple. While Mr. King is not going as a delegate, he is a member of the Divan of the temple and a well known Shriner.

LOCAL POST TO TAKE PART IN LEGION MEET

Slaton Will Be Host At Convention Of 18th District

Members of the local post of the American Legion are making plans to attend the eighteenth Texas district of the American Legion convention which will be held in Slaton on June 14 and 15, at which a probable attendance of 800 or more Legionnaires and Auxiliary members is anticipated. There are 49 Legion Posts in the District, having a combined membership of over 3,400 war veterans. Most of these posts will be represented.

Interesting Program
An interesting program is being arranged for the Slaton convention, including business and entertainment features on both days for the ex-service men and their ladies. State Commander "Ozro" Cox and State Adjutant Bob Whitaker are both expected to be in attendance. A luncheon for the delegates at noon on Sunday, June 15, is one feature of the meeting. Information from Slaton is to the effect that nothing is to be left undone that would insure the success of the convention. In addition to the Legion meeting, Slaton will celebrate its nineteenth birthday anniversary, the city having been founded on June 15, 1911.

Council Appropriates Sum For Library And Fire Boys

The Carnegie Public Library is to receive \$250 for the purchase of needed books during the year 1930 and the Memphis Volunteer Fire Department will be the recipient of \$50 per man, not to exceed six men, in order to allow delegates to attend the Texas State Firemen's and Fire Marshal's Association annual convention which will be held in San Angelo next week. This was voted at the monthly meeting of the city council held Tuesday night of this week.

CLEAN UP DAYS ARE OBSERVED ENTIRE WEEK

Legion Finds Job Is Too Exacting For Shorter Period

When the local American Legion post requested Mayor S. T. Harrison to set aside two days in which to carry on a clean-up campaign, it was believed that that period of time would be sufficient for a city-wide endeavor to make Memphis a cleaner place in which to live. However, early this week it was found that two days was not long enough for the task, and instead of confining clean-up activities to Monday and Tuesday, the whole week has been designated for the task, according to H. L. Nelson.

Progressing Slowly
Mr. Nelson stated that the work is not progressing with the speed it should, but that progress is being made. He asks all those who have not already done so, to assist.

Report of Jury of View Is Expected By Next Saturday

The Jury of view, appointed by the Hall County Commissioners' Court to assess damages to property owners over the route the new highway is to take from Memphis to Mulberry Bridge, by way of Lakeview, will probably make their report by Saturday of this week, according to County Judge A. C. Hoffman. The report will be filed with the Commissioners' Court and definite action is expected to be taken on it when the Court convenes Monday, June 9.

Jury Goes Over Route
The jury of view has gone over the route of the highway with the engineer and has considered every possible damage to property owners, it was stated. The jury

County Candidates Attend Play Given At Brice Last Week

A play was presented by the Lesley Home Demonstration Club at Brice on Friday night of last week before a large and attentive audience. The ever-popular "Old Maid's Convention" proved to be humorous from start to finish. It was a benefit play and designed to send a delegate from the Lesley Home Demonstration Club to the annual Farmers' Short Course to be held at A. & M. College this summer.

A number of candidates for county offices witnessed the presentation, among them being John Alexander, Bill Bragg, Dandy Hollis, J. E. Hughes, Bailey Gilmore, Miss Edna Bryan and Mrs. Roy Guthrie.

Jolly Resigns As Executive Of Boy Scouts This Week

I. E. Jolly who, for more than a year, has been Scout Executive of the Southeast Panhandle Area, with headquarters in Memphis, left the city the first part of the week, in company with his wife, and Mrs. Jolly's father and grandmother for Evansville, Indiana. Mr. Jolly resigned his position here, due to the fact that the area council is experiencing financial difficulties and could not afford the services of a Scout Executive at the present time.

Funds Were Unavailable
Due to the fact that some of the towns in this area failed to contribute to this year's budget, funds were not available with which to run the organization until September 1. Mr. Jolly informed the Area Council of the condition at a meeting held last Sunday, and is seeking a new Scout position elsewhere. En route to Evansville, he expects to stop at several councils in an endeavor to get located. He has promised to take the Scouts of this Area to camp this summer in case he does not get permanent work. If such is the case, the camp will be run on a basis of his own management and the rate will be \$10 a week.

Mallard In Charge
Due to the failure of the financial program, the Cub Scout movement will not be pushed at the present time. Before he left Memphis, Mr. Jolly appointed Dr. J. Hardin Mallard as Area Commissioner to operate the council as best he can, without pay, until such time as the Council is in position to obtain the services of a paid Executive. Dr. Mallard will observe office hours at the Scout headquarters in the basement of the courthouse Monday and Friday afternoons of each week.

Memphis Institutions Are Represented At Amarillo Parley

Representatives from the three local banks were in attendance at the opening sessions of the Panhandle Bankers' Association, which convened in its annual two day session in Amarillo Wednesday morning. In order to permit local bankers to attend the meeting, the three banks here were closed throughout the day Wednesday. Several local men, including D. L. C. Kinard and J. Henry Read are past presidents of the Association.

200 Officials Present
Two hundred bank officials and employees were expected to attend the two day meeting. Bank

The long-awaited announcement as to the teaching personnel of the Memphis Public Schools for the school year of 1930-31 was made public this week by M. E. McNally, secretary of the local school board. The statement had been held up pending the acquisition of teachers for each of the several positions and vacancies that were open. From the report, it will be observed that including the superintendent and the four principals, the teaching staff for 1930-31 comprises 46 individuals.

High School Teachers
Those elected are as follows: H. A. Jackson, superintendent; Senior High School: Ike W. Jay, principal; Lester C. Linn, Sam S.

Will Receive Bids Soon For Building 2 Highway Bridges

According to Coleman L. Hasie, engineer employed by the county in connection with the construction of the highway from Memphis to Mulberry Bridge by way of Lakeview, as soon as the Commissioners' Court meets in their next regular session, this body will very likely set dates for receiving bids for two bridges to be constructed on the new highway. One of the bridges is to be built over Berkeley Creek near the city limits of Memphis and the other will be constructed over Indian Creek.

Hospitality Urged By Dickey At Meet Of Rotary Tuesday

The feature of the meeting Tuesday of the Memphis Rotary Club was a talk by Walter Dickey in which he stressed the idea of community hospitality. He stated that every community should have some one characteristic that would distinguish it from other communities, and he cited the need for more community hospitality here in Memphis. He recounted the various elements that have entered into a development of this western country, the foremost of which has been western hospitality which is known the world over. He stated that in the past Memphis had lost many prospective citizens because of a lack of cordiality. He stated that hospitality costs little, but pays large dividends.

The resignation of Art Miller and Sam Bryant were read and accepted with regret by the club. The entertainment committee announced that plans for a picnic for Friday, June 13, were in the process of being consummated.

Tidwell Shows Will Play Here Next Week As Legion Benefit

From all indications, there are going to be enough amusement devices to keep Memphians busy if they partake of them all this summer, and chief among them will undoubtedly prove to be the carnival which is booked to show here from Monday through Saturday of next week under the auspices of the Charles R. Simmons Post No. 175 of the American Legion.

Interest Mounting In Rally Of Clubs Here On Saturday

Interest in the annual home demonstration club rally which will be held at the First Presbyterian church throughout the day Saturday, June 7, is increasing, according to Ruby M. Adams, County Home Demonstration Agent, and the attendance record this year bids fair to eclipse all former efforts along this line. The rally will begin promptly at nine o'clock and will last until four o'clock Saturday afternoon.

Interest in Contests
Transcending in importance the other features of the all day meeting is the interest being shown in the outcome of the house dress and butter contests. The house dress parade will get under way promptly at two o'clock, and the judge's decisions will be rendered shortly thereafter both in the house dress and butter contests. Miss Bess Edwards, Assistant State Home Demonstration Agent, has been secured to judge the contests and she will be assisted by Miss Minnie Mae Grubbs, district home demonstration agent. The general public is extended an invitation to be present Saturday at the all day rally.

APPREHEND MAN ON CHARGE OF AUTO THEFT

Officers Make Arrest On Highway 4 Miles South Of Memphis

L. B. Williams, who is said to have evaded officers for ten days, was arrested Tuesday afternoon on the highway four miles south of Memphis and lodged in the county jail on the charge of stealing an automobile belonging to R. C. Ellis of Memphis on Saturday, May 24. Williams is alleged to have stolen the car on the night of May 24 and is said to have driven to Lodge and later in the night to have carried the car to Electra.

Make Arrest on Highway
Word was received by local officers that the car was in Electra, and Jim May and R. C. Ellis went there in an effort to locate it, but were unsuccessful. Tuesday, officers here got word that the car had been seen on the highway coming toward Memphis. Constable Jim May with J. T. Dennis and J. D. Mann, met the car on the highway four miles south of town and made the arrest. The car is a 1930 Ford Roadster, and had been driven only 2,140 miles when it was stolen. When recovered, the speedometer showed 4,390 miles. Both bumpers and spare tire had been taken from the car and probably sold. It is now being held at the Ford Motor Company here awaiting instructions from the insurance company.

The appropriation of \$250 for

Appropriation for Firemen
Chief Ray stated that it has al-

ways been the custom of the fire department to send delegates to the state meeting, from which much good is always derived. The convention will be in session for three days. The appropriation by the city council makes it possible for five of the local firemen to attend the convention. They will probably be accompanied by City Fire Marshal Bill Huddleston.

Is Big Road Show
The T. J. Tidwell Shows, which are playing an engagement in Childress this week, are expected to unload here early next Monday

morning and be in readiness for their opening engagement Monday night. The carnival company is one of the big road shows playing this section of the country. It carries twelve big attractions and they are said to be well worth the money charged to see them. In addition, there are eight mammoth riding devices, 35 novelty concessions and a troupe of 300 people. New features will be the order each of the six nights the carnival will play here at the Fair Grounds. Admission to the grounds will be free.

Bouquet Of Double Dahlias Presented To Newspaper Man

There is more than one person in the world who believes in passing flowers around to the living. That fact was tangibly proved Tuesday afternoon, when a bouquet of large, double dahlias was sent to the editor of The Democrat, through the thoughtfulness of Mrs. W. P. Dial. She evidently knew, somehow or other, that this particular newspaper man enjoyed flowers.

Words are inadequate to express the appreciation for this bouquet. The dahlias were salmon-colored, with faint traces of yellow and orange. They were hardy plants, showing that they had been well matured and excellently cultivated.

Mr. and Mrs. Cisco Fletcher and children of Sherman, and Mrs. S. A. Wright, of Dallas, are visiting this week in the home of Mr. and Mrs. J. B. Wright. Mrs. Fletcher is Mr. Wright's sister, and Mrs. S. A. Wright is his mother.

Miss Odessa Dennis returned from school in Lubbock.

This is the third of a series of advertisements dealing with the advantage of buying in Memphis. The campaign is sponsored by a group of 20 local merchants.

You Are a Memphis Builder

... when you buy in Memphis

It isn't necessary that "duty" be adopted as a viewpoint in searching for reasons to trade at home. Duty may be cast aside, and there still remain abundant reasons for spending Memphis dollars with Memphis merchants. Isn't it true that your livelihood depends on local money conditions? Granted this is true, the fact naturally follows that your chance for prosperity increases when money is kept at home. Memphis merchants do not expect you to pay a premium to trade with them. They offer you quality for quality and dollar for dollar values. Isn't that fair?

Every purchase you make in Memphis from Memphis merchants helps to build this city. When you buy at home you are building Memphis. Naturally, the reverse is true if you buy out of town those items that may be purchased locally. What interest have you in other cities? Isn't the progress and development of Memphis your chief concern?

beautiful and varied assortment of Polo shirts, Russian pajamas and two piece underwear attracting considerable attention of the show windows at J. C. Store this week. Articles of wearing apparel had in many bright and colorful. According to J. C. Ross, the underpajamas and Polo shirts represent the latest Hollywood mode, never that means, and he is that this is what the leadcinema stars are wearing. Not giving his authority for this statement, it is taken at its face value nevertheless. The garments are made of the finest silk and are priced to suit pocketbooks of those who like the best. Even though they are as Hollywood is gay, they represent the spirit of the times and add quite an addition to the dressed man's wardrobe.

UMPIRE TARGET OF ARGUMENT IN GAME WITH CROSBYTON

Owl Park was almost turned into a boxing arena Wednesday when a decision by a Crosbyton umpire (whose name was not learned—but it doesn't matter; he was called several different names) was hotly disputed by the Owls and the grandstand. The squabble lasted fully ten minutes, during which time the Owls said they would not continue with the game, were induced to change their minds, and finally resumed playing—decidedly against their wishes.

"As long as I am business manager of the Memphis Owls," declared Ben Woodington, during the game, before the outcome was known, "Crosbyton will never again play in Owl Park. We are trying our best to avoid the type of unnecessary squabble that arose in Wednesday's game. We are willing to give and take, but we don't want spectators who know nothing about baseball umiring and rendering absurd decisions. Clubs that had rather argue and fight than play baseball are not wanted in Owl Park."

From the spectator's viewpoint, it was a disgusting, yet apparently unavoidable incident. Memphis fans and players were demanding what they considered their rights, while Crosbyton players were backing the decision of their umpire.

Outside of the argument with the umpire, the game wasn't so hot. Numerous errors were made—errors that most high school boys wouldn't be caught at. The Owls didn't make their usual good showing, and from this writer's viewpoint, the Crosbyton team was nothing to write home about.

Oh, yes! We almost forgot to mention that Crosbyton won the game. The score was 4-3.

Estelline Beats Pampa 19 to 16

A score that brings back recollections of the eighteen nineties in baseball was the result of a struggle between Estelline and Pampa at the latter city last Sunday. Estelline got the heavy end of the 19-16 count. The Cubs battery was Burleson and Horton.

The Estelline Cubs have played 13 games, won 11 and lost 2. Their percentage is .846.

Let's Chat Awhile

BY DOROTHY B. ROBBINS

That poem by Glenn Ward Dresbach in the Memphis Democrat of May 23rd, "Empty Corral," was poignant. The line, "The gate, the loneliest thing that's left"—Mama and I could see that old gate! Paste it in your scrapbook and treasure it.

George Bond and his wife, Mildred, arrived Saturday from New York City. Hillsboro recognizes George as a gifted son and her citizens agree with one speaker who expressed herself thus: "With the heart of a poet and the pen of a genius."

How long Mr. Bond and his wife will be here I do not know, but I do know that once when I sent a poem to compete in the Poetry Society, Norman Crowell, corresponding secretary, cited George Bond's "Old Fashioned," as fulfilling the requirements for a poem and said it possessed poignancy. It had appeared on the book page of the Dallas News. To me there was never a sweeter poem written.

OLD FASHIONED

By George Bond

I who have found no peace in the whirr of a motor, And have lost the half of the beauty of a scene Through the raucous shriek of a siren or the spit-spit of an exhaust

Have awakened at night to hear in my dreaming ears The patient rhythmic thud of horses' hoofs

And the creak of turning wheels on a lonely road.

I have another favorite whose appeal to me is a poignant note, "Amarillo," by your own William Russell Clark. That line, "They sought and found in you, a timid quail,

Elusive, quivering and calling low."

I like that sonnet so much that I have pasted it right next to Old Fashioned. These two give me some beautiful thoughts when I lift my eyes from writing for The Democrat. The poignant note in one line makes a poem, something not to be forgotten. The poems mentioned have every line good, but I think one or two lines stand above the others—delicious surprises—that people can take of a little thing and make something so enjoyable!

Owls To Contest Estelline Friday

The Estelline Cubs want to "get even" with the Memphis Owls.

After suffering defeat twice at the hands of the Owls, the Cubs are pawing dirt and straining at the leash for another chance at Memphis. That chance has been set for this afternoon (Friday) at 3:30 in Owl Park.

If there is any team Estelline wants to defeat, it's Memphis, and fans are promised a lively game. L. Marcum will start on the mound for Estelline, with Weathered ready for relief. Parker will toss first for Memphis and Jack Knight will be on hand for the relief work.

THIS AND THAT

It's surprising how careless Uncle Sam is getting in his old age. Imagine giving Memphis a population of only 4,252! Imagine! Personally, I'm not at all satisfied with the count. I think it's absolutely ridiculous.

I honestly believe there are 5,000 or more people in Memphis. What Uncle Sam did with the other 748 is beyond me, but as one citizen of Memphis, I am indignant, and I'm refusing, flat-footedly, to accept the count of 4,252.

If it is true that Memphis has but 4,252 people, then Childress, with a population of 7,100 odd, is as large as Memphis and Clarendon and Giles all put together. You know that isn't so. A little country town like Childress could not be as large as the combined metropolitan centers of Memphis, Clarendon and Giles. It just isn't possible.

And if we let those official figures stand, it means that Memphis has only 700 more people than Wellington. There are nearer 1,700 more people here than in Wellington. It looks as though I may have to start on a personal nose-counting tour, and I can do it, too, if necessary.

I'm afraid people will think Memphis is just a country town when, in reality, it is a metropolis.

Speaking of country towns reminds me that George Sager, erstwhile secretary of the Memphis Chamber of Commerce, has moved to one. I believe they call the place Quannah. Quannah is a little town 5 miles east of Acme and 8 miles west of Evan's Switch. They have signal lights there, but that doesn't mean anything. Chillicothe has them, too.

I know a Memphis man who saw a few street lights burning when he came through Quannah one night. "First graveyard I ever saw lighted up," he said.

Last week I was feeling pretty badly about the way Memphis got gypped on population, when suddenly I detected a familiar foot-

fall on my doorstep. And who should it be but L. P. Lane, Mr. Gate City himself, with three quarts of Caramel Custard ice

Rev. E. T. Miller telephoned The Democrat again and asked me to tell our readers that the Hall County Red Cross chapter has sent another \$50 to Texas flood and storm sufferers. That makes \$100 that Memphis has sent to unfortunate Central Texas citizens. I know that is the correct amount because I got into a controversy with Bro. Miller and he got me told right quickly. I wish I could get into an argument with someone who would send The Democrat's Milk and Ice Fund a check for \$50. We've got \$57 and we need more. Somebody loosen up—please.

H. J. Rice, assistant postmaster, tells me that he has bought one of those "cited" farms in the Whaley addition. "If my wife doesn't go to work now and make us a living I'm going to quit her," Mr. Rice said. I wonder what he means "now." Everybody knows that Mrs. Rice has been making the living all along. The Government may lease part of Mr. Rice's land for a dead letter cemetery, I've been told.

By this time you've probably heard about the new oil boom town of Hobbs, N. M. According to reports I've been hearing, it's a pretty bad place. But J. H. James, who went to Hobbs a few days ago, didn't seem to think so in a letter he wrote back to his son, Jesse. "Hobbs isn't such a bad place," Mr. James wrote, "I've been here two days and only two men have been killed."

The letter below, supposed to have been received by an Enid banker from one of its customers, is reprinted from the Enid Morning News:

I wish to inform you that the present condition of my bank account makes it impossible for me to send you a check in response to your request. My present financial condition is due to the effects of Federal Laws, State Laws, County Laws, Corporation Laws, By Laws, Brother-in-Laws, Mother-in-Laws, and Outlaws, that have been foisted upon an unsuspecting public. Through these various laws, I have been held down, held up, walked on, sat on, flattened and squeezed until I do not know where I am, what I am or why I am.

These laws compel me to pay a merchants tax, capital stock tax,

cream, a new Gate City creation, under his arm. Ice cream is plenty good when you buy it, but you've no idea how good it can be when it's given to you. This new recipe of Mr. Lane's is superb. You ought to try it.

excess tax, income tax, real estate tax, property tax, auto tax, gas tax, water tax, light tax, cigar tax, street tax, school tax, syntax and carpet tax.

In addition to these taxes I am requested and required to contribute to every society and organization that the inventive mind of men can organize. To the Society of St. John, The Women's Relief, Navy League, the Children's Home, the Policemen's Benefit, the Dorcas Society, the Y. M. C. A., the Boy Scouts, the Jewish Relief, the Near East, the Gold Diggers Home, also every hospital and every charitable institution in town. The Red Cross, the Black Cross, the White Cross, the Double Cross, and the Purple Cross.

The government has so governed my business that I do not know who owns it. I am suspected, expected, inspected, disrespected, examined, re-examined, informed, required, commanded and compelled until all I know is that I am supposed to provide an inexhaustible supply of money for every known need, desire or hope of the human race, and because I refuse to donate to all and go out and beg, borrow and steal money to give away, I am cussed, and discussed, boycotted, talked to, talked about, lied to, lied about, held up, held down and robbed, until I am nearly ruined, so the only reason I am clinging to life is to see what the hell is coming next.

Speaking of Tall People—Have a Look

Considerable excitement and interest was shown in and around Tarver's Pharmacy Thursday when the tallest man ever to appear in this city was on exhibition. He bears the name of Ray Williams and is seven feet, six inches in height and weighs 220 pounds. He is advertising representative of The Tanna-Menthol Company, Inc. of Enid, Oklahoma. He was accompanied by D. L. Kincaid, general representative of the same company. They are making a tour of the country in the interests of their company and have already been through ten states.

Williams, as shown in the above picture, wore correct morning clothes, consisting of cutaway coat, striped trousers and other accessories in keeping with this traditional attire. He carried a walking cane. He is 22 years old and was born in Chickasha, Oklahoma. He has been with The Tanna-Menthol Company, Inc., for the past six months. Prior to that time, he was with the 101 Ranch Wild West Shows and on the Orpheum vaudeville circuit for several seasons.

Williams does not claim to be the tallest person in the United States, but he says he has never yet found anyone to equal his own height.

Mr. and Mrs. C. W. Broome and Mr. and Mrs. B. Webster, spent Monday and Tuesday of last week in Lubbock and Littlefield.

Auto Gee is another new one, a mechanical horse race, a real race and continuous action.

Writing attractive advertising must be fascinating work. I always read through the magazines

and newspapers. Yes, but it's the advertising first and then the stories (no, that's not so; I read the poems after the advertising)

"From an importer who is indeed a connoisseur of fine Italian linens. . . he buys beauty for beauty's sake. . . and in these marvelous cloths he has found beauty of the first water. . . the fine linen is as white as bramble blossoms

These banquet cloths are handmade in Italy, usually costing from \$500 to \$750 and more, but the Wanamaker store offers three sizes, \$125, \$145, \$165—napkins to match for \$29.50 per dozen.

Men who have passed into the thirties can easily recall the thrill a new Henty book gave them. In many families, it was considered too risky to let the boys read Henty. He encouraged a love for wandering, caused a roving foot.

He held Conrad up to me as an example of brilliance after an age

when most writers have passed their high water mark. After he had been sixteen years with the Navy, he thought of writing as a career and the French Riviera as the place; the ideal spot of all from which to pursue such a delightful course of action.

Can't you see that the thermometer of the Italian Riviera corresponds exactly with that of the French Riviera? Or am I mistaken (wish I had Milka here to consult).

As I started out to say, many books of adventure have been written for the young, the latest being, The Rover Boy Series. Now a new writer must come forward, one for this age of the airplane.

We round a corner to reach the eminence and the old house at one corner of a half block isn't all; two-thirds of the half block is rank with sunflowers, wild verbenas, wild honeysuckle, horse mint I have never seen so lovely, Texas star, wild grasses, an evergreen vine with lovely berries, puff-balls of the dandelion and perhaps many more

I heard the owner of this property say that he hoped some day to build a nice residence on that spot because there would be such a pretty view. I've always wished I could own that place; though I'll admit liking it better before, the old house got a new dress on

THE DEMOCRAT'S PROGRAM FOR 1930

1. Less selfishness and more selflessness in the business, professional and social life of Memphis and Hall County.
2. The placing of agriculture on a higher plane, with emphasis being put on diversification, live at home movement, and the cow, sow and hen route to contentment and general well being.
3. A better understanding between Memphis and the towns and communities in Hall County.
4. More respect for city ordinances in connection with parking of cars in the downtown district, observance of fire rules and regulations, and keeping the streets of the city in a clean condition.
5. More general cooperation in all movements seeking the betterment of Memphis and Hall County.
6. A municipal auditorium.
7. More paved streets.

ANOTHER CANDIDATE STEPS IN

ANNOUNCEMENT was made Thursday of last week that R. S. Sterling of Houston, chairman of the Texas Highway Commission had thrown his hat in the ring and had become a full-fledged candidate for Governor. Mr. Sterling's eleventh hour decision was, to say the least, ill-advised. He is much too wealthy to ever be elected Governor, no matter what his qualifications may be. His record on the Highway Commission has not been exactly savory, with all elements, and his idea and pet hobby of a state bond issue does not meet with general approbation.

We do not qualify as a political prognosticator, but even at that, surveying the field of candidates at the present time, we do not feel that Mr. Sterling has a "ghost of a chance." Of course, he will get a few votes, especially in the neighborhood of Houston, but just about enough to put him seventh or eighth when the votes are counted in August. There are now between fourteen and eighteen avowed candidates for Governor. We do not know the exact number, nor do we care. The main thing is that this political plum seems to be particularly appetizing this year—more so than ever before and we cannot help but wonder why. Four thousand dollars a year would not appear to be the drawing card—and that is the salary the Governor receives. It must be the glory, prestige and honor connected with the job that is appealing to such a vast crowd of spell-binders.

THE COLLEGIANS RETURN

SINCE early last week, the college boys and girls who have been attending school away from Memphis have been returning home. They will continue to "trickle in" until well past the middle of June. From far and near they come and we hope they are bringing back with them some really hard earned education. We are glad to welcome them back to Memphis and to turn the town over to them while they are here, but when they do come back to stay, we want to know they have received a real education and not merely superficial training that does little to prepare them for the responsibilities soon to be theirs.

Without exception, parents of local students have been to considerable expense in sending their offspring away to college. Memphis is fortunate in having such parents and their children should appreciate the efforts being expended in their behalf and make the most of the educational facilities offered to them. We have known plenty of college graduates who had difficulty in making a living, due largely to the fact that they did not choose wisely their course of study.

We so often hear the statement made that this is an age of specialization, which is certainly the case. Competition was never keener than at the present time. If our home boys and girls would achieve well, they must have a definite objective in view when they go to college and work consistently to prepare themselves for a particular objective. Without doing so, they are likely to find themselves in the position of a ship without a rudder, and at the same time they will be "all at sea."

THE PROBLEM OF VACATION

VACATION is always a problem. What to do or what not to do eternally bobs up. Colorado and the Rockies—Old Mexico—California and the West Coast—New York and Canada—there are plenty of places to go, but when it is taken into consideration that Hall County had a short cotton crop last year, it may be that vacation trips will be somewhat curtailed this year. Regardless of whether or not we go places and see things or stay at home and work, vacation still presents a problem. If we go away from home, we are often sorry. If we stay at home, we wish we had gone elsewhere, and so it goes.

There are not enough jobs to go around for the students who will spend the summer here. If many of them do not take vacation trips, they will be idle. If we may offer a suggestion, it would be that students learn to write on a typewriter. They can learn typing during the summer months if they will to do so. Once it is learned, it will come in handily throughout life. No one has asked us to say this; we are not doing any advertising, but rather, it is just one of our convictions that a splendid way for students to spend the summer would be for them to master typing.

THE CENSUS REPORT

AT last the census report has been made and we find ourselves confronted by the fact that Memphis has a population of 4,252. We look to be a much larger town than these figures would indicate, but they are official and we must abide by them. As we have so often stated, we believe the census enumeration was conducted in an accurate manner and we have no fault to find. Of course, we wish the figures had been higher, but since they were not, we are looking forward hopefully to the growth the city is sure to undergo before the next census is taken in the year 1940.

It will be noted that during the past ten years, the city's percentage of growth was 49.77. That, of itself, is a good record and something of which to be proud. Now if we can just get a payroll here—the all-year-round kind—we shall be satisfied to let the next census report come for itself.

The Coming Generation

The four precious children in the picture are the four daughters of Mr. and Mrs. J. D. Northington, 516 Robertson Street.

Reading from right to left, Jacque, the eldest and very responsible young lady is just past seven years old, next is the youngest, Peggy June, now about two years of age. Louise and Mildred complete the group, one a beautiful blonde and the other a darling brown eyed brunette.

Lesley Club Has Regular Meeting With Mrs. Neal

The Lesley Home Demonstration Club met at Mrs. Neal's home Tuesday of last week. There were twenty-five members, four visitors and two new members present. The roll call, "Ways I Like to Think of Mother" and also the program were very interesting. Mrs. Henders, Mrs. Spry, Mrs. Smith and Mrs. Spencer were on the program.

Following the program, delicious refreshments were served, consisting of ice cream and cake. The club adjourned to meet with Mrs. Hodge and Mrs. Spry.

Mrs. Tarver Gives Slumber Party For Frances Finch

An enjoyable event for the younger social set in Memphis was the slumber party given by Mrs. Horace Tarver at her home on South Seventh street Thursday evening of last week, honoring Frances Finch of Dalhart, who has been a visitor in the Tarver home.

A delicious supper was served late in the afternoon and the honoree and invited guests were then treated to a picture show party, after which they returned to the Tarver home and indulged in a general good time until the early morning hours.

Those enjoying Mrs. Tarver's hospitality were, beside the honoree, Nell Walker, Geraldine Watson, Martha Draper, and Frances Montgomery, of Mangum, Oklahoma.

Mrs. Sam Weaver Is Honored With Luncheon Tuesday

Mrs. Sam Weaver, of Big Spring, was honored with a luncheon Tuesday at noon, by Mr. and Mrs. G. H. Hattenbach. Mrs. Weaver is the daughter of Mr. and Mrs. John A. Wood.

The table was delightfully decorated, and a lovely lunch was served to the honoree, Mrs. Sam Weaver, and her daughter, Rebecca Ray, Mr. and Mrs. John A. Wood, and John A. Wood Jr., Mr. and Mrs. Hersh Whaley, Mrs. Mary Jo Cunningham, and Mrs. Charles Oren.

Frances Elizabeth Montgomery Gives Piano Program

Frances Elizabeth Montgomery, granddaughter of Mr. and Mrs. S. S. Montgomery, who visited in this city last week, with many former friends and relatives, gave for their pleasure, a piano program last Friday at the Ar-Mont Inn.

The program was similar to a recital program given by Frances recently at her home in Mangum, Oklahoma, where she now lives with her mother, Mrs. W. E. Wilson. Miss Frances' performance shows rare ability for one so youthful. Her technique and interpretation are unusually good. These qualities and her vivacious and charming personality bespeak for her a most promising career in the musical world.

Frances is a former pupil of Mrs. Mary Robertson Hennon, who deserves a large share of credit for this young pianist's present success.

The very delightful program was as follows:

- Prelude—Bach.
- Valse in E Minor—Chopin.
- Mussolini—Medio.
- A set of 8 Waltzes—Schubert.
- Solfeggietto—Bach.
- Duet from Hungarian Rhapsody—Liszt.
- Hungarian Rhapsody—Englemann.

Mystic Weavers Given Lawn Party By Mrs. Kinslow

Mrs. C. W. Kinslow proved to be a most charming hostess Wednesday afternoon, May 28, at her home on Main street, when she entertained the members of the Mystic Weaver Club and invited guests with a beautiful lawn party. The east lawn of the Kinslow home was decorated with rugs, pillows, flower stands, pot plants and tables with vases of cut flowers. Garden flowers were everywhere. Five large parasols, settees and comfortable chairs made a most inviting scene as the members and guests arrived promptly at four o'clock.

Under the shade of the parasols, delicious and refreshing orange punch was served. The entire afternoon was spent in pleasant conversation. The hostess served a lovely plate consisting of hot creamed chicken in pattie shells, molded vegetable salad, olives, hot rolls and iced tea, home made ice cream and angel food cake.

After the tea hour, Mrs. Foote, president of the club, called the seventeen members present into the living room for a short business session. Guests were Mesdames W. C. Dickey, S. A. Bryant, Louis Goffinett, Charles Williams, Arthur Yonge, T. E. Noel; out of town guests, Mrs. Bernie Harrison of Dallas, Mrs. Clyde Littlefield of Austin, Mrs. Hicks, Mrs. Bustin Canon, Mrs. N. M. Scott and Mrs. Robert Duncan of San Angelo.

Mingled with the hilarity of the occasion was a feeling of sadness at the thought of this being the last meeting of the year. Expressions of appreciation were made to Mrs. Foote for having made the club such a wonderful president. This meeting was a very fitting climax to a year of unusual and elaborate club meetings.

Y. W. A. Has Meet Monday Evening In Baptist Annex

The regular meeting of the Y. W. A. was held Monday evening in the Baptist Annex with Mrs. E. W. Whittington, sponsor, as leader. A very interesting program was rendered and six new members were initiated.

After the business meeting, the hostesses, Mesdames Chas. Flanery and Scott Sigler served delicious refreshments to the thirteen members and Miss Loyse Rister, a visitor. All had a lovely time and adjourned to meet on July 7.

OWLS TAKE ESTELLINE TO SECOND DRUBBING

Ables Hurls Fast Game; Score 9 To 7

Unwilling to let pass the opportunity to "rub it in" a little, the Memphis Owls showed the Estelline Cubs defeat for the second time last week when they took the heavy end of a 9-7 score at Estelline Saturday. The contest was a return match of the 3-2 battle that Memphis won at Owl Park last Wednesday.

Walker, who started on the mound for Memphis, was very apparently out of form and was quickly jerked by Owl Skipper Bobbie Clary. The first two men to face Walker secured singles, the third was walked and the fourth smacked out a two-bagger.

Lonnie Ables, Hall County farm youth, proved "able" relief. However, he was more than mere relief in Saturday's game. He pitched the entire nine innings and managed to keep the Cubs guessing to such an extent that they secured but four hits after he entered the box. Ables had plenty of "smoke," and some of the 7 men he struck out are still wondering what it's all about.

The day's big thrill was Wade Wilson's three-bagger that lacked about 2 inches of being a homer. Wade's single brought in three runs when the score stood 6-6.

Weathered, pitching for Estelline, was hardly up to his usual form. He and Marcum, relief twirler, allowed 10 hits between them. Weathered struck out only one man, while Marcum struck out three.

Foxhall Is Easy Winner In Match Played Last Week

The championship cup of the Green Belt Golf Association was won by Frank Foxhall on the links of the Quannah Country Club last Thursday afternoon at 4:30 o'clock, when he defeated L. S. (City) Walker of Quannah 3 down and 2 to play. This is Foxhall's second year to win the Green Belt Title. If Walker had won, the cup would have passed into his possession permanently as he won in 1926 and 1927.

The last nine holes of the match were played in a downpour of rain, but despite this handicap, Foxhall achieved a signal victory. When the first 18 holes were completed at noon on Thursday of last week, Walker was 5 down. He made a gallant comeback and was only 2 down on the 27th, 28th and 30th holes. Foxhall led throughout the match and did not suffer to any appreciable extent from any rally made by the former champion.

The score for the 34 holes was as follows:

KNIGHT PITCHES 1-HIT GAME SUNDAY

White Deer Is Held Scoreless As Owls Win

His name is Jack Knight, and he was the leading man in a little performance given by the Memphis Owls Sunday for the benefit of the White Deer Bucks. The climax came when White Deer finally got a hit in the eighth inning, and the grand finale was Memphis 6, White Deer 0.

Can that boy pitch! Well, if securing 11 strikeouts and allowing but 1 hit in 9 innings of fast baseball means anything, he certainly can. Backed by a well-oiled and heavy-hitting machine of 8 other good men and true, Jack was almost the whole show Sunday. His tossing led White Deer down for its first defeat this season.

The 10 hits secured by the Owls were well placed for scoring purposes. "Swede" Wessel went on a spree and got 3 nice singles out of four times at bat. Morrison, third-sacker, surprised even the most unmovable of Owl fans by smacking out 2 out of 4. Tunnell ground out the day's only two-bagger.

In spite of the fact that the contest was more or less one-sided, it was one of the season's fastest games. A crowd that shattered all Owl Park records thus far saw the game Sunday.

Lakeview Baptist W. M. S. Has Meet Monday, May 26

The W. M. S. of Lakeview Baptist church met on Monday, May 26, at the home of Mrs. T. M. Ham for their business and social meeting. After the regular order of business, with Mrs. R. Bowerman, president, presiding, an hour was spent in rehearsing the program which the Society will give on the evening of June 1.

Work was then begun on the quilt which is being made for the Orphans Home. As six members were present and all willing workers, the quilt was soon done on next fourth Monday, at the home of Mrs. Will Davis. While the evening was spent very profitably, we believe that no present have ever enjoyed a more pleasant time. Each one present seemed to be doing her best to make this one of the bright spots in the journey of life and each appreciated the hearty welcome and warm hospitality of the hostess, as well as the deft refreshments which were served. We adjourned hoping to meet again and not forget to invite us to her pleasant home again soon.

Miss Mary Cooke, of Clarendon was in Memphis last Friday on business and visiting friends.

Mr. and Mrs. Theodore Adams, of Lakeview, spent Sunday in this city.

Vast Audience Is Present At Sunday Memorial Services

Dr. Ernest E. Robinson, pastor of the First Methodist church, delivered a long to be remembered sermon, having as its general subject, "Peace," before a vast Memorial Day audience that filled the auditorium of the First Baptist church to capacity last Sunday morning at the 11 o'clock hour. Dr. Robinson paid tribute to the deeds of ex-service men, those who are living and those dead. He asked that more consideration be shown them than has generally been the case since the Armistice.

The boys from the local post of the American Legion occupied the choir while special seats were filled by members of the Legion Auxiliary and the local chapter of the United Daughters of the Confederacy. Only one Confederate Veteran was observed during the service.

The program for the service was as follows: Organ Processional; Hymn, America, choir and congregation; Opening Remarks, H. L. Nelson; Invocation, Chaplain David Fitzgerald; Chorus, Lest We Forget, American Legion Boys; Roll Call of departed Confederates and World War Veterans, Allen Grundy; Reading, In Flanders

Fields, Mrs. L. P. Lane; Solo, The Trumpeter, Mrs. Maynard H. Drake; Sermon, Dr. Ernest E. Robinson; Closing Remarks, H. L. Nelson; 30 seconds of silent prayer; Hymn, Star Spangled Banner; Benediction, Organ Recessional.

At two o'clock Sunday afternoon, the graves of departed veterans were decorated at Fairview cemetery, a salute fired over the grave of Jess Ballew, and Sam Folder sounded Taps.

Mrs. Garner Says It's Worth More Than \$1,000 To Her

Had Suffered With Liver and Nervous Trouble Nine Years Until She Took Orgatone

"I wouldn't take a thousand dollars cash for the good Orgatone has done me," said Mrs. D. F. Garner, who resides at 413 1-2 Pierce street, Amarillo, Texas, and is the owner of the well known apartments known as the Garner Place.

"It may sound strange, but I had suffered with stomach trouble, abscessed liver and nervousness until I got to the point where I felt like nothing on earth would ever do me any good. Everything I ate soured on my stomach and made trouble for me and in addition to the nervousness at times I would have a hard lump form in my side that felt like a rock and pained me terribly. I just lived in misery all the time and couldn't get any relief.

"I am just finishing my second bottle of Orgatone, and it's surprising the way I have improved, considering that I haven't been entirely well before for nine years. The nervousness and

hard lump is gone from my side, and my stomach is all right and I can eat anything I want and digest it. I have gained some in weight, and am able to do my housework and feel good all the time. I want everybody to know what Orgatone did for me."

Genuine Orgatone (Argotane) may be bought in Memphis at the Tarver Drug Company.—Adv.

VETERANS HONORED U. D. C. CHAPTER ON TUESDAY

spirit of the Southland, dominant heritage of the ever-present reality, and the annual program and order to Confederate veterans, their wives and invited guests, at the home of Mrs. W. L. Wheat, at South Twelfth street, Friday afternoon beginning at 2 o'clock. This is an annual affair, sponsored by the Winnie Davis Chapter, United Daughters of the Confederacy, and is held a year on June 3, this date marking the birthday anniversary of Jefferson Davis, President of the Confederate States of America. The program and dinner has been held for twenty years, every thing but two being held in Wheat's hospitable home.

Five Confederates Present

Five Confederate Veterans, of the number with their wives honor guests, in addition to several others. The program was composed of Mr. and Mrs. J. F. C. Baker and A. J. Quill, Mrs. H. W. Clark, Mrs. Frizzell and Mrs. Hope S. Rotan.

Enjoyable Program Given

After the guests had assembled, conversation was the order of the afternoon, until time for the program, the first number which was the song, "Carry Me Back to Ole Virginia," sung by U. D. C. Chapter, with Mrs. U. Ward at the piano. In her inimitable and charming manner, Mrs. Wheat welcomed the guests. She stated that 23 marks another milestone in the lives of those who fought the South in the War between States. She spoke of the significance of Jefferson Davis's

descriptions were graphic and gave to those present a real insight into conditions as they actually existed during the Civil War.

The honor guests and members of the U. D. C. chapter were then ushered into the dining room where a tempting three course luncheon was served.

birthday and stated that the Winnie Davis Chapter looks forward to this annual event as a veritable love feast. She stated that the mantle of the Confederacy had fallen on younger shoulders but that as true Southerners they would be true to their trust. Fitting tribute was paid to Woodrow Wilson, and other great Southerners of this and other days. In conclusion she welcomed the honor guests and told of the pleasure the U. D. C. Chapter had in entertaining them.

A humorous reading, "The Old, Old Story," was then given in a charming manner by J. W. Slover. Mrs. G. C. Baskerville played a medley of Southern airs, which brought forth spontaneous applause. A reading, in costume, was given by Mrs. Duval Brumley, the title of which was, "Mammy Lisa Tells About Jonah and the Whale." The reading was typical of the negro character depicted and elicited much merriment. An enjoyable vocal selection followed, "Doan You Cry, Ma Honey," sung by Mrs. Joe DeBerry, accompanied by Mrs. James Norman. Russell Clark then made a few remarks. He was followed by Betty Dale West and Faye Baskerville in a dance reminiscent of the '60's, which was thoroughly enjoyable. The concluding number on the program proper was the song, "When You and I Were Young, Maggie," rendered by the U. D. C. Chapter. Mrs. J. W. Slover introduced the program.

Baker Makes Talk

Mrs. Wheat called upon Rev. F. C. Baker for a few remarks, and in a feeling way he told of the hardships encountered by the Confederates throughout the war. His

Piano Solos And Readings Feature Meeting Of Lions

A variety of talent distinguished the Lions Club program at their weekly luncheon, May 29.

Miss Frances Montgomery rendered two beautiful piano solos: "Waltz in E Minor," by Chopin, and "Solfi-gietto" by Bach.

Mrs. Tess Potter gave, in her own enjoyable manner, two readings: "What Jack Said," by J. L. Harbour, and "Food for Gossip." The program was planned by Herschel Montgomery.

William Russell Clark, a visiting Rotarian, talked on the recent census reports, giving Memphis a population of 4,252, an increase during the last ten years of 49.77 per cent.

At the close of the planned program, four Lions made up an alleged quartette, and perpetrated "My Wild Irish Rose," only to be rewarded for their vocal efforts with an onion bouquet presented by Lion Robbins. Several choruses were sung by the entire club membership, led by Lion Fitzgerald.

Miss Dorothy Elliott returned Tuesday night from T. C. U. Miss Mae Nell Elliott and Judge J. M. Elliott drove down to attend Commencement exercises returning Tuesday bringing Mrs. Elliott's aunt, Mrs. P. G. Holcomb, of Fort Worth, for a visit.

Executive Board Of Missionary Society Meets

The Executive Board of the City Federated Missionary Society held its monthly luncheon and business session Monday, June 2, at the home of Mrs. Thos. E. Noel, with a splendid attendance. After partaking of a delicious luncheon served at beautifully appointed tables where each committee was seated together, the house was called to order by Mrs. C. W. Broome, Mrs. W. L. Wheat conducted the devotional, after which the secretary, Mrs. Thos. E. Noel, called the roll, which was answered with Bible quotations.

This meeting marked the closing of the past year's work to be resumed in September. The summarized reports given by the various committees showed outstanding accomplishments and achievements were many and far reaching. For instance, the cleaning and planting in grass of the library lawn, the work in bettering the conditions of the negro homes and school, the bringing of Dean Dutton who gave the masterly and classic address to the Senior Class of 1930.

It would also be pleasing to note the delightful open meetings held by the Federation during the past year. Board members present were Mesdames James E. Bass, C. W. Broome, G. D. Beard, Maynard H. Drake, Ed Dishman, Jas. McMurry, J. G. Brown, Pete Clower, Allen Grundy, W. S. Moore, D. L. C. Kinard, J. W. Slover, J. Hardin Mallard, T. Kittinger, J. Henderson Smith, R. C. Walker, C. R. Webster, L. S. Clark, Scott Sigler, W. L. Wheat, Floyd McElreath, Mammie Van Pelt, and the hostess, Mrs. Thos. E. Noel.

My Song

A gray song for a gray day,
A glad song for the sun,
But I can never sing at all
Until the day is done:
For mine is not of joy or grief,
To those who hear aright,
But the gray wolf call of loneliness
That rises in the night.

THE CHURCH OF CHRIST (Seventh and Brice Streets)

Lester W. Fisher, Minister

SUNDAY—

Bible classes 9:45 a. m. Inter-esting classes and capable teachers for all ages.

The minister will speak at 11 a. m. and 8 p. m. Sermon subject for 11 a. m. "The Fullness of Time." Pentecost A. D. 33 consummated the fullness of time spoken of by Paul. What happened 1900 years ago in Jerusalem on the first Pentecost after the resurrection of Christ? What church did God establish on that day? Did Christianity ever exist in its fullness and finality until that day? That group of re-

ligious people who have planned for several months to celebrate Pentecost next Sunday in Washington, D. C., should know and surely they do, that their existence dates back to 1869 instead of A. D. 33; beginning in St. Louis Mo., instead of Jerusalem, Judea, the veil will be lifted and facts boldly given at 11 a. m. Sunday.

MONDAY—

Ladies Bible class 3:30 p. m.

TUESDAY—

Young people's meeting 8 p. m.

THURSDAY—

Mid-week service 8 p. m.

SATURDAY—

Bible drill for children 2 p. m.

Interest and attendance growing every Sunday. Two hundred and fifty in Bible classes is our goal next Sunday. The public is extended a warm invitation.

First Christian Church, Tenth and Main streets, Horace A. Shaw, minister, is conducting a short revival this week which will culminate on next Sunday, June 8, Pentecost, celebrating the nineteenth hundred anniversary of the Church of Christ. Services will be held each evening beginning at 8 o'clock. All followers of Christ throughout the world are being urged and should attend church somewhere on next Sunday. A special effort is under way to have one hundred per cent attendance at First Christian on this day, observing the largest communion service perhaps of the entire year. Every Christian is cordially invited to participate in this special service. Rev. Shaw will be in his pulpit at both the morning and evening services speaking on special Pentecost themes. Sunday morning his subject will be, "The Birthday of the Church." The evening fellowship service subject will be, "One by One." The choir will render special music, singing for the morning anthem, "The Lord Is Exalted" by West. A joyful gospel sing-song led by Mr. Shaw will feature each service during the four days revival. The Lord's supper will be observed in the homes of shut-ins on Sunday afternoon, bringing a note of Pentecost joy to these unfortunate ones. The communion service will be held for any follower of Christ in Memphis who is unable to attend services if this information will be phoned to the church office, 407M.

NAZARENE CHURCH WILL BEGIN REVIVAL MEETING

A revival meeting will be conducted at the Nazarene Church on North Tenth street beginning June 8 and closing June 22, according to an announcement made this week. Rev. W. T. White, of Canute, Oklahoma, will have charge of the services. He is a student of the Bethany Peniel College of the Nazarene Church at Bethany, Oklahoma.

Rev. White is said to be an interesting speaker and the local pastor, Rev. A. C. Gustin extends a cordial invitation to the public to attend the evangelistic services.
