## HALL COUNTY WILL MAKE BEST COTTON CROP IN SEVERAL YEARS IF LEAFWORMS ARE DESTROYED

If something doesn't happen—Hall County will make the best cotton crop in a number of years, County Agent W. B. Hooser said this week.

But the danger of that something grew nearer this week, as still more farmers sought poison for leafworms. The danger of grasshoppers is practically gone, the county agent said, and very few can now be found in the county.

Leafworms, however, are increasing in number, and may decrease the prospects for an abundant cotton crop—something which Hall Countians have not seen for a number of years.

Substitute poisons for calcium arsenate will have to be used, the county agent has already pointed out. The calcium arsenate is extremely scarce this year due to the amount of it being used throughout the state. One Lubbock firm dealing in insect poisons reported this week that little calcium arsenate is available, although the supply of lead arsenate is abundant.

The county agent, however, emphasized the fact that lead arsenate is difficult to use without danger of injuring the cotton. In addition, lead arsenate kills much slower than calcium arsenate. It is applied in the same manner as calcium arsenate, although the dusting qualities may be improved if lime, talc, or clay is added to the mixture.

The application of white arsenic either in dry or mixed with water as a spray will seriously damage plants and is not to be advised, it was pointed out. A group of farmers near Turkey tried white arsenate in killing leafworms, and the cotton was greatly damaged in the application.

Paris Green is another of the poisons which has been suggested as a substitute, but it should be mixed with flour to increase adherence, and with hydrated lime to offset danger of burning the plant foliage.

Crops throughout the county are looking exceptionally well at the present time, the county agent said. He pointed out one particular crop near Turkey, which he said was among the best in the state.

## Cotton Stamp Issuance To Begin in Hall County

### BAND REHEARSAL TO BE AUGUST 27

Initial Meeting to Be Held in Band House; Other Drills To Be Announced Later

School for Memphis students came a step nearer this week, and the approaching date was made to seem even nearer as Norman Heath, high school band director, announced plans for the initial meeting of school musicians.

A rehearsal for the full band will be held Wednesday night, August 27, at 7:30 o'clock, Heath announced, and all members were urged to attend. The meeting is to be held in the high school band house.

Further rehearsals and possible drills will be announced at the meeting next week, he said.

The Memphis schools will begin class work Monday, September 8, although registration will take place the previous Thursday and Friday, September 4 and 5.

Turkey schools are scheduled to begin September 1, and Estelline schools September 8.

Several schools over the county, including Lakeview, have already started, and others will start this Monday. The Lakeview school opened Monday, as did schools at Pleasant Valley, Lesley, Deep Lake, and Brice. The Eli school will start next Monday, it has been reported.

### County 4-H Boys Take Top Honors At Encampment

Win Several First Places In Contests Held During Camp at Lake McClellan

Hall County 4-H members who attended the annual encampment at Lake McClellan last Wednesday, Thursday, and Friday took top honors in the contests held during the meeting.

Highest of the honors went to Leo Wiley of Lakeview who plucked 187 points out of a possible 300 in the rifle range contest. Wiley took first place among more than two hundred boys representing 22 counties. Eddie January of Weatherly placed third with a score of 173, and Holmes Posey of Memphis sixth with 170. Other high scores included W. D. Stewart of Turkey with 163, and Don Hillis of Lesley with 152.

The Hall Countians also won first in the swimming race and first in the baseball circuit. In boxing, all Hall Countians with only one exception won their bouts.

Hall County had the largest representation at the camp.

### VOYLES SCHEDULED FOR NAVAL RESERVE TRAINING THIS FALL

Clinton Voyles, who served as principal of the Memphis Junior High School for the past few years, is scheduled to enroll September 18 in the U. S. Naval Reserve midshipmen's training schools in either Chicago or New York. The announcement has been made by Captain T. A. Thompson Jr., commandant of the New Orleans district.

### Local School Principal To Enroll in Midshipmen's Course September 18

Voyles enlisted in the naval reserve early in the summer. He has been teaching in the Memphis schools for the past several years. A total of 120 college graduates from the 8th Naval District will be in the classes. Other V-7 training groups will be started in January.

Men who sign up for the V-7 midshipmen training enlist as apprentice seamen, but one month later they are eligible for appointment as midshipmen. Upon completion of the four months course they are in line for commissions as ensigns in the naval reserve and subject to appointment to active duty.

### Memphians Urged To Take Serums

Several cases of typhoid fever have been reported in the city, and other cases in the county, City Health Officer O. R. Goodall said this week as he urged all citizens to take typhoid serums in an effort to combat the disease.

Pointing out that typhoid can be prevented by the taking of the serums, the health officer stressed the fact that no one need be afflicted with the disease. Typhoid fever is usually caught through drinking infected water, Dr. Goodall said, and urged that citizens be more careful of the containers from which they drink.

### Private Monroe At McChord Field

Private Joyce Monroe, who has been stationed at Chanute Field, Ill., has been ordered to his home station in the 21st Bombardment Group at McChord Field, Wash., it was learned this week.

Monroe, son of Mrs. Sarah Monroe of Memphis, graduated from the airplane mechanics' course at Chanute Field August 1. He was in the Air Corps Technical school.

### Revival at Parnell Now in Progress

A revival meeting, which started last Monday at noon, is now in progress at the Baptist Church in Parnell. Rev. S. Borum of Fort Worth is in charge of the services. Services are held twice daily, at 11 o'clock in the morning and at 8 at night.

### HEAVY DELUGE OF RAINFALL IN CITY BRINGS 2.05 INCHES OF MOISTURE

### Church of Christ Gospel Meetings Start Next Week

Minister Floyd J. Spivy of Iowa Park in Charge; Two Services Each Day

An 11-day series of gospel meetings will begin next Wednesday night, August 27, at 8 o'clock at the Church of Christ in Memphis, it was announced this week.

In charge of the services will be Minister Floyd J. Spivy of Iowa Park, well known for his evangelistic work. Song services will be conducted by Alvin Yarborough, who led the singing at the revival held by the church last summer.

Two services will be held daily. Morning services will begin at 11 o'clock, and evening services at 8 o'clock. No young people's meetings have been planned.

The revival will close with the Sunday services September 7, it was explained.

Minister Spivy is better known in Central and East Texas for his evangelistic work. His appearance in Memphis will be his first in this section of Texas.

Minister Spivy is minister of the Church of Christ in Iowa Park, and spends most of the summer months conducting gospel meetings throughout the state.

### Church of Christ Has New Minister

Grady Price, who has been minister of the Central Church of Christ in Tulsa since September of 1938, has accepted the ministerial position of the Memphis Church of Christ, it was announced this week.

Minister Price arrived in Memphis Wednesday to begin his duties, and will be present for the gospel meeting which will start next week.

He succeeds Minister Lloyd Meyer, who recently resigned to accept a position in Clarendon.

### O. B. Smith Wins City Golf Championship With 7-5 Victory Over Jack Walker; Reynolds Defeats Dial in First Flight

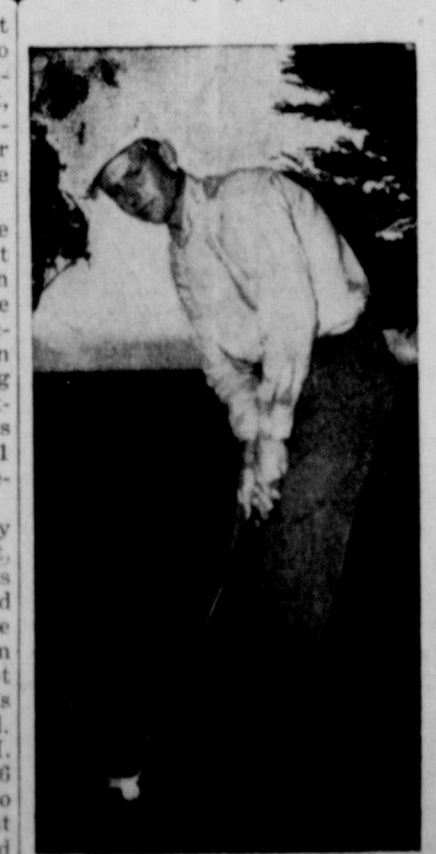

O. B. Smith, who for the past several years had come close to winning the city golf championship but had never quite made it, finally took that honor last Sunday when he downed Jack Walker 7-5 in the 36-hole finals on the Memphis Country Club links.

Smith led 2-up at the end of the first 18 holes, and never lost that lead. Walker, who is a student in Texas Tech, failed to show the spark which gave him a 1-up victory over Frank Foxhall, veteran south-paw golfer and defending champion. Walker defeated Foxhall in the preliminary matches when he fired a 3-under-par 31 on the back nine to Foxhall's one-over-par score.

Bryan Reynolds and Murray Dial, finalists in the first flight, battled 20 holes to give Reynolds a 1-up, victory. Reynolds and Dial, all square at the end of the 18 holes, halved the 19th. On the 20th, Reynolds' approach shot stayed on the green while Dial's rolled over to spell defeat for Dial.

Second flight winner was T. M. Harrison, who blasted out a 8-6 victory over C. F. Partain. No consolations for the second flight were held since only four qualified for the flight.

Championship flight consolation

O. B. SMITH

EVANGELIST — Minister Floyd J. Spivy of Iowa Park, who will be in charge of the gospel meetings to begin next Wednesday at the Memphis Church of Christ. Both morning and evening services will be held.

LEADER — Rev. Herbert Land, evangelist of Fort Worth, who is conducting the services of the revival now in progress at the Church of the Nazarene. Services are held twice daily.

### Wright Completes Recruit Training

Private E. O. Wright, son of E. O. Wright of Estelline, recently completed his recruit training in the U. S. Marine Corps base in San Diego, Calif. T. E. Kendrick of the Oklahoma City recruiting office announced this week.

Wright was outstanding on the rifle range, qualifying as a marksman with the service rifle, and as an expert with the pistol and bayonet, the recruiting officer said.

He is now awaiting assignment to duty with a shore station or with a marine detachment in the U. S. Fleet. Shore stations are located in navy yards and bases on the coast of the U. S., in China, the Philippines, Guam, Hawaii, Alaska, Panama, Cuba, Virgin Islands, London, England, and other places.

### Singer to Appear At Baptist Church

Somers Barnett of Fort Worth will be at the First Baptist Church next Sunday to conduct song services. Rev. S. F. Martin, pastor, announced this week.

Mr. Barnett is one of the outstanding gospel singers in Texas, Rev. Martin said. He will be assisted by Miss Opal Hiner, Fort Worth music teacher.

The Sunday evening service will be turned over to the couple, it was explained, although they will also sing Sunday morning. The evening services will feature a number of special solos.

### WILL RELEASE ABOUT \$20,000

Compliance Reporters Are Still Checking Farms to Determine Cotton Acreage

The government's new Supplemental Cotton Stamp program will go into effect in Hall County immediately, and distribution of the stamps will begin today, Millard Brown, Hall County ACA secretary, announced this morning.

All farmers will not get their stamps at once, Brown explained, since farms have to be checked for compliance before the stamps can be given out to producers. Compliance reporters are now at work in the county, and their work is expected to be completed soon.

The plan will release about \$20,000 in Hall County for cooperation with the new program. This is the first year for the plan, and this money to be derived will be funds not heretofore received by farmers.

Each farmer agreeing to cut his cotton acreage is paid for the reduction in stamps, up to \$25 if he is working one farm, and up to \$50 if he is working two or more.

### Summer Program At School Closes; Softball Continued

Games Scheduled for Additional Two Weeks Due to Public Demand

The summer program jointly sponsored by the WPA and the Memphis Public Schools officially closed last Friday, although softball has been continued for an additional two weeks due to a demand by players and the public.

Softball was held Monday and Tuesday nights, and will be held Thursday and Friday nights, as well as four nights next week, Mrs. Roy Guthrie, program supervisor, announced. The games were continued when the demand for more contests was made by both the public and the players themselves, Mrs. Guthrie said.

The remainder of the program, however, closed. This included the dancing in the gym on Thursday nights, library work, and cafeteria work.

Last Friday night 154 children were treated to a picnic at the City Park to put the finishing touches to the summer program.

No more dancing will be held until Thursday night, September 4, Mrs. Guthrie said. The dancing will be conducted under the same manner during the winter as during the summer. Hours for dancing are from 8 to 10 o'clock in the high school gym. The dancing will be strictly an "out-of-

(Continued on page 10)

### CCC Camp Gets New Subaltern

Subaltern John D. Hogue arrived in Memphis last Friday from Waxahachie to assume his duties as second in command of the Veterans' CCC Camp.

Subaltern Hogue has had more than three years of experience with the CCC, and has spent most of his time with junior companies.

Subaltern Hogue and his wife are high in their praise for the hospitality and friendliness shown them by Memphians. W. G. Wolfgram, assistant educational adviser of the camp, said this week.

### Guill Completes Artillery Course

Second Lieutenant A. W. Guill, Memphis youth who has been attending A. and M. for the past four years, graduated August 16 from the anti-aircraft artillery course of the coast artillery school of Fort Monroe, Va., it was learned here this week.

Guill, son of Mrs. A. W. Guill of Memphis, is with the 33rd Brigade which is now located at Camp Hulen.

Miss Billie Whiteside Becomes Bride Of Henry B. Newman in Amarillo Vows

Plaids Popular

Plaids will be popular for back-to-school wear this year. Joan Leslie, actress, models a smart two-piece suit in heather green and deep purple shadow plaid.

Miss Billie Whiteside, daughter of Mr. and Mrs. John Whiteside of Amarillo, became the bride of Henry Boyd Newman of Amarillo, son of Mr. and Mrs. Henry Newman of Memphis, Sunday morning at 7:30 o'clock.

Nuptials vows were spoken at the Central Presbyterian Church in Amarillo by Rev. Marvin Norwood, Methodist minister of Hereford, officiating.

Background for the single ring ceremony was formed with palms and tall candelabra holding lighted candles.

Nuptial music, played by L. Quinn on the organ, included "Intermezzo," "I Love You Truly," and Liszt's "Liebestraum."

Mrs. D. C. Kinsey of Amarillo, sister of the bride, was matron of honor. She wore a black and white sport suit with a corsage of sweet peas. Raymond Wright served as best man.

The bride wore a street-length dress of navy blue crepe with white lace trim, navy accessories and a corsage of gardenias.

After the ceremony, the wedding breakfast was served at the home of the bride's parents. The three-tiered wedding cake was topped with a miniature bride and bridegroom. Mrs. John Whiteside and Mrs. Henry Newman poured the coffee, assisted by Mrs. D. C. Kinsey of Amarillo, and Mrs. Jess Cooper of Dumas, the bride's sisters. About 35 guests were served.

Mrs. Newman chose as her going-away costume a two-piece black and white silk jersey suit with black accessories.

After a trip to Denver, Yellow Stone National Park, and Pikes Peak, Mr. and Mrs. Newman will be at home at 2716-B West 6th Avenue.

Mrs. Newman graduated from Amarillo High School with the class of 1941.

Mr. Newman graduated from Memphis High School, attended the Denver Pharmaceutical School, and has been employed with the Jack Phillips drug store in Amarillo for the past four years.

Those attending the wedding from Memphis were Mr. and Mrs. H. Newman, Mr. and Mrs. Lloyd Phillips, Mr. and Mrs. Irvin Johnson and Omer, Miss Ira Hammond, and Mrs. C. M. Crawford of Dallas.

Salisbury Sewing Club Meets With Mrs. C. A. Williams

The Salisbury Sewing Club met for an all-day session at the C. A. Williams home Tuesday.

The business session was opened and the club voted to meet with Mrs. C. F. Stout September 2.

Those present were Mesdames E. W. Solomon, Bill Longshore, Bill Ragsdale, Ted Barnes, R. A. Hutcherson, L. I. Davis, Ira McQueen, Neal Sweat, C. A. Williams, C. F. Stout, E. Lee, Olson Sweat, Miss Annie Marguerite Mitchell, and Mrs. Bert Sweat.

Houston Couple Guests at Dinner At Memphis Park

Mr. and Mrs. A. E. Hillyer of Houston were guests at a dinner given in the City Park.

Those present were Mr. and Mrs. W. M. Hillyer, J. A. Kutch and family, Mr. and Mrs. D. E. Tippet, and Benny and Bobby Lesley of Carey, and Mr. and Mrs. A. E. Hillyer.

Newman Family Reunion Is Held In Brown Home

A Newman family reunion was held in the home of Mr. and Mrs. M. P. Brown Sunday, August 3, with all members of the family present except Wiley Newman of Lowery Field, Colo.

Those present were Mr. and Mrs. W. L. Newman and daughter Connie Fay of Mobeetie, Mr. and Mrs. Charles Taylor and children of Gageby, Mr. and Mrs. J. G. Newman and son of Briscoe, Mr. and Mrs. Robert Newman and children of Canaan, Mr. and Mrs. P. E. Holloway of Midland, and Mr. and Mrs. M. P. Brown and children of Memphis.

America is in a state of emergency. Every citizen is urged to do his part by buying Defense Savings Bonds and Stamps.

**...try your hand at this electric quiz**

**Q. How much out of each dollar of living expense does the average West Texas family spend for Electric Service?**

**A. In most homes less than two cents. This not only lights the house—it also runs the appliances. Washes and irons clothes, cleans the rugs, runs the radio and the refrigerator, toasts the bread, etc. The average family in this country spends about 21 times as much for food as for electricity; 11 times as much for housing; 8 times as much for clothing; and 5 times as much for transportation.**

**Q. Mrs. Jones says that household electric rates have been cut about in half during the last 10-15 years. Mrs. Smith says they are about the same as they used to be. Who is right?**

**A. Mrs. Jones is right. Your electric rate today is about half as much as it was just a few years ago. Today you get about twice as much electricity for the same money.**

**Q. What has made reduction in electric rates possible?**

**A. The American way of business operation of Your Electric Servant. Just as business operation of automobile factories has succeeded in giving us today a better automobile for less money than 10-15 years ago, so has business operation of this company succeeded in bringing better service to more and more people at less and less cost.**

**Q. What do we mean by "business operation?"**

**A. Business Operation means employment of men and women trained and experienced in rendering service free from the influence of political control. Our organization of more than 1,000 people average around 10 years of experience with this company alone. Department heads, providing leadership and guidance in all work, have been with the company from 15 to 25 years. The training of all has been centered on serving YOU better at lower cost. They are not dependent on political votes to hold their jobs.**

Letters from the People: ... "Today a fully equipped electric home may be enjoyed on a modest budget. Our home now uses two and a half times as much service as we used to, for which we pay considerably less money. Thanks to the West Texas Utilities for better service and for the taxes you pay and the jobs you create."

—MRS. FRED WILLIAMS, San Angelo, Tex.

**West Texas Utilities Company**

### Mass Merchandising to Be Used by Chain Stores to Sell Defense Stamps

Mass merchandising methods which have characterized American retail business in recent years are to be used in selling defense stamps to help finance the nation's huge rearmament program, under plans being put into effect today by Texas merchants and the U. S. Treasury.

Chain store executives have told treasury officials that they are ready to put stamps on sale at more than three thousand stores in Texas, and sales will begin as soon as supplies can be sent them by the treasury.

Plans for the campaign were perfected in Dallas Wednesday, at a meeting of Texas Chain Stores Association. The meeting also was attended by Frank Seefeld, collector of internal revenue at Austin and federal administrator of the defense savings bond sale in Texas; Mayor Tom Miller of Austin, chairman of the Texas federal defense savings stamps committee; Angus Wynne of Longview and W. A. Thomas of Dallas, members of the state savings stamp committee; and James S. Touchstone of Washington, who is in charge of the treasury's campaign to sell bonds and stamps through payroll allotments.

Methods to be used in handling the sale of defense stamps have already been tested and have proved successful. At the request of the treasury department the chain store companies made plans for nationwide sales early in the summer, it was explained by C. B. Roberts, president of the Texas Chain Stores Association, and the state of Michigan was elected as a "proving ground" for this new system of selling government securities. Chain stores and independent merchants began selling stamps over the counter like bread, cigars or overalls. The experiment proved successful, with more than 12,000 stores selling the stamps, and with the experience gained in Michigan the merchants and the treasury were ready to carry the plan into other states.

### So Now We Get Cucumber Triplets

We are still getting freak vegetable growths.

The twin cucumbers were not enough, so last weekend A. L. Hall of Pliska brought in cucumber "triplets," which surpassed the doublets at least in number.

If someone will bring in cucumber quadruplets, we will call the whole thing off.

Mr. and Mrs. Van Rapp of Floydada visited in the home of his brother, Charlie Rapp, last week-end.

## Roosevelt and Churchill in Historic Meeting

Photographed aboard the British dreadnaught Prince of Wales, President Roosevelt confers with Prime Minister Winston Churchill in their historic North Atlantic meeting, at which they outlined their eight-point peace policy.

### Sales Promotional Efforts of Cotton Men Commended

#### County Committeeman Stresses Importance of Developing New Markets

Sales promotional efforts of the cotton producing industry and cotton trades industry in cooperation with the Surplus Marketing Administration of the U. S. Department of Agriculture were commended here this week as having an important bearing on the future of American cotton.

#### Sunday School Lesson

### War Repeats Early Sacrifice

THE early Christian writers had the task of explaining the new Christian faith in relation to the religion in which many of the disciples had been brought up. In the thought of Paul and other Christian writers, there was no breach between Judaism and Christianity. They thought of their Christian experience as a fulfillment of the faith and practice to which they had been accustomed.

Deep in this former faith and practice had been the emphasis upon blood sacrifice. In common with almost all religions, the conception of blood sacrifice and blood covenant played an essential part.

Then came the sacrifice of Christ upon the cross, and the Christian teaching relating this sacrifice to the Jewish ritual and practice. This in the Christian thought marked a new covenant. The salvation of men was no longer to be won, or their sins purged, by the shedding of the blood of goats and bulls and the sprinkling of the ashes of a heifer. Salvation was rather through the sacrifice of Christ.

THIS is a lesson of mystery which it is not easy either to understand or to explain. Perhaps we are unwise to attempt too exact an explanation, and we might do better to turn to practical illustrations.

We see surely in our world today how the innocent suffer for the guilty, and how inevitable it is that some men should suffer and die for their country, their homes, and the laws and institutions that they value are to be preserved.

tional Cotton Council, the cotton- Textile Institute, and the federal government were already showing telling effects.

"It is significant to note that domestic cotton consumption has increased from 5,000,000 bales in 1935 to 7,500,000 in 1940, to a probable 10,000,000 bales in 1941," Mr. Greene said.

"The cotton industry itself has under way an all-inclusive program to promote the greater use of cotton through established markets," he said.

"The National Cotton Council has a staff of trained scientists who are constantly seeking new uses for cotton and cottonseed products. On the success of those various programs depends the future of the industry."

#### Freewill Baptist To Begin Revival

Rev. H. H. Hastings of Paducah will begin a revival at the Freewill Baptist Church in Memphis Sunday, it was announced this week.

The church is located at 413 Montgomery, and Rev. S. M. Ziegler is pastor.

Evangelistic service, 8:15 p. m.  
Rev. Herbert Land will preach at each service through the two weeks revival now in progress here. Come and hear this man of God, he has a message for you.

### Wheat Growers To Vote on Quotas

Hall County wheat growers will vote in a national referendum before June 10, 1942, to determine whether they want to continue marketing quotas, according to Millard Brown, secretary of the Hall County AAA committee.

The announcement, which was made several days ago by Secretary of Agriculture Claude R. Wickard, gives farmers sufficient time to plan their 1942 plantings.  
According to the AAA Act, a proclamation must be made prior to May 15 of any marketing year when it appears the wheat supply will exceed a normal year's domestic consumption and exports by more than 35 per cent. The referendum must be approved by two-thirds of the farmers voting before quotas are in effect for that year's crop.

"The carry-over we will have on hand July 1, 1942, will be one of the largest on record since our exports have been reduced and we are harvesting an above-normal yield this year," the AAA official explained.

Wheat quotas, in effect for the first time this year, were approved recently by 94 per cent vote in

### Army Needs More Aviation Cadets

Young men with 60 hours of college work, age 20 to 26, inclusive, unmarried and with no dependents, now have opportunity of training as aviation cadets. The new War Department program of 30,000 pilots a year offers to qualified young men instruction in the operation of aircraft.  
During their training period, young men, as aviation cadets, receive \$75 a month, board and room, clothing, medical attention and a \$10,000 life insurance policy with the premiums paid.

Graduating after seven and a half months of training, they are commissioned, 2nd lieutenants, air corps reserve, with the opportunity of three years active duty with the United States Army Air corps. Pay while on active duty ranges from \$205 to \$245 a month. Upon completion of active duty they will receive a cash bonus of \$500 a year for each year of such duty.

All eligible young men or young men who think that they might be eligible for aviation cadets are asked to write or call at the U. S. Army recruiting station, Lubbock, Texas.

Defense Savings Stamps are available in denominations of 10, 25, and 50 cents, and \$1 and \$5. These stamps make possible the purchase of Defense Savings Bonds on a practical installment plan.

Pick off blossoms and seed pods immediately after blooming and crepe myrtle shrubs will continue to bloom for a longer period during summer.

Texas. Hall County wheat growers approved quotas by 100 per cent favorable vote.

### Winning Spudders Get H--- Beat Out Of Them by Pampa

The president of the local baseball club, Max King, said he was out of town.

Manager Don Wright couldn't be located for a statement.

Neither could pitcher Grady Staggs.  
But catcher, outfielder, third baseman, and general utility man Herschel Stewart reported that the Memphis Spudders got rapped all over the local diamond last Sunday afternoon by the Magnolia team of Pampa to the tune of 28 to 9.

Most of the team even failed to show up.  
Anyway, it was the last game of the summer season, and the Spudders won nine, lost three, and tied one during the season.

### Locals and Personals

Curtis Dodson, who has been working in Pauls Valley, Okla., returned Friday for a few days visit with his parents, Mr. and Mrs. C. C. Dodson. He left Sunday for College Station on business.

Durward Jones, who is stationed at Fort Leonardwood, Mo., visited his parents, Mr. and Mrs. Wilber Jones, last Friday and Saturday.

Hildon Lindsey left Friday for visited friends in Dallas last weekend.

Mrs. C. W. Flemming of Topeka, Kans., is visiting her parents, Mr. and Mrs. George Hattenbach, this week.

Miss Ella Mae Kercherville, W. H. Goodnight, Miss Genevieve McCool and Billy Rasco were Lake McClellan visitors last Tuesday.

Mrs. Ray Childress and Miss Ouida Read left Tuesday morning for Austin and San Antonio where they will visit with relatives and friends.

Kenneth Webb of Spartanburg, S. C., left Monday night after a few days visit here with Jack Hightower.

Mr. and Mrs. R. L. Brewer and children returned Thursday night from a vacation in Lake City, Colo., and Carlbad, N. M.

Mrs. Charles T. Whaley of Weatherford visited her parents, Mr. and Mrs. George Hattenbach, here Sunday.

H. K. Whaley of Weatherford visited Mr. and Mrs. George Hattenbach last weekend.  
Misses Carrie Dell and Ellen Janet Lenior visited Mr. and Mrs. A. B. Carter in Childress last week.

### That Reminds Me

BY RALPH HERBERT

INCREASE in the average income of American farmers has been matched by increase in the average wage of farm laborers, according to latest findings of the U. S. Department of Agriculture.

So much is this the case that the general level of farm wage rates rose to the highest point in 11 years on July 1, 1941. Farmers this year were paying about 24 per cent more than when they were engaged in harvesting last year. And this has been found to be true—not as to amount but as to actual raises—in almost every state in the Union.

The average day rate in Connecticut, without board, was \$3.55—the highest in the country. The lowest was reported from South Carolina where an average of 95 cents per day was paid.

Out in Kansas, where the farmers were very busy harvesting their winter wheat, the average per day was \$3.05. But the real aristocrats in Kansas were the experienced tractor operators who sometimes drew down as much as six dollars a day. For the whole country the average daily wage was \$1.98. This was 36 cents more than last year and the best paid since 1930.

THE available supply of farm workers was only 67 per cent of normal, the smallest for 19 years. The reason for this dearth of manpower was three-fold:

One—The rapid increase in defense activity in big industrial lines.

Two—High wages now being paid in factories.

Three—The draft, which has taken thousands of the younger men.

Scarcity of farm labor is attributed to different causes in different parts of the country. Thus, in the eastern industrial and seaboard states, greater than the draft has been the demand for labor in the great mills and factories turning out materials for national defense.

In the middle west and south the chief factor in the lack of farm laborers was said to be the draft.

In the Pacific coast aircraft and shipbuilding industries—all engaged in defense work—were drawing men from all the farms in the country west of the Rockies.

## TWO MEN MEET

WHEN THE PRESENT world war is recorded on the pages of history, probably one of the most outstanding events will be the spectacular, secret meeting of President Roosevelt and Prime Minister Churchill.

A large number of people have been somewhat skeptical about the meeting, have thought that such a rendezvous was not the thing for great men such as Roosevelt and Churchill to do.

Yet we are reminded that two such men—both working for a common goal of peace for the world—should meet and talk things over. Perhaps not a great deal of material good was done at the meeting. The two men met each other, became acquainted. Perhaps they will never meet again, but now they know what each looks like, and what the thought of each is deep down in his heart.

Naturally, more can be accomplished in such a meeting than can be done by messages. It is like talking in person to someone, when you know only their voice by way of telephone. Much more can be said, and much more can be understood.

The present war is not only one of mighty machines, although they are important, but it is also one of personalities. Hitler's personality has made him the iron ruler of his subjects, just as Stalin's personality has made him the leader of the Reds.

Churchill has demonstrated his power with the masses. He has made England stand up and fight for the freedom Britishers have known so long. Roosevelt has become the ideal of Americans from the oldest to the youngest, and few disbelieve in his ability.

The meeting, therefore, should give strength both to the United States and England. The two leaders planned on steps toward peace, not war. May their dreams come true.

## FARM INCOME DOWN

DESPITE THE FACT that government payments have aided the annual cash income of farmers, that income is still below the level for the 1925-1929 average.

Figures compiled by the commissioner of agriculture of the state of Georgia show that farmers, during the five years 1935-1939, received only 8.8 per cent of the total national income. In the five years 1925-1929, the farmers received 12.6 per cent of the national income.

With the income higher in the earlier period, the farmers naturally received more money than during the 1930 period mentioned. The national income dropped more than 14 billion dollars, and, too, the percentage of income dropped for the farmers.

What is going to happen to the farmer if his income continues to decrease?

That, of course, is a difficult question to answer, and one which we hope will not have to be answered. Instead of trying to figure out what is going to happen to the farmer, we should be trying to figure out a method of preventing the farm income from dropping any further.

Farmers, of course, cannot get defense contracts such as the large manufacturers can. Farmers do, however, have to provide a portion of the raw materials which are needed in national defense work, yet the prices paid for these materials are not as high as necessary to put the farmer on equal basis with others.

The living standards of the farmer must necessarily be lower than those of the factory worker, for he simply does not make as much money. The farmer is just as loyal, he wants to do just as much for his country, but is not treated the same.

We in Hall County live in an agricultural section. We have no large industries—other than the agricultural industry—to depend upon. We must look after our interests, just as the manufacturers look after theirs. Now is the time to begin work toward the goal of placing farm products on a higher scale—not tomorrow.

## Slow Down!

CULLED FROM THE DEMOCRAT'S EXCHANGES

### A New Fish Story

Ed Bishop in the Dalhart Texan: And now I've got to tell a story about something that happened to a Texas woman tourist at Red River last week. It is just too good to keep, but may get me in trouble if she hears about it. You folks who have been to Red River know that the "comfort stations" are generally located in among the many trees and are far from modern, but are appreciated nevertheless. Generally they are fairly clean and comfortable and many of them are equipped with latest copies of mail order catalogs.

It seems that Nature makes unexpected demands on a person when in the mountains, and she slipped off from where a group of us were fishing one morning to seek a comfort station. It seems that a swarm of bees had selected this particular station for their home also, but were unnoticed until preparations had been completed for the rest. Then the bees resented the intrusion and singing their battle cry started the attack. It was so sudden that there was no time for anything other than to jump up, sling the door open and head for the timbers. Which she did. And you know women have not yet mastered the art of wearing slacks like a man has trousers, and the battle between losing either the bees or the slacks was a classic that interrupted fishing all up and down Red River. After running some fifty yards, fighting the bees with one hand and holding the slacks with the other she decided whipping the bees was preferable, so she let the slacks go and gave her entire attention to the bees. She drove them off without getting stung, but from the color of her face when she recovered those slacks you would have sworn they had stung her.

From then on there just wasn't any fishing along that particular spot. Maybe the fish quit biting, maybe they had been scared to death. And again maybe the fishermen had already had their fun for the day.

**Night Baseball**  
The Menard News: Baseball, we read, is becoming highly popular in darkest Africa. There's one place where spectators at a night game would have to exercise their imagination.

**Problem Kids**  
The Plainsman in the Lubbock Morning-Avalanche: Another great trouble with this world is there are so many problem children in it—most of whom are more than 21 years old!

**Stuff to Eat**  
Virginia Anderson in the Shamrock Texan: A local cafe features "Sissy-Burgers" on the sandwich menu. For your information, in case you haven't tried or heard about the new type of burger, it's a hamburger without onions. We can't understand why they make onion a symbol of strength, physically and mentally. The only thing strong about an onion is the smell.

**Choice**  
The Wheeler Times: In search for something for nothing, we have lost sight of our traditions, of our system of free enterprise, of all that history teaches. We are destroying the sources of wealth—which means we are destroying the sources of employment and progress. That is the road to dictatorship with a vengeance. Liberty or doles—which will you choose?

**They Have Weeds Too**  
Stephenville Empire-Tribune: The mayor and city officials, including the city health officer, have called definite attention to the need of a weed-cutting campaign. The weeds, in fact, have gained such a long lead that they seem to be in league with the mosquitoes. The result is a mild attack of malaria, and even though there are no serious consequences yet there may be later on if we do not do something about it. Cut the weeds from your premises, my good friends. It will be an aid to good health. Moreover, it makes everything look better.

**Love**  
The Happy Herald: "Love makes the world go round." So

does a good swallow of tobacco juice.

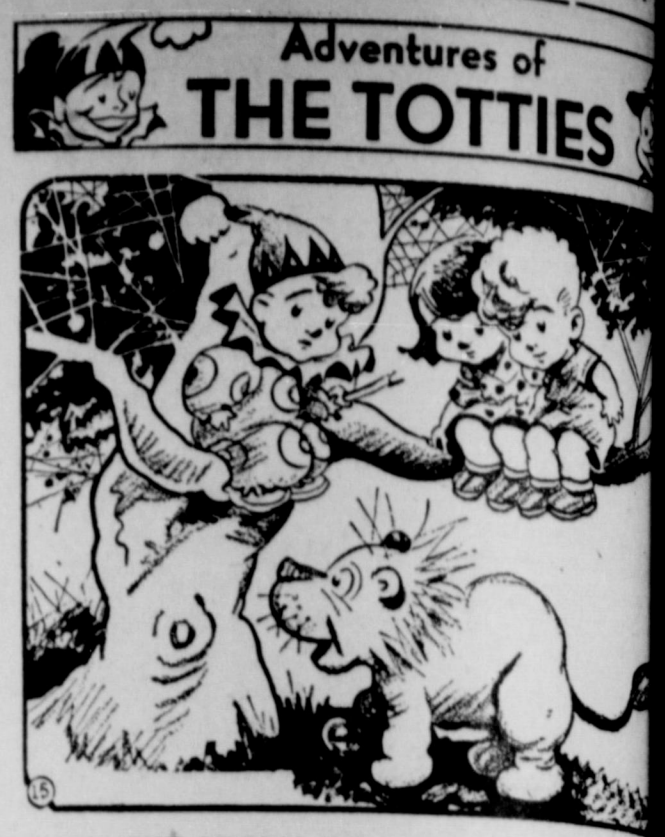

**Forgot to Whistle**  
The Paducah Post: Because their sentinel failed to whistle, ten Paducah Negroes wound up in county jail over the week-end. Sheriff A. A. Payne and Deputy W. T. Stinson walked in on the Negroes while a card game was in session at a house in northeast Paducah. The sheriff's department had attempted to arrest the gamblers earlier, but a woman sentinel had whistled a warning as the officers approached, according to County Attorney Roy A. Jones.

**Writing Home**  
The Panhandle Herald: It's an old story about boys and girls writing home for money, especially those away at school. The Herald editor's son is away at a boys camp and his letters have been unusually short. When his canteen money became low, the boy wrote a letter about three times longer than usual explaining why he was running short of funds and why another deposit was necessary.

## This Week's Birthdays

Aug. 23 to 30  
Maurice Maeterlink, famed author, was born on Aug. 29, 1862.  
Oliver Hazard Perry, naval hero, was born on Aug. 23, 1785.

(READ THE STORY, THEN COLOR THE PICTURE PASTE IN SCRAPBOOK)

The giant ran with all his might And very soon was out of sight. The lion was a little one, But, gee, he made the giant run.  
And so they started on. Soon Duncy loudly barked. That lion's running he'd better climb up on.  
"This is the best chance we have had," Said Dotty, "And we should be glad. If Mr. Giant hides his track It may be that he will come back."  
"I'm going to hike. I don't know where. And, frankly, neither do I care." "Well, we'll go with you," Duncy cried. "And we must all be set to hide."

NEXT WEEK: Duncy and the girls get a big surprise.

(READ THE STORY, THEN COLOR THE PICTURE PASTE IN SCRAPBOOK)

The lion wagged his tail a bit And Dotty shouted, "Think of it! He's friendly. We are quite all right. Let's leave the tree before tonight."  
"I'll sit right up here on this limb. So I can keep away from him," Said Goldy. "I don't want to drop With a reach of the lion's hop."  
Then Duncy said, "I guess you're right. In fact, we're in an awful plight. I wish someone would come this way And scare the beast so he won't stay."  
"Just look. He's been trying to get up how." The lion then whistled round. And shortly flopped ground.  
Said Dotty, "Why, I do. That, after all, he is 'You're right,' a real cried out. 'You've guessed what about."  
The lion then spread The same faint voice do." 'Twas Scouty, in the "And Windy too," cried.

NEXT WEEK: The Totties start back to join O...

## E. W. Gillenwater Funeral Services Held in Memphis

Rites Conducted From Methodist Church; Burial in Fairview Cemetery

Funeral services were held last Friday afternoon from the First Methodist Church for E. W. Gillenwater, 46, who died at his home Tuesday night of last week.

Pallbearers were Oren Jones, Lewis Wheat, D. J. Morgensen, Roy Guthrie, B. E. Davenport, and Ottie Jones.

Survivors include his wife; two children, E. W. Jr. and Frances Jane; one brother, J. D. Gillenwater of Chase, Kans.; and four sisters, Mrs. Sam West of Memphis, Mrs. C. H. Silvey of Vega, Mrs. M. G. Woody of Inglewood, Calif., and Mrs. B. H. Catterlin of Tulsa, Okla.

Mr. Gillenwater had worked during the day, and became ill only a short time before his death. His death was caused by heart attack.

Mr. Gillenwater was born September 15, 1894, at Saint Jo, and moved to Memphis in 1907. He served with the U. S. Army during the World War.

Since living in Memphis, he had been manager of the Radford grocery and Noble Bros. grocery, both formerly located here. He had been engaged in farming near Memphis for the past several years.

## 30 Charged With Stamp Violation

Sixteen complaints were filed in the Federal district court in Muskogee, Okla., against approximately 30 people who have violated food stamp regulations. The towns in which these cases are involved are Muskogee, Okmulgee, Hartshorne, McAllister, and Haileyville, Okla.

Charges have been filed and warrants have been issued, and they are going to come before the Federal Grand Jury which will convene August 25.

The charges have been filed as conspiracy or presentation of false claim against the United States Government. The maximum penalty on presentation of false claim is 10 years in the federal penitentiary, and in addition to that, a \$10,000 fine. The maximum penalty on conspiracy cases is two years in the penitentiary plus \$10,000 fine.

Where bees are not moved away from poisoned cotton fields, considerable losses occur.

## Newlin Community Resident Believes Park 'Lovely Place'

By MRS. FRED HEMPHILL Newlin Correspondent

Congratulations, Memphis! On your very lovely park which has been transformed into a thing of beauty this past year, and could hardly be mistaken for the same place (you see we, as a family, get around to visit such places at least once each year).

We inspected every part of the many lovely places for picnics, admired the pretty flowers, watched the squirrels, tried out the swings, and especially admired the new amphitheatre, which is worthy of the admiration of all and equal or surpasses anything of its kind anywhere near.

Made me want to get out on that stage and recite "Mary Had a Little Lamb" (without any audience).

Anytime any of you want an ideal place for an outing or picnic, let me heartily recommend the Memphis park. And thanks, Memphis, all civic clubs and organizations and individuals who have made it possible. We think it is really pretty.

## Wheat Allotment Deadline November

D. A. Neeley, chairman of the Hall County AAA committee, has been advised by the state office that November 30, 1941, is the closing date of accepting requests for 1942 new grower wheat allotments.

Farmers who have not planted any wheat for harvest during 1939, 1940, and 1941, but desire to plant wheat for the first time in 1942, are considered new growers. The acreage which new growers will receive is taken from a county reserve, which in most cases, represents approximately 3 per cent of the county allotment.

All farms receiving wheat acreage allotments for the first time this year, regardless of the size of the acreage, will be classified as non-allotment farms. Regulations also state that the larger of the wheat acreage allotment or 15 acres may be harvested without incurring deductions. Non-allotment farms will not be eligible for either conservation or parity payments, but in case marketing quotas are in effect loans may be made on that portion of the wheat in excess of the farm marketing quota.

Requests for new grower allotments should be filed in the county AAA office as soon as practicable, Neeley pointed out, since no applications may be filed after the closing date.

Administrator Leon Henderson of the Office of Price Administration and Civilian Supply says he does not contemplate setting a ceiling price on meat. Recently his office began a movement to check speculative increase in hide prices.

## Marine Sergeant To Be in Memphis

Applications from men wishing to enlist in the U. S. Marines will be accepted by Sergeant Leon S. Waters, Marine Corps recruiting service, at the post office in Memphis August 27 and 28.

Men between the ages of 17 and 30, in fair physical condition, no dependents, between 64 and 74 inches in height, and who can read and write well enough to understand orders, are eligible.

Enlistees accepted in Memphis will be furnished free transportation to Amarillo for examination, and to Oklahoma City for final enlistment.

## United Gas to Lay 200-Mile Pipe Line

United Gas Pipe Line Company announced Tuesday that construction of a 200-mile natural gas pipe line has been started to supply the increasing fuel requirements of industries and cities in Louisiana and along the Gulf Coast of Mississippi and Alabama to Pensacola, Fla.

The new line will run from the gas fields of southern Louisiana across Lake Pentchartrain to Mandeville, La., eastward to Gulfport, Miss., and thence to Mobile, Ala. At Mandeville another line is being laid to Covington, La. It has been estimated that 56 per cent of the line's capacity of approximately 80 million cubic feet daily will be used by industries engaged in filling national defense contracts.

The crossing of Lake Pontchartrain will be the longest underwater natural gas pipe line in the world. A single line, 14 inches in diameter, will traverse the 25 miles of water from the southwestern bank to Mandeville on the northern shore. Construction on this section of the line will start the latter part of August.

## Locals and Personals

Miss Jimmie Gilreath of Amarillo visited her parents, Mr. and Mrs. W. B. Gilreath, last week-end. Judge M. O. Goodpasture was a business visitor in Dallas last week-end.

Mr. and Mrs. Clyde Drake and children, Elnore, Buddy, and Frances, of Austin left Saturday after a visit with his parents, Mr. and Mrs. Chas. Drake.

Dr. and Mrs. H. Gilmore and daughter Pauline of Turkey visited their son and brother, H. B. Gilmore and family, here last Thursday. H. B. Jr. returned home with his grandparents for a visit until Saturday.

Mr. and Mrs. Lloyd Phillips spent last week-end with friends in Amarillo.

Rev. and Mrs. Ollie Apple and daughter of Jayton visited in the home of Albert Gerlach Saturday.

Rev. E. E. Diggs of Princeton, Ky., visited in the J. S. Ballard home of Eli last Friday.

Adron Burkhalter was a business visitor in Cuero last week. Mrs. Babe Gerlach and son Joe Don accompanied him home for a visit with relatives.

Mr. and Mrs. Cordell Goodpasture of Frederick, Okla., visited relatives and friends here Sunday.

Miss Betty Ewing attended the wedding of Miss Marguerite Gower to Budge Van Lee of Dallas in Dallas, last week-end.

W. H. Goodnight visited friends in Childress Saturday night.

Miss Mildred Petty of Waco left Monday after a visit with Miss Louise Williams.

J. C. McClure Jr. of Midland visited his parents, Mr. and Mrs. J. C. McClure, last week-end.

Alton Dewlen, who has been working in Oklahoma City, returned Sunday night for a visit with his father, A. Dewlen, before entering school in September.

Mrs. D. P. Hale and daughters, Jacquelyn and Murel, left Sunday for Canyon to make their home. Mr. Hale, who is employed there, came for them.

You'll be amazed at the really astonishing improvements that have been made in modern homes during recent years. See for yourself the many innovations in this Cameron-Built "TEXAN" Model Home. As you go through this grand new home, each room will exemplify for you the perfect planning, the smart styling, the mastercraft workmanship, and the use of fine materials that make homes built by Wm. Cameron & Co. famous throughout the Southwest. Be sure to visit this model home.

## "TEXAN" HOME PRICE

APPROXIMATELY

# \$30.00

PER MONTH

FHA FINANCE PLAN (Includes Taxes and Insurance)

## BUILD YOUR DREAM HOME NOW THIS ECONOMICAL CAMERON WAY

Just as thousands of others have done, you, too, can make your own dream home come true NOW—and at a very reasonable cost. Homes today are easy to build or buy the new Cameron Way. Any Cameron Man will gladly show you how easy home ownership can be for you. He will work out with you the plans of your own DREAM HOME. He will show you how you can have your own home for a cost as low as the average rent. Don't miss seeing this Cameron-Built "TEXAN" Home. It speaks for itself. Then let Cameron bring your own dream home to life with no more bother or worry to you than selecting a new automobile or refrigerator. Take advantage of William Cameron and Company's "Complete Building Service" and 73 years Southwestern building experience.

## These Nationally Famous Quality Building Materials Make This "TEXAN" HOME Outstanding

- Kohler of Kohler Plumbing Fixtures
- Crane Face-hot Water Heater
- Craw-fir-garage-door
- Ideal Built-in Furniture
- Consolidated Venetian Blinds
- Birge Wall Paper
- Minnesota Brand Paints and Enamels
- Penn Brand Hardware
- Ornamental Blinds
- Seal-lux Linoleum

## YOU can have these 25 EXTRA VALUES OF CAMERON-BUILT HOMES AT NO EXTRA COST in your own home

- Concrete foundation that goes below the frost line and is securely anchored on solid soil.
- Cameron floor joist construction that prevents shaky floors.
- Sub-floors overlaid with felt under the finish floors. This prevents creaking floors and makes them more airtight, moisture-resisting, keeping out cold air and lowering the cost of winter heating.
- Ceilings that don't sag, because we use the correct size and number of ceiling joists.
- Roofs thoroughly braced in the attic to keep them properly lined up or over-sized rafters used to accomplish same purpose.
- Expediently applied, long-lasting, low-keep roof of best Red Cedar Shingles or mineral-surfaced Flintkote Asphalt Shingles.
- IDEAL wood preservative treated windows, which resist swelling and shrinking, insect attacks, and decay.
- IDEAL precision-made millwork, including doors, windows, window and door frames and trim, mantels, and built-in cabinets, all manufactured in the Southwest's largest and most efficient millwork plant. Exterior, pre-fabricated exposed materials are wood preservative treated.
- Ample closet and storage space, extra conveniences, such as mirror doors, dressing vanities, bookcases, and wall mirrors.
- Conveniently located gas connections and electric base plugs and switches.
- Beautifully finished No. 1 oak hardwood floors.
- Colorful, water-proof tile-board wainscoting in bathrooms and kitchens.
- Thoughtful placement of windows and doors to permit varied arrangement of furniture.
- Thorough cross-ventilation for greater summer comfort.
- IDEAL ventilating attic louvers, open in summer to reduce home interior heat and closed in winter to conserve heat.
- Your selections of home color decorations, wall-papers, and wall finishes are made from the Southwest's largest and finest assortment.
- Adequate plumbing, lighting, and a quality, insulated, automatic water heater.
- Quality-built IDEAL Step-Saving Kitchen, designed by cooking experts for convenient meal preparation and to reduce kitchen work to the minimum.
- Sound, water-tight roof construction with adequate flashing where required.
- A complete plan-drawing service at each Cameron store enables us to revise or create any plan exactly to fit your needs and tastes.
- Cameron's Home Planning Department, staffed by home-building experts, is constantly testing and developing improved homes, materials, and building methods. Their services are available to you at no extra cost.
- Cameron's Full-Value Specifications are more detailed and complete than those published by FHA, better assuring you of an entirely satisfactory job.
- Inlaid linoleum in kitchen and bathroom.
- Cameron-Designed homes are architecturally attractive, soundly constructed throughout, and completely livable in floor plan and interior decorative treatment.
- The Southwest's widest selection of soundly constructed home plans and home building ideas, created by the company with the longest Southwestern building experience—73 years.

## Football Officials to Adopt New Rule Infraction Signs

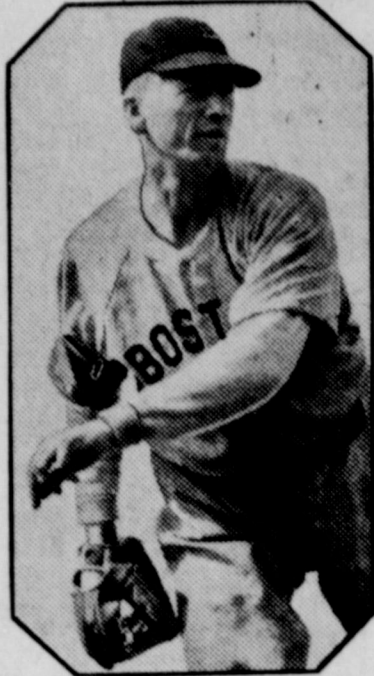

BY ART BRONSON

DOWN the sports trail: Football officials will use four new signals for notifying the press box and spectators of rule infractions this fall. (1) Intentional grounding of a forward pass (both hands over his right shoulder). (2) Unsportsmanlike conduct (both arms out straight from the sides of his body with the palms facing down). (3) Illegal touching of kicked or free ball (tapping of both shoulders with hands, the upper arm being parallel to the ground while making the signal). (4) Illegal formation (revolving hands in front of chest).

EARL MARTINEAU, assistant football coach at Michigan, thinks pro football gives a boy a false sense of values because of the big money he picks up for three months work. College football, of course, is strictly an ennobling provision, makes a boy strive for dear old Siwash and the stadium bondholders. U. S. Army pilots are learning skeet shooting. Helps them in gunnery by teaching them how to "lead" a target. Bill Gargan may get the lead in the movie on Lou Gehrig's life. Branch Rickey is making a lot of noise about staging a world series game at night if his St. Louis Cardinals win the pennant.

WHEN Lefty Grove recently copped his 300th victory, he was the twelfth major leaguer to enter this coveted circle. The others are Denton "Cy" Young (510), Walter Johnson (413), Christy Mathewson (373), Grover Alexander (373), Charles Nichols (360), Tim Lincecum (343),

John Clarkson (327), Eddie Plank (325), Mike Welch (309), Charley Radbourne (308), and Tony Mullane (302). Tom Stidham, Marquette's new football coach, says he was only kidding about using a four-man line this fall. Ad lib department: Jimmy Wilson, Chicago Cub coach: "I must be an awful guy. Both my coaches, Charley

Lefty Grove... Pitching ace.

Grimm and Dizzy Dean, quit me this year." Pancho Segura, a 19-year-old Inca Indian, has been wowing the boys in the eastern tennis tournaments. Almost 15,000 people witnessed a recent night basketball game at Manhattan Beach in New York. A golf club that costs \$3.50 this year will cost more than \$5 next season.

## Heavy Deluge—

(Continued from page 1)

short, and most of the moisture came in brief showers.

The temperature was lowered to 63 degrees during the night, and this morning cool weather still prevailed. Clouds were still hanging over Memphis this morning, and more rain was predicted.

Several electrical storms were reported over the Panhandle, but few details were available. No rain was reported as falling in Amarillo in the Amarillo papers this morning, but the rain fell that far north, Mr. McMickin said.

Childress also received a heavy rain, Mr. McMickin said. He did not know how far south the moisture fell, however.

General showers covered most of the Panhandle and sections of New Mexico and Oklahoma Tues-

day night and Wednesday morning. The rains covered the largest area in some time, although amounts were nearly as great in showers which fell August 8.

Temperatures for the week ranged from 62 degrees Wednesday night to a high of 103 last Friday afternoon. The high temperature was second highest of the summer—106 degrees having been reached early in the summer.

Temperatures for the week were as follows: Wednesday high, 93, low 63; Tuesday, 94-65; Monday, 93-68; Sunday, 101-72; Saturday, 98-72; Friday, 103-70; Thursday, 97-68.

The first bale of the 1941 cotton crop in the nation was brought in from the farm of Arcadio Salinas in Starr County, Texas. County Agricultural Agent Charles King said the 85-acre Salinas farm had not made a crop in four years. He attributed this year's early yield to heavy rains in the last six months.

## LET'S MAKE HOT COAL NEWS! EGGS

WITH OUR FORTIFIED EGG MASH • To manufacture eggs your hens must receive in their feeds those elements eggs contain. Our feeds do just that.

Order NOW! We have been assured that coal prices are at their lowest point right now but we are just as sure that they will advance September first. Due to the demands for coal made by the defense program, we feel certain coal will be hard to obtain this winter.

We have several cars of fancy GORDON lump coal due to arrive this month out of northern Colorado. With its usual high standard, clean, and full of heat, you will be wise to order now. We'll make delivery any day you mention.

## Countians Escape Serious Injury as Auto Turns Over

### Accident Occurs Near McLean; Treatment for Injuries at Shamrock

Five Hall Countians escaped serious injury when the car in which they were riding turned over near McLean Thursday night of last week.

Oletha Richards of Memphis suffered an injured shoulder in the accident, but the injury was not thought to be serious. Billie Jo Shearer of the Eli community was painfully hurt although not seriously, and Johnny B. Chaney suffered lacerations about the head. Also in the car but not injured was L. D. Chaney.

The car, driven by Billy Ellard of Eli, overturned three or four times, it was reported. The accident occurred as the car was going around a curve.

### Summer Program—

(Continued from page 1)

school" affair, and no dancers of school age will be allowed on the floor, Mrs. Guthrie emphasized.

The summer program has attracted a large amount of interest and has been conducted mainly for children. The winter program will be mainly for adults, Mrs. Guthrie explained. No softball will be held, but indoor recreation will be one of the main portions of the program.

An average of 200 people participated in the summer program each day, Mrs. Guthrie said. No one was seriously injured in any of the events, despite the number participating.

One of the most interesting features of the program was a puppet show which came to the Memphis program through the courtesy of the Amarillo summer program.

Miss Dorothy Staley, district director of library, and her area supervisor, Mrs. Helen Tyler, planned the show and presented it with the cooperation of Mrs. Pearl B. Walker, district director of community programs, Miss Dorothy Martin, district director of recreation, and several library and recreation leaders from the Amarillo units.

The show consisted of two dramas: "Jack and the Bean Stalk," and "Wilbur, the Book Worm," and special numbers of dancing and monologues. The program closed with a sing-song led by Miss Martin. Some 130 children attended the performance.

The softball schedule for this week and next is as follows: Tonight, Postoffice vs. Phillips; Friday night, Juniors vs. C. and F. Grocery; Monday, Juniors vs. Postoffice; Tuesday, C. and F. vs. Phillips; Thursday, play-off game; Friday, out-of-town team vs. local all-star team.

## PERSONALS

James Sullivan, J. M. Strong, J. M. Strong Jr., Bo Yates, and Ralph Royal of Wellington attended a Masonic meeting here Wednesday night.

Miss Charlyne Drake, who has been working in Canyon for the past several months, has accepted a position at the Memphis Hospital and went to work there Monday of this week.

Dow Johnson is visiting Herman Vallance in Wellington this week.

Mrs. F. L. Hall and children, Billy Polk, Patsy, and John Marcus, and Mrs. Alice Smith visited their daughter, sister, and granddaughter, Mrs. Clois McGuire and family, in Corpus last week. Patsy remained for a visit with her sister, and the others returned home Monday.

Mrs. S. T. Harrison is visiting friends in Dallas this week.

Mrs. M. C. Allen and children, Macky and Barbara, returned Monday from Terrell where they have been visiting relatives and friends.

Bill Boren is visiting Miss Betty Beckham in Plano this week.

Mrs. Roy Webster and son Lloyd left this morning for Lompo, for an extended visit with friends and relatives.

Processors can now put 25 per cent more milk solids in a standard can or case as a result of a new method of making evaporated milk. This will save considerable shipping space as well as quantities of tin for defense uses.

Support your government in this national emergency. Build a wall of defense by buying Defense Savings Bonds and Stamps.

## 'Defense Swing' Is New Dance

To the music of "Yankee Doodle" in swing time, the newest dance introduced to the nation is the "Defense Swing." Thumbs up is an important gesture.

### Future Readers of The Democrat

Mr. and Mrs. Murrel Jackson of Orectt, Calif., are the parents of a girl born July 31. She has been named Janet Marie. She is the granddaughter of Mr. and Mrs. C. Vandevanter.

Mr. and Mrs. Jack Holcomb announce the birth of a girl, Brenda Kay, August 19. She weighed 7 pounds.

Mr. and Mrs. Boyd Dickson of Brice are the parents of a boy born August 15, weighing 8 pounds and 1 ounce. He has been named James Moulton.

Mr. and Mrs. G. T. Durham are the parents of a boy born August 19. He weighed 8 pounds and 4 ounces and has been named Gordon Travis Jr.

Mr. and Mrs. Robert Breedlove are the parents of an 8 pound, 7 ounce boy, born August 13. He has been named Wesley Warner.

Mr. and Mrs. Winfred Middleton of Lakeview are the parents of a boy, Marvin Jim, born August 20. He weighed 8 pounds and 1 ounce.

Mr. and Mrs. W. W. Hendricks of the Deep Lake community are the parents of a boy weighing 7 1-2 pounds. He has been named Gerald Franklin, and was born August 20.

To prevent coccidiosis two and one half per cent of 325 mash unconditioned sulphur, or flowers of sulphur, should be included in the mash from the time chicks are three to four weeks old and continued until pullets are placed in laying houses at five to six months of age.

## NOTICE
