**ADIO--James (Jack) W. F. Davis**, son of Mrs. W. F. Davis, has been serving in Army Air Forces for six months. He has been attending radio school at San Bernardino Post School, McAllen Field, and Grant school at Sacramento, Calif. He was transferred to Reno, Nevada.

## Trustees Elect Teachers For Coming Year

Entire School Faculty Re-elected by Trustees At Regular Monthly Meet

At the regular monthly school meeting Monday night, the trustees elected the teachers for the coming year for the Memphis schools.

E. E. Roberts was elected president of the school board, and C. C. Meacham, vice president. Miss Audrey Boggs was elected secretary of the board and George Forgy re-elected as tax assessor and collector.

W. C. Davis had been elected to a three-year term at a previous meeting.

The following regular teachers were elected Monday night: Buren Carr, principal High School; Mrs. H. B. Estes, principal West Ward; William S. Lyon, principal Junior High; Gene Barnett, Audrey Boggs, Jean Clapp, Mattie L. Compton, Verna DeBerry, Robert P. Devlin, Grace Ezell, Florence Fitzjarrald, Ollie G. Foxhall, L. F. Gresham, Minnie Hall, Ira L. Hammond, Norma Hunt, Harriet Kimberlain, Carrie B. Lee, Esta McElrath, Juanita Montgomery, Jesse F. Piteock, Eddie Mae Scott, Pauline Travis.

## 24 Boys Take Army And Navy Exams

Twenty-four Hall County boys took the army and navy college training examinations given here Friday morning at the high school. The examinations were given under the supervision of Buren Carr, principal.

The papers will be sent to the regional director of the program and the boys will be notified of the results around the middle of April.

Those selected for further examinations will be notified to appear at a designated place for interviews, then final selections will be made. At the time, the boys selected may decline the appointments if they wish. The boys selected will be sent to college by the army and navy for training in specialized fields.

Those who took the examinations were: Lanton Anglin, Dean Morgensen, Jim Deaver, Teddy Austin, Roy Brook, Louis Browning, Don Tarver, J. R. Mitchell, William Clark, Robert Cummings, Jerry Doss, Royce Frisbie, Bobby Jack McMurry, Eugene Miller, Perry Stevens, Ted Swift, James Wright, J. E. Widener, Glenn Tidwell, Keith Bain, Richard Jones, L. F. Jones, Hubert Jones, Temple Deaver.

## April Draft Quotas Ordered Reduced

According to Wm. J. Bragg, the local draft board has been advised to reduce the two April quotas, the first by twenty-five per cent and the second by fifty per cent.

A following telegram was received here: Hall County Local Board: You are directed to reduce your April call number 74 by twenty-five per cent and your April call number 75 by fifteen per cent. Compute to nearest whole number. Page, State Director.

## WAAC Recruiters To Be In Memphis

Third Officer Ann Markusch and WAAC Auxiliary Della Coleman will be in Memphis on Friday, April 16, from 3 to 7, recruiting for the WAACs. They plan on using one of the rooms at the City Hall.

Auxiliary Coleman is the daughter of Mr. and Mrs. J. P. Coleman of Quail. She is happy in her work and says that she has been given everything she asked for since joining the WAACs.

**CASONS ARE VISITORS**  
Mr. and Mrs. Lee Cason visited here Sunday with Mr. and Mrs. J. M. Dickson en route to Sharnock where they will visit. He has recently received an honorable discharge from the Air Forces at Salt Lake City, Utah. He will be employed in the Douglas Air Craft plant at Los Angeles, Calif.

**Lt. MARY FOLLIS**  
**Lt. Mary Follis At Fort McClellan**

Lt. Mary Follis of the American Red Cross Nurses Corps is the first Hall County girl to receive a commission, and is now stationed at 88th Station Hospital, Fort McClellan, Ala.

Lt. Follis left Memphis in 1937, going to Lubbock where she finished high school in 1938. She entered nursing training in January, 1939, at the Lubbock General hospital and graduated from there December 23, 1941, after a three-year course.

On January 7, 1942, Lt. Follis received her commission in the U. S. Army and was stationed at Fort Sill on duty at the Cantonment hospital. She stayed there until March 17, 1943 when she was moved to Fort McClellan.

Lt. Follis writes that she thinks the army life is really fine. She receives \$150 per month base pay and says that, of course, she can't buy pretty clothes but the uniforms do not look bad if they keep them brushed and the "brass" shined.

## Easter Late as Possible This Year, April 25

Sponsors Expect Larger Crowd This Year Due to Late Date and Past Success

Easter this year is as late as it can possibly be, falling on April 25. Easter Sunday is always the first Sunday after the first full moon after March 22. According to this rule, it can not be later than April 25. It was on that date in 1886 and this will not happen again until 2038, 95 years from now.

The Rotary Club, sponsors of the Easter Sunrise Service again this year, are glad that Easter is late, even though the date is out of their hands, because it will probably be warmer and more pleasant for the services.

Next Monday night at the practice at the First Christian church there will be some out of town singers to help in the group singing. This makes it more urgent that all local singers be present.

The hour is 8 o'clock and all singers of the county are invited to participate. There are about 50 singers at these practices regular and the number should be 100.

This is the second Sunrise Easter Service in Hall County sponsored by the Rotary Club, and a much larger crowd is expected this year, due to the advanced publicity and the success of the service last year.

**Bullard Cleaners Closing This Week**  
After eleven years in the cleaning business, Pvt. and Mrs. Leon Bullard are closing due to the shortage of competent help.

## FFA District Contests Held Here Saturday

Good Representation From All Six Schools Attend Annual Meet

The FFA District contests were held at the high school here Saturday. All six schools, Clarendon, Turkey, Memphis, Quitaque, Estelline, and Lakeview had a good representation.

Clarendon won first and Memphis second in the public speaking contest. In the news writing contest, Memphis won first, Clarendon second, and Estelline third.

In the farm demonstration contest, Clarendon was first, Memphis second, Quitaque third, Estelline fourth and Lakeview fifth. Following the contest, the agricultural teachers held a meeting and discussed the District Encampment to be held in Memphis April 30 and May 1. The farm shop program was discussed and it was decided that the equipment in the schools will be made available to the farmers this summer for general repair work.

A discussion was held and reports made on the Rural War Production Training programs now being conducted in various communities.

O. T. Ryan of Lubbock Area Supervisor, was here for the meeting. Teachers present were: J. R. Colvin, Turkey, Walter Labay, Estelline, Elwin Matthews Lakeview, Buford Browning Quitaque, John Gillham, Clarendon, and Gene Barnett, Memphis.

## Former Lakeview Resident Dies At Ada, Oklahoma

Mrs. J. D. Bennett Passes Away Sunday; Came to Hall County With Family in 1905

Mrs. Tillie Orcutt Bennett, former Lakeview resident, passed away at Ada, Okla., on April 2.

Mrs. Bennett was born in Oakland, Ark., in 1889 and moved to Hall County with her family in 1905. She was married to J. D. Bennett at Estelline in 1914. They made their home at Lakeview for a number of years.

Funeral services were held at Ada Sunday, April 4. Bill and Oral Orcutt and Mr. and Mrs. John Berryman of Estelline and Mrs. Jim Berryman of Newlin attended the services.

Surviving Mrs. Bennett are: her husband, one son, Joe D. Bennett Jr., one grandson, father, A. C. Orcutt of Del Rio, two sisters, Mrs. Cassie Armstrong of Oklahoma City, and Mrs. Helen Atkinson of Idaho Falls, Idaho two brothers, Bill and Oral Orcutt of Estelline.

**John M. Stanley**  
**Prisoner of War Of Japanese**

Pvt. Stanley Listed as Missing Since Fall of Corregidor May 7, 1942

Better news came to a Hall County mother, Mrs. Mattie E. Stanley of Lakeview, when she received a letter from the War Department stating that it is reported that her son, Pvt. John M. Stanley is a prisoner of war of the Japanese Government.

In August, Pvt. Stanley was listed as missing since the fall of Corregidor and there had been no news of him since.

A letter to Mrs. Stanley stated that he is reported to be a civilian internee in a civilian camp.

Pvt. Stanley enlisted in the Coast Guard at Childress August 2, 1940, and spent a year in training at Fort Crockett. He left here August 6, 1941 and sailed from a California port September 9.

The last message Mrs. Stanley had directly from her son was a Christmas card mailed at Manila November 15, 1941.

## County Gains in Auto and Truck Registrations

Restrictions on Cars, Tires and Gas Fail to Cut Down On Purchases of Car License

In spite of the wartime restrictions on the sale of automobiles and the rationing of gasoline, there were more passenger cars and more commercial vehicles registered in Hall County this year than last.

Figures released by Floyd Springer, county tax assessor and collector, show that the county gained 15 passenger cars and 95 commercial trucks and pickups over last year.

This year's registrations are: Passenger cars, 1946; commercial trucks and pickups, 517. Last year's figures are: Passenger cars 1931, and commercials, 419.

## Jeep Bond Drive To Be Climaxed With Parade

Climaxing the Victory Corps campaign, sponsored by the American Legion and executed by the school students of Memphis, plans are being made for a parade and a pageant to be staged Friday, April 16.

The parade will start at 3 o'clock and will consist of the high school band, several jeeps from the Childrens Bombardier school and the student body.

A pageant depicting the wars of the United States will be given at the high school gymnasium Friday night and the public is invited. Admittance is the purchase of one war bond or stamp at the gate. Detailed plans will be in next week's Democrat.

## MUCH NEEDED SLOW RAIN FALLS THROUGHOUT WEDNESDAY NIGHT; BENEFICIAL TO ALL FARM LAND

Texas Defense Guard Officers Named Tuesday

About 50 Men Out for First Meeting Since Induction; Held on Soft Ball Grounds

Officers of the Texas Defense Guard in Memphis were named at the meeting Tuesday night. Mack G. Tarver is captain, Carl Harrison, first lieutenant, and Robert Devin, second lieutenant.

There were about 50 men out for this first meeting since the induction and the drilling was on the soft ball grounds west of the high school. A light has been placed there so that the meetings may be held there.

Winter uniforms will be issued by the state, and summer uniforms will be paid for locally. These are expected to be ready for use soon.

## County Exceeds Red Cross Quota By \$1,816.81

Leaders Wish to Thank Every Person Who Had Part in This Success

The goal set by Hall Countians of \$7,000 was almost reached in the Red Cross Drive as the total of \$6,916.81 has been turned in, stated Tomie M. Potts, chairman.

The quota set for this county was \$5,100 so it was exceeded by \$1,816.81.

"This could not have been possible without the help and co-operation of every person in Hall County. The leaders of the drive wish to thank every one of you who have had any part in this drive. You know that your donations are going to a good cause, in helping our boys who are fighting for us. Thanks again for the splendid response received," said Mr. Potts.

## CLAUDE'S COMMENTS

By J. C. W.

**HAPPY BIRTHDAY**  
April 5—Mrs. Mary Watson.  
April 6—George Thompson.  
April 7—Charles Draper.  
April 8—Virgil Weems.  
April 11—Major Lee McCanne.

Last week I made an appeal for people to bring in hunting knives and brass knucks to send to a bunch of Marines at Quantico, Va. One hunting knife and nearly a dozen butcher knives have been brought in and no brass knucks. Those of you who want to donate or sell hunting knives and knucks, or heavy butcher knives, should bring them in right away for I want to send them to Keith Wells at Quantico to distribute among his friends. Make it within the next week—not later.

Wasn't that a fine rain last night? Nearly three-quarters of an inch of moisture and more rain falling today. This rain will give farmers a good start toward producing another bumper crop.

Vegetation has been greening lately, and this will really make it grow. Those who have planted or plan to plant Victory gardens ought to be pleased with weather conditions. That Easter spell hasn't yet shown up, and April 25 is late for freezing spell.

Lately, there has been a lot of damage done at City Park by thoughtless people. A lot of money has been spent to make the park a place where everybody may relax and enjoy life. It is to be regretted that people can become so thoughtless as to want to de-

(Continued on page 4)

Rain, accompanied by a light electrical storm, started falling here Wednesday night about 10:30 night. According to J. J. Micklin, local government weather observer, .70 of an inch of rain had fallen early Thursday morning.

This slow drenching rainfall came just at the right time to give the Hall County farm and range lands a much needed soaking and prepares the land for spring planting. Much of the crop land had already been broken and the rest will be worked as soon as the farmers can get into the fields.

Cloudy skies and drizzling rain throughout Thursday morning indicates that there will be a heavier rainfall before "this spell" is over.

People in this section of the county have always waited for that Easter spell of bad weather before planting their gardens, but since Easter comes so late this year, a large percentage are already planting and setting out the plants in their Victory Gardens.

## April Bond Drive Plans Are Being Formulated

Business District and Ward Chairmen Named in Meet Wednesday

Plans are being made for the County's Victory Bond Quota for April set at \$275,000. Members of the County-Wide Committee met Wednesday afternoon and appointed ward chairmen and business district chairmen to supervise the selling of the bonds.

A Prospect Committee composed of Wesley A. Foster, Floyd Springer and W. V. Coursey was named. Their duties will be to supply a live list of names as prospects covering the entire county.

The duties of the ward chairmen will be to manage the volunteer salepeople and they may appoint their own helpers to work certain streets so that each home in town will be canvassed. M. J. Draper is chairman of Ward 1, M. E. McNally chairman of ward 2, R. S. Greene chairman of ward 3 and Mrs. E. T. Prater chairman of ward 4.

The business district has been assigned to special committees as follows: north of Main and west of 6th, T. M. Potts and E. E. Roberts; north of Main and east of 6th, J. H. Smith and Ralph Howe; courthouse, east side square and wholesale district between Main and Noel, F. R. Springer and M. G. Tarver; west side of square and business between Main and Noel west, H. L. Boren and G. M. Dial; all south side of Noel and west of 6th, S. C. Harrison and Homer Tucker; all south side of Noel and east of 6th, Roy Fultz and D. J. Morgensen.

The four Commissioners Precincts will organize in the way they deem best so that it will be a county-wide system. The preachers and lawyers of the county are asked to compose a speakers committee so that if the occasion arises, there will be speakers available.

"People living in Hall County are urged to buy their bonds in this county so that we can get the credit on our quota for this month. If bonds are bought in some other county, Hall County will not get this credit on the April Bond Drive," leaders stated.

Meeting Wednesday and formulating these plans were O. V. Alexander, C. T. Johnson, T. E. Noel and Judge M. O. Goodpasture.

## Wesley A. Foster Secretary of ACA

There have been some changes in the personnel of the County Agent's office this week. Millard Brown, secretary of the ACA left last Thursday for Wellington where he will have the same position.

Taking his place is Wesley A. Foster, formerly of the First National Bank and the post office. Mr. Foster started his duties in that capacity this week.

# SOCIETY

## Bridal Shower For Recent Bride In Estelline Saturday

Mrs. Winfred House of Estelline, the former Miss Melba Faye Price, was the honoree at a miscellaneous shower on Saturday afternoon at the home of Mrs. O. K. Young of Estelline.

Mrs. Fred Meadows gave a reading. The honoree was presented her gifts in a wagon that was pulled by Karon Eddins. She was assisted in opening her gifts by her mother, Mrs. L. Price, and her mother-in-law, Mrs. Ed House.

Hostesses were Mesdames Fred Meadows, Andy Dunlap, Ruth Richerson, Sam Power, O. K. Young and Fred Berry.

Mr. and Mrs. House were married in Amarillo on Tuesday, March 23.

Refreshments of punch and cookies were served to Mesdames L. Cobb, John Russell, F. E. Leary, L. C. Rieberg, Bob Motherhead, Bess Coppedge, John Hays, Jo Eddins, H. R. Richerson, Bob Morrison, H. Hays, L. Marcum, Jim Longbine, H. Rodgers, Dorothy Dameron, Ab Rogers, L. C. Price, Ed House, D. Moorehead, E. Johnston, and J. W. Hawkins, and Miss Mary Lane Hendricks of Turkey, and Misses Billie Jean Price, Garletta Berry and Anita Kay Dunlap.

## Blue Bonnet Club Meets Friday

The Blue Bonnet Needle Club met Friday afternoon at the home of Mrs. Otho Fitzjarrald.

Members present were Gussie Jones, Essie Cullin, Minnie Lou Potts, Mable Meacham, Ethel Rogers, Minnie Vallance, Fern Boone, Margaret Phillips, Kathryn Morgensen, Susie Coleman, Frankye Fultz, Gladys Gilmore, Florence Fitzjarrald, and one visitor, Mrs. R. H. Wherry.

**NOTICE**  
The Junior High P-T A will meet on Thursday, April 15, at the Junior high school building for its regular meeting as announced by Bill Lyon, school principal.

*Long-Lasting protection...*  
thanks to  
**"Regulated Penetration"**

Weld-Tite Primer gives new life to Exterior Paints. That's because it controls, regulates, the oil penetration. Instead of soaking into the surface, the oil remains in the primer and in the paint... keeps the paint film tough, elastic, resistant to heat, cold, moisture.

Invariably, exterior surfaces are more porous in some spots than in others. Weld-Tite seals the entire surface evenly, provides an ideal base for a finishing coat of Quality House Paint—its MINNESOTA buddy.

Only TWO COATS gives real protection... and that's real economy!

## Daughters of Wesley Has Meeting April 1

Mrs. Brice Webster, Mrs. Norma Hunt, and Mrs. Floyd McElreath were hostesses Thursday afternoon of last week for the Daughters of Wesley, Sunday school class of the Methodist Church, at the home of Mrs. Webster.

The devotional was given by Rev. E. L. Yeats.

Those present were Mrs. Louie Goffinet, Mrs. D. A. Neeley, Mrs. Vera Dickey, Mrs. A. S. Moss, Mrs. Chas. Williams, Mrs. E. N. Hudgins, Mrs. I. W. Glosson, Mrs. D. L. Johnson, Mrs. C. C. Hodges, Mrs. Percy Bones, Mrs. T. J. Hampton, Mrs. T. M. Potts, Mrs. Roy E. Fultz, Mrs. Dan McMillan, Mrs. E. L. Yeats, Mrs. Chas. Webster, Mrs. Myrtle Phelan, Mrs. J. L. Barnes, Mrs. C. H. Compton, Mrs. Robert Cummings, Mrs. Bess Crump, Mrs. Floyd McElreath, Mrs. Brice Webster, Mrs. Norma Hunt, Mrs. W. B. Kimberlin, Mrs. Forrest Hall and Rev. E. L. Yeats.

## S. S. Class Meets In Bourland Home

The Kingdom Seekers Sunday school class of the First Baptist church met Sunday at 12 o'clock at the home of Miss Margaret Bourland for a buffet dinner. Pictures were taken during the afternoon for the class scrap book.

Those present were Mr. and Mrs. Gaines, Misses Dorothy Lester, Nellie Clark and Margaret Bourland.

## Women Work

Orchids to Mrs. M. O. Goodpasture and her helpers, Mesdames L. O. Dennis, N. M. Lindsey, D. S. Miller, J. O. Davidson, J. W. Burks, and Brice Webster, who lead the women's committees in the recent Red Cross drive. This committee had the northwest residential section of Memphis and turned in \$121.40.

Mrs. O. V. Alexander and her committee: Mesdames Bill D. Hart, Leo Fiecht, Bill Kesterson and Landrum Stanford, in southeast district, and Mrs. E. T. Prater and Mrs. John Dennis in east Memphis, ran close turning almost two hundred dollars each. Mrs. Dick Watson and Mrs. Lee Elliott of southwest Memphis, and Mrs. Bill Coursey and her committee, Mesdames Ben Wilson, Nell Reed and Lyman Davenport Jr., of northwest Memphis also turned in a good report. One nice thing about it all is that each one of these ladies asked for something else to do. We'll remember that.

We want to thank Mrs. B. B. McMillan and Mrs. W. A. Thompson for giving cotton and lining for a quilt. Mrs. T. M. Harrison for cotton and lining for another and Mrs. A. D. McCrory for two quilt tops. Mrs. Bess Crump and Mrs. Dick Watson will superintend the quilting of one and the one Miss Ruby Thornton gave last week and Mrs. Chas. Webster's Sunday school class will have an all-day meeting at the Methodist Church Friday, April 9th, to make the other. We know of some other quilts that are coming up and there will be a nice box to ship soon.

There are so many things we may do for the Red Cross, even though we cannot go to the rooms and work. Mrs. Leon Bullard gave a big box of new woolen scraps from her tailor shop the other day, and Mrs. Roy Fultz gave us a lot of pretty colored yarn. These things have been turned to Miss Ira Hammond and her 8th grade pupils and what a time they are having making afghans! Next.

Mrs. B. Webster, production chairman, announces a hearty response to the SOS knitting call. The 75 pounds, which has already been received on the 125 allotted to Hall County, has nearly all been issued out and several garments completed and returned. The remaining 50 pounds should arrive any day and it is hoped the response will be as good so that these knitted garments so urgently needed, can be sent to the Red Cross for immediate distribution when called for by a commanding officer of the army or navy.

For the benefit of those who do not understand how the Red Cross garments are distributed, Mrs. Webster quotes from a recent letter from headquarters: "The average soldier and sailor is adequately clothed by the government and does not need additional garments other than the standard equipment. However, there are exceptions, such as our boys in Iceland, hence the call for Turtle-neck sweaters last fall. The same is true of soldiers sent into the fields on long campaigns. When they return to the army or navy through the Red Cross, through

their commanding officer. The Red Cross then arranges for the required garments. Since the demand has been so much larger than the supply a reserve is needed very much to meet the needs of the army and navy." Hence the request to chapters to speed up the knitting program out of the yarn sent in addition to the regular quotas.

—Swat the Swastika—  
The W. M. U. of the First Baptist church met Monday afternoon at 3 o'clock at the church. The program topic was "The Individual Witness" with Mrs. D. A. Grundy as leader. The program was opened with the group singing "I Love to Tell the Story," followed by the devotionals by Mrs. Claud Harris, using as her subject the study of Abraham, reading from Heb. 11: 8-10; Gen. 15: 1-5-6, and Gen. 17: 1-19. Mrs. Sam Foxhall led in prayer. "My Home, an Influence" was given by Mrs. Leon Randolph followed by Mrs. George Cullin discussing "My Church, a Force." "My Community Christian" was given by Mrs. Oscar Webb. Mrs. Isabel Cypert gave "My Witness in the World."

## Mrs. Grundy Is Leader at WMU

The W. M. U. of the First Baptist church met Monday afternoon at 3 o'clock at the church. The program topic was "The Individual Witness" with Mrs. D. A. Grundy as leader.

The program was opened with the group singing "I Love to Tell the Story," followed by the devotionals by Mrs. Claud Harris, using as her subject the study of Abraham, reading from Heb. 11: 8-10; Gen. 15: 1-5-6, and Gen. 17: 1-19. Mrs. Sam Foxhall led in prayer. "My Home, an Influence" was given by Mrs. Leon Randolph followed by Mrs. George Cullin discussing "My Church, a Force." "My Community Christian" was given by Mrs. Oscar Webb. Mrs. Isabel Cypert gave "My Witness in the World."

To prove the individual witness had done his duty, Mrs. L. O. Dennis gave "He Witnessed in His Home." Mrs. W. Wilson gave "Her Witness Changed a Community" and Mrs. L. G. Rasco gave "She Witnessed in all the World." The program was completed by the testimony of "My Individual Witness" by Mrs. Lloyd Phillips followed with a prayer by Mrs. Grundy.

Those present were Mrs. D. A. Grundy, Mrs. W. Wilson, Mrs. Leon Randolph, Mrs. E. T. Prater, Mrs. Bailey Gilmore, Mrs. Claud Harris, Mrs. Clyde Sargent, Mrs. Lloyd Phillips, Mrs. L. O. Dennis, Mrs. L. G. Rasco, Mrs. Mack Graham, Mrs. Isabel Cypert, Mrs. George Cullin, Mrs. Oscar Webb, Mrs. Sam Hamilton, Mrs. Sam Foxhall, Mrs. Charles Oren, Mrs. N. M. Lindsey, Mrs. Jim McMurry, Mrs. Ottilie Jones, Mrs. Henderson Smith, Mrs. Jack Boone, Mrs. Lynn Jones, Mrs. B. Scott, Mrs. Crow and Mrs. J. S. Forkner.

## WCS Meeting In Lubbock April 5-7

The third annual Northwest Texas Conference of the W. S. C. S. of the Methodist Church was held in Lubbock April 5, 6 and 7. The theme of the meeting was "Calling Methodist Women to Help Build a New Earth" with Mrs. C. A. Bickley, president presiding. Principal speakers for the occasion were Mrs. J. D. Bragg of St. Louis, Mo., Dr. B. C. Ling of Texas Tech, Dr. Robert Long, Professor of Bible of McMurry College, and Miss Julia Reid of the Wesley Community House of San Antonio.

There were about 150 in attendance. From here Mrs. D. A. Neeley was a representative and Mrs. M. L. Smith of Lakeview attended.

## HARRELL CHAPEL

By MRS. LOUIS RICHARDS

Rev. L. Self filled his regular appointment Sunday and Sunday night.

AT FIRST SIGN OF A **COLIC** USE **666 TABLETS, SALVE, NOSE**

FOR SALE **RUBBER** 1¢ a pound You come get it at Singapore

## The world price of rubber

was 22 1/2 cents a pound before the treacherous Japs seized the East Indies and obtained control of the rich rubber supplies of the Far East.

Today they are offering the rubber for 1/2 of a cent to 1 cent a pound... with no takers, even by Nippon's Axis partners, because the United Nations blockade has cut off shipping from Singapore.

As an American whose driving has been coupon-rationed... because of lack of gasoline... but by a serious shortage of rubber... be thankful for the blockade which has made the Jap bargain sale of rubber a flop. Be thankful too that there is no U.S. blockade on research.

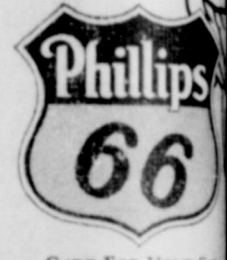

Long before the war, the Phillips research laboratories, always engaged in seeking new and better things from

petroleum, was learning the secrets of synthetic rubber and 100 octane aviation motor fuel.

This knowledge and Phillips great resources of raw materials are now teamed in the war effort.

Our part in winning the war is to expand enormously the production of synthetic rubber and 100 octane aviation motor fuel. Your part is to reduce driving and thus conserve rubber, until midsummer 1944... the date on which Rubber Director William H. Jeffers predicts that with your help... the American people will be over the hump of the rubber problem."

When victory comes, when you can again PHILL-UP with PHILLIPS to your heart's content, we confidently promise you that today's concentration on petroleum research will bring you almost undreamed of improvement in Phillips 66 Gasoline.

FOR VICTORY... Buy U.S. War Savings Bonds and Stamps

## When a Feller Needs Another Hand

Butch is in a predicament... one that isn't covered by military training. While he certainly could use another hand, we're betting that Butch will find a way to handle the situation.

In fact, most every businessman, farmer, stockman... every producer in West Texas today... knows just how he feels. They, too, need another hand.

Your Electric Servant has the same problem. Right now, we're being called on to balance good service and low rates against fast-climbing operating costs and shortages of material.

We're doing it, too. Filling every wartime order ahead of schedule in addition to your normal peacetime needs. And besides that, we're balancing a big plate of taxes.

Don't get us wrong. We know the necessity of heavy wartime taxes. We're proud that ours was a sizable portion of the \$620,000,000 in taxes paid last year by America's business-managed electric companies. That was 23c out of every dollar paid for electric service. The total of \$620 million dollars was enough to outfit 1,687,762 soldiers like Butch.

We're proud, too, that there has been no rationing of electricity... and no increase in cost to you!

How is it possible to do this... pay heavy taxes, overcome shortages of material and manpower?

Well, the credit goes to sound, well-balanced business management. And because our trained and experienced organization of men and women are working together as a team.

But while America's electric companies, under business management, are doing all this, government and municipal (politically operated) power systems are not paying a penny in taxes to help win the war.

Shouldn't every one do his full share?

## From County Men in the Armed Forces

Charles A. Williams, son of Mrs. C. A. Williams, is a petty officer's rating in the Navy's trade school for mechanics on the campus of state college at Ames, Iowa. He is in operation and maintenance of electrical equipment and electrician's work. Williams is now in operation and maintenance of electrical equipment and electrician's work. Williams is now in operation and maintenance of electrical equipment and electrician's work.

Watt I didn't get seasick but once yet. Now, Mother, don't worry about me at all. For as I leave the good old U. S. A. I am coming back to her. I am going away then to come back to call her our own. For she is worth the blood we will lose to keep her. Dear Mother, I hope to be where you can hear from me about one month from now so don't worry about me, as we are going to do our duty and I know it is a long way too. So closing as ever with love as a son should for his mother, and all at home.

I will always think of you,  
Yours forever a son,  
FLOYD.

Cpl. Joel Adcock, who is somewhere in the South Pacific, writes the following letter to his parents, Mr. and Mrs. J. A. Adcock.

March 19, 1943  
Dear Mom and Dad:  
Well how's the folks? I am still doing all the good I guess. Nothing exciting has happened around here. It is really quiet tonight. Had a real hard day today, worked like heck all day.

You have been really on the beam in writing to me. It really does help too. Wish all the kids would write. Of course, I

can't answer all their letters for I just don't have time but I really enjoy them.

I made corporal this month. Hope I can go on up, maybe can for all it takes is work and I have been known to work a little once or twice.

Well, nothing new so I will say good night and hope you don't worry about me, for I will be careful and not get hurt.

Your loving son,  
JOEL

Cpl. Raymond Powell of Camp Barkeley, Abilene, visited here last Sunday with his parents, Mr. and Mrs. J. H. Powell. Cpl. Powell is with the 90th division, and has recently returned from maneuvers in Louisiana.

Cpl. Cecil Rousseau came for a short stay with his mother and other relatives of Lakeview.

Award of one oak leaf cluster to the Air Medal previously won by Lt. A. C. Madeley Jr. of Temple was reported by the Associated Press from North Africa last week. Lt. Madeley has been piloting a bomber in North Africa several months. The oak leaf cluster was for making 10 combat sorties over enemy territory.

Lt. Madeley is the nephew of Mrs. J. A. Odum of this city.

Pfc. and Mrs. Durwood Ray left this week for Phoenix, Ariz., after visiting with their parents, Mr. and Mrs. J. D. Ray of Lesley and Mrs. McNear of Brice.

Pvt. William A. Adcock who is stationed in Sheppard Field, spent the week-end with his parents, Mr. and Mrs. J. A. Adcock. Adcock has been in the service since January.

Pvt. Leon Bullard of Fort George Meade, Md., came Saturday for a visit here with his wife.

Capt. and Mrs. J. D. Lord of Fort Sill, came Thursday last week for a visit here with friends. They are former residents here

and he is now attached to the Medical Corps. He was a member of the staff at the Memphis Hospital.

Corp. Hiram Crawford of the Bombardier school, Childress, visited here Sunday with his parents, Mr. and Mrs. C. W. Crawford.

Lt. Sidney Harwell of the Air Force, Alliance, Neb., visited near here with his parents, Mr. and Mrs. A. S. Harwell.

Garland Coldiron was recently promoted from Corporal to Staff Sergeant, according to word received by his parents, Mr. and Mrs. U. W. Coldiron. S. Sgt. Coldiron is stationed somewhere in Alaska in the infantry of the U. S. Army.

Sgt. and Mrs. Robert Moss visited from Friday until Wednesday near here with his parents, Mr. and Mrs. Grover Moss. He is stationed at Will Rogers Field, Oklahoma City. They went from here to Crosbyton for a visit with her parents, Mr. and Mrs. Alfred Hutcherson.

### Locals and Personals

Mr. and Mrs. Tom Salem and Mrs. Laura Campbell spent last week-end in Shamrock visiting with relatives.

Raymond Ballou was a business visitor in Amarillo Friday.

Mrs. Ruby T. Hardwick of Oklahoma City visited here from Sunday until Tuesday with her daughter, Marjorie Hardwick, and friends.

Mrs. A. Baldwin went Thursday night of last week to Tyler for a visit with her daughter, Mrs. J. O. Haynes, and her son, W. B. Baldwin, who recently joined the Marine Corps.

Rev. S. F. Martin, Mrs. D. A. Grundy, Mrs. G. H. Hattenbach and Mrs. Lloyd Phillips attended a Baptist Associational meeting in Borger on Thursday and Friday of last week.

Mrs. Laura Campbell is visiting this week in Fort Worth with relatives.

Mr. and Mrs. Carl Denny and daughter Linda Jane of Childress visited here Sunday with his mother, Mrs. B. F. Denny.

Mr. and Mrs. O. V. Alexander left Sunday for a business trip to Brownfield.

Miss June Power of Childress visited here Sunday with her mother, Mrs. Gladys Power.

Mrs. Mary Newberry of Wellington visited here Sunday with Mrs. H. W. Stringers.

Miss Velma Johnston visited last week-end in Quanah with her parents, Mr. and Mrs. R. A. Johnston.

Mrs. Percy Bones and daughter Carolyn visited last week-end in Shamrock with Mrs. Bones' sister.

Miss Marie Coldiron left Saturday for San Luis Obispo, Calif., where she is employed, after a visit here with her parents, Mr. and Mrs. U. W. Coldiron.

Mr. and Mrs. Hub Bass of Dumas visited here this week. He is employed at the Cactus plant.

Miss June Ann Nix of Shamrock visited here Monday in the home of Mr. and Mrs. Tom Salem.

H. B. Gilmore, who is employed in Amarillo, visited here last week-end with his wife and family.

L. F. Jones was a visitor in Amarillo Friday and Saturday of last week.

Miss Helen Russell spent last week-end in Pampa and attended a staff meeting of the State Department of Public Welfare on Friday.

Mr. and Mrs. Jeff Welcher were business visitors in Childress on Wednesday of last week.

Mrs. Austin McDavitt and daughter Jo Carol left Thursday of last week for Wichita Falls after a visit here with her mother, Mrs. W. H. Goodnight and other relatives.

Mrs. Wayne Lorry left Friday morning for Camp Campbell, Ky., where she will make her home for awhile. Private Lorry is stationed there in the Tank Battalion.

Mrs. Allen Dunbar visited last week-end in Quanah with her parents, Mr. and Mrs. B. E. Harper.

Mrs. H. C. Crow of Plainview, formerly of Memphis, left Monday after a visit here with her sister, Mrs. J. I. Thomason, and with Mrs. L. B. Jones and other friends.

## New WAAC Quotas To Be Announced

Mrs. Inez Baker, County chairman for WAAC recruiting, and the Memphis Democrat were praised today by Lieut. Col. Marvin B. Durrette, commanding officer of the West Texas Recruiting and Induction District, for work done during the past three months in recruiting for the Women's Army Auxiliary Corps.

"Without the splendid help of our county chairman, newspapers and other civilian workers, the WAAC recruiting drive for the quarter just ended, would have been a dismal failure," Col. Durrette stated.

New quotas are soon to be announced for the months of April, May and June, Col. Durrette said, and the WAAC is open to all women between the ages of twenty-one and forty-four, inclusive who are citizens of the United States by birth or naturalization, and have a dependent or child under 14 years of age.

## Grade Pupils End Successful Drive

The sixth and seventh grade pupils of Memphis Junior high school have completed a highly successful magazine subscription campaign offered by the Curtis Publishing Co.

The students learned good lessons in salesmanship, cooperation and leadership and received several nice prizes. They raised and donated \$75.00 to the Red Cross.

Don Monzingo and Henry Dell Stringer were winners of watches and were high salesmen for the boys in the seventh grade. Gloria Virginia Howard was high among all the girls and for the sixth grade.

### Locals and Personals

Mr. and Mrs. Roy R. Fultz visited from Saturday until Monday in Wichita Falls with their daughter, Bettye, and son, James, students in TCU, Fort Worth.

Miss Plina Hill went Sunday to Amarillo for a visit with relatives.

Miss Hazel Ayers returned Saturday from Amarillo where she visited with her sister, Miss Bess Elaine Ayers.

## ANTELOPE FLAT

By MRS. DAN DEAN

Mr. and Mrs. Matt Weaver had a family reunion at their home Sunday. Those present were Miss Irma Joy Weaver of El Paso, Miss Irene Weaver of Dallas, Mr. Weaver of Slaton, Mr. Weaver and family of Brownfield, and Lem Weaver and family of Silverton.

Neoma Turner visited in Amarillo last week-end.

Mrs. A. L. Durham visited in Memphis Friday.

Mr. and Mrs. Bill Eden visited Mrs. W. L. Ford of Memphis Sunday afternoon.

An all-day meeting will be held at the Antelope Flat school house Easter Sunday. Lunch will be spread at noon.

Mr. and Mrs. D. W. Evans visited in the Matt Weaver home Sunday afternoon.

Those attending the play day at school Thursday were Mrs. Selman, Mrs. Brown and Mrs. Oscar Bullock.

Miss Dorothy Jo Salmon visited here last week-end and left Sunday for Amarillo where she will be employed at Amarillo field.

- Fast Color Print Dresses 80 sq. in floral and stripes. \$1.59
- Braemore Cleansing Tissue Soft, absorbent, strong. 500 Tissues 23c

### Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer aching backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feeling tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's, sold at all drug stores.

### Get the Cotton Duster Ready

Cotton dusting time is not too far off to get ready for it now. Growers often have to strike swiftly to prevent a considerable loss of cotton. But to be able to hit the insects and worms hardest farmers should have their dusting machinery in perfect running order.

A systematic check up of this equipment should be made without delay. This will allow time to obtain repair parts or make other arrangements to have their cotton dusted. If this important job is delayed it may not be possible to get the machinery into condition in time to save the crop from heavy loss. Seed cotton is an important war crop.

Getting the dusting equipment into good condition is only part of the preparation to take to the field to destroy insects. To be fully prepared, the farmers need to have some dust insecticides on hand. It is good business to buy the dust now. It might be hard to get if it should be needed in a hurry. This is especially important to farmers who have a hard time of it every year to control insects. They should stock up in advance with enough insecticide to make one application. That would ensure enough to keep their dusting machinery in use while they are getting another supply.

With the machinery in complete repair and a supply of insecticide on hand to make sure of at least the first dusting, farmers will be ready to prevent the boll weevils growing fat and raising families. They will be prepared to produce more cotton which is needed to help win the war.

### Treating Cottonseed Yields More Seed, Lint, Shells, Bombs

Hall County cotton farmers will find it profitable to prepare now to fight a few of the saboteurs of their 1943 crop. To disarm these enemies of maximum production before they can cause damage is recommended. Treatment is made with one of the mercury dusts, such as rezeman, or some other dust suggested by the county agricultural agent. It does not injure the seed.

The treating method is simple. A month or two before planting the cottonseed and dust are put in a tight container and rolled around until they are thoroughly mixed, in much the same way that

sand and cement are mixed for concrete. During the storage period before planting the treating dust kills the parasites. Hooser says, too, that the practice pays even though the treatment is given only a few hours before planting. The cost is little, about 10c per acre, and treated seed in turn produce more seed and lint.

It is said that mechanical delinting is a better method and also is doubly profitable. It cleans the seed which salvagin linters. The linters are one of the most important elements for making high explosives for shells and aerial bombs. As special equipment is required for mechanical delinting treatment of the seed alone handsomely repays the investment. Many Texas cotton farmers already do this, and if the practice was general larger production per acre would result. The saboteurs have been called damping-off, seedling blight, sore shin and rot. But whatever the name, they have been identified as very small plants which attack growing cotton. Planting treated seed helps to produce cotton more cheaply, and helps assure a larger amount of seed needed in these war days.

### Locals and Personals

Miss Betty Gene Milam went Thursday to Lubbock for a visit with her sister, Miss Katherine Frances Milam, student in Texas Tech.

Mr. and Mrs. L. M. Thornton left for Eton, Ga., last Saturday to be with Mrs. Thornton's mother, 98, who is in ill health.

Mr. and Mrs. James Smith of Vernon visited here last week-end with her parents, Mr. and Mrs. J. W. McCulloch.

Mrs. Ralph Howe and daughter Giva Lois returned Tuesday night from Bunkie, La., where they visited with Mrs. Howe's sister, Mrs. E. E. Hale.

Mrs. L. W. Stanford and daughter Nancy left Sunday for Houston where they will visit with Mrs. Stanford's father, A. P. Jones.

Mr. and Mrs. J. A. McIntyre of Lubbock came Wednesday for a visit here with Mrs. J. A. Grundy.

Mr. and Mrs. John Ward of Swenson visited here last week-end with her parents, Mr. and Mrs. John Barber.

Mr. and Mrs. G. H. Hattenbach visited Monday in Breckenridge with Mr. and Mrs. Chauncey Thompson.

### AMERICAN HEROES

Just before the orders to commence firing, our radio station on Midway was blown to bits. Marine Sgt. Harold P. Hazelwood, the operator, was severely wounded by shrapnel. Despite his serious wounds, he assembled parts and sent out the firing orders that saved the day. Your money is needed to "save the day" every pay day. You've done your bit; now do your best—Buy more War Bonds.

U. S. Treasury Dept.

### Comments--

(Continued from page one)

destruction or damage property that has been provided for their pleasure. The park board spent much time and effort on beautifying and furnishing the park with the things that would provide pleasure to the entire citizenship. This board demands that some action be taken to stop vandalism. So I'm promising that some action will be taken that will not be forgotten very soon by those committing acts of vandalism or desecration, if the members of the City Council will concur in this determination.

By the way, all you people who have been saving tin cans may now store them at the north Dial warehouse north of the depot, M. J. Draper, County Salvage chairman, announces. Take the cans to the north door of the building which has a sign "Salvage." Tins that have not been properly prepared and taken care of are not wanted. Only those that have been mashed flat and kept from rusting badly are wanted. Draper said.

Hall County people are called upon to buy \$275,000 Victory Bonds during April. That is a lot of money, but Hall County people will do their best to reach the quota. One thing for bond buyers to remember is that any bonds bought out of Hall County cannot be applied to Hall County's quota. Hall County people buying bonds in some other county are helping the other county and hurting their own county, bond campaign leaders state.

Miss Colleen Abernathy and Lt. Sidney Harwell attended the Officers Club in Childress Tuesday night. Lieutenant Harwell is in the Air Forces stationed at Alliance, Neb.

Seth Pallmeyer went Tuesday to Fort Worth for a visit with his brother, Ed Pallmeyer.

Some fellow nothing better to 293 ways of making change do has figured out that there are a dollar.

#### Miss Diana Wood Visits With Relatives Here

Miss Diana Wood, who had been visiting with her relatives in Australia, returned to Memphis last week. She had been in Australia for some six months ago but was unable to do so because of a Selective Service appointment which she studied to be an Aeronautic Authority. She is now here from an Army Air Base in Georgia, Miss Wood is en route to Southern California for a further appointment.

#### Methodist WSCS Meets Monday

The Methodist WSCS met Monday afternoon at 3 o'clock in the basement of the church with Ma-Chiang Kai-Shek as the subject of the program. Mrs. R. C. Gowan was leader.

The group sang "Faith of our fathers" followed with a reading of the Lord's Prayer. Mrs. Broome led in prayer and Mrs. M. G. Tarver, Mrs. Horace Tarver gave "Prayer and Praise."

#### Wesleyan Service Guild Has Meeting

The Wesleyan Service Guild of the Methodist church met Monday evening at the church with Mrs. Norma Hunt as leader.

The program was opened with a dialogue "A Missionary Trip to Latin America" given by Mrs. C. R. Webster and Mrs. M. G. Tarver. The following topics were given: "Methodism in South America," by Miss Grace Gowdy; "Methodism in Peru and Bolivia" by Mrs. Hester Bownds; and "Friends in Chile" by Dorothy Gowan.

#### Wesleyan Service Guild Has Meeting

Members present were Mrs. Norma Hunt, Mrs. G. W. Taylor, Mrs. Hester Bownds, Mrs. C. R. Webster, Mrs. M. G. Tarver, and Misses Mary Beckum, Grace Gowdy and Dorothy Gowan.

#### Beware of Worms On New-born Pigs

Comes spring with new-born pigs all over the place. But at the same time an even larger number of their worst enemy, the worm parasite, will be on hand to delay the piglets joining the procession to our 1943 meat goal.

#### Beware of Worms On New-born Pigs

A wormy pig seldom will grow big. The roundworm is one of the most common and most injurious parasites of swine.

#### Beware of Worms On New-born Pigs

The produce pigs which develop quickly and profitably, employ comprehensive sanitation. Here are some helpful steps in this program.

#### Beware of Worms On New-born Pigs

Remove all litter from farrowing houses which have concrete or wooden floors. Then clean them thoroughly with boiling water, soap and lye.

#### Beware of Worms On New-born Pigs

A few days before a sow's farrowing time scrub her thoroughly with warm water and soap. Use a brush and pay special attention to the udder. Do not allow the baby pigs to get on soil to which other hogs have had access.

#### Beware of Worms On New-born Pigs

Within ten days after farrowing, haul—DO NOT DRIVE—a field previously sown to a forage crop, and which has not been occupied by hogs since planting. Allow no other hogs in this pasture except sows and litters similarly treated. Provide plenty of shelter and shade, and a safe supply of fresh water. Leave the pigs on the pasture for at least four months. After that danger from roundworms is not great.

#### Beware of Worms On New-born Pigs

Use of this program should make the pigs ready for market from four to eight weeks earlier, and the herd is more likely to be practically free from runts.

#### Beware of Worms On New-born Pigs

Ralph Howe attended a Lions club meeting in Childress Tuesday.

#### Beware of Worms On New-born Pigs

Mrs. J. W. Fitzjarrald and Mrs. Clarence Strohle and daughter Billie Jean were Amarillo visitors Saturday.

#### Beware of Worms On New-born Pigs

Mrs. Allen Grundy and son Larry, Mrs. J. A. Grundy and Mrs. A. A. Kinard were Amarillo visitors Friday.

#### Beware of Worms On New-born Pigs

Refreshments were served to Mrs. W. D. McCool, Mrs. Conley Ward, Mrs. Murray Dodson, Mrs. Gladys Power, Mrs. Ira Foster, Mrs. W. E. Foster, Mrs. Park Chamberlain, Mrs. Ann Guill, and Misses Grace Wilson and Mary Foreman.

#### Beware of Worms On New-born Pigs

#### In Wartime Town and Farm

(Weekly News Digest prepared by the Rural Press Section, OWI News Bureau)

#### In Wartime Town and Farm

Men Over 38 Will Not Be Discharged

The War Department on March 31 stopped the discharging of men over 38 years old. Hereafter, such individuals will be transferred to an inactive status in the enlisted reserve corps, subject to the following conditions: The man must request transfer to an inactive status to enter an essential industry, including agriculture, and accompany his request by a statement from the War Manpower Commission to the effect that his release is desired. The man will be recalled to active duty upon request of the War Manpower Commission.

#### In Wartime Town and Farm

Wives of Service Men to Get Maternity Care

Maternity care for wives of service men and care for their infants will be available shortly for those who apply to State Health Departments, according to Katharine Lenroot, chief of the children's bureau of the U. S. Department of Labor. Following appropriation by Congress of \$1,200,000 to meet estimated needs to July, plans are being rushed to extend such aid to women in the 48 states, Alaska, Hawaii and Porto Rico.

#### In Wartime Town and Farm

Maximum Prices for Meats

Maximum prices for all retail cuts of pork went into effect throughout the U. S. April 1, and the OPA will issue, in the immediate future, similar schedules of maximum retail prices for beef, lamb, mutton and veal.

#### In Wartime Town and Farm

Tires and Farm Equipment

Tire dealers or persons selling or servicing farm equipment are now entitled to keep on hand a maximum of six-wheel tractor tires. Dealers who have the replenishment portions (part B) of rationing certificates calling for truck tires may restock with tires suitable for farm equipment instead.

#### In Wartime Town and Farm

Gas for School Buses

School bus operators who did not receive revised Certificates of War Necessity before April 1 may obtain supplemental gasoline allowance if necessary. ODI has announced. An appeal form may be obtained from the nearest ODI district office.

#### In Wartime Town and Farm

Relief for Battery Shortage

Some relief is anticipated in the current farm radio battery shortage, the WFB has announced. Lack of batteries has been acute in those farm areas where radio reception depends solely on battery sets. In some sections of these areas, reports have indicated that as many as one-third of the farm radios have been inoperative due to a lack of batteries.

#### In Wartime Town and Farm

More Ice Boxes

About 400,000 household refrigerators, 148,847 electric and gas-operated and the rest "ice-boxes," will be available to the general public this spring, according to WFB. Only those who cannot be served by other types of refrigerators are eligible to buy gas or electric refrigerators, the order provides.

#### In Wartime Town and Farm

Advance Payment of Points

Payment of points "in advance" for home deliveries of butter and cheese by dairymen or salesmen operating public mobile conveyances over a regular delivery route has been authorized by OPA. For example, the housewife who on Monday wants a pound of butter left at her home the following Thursday, can give the deliveryman eight currently valid stamps to cover the later delivery.

#### In Wartime Town and Farm

Reclassification of Manpower

The Bureau of Selective Service of the War Manpower Commission began on April 1 to reclassify registrants in certain activities and occupations designated on February 2 as "non-deferred" regardless of dependents. This order affects only registrants of military age.

Ceilings on Used Vehicles

Used commercial motor vehicles have been brought under price control by OPA. By establishing ceilings at a percentage of the value of the vehicle when new, the new regulation is expected to halt the activities of

### FOR YOUR OWN SAKE

IN ORDER to raise the \$275,000 quota set for Hall County in the April bond drive, every potential investor must be reached. The dictionaries define potential as "capable of being or becoming" or "expressing possibility," so that means that every man, woman and child can be called a potential investor—and every man, woman and child in Hall County will need to invest in a war bond or stamp if this \$275,000 is raised during April.

In the banks of Hall County there is on deposit three and one-quarter million dollars. To raise this quota, about eight and one-half percent of that amount must be put into war bonds. This will mean one dollar out of every twelve and will average \$25 for every man, woman and child in Hall County. In the entire United States, it will average about \$60 for every person.

But, studying this from the angle of \$1 out of every \$12 on deposit in Hall County, we can see it is not an impossibility. People have more money now than they have had in many years in this part of the country and there are fewer things to speed it on. Why not invest this surplus cash in bonds—it is the safest investment there is—then, when this war is over all these things we can't buy now will be on the market—probably bigger and better than ever, and we will have these bonds ready to cash in.

In the next few weeks you may be visited by one of the many volunteers who are contributing their time and effort to this drive. Don't wait on him, but go now to the bank, post-office or any of the other many places selling bonds and invest now. And don't forget this: in doing this, your duty, you are doing yourself one of the biggest favors of your life. You are not only helping win this war but you are making the greatest investment in the world.

There are seven different types of U. S. Government securities, so choose the one best suited for you. Hall County has always done its share, so let's show ourselves that we can do it again. For your Country's sake and for your own sake, invest all you possibly can.

### TEXAS DEFENSE GUARD

THE forming of a unit of the Texas Defense Guard in Memphis will be a great help in more ways than one.

The purpose of the organization is to serve in case of an uprising of any sort in this section; however, the Guard is subject to call anywhere in the State of Texas. In case of floods, serious fires or storms where there is loss of life and property, the unit might be called upon.

For the men who may be subject to military call in the near future, the training they receive in the Guard will be of help to them in the army. The drills and training, of course, can not be as advanced as the army since the time spent is about one-eighth of the time in the army, but it is the same. Then, too, it is good exercise for all members and it will not hurt any of us to know some of the discipline of the army.

### Press Paragraphs

SELECTED FROM THE DEMOCRAT'S EXCHANGE

#### How to Fill 'Em

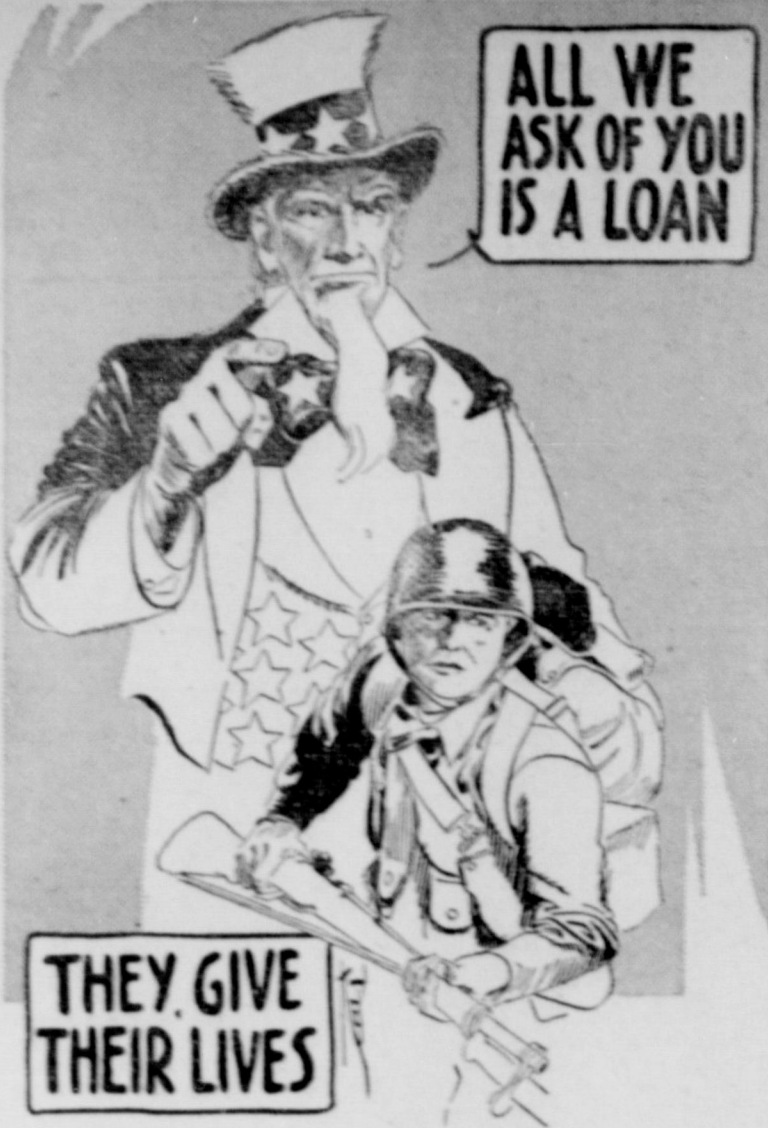

After looking at our ration book and the point chart displayed by our grocer most of us are going to make a firm resolve to plant a bigger and a better Victory garden this year. It is the only way these empty pantry shelves can be filled up.—The Ford County News.

Incidentally, Ira Foster did little figuring this week that added up to the fact that Hereford grocery stores will only be able to sell about \$2,700 worth of canned goods a month. It figures this way: Approximately 6,000 ration books were issued in this county. Under present point values of canned goods, the 48 points allowed for one month will buy about three number 2 cans. At a price of 15 cents a can, the total value of canned goods sold will come to \$2,700.—The Hereford Brand.

I'm so sorry that it now appears that I will not be able to produce a Victory garden after all. I had the extreme misfortune of injuring my right hand it was apparently not badly hurt, but my wife has been taking this RED Cross nursing course so she insisted on treating me. In fact, she exclaimed in high glee when she discovered my injury and savagely got out bandages, medicine, etc. As she doctored me she proceeded to give a lecture on the care of injuries. She actually acted like she was sorry that I hadn't been hurt worse or wasn't going to have a baby or something.—Dalhart Tex.

#### Not Now Johnny

There have been times when I wanted to be the owner of a big live-going weekly newspaper, they had business rollin' into it in box car quantity, where every fellow had his department to handle. But not now Johnny. The quota of news print has been slashed 10 percent and it's making the newspapers with a large circulation wonder if it will be able to get enough

paper to furnish copies to their subscribers. They are running short of help and the devil is to pay in many ways in publishing their newspapers.—The Stanton Reporter.

The city recently did the very sensible thing when they warned poultry raisers that the rights of the garden raiser must be observed. Compliance has been quite general within the limits of the municipality. Poultry raisers do not want to be thought of as imposing on their neighbors. One old hen and her brood, it must be remembered, can spoil half a dozen victory gardens in one afternoon. The same can be said of that cow that roams foot loose. Garden raisers who find where cows have bogged through their freshly planted rows of peas, onions and lettuce are not going to be very happy. They are not unreasonable when they ask the owner to keep his cow within her own enclosure. New owners of cows who are trying to meet the government regulations, provide for themselves, and out their cost of living all at the same time are doing a commendable thing. But they may not realize how careful they must be to comply with city ordinances in this respect. A loose cow and a loose bunch of chickens are about on a par. The owners can't be too careful with them. Have all the chickens and all the cows you want but go by the rule if you want your neighbors to love—and

speak—to you.—The Floyd County Hesperian.

With a hoe in her gentle, blue-veined hands, the mother looked at the earth as she worked. She turned the brown soil evenly in little rows and stooped to plant the small seed, absorbed with the secret thoughts of mothers. A puff of warm spring wind stirred her faded blue dress and the sound of a plane ebbed from the sky. She glanced at the high silver eagle, then began raking the soil over her planting. She might have been covering her heart, except that it is in Africa. — Douglass Meader in Matador Tribune.

Emergency help and rehabilitation was given 150,000 persons through American Red Cross disaster relief in 1942.

### SECTION THREE SECTION FOUR LEGISLATIVE GRAPEVINE

Many members of the Senate will long remember the filibuster which began last Monday at about 2:30 p. m. and continued until 4:22 a. m. the following morning. At least, the writer will never forget it. The bill under consideration was referred to by newspapers as a Loan Shark bill. The entire substance of the bill may be stated in one sentence—it permits the attorney general or any prosecuting attorney to file an injunction suit against anyone charging in excess of the lawful rate of interest. There is nothing more to the bill. Small town banks all over Texas that make service charges of \$1.00 along with a loan bearing 10 percent could be subject to injunction suits.

Several members of the Senate are in the army, and because members are frequently called outside the Senate chamber by some of town constituents it is sometimes difficult to maintain the necessary quorum. When the bill was brought up, Senator Jesse Martin of Fort Worth sent up an amendment which he said would more rigidly control the real loan sharks. About that time a roll call was had on the amendment and it developed there was no quorum. A call of the Senate was made, seconded, and passed, which, in technical terms, placed "a call on the Senate." The lawful procedure then was for the Sergeant at Arms to immediately summon a sufficient number of members of the Senate to constitute a quorum and lock all doors and exits. No member was permitted to leave the Senate for any purpose—not even to eat. Senator Martin was compelled to remain in one standing position until he finished. He was not permitted to go to a wash room or get a drink of water outside. Had he sat down or left his position on the floor for any purpose at any time, he would have lost the floor and the right to speak. Thus he stood in one position for almost fourteen continuous hours. Occasionally some member would raise a point of order that he was leaning on his desk and immediately he would straighten up. During the time fifty-four different motions to adjourn were made and voted down. Incidentally, motions to adjourn cannot be made one after the other—a reasonable length of time must elapse between motions. Senators had to depend upon their wives and friends to smuggle in sandwiches, malted milks and coca colas. Some went to sleep at their desks and had to be aroused whenever a roll call was made. One member laid down on the floor. Now, to those of you who have read about filibusters, this is the way they actually work under parliamentary rules and procedure, and the writer of this article sincerely hopes he will never be compelled to endure another ordeal like that. It will be so long remembered by the present members it is doubtful if any member can ever again muster enough

promises from the membership to prevent adjournment. It certainly accomplished nothing.

The writer happened to be in the House of Representatives when the resolution was introduced inviting Senator O'Daniel to speak. Pandemonium broke loose

and there was a deafening roar of noes and yeas. But when the vote came and the members started placing their names on record there was an overwhelming vote inviting the Senator to speak before a joint session. —The Texas Quality Job Printing

There's a kind of "K P" that stands for "kitchen patriotism." That's the kind that cooks and serves only nutritious foods for body-building and better health, and still works hand in hand with food rationing.

Kitchen Patriotism meets still a third requirement now—that's economy. Anything you can do to provide healthful food values on your ration book, and still use up leftover foods, is truly a patriotic accomplishment. We suggest "Glorified Baked Hash" (see below).

Remember two things about any hash you make—unless you like it otherwise, use enough moisture so it will not be dry—and bake it about 30 minutes at 350° F. Try "Glorified Baked Hash" the next time you want to use up leftovers in the refrigerator, and remember—green pepper is a splendid source of Vitamins A and C.

Stop in at our office as soon as you can and ask for your free copies of Home Volunteer nutrition and meal-planning booklets. You'll find them especially helpful.

## Ignition key in your pocket— ACID locked in your engine

YOU CAN'T "pull the cork" to clear out every cylinder after pocketing that key. A chemical mixture always lingers on inside. The corner druggist—with no axe to grind—would tell you that the cylinders hold the acid products of combustion... the makings of corrosion.

Heretofore you didn't have all that worry, when the worst acid was chased out again and again, by repeated driving and continued speed that heated the engine thoroughly. Now however, when you are counting every coupon, how long will it be till you next use your car and drive it far enough to make the engine stay real warm? Meanwhile, with acid in your one and only engine, as it stands for long stretches, you'd better take the precaution of having its insides OIL-PLATED by changing to Conoco N<sup>th</sup> motor oil this Spring.

OIL-PLATING is really a close cousin of platings you see every day retarding corrosion. Corroded metal is "rotting," and that's what Conoco N<sup>th</sup> oil helps to prevent, by making OIL-PLATING, come between acids and inner engine surfaces.

Conoco N<sup>th</sup>—at a popular price—includes the costly synthetic that's able to insert OIL-PLATING in your engine. Unlike mere liquid lubrication, ready to drain back down to the crankcase promptly, OIL-PLATING tends to stay at its topmost point in your inactive engine, keeping up strong interference against acid attack on costly inner parts that can't always be replaced these days. The simple key to OIL-PLATING is Conoco N<sup>th</sup> oil for your needed Spring change—at Your Mileage Merchant's Conoco station today. Continental Oil Company

and Mrs. J. T. Brock, Mr. Jordan Brock and family, the Dollar and family visited Brice community Sun- day with Mr. and Mrs. and family.

Widney Harwell who has stationed in Nebraska is an eight day furlough parents, Mr. and Mrs. A.

# The 2nd War Loan Starts April 12

## 13 billion dollars must be raised!

**T**HE GOVERNMENT of the United States is asking us to lend it 13 billion dollars in the next few weeks. We can do it. And we *must* do it. Every American must realize the truth:

In this, our toughest war, we've made a good start. We've trained a lot of men—made a lot of weapons—built a lot of ships.

But it's only a start. No man or woman among us would contend for a single instant that we're doing enough *now* to win this war!

### We've Got to Build More!

We broke all records building 8 million tons of shipping last year. But grim-faced Army and Navy men will tell you that the 18 MILLION tons we're building this year *still* won't be enough!

### We've Got to Fight More!

From now till this war is won, America must be on the offensive. In ever-increasing numbers, your sons, brothers, husband must go into actual battle. Our losses have already begun to mount—and they will not grow less.

### And We've Got to Buy More War Bonds!

Sure we're all buying War Bonds now. But we've got to help pay for our increased fighting and building . . . We've got to match, as best we can, the sacrifice of those Americans who are toiling and sweating on a dozen battlefronts—with the bloodiest yet to come. The blunt fact is this: to keep our war machine going, we've got to dig up 13 billion *extra* dollars this month. 13 billion dollars over and above our regular War Bond buying!

In the next few weeks you may be visited by one of the thousands of volunteers who are contributing their time and effort to this Drive. But don't wait for him. Make up your mind now that before this drive is over, you're going to march right down to your nearest bank, Post Office, or place where they sell War Bonds, and do your duty. And don't ever for-

get this: in doing your duty, you're doing yourself one of the biggest favors of your life!

For United States War Bonds are the greatest investment in the world—bar none. They're investments tailored to fit your particular situation. And they give you the chance of a lifetime to order and *get* the kind of world you want to live in after this war. Every cent you put in War Bonds now will help to guarantee plenty of peacetime jobs making peace-living for every one of us.

For your Country's sake—for your *own* sake—invest *all* you can!

### There Are 7 Different Types of U. S. Government Securities—Choose The Ones Best Suited For You:

**United States War Savings Bonds—Series E:** The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

**2½% Treasury Bonds of 1964-1969:** Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated April 15, 1943; due June 15, 1969. Denominations: \$500, \$1000, \$5000, \$10,000, \$100,000—also \$1,000,000 if registered. Redemption: Not callable till June 15, 1964; thereafter at par and accrued interest on any interest date at 4 months' notice. Subject to Federal taxes only. Price: par and accrued interest.

**Other Securities:** Series "C" Tax Notes; 7/8% Certificates of Indebtedness; 2% Treasury Bonds of 1950-1952; United States Savings Bonds Series "F"; United States Savings Bonds Series "G."

### Miss Oneita Hollis Buried in Edinburg Thursday, April 1

Former Resident Finished High School Here and Had Lived Here Several Years

News of the death of Miss Oneita Hollis last Tuesday afternoon in the Grandview hospital came as a shock, although it was not entirely unexpected. Miss Hollis had been ill for several weeks and her condition became critical during the past few days.

Funeral rites were held last Thursday at the First Baptist Church in Edinburg, with Rev. A. E. Riemann officiating and Rev. J. C. Lovern assisting.

Miss Hollis was born April 11, 1909 at Anson. She moved to Memphis with her family while quite young and lived here until 1934 when she moved to Edinburg. She was a graduate of Memphis high school and Draughon's

business college at Abilene. She had been a faithful member of the Baptist Church since the age of 14. Before her health failed her, Miss Hollis was chief clerk of the Hidalgo War Price and Rationing board. Prior to that employment she had worked in the First National Bank.

### CHURCHES

**PRESBYTERIAN CHURCH**  
J. Thompson Baker, Ph. D. Minister  
9:55 a. m. Sunday school, Dr. M. McNeely, Supt.  
11 a. m. Preaching by the pastor.  
8 p. m. Evening service.

At both morning and evening service the pastor will preach. The theme for the morning will be "A Good Fisherman." At the evening hour the message will be on "Honest Doubters."

Following the morning sermon, brief annual reports will be given of the work of the various departments of the past year. But all will come within the hour. We invite you to worship with us. We begin and close on time.

**LAKEVIEW METHODIST CHURCH**  
C. C. HARDAWAY, Pastor  
Sunday Bible school, 10 a. m.  
Morning service 10 p. m. Evening service 8 p. m., each first and third Sundays.

**FIRST METHODIST CHURCH**  
Rev. E. L. Yeats, Pastor  
Sunday school 10 a. m.  
Worship services 11 a. m. Young Peoples' hour 7 p. m. Evening worship 8 p. m.  
Rev. G. T. Palmer, our district superintendent, has just closed a very successful revival meeting at Lakeview. He was with the Lakeview church a week, closing last Sunday.

Rev. John W. Hawkins, pastor at Estelline, was in our city on business Tuesday. He is having wonderful success in his pastorate and new interest and activity. Some fifty copies of the Goodspeed and Moffett translations of the New Testament have been distributed among the congregation locally in the past six weeks and there seems to be much interest in reading the Bible in modern speech. We have a few more copies of these translations on hand.

**FIRST BAPTIST CHURCH**  
S. F. Martin, Pastor  
SUNDAY—  
9:45 a. m. Sunday School.  
11 a. m. Morning Worship—Sunbeams.  
2:00 p. m. Deacon's Meeting  
7:45 p. m. Training Union.  
8:45 p. m. Evening worship.  
MONDAY—  
8:00 p. m. M. S. Missionary program at the church.  
TUESDAY—  
7:45 p. m. Young Peoples' organizations at the church.  
WEDNESDAY—  
7:45 p. m. Teachers and officers' meeting—Mrs. Byron Baldwin will teach the lesson.  
8:45 p. m. Monthly business meeting of the church.

### Group Attends WMU Meeting in Borger

Several from Memphis attended the W. M. U. Associational meeting of the Baptist Church in Borger last Thursday and Friday. Mrs. Olivia Davis of Dallas and Dr. E. S. James of Vernon were

the principal speakers for the occasion.

Attending from here were Mrs. Lloyd Phillips, Mrs. D. A. Grundy, Mrs. G. H. Hattenbach, Rev. S. F. Martin.

Buy Bonds—Buy Bonds—Mr. and Mrs. James Riddle and two sons of Northfield visited here last week-end with her sister, Mrs. Hollis Boren and husband.

### School Buses May Get Supplemental Gas Allowances

To assure continued school attendance for the remainder of the current school term, the ODT today announced that school bus operators who did not receive their revised Certificates of War Necessity before April 1, may obtain Supplemental gasoline allowances if necessary.

Failure of some school authorities to return applications for revised certificates promptly is causing delays in the issuance of such Certificates. So that the regular movement of children to school may continue during the second quarter of 1943, beginning April 1, the ODT has outlined the following procedure by which school bus operators whose present Certificates do not provide sufficient mileage and gasoline fuel for necessary operations.

An appeal form may be obtained from the nearest district office of ODT's division of transport. This form must be completed and presented to the public school superintendent for his consideration. The superintendent will file his recommendation on the form and return it to the district office. Thereupon, the district office will prepare the necessary supplemental certificate and send it to the superintendent for transmittal to the bus operator.
