Mrs. B. H. Stotts Killed in Wreck

Mrs. Aubrey Aileen Stotts, 21, was killed instantly about 6 o'clock Tuesday night when the car in which she was riding was struck by a Fort Worth and Denver train at the Giles crossing, about nine miles north of Memphis.

Her husband, B. H. Stotts, Giles farmer, and 3-year-old son, Richard, were uninjured in the accident.

The impact of the collision with the car either threw Mrs. Stotts from the automobile, or she jumped, according to reports. The body was badly mangled, and whether she was crushed between the train and the car, or by the train, could not be determined. Stotts and the 3-year-old boy remained in the car.

The body was brought to Memphis by a Womack hearse, and services were held Wednesday afternoon from the First Baptist Church, conducted by Rev. S. F. Martin, pastor. Interment was in Fairview Cemetery, with the Womack Funeral Home in charge of arrangements.

The Stotts family lived in the Giles community, and were crossing the railroad going west. The train, a fast freight, was en route to Memphis. High weeds apparently prevented Stotts from seeing the train as it approached.

The car was hit at the front end by the train, and only the front end was badly damaged. The body of the car was not damaged to a great extent.

Mrs. Stotts is survived by her husband and son, her parents, Mr. and Mrs. L. C. Abernathy of Memphis, and one sister, Colleen Abernathy of Memphis.

Plane Gets to Turkey, But No Damage Reported

A naval air pilot, whose name was not learned, was forced down about one-quarter mile west of Turkey last week, and landed on the highway between Turkey and Quitaque, it was reported here this week.

Ingram Walker, Turkey resident whose home was formerly in Memphis, saw the plane land and went to the scene.

The pilot landed the plane safely, and went to Walker's home where he reported his location. He had become lost in his flight from Washington, D. C., to San Diego, Calif., and was almost out of gas when he landed the plane.

Gasoline was finally obtained from Amarillo, and the pilot continued his flight.

Hall County Dairy Show Now in Progress in City

CYCLONE MEETS DRAGONS FRIDAY

Memphis Gridmen Seek Revenge for Drubbing Handed by Dragons in '40

Brushing up—and lots of it—the members of the Cyclone squad are going through strenuous workouts this week in preparation for the non-conference tilt with the Paducah Dragons on the Dragon field Friday night. The game will start at 8 o'clock.

Although disappointed over the 6-2 loss to the Lakeview Eagles last Friday night, the local players were pointing their efforts to avenge the 40-0 drubbing handed them last year by the Dragons, it was reported.

The Memphis High School band, directed by Norman Heath, will accompany the squad to Paducah, as will 75 members of the pep squad.

Stress was being placed in practice sessions this week on blocking and tackling, and on improving the timing on the offensive plays. Last week's game with Lakeview clearly showed the weaknesses in all three divisions.

Strength of the Dragons is not known. They have played two games this season, winning one. (Continued on page 6)

Drive for Cleaning City Is Underway; Are You Helping?

The drive for ridding the city of unsightly and unhealthful weeds and rubbish is now underway, and is being led by the Memphis Garden Club.

Business houses in the city were called Wednesday by club members, and the various members of the firms were reminded to clean off their premises in cooperation with the drive.

This week has been proclaimed Clean-Up Week by Mayor J. C. Wells, and various organizations are striving to clean the yards and vacant lots in the city.

JOE SHELTON ACTS AS JUDGE

Cheese Plant Open During Day for Public Inspection; Luncheon Set for Noon

Judging in Hall County's fourth annual Dairy Show, being held in Memphis, got underway this morning, although no reports on the outcome of the contests were available.

Acting as judge of the cattle entered is Joe Shelton of Brownwood, president of the Texas Jersey Cattle Club.

The judging started at about 10 o'clock this morning, and should be completed by 3 or 3:30 this afternoon, it was reported. Both male and female animals are being judged, with the number of entries nearing the 100-mark.

A. J. Riddle of Denison, general manager of the Southwestern division for the Kraft Cheese Company, was scheduled to give the principal address at the dairy luncheon in the First Methodist Church at noon today.

Following the completion of judging this afternoon, a milking contest, to be open to women of all ages, is scheduled to be held. A cash prize will be given to the woman who milks the most in one minute. Cows will be furnished as long as they last. Carroll Smyers, chamber of commerce manager, said, although entrants are to be allowed to bring their own cows.

Classes of both male and female animals are to be classed as follows:

No. 1, under six months of age; No. 2, over six months and under one year; No. 3, over one year and under two; No. 4, two years and under three; No. 5, three years and under four; No. 6, all animals over four years.

LAKEVIEW EAGLES DOWN CYCLONE FOR FIRST TIME IN SCHOOL'S HISTORY

Editor's Note: It has been the custom of The Democrat reporter, in writing of the Cyclone's football games, to give the brighter side of the picture, regardless of whether the team won or lost. This story, however, is not an attempt to cover the weaknesses of either the Memphis or Lakeview teams, which met last Friday night in the opening game of the season.

For the first time in the history of the football war between Memphis and Lakeview, the Eagles downed the Cyclone in the tilt at the new Eagle stadium last Friday night. The score, all eight points of it, ended with Lakeview running up 6 to 2 for Memphis.

Both teams played ragged football throughout the encounter, with Memphis turning in one of the most ragged, erroneous games ever turned in by a District 3-A team.

The Cyclone, on the average, outweighed the Eagles seven pounds per man, but the Lakeview players managed to get three first downs to the four Memphis counted. Memphis failed to make a first down in the first half of the game.

Lakeview's score came about two minutes before the half, when Co-Captain Louie Grimes of Memphis wobbled a pass intended for J. W. Harrison, to be caught by Clayton Bounds of the Eagles. Bounds, with little interference, helped him, raced to the Memphis 30-yard line to the goal to (Continued on page 7)

Next Draft Call To Get Eight Men From Hall County

Four Will Leave Memphis Sunday; College Students Not Necessarily Deferred

Hall County will furnish eight men in the next call under the Selective Service law, and the new draftees will leave here October 13 for Fort Bliss, W. J. Bragg, chief clerk of the local board, said this week.

The eight men have not yet been selected, Bragg said.

To leave here Sunday will be four men, who will be chosen from the following seven: Oda Hawthorne, Delton D. Yarbrough, Thomas L. Colvin Jr., Lloyd Wyatt, Carl Leary, Beverly H. Neal, and Olan George Richards. The four men have not been definitely selected, Bragg explained.

Also leaving from Memphis will be A. J. Watson, who will go as one of the quota of local board 144 at Santa Maria, Calif.

All male students who are eligible for the draft and who are leaving for college will not be exempt from the draft, General J. Watt Page, state director, has announced.

While deferments from military training are being granted students who are preparing to enter certain occupations in which shortage of manpower exists or are indicated, the director explained, there are no group or blanket deferments.

Each case must be acted upon individually by the local board having jurisdiction, and unless a student can qualify as a "necessary man" under Selective Service regulations, he is liable to be called for induction when his order number is reached.

Red Cross Needs Women for Sewing And Knitting Work

Numerous Women Doing Work at Home; Other Communities Asked to Aid

Although the response thus far has been excellent, still more women are needed to do sewing and knitting throughout Hall County for the American Red Cross, Mrs. C. L. Hamrick, county chairman, said this week.

Numerous Memphis women are sewing and knitting at their homes, and various organizations are meeting regularly in the sewing room in the city work. More help is needed, Mrs. Hamrick said, and other communities in the county are urged to cooperate since the project is for the entire county.

So far, women of only two other communities, Eli and Plaska, have volunteered their services, it was explained.

The sewing room is being used by the following groups on the days given (it was emphasized that the room is available to any other women who wish to make use of it at any time, and that work is not being restricted to members of the organizations at the times given here):

Culture Club, first and third Tuesday afternoons; American Legion, second and fourth Tuesday afternoons; Presbyterian Church women, Tuesday nights; Christian Church women, Friday afternoons; (Continued on page 6)

State Legislature Passes Road Bond Assumption Law

Enactment of Bill to Save Taxpayers \$200,000 During Coming Two Years

With much discussion in a relatively short period of time, the state legislature passed the road bond assumption bill last week, and the special session ended at 12:30 o'clock Friday afternoon.

Passage of the bill will save Hall County taxpayers more than \$200,000 in the next two years, according to figures compiled by County Judge M. O. Goodpasture several weeks ago. The new bill will also save other counties amounts varying in size.

The enactment relieves counties of the necessity of levying taxes to service county and district road bonds, the proceeds of which were used in constructing roads that became part of the state highway system.

Governor Coke Stevenson signed the bill immediately following the adjournment of the legislature.

Other than the road bond bill, the House had passed a number of measures on topics not included in the call for the session.

Lakeview Eagles To Meet Turkey In Friday Battle

Tilt to Be Played on Field at Lakeview; Memphians Invited to See Encounter

The Lakeview Eagles, feeling in top form after their 6-2 victory over the Memphis Cyclone, will meet another Hall County team Friday night on the Eagle gridiron when the Terrible Turkey Turks invade Lakeview.

The game will begin at 8 o'clock, Ott Bevers, member of the Lakeview athletic council said, and Memphians are invited to see the Eagles in action again since the Cyclone team is playing at Paducah.

Although somewhat ragged in their first game, the Eagles displayed power in offensive plays, and a strong defensive in downing the Cyclone, and are slightly favored by fans over the Turks.

The Turks defeated the Lubbock Cow Hands last Friday by a score of 13 to 12, and are pointing towards the victories which will give them the district title in their Class B division.

Lakeview will be outweighed only two pounds per man by the Turks, in comparison to the seven (Continued on page 6)

Moore Appointed New Assistant in P.C.A. Office Here

Was Former AAA Official in Donley County; Moves To Memphis From Athens

Claude Moore, who has been serving as rural supervisor of the Farm Security Administration at Athens, Monday assumed his duties as assistant secretary-treasurer of the Memphis Production Credit Association.

Moore, whose home was formerly in Mineral Wells, is already known to a number of Memphians, since he is an ex-AAA administrator in Donley County. He is a graduate of Texas A. and M. College, is married, and has one daughter. His wife and daughter will join him later.

The new P. C. A. office will work in the district office in Memphis with Ralph Howe, who last week started his duties as secretary-treasurer. J. M. Dickson, who has been acting as secretary-treasurer since the resignation of W. B. Russell, will be field man for the organization, and will spend most of his time in field work in the district.

A meeting of members of the association will be held in the City Hall Friday night, it was announced. The session here will be one of a series now in progress, one of which was held at Lakeview Monday night.

The office of the P. C. A. has been moved to the building east of Thompson Bros. hardware store from the Hall County bank building. Numerous improvements have been made in the building to make the working conditions more suitable.

Fluorescent lights have been installed, as has an air-conditioner. A portion of the west side of the building has been made into offices, which will be occupied by the secretary-treasurer and his assistant.

The walls have been painted white for better lighting facilities, and a large venetian blind has been placed over the front window.

Audrey Boggs New Memphis Teacher

Miss Audrey Boggs has been elected as head of the commercial department of Memphis High School to fill the vacancy left by the resignation of Mrs. Earl Heflin, the former Miss Melrose Henderson.

Miss Boggs did her undergraduate work in WTSC at Canyon, where she received her bachelor of arts degree. She is doing graduate work in the University of Colorado at Boulder.

Reed Completes Training in Radio

Ready now for actual tactical work with Uncle Sam's fighting aircraft, a total of 298 soldiers including Staff Sgt. William C. Reed, son of Mr. and Mrs. John D. Reed, Route 2, Lakeview, made up the latest class to receive certificates of graduation from the radio communications school of the U. S. Army Air Corps at Scott Field, Ill.

Staff Sergeant Reed and his classmates will be assigned to different posts throughout the nation for practical use of the schooling in all phases of radio operation which they received at Scott Field, Ill., Col. W. P. Hayes, commandant, said. This radio university of the air force graduates about 300 men every two weeks.

Memphis Minister Group to Sponsor Church Loyalty Month in October

In a campaign to increase attendance at regular services of the churches of Memphis, the Memphis Ministerial Association is sponsoring a Church Loyalty Month to last throughout October.

The ministers will work together to renew interest in church work, striving for increased attendance, and building attendance for the coming year, it was explained.

Various programs will be held in the churches participating in the movement, it was pointed out. The programs will be announced later by pastors of the respective churches.

Work will be carried out thru the churches, the women's clubs of the city, and service organizations.

Youths From Boys Ranch at Rotary

Six boys from Boys Ranch at Old Tascosa and the superintendent, Alton Weeks, furnished the program at Rotary luncheon here Tuesday.

Speaking, singing, and rope twirling were the boys' part of the program followed by a discussion of boys, work by Mr. Weeks, who explained how Boys Ranch was established a few years ago by Cal Farley and others of Amarillo, and how it is now being conducted. The boys, who at first were underprivileged and hard to control, make and enforce their own laws, and are developing into ambitious youths, Weeks said.

The boys who made the visit here were Gene Adams, speaker; Richard Strain, Gene Davis, and James Teeter, singers; Courtney Rasmussen, James Malone, and Gene Davis, rope twirlers.

First Bale Cotton Ginned in Lakeview

Lakeview's first bale of cotton, taken to the Potts Gin by E. W. Pate of the Pleasant Valley community, sold for 18 cents a pound to M. C. Allen of the Memphis Compress Company.

The cotton was taken to the Lakeview gin last Thursday night by Pate. The seed were bought by the gin at \$57 per ton.

Pate had 2,000 pounds of snap cotton, which made a bale of 540 pounds, and 900 pounds of cottonseed. The cotton was graded middling 15-16 inch staple.

Cooler Weather Forces Memphians To Don Jackets

A large number of Memphians were seen again this morning wearing jackets and coats, as the temperature dropped to 55 degrees Wednesday night, according to a report from J. J. McMickin, local weather observer.

High for the week was 87 degrees, which hit the city both Saturday and Sunday afternoons. Lowest daytime temperature was Tuesday afternoon, when the high reached was 78 degrees.

Temperatures for the week are as follows: Wednesday high, 86, low 55; Tuesday, 78-61; Monday, 82-60; Sunday, 87-62; Saturday, 87-64; Friday, 85-64; Thursday, 85-65.

Formal Opening of Memphis City Park To Be Tonight; Ross Rogers to Speak

Everything is in readiness, even the small details, for the formal opening of the new City Park in Memphis, which will begin tonight at 7:30 o'clock.

Highlighting the ceremonies will be the principal address by Ross Rogers, ex-mayor of Amarillo. Rogers will speak on "Civic Cooperation."

Entertainment highlight will be the "Sweet Milk-Maid Contest," in which the "Most Beautiful Farmer's Daughter" will be selected. The event, sponsored by the chamber of commerce, will be directed by Mrs. Murray Dodson.

Entrants in the contests are being sponsored by various county merchants, and cash awards will be made to the first, second, and third place winners.

The program will open with music by the Memphis High School band, under the direction of Norman Heath. Songs will then be

HALL COUNTY'S CLUB REPORTS— WEDDINGS

Society News

Mr., Mrs. Frisbie Have Dinner on 25th Anniversary

Mr. and Mrs. B. Frisbie celebrated their 25th wedding anniversary last Wednesday evening, September 17, with a dinner. Mr. and Mrs. Frisbie were married in 1916 by O. M. Reynolds, Church of Christ minister in Memphis, and have lived here and in Childress County since that date. All of their children were present with the exception of Buck, who is in Louisiana in the army; Helen, who is a nurse in San Angelo; Paul, who is in the Marines in California; and David, who works in the railroad shops in Childress. Those present for the dinner were Mrs. C. Y. Johnson of Hedley, Mr. and Mrs. P. O. Johnson of Giles, Royce, Ruth, Ruby, and Duke Frisbie, and Mr. and Mrs. Frisbie.

W.M.S. Circles of Baptist Church Have Meetings

The W. M. S. circles of the First Baptist Church met in various homes at 3 o'clock Monday afternoon with Mrs. Sam Foxhall hostess for circle No. 1; Mrs. T. R. Garrott hostess for circle No. 2; Mrs. C. Foreman hostess for circle No. 3; Mrs. L. G. Rasco hostess for circle No. 5; and circle No. 4 met in the ladies parlor of the church. The subject of each program was mission study. Mrs. Leon Randolph taught the book, "Day Dawns in Yoruba Land," in circle No. 1; Mrs. Sam Hamilton taught the mission book for circle No. 3. Mrs. R. E. Clark taught "Strangers Within the Gates," for circle No. 3; Mrs. Carroll Smyers taught the book "The Bible a Missionary Book," in circle No. 4; and Mrs. L. G. Rasco taught the book "Talks on Soul Winning," in circle No. 5. Each circle had a devotional on stewardship. Those attending the meetings were Mesdames J. R. Harrell, Leon Randolph, Oscar Webb, Earl Pritchett, S. B. Foxhall, W. J. Bragg, John Barber, Alvin Massey, Roy Patton, Sam Hamilton, T. R. Garrott, T. J. Pyle, Claud Johnson, N. M. Lindsey, T. C. Stephens, Oattie Jones, C. Foreman. Mack Graham, R. E. Clark, O. N. Hamilton, H. B. Gilmore, Bill Hawthorn, Bill Johnson, W. B. Scott, J. H. Smith, L. G. Rasco, George Cullin, D. A. Grundy, Alfred Hutcherson, J. S. McMurry, W. Combest, J. S. Forkner, Butler Morrison, George Thompson, H. T. Gregory, Carroll Smyers, W. C. Anderson, Walter Hightower, Frank Smith, and C. R. Sargent. The next meeting will be Monday, September 29, at 3 o'clock at the church.

Marriage Unites Neysa Nell Coursey, Lyman Davenport Jr., in Denton Vows

Miss Neysa Nell Coursey of Memphis and Lyman Davenport Jr. of Childress were married Sunday evening in Denton by the Methodist minister. Mrs. Davenport is a graduate of Memphis High School with the class of 1941 and at the time of her marriage she was attending TSCW in Denton. She is the daughter of Mr. and Mrs. W. V. Coursey of this city. Mr. Davenport is the son of Mrs. Lyman Davenport of Childress. He attended WTSC at Canyon. They were attended by Miss Ann Newberry of Dallas and Arthur Hugh Brown of Childress. Mr. and Mrs. Davenport will make their home in Childress where Mr. Davenport is employed with the Ray Green Insurance and Finance Company.

MRS. TED READ

Mary Jo Laird of Kilgore Is Wed to Ted Read, Former Memphian, in Austin

Miss Mary Jo Laird, daughter of Mr. and Mrs. Ben Laird of Kilgore, and Harrell Ted Read, son of Mr. and Mrs. J. Henry Read of Memphis, were married in impressive rites in the parlors of the First Presbyterian Church in Austin at 7 o'clock Friday night, September 12, with Dr. Frederick Moore, pastor of the church, officiating. Two cathedral vases of white flowers decorated the parlors. The altar was banked with palms. Given in marriage by her brother, Ben Laird Jr., the bride wore an attractive toast brown costume suit with blue Norwegian fox collar, a brown off-the-face hat and other accessories in brown. Her corsage was of orchids. Mrs. Bob Pederson of Kilgore was her sister's only attendant. She wore a smart RAF blue costume suit with pink collar and pockets, a blue hat and brown accessories. Her flowers were gardenias. Bob Pederson attended Mr. Read as best man. After a short wedding trip to South Texas, Mr. and Mrs. Read will be at home at the Hotel Stephen F. Austin in Austin. Mrs. Read attended Kilgore High School and was graduated from Hockaday Junior College Dallas. Later she attended the University of Arkansas, Fayetteville, where she was affiliated with Delta Delta Delta sorority. Mr. Read attended Memphis High School, North Texas Agricultural College, Arlington, and the University of Texas, Austin, where he was a member of Phi Gamma Delta fraternity. He was formerly editor of The Kilgore Daily News and news reporter on the staff of The Memphis Democrat, and is now secretary of the Railroad Commission of Texas.

Those present were Mesdames Ralph Bennett, Jack Jarrell, L. M. Hicks, C. R. Webster, W. C. Dicksey, J. A. Odom, D. A. Neeley, Claud Johnson, Robert Devin, W. B. Kimberlin, W. D. McCool, Troy Broome, C. W. Broome, H. B. Estes, H. D. Stringer, J. A. Whaley, Carroll Smyers, J. H. Morris, W. B. Hooser, W. Wilson, O. K. Howe, E. S. Foote, Hightower, and Miss Joyce Sheats. The next meeting will be Wednesday, October 1, at 3 o'clock in the home of Mrs. D. A. Neeley.

Gammage Needle Club Meets With Mrs. Grover Roden

The Gammage Needle Club met with Mrs. Grover Roden Thursday afternoon, September 18. The members spent the afternoon embroidering and hemming tea towels. Refreshments were served to Mrs. Ed McMurry, Mrs. W. S. Malone, Mrs. Jess Daniel, Mrs. E. H. Stanford, Mrs. Jess Roden, Mrs. Dot Webster, Mrs. J. C. Morris, Mrs. Alvin Phillips, Mrs. George Roden of Wichita Falls, as a visitor, and the hostess, Mrs. Grover Roden. The next meeting will be with Mrs. Russell Crone Thursday, October 2.

Plaska H. E. Club Has Party in Home Of Miss Hodges

The Plaska Summer Home Economics Club gave a party for the young people of Plaska in the home of Miss Dorothea Hodges. The evening was spent playing games and singing. Refreshments of sandwiches, punch, and cookies were served to Robert Billington, J. E. Hodges, Horace Erwin, Ed Shirley, Keith Jones, Bobbie Nell and Robert L. Barnett. Zola Lee Foster, Wanda Fae Adcock, Johnnie Campbell, Jimmie and Coy Grant, Florence and Elma Fay Gardenhire, Mozelle Gowdy, Thelma and Bobby Wheeler, Christine, Margie, and James Chappell, Junior Barbee, James Richburg, Leroy Martin, Oleta Ellis, and Dorothea Hodges, and Mrs. Elmira Gardenhire, Mrs. W. L. Crawford, Mrs. Olas Murdock, and Mrs. Harold Hodges.

Plaska Needle Club Meets in Home of Mrs. Crawford

The Plaska Needle Club met in the home of Mrs. W. L. Crawford Tuesday for an evening of quilting and needle work. Mrs. Olas Murdock was president and Mrs. W. L. Nabers was secretary. Refreshments were served to Mrs. L. J. Bray, Mrs. Jerry Foster, Mrs. Nadene Hall, Mrs. Viola Hodges, Mrs. T. I. McWhorter, Mrs. Olas Murdock, Mrs. W. L. Nabers, Mrs. Eula Bell Hall, Mrs. T. J. Spry, Mrs. Dutch Davis, Mrs. C. C. Cunningham, and Mrs. W. L. Crawford, and one guest, Mrs. Jim Oliver.

Junior High P-TA Has First Session In School Library

The Junior High School P-TA met in the library of the school at 3:30 o'clock last Thursday for the first session of the school year. Mrs. T. B. Rogers, president, welcomed the guests. Mrs. Joe DeBerry gave the devotional, using as her subject the "Wedding Feast," taken from Mark 12:14-45 and Mark 14:14-24. Ellen Lenoir played a piano solo. The introduction of mothers and teachers was by Mrs. Roy Brewer. Gladys Ione Bownds played a piano solo. Jack Jarrell, Junior High principal, concluded the program with his talk on "Co-Operation of the School With the Home." A brief business session was held following the program. Those present were Mrs. Roy L. Brewer, Mrs. Alvin Massey, Mrs. Robert Duncan, Mrs. F. A. Liner, Mrs. T. B. Rogers, Mrs. G. J. Foxhall, Mrs. Mark Graham, Mrs. Alvin Gerlach, Mrs. Cecil Harrell, Mrs. C. S. Compton, Mrs. Buren Carr, Mrs. Wattenberger, Mrs. L. G. DeBerry, Miss Scott, and Jack Jarrell. All meetings of the Junior High School P-TA are held every third Thursday of each month at 3:30 o'clock and all Junior High mothers are urged to attend.

Blue Bonnet Club Meets in Home of Mrs. Roy R. Fultz

The Blue Bonnet Needle Club met in the home of Mrs. Roy R. Fultz at 3 o'clock Friday afternoon. The afternoon was spent in making flannel baby jackets for the Red Cross. Refreshments of sherbet and angel food cake were served to Mrs. Fern Boone, Mrs. Susie Coleman, Mrs. Essie Cullin, Mrs. Florence Fitzjarrald, Mrs. Gladys Gilmore, Mrs. Betty Goodall, Mrs. Ethel Gregory, Mrs. Margaret Hood, Mrs. Winnie Johnson, Mrs. Gussie Jones, Mrs. Hucie Lindsey, Mrs. Mable Meacham, Mrs. Kathryn Morgensen, Mrs. Margaret Phillips, Mrs. Minnie Lou Potts, Mrs. Ethel Rogers, and Mrs. Fultz. The next meeting will be held in the home of Mrs. H. H. Lindsey Friday, October 3, at 3 o'clock.

Miss Martha Thompson, Bride-Elect, Honored at Reception at Cudd Home

Honoring Miss Martha Thompson, whose approaching marriage to Lester H. Campbell was announced last week, a reception was given Tuesday afternoon from 3 until 6 o'clock in the home of Mrs. E. E. Cudd on South 7th street. Hostesses for the pre-nuptial social were Mesdames Roy R. Fultz, Tomie M. Potts, Louis Goffinett, Seth Palmeyer, Ray Childress, Kedron Ward, Gladys Powder, and E. E. Cudd. The sixty-five guests who called during the receiving hours were greeted at the door by Mrs. Nellie Combest and went through a receiving line composed of the hostesses, the honoree, Mrs. E. P. Thompson, mother of the honoree; and Mrs. L. J. Campbell and Mrs. Tom Salem, mother and sister of the groom-elect. The bride-elect wore a blue net formal with bouffant sleeves and tucked bodice and her corsage was yellow roses and baby's breath. Mrs. Thompson was gowned in black velvet with a gold necklace necklace effect and a corsage of white asters and tube roses. Mrs. Campbell wore a flower printed silk. In the house party were Misses Dortha Fultz, Tommye Noel, and Rebecca Ray Weaver, who presided at the punch bowl; Mrs. Combest, and Mrs. Homer Tucker, who presided at the bride's book. Miss Betty Ewing played piano selections throughout the calling hours. The receiving rooms were colorfully decorated with seasonal flowers. Red gladioli, pathos ivy, zinnias, baby's breath, Star of Bethlehem, and fern formed the floral arrangements for the living room. In the dining room a braid of bachelor buttons encircled the punch bowl. The table appointments were crystal on a lace table cloth. Cookies and punch were served. Dark red zinnias interspersed with fern formed a background for the crystal candelabra on the buffet. Roses were used in the decoration of the room where gifts for the bride-to-be were displayed. Out-of-town guests were Mrs. Zeb Moore, Amarillo; Mesdames Campbell and Salem, Turkey; and Mrs. A. T. Lokey, Clarendon.

Miss Madeline Huggins Becomes Bride Of Winfred Swift in Hollis Ceremony

Miss Madeline Huggins and Winfred Swift were united in marriage in Hollis, Okla., Monday night with Rev. M. L. Vanderpool, Methodist minister, officiating. The bride wore a winter-green dress with brown accessories. She is the daughter of Mr. and Mrs. H. F. Huggins and is a graduate of the Memphis High School with the class of 1941. Mr. Swift graduated with the class of 1934 from the Memphis High School and attended the Draughts Business College in Fort Worth. Mr. and Mrs. Virgil Greenhouse of Memphis attended the couple and Mrs. Greenhouse wore a navy blue dress with black accessories. Mrs. Roy Mayes, also of Memphis, attended the ceremony. Mr. and Mrs. Swift will make their home in Memphis where he is employed.

MRS. WINFRED SWIFT

Bette Erle Vaughn And J. J. Simons Wed at Bonham

Miss Bette Erle Vaughn, daughter of Mr. and Mrs. Johnnie E. Wilkins of Amarillo, became the bride of J. J. Simons Jr., of Paris, former Memphian, Thursday evening, September 11, in the Christian parsonage at Bonham. Attendants were Mrs. Johnnie E. Wilkins and Mrs. W. A. Walker Jr. of Amarillo. The bride wore a marine blue dress, trimmed in white satin, with matching accessories and a corsage of white gardenias. The couple are at home at the Miramar Apartments in Paris. The bride attended Hockaday Schools for Girls in Dallas and St. Mary's Academy in Amarillo. The bridegroom is a graduate of Memphis High School and attended Amarillo Business College. He is employed by the Western Electric Company and was transferred recently from Amarillo to Paris. He is the son of Mr. and Mrs. J. J. Simons of this city. Miss Bonnie Black and Mrs. George Greenhaw visited with Mrs. Greenhaw's son, Reginald Greenhaw and wife, in Amarillo Sunday and Monday.

Baptist S. S. Class Meets in Home of Mrs. Murray Dial

The Home Makers Sunday School class of the First Baptist Church met Friday afternoon at the home of Mrs. Murray Dial for its monthly business and social meeting. Mrs. Dial, president of the class, called the meeting to order, asking the group to sing, "What a Friend We Have in Jesus." Mrs. O. N. Hamilton led in prayer. Mrs. Gene Corley brought the devotional using as her subject, "The Hands of Jesus." During the business session the following officers were elected: President, Mrs. Bennie Jackson; membership vice president, Mrs. Earl McPherson; fellowship vice president, Mrs. George Thompson; stewardship vice president, Mrs. J. W. McCulloch; class mistress vice president, Mrs. Frank Goffinett; secretary and treasurer, Mrs. Bill Hawthorne; parliamentarian, Mrs. Lloyd Phillips; group captain No. 1, Mrs. Gene Corley; group captain No. 2, Mrs. Herschel Stewart; group captain No. 3, Mrs. Cecil Harrel; and group captain No. 4, Mrs. Juanita Ludy. Following the election, the officers were installed with a service conducted by the superintendent, Mrs. Mary Bownds, and the teacher of the class, Mrs. B. Baldwin. Flowers of different colors were presented to each officer, then placed in a bouquet, which was presented to the out-going president, Mrs. Dial. Mrs. George Thompson offered the prayer of dedication. The hostess served refreshments to Mrs. Oran Adcock, Mrs. George Carroll, Mrs. Gene Corley, Mrs. Lynn Harris, Mrs. Bill Hawthorne, Mrs. Shirey Patrick, Mrs. Bennie Jackson, Mrs. George Thompson Jr., Mrs. Cieron McMurry, Mrs. Herschel Stewart, Mrs. Oris Gilbert, Mrs. Juanita Ludy, Mrs. Cecil Harrell, Mrs. J. W. McCulloch Jr., Mrs. Earl McPherson, Mrs. Cecil Williams, Mrs. Hill Wells, Mrs. Harry Womack, Mrs. Mary Bownds, Mrs. O. N. Hamilton, Mrs. George Thompson Sr., Mrs. B. Baldwin, and the hostess, Mrs. Dial. Gay, youthful creative active young figures, girdle is of satin and lastex, lightly beaded prevent rolling at the waist. Styling Keynotes New Chevrolet

Styling, characterized by a new massive new grille treatment, with integral parking lights, and the smart new elongated front fender, which sweeps back into and opens with the front door, are design highlights. Interior appointments are in the modern mode.

SPACIOUSNESS CHARACTERIZES 1942 CHEVROLET; LINES, INCLUDING 'FLEETLINE,' TO BE OFFERED

... contributing to that effect, it was explained. Greater length is indicated at once by the new elongated front fenders, which flow back into the front doors, swinging with the doors as they are opened. The new fender design permits desirable clean, smooth surfaces. An ingenious touch is the new foot scraper at the front running board step pad, created by a triangular extension of the new fenders.

Because the unusually successful Chevrolet engine developed for 1941 is retained with only minor refinements for the new year, power output remains virtually the same, assuring the same high performance characteristics so generally acclaimed last year. Axle ratios and tire sizes likewise are unchanged, insuring hill-climbing ability, acceleration, and general over-all performance at the 1941 level.

Much broader and deeper than before, the new hood extends back to the front edge of the front door, displacing the former cowl side panel and making a cleaner line. Hood side panels are integral with the hood top and are raised with it, facilitating greater access to the engine compartment. The same "driver-control" method of unlatching the hood is retained from last year. Smart simplicity keynotes the hood louvers, which appear to be extensions of the body belt molding, tapering out from that molding to a projection of about 1 1/2 inches at the hood front.

To harmonize with other appearance units, the re-designed front end emblem is a massive shield of gleaming finish inlaid with red and blue enamel. Augmenting this striking ornament,

on Fleetline and Special Deluxe model hood side panels, shining block letters announce the model name.

Headlamps now are 7 1/8 inches farther apart, with a total of 54 inches between them. Flush-type parking lamps have been relocated into the grille proper.

Greater sturdiness is apparent in the new bumpers and guards, for increased depth makes the bumpers appear more massive and increased crown depth assures greater resistance to impact. Guards are re-designed toward a more massive appearance, and an added feature is the relocation of the front license plate guard bar spanning the tops of the bumper guards and serving as a grille guard.

On the trunk, license light and trunk handle have been revised in accord with the theme of massiveness throughout. The trunk handle and its base form a shield with the license lamp on top. Projecting from each side of this shield on the Special Deluxe and Fleetline models is a widespread pair of wings. Just above this unit the license plate is mounted and above that appears the name Chevrolet in script. Fleetline is the inscription on the models in that series.

Eye-appealing color schemes have been evolved for the interiors of the new 1942 Chevrolets throughout the entire line. Upholstery in the Master Deluxe and Special Deluxe series is a pleasing light gray, while a rich brown "fleet-weave" broadcloth is employed in the Fleetline models. New color treatment of the instrument panel does much to highlight the smartness of the new design, with plastics and bright-work trim judiciously used.

Livestock If Fed Profitable Are Aid To U. S. Defense

Series of Feeding Articles Now Out; Sound Practices Also Pay Producers

Editor's Note: This is the first article of a series, "Feeding for Defense—and Profit," published as a service to farmers and stockmen.

"It's patriotic to feed profitably" points out A. L. Ward, educational director, National Cottonseed Products Association, Dallas, in announcing a new series of livestock feeding articles, "Feeding for Defense—and Profit," to aid farmers and stockmen in more efficient feed utilization and livestock production.

Based upon up-to-date Experiment Station and Extension Service recommendations and practical feeding experience, the articles will discuss feeding practices which have proved their value in increasing efficiency and economy of livestock production. For example, Texas Extension Dairymen E. R. Eudaly recently pointed out the value of ensiling corn that will not produce enough grain to justify harvesting. Such silage, fed with 3 pounds of cottonseed meal for each gallon of milk produced, represents efficient feed conservation and efficient feeding for milk production.

Efficient feeding, through properly balanced rations, as well as efficient livestock breeding and management, are essential for the maximum production of the livestock products needed for National Defense, livestock authorities point out. Furthermore, the same efficiency is essential for the individual livestock grower to secure maximum returns from his land, labor, feeds, and livestock.

For this reason, patriotism and profitable practices can be combined to the benefit of the individual and the nation.

"Through County Agents, Vocational Agriculture Teachers, Experiment Stations, local cotton oil mills and many other agencies, practical assistance in their feeding problems is available to every farmer, ranchman, and livestock feeder," Mr. Ward added.

"As a public service, and a service to farmers and stockmen, the cotton oil industry's Educational Service has prepared this new series of feeding articles to cooperate with and supplement activities of Extension Service, Experiment Station, and Vocational Agriculture leaders.

"In cottonseed feed products, cotton oil mills supply nutritious products of the greatest economic importance to the livestock industry and the nation. By using these products in combination with home-grown grains and roughages in balanced rations, farmers and ranchmen secure greater returns from their feeds and their livestock."

That today's livestock producer are far better "armed" with livestock and feeding knowledge and assistance than 25 years ago when, in another world crisis, the United States was called upon to feed and clothe the people of other nations, will be the subject of the second article of this series, to be published soon.

"If More Old People would use ADLERKA they would feel better. I'm 70 and have had it on hand for 14 years." (L. M. So. Dak.) For quick bowel action and relief from bloating gas try ADLERKA today.

Yoga Nova Backs Guessers On Louis Fight Into Ropes

BY ART BRONSON

JOE LOUIS' 19th defense of his heavyweight title against Lou Nova — Yankee Stadium, Sept. 29 — is a strange mixture of Horatio Algerism and hokum — cosmic and corny.

Other championship buildups — from the bohemian "Til-moi-dar-dai-hum" to the serio-comic "I know Louis' weakness" — have

become outmoded. The current approach is positively ethereal.

Even the strange gentry of Jacobs Beach are confused. Words like "cosmic," "dynamic," "Yoga ritual" and "Hindu physio-religion" — all emanating from the Nova camp — are new to them. A few may recognize such rhetoric from the facing form tip sheet.

"Muscles" Nova may be one of three things. He may be a serious-minded, intelligent young Adonis who knows the value of a good buildup. Or he may be an incurable crackpot who thinks he can beat Louis with a lot of back-parlor gyrations that border on the ridiculous. And, of course, he may be the next heavyweight champion of the world.

LOU is good copy, goofy or not. He stands on his head obligingly, "eats" air every morning, goes up in the Maine woods and growls and grimaces through his beard. He rows at the Poughkeepsie workouts, dons a football suit for a practice set with the Eastern all-stars. But you can't laugh off the

California challenger as just another phony. In 1940, after beating Max Baer, he tackled Tony Galento and was knocked out in the 12th round after absorbing a terrific lacing.

There's where the Horatio Alger angle enters. It was discovered Nova was a victim of septic poisoning. It almost paralyzed him. He spent months in the hospital until he was cured.

LOU came back to knock out Pat Comiskey and Baer and won his Louis shot on the strength of these performances.

Fight experts claim Louis is near the end of his trail. They point to the Buddy Baer fiasco and his near-whipping at the hands of Billy Conn.

But Nova is no Conn. Louis won't be fighting a boxing whizz, Sept. 29. Nova is no cat in the ring. He is muscular, rather waddling, slow and plodding. He can hit, but he can't move. Louis loves a slow-moving target. Good hitters don't bother him as much as good boxers.

Joe can still hit, and he's got plenty of savvy inside the ropes. Too many mistake his off-stage sleepiness and dead-pan for disinterest. The fighter who beats Louis ought to be able to hit like Nova, but he also should be able to box like Cona.

Lou Nova may be the next world's heavyweight king. But it will take more than a repertoire of hocus-pocus and county fair mysticism to do it.

R. B. McMurry spent Sunday in Amarillo and Dimmitt.

Mrs. C. D. West of Shamrock visited friends here Saturday night.

Miss Carrie Bell Lee was an Amarillo visitor Saturday.

T. L. Colvin Jr. visited in Turkey Saturday.

ANTELOPE FLAT

By LOLA MAE TURNER

Several of this community attended the football game Friday night between Lakeview and Memphis. The score was 6-2 in favor of Lakeview.

Mrs. Bertie Sanders was the first to get out a bale of cotton in this community, although a few others have started.

John Rhea and family of Paducah visited in the W. N. Bullock home Sunday.

Mr. and Mrs. Sam James visited relatives in Clarendon Sunday.

J. W. Powell, who is employed by Matt Weaver, spent the weekend with his parents in Silvertown.

A meeting was held Thursday night at the Antelope school house for those interested in purchasing co-op feed milk. The meeting was held by Claude C. Carpenter and Mrs. A. Watson.

Rev. R. Cooke of Plainview was unable to hold his regular Sunday services on account of sickness.

Mrs. Milton Sanders is reported on the sick list this week.

Mrs. Virgil Sanders is recuperating after a long illness. She is with her parents at Silvertown.

Mr. and Mrs. S. M. Ford and family of Lesley visited his daughter, Mrs. Bill Eden, last week-end.

Mr. and Mrs. Dan Dean and sons, Dan Neise and Zark, and Lola Mae Turner were in Clarendon Saturday.

Elmer Sanders purchased a new truck this week.

Miss Nadyne Rafferrey of Silvertown attended the meeting here Thursday.

A. L. Durham Jr. has been employed at Memphis this week.

Vernon Waldrop and family of

Brice were visitors in the L. L. Waldrop home Sunday.

Cornice Durham of Memphis visited her cousin, Glenda Durham, last week-end.

Mrs. Bradley of Amarillo is visiting her daughter, Mrs. Sam James.

Among those that were in Memphis Saturday were Mr. and Mrs. D. W. Evans and daughter Marion, and Mr. and Mrs. Bill Edens and sons, Bennie and Billie Dell.

Lynell Miller spent Thursday night with Myrtle Gipson of Brice.

Mr. and Mrs. Dan Dean visited in the Zack Salmon home Sunday.

Fraternity Pledges Memphis Youth

James Fultz, son of Mr. and Mrs. Roy R. Fultz of Memphis, has been pledged by Kappa Alpha, men's social fraternity at the University of Texas, it was announced this week.

Twenty-three fraternities pledged 408 men students at the end of the "Rush Week," according to an announcement by V. I. Moore, dean of student life. Pledges will not be initiated until next semester.

It's Funny How Folks Still Call it the "Light" Bill

"WELL, Mary, here's the light bill for last month. Funny, isn't it, it still call it the light bill! Remember when it really was the light bill?"

"Uu-u-m-m. Yes, sreee. We were mighty proud to have just electric lights and in those days we paid about as much every month as we do now, and got was light. And they were off in the daytime, too, and we weren't too 'em at night.

"It's sure different now. We get darn good service. For about what we to spend for lights alone, we're lighting the house a lot better and washing ironing clothes, cleaning the rugs, toasting the bread, running the radio, the refrigerator, and shaving my face. I'd say we're getting a lot more money."

"Why not call it the 'Service' bill?"

Yes, the old-time "light" bill today really is for "electric service," which has away a lot of old-fashioned drudgery and added a lot of pleasure and enjoyment. service has been doing these things for less and less money. The thousand women in this organization have had the training and experience to serve you economically. You profit from the business operation and management of the which has but one aim—to keep on giving you better service at lower cost.

Letters from the People: "Our present low electric rates, cheaper appliances, and unsurpassed service are indeed a joy when we look back to the old days of frequent interruptions and part-time service. . . . We often resorted to the kerosene lamp, stored away handy. And we paid 15 cents per kilowatt-hour and 50 and 60 cents for bulbs. . . ."

—MRS. H. V. PAYNE, Dalhart, Texas

Reddy Kilowatt says:

West Texas Utilities Company

PERSONALS

Misses Pauline Nisbett and Robbie Rivers, teachers in the Spade school, were week-end guests of Mr. and Mrs. Tommy Wood. Miss Nisbett and Mrs. Wood are sisters.

H. B. Gilmore was a business visitor in Amarillo last Friday.

Mr. and Mrs. Wilfred Martin left Sunday for Childress where they will make their home. Mr. Martin has been employed by the REA here and will be employed with the West Texas Utilities Company in Childress.

Mr. and Mrs. Kenneth Oren and daughter of Clarendon visited with their parents, Mr. and Mrs. Joe Weathersbee and Chas. Oren, Sunday.

Miss Betty Ewing visited her mother, Mrs. B. D. Ewing, in Leonard last week-end.

Mr. and Mrs. Andy Carbin of Artesia, N. M., visited Mr. and Mrs. Carl Wolf last week-end.

Mr. and Mrs. O. V. Alexander made a business trip to Brownfield Sunday and Monday.

Herbert Hoyt of Chanute Field, Ill., came last Thursday for a visit with friends here.

Miss Inez Hill of Amarillo visited Miss Louise Williams last week-end.

Mr. and Mrs. Jack Richards of Houston came Friday to make their home here.

Dr. H. Gilmore and daughter Pauline visited in the home of their son and brother, H. B. Gilmore and family, last Thursday.

Dennis Selby of New York City spent from Friday until Monday visiting with his parents, Mr. and Mrs. H. L. Selby.

Mr. and Mrs. J. B. Haynes of Fort Worth visited her brother, Bill Smith and wife, and his cousin, Mrs. Bill Kimberlin and husband, last week.

Henry Blum went to Wichita Falls Monday on business.

Miss Joyce Sheats and Miss Rachel Deahl were Amarillo visitors Saturday.

PRODUCERS HAVE UNTIL OCTOBER 1 TO REDEEM LOAN COTTON PLEDGES

District 3-A Grid Teams to Be Busy In Tilts This Week

Two Conference Games Scheduled; Cyclone, Eagles In Non-Conference Battles

District 3-A football fans will see more action this week when each of the teams meet opponents in two conference and four non-conference games.

District 3-A Grid Teams to Be Busy In Tilts This Week

Conference games will be between Clarendon and Lefors, who play at Clarendon; and between Wellington and Wheeler, who meet on the Wheeler Mustang gridiron.

Non-conference tilts include McLean at Panhandle, Shamrock at Childress, Turkey at Lakeview, and Memphis at Paducah.

The Clarendon-Lefors game will probably be a close one, most observers agree, although Lefors is being given the edge due to the Pirates' 31 to 0 victory over the Perryton team last week-end.

The Wellington-Wheeler game is another unpredictable one, since Wheeler will be opening its season. Wellington whipped Panhandle 19 to 0 last week-end to show that the Skyrockets will give some competition to other District 3-A teams this fall.

McLean is expected to down the Panhandle players this week-end without much difficulty, since the Tigers opened their season with a 25 to 0 shellacking over White Deer and then downed last year's regional champs, the Phillips Blackhaws, by a score of 7 to 6 last week.

Childress is favored over Shamrock in their game at Childress Friday night, since the Bobcats are in Class AA. The Irish made a good showing against the White Deer team last week by downing them 13 to 0, but the powerful

They Were in the Swim

Robert J. Moore of Tacoma, Wash., congratulates Mrs. Clara Rickner, Seattle housewife, for snagging the largest fish caught by a woman at the annual salmon derby in Puget Sound. His, weighing 28 pounds and 5 ounces, was the largest taken in the finals.

The Voice of The People

Editor's note—this space is open to all readers of The Democrat for the purpose of expressing their opinions on any and all subjects. All signed letters will be printed here upon request, so long as they carry clear, unambiguous material. The following should be considered the opinion of the writer, in no manner reflecting on the editorial policies of the news paper.

Editor's Note: The following is the second of the letters to be received concerning the editorial entitled "And the Devil Fiddles While the Churches Burn," which appeared recently in The Democrat. It was written by W. T. Ford of Lakeview.

I'll express myself and take my flogging.

Yes, it looks like we might be going towards the rocks, but history reveals the facts: that church work rises and falls, so to speak. I for one think it would be O. K. to have a good picture show in our community churches. Some are saying: I don't like that.

I am 57 years of age and I have found all along the way things I don't like. I had much rather my children would drive two or three miles to a show at the church on Friday or Saturday night than to get out on a "drunken highway" and drive 25 or 30 miles and go to a city.

I think the church doors should stand open to the public, especially our younger folks. I think they should have the privilege of meeting in the church, have their entertainment, and such things as the younger people enjoy.

I think they would feel under these circumstances that there is more of God about it. There would be an endearment they would form a natural attraction to want to go to the church. It's very natural for people to seek pleasure and I think it is right.

Of course, we could all go to extremes. We preachers denounce we do these things publicly and it's natural that they would not like to come in and be censured—probably remain for an hour and a half on a boresome, maybe graveyard tale.

Hell is usually described and maybe the end of time will come before they get home, and the consequence of these things is that they have been discouraged in the place of being helped.

Another thing, they really expect something good out of Christians. In some instances they find hypocrites.

When I was a lad I had utmost confidence in a man, my Sunday School teacher. The railroad train killed an old, poor cow of his and he sued the railroad company for more than the cow was worth.

I find the Devil takes advantage. I thought myself better than all the church for a while, but that was a lie the Devil had me to believe. With all of our lost confidence and all our doubts, one line in our Bibles is not changed. God has revealed we are swift passengers from time to eternity, and one day we will answer for our stewardship here.

Well, I will open up and I suppose I'll take my flogging later. First I will say that I'm pretty sure that Grandma's church is not modern enough for the present day.

Everything is more modern so if we, as preachers of the Gospel, hold any congregations we have to be modern and have more modern churches.

First I say it's natural for young and old to seek entertainment as it is for a pig to drink slop. And I think it right and wise that they should have pleasure. I'll say there is too much prejudice among so-called Christians and preachers to regard to pleasure. Some preachers will get in the pulpit and look like they had started to a funeral and have a long boresome talk of an hour and a half, probably picturing purgatory and God's everlasting punishment. I don't think people like this.

I think the church should be commodious so we could be warm or cool as the case might be. I think it would be O. K. to have a large exposure and have a comical show, enough to make everyone laugh in the beginning. Then have the preacher come forward, announce his scripture, show the prophet that spoke this language, his surroundings. If he spoke on Christ, show his travels.

I would think people would get interested and learn more, perhaps in one service than they do now in a month. Otherwise I can read between the lines. Others can too.

First, people expect something of church people and there's so many there's nothing to—so many it's disgusting indeed. We must confess that some of the greatest Devils we ever knew were church people. Others know just like we know. This is discouraging, of course.

Classes Inspect Kitchens in Homes

The homemaking II classes of Memphis High School visited the Cameron Lumber Company's model home, "The Texan," and the home of Mrs. Lester Grines last week.

The trip was made for special study of the kitchens, in connection with class work on this unit. Observation was also made of the arrangements, storage space, wall and floor coverings, and color schemes.

Locals and Personals

Mr. and Mrs. Zeb Moore of Amarillo spent last week-end here visiting friends.

Mrs. C. D. Denny and daughter Jeanne, Mrs. B. F. Denny, and Miss Ruthie Johnson visited their daughter, sister, granddaughter, and friend, Mrs. J. C. Roberts, in Abilene last Sunday and Monday.

Mrs. Andrew Simmons returned Sunday from Lubbock where she visited relatives last week.

Mr. and Mrs. Herman Hosler of Amarillo spent last week-end here.

Mr. and Mrs. Regnal Greenhaw of Amarillo spent last week-end here visiting his parents, Mr. and Mrs. George Greenhaw.

Mr. and Mrs. A. Anisman and son Sheldon were Amarillo visitors Monday.

Miss Margie Northcutt left last week for Denton where she will attend TSCW this year.

Mr. and Mrs. A. Anisman and son Sheldon visited Mr. and Mrs. S. Anisman in Borger Sunday.

state champs at Amarillo were able to beat Childress by only 17 to 7 last week.

The Lakeview Eagles are rated ahead of the Turkey Turks, as the Turks are in Class B. Turkey won its opener last week, while the Eagles were defeating Memphis 6 to 2. The game will be played Friday night at Eagle Stadium, and will begin at 8 o'clock.

Paducah is given the edge over the local gridmen, following the beating the Cyclone team was given by the Lakeview Eagles last week. Paducah was downed by Crowell last week, but Crowell was reported as having one of the most powerful teams in years.

Early-season predictions give Shamrock, McLean, and Wellington the top three places in the district. Some observers favor Shamrock, although the Irish are small in size, while others believe McLean will mow down all competition. Wellington, with nine lettermen back, may be the surprise team of the season, some fans point out.

An REA safety and job training course is being organized on a state-wide basis in Texas.

DOUBLE for QUALITY Double your money . . . that's what you get at the Gridiron. Not only will you appreciate the attractive atmosphere and the courteous, quick service, but the QUALITY in the food tells you that your money was wisely spent at the . . .

GRIDIRON DRIVE-IN OPEN ALL NIGHT

MAN-MADE NEW ECONOMY AID IN THIS OIL

BRINGS RECORD LONG LIFE TO A SINGLE 5-QUART FILL

Comparing Death Valley Destruction Test gives you plain proof—CERTIFIED

Some modern food processing, you know, destroys many of Nature's best life-givers—vitamins that you need for life. But making up the worst loss today are vitamins synthetics . . . man-made! Similarly, the latest oil refining removes some of Nature's best life-givers. But effectively making their place today is a new synthetic . . . a man-made economy aid that you give your engine by changing to

CONOCO Nth MOTOR OIL—Popular Priced

Know what you're going to get out of it! For in Death Valley's pitiless desert this oil was measured up impartially against 5 other representative big-name oils. Each got the same fair chance to go its limit on one 5-quart fill, without an added drop. Each brand was locked up by the Official Referee, in the crankcase of a new everyday car—all alike. All held the same 57-mile pace, over the same desert, in the same days, in heat that would scare you out of touching the hoods—or fenders! And all were fated to finish the one 5-quart fill—to die of oil-starvation, with engine split open like a loaded cigar.

— and the oils proved NOT the same

Conoco Nth oil lasted a whole 5,683 miles after the next best oil in the test tried up, with the engine good for scrap. And all 5 others in the test averaged 7,057 miles less than Conoco Nth, with its man-made new economy aid known as Thialhene inhibitor. . . Conoco Patent No. 2,218,132

Now an inhibitor is to keep a thing in check. And the explosions in any engine can't help causing foul leftovers that

AND CONOCO Nth OIL OIL-PLATES YOUR ENGINE!

Long the keystone of Conoco success, OIL-PLATING comes from another great Conoco synthetic . . . man-made under the famed Germ Processed oil patent. Magnet-like action bonds OIL-PLATING to inner parts. It can't all quickly drain down—not while you use Conoco Nth. So OIL-PLATING is on guard against wear in advance! . . . and helps mileage, as in Death Valley. An OIL-PLATED engine is one more economy you get by changing to new Conoco Nth oil.

must be properly kept in check—or they will make your oil "fester" and pass out too soon. But that didn't happen to Conoco Nth in Death Valley. It stood up better . . . by as much as 161% . . . Certified.

You may say you'll never put your engine through extreme oil-mileage tests, because you have it drained and re-filled exactly according to the recommendation of qualified authorities. And you're exactly right.

But you certainly like all the safety factor your oil can assure—and the safest engine in the impartial Death Valley destruction test lived on Conoco Nth oil. And you certainly like it every time the man puts the gauge-stick back in without putting in a quart! So change to Conoco Nth today and count the miles till your next quart. Continental Oil Company—Pioneers in Bettering America's oil with Synthetics

CERTIFIED I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

Antelope Sam's Horseless Cavalry Stages Attack

Antelope Sam's horseless Cavalry stages an attack on the "enemy" with automatic weapons in Louisiana war games.

Comments—

(Continued from page 1)

anything else. I was about to return the money that has been turned in to buy a power mower for Fairview Cemetery, because it looked like the people didn't care a continental dang whether the cemetery grows up in weeds or not, but a note was received Wednesday from Mrs. W. L. Nabers, secretary of the Plaska Needle Club, who stated that she had been making up money for the mower and had already collected \$17 which she would turn in when she came to town. My hat is off to the people of Plaska, for they believe in doing things. Mrs. B. H. Hayes of Memphis has also contributed \$2 to the fund, hoping others would join in also.

At the outset of the drive I said a lot of people would contribute to the fund, but would be a long time about making the contributions. Let's be prompt about this matter, or had you rather some one would see you in person? The drawback to such a method would be that a lot of people, who don't want to make a donation, would be embarrassed. Since receiving the Plaska note, I have decided to wait a few days before returning the money and dropping the campaign. It will depend upon the response during the next few days.

Just a few people have been cleaning up this week, following the appeal of the Memphis Garden Club. There are a few more days left of the clean-up week, and it is hoped some decided action will take place all over town.

The Childress Index would have the people believe that the offices of the Hall County Soil Conservation District have been moved to Childress. Such is not the case. The district office is in Memphis, and the Memphis territory is served by the SCS and CCC Camp for a distance of 25 miles from Memphis. The territory of the Hall County soil district outside of that 25 miles will be served by sta-

tions at Childress and Turkey. It will be remembered that the farmers of Hall County pioneered the movement to establish a conservation district. They voted for it. Childress County was asked to join in the movement to secure the district, but turned it down. Later, after Hall County had secured the district, Childress County then voted to join. Now The Index would have us believe that Memphis is out of the picture and that Hall County will be served from the Childress office. Hall County pioneers in development, and Childress follows, then claims the whole thing.

Here is a hint that The Democrat's staff poet should get on the job again, and also a sly hint that maybe the Memphis cemetery might have some weeds:

"Dear Mr. Wells: Panhandle weekly papers are going on the air over KGNC at 7:45 o'clock Sunday morning on the Exchange Editor program. I hope to feature The Democrat and Memphis (Texas) folks from time to time—and maybe the staff poet if that fellow isn't in some weed-littered cemetery. Hope you'll make suggestions. Sincerely, Lewis T. Nordyke of Amarillo News."

Some one in Memphis has slipped up again. Other places in Texas have formed Home Defense guards, and these are now in the Texas Defense Guard ready for service if needed in the protection of home. Turkey has a unit in Hall County. Other towns in other counties around us have units. Why has Memphis fallen down?

Antelope Site of Texas Test Well

Spudding in of an oil test by the Texas Company in the Antelope Flat community area was expected to be started this week, according to a story in the Quitaque Post last week.

The site of the well is on the JA Ranch about five miles west of Antelope, where it is reported the Texas Company has about 35 sections under lease.

Another test in the Antelope country, about two miles west of the Texas location, will be put down by a major company, the story said, but no definite information concerning this test was learned.

Locals and Personals

Mrs. A. W. Howard was an Amarillo visitor Monday.

Mrs. B. G. Williamson of Amarillo visited Mrs. L. C. Smyers Tuesday.

Mrs. N. A. Hightower is an Amarillo visitor today.

Miss Virginia Lemons of Amarillo visited her sister, Miss Thelma Lemons, here last week-end.

Mrs. Bill D. Hart was a Childress visitor Wednesday.

Miss Virginia Lemons of Amarillo and Thelma Lemons visited their mother, Mrs. W. H. Lemons, in Brice Sunday.

Downs—

through that side for Memphis' only ground-gaining play. Grimes, although he didn't do much good at either passing or punting, did turn in a good game in gaining ground. He carried the ball time and time again, and apparently was tiring badly near the end of the game.

Grimes, at the quarterback position, made several errors in calling plays, according to the comments of the sideline quarterbacks. Late in the 4th quarter, Memphis got the ball down to about the 13-yard line. After three line plays, only four or five yards were needed for a first down, which would have given the Memphians four downs to make the remaining three yards for a score. Grimes, whose passes had not been clicking at any time during the game, called another pass—which, of course, turned out to be no good.

Harrison, who had been catching passes well in practice sessions, muffed the few chances he had at catching one during the game. On defense work, especially when Bounds intercepted the fatal pass to run for the Lakeview counter, Harrison made a somewhat poor showing.

For Lakeview, the backfield men of I. V. Merrel, Speedy Scott, and Clayton Bounds led the attack. Lakeview's line, although badly outplayed by the Cyclone, held the visitors for no gain on several occasions.

OIL QUALITY

You know it's tough to tell oil quality by looking at it. You can't even test it very quickly.

That is why, when you are buying a lubricant to protect your motor-car investment, it is so important to rely on the good name of the oil and its maker.

Millions of motorists know from experience that Phillips 66 Motor Oil is a lubricant with a good name, backed by a great name.

Yes sir! Phillips 66 is the name to remember when you make the regular 1,000-mile replacement, or put in lighter oil for the winter.

PHILLIPS 66 MOTOR OIL

ESTELLINE

By MRS. FRED BERRY

Miss Melba Faye Price, who is attending Texas Tech at Lubbock, spent last week-end with her parents, Mr. and Mrs. L. Price.

Mrs. Ben Daniels and daughter of Dumas spent the week-end with her father, George Cowan. Mr. and Mrs. John Russell are in Quanah at the bedside of her sister, Miss Alva Lee Berry, who is seriously ill.

Mr. and Mrs. W. B. Davidson and children returned home Monday from a visit to Ryan, Okla., with her parents, Rev. and Mrs. C. Bownds. They were accompanied as far as Wichita Falls by Mrs. Harold Boyd and baby, who have been visiting her parents, Mr. and Mrs. Cliff Denson, here the past two weeks.

Mrs. Ada Gentry and brother, Lee Roy McCoy of McFarlin, Calif., and Mrs. Marler of Flomot are here at the bedside of their father, G. H. McCoy, who is seriously ill in a Memphis hospital.

C. L. Sloan lost his fine registered cow "Becky," last week. Mrs. J. L. McCollum and miss Ella May Wright are spending the week with relatives in San Antonio and Dallas.

Mr. and Mrs. Lee Vardy and children of Turkey visited his parents, Dr. and Mrs. P. L. Vardy, Sunday.

Tom Tyner of Vera attended the funeral of Dave Tyner here Sunday.

The women of the Methodist Church had their monthly luncheon at the church Tuesday.

Mrs. Waldo Sparin, Mrs. S. S. Cooper and son of Farmersville attended the funeral of Dave Tyner here Sunday.

Mrs. Clarence Cooves of Princeton attended the funeral of Dave Tyner here Sunday.

Mrs. Nellie Curtis entertained all her children Sunday with a dinner. Those present were Mr. and Mrs. Finis Curtis and children of Willow, Okla., W. L. Curtis of Amarillo, Mrs. Weldon Couch and daughter, and Don Curtis of Estelline.

WEBSTER

By MRS. L. J. ROBERTSON

Mr. and Mrs. Roy Kidd visited relatives near Lorraine recently.

Freeman Butler and Aubrey Robertson made a business trip to Gruver last Monday.

Mrs. L. J. Robertson has returned home after a three-weeks visit with her sister in Los Angeles.

Mrs. Aileen Cowdrey visited her parents during the week-end. Mrs. J. H. Robertson is improved at this writing. She has been suffering from an infected leg.

C. B. Robertson, Connie McMurry, and Virgil Thompson made a business trip to Amarillo last Friday.

Mr. and Mrs. L. J. Robertson and Mr. and Mrs. Aubrey Robertson and son visited Mr. and Mrs. L. D. Messer near McKnight Sunday afternoon.

Rachel Sweatt has been ill but is improved at this time.

Mr. and Mrs. L. B. Robertson and sons were visitors here Sunday afternoon.

It's Huntin' Time Again

Scenes such as this will be duplicated thousands of times throughout the nation as the frosts of fall bring out hunters and their dogs. Here Charles Orwick, who has hunted in every state, talks things over with his favorite bird dog at Lewiston, Mich.

T. J. Dunbar Jr., Now Angleton Citizen, In "Who's Who" Column in Newspaper

Editor's Note: The following article appeared in a recent issue of the Brazoria County Review, published at Angleton. T. J. Dunbar Jr., a former resident of Memphis, is now making his home in Angleton, and this article appeared in the "Who's Who" column of the newspaper there.

T. J. Dunbar Jr. is a man who was raised out in West Texas and just got branded. So don't try to find out what the T. J. stands for. But what he can't tell you about what his initials stand for, he can tell you about roads. He can reel off most any answer, occasionally pulling the little slide rule out of his pocket (and you will notice it is always there) and perhaps glancing at a few maps.

He was born in Memphis, and there got his fundamental education. By periodically laying out and working, but always coming back, he got the degree in civil engineering that is framed in his office. How he had time to study is another unexplained question, what with playing in three dance bands and holding down a job at Steck's. For some reason, he graduated weighing only 116 pounds.

On top of that he took part in the University band and orchestra, and did his share for Pi Kappa Alpha fraternity. Intramural tennis and odd moments of golf filled in the gaps.

Work with the highway department began his career, then with the engineering departments of Hall and Fort Bend counties. In 1934, he first hit Brazoria County, and no one can say he didn't take it in. At first he lived in West Columbia, then Pearland, and then he moved to Angleton. That same year he married one of the Jones girls from Austin, Vera Jean, to be more specific.

At first an assistant, he soon came into his position as county engineer. It might be easier to list the organizations to which he doesn't belong, but we will make a stab at doing the job in the conventional order: Jaycees, Lions, Masons, the Methodist Church, B. C. D. A., American Society of Civil Engineers, American Road Builders Association, and the Society of American Military Engineers.

When a real gleam comes in Dunbar's eyes is when he is telling of his favorite fishing spot in Colorado. He has had a lot of experience in casting out his line and landing these little rainbow trout that are so game for their size.

Both he and his wife are red hot football fans. An advanced forecast—he thinks the Longhorns might beat a few people this year and he wouldn't be surprised if they took the conference.

Give him a piano or trumpet and he is in his own. Wagner or honkey tonk blues. It's music and he loves it.

RETURNS TO MEMPHIS
Jack Richards, who has been living in Houston for the past several weeks, has returned to Memphis where he and his wife will make their home. He is now employed at the Lion Auto Store here, and while in Houston was associated with an auto parts firm.

Although it is supposed by many to be parasitic, scientists say it has been proved that Spanish moss lives entirely on the plant food which it derives from air and rain.

Amarillo Prepares For Annual Fair

From start, September 29, to finish, October 4, the Tri-State Fair at Amarillo will have top priority on entertainment and education for thousands of men, women and children, it was reported this week.

Governor Coke Stevenson of Texas will be there for the opening of the exposition; Governor John E. Miles of New Mexico will be there for the closing.

Among distinguished visitors during the week will be Capt. Charles E. Rosendahl, noted naval officer and lighter-than-air craft expert.

Arrangements are being made now for a defense display in addition to the regular exposition features, free shows afternoon and night in front of the grandstand and a mile long midway—the same midway booked for the Oklahoma State Fair.

Borger to Honor Indian Warriors

Perhaps one of the most unique celebrations ever to be held in the Southwest will take place October 17-19, when several hundred Indians migrate from the Anadarko, Okla., reservation to Borger to honor their warriors who fell in the battle of Adobe Walls.

The celebration will be known as the Adobe Walls Indian Ceremonials and will include a colorful two-day pageant, Friday and Saturday, October 17-18, which will re-enact the battle of Adobe Walls.

GILES

By MRS. J. A. LEMMON

H. L. Cope of Enid, Okla., was here Sunday visiting his sister, Mrs. Theo Johnson and family.

John Ode of Dumas was a recent guest here in the J. A. Stotts home.

Theo Johnson, and G. T. and Hub Foster were Amarillo visitors Saturday.

J. O. Stotts spent several days in Groom last week receiving medical and surgical attention.

Mrs. Bill Hoggard and children of Dallas are here visiting Mrs. R. O. Kelley this week.

Rev. Clarence Wylie of Canyon held church services here Sunday afternoon and will preach again the next third Sunday.

Theo Johnson made a business trip to Canyon Monday.

Rev. and Mrs. Clarence Wylie of Canyon and Bill Pletcher of Memphis were dinner guests of the J. M. Bakers Sunday.

Mr. and Mrs. S. P. Wells and Mrs. Homer Bean of Memphis visited Mr. and Mrs. Theo Johnson Sunday.

Mrs. Jerry Stotts and father, G. T. Foster, were Childress visitors one day last week.

Mr. and Mrs. W. B. Profit were Memphis visitors Friday of last week.

Mr. and Mrs. B. F. Kelley were Memphis visitors Saturday.

The Plunkett Family, to be presented at the State Fair of Texas by Harley Sadler, veteran Texas showman, is composed of father, mother, and 13 children. Unique in the amusements world, they sing, dance, juggle, stage a complete musical revue.

Call 15 For QUALITY JOB PRINTING

Food Processing Centers for REA To Be Established

Many Texas communities served by REA lines are eligible to benefit from a new governmental program designed to fortify the health of rural families.

The plan will be a cooperative one with REA, the Extension Service, Farm Security Administration and other agencies of the Department of Agriculture participating, according to Mildred Horton, vice director of the Extension Service and chairman of the Texas State Nutrition committee.

Electrically equipped food processing centers will be set up in rural schools or other public buildings on REA lines within the state. The responsibility of the county home demonstration agents and other rural educators will be to teach adult groups better nutritional practices.

Miss Horton explains that these food centers may be equipped with small mills for grinding whole wheat flour and other whole grain cereals or with electrical cooking, refrigeration, and dehydration equipment. It is possible that food processed in the centers may be used in community school lunch programs during the year.

The equipment may also be used by low-income families in the community who cannot afford their own equipment for processing grains, fruits, vegetables, and cereals for home use. Purchase of the equipment will be financed through REA loans at low interest rates. Of the 800 eligible electrical systems in the country, approximately 70 are in Texas.

A water culture display will be a feature of the annual flower show at the State Fair of Texas, October 4-19. The show is sponsored by the Presidents' Council of the Dallas Garden Clubs. A dahlia display also will be featured.

Locals and Personals

Mrs. T. L. Colvin and family left Sunday for Galveston where they will make their home. They joined Mr. Colvin, who has been down there for some time.

Mrs. Bill D. Hart and Mrs. Bernice Davis of Paducah are Amarillo visitors today.

Mr. and Mrs. Ottilie Jones and children, Ruth and Hubert, and Miss Bess Elaine Ayers visited their children, brother and sister, and cousins, Mary and L. F. Jones, in Denton last week-end. Mary is attending NTSTC.

Miss Maurine Thompson was a business visitor in Amarillo Monday.

Mr. and Mrs. D. J. Morgensen were business visitors in Fort Worth Sunday and Monday.

Hiram Wood was a business visitor in Childress last week-end.

Mr. and Mrs. Kermit Monzingo and son Monty Brent of Childress visited her mother, Mrs. Silas Wood, here Sunday.

Miss Darlein Reed and Buck Partain of Childress attended the Amarillo-Childress football game in Amarillo last Friday night.

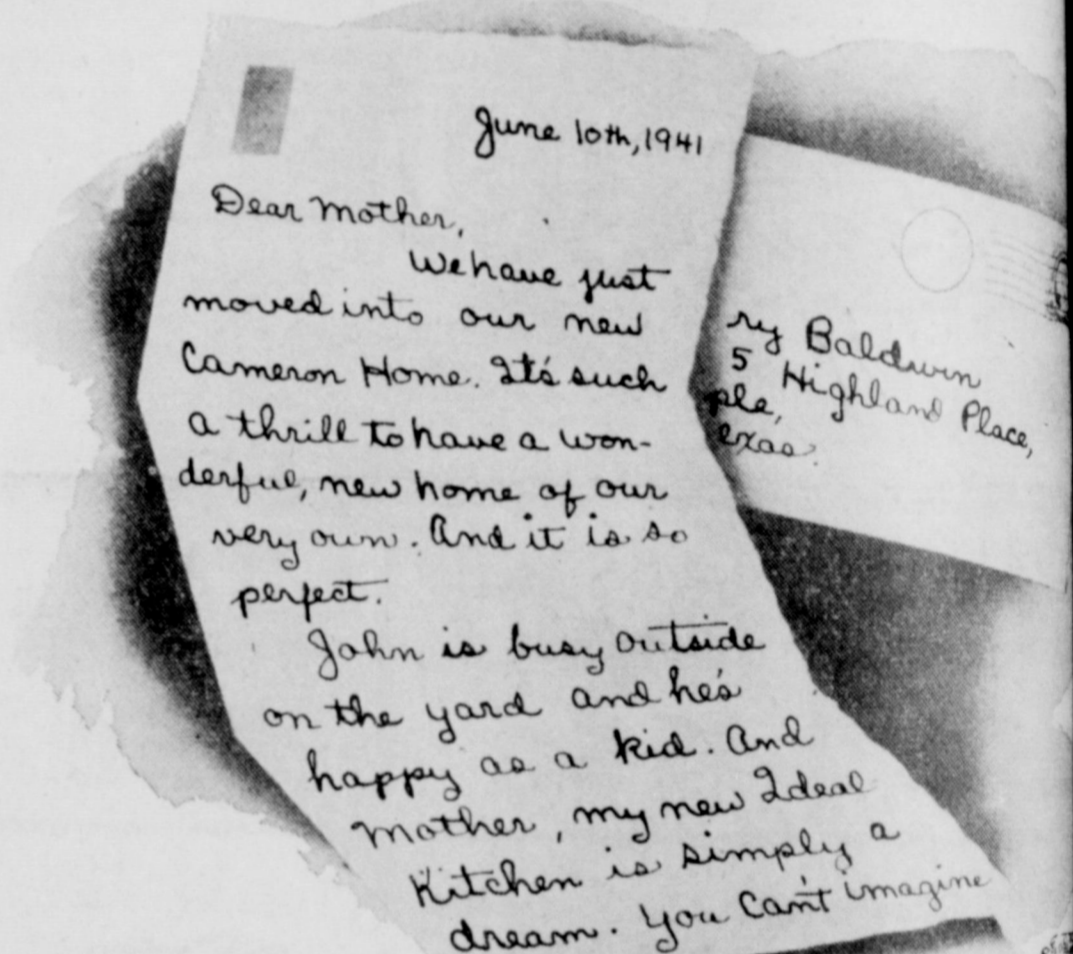

Orville Perkins visited his brother, John Perkins, in Durham, Okla., Sunday.

Johnnie Ralph Rushing of Childress visited his aunt, Mrs. T. R. Garrett, Friday night en route to Amarillo where he attended the Amarillo-Childress football game.

Olin Cooper, Billy Kinslow, and Guthrie Bennett were Amarillo visitors Saturday.

TOUCH-DOWN TACTICS

BOSTON COLLEGE
by
Frank Leahy
*Former Head
Football Coach

This is the first in a series of six outstanding diagram plays by leading college coaches from Grantland Rice's new Cities Service Football Guide. This is a play which we used in Boston last year with excellent results. The formation here is not unlike that from which we execute a number of plays. The principal feature to watch when using this play is the depth at which the offensive halfbacks play. If the offensive left half has a tendency to play in close, it will make the successful execution of this play difficult. But if after you have thrown a few forward passes from this formation

great advantage to the stock farmer and rancher by the abundant growth of grass—but has also been of some disadvantage to the rancher by the dense growth of mesquite trees and the thick underbrush that accompanies their growth. On the Smith ranch near here, the foreman, Jack Smith, found it necessary to cut lanes through the trees to drive the cattle, for in a recent round-up some one hundred head had been missed by the cowboys being unable to see them in the trees. A number of men were hired from Newlin to dig up these trees and clear these lanes for driveways for the cattle. During the time this work was being done the man found the rattlesnakes were so plentiful that the work became dangerous when three or four snakes were found by each of the workmen during the day. One of the men was struck by a rattler, but its fangs did not reach his leg. P. S.—He did not report back for work.

Didja See the Northern Lights?
Last week when early morning newscasters reported the unusually bright Northern Lights being seen in many southernmost points, it was not supposed they would be reflected as far South as Texas, but they were very plainly visible Thursday night and were seen here by a number of residents. The luminous reflection which is said to be an electric phenomenon is commonly seen in northern latitudes and is said to be caused by the reflection of the sun on the

Defense Industries Train Farm Youth To Take Important Part in Production

BY DAVID A. STEIN

THE nation's best defense workers are farm boys who never saw the inside of a factory. Just as corn fields have blossomed into new and shiny plants, so too have farm boys developed into defense workers.

Long before brick and steel were put together to house new jigs and dies and machine tools, personnel men studied the problem of educating new workers to use them properly. They prefer youthful workers who have known nothing about industrial processes.

Detroit, sprawling, crowded, busy center for the production of tanks, trucks, aircraft parts, guns and engines, employs thousands of young defense workers. The older men, who have learned mass production methods on automobile assembly lines, don't fit into the new scheme of things.

Outer wings are loaded on trains for delivery to aircraft plants. Young Americans make wing flaps, doors, and more than 70 different duct parts for Boeing Flying Fortresses at the Briggs plant.

Ernest Northington, spent the week-end with her daughter and family, Mr. and Mrs. Pat Vardy. John Burnett is ill at his home here. Mr. and Mrs. Jose Cwierski and daughter Frances Lee of Oakland, Calif., and Mrs. Frances Powell Hansard of Washington, and Mrs. Fannie Bennett and daughter of Amarillo visited friends here last week en route home. They had been to visit their mother, Mrs. Mattie Vinson, and aunt, Mrs. Lee McBride, of Weatherford. They will be remembered as Frances and Buelah Powell, daughters of Jim Powell who moved from here 12 years ago to California to make their home.

Mr. and Mrs. E. V. Wheeler left Monday for a month's visit with their daughter, and Mrs. Wheeler's mother in Fulton, Miss. Mrs. W. L. Kellison and brother,

Miss Juanita Crawford, who has been suffering from an infection in her thumb for the past five weeks caused by a small nettle, is some improved. It was thought for a time that an amputation would be necessary but it has shown considerable improvement the past week and is now out of danger.

Mr. and Mrs. J. L. Newton of Lela spent the week-end with their daughter and family, Mr. and Mrs. Frank Solomon.

Mr. and Mrs. Vernon Phillips of Eli spent Sunday with Mrs. Phillips' parents, Mr. and Mrs. W. J. Harper.

Miss Bonnie Davis of Wichita Falls spent from Thursday to Monday with her parents, Mr. and Mrs. T. E. Davis.

Mr. and Mrs. J. F. Solomon and daughter Cecile spent from Thursday to Saturday visiting their son and brother J. S. in Fort Worth.

Quick frozen cottage cheese will soon be available in many metropolitan markets, following successful experiments in New Jersey.

Because they have shown themselves particularly adept in putting fabric on trailing edges and touching up wings.

that airplane manufacturing is exceedingly different from motor car making. One reason why farm boys fit so well into the defense workers' shoes is that they have developed mechanical and technical inclinations through work with farm machinery. They learn readily to understand the necessity for exact tolerances, and they are readily taught the use of single operation tools.

Part of the educational program developed for the thousands of new workers finding employment in defense industry, is morale building and instruction in elimination of waste materials.

Detroit manufacturers warn that there is danger in a general influx of farm youth to city factories, because of the difficulties incident to the change-over from a peace-time economy to a war-time economy. Moreover, employment must be found for thousands of men displaced in the automotive industry.

Nevertheless, as in World War I, it's going to be harder and harder in the coming months to keep the boys down on the farm.

Considered one of the most important functions in the Briggs plant is an extensive training school, where 900 men will be in training constantly. Each worker is given a complete education in industrial work.

For 60 days, students are taught mass production methods and learn how to handle the delicate hand tools needed for airplane production. Skilled men analyze each job and break it down into its fundamentals, after which new men learn the elements of their work.

Although 11,000 men in the Briggs automobile body plants will be out of work because of curtailment of car production, only 3000 will be employed in the expanding aircraft division. The reason, W. P. Brown, president of the company, explains, is

before noon; attend a Kiwanis luncheon, then hold press interviews and attend a barbecue in his honor between 4 and 6 o'clock at the old Jack Hall ranch.

Other distinguished visitors to be at the fair in Amarillo during the week will be Capt. Charles Rosendahl, noted naval officer, who will be there Thursday, and Governor John E. Miles of New Mexico, who will attend the exposition on the closing day, October 4. Representative Eugene Worley has announced that he will attend the fair if it is at all possible for him to leave Washington.

When the governor of Texas goes to Amarillo to open the Tri-State Fair, Monday, September 29, he'll have a busy day.

Governor Coke Stevenson will be guest of honor at a public breakfast to be held at 8 o'clock that morning in the Herring Hotel; open the fair at 9:45 o'clock; address high school students be-

fore noon; attend a Kiwanis luncheon, then hold press interviews and attend a barbecue in his honor between 4 and 6 o'clock at the old Jack Hall ranch.

Other distinguished visitors to be at the fair in Amarillo during the week will be Capt. Charles Rosendahl, noted naval officer, who will be there Thursday, and Governor John E. Miles of New Mexico, who will attend the exposition on the closing day, October 4. Representative Eugene Worley has announced that he will attend the fair if it is at all possible for him to leave Washington.

Locals and Personals

Jim Ballew of Abilene spent last week-end with his brother, Raymond Ballew and wife.

Mr. and Mrs. Cearley Read Kinard of Abilene spent last week-end with his parents, Mr. and Mrs. D. L. C. Kinard.

A. G. Kesterson left Sunday for Ozona where he will visit with relatives.

J. C. Turner spent last week-end visiting in the home of Mrs. Allie D. Weaver.

Tom Draper went Saturday night after his wife and son Charles, who had been visiting relatives for the past week in Amarillo. They returned here Sunday.

Mrs. Justine McNally of Childress spent last week visiting in the home of Mr. and Mrs. M. E. McNally.

Mr. and Mrs. Gene Reynolds of Childress spent Sunday with their daughter, Mrs. Chester Grimes and husband.

Mr. and Mrs. Harry Delaney and daughter Carol Jean visited his parents, Mr. and Mrs. Tom Delaney, in Lubbock last week-end.

Miss Maxine Wingrove visited her sister, Mrs. W. L. Lyons, in Childress last week-end.

Mr. and Mrs. J. M. Ferrel of Parnell visited their son, J. M. Ferrel Jr. and family, here Sunday.

Mrs. Tom Isham was a business visitor in Childress Sunday.

Mrs. T. W. Harrison, Mrs. S. T. Harrison, and Mrs. Bertha Carter visited in Muleshoe Sunday.

Chickens, Turkeys
Star Sulphurous Compound

Given in water or feed, Destroys as they enter the fowl, intestinal germs and worms that cause most all disease and loss in egg production. Also rids them of lice, mites, lears, and blue bugs. Keeps the appetite good. Then you will have good, healthy egg-producing fowls and strong baby chicks. Costs very little. Money back if not satisfied.

THE RECORD... Facts That Concern You No. 31 of a Series

SOME PEOPLE NEVER LEARN... but most of them do!

There are always a few "smart alecks" who want to stand up and rock the boat. But most people try to keep out of trouble.

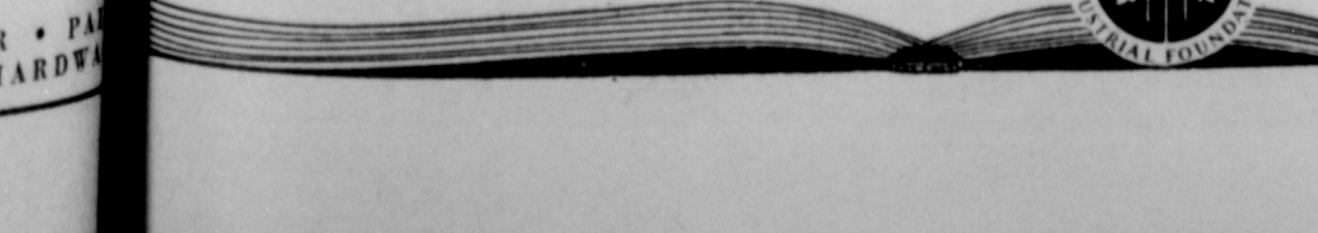

The same sort of thing happens in the retailing of beer. The great majority of beer retail establishments are clean, law-abiding and wholesome. But occasionally you may find a "smart aleck" retailer who violates the law or permits anti-social conditions.

We of the brewing industry want these anti-social retailers wiped out! Because they imperil your right to drink good beer...and our right to make it.

We want to protect the benefits that beer has brought to Texas—employment for 31,165 persons since relegalization, an annual payroll of \$22,076,182 and taxes of \$2,273,968.64 paid to the state last year.

This state, too, has an important stake in Beer's purchases from over 100 industries supplying the brewing industry with materials, equipment and services. You can help us in our public-spirited program by (1) patronizing only reputable and legal beer establishments and (2) by reporting any irregularities you may see to the proper authorities.

BEER...a beverage of moderation

DEDICATED TO THE MAJORITY WHO BELIEVE THAT DANCING CAN BE CLEAN ENTERTAINMENT

BY THE TIME many of the readers receive this issue, the formal opening ceremonies of the new City Park in Memphis will be over—but the thoughts in the minds of numerous people will not be gone.

This is being written before the ceremonies, of course, and no doubt the ceremonies will be enjoyed by many people. Yet they could have been made more attractive than they are, and possibly would have been, if certain objections had not been voiced by certain citizens.

The situation was this: The troupe of Dixie Dice and her professional dancers had been engaged to appear at the opening of the park, and present a revue during the ceremonies. But dancing, even if presented in a modern form, did not seem to draw the approval of certain citizens—and as a result, the engagement was cancelled.

The Dixie Dice troupe has appeared in numerous engagements in Amarillo, the home of the dancers, and in other places in this section. As far as we know, nothing outrageous or indecent has ever been presented by the girls—and wouldn't have been done here.

The troupe had been working on dances which would fit in with the program of the day—numbers relating to the opening of the cheese plant and others which would fit in with the opening of the park. The girls had also arranged for costumes to fit in with the program of the day.

It seems a little out of the way to cancel such an engagement, but the word "dancers" apparently brings low thoughts to some of our citizens. Dancing can be clean entertainment, and the Amarillo troupe has never been accused of any other kind. They play before the highest type of audiences in Amarillo, and are noted for their clean, enjoyable acts.

Surely Memphis is not going to continue to give itself black eyes by putting the damper on entertainment which more people would have enjoyed than listening to a bunch of speeches.

After all, the park was developed for the entertainment of the people of this area. Or was it?

oooOooo

... WHERE CREDIT IS DUE

WITH THE FORMAL opening of the City Park in Memphis, The Democrat deems it a pleasure to give credit where credit is due as far as the development of the park is concerned.

Most of the work has been done through the park board, of which C. C. Hodges is chairman. All members of the board have shared in the work, although Mr. Hodges has been the leading influence in getting the job done quicker and better.

When a city finds a man who is willing to devote day after day for some project, when that man sometimes neglects his own business interests to work on the project, when he even does part of the labor and gets no pay for it, when he would definitely refuse pay if it were offered, then that man deserves more praise than mere words can give.

Mr. Hodges, during the past two years, has served as the leader in developing the park to its present state. He has made hundreds of trips to the park to oversee the work in progress by first N.Y.A. workers, and then WPA workers.

He has made suggestions, taken suggestions of others, and strived daily to make the park the beauty spot it has turned out to be. He has even joined in at times and aided in the masonry work which has been done.

Such a man deserves more praise for his work than an editorial can give. All the pay he wants is for the public to make use of the park and aid in its up-keep by not destroying or damaging any of the property there.

Yes, Mr. Hodges, the park job is a "job well done."

oooOooo

THE NAME IS CYCLONE

DESPITE THE FACT that many people use the term incorrectly, the name of the various athletic teams of Memphis High School is Cyclone, not Cyclones.

The plural and singular forms of the term are the same—just plain Cyclone and not Cyclones, even when one is speaking of more than one member of the team. "The Cyclone did this, and the Cyclone did that," not "The Cyclones did this, etc."

Get it?

'Better Look Out, Now'

PRESS PARAGRAPHS

Culled From The Democrat's Exchanges

Double Trouble

The Matador Tribune: For the first time in seven years, the Tribune is not being printed in Matador this week. Running some 12 hours behind schedule, the local paper followed the Floyd County Hesperian on the Floydada press at 3 o'clock Thursday afternoon.

A roller on the Tribune press was damaged Wednesday, and repairs cannot be made except at a Dallas factory.

To top it all, Editor and Mrs. Douglas Meador are enjoying a peaceful vacation somewhere in the northern New Mexico mountains, far from the cries of the Tribune staff.

Philosophy

The Munday Times: A modern Confucius who signed his card as "A Citizen of Munday" this week supplied The Munday Times with his version of modern philosophy. Both of his philosophical statements might be proved to be as true as those made by Confucius himself. Here they are:

"A good man and a penny will soon make a nickel and a better man."

"Clean streets make clean cities, and clean cities make a clean people."

Pome

Ed Bishop in the Dalhart Texan: It was a heavenly night; The moon was warm and golden, The stars all shining white, He was a perfect lover; He held her in his arms; And told her of her beauty, And of her grace and charms, He said his love was like a fire— A fire that could ne'er be squelched; He said that then he wanted her, And then—the fool—he belched.

The Air's Future

White Deer Review: When the war is over, there will certainly be a great increase in civilian flying. Thousands of trained pilots in every major country will seek

to use their skills in making a living.

It has already been predicted that the day is in sight when every bit of first-class mail in the country will be air borne. That means airports, bigger, better, and more frequent airports.

Dividend?

The Foard County News: The common failure among people to praise is noted by a local man who says that as long as he has a good bank account his banker never mentions it, but the moment he overdraws it the banker calls his attention to the fact that it is no satisfactory.

Double Talk

The Quitaque Post: A bachelor is a man who can have a girl on his knees without having her on his hands.

Wrong Location

The Panhandle Herald: If this writer were a member of Congress, he would not vote for any measure that called for the expenditure of a dollar to erect another public building in Washington, D. C. War has shown that the seaboard is no place for public buildings.

Larning

Will J. Miller in the Spearman Reporter: All I remember of three years of Latin is "All Gallie is de wiesia partz troy." Or sompin of that nature, which in pig-latin is supposed to say that "All Gaul is divided into three parts."

Why would it not have been better for me to have received three years training in driving a motor car. I could have been taught the power of motors, all the rules of courtesy in driving. Perhaps I would have learned how to fix a reluctant motor, or which way to drive a tractor, or what to do under emergency conditions. I maintain such information would have gone with me through life,

This Week's Birthdays

Week of Sept. 27 to Oct. 4

Marshal Ferdinand Foch, of World War I fame, was born on Oct. 2, 1851. Rutherford B. Hayes, who rose to presidency of the United States, was born on Oct. 4, 1822.

because I would have stepped out of a school room to place my knowledge into practical use. A it was, the training I received in Latin was merely a matter of developing my mind.

Counsel

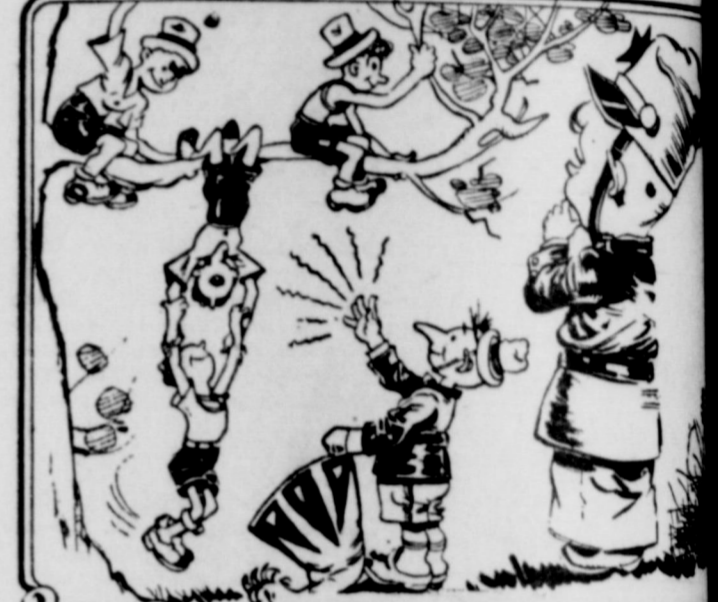

The Apostle in the Donley County Leader: Advice to girls—so live that when you ride down town with the sheriff, the public won't think you are headed for jail.

It Pays

The McLean News: The Fox Film Company has appropriated two million dollars to support current film releases, and 68 per cent of this amount will be used in newspaper advertising. The company publicly announces that this is done because of the superior box office results from newspaper

Adventures of THE TOTTIES

(READ THE STORY, THEN COLOR THE PICTURE AND PASTE IN YOUR SCRAPBOOK)

The blackbirds flew right to a limb. The Mystic Man said, "I'm in trim. The birds came out of Duncy's hat. What do you Totties think of that?" Said Goldy, "Twas a clever thing! And now, can you make those birds sing?" The Mystic Man said, "You forget That nothing's ever stopped me yet." Once more he gave his hand a fling. And all the birds began to sing. The birds' strange singing soon died out.

And then they all heard Duncy shout— "I wish I was a blackbird. I'd fly and sing the livelong day. I wouldn't have to work a day. Up in the tree I'd often sit."

The Mystic Man then said, "do Another little trick for you." He waved his hands with all might. The four birds disappeared by sight. But in their places came four men. The Mystic Man arose and the He said, "I will their eye attend. They're going to put on a grand act."

NEXT WEEK: Duncy has a trick played on him.

per advertising. The arguments are for newspaper advertising, and the man who refuses to try newspaper service is neglecting one of the best sources of income he can find.

Criticism The Tulsa Herald: A newspaper recently remarked that there would never be any great Sunday School teachers, peace officers, or anybody to publish news if people quit when they criticized. We'd like to add that would be very little good published in the world if persons were allergic to criticism.

'42 Auto Licenses Arrive in Office Of Tax Collector

All Tags, Passenger and Commercial, Have Orange Background, Black Letters

Passenger and commercial vehicle licenses for 1942 have arrived in the office of J. M. Ferrel, Hall County tax assessor-collector, but will not be placed on sale until February 1.

All 1942 licenses, both passenger and commercial, will have orange backgrounds and black numerals and letters.

The licenses will go on sale February 1, may be attached to autos March 1, and must be attached by April 1, it was explained.

To register cars, the owner must present a certificate of title, Ferrel said. Certificates have not been needed heretofore. This rule applies to all cars, unless the car was bought new prior to January 1, 1936, and is still owned by the original buyer.

The certificates may be obtained by applying for them at the tax collector's office, it was explained. Car owners who trade off their cars must possess one of the certificates before the trade can be transacted.

A total of 2,400 passenger licenses have been received, with the numbers ranging from 597-601 to 600-000. Other types of licenses and the numbers included are as follows:

Commercial, 450 licenses, 400-551 to 401-000; 350 farm and truck, 152-901 to 153-250; 75 trailer and tractor, 37-186 to 37-260; 12 dealer, 7-490 to 7-501; 8 motorcycle, 2-463 to 2-470.

The number received for next year is approximately the same as that of this year, Ferrel said. Additional licenses had to be ordered this year, and it is expected that more will be needed for next year.

R. M. Holt Chosen Naval Honor Man

R. M. Holt, former Memphis, was selected as the honor man of his company by his instructors at the U. S. naval training station in San Diego, Calif., for the week ending September 13.

Holt enlisted in the navy at the recruiting station in Dallas August 18. The station selects each week one man from each company of 140 recruits who has shown by his outstanding ability, his zeal, and his loyalty that he is worthy of the special designation.

More Defense Foods Needed

"More milk, more eggs, more pork" is the food-for-defense appeal being made to American farmers by the U. S. Department of Agriculture.

Farmers are responding unenthusiastically, the Department says, and are turning huge quantities of feed from the AAA Ever-Normal Granary into energy-giving foods.

Milk production is highest on record; egg production is higher than in any year except 1930; extra numbers of brood sows are being held over for fall farrowing.

Nevertheless, the Department declares, even additional increases in these products must be made to supply the growing home demand and the emergency needs of Great Britain.

Homemakers Have Officers' Election

The future homemakers met September 19 and elected the following officers:

President, Ann Compton; vice president, Sue Lynn Guthrie; secretary, Ila Sue Davis; treasurer, Nora Mae McMurtry; historian, Betty Jo Randolph; reporter, Billy Jean Beckham; song leader, Lavern Archer.

The four homemaking classes elected officers as follows: Second-period class chairman, Betty Jean Solomon; secretary, Doris Fowler; treasurer, Melva Lou Jameson; song leader, Joyce Goodpasture; historian, Wanda Jo Reynolds; reporter, Atha Lee Sewell.

Third-period class chairman, Priscilla Mueller; vice chairman, Wylene Ellis; treasurer, Clare Jo Hayes; song leader, Sallie Foreman; historian, Estelle Sweatt; reporter, Mary Francis Whaley.

Fifth-period chairman, La Verne Stewart; vice chairman, Winifred Crow; secretary, Patsy Mitchell; reporter, Jo Kathryn Murdock; historian, Lois Hamilton; song leader, Billie Frances Murdock; treasurer, Vernadine Sasser.

Sixth-period chairman, Laura Mai Hightower; vice chairman, Leatrice Hutchins; treasurer, Maxine Woodall; song leader, Corine Phillips; historian, Ann Drinkard; reporter, Bernadine Wilson.

Ranchmen can help prevent grass fires by plowing one or more furrows just inside the fence where pastures are near highways.

Red Cross Aide

Sally Bradley, above, models new uniform to be worn by 100,000 defense volunteers who will be trained as nurses' aides by the Red Cross.

Baptist S. S. Class Meets in Home of Mrs. E. T. Prater

Members of the T. E. L. Sunday School class of the First Baptist Church met in the home of Mrs. E. T. Prater last Friday afternoon for its business and social session. Mrs. T. R. Garrett led in prayer. Mrs. A. Baldwin gave the devotional, reading from the 111th Psalm. Mrs. W. Wilson, president, presided over the business session. The class read the class motto and aims. The group sang the class song, "My Faith Looks up to Thee." Mrs. Sam Hamilton read the minutes of the previous meeting and Mrs. E. T. Prater gave the treasurer's report. Mrs. A. M. Wyatt, chairman of the nominating committee, gave the report from the committee and the following officers for the next year were elected: Mrs. J. N. Cypert, assistant teacher; Mrs. W. Wilson, president; Mrs. Lee Thornton, first vice president; Mrs. C. W. Crawford, second vice president; Mrs. George Hattenbach, third vice president; Mrs. R. H. Wherry, fourth vice president; Mrs. T. T. Loard, secretary; Mrs. John Barber, assistant secretary; Mrs. Chas. Drake, reporter; Mrs. W. E. Hill, group captain No. 1; Mrs. Claude Wells, group captain No. 2; Mrs. A. M. Wyatt, group captain No. 3; and Mrs. Chas. Oren, group captain No. 4. Mrs. A. Baldwin closed the session with a prayer. Mrs. E. T. Prater served cherry pie a la mode to the guests. Those present were Mrs. D. A. Grundy, Mrs. John Barber, Mrs. Jim Harrell, Mrs. W. E. Hill, Mrs. R. H. Wherry, Mrs. A. M. Wyatt, Mrs. Chas. Drake, Mrs. W. Wilson, Mrs. T. R. Garrett, Mrs. Sam Hamilton, Mrs. J. W. Fitzjarrald, Mrs. Claude Wells, Mrs. A. Baldwin, Mrs. J. S. Forkner, Mrs. W. R. Scott, and Mrs. E. T. Prater.

Pathfinders Have Meeting in Home of Mrs. Pritchett

The Pathfinders Council met with Mrs. Earl Pritchett Tuesday afternoon at 3 o'clock. Mrs. A. Gidden presided during a business session. The reports were given by the committees and plans were discussed for the new year's work. Members present were Mrs. W. F. McElreath, Mrs. Bryce Webster, Mrs. Henry Newman, Mrs. Mack Graham, Mrs. Eugene McElreath, Mrs. Cloyd Foreman, Mrs. Lee Wattenbarger, Mrs. B. B. Smith, Mrs. Clinton Srygley, Mrs. A. Gidden, Miss Margaret McElreath, and the hostess, Mrs. Pritchett. The next meeting will be an all-day meeting with Mrs. A. Gidden Tuesday, October 14.

RESIDENT'S NIECE WEDS

The marriage of Miss Barbara Ann Read, daughter of Mr. and Mrs. Charles H. Read of Lubbock, and Asher J. Thompson, son of Mr. and Mrs. R. E. Thompson, also of Lubbock, was solemnized Saturday afternoon at 3 o'clock at the Read residence with Dr. Jack M. Lewis of the First Presbyterian Church reading the double ring service. Mrs. Thompson is the niece of Mrs. D. L. C. Kinard of this city and Mrs. Don Wright of Lakeview. Hollis Boren went to Amarillo today to meet his wife and her father, Rev. M. C. Golden, who have been in Chowchilla, Calif., visiting relatives. Herman Hill of Amarillo was a business visitor here last Thursday and Friday. RILLING Koolerwawe is kind to your hair—at MRS. WHITLEY'S BEAUTY SHOP.

What Others Say— DAIRY EDITION DRAWS COMMENTS

Last week's issue of The Memphis Democrat, published in connection with the fourth annual Hall County Dairy Show, the opening of the Kraft Cheese Company plant, and the formal opening of the City Park, has drawn several favorable comments. Here are a few of them: The Panhandle Publisher (publication of the Panhandle Press Association): The Memphis Democrat greeted its subscribers September 18 with a 40-page edition. The edition was printed to boost the fourth annual Dairy Show and formal opening of the new cheese plant. Milk and milk products, cheese and its making, and dairy industry as a whole, filled the news stories and the advertisements of this splendid edition. The edition was one of the most unique ever printed in this area and one of the most interesting from the standpoint of the dairy industry. Claude Wells, Herschel Montgomery and the staff of The Democrat did a mighty fine job in the production of this edition. From M. E. McMurray, manager of the Texas Dairy Products Association, Inc. (offices in Fort Worth): We certainly want to congratulate you on the special dairy edition of your paper which we received this week. In my opinion it is the best that has been published in Texas. I intend to do my best to be present at the formal opening of the Kraft cheese plant on the 25th. R. F. Dudley of the Hollis Weekly News (a similar edition was published by the Hollis paper when the Kraft plant opened there slightly more than a year ago): Congratulations! I have just finished looking over your very good edition of September 18, wherein you have commemorated the opening of your new Kraft cheese plant. Certainly you have put our earlier edition in a very bad light. We thought at the time that we had covered about everything. Now I see that you have started where we left off. The improvement is near 100 per cent and we hereby tender our good wishes. Truly, your paper is splendid and I know that you and your associates will receive much commendation. You deserve it. I for one know something of the trials and tribulations a "paper man" must go through to work up and then produce such a masterpiece. I know too that you and your entire staff must be very proud of the finished product. It will be lasting and something for you to shoot at. Again let me offer my congratulations.

Memphians Go to Ford Pre-Showing Five members of the force of the Foxhall Motor Company of Memphis attended a pre-showing of the new 1942 Ford in Oklahoma City last week-end. Those attending the showing were Ed Foxhall, manager, and W. B. Hamilton, Fritz Crisler, G. L. Watson, and Hugh Crawford. The complete line of new Fords were shown, Foxhall said. The Fords will be on display here in the near future. Advertise in The Democrat!
