

# The Memphis Democrat

MEMPHIS, HALL COUNTY, TEXAS, THURSDAY, JUNE 17, 1926

NUMBER 51

## L. M. THOMPSON HURT IN AUTO WRECK FRIDAY

County Agent L. M. Thompson was painfully hurt Friday evening near Claude when he drove his car into a ditch to avoid an approaching automobile which was on the wrong side of the road and traveling at a high rate of speed. Mr. Thompson's car was turned over and his hand caught under the top and pinned between the top and the ground.

Two young men from Memphis drove up and lifted the car from Mr. Thompson's hand. The car was badly damaged. The victim has been confined to his home the past week but is reported to be somewhat improved at the present.

## AGED CONFEDERATE VETERAN PASSES AWAY

Jame Edward Fitzgerald, aged 82 years, died at the home of his daughter, Mrs. Bob Howell of this city Tuesday and was buried in Fairview cemetery Wednesday. The funeral was held from the Howell home conducted by the Rev. C. E. Jameson.

Mr. Fitzgerald was born March 15, 1844, in Tennessee, served in the Civil War as a corporal in Troop D 13th Texas Cavalry, was a member of the Methodist church and was a quiet and unassuming citizen. He leaves the one daughter, Mrs. Howell with whom he was making his home.

## R. L. FERRIS INJURED WHEN TRUCK FALLS

Last Monday R. L. Ferris of near Giles was brought to the hospital here. After a thorough examination it was believed that some ligaments had been torn loose in his stomach, from which he would recover, so he was taken to his home.

Mr. Ferris was helping some men lift an overturned truck on the highway, when the truck gave way and fell over on him.

## HUBERT LONG NOW REGISTERED DRUGGIST

Hubert Long returned Sunday from Galveston where he completed the course in pharmacy at the State School of Pharmacy in that city. Hubert passed his examination with high honors and received a diploma. He will probably locate in the Panhandle.

## ATTENTION GIRL SCOUTS

There will be no meeting of Girl Scouts Tuesday, June 22, but on Tuesday, June 29, we will have our regular business meeting. Each scout bring a picnic lunch. Meet at Library Park at 5 p. m.

## FIRE DELEGATES RETURN

Chief Silas Wood and King Stephens returned this week from Harlingen where 5000 delegates and guests to the golden anniversary convention of the State Firemen's association met Tuesday, Wednesday and Thursday of last week.

San Antonio was selected as the convention city for the organization for next year.

## LOCAL GOLF CLUB TO HOLD TOURNAMENT HERE COMING WEEK; ALL MEMBERS ELIGIBLE

The third annual tournament of the Memphis Golf club will be held at the local links Thursday, Friday and Sunday of next week, at which time the champion of the local association will be determined. There will be four flights, eight players in each flight and a consolation match Friday for those failing to qualify in the qualifying round of 18 holes to be played Thursday.

Eleven prizes have been arranged and a silver loving cup will be awarded the winner of the 36 hole final match to be played Sunday; medals have been selected and will be awarded all winners. Secretary Clower urges all members of the club to enter and compete for a prize. All entries will have a chance as those failing to qualify will play in the consolation match the winner of which will also receive an award.

The prizes to be awarded were donated by local merchants and it is thought several more will be procured before the tournament.

All members are eligible—the qualifying round will be played

## THE GREAT AMERICAN HOME

AIR ENOUGH

## NEW GIN SOON COMPLETE; ADD TO COMPRESS

In addition to the many new buildings under construction which are progressing nicely the Harrison gin is assuming proportions and will soon be ready for the machinery to be installed.

The Memphis Compress is also making some valuable additions to their already large platforms by adding another platform 150x460 feet. This will give the compress approximately 70,000 square feet of floor space. This will greatly aid in the proper storing of the large amount of cotton handled by the local press. Up to the present time 66,322 bales have been received and 2000 of which are yet on the platform.

## ALL ABOARD FOR AMARILLO

The stage is all set for the convention at Amarillo next week. Committees have been hard at work and getting everything in readiness.

As yet no arrangements have been made for a special train. The railroad has notified the local chamber of commerce that there must be 125 tickets bought at \$4.60 for the round trip, and application must be made by 5 p. m. Friday. Otherwise there will be no special train.

Wade Arnold and wife and Mrs. Chas Glenn of Wellington were called Monday to the bedside of their father G. N. Arnold of this city who is critically ill.

## Band to Render Contest Program Here on Friday

Friday evening at 7:30 sharp at the Baptist Tabernacle the Memphis Chamber of Commerce band will give its contest program. The Memphis Choral Club will also render the program at this time. The concert will last something like an hour and everyone is invited to attend.

At 8 o'clock Saturday night the band will parade on the square in new uniforms. All citizens are urged to view the parade and boost for the original Gold Medal band.

At 8 o'clock Sunday night at 5th and Polk streets in Amarillo the band will give a concert for the benefit of the convention visitors in that city.

The Choral Club will give the contest numbers Monday night.

The Memphis band has been entered in the band contest of the West Texas Chamber of Commerce, and will present their contest numbers at Amarillo Monday afternoon. It is believed the band will win as usual, the grand prize of the contest.

## SEA PICTURE TAKEN ON EAST AFRICA COAST

The east coast of Africa, admittedly one of the most romantic spots in the world, is the colorful background for the thrilling action of the major part of "Sea Horses," Allan Dwan's spectacular sea melodrama, which will be shown at the Palace Theatre on Wednesday and Thursday, June 23 and 24.

The story, which was adapted from the exciting novel by Frances Brett Young, details the thrilling adventures of a lovely, cultured English girl, who comes to one of the seldom visited ports on this coast in search of her handsome Italian husband.

Matching the story in strength, is the powerful cast of popular players, which features such favorites as Florence Vidor, Jack Holt, George Bancroft and William Powell.

Many of the stirring dramatic scenes, including an extremely realistic hand-to-hand battle, take place on board a freighter captained by Holt, on which Miss Vidor accompanied by her four-year-old daughter, is the lone woman passenger.

Hundreds of natives appear in the African jungle scenes, and the life and atmosphere of this little known corner of the earth is reproduced with amazing fidelity. From the purely pictorial standpoint, "Sea Horses" is a production of rare beauty.

## IT SEEMS TO ME

The reason courtesy is so effective is because it produces such big results at so little expense.

## MAN ARRESTED FOR FORGERY IN JAIL HERE

A man giving his name as W. W. Manning is in the custody of local officers and being investigated, alleged to have given several bad checks to local merchants of Memphis, under the names of J. W. Manning, W. L. Manning, J. W. Warren, E. L. Manning and W. J. Manning. The checks ranging from one to four dollars each.

He was arrested at Clarendon a few days ago for the same kind of offense, and was given a misdemeanor fine and his brother-in-law paid off the checks. Sheriff Merrick was notified and went to Hedley Tuesday after the man bringing him to Memphis where several men who had his checks have identified him as the one issuing the checks.

## MRS. BRACKEEN DEAD

Mrs. Opal Pauline Brackeen died Tuesday, June 15, at 3:15 at the family home at Eighth and Noel streets. She was sixteen years and nine months of age and was the wife of J. L. Brackeen. Besides the husband she is survived by her father and mother, Mr. and Mrs. J. N. Strickland, and brothers and sisters of this city.

Funeral services were conducted Wednesday afternoon at 1:30 at the First Baptist church of which she was a consistent member, by the pastor, Rev. E. T. Miller assisted by Rev. C. E. Richter, pastor of the First Presbyterian church and Rev. C. E. Jameson pastor of the First Methodist church. Interment in Fairview cemetery.

## H. B. BENNETT WITHDRAWS

To the voters of Hall county: I have decided to withdraw my candidacy for the office of public weigher of Precinct One, and wish to thank the many friends who have been supporting me in the race. I assure you your support and promise of support in the coming election is appreciated, but for business reasons have decided it best to withdraw from the race. Yours sincerely, H. B. BENNETT

## W. M. U. DELEGATES HERE

Rev. E. T. Miller and D. A. Grundy families had as visitors Sunday Mesdames J. W. Sanders, H. S. Wilbur, J. Cureton, P. V. Bryant, E. M. Dunsworth, E. H. Morris, Stickler, Henderson, W. B. Wiggins, and little Lois Carroll Bryant, all of Canadian. They were enroute to the W. M. U. district meeting at Clarendon. Mrs. D. A. Grundy is president of the Amarillo W. M. U. District, and presided at the meeting in Clarendon.

## WANTS TO JOIN MEMPHIS

Bob Erwin, secretary of the Estelline Chamber of Commerce and Editor Fred Landers were in the city from Estelline first of the week meeting with the local chamber in regard to arranging for both Memphis and Estelline delegations parading together at Amarillo next week.

Judge J. M. Elliott returned Tuesday from Dallas.

## MOODY FLAYS FERGUSONISM SPEECH HERE

Wednesday afternoon Attorney General Dan Moody spoke at the Baptist tabernacle to a crowd estimated at from 1500 to 2000 people. He was introduced by Judge A. S. Moss and was greeted with hearty applause.

In his address Moody showed the strain of speaking several times each day, but was able to make the audience hear every word he uttered. He is a forceful speaker and able to carry his audience with him throughout his address.

After outlining the things for which he stands and will work for if elected, he then said he was against Fergusonism, which he says is a blot on the fair name of Texas. In his discourse he showed how the Fergusonism has betrayed the people of Texas who elected him, and has cost the state millions of dollars in mismanagement.

"The action of the Democratic executive committee, dictated by the Fergusonism, has placed upon the citizens the duty, not only to repudiate Ferguson, but voting also to approve the record made by the Attorney General's department. I do not fear the people's verdict in the matter," Moody said in closing.

He was frequently cheered and will no doubt lead Hall county by a large majority.

## MEMPHIS BOY HONORED AT LUBBOCK TECH

Lubbock, Texas, June 12.—The first school year of the Texas Technological College was officially closed when the students together with hundreds of visitors crowded in the Tech Pavilion for the final convocation when Dr. Carl C. Selecman, president of the Southern Methodist University of Dallas delivered the address on "Human Progress."

Old Father Time rung the final bell upon one of the most outstanding school records that has ever been made by a new school in the United States. Opening for the first time last October, 1043 students enrolled in the college this year while the school made outstanding records in all phases of college life, athletics, scholastic work and other events.

Twelve scholarships were awarded to students at the final exercise. The awards are as follows: W. C. Hedrick scholarship of \$250, for highest standing student in scholarship to Mrs. Mary Dale Buckner, Lubbock; Lynch Davidson scholarship, \$250 for highest excellence in Oratory to Eugene Jordan, Amarillo; John W. Carpenter scholarship, \$250 highest excellence in Textile Engineering to Roger P. Allison, Brownwood; Clifford B. Jones scholarship \$250 for highest excellence in Agriculture to Claude C. Hope, Sweetwater; Star-Telegram scholarship, \$250, best all-round athlete to Volney Hill, Milford; Nislar scholarship, \$100 for athlete making highest grade in scholarship to Winfield Nicholas, Amarillo; Lee Allen scholarship, \$125 for some worthy young man to be selected by the faculty to Huston Frederic, Blooming Grove; Lewis T. Carpenter scholarship, \$100 best college citizen judged by faculty, to Orval Burroughs, Lubbock; Mary T. Carpenter scholarship, \$100 best college citizen among the women judged by faculty to Miss Agnes Brown, of Clovis, N. M.; Dr. J. T. Hutchinson scholarship, \$100 highest excellence in English to Harry Montgomery of Memphis; J. T. Hutchinson scholarship, \$100 to young woman making highest excellence in English to Miss Lucille Davis, Amarillo; Pan Hellenic Society of Lubbock prize to highest grade in Home Economics to Miss Floy Anglin, Tahoka.

The summer session of the college is now open and over 1,000 are registered for the school.

Barney Pool and family, E. C. Reeves and family and Misses Maude and Preb McDonald, of Wheeler county, visited in Memphis a short while Saturday. They were on a fishing trip to Lake.

## WICHITA FALLS TO MAKE HARD FIGHT FOR 1927 W. T. C. C. MEET; LARGE DELEGATION TO ATTEND

Wichita Falls, Texas, June 15.—The greatest plans the business men of the city have ever made for a convention have been completed for the 1926 meeting of the West Texas Chamber of Commerce June 21, 22, 23. Wichita Falls is asking for the 1927 convention and has already started entertainment plans which promise to surpass any event of the kind in the history of the West Texas Chamber of Commerce.

The Wichita Falls delegation, 150 of them will make the trip to Amarillo in a special train. Several score are expected to go by automobile. The local delegates are planning for one of the most unique parades on the second day of the convention, that has ever been given in the Southwest. The delegates will be uniformly dressed in regalia that was worn in the days of the bull fights. They will be headed by the Municipal band and one of the entertainment features will be a burlesque bull fight on the streets at intervals during the two days the Wichita delegates will be in the convention city.

Numerous pledges of support

## COMMISSIONER OF AGRICULTURE HERE

Geo. B. Terrell of Cherokee county, commissioner of agriculture for the State of Texas, was a visitor in Memphis Wednesday. While here he called upon many of our citizens in behalf of his candidacy for re-election to that office. He is making a tour of the state and had to make his visit short.

### Contests of Cotton Contest Entries Must Go to News

Farmers who are entered in all cotton contests or county contests are being automatically entered in the Dallas Morning News and Semi-Weekly Farm More Cotton on Fewer contest so that they will have a chance to compete not only for the local prizes but for the state prizes, totaling \$10,000.

Farmers of county or local contests are urged to mail their entries to the Dallas Morning News at their local addresses. If this is done, the list of their local entries can be entered in the contest. If this is done, some farmers who may be denied some of the big prizes but will have a chance of winning a State prize. Their names have not been in the Dallas News.

Local cotton contest entrants ask their county agents or farmers of the local cotton contest to mail their names in by before July 1, when the contest entries will be opened.

Some five acres and the effort put forth in a local contest will enable farmers in the State contest. If nothing to enter the State contest so why not be entered for all the prizes that a farmer possibly win? Also, the farmers who enter the State contest will have the more successful cotton raising assembled which will be the property of all Texas growers.

More than 6,000 farmers have entered the State contest and it is hoped to exceed this very largely when all the contestants have entered.

**OTHER "STEPS OUT", WHAT THEN**

Do you have any idea what's going around you? What do you know about your neighbors? Are you happy? Do you ever stop to think in this great throbbing life of ours that we call 'life' is being enacted daily by people who have never had any about going on the stage? For instance, in New York City, last year, something happened was known to only a few people. Now—the news has come out.

It is likely, you have never even heard of the Hugh Westcourts, a wealthy couple whose marriage seems to have gone on for years. Hugh and Ethel had a daughter, a crazy, jass-mad girl, who liked to hit the bright lights. And her father had some same tendencies himself.

According to the story which was given, one night, while dancing with her youthful fiancé, Kenneth Kittens started to flirt with a young man, an understanding of course, Kenneth became irritated, and the more he thought of his annoyance, the more he was irritated. Finally the evening was over, but not the flirtation.

When the Westcourts, in despair, Kenneth appealed to a friend, Westcourt for help, and he went out to put a crimp in this girl's naughty life. But on meeting her she, too, fell deeply in love, and he with her. So, as they say in the fable, "wasn't that a pretty dish to set before the king?"

What happened then? Did the daughter just resign or did she stay to contest her mother? How did the father take it? Did he try to bring his family together?

Those are some of the things which audiences at the Palace Theatre will find out on next Wednesday and Thursday, when

### New Face Among British Royalty

Little Elizabeth Alexandra Mary, shown above, is the newest of England's princesses. The infant is the daughter of the Duke and Duchess of York. Water was brought especially from the River Jordan to be used for her christening.

### FAMILY RE-UNION SUNDAY

A very pleasant occasion was enjoyed last Sunday when sixty-two people gathered at a beautiful spot just below the cap rock on the Quitaque-Lockney highway and there spread their basket lunches in old fashioned picnic style and for several hours enjoyed a family reunion that will long be remembered by all those present. It would have taken several years for all these people to have made the rounds and visited each other in their individual homes and this was a most happy occasion for these kinspeople of Mr. and Mrs. J. S. Solomon of Floydada, to get together in one assembly. The following were present: Mr. and Mrs. J. S. Solomon, Misses Belva and Lillie, and Henry and Mina Lee Solomon, Floydada; N. W. Williams and wife, Floydada; W. W. Richards and family, Lockney; Tommie Longshore, Lockney; Henry Robertson, Lockney; Tom Basin and family, Hedley; Mr. and Mrs. L. Williams, Sunset; Mr. and Mrs. J. P. Longshore, Estelline; Mr. and Mrs. R. A. Hutcherson, Alfred Hutcherson and wife, Mr. and Mrs. C. E. Lockhart, Mr. and Mrs. Gilmer Lockhart, J. B. Moore and family, Henry Moore and family, Bill Longshore and family, E. W. Solomon and family, Memphis.

Dr. and Mrs. H. F. Schoofield departed today for a two weeks vacation at Fort Worth and other points.

### NOTICE OF SHERIFF'S SALE

The State of Texas, County of Hall. Notice is hereby given that by virtue of a certain order of sale issued out of the Honorable District Court of Hill County, of the 2nd day of June 1926, by the clerk of said court for the sum of Seventeen Thousand Six Hundred Twenty-one and 12-100 Dollars and costs of suit, under a judgment, in favor of The Farmers National Bank of Hillsboro, Texas vs. S. T. Cheatham et al, placed in my hands for service, I, J. A. Merrick as Sheriff of Hall County, Texas, did, on the 3rd day of June

1926, levy on certain Real Estate, situated in Hall County, Texas, described as follows, to wit:

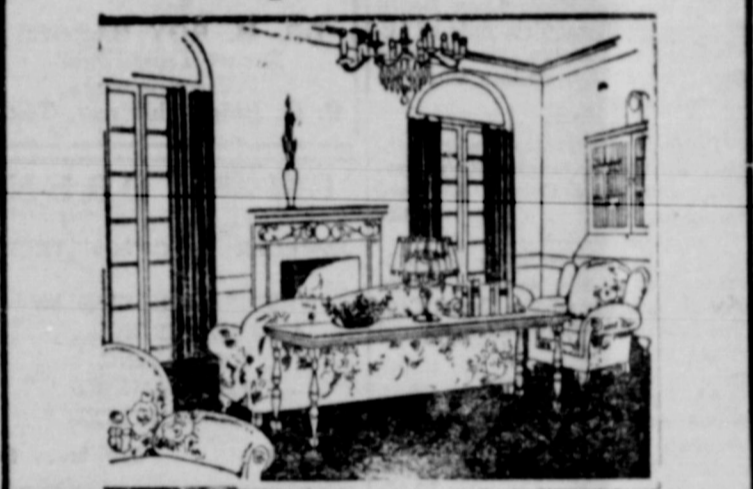

Being 620 acres of land in Hall County, Texas known as Section 32, Block "H" Certificate 757, A. B. & M. about 21 miles South 15 deg East from Memphis: Beginning at the N W Corner of Section 31, Block "H" A B & M in Hall County as resurveyed by Deputy Surveyor, Geo. H. Chipman: Thence W 1958.6 vrs; Thence S. 1921.5 vrs; Thence East 1958.6 vrs; Thence N 1921.5 vrs to the place of beginning. Being the same land that was conveyed by deed of date February 2nd, A D 1925, executed by J. C. Harper and wife Altie U. Harper, to W. M. Williams, and recorded in Volume 47, page 338, Hall County Deed Records and levied upon as the property of S. T. Cheatham, H. P. Hill, J. M. Roberson and C. G. Knox, and that on the first Tuesday in July 1926, the same being the 6th day of said month, at the Court House door, of Hall County, in the City of Memphis, Texas, between the hours of 10 a. m., by virtue of said levy and order of sale.

I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said S. T. Cheatham, H. P. Hill, J. M. Roberson and C. G. Knox.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Memphis Democrat, a newspaper published in Hall County.

Witness my hand, this 3rd day of June 1926.  
J. A. Merrick, Sheriff Hall

### Buick Motor Co. In Most Active Selling Season

The Buick Motor Company is in the midst of the most active selling season it has ever enjoyed, according to the announcement of the sales department.

In the ten months since the current series was introduced last August, 205,182 Buicks have been delivered to owners. In the first ten months after their introduction, 144,776 1925 models were sold, setting a record. The 1926 record, however, is higher by 60,406 cars, or 41.7 percent.

The sale of 205,182 Buicks of the latest model in ten months exceeds by many thousand the sale of any previous model in an entire twelve month period, according to the announcement.

The demand for Buicks continues at the high level reached in April, when 31,362 cars were delivered to owners. In May, 29,966 deliveries were made.

Deliveries for the five months since the first of the year total 110,026 cars. This exceeds the record for the same period in 1925, when 78,612 cars were delivered up to the first of June. The gain in 1926 over 1925 is 31,414 cars, or about 40 percent.

E. T. Strong, General Sales Manager, states that every shipment and delivery record of his company has been broken time after time since the 1926 models were placed on the market last August. Deliveries for the last few months have been running ahead of production from seven to ten thousand cars.

#### HARRELL CHAPEL LADIES TO GIVE BENEFIT SUPPER

The ladies of the Community club of Harrell Chapel will give an ice cream supper at the school house on Monday night, June 21. The proceeds are to be used to buy a community canner. It is believed the candidates will be in attendance in full force. Everyone invited to attend and buy freely.

#### ONE-THIRD DEATHS DUE TO PREVENTABLE DISEASES

Approximately one-third of all deaths in the state for 1925 were due to preventable diseases, according to reports compiled by the bureau of vital statistics of the state board of health. A total of 42,251 deaths were reported for the year, and of this number 15,078 could have been prevented through the rules of right living, personal hygiene, sanitation, and other precautionary methods.

There were 322 homicide victims, and 356 accidental deaths from firearms; 285 died as the result of burns; 194 were victims of drowning; train accidents claimed 168; and auto accidents totalled 437.

Deaths from infectious diseases which are listed as preventable were: pulmonary tuberculosis, 3,613; pneumonia, 2,644; diarrhea (under 2 years), 1,953; influenza, 1,082; broncho-pneumonia, 992; typhoid fever, 578; diarrhea (over 2 years), 499; meningitis, 335; other tuberculosis than pulmonary, 251; malaria, 191; syphilis, 181; diphtheria, 176; tetanus, 149; puerperal septicemia, 132; whooping cough, 102; measles, 62; acute poliomyelitis, 43; anthrax, 2; small pox, 2; and scarlet fever, 34.

Seven deaths were also reported as due to rabies, and suicide victims numbered 237.

H. A. Finch and family departed Sunday afternoon in their car for Boulder, Colo., where Mr. Finch will take a summer course of studies. The family will later return to Dalhart, where Mr. Finch has accepted a position as superintendent of the Dalhart Public schools.

S. T. Harrison made a short visit in Lubbock this week. He was accompanied by Miss Geraldine Smith who had been visiting in Memphis also Mrs. G. W. Parkhill who visited her mother and sisters. The party returned Tuesday.

Mr. and Mrs. J. D. Payne and baby of Turkey were in the city Monday. Mr. Payne is connected with the Turkey postoffice and is taking his annual leave of absence. He will visit the oil fields before his return to Turkey.

#### Miss America?

Joan Alden, shown above was the winner of a bathing beauty contest at Ocean Park, near Los Angeles, Calif. Many are predicting that she will carry off the honors as "Miss America" in the national beauty contest at Atlantic City this summer.

#### Webster Warblings

Crop conditions are excellent in this community and all are thankful for the excellent weather which will be of material benefit to the crops.

Mr. and Mrs. T. J. Huff entertained the young folks with a party at their home Friday night. A large number attended and all report a nice time.

Mrs. Woods is reported ill this week.

James Huff had the misfortune of spraining his ankle Sunday but is reported to be somewhat improved at the present.

J. A. Stanford purchased a new Chevrolet truck last week. Tom Scoggins has purchased a new Chevrolet truck.

Leon Fisher and Claude Scoggins left Monday for the wheat harvest at Pampa.

Mr. and Mrs. J. A. Creager and daughter Allyne spent Saturday and Sunday in Memphis with Mr. and Mrs. H. B. Brock.

Rolla Smith came down from Dalhart Friday and spent several days visiting his mother, Mrs. J. Ad Smith. Rolla reports crops of every description looking fine and that the cotton crops are especially fine in all sections.

Mr. and Mrs. L. M. Thornton and children departed this week by auto for Eton, Ga., where they will spend a few months visiting friends and relatives. The trip will be made by way of Oklahoma City and Fort Smith, Ark.

#### Headache dizziness

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morris, of Pottsville, Ark., "and the very best remedy I have found to correct this condition is Thedford's Black-Draught. It acts quickly and easily, and it just can't be beat."

"Black-Draught is the very best laxative I have found. I always feel so much better after taking it."

"My wife takes Black-Draught, too. For dizziness, constipation and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."

Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.

Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.

#### DENNY EMPLOYS NO ARTIFICIAL BEAUTY

Motion picture players have various methods of improving their technique. Many of the stars devote much time and effort in an endeavor to keep up their high standards, to an extent little dreamed of by the public.

In Hollywood there are several academies, run by world famous Continental stage actors, catering solely to stars of the screen. Lessons in deportment, poise, drama, fencing and various other subjects are taken daily by cinema luminaries to help them in their screen work.

There are also some exclusive organizations also which deal only with the very topmost figures of the movie world. These are health specialists. When actors and actresses discover, to their dismay, that their waistlines expand beyond their sylph-like lines, immediate recourse is taken to correct the advance of obesity.

And when weight is to be kept up to a certain figure, which is very often an important clause in a players contract, these same specialists are reported to assist in withstanding the loss.

However, there is one star in Hollywood who airily dispenses with all artificial aid. That star is Reginald Denny, who will appear at the Gem Theatre in the new Universal-Jewel "Skinner's Dress Suit," which shows on Wednesday and Thursday, June 23 and 24.

A toasted sandwich is just what you want. Get them at Garnett's Place on Main. 51-2tc

V. R. JONES Registered Optometrist Eyes Examined—Glasses Fitted Office Over City Bakery HERE EACH MONDAY Phone 452

STAR PARASITE REMOVER A GREAT POISON KILLER Given freely in drinking water or mixed in food thoroughly kills all intestinal worms and parasites. Its formula is superior and other ingredients known remedies for improving the system and preventing disease. Better prevent than try to cure. Contains no alcohol or poison. Can be given to all types of chicks, old fowls and turkeys, any kind of weather with good results. Its cost is very small—a one dollar bottle will last 100 fowls more than 100 days. The manufacturers are anxious for all quality raisers to try it 60 days at their risk on the following conditions: After using 60 days if your flock has not improved in health, produced more eggs—eggs that hatch stronger and healthier young chicks—come back to your dealer—he is authorized to refund your money.

CLARK DRUG COMPANY You will find a complete line of Hardware, Garden Hose, Refrigerators, etc., of the best quality and the lowest price at Memphis Hardware & Imp. Co. 47-tfc

## THE MEDICAL PRACTICE ACT

The Medical Practice Act does not effect anyone until they are convicted for practicing medicine without license. Then the act enjoins them from practicing in the State. They are trying to use the act to exclude competitors of the medicos, which was intended to regulate the practice of medicine. Their writers and speakers claim they are working in the interest of society. (The part of Society they make, of course).

The way for them to stop the Chiropractors is for them to get the people well instead of trying to keep the Chiropractors from getting them well. The Medical Trust has tried to stop the Chiropractors from practicing in every state in the union, but have failed in every state. WHY? Because Chiropractic gets results after medicine and all of the Medical adjuncts, such as electricity, massage, etc., fail.

Another reason why the Medical Trust started the fight on the Chiropractors in Texas is because people are leaving many of their members and are coming to us. And they are becoming alarmed and the fight they are waging on us gives them a chance to advertise the practice of medicine, which they hope will regain their practice. But how can they with such statements as the following:

#### TO WHOM IT MAY CONCERN:

I had been almost an invalid for six years prior to taking Chiropractic adjusting from John W. Fitzjarrald.

I had several regular doctors who gave only temporary relief. I began to improve from the first adjustments and am now feeling fine, though it has been six months since I have had an adjustment.

Thanks, to Chiropractic, and to Fitzjarrald, the Chiropractor. MRS. L. A. BROWN.

Oh! Well, they like to fight; they fight one another; they ostracized Harvey when he discovered that the blood circulated and announced it to the world. They fought the bath tub. If they ever get started using the right method in fighting disease they probably won't need to fight anything else.

### Publicity Is ed Within Our as Borders

Representative W. N. Vaile of Colorado.

Do you realize, Mr. Tax Payer, that one girl in the reform school from your county costs your State almost as much annually as a county home demonstrator for all the girls of the county would cost you?

Wisconsin, one of the liveliest States in the U. S. A., with one of the greatest State Universities and one of the most popular university presidents, has only ONE county home demonstrator in the State doing regular county home demonstration work such as 90 are doing in Texas. And that ONE is employed partly by the Chamber of Commerce or some local organization. Now no need to doubt this because the State Home Demonstrator of Wisconsin told me this herself just a few weeks ago. But they are getting ready for the work as fast as they can. They have several district demonstrators at work. Could Texas inspire other states if her wonderful work were better known?

Texas leads the Nation in Home Demonstration work. How many of us know it and appreciate it? How many of us are proud of it?

S. G. Alexander, W. H. Wilson and Uncle Hamp Roberts left Tuesday for Mineral Wells, where Mr. and Alexander and Mr. Wilson will remain for several weeks while Uncle Hamp returned Sunday night.

A. T. Lokey and family left for a two weeks' vacation tour in New Mexico and Colorado. They were accompanied by Mrs. Lokey's parents.

Mr. and Mrs. T. R. Blades left last week for Chickasha, Okla., to visit their sons, Elmer and Ben Blades for a few days.

### Summer Camps Should Be Kept Clean Condition

Dr. H. O. Sappington, state health officer, has asked the assistance of county and city health officers in the inspection of local Boy Scout camps as a means of safeguarding the health of the thousands of boys who will occupy these camps during the summer months. These camps are becoming more popular each year, inasmuch as science has conclusively proven that sunlight is one of the best tonics and curative agents known, and when coupled with fresh air, and wholesome exercises, goes a long way in promoting physical fitness.

"In Pennsylvania," Dr. Sappington stated, "the state maintains sun camps for children suffering with rickets, tuberculosis, and other diseases, and these children play in the sun for hours at a time with no clothing other than a band, and splendid health improvements have been shown wherever these camps have been conducted. The value of sunlight as a health factor is being universally recognized, and for that reason vacations are especially beneficial when spent in the open.

APPROVED TOURIST CAMPS  
Tourist camp sanitation as a means of protecting the health of

those on outings and vacations, is also receiving the attention of the state board of health. The following camps have complied with the sanitary regulations prescribed by the board, and others will be added to list as soon as satisfactory reports are received from local health officers: Abilene, Green State Camp; Austin, Barton Springs and Deep Eddy Park; Belton, Yette Tabler and City Park; Bonham, Oak Glen Park; Brenham, Firemen's Park; Bryan, Dellwood Park; Childress, Lake Frost Park; Denison, Munson Park; Edinburg, Tourist Park; El Paso, Camp Grande; Fort Worth, Trinity Park; Galveston, Hawk's Tourist Camp; New Braunfels, Camp Warnecke and Nowotny Camp; Georgetown, Goodlett Park; Greenville, City Park; LaGrange, City Park; Lampasas, Anderson Park; Leonard, State Park, Longview, Lake Lamond Park; Lufkin, Jones Lake, Magnolia Park; Tent City; Marble Falls; Johnson Park; Mineral Wells, City Tourist; Palacios, P. Y. P. U. Camp; San Angelo, Sherman, Houston Street Park; and Tourist Park; Sulphur Springs, Bufords Park; Victoria, Municipal Park; Eastland, Rotary Park; Widhita Falls, Scotland Park; Eastland Park, Eastland; San Antonio, Covington Park.

Mr. and Mrs. Ed Powers of Wichita Falls and Mr. and Mrs. Elbert Stephens returned from a week's vacation trip to New Mexico and Colorado Sunday.

### BUICK USES SPOT WELDING FOR ALL PARTS OF CARS

The various parts which make up an automobile engine must be prepared separately and go through many operations before they are ready to be assembled.

The crankshaft must, in the case of Buick, be drop forged in order to shape and harden it. The upper crankcase must be cast in the gray iron foundry. The lower crankcase must be stamped out in the huge presses in the sheet metal plant. All the hundreds of parts which go into the finished engine must go through certain operations and pass rigid tests.

The operation of stamping out the Buick crankcase is a particularly difficult problem which was solved in the Buick sheet metal plant.

The spot welding operation is used extensively throughout the Buick factory. It is an effective and quick means of welding two pieces of steel by means of electric arcs. Its use eliminates slower and less efficient methods which are more expensive.

Mrs. John Nichols, living near Route Two was a pleasant caller at the Democrat office Monday and while here subscribed for the Democrat.

a new lease on life since somebody has helped them find the way to a more abundant life right where they are. If you do not believe this you should begin now to plan to attend the Farmers' Short Course at A. & M. College the first week in August. You will come back a better and wiser man or woman and a more willing taxpayer for the worth-while things in life instead of spending so much taxes on the criminal element. If Texas would put a farm agent, a county home demonstrator, a Boy Scoutmaster and a Camp Fire Guardian in every county in the State, the whole penitentiary might be sold in a few years and used as experiment stations and camp grounds for the good boys and girls.

### "Business Insurance Was John's Hobby-

... it will never replace him to you, my dear, nor to the firm, but it will help us carry out John's plan to get back on a dividend basis soon."

IN THE dark days of 1920, when the prosperity bubble bursted, John, Roger and Jim, had awakened to the realization that their business was in desperate straits. With \$60,000 in debts it was either bankruptcy, or fight through on short salaries and no dividends, until earnings could wipe out the loss.

"Only one thing can keep us from winning in the end," said John. "That thing would be the loss of one of us. Business Insurance will protect us against that loss should it come."

The partners hesitated... the expense... and the business crying for every dollar they could scrape.

But John held out and finally they agreed. The company bought a policy for \$20,000 on the life of each, payable to the firm in case of death.

They faced the struggle with grim determination. It had been a hard grind, but victory was in sight.

And then... Pneumonia... sudden, cruel, relentless. John's empty chair... the telephone mutely silent... the routine of business rudely interrupted... the widow sodden with grief... vaguely wondering of the future.

Days later, they met at the office. Thankfully, as Jim smiled reassuringly, she heard Roger saying: "Business Insurance was John's hobby, it will never etc., etc."

Here is a dramatic chapter in business life—typical because it's true. Have you given Business Insurance the consideration it deserves? In this day GOOD business men look upon this as one of the most necessary forms of Life Insurance. There is an ideal Southland Policy to cover the needs peculiar to every business. Talk with the Southland man, you'll find him helpful.

Have you Enough insurance

**GULF**

**NO-NOX**

MOTOR FUEL

**STOPS KNOCKS**

*Turns Mountains into Mole hills*

**FOR** years the carbon knocks, clicks, pings or detonation in automobile engines have been a menace to motor efficiency and a sore spot to the motorist. **GULF No-Nox Motor Fuel** has turned the old time carbon bugaboo into an asset, in fact it has put carbon to work.

**No-Nox and Carbon are Power Twins**

Compression is power—Carbon adds compression—**No-Nox** withstands compression and the combination gives wonderful motor efficiency.

**GULF No-Nox Motor Fuel** not only withstands the high compression of the modern automobile engine—but also the added higher compression caused by carbon deposits on the walls and piston head which increases with the age of the car;—clicks and knocks are eliminated—greater efficiency is accomplished—followed by more power and greater mileage.

**This Guarantee goes with it**

**GULF No-Nox Motor Fuel** is Non-Noxious, Non-Poisonous and no more harmful to man or motor than ordinary gasoline—that it contains no dope of any kind—that the color is for identification only—and will not heat in summer driving.

**GULF No-Nox Motor Fuel** is priced three cents per gallon higher than ordinary gasoline—and is worth it.

**The Orange Gas—At the Sign of the Orange Disc**

**GULF REFINING COMPANY**

Mr. and Mrs. G. W. Russell and son, Woolworth, of Amarillo, came in Saturday morning for a visit with relatives. Mr. Russell went on to Austin Sunday morning for a few days business trip.

Miss Ila Jo Leslie arrived last week from Denton where she had been attending school the past term.

Forest Grant and Ronnie Shepherd came home from Texas Tech Thursday night where they have been attending school the past nine months.

## A Studebaker Convert

Long Beach, Calif., May 21, 1926

Mr. Raymond Ballew,  
Memphis, Texas.  
Dear Raymond:

The 1924 Model Studebaker I was driving while there made the trip to California in four days, and five hours of that time was spent in 30 miles of mud between Hereford and Texline. The first night we stayed in Roswell, the second in Lordsburg, the third in Gila Bend, Arizona, and drove the 518 miles from there to Long Beach the last day.

There was not a minute that the Studebaker was not ready to go faster and I did spend a cent on it all the 1627 miles from there to Long Beach.

The speedometer shows the car to have been driven 45,963 miles, and in my opinion there is no car on the market that will stand more, if as many miles, and still sell for \$600.00. As that is what this one sold for the day I arrived here.

Hoping you a successful Studebaker year, I remain,

A Studebaker Convert,

(Signed) GEO. WILTON

READ THE TRUTH ABOUT KILLING INSECT PESTS

In the first place—  
**don't pay a Big Price**  
for an insecticide

WHY pay a big price for an insecticide or buy expensive spraying apparatus when so little as 25c buys a generous size of Bee Brand Insect Powder—sufficient to rid your home of insects, or to prevent insects invading it for a long time to come. Bee Brand Insect Powder is not only a most effective insecticide, but it is also the least expensive.

#### Bee Brand Won't Explode

You can use Bee Brand Insect Powder anywhere, near an open fire or flame of any sort, without danger. It will not explode nor is it easily inflammable. An insecticide that is explosive, or highly inflammable is a menace—a fire risk.

#### What of the Plants?

Dare you apply your present insecticide to plants? If you wish to remove insects from plants or flowers, or if you wish to use Bee Brand in a room where plants and flowers are, have no fear. It will not harm them. Bee Brand is non-poisonous. Dust it or sprinkle it on your pets and domestic animals. It will not harm them. Eat it if you wish—it will not hurt you.

#### How Much Apparatus

None is necessary. If you prefer to use the little puffer gun, the cost is only 10c. Blow Bee Brand Insect Powder from a piece of paper. It floats in the air and its fine particles kill Flies, Mosquitoes, and Moths. Dust it in cracks and crevices, or about the furniture, it kills Roaches, Water Bugs, Fleas, Lice and Bedbugs.

#### Settle It Once and for All

You know what kind of soap serves you best. Modern sanitation has made insect powder as necessary as soap. If you have never used Bee Brand you have not yet found the most effective and least expensive insecticide. Order it by name and insist on getting it.

In red, sifting-top cans at your grocer's or druggist's. Household sizes 10c and 25c. Other sizes 50c and \$1.00.

If your dealer cannot supply you, send us 25c for large household size. Give dealer's name and ask for our free booklet, "It Kills Them", a guide for killing House and Garden Insects.

McCormick & Co., Baltimore, Md.
