### Goblins And Witches Expected To Be At Halloween Carnivals

"We are ready," said R. C. Householder, commander of the Charles R. Simmons Post No. 175 of the American Legion, "for one of the largest carnivals and Halloween celebrations Memphis has ever had."

Members of the Legion have been preparing this week to open the American Legion Carnival Friday night. It will be held both Friday and Saturday nights. It is requested that those attending wear costumes and masks. Householder stated, to add to the spirit of the occasion.

A big street parade will probably be held Saturday afternoon. The carnival is under the direction of Roy L. Guthrie, Leonard Doss and Tom Ballew. Ray Martin is in charge of the street parade, and other members of the Legion will assist with the entertainment.

### Heads Of County Schools To Meet Here November 7

Superintendents and principals of Hall County schools will meet from noon till one o'clock Saturday, November 7, at the high school building here, according to an announcement made this week by H. A. Jackson, superintendent of the Memphis Public Schools. It is planned to have several similar meetings during the school year, Mr. Jackson stated.

The purpose of the meeting is to discuss problems relative to the general conditions of the various schools, and to endeavor to form a similar course of study in them.

To Discuss League  
Plans will also be discussed for the Interscholastic League work, since the Teachers Institute will not be held this year, Mr. Jackson said, at which time this work is usually done. Teachers over the county are planning to attend the state convention which will be held in Amarillo, November 26-28, inclusive. This is the first time that the convention has been held in this section of the state, Supt. Jackson stated.

It is expected that approximately 35 teachers will attend the meeting to be held here. Girls of the high school home economic classes will serve the group a meal during the noon hour.

An interesting program is being planned and any attendant will have the privilege of bringing up any problem for discussion before the body, it was said. It is hoped that this initial meeting will be a benefit to the teachers and help in solving problems which are confronting them at this time, Mr. Jackson said.

### To Hold Revival

John S. Mullen, minister of the First Christian church of Childress, who will conduct a gospel meeting at the local Christian church beginning Sunday, November 15, and closing Sunday, November 29. Mr. Mullen is a graduate of Phillips University, Enid, Oklahoma, and is a strong Bible preacher. Donald Shepherd will have charge of the song services.

### County Court Is Dismissed After Hearing One Case

County Court was dismissed Monday morning for the remainder of the week with only one case being heard, according to County Judge A. C. Hoffman. The other cases which were scheduled on the court docket for this week were not heard because of the inability of several parties concerned to appear. They will probably be heard at a later date.

Monday morning, the case of the State of Texas vs. H. F. Campbell, charged with injuring personal property, was heard and Campbell was fined one dollar and costs, it was stated.

Those to be summoned for jury services for the coming week, according to Miss Edna Bryan, county clerk, are: W. B. Stargel, John L. Sullivan, J. A. Whaley, N. W. Williams, Wiley Stewart, M. N. Orr, M. F. Trussell, W. C. Wolf, W. E. Watson, John L. White, T. D. Weatherby, H. D. Tyler, W. W. Williamson, H. H. Newman, E. P. Thompson, G. S. Sigler, C. G. Smith and J. W. Vallance.

### NOTE OF GLOOM FELT IN CAMP OF CYCLONE

Five Regulars Nurse Injuries On Eve Of Championship Tilt

(W. R. C.)

Seeking revenge for the 25-0 defeat handed them last year, a crippled Cyclone team will take the field Friday afternoon at three o'clock against a line slashing bunch of Irishmen from down Shamrock way, who are determined to repeat last year's victory. The victors in this important contest will be declared champions of the south half of Section "A" and will win the right to meet the vaunted Clarendon Bronchos for the championship of Section "A."

Misfortune In Evidence  
Misfortune that has trailed the Cyclone throughout the season thus far is still in evidence and Coach Walter is anything but elated over the prospects of his team for winning. "I believe the Cyclone will win if they get in there and fight, but that is what they will have to do. I have been hearing a good deal of discussion about when the Cyclone will play Clarendon. This is all talk, for the Cyclone is certainly not going to meet Clarendon unless they can trim the Irishmen and that is going to be something of a job. If the boys get a big dose of over-confidence like they did in the Shamrock game last year, it will be just too bad for Memphis."

Five Regulars Injured  
With five regulars on the injured list, Coach Walter's gloom seems to be well justified. To begin with, Captain Curtis Bourland has not recovered completely from the injuries he sustained in the game with Hedley. He is also suffering from an infected leg. George May has an injured hip and did not get to play in the game with Estelline. While his name appears in the starting lineup, Coach Walter may have to put Oren at this position instead of George.

B. F. Shepherd has a crippled leg and had to be jerked from the game last week with Estelline. He also appears in the starting lineup. (Continued on page 4)

There will be a number of activities taking place in the way of entertainment, and people from surrounding towns are expected to be here for the celebration.

The outstanding event of the day will be the automobile races at the Fair Grounds. The races are scheduled to get under way immediately after a big parade which will be staged in the business section. The parade will include, among other things, the Legionnaires who will drill and march in formation.

### Negro Spirituals, Reading And Venison Contribute To Success Rotary Program

Venison, cooked to a turn, furnished the piece-de-resistance of the noon luncheon of the Rotary Club Tuesday. The venison was furnished as a compliment to the club by W. R. Cabaness, local manager of the West Texas Utilities Company, who killed a deer on a recent hunting trip in Colorado.

The program was in charge of Dr. Turner L. Lewis, chairman of the program committee. He introduced Mrs. C. C. Morgan, and her two daughters, Miss Elizabeth Morgan and Mrs. James O. Wilburn, who sang three delightful Negro spirituals, without piano accompaniment. Their selections were, "I Got Shoes," "Standing in the Need of Prayer" and "Steal Away." The voices of the trio blended admirably and their interpretation of the spirituals was all any one could have asked.

Reading Aply Delivered  
James O. Wilburn then favored the club with the ever popular "Shooting of Dan McGrew." This reading was ably delivered. Mr. Wilburn proved himself a master in the handling of words and in tone inflection and withal, the program was interesting, arresting and considerably out of the ordinary, including the venison.

## CYCLONE BEATS ESTELLINE CUBS IN ONE-SIDED GAME LAST WEEK; LOCALS SCORE IN EVERY PERIOD

### Kenneth Oren Proves Star At Fullback As Memphis Downs Visitors By 79-7 Score; Greer Counters For Estelline Eleven

The Memphis High School Cyclone emerged with a 79 to 7 victory over Estelline High School Cubs, traditional enemies, in a football game played on the local gridiron last Thursday afternoon. In compiling 79 points, the Cyclone defeated the Cubs by a larger score than ever before.

Before the game was 35 seconds old, the Cyclone scored. Memphis won the toss and chose to receive. After the Cubs had kicked to Stewart who was downed on the 25 yard line, Flanery took the ball on a reverse play and fought his way 42 yards before being tackled. Stargel carried the ball out of bounds after making a yard and Gordon Walker reversed left end for a touchdown. Sanders kicked the extra point.

### Twelve Scores Made

Twelve touchdowns were scored by the Memphis boys, Walker making one; Flanery, two; Oren, three; Melton, one; Greene, two; West, two, and Leslie, one.

Estelline's lone tally came late in the game when McCollum's pass to Greer, who took the ball on the Cyclone five yard line and ran across. McCollum kicked the extra point. Greer made a beautiful catch of the pass, taking it from the hands of V. L. McGlocklin and J. W. West.

Two Estelline players, Berry and McCollum, stood out for the losers. Coppedge, 100 pound Cub end, played a good game. He tackled his larger opponents with consistency and was on the receiving end of several passes.

### Play Passing Game

The Cubs played a passing game, heaving the ball 34 times. Some 14 passes were completed, 15 incomplete and nine intercepted. Memphis passed twice. One was incomplete and the other, Stewart to West, was good for a touchdown.

A total of 32 first downs were made by the Cyclone while Estelline made seven. Memphis fumbled four times to two for the Cubs. The Cyclone punted twice. (Continued on page 6)

### RECESS IS ABOLISHED AT JUNIOR HIGH SCHOOL

The recess period is now a thing of the past at the Junior High School as the result of a conference of the junior high teachers and Supt. H. A. Jackson held last Wednesday. It was decided to revise the schedule, making it similar to that used at the high school, thus doing away with the recess period. The school is to begin at 8:30 o'clock in the morning instead of 8:40. Physical training is to be held from 11:30 until noon, instead of from 8:30 until nine.

## Local Football Players See Clarendon-Wellington Grid Tilt Friday Afternoon

BY JACK SITTON  
Some thirty members of the high school football team journeyed to Wellington Friday afternoon to see the grid tussle between the Wellington Skyrockets and the Clarendon Bronchos. They left at noon in cars, and arrived in Wellington about one o'clock, about two and one-half hours before the game was called.

### See Miniature Train

To pass the time before the game, the group decided to see the pride and joy of the city, the great MKT railroad train. The machine was about half the size of those seen in this part of the country, and consisted of a day coach, a baggage and mail car and what might be said to be a miniature engine. After tramping through the cars, the conductor gave a lecture on the history of the train. He said it was about 40 years old, and that he had been working with the company for 27 years, and had been on that particular road for 13 years.

### Ride in Auto

The conductor said the reason the train did not make any money was because the people of today had taken up the idea of riding in automobiles. He seemed very downhearted and grieved because his train was not making but a very little sum of money. The boys, realizing the feelings of the conductor, offered to let him have

the car of "Mo" Dixon, but he refused. But to help the poor fellow, the boys went to town and got the lone passenger who was trying to cash a check and brought him back to the train.

### Good Turn Done

After the good turn was done, the boys went in a group to the game. It was rather one-sided and dull but the female element in both the Clarendon and Wellington pep squads broke the monotony of the situation. The Memphis boys formed a pep squad and gave yells for their own team and for Wellington and Clarendon, with B. F. Shepherd as leader. They joined the Clarendon girls at the invitation of the leader, and at the half went on the Wellington side.

After the game a hurried exit was made amidst flying eggs. If a game is played with the Wellington team this year, it is promised that an enjoyable time will be had and many will turn against bad eggs.

B. F. Shepherd was a visitor in marillo, Sunday.

## Chapel Program Enjoyed Friday

One of the most interesting chapel programs of the year was given at the assembly period Friday morning by Mrs. M. McNealey, local music teacher. This is the first of a series of programs to be given by the music teachers of the city.

The first number on the program was a piano solo, "Love's Dawning" by Intermezzo, given by Pauline Turlington. This was followed by two vocal solos, "The Stein Song" and "Whistling in the Dark" by B. F. Shepherd, Jr. Marcelle Dixon gave four short readings, "A Problem in Math," "Child Dialect," "The Flowers" and "The Kiss." V. O. Smith gave a piano solo which was followed by a duet by B. F. Shepherd, Jr., and Pauline Turlington, "When the Moon Comes Over the Mountain" and "The Waltz You Saved For Me."

Alton Wood, formerly of Paducah, enrolled in the seventh grade Monday morning.

## Home Ec Class Has Picnic On Monday; Guests Are Invited

The third year home economic class and invited guests enjoyed a picnic held Monday afternoon two miles north of town. The lunch was spread under a grove of trees. The hostess for the affair was Frances Wright.

The guests for the occasion were Annie Louise Hudgins, Tommie Mae Boren, Lorece Webster, Margie Sigler, Elizabeth Champion, Pauline Turlington, and Elizabeth McMurry.

THE AMERICAN LEGION CARNIVAL

THOSE of you who expect to "take time off," even occasionally, from talking and thinking hard times, could not find a better sedative and a more enjoyable undertaking than the Halloween carnival to be held two nights this week, Friday and Saturday, at the American Legion hall. For a very small amount of money, or no money at all, you may be assured of a really enjoyable time when the "blues" may be parked on the outside and all trouble forgotten. When there is any worthwhile service to be rendered in the community, the Legion is ever ready to do its part and the many times the organization has demonstrated a willingness to cooperate in "putting over" worthy movements here is a general index of its character. When the time arrives that the citizenship may have a part in helping the Legion, we feel sure they will be glad to do so. That time has come, and by attending the two nights of the big Halloween carnival, you will not only be doing yourself a favor, but helping the Legion as well. Unfortunately, but nevertheless true, it takes money to keep the Legion going. Current expenses must be met and these expenses are more than the yearly dues. It becomes necessary, therefore, for the Legion to devise ways and means of raising money and the carnival idea has been decided upon. We think it entirely fitting. It has been so long that the people of Memphis have been without any tangible sort of merry-making that the Halloween carnival will meet a well felt need. Be on hand one or both nights. Give the boys a break. You'll be glad for your own sake and theirs.

KEEPING THE HOME FIRES BURNING

IN times of duress and stress, it is always desirable to keep the home fires burning and this is not entirely associated with war times—not at all. With the world still in the grip of the depression, it is very essential that the highest and best things in life come in for their share of attention as well as grunts, growls and howls. It is for this reason that we commend the Harmony Club of Memphis for their enterprise that brought about such a delightful evening of music last Friday night at the high school in collaboration with the MacDowell Club of Clarendon. The only thing about the music that we cannot condone is the fact that the audience was such a small one. With the admission charge of only ten cents, the house should have been packed. Those who attended were highly complimentary of the entertainment as a whole. The local people acquitted themselves well as did the visitors from Clarendon. If music speaks a universal language, and it most certainly does, that language should be as potent in times such as we are now experiencing as in times more propitious. We appreciate the fact that the entertainment was given and hope more evenings of this kind will be forthcoming.

WE HOPE DR. ROBINSON RETURNS

WITHIN a few more weeks, the annual northwest Texas Conference of the Methodist Episcopal Church, South, will be held at Vernon. We hope the local Methodist minister, Dr. Ernest E. Robinson is returned to our city. In a quiet, unostentatious sort of way, Dr. Robinson has contributed in large measure to the religious and cultural life of our city. We do not know when we have ever listened to a man more gifted as a speaker than Dr. Robinson. His messages "go home." He is the epitome of the refined cultured gentleman. The vagaries of the day do not enter into his theme, and at the same time, his substantial way of saying and doing things has gained for him, not alone our admiration, but we believe the admiration of all with whom he has come in contact. It takes more than a speaker to be a preacher. There must be a man back of the cloth and Dr. Robinson exemplifies the very best in princely manhood. Whatever the decision of the presiding bishop of the conference, we can say truthfully that it is not permitted but that few men wield the influence he has wielded since he has lived here for three short years. If he comes back, we bid him welcome. If he is sent elsewhere, we bid him Godspeed.

ROBBERIES ARE ON THE INCREASE

AS may be expected at this season of the year and with conditions as they are, robberies are considerably on the increase in this city. Thus far, it seems the thieves have been plying their trade without much interruption, but after all, it is our own responsibility to help the officers by removing easy temptation. We believe it would be a good practice to take every precautionary measure possible to foil any attempts at burglaries. Cash should be removed from cash drawers at night; safes should be securely locked and doors and windows fastened in such a way as to discourage the practice of easy entry. Just as "God helps those who help themselves," we should consider that we are in a position to help ourselves by utilizing every precaution so that burglaries of the past several weeks will not be repeated. "Safety first" applies here equally as it does at railroad grade crossings.

MEMPHIS IS BEING HEARD FROM

IT is gratifying to know that the name of Memphis is coming to the fore in various parts of the state—largely through the ability of several of our own boys who are making names for themselves as musicians. We appreciate the work they are doing for it all comes back to us. Much of the training that is theirs was received during the period when the Texas Gold Medal Band was in its heyday, and the reflected glory of this musical organization is making itself felt long after its dissolution.

Note Of Gloom—

up, but may have to leave at any time. Blanton Bagwell has an injured foot that has failed to respond to treatment and little Buster Leslie, one of the Cyclone speed demons, is nursing a badly infected arm.

In Prime Condition In a talk with Coach J. W. Stevens of the fighting Shamrock Irishmen Monday night, the coach stated that his men were in prime condition and would be "ready to go." He predicted that a large number from Shamrock would see his team again defeat the Memphis Cyclone and blast their ambitions in the conference race. He stated that the Lions Club of Shamrock were banqueting the Irishmen Thursday evening before the game and that his men were confident that nothing would stop them in the shape or form of a Cyclone uniform. The Irish gridsters will arrive in Memphis Friday morning at 11 o'clock.

Enthusiasm Mounts In the face of injured players and a doleful outlook, interest and enthusiasm at the high school and throughout the city is at its peak. Probably the largest crowd that has ever attended a football rally will be on hand Thursday night. Sam Cowan, secretary-treasurer of the Memphis Athletic Council, predicts a record crowd will see the contest. Plenty of seats will be available for all who attend.

Will Give Their Best The Cyclone players seem determined to give of their best for Memphis in the game Friday. They have been going through a series of hard workouts in preparation for the game and while the overconfidence of last year is missing, the boys, by their quiet attitude, and application to work, show that they mean business. They are going to give the Irish-

Colorful Spectacle

The same Friday will probably be the most colorful grid spectacle to be seen in Memphis this season. for an average of 30 yards, Estelline punted seven times for an average of 33 yards. Memphis was penalized four times for 40 yards while Estelline received one five yard penalty.

**Play Consistently**  
All of the Memphis players played consistent ball. The playing of Kenneth Oren at fullback was very commendable. This was his first game to play any length of time and before he had been in the fray very long, fans were calling him "First Down" Oren. Gayle Greene also turned in a good game at full. George May, regular fullback, was out with an injured hip.

Clifford Stewart was the outstanding defensive player, with J. W. West running him a close second. Charles Flanery continued the pace he set in the last two games by making many long broken field runs.

**Starting Lineups**  
Memphis: Sanders re, Stewart rt, Shepherd rg, Bourland (c) c, Bagwell lg, Melton lt, West le, Flanery q, Stargel rh, Walker lh, Greene f.  
Estelline: Davidson re, Berryman rt, Vardy rg, Cooper c, Kuykendall lg, Joutett lt, Young le, Greer q, Stevenson rh, Berry (c) lh, McCollum f.  
Officials: Henderson (McMurry), referee; Shelton (Texas), Umpire; Howard (Denton Teachers), head line-man.

and come out to pep rallies, in what way do they show their appreciation of the pep squad? A—In many ways: first, by playing football as hard as possible, since it is the inspiration of some girls on the side lines that makes them go into the game. Also many of the local squad members have steadies and date them, others are women haters and still others are bashful. The reason for not attending the pep rallies, often, is due to the fact that it is not announced to them in time to prepare to attend.

### Eight New Helmets Are Given Football Players Monday

Eight new football helmets were received by Coach Nolan Walter Monday morning and were issued to members of the team for the afternoon practice. The head-gears are especially built for the different positions in the line and backfield in both weight and strength. Since three men would be without new helmets and the old ones are practically worn out, an order was sent off Monday afternoon for the additional three, according to the coach.

Mrs. Frank K. Fore and son, Billie Frank, of Pampa, spent from Friday until Tuesday here with Mrs. Fore's mother, Mrs. W. W. Clower.

Cy Richerson of Hedley was a business visitor in Memphis Saturday.

### THURSDAY MORNING

The usual pre-football game pep rally was held during the assembly period last Thursday morning at the high school, before the game with Estelline. Elizabeth Champion, head yell leader, directed the rally with the assistance of Betty Dale West and Lewis Foxhall. The entire student body, with the exception of the football squad, gave yells for the Cyclone.

### LELIA LAKE MAN DIES ON SATURDAY MORNING

### CARD OF THANKS

We shall always remember with deep gratitude your comforting expressions of sympathy extended to us on account of the death of our loved one, Nina Beth. May God's blessings abide with each of you.

Mrs. Florence Kersey and Children.

Mr. and Mrs. Nolan Walter and daughter, Jo Ann, Misses Florence Wherry, Dorcas Powell and Janice Miller went to Abilene Friday to attend the football game played Friday night between T. C. U. and Simmons University; also the Abilene-Ranger game Friday afternoon. They visited relatives and friends in Abilene until Sunday.

### Restless, could not sleep

"THERE were days when I felt like I could not get my work done. I would get so nervous and 'trembly' I would have to lie down. I was very restless, and could not sleep at night.

My mother advised me to take Cardui, and I certainly am glad she did. It is the first thing that seemed to give me any strength. I felt better after the first bottle. I kept it up and am now feeling fine."—Mrs. T. R. Gibson, Fort Payne, Ala.

the sights and sounds about me—the supplication of the stars, the radiance of the moon, the community of interest the trees bear each other, the play of shadows—the voices of people I know.

Life is worth living but to see the little things in it—the little things that are the big things after all. I hope I'll never wander very far away again from scenes of October nights' envision. They are mine and they are yours—if we are bold enough to seek them out. On the doorstep of home at such a time, there is not one of us who could not say with the poet:

"Breathes there a man with soul so dead,  
That never to himself hath said  
This is my own—my native land."

ish style that pleases. The solos of Gus Stephenson, Mrs. Horace Tarver and Miss Stroders, the dances by Margaret Taylor and Miss Cook deserve especial mention as well as the readings given by Rita Foster Stocking. The Italian Street Song by Herbert, directed by Mrs. Elmer S. Shelley, was one of the delightful features of the evening, it being given in costume proved very effective.

**Comic Quartette**  
The comic quartette, Spirits of Halloween, was a clever take-off dressed to represent the "Ghosts of Halloween." The quartette numbers rendered by Thos. E. Noel, David Fitzgerald, Omer Johnsey and Harry Delaney were thoroughly enjoyed.

The closing number was given by the MacDowell Choral Club under the direction of Sam Braswell. It was beautifully rendered, making a fitting climax to the evening's program.

The entire program was of high class, and was well given, showing both musical talent and ability.

At the close of the concert, an informal reception was given the visiting club at the home of Mrs. H. E. Tarver, president of the Harmony Club.

The Cities Service Station, located at the corner of 11th and Noel streets, was broken into Monday night and an estimated loss of \$20 was sustained, according to Floyd Springer, owner. About \$2 in change, \$10 worth of tobacco, an auto tire and tube, and a storage battery were missing, it was said.

"The purpose of the conference is to bring into closer contact the farmers and bankers of the various counties and the county agents," Dr. Dickey stated. "It is the belief of the key bankers over the state that with the cooperation of these three parties the farmer will be placed in a position to meet his obligations and the country in general will be helped."

A new Cities Service Station, under the management of Floyd Springer, formerly sales manager of the D. and P. Mr. Springer states that prompt and courteous attention will be given those who visit the station for auto needs.
