COUNTY AND DISTRICT CLERKS HOLD ANNUAL MEETING HERE

EIGHTH SESSION IS OPENED ON THURSDAY

Many Entertainment Features Planned For Delegates

The eighth annual convention of the West Texas Auxiliary of county and district clerks opened Thursday morning, with some twenty-five clerks in attendance for the opening program, together with representatives from a number of paper houses. Convention headquarters are being maintained at the Memphis Hotel and business sessions are being conducted in county commissioners' court room, presided over by Miss Edna Bryan, president of the organization.

Delegates Still Arriving

At the time of going to press, delegates are still coming in and it is expected that the number will be added to considerably by arrivals throughout the day Friday. The Friday program looks as the most interesting of the entire convention as the new Fee Bill will come up for discussion at that time. It is creating considerable interest among county officers just now.

Luncheon Is Tendered

Following the opening program and registration, the Dorsey Company of Dallas, represented by James A. Caldwell, tendered a luncheon to the visiting clerks at Rube's Coffee Shop. The Thursday afternoon session was taken up with various discussions of subjects pertaining to the offices of County and District Clerk, the most interesting of which were "The Operation of Vital Statistics Law"; "Legislation—What We Need and How to Secure It"; "Trust Funds—How Handled," and "Material Liens—Whether Filed or Recorded." The program for Thursday afternoon closed with an address by Miss Lottie E. Lane, who was County Clerk of Donley County for several years and is very well known here.

Seed Wheat Being Given To Farmers Through Red Cross

According to Henry Read, secretary of the local chamber of commerce, a number of farmers in this vicinity have taken advantage of the free seed which the Red Cross has made available and are taking out this seed for winter and early spring pasturage. The seed is being handled in the several towns and localities over the county by members of the central committee of the Hall County Chapter of the Red Cross.

All of the seed is purchased locally by the Red Cross. That is, in each place where members of the central committee reside, farmers are permitted to obtain their seed, and the committee in turn purchases it from local dealers. It was stated that some 300 or more bushels of seed wheat have been issued to farmers in and around Turkey this week.

Father Of Local Woman Is To Make Race For Lieutenant Governor Of New Mexico

A. W. Hockenull, of Clovis, New Mexico, father of Mrs. Nolan Walter of this city, and for long prominent in the councils of the Democratic Party in the adjoining state, was nominated two weeks ago as the Democratic candidate for Lieutenant Governor of New Mexico. Mr. Hockenull has been solicited repeatedly to run for public office, but this is the first time that he has permitted his name to go on the party ticket. At the state convention in Santa Fe, his nomination was made by acclamation.

Large Crowds Are Attending Revival At Baptist Church

Marked progress is being noted in the Baptist revival which got under way last Sunday morning, according to Rev. E. T. Miller, pastor of the First Baptist church. Large crowds are attending both the morning and evening services, the minister stated, and such interest is being shown on the part of the people. "The messages of Dr. B. M. Jackson are appealing to the people in a very unusual way, and the singing of Johnnie Cohen is proving to be very popular," Rev. Miller said. "This is undoubtedly the best evangelistic team that has ever been brought to this church since I have been here."

Is Forceful Speaker

Rev. Jackson is a forceful speaker, who brings home his messages with a conviction that cannot be mistaken. He and Mr. Cohen have visited the schools and the civic clubs this week, delivering messages that will not soon be forgotten. One of the features of the meeting is the good congregational singing. A chorus choir is also adding to the enjoyment of the services. It is understood that prayer meetings will be started within the near future in connection with the evangelistic campaign.

Every One Welcomed

Rev. Miller stressed the fact that every one is welcome to the services and the citizenship in general is invited to attend. Good cooperation is being demonstrated by the other churches of the city in helping to make the revival a success.

Resignation Of Dr. J. Hardin Mallard To Be Considered

It was announced this week that the congregation of the First Presbyterian church has been called in business session at the eleven o'clock hour Sunday morning to consider the resignation of the pastor, Dr. J. Hardin Mallard, which was recently submitted. Dr. Mallard is offering his resignation to accept an urgent call to the pastorate of the First Presbyterian church at Jacksboro, which is a former pastorate of his, where he served for some three years about sixteen years ago. In the event his resignation is accepted here, it will become effective not later than December 1.

University Graduate

Dr. Mallard is a graduate of Trinity University, Waxahatchie, and received the Bachelor of Divinity degree from Cumberland University, Lebanon, Tennessee. The degree of Doctor of Divinity was conferred upon him by Cumberland University while he was a member of the board of trustees of that institution.

Certificates On Feed Shipments Are Issued Here

Certificates for the reduced rates of feed into Hall County have been issued on eighteen cars of feed to date by County Agent E. W. Thomas. The saving amounts to one-third of the regular freight rate on all feed shipped direct from the originating points to farmers. Dealers may get the reduced rates in case the saving is passed direct to the farmer consumer.

Attention is called to the fact that certificates for the reduced rate must be secured from the County Agent before the feed is shipped, preferably several days in advance of a contemplated shipment, Mr. Thomas said.

BRAZIEL FOUND TO BE GUILTY OF FORGERY

Punishment Is Fixed At Three Years In Penitentiary

One criminal case was disposed of by the district court this week and three felony indictments were returned by a special grand jury called Tuesday. Several cases came before District Judge A. J. Fires, but on motions of attorneys, the cases were either postponed or withdrawn.

Is Found Guilty

In the case of the State of Texas vs. Tony Braziel last Monday, the defendant was found guilty of passing a forged check. Although the court offered to appoint defense counsel in his behalf, Braziel elected to defend himself. The jury found him guilty and assessed his punishment at three years in the penitentiary.

Still Faces Charges

Braziel is said to have been at the head of a gang of forgers who operated out of Wichita Falls. He prepared the checks which various members of the gang would pass. (Continued on page 6)

JOE CLUREN BLANKENSHIP DIES TUESDAY MORNING

Joe Cluren, the one month and eleven day old infant son of Mr. and Mrs. W. C. Blankenship, died Tuesday morning at 8:30 o'clock from pneumonia at the family home, 609 North Fifteenth street. The funeral was held at the home of Mr. and Mrs. Blankenship Tuesday afternoon at 4 o'clock, conducted by the Rev. E. T. Miller. Interment was in Fairview cemetery.

BRICE STORE IS ROBBED EARLY SATURDAY

Two Men Believed To Be Guilty Parties Are Arrested

Two men who are alleged to have robbed Ben Hill's store at Brice shortly before three o'clock last Saturday morning were apprehended in Amarillo Sunday by Sheriff Sid Christian, working with Deputy Constable Bogarte of Amarillo. The men were brought to Memphis Monday and placed in the county jail. However, it is understood that both have now made bond in the sum of \$2,000 each.

Take Off Merchandise

The robbers made away with 16 sacks of flour, several sacks of beans, two 100-pound sacks of sugar, some meat, a case of milk, two cases of lard, six auto tires and some dry goods and shoes, Sheriff Christian stated. He said what of the loot was recovered in what is known as North Brice, where it had been stored in a house. The remainder of the loot was taken to Amarillo and sold and a large part of it was recovered.

Gets Clue From Letter

When Sheriff Christian was called to investigate the case, he began work from a clue contained in a letter dropped by one of the robbers near the store. This letter contained an Amarillo address. In company with Ben Hill, the sheriff drove to Amarillo, called at the address given in the letter and in this way was able to capture the men.

20 County Schools File Applications To Get State Aid

Application has been made for state aid by twenty schools in Hall County, and six schools in the county will receive special state aid, according to an announcement made by Theodore Swift, county superintendent. Aid asked for by the schools amounts to \$12,819, and, Mr. Swift stated, they will receive the amount asked for provided they can meet the requirements of state laws; he is assured that this will be done.

Application For State Aid

Application for state aid, according to the county superintendent, may be made by rural schools whose enrollment does not exceed three hundred students. Application for aid is made on a basis of the salaries of the teachers, the state guaranteeing in this manner a six and one-half months school year.

Four schools in the county will receive aid (Continued on page 6)

Agent Takes Six Local Prisoners To Penitentiary

Bud Russell, penitentiary agent, came to Memphis Saturday and took away six prisoners to the state penitentiary at Huntsville. Several negroes were included in the number, according to Sheriff Sid Christian.

The men taken were Sam Tucker, five years on whiskey charge; Ben Groves, negro, five years on whiskey charge; Dr. J. L. Tucker, negro, one year, making home brew; B. S. Livingston, four years, forgery; Curley Miller, one year, whiskey charge; L. B. Williams, two years, for car theft. Miller had served a considerable part of his sentence before being taken to the pen.

MAGICIAN WILL START SEASON OCTOBER 9

Quartette And Stage Success Are Other Numbers Engaged

The winter season in Memphis will be replete with worth while entertainment as the Business and Professional Women's Club of this city has contracted for three lyceum numbers to be furnished by the well known Columbian Artists booking agency. The first of the entertainments will be given in the senior high school auditorium on Thursday evening, October 9, and will feature Loring Campbell in a "Modern Arabian Night." Mr. Campbell is billed as a magician, humorist, entertainer and ventriloquist.

Termed Modern Aladdin

Campbell, termed the modern Aladdin, is said to reduce the ancient mystery man to the pliker class. If his advance publicity may be relied upon, and it is conceded to be authentic, this artist creates more wonders and mysteries than any other. (Continued on page 6)

TO OBSERVE JEWISH HOLIDAY IN DALLAS

M. Rosenwasser and sons, Jess and Marcus, left Tuesday evening for Dallas where they observed the Jewish day of atonement, Yom Kippur, popularly known among Jews as "fast day." The fast began at sundown Wednesday and lasted until sundown Thursday. Jess and Marcus Rosenwasser will return to Memphis Friday, and their father will go to his home in Lockhart, from Dallas.

Steady Increase In Membership Of Cotton Association Being Achieved

For the past week, there has been a marked increase in the demand for the services of the Texas Cotton Cooperative Association office at the compress here, according to Crel Crow, government licensed cotton classifier in charge. Mr. Crow stated that after the policies, and service the Association is rendering and the benefits to be derived had become well known, there has been a steady increase in new members and renewal of old members. The farmers that are already members are putting more cotton into the

Association than heretofore, it was pointed out.

Receipts Grow Rapidly

"The more the farmers understand the Association and see the advantages of getting ninety percent of the value of their cotton, the more rapidly the receipts will increase each day," Mr. Crow said. "For the past week, the receipts have increased very rapidly and we have hopes that they will continue to grow steadily. It is certain that history repeats itself. Every year that cotton has been cheap in the fall, it has invariably

gone up in the spring. Cotton is certainly cheap this fall so it looks as though the percentage is in favor of going up in the spring."

"While the Association lends 90 percent of the value of the cotton, which at these low levels is practically all that a farmer can get for it by selling it outright, cotton farmers still have the benefit of the market if it goes up, which now seems entirely probable."

Contracts Awarded For Road Work

MANY BIDS ARE RECEIVED FOR 4 PROJECTS

75 Working Days Are Allowed In Which To Finish Job

Contracts were let Monday at a special session of the Commissioners' Court of Hall County for the completion of the road bed on the new highway from Memphis to Mulberry bridge. This work, according to A. C. Hoffman, county judge, under favorable conditions, will be finished by the first of next year. The contracts call for the work to be completed in seventy-five working days.

Four Contracts Let

Four contracts were let Monday by the court. The contract for grading and small drainage structures from Indian Creek to Lakeview was awarded to Owen Spear of Alford, Texas, and the contract for similar work from Lakeview to Mulberry bridge was awarded to H. Lott of Brice. Two contracts for larger bridge construction at two points along the highway were awarded to Nims and Frost of Hydro, Oklahoma. Contracts for construction of the road bed and bridges along this highway from Memphis to Indian Creek have previously been awarded by the court, and the work is well under way at this time.

Interested In Contracts

According to Judge Hoffman, contractors were especially interested in the contracts.

Fisher Returns To Church Here After Evangelistic Work

Lester W. Fisher, minister of the Seventh and Brice streets Church of Christ returned to Memphis Friday of last week after several months evangelistic work in different parts of the state. Mr. Fisher reports that his meetings met with marked success. He conducted five meetings during the time he was absent from Memphis, the first being held at Blair, Texas. Six church additions were recorded at this meeting.

Second Meeting at Farwell

Mr. Fisher's second meeting was at Farwell, with 12 additions to the church; Cross Plains with 11 additions; London with 12 conversions, and the best meeting of all at Putnam with 43 additions to the church. Mr. Fisher stated that his meetings lasted from ten days to two weeks.

After filling his five engagements, the minister with his family went to his father's ranch on the line of Texas and New Mexico where he enjoyed a vacation period. He covered some 5,000 miles on the entire trip.

On the LEVEL

a column by William Russell Clark

This business of getting married, and I might admit here I know very little about it, seems to be flourishing, despite hard times, business depression and eight cent cotton. But after all, what do industrial conditions have to do with love? Some one else will have to answer that question.

However, this seems to be the open season for marriages. In fact, I sometimes wonder if the month is not June rather than October. Years ago, I was told that if I ever expected to get the knot tied to select June. Ever since that time, I have been hearing and reading of June Brides, June weddings, but not a single time has a June groom been mentioned. I have always had a sneaking feeling that the groom fades pretty well out of the picture in a wedding.

Society stories of weddings always detail the fact that the bride wears this and that, with orange tassels and sheer lace that were brought over in the Mayflower, that she entered on the arm of her father, her grandfather, her uncle, or some other male relative and that her "going away" costume had accessories to match.

But what of the groom? All that is said concerning him is that he entered with his best man. It is rarely ever determined what kind of clothes he wore, whether his hair was parted in the middle or on the side, whether he wore a flower in his buttonhole or if he even had a buttonhole. I think the groom should be done about after in order to give the bride his share of the emolument due his station and rank.

Oklahoma is getting rich off of Texas marriages. Prospective grooms and prospective brides are of the opinion that it takes too much red tape to get married in Texas and Hollis and Altus are reaping rich profits. There is the marriage license to be purchased, the fee for the preacher, gasoline to get home on, a meal to eat and incidental expenses. (Continued on page 6)

Raymond Ballew To Open For Business

Raymond Ballew announces this that he expects to be open in business within the near future. Mr. Ballew has not as yet selected his location, but he will continue to carry a line of General Electric refrigerators and radios and also a complete stock of Studebaker parts for his customers.

Mr. Ballew continues as local Studebaker dealer and will have an important announcement to make concerning used car bargains within a short time.

Coach Walter and Cyclone Football Team Scout Turkey-Wellington Game Friday

A number of football fans, as well as Coach Nolan Walter and the members of his Cyclone squad, will journey to Turkey Friday to witness the grid contest Friday afternoon between the Turkey Turks and the Wellington Skyrocks. Coach Walter is very anxious to get a line on both teams as the Cyclone will play Wellington here on Friday, October 10, and will meet Turkey at Turkey on Friday, October 17. He and his men will get to see two of the strong conference eleven in action and make their plans accordingly.

Turkey Chief Obstacle

Turkey is considered the chief obstacle in the onward march of the Cyclone towards a conference victory. The Turks schedule is as follows: Wellington at Turkey, October 3; McLean at McLean, October 10; Memphis at Turkey, October 17; Estelline at Estelline, October 24; Clarendon at Clarendon, October 31; November 6, open; Shamrock at Shamrock, November 11; Tulla at Turkey, November 21, and the final game, Quitaque at Turkey on November 27.

SOCIETY NOTES

Thomas Hampton Married Last Sunday Night to Miss Ola Mae Jones at Hollis, Okla.; Young Couple Will Reside Here

A wedding that came as a surprise to their many friends in Memphis transpired last Sunday evening when Miss Ola Mae Jones became the bride of Thomas Hampton of this city. The young couple went to Hollis, Oklahoma, Sunday afternoon, accompanied by Alvin Massey and Miss Abbie O'Neal, who witnessed the ceremony, which was performed at the Methodist parsonage at seven o'clock by Rev. Graham, pastor of the First Methodist church of that city.

Following the wedding, the young couple returned to this city and will be at home for the present at Fourteenth and Brumley streets. Mr. Hampton is the son of Mr. and Mrs. T. J. Hampton of Memphis and Mrs. Hampton the daughter of Mrs. A. B. Jones, also of this city. Mr. Hampton graduated from Memphis High School with the class of 1929 and his wife graduated this year. The groom attended North Texas Agricultural College at Arlington last year.

Both Mr. and Mrs. Hampton are popular members of the younger social set and their many friends are extending hearty congratulations on their marriage.

Bridge Party Is Given Last Friday at Webster Home

Miss Clem Wyatt and Mrs. Ray Webster were hostesses at a delightful bridge party at the home of Mrs. Webster Friday night of last week. High score was won by Mrs. L. Holt; second high by Miss Mildred Harrell and low by Mrs. Lonnie Burks.

At the conclusion of the games, iced watermelon was served to the following: Mesdames L. Holt, Curtis Huckaby, Hugh Crawford, Lon-

nie Burks, O. N. Hamilton, Raymond Ballew, Hamp Prater, King Stephens and Misses Altha Tom Bridge, Frankie Allison, Ophelia Webb, Gladys Hammond, Mildred Harrell and Lillian Gull and the hostesses.

Federated Society Meets Last Monday at Baptist Church

As September marked a resume of all club activities, an unusual amount of interest centered around the Baptist Educational building Monday afternoon when the Baptist W. M. S. were hostesses to the City Federated Missionary Society in open meeting at 3 p. m. The large reception room, where the guests were received and seated, presented a lovely scene with vases of autumn flowers decorating the piano and tables, making a pleasing background to the large number of guests present.

The president, Mrs. C. W. Broome, had charge of the program, the first number of which was a solo given by Johnnie Cohen, an artist of note, who is conducting the song service during the revival now in progress at the Baptist church. Mrs. Mallard played his accompaniment. Mrs. Brewer, working in the interest of the W. C. T. U., gave the devotional, reading the thirteenth chapter of First Corinthians, taking for her theme, Love. Following this, Mrs. W. L. Wheat gave a review of the City Federated Missionary Society, telling of its achievements from its first inception up to the present administration, detailing and pointing out that its two-fold aim is to foster a more perfect understanding and good fellowship among the members of the sister churches.

A lovely duet was then rendered by Mesdames Frank Fore and Mae Tarver, with Mrs. C. L. Sloan, Jr., at the piano. Two poems were then read, "Trees" and "In Flanders Fields" by Mrs. Bill Bryan, who made the poems intensely interesting by bringing out some beautiful thoughts on the authors. This was followed by an address by Mrs. Brewer, who made an impassioned appeal in the interest of the W. C. T. U., urging the women to work to secure the enforcement of the Eighteenth Amendment to the Federal Constitution.

After the closing prayer given by Mrs. Van Pelt, all were invited into the dining room where refreshments were served to a large number of women from all the churches of the city.

Methodist Circle No. 1 Meets With Mrs. George Tipton

Members of Circle No. 1 of the Woman's Missionary Society of the First Methodist church met at the home of Mrs. George L. Tipton, 710 Cleveland street, Monday afternoon for study in the textbook, *The Crowded Ways*, with Mrs. E. E. Robinson in charge of the lesson. She also gave the devotional, after which Mrs. C. W. Broome led in prayer. Mrs. Robinson spoke on the third chapter of the study book entitled, *What the City Does to People*. She gave a most interesting discussion.

Members present were Mesdames E. S. Foote, Ira Neeley, D. E. Brumley, M. J. Draper, S. S. Davis, Floyd McElreath, F. N. Foxhall, R. S. Greene, W. M. Bagwell, C. W. Broome, W. A. Thompson, T. R. Franks, Joe DeBerry, E. E. Robinson, and Mrs. Angus Huckaby, a visitor. Next Monday afternoon, Circle No. 1 will meet at the home of Mrs. M. J. Draper, studying the fourth chapter.

Arthur Yonge, district wire chief of the State Telephone Company was a business visitor in Paducah Monday.

Mrs. L. M. Hicks Is Hostess To Circle No. 2 On Monday

Mrs. L. M. Hicks was hostess to members of Circle No. 2 of the Woman's Missionary Society of the First Methodist church Monday afternoon when they met in mission study, discussing the third and fourth chapters of the study book, *The Roads to the City of God*, with Mrs. Hicks as teacher. Members present were Mesdames H. F. Schoolfield, T. J. Dunbar, A. C. Hoffman, W. E. Johnson, N. A. Hightower, W. H. Kuhn, J. P. Montgomery, Frank Phelan, J. W. Slover and Mrs. L. M. Hicks.

Priscilla Club Has Dinner Party For Husbands

Mesdames J. P. Watson and Frank Phelan entertained the members of the Priscilla Club and their husbands with a dinner party at the Watson home Friday evening of last week. A lovely dinner was served, consisting of creamed turkey in pastry rosettes, pineapple and apricot salad, baked potatoes, cheese apples, pickles, iced tea, cream and white cake. Red roses were used on the different tables while fall flowers were used in profusion throughout the rooms.

Following the dinner, forty-two was enjoyed by the following club members and their husbands: Mr. and Mrs. A. H. Miller, Dr. and Mrs. J. A. Odom, Mr. and Mrs. Hensal Whaley, Mr. and Mrs. G. W. Keasterson, Mr. and Mrs. W. R. Cabaness, Mr. and Mrs. W. C.

O. F. F. Club Has Regular Meeting Last Saturday

Misses Phanelphia Gibson and Fay Baskerville entertained the O. F. F. Club Saturday, September 20, at the home of the former. Business was discussed and games played with cards. Croquet was also indulged in. A delicious plate lunch was served to the following members: Misses Roberta Easterling, Geraldine Watson, Dorothy Evans, and the hostesses, Phanelphia Gibson and Fay Baskerville.

Mrs. Harrison Is Hostess At Meeting 1913 Study Club

Mrs. T. M. Harrison was hostess to the 1913 Study Club Wednesday afternoon at her home, 415 South Ninth street. The vice-president, Mrs. J. P. Watson, presided over the meeting in the absence of Mrs. M. McNeely, president.

Seventeen members answered to roll call with interesting assigned topics. The following program on Russia was given: *Without Cherry Blossoms*, Mrs. J. P. Watson; *Creatures That Once Were Men*, Mrs. V. R. Jones, and *The Postmaster*, Mrs. T. J. Dunbar.

E. C. Throop, district manager of the State Telephone Company was a business visitor in Clarendon Tuesday.

Mrs. Geo. Greenhaw Hostess At Meet Of Delphian Club

The Delphian Club met at the home of Mrs. Geo. Greenhaw Tuesday afternoon with 21 members present. An interesting program on the Bible was given, as follows: roll call, sentence sermons; *History of the Life of Stanley Jones*, Mrs. W. P. Dial; *The Christ of Every Road*, Mesdames Luella Wiggins, H. A. Jackson and Roy L. Guthrie; *History of Sacred Music*, Mrs. George Greenhaw; *The Bible*, Mrs. John Lofland. A clever contest was enjoyed by all present.

Members attending were Mesdames W. P. Dial, R. H. Wherry, C. A. Powell, Roy L. Guthrie, H. A. Jackson, Luella Wiggins, John Lofland, J. L. Barnes, W. R. Cabaness, F. V. Clark, W. C. Dickey, J. H. Mrs. W. T. Campbell and children came down from Amarillo Saturday morning and spent the week-end here with Mr. Campbell who is station agent here.

T. C. Johnson and Raymond Hoggard left Monday for Fort Worth for a short stay.

Mr. and Mrs. Jack Woodruff and Mrs. Verda Panick of Amarillo were here Sunday visiting Mrs. Maie Beckwith and family.

Miss Opal Saunders spent Saturday night in Hedley with friends.

Misses Grace Bair and Nelle Evans were Memphis visitors Saturday afternoon.

Bill Srygley spent the past week-end visiting his brother, Orvin at Lakeview.

Guests in the R. E. Saunders home Sunday were J. L. Harris and family of Ring and Mr. and Mrs. Lee Anderson of Hedley.

Mrs. C. Y. Johnson and daughter, Zelma, of Hedley and Haywood Johnson of Amarillo were here Sunday visiting friends and relatives.

Mr. and Mrs. E. O. Proffitt and children were Memphis visitors Monday.

Mr. and Mrs. Lyle Beckwith were visitors in Berger the past week-end.

Mr. and Mrs. Z. A. Cox of Memphis visited friends here Monday afternoon.

A. G. and W. R. Huffmaster of Estelline were visitors here Monday.

Mrs. G. E. Srygley returned to her home here Saturday from Lakeview where she had been visiting in the homes of her sons, Miller and Clyde Srygley.

L. M. Johnson and C. T. Foster were business visitors in Memphis Monday.

John H. Bell came in Monday from Cimaron, N. M., for a visit here with his family.

B. F. Kelly was a business visitor in Memphis Saturday.

Mr. and Mrs. W. M. Bair were Memphis visitors Saturday.

H. Stotts of Electra visited his family here Sunday.

C. E. Griffen moved his family here from Olustee, Oklahoma, this week to make their home. They will occupy the place just vacated by A. G. Huffmaster.

The home demonstration club met Thursday afternoon with Mrs. B. M. Davis. All members were present. Following a short business session, a very interesting demonstration on making jellies and marmalades was given by the new county home demonstration agent, Miss Martha Buttrill. Immediately after the lesson, a pleasant social hour was spent during which time the hostess assisted by her daughter, Miss Jessie Davis, served delicious ice cream and cake to the following: Mesdames W. M. Bair, Dallas Miller, Fred W. H. A. G. Huffmaster, E. H. Watt, E. M. Glass, A. E. Ranson, A. A. Lemmon, Miss Martha But-

trill and Miss Lillabeth Johnson. This being Mrs. Huffmaster's last meeting with the club, the members surprised her with a handkerchief shower. She received many beautiful handkerchiefs.

HEDLEY

Rev. A. L. Castleberry, from Texola, was in Hedley the past week-end and preached at the B. M. A. church Sunday morning and night. He has been called to the pastorate of this church, but has not yet decided what his answer will be.

Miss Martha Buttrill, the home demonstration agent for Donley county, comes here from Harde-man county, where she has been engaged in similar work.

Miss Louise Jones of Memphis was here one day the past week for a short visit with her brother, Reid Chilcoat.

The members of the Junior Study Club were delightfully entertained Wednesday afternoon, September 17, by Miss Peggie Caldwell. A short business session was held, followed by an interesting program on Civic Im-

provements. The hostess served a delicious ice course to the following members: Mesdames Charles Everett, John Auffill, Ross Adamson, Elvin Hickey, Lake Dishman, Harrison Hall, Dannie Battle, Garvin McKaskil, Misses Melba Johnson, Otney Watkins, Gladys Simpson, Cloeteal Morman and Pauline Caldwell.

Hon. J. C. Albritton of Yorktown, has been a visitor the past week in the home of E. H. Watt and family at Hedley last Friday.

Last Monday was Mrs. E. G. Dishman's seventy-fifth birthday, and she was quite surprised when there appeared at her home shortly before noon Mr. and Mrs. Ed Dishman, Mr. and Mrs. Lake Dishman and children, Paul and Dorothy and Mrs. Mary Dishman bringing ingredients for an excellent dinner, including a fine cake.

It goes without saying that the day was a most enjoyable one and the entire community joins in the hope that there will be "many happy returns."

Dick Myrick visited in the Masterson home Sunday.

Mrs. R. W. Scales and children of Brownfield were visitors here the past week-end in the Willie Scales home.

The 1919 Study Club held the first meeting of the new year Wednesday, in the home of Mrs. Ed Kinslow. Everyone was glad to be together again after the summer vacation. Some old and new business was disposed of before the program, which was led by Mrs. Noel. Each member answered to roll call with resolves to be more loyal and zealous this year than before and the club sees great things ahead. The invocation by Mrs. Kindall was followed by the song, "America, the Beautiful," after which Mrs. Vinyard, the president, gave her address, which was the outstanding feature of the meeting. Mrs. L. E. Thompson gave two numbers on the piano. Mrs. P. V. Dishman read a very interesting story. The hostess served delicious refreshments to the following guests, Mrs. Ed Dishman and Mrs. Plumlee and the members, Mesdames Vinyard, Moffitt, Noel, Beaty, Westberry, Thompson, Webb, C. L. Johnson, Pickett, P. V. Dishman, Pirtle and Kindall.

Harry Inman former resident of Hedley, came in several days ago and has opened the City Cafe in the same building with Herlie Morman's market.

Miss Ruth Powell left Friday

noon for Vernon where she will visit friends and relatives.

Hedley is looking forward to the first play of the season which will be given by the Home Demonstration Club, October 3. The play is entitled Mrs. Tubbs at Shanty Town.

Hedley played their second football game of the season Thursday afternoon of last week with Memphis. The score was 7 to 0 in Hedley's favor. Speck Armstrong made the touchdown. Hedley lost its first game to Turkey.

Alvin Surney and Miss Calvin Maie Watkins and Bud Arnold and Miss Ruth Williams were united in marriage Sunday.

R. A. Thomas of Wellington was a visitor in the W. J. Luttrell home Sunday.

Mrs. Louie Thompson and sons, Neal and Ernest, of Hedley spent Wednesday here with her parents, Mr. and Mrs. J. E. Neel.

Mr. and Mrs. Elbert Stephens of Dalhart came Tuesday for a visit with her mother, Mrs. A. B. Jones, and other relatives.

Notes on last week's games of
some of the teams that the Cy-
clone will meet: Shamrock stop-
ped McLean by showing them a
powerful team and outplaying
them throughout the game. Claren-
don stopped Price Memorial but
showed little of its supposed
strength. Wellington ran over
Estelline, but this game showed
the weakness of the Cubs rather
than the strength of the Wellin-
ton eleven.

Bobby Jones, undoubtedly the
greatest golfer of all time, won
his fourth major golf title for the
year, last Sunday, when he defeat-
ed Eugene Tomans 8 and 7 to win
the national amateur champion-
ship. Now, sports writers are won-
dering where the golfer will turn
next as he has "no other worlds
to conquer." It will be just as
hard for him to repeat what he
has just done as it was for him
to do it the first time, and it may
never be done again even by the
present champion.

Resolutions Passed On Untimely Death Of Mrs. Quigley

WHEREAS, on Saturday, Sep-
tember 13, 1930, soon after the
first rays of sunlight had pushed
aside the gray mists of early
morning, turning the night with its
darkness and shadows into a day
which gave promise of the seren-
ity of a cloudless sky, the Angel
of Death chose this hour of peace
to descend to earth and pluck
from life's garden one of its rarest
flowers.

Thus it was that Mrs. W. B.
Quigley passed into the silence of
profound sleep which we call
death. Her passing was peace-
ful. When told that she could not
recover from her illness, her reply
was: "I am ready to go."

In all sincerity, it may be said,
she was a womanly woman, a de-
voted mother, a faithful wife, a
loyal friend, a wise leader. And
as the years pass, the Woman's

Culture Club will continue to reap
the harvest of her sowing.

BE IT RESOLVED, That we
deeply deplore her passing, and
while mourning her loss will re-
member that beyond the shadows
of death is the light of hope and
faith, and the promise that Life
is Eternal.

AND BE IT FURTHER RE-
SOLVED, That a copy of these
resolutions be placed in our min-
utes, a copy sent to her loved ones
and a copy furnished the press.

Respectfully submitted,
MRS. J. CLAUDE WELLS,
MRS. L. S. CLARK,
Committee.

Here and There IN SPORTS

BY ADRIAN ODOM

The Cyclone pulled through its
third game to make two wins and
one defeat and to stack up a total
of 66 points to its opponents 59
for the three games. When the
local gridsters took a 34-0 game
from Claude, Friday, they took
the lead over Clarendon by ten
points, according to the "dope
bucket," which means nothing in
reality, for the team that counts
itself winner before the game
starts usually meets defeat.

--xx--
This was not true in the Claude
game, however. The locals were
sure of their game, and although
they won, it took until the second
half for them to learn that the
opponents were not theirs until the
last minute of play was over. The
fact that they were over-confident
in their own strength is a large
part of the reason for their defeat.
In fact, only one touchdown
was made in the first half, one in
the third quarter and three in the
last period.

--xx--
The Cyclone is still lacking bad-
ly in two important places. The
ends are slow in getting down the
field on punts, and kickoffs find
the entire team slow and letting
the opposition return the ball too
far. One of the most beautiful
plays in football, a "shoe-string"
tackle, is seldom executed by any
of the local players. An unneces-
sarily high tackle ruins the play
even if the man is thrown for a
loss.

--xx--
The practice games are over.
Football must start in earnest in
the Cyclone camp. Starting Thurs-
day the Cyclone goes into one of
the stiffest conference schedules
at it has ever had to face. The
game Thursday will probably prove
to be the last of the easy battles.
Quitaque is not reported to have
a very strong team, but unless the
locals start the game with deter-
mination, they may find stronger
competition than they had expect-
ed.

--xx--
For four straight weeks, the
Cyclone will meet four of the
strongest teams in the district.
Each team is pointing to the Mem-
phis game as the one they must
win. Wellington, Turkey, Claren-
don and Shamrock will consider
their season almost complete if
they can eliminate Memphis from
the district race. To prevent this,
the Cyclone will have to play real
football every minute of every
game.

--xx--
Still the people of Memphis re-
fuse to accept the fact that the
high school has a football team
that puts on a real show every
time it goes on the field. The
most discouraging thing that the
team has to face this season is the
lack of support. Last Saturday

 receive state aid for industrial work offered in the schools. They are Parnell, Lakeview, Newlin and Lodge. Estelline and Weatherly will receive special aid to help pay the expenses of transporting students to and from school in these consolidated districts. The amount of aid to be given these schools has not been made known by the state.

years. While at Meridian, his health failed and he was forced to seek a better climate. He went to Haynesville, Louisiana, but not improving, he was advised to come west. He has served the local Presbyterian church since August 1, 1927, and during the time he has been here, his health has been fully restored.

On The Level—

(Continued from page 1)

Those schools applying for state aid and the amount of aid asked were given as follows: Eli, \$766; Deep Lake, \$200; Gammage, \$403; Webster, \$273; Parnell, \$968; Wolf Flat, \$865; Brice, \$1,000; Baylor, \$421; Salisbury, \$617; Weatherly, \$665; Buffalo Flat, \$568; Leslie, \$772; Bridle Bit, \$318; Leach, \$448; Friendship, \$542; Churchman, \$550; Fairview, \$443; Lodge, \$1,000; Newlin, \$1,000, and Lakeview, \$1,000.

It has been suggested by some of my well meaning friends that since I am supposed to have reached the age of discretion, it is only fitting that I should start looking around for a help-mate or a help-mate, whichever ever it is. And I admit I could embrace matrimony with wide open arms, if the proper opportunity presented itself.

The proper opportunity must be around the age of three score years and ten and in very feeble health. In fact, she must be ready to pass out at any time. That is the first stipulation. Equally as important, the proper opportunity must be worth plenty of money, say about \$100,000 and have no living relatives. The third condition the proper opportunity must observe is to prepare or draw up a will, before the marriage license is purchased by her, have it duly witnessed and sign same, leaving to me all her earthly and unearthly possessions to have and to hold, together with all and singular the rights and appurtenances thereto in anywise belonging unto the said proper opportunity, her heirs and assigns, if any, forever and thereby binding her heirs, executors and administrators, if any, to warrant and forever defend, all and singular the said premises unto the said myself, my heirs and assigns, if any, against every person whomsoever lawfully claiming, or to claim the same, or any part thereof. After this habendum clause (thanks to David Fitzgerald) has been accepted by proper opportunity, nothing remains to be done except on the part of the preacher.

But until such a person comes along, I see no immediate prospects for marriage. In fact, I am going to watch my step very carefully and try to keep out of trouble. Several months ago, you will remember, I went to a picture show and it being dark on the inside, I sat down on the lap of the wrong woman. I mean, I sat down on a seat which was occupied, which was an error on my part, which I hope I will have foresight enough not to duplicate.

teries in one evening that the slow moving Arabians could produce in a dozen long nights. An evening with Campell is said to be a sure cure for the dyspeptic, the ruination of a grouch and a "knock-out" for the fellow who enjoys a laugh now and then.

Men's Glee Club

The second number of the lyceum course will take place on the evening of Monday, November 17, when Lloyd King, in person, will be presented with his singing, playing mens' glee club. The well known King male quartette will have a prominent place on the program and a genuine treat is said to await those who attend the performance.

Stage Success "Sunup"

The third and final number in the series will be presented on Wednesday evening, December 3. This will be the bright and shining stage success, "Sunup," which had a long run on Broadway and is famous in all parts of the United States as a "jam up" good show, all the way through.

The ticket sale for the three performances opened recently. Tickets may be obtained from any member of the Business and Professional Women's Club. Season tickets for adults will sell for \$1 each, and family tickets for the season for \$2. Season tickets for school children will sell for fifty cents each.

Members of the local club, sponsoring the lyceum numbers, stated that these three superlative attractions are being brought to Memphis solely for their entertainment and educational value and not to make money. The club will be satisfied if expenses are made.

Chamber of Commerce Dinner

At seven o'clock Thursday night, a dinner is to be given the visiting clerks by the Memphis Chamber of Commerce, which will be followed by a theatre party as a compliment of the host clerks.

Friday's program will open with a question box and a round table discussion of all points of interest. This will be followed by a continuation of Thursday's discussions, which will include any topics helpful to new or incoming clerks, of which there will be a number present.

NINE POUND SON IS BORN TO MR. AND MRS. SENSABAUGH

Announcement was received in Memphis Monday of the arrival of a 9 pound son at the home of Mr. and Mrs. Gerald Sensabaugh at Cleburne, Texas. Mrs. Sensabaugh was before her marriage, Miss Helen McNeely. Mrs. M. McNeely is at Cleburne and naturally she and Dr. McNeely are very proud of their first grandchild. Mother and son are reported doing nicely.

Mr. and Mrs. R. J. Thorne of Dallas are here this week visiting old friends and looking after their ranch interests in Collingsworth County. Mr. and Mrs. Thorne have recently returned from a trip to Europe.

Rally Social For Presbyterians To Be Held On Friday

Members of the First Presbyterian church will hold their annual rally social Friday evening at the church. This is a big get-together occasion for the church and is preliminary to the rally day Sunday.

The Sunday rally day will be in the nature of a special program; promotions will be made in the Sabbath school and the fall and winter work of the church will be launched. The Presbyterian denomination has between three and four million communicants in the United States and all are unified under a general working scheme.

GAMMAGE SCHOOL HAS NEW CLASS OF SINGERS

A singing class was organized at the Gammage school 6 miles southeast of Memphis Sunday night. A large crowd was present and the following officers were elected: W. S. Malone, president; Byron Todd, secretary-treasurer. They will meet twice a month and will use the new Stamps books.

Mrs. Ed Dishman of Hedley was a Memphis visitor here Tuesday.

STATE TELEPHONE CO. EMPLOYEES HAVE PICNIC

A picnic for the employees of the State Telephone Company of this district was enjoyed at Wayside Park Thursday with 29 attending from Wellington, Dodsonville, Clarendon, Lakeview and Memphis including District Manager and Mrs. E. C. Throop. After a lovely picnic supper various games were enjoyed.

Resignation of Dr.—

(Continued from page 1)

Served Leading Churches
 After leaving college, Dr. Malard's first pastorate was at Mineral Wells. This was followed by his sojourn in Jackboro. He then served the two leading Presbyterian churches in Mississippi, the one at Corinth for three years and at Meridian for nearly ten

years. While at Meridian, his health failed and he was forced to seek a better climate. He went to Haynesville, Louisiana, but not improving, he was advised to come west. He has served the local Presbyterian church since August 1, 1927, and during the time he has been here, his health has been fully restored.

THIS AND THAT

Conditions are improving. Business an upward trend.

I'm not a B. C. Forbes or a Roger W. Babson, but I do know that times are getting better in old Hall County, and since I can think of nothing else to write about, I'll just say a little about conditions.

The observation a number of people have already made is quite true, I believe—business, more than ever now, is going to the person who goes after it. Out of the chaos of fractured commerce and bankrupt farmers will emerge leaders who will achieve success because their ideas and methods weathered a period of depression that is taking its toll in financial losses. They will be the go-getters of this era of reverses and they will win their fights.

Each is said of optimism at a time like this. Optimism is an all-year all-conditions medicine. It is certainly not an antidote that can be taken on short notice as a cure-all. I pity the person who is not optimistic by nature, in fact cannot see a future for the person in whose make-up optimism is not included. There surely isn't much to be gained by telling those who have growled and groaned all their lives to "look on the bright side" now. They are just the type who would say, "there isn't any bright side."

I know a man in Memphis who groans and complains from the time he opens his store in the mornings until he closes at night. Peculiarly enough, this particular man doesn't have as much reason for complaining as a lot of other people I know, but if he is asked, "How's business?" he'll go through a series of painful expressions and gestures that will almost make you regret you're alive.

What good does that sort of an attitude do him? If you ask me, chief result, eventually, will be stomach trouble. People who cough and pout and get their feelings hurt about something every time they turn around always develop a diseased stomach. I know several who have been taking caripeptic liquid in big doses every day for years.

What was it Elbert Hubbard said? Oh, yes, I remember now. If the ladies will pardon me, it's just this:

Some men get results if kindly encouraged, but give us the man who can do things in spite of hell.

I don't know much about the United States in general, but I do know that the present local economic situation had to come. Business men saw the "writing on the wall" last year and immediately began to improve themselves. They would inevitably happen if they did not reduce their cotton acreage, plant better staple seed and begin a real program of living at home.

Now, to their sorrow, the farmers have learned that the prediction was true. The low price of cotton and the fact that ginners really are paying a premium for staple have revealed the bitter truth.

Of course, the drought is greatly responsible for poor conditions on the farm this year, but there are many farmers in this county who will successfully weather the storm, and they won't have to borrow to do it, either. They are the ones who have given satisfaction to the age-old supply and demand.

The farmers are not to be let out in the matter. These local business men—some of them—who are learning at expense that their businesses do not operate profitably unless they are making money in the nearest domino parlor or club room or golf course. The play-boy who must have his fun seven days a week is the best red ink customer our office supply department has.

Did you ever try to write a column for a newspaper at three o'clock in the morning? Well, don't. It's rather taxing. Not nearly as taxing, however, as trying to pick 200 pounds of cotton in one day.

There is no extra charge for a column of observations this week. Aren't you glad?

Get it at Tarver's.

Payne Book Will Be On Sale Here

The Democrat is in receipt of a complimentary copy of "Destruction: The Strange Case of A. D. Payne," by Harry Montgomery. Mr. Montgomery has done an excellent piece of work in compiling the material for this 96-page volume. Most of the readers are familiar with the Payne case that rocked the nation in a series of tragedies, but the volume in question details facts heretofore not generally known.

Probably the most interesting part of the book is the record as set down by Payne in his diary as he waited for the opportune time, as he thought, to destroy himself. The book is entirely readable and will throw new light on one of the strangest criminal cases on record.

The book was published by the Russell Stationery Company, at Amarillo. The volume is profusely illustrated and has an arresting cover. It is understood that the proceeds from the sale of the book will go to Payne's children. The volume will be on sale here at Tarver's Pharmacy at \$1 the copy.

Dickey Optimistic In Talk To Lions

Mrs. Elmer S. Shelley and Miss Vernadine Jones rendered several pleasing vocal numbers before the Lions Club at its regular luncheon last Thursday. They sang two duets, and Miss Jones favored the club with two solos.

W. C. Dickey, president of the Hall County National Bank, brought a forceful message of vital import to this section of the country just now. He spoke on business and economic conditions and disclosed many startling facts relative to the present situation. His message was of an optimistic nature and revealed his firm belief that business is on a slow but sure road to recovery.

FUNERAL FOR INFANT
Funeral services for the infant daughter of Dr. and Mrs. O. R. Goodall were held Thursday afternoon, with interment in Fairview Cemetery. The child died shortly after birth.

Mrs. J. A. Whaley and Mrs. J. D. Browder returned Friday from a visit with their brothers, G. B. and W. I. Adkisson at Abertonia and D. D. Adkisson at Tulla.

SEA GULLS AT CORPUS CHRISTI
By Dorothy B. Robbins
A hunger that I felt was stayed
Not by the opalescent sea,
Not by the flaming sun's decline,
Not by your smile ethereally—
But when two gulls came steadily
Soaring slowly in surest flight;
Those graceful birds like answered prayers
Sweet thankfulness diffused all night.

Mr. and Mrs. R. R. Coleman and Mrs. Floyd McElreath were visitors in Amarillo Tuesday.

Mrs. Grover C. Ewing and daughter, Margetta of Estelline, were Memphis visitors Saturday.

Head and Back Quit Hurting

"A few years ago, I found that I was very weak and nothing I ate seemed to give me any strength," writes Mrs. R. B. Douglas, 704 South Congress St., Jackson, Miss.

"I suffered intense pain in my head and back. At times I would have to hold to something to steady myself, so as to do my little work. I was worried about my condition.

"My mother told me that I should take Cardui. After taking two bottles, I felt stronger, but I kept on taking it until my head and back quit hurting. I took about six bottles in all, and have never quit praising Cardui."

Neatly Folded Piece Of Paper Revives Almost Forgotten Memories Of Memphis 22 Years Ago

A neatly folded piece of paper that had lain in a purse for twenty-two years, when found Tuesday, revived almost forgotten memories of an incident of the past in Memphis. Mrs. George L. Tipton made the discovery of the old letter, which had been tucked away in a compartment of her purse these many years. The letter bore the date of January 18, 1908, and was written to Mrs. Tipton by J. D. Bird, one-time secretary of the Pioneer Mercantile Company of Memphis, and now the only surviving member of the former establishment. The letter accompanied a handkerchief which was presented to Mrs. Tipton in appreciation for her services during a sale put on by the company.

Officers' Names Shown
Across the top of the letter, the names of the four officers of the company appear. B. F. Denny was president of the company, the letter shows. He was one of the

first dry goods merchants in Memphis. J. A. Bradford, vice-president, was a pioneer groceryman, and later, president of the Citizens State Bank. J. D. Bird, the secretary, is now connected with a dry goods store in Dalhart. W. M. Fore was general manager and treasurer of the company. He too, was a groceryman, and with his brother, ran a grocery store known as the "4 Brothers Store."

Mr. and Mrs. J. G. Gardner and daughter Mary, of Quanah, spent Sunday here visiting Mrs. Gardner's parents, Mr. and Mrs. J. A. Cassel.

Mrs. W. H. Gilliland left Sunday for Pampa where she will join Mr. Gilliland and make their home. Mr. Gilliland was formerly with the J. C. Woodbridge Lumber Company here but is bookkeeper now for a Hardware store at Pampa.

Demonstration of Foods At Grocery Here On Saturday

The Universal Manufacturing Company and Brown Cracker and Candy Company are giving an all-day demonstration at Ward's Drive-In Grocery store here Saturday. The demonstration will consist of displays of cakes, candy, canned goods and other products of the two companies. Representatives of the companies will be at the store during the day and will conduct the demonstrations. Every one is invited to attend this demonstration and is assured of seeing some things of interest to them. Coffee and cake will be served to visitors during the day.

Mrs. R. E. Clark Is Hostess At Meet Of Culture Club

The Woman's Culture Club met with Mrs. R. E. Clark Wednesday afternoon. After the business session, the resolution on the death of Mrs. W. B. Quigley was read by Mrs. J. C. Wells. "A vacant chair" tied with the club colors, purple and gold, and an arm spray of flowers, was a solemn reminder of the loss of the club's president. Each member passed by and placed flowers in the chair and memory's casket with beautiful tributes to her life. The flowers were carried to her daughter, Mrs. Horace Tarver, as an expression of love and sympathy.

The program for the afternoon was on India and proved most interesting, as follows: roll call, cities; Government and History, Mrs. E. W. Thomas; Rabindranath Tagore and His Contribution to India, Mrs. Whaley; The Caste and Religion, Mrs. Howard; The Tomb

of His Ancestors, Kipling, Mrs. Brumley.
At the conclusion of the program, the hostess served delicious refreshments to the members. The club will meet with Mrs. A. W. Howard October 15.

Mrs. B. F. Denny and granddaughter, Jeanne, and Miss Ida Mae Long spent Thursday at Goodlett visiting Miss Long's aunt, Mrs. Jennie Malone.

Mrs. L. L. Doss and son Jerry returned Thursday of last week from a visit with her sister, Miss Pauline Davis at Athens, Ohio. Mr. Doss went to Wichita Falls Thursday to meet them.

Miss Imogene King went to Dallas Saturday night to visit with her brother D. Max, who is still very ill in the Baylor Hospital.

Mrs. Sam Harle and son Sam Jr., and Mrs. G. B. Glenn of Wellington came Monday to be at the bedside of their mother, Mrs. C. W. Ryan, who is very ill.

Men, who of commercial necessity or intellectual inclination, require the closest contacts with the eventualities of the week in their community, place their reliance on The Democrat as a complete and accurate source of information. Because The Democrat is as thoroughly read in the offices and stores as in the homes it is the indispensable paper for readers as well as advertisers. Prestige, goodwill and service, developed over a period of 23 years, have indelibly stamped The Democrat as Hall County's greatest newspaper.

Safeguarding Memphis Against The Fire Demon

BY M. G. RAY, Chief Memphis Volunteer Fire Dept

(Editor's Note—This is the first in a series of articles that will appear in The Democrat on Fires, their causes and prevention.)

More than 2500 years ago a Greek philosopher said: "The universe is one ever-lasting fire." By fire he meant that undying spark of energy which dwells in creation and actuates all living things.

In the United States, however, the word might be taken in its literal sense, for we are living in a Tierra del Fuego, or land of fire, as will be shown.

According to tales of Greek mythology fire was unknown to earth until Prometheus stole it from the heavens, for which crime he was chained to a rock where an eagle daily devoured his liver.

When primitive man first became acquainted with fire, in the form of lightning and volcanic outpourings, he was naturally fearful of it. Later he learned to make use of it for cooking purposes and to warm his abode. At one time only the women knew how to start a fire and they jealously guarded their secret from the men.

The Fire Stick

It is not known when man first learned to make fire by friction, but it may have been that while dragging the carcass of some wild animal over stony ground, the hide was rubbed hard enough to singe the hair upon it and man was thus supplied with a hint he was quick to seize. At any rate he eventually learned that by rubbing he could produce fire and so developed the fire-drill which consisted of a pointed stick held vertically and spun rapidly in a depression in a piece of soft wood placed flat on the ground.

Then came the flint-and-steel, one being struck against the other, the sparks falling upon tinder in the form of flax tow. In the olden days every household possessed one or more tinder boxes containing these implements for making fire.

The First Match

After this, in 1827 to be exact, an English druggist named John Walker, evolved the first practical friction match, which was known as "Congreves." With every box was provided a folded piece of "glass-paper." In order to ignite one of these matches it was necessary to draw it quickly through folds of the paper pressed firmly against the head of the match.

There was such great need of a sure-fire, easily ignited match, that inventors went on experimenting until they hit upon the sulphur-phosphorous combination, which eventually developed into the present types of so-called "safety" and double tipped "strike-anywhere" matches with which we are all familiar.

No Match Is Safe

Needless to say, no match is safe from the standpoint of the fire hazards. Besides the possibility of staying lighted after it is discarded the head might fly off when struck or ignition may occur by some means other than its normal use. Matches having sturdy sticks—the better made strike-anywhere and the strike-on-the-box type—including the paper book match—has less hazard of accidental ignition by being stepped on, or by abrasion in grinders, cotton gins or other machinery.

So many fires started by matches are due to the carelessness of smokers that the Actuarial Bureau of National Board of Fire Underwriters combined the hazards under the twin designation, "Matches-Smoking" and today it leads all other causes in its responsibility for fire destruction, with a total annual charge against it in the United States approximating the huge sum of \$30,000,000.

500,000 Flames a Minute The prominent place held by these modern fire-sticks among the originating causes of loss is understandable when the tremendous production of matches is contemplated. Each year about three hundred billion are consumed in the United States, or eight hundred thousand daily. To put it another way, this means that in terms of averages approximately five hundred thousand flames are started every minute.

Each of these matches hold the possibility of causing a disastrous fire, even a conflagration of city wide proportions. Therefore, every time you strike one be careful—that becomes of the burning stick; it may result in the destruction of your home and perhaps end the lives of those in it. Never

More Pigeons Bye and Bye

A wandering tom cat rudely robbed Our pigeon nest one day. We urchins found the sad remains All scattered in the hay. We gathered all the pieces up With melancholy sighs And hurried to the kitchen door— With bear-dimmed, childish eyes. But mother said, 'A cat's a cat, Don't feel so sad and glum, You'll have more pigeons bye and bye, Just take things as they come. Then little Jackie rose in rage And said he didn't care— If he could find the 'omey' cat, He'd kill him then and there. The years have flown and Jack has learned That often in the hay, Men find the remnants of their dreams Rude hands have tossed away. He's learned to smile and start again With courage in his eye; To say, 'Be bad! But there will be More pigeons bye and bye.'

cast away a match stick while it is still burning, because it is only too likely to ignite any inflammable material at hand. The wife of Henry Wordsworth Longfellow, the poet, was burned to death because she carelessly threw a lighted match upon the floor, and similar fatalities have been numerous. Every day children are losing their lives while playing with matches and you will find references to such occurrences in almost every fire department report. Rats and Matches You sometimes read in the newspapers of fires attributed to the nibbling of matches by rats and mice, but this theory cannot be substantiated. Not long ago a fire prevention engineer kept several mice in a state of partial starvation and then turned them loose among a number of scattered matches of various kinds. They refused even to sample the heads, however, and displayed absolutely no interest in them, despite their hunger. It has been proved on the other hand that the rodent often steals matches and uses them in building a nest in some convenient nook. Sometimes for the sake of warmth they place their nest against a chimney and if the flue is not adequately lined with fire clay, or has walls that are too thin for safety, there may be sufficient heat to ignite the matches in the nest. Of course in the head of the match lies the reason for the production of fire. This little bulb, in the best of the strike-anywhere matches, contains a chemical known as secqui-sulphide of phosphorous, together with flint, while the strike-on-the-box matches are made with chlorate of potash. The latter substance must be rubbed on phosphorous in order to produce flame and consequently the box has phosphorous paint on its sides. The flint particles mentioned are included to generate friction or heat, when the match head is rubbed or struck. Some match sticks are treated to prevent afterglow and to go out after burning to a certain point. While this is a desirable feature there can be no assurance the match being used is of this type. Therefore great care must be taken with all matches before throwing them away, and breaking them between the fingers is one way of making sure they are no longer hot. In the natural course of events

matches will continue to be used in increasing numbers. They will always be dangerous unless people become properly careful in using them. It has been stated that there are no safety rules more important than those applying to matches and the record of fire losses indicate that this is a moderate statement of facts. The matter has been succinctly phrased in the following: "Matches do not think with their heads. When you use them your head has to do all of the thinking. DO the thinking! Put them out!" (Next week, The Chemistry of Fire)

Let's Chat Awhile

BY DOROTHY B. ROBBINS

LET'S CHAT A GOOD LONG TIME

Over what? Those French fliers, of course. I can never be the same again after such an experience. Seated on my side of a flight, quilting away, I heard the one and jumped up to answer. It was my niece informing me that I could get the station tell me about the fliers. I did not expect anybody calling out a name of notable, probably New Yorkers at some outdoor game. As I sat there listening in as place as you please when the "phone" came again and my niece informed me that I must change to No. 1. I did and there was the same crowd, surging and waiting for the microphone man remarking, "There are several mothers giving their children ice cream cones. I couldn't mind having one myself. Here's a plane, maybe Lindbergh (however, it wasn't). There's a crowd out here and more policemen and officers, horses feet everywhere and everybody waiting for the great event. It's a good natured crowd and well-mannered."

When Coste and Bellonte have signed with the Question Mark, cheering rang through my eardrums. I forgot my quilt and sat leaning to "Now they are circling—the plane though red looks over—the crowd is surging to the ropes." Cries from the men, "Stand back; stay inside the ropes." "Now they are coming nearer," the good-natured microphone man laughed as he said, "This is a crowd to be sure can't tell where I'm going, but I'm going with them somewhere. Some may get out from under the wings at the last minute, but never a danger if such a thing happens." Again the voice of the commanding officer riding up and down the line. The announcer turns us over to another up in another part of Love Field and most immediately takes us back. There seems not to be much doing up there just now," he says, though pushed this way and that, the crowd is good to the microphone holder and he is constantly thanking somebody for rescuing his wire.

At last, the Question Mark is descending and the announcer says the crowd is going wild. "Excuse me a little that way!" "Another great moment!" "Any one-eight French?" "Through me like electricity!" "Great grandfather, they were born! Such things send one spinning through the air for days. Decidedly this was a day of days. Quilt again? Sometime not today. I tried to tell mama everything I had heard. How could I?" Supper time came as on other days, after the quilt had been rolled up by means of the cords that suspend it from the ceiling. Mama had fed her chickens. Time came to sit on the gallery. Weren't the lights bright? Sort of enchanted! What did we hear?—zum, zum, zum, louder over our heads, air planes. At intervals, five of them. Well, it was time for Amos and Andy for the first time it seemed for entertainment. Mama took her chair. I lounged on the sofa for WFAA's announcement.

ing to do it now. He gave the last "a" the broad sound in pronouncing which perhaps is more French than American for my big dictionary gives first preference to pronouncing that "a" long. Sometimes an embrace and kiss. Perhaps both judging from the cheering and clapping of the crowd. "Viva la France! Weren't they happy?" To Col. Easterwood all of Texas owes a debt of gratitude. He has definitely placed us on the air map. No state can boast a better field than Love—beautiful, covered with a green carpet. To a man of the caliber (or calibre) of the Colonel does a state owe civic progress. Dallas should honor him by visible signs and no doubt will, long before he is called high-rider.

On the editorial page of the New York Times this appeared under the caption of "Topics of the Times": Coste's ultimate destination, Dallas, is to be congratulated on the vision and ingenuity of at least two of her sons. One is Colonel Easterwood, donor of a prize that brought Coste and Bellonte to his home town with so little loss of time. The other is the gifted author of the special dispatch from Dallas in The Times of Friday, who spoke of the Frenchmen's "epochal Paris-New York-Dallas aerial pilgrimage". Thus to link, without a single gesture, Dallas with what Coste likes to call "a great city of the Old World and the greatest city of the New World" is a stroke of genius. It is legally correct, too, and only the ungracious will take the trouble to suggest that possibly the Frenchmen were not thinking a great deal about Dallas when they took off at Le Bourget, but Paris-New York-Dallas it is, and in the course of years, the middle term wears away and it becomes a Paris-Dallas flight, no one west of the Hudson will have grounds for complaint. LONG LIVE PARIS! VIVE LA DALLAS.

Local and Personal

How Old Are You?

Today Said She—I'm 43

Am I Fat?—Not Me

Yes! A year ago I had twenty-two more pounds of fat than I needed—I was fat—and very sensitive about it—but now I say it is foolish for anyone to be overweight.

What did I do? Nothing very hard, I can assure you—I cut out pies—candy and all sweets—ate moderately and every morning before breakfast I took one half teaspoonful of Kruschen Salts in a glass of hot water—Never missed a morning.

I lost fat—gained in energy—vigor—charm—and vivaciousness and have a shapely figure I am proud of—anyone can do the same.

A North Carolina woman lost 47 pounds in 3 months—a Montana woman lost 19 pounds in 4 weeks—Wisconsin woman 11 pounds in 6 weeks.

Mr. and Mrs. Lewis Dunn left Monday for a visit with his mother, Mrs. J. R. Neis, at Hooker, Oklahoma, en route to California to make their home.

N. W. Durham and Ross Saye spent Sunday in Wichita Falls.

Mr. and Mrs. W. S. Gooch returned Thursday of last week from a visit with their daughter, Mrs. Frank Wright at Oklahoma City, Oklahoma.

Dr. Luella Pat Wiggins and Mrs. Grace Duke were visitors in Hedley Sunday.

Mrs. Ray Taylor and daughter, Sybil, returned Sunday from Dumas. Mrs. Taylor resumed her position with J. R. Jones and Company Monday.

Homer Thompson spent Friday here with his parents, Mr. and Mrs. T. J. Thompson, en route to Omaha, Nebraska, from Lubbock where he will make his home.

Konjola Did More For Me Than All Else

New Medicine Proves Real Boon to San Antonio Housewife—Earns Anger Praise

"Three years ago I began having trouble with my liver," said Mrs. T. G. Moore, 314 Mission street, San Antonio. "I was sluggish, my complexion was bad and I had dark blotches on my face. I was troubled with constipation

MRS. T. G. MOORE

and forced to use laxatives and purges almost daily. These conditions made me very nervous and I did not sleep well. I felt thoroughly down and out.

"My husband and I decided to give Konjola a trial. After trying this medicine out for a few days I found it different than anything I had ever tried before. Now, after taking Konjola for a month, I am feeling better than I have for a long time and am more than pleased with the results it has brought. It has done more for me than all else I tried and I am glad to endorse it."

Although Konjola does work quickly, it is best to take this medicine over a six to eight week period in the average case. Its record has made Konjola a household word in thousands upon thousands of American homes.

Konjola is sold in Memphis at Leverett-Williams Drug Co., and by all the best druggists in all towns throughout this entire section.—Adv.

Death Of Cotton Pickers Proving To Be Serious Handicap In Harvesting Of Crop

Due to the fact that the price for picking cotton and pulling bolls has been materially reduced this year, Hall County farmers are experiencing much difficulty in getting the crop harvested. Several weeks ago, it was thought that local labor would prove to be sufficient to harvest the crop, but such has not proved adequate. The local chamber of commerce is trying, almost daily, to secure cotton pickers, but most of those available refuse to come to the county because of the prices paid.

Opened Simultaneously
It seems that, due to the continued drought, most of the cotton opened simultaneously. A drive over the county will convince the most skeptical of the urgent need of workers. A few Mexicans have come into the county recently, but this kind of labor has not been able to cope with the situation. In this respect, Hall County is no worse off than neighboring counties. It was stated this week that Collingsworth County had advertised for a thousand cotton pickers.

Many Furnish Houses
Most of the farmers in the county have houses where families may live while they help to harvest the fleecy staple. The farmers are paying to the extent of their abilities, but with seven and eight cent cotton, it is impossible to pay the workers anything like what is considered a good wage, such as is accorded them when conditions are normal.

Revival Workers Furnish Program For Rotary Meet

Faith as exemplified in business, social and religious activities is a fundamental requisite to the well ordered life, was the contention of Rev. B. M. Jackson, of Albuquerque, New Mexico, in a talk at the weekly meeting of the Rotary club Tuesday. Rev. Jackson is conducting a revival meeting at the First Baptist church. The singer, Johnnie Cohen, of Palestine, Texas, rendered several enjoyable selections prior to Rev. Jackson's talk. He sang, "Sonny Boy," "My Mother's Eyes," and "April Fool" as an encore, being accompanied by Mrs. Margaret Morgan-Andrews. The program was introduced by Era Miller.

On behalf of the Rotary Club, President Rufus Greene presented to J. Claude Wells, the past president's pin. Mr. Wells told of his appreciation of this courtesy and expressed his profound gratefulness to Rotarians for the consideration given him during his administration.

President Greene appointed a new program committee to serve for three months, the members of which are Russell Clark, chairman; J. Claude Wells and Allen Grundy.

CANADIAN PASTOR WILL SPEAK AT CHURCH HERE

C. C. Houston, pastor of the Church of Christ at Canadian, Texas, will speak Thursday night at 7:30 at the Church of Christ here. Although no previous arrangement had been made for Mr. Houston to speak, he is in Memphis at this time, and it was announced, the church will take advantage of its regular mid-week meeting to hear him. Mr. Houston is known to be a forceful and entertaining speaker, and every one is invited to hear him at the church Thursday night.

Mr. and Mrs. O. E. Beavers and daughter of Lakeview, were Memphis visitors Thursday. Mr. Beavers attended court and Mrs. Beavers visited her sister, Mrs. C. C. Meacham.

Burglars Ransack Watson Home Here

The home of J. D. Watson at Ninth and Cleveland streets was ransacked Wednesday night while the family was at church, and the burglars escaped with about \$65 in valuables and money. Officers were notified as soon as the family returned home, but no clues leading to arrests had been found Thursday morning.

Mr. and Mrs. Watson had gone to church leaving the house open and returned to find complete disorder, mattresses had been pulled from the beds, cushions taken from the chairs, drawers had been emptied and clothing taken from the closets. A wrist watch, diamond ring, some memorial coins and about six dollars in cash besides other small articles were reported to have been taken.

Officers were notified immediately and they found clues that indicated that a woman, her tracks were found outside a window, had kept watch while a man worked inside the house. Tracks showed that an automobile had been parked on Cleveland street near the house, and it is believed that the car belonged to the thieves.

It is not believed that this robbery was committed by the same persons who have entered other houses in the past few weeks because keys belonging to Mr. Watson were not stolen. In the other cases, the thieves have taken every key they could find.

Roy Leverett and sister, Miss Grace, and Mrs. Bertha Carter went to Mangum, Oklahoma, this Thursday to attend the funeral of their uncle, H. B. Barnett, who died there Tuesday. The funeral will be held at 2:30 o'clock. Mr. Barnett is a brother-in-law of Mr. and Mrs. George Thompson.

Mr. and Mrs. E. M. Ewen spent Tuesday in Estelline visiting their son John W. Ewen.

Mrs. J. A. Dillehay of San Angelo, Texas, came Wednesday for a visit here with her brothers, T. M., R. B. and J. S. McMurry.

Howerton Grocery To Give Big Party At Store Saturday

Saturday is calculated to be a busy day at the Howerton Grocery, for the genial manager of that establishment, Russell C. Howerton, has made elaborate arrangements to serve good things to eat

and drink to visitors to his store on that day.

In conjunction with the General Foods Sales Company, marketers of a number of well-known brands of foods in universal use, Mr. Howerton is "throwing a big party." Not content with serving Maxwell House Coffee, iced tea, Jell-O and many other delicacies, he will also treat guests who call at the store between 7 and 10 in the morning to hot cakes and waffles.

"It's all free," Mr. Howerton declared, "and I have nothing up my sleeve. We'll dish out the food and drinks just as long as the people come in the store."

A 15-pound angel food cake, baked for the Howerton Grocery's "jubilee" by the City Bakery, which was placed in the store's show window Friday, has been attracting considerable attention. The cake, which would apparently feed a large family for several Sundays, will be given away Saturday evening at 8 o'clock.

Mrs. Cecil Guthrie is in Amarillo this week visiting her sister, Mrs. Craver Browder.

Mrs. A. T. Lokey and daughters, Willie Margaret and Florence, visited in Amarillo and Canyon from Friday until Sunday.

Memphis Outplays Claude To Win Friday Contest

LOCALS FAIL TO REACH STRIDE UNTIL HALF

Over-Confidence Is Blamed For Ragged Play With Claude

Showing flashes of brilliance to make up in part for the failure of some of the plays and players to click, a slashing Cyclone offensive finally broke loose in the third quarter of the game with Claude here last Friday and as a result the visitors were defeated by a score of 34 to 0. In the first two quarters, Memphis scored a lone touchdown. The locals went into the contest expecting a rather easy victory, but after the first few downs, it was readily apparent that Claude had more than a second-rate team. Coach Nolan Walter respected the prowess of the opposition as demonstrated by the fact that he kept his first team in action during the larger part of the contest.

Effects of Victory
Over-confidence on the part of the Cyclone unquestionably accounted for the team's failure to do more effective work in the first half. Still feeling the effects of the decisive win from Clovis, few of the Cyclone players really woke up to the fact that the practice game was to be a hard one until after the third quarter had started. There were a few notable exceptions, however, in the first two

periods of play. J. D. Jackson played like a man inspired. He was on his toes, fighting mad, and giving his very best to the cause of the Cyclone. Even though he drew a penalty for the team, that can readily be overlooked and the manner in which several of the Claude players conducted themselves was anything but consistent with good football.

Bourland Looks Good
Bourland settled down, early in the play, like a veteran center although this is his first year to hold down this key position. He looked good. Albert Pearson was another player who came through during the first half. Considering the game as a whole, this was unquestionably the best showing Albert has ever made on the football field. It was a pleasure to see him weave his way down the field, to see him stop a man in his tracks and to note the improvement he has made in holding the ball, once he gets his hands on it.

Captain Hammond Stars
Captain Hammond also gave a mighty fine account of himself while he was in the game and he played more in the Friday contest than he has in any game thus far during the season. Once Hammond gets started, he is about as hard to control as an earthquake and does just about as much damage to the opposition. With Hammond in the game, the Cyclone always gives plenty to their opponents. Jarvis, at right half, played his best game of the practice season Friday. As a broken field runner, it looks like he will be equal or even superior to Martindale before the season is over. The mere fact that he made consistent

Three Clubs Have Been Organized By Miss Adams Lately

Club work in Hall County is going forward with rapid strides according to Miss Ruby M. Adams, county home demonstration agent. Miss Adams has organized three new clubs during the past week and will organize the fourth club at Purple Hill on October 27. On Tuesday of this week, the Gammage Girls' 4-H club came into being with an initial enrollment of eight.

Membership of Fifteen
On Friday of last week, the Gammage-Harrell Chapel Home Demonstration club was organized. This club is an outgrowth of the Harrell Chapel club, but with the acquisition of a number of women in the Gammage community, the club now boasts a membership of fifteen. The same officers who served the Harrell Chapel club will continue to function in the new organization until

M. ROSENWASSER VISITS WITH SONS IN MEMPHIS

M. Rosenwasser of Lockhart spent the first part of the week in Memphis visiting his sons, Jess and Marcus. Rosenwasser, local dry goods man. The local store is one of four owned by Mr. Rosenwasser. He reports business conditions greatly improved with the harvesting of the cotton crop in and near Lockhart.

Hospital Head

Dr. J. A. Odom, well known local physician and surgeon, who will head the Odom Sanitarium to open this month. The sanitarium will diagnose and treat medical and surgical cases. Associated with Dr. Odom will be four consulting physicians from Memphis, Lakeview, Hedley and Estelline.

Odom Sanitarium To Open Here On Or About Tenth Of October

Announcement was made this week of the opening, on or about October 10, of the Odom Sanitarium. Dr. J. A. Odom, physician and surgeon, who has practiced in Memphis since 1919 will be at the head of the sanitarium and he will be assisted by a staff composed of Dr. C. Z. Stidham, Memphis; Dr. E. Payne, Lakeview; Dr. A. M. Shelton, Estelline and Dr. Webb of Hedley. The laboratory and X-Ray technician and the nurse will be announced later. The hospital will diagnose and treat medical and surgical cases.

Contains Eleven Rooms

The location of the sanitarium will be on South Eighth street, at the end of the pavement. Dr. Odom has, at considerable expense, added to his home and has converted it into a modern sanitarium of eleven rooms. It contains a general operating room, an eye, ear, nose and throat room; X-Ray and Laboratory room, general reception room, six bedrooms and a diet kitchen. Hardwood floors are utilized throughout.

New Color Scheme

A new color scheme has been evolved for the general operating room and the eye, ear, nose and throat room. The walls of these rooms are of light jade green. The ceilings are in light ivory and the woodwork is of a darker shade of ivory. Light and dark ivory woodwork is used to good advantage in the other rooms. However, each bedroom will be finished in a different color.

Denver Station At Estelline Robbed On Monday Night

The Fort Worth and Denver station at Estelline was robbed of about \$25 in cash at 10:40 Monday night, and the operator on duty, W. R. Huffmaster, was taken 40 or 50 feet from the station in the direction of the stock pens and knocked in the head with a revolver. His injuries are not considered to be of a serious nature.

Robbers Are Unmasked

The robbers came into the station unmasked and demanded at the point of a pistol, that Mr. Huffmaster open the safe. He did so and the robbers took \$25. It is said that in their hurry they overlooked a five dollar bill in the safe. It is presumed that the robbers were traveling on foot as no car was seen in the vicinity of the robbery.

Reported to Sheriff

The robbery was reported to the sheriff's department shortly after 11 o'clock Monday night and Sheriff Sid Christian and Officer Marvin Humphreys went to Estelline to investigate. No arrests have been made in connection with the case at the time of going to press.

Mrs. Olin Alexander Takes Position At Popular Dry Goods

Mrs. Olin V. Alexander, well known to Memphis people, has accepted a position with the Popular Dry Goods Company, according to Cecil Guthrie, manager of the store. Mrs. Alexander, it will be remembered, formerly served a large number of friends through her connection for several years with Greene Dry Goods Company. At the Popular, Mrs. Alexander will be in complete charge of the women's and misses' departments of the store, and will especially devote her time to ready-to-wear Mr. Guthrie said.

THE DEMOCRAT'S PROGRAM FOR 1930

- (Check Mark Indicates Project Has Been Realized) 1. Less selfishness and more selflessness in the business, professional and social life of Memphis and Hall County. 2. The placing of agriculture on a higher plane, with emphasis being put on diversification, live at home movement, and the cow, sow and hen route to contentment and general well being. 3. A better understanding between Memphis and the towns and communities in Hall County. 4. More respect for city ordinances in connection with parking of cars in the downtown district, observance of fire rules and regulations, and keeping the streets of the city in a clean condition. 5. More general cooperation in all movements seeking the betterment of Memphis and Hall County. 6. A municipal auditorium. 7. More paved streets.

CLUB WORK ON UPGRADE

It is with considerable pleasure that The Democrat points to the accomplishments of the farm clubs in Hall County. No other county in the state can boast of more industrious application and assiduous attention being accorded farm problems than is the case with the two agents assigned this county. E. W. Thomas, county agent, and Miss Ruby M. Adams, county home demonstration agent, have shown themselves to be thoroughly alive to the many difficult situations with which they are confronted and often in the face of adverse conditions have put club work in Hall County on a high plane.

Both agents keep abreast of the times in their work. They are here for a purpose and that to better rural conditions and life. Working hand in hand with the agencies maintained by the Extension Department of the A. & M. College of Texas, they have been able to create new possibilities and to enhance those already apparent. In all phases of club work, in preparing exhibits for fairs, in acting in advisory capacities, in demonstration work, the agents have shown their qualifications, over and over again, for the positions they fill.

THE BAPTIST REVIVAL Sunday was the opening day of the Baptist revival. Regardless of church affiliation or denominational ties, we believe it will prove a real boon to our community at large if local people take a real interest in this meeting. For a few days, at least, let's try to obscure the sinner talk that has been going the rounds and to try to envision something worth while by attending divine worship. Every person in Hall County has been extended an invitation to attend the meeting. Good preaching, good singing, good fellowship abound in this evangelistic campaign. Most of us are tired, almost to the breaking point, with cares and responsibilities which business depression have brought about. We need a new aspect on things, a new horizon of aspiration. Admit it or not, we are in need of a broader spiritual outlook. For reasons of expediency, then, if for no other, we should give the revival a trial and the results, we believe, will justify the effort, if any, expended in attending.

EFFICIENT COUNTY TEACHERS

School students in the various rural schools of Hall County have a real chance to achieve a good elementary education, if they will but consider their work seriously and enter into it with the right spirit and the proper application. The county is fortunate in having such an efficient staff of teachers. In looking over the list submitted to us last week by County Superintendent, Theodore Swift, we note any number who have degrees. It is not often the case that those in charge of rural schools have the training and qualifications such as our county teachers possess. It speaks well for the administration of school affairs to have included in the ranks of teachers in the smaller schools, those who have received the A. B. and M. A. degrees. It has been our pleasure and privilege to visit various of the county schools, from time to time, and without exception, we have noted how well organized each school seems to be. The fact that some of the schools have recessed for cotton picking will not impair their effectiveness to any appreciable extent. The cause of education has been viewed in the right light by those in charge and as a result we have a system of rural schools second to none in the entire Texas Panhandle.

GOOD HIGHWAY NEWS

Good highway news has come our way with the announcement recently that work would get under way in the near future on both Highway No. 86 and Highway No. 5. Highway No. 86 is to be paved for a distance of a little over three miles from Turkey to the Briscoe county line. We are just as elated over this news as that which told us Highway No. 5 near Red River would be graveled. The time is fast going into the discard when people living in the same county and enjoying an equal opportunity for progress and advancement allow petty jealousies to sway their feelings and actions. There was a time when such jealousy existed in Hall County, to a certain extent. Every year, however, we are getting away from this attitude and are feeling that what is good for one section of the county is beneficial to all sections. Good roads, an adequate system of highways, should do more than any other agency, to draw the people of a county together. Miles are becoming meaningless symbols. Counties are developing rapidly into great communities of achievement. The shackles of selfishness are giving way to a unity of purpose, a oneness of enterprise. This condition will achieve great things for Hall County if it is allowed to ripen and color to its full fruition.

Locals Fail To

(Continued from page 1)

gains every time he was given the ball shows that he has the stuff. Before the season is over, people in these parts are going to hear the name of Jarvis spoken of as often as that of any other player the Cyclone has on the rolls. May at right end, held down J. W. West's berth in good shape, despite the fact that he had played in the game with Hedley the Thursday before the game here. Stargel looked better Friday than ever before and Tug Sanders got in there in the second half, tackled low and played a heads-up brand of football. Champion and Dial looked better in the second half than in the first half and once they got started, they did as good work as any one on the squad.

And now, this writer wants to give Garold Kunkler a paragraph all to himself, and he certainly deserves it. Several years ago, one of the local players was said to have had a "golden toe." By the same process of reasoning, it should now be said that Kunkler has a "diamond toe." He surely knew how to get off some beautiful place kicks, and his reliable toe added four points to the score Memphis hung up. In the try for extra point after touchdown, Kunkler kicked four goals out of five chances which is a good record in any man's town. Watch Kunkler!

Outstanding Substitute

The outstanding substitute in the game last week was Charles Flanery. He is going to be a real treat before the season is over with, and next year, he should be a demon at quarter. Charles can play as consistent a game as any one in the line-up and not being hampered by size or weight, he can weave in and out down the field almost like a phantom. And he has shown another thing; that he knows how to protect himself at the same time he is making a hard play. That is an art of its self. Greenhaw looked mighty good in the line-up Friday and he is another player that must seriously be considered when a list of the outstanding players on the Cyclone squad is made at the close of the season.

What stuff Claude demonstrated was inspired by the real football of Campbell, captain of the team, at quarter. He was the Claude threat, and made a number of nice gains for the visitors. The team seemed to be built around him. A one-man team is never able to get away with plays that call for consistent team work and this handicap was very noticeable in the case of Claude.

Locals Show Improvement

Some 200 people witnessed the game last Friday showing that, at least, a few of the locals are interested in supporting the Cyclone, regardless of depression, lack of business, or whatever it is or isn't. Memphis showed some improvement in the way the Cyclone fought after once getting started, but Coach Walter still has the job of perfecting a grid machine that will stand the onslaught of the conference elvens. And it will take a better brand of football than the Cyclone showed Friday to bring home the bacon, or even a small part of it.

We Wonder Why?

(By the Editor) Bill McKelvy shook hands with the Clovis business manager.

One of the eleventh grade English students, who is on the staff of the Whirlwind, used the expression "have come."

Harry Womack doesn't like ice cream. Just ask him and see.

One of the football players made the statement, "I hope I lose as many write-ups as Durward Martindale did last year during football season."

Frank Jarvis is so bashful and what inspires him to sing.

Holland McMurry is so popular with the good looking girls of the high school.

J. D. Jackson likes the Childress girls so well.

Miss Bell teases a certain boy about a blonde.

Junior Hi English Club Organized Last Thursday

The High English Club was organized last Thursday of last week with thirty-five charter members on the rolls. Miss Ira Hammond and Mrs. Clifford Lemons are the acting sponsors of the club, the purpose of which is to promote better English in the Junior High School.

The following officers were elected: Mary Ellen Hamilton, president; Roberta Easterling, vice-president; Fay Baskerville, secretary-treasurer and reporter and Dorothy Evans, critic.

Banquet Tendered To Football Squad

One of the most enjoyable events of the school year took place Saturday evening last when Mr. and Mrs. R. E. Martin tendered a banquet to the members of the Cyclone Football Squad of 1930 and a number of invited guests in their store, adjoining their residence, on West Main street. Shortly before seven o'clock, the guests began to arrive. Due to the fact that a number of the football players had gone to Childress to witness the football game between Childress and Vernon, some few of the boys did not arrive until the banquet had gotten under way.

The table running the entire length of the store was decorated in the high school colors of black and gold. For a centerpiece, two footballs were used surrounded by black and gold pompons. Lattice-work of the same colored paper ran from the table to the ceiling and two black and gold arches had been formed on either side of the centerpiece. Gorgeous autumn roses and asters, attractively arranged in vases, added considerably to the looks of the long table with its glittering array of silver and good things to eat.

To attempt to detail the many varieties of food served would be an almost impossible task. Suffice it to say that chicken formed the piece-de-resistance of the meal and that everything that hungry boys like, in the food line, as well as grownups, was to be had in abundance. Mrs. Martin served the delicious meal, assisted by Misses Nettie Parvin, Ovaloe Woods, Rebekah Sitton and Mary Melton.

Coach Nolan Walter acted as toastmaster and the following made short talks, suitable to the occasion: Superintendent H. A. Jackson, Principal Ike W. Jay, R. (Continued on page 8)

1931 Senior Class Has Ordered Rings

The senior class held its first meeting Monday morning to decide upon the rings that they are to get this year. The president, Ezell Champion, was in charge of the meeting. The seniors are all pepped up over ordering the rings this early in the year. This is probably the earliest that the rings have been ordered in the history of the senior class and they will be of the best they can buy. After discussing the price and the kind of rings they wanted, J. W. West took the seniors' orders and sizes and just as soon as this is finished the order will be sent off.

A large number of students are ordering rings despite the hard times in the county and the rings will be ordered in the near future according to J. W. and Ezell.

Pep Squad Honors Cyclone At Party Thursday Evening

The Memphis High School Pep Squad entertained members of the Cyclone football team Thursday night of last week at the home of Ethel Pearson on South Eighth street. Hearts and Bridge were the favored games of the evening and dancing was also enjoyed.

At 10:30, the tired, but happy, Cyclones expressed their thanks to the Cyclonettes for a very enjoyable evening and promised they would win every game in the future if such entertainment was repeated.

Hedley Takes Game From Second Team

Thursday of last week, Assistant Coach Arthur Howard took the Cyclone second team to Hedley for a football game. The locals were handicapped by playing in the soft plowed ground, but they held their opponents in the first quarter and did not permit them to score. In the second quarter, the Hedley boys who were accustomed to the plowed ground, began to make long runs around the Memphis ends and it was in this period of play, the home team made their lone tally. They were successful in the try for extra point.

The purpose of the game was to (Continued on page 8)

Initial Meeting Of Glee Club Is Held Monday Morning

The glee club held its first meeting of the year Monday morning following the chapel period. Students at the meeting showed unbounded interest in the undertaking. Mrs. Elmer S. Shelley, the director, stated that the glee club would not be as large as in other years, but that she hoped to make it more effective as it would allow her to devote more attention to each individual in the organization.

A number of new students have shown real talent in music and their membership in the club will prove a big asset. The glee club will meet every Monday and Thursday morning at eight o'clock in the high school auditorium, and those who expect to join, should enroll at once.

CLARENDON AND TURKEY PICKED FOR CHAMPS

Veteran Teams Show Up Well in Early Games This Year

With both Clarendon and Turkey putting veteran football teams in the field this year, it would appear that these schools are to be the logical contenders for the football championship of this district. Clarendon, with impressive victories over McLean, Claude and Price Memorial College, appears to be the strongest team in the district. This school boasts a veteran team which averages close to 175 pounds. The schedule is also in their favor with only one conference game being played (Continued on page 8)

De Molay Chapter May Be Organized

A De Molay Chapter will probably be organized in Memphis in the near future, if the number of boys eligible for membership in the organization proves to be sufficiently large. Such a chapter existed here several years ago, but has been inactive now for some time. While interest in the move to organize the club seems to have centered in people downtown, the chapter would probably take in a number of eligible high school students.

The order of De Molay is a junior Masonic organization of high rank. Wherever chapters have been started in the larger cities they have proved very beneficial to boys who expect to eventually become Masons. A meeting was called at the high school following the chapel exercises last Friday (Continued on page 8)

Head and Back Quit Hurting

"A few years ago, I found that I was very weak and nothing I ate seemed to give me any strength," writes Mrs. R. B. Douglas, 704 South Congress St., Jackson, Miss.

"I suffered intense pain in my head and back. At times I would have to hold to something to steady myself, so as to do my little work. I was worried about my condition.

"My mother told me that I should take Cardui. After taking two bottles, I felt stronger, but I kept on taking it until my head and back quit hurting. I took about six bottles in all, and have never quit praising Cardui."

The Electric Man Recommends Safety and Convenience Lighting

"Do you know, I think one of the most convenient uses of lighting is the garage light, the driveway light and the yard light.

"More than likely you've noticed this type of lighting equipment, and have made up your mind to install it at some future date.

"Don't deny yourself such an important convenience—when it costs so little. Under the new rate system, this lighting is possible at a cost of only 4c per kilowatt-hour—3c where service is also used for heating or cooking—and will increase your monthly bill only a few cents; not enough to counterbalance the advantages of good lighting.

"With the new *Home Comfort* rate, your normal use of service should absorb the first two rates, placing all additional consumption on the low rate.

"You are sure to appreciate the many advantages that Safety and Convenience Lighting will bring you—and now at such low cost, you cannot afford to be without these advantages."

morning by Carl Gerlach, who explained the purpose of the De Molay organization. Some 17 boys were in attendance and demonstrated interest in the project. Both Childress and Clarendon have such chapters and it is hoped to have an active chapter here within the near future.

Hedley Takes—

give the new Cyclone players some experience and they got plenty of it. Memphis tried an overhead attack but without success. The wind was entirely too high for the passing attack to prove effective and the soft ground was just like playing in mud for Memphis. In spite of the handicaps, the Memphis boys showed a fair brand of football.

The starting lineup for Memphis was B. F. Shepherd, Jr., quarter; George May, right half; Reginald Greenhaw, full; Harry Womack, left half; Bill McKelvy, left end; Ronald Melton, right end; John Smith, right tackle; Roy Chapel, left tackle; Gayle Greene, right guard; Jack Sittion, left guard and J. P. Boles, center.

Banquet Tendered—

(Continued from page 7)

E. Martin, Sr., Mrs. Martin, Coach Walter, Captain James Hammond, B. F. Shepherd, Jr., and William Russell Clark. On behalf of the team, Coach Walter thanked Mr. and Mrs. Martin for their interest and generosity which inspired the banquet. Mr. Martin responded, telling those present it was a pleasure to have the team present and to demonstrate in this way the interest he and Mrs. Martin felt in the boys, individually and collectively. In her talk, Mrs. Martin also expressed her pleasure at the opportunity presented by the banquet to do something for the boys to show appreciation for their efforts on the gridiron. The banquet came to a close by singing the high school song.

Those present were the host and hostess, Mr. and Mrs. R. E. Martin, R. E. Martin, Jr., and his guest, Harold Foxhall; Coach Nolan Walter, Captain James Hammond, J. W. West, George May,

Tug Sanders, J. D. Jackson, Blanton Bagwell, Curtis Bourland, Frank Jarvis, J. P. Boles, Gayle Greene, Bill McKelvy, Reginald Greenhaw, Harry Womack, Wellington Dial, B. F. Clarendon And—

(Continued from page 7)

away from home, the Shamrock game.

12 Straight Victories
Turkey, with twelve straight victories, including those of last season, appears to be not far behind Clarendon. Turkey started her winning streak by winning ten straight games last year without a loss. Impressive victories have been hung up this year over Hedley and Silverton. The Turkey team is centered around the playing of George Ray Colvin, six feet four, two hundred pound half back.

Teams About Equal
Pre-conference games show Memphis, Wellington and Shamrock to have teams of about equal strength. Memphis, sectional champions last year, received a terrible setback at the beginning of the season when the locals were defeated by the powerful Spur team, 52 to 0. The Cyclone has shown much better form in the last two games, which have been comparatively easy victories, but what the locals will do when they go up against stiff opposition, remains to be seen.

May Upset Dope Bucket
Wellington lost their first game to Childress, but came back strong to win their second go from Estelline, 24 to 0. They have a big team which is likely to upset the dope at any time. Shamrock made an unimpressive start by losing their first game to Wheeler, but seem to be gaining momentum with each game. Their most recent accomplishments are the decisive victories over Estelline and McLean.

Estelline, Quitaque and McLean, from all indications, will fight it out for the cellar position, lack of material being the cause of their weakness.

Locals Are Out—

(Continued from page 7)

withdrawn from the conference, that ineligible men will not admit the game being played and finally, that Quitaque has disbanded its football team. The reports are evidently without foundation, for the Quitaque coach in long distance conversation with Coach Nolan Walter Monday stated that his squad would be ready for the affair Thursday afternoon.

Boosted Up One Day
The game is being boosted up one day in order that the Cyclone players may see some of the other conference teams in action the latter part of the week. The real strength of the Quitaque squad is not known. However, enough information has percolated this way to insure the fans that the first conference tilt will be a good fight from start to finish. Some plays the Cyclone has been holding in reserve will be released for the first time Thursday afternoon, and a real idea of the squad's strength can be obtained at that time.

Quitaque is hopeful of stopping the locals in their tracks to insure future interest in their own contests. The Cyclone is just as determined to outplay and out-manuever the Quitaque hopefuls. It will be a good game Thursday and one that the local supporters of the Cyclone will do well to see.

SPONSOR IS ELECTED

BY SENIOR GIRLS' CLUB
The senior girls' club met Friday to elect a sponsor for their club. Miss Pope seemed to be the favorite among the girls as she was elected sponsor for the girls. At the end of school last year the officers were elected. The president is Nell Grant; vice-president, Alberta Gerlach, secretary and treasurer, Vera Neeley, and Iris Hollis, reporter.

Mrs. S. T. Harrison and daughter, Ruth, attended the Tri-State Exposition in Amarillo Friday.

Lee Cason, manager of C. E. Stone Company at Hereford, was a Memphis visitor Sunday.

Insurance Agent And Wife Return From Convention

C. Lee Rushing, agent for the Southland Life Insurance Company at Memphis, has just returned from the annual convention of the Southland Life Insurance Company, held in Dallas. He reports an extremely profitable and enjoyable time at the convention. Three business sessions were held, at which practically every phase of life insurance business was made clear. Plans for the forthcoming year were made, and officials of the company confidently expect the best year in its history.

The Southland Life is one of the strongest companies in the South, having more than \$167,000,000 insurance in force.

Mrs. Rushing, who accompanied Mr. Rushing to the convention, reports an extremely enjoyable time, both days of the convention being filled with entertainment features for the ladies.

Mrs. T. J. Thompson visited her daughter, Mrs. Frank Houston, at Childress Friday.
