# To The Voters of Hall County

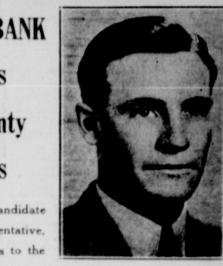

I am unable to find words with which to express my appreciation for your wonderful consideration, encouragement and support during my recent campaign for sheriff of Hall County. I hold no enmity towards anyone, and in the coming campaign I shall be as any other true and loyal citizen-desirous only for the best interest of the people.

Again I thank you.

Love not the world, neither the things that are in the world, for the world passes away, and the lust thereof; but he that doeth the will of God abideth forever.

### Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently. Here's one that usually fills all three isquirements when the easy directions are followed. It's an all-Initial Plansvegetable product whose principal ingredient has medical recognition an "intestinal tonic-laxative." That's the ingredient which en-ables BLACK - DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying re-Bef from constipation that generally follows next morning when LACK - DRAUGHT is taken at edtime. The millions of packages ed are proof of its merit.
