What We Think

Other parts of Texas are interested in Schleicher county and some from other states are anxious to get information about this section as evidenced by letters received by the SUCCESS from various sections. "Send information and copy of your paper. I am interested in your section," is some of the inquiries.

We are making an effort to give Schleicher county a newspaper which we believe will represent the progress of this section. We are mighty proud of Eldorado and anyone looking for a good place to live come to this town.

A few doses of Confidence is needed by all of us, and nothing will hold the town back.

West Texas has for some time been rather disgruntled over the treatment accorded it in the general Centennial scheme. A part of this attitude was to my mind thoroughly justified, and a good part of it rather childish. West Texas has had a kick coming in several instances, has made that kick each instance, and has won in a reasonable percentage of the arguments. Now it would be foolish, puerile, and distasteful for West Texas to continue to nurse a grudge, and hold back on the most important state-wide movement in years because of petty grudges.

West Texas can have just as important a part in the success of the Centennial and reap just as rich a reward from the Centennial as any other portion of the State—if she will just get down off her high horse and get to work.

The people of the East, who will visit the Texas Centennial, will naturally be drawn here by the most spectacular show, the central exposition at Dallas. This central exposition is the joker in our hand, and if we can draw the proper cards, we can fit it into our straight to an excellent advantage. Once they are in Dallas, those Eastern tourists will start looking for the things which are in the Eastern mind synonymous with Texas—big hats, boots spurs, and broad ranges. They will see few of these in Dallas. The romance, ruggedness and picturesque beauty of West Texas can be sold, at Dallas, to the visiting Easterners in such a manner that they will all want to visit this "last frontier" before going home. West Texas is the only section that fits the tourist's picture of the true Texas, and if we take advantage of this fact our reward from the Centennial will be a rich one.

Further, and from an absolute dollar point of view, West Texas is the logical one to gain from the Centennial. We have here a great expanse of undeveloped territory, rich in minerals, waiting only for the necessary capital to develop it. Our future prosperity will be industrial, largely, and the Centennial, which will attract more people of means than others, will give us an outstanding opportunity to display our treasures to the capitalistic eye.

I, for one am ready to drop all past grievances and grudges, and

Eldorado Hunters Take The Trail For Deer And Turkeys

Game Plentiful And Fat In The Hill Country They Say

Several hunting parties are planning to leave here this week, and some have already gone for various parts of the state.

O. E. Conner, Johnnie Isaacs, W. T. Whitten, and Gordon Baxter left Thursday for Culberson County where they expect to bag a blacktail piece.

Hencil Mathews, Fred Mthcws, and Eddie Reynolds have gone to the Marathon country for a hunt.

John Luedecke and Henry Speck left for the Davis Mountains where deer are said to be plentiful.

Clarence Alfrey, Will Davis, and F. B. Calcote leaves today for the Rocksprings country.

C. M. Mund, E. M. Mund, Bill Mund, Marvin McDonald, Edgar Spencer, Claude Meador, and Sam Oglesby plan on leaving today for Kimbal county.

One Deer West of Pecos

The deer hunting season east of the Pecos River starts Saturday and runs through Dec. 31. Two flags or one flag and one blacktail may be killed east of the Pecos but west of the Pecos the season runs only through November 30 and the hunter is allowed only one deer. Needless to say, only bucks may be killed and they must have three or more points to their horns.

The turkey season coincides with the end of the Pecos hunting period, through December 31. Three gobblers may be killed during the entire season.

Twelve Appointments Made By Gov. Allred

Governor Allred today announced the appointment of 12 members to the State Farm Debt Adjustment Committee whose duties will be of an advisory nature in connection with the Farm Debt Adjustment program of the National Resettlement Administration.

Those named to the state committees: J. E. Josey, Houston Post Publisher; H. H. Williamson Director of the A.&M. College Extension Department; John E. Owens, banker, Dallas; Frank Holland, magazine publisher; Dallas; Herman Ochs, San Antonio; George West, ranchman, Batesville; W. B. Lee, banker-farmer, Spur; Weck Brown, insurance, Waco; J. H. Youngblood, farmer, Waco; F. F. Elkin rancher, Midland; John E. Hill, Amarillo; and N. H. Martin, Wichita Falls.

SAN ANGELO CHURCH MEN GIVE PROGRAM

When the Presbyterian "Men-of-the-Church" met on Wednesday evening of this week they had as their guests a group of men and women from the San Angelo Presbyterian Church. Following a bountiful supper served by the ladies of the local church, the visitors furnished the evening's program. They chose to discuss the subject "A Man and His Church", and talks were made by Messrs. Menzies, Atwood, Crocker, Shepperson, and Westbrook. Two special musical numbers were rendered by Mrs. Dixon and Miss Dulin. Rev. B. B. Hestir spoke briefly in eulogy of Rev. W. M. Anderson of Dallas whose death occurred this week.

Including local men and visitors there were twenty-six who enjoyed the supper and program. Those from San Angelo included Mrs. Dixon and Miss Dulin, and Messrs. Westbrook, Menzies, Atwood, Carpenier, Shepperson, Crocker, Oliver Wood, Bluford Hestir, and Rev. Hestir.

RICHEY TO OPERATE GROCERY STORE IN SONORA, OPENING MON.

A. D. Richey, manager of the Self-Serve Grocery Store here has purchased the grocery stock of Piggly Wiggly in Sonora.

He will take charge of the store next Monday and will send Horace Lee Richey to Sonora as manager of the new store.

Richey recently opened a grocery store in Talpa, Texas, and the Self-Serve here makes three stores now under Mr. Richey's management.

I. A. WHITTEN HAVING ENTIRE FLOCK BRANDED

The J. A. Whitten ranch is a scene of activities this week with the branding of the entire flock of sheep in progress.

Whitten says that he has lost a lot of sheep of late and believes that just marking them is not sufficient. The work will be completed this week.

Miss Nell Campbell of Howard Payne College spent Saturday, Sunday and Monday with her parents Mr. and Mrs. Joab Campbell.

Richard Jones, who is attending Texas Tech, was visiting here this week.

Margaret Hill and Zona Clare Koy from West Moreland College, San Antonio, were visiting home folks here this week.

MISS CLEONE DABNEY ENTERTAINS CLUB

Miss Cleone Dabney entertained her bridge club Wednesday afternoon at two o'clock. The house was beautifully decorated with roses, dahlias, and chrysanthemums.

A salad course was served to the following Club members:

Mrs. Hank Irby, Mrs. Seth Ramsay, Mrs. W. E. Cooper, Mrs. Ed Reynolds, Mrs. Sam Oglesby, Mrs. L. L. Baker, Mrs. C. McLaughlin, Mrs. Elton Smith, and guests Mrs. A. A. Millar, Mrs. W. O. Alexander and Mrs. J. B. Sammons. High club prize went to Mrs. Ed Reynolds and high guest to Mrs. A. A. Millar.

It Is Unlawful To Buy Car License Out Of Your Own County

We have noticed that a number of Schleicher county cars have license plates secured in other counties. For the benefit of those purchasing cars out of the county we call your attention to the fact that it is unlawful to register your car—except in the county in which you reside. The law reads:

"The law provides that every owner of a motor vehicle, trailer or semi-trailer, used or to be used upon the highways of this state, shall apply for and register each such vehicle owned or controlled by him in the county in which he resides."

Money paid for registration of your car in Schleicher county will remain here to be spent on Schleicher county roads.

COTTON PICKERS BUSY THIS WEEK

GINNS REPORT 1068 BALES ALREADY IN WITH CROP ONE-THIRD PICKED

Earlier estimates of five or six thousand bales of cotton ginned in Schleicher county were cut to half that amount this week when the three gins of this county reported 1068 bales ginned.

Farmers Cooperative Gin reported 444 bales; Eldorado Gin 506, and Bailey Ranch Gin 118.

Continued rainy weather has damaged cotton but the fields are whitening again after a few days of sunshine. Cotton pickers are scarce, many leaving during the rainy cold weather.

Some say that around 3000 bales will be picked if weather continues to stay fair for a few weeks.

LITTLE BETTY JOE CLEVINGER BURIED THURSDAY NOV. 14

Little Betty Joe Clevenger, 3-year old granddaughter of Mr. and Mrs. L. T. Wilson of this city died Saturday November 9th at the home of her parents, Mr. and Mrs. Joe Clevenger of Merced, California.

The body arrived here Wednesday accompanied by the parents and funeral services were held at 2:00 o'clock Thursday at the First Baptist church with Rev. A. J. Quinn officiating.

Interment was made at the Eldorado Cemetery with the Eldorado Funeral Service in charge.

THEODORE A. WALKER

Theodore A. Walker died suddenly at the home of his brother, Harvey Walker, of Mayer community, on Monday morning. Mr. Walker appeared in splendid health for one of his age up to a few moments before his death. He was born in Alabama, and had lived to be almost eighty-one years of age. Interment was at Sonora with Rev. N. P. Wilkinson in charge of the service.

Mr. and Mrs. Felix Thiele and Miss Adell Ackermann and Mr. and Mrs. Ruben Thiele went to San Angelo Sunday.

STAMPS NECESSARY FOR DUCK HUNTERS

Duck hunters, who will start bombarding the high fliers next Wednesday are warned to be sure that they have their federal hunting stamps with them when they go out. The stamps cost \$1 and may be secured at the post office.

It is against the law to use any kind of gun in duck hunting except a shotgun and it must not be larger than a 10 gauge.

The hours are from sunrise to 4 o'clock in the afternoon. The season runs through December 19, 30 days.

COUNTRY QUILT ON DISPLAY HERE TODAY

A beautiful quilt, hand-made by Mrs. Ella Douglas, on which, in fancy needlework are the ranch brands of Schleicher county ranchmen, will be on display in an Eldorado store today. A pillow made similar is shown with the quilt.

Mrs. Douglas has been collecting brands for her quilt which was completed on her birthday. It is a beautiful piece of work and one can see in it a history of the stock industry of this section.

Mrs. Douglass made the quilt for the benefit of the Eldorado Cemetery Association all the proceeds going to that organization.

Plans have been arranged to get \$275 for the quilt by placing beans in a small jar, and a small charge will be made for each guess as to the number of beans the jar contains. The person guessing nearest the correct number will be awarded the quilt.

METHODIST MEET AT SAN ANGELO TODAY

Rev. P. S. Connell, pastor of the Methodist church here, C. S. McKinney Sunday School superintendent and possibly other official workers of the Methodist church will attend a meeting of the San Angelo District at the First Methodist church, San Angelo today. The meeting will begin at 10:00 o'clock.

This is the first meeting of the year and work for the coming year will be planned. The session will last only one day.

SCHOOL RECEIVES GIFT OF EVERGREENS

Through the courtesy of Mrs. Ed Ratliff, the school has received cuttings of English Ivy which will be planted around the new building.

The English Ivy will cling to brick walls, and it is said to grow on the north side as well as on the other sides of a building. The Ivy remains green throughout the winter.

Plans are being made to plant cuttings at the new building from the shrubs around the high school building, which, in addition to the Ivy, will serve as a beginning in the beautification of the grounds surrounding the new building.

CARD OF THANKS

We wish to thank every one that helped Mr. Bruton and especially Mr. R.L. Sample for his heroic work in saving the wind mill and tower.

Eagles Meet Menard Here Saturday In Conference Contest

The Menard Yellow Jackets invade the Eagles gridiron Saturday afternoon, November 16, in what promises to be a fiercely contested clash. The Yellow Jackets, coached by Dave Williamson, will make a supreme effort to defeat Coach Weldon Bynum's Eagles on their home field.

The Yellow Jackets, after a poor start, have gradually developed into a strong District 344B team. The Jackets are lead by three out-standing men, Dayton Walston, Bryant Mathews and J. B. Earl.

According to the fickle dope bucket, the Eagles and Jackets should be fairly evenly matched. Both defeated Sonora, Eldorado by a score of 25-6, and Menard by a score of 20-12. Junction defeated Eldorado 26-6, Menard 19-0. Rocksprings defeated the Jackets 31-0, the Eagles 13-0. Both teams faced superior elevens on Armistice Day, therefore it will be the second game of the week for both squads.

Both Eldorado and Menard have been preparing for this game all season. Both teams had rather win this particular game than any other.

After a light workout on Tuesday, Coach Bynum has been putting the Eagles through drills on passing and running plays, and in working on defense against the Jackets' points of attack.

R.J. Page Transferred To San Angelo Yard By West Texas Lbr. Co.

SAM LOYD SELLS SERVICE STATION IN ORDER TO TAKE PAGE'S PLACE

R. J. Page, bookkeeper for the West Texas Lumber Company has been transferred to San Angelo where he will serve in the same capacity. He will leave here December 15 to take up his duties there. He has been with the West Texas Lumber Company here for three years. Friends of "R. J." regret to see him leave, but are glad to see him promoted.

Sam Loyd has sold his service station in order to take the book-keeping job made vacant by the transfer of Page. Sam has had about eight years experience in the lumber business, having been employed for several years by the West Texas Lumber Company yard here, and manager of the yard now owned by Wm. Cameron Co. for several years.

BUSINESS RECOVERY DURING PAST MONTH

Practically all phases of business activities have registered further progress toward recovery during the past month and there are good grounds for expecting that the present trend will continue, at least during the remainder of the year and the early months of the new year.

"Marked expansion during recent weeks in retail trade, checks cashed, and the movement of miscellaneous freight indicate that the rate of consumption is rising.

DID YOU EVER STOP TO THINK

Success, as a rule, does not come as a result of any particular brilliance or from some outstanding accomplishment which may never be followed by others, but from a careful and continuous building along a definite line.

There would be no home industries if people purchased all their supplies from outside sources.

Ancient nations imagined that because they were prosperous and invincible in a military sense they were superior to all other persons on earth and there was no power that could dislodge them from their high estate, but they succumbed to implicit confidence in their strength without the essential virtues.

"Newspaper advertising today has become a great power and by its help many fortunes have been made. The power of newspaper advertising is very great," so says James E. Barrett, managing director of the Oklahoma Biltmore Hotel.

Some politicians make a lot of noise, but few accomplishments.

It is this newspaper that keeps the civic spirit of your city alive. What would your city be without it?

WE CAN BE NATURAL IN THIS WAR

There is one war in which our country cannot remain natural—war against fire.

That war has been going on for many years. It will never end completely—but good soldiery can win many valuable victories. During its course, the enemy has caused destruction running into the billions of dollars—and many thousands of lives.

The war exists because of individual carelessness, individual ignorance, individual lethargy. Fire prevention is almost entirely an individual matter. It is up to each property-owner, each manager of a business, each farmer. The best building and inspection laws are impotent in the face of public indifference—the finest fire department can do relatively little, if the public refuses to cooperate.

It is not only a duty but a privilege to enlist in the war against fire. And the duties are simple. Learn what causes fire, and how to prevent it. Then apply that knowledge—today, tomorrow, every day in the year. Fix that faulty wiring—and have it done by an experienced electrician. Check that old furnace, now that the cold season is upon you. Throw away those old rugs and newspapers and magazines that you have stacked in the attic and basement—and that you will never use. Store that gasoline or benzine in approved, safe containers. And remember that the place for matches and cigarettes is the ash tray—not the rug, the bed, or the garage floor.

CIVIL SERVICE EXAMINATIONS

Cotton Producers May Have Certificates Now

Approximately 3,000,000 cotton sale certificates have been distributed in Texas Extension Service county agricultural agents' offices.

According to F. E. Lichte, assistant chairman of the State Allotment Board at College Station, the county agricultural agents are busy identifying these sales certificates with Bankhead allot-

ments on the cotton crop of 1935.

Cotton adjustment payments are figured as the difference between the average price of the 10 spot markets on the date of sale and 12 cents. The check will be made to the producer who made the Bankhead application and he in turn will distribute tenant and cropper their share.

Lichte said that many producers were asking that, if they put their cotton in a 10 cent loan, would they get their cotton adjustment payment. He explained that producers would receive payments as claimed on cotton sold prior to July 31, 1936.

"If a producer doesn't clear his loan and it runs beyond July 31, 1936, he will receive payment on quotation of July 31, 1936, and will be paid the amount of claim less carrying charges," Lichte further explained.

After November 8, 1935 all sales certificates must be filed in the county agricultural agent's office within seven days from the date of sale.

As a note of interest, the Assistant Chairman of the State Allotment Board said that approximately 500,000 second rental cotton checks have been received in Texas.

COMANCHE INDIANS HAD FIRST FLAG

If "fan mail" is an indication of attention, many persons who are interested in the Indian lore of Texas were apparently much attracted by a statement made by Mrs. Mary Jordan Atkinson of Austin in an article which was based on research she has made the University of Texas Library. She reported that the Comanche Indians had their own flag, during the period that they ruled over a good part of what is now the domain of Texas, and that this being true, the present State and former province has been un-

der seven flags instead of six.

Many letters have come to Mrs. Atkinson from persons in different parts of the country in regard to her statement as to the Comanche's flag. One of these is from Mrs. Marie Gardner, 610 Montana Street, El Paso. It reads, in part:

"I am much interested and wish to confirm, or rather, to tell you about the red flag of the Comanches, as told me by my grandmother and mother when I was a small child. My grandmother, Mrs. Delia Fletcher Roysdon, and my mother, Mrs. M. A. Roysdon Moussier, lived in Shreveport, La.

"One day, as the reminiscence goes, the Comanches came into the Square and with them was Cynthia Ann Parker who had been stolen from her people some time before. My mother said: 'Everybody was much excited and looked upon the occasion as a gala but very apprehensive for the townspeople.'

"I was not told about any insignia or decoration on the flag—only that it was red, and was carried by the front horseman, on a stick quite a little higher than his head, and that he waved it as he rode along. The Indians came in yelling and riding very fast. They camped in the square that night. I wish I were able to tell more."

HOWARD PAYNE WILL PLAY HARDIN-SIMMONS

The oldest football rivalry in West Texas will be resumed at Howard Payne Stadium, Brownwood, Saturday afternoon, Nov. 16th, when the Howard Payne Yellow Jackets meet the powerful Hardin-Simmons Coyboys, after a one year's cessation of hostilities.

Saturday's clash will mark the nineteenth meeting of these two old rivals. Howard Payne has won thirteen out of eighteen games, Hardin-Simmons has won

three, the other two games resulting in ties.

Howard Payne, after the surprising tie game with St. Edwards last week, is practically out of the championship race in the Texas Conference, but any Howard Payne Ex will tell you that a win over the Simmons Coyboys constitutes a successful season on the Yellow Jacket campus, and Keaton's men will be fighting for their fourteenth victory.

Saturday has been designated as Howard Payne Homecoming Day, and hundreds of Yellow Jackets Exes will gather for the day's festivities, climaxed by the football game at 2:30 p.m.

THE LARGEST CROWD OF COMMISSIONERS COURT
SEASON PRESENT AT
HOLIDAY GAME

With one of the largest crowds this season the Eagles lost to the Bulldogs at the local ball park Monday. It was not a very good day for the game due to a stiff cold wind.

"Sleepy" Susen took Earwood out on an end run. This was probably the best tackle of the game. This gave Eldorado a big advantage but not a big enough one to score.

There was a number of injuries and "knock-outs" through out the game. Captain Spurgers was knocked-out for a number of minutes. This was done on catching an illegal pass. John Luedecke was also knocked-out in the last minutes of the game. Paul Davis was slightly injured also. A number of the Bulldogs were injured.

In the first quarter they returned the kick off a few yards. Eldorado made a few nice plays and runs. Neither the Eagles nor the Bulldogs threatened to score.

The second quarter was not scored and outside of a few nice passes and plays the period was not very important.

When at the second half, the Bulldogs kicked to Eldorado, Cecil Moore made a beautiful run bringing it back about forty yards. Later Earwood galloped about forty yards for their first touchdown. They made the extra point.

In the fourth quarter Rock-springs went over from the four yard line for the second score.

There were a number of penalties on both sides throughout the game. The best players for the Eagles were probably the Susen boys, "Pinky" Moore, and John Luedecke. The others did very good also.

The officials were: Clayton Hopkins, San Angelo, referee; Edd Keyes umpire, San Angelo; and Thurman Saxon, Mertzon, headlinesman.

EFFECT OF
VALIDATION OF AAA

Considerable appresentation is being expressed in certain quarters concerning the effect on agriculture of the possible invalidation of the AAA by the Supreme Court. So far, at least as Texas is concerned, these fears seem to be without foundation. The animal industries of the State—beef, dairy, poultry, wool and mohair—which have never come under the AAA program now have comparatively bright prospects; whereas the prospects for the cotton industry, which has supposedly received special governmental favors in the form of rental and benefit payments and pegged prices, are far less favorable.

"If subsidies for agriculture are needed as a permanent policy to compensate for the natural hazards agriculture constantly faces and the weak bargaining position which the industry holds because of its six million widely scattered operating units and diverse interests, these subsidies, it would seem should be associated with a program for promoting efficiency in production and not the reverse. With such a program, the additional tax burdens which direct subsidies would involve might be at least partially offset by lower costs of food and the maintenance of our foreign markets for agricultural products.

"The statistical position of agriculture is now the strongest it has been in years as a result of the devastating drouth of 1934 and the growing demand for farm products. This is the time, therefore, to consider carefully to what extent the Federal Government itself may have been responsible for the building up of burdensome surpluses through the '20's by its production loan policies, the activities of the Federal Farm Board, and the recent price pegging operations of the AAA."

20,000 BOYS AND GIRLS
BENEFITED BY N.Y.A.

Twenty thousand Texas boys and girls have been placed in schools or given an opportunity to go to work, in two months by the National Youth Administration, Lyndon B. Johnson, state director, said Tuesday night in a radio address at Austin.

Of this number 5,700 have been given part-time jobs in all the eligible colleges and universities of Texas. Approximately 9,000 have been given jobs to help defray incidental expenses in high school. Freshman college centers are being opened to care for 750 high school graduates who did not enter college this fall. Two thousand young men and women from 16 to 25 have been called for work on WPA projects.

In addition to the adult workers requisitioned, and NYA, designed exclusively for youth, are to be started soon.

"The NYA is investing this money in actual, productive work," Johnson said. "It is work which is good for the young people who are doing it, and is of real permanent value to your city your town, your county, the whole commonwealth of Texas.

"No one gets anything for nothing under any of the NYA programs. The NYA has no dole to give out to young people. Any assistance they receive springs from their own desires to better themselves by their own initiative and determination. Whether a young man or woman goes to school or gets a job, he or she must give in return for the pay received a service to earn it."

J. A. Whitten has been appointed on the advisory board of the National Youth Administration in this County.

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

WEST TEXAS LUMBER CO.

A West Texas Institution Serving West Texas

**DIST. SUPERVISOR
FARM ADJUSTMENT
HERE THIS WEEK**

Mr. Hugh F. Weaver of Lubbock, Texas, District Supervisor Farm Debt Adjustment Division of the Resettlement Administration was here today for the purpose of organizing the voluntary Farm Debt Adjustment Committee in this County.

Mr. Weaver is District Supervisor for A.&M. Extension District no. 2 and 6, which embrace 59 Counties with a population of 44,342 farms.

The Farm Debt Adjustment Committee of Schleicher County is composed of the following members:

Hugh McAngus, Jess Koy, F. M. Bradley,

In meeting today Mr. McAngus was named Chairman, Mr. Koy Vice Chairman and Mr. Bradley Secretary.

They will hold meetings regu-

and ambitious enough in the past to own a home of their own and have been always self respecting and self supporting farm citizens.

It is a part of the National Agricultural Rehabilitation Program and is provided to save for agricultural communities this class of substantial citizens, on the theory that agriculture in this section is basic and fundamental and being much of our commercial and financial structure. In other words, as the farmer prospers, we prosper.

Mr. Weaver further states that many farmers with debt problems do not know that this service is available and particularly desirous that distressed debtor farmers should get in touch with the Farm Debt Adjustment Committee, provided in this County. Or the County Agent, or the Rural Supervisor, who will gladly advise them what to do.

These Governmental Agencies are set up in each County so as to bring this service home to the farmer wherever he resides. And how much benefit is derived from this service in Schleicher County will depend of course upon the interest shown locally by all citizens of the County in cooperating with Federal Agency to relieve debt distressed farmers.

Farmers have about made up their minds that it is time for them to be getting a good living out of the soil.

We still maintain that paying cash is the best way to keep out of debt.

One of these days the world will be more like you want it but you won't be here.

Warning: The death rate in the United States moved upward last year. Watch your step.

We want peace, like everyone else, and like them we don't want to take any risk to get it.

Compliments usually make people feel good and think well of the speaker, be he truthful or not.

People still insist on trying to beat the engines to the crossings.

Adults who criticize children for playing would be better off they did some playing themselves.

The get rich quick scheme that attracts you has gotten the savings of better men than you are.

The difference between seeking and getting business is often in the advertising methods used.

Fast driving is said to be the cause of most automobile accidents, but you can hardly get a fast driver admit it.

The man or woman who thinks that a public question is as plain as mud probably knows little or nothing about it.

Forward looking boys are now cautiously approaching their parents and finding out what prospects are for Christmas.
