On The DIVIDE

DON'T BE MISLEAD!

The propoganda is being spread, so we're informed, that the issuing of revenue bonds for construction of a water and sewer system in Eldorado would be placing a mortgage on all property in Eldorado. We don't know who would have little enough thought to believe such propoganda, but it may be that the person or persons who are spreading it can convert others to their belief unless they're informed otherwise.

On the face of it, such a statement is preposterous. Any right thinking person would know better without having to resort to very much reasoning.

The proposition which is to be voted on next Monday will not incur one penny of taxes upon any property owner in Eldorado. Neither will it incur any obligation or mortgage, upon the property of any one individual in Eldorado.

When you go to vote next Monday, your ballot will read: "For (or against) the issuance of water works and sewer system revenue bonds and mortgaging and encumbering said system and pledging revenue thereof in payment of said bonds." Your ballot will clearly state what will be mortgaged—the water and sewer system, and that alone.

Should the city default in the payment of these bonds—and we see no reason why it should if this proposition receives the support of Eldorado citizens—all the bond holders could do would be to come in here, take over the system and operate it. And if this should happen, we would still be better off. We would have an adequate water and sewer system, fire plugs and fire protection.

Eldorado now has the best opportunity she has ever had to take a forward step toward advancement and progressiveness. Don't be misled by propoganda which may be strewn in your path. Study the situation as an interested citizen, tax payer and property owner—and then go cast your vote independently of whatever pressure may be brought from either side. It's up to you as a citizen to determine whether or not Eldorado is to have this needed improvement.

NO MORE FREE BOARD

Our Commissioners Court has decided that there's no sense in giving a fellow "free board" when he's caught violating the law in this county and is assessed a fine. In other words the act of just merely "laying a fine out in jail" is "taboo" from here on out.

Several Mexicans were caught over the week-end as they indulged in their favorite pastime of gambling. When informed that it was either pay off or go to work, three of them secured enough money to pay their fines. Others were given jobs working on the courthouse premises and cleaning up the streets. And when it isn't wet and muddy, folks who come into the hands

New 1927 Cotton Committee Named At Meeting Saturday

E. W. Mund, Hugh McAngus And Joe Edens Elected By County Farmers

Despite the bad weather, a goodly number of farmers of Schleicher county was in attendance at the meeting held at the county agent's office last Saturday afternoon. This meeting was called for the purpose of electing the new 1937 cotton committee to serve for this county in the 1937 Soil Conservation Program.

County Agent W. G. Godwin explained briefly the various phases of the new program as it will apply to Schleicher county farmers. Approximately 35 farmers were in attendance.

The first ballot was to elect the member of the old cotton committee as a "carry over" for 1937. E. W. Mund was elected from the old committee, and those elected to work with him on the committee this year are Hugh McAngus and Joe Edens. Alternates are B. E. Moore and M. J. Wade.

Football Games Are Scheduled At Meeting

Coach Weldon Bynum attended the district football meeting at Sonora on Saturday, February 27. All coaches in the district were present, and Coach Bynum said it was a very interesting meeting.

Games are scheduled for the Eldorado Eagles as follows:

October 9, Sonora at Sonora.
October 16, Menard at Eldorado.
October 30, Junction at Junction.
November 11, Rocksprings at Eldorado.
November 20, Ozona at Eldorado.

The non-district games will be announced in a few days.

FRANK STANFORD MOVES FAMILY TO SAN ANGELO

Frank Stanford, who operated the Gulf station just north of the Cameron Lumber Co., moved his family to San Angelo last week.

Mr. Stanford is operating the Gulf Station at the intersection of the Eldorado and Eden highways, and he invites his friends and former customers to visit him there.

ELDORADO HARDWARE DONS NEW COLORS FOR INTERIOR OR STORE

Ernest Hill has had two men busy in the Eldorado Hardware Co. for some time. They're adding a new coat of paint to the interior of the store.

Those who enter the store are greeted with an attractive orange and black color combination. All shelving, display counters and racks have been painted. The boys are about through, and the store is much more attractive as a result of their labors.

Mr. and Mrs. V. G. Tisdale and Mrs. Cora Millar were visitors at the fat stock show in San Angelo last Saturday.

Voters To Decide If Eldorado Will Issue \$120,000 Revenue Bonds For Installing Municipally Owned Water-Sewer System

ELECTION WILL BE HELD ON NEXT MONDAY; VOTERS URGED TO VOTE

The question of whether or not the City Council of Eldorado will issue revenue bonds in the amount of \$120,000 for the construction of a municipal water and sewer system will be decided by the voters of Eldorado next Monday. The City Council, rather than go ahead and issue the bonds, decided that they'd rather have an expression from the voters before incurring this obligation against the city.

The election will be held at the court house in Eldorado, and will be in charge of the following: F. M. Bradley, presiding

judge, W. N. Ramsay and J. H. Rodgers clerks.

Eldorado has long felt the need of an adequate water and sewer system, and the system constructed with the bonds which would be issued would take care of her needs for many years to come. If the election carries, this system would be so constructed as to give fire protection to Eldorado.

The City Council urges all qualified voters of Eldorado to vote in this election. Although it will be voting no tax upon city property, they feel that it is the duty of all citizens to vote, thus letting them know if Eldorado wants this water and sewer system.

TO HOLD COURT

District Judge John F. Sutton of San Angelo will be here on Monday morning, March 29, at which time he will open the Spring Term of District Court. Present indications are that a rather light docket will greet the opening of this term of court.

JACK RATLIFF IS BROUGHT HOME FROM HOSPITAL SUNDAY

Jack Ratliff, son of Mr. and Mrs. J. L. Ratliff, was brought home from a San Angelo hospital last Sunday afternoon. Jack received painful injuries in an automobile accident in San Angelo on Thursday afternoon of last week, and remained in a hospital there until Sunday.

Jack suffered a severe blow in the head, and the attending physician feared a concussion of the brain. He advised that Jack remain in bed all of this week.

Four-County Meet Postponed

The school received a letter from Supt. T. A. Parker of Menard a day or so ago to the effect that the date of the four-county meet has been postponed until April 3 instead of March 27.

Prizes are to be awarded for first place in the following events; boys and girls declamation, boys and girls extemporaneous speaking, ready writer's contest, spelling, and the type-writing and shorthand contest.

Athletic contests will be senior and junior boy's and girl's singles and doubles tennis, volleyball, junior boy's track and field, and senior boy's track and field. First place winners in

Mrs. Rachel Shoop Dies Thursday At Home of Daughter

Mrs. Rachel Shoop, 79, passed away last Thursday night at 7:40 o'clock at the home of her daughter, Mrs. Walter Powell, who resides in the Reynolds community. Mrs. Shoop had been ill only a short while.

Mrs. Shoop, who was a member of the Methodist church, was born on August 8, 1858, in Iowa and was 79 years, 6 months and 26 days of age when death came. She had been a resident of Texas for a number of years.

Surviving her are five sons and three daughters, who are: Mrs. Lizzy Orr of Nebraska; Robert Shoop of Garwood, Texas; Mrs. Addie Nelson of South Dakota; Clarence Shoop of Canada; Rex and Roy Shoop of Garwood; Max Shoop of Wyoming; and Mrs. Lena Powell of Eldorado.

The body was prepared for burial by the Eldorado Funeral Service, and was shipped from San Angelo to Columbus, Texas, at 7:20 Friday evening. Burial was made in the family cemetery at Garwood.

The Success extends sympathy to the relatives in their hour of sorrow.

WOOL SHIPPED

EASTERN FIRM PAYS 20 1-2 CENTS FOR LOCAL CLIPPINGS

The Eldorado Wool Company, local wool and mohair warehouse completed shipment the past week of its accumulation of clippings recently sold to an Eastern wool firm at 20 1-2 cents per pound. This sale of clippings represents to highest price reported for the season in the territory. The shipment also included one car of wool shorn from lambs fattened in feed lots near Ft. Worth which moved at 33 cents. Schleicher County's spring clip of mohair is all under contract at prices ranging from 60 cents to 65 cents for grown hair and 70 cents to 75 cents for kid. Goat shearing has been held up on account of unfavorable weather but in a few days now it is anticipated that it will start again and the clip be ready for delivery in a short time.

Pre-Easter Meeting

Easter is the pre-eminent religious season. There are other seasons of the year which have religious significance, but the mind of the public in general is turned to religion at no other time quite so much as at Easter. This is because the Easter message gives the answer to the question which is always in the heart of man, "If a man die shall he live again."

In preparation for Easter Sunday three churches of the town, Baptist, Methodist, Presbyterian will unite in a pre-easter revival meeting. Services will be held each evening of the week preceding Easter in the Presbyterian Church. The pastors of the churches named will each preach twice during the meeting, it not being announced which is to preach. Preparations are being made for good music at these services. The interest of the community is desired.

Penalty Attaches To Car License Tags After This Month

Owners Urged To Buy Tags Early And Avoid Rush Of Last Few Days

April 1, 1937, is the last date to secure your 1937 automobile license plates without paying an additional penalty, it was announced the first of this week by Sheriff O. E. Conner.

Mr. Conner urges all car owners who possibly can to buy their car tags as early as possible, thus avoiding the rush of the last few days which are allowed for registering cars. This co-operation will greatly aid the force in the tax collector's office and will give them more time for those who do wait until the last minute to purchase tags.

Mr. Conner stated that the licenses must be on the automobiles on the morning of April 1. A penalty of 20 per cent will be added if the car is used after that date and licenses are not obtained on or before April 1.

As a means of further co-operating, Mr. Conner asks that you bring along last year's registration papers so that those employed at the collector's office will not have to check back records to get the information needed.

Texas Eligible For \$1,500,000 Federal Fund For Roads

DATA GATHERED BY HIGHWAY PLANNING SURVEY ESSENTIAL TO PROJECT DESIGNATION

Texas is eligible to receive \$1,500,000.00 in 1938 as her share of the twenty-five million dollars appropriated to the Federal Bureau of Public Roads for secondary or feeder roads, and a like amount will be available for the same purpose in 1939.

The bill specifies that the projects must be constructed in at least fifty per cent of the counties and that the designation of the secondary road system will be based upon the importance of various roads as revealed by the Highway Planning Survey now in progress. Pending the completion of the survey the Highway Commission will select projects which can reasonably be included in the secondary system.

Vehicle Owners Should Help

The Highway Planning Survey is now collecting important information from car owners of Schleicher County. Each car owner as he pays his 1937 registration fee at the office of the County Tax Collector will be handed a post card questionnaire upon which to note a few essential facts. These cards are self-addressed and require no postage. Vehicle owners should fill them in and mail them at once. The information collected in this manner will be used by the Highway Department in designating the secondary system which is to be established soon as possible, and the cooperation of all car owners is vitally necessary.

Williams Boys Win Majority Of Prizes At 4-H Lamb Show

J. W. LAWHON, JR., WINS LOVING CUP AS BREEDER OF PRIZE WINNERS

David, Harold and Garland Williams carried off a majority of the prizes offered here in the Seventh Annual 4-H Club Show for this county. The show was held here last Wednesday. Immediately after the judging, the boys completed preparations for the Ft. Worth show, and left on Wednesday afternoon for Ft. Worth.

E. G. Cauble of Big Lake judged the entries in the show. He complimented the type of lambs shown here, stating that they would have had a good chance to placed high in the San Angelo show had they been entered there. Mr. Cauble is of the opinion that the local lambs will make a good showing at Fort Worth.

Winners in the show, as placed by the judge are as follows:

Singles
Best Individual Fat Wether Lamb
1st, David Williams, \$5.00
2nd, Harold Williams, 4.00
3rd, Garland Williams, 3.00

of the law, and without funds, will be given a nice job out on the county roads.

This seems to us to be a better plan than getting them up for a law violation and then rewarding them by giving them a week or ten days of free board. If assessed fines, let them pay, either in cash or labor.

1936'S CASUALTY LIST

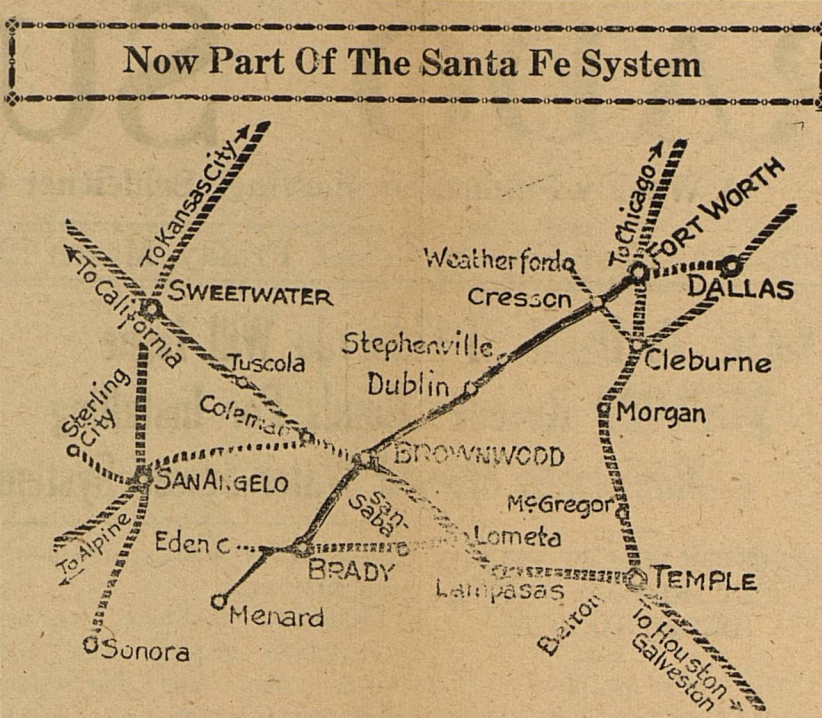

The National Safety Council reports that during 1936 accidents killed 111,000 persons in the United States, and caused an economic loss totaling \$3,750,000,000. Both figures represent

all-time high records. In addition to the fatalities, about 400,000 persons were permanently disabled by accidents, and 10,300,000 temporarily disabled.

Accidents rose in every field. Home accidents took 39,000 lives—24 per cent more than in 1935. Miscellaneous public accidents not involving automobiles rose 6 per cent, and killed 19,000.

Worst of all was the toll of the automobile. While the percentage rise was smaller than in most classifications, 4 per cent, fatalities reached the ghastly total of 38,500.

It is clear from these figures that safety work has only begun. Never was the responsibility of educators, public groups, police and the courts greater. Even in 1936 many states, cities and industries managed to show substantial reductions in accidental deaths, as a result of continuous and aggressive safety programs. And in the thirty states which showed increased death totals, according to the Council, "More than half have not performed notable work in any important branch of traffic safety work. . . . Nothing could prove more conclusively that safety work gets results—and lack of safety work

keeps the undertaking parlors humming.

It is encouraging that plans for 1937 in most states involve material increases in safety work of all kinds. Perhaps we are beginning to learn something from our horrible past death tolls—and are at last on the road that leads toward general accident prevention.

SELLS TWO LOADS

Ed Hill, who has been pasturing sheep near Brady, recently sold two doubles of mutton lambs from his McCulloch county sheep to Amos Womble of San Angelo. These sheep came right off the wheat fields and were in good condition. They sold for 9 cents per pound.

LARGE LAMB CROP

Driving along the highway last Sunday, we noticed quite a few lambs in the pastures adjoining the road. Clyde Keeney and Ed Ratliff had what looked like next year's prize winners running around.

Marion Wade reports an 80 percent crop in one of his pastures. Prospects are for one of the largest lamb crops here than in the past several years.

DISCARDED CLOTHES MADE INTO RUGS

At a recent meeting of the Reynolds Home Demonstration Club, Mrs. E. E. Craig and Mrs. Orville James displayed two hand-made hooked rugs that they had just completed. Both rugs were made from discarded hose, sweaters and under garments.

The ladies washed the old things; dyed them various bright colors; and tore them into strips. The design in both is a conservative tulip design and has a wide border of black. The border in Mrs. James' rug was made from the material ravelled from a large shaker-knit sweater. A narrow facing of the burlap foundation keeps these rugs from slipping and sliding on the floor.

COUNTY COUNCIL TO MEET SATURDAY

The regular meeting of the County Council of Home Demonstration Clubs was postponed from last Saturday until next Saturday.

The finance committee will meet in the agent's office at one-thirty Saturday afternoon. The county council meeting is scheduled for 2:30, and the expansion and education committees will meet immediately after the council meeting.

GREAT PROGRESS MADE BY MEDICAL SCIENCE

Austin, Texas, Mar. 10.—"Adult life has been lengthened materially during the past thirty-five years. However, the gain largely has been made in the age bracket below the forty-five year limit. The reason for this lies in the great progress made by medical science in preventing infant mortality. Or to express it otherwise, little folks, on the average, will live fifteen or more years longer than was the case prior to 1900. While undoubtedly this is a magnificent achieve-

vement, it serves also to indicate that the obligation of the middle-aged and older, to be reasonably concerned about their health and life prospects, still entirely is justified," states Dr. Geo. W. Cox, State Health Officer.

"The truth is that the increase in deaths from heart, kidney, and blood vessel conditions not only has been responsible for blocking an extension to life for the average person who has reached the half-way mark but, from a statistical standpoint, to an extent has neutralized the successful inroads that have been made against tuberculosis and some of the other devastating diseases. And it is right here where personal health interest should be more active than it is today.

"Faculty living habits perhaps more often are responsible for a prematurely shortened life than is any other single factor. The stepping up of life's tempo and the exactions associated therewith too frequently prove so absorbing and time-consuming that little, if any, thought is given to the real business of life which is to get out of it in terms of health, happiness, and longevity as much as one possibly can.

Citizens Contribute Money For Prizes In 4-H Lamb Show

Approximately \$60 in cash, which went as prizes for the 4-H Club boys in the lamb show here, was raised within a short while Wednesday morning. Citizens of this county, realizing the value of encouraging the club boys in lamb feeding, very liberally contributed toward the premium fund.

Those who had a part in offering the prizes to the club boys are Eldorado Wool Co., Rees Red and White Store, J. A. Whitten, West Texas Lumber Co., E. W. Brooks, F. M. Bradley, First National Bank, W. O. Alexander and Son, L. L. Baker, Eldorado Success, The Ratliff Store, E. Whisenand, City Grocery, Hoover Drug Store, Benton Motor Co. West Texas Cafe, J. H. Talon Sent To Steck Company

The annual of E H S is complete and ready for the press. One hundred thirty-five have been sold and the final copy was sent to the Steck Company at Austin Friday of last week.

The staff for the annual is Johnnie Fern Isaacs, Editor; Ed Reynolds Jr., Assistant Editor; Jack Hext, Business Manager; Frank Bradley Jr., Assistant Business Manager. Others who assisted in the work were: Maude Brown, Art Editor; Nola Smith drew the Talon for the title pages; Raymond Rodgers, typist; Johnnie Clement, general assistant; and Rosalyn Jones.

When it was decided that E H S would publish an annual, a contest was given to give it its name. Johnnie Clement suggested TALON and won the only prize of two dollars. The name TALON was selected because it describes the power of the Eagle's claws.

ELDORADO H. D. CLUB TO MEET MARCH 12

The Eldorado Home Demonstration Club will meet in the home of Mrs. W. H. McClatchey on Friday afternoon, March 12. All club members are urged to be present.

Miss Jetty Grace DeLong, who is attending the Texas University, was in San Angelo for the week-end, attending the stock show.

The nature of the plaintiffs demand being as follows, to-wit:

THE STATE OF TEXAS
COUNTY OF SCHLEICHER

IN THE DISTRICT COURT OF SCHLEICHER COUNTY, TEXAS:

TO THE HON. J. F. SUTTON,
JUDGE OF SAID COURT:

Now, comes, Virgil J. Powell, a resident of Sutton County, Texas, as plaintiff, and complains of Lonnie Murray and the unknown heirs of Lonnie Murray, Col. Bramblett and the unknown heirs of Col. Bramblett, James Bramblett, a resident of Tom Green County, Texas, John Bramblett and the unknown heirs of John Bramblett, O. B. Bramblett and the unknown heirs of O. B. Bramblett, of Evelyn Bramblett Watson an unmarried woman formerly Evelyn Bramblett and the unknown heirs of Evelyn Bramblett Watson as defendants, and for cause of action plaintiff respectfully represents to the Court:

FIRST

That on the 22nd day of February 1937 plaintiff was the owner of the fee simple title to and was in possession of the following described tract of land situated partly in Schleicher County, Texas, and partly in Sutton County, Texas, to-wit:

All of Surv. No. 57, Cert. No. 1468 in Block K, in the name of G. H. and S. A. Ry. Co., and containing 640 acres more or less, said lands being of the reasonable and fair value of \$6,400.00.

SECOND

That thereafter on the 22nd day of February 1937, the said defendants unlawfully enacted

upon the premises aforesaid and dispossessed the plaintiff therefrom: that the defendants, and each of them are making some claim to the title and right to possession of said lands, the nature of which is to the plaintiff's unknown; that the rental value of said land is 75c per acre per annum.

THIRD

Plaintiff further says that he and those under whom he derains title have had and held continuously the actual, peaceable, adverse and exclusive possession of all the above described lands for more than five consecutive years prior to the 22nd day of February 1937, owning and holding the same under deeds duly registered, and conveying the title thereto, and have and did, during said five years period, pay the taxes thereon as they accrued and before they became delinquent, by virtue of which the plaintiff's said title is vested and perfected in him under the Five Year's Statute of Limitation, as against the defendants herein, which limitation title he now pleads against the defendants.

FOURTH

Plaintiff says that he and those under whom he holds and derains title have had and held the actual, peaceable, adverse and exclusive possession of all the above described land for a period of ten consecutive years prior to February 22nd 1937, using, cultivating and enjoying the same, and during said period said lands were enclosed within a pasture containing less than 5000 acres, by virtue of which facts title has become vested and perfected in the plaintiff as against the claims of the defendant herein, under the Ten Year's Statute of Limitation of this State, which Ten Year Limitation title plaintiff now pleads and relies upon as against the defendants herein.

FIFTH

Plaintiff further says that he and those under whom he derains title have had and held actual, peaceable, exclusive and adverse possession of all the above described lands, holding, using, and enjoying the same under a claim of title and color of title deraigned from the sovereignty of the soil, for a period of more than three consecutive years prior to February 22nd, 1937, and by virtue of which facts the title of this plaintiff has become vested in him under the Three Year's Statute of Limitation, which three years limitation title he now pleads and relies upon as against the defendants herein.

WHEREFORE, premises considered, plaintiff prays that citation issue to the defendants, commanding them to appear and answer herein, as required by law and that upon the trial hereof, plaintiff have judgement against the defendants for the title and possession of said land, and a decree removing the claim of the defendants as a cloud from the title of the plaintiff to said land, and for his damages, costs and such other further relief as he plaintiff may show himself

Austin.—"They who live by the sword shall die by the sword."

With this as their slogan, anti-race gambling forces in the senate pushed thru legislation that apparently spells final doom of pari-mutuel betting in Texas, when they tacked onto a house bill licensing track employes an amendment abolishing betting. The plan, carefully laid by Sen. Nelson of Tahoka, Grady Woodruff of Decatur and other administration forces in the senate, including a doubtful point of order which Woodruff, in the president's chair, overruled, and another perfectly good point of order that was thwarted in the nick of time by Gov. Allred. The governor, hurriedly penciled a special message, submitting the bill as emergency legislation. The vote was 20 to 8, showing much greater strength for the betting repeal faction than even its most optimistic members delivered existed. It left little doubt as to final end of race betting. Whether final action would come by the house accepting the Nelson amendment, or by the senate enacting the bill already passed by the house to repeal betting remained in doubt. But the overwhelming strength in both chambers of the anti-betting group bore out the prediction made in this column three weeks ago that "the ponies will stop running in Texas this spring." Horse betting was enacted originally four years ago as a rider on an appropriation bill.

TRUCK LOBBY THWARTED

The drive of motor truck operators, which is renewed at every session to increase the present load limit of 7000 pounds, went aground when the house by a 72-51 vote killed a minority report favoring a bill to increase the limit, after a committee had adversely reported the bill. The vote probably settled for this session the load limit question, and further demonstrated the house's conviction that the lives of Texans who use the highways are more important than the profits of truck operators. Carrying out

this idea, the house also placed strong restrictions about the operation of private commercial carriers, in another bill it passed to exempt these trucks which deliver a merchant's or manufacturer's own products in his private trucks, from regulation as common carriers, to meet a situation created by the supreme court in the celebrated Nu-Way lumber case. The private truckers may operate their trucks, under terms of the bill, but must take out a special license granted by the railroad commission, and must carry insurance to protect the public. Farmers' trucks are exempted. In the senate, a committee amendment to the same bill limited drivers of such trucks to 10 hours' daily service, to correct one of the most prolific causes of accident—that of sleeping drivers who are overworked. The bill is yet to be passed in the senate, and may see even more stringent public safety amendments attached before final adoption.

FRIENDS LAUD TERRELL

More than 1800 friends of Judge C. V. Terrell, chairman of the railroad commission, including leaders of the oil, railroad, trucking and other large industries which deal with the commission, heard fulsome praise of the veteran commissioner at a Fort Worth testimonial dinner. Commissioner Ernest O. Thompson, whom Judge Terrell is succeeding as chairman, detailed Terrell's matchless record of 50 years of public service, and pointed to his part in putting the oil industry on a stable basis, opposing federal control, and obtaining higher production for Texas wells. Speakers included Gen. John A. Hulen, W. L. Stewart and E. E. Kirkpatrick, oil operators; B. J. Fitzgerald, railroad brotherhood spokesman; Rep. Herman Jones of Terrell's home town; Sen. Frank Rawlings, Myron Blalock and Carl Phinney of Dallas. The demonstration and tribute to Terrell heartened his friends, who expect to see him re-elected without an opponent in 1938.

LIQUOR CONTROL BILL

The house committee on liquor traffic has brought out a substitute bill, which may get up for consideration this week, designed to tighten substantially the loopholes in regulation of the sale of liquor and beer, brought out by the past two years' experience. It gives liquor board inspectors full access to all licensed establishments, provides the board or administrator may suspend licenses for numerous causes, such as selling to minors, selling to drunken persons, selling liquor by the drink, and other common abuses. It further prevents court action to keep vio-

lators' places open, by denying courts the right to issue injunctions to revive suspended licenses pending trials.

The bill also contains stringent provisions barring "chain store breweries"—that is, installing bottling plants and shipping in manufactured beer to be bottled at such plants. The Texas brewers contend this practice will permit the big national brewers, who controlled 90 per cent of the Texas breweries in the old lawless "wet" days, to re-establish that control, with very small investments, by establishing chains of these bottling plants. The Texas brewers, declaring a lawless "wet" days, to re-establish that control, with very small investments, by establishing chains of these bottling plants. NEWS AND NAMES

Central Texas was absorbed in the special congressional race, set for April 10, to elect a successor to Congressman James Buchanan. Lyndon Johnson, late NYA administrator for Texas, and native of Johnson City, has already launched a vigorous drive, while other announcees are C. N. Avery, Sen. Houghton Brownlee, Polk Shelton, all of Austin; R. S. Bowers of Caldwell Merton L. Harris, assistant attorney general, A. K. Ross, Townsendite, and Edwin Waller of San Marcos. More candidates are expected. . . Texas won a 30-year battle with the Equitable Life Assurance Society of New York, when the Equitable, one of the large companies that withdrew when the Robertson law, requiring investment here of part of premiums collected in Texas, re-entered the state, paying \$417,845 back taxes, interest and penalties. . . Speaker Bob Calvert is reported another potential candidate for attorney general in 1938. Jim Ferguson, now a newspaper columnist, badly missed his guess when he wrote recently the prediction that race horse betting repeal would never reach a vote in this legislature.

expected momentarily from President Cardenas, who was out of the capital at time of the visit of Dr. Roscoe R. Hill of Washington and Charles H. Abbott of the Exposition staff. His cabinet members already have signified acceptance.

Guatemala and Nicaragua have accepted. Unofficially, participation in the Exposition has been planned by Honduras and, it is anticipated, by El Salvador, Costa Rica and Panama. This makes the record perfect up to the envoys' entry into the South American continent with first calls at the capitals of Ecuador, then Peru and Chile. Crossing to the Atlantic seaboard, they will return through Argentina, Uruguay, Brazil, Venezuela and Colombia, then across to Cuba to complete their trip about mid-April.

The participation already planned gives strong Latin American flavor to America's only international fair of 1937, which will run a 20 weeks season through October.

The \$25,000,000 exposition park already is redesigned to conform to distinctive architecture of the American civilization that flourished before colonization from Europe.

Highlighting the entertainment that will make the Exposition at Dallas America's fun center through the summer, George Marshall, internationally recognized sportsman, is arranging olympic games for competition of teams of the North and South American continents, with featured schedules for games in which the neighbor nations are outstanding. Jaijai, for example, the game of the Spanish and the Latin American countries, will be staged on a court to be built especially for this fast and furious racquets contest that makes handball look as mild as tiddledewinks. An international polo tournament is expected to bring the high goal players of a score of countries.

The after-dark feature of Marshall's entertainment program for the fair will center in a huge theater casino, where a program that is designed to make all America talk will feature the stage, screen and opera performers of all communities, from Hudson Bay to the Pampas.

COUNTRY WOMAN'S CLUB MEETS ON MARCH 4

Varnish and wax was suggested as the best way to preserve a floor for durability and comfort by Miss Frances Bowen, home demonstration agent, at the meeting of the Country Woman's Club on March 4th. The club met in the home of Mrs. F. S. Miller, with Mrs. W. C. Parks, Sr., as hostess.

Miss Bowen gave several suggestions of color schemes for kitchens and stressed the idea that floors should be durable, comfortable and attractive. Reports of the month's work were turned in to the council delegate by the members.

Refreshments were served to: Mrs. Herman Glenn, Mrs. Jack Wade, Mrs. Tom Alexander, Mrs.

Gordie Alexander, Miss Frances Bowen, Mrs. Ray Alexander, Mrs. W. C. Parks, Sr., Mrs. W. C. Parks, Jr., Mrs. Truett Stanford, Mrs. Claude Alexander, Mrs. R. J. Alexander, Mrs. Bill McSwane, Mrs. Richard Cheatham, Mrs. F. S. Miller, Mrs. W. W. Jarret and Mrs. J. B. Edens.

TO MEET WEDNESDAY

The Country Woman's Home Demonstration Club will meet in the home of Mrs. Claude Alexander on Wednesday, March 17.

The program will be on fly control. All members are urged to be present.

NOTICE
 THE STATE OF TEXAS: To the Sheriff or any constable of Schleicher county.—Greeting:
 Whereas the following Application has been filed in Commissioners' Court of Schleicher County, Texas, to wit:
 STATE OF TEXAS
 COUNTY OF SCHLEICHER
 IN THE COMMISSIONERS COURT IN AND FOR SCHLEICHER COUNTY, TEX.
 TO THE HONORABLE JUDGE AND COMMISSIONERS OF SAID COURT:

Now comes W. A. Maupin and wife, S. B. Maupin, hereinafter-called petitioners and present this their application to this honorable court to discontinue and abandon certain streets and alleys as shown on a certain plat covering the hereinafter described property and for cause of such discontinuance and abandonment represent to the court as follows:

1. Petitioners would show that on or about the 20th day of May 1910, that J. M. Peden and wife E. L. Peden, conveyed to them, the hereinafter described property as shown by deed recorded in Volume 9, Pages 559 and 560, Deed Records of Schleicher County, Texas. That said property conveyed to them is described as follows:

In Schleicher County known as the middle part of Section No. Seventy Eight and one Half (78 1-2) Block LL, Sallie Renshaw survey—Certificate No. 903 about one half (1-2) mile North from Eldorado and containing 15 1-2 acres of land, described by metes and bounds as follows:
 Beginning at the South East corner of Survey No. 45 Block

LL, Cert. No. 4-1783 G. C. & S. F. Ry. Co. and the S. W. corner of survey No. 46 same block;
 Thence South 134 varas to the South line of the said Sallie Renshaw Survey and to a point in the said South line of the said Sallie Renshaw survey; Thence West with the South line of the said Sallie Renshaw survey 651 varas to a point in the South line of the said Sallie Renshaw survey;
 Thence North 134 varas to a point in the North line of the said Sallie Renshaw survey; Thence East with the N line of the said Sallie Renshaw survey 651 varas to the beginning, being the land patented to J. M. Peden, assee. of W. H. Douglas; by patent No. 493 Vol 38-Patent Dated September 14th, 1909, save and except the following described portion of said tract, to-wit:

Beginning at the N. W. corner of the said above middle part of section No. 78 1-2 Block LL, Sallie Renshaw Survey; thence East 500 feet to a point in the North line of the said tract; thence South 171 feet to a point; Thence West 500 feet to a point in the West line of said tract; thence North 171 feet to the beginning. The portion hereby reserved being a Block 500 ft. East and West by 171 feet North and South in the North West corner of the said middle part of said section No. 78 1-2 on which is situated the home and improvements of the said J. M. Peden and E. L. Peden; and save and except Lots (6) six, seven (7) and eight (8) in Block Ten (10) in the Peden addition to the town of Eldorado, which said lots were sold by the grantors here-

in to Phillips;
 Also Twelve and two tenths (12.2) acres of land in Schleicher County known as the middle part of the East part of section No. 14 Block EEE J. W. Johnson survey—certificate No. 1415 about one half mile North of Eldorado, described by metes and bounds as follows;

Beginning at a point 134 varas South of the S. E. corner of survey No. 45 G. C. & S. F. Ry. Co. in the South line of the Sallie Renshaw survey No. 78 1-2; thence West in the South line of the said Sallie Renshaw survey 651 varas to a point in the South line of the said Sallie Renshaw survey and the North line of the J. W. Johnson survey for the N. W. corner of this tract; thence South 106 varas to a point in the South line of the said J. W. Johnson survey for the said S. W. corner of this survey; thence East with the South line of the said J. W. Johnson survey No. 14, 651 varas to a point in the South line of the said J. W. Johnson survey; thence North 106 varas to the beginning; said two tracts herein and hereby conveyed constituting what is known as the Peden addition to the town of Eldorado, Texas as the same appears of record in the Deed Records of Schleicher County, Texas in Book 8 on page 158, save and except lots six (6) seven (7) and eight (8) in Block No. Ten (10) in the said addition. Which said three last named lots have been heretofore sold by the grantors here in to Phillips.

That since the time of said conveyance to the petitioners the above described property has been fenced and used continually for agricultural and domestic purposes.

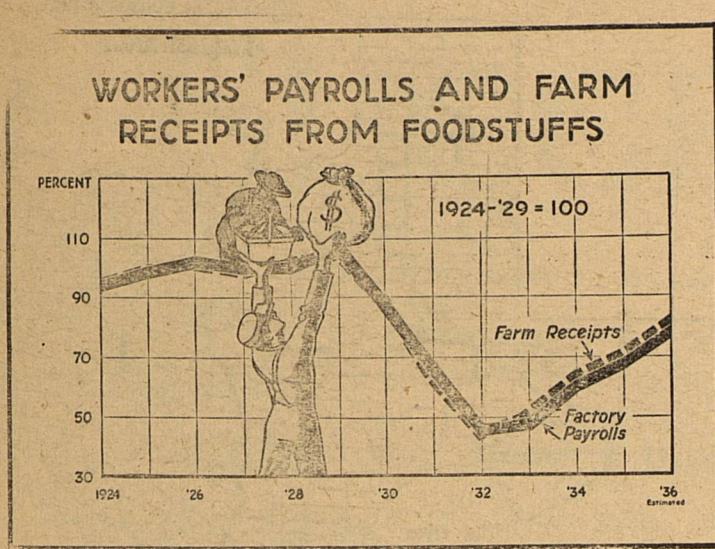

That according to a certain plat shown of record in the records of Schleicher County, Texas, certain streets and alleys are laid off on said plat in the above described property; that these streets and alleys, as shown on the plat, were laid off in the expectation that this property would some day become a part of the city of Eldorado.

Petitioners would further show that for the last twenty seven years as above shown, this property has been used for agricultural purposes and in all likelihood will never in reality be used as lots and blocks for the City of Eldorado.

Petitioners further show that said streets and alleys, which in reality have never been laid out but are shown on that certain plat covering the above described property, have the effect of minimizing the value of this property and lower its sale price and market value considerably.

WHEREFORE, premises considered, your petitioners pray that this honorable court take this matter into their consideration and that on final hearing hereof an order granted by this court abandoning and continuing all alleys and streets as shown on that certain plat covering the above described property. That said abandonment and discontinuance be made final and that the County of Schleicher and the public abandon all rights which they have gained in and to said streets and alleys as shown on said plat.

Dallas C. Biggers, Attorney
 Now Therefore, you are hereby commanded that by publication of this writ in a newspaper published in the English language, in Schleicher County, Texas, for at least three weeks prior to the return day hereof, you give due notice to all persons interested in the above described lands or any part thereof to be and appear at a regular term of the said Commissioner's Court to be held at the court

10,975 ENROLLMENT INCREASE IN FOOD PRESERVATION WORK IN 1936

College Station.—Home demonstration club members in Texas, to the number of 36,923, canned, brined, and preserved 5,729,676 quarts of vegetables and fruits under the supervision of county home demonstration agents during 1936, according to the annual report of Miss Grace I. Neely, Extension specialist in food preservation. The 1936 enrollment in food preservation work showed an increase of 10,975 women over the 1935 figure.

In spite of drought in many sections of the State, most of these club women manage to grow gardens and to can and store a sufficient amount of food for non-productive months to keep the daily food supply adequate.

In addition to the canned goods, the members of home demonstration clubs who enrolled in food preservation work dried, cured, and stored 6,385,419 pounds of vegetables and meats during the year.

Many women took steps to protect their gardens against drought and frost, and 4,164 cold frames and hotbeds were added, and 722 irrigation systems made. There were 867 cellars and storehouses added, 524 ventilated pantries built, 4,890 other pantries built or improved and 4,650 pantries labeled and organized.

There were 27,586 girls enrolled in 4-H club productive demonstrations in 1936 as compared with 6,592 in 1935. These girls canned, brined or preserved 850,176 quarts, and dried, cured, and stored 1,104,303 pounds of vegetables.

Miss Ellington Presents First Grade In Assembly

Miss Ellington presented her first grade in the weekly assembly program Friday afternoon. The program was scheduled to be presented several weeks ago but due to illness in the cast was postponed.

The program was a very entertaining and educational program. There were several readings and songs about historical characters such as Abraham Lincoln, Daniel Boone, Charles Dickens, Charles Lindberg, George Washington, and other famous men. Miss Ellington was the pianist.

In area 2 the range conservation program and the Southern Regional program are both in effect.
Area 3 is the wheat and grain sorghum section, and the range conservation program also applies here.
Area 4 has been designed as the wind erosion section of the wheat and grain sorghum area and is also included in the range conservation program.

RANGE CONSERVATION LINE RUN

College Station.—Range conservation will apply to 154 counties of Texas, according to wired instructions from the Director of the Southern Region of the Triple A, announced Jack Shelton, vice director of the Extension Service.

The telegram, signed by C. A. Cobb, follows:

"The line designating range area of Texas runs South along the Western line of Montague, Wise, Parker, Hood, Somervell, Bosque, Coryell, Burnet, Blanco, Comal, Bexar, Atascosa, Live Oak, Jim Wells, Kleberg, Kennedy, Hidalgo. All these counties and all counties West of them are designated as being in the Western range area of Texas where the range program will apply."

Practices which have been approved from which ranchmen may choose those needed on their ranges and earn payments limited strictly by the range building allowance established for their ranches are: deferred grazing, fencing; contour listing or furrowing; constructing terraces; spreader damb, earthen tanks and reservoirs, building spreader terraces; establishing fire guards; eradication of prairie dogs and kangaroo rats; rescuing land from prickly pear, mesquite, cedar, and lechuguilla. The range building allowance which establishes the limit of payments for carrying out range building practices will be calculator on the grazing capacity of the individual ranch.

PRESBYTERIAN ACTIVITIES

The regular meeting of the "Men-of-the-Church" was held at the Presbyterian Church on Wednesday night. At this time the men treated the ladies to an oyster supper, the men doing all the cooking and waiting on the table. This was by way of showing their appreciation for the good suppers which the ladies

have been serving them at their regular meetings. The "chief cook" on Wednesday night was Mr. Lark McClary, who generously gave his assistance to make the occasion a success. Every one declared him to be good at his job. He was ably assisted by a corps of kitchen helpers and waiters. And there was an abundance of oysters. A brief program followed the supper.

A "lawn working" was held at the church on Thursday, there being a dozen of more men and women who spent the day improving the outside appearance of the church property. It is purposed to have things looking more attractive this summer, and to this end flowers and shrubbery are being planted, and rich soil placed on the lawn. Luncheon was served in the church to these workers.

The "Pioneers" will have a social in the basement of the church on Friday night at 7:30. Mr. Lazenby and Maxine Wilton will be in charge of the games, and Mr. Wilkinson will see that refreshments are provided.

Next Sunday, April 14th, is our "Every Member Canvass" Sunday. Our new church-year begins on April 1st., and the members of the church are requested to make their pledges next Sunday for the support of the church's work during the new year. Mr. Edwin Jackson is the chairman of the committee in charge.
