

ELDORADO SUCCESS

"A Weekly Publication Serving Schleicher County"

VOL. XXXVII

Eldorado, Schleicher County, Texas, Friday, June 18, 1937.

NO. 25

On The DIVIDE

LET'S PULL FOR OUR WATER SYSTEM

We understand that members of the City Council of Eldorado have received a letter from the Interstate Public Service Company in which this company had rejected the offer of \$20,000 for Eldorado's present water system. This company's representative indicated that it will be necessary to arrive at a fair price by arbitration.

Meanwhile, the City Council is going ahead with plans to build an adequate system out and out if a deal cannot be completed with owners of the present system. Bids will be received for land upon which to build a plant at the next meeting of the Council.

It behooves all Eldorado citizens to get behind the City Council and boost for an adequate water system for Eldorado. We have been paying the penalty for not having fire protection for years and years, and, in addition have placed our earnings into property that could easily be destroyed by fire in a few minutes while we stood by, helpless to do anything to protect our investments.

We believe in giving the water people a chance to arrive at a fair price for their property, but unless a reasonable figure can be agreed upon we think Eldorado should go ahead and build a system that will give us the service and protection we should have.

STEPS TOWARD THE INEVITABLE

Realizing that there must come a time when relief work will end in the county, members of our Commissioners Court are taking steps toward that end. This move had been talked for several months and the idea or whether or not this relief is worth what it costs the county had been questioned for some time.

Schleicher county has precious few able-bodied persons on the relief at this time. During the summer and fall months it is believed that everyone who wants to work can find some sort of employment and become self-sustaining.

Our Commissioners Court, as well as many of our citizens, have come to the conclusion that the expense of relief work in this county is not justifiable. With the opening of cotton chopping in the county, many of our farmers were forced to go out of the county to secure labor on their farms. We believe that these people would have just as willingly hired local labor if such labor is available.

The conclusion has been reached that no persons other than those who, because of age or some physical defect, are not able to work are actually in need of relief, and that these persons can be taken care of cheaper than relief work can be continued in the county.

Our opinion is that when everyone can find individual employment and forget about either direct or indirect relief, our entire citizenship will be happier and more contented.

Fundamentalist To Open Revival Second Sunday In August

The old-fashioned meetings with old-fashioned preaching under a brush arbor were enjoyed by people sixty years ago. We parked our old-fashioned wagons and hacks, buggies and cow ponies and enjoyed the preaching, singing and good fellowship with each other.

Our mode of travel has changed along with many other human customs, but the gospel remains the same, yesterday, today and forever. So come, park your cars and be with us at each service of our revival which will begin the second Sunday in August.

Our plan is to have a song leader, Dr. R. E. White of San Antonio, and our pastor, Raymond C. Wilson, who will conduct the services. We earnestly and respectfully invite one and all to attend all of our services.

Jetty Grace DeLong Selected As Duchess For Ozona Rodeo

Members of the Lions Club selected Miss Jetty Grace DeLong Wednesday to represent Eldorado at the Ozona annual rodeo, race meet and stock show on July 1, 2 and 3.

Should she accept, Miss DeLong will represent Eldorado at the coronation of the queen on the evening of July 1st. Duchesses and their escorts from twenty or more West Texas towns will be presented. The coronation ceremonies will be followed by the queen's ball, with the queen and members of her court leading the grand march.

For the regular Wednesday program, Lion N. P. Wilkinson gave a very interesting talk on the history of the United States flag. His talk was made more interesting by a display of reproductions of each flag used by the American Colonies.

Methodist Revival Closed Last Sunday

Rev. J. W. Leggitt, pastor of the Miles Methodist church, closed the revival meeting at the local Methodist church with last Sunday night's services. One of the largest crowds of the entire meeting attended this closing service.

Rev. Leggitt preached some splendid sermons during the ten days the revival was in progress, and he worked earnestly toward the success of this meeting. Several young people were converted during the meeting, with a still larger number expressing their desire to unite with the church.

An outstanding feature of the revival was the interest of those attending the services, rather than in the crowds that were attracted to the services. Crowds were somewhat smaller than had been expected, but it is believed that this meeting will have a lasting effect in Eldorado because of the good that was done in these services.

Mr. and Mrs. Frank Meador returned from a visit in San Antonio last Saturday afternoon.

To Exchange Pastoral Charges

REV. J. W. LEGGITT

REV. W. B. WHEELER

A change in pastoral charges affecting the local Methodist church and the two pastors shown above was announced this week. Rev. J. W. Leggitt is coming to Eldorado as pastor, with Rev. W. B. Wheeler taking over the work at Miles, Texas. This exchange has been ap-

Local People Urged To Keep Roadside Park Attractive

Some complaints have been received about those who use the Roadside Park leaving it in an unsightly and unsanitary condition. Both the State highway officials and members of The Woman's Club who sponsor the park, ask that those who use it leave it just as clean as possible.

The highway department has placed trash containers in the park and urge that they be used. These containers are emptied by the highway workers.

The park was built for the use of local people, and they are urged to enjoy it at their conven-

ience. All that is asked is that they use care in keeping the park clean.

Several trees in the park have been damaged by those who break off limbs to build fires. This is another act of carelessness and detracts from the beauty of the park. Let's all do our part to keep the park clean and beautiful at all times.

CHURCH CONFERENCE

Sunday, June 20th, is a special day for the Baptist Church of Eldorado. The membership will hold a special conference to discuss the advisability of calling a pastor.

The attendance of every member, both old and young, is very urgently requested.

McKinney Casts Deciding Vote To Retain Home Demonstration Work In This County

Court Discontinues Services Of Mrs. Roberts; Puts Approval On Audit

Exercising his right to vote of a tie vote in the Commissioners Court, C. S. McKinney, county judge, last Monday cast the deciding vote as to whether or not the services of a county home demonstration agent should be continued in Schleicher county for another year. The Court voted in the May meeting to take this matter up at the meeting last Monday.

Commissioner Pat Martin made the motion to discontinue this work, and the motion was seconded by Commissioner W. H. Whitworth. McKinney then called for a vote.

Voting "aye" were Pat Martin and W. H. Whitworth. Voting "no" were Henry Speck and J. A. Enochs. McKinney, whose vote was to decide whether this work would be discontinued or continued, voted "no", thereby continuing the work for another year. The court then discussed whether or not a change should be made in home demonstration agents, and their decision was to leave this matter up to the women's council.

A motion was made by Henry Speck and seconded by Pat Martin to discontinue the services of Mrs. Grace Roberts on and after

the 30th day of June, 1937. Voting "aye" on this question were Speck and Martin; voting "no" were W. H. Whitworth and Jeff Enoch, and again McKinney voted off the tie. McKinney's vote was in the affirmative, thus discontinuing the services of Mrs. Roberts after this month.

Other Business

The court passed an order approving the audit of the Western Audit Co., of San Angelo. This audit was completed some time ago, but was not approved by the court at the May term.

O. E. Conner had an application to the court to authorize him to appoint deputies for the office of Sheriff and Assessor and Collector of Taxes. The court approved the appointment of Mrs. Annice Murchison as office deputy at a salary of \$100.00 per month.

Members of the Commissioners Court are to serve as a board of equalization for Schleicher County to examine tax renditions in the county. They were given their oaths at Monday's meeting.

The following orders outlining other business transacted were taken from the court's minutes:

It is ordered by the Court that V. G. Tisdale, D. E. DeLong, W. J. Stewart, C. L. Meador, Jr., and W. J. Luedecke be and they

(See No. 1 Last Page)

Ladies Assured Of Another Highway Park South Of Eldorado

The several ladies who compose the Highway Beautification Committee of this county were assured of the establishment of another roadside park in this county last week. These ladies attended a meeting of West Texans comprising division seven in Sonora on Thursday, June 10th, at which time highway officials assured them that the park would be built.

Work on the park will not begin until early fall, it was stated. It is being sponsored by the Self Culture Club of Eldorado. Geo. Williams, enterprising farmer and rancher, has promised an "easement" on whatever portion of land selected for the park.

Those who attended the meeting were entertained by the Sonora Lions Club at luncheon. Some 35 persons were in attendance.

This meeting was held for the purpose of discussing highway beautification over the division. Delegates visited the various parks near Sonora and discussed further methods of beautification.

Ladies who attended are: Mrs. E. C. Hill, chairman of the committee; Mrs. V. G. Tisdale, delegate from the Woman's Club; Mrs. D. E. DeLong, Alpha Delta Club, and Miss Chris Enochs, Self Culture Club.

Demonstration On Goat Dipping Slated For This Friday

County Agent W. G. Godwin has announced that a goat dipping demonstration will be held on Friday of this week at the Johnnie Webster ranch, north-east of Eldorado.

Several hundred goats will be dipped in this demonstration, with the use of wettable sulphur which has proven successful in many sections of the ranching country.

Mr. Godwin stated that ranchmen interested in having their goats dipped will assist him in this demonstration. All persons interested are cordially invited to attend the demonstration.

Application Made For Beer License In This County

The application of G. F. Spurgers for license to retail beer at the Red Top Filling Station, about 3 miles north of Eldorado, came up in county court last Saturday.

After examining the application, Judge C. S. McKinney said, it was thrown out of court because he stated it had not been filed properly. According to legal advice received by those desiring that the license be issued, it is likely that the application will be filed again.

Should another hearing be held it will likely be during the August term of county court, which begins on the first Monday in August.

Here From Dallas

Mrs. Bertha Shugart and daughter, Mrs. W. E. Horton of Dallas are the guests of Mr. and Mrs. Ben L. Isaacs and Mr. and Mrs. L. L. Baker this week.

Mr. and Mrs. S. E. Etheridge left last week on a trip to Mexico.

City's Offer On Local Water System Rejected Last Week

INTERSTATE PUBLIC SERVICE CO. ASKS SETTLEMENT BY ARBITRATION

A letter written on Thursday of last week by Kenneth D. Horton of the Interstate Public Service Co. of Bay City rejected the offer made by the City Council of Eldorado for the purchase of the present water system. The letter follows:

Hon. A. T. Wright, City of Eldorado, Eldorado, Texas. Dear Sir:

This letter will acknowledge receipt of the City Council's offer of \$20,000.00 under date of June 7th for our Eldorado water works system.

To comply with the requirements of the Trustee under Bond Indenture, it will be necessary to arrive at a fair price on our holdings by arbitration. The procedure had already been set out in the letter, from our engineers, Hawley, Freese & Nichols, dated September 2, 1936 to the Mayor.

If an agreement can be reached (Continued on page 4)

Annual Motorcycle Rally Slated For This Week-End At Angelo

The San Angelo Motorcycle Club has made extensive preparations for entertaining some 1,500 motorcycle riders this week-end, when the annual Texas Annual Rally and Gypsy Tour will be held at San Angelo. The race track has been placed in excellent condition for the races which will be held on June 20th at the fair grounds.

In addition to the races, various other exciting contests will be held, in which members of the San Angelo Motorcycle Club will participate. The field meet will begin at nine o'clock on Sunday with the races at two o'clock that afternoon.

Several local members of the San Angelo club will take part in the contests. Schleicher county boys who hold membership in the club are: Bernard Carr, Ray Boyer, Aris Carr, Budger Hodges and John Kirkpatrick.

All Eldorado people are extended a cordial invitation to attend the events next Sunday.

VERNON RATLIFF IS TAKING CHARGE OF GULF STATION IN ELDORADO

Vernon Ratliff of Ray, Arizona, is expected to arrive in Eldorado this week to take over the management of the Gulf Service station, formerly operated by Wendell Yates. Mr. Ratliff completed the deal for the station several days ago, and his brother, Charles, is in charge until he arrives in Eldorado.

Mr. Ratliff, who has lived here for a number of years and is well known in this county, has been employed in the copper mines at Ray, Arizona, for several months. He is moving his family to Eldorado this week.

He invites all of his friends to visit him at the station, starting that he will be in charge by Friday or Saturday of this week.

MAKE OUR TOWN SAFE!

During 1936, traffic deaths and accidents reached new highs. Yet a number of cities and towns managed to lower casualties in spite of the general trend. Six of these cities, in different population brackets, were the winners of the Fifth National Traffic Safety Contest conducted by the National Safety Council.

The Council has now published outlines of the programs pursued by these communities. The program of the smallest town receiving a prize, Wilmette, Illinois is of exceptional interest, in that it could be pursued, in a modified or enlarged manner, by practically every community in America.

Wilmette reduced its accident

deaths exactly 100 per cent—from three in 1935 to none in 1936—and its injuries 31 per cent. It adopted the following plan:

Law enforcement was strict—arrests totaled 152 in 1936 as against 51 the preceding year. Magistrate and prosecutor cooperated vigorously. High school students convicted of dangerous driving were "fined" by making them write theses on safety.

Traffic checks were made periodically, and when necessary streets were widened and resurfaced. All members of the police force attended classes in accident prevention.

The village conducted a drivers' safety school in cooperation with three other nearby villages. The police department was kept free from politics—no one had a "pull."

Extensive accident prevention work was carried on consistently in schools.

Here is a synopsis of the kind of safety program that produces results. No community is too small to follow the principles laid down, in an effective manner. Let's make our town safe!

Mr. and Mrs. Fred Watson and family have gone to Wyoming to spend their vacation.

J. T. Ratliff visited friends in San Angelo and Wall last week.

NEVER BE AFRAID OF THE OTHER FELLOW BEING BENEFITTED

Are you always afraid some other fellow will reap some benefit from what you are doing? Do you worry lest your planning and your labors will prove of advantage to someone else? Many of us are. We hesitate to take some perfectly normal course when we think that Tom, or Bill or Jack, will get some degree of credit or some advantage from it.

Don't be that way. It is small. It is unworthy of you. Carry on your work the very best way you know, and forget all about the benefits and the credit. Even do some of the other fellow's work if it comes your way, and say nothing about it.

Yes, it may help him. It may be to his advantage. He may be given some or all of the credit which you might rightfully claim. What of it? Only a little man would object to that. Don't be little.

The greatest men the world has ever known were men who gave no thought to the credit when they did anything. They were glad if what they did proved of benefit to another. They rejoiced if someone else garnered where they had sown and reaped. They were unselfish.

Can you imagine a Lindbergh refusing to fly the ocean for fear it would benefit the makers of airplanes? Would a Curie refuse to develop his discoveries in radium, or a Mergenthaler stop his work on the linotype machine, or any really great man in any line grudge whatever good might come to another through his labors?

Don't be small.—Lions Magazine.

BOARD URGES CAUTION CONCERNING SOCIAL SECURITY ACCOUNT NUMBERS

Austin, June 12.—Get the right number when you list employees on your information reports, M. D. Dewberry, manager of the Austin field office of the Social Security Board today cautioned commercial and industrial employers throughout the Austin area who are seeking to obtain the social security account numbers of wage earners no longer in their employ.

Under Treasury regulations, Dewberry explained, employers must list employee account numbers on their information reports. Post offices are requesting that if an employee has failed to report his social security account number, the employer should file an application form (SS-5) with sufficient supporting information to establish the employee's identity beyond reasonable doubt. This application will be checked against the files to see if an account number has already been issued. If the employee has no account number, the employer must then file an application for an account number on behalf of his employee, stating on the form the reason for his filing such application.

Mr. Dewberry also urged all employees who have not yet re-

ported their social security account numbers to their employers to do so promptly. This applies also to workers who have worked for more than one employer since January 1, 1937, even though the period of their employment may have been one day or less.

Account numbers are being issued to workers through the facilities of more than 45,000 post offices, which are being utilized in the assignment of account numbers until June 30. On July 1, and thereafter, application forms for account numbers can be obtained at any local post office, and at regional and field offices of the Board, but assignment of account numbers will be made by the Board through field offices. The Austin field office is located at 104 Old Federal Building.

NOTICE

The City Council of the City of Eldorado, Texas, will receive bids or offers of sale of land on which to erect a Water System for the City of Eldorado, at their regular meeting July 12, 1937.

All persons having land suitable for this purpose should file their proposals or bids with A. J. Atkins, City Secretary, on or before 8:30 p. m. July 12th, 1937.

The City reserves the right to reject any and all bids or proposals.

A. T. Wright, Mayor

A 650-acre deposit of coal tar near Palestine, Tex., will provide the raw material for a new aniline dye plant at Houston, the first in the Southwest, reports the All-South Development Council. These dyes, expected to be of unusually high grade, will be used as the base for paints and inks. The deposit, to be mined at a minimum rate of 100 tons a day, is said to be sufficient to last 300 years.

Bus Enochs has accepted a position with the Wood Motor

Prizes Awarded In Held On Tuesday Clothing Contest

Prizes were awarded the various winners in the home demonstration clothing contest which was held last Tuesday at the Presbyterian Church. Judges in the contests were Miss Kate Adele Hill, district home demonstration agent, and Miss Dyora Crowder, agent from Tom Green county.

At noon the ladies went to the Roadside Park, where they enjoyed a delicious picnic lunch.

Winners and prizes which they received are as follows:

Dresses for demonstrators:

First, Mrs. Silas Burk, wallpaper from Cameron Lumber Co.; second, Mrs. Roy Glenn Gardner, varnish by West Texas Lumber Co.; third and first for year-round work on storage and record. Mrs. Palmer West, Pyrex roll pan from Eldorado Hdw. Co. and 10 gallons of gas from Benton Motor Co.

Children's dresses: First (2 to 6 years) Mrs. Richard Cheatham stationery from Hoover Drug; First (6 to 12 year group) Mrs. G. L. Ballew, cake from City Bakery and hair set and shampoo from Post Office Beauty Shop.

Co-operator's dresses: First, house dress by Mrs. Elvin Bawcom, 24-pounds of flour, City Grocery; second, street dress by

Mrs. Luke Robinson, groceries from Red & White Store; third, sheer dress by Mrs. Ray Alexander, dress material by the Women's Council.

Miss Hill made the following comments on the work accomplished as shown by the contest:

"Your records show great improvement, and I'm glad to see emphasis on this work this year. Last year's work was weak in this respect.

"The dresses show improvement in technique. The quantity is less this year, but the quality was superior to that of last year.

"Slips show the greatest improvement.

"The outstanding weakness is the foundation pattern itself. It is not stitched to prevent ravelling and it is not kept in good shape.

Mrs. J. W. Leggett and son of Miles, Texas, spent last week-end here with her husband, Rev. Leggett, who conducted the Methodist revival here. Mrs. Leggett is a niece of Mrs. C. L. Meador, Sr., and also visited her aunt here. Rev. and Mrs. Leggett returned to their home in Miles last Monday morning.

Mr. and Mrs. Gordon Bird and daughter of Midland visited Mrs. Bird's mother, Mrs. J. N. Davis, here several days last week.

W. T. C. C. HEAD IS FOR FIESTA

"We are enthusiastically for the Fort Worth Frontier Fiesta," Judge Milburn McCarty of Eastland, new president of the West Texas Chamber of Commerce, is telling Mrs. James F. Pollock, wife of the Frontier Fiesta general manager, at the recent Fiesta dinner in Fort Worth attended by 350 civic leaders of the state, largely from West Texas. The W. T. C. C. Building at the Fort Worth exposition, opening June 26, will feature the exhibits of 180 West Texas cities.

William Lazenby And Miss Morgan Wed In Amarillo

Miss Mary Ellen Morgan, daughter of Mrs. B. C. Morgan of Amarillo, became the bride of Mr. William Lazenby, son of Mr. and Mrs. Walter Lazenby of Shawnee, Okla., in an impressive ceremony on Wednesday, June 2 at the home of the bride's sister Mrs. Selvin Allen of Amarillo.

Rev. E. B. Fincher, pastor of the Ellwood Park Presbyterian Church, officiated in the presence of relatives and close friends of the couple. The nuptial vows were spoken before an improvised altar of roses, with baskets of mock orange blossoms on either side.

Mrs. Lazenby is a graduate of Amarillo High School, West Texas State College, and taught in the Amarillo Central Junior High School. She is a member of Kappa Omicron Phi sorority.

Mr. Lazenby received his Master of Arts degree from Austin College at Sherman, and is now principal of the grade school at Eldorado.

Following the ceremony and informal reception, the couple left on a trip to Detroit and Niagara Falls, Toronto, Canada, and other interesting points.

SUN TAN SHOULD BE ACQUIRED GRADUALLY HEALTH OFFICER SAYS

Austin, Texas—"One of the striking examples of over working a good thing is the enthusiasm displayed by thousands of persons in trying to secure a sun tan too quickly. Under a misguided conception of the sun's health giving power, such persons either deliberately or thoughtlessly submit their unprotected faces, backs and legs to over-exposure and suffer painfully, sometimes seriously, as a consequence," comments Dr. Geo. W. Cox, State Health Officer.

"The discomfort and annoyance of even mild sunburn should deter people from repeating this folly from year to year. However especially where younger persons are concerned, the enthusiasm for fun and the desire to become speedily tanned are likely to exact the inevitable price with painful regularity.

"It is one thing to apply the principles of sun treatment scientifically and quite another one to place the tender skin unrestrainedly under the direct rays of the sun. It should be understood that when the sun is employed as treatment patients are exposed for but a few minutes at a time, the periods being gradually extended as the tanning develops.

"The uninformed and the thoughtless, on the other hand, give the sun free rein, submit themselves frequently to hours of continuous exposure and naturally reap misery and illness as a direct consequence.

"Before becoming too ardent over sunbathing, one would do well to ponder that many a vacation or weekend excursion has been ruined solely because the blistering and illness-producing power of the sun's rays upon the tender skin was insufficiently appreciated."

SWIMMING PARTY

On Tuesday afternoon, June 15, 1937, the Junior B. Y. P. U. went to Mrs. Roy Davidson's for a swimming party. After a good swim in their large tank, games were played, Marian La Shae entertained by singing in Spanish, refreshments consisting of wieners, sandwiches, cookies, and ice

cream were served to the following:

Mozelle Parks, Dorothy Bruton, Nora Kate Brown, Norma Jean Sproul, Bobby Sproul, Heiten Craig, Stanley Riddle, Ida Davis, Tommie Aline Davidson, Walter Roy Davidson, Mr. and Mrs. Riddle, Mr. and Mrs. Davidson, Mrs. Hoover, Mary Hoover, Maude Brown, and two visitors, Marion La Shae of Venezuela, S. A., and Bill Johnston of San Angelo, house guests of the Davidsons.

Mr. and Mrs. Cyril Crow of Waco were the guests of Mr. and Mrs. Chester Wheeler last week end.

Now you see proof, right in our store, that Frigidaire is the most complete ice-provider, food-storer and food-preserver ever known.

Make sure of getting most for your money. See Frigidaire Proof Demonstration first.

West Texas Utilities Company

Wettable Sulphur Dip For Goat Lice Control Gaining Favor With West Texas Ranchmen

The use of wettable sulphur dip to control goat lice is gaining favor with West Texas ranchmen, county agricultural agents in that section report.

In Coke county, W. R. Davis dipped 648 head of mutton goats in wettable sulphur. This was a continuation of last fall's demonstration, when he dipped his flock twice. The hair at shearing time was much brighter and no lice were found.

Ranchmen of Irion county are turning to the use of wettable sulphur as the result of a demonstration last fall when the goats on the Rutledge ranch were dipped in this material. The goats were dipped in August of 1936 and are still free of lice. A gain of one-half pound of hair per head was noted at the last shearing.

Two Edwards county ranchmen, Fred J. Wittenburg and Merlin Davis, dipped 633 and 1,356 head respectively, in wettable sulphur during the latter part of May. Both flocks were heavily infested with lice, and will be dipped again after a 10 day interval.

A round vat of 1,000 gallon capacity, one of the first constructed in Texas, was used to dip 1,002 goats with wettable sulphur on the Adams Wilson, Jr. ranch in Kerr county. Materials for the vat, floor, and fence cost \$43.90. The goats were dipped at the rate of 250 an hour.

During May, seven flocks of goats totaling 7,364 head were dipped in wettable sulphur in Brown county. Ranchmen who used this material during the past year report that their goats produced a heavier fleece, were in better condition, and that the mohair had an added luster.

Mrs. Anna Dunning of Gonzales, Texas is visiting Mr. and Mrs. T. W. Johnson, W. N. Ramsay and wife and R. L. Sample and family.

Lufkin Girl Named Best Collegiate Artist in U. S.

"The most outstanding artist in every respect of any woman submitting work out of the entire United States—that was the tribute paid to the work of Miss Margaret Neal of Texas State College for Women by the judges who awarded her a four-year scholarship to the Art Center School in Los Angeles, Calif. She won the award as the result of a contest open to college and high schools in all states, only one other entrant, a man, being equal to her in versatility, brilliance and craftsmanship. The nineteen-year-old graduate was art editor of the college annual this year. She is the daughter of Mr. and Mrs. Willie Neal of Lufkin.

Local Water System
(From Page One)

ed with your council whereby they agree to purchase our plant at a fair value, we will be glad to proceed with the trade on that basis, fair value to be determined in the following manner:

A joint appraisal to be made by engineers, one representing the City and one representing our company with the further provision that in the event of disagreement a third disinterested engineer may be appointed by the two engineers to arrive at the final determination.

We therefore decline the City Council's offer of \$20,000.00 under date of June 7th.

Yours very truly,
Interstate Public Service Co.
By Kenneth D. Horton.

Mr. Wright sent the following reply to Mr. Horton's letter under date of June 14th:
Mr. Kenneth D. Horton,
Bay City, Texas.
Dear Sir:

Your letter of June 10th is at hand in regard to the offer the city of Eldorado has made you people for your water system at this place. I note what you say

in regard to the procedure for closing of the deal, but I do not understand why you could not send a representative to meet direct with the City Council or its representative so we can get action on this at once.

The City Council are well acquainted with the engineering made of the works here, have no objection to the inventory other than values placed on some of the plant. They are familiar with the present water system and its values, know within a few hundred dollars what the system has cost each owner since it was begun.

It is the desire of the City Council to be fair with your company, but we do not want and will not give them a handsome bonus on the plant.

Our people are wanting an adequate water system, and it is our desire to give it to them, but we do not wish to confiscate your property. We can only use a small portion of the system in rebuilding, and figure at our present offer that we would have \$10,000 loss in waste. All men of the City Council are businessmen and are men who want to do the right thing. I ask that you have your representative either meet here with the City Council or they can have a representative meet with yours in Austin, if you will not come here.

Our desire is to get this closed by July 12th, as that is the day we have set to receive bids for other lands in case we do not deal with you people. Trusting that you will see fit to get a man in touch with us at once so we can close this deal, we remain
Truly,
A. T. Wright, Mayor

P. S. Your appraisal is too high, your engineers know that themselves, so send them over for adjustments. If we cannot make them, then we can proceed otherwise.

BRIDGE CLUBS MEET WITH MRS. McLAUGHLIN

The Wednesday afternoon and Thursday afternoon bridge club met in a combined meeting in the home of Mrs. C. C. McLaughlin Wednesday afternoon. Mrs. Sam Oglesby, Jr., won club prize for the Wednesday club and Mrs. Joab Campbell won club prize for the Thursday club. Mrs. Luke Thompson won guest prize.

Those present were Mrs. L. L. Baker, Mrs. G. C. Crosby, Mrs. C. E. Knight, Miss Cleone Dabney, Mrs. Oglesby, Mrs. Jimmie West, Mrs. A. D. Richey, Mrs. Ed DeLong, Mrs. H. B. Rees, and Mrs. S. A. Ramsey, members of the Wednesday club, and Mrs. W. O. Alexander, Mrs. Forrest Alexander, Mrs. Campbell, and Miss Norene Ellington, members of the Thursday club. Mrs. Roy Davidson and Mrs. Thompson, guests.

Mr and Mrs. Kenneth Garey of McCamey were guests of Mr. and Mrs. L. W. Ballew last Saturday and Sunday.

Mrs. Ben L. Isaacs and Mrs. Leslie Baker attended the opening of the Pan American Exposition at Dallas last Saturday.

Strength During MIDDLE LIFE

Strength is extra-important for women going through the change of life. Then the body needs the very best nourishment to fortify it against the changes that are taking place. In such cases, Cardui has proved helpful to many women. It increases the appetite and aids digestion, favoring more complete transformation of food into living tissue, resulting in improved nutrition and building up and strengthening of the whole system.

Crack Trains Halt And Gauchos Salute Farley On Birthday

Postmaster General Serenaded In Night Stop "Down by The Railroad Tracks"

Dallas, Texas, June 12.—East-bound met west-bound on a railroad right-of-way in East Texas May 30, and Postmaster General James A. Farley was given the most unusual birthday party in his 49 years.

George Preston Marshall, the Pan American Exposition's \$100,000 director of entertainment and international sports program ordered his Casino special train, enroute from New York to Dallas for the June 12 opening, onto a siding while the Louisiana Limited roared up, bearing the postmaster general. Farley and Marshall are long-time friends.

As General Farley stepped down for a hasty greeting, and to receive a sombrero from Marshall's attractive wife, the former Corinne Griffith of motion pictures, Lyn Murray's twenty-four Singing Gauchos of the spectacular revue company chorused "Happy Birthday, Mr. Farley."

"Thanks, boys, thanks," called Farley enthusiastically. "I'll get Cactus Jack Garner to try and get Maine (Republican) and Vermont (Republican) to join the Democracies of the Americas in celebrating the Pan American Exposition."

KNOW TEXAS

Denton, June 12.—A strange combination of deserts, canyons and fertile valleys awaits the visitor who heads down from Lubbock to the land "West of the Pecos." Possibly the most interesting route is across the line into New Mexico, where Carlsbad Caverns provide interest and beauty.

Swinging back into Texas by way of Guadalupe Peak and into El Paso, the traveler may catch his first view of Old Mexico in the city of Juarez, with its ancient missions and motley population. Immediately south of El Paso the cultivated areas of the Rio Grande Valley appear, and in the midst of the oldest community in the state are the missions of Ysleta and Socorro.

Southeastward the Davis mountains, rising a mile above sea level, are famed for their scenic beauty, healthy climate and historical importance. Here also is Mount Locke, where the University of Texas is building the McDonald Observatory with the second largest telescope in America.

No good Texan can skip a detour into the Big Bend country down in the southern tip of this western section. The continually producing Shafter silver mine is located here, and farther on are the impressive Los Chisos (The Ghosts) mountains.

After a good look at the Santa Helena Canyon of the Rio Grande, with its 1,800-foot walls, the visitor can well understand why the state is trying to acquire enough land in this territory for a state park. Two hundred and fifty thousand acres of the proposed 1,000,000 acre tract has already been acquired, and the Mexican government is planning to match the Texas acreage with land just across the border. The completed international park will include 2,000,000 acres.

Mrs. Dowthit and son E. W. of Midland visited in Mertzon last week.

Bill Turner and Jack Kerr spent a few days fishing on Brady Creek last week end.

Rev. Wendill Carr of Kerr-

ville visited with Aris and Bernard Carr last week end.

Miss Johnnie Ferne Isaacs is visiting with relatives in San An-

gelo this week.

Mrs. W. R. Nicks was a business visitor in San Angelo last Tuesday.

Confidence
It Helps In Emergencies!
When accident or unforeseen sickness strikes, there are two things to do. You must place confidence in your reliable physician—and you must see that his instructions are followed quickly, accurately and scientifically.
You can best do this by taking his prescription immediately to a druggist who specializes in prescriptions and medical supplies. Then you will be sure that you have done everything possible to restore health and insure comfort to any sufferer.

NOBODY'S BUSINESS

AUSTIN.—What effect the action of Con. Martin Dies, who obtained adoption by the national house of representatives of an amendment to the bill creating a new federal judgeship in the

Houston district, that would require the appointee to be a resident of that district, upon the plans of Gov. James V. Allred to obtain the appointment as federal judge, furnished grist for the political gossip mill here. If the bill is finally passed by the senate with the Dies amendment in it, it would mean Allred, a resident of the Wichita Falls district, could not be appointed federal judge, and the whole elaborate plan, reported to have the secret approval of Senators Tom Connally, Morris Sheppard and Vice President Garner, would collapse. Friends of Allred here believe the Dies amendment will be taken out by the senate, under pressure from Garner and the two Texas senators. This will delay final passage of the bill, however, and keep the political situation in Texas in its present state of uncertainty and high tension for probably another four to six weeks.

Dies Mad At Jimmy

Dies offered and fought for the amendment because of his feud with the Texas governor, growing out of the candidacy of Clyde Smith, of Woodville, against Dies last summer. Smith, who startled the state four years ago by making a very creditable race for attorney general as an unknown was appointed assistant secretary of state under the Allred administration, and Dies credited the Allred forces with encouraging him to run against Dies.

The delay in settling the matter is particularly irksome to friends of Lt. Gov. Walter Woodul, who are anxious to begin his campaign for attorney general, and can't very well do so until they learn whether he is going to serve a year as governor, as he would do if Allred resigns. Close friends of Woodul declare the latter would not seek election as

governor, even if he served out Allred's term but would run for attorney general, leaving the gubernatorial field open to Col. Ernest Thompson and Atty. Gen. Bill McCraw, now generally regarded as the chief contenders.

Press Officials Named

Members of the Texas Press association, at their annual convention in Brownwood, named R. J. (Bob) Edwards, publisher of the Denton Record-Chronicle veteran Texas newsman, as president, and Deskin Wells, brilliant young publisher of the Wellington Leader, vice president. Sam Harben, perennial secretary, was renamed for the 27th time and Uncle Ben Harigel, of La Grange treasurer, Joe Cook, of Mission, another youngster whose achievements have won wide recognition, became chairman of the Young Publishers' section. The Belo award for best weekly newspaper of the year went to the Kerrville Times, edited by J. J. Starkey.

Press Freedom Curtailed

Disregarding the plea of Texas newspaper publishers that the law was a direct attack upon the freedom of the press, Gov. Allred signed the bill prohibiting dentists from advertising last weekend. Allred at first indicated he would disapprove the bill, but it had the strong support of Secretary of State Edward Clark, whose recommendation to Allred apparently carried more weight than that of the press of Texas.

An interesting bit of gossip concerning this bill circulated here was to the effect that it was lobbied thru the legislature by ex-Sen. Carl Hardin of Sephenville on a contingent fee paid by the "ethical" dentists' organization. If the governor had not signed the bill, Hardin, according to the story, would have been paid nothing for his four months' work getting it thru the legislature. Certain large city daily newspapers are expected to support a legal test of the constitutionality of the act.

Notes

Opening of the Pan American exposition at Dallas drew to the North Texas metropolis the largest assemblage of state politicians since last year's Centennial celebrations. . . Sen. Connally, Gov. Allred, Lt. Gov. Woodul, were headliners, while many members of the house and senate attending the opening. . . Nudism which featured the Centennial last year is conspicuously absent this time, and opening day visitors were uniformly enthusiastic in praising the new Cavalcade, the establishment of liberty on the two American continents, written by Jan Isabelle Fortune, Dallas newspaper woman. . . A terrific protest went up this week at Gov. Allred's action in vetoing two important measures, the soil conservation act and the big Bend park purchase. . . Opposition to the tax remission features

of the first, which he also said was doubtful of obtaining federal aid because of its poor drafting, and a \$750,000 appropriation item to buy the park, were given by the governor as reasons for his veto.

State Finances

Some idea of the task confronting the legislature may be drawn from the final appropriation figures, after Gov. Allred had vetoed certain items and approved the big appropriation bills for the biennium. The total of the appropriations is \$74,569,803 to run the government for the next two years, an increase of more than \$10,000,000 over 1935-36. The state general fund deficit is about \$10,000,000 and will likely reach \$20,000,000 at the end of the year, which is the low point for tax collections. The legislature raised no additional revenue, but cut off about \$450,000 a year, when it repealed race horse betting. The governor's vetoes eliminated more than \$1,000,000 from the departmental bills as passed.

Nobody expects the special tax session to balance a budget as far out of balance as this, but a substantial levy of new tax revenue is indicated by the figures.

Harold Janeway To Succeed Billington As Scout Executive

Mr. Henry C. Ragsdale, President of the Concho Valley Council, Boy Scouts of America, has announced Mr. Harold Janeway as the successor of R. L. (Bob) Billington, Scout Executive of this Council.

Mr. Janeway, a graduate of Oklahoma A & M and the 16th Training School for Scout Executives, has served as a Scout Executive for approximately 12 years. He was Scout Executive at Duncan, Oklahoma, for 1 1-2 years; Cushing, Oklahoma, for 4 years; and Shawnee, Oklahoma, for 6 years. Mr. Janeway comes to San Angelo from Shawnee. He has attended all Regional and National Conferences held since he entered Scouting professionally. Before entering Scouting professionally, Mr. Janeway was as-

sistant cashier in a bank at Collinsville, Oklahoma, for 5 years. He was Department Adjutant of the Legion Department for 1 year also Vice Commander for 1 year.

Mr. Janeway and his family will arrive in San Angelo on July 15th. He will attend the National Jamboree at Washington with his contingent from the Canarian Valley Council, headquarters in Shawnee, Oklahoma.

A. B. Bailey, Mrs. Oscar Gibson of Chandler, Ariz., Mrs. Alie Garrett and daughter, Miss

Leeta Mae Garrett, of Sonora, left the first of this week for Ft. Worth to visit their sister, Mrs. J. A. Nixon, and attend the Frontier Fiesta.

Mrs. Oscar Gibson of Chandler, Ariz., came in last week for a visit with her father, A. K. Bailey and other relatives.

Mrs. Junior Isaacs, Miss Fae Belle Enochs, Mrs. W. E. Horton, and Bus Enochs were visitors in San Angelo Tuesday.

Bernard and Aris Carr visited in San Angelo Sunday.

ONE SURE WAY TO LICK RISING COSTS

Business men are becoming more exacting in truck purchases because operating costs in all departments of business are rapidly mounting. To pre-measure a truck's operating expenses is now good judgment and often avoids unnecessary losses. GMC, priced low at the outset, designed and built for long life at low cost upkeep, and famous for gas and oil economy, fits the careful business budget. We publish these facts because thousands of owners have proved them in every kind of haulage service. Another reason for GMC savings is that GMC's are fitted right to every trucking operation before they are delivered. The "GMC Truck Selector" assures that—and GMC's complete line of 1/2 to 12 tons makes available the unit prescribed for your service. GMC prices are now crowding the lowest!

Checks were also issued to each of the four commissioners	

for one day in Commissioners Court, \$5.00 each.

BITS O' PHILOSOPHY

A pleasing disposition is more convincing than argument. As a business asset, a forced smile is like cold coffee on a winter morning. Stay away from the doctor who urges you to be sick. Greatness abhors ostentation as much as it loves simplicity. You can always do without what you can't get. Eavesdroppers often find out something they don't want to know. The greatest blessing that comes to man is to find work that he loves. Unhappiness, like a rotten apple, contaminates others. When an honest man gets money, the first thing he does is to pay his debts. A man's reputation is the sum total of what others think of him. Unwise sympathy is more disastrous than a knock. Mrs. R. R. Davis and children left last week for Cody, Wyoming where they will join Mr. Davis.

1

are hereby appointed as a Jury of View for the purpose of viewing out a road, beginning at the gate on the Mayer Road at the gate going out of the Bert Page pasture into C. C. McBurnett's pasture, thence South and East to the Sonora-McKavett Public road.

It is ordered by the court that the Delinquent Tax Rolls of Schleicher County be and the same is hereby approved, and account for preparing same also be approved in accordance with Senate Bill No. 407.

It is ordered by the Court that C. S. Chich be and he is hereby appointed Public Weigher in and for Commissioners Precinct No. One.

FUNDAMENTALIST BAPTIST CHURCH SERVICES

Preaching on second and fourth Sundays at 3 p. m. Prayer meeting at the church every Wednesday night. Ladies prayer meeting at some home at 3 p. m. each Friday. Everyone invited to meet with us at any and all services. Raymond C. Wilson, Pastor.

STOCK NOTICE

On account of many complaints coming to City Officials, it has become necessary for the officials to enforce all stock and chicken laws. No loose stock and chickens, or hogs in pens, will be permitted to remain in the city limits.

Complaints will be filed against offenders after July 1st, 1937. A. T. Wright, Mayor

NOTICE TO FEDERAL LAND BANK BORROWERS

Statements to borrowers who will have a regular installment to mature July 1st, 1937, on Federal Land Bank loans have not been sent out due to the fact that a bill is pending in Congress to continue temporarily a reduced rate on these loans. Under the present law the interest to be paid by Federal Land Bank borrowers for all interest payable on installment dates on and after July 1st, 1937, will be the contract rate of interest provided for in the note at the time the loan was made.

This is to notify each borrower who will have an installment due on July 1st, that the Bank will mail him a statement as soon as it is advised of the outcome of the pending legislation, and that he should be prepared to pay the installment at the contract rate, provided for in the note, in event Congress does not make provision for a reduction in the interest rate.

W. F. Meador, Secretary-Treasurer, Eldorado N. F. L. A.
