War Chest Drive Opens Next Week

On about October 10 Schleicher County will open its last war chest drive, with W. M. Patterson in charge of raising this county's quota of \$1803. Assisting him will be W. O. Alexander as treasurer John Irvin King, special gifts chairman, Mrs. Fannie Pittman rural chairman, and many others who expect to canvas the county and town in an effort to exceed last year's record—173 per cent oversubscription.

It is urgently requested that each person in the county give to this most worthy cause, and do so in such way that the work of the committee may be reduced to a minimum. It is hoped that the committee, composed of busy men and women who must leave places of business to conduct this drive may find the public so prepared for the solicitation that the major part of the drive may be completed in a whirlwind two-day canvas of the county.

The importance of this drive cannot be overestimated. The problems of peace may be more complicated than those of war. President Truman, in his Report to the People on August 9 said: "Any man who sees Europe now must realize that victory in a great war is not something you can win once and for all, like victory in a ball game. Victory in a great war is something that must be won and kept won. It can be lost after you have won it—if you are careless or negligent or indifferent.

"Europe today is hungry. I am not talking about Germans. I am talking about the people of the countries which were overrun and devastated by the Germans, and particularly about the people of Western Europe. Many of them lack clothes and fuel and tools and shelter and raw materials. They lack the means to restore their cities and their factories.

"As the winter comes on, the distress will increase. Unless we do what we can to help, we may lose next winter what we won at such terrible cost last spring. Desperate men are liable to destroy the structure of their society to find in the wreckage some substitute for hope. If we let Europe go cold and hungry, we lose some of the foundations of order on which the hope for world peace must rest.

"We must help to the limit of our strength. And we will."

Lions Meet

The Eldorado Lions Club held their regular dinner and business session Wednesday noon at 12:15 at the Eldo Hotel. During the business session committees had no new reports to make, and the members heard Coach Vance discuss the coming football game which will be with Menard here tomorrow. Dick Preston, ex-service man, was a guest of the club and spoke briefly.

FACULTY ENTERTAINED

Mr. and Mrs. C. A. Reynolds were hosts at a steak barbecue Thursday evening on the court- se lawn honoring members of faculty, the school trustee, their wives. There were about

Sgt. Granville Kerr Home With Discharge

Tech. Sgt. Granville Kerr, son of Mr. and Mrs. L. B. Kerr, arrived home last Saturday from the South Pacific area where he has served for the past year, and is the proud owner of an honorable discharge.

Sgt. Kerr entered the service in November 1940 as a Bombsight maintenance man with a service squadron of the Air Corps. After serving two years in Porto Rico, he was sent home on furlough, later transferring to the Pacific. His last station was Guam.

The Kerrs have two other sons in service, Cpl. J. T. and M/Sgt. Louis E. Kerr.

Lt. D. K. Neill Receives Discharge

Lt. D. K. Neill, son-in-law of Mr. and Mrs. Geo. Williams, received his discharge from Randolph Field, and arrived in Eldorado Monday from San Angelo with his wife, to visit his parents. He states that he is undecided about his future plans by may go to school.

Chas. Dacy Loses Arm in Accident

Charles F. Dacy, 4, is recovering very nicely after undergoing surgery involving the amputation of his left arm above the elbow, at a San Angelo hospital early last Friday afternoon. The child caught his arm in a hay baler while he was with his father in a field. He was given first aid by a local physician.

Charles is the son of Mr. and Mrs. M. F. Dacy and a grandson of Mr. and Mrs. Charles M. Reynolds of the Reynolds community and Mr. and Mrs. J. C. Dacy. The M. F. Dacys reside on the P. F. McIntosh place.

Here Tuesday to complete district court work were Judge John F. Sutton and Dist. Att'y Robert Hughes of San Angelo, Judge L. W. Elliott of Sonora and Attorney W. A. Johnson of San Angelo.

First Conference Game Here Friday

The first conference football game for district 4B in Eldorado will be staged at the local High School park this Friday afternoon at 3:00 p. m., with Eldorado High School Eagles playing Menard H. S. According to this year's games, Eldorado having beaten Eden 2-0 and Menard having done likewise to Eden by 7-6 score, this should be a real tight game.

The game Friday promises to be one of the big games of the season, and as such will mean that there will be pep squad formations by both rooting aggregations, possibly music by the Menard High School band, and a full grandstand of Menard and Eldorado fans, weather permitting. The Eagles are in excellent physical condition with the exception of Fred Speck who was injured in practice last week and may not be able to play Friday.

If weather is fair the Eldorado Juniors will play Menard Juniors at 1:00.

Jones Bros. Re-Open Their Large Garage Closed Three Years

John R. and W. R. Jones have re-opened their garage and automobile repair business known as Jones Brothers Garage in Eldorado and will be ready for business in a few days. The business has been closed for over three years during the war, the proprietors having locked the doors and left the interior of the building just as it was.

W. R. Jones has been in the Navy. His wife remained in Eldorado and his son is in college under the V-12 training program. John R. and his wife and three children, John Lee, Billy Ray and Esther, have been in San Antonio where he has been a mechanic for three years in war work.

The men have been working in the building this week, cleaning and putting the interior into condition for fall business. They expect to carry agency for new cars also when these become available.

Mrs. Sproul Opens Insurance Office in Theatre Building

Mrs. Ray O. Sproul, for two years book keeper for the Eldorado Motor Co., has opened an office adjoining the theatre lobby, and announces that she will write a general line of insurance. Mrs. Sproul rented this office space from Hicks Hall of Sonora, owner of the theatre building, and has installed office furniture suitable for her line of work.

Mrs. Sproul has been making preparation for her new business enterprise for two weeks, since her former employer, Clyde Galbreath, sold his business to F. B. Calote. She has had considerable business training and experience, and has spent most of her life in Schleicher County. She states that she is contacting various insurance companies, and will carry a general line of insurance.

Mr. and Mrs. Randy Fondren and daughter Irma went to Brownwood Monday afternoon, and spent Tuesday there, buying goods for their electric store. Irma remained to spend two weeks with her grandparents, Mr. and Mrs. Tom Hurst and Mr. and Mrs. Fondren returned to Eldorado Tuesday night.

Bond Election Set For October 13th

On October 13, Schleicher County residents will vote on the \$50,000 bond election, held for the purpose of providing funds for the purchase of right-of-way, construction of fences, paying necessary damages and other expenses, in building Schleicher County's proposed new road to Menard.

Clocks Turned Back One Hour Sunday

Eldoradoans rejoiced with others throughout the nation, over the opportunity of enjoying an additional hour of sleep Sunday morning, when clocks were turned back one hour, thus officially ending 3 years and 8 months of war time. The city made the transition quietly, with little confusion or inconvenience.

Congress ordered the 60-minute advance January 20, 1942, to add an additional hour for war production.

Lum Davis Granted Army Discharge

Sgt. Columbus R. (Lum) Davis who entered the service Sept. 5, 1942 and received his training in the AAF Training Command which operates a vast nationwide network of technical and flying schools, received his discharge at Randolph Field on Sept. 27. He was stationed at Bryan Army Air Field, Texas, an instrument instructor school of the AAF Central Flying Training Command which was his last duty station.

Sgt. Davis, a son of G. H. Davis, was owner and operator of the Texaco Service Station prior to entering the service. He and Mrs. Davis and baby, Jan, are visiting at present with relatives in the Rio Grande Valley before returning here to make their home.

Newlin Loses Feed in Destructive Fire

E. E. Newlin, stock farmer in the Bailey Ranch community, sustained heavy loss last week when 2500 bundles of maize and hedges—all of his crop of bundle feed—was destroyed by fire. Timely assistance of neighbors prevented the fire from spreading and causing further damage.

Mr. Newlin has some cane and combine maize to harvest later, if frost does not destroy it, but the 2500 bundles destroyed by fire represents all of his bundle crop.

RAIN CONTINUES

As the Success goes to press today, Thursday, another rain is falling and to all appearances another rainy week end is in prospect. Supt. Reynolds states that the conference game with Menard will be held as scheduled.

Cpl. Buck Graves Returns to Eldorado

Cpl. Webster H. (Buck) Graves, a son of Mr. and Mrs. C. A. Graves received his honorable discharge from the Army Air Forces at Randolph Field on September 27, after serving since Sept. 15, 1942 with the AAF Training Command.

He was stationed at Bryan Army Air Field, an instrument instructor school of the AAF Central Flying Training Command which was his last duty station. Prior to entering the service he owned and operated a truck line.

Cpl. and Mrs. Graves have returned here to make their home.

Archie Mittel Chosen Conservation Dist. Zone 4 Supervisor

Archie Mittel was elected Supervisor of Zone 4 of the Eldorado-Divide Soil Conservation District at the election meeting held Tuesday, October 2. This zone includes the portion of the district south of the Ozona road to the county line and west of the Eldorado-Ft. McKavitt road to the county line. W. C. Weddell of Christoval was elected to represent Zone 4, which includes that part of the District in Tom Green County east of the South Concho River.

DeLong Receives Service Discharge

W. E. DeLong has received his honorable discharge from the service and is at home in San Angelo with his wife and daughter, Dorothy Jean.

Entering the service with the Seabees in July 1942, DeLong was stationed over a year in Iceland and after his return to the States served at Davisville, R. I. His discharge was granted at Camp Wallace, Houston.

A son of Mr. and Mrs. D. E. DeLong, he was engaged in farming in this county before entering the service, and plans to return to this work. Mrs. DeLong has been employed at Goodfellow Field at San Angelo.

Ranges Get Fine Gully Washer

Showers ranging in amount from something over an inch to about 5 1/2 inches fell in Schleicher County during the week end, slowing down cotton picking, causing a little loss in goat herds which had been shorn about a month ago but providing so much welcome precipitation that ranchmen and farmers are jubilant over prospects of improved range conditions and benefit to feed crops.

Accompanying the showers which started falling Friday afternoon, was a blue norther, which struck suddenly bringing the thermometer down into the forties, and sending Schleicherites scurrying for wraps, stoves, and winter bedding.

Stalled cars, unable to cope with that famous Schleicher County mud, were reported throughout the county, some having been abandoned for several days until mud had dried sufficiently to make driving possible. By Monday most of the cars were again in use, and farmers and ranchers were able to drive to Eldorado, where they could compare notes with their neighbors and visit with their friends.

Maximum good will be received by the parched soil because of the fact that the rain fell over a two-day period and lack of sun has caused the moisture to dry out slowly.

A variety of reports has come in from the county, an unusual feature being that all of the rain gauges were located where rainfall was lightest. The official reports are:

J. F. Oglesby, Kaffir community	1.5 in.
J. F. Runge, near Christoval	1.5 in.
J. F. Kinser, at Bailey Ranch	2.66 in.
Eldorado City	1.48 in.
W. R. Bearce, northwest of city	2.00 in.

In the Bailey Ranch community, where the last satisfactory rain fell last March, over five inches of rain fell, assuming "gully washer" proportions in some spots, according to farmers who were unfortunate enough to be caught out in it. Such reports as 5 1-2 inches on the Jack Faught place, and 4 on the E. E. Newlin stock farm, have been coming in this week from various families who live in that community. Other places in the county had less than an inch, an insufficient amount considering the parched condition of the soil.

Little damage was reported by the cold rain. The only losses were isolated cases of loss of a few goats, sheared about a month ago.

Perking up of ranges should put a stop to commercial feeding of stock, an expensive practice which dips rapidly and deeply into a rancher's sheep and cattle profits.

FOOD LOCKER INSULATION RECEIVED THIS WEEK

A carload of cork, weighing 14,000 pounds, to be used as insulation for the interior of the food locker, has been received in Eldorado, and was unloaded by truck Tuesday at the Richey building.

Rev. F. B. Faust filled his regular appointment at the Rudd Methodist Church Sunday.

Newlyweds Honored With Gift Tea

Cpl. and Mrs. John Sidney Williams were honored at a gift tea Saturday afternoon in the reception rooms of the Presbyterian Church with ladies of the Auxiliary as hostesses.

The linen-covered table was centered with a bouquet of white asters and chrysanthemums flanked by lighted tapers in silver holders. Mrs. W. E. Humphrey, Jr., sister of the bride, presided at the silver coffee service and Mrs. J. T. Ratliff was at the guest register. Mrs. Tommy Davidson and Miss Frances Thompson greeted guests at the door.

Mrs. James was at the piano during the tea hour and accompanied Misses Jean Meador, Danel Baker and Patsy Ballew who sang "Make Believe" and "Tea for Two". Miss Lucille Wroe read "The Bride's First Shopping Expedition" and Miss Bettye Bryant read "The Bride's Prayer."

Martha Dell Williams, sister of the groom, announced the presentation of the gifts and sharing honors with Cpl. and Mrs. Williams were his mother, Mrs. John Williams and Mrs. Joe Edens, aunt of the bride. Approximately 150 gifts were received.

FIRST BAPTIST CHURCH

Since clocks have been turned back one hour and now we have central standard time, we have changed the time of our services. Sunday school is at 9:45, and worship hour is at 11:00. Training Union and worship hour 6:30 and 7:30 p. m. Our mid-week service 7:00 each Wednesday evening. Our Women's Missionary Society meets Monday afternoon at 3:00. The Sunbeams also meet at 3:00. Our R. A.'s and G. A.'s come at 4:00, on the second and fourth Monday afternoons.

With the close of September we have finished our year's work. We are grateful for the accomplishments of the past year. From the annual reports we have just finished our best year of the four years since we have been here. And we cannot find words to express our gratitude for every effort that has been put forth. The success of the past should be a challenge for greater achievements for the future.

Sunday is the first Sunday for the New Year of 1945-46 and we urge that all be present and find your proper places.

Theme for October in our church activities is: "With Christ in the Home." Will we not do our best to make our homes truly Christian in every way; not only in this month, but every month. The theme in our Training Union work is "Christian Witnessing for World Salvation."

With this month, as a denomination, we are starting a new century with Christ. Can you be counted on as one to accept your responsibility for bigger and better things in our Church life?

Our autumn meeting is in this month—October 21st to 28th. These services will be lead by Rev. L. D. Ball, pastor of the First Baptist Church of Sweetwater. Bro. Ball is an outstanding preacher and evangelist, and we will all do well to make plans to hear him each service. We need to put our best efforts together and make this meeting a great meeting.

MRS. RAE IN HOSPITAL

Mrs. John Rae, former resident of this place, is in the St. Joseph Infirmary in Houston. She was accompanied to Houston last week by her daughter, Mrs. Fred B. Jeffers, of San Angelo, who returned to her home Wednesday. They made the trip by plane. Mrs. Jeffers plans to return to Houston in about a week or ten days to be with her mother.

Elizabeth Graves, employee at Goodfellow Field, San Angelo, was

a week end visitor in the home of her parents, Mr. and Mrs. C. A. Graves.

Buster Dickens Back From Trip East

Mr. and Mrs. Raymond (Buster) Dickens have just returned from a trip to Rockford, Ohio, where they delivered a truckload of horses to John H. Myers who bought them from Tom Henderson. The couple saw much country while on the trip, passing through some eleven states going and coming back by a different route. Stops were made at several principal cities such as St. Louis, Mo., Chicago, Ill., Nashville, Tenn., and others. Rain was reported all along the trip.

While in St. Louis Mr. Dickens fell from the truck trailer, injuring the heel of his right foot and requiring a lay-over of two days there. X-ray pictures showed broken bones, but the foot is still painful since his return.

TODAY... The gasoline you've been waiting for!

These are the gasolines you've been waiting for, the gasolines Humble promised you during the war years — today the new, high octane Humble Motor Fuel joins new, high octane Esso Extra at Humble Stations.

Humble's superb manufacturing facilities have already been converted to your service so that now — today — you can get, in Esso Extra, a gasoline you couldn't buy in 1941 — and in Humble Motor Fuel, a new high octane gasoline second to none at regular price.

Esso Extra, always first among premium gasolines, is today second in quality only to fuels used by war planes in combat. Just behind marches Humble Motor Fuel, a gasoline which gives you high octane performance at regular price. Both these fine fuels contain a patented solvent oil to minimize formation of harmful substances in car engines.

With Esso Extra, better than pre-war performance is yours today; the new high-octane Humble Motor Fuel is second to none at regular price.

THANKS!

During the war years, Humble men and women worked with magnificent devotion to duty to give Allied arms the petroleum products needed for victory. Not a day was lost. Now, when their skill and Humble's unrivaled manufacturing facilities have been turned once more to the needs of peace, the Company feels that it is a fitting time to let you, the user of Humble products, know of this and thus publicly to express its appreciation to Humble workers for their outstanding loyalty.

Have your motor tuned to take advantage of these fine gasolines

To take full advantage of the quality of Esso Extra and Humble Motor Fuel, we suggest that you have your motor tuned. Some cars need only a simple adjustment with a screw-driver; others need the attention of a mechanic. But you know what your car needs. When you use these high octane Humble Gasolines have your motor tuned for the performance you missed during the war years.

Earl M. Bates One of Iwo Jima Marines

Iwo Jima (Delayed) Earl M. Yates, Eldorado, Texas, is a member of the 31st Naval Construction Battalion on this island. The 31st came ashore with the Marines on Feb. 19 when Iwo was invaded and has been here ever since. In 19 days this Seabee unit constructed a two-lane highway with no greater grade than 10 per cent to the top of Mt. Suribachi, something the Japanese Imperial Engineers tried to do for 10 years. A Jap major called the construction "the road that couldn't be built."

Army Recruiting Office Opened

Army recruiters offering opportunity for enlistment in the regular Army opened an office in San Angelo in Room 320 of the Federal Bldg., on Sept. 24. Quota for the 8th Dist. covering Texas, Ark., La., N. M., and Okla., is 70,000 men according to Capt. Roy M. Wendell in charge.

This office opened for the first time since recruiting halted here more than a year ago. This is one of five set up in West Texas. District headquarters are at Lubbock and there are offices at Amarillo, Big Springs and Abilene and San Angelo.

All men discharged under provisions of RR-1 from May 12 1945 to Oct. 20, 1945 may enlist regardless of age. Recruits will sign for three years. Veterans will be given a temporary promotion to the grade held at time of separation, provided they enlist in the same branch of the service from which they were separated. They also have the choice of theatre of operations, American, European or Pacific. Parental consent is not necessary for young men of 18 years or more.

Anyone interested please call at the office in San Angelo and the recruiters will be more than glad to answer any questions you may have.

In the near future an office will be open half day a week in Eldorado. Time and place will be announced later.

RIP AND TEAR CLUB NEW NAME GIVEN TO HOME ECONOMICS GROUP

The Eldorado home economics club met on September 22 for the second time this year. The meeting began with a candle light initiation ceremony for the new members. The new members initiated were: Ebba Ann Finley, Patricia Elder, Patricia Humphrey, Joyce Ann Van Horn, Georgia Raye Dickens, Rosa Mae Owens, Frances Williams, Betty Sue Williams, Betty Lee, Bonnie Biggs and Willie Ruth Isaacs.

A short business meeting followed the initiation ceremony. The members voted to name their club "The Rip and Tear Club." Colors selected for the club were green and white, and "Stardust" as their club song. The new members were

placed on the honor system in being qualified for club pins.

Refreshments were served to thirty girls and the sponsors at the end of the business meeting.

Guests of Isaacs

Recent guests in the home of Mr. and Mrs. Ben L. Isaacs, Sr., included their two sons and families, Sgt. and Mrs. Ben L. Isaacs Jr., and daughter of Roswell, N. M., and Mr. and Mrs. Conn Isaacs and son, Larry of Big Springs, and Mr. and Mrs. M. M. Hampton of Dallas. Mr. Hampton and Mrs. Isaacs are brother and sister. While here, the group spent the week end at Christoval.

Conn Isaacs, who for the past three years has been serving as a civilian instructor at the Amarillo Army Air Base, has resigned and is now employed as assistant coach and instructor in science in the Big Springs High School.

BACK FROM ITALY

Wilburn MacFarland, who has been in Italy the past year, arrived here this week-end and will be in Eldorado for some time visiting his parents, Mr. and Mrs. R. H. MacFarland. He has an honorable discharge from the U. S. Army and may decide to go into business here soon.

NEW DAUGHTER

Sgt. and Mrs. Robert McElroy are the parents of a daughter born in a San Angelo hospital, Monday, Sept. 24. The baby weighed 7 lbs. and 4 1-2 oz., and has been named Barbara Ann. Mrs. McElroy, the former Earline Biggs, is a daughter of Mr. and Mrs. B. A. Biggs of this place.

Cerebral Operation Proves Fatal to Jackie Welch

Jackie Welch, age six years older son of Mr. and Mrs. Jack Welch of Weatherford, died Thursday night following an operation performed early last week in a Dallas hospital. He had been under treatment several weeks by Houston and Dallas doctors, and preceding the operation was at home in Weatherford.

Jackie accompanied his parents to Eldorado from Tahoka two years ago. Afflicted early in his life with a brain tumor, he had undergone an operation, but another operation became necessary last week when the growth returned. Though he rallied well from the operation at first, he later took a turn for the worse.

He is survived by his father, the former county agent of Schleicher County, his mother, his younger brother Don, and other relatives.

Funeral services were held at 3:00 Saturday afternoon at Weatherford, and interment was made there.

Fred Humphrey Freed From Prison Camp

Mrs. W. J. Humphrey received word Sunday that her brother Fred, has been liberated from a Japanese prison camp. On Corregidor when it fell, he made the famous death march of Bataan and has been in various Japanese prison camps. When last heard from, he was being transferred to a Tokyo camp.

Former Local Pastor Called to Angelo

The Rev. C. T. Aly, former Eldorado Baptist pastor, accepted a call to preach at the Park Heights Baptist Church in San Angelo, and delivered his first sermon there Sunday. A chaplain, serving in the South Pacific, he returned to the States during the summer and in August visited old friends in this city.

Eldorado Noses Eden Out 2-0 in Deep Mud

The light Eldorado High School Eagles football team, hankering for experience, since they only have 4 lettermen back this year, really got it here last Friday afternoon when they managed to eke out a 2-0 victory over the heavier Eden High School club that boasts of nine lettermen back from last year. A drizzling rain during every period of the fray kept a much larger crowd from attending. When the game ended both sides were so muddy that it was hard to distinguish who was on what side, with no feature plays executed.

Outstanding in this mud battle was big Frank Doty, the 175 lb freshman of Eldorado, who consistently threw the opposition for loss after loss, which really set up the safety that decided the game. His crashing tactics and long arms were a help to his lighter team mates.

Wm. Spurger's driving, twisting style of running the tackle, and end plays, seemed to be the best ground gainer of the day.

The line-up:

Eldorado	Eder
J. D. Yardley	LE Lubke
D. Allen	LT Flippin
S. Williams	LG Werner
T. Green	C. R. Jacoby
H. Speck	RG Yates
H. Mittel	RT Huie

Cotton Ginning Stopped By Rains

A total of 236 bales of cotton have been ginned in Schleicher County to date, according to official reports from the gins up to the time of the rain.

Of the only two gins still operating, the Farmers Co-operative in Eldorado ginned 126, according to report made by Manager Van McCormick, and Reynolds Gin, a total of 106, as reported by Manager Moore.

The Eldorado Gin, just starting on the season's run at the time of the fire, had ginned 4 bales, making the total for the county 236.

Picking of the season's short crop has been delayed by the heavy rains of the past week end.

Mr. and Mrs. Aubrey Baugh of Marfa were visitors in town Tuesday.

Airline Jobs Available For Veterans

The 22 domestic and international airlines of the United States have announced that they expect to fill a high proportion of new jobs from the ranks of returning veterans of World War 2, men and women alike. Hundreds of veterans are needed immediately and thousands more will be needed in the months and years ahead as the air age develops.

The most pressing need at present is for mechanics. A veteran who has experience in installation, maintenance, overhaul, or operation of mechanical devices or mechanical equipment such as aircraft engines, aircraft instruments, radio, radar, automatic equipment, motors, etc., can probably qualify for a position as mechanic junior mechanic, or apprentice.

Vacancies also exist among station forces, including passenger agents, reservation agents, ticket agents, and other similar jobs. Applicants should be high school graduates with a special interest in dealing with the public. Preference is given to persons with two years of business experience, or two years of college, or the equivalent.

The demand for co-pilots will provide opportunities for Army Air Forces discharges with 1000 flight hours, instrument card, and multi-engine experience. Navigators, flight engineers, and flight radio operators are also needed in smaller numbers.

Ground radio operators are especially needed at this time. Qualifications are high school diploma, second-class radio-telephone license, and typing speed of 40 words per minute.

Other occupations which will become available are clerks, accountants, meteorologists, traffic agents, teletype operators, cargo handlers, plane cleaners, porters, etc.

Veterans interested in an airline job should write the Air Transport Association of America, 1515 Massachusetts Ave., N. W., Washington 5, D. C., for a Veterans Occupational Questionnaire. They may also write the Personnel Director of any airline, giving such specific information as the occu-

pation desired, name, permanent address, civilian experience, military experience including training number of years high school and college, length of military service and highest rank held, date of availability for employment and present address.

Two points for all veterans to remember before applying for an airline job are:

1. Many airline jobs require men of particularly high qualifications because they are related to that feature of air transportation which is important above everything else—safety of operations.

2. While airline wages are not as high as in some other industries they offer steady employment with postwar security in an industry whose rapid expansion insures promotion opportunities for qualified veterans.

Agricultural Dept. Reorganization

The reorganization of Department of Agriculture agencies recently announced by Secretary Anderson recognizes the effectiveness of farmer commitment by giving them additional responsibilities. The reorganization is strictly administrative. It does not affect farm legislation, such as the soil Conservation and Domestic Allotment Act and the Agricultural Adjustment Act of 1938 which are still on the books to help farmers deal with farm problems.

It will be some time before streamlining of the activities involved can be completely effective, since the new PMA consolidates functions previously performed by 14 agencies of the Department of Agriculture. At any rate, administration of the Agricultural Conservation Program, Commodity loans, crop insurance, and milk, butterfat, beef and sheep payments will continue without change under the elected county committees. Additional functions will be added to the work of the county committees as the reorganization plan is perfected.

The principal aim of the new organization is to centralize responsibility for USDA Farm Programs and actions affecting the production, price, and marketing of farm products. In the future, farmers will deal with only a single office on these matters—the county office of their Agricultural Conservation Program (A A A) Committee. The new plan should give better and more direct service to farmers and to the public.

Rev. Kirkpatrick Is Back in States

Coral Gables, Fla.—The much traveled Chaplain William D. Kirkpatrick, of Waxahachie, Tex., former Eldorado pastor, a patient at the AAF Regional and Convalescent Hospital here, is back in this country for the first time since Sept. 16, 1941. Stationed in the Caribbean before the Japanese strike at Pearl Harbor, Chaplain Kirkpatrick became assistant chief of the Antilles department with headquarters in San Juan, Puerto Rico.

In addition to his tours of the 161st General Hospital, at his headquarters, Chaplain Kirkpatrick made inspection visits, lectures, and attended religious conferences throughout the Caribbean. He stopped at army posts and bases in Cuba, the Guineas, Venezuela, Aruba, Curacao, Trinidad, St. Lucias, Antigua, Virgin Islands, Jamaica, Haiti, and Santa Domingo.

"The soldier has respected the chaplain regardless of denomination," said Chaplain Kirkpatrick whose Puerto Rican sector was almost 90 per cent Catholic. He had more Catholic and Hebrew men to advise in his army service than Protestants.

"The spirit of cooperation among faiths as displayed by the Army Chaplain Corps is something that should be carried over into our civilian life," remarked this veteran about his association with a remarkable corps of men. Such a spirit of cooperation would make a stronger appeal to civilians he felt and would be quite necessary to satisfy returnees. "Religion was made a part of life by the Army Chaplains," he added, "and not a part-time activity of the average soldier."

A graduate of Howard Payne College, he also attended Southwestern Theological Seminary. To keep up with the events and the scholastic process, he attended several classes at the University of Puerto Rico and the Island's Evangelical Seminary.

Before his entry into the Chaplain Corps, he was pastor for 13 years, beginning with the 1st Baptist Church of Whitney, moving to Rockwall, and then to the 1st Baptist Church of Eldorado, all in Texas.

His wife, Bertha Mae, and his two sons William Daniel, Jr., and James Calvin, reside in Waxahachie, Tex. His parents, Mr. and Mrs. W. D. Kirkpatrick, live on the Chapman ranch, Corpus Christi, Texas.

GOVERNOR ISSUES PROCLAMATION FOR WAR CHEST DRIVE

The Governor of Texas has issued the following proclamation concerning the War Chest drive: To All to Whom These Presents Shall Come:

Whereas, the most destructive war in the history of mankind has been successfully concluded and the promise of peace on earth and good-will to men has become manifest once again; and

Whereas, the next six months will settle for the liberated victims of war the grim question of sheer survival, and also will largely shape the kind of peace and the kind of world with which we shall have to live; and

Whereas, the National War Fund has exemplified the patriotism and conscience of America in financing humanitarian service to these victims and to our armed forces; and

Whereas, there still remains the obligation of the National War Fund to complete its task until every victim shall have become rehabilitated and every member of the armed forces returned to his home; and

Whereas, Texans, through the United War Chest of Texas and affiliated organizations, have been among the leaders of the nation in generously sharing in this patriotic enterprise; and

Whereas, Texans are as strong in peace as they are in war;

Now, Therefore, I, Coke Stevenson Governor of Texas, do hereby proclaim the period October 1-30 1945 as NATIONAL WAR FUND MONTH, in Texas, and urge all patriotic citizens of Texas to join in the observance of this occasion by giving generously in the third and final National War Fund campaign to the end that Texas may again demonstrate its leadership among the states of the nation.

In Testimony Whereof I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this the 24th day of September, A.D. 1945.

Coke Stevenson, Governor of Texas.
