ELDORADO, SCHLEICHER COUNTY, TEXAS THURSDAY, MAY 1, 1947

\$2yr

NUMBER 18

FIRST LEAGUE BASEBALL GAME WITH MAVERICK

Eldorado's representative in the Concho Basin Baseball League swings into action Sunday when they meet the Maverick, Texas, club in the season's opener at Maverick. Game time is scheduled for 2:30 p. m.

The Concho Basin League is made up of clubs from Eldorado, Sonora, Ozona, Eola, Bronte, Miles, Maverick, Lowake, Ellis Parts, San Angelo, Veribest and Robert Lee. Somewhat held up because of bad weather last week-end, league play will blossom out in full bloom this Sunday with all members participating in inaugural play.

Inaugurated last spring by the San Angelo Standard Times, the league grew into a well rounded organization and received strong support and attendance in every game of its summer-long schedule. Eldorado did not get a ball club organized in time to participate last year, but due to the sponsorship of the Eldorado Lions Club, the team is in good condition and ready to represent Eldorado and Schleicher County to the best of its ability this season.

The first home game will be played Sunday, May 11, when Eola invades High School field to meet the Eldorado club at 2:30 p. m.

Strictly a non-profit organization, Eldorado's ball club is made up of those who play for the fun of playing. A nominal admission will be collected at each game to defray the club's expenses and to propagate it for coming seasons.

It is the hope of the directors of the club that the people of Eldorado and Schleicher County will support their team one hundred per cent in all of its ventures. It is a club organized to furnish recreation for both players and on-lookers. A championship in the Concho Basin League is quite a distance over the horizon, but with the proper interest displayed by both team and supporters, it is not an impossibility.

100 POUNDS OF BITTERWEED PULLED FRIDAY

Dr. I. B. Boughton of the Experiment Station at Sonora brought the principal address following the annual Bitterweed Pulling party and barbecue on the court house lawn last Friday.

Approximately 100 pounds of the poisonous weed was found on the town section by a group of interested men and 4-H Club boys, who met at the courthouse at 4:00 p. m. This is a little more than was found last year due to the fact that more moisture has fallen this year. The progress made by the Lions Club in ridding the town section of the dreaded weed can be pointed out by the fact that over 1100 lbs. of bitterweed was pulled the first year as compared with this year's 100 pounds.

Dr. Boughton commended the club on their work and spoke of ways and means of destroying and preventing the spread of the weed. Other talks were given by Leo Merrell, botanist at the Experiment Station, E. B. Keng with the Soil Conservation office at Sonora, and County Agent W. G. Godwin.

W. T. Whitten, who was in charge of arrangements for the Pulling, stated that he was very optimistic over the results of this year's event.

ACTIVITY BUS TO BE SHIPPED LATE IN MAY

The activity bus ordered last fall will not be shipped from the factory until about May 19, according to word received by local school authorities.

The Seniors had hoped to use the bus for their trip to Galveston May 23 to 27, but will probably have to make other plans.

CHURCH OF CHRIST

(Rock Building)
Song service from 10 to 10:15
Bible Classes 10:15 to 11
Preaching 11 to 11:45
Communion 11:45 to 12
Preaching again at 4 p. m.
Everyone is cordially invited to both services.

OFF TO THE RODEO

Destined to begin a new career as rodeo stock, eleven wild mares from Tom Henderson's left Eldorado last week, enroute for Yoakum where they will perform at the big Tom Tom rodeo. The horses were bought by H. A. Roecker and son H. A. Jr., of Gonzales County who visited in the Roy McGinnis home while here.

Mrs. Hattie Cozzens

Mrs. Hattie Lee Cozzens, 54, daughter of Mr. and Mrs. J. L. McElroy of Eldorado, died in a San Angelo hospital at noon Sunday after an illness of several weeks. Funeral services were held at 3:00 o'clock Monday afternoon from the Robert Massie Funeral Home with Reuben H. Stanley, pastor of Santa Rita Church of Christ, officiating. Burial was in Fairmont Cemetery.

The former Hattie McElroy resided in Schleicher County with her parents and attended the Eldorado schools. After her marriage, she moved to Fort Worth where she had lived until recently. For the past several months, she had resided in San Angelo where she was employed at Hemphill Wells Co., until her illness. She was a member of the Church of Christ.

Immediate survivors include the parents; a sister, Mrs. W. R. Sullivan of San Angelo; and two brothers, John A. McElroy of Fort Worth, and L. Hick McElroy of Brownfield.

Pallbearers were Clifford Rhodes, Johnny Shook, Paul Hudman, Pat Patterson, John E. Robbins, Jr., and Carroll Land.

SENIORS PRESENT CLASS PLAY MAY 9 AND 10

With the curtain going up on Nora Malone, the cook, in the Elliott home, and her sweetheart, Officer Timothy McGill (Joy Winters and Henry Mittel) doing a lively Irish jig, the senior play, "Here Comes Charlie" thus begins an uproaring evening of pure fun and entertainment.

You will see such things as the Ozarkian hill-billy, Charlie Hopps (Wenonah Sudduth) chase the spoiled and scheming society girl, Vivian Smythe-Kersey (Patsy Ballew) with a "butcher knife"; Larry Elliott (John Ochsner) struggling through two acts trying to ward off the affectionate advances of his ward, Charlie—and the always bored Mortimer Smythe-Kersey (Ray Long) wearily trying to stay awake through such scenes as Charlie trying to dump a fish bowl on Vivian's head.

With such a cast as Vera Faye Biggs, the snobbish and arrogant society mother of Mortimer; Frankie Thompson, the disagreeable Mrs. Farnham; Bob Freer as Ted Hartley, the aggressive, lively chap who is a friend of Larry's; and Floyd McGinnis as typical country hick with a loud voice and breezy manners, the senior play couldn't help but furnish an evening of delightful entertainment.

The play is to be presented on the nights of May 9th and 10th. The curtain goes up at 8:02 and the admission is 30 and 60 cents, including tax.

GRADES PRESENT OPERETTA FRIDAY AT GYMNASIUM

The Operetta "Awake, 'Tis May" will be presented by the Grade School Friday evening at 8:15 o'clock in the school gymnasium with C. F. Jones and Miss Ruth Mund as directors assisted by the Grade school teachers.

Colorful costumes and a fairy-land stage setting will lend atmosphere to the operetta which will include songs and dances by a cast of over two hundred students. There will be no admission charges.

The cast of characters are as follows: Boys and girls, grades 5 and 6; Roses, grades 3, 4, and 5; Other flowers, grades 1, 2 and 3; Rabbits, butterflies and birds, grades 1 and 2; Sunrays, 4th and 5th grade boys; Fairies and brownies, grades 3 and 4; Rainbow, grades 3, 4, 5, and 6.
Flower Queen: Lola Beth Ballew; Fairy Queen, Betty Mae Doyle; Fairy Messenger, Barbara West; Usherettes, 7th grade girls; Stage hands, 7th grade boys.

JOY WINTERS VALEDICTORIAN OF SENIOR CLASS

Joy Winters was selected as Valedictorian of the 1946-47 graduates here this week on the basis of her scholastic average of 92.4 for all courses leading to her diploma. At the same time Margaret Hicks was selected as Salutatorian with an average of 91.6.

Of the 24 graduating seniors, grades were tabulated for the upper half of the class. The respective grades of these boys and girls are given as follows:

Floyd McGinnis 90.3, Frankie Thompson 90.0, Patsy Ballew 89.5, John Lee Jones 88.4, Wenonah Sudduth 88.0, Hazel Lewis 88.0, Carolyn Montgomery 87.5, Fred L. Speck 86.5, Vera F. Biggs 85.3, Jerry Blaylock 82.5, Henry Mittel 80.5. The remaining names and standings will be tabulated at the end of the term.

SOPH GIRL 5th 6 WEEKS' TOP STUDENT

A sophomore, Joyce Ann Van Horn, stole scholastic honors in Eldorado high school for the fifth six weeks of the school year, while two other sophomores tied for 2nd place, and a senior copped third place honors. Miss Van Horn's work for the 30 school day period averaged 95; the two other sophomore girls, Ebba Ann Finley and Frances Williams, earned their second place with 94.7 averages, and the senior, Miss Patsy Ballew, averaged 94.2 for third.

As usual the seniors led with 16 members averaging 90 or above. Too much class activity cut down on the juniors, only two making the grade. Six sophomores qualified and five freshmen decided life is real and earnest.

Those on the honor roll are: Seniors: Patsy Ballew, Vera Fay Biggs, Tommy Green, Margaret Hicks, B. L. Humphrey, Hazel Lewis, Juanita McAlpine, Floyd McGinnis, Howard Mittel, Carolyn Montgomery, Sonny Stanford, Wenonah Sudduth, Frankie Thompson, Patsy Wade, Joy Winters.
Juniors: Lela Brooks, Marselaine Patterson.

Sophomore: Patricia Elder, Ebba Ann Finley, Patricia Humphrey, Joyce Ann Van Horn, Betty Sue Williams, Frances Williams.
Freshmen: Jonnie Lee Dickens, Lilla Jean Ellington, Spencer Kent, Mary Thompson, Lewis Wilson.

8th grade: Myrna Loy Ray, Jo Ed Spencer, Carolyn Dale, Jack Mund, Mary Sproul, Patsy Taylor, Iretta Fae Mace, Rita Ann Elder, Myrta Bob Harper.

7th: Corena Burk, Jeanne Goss, John Phillips, Roger Sofge.
6th: Winfield Fry, Betty Mae Doyle, Lola Beth Ballew, Suzy Linticum, Gynita Griffith, Jane Balk, Gayle Childers, Pinkney Craig, Wilson Humphrey, Myra Farrington, Elton Harris, Mary Lou Alexander, Buddy Whitley, Bill Bearce, Billy Tom Young, Leon Williams, Jackie Rae Wade.

5th: Myrl Sudduth, Jerry Johnson, Shirley Sofge, Jerry Perry, Carolyn Ratliff, Ann Williams, Carol Dickens, Frieda Yardley, Billy Etheridge, Jack Steward, Jack Stanford, Wanda McAngus, May Runge, Alva Harris, Esther Jones.

4th Grade: Tommy Griffin, Ronnie Mittel, Jerry Pennington, Ralph Copeland, Eddie Dacy, Beth McCormick, Jean Kuykendall, Juanita Phillips, Cynthia Reynolds, Barbara West, Martha Dell Williams.

3rd: Richard Copeland, Frank Otto Prochaska, Charles McLaughlin, H. L. Turnbow, Nancy Jo Elder, Betty Ann Alexander, Wanda Jo Owens, Ila Jean Boyer, Gaynell Belk, Roxa Jean Tinning, Dolores Calcote, Alma Lee Wooten, Sandra Nixon.

FACULTY NEWS
Mrs. Howard Coleman has tendered her resignation as home economics teacher for next year, to find a job nearer home. She was recently re-elected to the place which she has held two years.
The name of Miss Pearl Leifeste was inadvertently omitted from a published list of teachers who were re-elected.

PLENTY of Butane gas water heaters.—Topliffe Gas & Electric Service

BACK TO SCHOOL FOR PARENTS TUESDAY NIGHT

Plans were almost completed here today for the first "Parents Back to School Night" scheduled for the night of May 6, beginning at 7:40 p. m. The purpose of the affair is to give parents and trustees of the Eldorado Schools an undistorted view of what goes on in the various classes—the how and why of what is done in the name of education in Eldorado public schools.

The teaching demonstration will begin at 1:30 in the afternoon when school will be temporarily dismissed; the buses will carry children home as if school were out. It is hoped that parents will bring their children back to school for the remaining two periods of the school day that night.

The parents are to be guests only and as observers, not being liable to questions or exercises with their children in class. The class periods are to be reduced to 25 minutes in order to provide a short lesson and yet speed up the program. The parents are urged to use their children as guides and attend the classes in which they have the greater interest. The students will be thoroughly briefed as to where to go and when. Although it may be difficult for two periods only, it is believed that all teachers can be scheduled and all children can have two classes to permit all parents to see their teachers and children at work.

The night will be concluded by a meeting in the auditorium where there will be short discussions of various school problems climaxed by a frank explanation of the financial standing and obligations of the Eldorado schools, their greatest needs, and allied questions all presented by Supt. Reynolds. This will be followed by a short social hour and refreshments. A place will be provided for children during the talks in the auditorium.

Parents are cordially urged to attend and the faculty and administration pledges to do their best to make the night interesting and illuminating in regard to the needs and objectives of education in this community.

LOCAL FIREMEN ARE CALLED TO SONORA

The Eldorado Fire Dept. was called to Sonora Sunday morning to assist with a fire which burned the roof of one of the three Sonora Wool warehouses and scorched 100,000 pounds of wool. Origin of the fire which was believed to have started about 9 a. m. was not determined. The building was fireproof and contained little material that would burn aside from some burlap bagging, it was reported by Fred Earwood, manager.

Several Visitors At Lions Meeting

Dr. Frank Weedon, visiting evangelist at the First Baptist Church, and Dr. H. Z. Pennington, local physician, were guest speakers at the Lions Club Wednesday.

In his address, Dr. Pennington made the suggestion that in making plans for the memorial community building, that instead of the swimming pool as originally planned, a room be set aside for use as a laboratory, and a county nurse be hired.

The club has been invited to meet with the school athletic association on May 14 for a demonstration program in basket ball and other activities.

The following officers for the ensuing year were presented by the nominating committee: W. C. Doyle, president; C. A. Reynolds, first vice; Ernest Finnegan, second vice; J. H. Mace, third vice; Wallace Joiner, Lion Tamer; Palmer West, tail twister; Jack Hext and Lum Burk, directors; W. M. Patterson, secretary.

Several visitors were present for the meeting.

O. A. Harris has received delivery on a new Aro overhead lubricating swivel, which will later be installed in the building which will soon be erected to house the greasing equipment for his Magnolia Station.

WHERE'S THE AIRPORT?

Flying alone from San Antonio to Hondo in a rented plane, a pilot appeared in Eldorado—many miles off his course—and made the surprising statement that he couldn't find the airport, which was just over the fence from the field in which he had made his "emergency landing."

The owner of the plane, whom he phoned, told him to stay here—but pilot and plane were gone when the owner reached Eldorado the next morning. (What he said might not pass postal censorship.)

Airminded Eldoradoans, proud of their airport, will never forgive the pilot for his remark upon arriving in Eldorado, "Oh, is there an airport? Wish I'd seen it!"

WEST SIDE CHURCH MEMBERS IMPROVE BLDG.

Things have been happening this week at the West Side Church of Christ. About 15 members have been donating their labor toward an improvement project which includes the interior and grounds of the building. At noon on work days a covered dish luncheon was served. The women gave the interior a thorough cleaning in preparation for the sanding and waxing of the floor. Aisle carpets will be laid when the floor work is completed, and a baptistry will be built.

The men laid a concrete sidewalk across the entire front of the property, and are adding gravel from the lawn to the street paving. Members are doing all of the labor. The work precedes completing of plans for the meeting which will open the last Sunday in May, with the Rev. Hathaway of Mobeeta doing the preaching.

FILES SET UP FOR CREDIT ASS'N BY SECRETARY

Mrs. Jack Hext, secretary of the Eldorado Retail Merchants' Assn., has been working this week setting up credit files for use of the members.

Confidential information concerning the credit rating of the buying public will be kept on these record cards and will be available for use of the members. In an ad in this issue of the Success the Association makes an appeal for prompt payment of bills and settling of past-due accounts, and publishes a list of the business houses which have joined the Association to date.

Much interest has been shown in the Association by local business houses. Carroll Ratliff is president, and Mrs. Jack Hext is the paid secretary-manager. Membership in the Association is growing since its organization several weeks ago, and interest is on the increase.

NOTICE

All members are urged to attend the regular meeting of the Band Parents Club Thursday evening at 8:00 o'clock in the band room at the school.

8th GRADE PLAY

The eighth grade are working on their commencement play, "Willie in the Dog House," a three act comedy which will be presented on Class Night, May 21.

NEWSPRINT—

WHO'S GOT THE NEWSPRINT!
The publisher of the Success printed the paper's "innards" Tuesday night, thereby scraping the bottom of his newsprint pile. With delivery of a new order scheduled to arrive later this week, AFTER press day, he had to go a-borrowing.

Now asking another publisher for print paper is like asking him for his bedsheets or his hardwood flooring—but Publisher White of Ozona came to the rescue—and the reader has him to thank for the front page news, Parker's back page ad, and news and ads on pages 2 and 9!

Much of this kind of experience would turn the publisher's hair gray—if he had any hair left!

H. T. Finley is expected to be able to return home at the end of this week from a San Angelo hospital where he has been since undergoing minor surgery.

GOOD PRODUCER IS BROUGHT IN IN KOY FIELD

Mild interest is expressed by residents of Schleicher County in the bringing in of what may prove to be the best oil well in the county. No. 1C Koy flowed from tubing and perforations from 5600-50 feet, after casing had been set at 5884, and 5,000 gallons of acid used in the treatment. A second sand in this test is reported also to be a "good one."

This test is George D. Morgan of San Angelo trustee No. 1C Jess Koy, C sw ne 38 LGH&SA, a north offset to Cooper Gas Co. No. 1A Jess Koy, the first producer in the Koy field.

Drilling toward what is hoped will be pay sand, Cooper 3D Bert Page, south offset to Cooper 4A Koy, is in lime topped at 5232 feet. Location is C NE NE 39, LGH&SA.

F. A. Callery of Ft. Worth No. 1 Sam E. Jones wildcat scheduled for a 6,000 foot test, is now about 5100 feet in gray lime and shale. Location is C SW SW 31 KGH&SA Olson Drilling Co., has this contract. Scheduled for immediate testing is a new 80-acre Grobel block on Koy's Ranch. Located in Sec. 34, north of the No. 1 discovery well, production on this block would extend the field by about 3-4 mile in a northeasterly direction.

Activity in several other hot spots of the county may be ready for publication soon.

Several Businesses Announce Changes

Several business changes and improvements are announced for the past week in Eldorado.

Mr. and Mrs. Thurman Zimmerman have bought the Uptown Laundry and have taken over management of the business, succeeding Marvin Thomas who has left the city. The Zimmermans announce that they will maintain all laundry services, and that they have re-named it "Zimmerman Laundry." It is located opposite Frozen Foods. Mr. Zimmerman will work part time at the laundry, but will keep his job as mechanic at Jones Motor Co.

Cramer Sofge announces that his new service station will carry Sinclair products, which will be in the pumps probably within a few days. He is already selling groceries and maintaining his trailer camp on the site.

Mr. and Mrs. Walter Taylor have bought new equipment for a laundry which they are operating in the Pop's Cafe building, as Taylor's Laundry. The laundry has new machines and new mangle. The Taylors announce that they will do general laundry work—everything from self-serve to finish.

Charlie Trigg Motors Gets New Equipment

San equipment, including a motor laboratory test set and a distributor test set, have been installed in the Charlie Trigg Motor repair department. This equipment is the latest in motor analysis and repair.

PEEL BUYS HOUSE

Ed Peel, who has been renting the Arthur Montgomery house, has bought a new house from Tom Smith. The stucco residence, recently completed, has four rooms and bath, and built-in garage. Mr. Smith has a crew now at work pouring concrete for a porch on another new house, located on a lot north of the above, and will start soon on a larger house to be located on the highway.

Jess Thompson is making a sale this week of a lot 100x200 feet, one block east of the telephone office to Fred Gunstead.

Mr. and Mrs. Fred Gould of Whittier, Calif., visited recently with their aunt, Mrs. C. C. West. Mr. Gould is a California orange grower.

Jim Hoover has returned to Eldorado after being dismissed from a San Antonio hospital where he underwent dental surgery last week. He was accompanied by Mrs. Hoover.

PLENTY of Butane gas water heaters.—Topliffe Gas & Electric Service

MISS TURNER'S PIANO AUDITION HERE THURSDAY

Wirt Harvey of the University of Texas will be here next Thursday, May 8, to judge piano pupils of Miss Mollie Turner, who are taking part in the national piano playing audition.

The auditions will begin at 1:30 p. m. and continue until about 4:00 p. m. On May 10 all national winners in this area will appear on a fine arts program at Ozona, and several of Miss Turner's pupils will probably be included on the program.

Sloane - Doyle Wedding At Sonora

Rose Sloane, daughter of Mr. and Mrs. Claude Sloane of this city, and Kenneth Doyle, son of Mr. and Mrs. Will Doyle, were married in Sonora, April 21 at the Methodist parsonage with the Rev. Carmichael, pastor, officiating. They were unaccompanied. For the ceremony, the bride wore an aqua dress with brown trim and brown accessories.

The bride moved to Eldorado last year from Dallas. She attended the Mozelle High School and the Mayfair Taylor Secretarial School in Austin and is now employed at the Page Drug store here.

Mr. Doyle was reared here, attended the Eldorado high school, and received his discharge from the service in November, 1946, after having been stationed in the South Pacific. He is employed at Elder's Service Station. The couple will make their home temporarily with the groom's parents.

Two First Grades Picnic At Joneses

Room mothers honored the two first grades with a picnic lunch in the Tom Jones pasture Wednesday. Following the lunch, the children were served ice cream in their rooms at the school. Present were approximately 50 children, the teachers, Misses Ina Mae Lightsey and Thelma Ellington and the room mothers, Meses. Edwin Childers, Edgar Spencer, E. W. Mund, Oran Enochs, O. B. Bradshaw, John Leudecke, Jr., B. E. Ray and Lawrence Steen.

First Baptist Revival Reports Good Crowds

The revival meeting is in progress at the First Baptist Church and is progressing in a very satisfactory way. People are coming in large numbers, and we are enjoying the great preaching by Dr. Frank Weedon. You will find a warm welcome, and splendid fellowship, and will be privileged to hear the very best preaching. The meeting will continue through Sunday night and we hope all of you will support these services in the very best way. Your interest and attendance will help some one else to come.

Dr. Weedon will preach on the following subjects:
Friday night: "A Great Meeting—Get Ready for It."
Saturday night: "The Second Coming of Christ."
Sunday Morning: "Marks of a Maximum Christian."
Sunday night: "Our Heavenly Home."

We would like to count on you to help us make this meeting the greatest and best.—J. M. Hays, pastor.

Horseshoes Popular
G.I.s are introducing horseshoe pitching to the world. The American popularity of horseshoes is now branching out to other countries as the result of enthusiasm displayed for this game by American soldiers abroad.

Tiles Ancient
Floor and wall tiles were first produced by ancient builders in the Tigris-Euphrates basin, believed the seat of the Garden of Eden. One of the most widely used building materials down through the ages, they are now manufactured in 22 of the 48 states of this country.

Remote Gamble
Never draw to an inside straight in a poker game, says Encyclopaedia Britannica. Your chances for "hitting" are so remote that there's no use in trying under any circumstance. Your odds on making a flush with a one card draw are 38 to 1.

British Parliament
The British parliament has been called the mother of parliament because almost all the representative bodies in the world have been copied from it.

W. Cozzens Is Visited By War Benefactress

Mrs. Mattie Cozzens is in receipt of a letter written her son, Wallis Cozzens, who is working in the Douglas Aircraft Corp., at Santa Monica, Calif., from Mrs. Lillian Rowlett, a former Texan, now employed in Long Beach, Calif.

Mrs. Rowlett recently came in contact with Mme. Anne Marie Debbaut-Monier, who recently came from Belgium to a ranch near Los Angeles, where she was reunited with her family from whom she had been separated since 1931. Mme. Debbaut-Monier had in her possession the names of 12 Allied prisoners of war whom she had aided in escaping from the Gestapo while in Belgium—one of these was Wallis Cozzens, a former pilot with the U. S. Air Forces, whose plane was shot down over Belgium.

Mme. Debbaut-Monier, who will make her home in America, is attempting to contact the American boys whom she and her daughter, Bertha aided while prisoners of war. Among the 12 prisoners was one Britisher, who later married the daughter.

The 63-year-old woman brought with her, her most treasured possession, a commendation for "gallant service" awarded by Gen. Eisenhower. Wallis recently visited with his benefactor on the Bryant ranch and carried her some flowers.

SERVEL Electrolux refrigerators available now, and on display at Topliffe Gas & Electric Service.

E. H. Sweatt has bought a house from a Latin-American and has moved it to one of his lots.

Mrs. Tom Carroll and Mrs. Laymon Hazelwood were Angelo visitors Tuesday.

Barbecue for Seniors

The Senior class was entertained with a barbecue given by Mr. and Mrs. V. G. Tisdale, honoring their grand daughter, Patsy Ballew. The barbecue was held at the ranch of Mr. and Mrs. Tisdale. After the barbecue Howard and Henry Mittel entertained by singing and playing. Later in the evening some of the group danced to a record player. About 45 guests attended.

Duke Montague and Co.

Duke Montague and Company, magicians, appeared in a program in the high school auditorium this morning.

Call Meeting of FHA Club

The FHA Club met in the fifth period Monday and voted to postpone the FHA picnic until May 10. The original plans were to have the picnic May 3, but all cabins are reserved for that date. Members were given a list of foods to bring.

PRESBYTERIAN AUX

Mrs. Joe B. Edens was leader for a program on Christian Education when the Auxiliary met Monday afternoon at the Presbyterian Church. The theme for the lesson was "Thy Will Be Done." Mrs. John Williams gave the devotional and others taking part were Meses. Edwin Jackson, R. A. King and Bert Page. In the business meeting, reports were given from those attending the Presbytery at Abilene last week, and plans were made for the clothing to be sent to the orphan girl which the Auxiliary clothes. Mrs. Bert Page served refreshments to 12 members.

METHODIST CHURCH

No services Sunday night at the Methodist Church because of the revivals. Sunday school at 10 a. m., preaching at 11:00.

F. B. Faust, pastor.

SERVEL Electrolux refrigerators available now, and on display at Topliffe Gas & Electric Service.

FIRST BAPTIST

The regular monthly business meeting for the officers and teachers of the First Baptist Sunday school was held last Friday evening at the church. Mrs. L. M. Hoover had charge of the program, assisted by Rev. J. M. Hays and Mrs. Gordie Alexander. A social hour followed the general business meeting, and the junior department in charge of Mrs. Bill McWhorter served refreshments to about 35.

A Royal Service Mission program under the direction of Circle 3 with Mrs. Roy Davidson as leader was observed when the WMU met Monday afternoon at the First Baptist Church. Others on the program were Meses. Carroll Ratliff, L. T. Wilson, S. H. Cheatham, Buster Gunn, J. M. Hays, and the devotional was given by Mrs. George Williams. There were about 40 members present.

Mrs. Chas. Daniels of McCamey visited in the Leo Ivy home recently

Eldoradoan's Father Retires As Postman

James A. Montgomery, San Angelo postman and father of Mrs. Jack Elder and Arthur A. Montgomery of Eldorado, retired from his mail route at noon, Monday, April 28 after 28 years of duty with the San Angelo post office.

Mr. Montgomery with his wife will move to his farm which he owns near Mason, and will spend his time raising hogs and as a side line will catch up on his main job, fishing on the Llano River.

In his 28 years as mail carrier, Mr. Montgomery never failed to make at least one complete trip over his route in one day, and he figures he has traveled over 125,000 miles while on duty. In addition to his other duties, the postman has been a lay leader in the First Methodist Church in San Angelo for years.

Other children of the family include Mrs. Roy Morgan of San Angelo; James and Calvin Montgomery, both engineering students at Texas University. Mr. Montgomery is well known in Eldorado, having visited here on numerous occasions.

BAILEY RANCH SERVICE

Rev. Baltis Matthews of San Angelo will conduct services at the Bailey Ranch Baptist Church on Sunday—both morning and afternoon. Everyone cordially invited to attend.

Billy Oglesby, Johnny Jennings and Jack McElhannon of Schreiner, Kerrville, and Ed Cantwell and Ben Harper of Brownwood spent the week end visiting in the home of Billy's parents, Mr. and Mrs. Sam Oglesby.

Miss Ruby Bates of Dallas visited over the week end in the home of her niece, Mrs. Wm. L. McWhorter, Jr.

Mrs. Wm. W. Spurlock, Jr., who was confined to a hospital in Stephenville for several days following pneumonia, is reported to be doing nicely after being released from the hospital. Mrs. J. L. Neill returned last week from Stephenville where she spent several days with her daughter.

E. H. Topliffe has bought the remainder of the old McWhorter building from F. B. Calcote and after dismantling it, will use the lumber to build an addition to his business building.

Mrs. Josh Ewing and her son-in-law and daughter of Austin visited over the week end at the Milton Baugh ranch and with other relatives here.

Mrs. Ima Brown of Austin has been visiting here with her mother, Mrs. W. M. Bearce. Mrs. Bearce, who has been ill, is improving.

House Cleaning Is Urged For Cities

A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state, according to Dr. Geo. W. Cox, state health officer, who says, "From a practical standpoint the old adage that 'Cleanliness is next to Godliness' is still well worth emphasizing."

A general clean-up program of state-wide proportions with the objective of bettering health conditions for our citizenship should include the surface cleaning of streets and alleys, proper drainage or filling in of low areas, cleaning all parks and playgrounds and the clearing of weeds and rubbish off of vacant lots.

"The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises will be," said Dr. Cox, "of inestimable value in helping to keep down summer health hazards such as dysentery, typhoid and polio. Good community house-keeping and ordinary sanitary measures require the prompt removal of all waste matter in and around yards and homes in order to abate the danger of such diseases and insure good health protection throughout the State."

Dr. Cox stressed the fact that many dangerous diseases are filth-borne, and the only possible way to control them is to eliminate the insanitary conditions responsible for their spread.

Mr. and Mrs. W. E. Terry, Mr. and Mrs. Bill Gay Kennerly and sons, and Noble Johnson of Brady were week end visitors in the home of the ladies' parents, Mr. and Mrs. J. D. Ashmore, and while here, the men enjoyed a fishing trip at Devils River. Mr. Ashmore accompanied his daughters to Brady Sunday afternoon, returning home Monday, Jim Simpson relieved Mr. Ashmore in the barber shop while he was away.

Milton Harris, youngest son of Mr. and Mrs. L. L. Harris, came here recently from Oregon where he has been working, and is assisting his father and brother in the cafe here.

Mrs. Sparks, mother of Mrs. R. H. Dameron, was taken to a San Antonio hospital last week.

From where I sit... by Joe Marsh

We Got to the Fish Fry After All

That community fish fry was sure a great success. There were plenty of appetizing extras, and Will Dudley did a right wonderful job of frying the fish—soft and flaky inside—brown and crisp around the edges.

But we didn't get to go. The missus was tired after working in the yard, and we just didn't want to leave her.

Then how did we know the fish was so good? Because the folks didn't forget us. They sent Skippy Henderson over with two steam-

ing covered plates of fish, and a pitcher of cool, sparkling beer. And we finished them off in front of our own fire.

From where I sit, that's one of the things that makes our town so nice a place to live in: a spirit of share and share alike. That plate of fish and glass of beer weren't just great eating, they were symbols of the thoughtfulness that makes for better living!

Home Repair Plans In County Provide Huge Job For 1947

Schleicher County's non-farm home owners will spend an estimated \$56,000 on repair and modernization work during 1947. At least a third and probably more than half of all dwellings in the county will be improved or repaired this year, according to estimates released by the Tile Council of America. "Increased supplies of building materials and easing of restrictions should make possible a record volume of home modernization throughout the country," said F. B. Ortman, chairman of the council's residential construction committee.

The county's 845 single-family homes will account for most expenditures, the study revealed. Painting is the most often wanted improvement, with about a third of all owners planning to redecorate home exteriors or some room of the interior. At least one out of every 16 dwellings needs carpentry repairs, and large numbers will have waterpipes repaired, bathrooms tiled or showers installed during the year, according to the report.

As evidence of the increase in building supplies, it is pointed out that floor and wall tile volume is expected to hit an all-time high this year. Stepped-up production of materials means that the construction industry can both build record numbers of houses and do the repair work neglected during the war.

Home repair expenditures in the county are part of a \$141,360,000 modernization program being undertaken in Texas this year, according to the study.

VALUE OF RESEARCH STRESSER BY COUNTY AGENT

If anybody is wondering just what agricultural research is worth to him, he might like to hear a few figures from the U. S. Department of Agriculture on this subject.

Hybrid corn, for example. In the 30 years that USDA has been experimenting with corn hybrids, it has spent five million dollars of the tax payers' money, and it is estimated that the states have spent about the same amount. From this ten million dollars, farmers of the nation are now getting 750 million dollars every year out of higher yields and better grain from corn hybrids. While hybrids are not being planted as widely in Texas as they are in the corn belt, already it is getting to be an old story about how hybrid corn varieties are out-yielding native corn in Texas.

In connection with livestock research, the development of phenothiazine, which many of us have used in controlling internal parasites in livestock, has really paid off. Cost of developing phenothiazine was \$10,000. Its estimated value now is ten million dollars, every year, in controlling parasites in cattle, horses, sheep and hogs.

Those are just two phases of research, but they give us a good idea of how the nation's investment in agricultural science has benefited us, in dollars and cents.—W. G. Godwin, county agent.

LET'S WORK TOGETHER!

What Is Management?

Management is as old as the hills. There is nothing complicated about it at all. It is a natural function of human society. A man and a woman marry, set up housekeeping, and raise a family. Both are managers.

They manage as they buy a home, educate the children, plant a garden, pick out a car, a refrigerator, a piano. A hundred decisions a day around the house are management decisions.

Management occurs at all levels in government, charity, education, lodge. It is the plumber with his helper, the elevator starter, the superintendent of schools, the master of the grange.

But in America, management probably has had its most scientific application in business.

Business management, even before World War I, helped build up a volume of production surpassing that of any other nation. In World War II, the results were even more spectacular. America outproduced all other countries combined.

By 1941, the value of an hour of work in terms of the staple necessities of life, bread and butter, had so been raised that an American could buy from two to eight times as much as a man in Europe. This didn't just happen. Neither the men and women in industry nor the money in industry can be effective without good management. Nothing else is so important to the workers' welfare, the investors' welfare or the public welfare.

A Leading Heart O' Texas Business
ANNOUNCES THE APPOINTMENT OF
Mrs. F. M. Bradley
OF ELDORADO AS LOCAL AGENT

NEW INSECTICIDE DESCRIBED BY COUNTY AGENT

Benzene hexachloride is an organic chemical which is being tested as an insecticide. From limited tests by various research workers in the United States it shows some promise as an insecticide. The principal active ingredient in benzene hexachloride is the gamma isomer. A benzene hexachloride product labeled 20% means that it contains 20% gamma isomer. It is somewhat like DDT except it kills more rapidly, but does not have the residual effect of DDT. It acts as a stomach poison, as a contact agent and as a fumigant.

Benzene hexachloride will not be recommended by the Extension Service for controlling insect pests until state and federal entomologists have completed additional research work with it.

No doubt this material will be in the hands of the public before recommendations are ready. County Agent will be asked many questions about its use and the following experimental results are listed.

Vegetable

Onion maggot .02% gamma isomer sprayed 5 times at weekly intervals on both sides of onions at the rate of 2 quarts for 75 ft. of row, 98% control.

.5% gamma isomer dust at 2 1/2 lbs. per 500 ft. of row applied 3 times at weekly intervals gave 98% control.

Melon worm: 1% gamma isomer 100% kill in 3 days.

Southern beet webworm .1% gamma isomer 100% kill in 3 days.

Flea beetle 2% gamma isomer 100% kill in 3 days.

Imported cabbage worm .1% gamma isomer 96% kill in 3 days.

Armyworm .5% gamma isomer 88% kill in 3 days.

Corn earworm .5% gamma isomer 42% kill in 3 days.

Cutworm .5% gamma isomer 83% kill in 3 days.

Spinach and turnip aphid .75% gamma isomer 96% kill at 70 lbs. per acre.

Fruit Insects

Nothing has been published but a few tests clearly indicated that benzene hexachloride seriously effect the quality of fruit. It will control the curculios and aphids feeding on fruits.

Field Crops

Grasshopper 8% gamma isomer at 10 lbs. per acre gave good control. Plains false wireworm same as grasshopper. Southern arm worm .5% gamma isomer 96% kill in 3 days.

Household Insects

Clothes moths, Bedbugs, Cockroaches, Ants, Houseflies, Mosquitoes—all the above insect pests can be controlled with benzene hexachloride, but there is no residual effect.

Animal-Poultry Parasites

Fleas: 5% gamma isomer good control but no residual effect. Lone Star Tick: looks encouraging at above strength.

Cotton Insects

Boll weevil 10% gamma isomer at 8 lbs. per acre. Slightly better than calcium arsenate. Cotton leaf-worm 10% gamma isomer better than calcium arsenate. Bollworm: not effective; increases population. Plant bugs: 5% gamma isomer good control. Green stink bug: 10% gamma isomer better than 10% DDT. Plant lice: 10% gamma isomer very effective. Cotton fleahopper: 5% gamma isomer equal to 5% DDT.

DDT is compatible with benzene hexachloride. These two insecticides made a good all purpose insecticide but may be too expensive.

Cautions

Experiments indicate that benzene hexachloride should not be mixed with regular calcium arsenate or lime.

It works with sulphur, pyrophylite, clay and talco.

Leaf burn may result from heavy dosages.

The possibility of injury to crops through the soil following dusting is unknown.

Benzene hexachloride should be handled and used with care because little is known about its toxicity to man, animals, birds or fish.

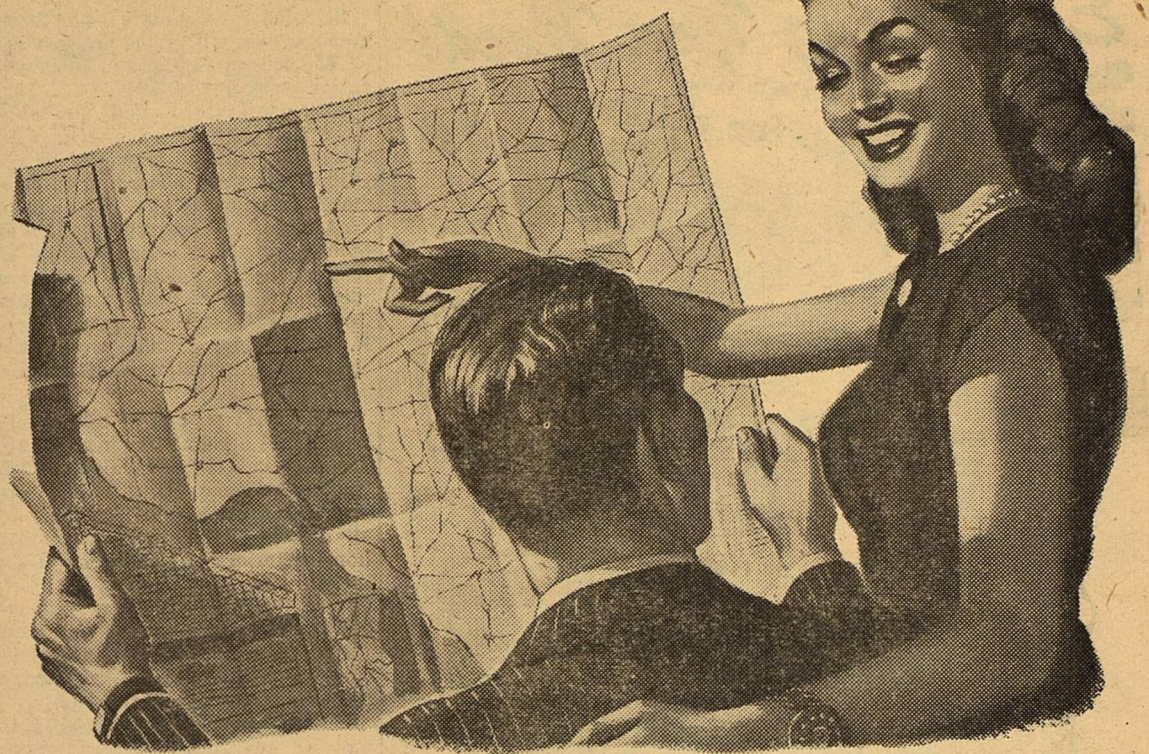

It has a persistent disagreeable odor, and some people have refused to work with it because of nausea, skin, nose, eye and throat irritations.

The dusting qualities of some of the preparations of benzene used in 1946 were very poor.

It has a tendency to impart its odor to vegetable products during their growth period or while in storage.

Families of the Reynolds community met at the school house Sunday afternoon for a game of baseball, with both adults and children entering into the games.

Planning a vacation?

LET HUMBLE MAP YOUR TRIP

How would you like to climb the hills of the west to a high, cool, altitude? Or swim lazily in the waters of the Gulf... or follow historic trails to scenes of early Texas history... or just set out in your car for a rambling trip through the biggest State in the Union?

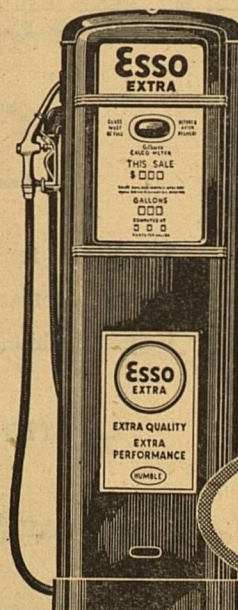

Plan your vacation now. Humble Touring Service will gladly map your trip to any place in the United States, Canada or Mexico. Tell them where you want to go—they do the rest.

Get a postpaid Touring Service Request card at any Humble Station*, or write direct to Humble Touring Service, P.O. Drawer 2180, Houston 1, Texas. No obligation, of course.

*For added pleasure on your vacation, fill up—before you start and on the way—with Esso Extra, the gasoline that gives you something extra for your money.

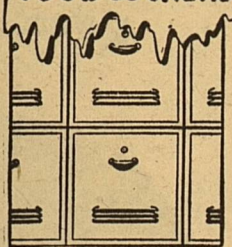

Going Places? Ask Humble Touring Service for marked road maps—a trip log... up-to-the-minute highway information.

Mr. and Mrs. Elton Jones, Mrs. Jack Beckham and son, Jackie of McCamey and Mrs. Lewis Jones of San Angelo spent the past week end in the home of Mr. and Mrs. A. L. Jones.

Mrs. Lee Stacy of San Antonio died recently with her daughter, Mrs. Raymond Dickens and family.

Mr. and Mrs. Wendell Yates and children of San Angelo spent Monday night and Tuesday with Mrs. Yates' mother, Mrs. C. M. Mund and other relatives.

LAWN MOWERS: New shipment \$22.50 up.—At Cameron's.

Miss Mary Lou Dudley, a student at the San Angelo Business College, spent the week end in the home of her sister, Mrs. Edward Meador and family.

Mrs. W. B. Sullinger, Sr., of Fredericksburg, Va., Mrs. W. B. Mrs. Fannie Fury of Christoval has been ill here at the home of her daughter, Mrs. Frank Van Horn

Sullinger Jr. and daughters Karren and Helen of Hilldale, N. J., and Mr. and Mrs. W. C. Young of San Angelo were recent week end guests of Mr. and Mrs. Ralph Fowler on the D. E. DeLong ranch.

Mrs. L. T. Barber and Bobby Barber of San Angelo visited Sunday in the home of their parents and grandparents, Mr. and Mrs. A. T. Wright.

Mrs. G. A. Neill returned last week from a ten-day visit in San Angelo with relatives.

Mr. and Mrs. Ed DeLong of Colorado City, and their daughter, Dorothy Jean of San Angelo spent the week end with their parents and grandparents, Mr. and Mrs. D. E. DeLong and other relatives.

Mrs. Georgia Gillespie, who received a broken arm in a fall on the street last week, has returned from a San Angelo hospital, and is staying for a few days in the home of Mrs. A. H. Green. She is doing very nicely.

Texas City Resident Describes Experience

Robert Oglesby, a son of Mr. and Mrs. Sam Oglesby, Sr., of Mertzon and brother of Sam and J. F. Oglesby of Eldorado, is a resident of Texas City, and in a recent letter to his parents and brothers, describes in detail the blast and its effects on the city.

Mr. Oglesby was in El Campo at the time of the explosion, but his wife and daughter, Lyn, and an aunt were at home and a son, Dwight, was in kindergarten at the time. He was the only member of the family injured, receiving a slight gash on his head from falling glass. Their home was heavily damaged with many windows and doors blown out. Furniture, venetian blinds and other objects in the house were damaged to some extent, but the family feel that they are lucky.

Mr. Oglesby sent his family to Temple and he stayed on in Texas City to assist with the clearing up. His wife expects to return in a few days from Temple, and will bring a carpenter if he can be secured, to assist with the rebuilding of their home.

Latin American School Honor Roll

On the honor roll at the Latin American school for the fifth six weeks' period were:

1st grade: Victor Bosman, Juan Burrola, Pedro Burrola, Clara Garcia, Santiago Garcia, Efrain Cantu, Nicolas Robledo.

2nd: Avelina Burrola, Felix Ramon, Manuela Rangel, Hortensia Vasquez, Minerva Ramon, Maura Guerra.

3rd: Henry Minor, Otila Garcia, Sulema Juarez, Ysabel Quintero, Josefa Rangel.

4th: Pablo Burrola, Juan Arispe, Eustolio Guerrero, Clara Munos.

5th: Mary Santos, Hortensia Juarez, Tanis Lozano, Ramiro Minor.

6th: Rebecca Minor, Mary Munos, Elida Santos.

METHODIST W. S. C. S.

Mrs. L. Wheeler was leader for a program on "Causes of Race Attitudes" when the WSCS met Monday afternoon in the Methodist Church. Mrs. Roy McGinnes conducted the devotional and Mrs. Keno Ogden presided at a short business session. Several members volunteered to attend the WSCS conference which met in an Angelo Tuesday and Wednesday.

Mrs. Ben Isaacs was hostess and served refreshments to those named and Mmes. Lewis Wilson, J. E. Tisdale, A. J. Atkins, W. T. Huber, F. B. Faust and S. D. Harper.

BIRTHDAY PARTY

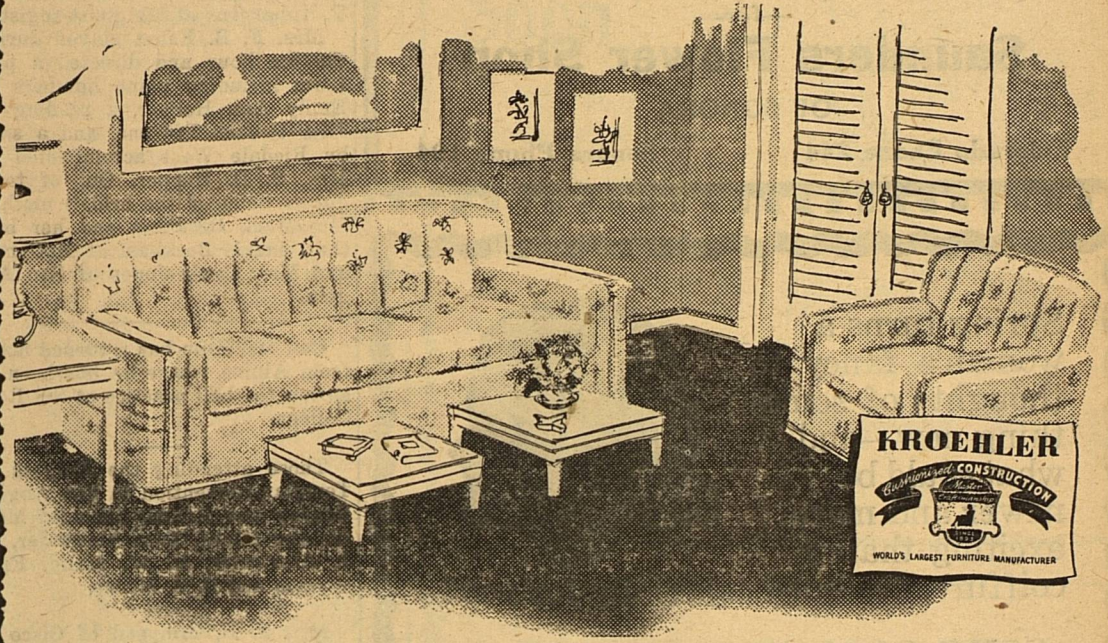

Mrs. W. O. Alexander entertained Monday afternoon at her home with a party honoring her granddaughter, Betty Ann Alexander on her ninth birthday anniversary. Games were played and the decorated birthday cake served with bottle drinks to 12 guests. Gifts were also received from relatives at San Antonio, Amarillo, San Angelo and Norton.

Mrs. J. B. Christian returned the first of this week from a San Angelo hospital where she had been in a hospital undergoing medical treatment for about a week.

Couple Is Honored At Methodist Church

Mr. and Mrs. Elton Jones of McCamey were honored when members of the WSCS entertained with a miscellaneous shower Saturday afternoon in the reception room of the Methodist Church. Mrs. Jones is the former Dean Beckham of McCamey and Mr. Jones is the son of Mr. and Mrs. A. L. Jones of Eldorado.

Baskets of white stock, bouquets of roses and other flowers were used about the room and the lace covered table was centered with an arrangement of yellow roses and white stock, flanked by tall white tapers in crystal holders. Mrs. Lewis Jones of San Angelo presided at the punch bowl and Mrs. W. T. Huber was at the guest register. Mrs. F. B. Faust played during the tea hour and directed a program including piano numbers by Emily Ann Harper, a reading by Mrs. Reuben Dickens, and a song by Riedale West accompanied by Mrs. S. D. Harper. Out of town guests included the bride's mother, Mrs. Jack Beckham and her brother, Jackie Beckham of McCamey and Mrs. Lewis Jones of San Angelo.

Bud Davidson has returned home from Alpine where he has been in spring football practice at Sul Ross College.

Those attending the Knights of Templar convention in San Angelo Sunday and Monday included Messrs and Meses. Tom Alexander, R. J. Alexander, E. W. Mund, Fred Watson and B. E. Moore.

Mrs. J. H. Minyard of Cisco is visiting here this week with her parents, Mr. and Mrs. F. B. Calcote. Mrs. Minyard's daughter, Celia Ann has been here for the past several weeks with her grandparents.

Mrs. B. F. Nolen came here recently from San Antonio to make her home with her son, R. L. Nolen and family. Mrs. Nolen is a former resident of Eldorado.

LAWN MOWERS: New shipment \$22.50 up.—At Cameron's.

Mrs. O. L. Woodward has returned from Lubbock where she is taking a month's course of instruction in operating a floral shop and greenhouse.

Mr. and Mrs. Waymon Evans and baby of San Angelo visited Monday in the home of Mr. Evans' sister, Mrs. Raymond Dickens and family, and the group enjoyed a family dinner in honor of Mr. Evans' birthday anniversary. Mrs. Lee Stacy of San Antonio, mother of Mrs. Dickens and Mr. Evans, was also present.

Mrs. G. E. Donaldson and family of Menard have been visiting here recently with her parents, Mr. and Mrs. Way King.

Mrs. Ima Brown has returned to her home at Austin after staying for several days with her mother, Mrs. W. M. Bearce.

Mrs. W. E. Turnbow is assisting Mrs. Euda B. Isaacs in the Specialty Shop.

A. J. Atkins has received a new Ford car through the Charlie Trigg Motors.

Mr. and Mrs. Roy Andrews spent Saturday night and Sunday visiting on the Gus Love ranch.

Mr. and Mrs. McElrath left Tuesday morning for their home at Kerrville after a week's visit in the home of their son-in-law and daughter, Mr. and Mrs. C. B. Meeker.

Mr. and Mrs. L. T. Wilson and Mrs. Wiley Logan of Sonora visited last week at Midland with Mr. Wilson's and Mrs. Logan's brother, Eb Wilson and other relatives.

KILL RED ANTS!
Rid your premises of Red Ant Beds with DURHAM'S ANT BALLS for less than 5c per den. Just dissolve balls in water, pour in beds. Goodbye Ants! Handy 30c and 50c jars at your druggist or Hoover Drug Store

WHY THROW 75c AWAY!
The 75c Bottle of DURHAM'S RESORCIN must relieve your itching scalp, dandruff or falling hair better than any \$1.50 tonic ever used or your money back. Worth \$1.50 but costs only 75c at your Druggist or Hoover Drug Store

Volleyball Jackets Selected

Volleyball jackets were selected here recently by nine members of the volleyball team. With a unanimous vote Jerry Blaylock was elected as the member to receive the captain's jacket. The jackets are to be black gabardine with gold trim with a blue and gold letter. They are to arrive some time this summer.

Awards were received for third place in the volleyball tourney held at Eldorado February 1. They were bronze volleyballs and were given to the main team.

Mrs. Geneva Johnson of Abilene and Mrs. S. E. Davis and two boys of Ballinger were week end visitors in the home of the ladies' mother, Mrs. Rutha Boyer.

Marion Wade is reported to be doing fine following minor surgery in the Shannon hospital last week. He is expected to return home in a few days.

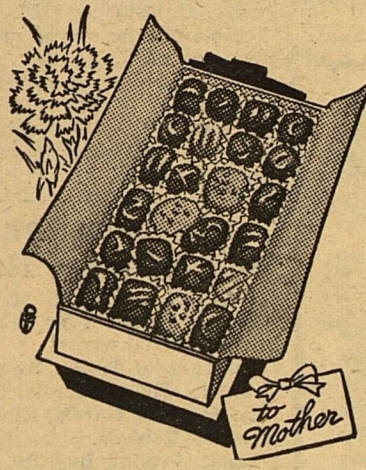

Mr. and Mrs. A. C. Craig of Colorado City spent the past week end visiting with the former's mother, Mrs. Annie Craig, and his brother, E. W. Craig and family.

Washington News Letter

By Cong. O. C. Fisher

The Valley of Chance

Washington is a city rich in the history and traditions of by-gone days. Among the spots enshrouded with the secrets of a near-forgotten past, is a plot now trash-strewn and covered with underbrush. It is known to historians as "The Valley of Chance"—a half mile beyond the District line in Maryland. They say that spot is soaked with enough blood to do justice to a battlefield. Many dramatic chapters in Washington's history were written there—the old duelling grounds where men met to avenge their names and in defense of honor.

The first man to be wounded there was a congressman, Barent Gardener of New York, in a duel with Rep. George W. Campbell of Tennessee in March, 1808. The match stemmed from a verbal battle on the House floor, and Gardener was seriously though not mortally wounded. After that fracas, Mr. Gardener was reelected to Congress and Rep. Campbell was appointed Minister to Russia.

Five years later, Lt. Col. Thomas Flournoy, of Andrew Jackson's army, fought a duel at the same place and wounded his opponent. Shortly after that, Ensign Edward Hopkins, whose home was in sight of the valley, was mortally wounded while engaging in the "Code Duello" there.

But the place was not nationally known until General Armistead T. Mason, an ex-Senator from Virginia and Col. John M. McCarty, first cousins, settled a long-standing quarrel in 1819. They met in a violent snow storm and faced each other only 12 feet apart. Both fell—Mason was dead and McCarty seriously wounded.

It was the historic duel between Commodore Stephen Decatur and James Barron, in which Decatur was killed that made the Valley of Chance world-known. That occurred in 1820—March 22.

In 1826, Senator Randolph made a speech on the Senate floor accusing Henry Clay, then Secretary of State, of forging a letter from the Mexican Minister to Washington. Clay promptly challenged the Senator to a duel and they met in The Valley of Chance. Shots were exchanged but neither was wounded. Clay demanded a second firing but Randolph refused. The Secretary then advanced to shake hands, exclaiming: "I trust in God, my dear sir, that you are untouched! After what has happened, I would not have harmed you for a thousand worlds!" "You owe me a coat, Mr. Clay," replied Randolph, smiling, as he showed a bullet hole through his cloak. The two exchanged cards the following Monday and were warm friends after that.

Congress finally passed an anti-duelling bill for the District in 1839, following the death of Rep. Jonathan Cilley of Maine. This one

resulted from a debate on the House floor and Rep. William J. Cravens was Cilley's opponent. But duels continued at The Valley of Chance. As late as 1847, two Army Lieutenants blasted away at each other in a dawn battle there. But by the 1850's public opinion had changed. No longer was a man considered a coward if he declined a challenge or if he apologized.

The saga of duels at The Valley of Chance finally ended in 1868 when Gen. Lawrence, U. S. Minister to Costa Rica, and Baron Kusseron, secretary to the German Legation, met and exchanged fire but without results. They then patched up their quarrel, but President Johnson fired Gen. Lawrence out of the diplomatic service.

Folks over in Maryland still hope a suitable marker will be erected at The Valley of Chance before the site is obscured forever.

John L. Lewis Shares Blame

Old John L. Lewis, striking fast following the terrible Centralia Mine blast which claimed the lives of 112 coal miners, attempted to blame Interior Secretary J. A. Krug, Coal Mines Administrator, for "criminal negligence" and "murder" in connection with the disaster.

Testifying before our Labor subcommittee last week, before klieg lights and radio microphones, Lewis vented his spleen toward Krug and made admissions that branded himself with guilt and criminal negligence.

In my questioning of the witness I branded him as being far more guilty than Krug. The basis for my charge were these facts:

1. In the contract with the government, it was provided that at each mine "there shall be a Mine Safety Committee selected by the Local Union." The contract provides that "If the committee believes conditions found endanger the lives and bodies of the mine workers, it shall report its findings and recommendations to the management." It is further provided that the findings of the committee are conclusive and the safety code entitles the workers to then withdraw from the unsafe area without additional authority.

2. Lewis said he personally knew of the unsafe conditions in the Centralia Mine and knew it might "blow up" at any time.

3. While knowing of the imminent danger that existed, Lewis as head of the Mine Workers Union took no steps to withdraw the miners from the danger area, which he had a right to do under the terms of the contract with the government.

4. While knowing of the imminent danger at Centralia, Lewis did not see fit to personally call that fact to the attention of Mr. Krug, as Coal Mines Administrator, and lodge a protest.

"What is your excuse," I asked, "for not appealing to Mr. Krug to correct the Centralia condition?"

"Why, Mr. Krug and I were at war," boomed Lewis. "Didn't you hear about it? Least of all we could communicate with Mr. Krug about

a local condition."

Thus we have the sordid story of an arrogant old man who knew the Centralia Mine disaster might happen at any moment but who wouldn't call it to the attention of the Coal Mines Administrator because "we are at war."

Surprise Orchestra Makes Appearance At Jr-Sr. Banquet

In a formal setting, with tables, walls and ceiling elaborately decorated in the pastel colors of pink, green and white, the annual Junior-Senior banquet was held last Friday evening in the school gymnasium with 105 guests present, including members of the Junior and Senior classes, the high school faculty, trustees and wives, and the pastors and wives. The banquet was sponsored by the Junior class, who were assisted by their class sponsor, Miss Jewel Shelton, and mothers. Eight grade girls were waitresses.

The head table was covered in white with decorations in the class colors, and the twenty-two quartet tables were laid in green and white and pink and white. The color scheme was further carried out in the wall and ceiling decorations and in the menu.

Following the banquet and program, the guests were entertained with a dance with a two-person orchestra from San Angelo furnishing the music. The appearance of the orchestra was a complete surprise to both the students and faculty. A large number of parents were present to watch the dance.

The following program was presented:

Toastmaster, Joe Chan Whitten. Invocation, Rev. F. B. Faust.

Welcome, Jane Mund.

Response, Fred L. Speck.

"Just Around the Corner" Riedale West, accompanist Mrs. Horace Linticum.

Prophecy, Jo Ann Bearce.

"Top Hat White Tie and Tails" and "Oh But I Do" by Tina Ann Taylor, accompanist Helen Martin.

To the Seniors, Mrs. Ernest C. Hill.

Acknowledgements, Emily Ann Harper.

Benediction, Peyton Cain.

Members of the Junior class are:

Bertie Ballew, Jo Ann Bearce, Bonnie Biggs, Lela Brooks, Louise Burk, Grace Butler, Don Dannheim, L. G. Edmiston, Chester Fought, George Graf, Emily Ann Harper, Gerald Harris, Jackie Hodges, Charles Mund, Jane Mund, Pauline Nixon, Billie Parrent, Marselaine Patterson, Joe D. Prince, Irene Sauer, Carroll Sproul, Tinsy Spurgers, Charles Sudduth, Floyce Turner, Dorothy Valis, Marion Wade, Donald West, Billy Whitley, Joe C. Whitten, Charles Jackson, Walter Jones, Delma Logan, Billy McAngus, and Teena McMullan.

Seniors are: Patsy Ballew, Vera Faye Biggs, Jerry Blaylock, Billie Edmiston, Charlene Edmiston, Robert Freer, Tommy Green, Margaret Hicks, Bill Lewis Humphrey, Walter Jones, Louise Kuykendall, Hazel Lewis, Ray Long, Juanita McAlpine, Floyd McGinnes, Bill McRae, Henry Mittle, Howard Mittle, Carolyn Montgomery, Arthur Mund, John Ochsner, Howard Parker, Fred L. Speck, Henry Speck Jr., Albert Stanford, William Spurgers, Wenonah Sudduth, Frankie Thompson, Albert Thigpen, Patsy Wade, Joy Winters.

Cancer Symptoms

One of the questions often asked is whether or not cancer is hereditary in human beings. Tendencies to form cancer may possibly be inherited; however, since the method of inheriting such tendencies is obscure, the presence of cancer in one or both parents should be merely a cause of greater alertness in looking for and recognizing suspicious symptoms on the part of family members. There is no need of a fatalistic attitude. The fact concerning heredity do not justify them.

At the first warning signs recognized, consult your physician. The early symptoms are any sore that does not heal, particularly about the breast, lip, or tongue; irregular bleedings or discharge from any natural body opening; progressive change in the size or color of a wart, mole, or birthmark; persistent indigestion; persistent hoarseness or difficulty in swallowing; and any change in normal bowel habits. See your doctor about any of these signals.

Early recognition of cancer symptoms will lead to early diagnosis and treatment, and in many cases the victim can be entirely cured and live out a normal life span.

Guests Sunday in the home of Mr. and Mrs. Albert McGinnes were Iris and Bill Brooks of San Angelo and Miss Freda Mae Hodges of Sterling City. Iris, who formerly resided here with her sister and family, is now employed at the Sunset Motor Lines in San Angelo.

Presbyterian Revival Now Under Way

Good attendance and interesting messages are reported at the revival at the Presbyterian Church this week. The Rev. F. E. King of Edinburgh is preaching each evening at 8:00 p. m. and each morning at 10 o'clock, conducting a study of the Book of Revelations at the day services.

Mrs. King is leading the song services and Mrs. F. B. Faust is pianist.

Local News Items

Frank Meador is shearing today.

Earl Parker, Humble consignee, attended a district sales meeting at Sonora Tuesday night.

Mr. and Mrs. B. O. Bridgeman have as their guests this past week end the latter's sisters, Mrs. Mattie Maddocks of Pismo Beach, Calif., and Mrs. Minerva Taylor of Eastland.

Mrs. R. L. Nolen will leave next week to take a course of instruction at Lubbock in operating a greenhouse and florist shop. She will assist her mother, Mrs. O. L. Woodward in their greenhouse here after it is opened.

Mrs. W. H. Graves has gone to Uvalde for a visit with her parents, Mr. and Mrs. Floyd Harrison, and her brother, Floyd Harrison, Jr., who is to leave soon for overseas duty. He has just completed a course in radar.

Mr. and Mrs. Clifford Newell of San Diego, Calif., visited briefly last week in the home of Mr. and Mrs. A. J. Mund enroute to New Orleans. Mrs. Newell is a former school friend of Mrs. Mund.

Mr. and Mrs. M. L. Potter, who have been living for the past several years in San Antonio, have moved back to their farm in the Alexander community.

Bobby Jean, youngest daughter of Mr. and Mrs. John Alexander was brought home Monday from a San Angelo hospital where she was ill for several days. Her condition has improved, and Mr. Alexander returned Monday to his job in the bank at Kermit.

E. T. Ballew of Sacramento, Cal., came in Monday for a visit with his sister, Mrs. Van McCormick, and his brothers, Lewis, R. L. and G. L. Ballew and families.

Mr. and Mrs. Van McCormick visited last week end on the Lloyd Mitchell ranch near Rocksprings.

Mrs. E. E. Newlin has returned from Temple where she visited with her mother, who is ill.

Mrs. J. B. Granville and son, Dr. George Granville of Brady visited Sunday with their mother and grandmother, Mrs. R. A. King, and the group spent Sunday night at the King ranch, guests of John I. King. Dr. Granville, who has recently received his discharge from the Army, is to be associated with a hospital at Houston.

Mr. and Mrs. J. A. Neill and daughter visited over the week end at Burnett with Mr. Neill's niece, Mrs. Glen Cox, and in College Station with Mr. and Mrs. Kyle Neill.

Among those from Eldorado attending the funeral in San Angelo Monday for Hattie Lee Cozzens were Mmes. O. E. Conner, Ben Isaacs, Sr., W. H. McClatchey, Joe Tisdale and A. D. Harvey.

SERVEL Electrolux refrigerators available now, and on display at Topliffe Gas & Electric Service.

Mr. and Mrs. A. F. Buchanan of Sheffield visited last week with the former's sisters, Mrs. C. M. McWhorter and Miss Kitty Buchanan, and with Mrs. Buchanan's sister, Mrs. Carl Ellington and family.

Sergeant Oles McMillan has returned from overseas and expects to receive his discharge May 8. Mrs. McMillan has made her home here during the past year. The couple have gone to Melvin to visit relatives after which they will return to Eldorado to live.

Noweita Matthews, daughter of Mrs. Hensel Matthews, made the honor roll for the quarter at Eldorado, Kansas, Junior College, with a grade of 95.

Typewriter Ribbons for Royal, Woodstock, L. C. Smith, Remington and Underwood—at the Success office.

AT DIST. CONFERENCE

Several members of the local W. S. C. S. attended the annual district conference of the W. S. C. S. at the Trinity Methodist Church in San Angelo Tuesday and Wednesday of this week. Several outstanding speakers were included on the program and the children's choir of the First Methodist Church sang during the conference. New conference officers were elected in the business session.

Bill Word, former resident of Eldorado, is doing fine in the Santa Rost hospital in San Antonio following major surgery which he underwent recently, relatives here have been informed. Mr. Word has been making his home in San Antonio for the past several months.

Mr. and Mrs. Dan Marshall of San Angelo spent the week end visiting here with the latter's mother, Mrs. John Rodgers.

Opening Soon

A bargain in every purchase.

Mary Lee Taylor's
Baked Corn With Cheese
Broadcast:
April 26, 1947

1/4 cup finely cut green pepper
2 tablespoons hot shortening
1/2 cup Fat Milk
1/2 cup corn liquid or water
3/8 cup diced American cheese
2 eggs, separated
1 1/2 cups soft bread cubes (day old)
1 1/2 cups drained, whole kernel corn, cooked or canned
1/2 teaspoon salt
few grains pepper

Turn on oven; set at moderately slow (350° F.). Cook green pepper slowly 5 minutes in shortening. Add milk, corn liquid and cheese. Heat slowly until cheese melts. Stir slowly into slightly beaten egg yolks. Mix in bread cubes, corn, salt and pepper. Fold in stiffly beaten egg whites. Put into greased 1 1/2-quart baking dish. Set in pan containing about an inch of hot water. Bake about 45 minutes, or until firm. Serve hot. Makes 4 servings.
