Fifty Cars of Pipe Unloaded As First Local Development in Building Humble Pipe Line

With the arrival in Eldorado of about fifty carloads of pipe, representing approximately one third of the required amount for this locality, a start has been made on the building of the new Humble pipe line from Kemper to San Satsuma.

A crew, some of whom are local men, are unloading the pipe on lots near the depot, where it will be stored until it is needed on Schleicher County construction work. The 18-inch pipe has been shipped in on flat cars during the past several days, and about twice as much more is expected soon.

The first actual construction work will be done by a crew of welders, who will arrive here possibly in about two or three weeks, though the date is uncertain at this time. The men will weld two pieces of pipe together, and stack the long pieces into piles ready for the other crew, who will follow later. It is expected that the ditch diggers will not be here for over a month.

At present the main part of the work is being done at Big Lake and Barnhart. The line starts at Kemper, five miles from Big Lake, and goes to San Satsuma, near Houston, paralleling the Shell line all the way. Right-of-way clearing will be simplified because of the fact that the line parallels another line.

The work started at Kemper about three weeks ago, and it is understood that some of the pipe is being laid in that locality at present.

The route runs near Eldorado, crossing the highway at a point between the ball park and the Mrs. George Williams property. As this is a large line, requiring fewer pumping stations, it is understood that a pumping station will not be needed in this county.

The entire project requires many men, and it is expected that during the early spring months many of these will be stationed in Eldorado for possibly two or three months.

Mrs. Mabel Parker Announces Candidacy For Co. Treasurer

The Eldorado Success has been authorized to announce the candidacy of Mrs. Mabel Parker for reelection to the office of County Treasurer of Schleicher County, subject to the action of the Democratic Primary in July, 1950. Mrs. Parker claims efficiency in her task, and in asking for return to office she points, to her record, asking continued confidence. Before moving from Robert Lee to Eldorado in 1928 she had ten years of experience in the county and district clerk's office, serving under the able direction of the late W. H. Maxwell. She was also secretary and treasurer of the Robert Lee Methodist Church, assisting in carrying out the Methodist building program there.

In Eldorado, as an active member of the Eastern Star, she has served a number of years as secretary and treasurer, served on the Methodist parsonage building committee and has been church treasurer over eleven years, and in other ways has always worked for the betterment of her community.

In announcing her candidacy, Mrs. Parker states, "I appreciate every favor shown me in the time I have been in office. The kindness of the voting public has made my work pleasant and every day's service an enjoyable experience, encouraging me to give accurate and dependable attention to every detail. If you choose to return me to office, I promise to give you the best service of which I am capable. On the basis of my record and experience I solicit your vote and influence when you go to the polls in July."

Board Will Award Furniture Contracts At Meeting Monday

In a session which lasted eight or nine hours Tuesday afternoon the Eldorado School Board and Superintendent Reynolds received, opened, studied, and tabulated bids on loose furniture and equipment for the new school buildings.

The men studied the bids carefully, but decided to postpone awarding them until next Monday, at another call meeting.

The orders will be received by the companies making low bids, and delivery on the furniture will be made as soon as the building is ready.

OES SCHOOL

A school of instruction for the OES will be held here Friday, Jan. 6, 1950, beginning with registration at 8:30 and school opening at 9:00, at the memorial building. There will be a banquet at 6:00.

SHERIFF SWEATT AGAIN IN RACE FOR RE-ELECTION

E. H. (Greasy) Sweatt this week has authorized the Eldorado Success to place his name in the political announcement column as a candidate for reelection to his present office, subject to the action of the 1950 July Democratic primaries.

Mr. Sweatt states that he is seeking re-election upon his record of efficiency in carrying out the duties of his office. He further states that in addition to gaining valuable experience he has improved his special qualifications by attending instruction schools for law enforcement officers, and in every way working for increased efficiency. He states that his records are open for inspection, and that he has shown no partiality or favoritism in discharging the duties of his office.

Mr. Sweatt continues: "I appreciate the opportunity of having served Schleicher County in the capacity of the office I now hold, and pledge to carry out the duties of the office in such a manner in the future as to continue to be worthy of the voters' confidence; conducting the three combined offices with only the interest of Schleicher County at heart. I ask that the people of the county give my solicitation for their vote and influence due consideration upon the basis of my experience and conscientious service I have rendered."

GOOD RAIN FALLS

A week end rain which measured from one to two inches in Schleicher County was welcomed by ranchers, farmers, and businessmen.

The rain fell gently, and over-cast skies throughout the entire week end gave the soil maximum benefit from the precipitation. "It's exactly what we ordered," is heard often in Schleicher county this week.

ELECTION YEAR FINDS MANY WITH UNPAID POLL TAX

Sheriff E. H. Sweatt, county tax assessor and collector, reported on Tuesday of this week that only 150 persons had paid their poll taxes in Schleicher County, thus qualifying themselves to vote in the elections which will come up this year. In this issue the Eldorado Success carries the announcements of several county candidates for reelection in the forthcoming Democratic July primary. This should make some 600 or 700 other people realize that they will be unable to cast a vote either for or against any of these candidates, if they don't get BUSY and see about that poll tax, says Sweatt.

The deadline is Jan. 31. The fact that so few poll taxes have been paid to this date is accounted for by the mix-up which resulted early in the property tax paying period from the proposed constitutional amendment which would have eliminated the poll tax as a prerequisite for voting and which proposal was turned down by the voters of this state by a wide margin. But while the measure was still in the realm of possibility, tax collectors over the state advised taxpayers to withhold payment of the poll tax until the issue was decided.

As a consequence, many persons who ordinarily pay their poll tax along with their property taxes, did not do so this year, and as a matter of habit, have not returned to the collector's office for a second visit to take care of this important item since the election on the amendments.

Poll taxes must be paid on or before January 31st to qualify a citizen to vote in the coming year. If you have not yet paid your poll tax, or if you are uncertain, you had better call at the collector's office without further delay; otherwise you may find yourself in the position of boosting for someone and being unable to vote for him.

Besides all county offices, the election this year will include practically all state offices, including that of governor as well as congressional offices.

Film To Be Shown On Notre Dame Game Saturday Night

Supt. C. A. Reynolds announces that the school has secured the film on the Notre Dame-SMU game, played recently at Dallas, and will show this film to the general public at about 8:30 Saturday night in the banquet room of the memorial building.

The football boys, pep squad, and band will have use of the auditorium and banquet hall for their banquet Saturday night, and a showing of the film will be part of the scheduled program for that event. Supt. Reynolds announces, however, that by 8:30 the banquet hall will be vacated and a second showing of the film for the public will be made, to which all are cordially invited.

Finley Announces For Re-Election As County Clerk

H. T. (Dogie) Finley has authorized the Success to announce his candidacy for re-election to the office of County and District Clerk of Schleicher County, Texas, subject to the action of the Democratic primaries in July, 1950. "Dogie," as he is commonly known, came to Schleicher County in 1901, and feels that he needs no special introduction to the voters of Schleicher County.

The Finleys, Ebba and Dogie, have two children, George, a law student, and Ebba Ann, a freshman, both now attending Southern Methodist University at Dallas, Texas.

Mr. Finley is a veteran of World War no. 1, and is now serving in the capacity of Service Officer for both the American Legion Post and Schleicher County.

Mr. Finley says: "I promise to continue filling the office to the best of my ability, and to perform the duties of the office efficiently, with fairness to all and special privileges to none, realizing the growing importance of correct land titles, and the added values of mineral as well as surface ownership in a County that is fast becoming an 'Oil' County. I feel that I am well qualified and am asking that you return me to this office strictly on my past record of service, and on my qualifications, which I have attained by honest effort and hard work, and made possible by your splendid cooperation."

Mr. and Mrs. M. H. Woodward spent New Year's with relatives in Brownwood.

NEW DAUGHTER

Mr. and Mrs. Jack L. Smith are the parents of a daughter born in a San Angelo hospital at 5:00 Tuesday afternoon. The baby weighed 7 pounds and 14 ounces. The mother is the former Herly May Wagner. Grandparents are Whit Smith of Eldorado and Mr. and Mrs. J. E. Wagner of San Angelo, and a great-grandparent is O. W. Duncan of Calf Creek.

Annual Rangelands Tournament At Gym Next Week End

The annual Rangelands Basketball tournament will be played in Eldorado on Friday and Saturday, January 13 and 14, according to announcement made by the athletic directors and superintendent of the Eldorado Schools. Attractive trophies, which will be given to first, second, consolation, and individual all-tournament team members have been received for the event, and are on display in a down-town business window this week end.

Coaches are corresponding with officials of other schools, but have no definite list of schools entering, to date. The tournament is a popular winter event in the community, and season tickets are being sold for the games.

Bills Introduced On Cotton Quotas

West Texas counties, including Schleicher, which would be hard hit in 1950 by the new cotton quotas, will be interested in learning that something may be done about it.

Two Texas congressmen Tuesday introduced identical bills on the opening day of Congress which would force the reallocation of cotton quotas to all Texas counties, giving full credit to farmers for war crops during 1947 and 1948.

The bills were introduced by Representatives Poage of Waco and Fisher of San Angelo.

Fisher also introduced another bill which would permit county committees throughout the cotton-growing areas of the country to reallocate any unused cotton acreage under the new quota to other farmers within the same county.

But Representative Mahon of Lubbock declared: "I am opposed to any basic change in the present interpretation of the cotton quota law, although there should be some action to give relief within counties."

Mahon said the allowance should be given for weather conditions in 1947 and 1948 in computing cotton acreage quotas for counties.

WEDDING ANNOUNCED

Mr. and Mrs. W. O. Faulk announce the marriage of their daughter, Wanda Carrell, to H. O. Adkinson of Houston. The ceremony took place Dec. 23 in Houston.

OES MEETING

Regular OES meeting will be held Monday night, Jan. 9, at 7:00. All are urged to attend.

BASKETBALL BOYS WIN ALL IN TWO GAMES

The Eldorado basketball team chalked up a good record of wins for the week end, and are now playing only conference games, in preparation for the tournament here January 13 and 14. The first district game will be played Friday night at Sonora.

The boys met Sterling City there Saturday night; the Eldorado B team beat Sterling B 27 to 14, with Joe Ed Spencer high point man with 8 points. The A team won over Sterling the same evening, 56 to 31, with Chester Biggs high point man with 14 points, and Bill Jones a close second with 13.

Monday night Sterling played a return game here, losing both games to Eldorado. The score was 26 to 21 in the B game, Wilson Humphrey making high score with 11 points. In the A game the score was 36 to 24, Jimmie Woodward leading in points with a score of 13.

Mrs. Estes, Mother of Mrs. Christian, Dies

In a telephone conversation with Joe M. Christian Tuesday, Mrs. Christian, who has been in Atlanta, Ga., about three weeks, informed him of the death of her mother, Mrs. J. E. Estes, at noon. Her age was about 70. Her death occurred at the home of a son, B. L. Estes, in Atlanta. Burial will be in La Grange, her former home, near Atlanta.

Mrs. Estes had visited here last spring, but became ill while in Eldorado and left for home to submit to an operation. She had been in failing health throughout the remainder of the year.

She is survived by three children, Mrs. Christian of Eldorado and B. L. and Ed Estes of Atlanta, Ga.; and two grandchildren, Joe Charles Christian of Eldorado and Ed Estes Jr. of Atlanta. Her husband died a year ago. She was a member of the Eastern Star.

Homer Garvin Dies In Bronte Hospital

Mrs. Homer Garvin, former resident of Eldorado, died at 6:30 Wednesday in the Bronte hospital. The funeral services are being held today, Thursday, in San Angelo, and interment is to be made at 2:00 this afternoon in the Eldorado Cemetery, beside the body of an infant, who died while the family made their home in Eldorado.

Mrs. Garvin, the former Nova Porter, lived here several years shortly after the couple's marriage. Mr. Garvin being an employee on the Christian place. The family have lived on a ranch near Robert Lee a number of years. Surviving are her husband, three sons and two half brothers. Mr. Garvin is a nephew of Mrs. Rosa Owens of this city.

Mr. and Mrs. Vincent Hanna of Robert Lee spent the New Year's holidays with their aunt, Mrs. Mabel Parker. Mrs. Hanna is the former Ava Lou Tubb.

Cold Follows Good Rains of Week End

Winter arrived Tuesday night with a bang, bringing to an abrupt close a long autumn season, and laying a light covering of ice over Schleicher County.

Wednesday's high winds, which blew themselves out through the day, were followed by fog and mist Wednesday night. Unprotected cars were covered with ice Thursday morning, and motorists were further plagued by slippery roads. By 10:00 this morning, Thursday, the ice had melted and temperatures were rising.

Northeast Part Of Schleicher County Location For Wildcat

Exploring the Ellenburger in northeastern Schleicher County is planned by E. M. Wahlenmaier and Morgan, Aikman & Co. of San Angelo. The test will be on the ranch of Pat H. Jackson and Wren M. Jackson, 660 feet out of the northeast corner of section 45, block H, GH&SA Ry. Co. survey.

Humble, Atlantic, Pure and Honolulu are supporting the wildcat, which is due to start at once. The location is eight miles east of Phillips No. 1 Mrs. J. W. Weddell, a small Strawn lime discovery producer.

R.E.A. POLES ON HIGHWAY ROUTE TO BE MOVED

The Southwest Texas Electric Co-Op crew started work Tuesday preparing to move the Co-Op's line for the new highway that is to be built west of town. This work will be rushed to completion, if weather is favorable. Members south and west of town receiving service from these lines will have their service cut off for awhile in the afternoons while wire is being transferred from old poles to the new ones.

Work is proceeding ahead of schedule on the Sonora-Juno line.

Big Vehicle Gain Reported For Year

The largest number of automobile registrations in the history of Schleicher county is reported from the office of Sheriff-Tax Assessor-Collector Ernest Sweatt. A total of 1475 vehicles is reported, including passenger cars, farm vehicles, trucks, etc., for 1949. Last year at this time, 1167 were reported, showing a gain of 308 for Schleicher this year. A total of 339 transfers was reported up to December 31, 1949.

Mr. and Mrs. W. B. McCutcheon and son Billy of Austin, and Mr. and Mrs. Otto Williams were New Year's guests in the Will Isaacs home.

Worth Lawhon Weds Thursday

Mr. and Mrs. John Worth Lawhon Jr. of Marfa announce the marriage of their daughter, Worth, to Thomas Doran Wood Jr., son of Thomas Doran Wood Sr. of Roswell and Mrs. Anna Belle Bunton Wood of Marfa. The Lawhons are former Eldorado residents.

The ceremony was performed last Thursday evening at the First Baptist Church in Marfa, with Rev. C. M. Spalding officiating at the double ring ceremony. The bride wore a traditional white satin wedding dress and a full-length rose-point veil, and carried a bouquet of calla lilies and lilies of the valley.

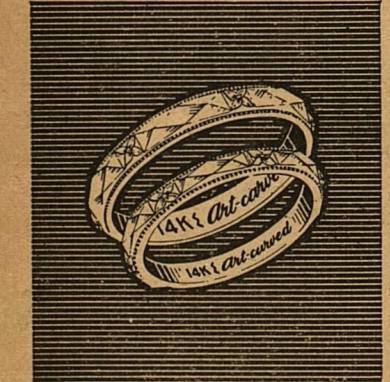

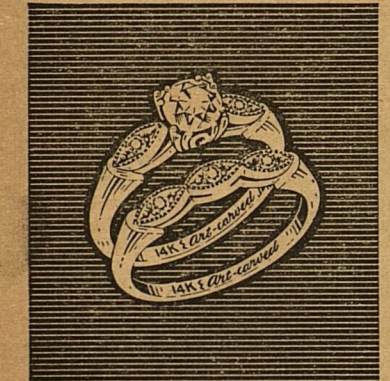

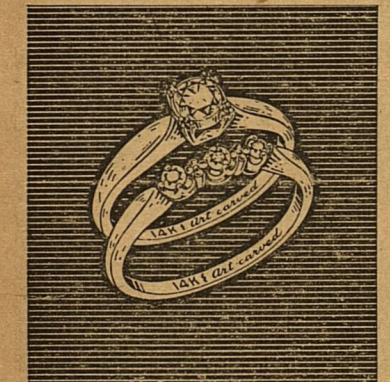

Miss Polly Lawhon, sister of the bride, was maid of honor, and bridesmaids were Misses Melissa Potts, Mary Frank Lyvers, Kathryn Bunton, Dorothy Jane McCabe, Joann Mitchell and Martha Kay Kyger. The attendants wore identical dresses of pale green net trimmed with forest green velvet and carried matching muffs topped with gardenias.

Lucius D. Bunton of Austin, cousin of the bridegroom, was best man. Groomsmen were Bobby Bledsoe and Joe Chemali Jr., and ushers were Victor Chemali, W. A. Oatman Jr., and Otis Devolin.

Immediately following the ceremony a reception was held at the Paisano Hotel. For a wedding trip to New Mexico, the bride wore a brown suit with matching accessories.

The bride is a graduate of Hockaday in Dallas and attended Texas University. The bridegroom is a graduate of the Marfa High School and attended Tarleton College and Nixon-Clay Business College at Austin. The couple will be at home on a ranch near Langtry where the bridegroom is associated in the sheep business with his uncle.

Making Both Ends Meet

Furnishing good service at reasonable rates has always been our aim. We have done this, while at the same time trying to keep down operating expenses. However, the sharp increase in the cost of everything during recent years has hit us just as it has you. Now our operating costs have been increased again due to new Federal legislation which has sent our wage scale soaring.

We believe in paying good wages. In fact, the major increases in our operating cost during recent years have been the result of a series of wage increases.

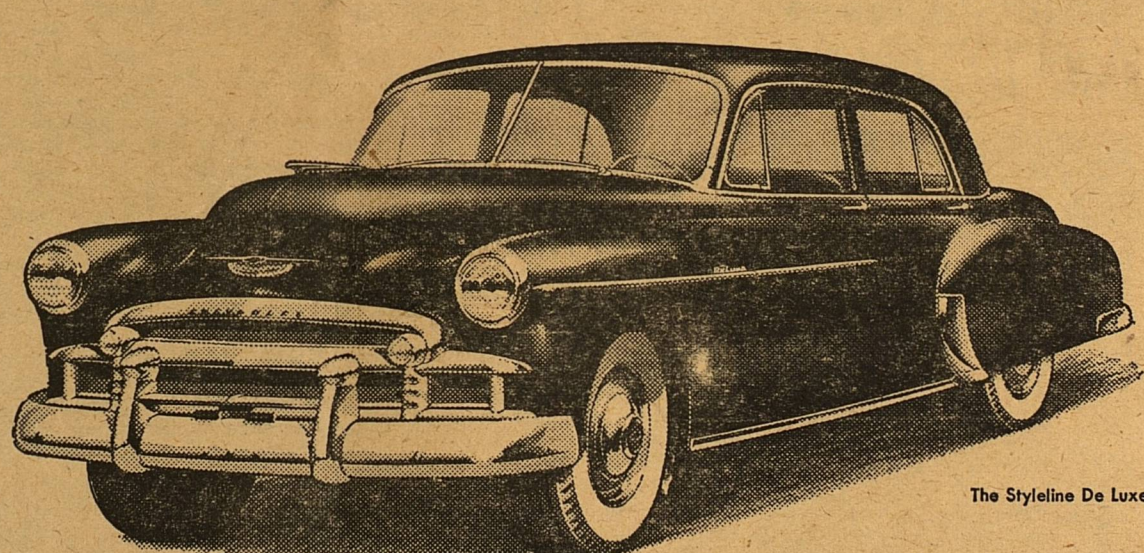

We will pay this new increase, but it does create a serious new problem for us. We can do this only through new service rates reasonably adjusted to our changed operating conditions.

"YOU'LL HEAR THE DIFFERENCE"

There's a Ford in your future
...with a future built in

Only Ford in its field offers a V-8 . . . a new, "hushed" V-8 engine (the type used in America's costliest cars). It's so quiet you can speak in whispers. Yet it sells for hundreds less than all other "eights" . . . even hundreds less than most "sixes."

BAPTIST GROUPS MEET

Circle 5 met with Mrs. Hudson. Mrs. W. N. Ramsay opened the meeting with prayer. Mrs. Sallie Murchison was in charge of the program assisted by Mrs. Ramsay, Mrs. Cheatham, Mrs. George Wil-

liams, and Mrs. Ed Finnigan. Mrs. Wagley was also on the program. The hostess served cake and coffee to eight. The next meeting will be with Mrs. Kuykendall.

Circle no. 1 of the First Baptist WMU met at the church Monday, with Mrs. Roy Martin as hostess. Mrs. E. W. Perry had charge of the program, and during the afternoon the group drew names for secret pals. Cake and coffee was served to five members and one child. The next meeting will also be with Mrs. Martin.

Circle 4 met with Mrs. Henry Mund, 12 adults and 4 children being present. Mrs. J. D. Ashmore led the mission program, assisted by Mrs. L. M. Hoover and Mrs. E. W. Mund. Secret pals were revealed and new names drawn. A sandwich plate was served.

Circle 3 met with Mrs. Tom Johnson, Mrs. Jim Hays, Mrs. Bob Harris, Mrs. Ben Doty and Miss John Alexander were on the program, and Mrs. John Lueddecke read scripture. There were twelve members, four children, and one guest, Mrs. Floyd Spurgers of San Angelo, present. The hostess served coffee, fruit cake, and fruit cup topped with whipped cream to the guests, the refreshments being served on china plates which had been hand-painted by the hostess. After the meeting the group made a tour of Mrs. Johnson's new home and saw the oil paintings which she had done and her collection of hand-painted china.

Hadacol Helps Textile Worker Stay On Job

The great textile mills of the Carolinas are booming again with shifts working day and night to turn out the nation's finest materials, and HADACOL is doing its part to keep folks on the job.

Many textile workers have reported the wonderful relief which HADACOL with its five B vitamins and four important minerals. This worker, a young father employed by the great Cannon Mills at Kannapolis, N. C.

Jay W. Barnhardt, Route 3, Box 343, Kannapolis, N. C., is 30 years old and the proud father of two children. His work in the Cannon Mills calls for a great deal of standing up.

"I had been ill for several years," said Mr. Barnhardt as he explained how close he came to having to give up his work. "I suffered with a weak stomach. It became worse and worse with gastric disturbances. I just could not hold food and no food agreed with me. I could not sleep and finally I became so sick that my legs got weak as I worked in the mill each day."

Mr. Barnhardt, like so many sufferers, had tried many preparations without relief, when he heard about HADACOL.

"After the second bottle of HADACOL I began to feel better an d to regain the weight I had lost," said Mr. Barnhardt. "My digestion became normal again and today I am as well as ever. My legs no longer bother me. I eat and enjoy my food. I sleep well and have plenty of energy."

Mr. Barnhardt has taken several bottles of HADACOL and now takes the famous vitamin and mineral preparation to help stay well. He has had his wife take it with wonderful results and has recommended it to his friends in the mill.

Mr. Barnhardt suffered from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances . . . Your food will not agree with you . . . You will have an upset stomach . . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and mineral, which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

CHILD'S HEALTH TO BE GUARDED IN WINTER

Seasonal health hazards for young children are to be guarded against in the wintertime just as carefully as they are in the summertime in the opinion of Dr. Geo. W. Cox, State Health Officer.

In the group of winter diseases Dr. Cox included influenza, tonsillitis, pneumonia, bronchitis, asthma, and even diphtheria when a child has not been immunized. Any such disease affecting a child's respiratory or breathing system is apt to be very serious and only too often fatal. Pneumonia often develops from a neglected cold or may follow a severe case of measles or whooping cough. Bronchitis condition may also prove to be an after effect of these diseases and these respiratory ailments are much more difficult to combat successfully than the digestive ailments which are prevalent in the summertime and known as summer complaints.

"These winter diseases are especially dangerous to babies and very young children," Dr. Cox stated. "Nearly all of them are spread from the secretions of the nose and mouth. Children not in vigorous health are naturally more susceptible to these complaints and the first line of defense against them is to strengthen the child's power of resistance against disease," Dr. Cox advised. "The second step is to keep them under medical supervision and the third is to make sure that they avoid contact with those who have coughs, colds or fevers."

Tom Whiteley of Junction visited Mr. and Mrs. J. C. Whiteley during the past week end.

Mr. and Mrs. O. C. Webb of Ozona, and Mr. and Mrs. Kenneth Cheek of Eldorado were dinner guests Sunday in the home of Mrs. H. F. Webb.

Mrs. John Rogers and Ann visited Mr. and Mrs. Dan L. Marshall in San Angelo Sunday.

Mrs. E. W. Brooks has been on the sick list.

Gordon McDonald and Bubba Wade went on a successful fishing trip to the Pecos last week end.

Mr. and Mrs. Bill Davis, who moved from Eldorado to Big Spring recently, have moved back to Eldorado and Mr. Davis has started work as mechanic at Parker Motor Co. They are occupying the Jones rent house in the northwest part of town.

Mr. and Mrs. Ben Mittel of Sonora visited one evening last week with the Perry Mittel family.

William Sauer of Brownfield spent New Year's week end with his parents, Mr. and Mrs. Otto Sauer and other relatives here. Other guests on New Year's day were John Rice and Miss Gertrude Sauer, of San Angelo.

Ranges Improved
Ranges on the D. C. O. Wilson ranch 3 miles west of Ft. McKavett have shown a big improvement during the last 12 months. D. C. O. Wilson operates the ranch and is working through a coordinated conservation plan with the Eldorado-Divide Soil Conservation District. All of the 28,270 acres were completely rested this year.

Side oats grama, little bluestem, and the better grasses make up a big percentage of the composition on the rangeland. All grasses have made an abundant seed crop, and an increase can be expected to come from the seed next spring. Mr. Wilson found in checking vegetation on the deferred ranges, with range conservationists of the Soil Conservation Service last week, that there had been a big change from last year. The range now has a good cover of grass and dead litter which will hold the raindrops, where they fall and add organic matter to the soil. Mr. Wilson plans to defer all rangeland for another year.

Conservation Increases
The Soil Conservation Service report for the Eldorado-Divide Soil Conservation District showed there has been a steady increase in putting Soil Conservation practices on the land.

The conservation district, of which J. Forrest Range is chairman, points out that although much good has been done there is still a great deal to be accomplished. Cover crops need much wider use in order to restore the Organic Matter and Nitrogen to the soil, and many thousand acres of range land need improvement in order to get higher production.

During the past six months, contour farming was applied on 224 acres. The goal for the first half of 1950 is 1800 acres.

There were 248 acres of cover crops, which included Hubam clover, madrid clover, and vetch, planted in the past six months. The goal for this practice is 250 acres in the first half of 1950.

Crop residue management was applied on 2,221 acres. This is a very valuable practice as it adds humus to the soil and reduces loss of water through evaporation and runoff.

Range improvement came about by balancing the number of live-

stock to the amount of forage produced. 57,835 acres of range improvement were applied this period. Forty-three acres of land was seeded to permanent grass. Some of this was done on old cultivated fields while some was under cultivation for seed production. Grasses being planted were King Ranch Bluestem and Harding grass. The goal for next period is 150 acres.

Other achievements were 11 miles of level terraces being constructed and one mile of field diversions being built. The goal for 1950 is about 30 miles of level terraces and 1 mile of field diversions.

MRS. HOOVER ENTERTAINS DAR AT JANUARY MEETING

The January meeting of the DAR was held Tuesday afternoon in the home of Mrs. L. M. Hoover, with Mrs. Bailey Montgomery as assisting hostess.

Mrs. A. E. Prugel gave the devotional in the absence of the chaplain, Mrs. Mae Tisdale, reading the 121st Psalm and offering prayer. The group sang the national anthem and repeated the salute to the flag.

Miss John Alexander, regent, presided over the business meeting. Roll call was answered with the name of a favorite book, Mrs. Mary Davis Coupe discussed "History of Libraries" and Mrs. A. E. Prugel discussed "Libraries in Small Communities". The girls' sextette under the direction of Miss Lucille Farmer sang two numbers.

Refreshments were served from a lace covered table centered with poinsettias and candles. Mrs. J. B. Montgomery and Miss John Alexander poured coffee and tea, which was served with sandwiches, olives, nuts and mints.

Members present were Mrs. Joab Campbell, Mrs. Jim Hays, Miss John Alexander, Mrs. V. G. Tisdale, Mrs. Joe B. Edens, Mrs. Bailey Montgomery, Mrs. L. M. Hoover, Mrs. John Luedicke, Mrs. A. E. Prugel of Sonora, Mrs. Mary D. Coupe, Mrs. Ed Hill, and Mrs. Luke Thompson. There were two guests, Mrs. Ferrin Holcomb and Mrs. Mickey Holcomb.

FREEDOM PAYS OFF . . . FOR YOU

You hear a lot of talk about the advantages of making our government socialistic. Don't be fooled. Freedom—and that's the American Way—pays off, and here's proof: *Americans are only 1/16 of the world's population. Yet this handful of people produces almost 1/2 of the world's goods—mostly for its own enjoyment. What other system beats that?*

AMERICANS HAVE MORE—

- MORE AUTOMOBILES
- MORE TELEPHONES
- MORE RADIOS
- MORE UNFETTERED CHURCHES
- MORE SCHOOLS
- MORE AND BETTER FOOD
- MORE AND BETTER CLOTHING
- MORE FREE-SPEAKING NEWSPAPERS
- MORE PLACES OF AMUSEMENT
- MORE COMFORTABLE HOMES
- MORE ELECTRICITY

AMERICANS HAVE MORE OF EVERYTHING THAN ANYBODY ELSE!

Remember that, when you hear tales of the marvels of a socialistic government . . . when people urge that our government get that way by taking over the electric industry, steel, railroads, medicine, and so on and on. Look at the record. **AMERICANS HAVE MORE OF EVERYTHING THAN ANYBODY ELSE.** Freedom did it, and never forget that. It makes a lot of difference to you—and to your family.

Package Store Robbed
 Vehle's Package Store was robbed Thursday night, Dec. 22, of approximately 21 to 25 cases of their best blended whiskies. The robbery took place at approximately 1 a. m. Entrance was made through the front door after a padlock was pried loose. The loss was valued at approximately \$1,200.00, but would run much higher if profit were figured on it. The store is located on the Eden highway just across the bridge.—Menard News.

Pastor Moves
 Rev. and Mrs. W. I. Taylor and Glenn left this week for Safford, Ariz. where they will make their home. Rev. Taylor, recently completing four years as pastor of the First Baptist Church, resigned to accept the pastorate at Safford. Rev. Taylor's successor has not been named. The pulpit committee will have some one to preach here next Sunday, it was learned.—Big Lake Wildcat.

New Road at Sanderson
 Announcement was made last week that the contract for the paving of the Terrell County end of Highway 285 was awarded to Dean Word of New Braunfels. Elton Lively of Mason, superintendent for the work, was in Sanderson Wednesday with Mr. Word to make

arrangements to move his crew and machinery into Sanderson beginning next week. He stated that work would begin after January 15. Lively asserted that approximately 50 men would be employed by the construction concern and that housing facilities would be necessary for many skilled workmen who would be brought in from other parts of the state. He stated that local labor would be hired when possible.—Sanderson Times.

Bronte Business Good
 Bronte business men, as a whole, report that they had the biggest season of retail sales this year that they have ever had during Christmas. They say that Friday and Saturday were particularly good and that most people of the Bronte area must have had a big Christmas, judging from their purchases.

Most merchants were "taking it easy" Tuesday and finding it hard to get back "in the swing of things" after a two-day holiday. However, one merchant said he thought he deserved a rest after the Christmas rush.

Mrs. Carrie G. Williams, local postmaster, said that the Bronte postoffice handled a much larger quantity of mail than has ever gone through it during any previous Christmas season. She said she did not have the complete report made out for this quarter yet, but that she and the other postal employees had to work harder to handle the heavy flow of Christmas mail than they ever had before.—Bronte Enterprise.

Hospital To Open
 The new Memorial Hospital will be ready to open next week, it was announced this week by Miss Ellen Flynn, Superintendent.

Formal opening, to provide opportunity for public inspection of the new building and its equipment, is planned for Sunday afternoon, January 8, from 2 to 4 p. m. Full details of operating personnel, policies, and plans for opening will be announced in next week's Pioneer.—Ft. Stockton Pioneer.

Businesses Robbed
 Robbers put in a busy Christmas Eve here and made off with loot valued upwards of \$2,500.

Hardest hit was the L. E. L. Sales Co. of Abilene whose light delivery truck was broken into and more than \$2,000 worth of cigarettes were stolen. The truck which is operated by James D. Barron was parked in the rear of the Mattie Bell Campbell residence, where Mr. and Mrs. Barron have an

apartment. Across the street the robbers took a radio and spare wheel off Woodrow Gardner's automobile, and also pilfered a spare wheel and tire from Wilfred Gardner's car parked nearby.

The same night a radio and clock were removed from Royce Hayley's Buick in Bronte. Officers believe the same parties pulled all the jobs. They were careful in their work and removed screws and bolts in their operations.—Robert Lee Observer.

If a woolen skirt is faded or worn, try ripping it apart and reversing it. Often the wrong side of the material is still better.
