

County Rain Average For Nine Months Over Fourteen Inches

That 1950 is a fairly wet year is indicated by figures on file in the office of the Soil Conservation District showing a total of over 14 inches average, to date.

While some spots in the county may be wetter, others will probably be drier—and the average for the rain gauges of the county is a figure for the county as a whole. The exact figure for the average is 14.44 inches up to October 1st. Here is the official record for that period:

	Ogatesby	Runge	City
January	.80	.20	.20
February	.50	.98	.88
March	.00	.00	.00
April	2.40	1.85	1.50
May	3.78	2.80	3.30
June	.58	1.20	1.23
July	2.55	3.00	2.95
August	2.40	2.10	1.95
September	2.00	2.05	2.12
Total to Date	15.01	14.18	14.13
Average	14.44		

Advisory Conference On Texas Education Scheduled October 9

Invitations to participate in the 1950 Citizens Conference on Education, to be held in Austin October 9, have been accepted by fourteen residents of the Twenty-first Congressional District.

They are S. W. Dismukes, Rock-springs; Roger Q. Landers, Menard; Mrs. J. W. Trapp, Brown-wood; H. K. Fawcett, Del Rio; Mrs. Ellen H. Sims, Paint Rock; Mrs. W. E. Little, Winters; J. E. Hill, Eldorado; Archie D. Hunter, Santa Anna; Green Tankersley, Mertzon; M. J. Boyce, Eden; Joe B. Ross and E. S. Mayer, Sonora; Wm. M. Pet-mecky, Fredericksburg; and James Finlay, Fife.

Others in the area have received invitations to the meeting from R. B. Anderson of Vernon, president of the State Board of Education.

More than 300 lay citizens, representing many different ideas on education from all areas of the State, will attend the conference, which will be held in connection with the inaugural ceremonies for the Texas Education Agency and the Commissioner of Education.

Purpose of the conference is to examine what the basic ideas of Gaudier-Aikin legislation have accomplished in their first year of operation, and what next actions should be taken to improve the state educational system.

SCHOLARSHIP FOR PAT HUMPHREY AT EL PASO

EL PASO, Sept. 27.—Miss Patricia Humphrey, daughter of Mr. and Mrs. W. J. Humphrey of Eldorado, has been awarded a major-ette scholarship for 1950-51 at Texas Western College in El Paso.

A graduate of Eldorado High School, Miss Humphrey served as major-ette of the Sul Ross College band last year. Now enrolled at Texas Western, Miss Humphrey was selected as one of the winners of the El Paso Exchange Club scholarship following tryouts by a number of twirlers.

Miss Humphrey will serve as a major-ette for the famed Miner Band of Texas Western College, which performs at all of the Miners football games and on other occasions.

ICE HOUSE CHANGES HANDS

Mr. and Mrs. Paul Phillips have bought the ice business from Howard McDaniel, and have taken charge this week. They have been residents of Eldorado a number of years. It is understood that McDaniel will work on a ranch.

W. G. McAlpine and family went to San Angelo Monday afternoon with Harlan, who took the night train to Houston, for his Navy physicals.

STATEMENT

of the ownership, management, and circulation required by the Act of Congress of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (39 USC 233) Of the Eldorado Success published weekly at Eldorado, Texas for October 1, 1950.

1. The names and addresses of the publisher, editor, managing editor, and business managers are:
Publisher, Fred Gunstead, Eldorado, Texas.

2. The owner is: Fred Gunstead, Eldorado, Texas.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: NONE.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was 870.

Selective Service's 14 Classifications Herewith Explained

Following is a list of Selective Service classifications and a brief explanation of the meaning of each.

I-A: Available for military service.

I-AO: Conscientious objector available for non-combatant military service only.

I-C: Member of the armed forces of the United States, the Coast Guard, the Coast and Geodetic Survey, or the Public Health Service, and certain other registrants separated therefrom.

I-D: Member of reserve component or student taking military training. (Note: Not every registrant taking military training can qualify for this deferred classification.)

II-A: Deferred because of civilian employment (except agriculture); certain classes of students.

II-C: Deferred because of employment in agriculture. (Note: Not every registrant in essential industry or agriculture can qualify for these classifications.)

III-A: Deferred because of dependents.

IV-A: Registrant who has completed service, or a sole surviving son. (Note: Many registrants do not understand either category of this classification. A "registrant who has completed service" must fit into one or more of the following categories: Full 90 days active service between Dec. 7, 1941 and Sept. 2, 1945, one full year of active service between Sept. 16, 1950 and June 24, 1948; three full years of active duty service after June 24, 1948 before being discharged. A "sole surviving son" is described in Selective Service Regulations as one "who is the sole surviving son of a family of which one or more sons or daughters were killed in action or died in line of duty while serving in the armed forces of the United States, or subsequently died as a result of injuries received or disease incurred during such service.")

IV-B: Official deferred by law.

IV-C: Alien.

IV-D: Minister of religion or divinity student.

IV-E: Conscientious objector opposed to both combatant and non-combatant military service.

IV-F: Physically, mentally, or morally unfit for service.

V-A: Registrant over the age of liability for military service.

TWO CURIOSITIES AT WESTS

Interesting things continue to happen to Mrs. C. C. West. First, a pear tree is a mass of blooms since the recent rains. . . second, she is feeding mice and garbage to an injured seagull which she is nursing, and which answers to the name of Will.

Hunter Erwin of Andrews came after his wife, who has been staying with Mrs. W. F. Edmiston, Sunday.

The Military

WITH THE 7TH INFANTRY DIVISION AT THE INCHON BEACHHEAD IN KOREA—Private Chester H. Winans, son of Mrs. C. H. Winans, Eldorado, Texas, recently landed with the 7th Infantry Division in an audacious assault through the Korean port of Inchon.

Winans and his buddies gave the North Koreans a taste of the American offensive spirit as invasion elements of the 7th Division raced toward the Seoul-Suwon highway. This action cut the enemy supply lines and relieved pressure on the UN perimeter to the south.

G. S. Cathey of San Angelo spent the weekend here with his sisters, Mrs. Van O'Hara, Mrs. Rutland, and Mrs. A. J. Halbert and his brother, Earl Cathey, and he and his wife have gone to San Antonio and Memphis, Tenn. They left Eldorado Tuesday.

Olge Halbert, Junior Williams, and William Spurgers who reported for induction on Sept. 25, have gone on to Ft. Sill, Okla., but expected to remain there only a short time before being transferred to other camps. Olge reports delay in his processing at Ft. Sill, due to omission of his X-Ray record from his papers, and states that he had been separated from the others for that reason.

Harlan McAlpine and Donald Dannheim, son of Mr. and Mrs. W. G. McAlpine and Mr. and Mrs. E. E. Dannheim, respectively, left Monday for Houston, to take their physicals for the Navy. They enlisted in the Navy recently, and expected to take their physicals a week earlier, but were delayed because the September quota had been met.

Contract Awarded On West Highway

Contract for Schleicher's remaining stretch of east-west highway has been let, and prospects are bright for paving to Big Lake by mid-summer, 1951.

Low bidder on the 14-mile stretch from the end of the present 8-mile strip to the Crockett County line, is M. E. Ruby and W. L. Barnes of San Marcos, at \$120,736. County Judge Meador was notified of the awarding of the contract Tuesday.

The contractors are ready to start work as soon as the fencing has been completed, which at the present rate will require another two or three weeks. Three crews are at work on the fencing, which is over half completed.

It is understood that the contract for remaining strips between the county line and Big Lake will be let soon. The hope is now expressed that the entire east-west road between Eldorado and Big Lake will be completed by next summer.

At the time the highway department officials were talking with Judge Meador concerning the awarding of the highway contract, they also announced that appropriation for straightening the sharp curve at the T. K. Jones railroad crossing was also being set up. The crossing has been the scene of many wrecks in past years, due to the sharp curves.

New Pump Stations To Raise Capacity

Plans to construct five new pump stations along the Ozark Pipe Line System were announced today by Shell Pipe Line Corporation, operator of the line which is owned by Shell and The Texas Pipe Line Company. The new stations and modifications of existing stations will increase the capacity of the system approximately 68,000 barrels daily. T. E. Swigart, president of Shell Pipe Line, said it is hoped the stations will be in operation by the spring of 1951.

Behind the need for increased capacities in the system is the development of new "reef" oil fields in Scurry, Borden and Kent counties, Texas, and the enlargement of Mid-western refineries. A total of 115,000 barrels daily from the new "reef" fields alone is scheduled to be pumped into the Basin System this month at its Colorado City station, and much of this oil is for delivery via the Ozark System and its Patoka extension.

The five new Ozark stations will be located near Wildhorse and Fairland, Oklahoma, and Lawrenceburg, Swedeborg and Labadio, Missouri. Plans call also for modification of the pumps in the five stations completed last year.

Two New Members Join Lions Club

Roy Phelps and Wayne Griffin were enrolled as new members when the Lions Club met in regular session Wednesday noon in the Memorial Building. Present were 40 members and 6 guests.

Shell Official Hunt showed a film on a pipeline and gave a talk on the Petroleum industry.

Lion Blakeway reported that the skating rink which the Lions are sponsoring is proving popular.

GIRLS' SEXTETTE ORGANIZED

Members of this year's high school girls' sextette are Margaret Ellen Edmiston, Sue Shilling, Helen Morgan, Carolyn Ratliff, and Lola Beth Ballew.

RESTRICTIONS ON 1951 COTTON ARE DONE AWAY WITH

Dwindling cotton supplies and a short crop this year led the government Tuesday to lift restrictions on cotton production next year and call for a larger crop.

Secretary of Agriculture Brannan announced that farmers will be free to grow all the cotton they want to. Rigid acreage allotments and marketing quotas in effect this year will be withdrawn for the 1951 crop.

The secretary's action came on the heels of a sharp advance in cotton prices this summer and an increase in demands from both domestic and export markets. Some of the increase grew from the defense program.

Brannan said at least 16,000,000 bales of upland cotton should be grown next year—an increase of about 66 per cent over this year's small crop of about 9,880,000 bales.

A large increase in cotton acreage in Schleicher county is expected for next year.

WILDCAT DRILLING

Argo Oil Corp. No. 1 T. C. Meador, Schleicher county wildcat 3½ miles northeast of the Eldorado Canyon field, Monday was drilling at 3,520 feet in line after logging show of oil from 3,434 to 3,442 feet. Recovery was nine inches of brown lime and shale with trace of oil stains and five feet and three inches of black shale on a core from 3,442 to 3,449 feet.

TO ATTEND MEETING

Mrs. Edwin Jackson, president of Sixth District PTA, will go to Austin Monday, Oct. 9, to meet with the Citizens Advisory Conference on Education. On Monday evening she will attend the inauguration ceremonies for Dr. Edgar, president of the Texas Education Agency.

Lum Davis has remodeled and painted his residence, and added a utility room at the rear.

Biggest Season Is Ahead For State Fair

Ready to open its gates in Dallas Saturday (Oct. 7), unveiling its long-heralded Mid-Century Exposition, the 1950 State Fair of Texas appears destined to produce all its own previous world's records for state fair attendance.

More than 2,225,000 visitors are expected to throng the 187-acre, \$35,000,000 showgrounds during the fair's 16-day run, Oct. 7-22.

The strong appeal of this edition, officials point out, is due to the most exciting lineup of special events, entertainment and educational attractions ever offered by a state fair, and to the Mid-Century staging which offers "a nostalgic salute to the first half-century and a fascinating preview of the second."

Heading the field of entertainment is "South Pacific," the musical hit of the mid-century, with Janet Blair and Richard Eastham, playing 24 performances in the Auditorium. Sharing the spotlight, glamorwise, is the world premiere of the 1951 version of Ice Cycles.

Topped by Sally Rand and her all-new musical revue, Midway shows will include Moon Mullican, top hillbilly recording artist and composer of "Jole Blon," and eleven other Western stars in the State Fair Hillbilly Jamboree. Diane Ross and her sarong-stealing monkey, with Tirza in her wine bath, will appear in "Peep Show." Betty Lou Williams, 14-year-old "four legged girl," is lead-off attraction in an unparalleled circus of oddities.

The fabulous "Sky Wheels," 90-foot-high double ferris wheel, has been set up at the entrance to the Midway. At the Diamond Garter, new Midway refreshment center seating 1600, "The Drunkard's Daughter," hilarious preaching against sin and gin, has been in rehearsal for days.

Another new free attraction, highlighting the mid-century theme will be a mile-long spectacle, the "Parade of the Decades," which will wind its way around the grounds nightly. Leading the parade will be the authentic Plymouth Kiltie Band from Detroit, marching in kilts and 10-gallon hats. On opening day, the parade also will be presented in the afternoon.

Livestock feature is the All-American Jersey Show, nation's largest cattle breed show. The "world's champion cow," Orriand Signal Vol. Sable, will be enthroned in a royal purple stall.

Final tabulation of entries in the Mid-Century Livestock Exposition reveal a grand total of 4424 head of livestock, 1262 more than last year, making this the largest show in the Fair's history. There are 593 head of beef cattle entered, 620 dairy cattle, 680 swine, 303 sheep, 90 Angora goats, 100 Quarter horses, 60 Palominos, 122 American saddle horses.

In the Junior Livestock Show, 1856 head have been entered by 405 4-H Club boys and girls and Future Farmers. Twenty-two states are represented in the 28-breed shows. Premiums total \$72,659.

One of the nation's most famous paintings, "Washington Crossing the Delaware," on loan from the Metropolitan Museum in New York, will be exhibited free at the Fair's Museum of Fine Arts.

Peacetime possibilities of atomic energy will be depicted in the free Science Show by the American Museum of Atomic Energy. Included will be a "working" 20-foot-high model of the atom pile at Oak Ridge, Tenn., and displays from leading industrial research laboratories.

With entries closed in the five classifications of the Women's Division, hundreds of articles ranging from delicate lace and crochet work to canned goods are on display ready for Saturday.

Other free shows inside the grounds, which help make the Fair the biggest educational and entertainment bargain in the world, include amazing high acts twice daily on the Magnolia Stage, the nation's largest display of farm machinery, the South's largest automobile show, and thousands of things to see in the big General Exhibits, Foods, Agriculture and Poultry buildings, Aquarium, the Health and Natural History museums, and Hall of State.

Important special events during the Fair's first week include Rural Youth Day, when 100,000 4-H Club boys and girls, Future Farmers and Homemakers are expected; Negro Festival Day, Oct. 9; Old Settlers Day, featuring old fiddlers, grand-beauty, husband and wife calling contests, and an enormous free square dance, Oct. 11; All-College Day, featuring college football games between Texas and Oklahoma, and SMU and Oklahoma A & M, both on Oct. 14.

Mid-Century free fireworks fiestas will be presented in the Cotton Bowl nightly on Oct. 12, 13, 17, 18, 21, and 22.

EAGLES DEFEAT SCRAPPY TEAM FROM MASON

Friday night the Eldorado Eagles used 24 players, while rolling up 34 to 6 victory over the scrapping Mason Puncers. Led by their versatile quarterback Gerald Hicks, and by such hard charging fighting linemen as T. Biggs, R. Sofge, Joe E. Spencer and John Phillips, the Eagles capitalized on several good breaks to win with ease. Captain Gerald Hicks and fullback E. H. Nixon were the offensive sparks, and Capt. Glenn Biggs and end Roger Sofge were the mainstays on defense.

Hicks scored three touchdowns himself and set up two more. Hicks scored on a bootleg through right tackle good for 16 yards. Nixon added the point after touchdown.

E. H. Nixon threw a pass to Roger Sofge good for 42 yards and a touchdown. Again Nixon added the Point After Touchdown. In the second half Nixon took the kickoff on his own 30 and handed off to Gerald Hicks who went 70 yards for a touchdown. Nixon added his third point after touchdown.

About the middle of the third quarter, Hicks went off tackle for eight yards and a touchdown. Again Nixon was good.

A few plays later Eldorado covered a fumble on Mason's 12-yard line. Farrington, taking a hand off, went off left tackle, good for TD. Nixon kick was wide. Score, 34-0.

Late in the fourth period quarterback Johnson of Mason handed off to Gamble, who carried from the 6-yard line to pay dirt. The try for extra point was no good. Final score, 34-6.

MENARD TOMORROW

A large crowd of local fans is expected to accompany the Eldorado Eagles team to Menard tomorrow night for the second conference game of the season.

Menard came over here last year and defeated the Eagles 7 to 6. The present undefeated Eagles are hoping they will be able to reverse the Menard score tomorrow.

Sixth District PTA Instruction School Is Held On Thursday

Mrs. Edwin Jackson, President of Sixth District PTA, conducted a school of instruction for Sution and Schleicher Counties on Sept. 27 in Sonora.

Mrs. Frank Patmesil, vice president of Sution and Schleicher counties, presided. The meeting started at 10 o'clock. Two and one half hours were spent in the discussion of the objects of PTA.

A luncheon from 12:30 until 1:30 was served in the school cafeteria. From 1:30 until 3 o'clock policies, purposes and potentialities were discussed.

Mrs. Jackson urged members to take parliamentary procedure courses. Also to read publications for the national and state organizations.

Those attending from Eldorado were Mrs. Edwin Jackson, Mrs. Carroll Ratliff, Mrs. John Williams, Mrs. James Williams, Mrs. W. J. Humphrey, Mrs. G. J. King, Mrs. Gus Love, and Mrs. Jess Walston.

Mr. and Mrs. W. G. Godwin had as guests Sunday Mrs. Godwin's mother, Mrs. J. O. Cowart and her nurse Mary Hamer of San Angelo, and Ann Cowart. The family moved to San Angelo recently from Dallas.

EAGLETS PLAY MENARD JR. ON THURSDAY

The Eldorado Eaglets square off against the Menard Juniors on Thursday night at the local field at 7:30. It will be the Eaglets' first game. Menard has played one, losing to Junction last Thursday night.

Next week the young Eagles journey to Ozona, then to Menard on Oct. 19, and play Ozona again here on Oct. 26. Admission to the games will be 10 cents and 25 cents.

The average weight of the men who will be in the starting lineup is 111 pounds. Here is the probable starting lineup:

Name	Pos.	Wt.
Jim Steward	LE	116
Bill Gaynor	LT	122
Maurice Valis	LG	112
Clyde Bauguess	C	105
Herman Carroll		91
Ronnie Mittle	RG	125
Kenneth Love	RT	118
Jerry Pennington	RE	131
Tony Kerr	B	88
Harold Rutland	B	119
Berney Sheffield	B	96
Harold Lloyd	B	91
Squadmen and weights:		
R. J. Alexander	81	78
Frank Prochaska	78	78
Ralph Taylor	92	Donnie Parker,
83; Bob Ratliff	86; Elmer Stires,	122; and Roy Stevens, 110.

Jonnie Lee Dickens Weds Former Sonoran

Jonnie Lee Dickens, daughter of Mr. and Mrs. Reuben Dickens, married to John Lee Barrows, son of Mr. and Mrs. J. E. Barrows of Sonora at 10 a.m. Saturday, Sept. 30. Rev. Roy Shilling, Methodist pastor, read the single ring ceremony in his home.

The bride wore a hunter green tailored suit with black and gold accessories and a corsage of white gardenias and stephanotis. Her attendants were her sister, Miss Carol Lynn Dickens, who wore a grey suit with black accessories, and Mrs. James Cook of Sonora, who wore a grey suit with black and red accessories. Neill Dickens, brother of the bride, was best man.

Out-of-town guests were the bridegroom's sister, Miss Josie Barrows of San Angelo and the bride's roommate at SAC, Miss Araminta McGilvray.

The couple left immediately following the ceremony for a short wedding trip to Monterrey, Mexico, and on their return Monday evening, are at home in San Angelo at 79 E. 18th St.

The bride, a 1950 graduate of DHS, is attending SAC, and Mr. Barrows is employed at the Kimball Foods Co. He attended Sonora schools preceding 4 years service in the U. S. Navy and until recently was employed at Sonora Grocery in Sonora.

Mrs. S. D. Stevens, who has been at Snyder the past week with her husband, returned to Eldorado recently, and took her young twins, Duane and Deborah, home with her. The babies had been staying with their grand parents, Mr. and Mrs. F. B. Calcote, since their birth.

Mrs. W. W. Chrestman has returned from a visit in Wichita Falls and Burkburnett, and her niece, Mrs. Bobby Jenkins accompanied her home Saturday.

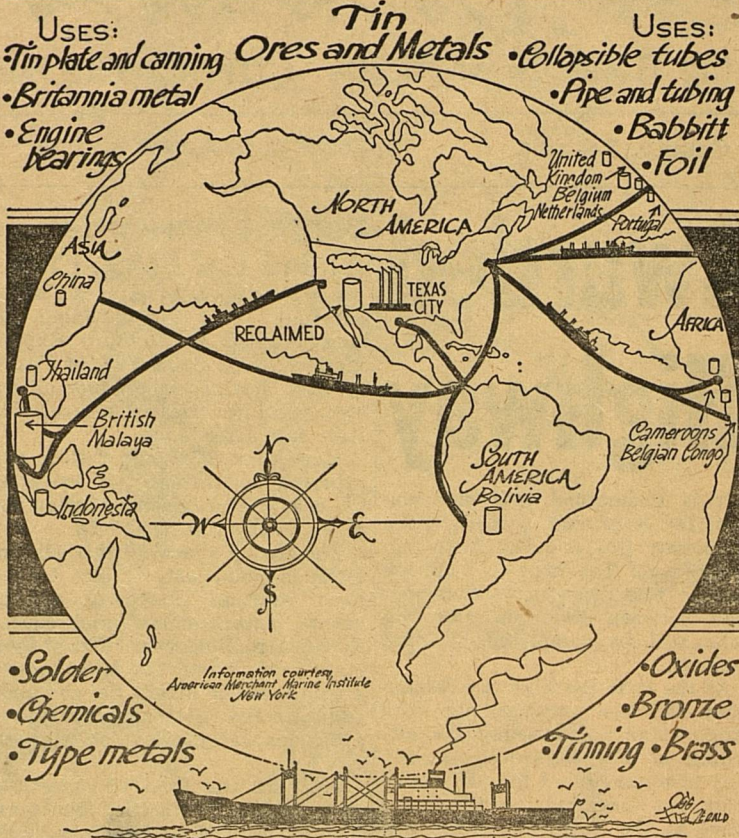

Mrs. W. M. Bearce, who recently returned from a visit with her daughters in Austin, has been hospitalized in San Angelo several days recently, but has returned to Eldorado.

Jack Whitley has moved from Sonora to Ozona, Juno route. He was visiting in this city Monday.

Mr. and Mrs. W. J. Wooster have been visiting Mrs. Wooster's sister, Mrs. W. W. Chrestman and Mr. Chrestman in Eldorado recently.

Mr. and Mrs. E. W. Williamson of Odessa spent the week end here with his grandmother, Mrs. W. F. Edmiston.

STOCKPILING FOR DEFENSE

Almost 80% of the tin used in the U.S. must come from foreign sources. American merchant ships are playing a leading part in bringing strategic metals to this country. The sealines over which these ships travel have been called by the Navy "U.S. Life Lines"

Methodist Circles In Joint Session

Mrs. Arthur Davis presided and Mmes. Taylor, Holcomb, and Waldron were hostesses when the Woman's Society of Christian Service met Oct. 2 in the Methodist church for their regular monthly meeting.

The group voted to pay for study books from the general fund and to pay Mrs. Davis' expenses to the Kerrville assembly.

Mrs. Albert McGinnes and Mrs. Nora McDonald will represent the local WSCS at a meeting in Austin Oct. 10-12.

It was voted to dispose of the sofa in the basement. A committee of Mmes. Holcomb, Ogden and Steen was appointed to procure a cover for the piano.

The circle count revealed that Circle 1 had 8 present; Dorcas, 8; and Lydia, 9.

Mrs. Hight gave the program on "That Healing Power He Lends."

Twenty-seven were present, including a guest, Mrs. Furr.

GIRLS, WOMEN SAFER FROM FIRE DANGER

Girls and women are safer from fire at home today than they have ever been, as a result of improved modern equipment.

Insurance statistics show that the death rate from burns and scalds has fallen to less than half of what it was 15 years ago.

Attributing the decreased number of deaths from fire in the home to great advances in home lighting, cooking and heating facilities, and to wide safety education, the National Board of Fire Underwriters reminded housewives that home fires still take a huge toll every year.

7,000 Home Fire Deaths

With all the conveniences that have combined to make life simpler and safer, 7,000 or more persons still lost their lives in home fires each year, the fire authorities added. Mechanical improvements can achieve just so much in matters of safety, they pointed out, then human responsibility enters.

Asking all householders to observe Fire Prevention Week this year by looking over their homes for fire safety, the National Board suggested these rules be followed:

1. Keep basement, closets and the attic clear of all rubbish, or unnecessary stored furniture.
2. Have electric wiring checked by a qualified electrician. Don't try to be a home handyman yourself. You may cross your wires and be short one home.

Clean Furnace

3. If the furnace and chimney haven't been cleaned this year, this would be a good time to have it done, so they will be in good condition for the first cold days.

4. When buying new electrical appliances, be sure they bear the marker of the Underwriters Laboratories Inc., to show they've been tested for fire safety.

5. Always have a metal screen in front of the fireplace. A check of fire deaths in one state last year showed that the worst cause of fatal fires was unprotected fireplaces.

6. Never use gasoline for dry-cleaning at home. If you must dry-clean at home, use cleaning fluids that have been U. L. tested.

7. Keep portable heaters in good condition, and place them so they won't be tipped over easily by children.

8. Don't allow smoking in bed. Matches and careless smoking remain the single worst cause of fire in the home. See that there are enough ashtrays in all rooms.

W. R. Lewis of Brownwood has been spending several days with his sister Mrs. B. E. Moore and Mr. Moore.

Ray Doyle of Odessa spent the week end with home folks in Eldorado.

Ruby and Elsa Lee Harper, of Santa Anna arrived here Tuesday evening to visit their brother, S. D. Harper and his family.

Cotton Farmer Asked To Store Cotton Seed For Planting In 1951

College Station. — The present world situation and weather conditions over much of the cotton producing areas of the nation can have a strong bearing on the 1951 cotton crop in the United States. World conditions have materially increased the demand for cotton and weather conditions are very unfavorable at this time so far as the production of high quality planting seed for 1951 are concerned.

According to Fred C. Elliott, extension cotton work specialist of Texas A. & M. College, the seed situation is so bad that steps must be taken immediately to prevent an actual shortage of the better adapted varieties of planting seed for next year. He says too much moisture at harvest time materially affects the keeping qualities of cotton seed. When seed that is high in moisture and free fatty acids is stored, heating occurs and this causes seed losses as well as poor germination. He says there is practically nothing that can be done to take care of the free fatty acid problem but that good storage facilities and the proper handling of the stored seed will help some and will hold the damage that can be caused by too much moisture to a minimum.

Elliott says that all reports indicate that the demands for cotton will remain high. No announcement has yet been made regarding the probable acreage of the 1951 crop but indications are that it will be much larger than the 1950 acreage.

With these facts in mind, Elliott recommends to farmers who have a good seed supply of the better adapted varieties of cotton, that they store this seed for 1951 planting purposes. Good gin-run seed of the adopted variety should be saved in each area to take care of the maximum acreage that might be planted in the gin community in 1951.

E. R. Bryant was notified Sunday noon of the serious illness of his mother, and left immediately for Rule, to visit her.

Recipe of the Week

Sweet Potato Pork Pie
 1 pound cubed pork.
 1 tablespoon fat
 3 cups cubed potatoes.
 1½ cups fresh or canned peas.
 4 small onions, halved.
 2 tablespoons flour.
 2 tablespoons water.
 1 teaspoon salt.
 1/8 teaspoon pepper.
 Biscuit dough.

Cook the pork in the fat until lightly browned. Add water to cover. Put on a lid and simmer meat until almost tender—about 1 hour. Add the sweet potatoes, peas (if fresh), onions and water to cover vegetables. (If canned peas are used, do not add until the last 5 minutes of cooking.) Cook for about 20 minutes or until the vegetables are tender.

Make a paste of the flour and the 2 tablespoons water. Add a little hot liquid from the stew. Then add paste to stew, stirring constantly. Season with salt and pepper. Pour hot mixture into a greased baking dish. Top with biscuit rounds. Bake in a hot oven (450 degrees) 20 to 25 minutes or until biscuits are browned.

Dramatic Club To Present Play
The Dramatic Club, under sponsorship of Mrs. Gary, will present a melodrama next Tuesday night, in the new auditorium.

The melodrama which the club has chosen is *Curse You Jack Dalton*. The cast is: Mrs. Dalton, Ebba Jean Blaylock; Jack Dalton, Roger Sofge; Eloise Dalton, Rita Ann Elder; Anna Alvarado, Sue Shilling; Egbert Van Horn, Derl Griffin; Bertha Blair, Betty Doyle; Richard Blair, Durward Rutland.
For the play, which will start at 8:00, an admission of 15 and 35 cents will be charged.

Proceeds of the play will be used to equip the dressing rooms. New stage equipment will be used in the production Tuesday night, and patrons will be invited backstage afterward to inspect it.

ATTEND ASSOCIATION MEETING

The First Baptist Church of Eldorado and the Bailey Ranch Baptist Church were well represented at the conference on Methods and Missions held in San Angelo Tuesday. The Association, of which Mrs. Jim Hays is president, held an all-day session, with Mrs. J. H. McClain a state WMU worker, in charge of the school.

The meeting was held mainly for the new officers who have taken over their new duties. Attending from the Bailey Ranch Church were Mrs. Archie Mittel, Lula May Green and Mrs. Edgar Spencer; from the Eldorado church were Mrs. Ed Finnigan, Mrs. Walter Roy Davidson, Mrs. Morris Jones, Mrs. Jim Hays, Mrs. Fred Watson, Mrs. John Stigler, and Mrs. Weldon Davis. There were 122 present, 12 churches reporting out of 18.

WMU CIRCLE NO. 1
Circle No. 1 of the Baptist WMU met at the home of Mrs. W. R. Davidson Monday afternoon.

The Circle was organized for the coming year and committee chairmen appointed. The mission study book, "Century in Nigeria" was partially reviewed by Mrs. Lavelle Meckel, Study Chairman. It was voted that one of the projects would be making quilts for the Mexican Mission Home in San Antonio.
Refreshments were served to 13 members and 3 children.

BAPTIST CIRCLE 4

Circle No. 4 of the First Baptist W. M. U. met with Mrs. Ed Finnigan Monday afternoon. New officers were appointed for the coming year.
Mrs. Kenneth Cheek led the mission study on Africa. Eight members and one child were present.

Mr. and Mrs. W. O. Alexander returned Monday night from Houston. They were accompanied to Houston by Ollie Jr., who returned to the veteran's hospital there, after a ten-day visit in Eldorado.

SCHLEICHER TEST SHOWING
3,837-839 IN LIME

Argo Oil Corp. No. 1 T. C. Meador, Schleicher County wildcat, was Wednesday coring from 3,844 feet in lime after logging shows.

A core from 3,834 to 3,844 feet yielded nine feet of lime with shale streaks. Section from 3,837 to 3,839 feet was lime with good porosity and bleeding oil. The section was thought to be Wolfcamp. No. 1 Meador is in section 16-LI-TORR, six miles north and slightly west of Eldorado.

Frank Frankel and George Frankel No. 1 R. S. Williams, wildcat in Schleicher County almost on the Irion County line, was making hole at 3,555 feet in shale and lime.

ENTERS NURSE'S TRAINING

WACO, Texas—Miss Jerry Blaylock, Baylor University coed from Eldorado, has enrolled in Baylor's new on-campus nursing program this year, Dean Zora M. Fiedler, of the School of Nursing, announced. Under the new system, student nurses will attend Baylor in Waco for one year to get their basic science and social science foundation. They will then go to either Baylor Hospital in Dallas or Hillcrest Hospital in Waco for two years of study and supervised hospital experience. The nursing students will return to the Waco campus for one year of advanced study, and will then be granted a bachelor of science degree in nursing, and the Registered Nurses certificate. Miss Blaylock is the daughter of Mr. and Mrs. W. A. Blaylock of Eldorado.

GUESTS AT DINNER

Eldorado girls who are students at San Angelo College and living in the new dormitory for women, Carr Hall, were Sunday dinner guests of President and Mrs. W. L. Winstead at the Cactus Hotel.

From all reports the girls are finding dormitory life at San Angelo College pleasant and exciting and satisfying.

The young women from Eldorado attending the dinner were: June Craig, Jane Craig, and Joyce Burk. Twenty-two young women from Carr Hall were in the party.

NEW LIBRARY BOOKS

Two copies of "Texas Tomboy," by Lois Leuski, were donated by a friend. "The Edge of Time," by Loula Grace Erdman, is the newest book from the Young People's Guild.

Guests in the home of Mr. and Mrs. W. G. McAlpine Sunday were Juanita McAlpine of Abilene, Mrs. Alma Averitt and children of Big Spring, Mr. and Mrs. S. G. Danford of Sherwood, Mrs. Bill Ratliff and children of San Angelo, and Ben Biggs and Chester Biggs and their families of Eldorado. Dinner was served at noon to the group.

Mr. and Mrs. Ray Bruton had as guests for the weekend Mrs. Bruton's parents, Mr. and Mrs. B. L. Hughes, and her grandfather, J. R. Winstead, Sr., all of Brady.

HOME FIRES WILL STRIKE ONE FAMILY IN HUNDRED

There is one chance in a hundred that there will be a fire in your home this year.

That is the warning given by the National Board of Fire Underwriters, which has just issued a new booklet that takes home owners on a tour of their homes, in search of fire hazards.

Issued to help Americans cut down their yearly total of 400,000 home fires, the booklet is titled "The Fire Safe Home." It supercedes another booklet of the same title, more than 2 million copies of which were distributed.

"It doesn't take a detective to discover a fire hazard," the new booklet points out, and then reviews the hazards to be found in each room of the home. In each case, advice is given on methods of removing the hazard.

Copies may be obtained free from the National Board of Fire Underwriters, 85 John Street, New York City.

Guests of Mr. and Mrs. Lum Burk last week were Mrs. Sam O'Rear of Denton, and Mrs. W. E. Baker of Ft. Worth. Other guests in the Burk home were four SAC students, their daughter Joyce, and June Copeland, Tootsy McGillery and Jeanie Milton, who attended the ballgame here, then went on to Uvalde.

Mr. and Mrs. Robert Calcote of Rankin are home visiting the former's brothers, Nig Calcote, and Buster Calcote, who had a major operation last week.

Mr. and Mrs. Carl Baldwin and son Jack of Winters visited during the past weekend with their daughter, Mrs. Duward Awalt and her family here.

Mr. and Mrs. W. E. Bruton had as guests Sunday the former's brother, C. A. Bruton, and his wife, of San Angelo.

ROPERS STAGE GOOD SHOW LAST SUNDAY

The new calves were roped for the second time Sunday when the Eldorado Ropers staged another show at their local arena.

Here are the results of Sunday's roping:

First Jackpot, John Rae Powell, 13.9; Joe B. Chapman, 14.4; Ollie Phillips, 14.9.

Second Jackpot, Charlie Davidson, Ozona, 15.1; John Rae Powell, 17.8; Joe B. Chapman, 18.

Matched Roping, 4 calves, (considered best of the year), Little Bob Bailey, Ozona, 62.8; Mack McClennahan, Ozona, 64.1.

Because of the roping at Sonora next Sunday there will be no show here. The next local roping will be a week from Sunday. It is hoped by that time to have the new arena lights in operation for practice and for jackpot roping.

There is possibility that the calves will be leased to Sonora ropers for their big roping next weekend.

Mrs. Horace Linthicum has had as her guest her mother, Mrs. G. E. Barry of Cisco.

Mr. and Mrs. Jack Montgomery and sons spent the weekend with Joe Bailey Montgomery at San Antonio and all attended the game there.

Mrs. Mabel Parker, Mrs. Edwin Childers, Mrs. E. H. Coulter and Mrs. J. B. Montgomery attended the Eastern Star meeting Tuesday night at Big Lake.

Nolen McDonald has returned from Mason where he spent several days.

Mr. and Mrs. Bert Page went to San Angelo today upon receiving word that a friend, Mrs. Ben Stipes, was to undergo surgery.

Mr. and Mrs. J. W. Smith of Snyder visited several days with Mr. and Mrs. R. L. Wilson.

Sale of a bull, and additional gifts to the sale brought in \$690 to West Texas Boys' Ranch. The Aberdeen-Angus, donated by Jess Koy, was sold for \$430, and others donated a total of \$260.

AUTO LUBRICATION saves wear. Squeaks fray your nerves, but they fray the parts of your car worse! Better bring your car to us for expert lubrication before expensive repairs are necessary. —Clark's Texaco.

GIN TOTALS

Gin totals at 10:00 today, Thursday, are:
Moore's Gin 486
Mikeska Gin 746
TOTAL 1232
Cotton is coming in steadily and gins are working overtime to handle it.

SINGING SCHOOL OPENS MONDAY, OCTOBER 16

A two-weeks' singing school, to be taught by Lonnie Sockwell of Eden, will open in Eldorado at the Memorial Building, Monday night, October 16. The sessions, all of which will be held at night except on the closing day, will open at 7:00 p.m.

On the 29th, the closing day, an all-day singing is planned. The opening time will be at 10:00 that Sunday morning, and this will be followed at noon with a basket dinner and in the afternoon with another session of singing.

The school is for the benefit of the entire county and the public is cordially invited to attend.

Mr. and Mrs. Edward Meador were in San Angelo last week with their son Lynn, who underwent surgery in a hospital there.

Rev. Roy Shilling returned this week to San Antonio, where he has been assisting with a city-wide revival, under sponsorship of the Federal Council of Churches. He expected to spend several days there.

The Bailey Ranch Church honored Donald Ray Dannheim with a luncheon after the services Sunday, and presented him with a gift from the church. He left Monday for service in the Navy.

Mrs. Dora Oliver reports that her son-in-law, Otis Buie, who suffered a heart attack recently, is improving.

Mr. and Mrs. Eddie Peel have returned from a month's stay in San Angelo, where Mr. Peel has been employed, and where they have been living in an apartment during their residence there.

INEXPENSIVE auto lubrication saves buying expensive replacement parts. For economical driving, let us lubricate your car regularly. —Clark's Texaco.

Guests of Mr. and Mrs. S. L. Stanford and Mr. and Mrs. J. E. Estes during the week end were Mrs. Estes' brother-in-law and sister, Mr. and Mrs. J. A. Fisher, of Eastland.

Presbyterian Women At District Meeting

Sterling City Presbyterian women were hostesses when the women of the district were entertained with an all-day meeting in the church there. Churches represented were Eldorado, Roscoe, Sterling City, San Angelo and Sweetwater. Attending from Eldorado were Mrs. John Williams, Mrs. Edwin Jackson, Mrs. Sam Jones, and Mrs. Bert Page. A luncheon was served at noon.

The women who were present were members of Presbyterian Women of the Church, formerly called Auxiliary.

George Strickland and his son Melvin of Leaky visited Saturday with Mrs. J. D. Ramsey.

Mrs. J. H. Browder, daughter of Mrs. C. C. West, of Memphis, Tennessee, and Ben Hutto, Mrs. West's nephew, visited recently in the West home, and have returned to their homes.

John E. Rogers and his family have returned to their home in Long Beach, Calif., after visiting his mother, Mrs. Lillian Rogers. While here, John and his family, Mrs. Rogers and Ann, Mrs. I. M. Fickling of Ft. Worth (Mrs. Rogers' mother) Mrs. Dan L. Marshall and daughter and Mr. and Mrs. W. D. Rogers of San Angelo spent the weekend at Idalou with Mr. and Mrs. W. L. Johnson and children. The Johnsons are teaching in the Idalou school.

FLATS FIXED—Invite us to your next blowout! You will be on your way again in a jiffy. —Clark's Texaco.

Mr. and Mrs. R. L. Felder of Chapel Hill stopped here Sunday night and visited with Mrs. C. M. McWhorter. They were on their way by plane to California, to attend the Airmen's Farmers' Convention. They expect to stop again in Eldorado on their way home.

Don McCormick has converted a front bedroom in his house into a garage.

Mrs. B. F. Jones, who has been sick, is improving.

Mr. and Mrs. Sam McGinnis spent the week end in Eden and Menard.

FLATS FIXED in no time! We fix flats in a twinkling. Call us for speedy service. Invite us to your next blowout! —Clark's Texaco.

HOLCOMB CLINIC

Mrs. Fred Logan, hospitalized. Mrs. Cramer Sofge, fractured foot bone. John Bledsoe, surgery. J. M. Carter, fractured ankle bone. Buster Calcote, resting well after surgery last week.

WOMAN'S CLUB TO MEET

The Woman's Club will meet Tuesday at 2:30 in the banquet hall of the Memorial Building.

Miss Eudora Hawkins of Abilene (of West Texas Utilities Co.) will show a movie on the American Home. Hostesses will be Mrs. Ken Ogdin and Mrs. Stanley Gaynor.

CIRCLE 2 MEETS

Circle No. 2 of the First Baptist Church met at the home of Mrs. John Stigler, with Mrs. Jim Hays lesson leader from the mission book. Refreshments were served to seven members and two children.

John Bledsoe has been in the Holcomb Clinic for minor surgery.

Mrs. L. D. Ochsner spent the day Tuesday in Sonora, with her daughter, Mrs. Harold Schertz, and her grandson Dorr, who has been on the sick list.

Mrs. I. E. Lloyd of Orient, Texas, visited for a few hours with Mrs. W. E. Baker and Ruth last Friday. Mrs. Lloyd and Ruth were school friends at NTSC and had not seen each other for several years.

Mr. and Mrs. B. L. Blakeway spent two days in McCamey with Mrs. Blakeway's parents, Mr. and Mrs. Jess Thompson. They report that Mary Thompson, who enrolled at Howard Payne this fall, has returned home and expects to find work, probably in McCamey. She graduated from EHS this spring.

Peggy Lord of Cheapside, cousin of Mr. and Mrs. Tom Johnson of Eldorado, won a state prize recently on the subject, "Why It's Good Business to Hire the Physically Handicapped," and as a prize received a free trip to Washington. She is now a Freshman at the State University where she is taking a journalism course.

Calishing of the streets of Eldorado continued today, under favorable weather conditions. County equipment is on this job.

Marshall Davis, minister of the Rock Church of Christ, has been elected to preach for another year at the local church.

Prevent Farm Fires By Checking Hazards

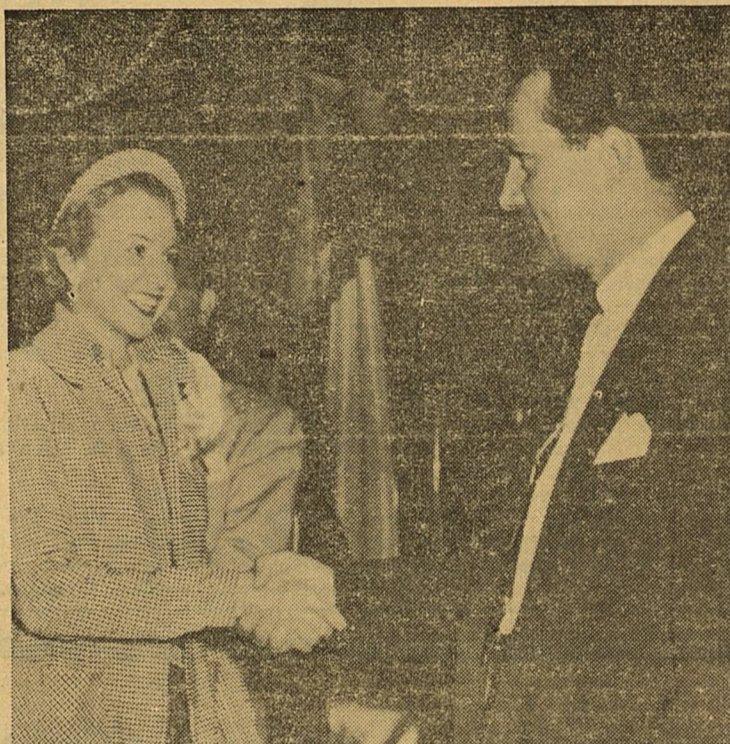

College Station.—The week of October 8-14 is "Fire Prevention Week." Texas farm families can well afford to take time out during this week to check the farmstead for fire hazards. W. L. Ulich, extension agricultural engineer of Texas A & M College, says that regular checking of farm buildings for fire hazards and the removal of the hazards will prevent many fires.

Each year in the United States, he says some 3,500 residents of rural communities lose their lives in fires. The farm fire loss amounts to about \$100,000,000 annually. Many farm buildings are under-insured or carry no insurance at all and with some building materials at all-time peak prices and others impossible to get, you just can't afford to have a fire, he says.

Since most farm buildings are of wood construction and built with little thought for fire safety, care must be exercised at all times in the use of the buildings. Hay, grain, fuels and most other materials stored on farms burn rapidly and usually no fire fighting equipment is available for putting out fires while they are small. The wise thing to do then, says Ulich, is to remove the possible causes of fires on the farm.

He says that records kept by the National Fire Protection Association shows that most farm fires are caused by defective chimneys and heating apparatus; combustible roofs; lightning; spontaneous ignition; misuse of electricity; careless smoking and handling of matches and the improper use and storage of gasoline and other farm fuels.

A thorough check of the farmstead will reveal these hazards if they exist on your farm, and the needed repairs or removal of the hazards should follow their location, says Ulich. Delay could cost most any farmer, in a few minutes,

GOV. ALLAN SHIVERS of Texas congratulates Miss Virginia Hamilton of Dallas for being chosen as Miss Confederacy by Southern manufacturers sponsoring \$15,000 "What Dixie Means to Me" contest. The contest is part of a South-wide campaign to publicize the many advantages of living and working in the South.

all of the work he has done for years in getting on his farm good buildings and equipment.

Ulich points out that every farm should at least have available such fire fighting equipment as fire extinguishers, water pails and if water under pressure is not available, barrels filled with water and located at strategic points will help. Garden hose and a pressure water system provide valuable protection. Ladders should be available for reaching roofs or other high places. Cisterns or stock tanks located near the farmstead furnish good water supplies for the pumper trucks is a fire department is

available. Family fire drills help to keep each member of the family informed on how to operate the equipment and how to get it into operation in the shortest possible time, says Ulich.

Mr. and Mrs. James Guthrie have returned to their home in Chicago after a visit with Mrs. Guthrie's parents, Mr. and Mrs. Bob Sproul. They were accompanied as far as Bellville, Ill., by Mrs. Sproul, who visited her son and his family Mr. and Mrs. Robert Sproul, Jr., and Robert III, age 3 months. She expects to return home by plane.

Texas Women Make United Nations Flag

College Station.—Thousands of modern Betsy Rosses are taking their needles in hand and making United Nations flags in preparation for celebrating United Nations Day on October 24.

Mrs. Franklin D. Roosevelt is chairman of a National Citizens' Committee which is sponsoring the program, and many city, farm, church, educational, patriotic, labor and other organizations are represented on the committee, giving a true representation of the citizens of the United States.

For 50 cents each, kits containing patterns and directions for making the flags can be purchased from the National Committee on Boys and Girls Club Work, 59 East Van Buren Street, Chicago 5, Illinois.

The United Nations flag has a deep sky blue field with a white outline of the world within a laurel wreath in the center. Any standard type of cloth may be used in making the flag, and the shade of blue does not have to be matched too closely. Patterns in the kits are designed for making flags three by five feet in size.

The purpose of the program is to emphasize the hope for peace for which the United Nations flag stands, and to make the people in every community familiar with the flag.

Bill Jones of Howard Payne College at Brownwood, visited here last week end. He is member of the team and had played with them in New Mexico before visiting his parents, Mr. and Mrs. John R. Jones.

Pancho Bradley and Ernie Bauer attended the ball game at San Antonio during the week end.

Mr. and Mrs. Dick Tucker of San Angelo visited Mr. and Mrs. C. C. Henderson Sunday.

Jack Welch of Crowell visited recently with Mr. and Mrs. Thomas Richard Jones.

Get a
FORD "PHYSICAL"

Every
5000
MILES

IT MAKES good sense to have your car serviced regularly. The wise motorist makes it a habit to have his car lubricated every 1000 miles, and a complete "Physical Exam" every 5000 miles.

Take a look at your Ford's speedometer, today. If it's nearing a "5000" mile reading, bring it "home" to us for your Ford's "Physical" — which includes a thorough engine, ignition, electrical, wheel and brake check... and a complete inspection of the body, inside and out.

Make it a habit to let us check your Ford regularly to keep the top performance that's built into your car. It's the right way to catch the "little things" that can develop to make driving unsafe. You'll be surprised how much money you'll save throughout the life of your Ford, with regular Ford care.

Your Ford Dealer invites you to listen to the Fred Allen Show, Sunday Evenings—NBC network. Listen to the Ford Theater, Friday Evenings—CBS Network. See your newspaper for time and station.

We **Ford** Dealers know Fords best!

News From Our Neighbors

In the Year 1970

It seems that the country had a year for socialized medicine and the year was 1970. A fellow woke up one morning not feeling so hot and went to the Health Bureau. There he found two doors, one marked "Medical," the other "Surgical." Of course, not needing an operation, he went through the door marked "Medical" and there found two more doors, one marked "Male," the other, "Female." He walked through the door marked "Male" and there found two more doors, one "Under 25," the other "Over 25." Being over 25, he walked through that door only to find two more doors, one marked "Democrats," the other marked "Republicans." So, being a good Republican, he walked through that door and found himself right back where he started. —Brownfield News.

Rain for Eden

The month of September is coming to a close after leaving a record of being probably the moistest month of the year and one of the wettest Septembers in the book. Up to the 20th, nearly seven inches of rain had fallen here, and the past week end registered 2.21 inches more, featured by the heaviest fall on Thursday, steady showers most of Friday, and .11 inch more Sunday morning. —Eden Echo.

Youths Present Problem

Mayor H. O. Whitt said this week that the problem of local youths roaming the streets of Bronte at night has reached the point where something must be done about it. City officials are seeking the cooperation of parents of the children in keeping them off the streets after 10 p.m. unless they are with parents. Whitt said that he hopes the problem will be taken care of by parents, so that city officials will not be forced to pass ordinances making the offense punishable by law. Several cases of minor misdemeanors, such as petty thefts, have been reported in the last few weeks and citizens have asked that the city commission do something. —Bronte Enterprise.

Square Dancers Organize

The Square Dance Club met Monday, Sept. 25, at 7:30 at the country club. During the business session, the following officers were elected by secret ballot: Johnny Winslow, president; Ann Carol, vice president; Gail Kothmann, secretary-treasurer, and Ellis Klett, reporter. The board of directors elected are: Dnery Menzies, Gloria Amos, Hollis Klett, Gloria Legett, and Georgia Bradford. —Menard News.

Funds for Scout Cabin

The Modern Woodmen Lodge of Robert Lee this week donated \$400 cash to the Boy Scout cabin which is now under construction. Lodge members voted the sum from surplus funds which they had in the bank, most of which came from sale of a Robert Lee business lot.

H. E. Ivey, district Scout commissioner and chairman of the Robert Lee Troop committee, says that work will start soon on putting a roof over the new Scout building. —Robert Lee Observer.

Radio Station to Open

Construction is now under way on a new radio station to serve Junction and Kimble Co., and the tentative opening date has been set for October 14, according to James E. Calhoun, general manager. Calhoun says he has received approval from the Federal Communications Commission, Washington, D. C., and will operate the station on a frequency of 1450 kilocycles. Call letters of the station will be KMBL.

Present plans call for the station to operate 16 hours daily, starting at 6 a.m. and continuing until 10 p.m. Calhoun also said plans are being made to have a Hill Country network, originating from Junction, Kerrville and Fredericksburg. —Junction Eagle.

Picture Requested:

We don't want a cheap out of youse guys about the Want Ad we ran last week and are running again this week. It is a perfectly legitimate advertisement, and if a man wants to use that means of getting what he wants, it seems as how it should be OK. And believe you us the Avalanche got results. We do not know if the advertiser is satisfied yet or not, because all we

do on any ad like that is to deliver sealed correspondence. (Ad referred to: Young Man, Age 44, with college education has yen for ranching. Would like to contact young lady between 25 and 40 who has ranch and cattle. Please send picture of ranch and cattle. Box X, Avalanche.) —Alpine Avalanche.

Tax Bills for Pecos

Taxes are big business in oil-rich Pecos County. Wednesday afternoon the last of 4,200 statements were put in the mails to property owners of the county by the office of Tax Collector Charlie Baker, in an amount totaling \$1,333,571.77. These statements cover taxes levied for the state of Texas, for Pecos County, for the county-wide school fund, and for Sheffield and Girvin school districts—for which the county office acts as the tax assessing and collecting agency on a fee basis.

In addition to the "green-paper" statements of the county, residents of the city of Fort Stockton soon will receive "pink-paper" statements of more than \$50,000 in city taxes and "yellow-paper" notices of school taxes due in an amount of approximately \$135,000. —Fort Stockton Pioneer.

Whites to New Orleans

Dr. and Mrs. Tom White will spend next week in New Orleans, where Dr. White will attend a meeting of southern and southwestern dentists. He will also take several refresher courses offered at the meeting. —Devil's River News.

STOVE IS YOUR WORST HAZARD FOR CHILDREN

The home's worst fire hazard for children is the stove, according to a 2-year survey of children's fire deaths by the U. S. Office of Education. Of some 800 cases reported in newspapers of children dying in fires during this period, 265, or

more than half, the known causes of the fires were stoves that exploded or stove fires that were quickened with kerosene or gasoline. Warning against allowing children near stoves or other direct flame, the National Board of Fire Underwriters cautions parents not to leave children at home alone. In 250 of the fire deaths studied there was no adult in the house or nearby. In another 400 cases parents or other adults were in the house but the children were not under careful supervision.

Playing With Matches
Thirty-one children died as a result of playing with matches and

another 204 from various other causes. In 300 cases the cause of the fire was unknown. Indicative of the need for constant supervision of small children was the fact that more than half the children who died in these fires were under 5 years of age. Every year more than 2,000 children 6 years and under are killed by fire, the National Board added.

Urging parents to safeguard their children at home, the National Board suggests these rules for children's safety:
1. Place matches out of reach of young children.
2. See that they have constant supervision. If you call in a baby-

sitter, give her a telephone number where you can be reached during the evening. Be sure she knows how to call the Fire Department. Instruct the baby-sitter to get the children out of the house immediately in case of fire.
3. If possible, keep children out of the kitchen.
4. Have a metal screen in front of the fireplace to protect children against sparks, and to keep them from crawling too near the open fire.
5. Don't dress children in flimsy cottons or net fabrics unless they have been flameproofed. Use plain, closer-woven materials for fire safety.

The All-Important 10 Count

In the ring, a fighter isn't "out" until the count of 10. He also has a 10-second warning before each round.

In telephone service the ten count is also all-important for better telephone service. It works this way:

WHEN TELEPHONING, PLEASE GIVE THE PERSON YOU ARE CALLING AT LEAST TEN RINGS—THAT'S A MINUTE—TO ANSWER YOUR CALL BEFORE YOU HANG UP.

The San Angelo TELEPHONE COMPANY

Better Buy Buick!

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways—and it isn't just that boldly gleaming forefront that spreads this impression. It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving. Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating. Find out, for example, how mas-

terful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle. Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims. Then there's Dynaflo Drive,* which Buick owners vote the biggest automotive hit that has come along in years. With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the

wheel—and prices that start down with the sixes. Seems like almost everyone wants to own one of these Buicks—and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

Only BUICK has Dynaflo—
and with it goes: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders • TRAFFIC-HANDY SIZE, less overall length for easier parking and garaging, short all length for EXTRA-WIDE SEATS cradled between the axles • EXTRA-WIDE RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

RECIPE OF THE WEEK
By Mary Lee Taylor

American Cream Soup
1/4 cup finely cut onion
2 tablespoons hot shortening
2 tablespoons flour
1/4 teaspoon salt
few grains pepper
2 1/2 cups water
2 beef or chicken bouillon cubes
1 cup diced carrots
1 cup diced celery
2 cups grated American cheese
1 1/2 cups Pet Milk
4 teaspoons chopped parsley (can omit)
Cook onion slowly until yellow in shortening. Blend in flour, salt and pepper. Stir in water; heat to boiling. Add bouillon cubes, carrots and celery; cover and boil 20 min. or until vegetables are tender. Then add cheese and milk. Stir over low heat until cheese melts and mixture is steaming hot, but do not boil. Add parsley and serve. Makes 4 servings.
You Will Need:
Pet Milk, American Cheese, Onions, Beef Bouillon Cubes, Carrots and Celery.
