ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, JUNE 26, 1952

NUMBER 26

## Primary Election Ballot In Hands of Printer

A copy of the ballot for the coming Democratic primary election has been placed in the hands of the printer, and the new printed ballots are expected to be ready during the first days of July.

Absentee voting is scheduled to start on July 6th and the ballots must be ready on or before that date.

### New Chairman

One change on the county part of the ballot will come as a surprise to many of the voters in the absence of Ernest Hill's name for Democratic County Chairman. After serving in that position for over 26 years, Mr. Hill has decided to withdraw, and the name of Edwin Jackson has been submitted for county chairman.

### Squares Used

For the first time on a Texas ballot, there will be ballot squares beside the name of each candidate, and the voter can indicate his preference by using the check system or the scratch system of marking his ballot.

### Poll Tax Requested

It is being pointed out and stressed that the work of the voting judges would be speeded up if all voters will bring their poll tax receipts. We are informed that the judges are going to ask for the poll tax receipt in any case where there is a doubt about a person's right to a ballot. Those who are past 60 will have nothing to worry about since they are not issued receipts.

### MRS. MORTON'S FATHER DIES WEDNESDAY MORNING

Dr. C. W. Archer of Floresville, father of Mrs. Doyle Morton of this city, died early Wednesday morning in Floresville, according to word received by the Mortons. Rev. and Mrs. Morton left early Wednesday for Floresville to attend the funeral. The pastor will be back in Eldorado to occupy his pulpit at the Sunday services, it is understood.

### BIBLE SCHOOL CLOSSES

The Presbyterian Vacation Bible School closes Friday morning with programs in the departments at 10:00. Refreshments will be served and there will be programs following. About 50 have been attending. The Negro vacation Bible school, with Mrs. Joe Edens in charge, closed Wednesday night with a program for the community. About 23 attended this school.

Mrs. B. T. Williams, the former Regina Sauer, and her children, Dorothy, Steve and Leon, of Gussison, and Mrs. Earl Kissinger, the former Frances Williams, of Canyon City, are here visiting the Otto Sauer and other local relatives. All will also visit in Doss.

The Eldorado Success, \$2.00 year.

## Post Script

Lilburn Hazelwood is remodeling and improving a residence which he moved in from near Christoval. He is adding a bedroom and bath, also sheetrocking and putting up cabinets on the interior.

Permanent maintenance foreman has been named for the new Bailey Station. He is Dave Gregory, in charge of construction, who recently returned from foreign service with Shell, in Venezuela. He is looking for an apartment in Eldorado.

Frank Prochaska and George Cales will exchange residences, and the household goods of both will be moved Friday. Cales moves here from Kilgore with his wife and daughter, to be chief engineer of the new Bailey Station, and Prochaska goes to Kilgore to become chief engineer there. Until Mr. Cales' new residence is completed at the Bailey Station, he will live in the Shell house vacated by Mr. Prochaska. Frank Watson remains on the job as acting chief engineer at Shell.

J. D. Ashmore has completed some work on his residence including exterior painting, changing of several doors and windows, and screening in of a porch.

E. W. Brooks is adding a room and making other improvements in his house.

Earl Yates has moved his residence to a lot adjoining Ernest Sweatt in the Newlin Ray Addition, and is adding on a bedroom and porch and making other improvements.

There seems to be possibility that Jim Dan Hill, son of the D. C. Hills, who has been visiting here, may be a candidate against Joe McCarthy in the Wisconsin Republican primary. Gen. Hill is commanding officer of the 32nd Infantry division of the Wisconsin National Guard, and is also president of Wisconsin State College.

He has written several books and is a popular columnist.

The city is extending the sewer system a block past A. T. Wright's corner, and from there residents have been getting together, to take it several blocks, possibly to the Daisy Ford corner if plans materialize, there will be sewer service to the W. G. Godwin alley. This is all still in the planning stage—meanwhile the ditch is being dug south from A. T. Wright's property, to give service to Glenn Parker's new house and probably others.

To date there has been no sewer service west of the Baptist church. The plan is to be financed by the individual property owners, who advance the money, and take it out in sewer service over the coming years.

Visitors Sunday afternoon with Mrs. W. E. Baker and Ruth were Mr. and Mrs. W. M. Hord, Eddie and Sallie of Miami, Fla.; Mrs. C. S. Cluck of Winters, and Mr. and Mrs. H. K. Leach of Abilene.

## MRS. A. M. NIXON PASSES AWAY MONDAY MORNING

Mrs. Albert Nixon, age 69, residing of this city 15 years, died at her home in Eldorado at 3:20 Monday morning. She had been in failing health several years and since her operation last August had been seriously ill, with periods of hospitalization, X-ray treatments, and regular medical care.

Funeral services were held Tuesday afternoon at 2:30 at the First Baptist church of which she was a member. Officiating, at her request, was the Rev. Clifford Nelson, pastor of the church, assisted by the Rev. J. L. Ratliff, Baptist pastor of San Angelo and the Rev. Roy Shilling, Methodist pastor of Big Lake.

Mrs. John Stigler was in charge of the choir, who sang her request numbers, Amazing Grace and How Firm a Foundation, accompanied at the organ by Mrs. Joe Muller Christian. The 23rd Psalm was also read as her favorite passage of Scripture.

Pallbearers were deacons of the church. Interment was made in the Eldorado Cemetery with Ratliff in charge.

### Survivors

She is survived by her husband, A. M. Nixon, three children, Rev. A. T. Nixon of Post, J. S. of El Campo, and Mrs. Ray Jones, Eldorado; six grandchildren; four great grandchildren; and eight brothers and sisters; Mrs. Henry Mund, Mrs. P. W. Hazelwood, Mrs. Frank Spencer, Mrs. W. L. Taylor, Mrs. Roy Andrews, Mrs. Claude Galbraith, Marvin McDonald and Nolan McDonald, all of Eldorado.

### Early Years

Hulda Frances McDonald was born May 15, 1883, in Gillespie County. She attended school at Mormon Creek and Doss, later moving to Flat Rock, in Kimball county.

On January 23, 1901, she was married to Albert M. Nixon, whom she had known in her childhood and to whom she had been engaged two years. Both had farm backgrounds when they started housekeeping at Doss. Eight years later they moved to Harper, finally locating in Junction in 1922 and afterward in Eldorado. The couple held open house in January, 1951, to celebrate their Golden Anniversary.

### Religious Life

Since she was 13 Mrs. Nixon was a devout member of the Baptist church, working with her husband in the Sunday School, attending church services on Sunday and prayer meetings during the week, and by her religious zeal and example to others doing much to promote the program of her church. She and Mr. Nixon attended church from the day they were married, and of late she often expressed her disappointment at missing services when ill health prevented her from attending.

At the time of the Anniversary open house Mrs. Nixon expressed her life-long religious beliefs when she advised young people to start their home out as a religious place, to make a place at the family altar for the children who come into the home, to enjoy their religion, and to tithe of time, talent and money for the program of the church.

### Attend Funeral

Among those here from out of town for the funeral were: Menard, Mr. and Mrs. Miles Nixon, Clayton Nixon, Mr. and Mrs. Carroll Brown, Dan Nixon; Doss, Mr. and Mrs. Reuben Nixon; Fredericksburg, Mr. and Mrs. Jasper Nixon and Mildred.

Mrs. James Williams and Jimmie Dell recently returned from a ten-day trip through Arkansas, Missouri, Kansas, and Oklahoma. They were accompanied by two sisters of Mrs. Williams, Mrs. Elmer Hill of Rogers, Texas, and Mrs. T. A. Montgomery of Houston, and a niece Miss Sylvia Podony of Dallas. The group visited relatives in Webb and Kansas City, Mo., and did a lot of sight seeing along the way. June Williams remained in Dallas with relatives while they were gone.

Mrs. Ed Finnegan has gone to Big Bend to visit a sister, and brother-in-law, Mr. and Mrs. R. J. Thompson, at Castelon, where Mr. Thompson is employed with the government on irrigation projects. She left Eldorado Friday and will be gone a week.

In a fishing party at Inks Dam were Mr. and Mrs. Marvin McDonald, the P. W., Laymon, and Vernon Hazelwoods, Mr. and Mrs. C. V. Carroll and Shirley, Mrs. Roy Andrews, Mrs. C. W. Galbraith, and Mr. and Mrs. Walter Taylor.

## Oil Property Sends Co. Tax Valuation Past \$10 Million

The Commissioners' Court, meeting as a board of equalization Tuesday, in regard to oil values—with Pritchard and Abbott, who are employed by this county—set the oil valuations the same as last year, and were told that the 1952 county tax valuation would probably be in excess of ten million dollars.

Present for this meeting, in response to notices sent out from the clerk's office on June 9 concerning this pending meeting were representatives of these oil companies:

L. G. Carter, Delta Gulf; W. J. Darby, Pan American Production, et al; Michael Shields, Ohio Oil Co.; R. D. McBride, Standard of Texas; Bill Lipscomb, Stanolind; C. W. Summers, Shell Oil Co.; R. T. Conner, Humble Oil and Refining Co.; Bill Harding, Gulf Oil; R. E. Saunders, Atlantic Ref. Co.; P. F. Fleming, Wesley West et al;

David Mizel, Strake interests; Tom Williams, Cooper interests (Page and Koy fields).

## Schleicher County Oil News

Delta Gulf Oil Company recently spotted locations for three more projects in the Huldale Strawn field of north central Schleicher County. One of the new projects is a one-half mile south outpost to the pool.

It will be drilled as No. 1-B Viola McWhorter one-half mile south of No. 1 McWhorter which was recently completed for a daily flowing potential of 336 barrels of 40.1 gravity oil through a 1/4 in. tubing choke and perforations at 5758-80 feet. Gas-oil ratio was 398-1. Flowing tubing pressure was 600 pounds.

Delta Gulf No. 2 Mrs. Viola McWhorter will be drilled 467 feet from north and east lines of the southwest quarter of the northeast quarter of section 70, block TT, TC survey. It is a west offset to No. 1 McWhorter.

Delta Gulf No. 2-D H. F. Thomson Estate will be dug 467 feet from the south and east lines of section 82, block TT, TC survey. It is a south offset to Delta Gulf No. 4-D Thomson Estate, a completed producer.

Earl Fain, Jr., No. 1 Mrs. Grace O'Harrow, wildcat in Schleicher was drilling below 4435 feet in Pennsylvania sand from 4420 to 4435 feet. Tool was open one hour. Recovery was 1350 feet of drilling mud and 30 feet of slightly gas-cut mud. No signs of oil or water were present.

Kewanee Oil Company No. 1 Page, project in the Page, Strawn area, was moving in rotary tools to drill out cement and drill ahead after cementing 8 5/8-inch casing at 556 feet.

Pure Oil Company No. 1 Williams, wildcat in Schleicher, was drilling below 5631 feet in gray shale and lime.

Standard Oil & Gas Company No. 2-3 Wilson, project in the Nova West area, was digging below 5381 feet in shale. It has not found the regular pay in drilling to present total depth.

Sinclair Oil & Gas Company spotted location for No. 1 Bryan Hunt, a 6550 foot Ellenburger wildcat in southeast Sutton County. Site is 1980 feet from north and east lines of section 3, block C, HE&WT survey and 10 miles south east of Sonora. It is six miles northeast of Hunt No. 1 Sandherr, active wildcat and 4 1/2 miles southwest of the Pure Oil Company No. 1 Allison, Strawn discovery now being worked over. Drillsite is on a 320-acre lease. Elevation is estimated to be 2275 feet.

### MIAS AMIGAS OPENS IN ELDORADO TODAY

Registration at 9:00 this morning opened the 1952 annual meeting of the Mias Amigas Club in this city. There will be a luncheon at noon, pioneer tea at 4:00, supper at 7:00, evening party at 8:30, coffee Friday morning at the home of Mrs. Claude Meador Jr., and closing business session at 10:00 tomorrow.

The H. W. Hunt family spent Wednesday in Snyder visiting with friends.

## LIONS AND LADIES ATTEND BANQUET & INSTALLATION

Gus Love was announced as winner of the Lions' Club Good Citizens' award, at the Lions installation service attended by over 100 Tuesday night at the Memorial building.

Selection of the Good Citizen was made by a secret committee of three, none of whom knew the identity of the other two. The award was made on the basis of the candidate's work for the betterment of the community, outside of his vocation. Love is on the school board and the city council and is active in civic affairs. In recognition of his work for community betterment he has been awarded a Good Citizen's plaque.

Preceding the program, dinner was served in the Memorial building dining room. Ray Hudgens, master of ceremonies, introduced four distinguished guests, 4-H club boys, Ronnie Mittel, Ken Love, Mike Moore and Jack Stanford, who had won first in the state in the wool and mohair judging contest, and their sponsor, County Agent W. G. Godwin.

Jimmie West, active in Lionism in West Texas a number of years, zone chairman and deputy district governor, installed the new officers: Rev. Charles Bruce, Lion Tamer, official club greeter; Roger Jones, tail twister, who relaxes Lions and guests; Claude Meador, John Williams, John Stigler and Charlie Trigg, directors, who formulate club policies; Gus Love, third vice; W. T. Whitten, second vice; and Joe Muller Christian, first vice president; assistants to the president; T. P. Robinson, Jr., secretary and treasurer; and Palmer West, president. Carroll Ratliff, retiring president, was given a past president's pin. The installing officer instructed the incoming officers on their duties and appealed to the assembly for their support at all times.

Carl Runge, of San Angelo, attorney, and president of Boys' Ranch, was speaker of the evening. In his address he mentioned the fact that from the grass roots of the communities such as Schleicher County could come help for the condition the country is in—and pointed out the fact that our founding forefathers had left Europe because of the centralized power there, to establish a free nation, which now is going the way of the European states.

Throughout his speech he stressed the fact that Americans like the rights of the individual, and that the judiciary takes precedence over the legislative and executive branches of government as has been shown in the ruling on the steel industry. He also told the group that things are hard, that it is the easy life that causes restriction of the basic principles of democracy.

He called government's growing bid for power "creeping socialism" and prophesied doom for the nation unless government's expensive hand-outs were curbed. He closed with an appeal for religion in the life of all, to help combat communism.

Rev. Doyle Morton opened the meeting with prayer, and Rev. Charles Bruce dismissed the meeting, after a speech by Palmer West urging Lions to support him and the program of Lionism during the coming year.

Mrs. Runge of San Angelo, and Mr. and Mrs. Alvin Tracy of McAllen were among those present from out of town.

## NEW BABIES

Born, their fourth daughter, to Mr. and Mrs. James Bracken Tuesday in Eldorado, at the Magnot Clinic. The baby weighed six pounds and 14 ounces at birth. She has three sisters, Ilene, Dianne, and Rhonda, three grandparents, Mr. and Mrs. Skeet Griffin of Eldorado and Mrs. Elsie Bracken of Bell Gardens, California, and two greats, John Griffin of Eldorado and Mrs. Whitehair of Fairmont, West Virginia. The Brackens make their home in Eldorado.

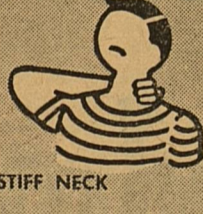

## METHODIST MEN MEET

Aubrey D. Stokes of San Angelo, candidate for district attorney, spoke at the meeting Monday night of the Methodist Men. Mr. Stokes discussed how the criminally insane were being taken care of in Texas, bringing out a few specific cases. He was introduced by Gerald Hart-graves.

Ice cream and cookies were served to about twenty-five.

Mr. and Mrs. Ernest Thompson, here with Pan American, and their two children will leave in a few days on their vacation trip to West Virginia.

## IF POLIO COMES

WATCH FOR THESE SYMPTOMS

IT MAY—OR MAY NOT—BE POLIO

CALL YOUR DOCTOR PROMPTLY

If it is Polio, get in touch with your local chapter of THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

HERE ARE SYMPTOMS OF POLIO listed by the National Foundation for Infantile Paralysis. They may—or may not—mean polio. Call your doctor and then, if help is needed, contact your local chapter of the National Foundation. When polio is around, these precautions are recommended: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay in cold water too long or sit around in wet clothes. Avoid becoming chilled. Always wash hands before eating.

**DRAFT DEFERMENTS MUST BE APPLIED FOR**

AUSTIN — Texas draft boards have started to tackle—or will soon tackle—the job of reopening and reconsidering the cases of some 8,000 college students to determine their eligibility for further deferment to study.

A point stressed by Brigadier General Paul L. Wakefield, state Selective Service director, is that students desiring deferments for the next academic year should make written request to their local boards as soon as possible.

"If your present deferment is up," he advised students, "and you want to get it renewed, you had better ask for such renewal. A board isn't required to hand out deferments or give consideration to them unless the individual makes a request."

John Thomas Alexander spent several days last week in El Paso attending the area DeMolay meetings. He accompanied Johnnie Key of San Angelo who was who was elected West Texas Area DeMolay for the coming year at this meeting. Sessions were held at Scottish Rite Cathedral.

**TEXAS PUBLISHERS DEMAND ACCOUNTING OF FUNDS**

Texas newspaper publishers expressed strong objection to the failure of state officials to publish accountings of receipts and disbursements of public tax monies at the 73rd Annual Meeting of the Texas Press Association in Houston, June 14.

Resolutions were passed calling attention to the fact that, even though required by law, such publications are seldom made by city, county and school board district officials. Resolutions pointed out that such public notices are required for the "understanding, benefit and criticism of the voters and tax payers," and that the light of publicity could place a curb upon the "careless, wasteful extravagance and often corrupt handling of public funds."

In part, the resolutions read: WHEREAS, laws in other states recognize the need of such detailed publication of all expenditures of public monies, wherein said expenditures are listed in the local or regional newspaper, item by item, dollar by dollar; and that experience in other states proves that the cost of publication is more than justified by its enormous saving in the tax payers' money, THEREFORE, be it resolved that the Legislative Committee of this Texas Press Association be called upon to study this particular phase of our state law and that said committee be empowered to suggest corrective measures for consideration by the State Legislative body."

Mrs. Mattie Bruton quietly celebrated her 86th birthday Wednesday, the 25th.

The Ray Alexanders were in San Angelo Sunday as dinner guests of friends.

Miss Jerry Blaylock, student nurse of Dallas, and Phillip Christianson, also of Dallas, spent the weekend with the W. A. Blaylocks.

Mr. and Mrs. R. L. Ballew and family and Willie Bridgeman and family spent the weekend on an outing at Buchanan.

Walter Barclay has been spending several days at Marlin with his brother, Jessie Barclay, who is very ill.

**First Baptist News**

Our Sunday School was way off again this past Sunday. We had only 170 present. The orchids went to the Nursery department again with a grade of 58 and to the young people department with a grade of 58. Onions went to the adults with a grade of 40. Our average for the first four Sundays in June has been 184. If we work at the task this Sunday we could still maintain a good average for June. Let us work that we may not suffer the summer slump, but continue to grow through these vacation months for the glory of God.

This week the Junior and Intermediate G.A.'s have been at camp at Lake Brownwood. There was a good group of these girls going to camp this year and each of them took a forward step in their work. The counselors for these two groups are, Mrs. Clifford Nelson for the Junior G. A. and Mrs. George Williams for the Intermediate G. A. Mrs. E. W. Perry, Mrs. Luedcke, and Miss Jean Kuykendall accompanied the Junior girls to camp. These camps are held each spring on the shores of beautiful Lake Brownwood on a plot of 40 acres of land owned by the Baptists of District 16.

Our workers conference for the Sunday School was held Wednesday evening with a fair attendance. The evening meal was served at 7:00 p.m. and an interesting and informative program followed.

These are vital programs for the promotional work of our Sunday School and each teacher and officer who has not been availing themselves of this opportunity have been missing a blessing. Successful Sunday Schools are built by good planning and hard work to bring those plans to fruition. We look for you at our next workers conference in July.

If you didn't get this important date and event from the church bulletin clip this out and act accordingly. Monday, June 30, is the big day. This is the date for the kitchen shower for the church. The W. M. U. is sponsoring this with a good program at the church on Monday, June 30. All who attend are to bring articles needed for the kitchen. All who cannot come are asked to send articles needed for the kitchen. Let us all support this very worthy and needed project.

From August 3 through 17 District 16 of the Baptist General convention is engaging a simultaneous revival in which all the churches in the district will participate. The date for the revival for the First Baptist Church of Eldorado will be August 6-17. We urge you to clip this date out and make your plans now to attend; invite and support this effort in any way possible.

We welcomed the some 40 visitors that we had in our services Sunday. We trust that each of them received a blessing. We are always grateful for those who visit in our midst. If Eldorado is to be your home we welcome you to make our church your church home. If you are a Baptist and looking for a church home we invite you to consider the First Baptist church, "The friendly church with a spiritual program."

Many of our young people are not availing themselves of our youth fellowships that are held each Wednesday and Sunday evenings. This is a vital part of our church life and of our church program. We will be counting heavily upon the young people of our church to help us these summer months to keep our program going. We appreciate the fine way in which the youth choir is taking care of the music in the evening services. We can still use some more voices in our youth choir on Sunday evenings. If you are a young person and do not have a place to serve God we invite you to our youth organizations.

Mr. and Mrs. Fred L. Speck and baby of Rocksprings visited last weekend with Mr. and Mrs. Henry Speck.

Mrs. Tom Bradley, who has been here with her brother, Hop Cheatham, who has been ill, has returned to Fife, her home. She accompanied Mrs. Elizabeth Ballew and children and Mrs. Frank Bradley, also Sylvia Isaacs.

Sidney Mercer of Hondo spent several days last week in Eldorado with his father, Dial Mercer, and his grandmother Mrs. Mae Mercer.

Mrs. F. B. Calcote spent several days with her daughter, Mrs. S. D. Stevens, at Portales, New Mexico, and Mrs. Stevens and the twins brought her home and have been spending the week with the Calcotes.

Mr. and Mrs. F. B. Calcote report that their daughter Melba and her family, Mr. and Mrs. J. H. Minyard and children, will move soon to Pennsylvania, where Mr. Minyard has been moved with his company, Standard Fryer Drilling Co., to work in a gas field there. They will leave Texas next week.

Lucky Lady...  
**Electric Cooking Keeps Her Kitchen Cool and Clean!**

"Someday you'll Cook Electrically." Why not now?

Electric Cooking is Fast, Safe, Thrifty... It's Matchless!

When summer temperatures soar—electric cooking can help keep your kitchen a cool, clean, pleasant place to work. Controlled electric heat goes directly into the food, not into the room—the oven, insulated on all six sides, cooks the food and not the cook. And there's no soot, smoke or fumes to smudge walls, pots and pans because only an electric range cooks with clean "sealed" heat that leaves no residue of any kind in your kitchen.

"Electric Cooking is the fashion in modern kitchens"

From where I sit ... *by Joe Marsh*

**Whitey Sure "Rang the Bell"**

Telephone woke me out of a sound sleep last Friday about eleven-thirty. "This is Whitey Fisher out on River Road," says a voice. "I just wanted to tell you how much I like this week's *Clarion*."

"Thanks, Whitey," I told him. "But why in blazes call to tell me at this time of night?" "Simple," he says, "your paper boy just delivered it a short while ago. Been waiting for it all evening."

Next day, Buzzy Wilson tells me he delivered Whitey's paper late because he stayed for the school dance and thought it would be OK to drop it off on his way home.

From where I sit, I can't blame Whitey for his joke. He was just reminding me we owe other people the same respect we expect from them. Since I'm always talking about respecting the other fellow's rights—including his right to enjoy a glass of beer if he chooses, it was only fair that Whitey should "wake me up" to his right to get his copy of the *Clarion* on time. Thanks again, Whitey!

Our **WASHINGTON** Letter.

By Congressman **O. C. FISHER**

A completely revamped price and wage control program for the next year appeared likely as a result of House action last week. Differences between the House and Senate versions of OPS and WSB will have to be resolved, and the final version will not be known until that is done.

The House tentatively removed controls from fresh fruits and vegetables, and idirected decontrols with respect to all commodities that are not in short supply and which sell below ceiling prices. It simplified or removed requirements for reports to OPS on many items and attempted to cut out a lot of the unnecessary red tape and bookkeeping that has been required in the past.

On the subject of wages, the House abolished the present Wage Stabilization Board and provided for a new board wherein the appointments of all public members would have to be confirmed by the Senate. This was designed to eliminate the "packed" board which has been instrumental in causing the present steel strike. In addition, the House set the stage to adopt the Senate amendment which requests the President to invoke the Taft-Hartley law to stop the present disastrous steel strike. His failure to do this is costing this country 2,000,000 tons of steel each week.

Actually, the OPS is spending a major part of its time in attempting to control prices on items that are nonessential or which sell well below ceiling prices. It costs the taxpayers at least \$80,000,000 a year to pay the salaries and expenses of the nearly 15,000 government employees now on OPS payroll. Many of us believe the American people would be better off if OPS were completely abolished. It has been pointed out that Armour & Co. sell 90 per cent of their meat at prices that are below the ceilings set by OPS. And the same is true of many other important food products.

Another development growing out of the House and Senate actions on controls was the refusal to provide new seizure powers for the President. The President had requested legal authority to do the same thing that he recently did illegally with respect to the steel mills. He wants power to take over and operate the mills indefinitely, with the right to impose wage changes, the union shop, and other conditions if he should see fit.

W. A. Menees and children and Patsy Taylor were visiting in Quitman during the week end. Miss Rosa Rushing accompanied them to Eldorado to visit a few days.

Visitors in the Claude Doyle home Friday were Mr. and Mrs. Uel Kirby and daughter Peggy of Monahans, Mrs. Betty Baker of Lampasas, the Ray Doyle family of Eldorado, also Joan Doyle and the Sofge children.

Doyle, Bobby and Billy Louise Blackmon of Seadrift, Texas, arrived here Monday to visit Mr. and Mrs. Claude Doyle and other relatives.

Thad Dildine, a county employee, is off from work a few days because of a strained shoulder.

Mr. and Mrs. Jessie Caviness and family moved Monday to Mason, where Mr. Caviness is employed.

Mrs. Thad Dildine and Ramona and Mrs. Lowell Ellis and Dean attended the funeral of L. Franks in Sonora Thursday. While there they visited in the Tom Guest and Joe Hern homes.

Arthur Stealer of Fort Stockton spent the weekend with the Thad Dildines, and on Sunday all went to San Angelo to visit Mr. and Mrs. N. E. Lester, who have a new daughter born June 4.

Ramona Dildine and Dolores Calcote accompanied Rev. and Mrs. Ralph Bates and children to Ballinger Sunday to attend church services there.

**Personal News Items**

Mr. and Mrs. Buster Calcote visited their son Bobo at Boys' Ranch, at Tankersley Sunday.

Here from Midland to visit Mr. and Mrs. Josh Ewing were Mr. and Mrs. A. H. Edburg and sons.

Mrs. Russell Donaldson and Jerry and Carl visited a niece Mrs. Douglas Nall in a San Angelo hospital Monday.

Mrs. James Miller and children, who room at the Russell Donaldson residence, have gone to Dallas to visit until about July 4.

Palmer West, who visited Mrs. West in Dr. M. G. Holcomb's hospital in El Paso, reports that Mrs. Holcomb will bring her home this weekend.

A sister, Mrs. Dick Bagley of Odessa, is here to visit Mrs. Ed Hill.

Willie Isaacs of Fife visited relatives here Monday.

Mr. and Mrs. J. D. Meador drove to San Antonio during the week end and brought back their three children, who had spent three weeks visiting relatives there.

Mr. and Mrs. B. E. Moore have had as guests their niece and her husband, Mr. and Mrs. Demor King of El Paso, and a sister, Mrs. Myrtle Price of El Paso, who left for their home Sunday. While they were here the families went to Buchanan and met the Moores' children Mr. and Mrs. Joe Hearn Moore and the John Michalskys of San Antonio.

Two highway employees and their families who live here have been out of town during the week end. Mr. and Mrs. C. O. Neff and daughter visited in Junction with Mr. and Mrs. H. C. Allsup. Mr. and Mrs. Bert Holley spent the week end in Sweetwater with a sister.

Guests of Mr. and Mrs. E. W. Mund include Mrs. Mund's mother, Mrs. A. L. Stewardson, who is here for a longer stay; Mr. and Mrs. Felix Murr of Junction, Mrs. Billy Stewardson, Sammie Stewardson and Martha Lynn Nicks, all of Ft. Stockton.

Perry Johnson, who returned recently from San Angelo where he had surgery, is doing well.

Jim Runge fell from his horse and broke his arm Thursday afternoon at a Cub Scout party, held at the ranch home of his parents, Mr. and Mrs. Forrest Runge. He was in a San Angelo hospital that night and returned home Friday.

Quite a few from out of town, including Church of Christ members from Junction, Murr, McCamey, Eola, Ballinger, and other places, were here to attend the revival at the Church of Christ.

**IT'S THE LAW**  
*in Texas*  
 A public service feature of the State Bar of Texas

**Control of Separate, Community Property Explained**

Generally speaking, each spouse has the right to control and dispose of his or her own separate property. You will recall that the separate property of a husband or wife includes property owned by either before marriage; and that which is acquired by either after marriage by gift or inheritance. Any other property acquired after marriage is presumed by law to be communal property until the contrary is clearly proved.

Aside from the ordinary community estate, there is a class of property known as the wife's "special community," which includes all the income from her separate real property and probably the interest on bonds or notes, and dividends on stocks owned in her separate right. While the husband may have similar assets, the law accords them no particular distinction from ordinary community property.

Although the history of the matter is somewhat confusing, it appears that under present day law the husband has control of ordinary community property; but control of the wife's special community property is reserved to her.

Certain restrictions are imposed upon both husband and wife in exercising such control. For instance, the husband cannot legally dispose of community property in such a way as to defraud the wife, nor can he sell the homestead without her signature and acknowledgment. And the wife's sale or mortgage of her separate real estate, stocks or bonds is not valid unless her husband joins with her in the transaction—he must sign and execute the necessary legal papers along with her.

Such limitations appear to be a product of these earlier and more chivalrous days in which the sheltered married woman had little or no contact with the business world. They indicate a desire to protect the little woman from chiseling outsiders, and even against the unscrupulous husband.

A similar intent appears in the laws exempting the wife's separate and special community property from liability for debts incurred by the husband. Such liability is restricted to his separate property and the ordinary community property.

On the other hand, debts incurred by the wife in obtaining necessities for herself or the children bind all property belonging to either party, including the husband's separate property. For other debts which she has power to incur, only her sep-

arate and special community property are liable.

All of these distinctions emphasize the advisability of keeping proper records. By doing so the various classes of community and separate property owned by a married couple will always be easily distinguishable. Each category will then receive the special protection afforded to it by our laws.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

**Santa Fe Educational Awards Announced**

College Station. — Fifteen outstanding Texas 4-H club members this fall will be selected to receive educational awards provided by the Santa Fe Railway System. Word has been received from the National Committee on Boys and Girls Club Work, Chicago, by the state 4-H leaders in Texas transmitting the offer from the donor of the awards. The offer has been accepted.

Each of the 15 winners will receive an all-expense trip to National 4-H Club Congress, Chicago, in late November. These awards have been provided annually for some 30 years and are among the most coveted awards available to Texas 4-H club members.

In addition to the 15 educational awards, two college scholarships—\$250 each—will be awarded during Club Congress to a boy and girl among the educational award winners. The two will be selected on the basis of general achievement in their all-around 4-H demonstration work.

The awards are open to statewide competition and 4-H members who have completed three years of 4-H work including the current year and who were 14 and under 21 years of age on January 1, 1952 are eligible to participate in the awards program.

According to the state 4-H leaders, up to four records may be submitted from each of the 12 Extension districts to the state 4-H office. From this group, the final 15 winners will be selected. The district dining records must be sent to the 4-H leaders before October 1. Local county Extension agents can furnish 4-H club members with details on the educational awards which will include the final date for submitting records from the county to the district agents.

Selections will be made on the basis of the individual's leadership and achievement record in 4-H, length of membership, production records, participation in community, county, district and state 4-H activities and the general all-around record book to be submitted by each contestant.

Mrs. Billy Childress and her children of Ozona have returned home after spending several days with her parents, Mr. and Mrs. Jess Kov.

## CARD OF THANKS

We wish to express our heartfelt thanks to the good people of this community for their kindness and assistance during the recent illness and death of our loved one, Mrs. A. M. Nixon. We are grateful to the doctors for their faithful and considerate service, and to pastors of the different churches for their encouragement and comfort. We especially appreciate the good work of Bro. J. L. Ratliff, and we are deeply indebted to the women of the community, both individually and through their various church organizations.

We thank you for the food, the flowers, the gifts and for everything you have done for us in our trying times.

 H. A. BELK  
 L. MOORE

## John Ben Shepperd In Eldorado Tuesday

JOHN BEN SHEPPERD

John Ben Shepperd, the personable and energetic 36-year-old candidate for attorney general of Texas, visited in Eldorado, Tuesday morning, June 24, in the interest of his candidacy.

Shepperd confined his campaigning here to handshaking, visiting with old friends and making new acquaintances.

He told friends here he was extremely gratified with the encouragement he was given when he announced as a candidate for Attorney General several weeks ago. Particularly pleasing, he said was the large number of pledges of support he received from the people in the Eldorado area.

Shepperd resigned as Secretary of State, an appointive position, to seek a promotion to Attorney General. This is the first time Shepperd has sought an elective public office.

He is basing his candidacy on the fine record he made during the more than two years he was Secretary of State, his legal ability, his administrative experience and the knowledge he has accumulated over the years of the wants and needs of all parts of Texas.

Shepperd is a lawyer from Gregg County with more than 12 years' legal experience, both as a practicing attorney and as a legal supervisor while he was Secretary of State. Shepperd's qualifications to serve as Attorney General have been endorsed by an overwhelming majority of the practicing lawyers in the State, including the attorneys in Dallas, where his opponent resides.

Shepperd said that he did not have a formal platform, but his record and public statements would show he has consistently spoken out for economy in government, integrity in public office, law enforcement equality and a better understanding of Texas and a knowledge of the wants and needs of each section of Texas and the people.

## Personal News Items

Mrs. Bertha Shugart has been brought back to San Angelo after a brief stay in Dallas, and is undergoing treatment at a hospital there.

Mrs. Otto Wilson had surgery recently.

Mr. and Mrs. Don Bolin and children returned Monday evening from Colorado City where they spent the week end with friends.

Mr. and Mrs. S. E. Jones had as guests this week Mrs. Ellen Strickland and Mr. and Mrs. Jimmie Espy of Brady, who stopped while on their way to Sonora where they attended the Espy funeral.

**New Pasture Bulletin Released By A & M**

**COLLEGE STATION** — Every acre of cultivated land in Texas ought to be in grasses and legumes three to five of each ten to twenty years; to hold the soil, to keep active organic matter available to produce profitable crops or otherwise to make it pay. That is a thought for the future and is only one of many listed in a new bulletin just released by the Texas Agricultural Extension Service — B-197, BUILDING PASTURES.

The author, A. W. Crain, formerly associate pasture specialist for the Extension Service, outlines the steps that should be followed in building pastures. Principles discussed in the bulletin apply to the building job on old cultivated land which is now in broomsedge, needle grass or other low quality forage; former low-producing bermuda, carpet or other pasture grassland that is presently infested with needle grass or broomsedge; land presently in cultivation; timberland or woodland pasture cleared of timber by machinery or poorly drained, brush or "range-land"—land referred to in this category is "native" land in the Gulf Coast Prairie area.

Copies of the bulletin are available at county Extension offices—county agents. Just ask for the new bulletin on building pastures. At the same time why not start making plans for improving the pastures you already have on the farm. Your county agent can furnish valuable information that can make your job easier for chances are good he can show you demonstrations where the building job is well underway.

**Use More Milk and Milk Products**

**COLLEGE STATION** — June is official National Dairy Month. Every month might be dairy month because milk and dairy products play such an important part in our diets. Jimmie Nell Harris, foods and nutrition specialist with the Texas Agricultural Extension Service, points out that milk is nature's most nearly complete food. It has no equal among foods as a source of calcium, which is needed by everyone, and of protein.

Miss Harris says that milk is usually an expensive item in the food budget. But when you compare the cost to the food value obtained, it is a very good buy. Milk can be bought to fit the food budget the same as a car is bought to fit the income budget. The use of dried skim milk is recommended by the specialist for low cost diets. One pound retails for around 40 cents and when reconstituted will make 5 quarts. The food value is the same as fresh whole milk except for fat and vitamin A content.

Other forms of milk available include evaporated, condensed, dried whole and of course fresh milk. Markets now have buttermilk, pasteurized and homogenized milk, and many have fresh skim milk. In homogenized milk the fat is broken down into tiny globules which are distributed throughout the liquid and therefore, has no cream line. In most families there is someone who doesn't like milk and

doesn't drink enough for a balanced diet. Miss Harris suggests that homemakers use foods that are made with milk. A few of these are cream soups, ice cream and frozen custard, baked or soft custard, cream or cheese sauces over vegetables and cereals cooked in milk instead of water.

There are other dairy products which are as important as milk in the daily diet. Wonderful cheese combinations are limited only by the imagination of the user. The specialist points out that cheese is a concentrated source of many nutrients of milk. Ten pounds of milk is required to make one pound of cheese and American cheese retains about four-fifths of the protein and calcium, two-thirds of the phosphorus and one-third of the riboflavin of the milk. Since most of the fat is retained, a high percentage of the vitamin A is left in American cheese. From the standpoint of calcium, one ounce of cheese may be used as an alternate for one cup of milk.

What we eat has a lot to do with the way we feel. How we feel has a lot to do with how we act. Since milk and milk products are high on the list of foods we all should eat, Miss Harris warns that every adult should have at least a pint and children a quart of milk daily or its equivalent.

★ **The Military** ★

Wayne McGill has returned to Scott Field, Illinois, where he is stationed, after spending his two weeks' furlough with his parents here.

Harland McAlpine writes home folks that he is still aboard ship in the Japanese area, and that he appreciates having received a large number of birthday cards recently.

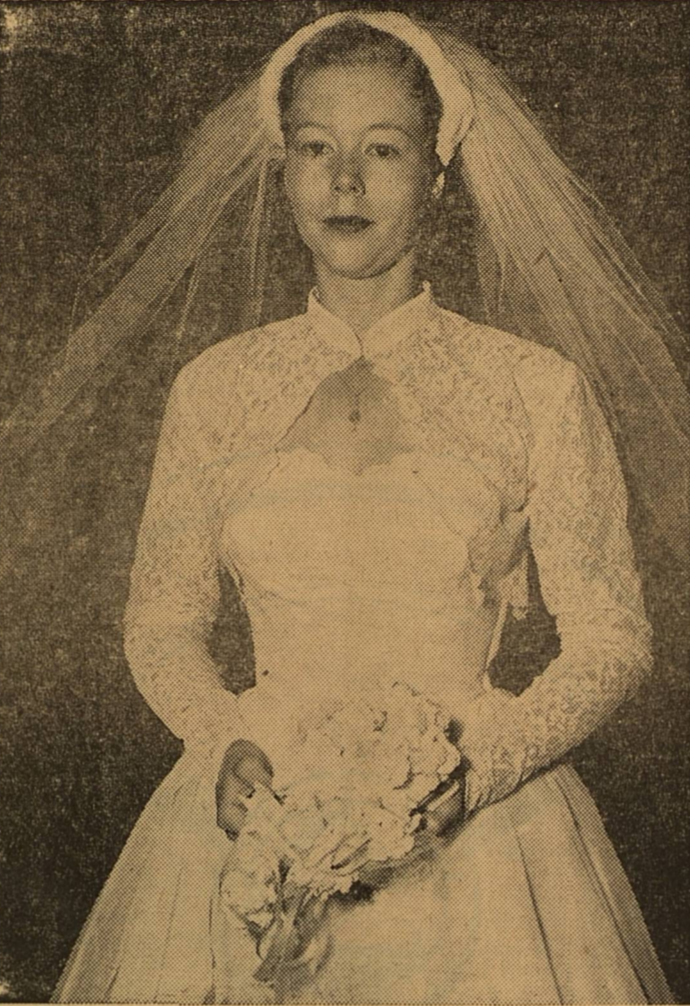

David Dewey Griffin landed at Yokasuka, according to word received by his parents, Mr. and Mrs. Skeet Griffin. He also mentions Pusan and Kogi Island as places where his ship has touched recently.

Olge Halbert, who will complete his two years of service in September, is now Sergeant First Class since his recent promotion. He is the son of Mr. and Mrs. A. J. Halbert.

Jimmie Woodward of San Diego had a half-hour conversation by phone a few nights ago with his parents, Mr. and Mrs. O. L. Woodward. Jimmie had just returned from a trip to Alaska and stated that he was leaving with his ship for Japan, where he expected to be located for a year or less.

Pvt. Reuben Neill Dickens, who completed his basic training at Camp Gordon, Ga., on June 13, has arrived at Fort Monmouth, N. J., where he has been assigned to the 11th STD Co. at Camp Wood, a division of Fort Monmouth. After a two-weeks course in basic electricity he will enter a school on sound projector repair. En route to New Jersey he traveled through Washington, D. C., New York City, Jersey City and Manhattan Island.

**Pauline Nixon Weds In San Angelo**

MRS. F. O. FRANKLIN JR. —Photo by Garnet

Pauline Nixon, daughter of Mr. and Mrs. Robert Nixon of Eldorado, was married in Memorial Chapel of the First Methodist church in San Angelo June 14, to F. O. Franklin of San Angelo, son of Mr. and Mrs. F. O. Franklin, Sr., of Bessemer City, N. C.

Using the double ring ceremony, the Rev. Floyd Harris, pastor of Harris Avenue Baptist church, officiated before an altar banked with greenery and glads, and flanked with candelabra holding lighted tapers.

Mr. Nixon gave his daughter in marriage. She wore a ballerina length dress of white lace, satin and marquisette, with strapless lace bodice and marquisette skirt with lace panels. The lace jacket had finger tip sleeves, and her head dress was of white marquisette with seed pearl trim, and waist-length veil. The white Bible which she carried was topped with white carnations.

Marie Aldredge, maid of honor, wore orchid taffeta, and she carried a bouquet of yellow carnations, and the bridesmaid, Jo Ann

Bristow, wore a similar gown and carried yellow carnations.

Linda Sue Nixon of Eldorado and Doris Hinton of Hobbs, New Mexico, nieces, were flower girls. They wore yellow taffeta, and carried baskets of rose petals.

Best man was R. A. Nixon of Eldorado, brother of the bride, and Phil Lorring of Rowena and A. E. Powell were groomsmen.

A reception was held in the Methodist Church dining room, after which the couple left on a trip to Buchanan. For traveling the bride wore wine gabardine with pink blouse and matching accessories, and her corsage was of white carnations. The couple are living at 310 South Koenigheim.

Mrs. Franklin, a graduate of EHS, attended business college and SAC. She is employed in the office of the county tax assessor-collector in San Angelo. Mr. Franklin is a graduate of the University of North Carolina, and was in the Navy two years. He is collection manager for Chevron Finance Co. Several from here attended the wedding.

**Save Those Spuds**

**COLLEGE STATION** — Irish potatoes are too scarce and valuable right now not to get the best of care at harvest time. Irish potatoes can be kept with little loss for months, says J. E. Hutchison, horticulturist for the Texas Agricultural Extension Service, if they are dug and stored properly.

He says let the potatoes mature before digging them. They should be mature if they are to be stored for any length of time. Here is a simple and easy method for checking maturity. Press the thumb against the skin of a few potatoes, if the skin is tough and doesn't break easily, the crop is ready for harvesting.

If excessive rainfall has occurred just prior to harvest, the potatoes are likely to be covered with water blisters — small elevated white spots — on the skin. Hutchison says harvesting should be delayed until the blisters have dried. If the potatoes are harvested when 'snappy' or 'blistered' heavy losses may occur from rotting.

He says a good digging job can be done by running a middle buster or turning plow eight to ten inches deep under the potato row. The skinned or damaged potatoes should be separated from the good ones when they are picked up. Use the damaged potatoes first for they will not keep well in storage. Potatoes should be handled almost as carefully as eggs and as soon as they are picked, should be placed in the shade to prevent blistering.

A cool, well ventilated cellar makes a satisfactory storage place for potatoes provided it has an overhead vent for ventilation. The door and vent should be open at night and closed during the daytime. This practice will help keep the cellar cool.

If the potatoes are stored in buildings or under them, good cross ventilation is a necessity. When potatoes in storage are exposed to light, they turn green and are undesirable for human consumption. Hutchison says it is best not to spread the potatoes on a floor or the ground. They'll keep better if placed on a slatted false floor that

has about four inches of air space under it. Small poles or hay placed under the potatoes will help for the ideal arrangement permits air to completely circle the potato. Plenty of ventilation will pick up moisture and keep the potatoes dry and this means reduced storage losses. And finally, says Hutchison, the old 'spud' deserves the best possible treatment and especially is this true right now.

Guests in the Aaron Steward home were Mrs. Steward's parents, Mr. and Mrs. Hugh McAngus of Kerrville, who were here Saturday and Sunday.

Mrs. W. W. Sudduth and Mike of Dexter, New Mexico, arrived here recently to visit in the O. Sudduth home. The older three children have been here for several weeks.

At a meeting of the Bridge Club at the home of Mrs. Wilson Page last week, Mr. and Mrs. Luke Thompson, Jr., were voted in as new members of the club.

Mr. and Mrs. Bill Brooks and Beverly of Sterling City are here this week visiting Mr. and Mrs. Albert McGinnes and family.

Guests of the Buren Whitten family were Mr. and Mrs. R. C. Lovelace of Crane.

Guests in the Tom Springston and W. R. Nicks homes last week end were Mr. and Mrs. Gerald Nicks, and children, of Marfa, who also attended the funeral of Mrs. Rus Sewell at Sonora.

Mr. and Mrs. Houston Thigpen visited Saturday in San Angelo with O. R. Young, who is at home for a short time from the hospital at Houston, where he is being treated.

Mr. and Mrs. Ralph Waldron have had as guests Mr. and Mrs. W. W. Waldron and two children of Baton Rouge, who were on a trip to Carlsbad Caverns. The men are brothers.

**Recipe of the Week**

**Italian Chicken Hunter's Style**  
 2½ to 3½ lb frying chicken  
 ½ cup olive oil or other fat  
 1 thinly sliced onion  
 8 medium tomatoes  
 1 clove garlic  
 1½ teaspoons salt  
 ¼ teaspoon pepper  
 Cook chicken in fat until delicately browned, turning to brown evenly. Add onions and cook until transparent and golden brown. Add tomatoes, garlic, salt and pepper. Cover and simmer until chicken is tender and the tomatoes are reduced to a thick sauce, 40 to 50 minutes. Remove garlic clove before serving. Makes 4 to 5 servings.

**Make Every Motion Count**

**COLLEGE STATION** — Rural homemakers and girls in Texas are finding ways of doing housework more easily and in less time. This is the result of the work simplification program sponsored by the Agricultural Extension Service. The purpose of this program is to encourage interest in management of time, energy and equipment in the home so that work may be done simpler, easier, quicker and safer. Figures from the annual report of the Extension home management specialists show that 83,505 homemakers and 4-H members in 1951 applied work simplification methods to the improvement of their homemaking jobs. The program commenced in 1946 when the specialists held training meetings for home demonstration agents and adult leaders in counties where interest was shown. Due to increased demands, it was necessary to limit training by specialists to two counties in each Extension district. Last year in 134 counties, 28,558 families improved housekeeping methods. For example, it was found that house cleaning could be made easier if all members of the family were trained to hang up clothes; put articles back in proper places; clean washpans, lavatory and bath rooms; clean shoes before entering the house; keep waste paper and trash off the floor and help with all house cleaning jobs.

A guest in the home of Mrs. Daisy Ford is her daughter Mrs. Clyde Callentine of Ivanhoe.

J. Tom Williams and family spent the day Sunday in Menard.

Ann Williams accompanied the Joe Patterson family on a trip to Carlsbad and other places.

Ann Cole is named co-honoree with Letha Meadows at a luncheon, given by Mrs. Howard Cox at San Angelo Saturday. She will be accompanied by Mr. and Mrs. Jim Willoughby.

Mrs. Mae Tisdale and Mrs. Callentine visited Tuesday in Sonora.

If you've been putting off necessary home repairs and modernizing work that really ought to be taken care of, give some thought to having it done now — while the weather is favorable.

There's no need for further delay as we can arrange convenient monthly terms under the FHA Pay-Out-of-Income Plan. FHA rates are low . . . 36 months for repayment.

Come in or phone us for full details.

Don't delay — Use FHA

## YOUR Wheel of Fate?

Let's go on a picnic—let's go to the shore, to the mountains—to Aunt Susie's. Let's go!

But let's *stop, look and listen first!* Of the 35,000 fatalities on the highways in 1950, 14,310, or over four in every ten, were killed on Saturdays and Sundays. 644,200 more were injured or maimed for life. Last year the toll was even higher.

When you start out for a family week-end of fun, the Wheel of Fate is right between your hands! One slight swing of that wheel can pull you over the line and into the danger zone of oncoming traffic—into tragedy and death.

Hurry-up week-end and holiday driving, riding bumper-to-bumper at hazardous speeds, leaves no leeway for split-second action. The wheel may be only a dead stick in your hands. You've seen pile-ups on the highway—three, five, seven or eight cars telescoped into junk when a car ahead blew a tire and the wheel went out of control. And you've thanked your lucky stars your family was safe—*that time!*

So when you and Mom and Jack and Mary go week-ending on the highways, respect that Wheel of Fate in your hands. Use it to guide your family home—alive!

**Drive As Though Your Life Depends On It - - IT DOES!**

**PLENTIFUL SUPPLY OF TIRES**

AUSTIN—Texas motorists can look forward to continuously well-stocked tire shelves, now that the National Production Authority has removed all restrictions from natural rubber production, according to the Texas Division of the American Automobile Association.

The natural rubber supply in the United States has reached such a plentiful level, say Texas Three-A officials, that the restrictions on the use of natural rubber, in effect for many months, are no longer needed.

Mr. and Mrs. Uell Kirby and daughter Peggy of Monahans, spent from Thursday to Sunday with Mrs. Will Doyle, Mrs. Kirby's sister. Mrs. Betty Baker of Lampasas, Mr. Doyle's sister, was with them.

Gene Early and his brother-in-law and sister, Mr. and Mrs. James Smith have gone to Tennessee, to spend ten days with relatives of Mr. Smith's, near Memphis.

Donald Robinson of Ballinger has been visiting with his grandmother, Mrs. Ruby Dameron.

Mrs. Jimmie Lou Taylor of Rankin, and Verna Elkins of New Mexico, stopped here a few hours on their way home, after a three-weeks' trip in Mississippi and other states of the Old South. Mrs. Taylor expects to return here to teach.

**Cheese Is Friendly To Other Foods**

College Station. — Cheese is friendly to other foods and has many practical uses in meal preparation. Foods and nutrition specialists with the Texas Agricultural Extension Service, point out the varieties, flavors and textures makes cheese adaptable to other ingredients in a recipe.

In menu planning, the specialists say, cheese may be used from soup to dessert. The concentrated nutrients of milk makes cheese an economical food buy. One ounce of cheese may be used in the daily diet as an alternate for one cup of milk.

Soft cheeses lend themselves to appetizers when spread on crackers, potato chips and melba toast. These are good served with tomato and other vegetable juice cocktails. Grated hard cheese, such as parmesan, and cheddar, when sprinkled over the top add new flavor to cream soups.

The specialists suggest using cottage cheese or cream cheese with tomatoes or fruits as salads. They say tossed green salads are improved in flavor by adding cubes of Cheddar, Edam or pieces of Roquefort.

Many left over vegetables are given new appeal when combined with melted cheese, cheese sauce and grated cheese. Cheese may be substituted for protein in the main dish of the meal when used in omelets, souffles and melted cheese on toast.

More and more cheese is being used as dessert. One of the most popular is cheesecake which is made with either cottage or cream cheese. The old favorite is still cheese with apple pie, either melted over the top or a piece on the plate. An assortment of cheeses on a tray is good ending to any meal. The specialists recommend the cheese tray as dessert for the busy housewife who needs to get a meal in a hurry.

**Recipe of the Week**

**Egg Salad**

- 1 head lettuce
- 6 medium onions
- 12 hard cooked eggs
- 2 tablespoons vinegar
- 4 tablespoons salad oil
- 1 1/2 teaspoons salt
- 1/2 teaspoon pepper
- Dash paprika
- 1 teaspoon Worcestershire sauce
- 1/2 cup grated sharp cheese
- 1 tablespoon minced parsley

Line salad bowl with lettuce leaves. Fill with alternate layers of sliced hard cooked eggs and sliced onions. Over this pour the dressing made by beating together the vinegar, salad oil, salt, pepper, paprika, and Worcestershire sauce. Sprinkle with the cheese and garnish with parsley. Serves 6 to 8 people.

Mrs. Wallace Davis and daughter Barbara of Alpine visited Sunday with the W. C. Doyles.

**News From Our Neighbors**

**New VFW Home**

The Miller-McGuire Post, Veterans of Foreign Wars, has purchased a block of land, 300x300 feet, located west of the Big Lake Country Club, for the purpose of erecting a building to be used for social purposes as well as for a meeting place for the members. The land was purchased from Mrs. T. R. Johnston for a cash consideration. Immediate plans call for the pouring of a concrete slab, 40x80 feet, on which open-air dances will be held this summer to help finance the construction of the building.—Big Lake Wildcat.

**Manager to be Employed**

The Llano Chamber of Commerce is going on a full-time schedule, with a full-time manager directing a comprehensive development program for town and county. Directors recently decided it was time to employ a trained commercial club executive to direct the organization's work.—Llano News.

**Water Line Extension**

Tuesday morning at the regular monthly meeting of the Eden City Council body, bids were opened and inspected on the water line extension project. The contract was awarded Paul Couch & Son, San Angelo. Contract calls for complete installation of 1600 feet of 8-inch pipe and 2500 feet of six inch, 6 fire plugs and water connections.—Eden Echo.

**Improvements Sought**

Several representatives of the Lone Star Gas Company will be in Sonora Tuesday to talk to businessmen at the Lions Club luncheon regarding the possibility of bringing natural gas to Sonora. The representatives will explain their proposition to those present and will answer questions. — Devils River News.

**Gas For Junction**

City Council has agreed to grant a franchise for natural gas service in the city of Junction to Max Triplett of Hillsboro. Consideration of the proposed franchise has been made during the past three months. It goes into force, Mayor W. P. Hendrix explained, when Triplett presents proof within four months of an ample gas supply. Eight additional months will be allowed to put the service into operation.—Junction Eagle.

**Disposal Plant Improvement Planned**

An improvement project at the Menard sewage disposal plant will get under way as soon as engineers complete plans and specifications, according to an announcement this week by Mayor Decker S. Womack and members of the city council.

It is expected that engineers will have all plans and specifications ready sometime during the next few days.

Cost will not be known until all plans are ready. Approximately \$10,000 is available for improvement purposes at the disposal plant.—The Menard News.

**New Cameron Yard**

Wm. Cameron & Co. will hold open house at their new retail lumber yard at 506 Bessemer avenue, Friday, June 20.

Although new in Llano, Wm. Cameron & Co. is one of the oldest lumber companies in the Southwest. It is in its 85th year. The organization has 85 retail lumber yards and 18 wholesale warehouses in Texas, New Mexico and Oklahoma, carrying a complete line of building materials and home beautification needs.—The Llano News.

**Natural Gas Talked For Sonora**

Possibilities of installing a natural gas distribution system in Sonora were discussed Tuesday at the Lions Club luncheon by two representatives of the Lone Star Gas Company, E. L. Buelow, division superintendent, San Angelo, and L. B. Hulsey, field engineer, Dallas.

Hulsey told the group that his company would be interested only if from 375 to 400 potential gas users would sign a subscriber's agreement, agreeing to use natural gas if and when brought here.—Devil's River News.

**Clean Up Week**

The City of Alpine and Brewster county have joined in proclaiming June 30 to July 5th as clean-up week, according to a proclamation issued jointly by Mayor John Gillett and Judge Felix McGaughey this week.—Alpine Avalanche.

**Gas System Studied**

Possibilities of Robert Lee having natural gas is in the limelight again. Representatives of engineering and bonding firms conferred with city officials the past week, when plans were discussed for the city to build its own distributing system, and purchase gas at a nearby field.

Mayor J. S. Ferrell and Councilman Fern Havins laid the matter before the Board of Community Development at its luncheon meeting Monday. Ferrell said it would be possible to vote revenue bonds for the proposed gas system.—Robert Lee Observer.

**Spraying For Flies**

The spraying of the town on Saturday, June 21, is under the sponsorship of the Lions Club. Such an announcement was made last week at the luncheon meeting. The club is asking ranchmen with sprayers to come in early Saturday morning with their spray machines and to help spray the town. The town will be divided in sections and material is on hand for the work.—Sterling City News-Record.

**Polio At Bronte**

Little 5-year-old Deborah Bagwell, daughter of Mr. and Mrs. Leon Bagwell, is Bronte's first polio victim this year. She is in Shannon Hospital in San Angelo and is critically ill with the dreaded disease.

Deborah became ill Friday night and extremely ill Saturday night. She was taken to San Angelo to the hospital and physicians there diagnosed her case definitely as polio on Tuesday.—Bronte Enterprise.

**Park Bond Election**

Saturday, June 28, is the date for the special election to vote on the issuance of park improvement bonds. This is Upton County's chance to get some needed improvements for the Youth Centers in McCamey and Rankin.

The petition, as presented, called for \$275,000 in bonds, becoming due in not more than 20 years and bearing interest at a rate not to exceed 3 per cent per annum.—McCamey News.

**Dr. Deal Honored**

At the Legion-Lions Hall last Sunday Dr. Deal was guest of honor in celebrating his 86th birthday. About forty of his friends were present along with members of the family to enjoy this happy occasion. Those of the family present were Mr. and Mrs. Orrie Deal and Bobby of Abilene, Texas; Mr. and Mrs. Otis Deal and Lou Ann, and Mr. and Mrs. N. C. Packer, all of Mertzon.—Mertzon Star.

**Highway To Eldorado County Line Surveyed**

Right of way for the proposed highway to the county line leading to Eldorado has been surveyed and staked recently. The proposed road will follow the old road bed most all of the way, cutting off a few corners. It is 11 miles from Highway 67 to the county line. Bonds for the building of fences and the purchase of right-of-way were voted last year, and it was then thought the construction would start at once.

The completion of this road is one long needed and will connect the two towns and at the same time serve the oil fields that are beginning to form between.—Mertzon Star.

**Celebration To Mark 100th Year In County**

Plans are under way for the observance of the 100th anniversary of the settling of Mr. and Mrs. August Leifeste, Sr., in Mason County. Mr. Leifeste came to America with his wife and four children from Germany in 1852. Four brothers and a sister had preceded him to America in 1845. Mr. and Mrs. Leifeste settled on the banks of the Llano river, near Castell, a few hundred yards west of the Llano-Mason County line, leaving less than 100 yards of his field and pasture in Llano county. Some of the old oak logs built into the original log-house home are still on the place in the present barn.—Mason County News.

**Peak of 105 Degrees**

If you were hot Monday there was good reason, the mercury stood at 105 degrees by official reading at the J. E. Dack home, and on filling station driveways in Fort Stockton readings of as much as 110 degrees were recorded.—Fort Stockton Pioneer.

**LIBRARY NEWS**

The Guild books for June are "Windom's Way," by Ullman; "The Nine Brides and Granny Hite," by Wilson.

Mr. and Mrs. Cleve Jones of Sonora gave in memory of Mr. J. B. Christian "The Road to Bithynia," by Slaughter.

Some other new books are "The Man of the Forest," by Grey; "The Enchanted Barn," by Hill.

Mrs. Cecil Meador gave the library 85 books last month. Some of these are "Catch a Falling Star," by Van de Water; "Grant of Kingdom," by Ferguson; "The Spur" by Kennelly; "Beulah Land," by Davis; "The Jacaranda Tree," by Bates; "To Hell and Back," by Murphy; "12 1/2 Plymouth Street," by Park; "Sunrise to Sunset," by Adams; "The History of Rome Hanks," by Pennell; "Light in the Sky," by Young; "Come Clean, My Love," by Taylor; "My Son and Heir," by Holt; "The Other Father," by Hobson.

Jimmie and Judy Belcher of San Angelo have been visiting their grandmother, Mrs. Rutha Boyer, this week.

Guests in the W. J. Burrus home Monday were Mr. and Mrs. James Burrus of near Robert Lee.

The Gene Parkers have had as guests their daughter, Mrs. W. T. Mills and Jerry Kay of Big Lake, who were here for the week end.

Guests of Mr. and Mrs. Eddie Peel during the week end were Mr. and Mrs. Gilbert Malachek and daughter of Eola.

L. D. Doty of Ballinger, who is back from Korea and discharged from service, spent several days with the O. V. Dotys.

Mr. and Mrs. H. C. Colbert, who were here last fall, have returned with their trailer to the McClatchy place, while Mr. Colbert is employed on a Page well.

Mrs. Irene Hallmark, who had been in San Antonio with a grandson two or three months, is here to spend the summer with her sister Mrs. Eddie Peel.
