THURSDAY, SEPTEMBER 18, '52

NUMBER 38

## Eagles Drop Season's First Game 7 to 13

Eldorado played the ball game and McCamey took advantage of the breaks.

That's the way it looked to this writer when the Eldorado Eagles went down in defeat to the McCamey Badgers in the first game of the season here last Friday night to the tune of 13 to 7.

All the pre-game dope was that McCamey was favored to win, and it certainly looked that way when the two teams assembled on the field. McCamey's was generally heavier and they seemed to have an army of replacements. All through the game they were running in substitutions — offensive squads and defensive squads, but when the first quarter ended the score stood 0 to 0, and Coach Waldrum's boys were credited with three first-downs and McCamey only one. At one point in the first quarter the Eagles were within five yards of a TD, but the Badger defensive stiffened; the Eagle ball-carrier was downed behind the line of scrimmage, and the ball went over on downs. That was about as close as we ever got to the goal line, most of the game being played well out in mid-field. At a later point in the first quarter the Eagles lost the ball on a fumble, but here it can be noted that throughout the game there were very few fumbles charged up against Eagles, and very few penalties—two things that dogged the Eagles all through the season last year.

It was the second quarter that played the mischief with the Eagles. It started out with McCamey having the ball, which they promptly lost on downs, and the Eagles again started marching down the field with a succession of first-downs. They were doing real well, playing it on the ground, but there always comes a time when a team has to uncork a long pass—and they did. A Badger player intercepted it, and there was nothing between him and the goal line except 48 yards of space, which he promptly took advantage of.

Their try for extra point was good too, so that left it 7 to 0. A little later on Eldorado had the ball again, and they attempted another long pass. It was intercepted too, but the results were not so disastrous this time and the half ended McCamey 7 and Eldorado 0.

In the third quarter it seemed that both teams were taking no chances, and playing strictly on the ground, with the Eagles again picking up a majority of the first downs, but never getting quite enough steam to get down into pay dirt.

The fourth quarter came along with considerable more razzle-dazzle. The Eagles lost ground on penalties. The Badgers took over and promptly lost the ball on downs. The Eagles threw another pass and again it was intercepted. Then the Badgers pulled off a pass themselves that was good and put the ball within two yards of the goal. The next play they went over for a TD. Their try for extra point was no good and that put the score at 13 to 0. By that time there was only about 4 minutes to go, and it looked like this was the ball game, but the Eagles were still not ready to quit. The next thing we knew they had intercepted a McCamey pass and worked the ball up to the line and over for a TD in the very last minute of play. The extra point was good too, so the final score looked a lot better—7 to 13 in McCamey's favor.

It was a first class game all the way and Coach Waldrum's boys gave an excellent account of themselves—much better than the bare scores indicate. We believe the Eldorado Eagles will have to be reckoned with before a winner emerges in the forthcoming district play.

Eldorado was credited with nine first downs for the whole game, and McCamey three.

### Half Time

The weather Friday night was ideal and a large crowd of McCamey boosters were here for the game as well as many people from adjoining counties. At the half the large McCamey band in red jackets and gray trousers, took the field and performed a number of formations, which closed with a twirling exhibition.

They were followed by the Eldorado Band in their new green and white uniforms and accompanied by the Pep Squad.

### Post Script

V. G. Tisdale has started work on his new Eldorado residence, which is located on the site of the old Patton house, which has been dismantled and some of the material used in the new house. The house will have two bedrooms, two baths, living room, combination dining room and sitting room, kitchen, and attached single garage. The exterior finish will be stucco, and the interior will be sheetrocked and textured. Cameron's have the contract.

—ps—

The new four-unit apartment house which J. L. Ratliff has been building is nearing completion and two of the apartments are already occupied by new tenants. Mrs. Jimmie Cook, the former Ernestine Clark, and her daughter have moved to the west side unit and Mr. and Mrs. J. C. Johnson Jr. have moved to the east side one. The other two are not yet entirely completed.

Several are renovating or enlarging their houses. Patton Enochs has started work on an addition at the rear of his residence near the school house. Gus Love is adding ten feet to the living room of his residence—the addition extending north. Jerome Mitchell is adding two rooms at the rear of his place, stuccoing the exterior, renovating the interior and putting in a new foundation. Extensive renovations and enlarging of the house are under way at the Westbrook place, occupied by Mr. and Mrs. A. L. Westbrook.

### School Enrollment Is Still On Increase

School enrollment has increased by 24, according to tentative figures announced this week. Enrollment for the entire school is now 509, as compared with 485 early in September.

The High school has a total of 128, with the enrollment this week of two new High school students, the sons of Mr. and Mrs. C. C. Brown. Jerry is a senior, coming here from Comanche Hi; Clyde is a Freshman, who attended this school while the family lived in Eldorado before.

Junior High has an enrollment of 85—a gain of seven students since school opening week. The elementary grades (the first six) have enrolled a total of 296—a gain of 13.

There are 22 pupils in eight grades at the negro school, with Miss Bertha Mae Miles again the teacher.

In the elementary grades the following new students have been enrolled in the past week:

1st grade: Basilio Gauna, Andrea Kirby, Sue Collier, Charles Reel.  
2nd: Gary Whately, Celia Ann McDuff.  
3rd: Elisio Garcia, Glenda Sue Whately.  
4th: Kyneth Collier, Gregoria Barajas, Donald Flippen.

### District Court

The following cases were disposed of before Judge Sutton in District Court here Monday:

Case No. 749. Katharine Penn Kirk vs. Myrtle Thompson et al, suit involving royalty, settled by agreement.

755. John F. Isaacs vs. Johnny Florence, foreclosure for unpaid taxes. Judgment in favor of plaintiff.

762. In re-adoption, Mary Nell Featherstone, a minor. Adoption granted.

744. Mamie Lee Carter vs. Carol Carter, divorce granted.

760. Velma Haley vs. Paul G. Haley, divorce granted. Property settlement approved.

761. Rosa Lee Woodward vs. Raymond Burl Woodward, divorce granted. Custody of six children awarded to mother. Defendant ordered to pay \$300 month child support.

763. Viola Bruce Nolen vs. Robert L. Nolen, divorce granted. Custody of two minor children awarded mother.

764. Anita Guana vs. Olegaria Guana, divorce granted. Custody of two minor children awarded mother. \$30 month child support.

The three other divorce cases on the docket were dismissed on motion of the plaintiffs.

Five jury cases to be called Monday.

The Grand Jury meeting Monday returned three indictments. These are not revealed until the defendants are in custody.

The petit jury will convene at 10:00 a. m., Monday, Sept. 22.

### Commissioners Court Closes Deal

## Sale of Gaines Co. Oil Lease Brings \$112,000.00 Bonus To Permanent School Fund Here

After dickering with several major oil companies in a series of recessed meetings throughout last week, the Schleicher County Commissioners Court on Saturday closed a deal with the Sinclair Oil & Gas Co., for lease of mineral rights in Gaines county and collected a cash bonus of \$112,000.00.

The deal involved this county's one-half mineral interest in 4428 acres of school land in League 284 in Gaines. It seems that years ago Schleicher County sold this particular block of land, but in selling it, they retained one-half of the mineral rights. It was the lease of this one-half interest which brought the handsome cash bonus last week. The lease is a regular 5-year commercial lease, calling for \$1.00 per acre rental per year.

The money thus obtained will go into the Schleicher County permanent school fund, where it will be invested. The interest earned each year will be available for local school expense. Invested in safe securities at 2½% interest, it is pointed out that the sum received last week will earn \$2,800 per year. Also the \$1,000 per acre rental will bring this county a total of \$2214 per year.

Before last week the permanent school fund here contained about \$99,500.00—now increased to a total of \$211,500.

Schleicher County still owns about 800 acres in another league in Gaines County—having title to the land itself as well as all of the mineral rights.

According to the Texas Almanac it was the Texas constitution of 1876 which provided for the distribution of part of the public domain to various counties as a perpetual public school fund. Schleicher county was given title to a block of land in Gaines county. At one time Concho county owned a large block of land in Schleicher. Over 42 million acres of Texas public domain were distributed for school purposes down through the years.

Full attendance of all members of the court was required at each of the recessed meetings held last week. There were two major oil companies involved in the bidding and one of the commissioners remarked "We just had to sweat it out."

### EAGLES TO PLAY AT FT. STOCKTON TOMORROW NIGHT

The Eldorado Eagles who made a good showing in their first game last week, will tackle another big team when they have their second contest tomorrow night at Fort Stockton. It is expected that a large delegation of Eldorado fans will follow the team; Ft. Stockton is a good 3-hour drive from Eldorado.

The football squad and coaches plan to leave around 9:00 a. m. on Friday. The game is scheduled to start at 8:00 p. m.

The Eldorado squad has been invited by the Ft. Stockton Youth Center to be guests at supper after the football game. All of the Eldorado students and fans are invited to the Center and will be fed if the "groceries hold out."

The probable starting line-up for Friday night will be:

Offensive team: Ends: Holcomb and Cheek; Tackles: Thornton and Pennington; Guards: Doyle and Bearce; Center: Stanford; Quarterback, Perry; Halfbacks: Craig and Edmiston; Fullback, Griffin.

Defensive team: Billy Gene Edmiston as guard, and Wilson Humphrey as end, will start.

After the game the football squad and coaches will go on to Alpine and spend Friday night, Saturday and Saturday night there. On Saturday night they will see Sul Ross Lobos play California Poly. They will start for home Sunday morning.

### Parent-Teacher Assn. Holds Its First Meeting; Membership Is Large

Members of the Eldorado Parent Teacher Association held their first meeting of the new school year Tuesday night in the high school auditorium with Mrs. Jack Hext presiding.

The budget was presented by Mrs. Edwin Jackson, chairman of the budget committee.

Mrs. J. M. Christian was elected vice president of the local unit, and Mrs. T. E. Holcomb was appointed representative to the five-county council. Constitution revisions were adopted.

It was announced that a school of instruction would be held September 19 in the school auditorium

at 9:00 a. m. with Mrs. Sid Bolding of San Angelo in charge. Mrs. Marvin McAngus was presented with a past president's pin and made a speech of acceptance, responding to Mrs. Archie Mittel's presentation speech. Group singing was led by Mrs. John Stigler.

"Faith In Our Schools" was the subject discussed by T. E. Holcomb, superintendent of schools. In pointing to the need for a can-do faith in ourselves for the present and the future, Mr. Holcomb cited the importance of faith in the school administration, in the faculty, and in our own children. He mentioned that in the Eldorado school all teachers have Bachelor's degrees and eight have Master's.

With 224 members signed up the first day of school, the P-TA has "Home and Family Life" as their theme for this year. A social hour was in charge of the executive board.

Mrs. Palmer West and Mrs. James Williams attended the five-county council meeting of the PTA Saturday at the Cactus Hotel in San Angelo. Officers to replace three who had resigned, were chosen.

### Barbecue Celebrates Bringing In Of Well On McClatchy Place

Celebrating bringing in of the No. 1 well on the W. H. McClatchy estate place, Mrs. W. H. McClatchy entertained about 125 people with a barbecue at the field near the ranch residence, Saturday afternoon at 4:00.

Included in the group were visiting oil men from Midland, Snyder and other places, supply men, members of the crews, and others who live here and elsewhere.

The children were also here: D. A. and Cecil McClatchy of Midland, Leon Youngers of San Angelo, and Jack who lives on the home place. Also present was Mrs. McClatchy's sister, Mrs. Minnie McCormick of Brownwood, who remained for a longer visit, also Mr. and Mrs. Joe Brooks of Coleman. The well, a good producer, was brought in several weeks ago.

Mrs. Gene St. Clair and daughter left Saturday for their home at Tripoli, where Captain St. Clair is stationed. They have been visiting here with Mrs. Lillian Crosby the past two months.

### State Officer Speaks At Lions Faculty Banquet Last Night

Over 100 plates were served to Lions, their ladies and the school faculty at a banquet Wednesday night in the Memorial building.

After the singing of America and pledge to the flag, the Rev. Doyle Morton led the invocation and R. L. Sample of Arkansas, a former Eldorado Lion, was introduced as the first visiting "tail twister" the club has ever had.

President Palmer West presided and introduced Carroll Ratliff as master of ceremonies. Ratliff mentioned the many years the Lions had paid special tribute to the faculty by serving a dinner in their honor, welcomed the group to Eldorado, and pledged the support of the Club to the school and all of its activities.

Introduction of guests revealed the fact that there were several present besides the faculty: Mr. and Mrs. R. L. Sample, Mr. and Mrs. Dee Love, Mr. and Mrs. S. D. Harper, and Mrs. Joe Edens' sister of San Antonio. Faculty were introduced by H. S. Principal W. J. Fraker and Grade Principal Wynn-dell Hall.

Miss Lucille Farmer sang two popular numbers with Mrs. J. M. Christian as accompanist; and Miss Aigood played an arrangement of familiar songs.

Toastmaster Carroll Ratliff then introduced Frank Jackson of the San Angelo school system, past president of the State Teachers' Association in 1947 and a prominent Mason and civic worker, who mentioned the Association's membership of 52,000. He also stressed the fact that the profession's foundation program had substantially increased salaries and that satisfied teachers do better work. Jackson also spoke from his experience as president of the National County Superintendent's Assn.

The principal speaker was Miss Ruth Hillyer, San Angelo math teacher, whose term as president of the State Teachers' Association expires at Thanksgiving.

In her introductory remarks she mentioned the fact that a sixth of the population either attend or work for the school, and that peak attendance is expected by 1960; also that schools must avoid developing into "super filling stations"—with emphasis on three R's: racing, wrestling and recess! The main theme of her address was the challenge of the teacher shortage. She traced this shortage back to World War I when first warnings were issued, on through the 20's with its lowering standards and the logical result: screening out by the armed forces of many young men who for all practical purposes are illiterates.

Shortages, as she listed them, are in math, elementary, special fields, music and other lines—with need of 1000 more teachers to take care of additional classrooms needed. She deplored the fact that some schools had been forced to employ unqualified men and women.

To get these needed teachers she suggested calling back out of the community all former teachers who are prepared and willing to teach, and making the profession more attractive by higher salaries (a base of \$3,000 is suggested for consideration), by co-operation of an informed public, by a much better pension system, and by developing of a much friendlier attitude toward the faculty.

She concluded with the statement that the Association slogan is "The Future of Education is Forward"—thru service to the job, service to the community, and service to the profession.

### 2-DAY ROPING TO BE STAGED HERE THIS WEEK END

The Eldorado Roping Club plans a two-day roping, with 8:00 the starting time Saturday night, and 2:00 p. m. the following Sunday afternoon. There will be matched ropings, jackpot ropings, and barrel races.

Last Sunday afternoon Tom Powers of Ozona won the first jackpot, with John Rae Powell second and P. C. Perner of Ozona and James Leonard of Del Rio tying for third. Charlie Davidson of Ozona was winner of the second jackpot, with John Rae Powell of Eldorado and Gene Newman of San Angelo third.

Winner of the third jackpot was James Leonard of Del Rio, with P. C. Perner of Ozona second and Charlie Davidson of Ozona third. Orval Thomas of San Angelo won the matched roping of six calves, time, 92.3—James Leonard of Del Rio was second with 97.6.

## Plans Made For Purchase Of Right-Of-Way

First steps toward the purchase of right-of-way for the Mertzson road were taken Monday when the Commissioners' Court met with a group of land owners and worked out a number of tentative agreements, which would lead to a uniform handling of all the deals.

It was proposed that \$50 an acre will be paid for ranch land, and \$100 an acre for farm land. Agreement was also made on the type of fencing to be provided by the county, as well as the matter of water wells, etc.

Some months ago State Highway engineers surveyed the proposed route, made field notes and prepared deeds for the land involved. The commissioners now will soon be ready to get the names on the dotted line, and later in the fall proceed with construction.

Property owners present at Monday's meeting were: P. F. Case, T. K. Jones, Willie Whitten, Ralph Fowler, S. D. Harper, and Bill McWhorter.

### Schleicher County Oil News

Sinclair Oil & Gas Company found a strong blow of gas on a drillstem test in the top of the Strawn in No. 1 W. McClatchy-Estate, project in the Huldale area of Central-North Schleicher county.

Interval tested was from 5,585 to 5,635 feet. Tool was open 10 minutes. Gas surfaced in one minute. Volume was estimated to be from four to five million cubic feet per day. Operator was coming out of hole with tool at last report.

Sinclair Oil & Gas Company will drill No. 1 Dwight McClatchy as a one-mile southeast outcrop to production in the Huldale field.

It will be dug 467 feet from north and west lines of section 31, block M, GH&S survey and seven miles northeast of Eldorado. Contract depth is 6,000 feet.

Gray-Wolf No. 1 Thomson, wildcat one mile southeast of Eldorado, was progressing below 6,856 feet in shale. This project found no shows of possible production in drilling through the Pennsylvania section.

T. L. Williams, Trustee No. 10-A Bert Page, three-eighths mile southeast extension to the Page (Strawn) field, has been completed for a daily flowing potential of 398.88 barrels of 41-gravity oil and no water. Gas-oil ratio is 900-1. This is a corrected potential report.

Production was through open two-inch tubing and open hole between 5,485 feet and total depth of 5,600 feet.

Delta Gulf Drilling Company and others No. 1-B Mrs. Viola McWhorter, Huldale project, was moving in standard tools to spud.

Delta Gulf No. 2-D H. F. Thomson, was drilling at 3,523 feet in lime and shale. Ohio No. 18 Thomson Estate, another Huldale project, was preparing to spud.

Standard Oil Company of Texas No. 2-2 Mrs. Viola McWhorter, project in the south part of the Huldale field, was bottomed at 5746 feet in the Strawn. The well was acidized yesterday and was expected to kick off.

Casing was run for pay try in the Ellenburger at Pure Oil No. 1 R. S. Williams, ten miles northwest of Eldorado. Originally drilled to 8,005, hole was plugged back and sidetracked to re-enter the Ellenburger at 7470 feet. Drillstem test at 7440-83 with tool open seven hours returned 360 feet of oil and gas-cut mud, 900 feet of oil, 2880 feet of oil and gas-cut salt water and 2010 feet of salt water. Free gas showed.

### CREW HAS BARBECUE

The yard of the Jack Montgomery home was the meeting place for Republic Exploration employees and their families Monday night, a feature of the get-together being a barbecue. The group visited out-of-doors after the supper and the children played games.

Success, \$2 year — anywhere.

**Bride Is Shower Honoree At Tea On Saturday**

A group of women from the First Baptist church and others entertained with a miscellaneous bridal shower Saturday afternoon, honoring Mrs. Roy Crider, the former Fay McAlpine, daughter of Mr. and Mrs. W. G. McAlpine.

In the receiving line were Mrs. Crider, her mother, and her sister Juanita of San Angelo. Mrs. Robert McElroy of San Angelo presided at the register, and Mrs. Sadie Davidson served the first hour and Mrs. Solon Boothe the second. Miss Lucille Farmer sang, and Mrs. J. M. Christian and Mrs. Roy Phelps alternated at the piano.

The centerpiece had a heart-shaped background in white, outlined in yellow, framing the miniature bride and groom, which were surrounded with an arrangement of white and yellow mums. A bouquet of yellow mums and several others of marigolds completed the room decorations. The serving table was laid with white Madeira linen, and there were white candles and crystal serving dishes.

Among those from out of town, joining the large number of local friends who called, were Mrs. Tony Queen and daughter Doris of Balinger, and Mrs. Bill Ratliff, Mrs. Bob McElroy, Mrs. Clyde Biggs and Juanita McAlpine of San Angelo.

The large number of gifts were displayed on tables in the reception rooms of the First Baptist Church, where the shower was held between the hours of 3:00 and 5:00.

**COUPLE ARE MARRIED**

In a single ring ceremony at the sanctuary of the First Baptist Church on September 8, at 7:30 p.m., the pastor, Rev. Clifford Nelson, united in marriage Mrs. Lydia Thorp and R. R. Cumbie. The couple were unattended. Mr. Cumbie, a retired Baptist minister, moved here from Olden last year to become caretaker at the First Baptist church. Mrs. Thorp moved to Eldorado three months ago from Morton Valley and bought the L. D. Christian place where the couple now live.

Mrs. Mattie Cozzens visited last week in Junction with her daughter, Mrs. Frank Black, returning home Thursday.

Mrs. Lizzie McAngus left Wednesday for Junction to spend several days with Mrs. O. T. Murr.

**PRESBYTERIAN WOMEN BUY DISHES FOR CHURCH**

The three circles of the Women of the Church have bought a set of dishes for the church dining room to provide service for 100.

The women recently completed their White Cross work in a meeting at the home of Mrs. Joe Edens.

The ladies are reading the three mission books which are a part of the study course for the fall. Each member is expected to read these books on home and foreign mission work and it is being carried out by the Presbyterian Church.

Attending the Shrine Circus in San Angelo Saturday night were Mrs. Victoria Ohlenburg and sons Jonny and Eddie, Buddy Bruce, Mrs. R. L. Ballew, Elizabeth Ann and Ray Lewis Ballew.

O. W. Duncan of Calf Creek is here visiting local relatives.

Mr. and Mrs. Paul Page and baby drove Thursday to Dallas. Mrs. Page remained with relatives, while Paul returned home; he plans to go after his family next week end.

Mr. and Mrs. Jeff Enochs visited their daughter Mrs. Junior Isaacs recently, and were "rained in" for awhile. They report seeing the results of the flood there following the 17 inches of rain at Fredericksburg.

L. Wheeler had another attack of illness Sunday morning, and is confined to his bed much of the time this week.

Mr. and Mrs. George Williams and daughters and Frank West visited in the Aubrey Cavin and Raymond Blasdel homes at Brady last week end.

Mrs. Jerome Mitchell has returned from a short visit with her son Rubel, who is hospitalized at Stockdale where he is having treatment for a lung abscess. He has been driving a dump truck in that locality. She reports that he is improving, and is able to be up much of the time.

Mrs. Ed Hill is in Clinic Hospital in San Angelo where she is undergoing treatment. It is understood that surgery is planned for a later date.

Mr. and Mrs. W. M. Bierschwale visited relatives at Fredericksburg during the week end.

**Former Superintendent Dies At Age of 82**

J. B. Smith, 82, former superintendent of the Eldorado Schools, beginning in 1905, died at his home in San Angelo Friday. Funeral services were held Saturday with burial in Fairmount.

Surviving Mr. Smith, who was connected with the Great Southern Life Insurance Co. in San Angelo since 1925, are his wife, the former Jessie M. Kersey, a brother, J. A. Smith, of Dallas, a sister, Mrs. Dessie Dukes of Luling, three half brothers and a half sister.

He had been a teacher from the age of 18 until he entered the business world in 1925. He started teaching in a country school, and taught in Christoval, Eldorado, Ozona, and other places, going to San Angelo from Brady. He was a Shriner, a Mason, and a member of the Baptist Church.

Standardized Local School. Mr. Smith's work as an educator in Schleicher County is generally recognized as of great importance. He became superintendent when the school was practically a rural school, and in his six years' stay here brought the school up to a graded educational institution.

A thorough worker, he is remembered with respect and affection by his former pupils. In 1907 he graduated his first class, and in 1909 had another group ready for graduation. Mrs. Smith taught music while the couple lived here, and was active in club work also. Mr. Smith joined the Baptist church in Eldorado in 1910. When he left this city, he took over administration of the larger Ozona school system.

The Smiths were honorary life members of Mias Amigas.

**LET'S TALK LIVESTOCK BY TED GOULDY**

FORT WORTH — Considerably smaller supplies of livestock arrived at Fort Worth and at the nation's 12 major public markets as the mid-September market week opened Monday. Highly uneven prices were in evidence, with the trend steady to stronger on most cattle and calves with some sales 50 cents higher. Cows sold fully 50 cents, spots \$1 higher. Other classes of cattle and calves, including stockers, were getting a bit better action than was evident in the dull close of a week earlier. Hogs opened the week with a 25-cent advance and topped at \$19.75. Sows were steady at \$15 to \$17.

Sheep and lambs were generally steady, the kinds considered. High quality and highly finished kinds were very scarce or absent.

In seeking reasons for the recent drop of prices, the trade believes: Persistent refusal of normal demand for stockers and feeders to develop has been a tremendous factor in the slumping cattle and calf trade. However packers again pointed to sharp reductions of wholesale prices of most kinds of calf meat and reiterated their inability to work out from under the inventories even at reduced prices. Cow beef, grasser steers and boned out beef was moving sluggishly in the meat channels because of large supplies.

Good and choice fed steers and yearlings drew \$24 to \$30. Plain and medium kinds sold at \$15 to \$24, with cull yearlings \$12 to \$15. Fat cows sold from \$14.50 to \$19.50, with canners and cutters at \$10 to \$14.50. Bulls sold from \$13 to \$20. Good and choice fat calves cleared at \$21 to \$28.25, with common and medium sorts from \$15 to \$20, and culls at \$12 to \$14. Stocker calves ranged from \$18 to \$27.50 and stocker yearlings bulked at \$15 to \$26. Stocker heifers sold at \$24 down, stocker cows drew \$14 to \$20.

Fat lambs sold from \$20 to \$25, stocker and feeder lambs drew \$10 to \$19, and culls sold from \$8 to \$10. Fat yearling wethers sold from \$15 to \$19 and stocker yearling wethers sold from \$10 to \$14. Yearling ewes sold from \$17 down. Slaughter ewes sold for \$6 to \$7 and old wethers drew \$10 down. Two- and three-year-old wethers sold from \$12.50 down. Old bucks sold for \$6 to \$6.50.

Hog top Monday was \$19.75 and packing sows ended the week at \$15 to \$17.

The Success Office

Nine members of the Finley, Mitchell and Bradley families from Eldorado attended a family get-together at Richards Park in Brady on Sunday, September 14. This was the first meeting but it was voted to make it an annual affair. Those attending from here were Mr. and Mrs. E. Otto Williams, Mr. and Mrs. W. L. Isaacs and grandson, Kenneth, Mrs. F. M. Bradley, Mrs. R. L. Ballew and Elizabeth Ann and Ray Lewis Ballew. There were 82 members of the families present, from Snyder, Oklahoma, Addington, Oklahoma, Llano, Austin, Brady, Victoria, Fife, Eldorado, Field Creek, Millersview, Coleman, Rochelle, and Pear Valley.

**If You Should Be Elected President**

COLLEGE STATION — This is election time again. Unless you have a good reason for being unable to serve, accept the election in your club to the office of president. Bonnie Cox, organization specialist for the Agricultural Extension Service of Texas A&M college, reminds you of the importance of being a good officer. She says you joined the organization because you wanted to share the responsibilities of the program and activities. Your club honors and expresses confidence when electing you president. If you are elected, remember to be gracious and tactful at all times. Understand the purposes of the organization and get as many people as possible to work to achieve these purposes. You probably will find yourself doing most of the work outside of the meetings over which you preside. Plan each meeting carefully with other officers, committee chairmen and members taking part on the program.

Miss Cox suggests certain rules which will make for efficient meetings: call them to order on time; follow the adopted order of business; put motions and announce results of the vote; conduct elections; appoint committees; see that business is conducted in an orderly manner and according to parliamentary procedure; be impartial in recognizing members who wish to speak; enforce rules as to time limits for speakers and adjourn the meeting promptly.

Mr. and Mrs. D-Eon Priest and young daughter, D-Ann, left Friday for their home at O'Brien, after a visit in the Arthur Mund home. With the Priests in the car, in addition to the new baby, was the family's mother dog Spooky and five of her six little puppies, the sixth having been given away in Eldorado.

Mr. and Mrs. John Burrus of Carridan are here for a visit in the W. J. Burrus home. Also here for the week end were James and his wife of Coke County.

**Methodist Notes**

The Workers' Council will meet in the church at 3:00 p. m. Sunday. All officers and teachers of the Sunday school are asked to be present.

"Educational Work in Brazil" will be the subject for discussion at the Sunday evening service. This is the second in a series of talks the pastor is giving about missionary work in Brazil. Following the evening worship there will be another fellowship hour. Everyone is invited.

Pastors and lay representatives of Methodist churches in the SW Texas and Rio Grande conferences were in session at Travis Park Methodist church Sept. 15 to make plans for the Texas Methodist Stewardship movement in local churches.

Headline speaker was Dr. Robt. E. Goodrich, Jr., of First Methodist church, Dallas. Ray H. Nichols of Vernon, president of the denomination's Board of Lay Activities, spoke at the Laymen's Stewardship dinner, when W. W. Jackson of San Antonio, Southwest Texas Conference lay leader, presided.

Among those present from Eldorado were: Mrs. W. F. Meador, Mrs. Lawrence Steen, Ray Tisdale, Doyle W. Morton. The date for the Stewardship Revival in the local Methodist Church is October 19-23. The Rev. Roy May, pastor of the First Methodist Church of Brady, will be the guest preacher.

**W. S. C. S.**

Several members of the Womens Society of Christian Service attended the annual district seminar at Sonora Methodist Church on Thursday. Mrs. R. O. White, district secretary of Missionary education, of Rankin, had charge of the school. Mrs. White, who attended the School of Mission in Mt. Sequoia, and taught the study course on Africa at Mt. Wesley, Kerrville in August, presented the study on Africa during the morning session. Mrs. Kermit Winkle of Rocksprings gave the study on Human Rights.

After lunch served by the Sonora women, Mrs. Roy Shilling gave the course on the Bible. After a short meeting of the executive board the group decided to combine the district conference of WSCS with the church district conference in Big Lake in November. It was originally planned to have the district WSCS conference in Eldorado but because of conflicts with our Stewardship campaign it seemed advisable to combine the meetings at Big Lake.

Those attending from here were Mrs. Frank Meador, Mrs. Ben Hext, Mrs. Ralph Fowler, Mrs. Luke Thompson, Mrs. J. E. Tisdale, Rev. and Mrs. Doyle Morton and Mrs. Ray Tisdale.

**Recipe of the Week**

"Super" Meat Balls  
 1 1/2 pounds ground beef  
 3/4 cup catsup (1/4 cup in meat balls, 1/2 cup in sauce)  
 1 teaspoon salt  
 2 teaspoons mustard  
 2 teaspoons horseradish  
 2 teaspoons Worcestershire sauce  
 1/2 teaspoon salt  
 1/4 cup flour  
 1/3 cup meat drippings  
 12 small onions  
 12 small potatoes  
 2 cups carrots  
 2 cups milk or broth  
 1 recipe for biscuit

Add 1/4 cup catsup and 1 teaspoon salt to ground meat. Form into balls, roll in flour and brown in fat. Make sauce of meat drippings, flour and milk or broth. Add seasonings of mustard, horseradish, Worcestershire sauce and 1/2 teaspoon salt.

Pre-cook the onions, potatoes and carrots. Arrange the vegetables and meat balls in a casserole. Pour sauce over them. Place biscuits on top. Bake in a moderate oven at 350 degrees for 30 minutes. Serve from casseroles.

Mr. and Mrs. Aubrey Lackey and children Wanda and Dianne spent the week end in the home of Mrs. Hattie Blaylock.

Mrs. Sid Rogge and daughters of Sonora returned home Saturday after a several-day visit with Mr. and Mrs. E. R. Bryant.

Mr. and Mrs. Earl Cathey had as guests Sunday Mrs. Cathey's brother-in-law and sister Mr. and Mrs. Ronald Patton of Menard.

**Personal News Items**

Mr. and Mrs. Roy Andrews spent Sunday in London with the former's mother Mrs. S. E. Andrews.

Mrs. L. O. Tomlinson has returned home after spending several days with her parents Mr. and Mrs. Thomas Baker. She lives in San Angelo.

Mrs. Annie Dickens and daughter of San Angelo were here Sunday.

Here for a several day visit in the A. J. Stevens home were their daughter Mrs. Phil Schwatzel and children of Clebourne.

Mr. and Mrs. Wm. Sauer of Big Spring spent Saturday and Sunday here with their parents, Mr. and Mrs. Otto Sauer and Mr. and Mrs. Fred Gunstead.

Mr. and Mrs. Howard Belcher and children of San Angelo spent the week end with Mrs. Rutha Boyer.

The Walter Barclay family spent the week end in Richland Springs with relatives.

Mrs. Joe B Kegans of San Angelo who has been visiting Mr. and Mrs. S. H. Cheatham two weeks, returned home Saturday. The women are sisters.

W. A. Menees and his family visited recently in Quitman. They were accompanied to Tyler by Mrs. Jerry Shotts and baby, who will remain there several days, then will accompany her mother-in-law back to Eldorado.

Mr. and Mrs. Nugent Gillispie of Stamford have been visiting Mr. and Mrs. Doyle Gillispie.

Mrs. J. B. Montgomery spent the week end in San Antonio with Joe Bailey and his family.

Lewis Wilson III, graduate of EHS and of SAC, is now teaching in Comstock. He is room teacher for seventh and eighth grades and teaches music on the side.

Mrs. Lewis Ballew has returned from Austin where her daughter Lola Beth enrolled in the University.

Mrs. Horace Linthicum returned yesterday from Ft. Worth where she drove with her daughter Suzie, Freshman at TCU.

Mr. and Mrs. V. G. Tisdale have returned from their recent visit to the ranch home of Mr. and Mrs. Ralph Tisdale, where there was an all-night rain while they were there.

Mr. and Mrs. E. H. Topliffe and daughters spent Saturday and Sunday at Telegraph, where they rented a cottage for the week end.

Floyd, two-year-old son of Mr. and Mrs. Jimmie West, was brought home from a San Angelo hospital Monday. While doctors are not certain, they expressed the opinion that judging from the symptoms, the boy had a light case of polio, which they treated while it was still in the beginning stages.

Success, \$2 year — anywhere.

The story of the Methodist Home at Waco actually told by the children themselves will go on the air again Sunday, September 21, at 8:15 a. m. over fourteen radio stations. The Home is dramatizing activities from the lives of its more than four hundred children again this fall on Sunday morning because of an enthusiastic response from radio listeners all over the Southwest last fall. Some of them wrote that they had contributed

to its support many years without ever having been able to visit its campus, and that the radio programs gave them a vivid picture of its life.

Students and ex-students have done most of the script-writing and are acting out the incidents. Music by the Home choir will be a feature of the fifteen-minute broadcasts which are entitled, "These Are Your Children."

**Drouth Relief Hay Now Being Received To Benefit Stockmen**

Schleicher County has been declared a disaster area under Public Law 875 because of the continued drouth, and a program is being carried out under which farmers and ranchers may buy hay at more reasonable prices.

By Monday morning, 92 applications had been received in the local PMA office, and the first two orders for hay had already been shipped—one from Iowa and another from Illinois. A total of 1228 tons had been applied for at that time.

Hay is of three grades:

No. 1—Legume hay, containing at least 705 legumes, principally clover—\$36 per ton.

No. 2—Legume and grass hay mixture, containing at least 33% legumes—\$32 per ton.

No. 3—Mixed grass hay, containing no legumes—\$28 per ton.

All prices are on the car at Eldorado and are the established rates which purchasers will pay at the railroad and do not include the cost of unloading the hay.

Orders are still being received in the county PMA office and a \$5 deposit must accompany the application for each ton ordered. All hay will be subject to full payment upon receipt by the producer at the car.

At the time of the order, producers will be required to declare the use of the hay for foundation livestock and to certify it is not for re-sale.

Orders are limited to about a 30-day supply for each producer until all eligible producers in Schleicher have received a supply.

**ROCK CHURCH OF CHRIST**

Each Lord's day we have Bible study for all ages at 10:00 a. m. We invite everyone to study God's word with us.

Worship services begin at 11:00 a. m. The sermon topic will be "The Meaning and Importance of Reverence." All members are urged to be present and a cordial invitation is extended to everyone.

Evening worship services will begin at 7:30. The sermon topic will be "The Time and Manner of Christ's Second Coming." This is a topic that everyone ought to be interested in, and everyone is invited to come and hear this sermon.

We have Ladies Bible class each Monday at 4:00 p. m. We are having good attendance and all ladies are invited to study's God's word with us. Devotional services each Wednesday evening at 7:30.

Come let us reason together saith the Lord. Isaiah 1:18.

Quentin A. Dunn, Minister.

Charlie Trigg goes to Lawrence, Kansas this week end to officiate in the TCU and U of Kansas football game.

Cub Scout Den 3 met at the home of Mrs. McGregor on Sept. 11. They elected officers: Jim Runge, denner; Alton Roy Mitchell, scribe. The Cub Scouts were Joe Lowe, John McGregor, Jerry Thomerson, Jimmie O'Harrow, Alton Roy Mitchell, Johnny Griffen, and Jim Runge.

**Soil Conservation District News**

W. O. "Whip" Faulk, cooperating with the Eldorado-Divide Soil Conservation District, is taking advantage of the continued drought by constructing level wide base terraces on cropland he leases 9 miles southwest of Eldorado.

Faulk is constructing the level terraces with his farm tractor and disc plow. To date with the terraces nearing completion 70 man hours, 180 gallons of gasoline and 10 quarts of oil have been used to construct the 3 mile of terraces.

Terrace construction with farm tractor and disc plow is not new to Faulk. The construction of 2 miles of level wide base terraces with farm tractor and disc plow was completed by Whip on the J. H. Faulk farm last year.

Faulk states the increased yields the first year following construction of level terraces for soil and water conservation more than pay for the cost of construction.

Robert and Jim Martin, cooperators of the Eldorado Divide SCD, who ranch 28 miles east of Eldorado on the Rudd road, have just recently had contour lines laid out on their 76 acre field and bedded the land on the contour.

Robert and Jim realize that they need to hold all the water that falls in order to make maximum yields. They hope to store as much water in the soil as they can through the winter months as they plan to plant the field to Blue panicum (Blue panic) next spring.

Blue panic is a grass which shows promise of filling the need for a perennial grass (one that comes back from the crowns) that can be used in rotation with field crops. Besides being an excellent soil conservator, it affords lush grazing. It makes growth similar to sudan but is more drought resistant. The feeding value of blue panic is good. It goes dormant during the dead of winter but puts out green growth early in the spring. Thus, its long growing season of about eight months during the year makes it a prize for grazing and soil cover.

Success, \$2 year — anywhere.

**DOZENS OF STUDENTS LEAVE TO ENROLL FOR FALL SEMESTER IN VARIOUS COLLEGES**

An unusually large number of young people from the county are in college, many of them Freshmen, and a few doing graduate work. While it is impossible to assemble a complete list of names, the following are some of the students who are away at school:

SAC—Charlene Atkinson, daughter of Mr. and Mrs. Alvin Atkinson; Grace Crosby, daughter of Mr. and Mrs. Arch Crosby; Margaret Ellen Edmiston, daughter of Mr. and Mrs. Arch Edmiston; Ruthie Dee Harris, daughter of Mr. and Mrs. O. Harris; Marianne Craig, daughter of Judge and Mrs. Elvis Craig—all Freshmen; also Myrta Bob Harper, daughter of Mr. and Mrs. S. D. Harper, soph.; Mary Sproul, daughter of Mr. and Mrs. Robt. Sproul, soph.; Truman Biggs who made a last minute change from Tech to SAC, where he is a Freshman; George Ochsner, son of Mr. and Mrs. L. D. Ochsner; Mary Nell Roach, daughter of Eldred Roach.

Texas State University: Lola Beth Ballew, daughter of Mr. and Mrs. Lewis Ballew; Rita Ann Elder daughter of Mr. and Mrs. Jack Elder.

Texas Christian University: Suzy Linthicum, daughter of Mr. and Mrs. Horace Linthicum.

Shannon Nurses' School: Billie Jo Jeffrey.

A&M College: Jimmie Hill, son

of Mr. and Mrs. L. M. Hill; Roger Sofge, son of Mr. and Mrs. Doc Sofge; David Powell, son of Mrs. Elizabeth Powell; Neville Clarke, son of Mr. and Mrs. Frank Clarke, in his sixth year of his seven-year course on veterinary medicine, doing part time work as a professor's assistant also.

San Marcos, Crete Mund, daughter of Mr. and Mrs. Arthur Mund. Abilene Christian College, John Phillips, son of Mr. and Mrs. Paul Phillips.

Texas Tech, Sonny Stanford, son of Mr. and Mrs. Truett Stanford; Inetta Fae Mace, daughter of Mr. and Mrs. J. H. Mace; Jackie Henderson, daughter of Mr. and Mrs. Tom Henderson; Johnnie Ochsner, son of Mr. and Mrs. L. D. Ochsner; John Lee Jones, son of Mr. and Mrs. John R. Jones.

Louisiana State U.: Carl Bruce, son of Rev. and Mrs. Charles Bruce.

Baylor U.: Jack Mund, son of Mr. and Mrs. E. W. Mund; Ebba-gene Blaylock, daughter of Mr. and Mrs. Wm. Blaylock; Betty Sue Williams, daughter of Mr. and Mrs. Myrtle Williams; Glenn Biggs, son of Mr. and Mrs. Ben Biggs.

NTSC, Denton, Mike Henderson, son of Mr. and Mrs. C. C. Henderson (graduate student and teacher).

Howard Payne, Durward Rutland, son of Mrs. Irene Rutland.

**WMU BUSINESS GIRLS MEET**

Mrs. Sadie Davidson was hostess to the Business Women's Circle of the WMU at her home Monday evening, 10 attending. After the mission lesson by Mrs. C. N. Shaw, lesson leader, ice cream was served to the group.

**BAPTIST CIRCLE MEETS**

Mrs. Lavel Meckel was WMU circle hostess at the meeting Wednesday. Mrs. Clifford Nelson, a guest, opened the meeting with prayer. The secretary's report included all phases of WMU work, and it was voted to divide circle funds between state and local Mexican mission work.

Mrs. Cumbie was presented with a bridal gift of linens.

Mrs. John Stigler, who led the lesson on tithing, was assisted by Mrs. F. B. Calcote, Mrs. George Williams, and Mrs. L. M. Hoover. Mrs. A. E. Kent dismissed the meeting with prayer.

During the social hour secret pal gifts were exchanged, and refreshments were served to 20 members and three guests, Mrs. Nelson and daughter and Mrs. Jess Blaylock.

This is the last meeting with the present members, as names for circle members will be drawn again at the next meeting.

Mr. and Mrs. Truett Stanford drove to Lubbock last week end to take Sonny back to Tech.

If you will bring to us your old pattern or the blue print of what you want, we can make for you anything you need from sheet metal. We have plenty of equipment and men who know how.

Glyndon Aldridge reports that he will be home from Savannah on furlough about the first of November.

Grover Lee Johnson left Wednesday for induction into service at San Antonio. In his honor the fire boys and the Auxiliary entertained with a farewell party Monday night at 7:30 at the Memorial building. "42" was played during the evening and Grover Lee was presented with a gift from the group, Palmer West making the presentation speech. Present in addition to the volunteers and their wives were Rev. Charles Bruce, chaplain, Mrs. Gus Love, department mother, and her husband, Miss Lucille Farmer, sponsor, Carolyn Ratliff, sweetheart, and Mrs. Mary Ann Johnston, Mrs. Bertha Wilson and Mrs. Norton, relatives of Mr. and Mrs. Grover Lee Johnson. Cake and coffee was served at the close of the games. Grover Lee has been granted leave of absence from the fire department, and will resume his old place when he returns.

Mrs. O. L. Woodward talked with her son Jimmie recently, and learned that he would sail for Japan from the west coast on the 27th. He had recently returned from Alaska.

Olge Halbert, son of Mr. and Mrs. A. J. Halbert, arrived in California on the second, and received his discharge at Ft. Hood last Thursday. He joined his mother and his sister Lee at Buchanan at the home of relatives and all returned home Thursday night. He was overseas in Japan and Korea over 17 months.

Jackie Hodges arrived in the States on the second, and a short time later was in San Antonio. He is now at home on a 15-day furlough, and expects to receive his discharge later this fall. Harold Grelle of Eldorado is expected back at any time and relatives are awaiting word from him. William Spurgers gets his discharge today at Ft. Hood and arrives home tonight. Hal Whitten landed in Seattle and talked with

his parents Wednesday evening, informing them that he would arrive in Ft. Hood today and would contact them again from there.

Lt. and Mrs. Dale Peterson of San Angelo were overnight visitors in the E. H. Dannheim home before leaving Thursday for Valdosta, Georgia, where Lt. Peterson will attend a school for two months at Moody AFB. He is an instructor at Goodfellow.

Master Sergeant J. D. Ashmore Jr. sailed Friday from New York for overseas duty in Germany, where he will be stationed 18 months. The family, consisting of Mrs. Ashmore, a former Philadelphia girl, and children, Jimmie, age two, Joe, age three and Barbara, age four, are making their home in Eldorado in the R. J. Alexander house, in his absence.

#### SOME TIRES RECOVERED

Sheriff E. H. Sweatt reports that three of six tires stolen from rigs recently have been recovered in San Angelo. Four tires and wheels were stolen from Ohio rig recently moved back to the Huldale Field. Three of the four tires, branded BF Walker, Inc., two size 11-20, one size 12-22 and one size 12-20, have been recovered. The other two tires, branded in the range of 339 340 or 341, size 10-20, 12-ply, have not been recovered; they were stolen from Pool Servicing vehicles.

#### ATTEND STAR MEETING

Three Eldoradoans were in Sonora Tuesday night, to attend the meeting of the Eastern Star at which two were initiated into the Sonora chapter. Palmer West of this city put on the initiatory work as work at worthy patron, and two others, Mrs. J. B. Montgomery and Mrs. West, also attended from here.

#### BAPTIST CIRCLE MEETS

The Tapley Circle met Sept. 15 in the home of Mrs. T. P. Robinson Jr., with seven members and four visitors. Theme of the meeting was "My Tithes and Offerings" and Mrs. Perry gave a part entitled "He Cared For You." On September 22 the circle will present a program at the church at which activities of the group will be reviewed.

#### Stop, Then Pass Hatled School Bus At 10 Miles Per Hour, Law Says

School buses over the state have now begun the task of carrying thousands of children to and from their studies. Soon to be expected are the inevitable tragic reports of deaths and injuries occurring when impatient youngsters dash across busy highways to greet their waiting parents or to board the bus. Most of such accidents could be avoided if motorists would adhere strictly to the letter of the law pertaining to the passing of school buses.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking the rear of a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed "which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

What many persons do not realize is that the very same rule applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally more serious.

Although the above rule does not apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Even when not engaged in passing another vehicle, a driver is prohibited from driving to the left of the center of the roadway in many instances. Familiar to all are the no passing zones designated by dash lines placed to one side of the center stripe on our highways.

Not so well known are the restrictions against crossing the center line when approaching within 100 feet of any bridge, viaduct or tunnel. The prohibition also applies when approaching within 100 feet of or when traversing any intersection or railroad grade crossing. A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

A light rain fell in Eldorado and parts of the county Wednesday evening.

Mrs. Earl Hall of San Antonio is visiting her sister Mrs. Joe Edens.

The Eldorado Success, \$2.00 year.

Eldorado Lodge  
No. 890 — A. F. & A. M.  
Stated Meeting 2nd Thursday in each month.  
Visiting Brethren Welcome.

#### BRIDGE LUNCHEON

Mrs. C. C. McLaughlin was hostess to the Wednesday Bridge Club at her home with a luncheon followed by four tables of bridge. High was won by Mrs. Pat Finley and bingo by Mrs. Lillian Crosby.

Here for a visit with Mrs. Ruby Damron Tuesday was her son Chester of San Angelo. On Monday evening Mrs. Damron and Mrs. Jimmie Lou Taylor had as dinner guests Mr. and Mrs. Gordon Steel of Rankin. Mr. Steel, who is Mrs. Taylor's brother-in-law, has discarded his crutches after treatment for injuries he received in an accident.

Mr. and Mrs. Wiley Hight and sons spent the weekend at London visiting Wiley's sister, Mrs. Irving Pool.

Guests of Mr. and Mrs. Al Jones and other relatives were a nephew and his wife, Mr. and Mrs. Tom McCartney, of San Diego, Calif., who were on their way to Menard and other places. Tom, a former Eldorado resident, had not been here in 24 years. In Menard they visited his sister Mrs. Fred Prugel and her husband.

Charlie Trigg was in Dallas the first of this week attending a Ford dealers council meeting, as the representative of the San Angelo zone.

Dinner guests in the home of Mr. and Mrs. W. E. Bruton Sunday were Mr. and Mrs. T. W. Pace of Eden and several local people.

Rev. Doyle Morton and Gerald Hartgraves accompanied three Methodist young people to San Angelo Sunday afternoon to attend a sub-district meeting at Trinity church. The business session was followed by a recreational hour, during which games were played and refreshments were served.

Mr. and Mrs. J. D. Ashmore have returned from a several-day visit in Ft. Worth with a daughter and son, and in Seymour with a daughter. They returned home Wednesday evening.

Arthur Mund Jr., of Ft. Sam Houston spent the week end with his parents, and took his sister back with him Monday to enroll at San Marcus. Mr. Mund accompanied him also and went to Santa Rosa hospital for a medical check-up.

Mrs. Charlie Trigg will attend an SMU alumni meeting in Dallas Saturday night as a representative of her class.

James Page and his family have gone to New Mexico, to visit the Wiltons at Ft. Sumner.

Guests of Mr. and Mrs. Ernest Thompson until Sunday were Mr. and Mrs. E. E. Pritchett of Houston and Mrs. M. H. Nichols of Galveston. The three women are sisters.

Mr. and Mrs. Hoyt Smith have moved back to Eldorado from Hobbs, New Mexico, and are occupying an apartment at Edmiston's. Mrs. Smith is the former Teena McMullen and Mr. Smith is employed with Ohio Oil Co., who have moved a rig back to the Huldale field.

Mr. and Mrs. Jim Hoover are moving their household goods to Mason today.

Mrs. Jim Lucas and son are visiting in Fort Worth with Jim who is employed at a Ford business establishment in Ft. Worth.

Mr. and Mrs. Wiley Hight had as guests Mrs. Hight's mother and grandfather, Mrs. J. T. Boatright and J. A. Slate of Coleman, who returned home Friday.

Mrs. Jack Elder and daughter Rita Ann and Mrs. Velma Haley drove to Austin Tuesday and Rita Ann enrolled again at the University.

Relatives here have received word that the Lester Early family are living in their trailer at Austin. Lester is employed on an electrical job at Bastrop.

Mr. and Mrs. Lewis Aaron of Laredo are here for a week's visit with Mr. and Mrs. Jim O'Harrow. Mrs. Aaron is the former Lee O'Harrow, sister of Jim O'Harrow.

**News From Our Neighbors**

**Crockett Road News**

The engineering firm of Greif and Coke of McCamey has been employed by Crockett county for engineering work on the two road segments to be built by the county in the oil field area in the north central section of the county. The new roads, connecting Todd field to the new state farm-to-market road from Ozona to connect with F-M road 33 to Big Lake, and a segment connecting the Powell field area to F-M 33 to the north, were contemplated in the \$200,000 bond issue recently approved by Crockett county voters. Funds from the bond issue will also be used to settle right-of-way damages etc. on the new state road and to place a seal-coat surface treatment on all paved streets in Ozona. —Ozona Stockman.

**New School Inspected**

More than 600 visitors were on hand Saturday afternoon when Mason's sparkling new Elementary School was dedicated, and there wasn't a face in the crowd that didn't show immense pride and no little wonder as parents and others went from room to room. "This is one of the finest school buildings of its size in this part of the state," Leon Graham, of the Texas Education department, declared. "It is an unusually good building because the people of Mason were willing to spend money on it." —Mason County News.

**Rain At Menard**

It rained! Starting at about 10 o'clock Tuesday morning and continuing on through Wednesday, rain fell on Menard county in varying quantities. A total of six inches was recorded in town by Volunteer Weather Observer Harris Mohler. The eastern part of the county received up to 10 inches, while the western part in the Fort McKavett vicinity received only about one inch for the two-day period. Largest amount reported was at the Pat Callan ranch northeast of town. He told local telephone operators at 1 p.m. Wednesday that a total of 14 inches had fallen on his ranch, with the moisture falling at the rate of one and one-half to two inches every hour.

Thanks to the rain, Menard residents will be able to water trees, lawns and shrubs as they desire. Mayor Decker Womack said Thursday morning that the city council had removed all restrictions on watering here. —Menard News.

L. M. Hill, superintendent of Delta Gulf, has been spending the week at Rotan, working on a well there.

Mrs. P. S. Dudley of Gainesville is here visiting Mr. and Mrs. Edward Meador, two sons, and new daughter.

Guests of Mr. and Mrs. A. J. Roach were a niece and a nephew, Mrs. Cary Owens of Goldthwaite and John Kemsy of Lometa.

Here from San Angelo, visiting Schleicher county relatives, were Mr. and Mrs. G. S. Cathey, who spent the day here Sunday.

Mr. and Mrs. Van O'Harrow had as week end guests Mrs. Jack Whitley of Ozona, and Buddy, and Mr. and Mrs. A. E. Wooten and children of San Angelo.

Mrs. Jerry Pennington and youngest son Mickey Ray returned Monday from San Angelo where they visited Mrs. Pennington's mother Mrs. A. M. Blakeway.

Mr. and Mrs. T. J. Bailey of Ozona took Joe to SAC to enroll there as a Freshman, and stopped here on their way home to visit Mr. and Mrs. A. J. Roach.

Mr. and Mrs. Earl Lloyd have moved back to Schleicher County. They are living in a Jones apartment and Earl is working for REA.

Relatives here report that Mrs. M. J. Cunningham (Betty Doyle) underwent surgery early this week and that she is doing well. Betty was taken to the Jasper County hospital at Rensselaer, Indiana, suffering with a broken leg and concussion. Minister Cunningham had been conducting a meeting at Wheatfield. Betty was injured in a car accident last Wednesday evening.

Mr. and Mrs. Don McCormick made a business trip to Big Lake Monday afternoon. They were accompanied by their daughter Donna Beth and Jane Belk, who visited in the Roy Shilling home.

**First Baptist News**

We were happy to have with us this week Brother Darwin Welsh who is our associate pastor in charge of young people's work. Brother Welsh is asking the youth choir to remember that he wishes to meet with them at 6:15 this Saturday evening. He has also asked the church choir to meet with him this coming Sunday afternoon at 5:45. The ages for the Cerub Choir will be 6 through 8. The young people's choir will consist of the departments of the Junior, Intermediate, and young people. Let us give Brother Welsh our very best support in this fine work he is planning for our youth.

A good group of our people attended the sessions of our Associational meeting at Harris Avenue Baptist Church in San Angelo last Thursday and Friday. This was a good meeting and was well attended by all the churches of Concho Valley Baptist Association. We had a good report for the associational year. Our annual treasurer's report for the associational year was read at the morning services Sunday. We have closed out a good year in a financial year. Our best year is just ahead of us. Let us go forward for Christ in a good way this year.

Our attendance continues to be good in September. We had 202 in Sunday School Sunday. And we had a sizable group in Training Union. Several were visiting with us for which we were grateful. We are always happy to have the visitors. If you are a Baptist and living in Eldorado we invite you to make our church your church home. If you have no preference of churches we issue you a very cordial welcome to come and worship God with us.

Men, our Brotherhood will meet Monday evening, Sept. 22, at 7:30. Our guests will be the coaches and football boys of our high school team. We have a good program lined up for this occasion. Every man of the church is eligible to become a member of the brotherhood. You can't afford to miss this program Monday evening, Sept. 22. The evening meal will be served

at 7:30 and the interesting program will follow. Let us get behind our brotherhood officers and make this our best year yet.

Our pastor will preach at both services Sunday. Sunday morning's subject will be "God's Guidance For Today." The subject for the evening services will be, "The New Testament Teaching of Faith." Sunday's emphasis in both the Sunday school and Training Union will be on our Western Mission program. On September 28 Texas Baptists will give a love offering of one million one hundred thousand dollars for the aid of our work in the Great Northwest and in the Western states. This is a vital program. We will have our part. The goal is going to be reached.

Mr. and Mrs. James A. Griffin of Midland were week end guests in the Skeet Griffin home.

Mr. and Mrs. Billy Jo Harvey of Santa Anna visited the latter's mother, Mrs. Nettie Bible Saturday and Sunday.

Don McGregor of Lowry AFB, Denver, and John Miller, an old college classmate, have gone fishing for several days at Port O'Connor. Mr. and Mrs. McGregor were dinner guests of the Millers Sunday and the latter then went to Menard to spend the week.

Mr. and Mrs. R. L. Sample of Glenwood, Arkansas, spent several days here with Mr. Sample's relatives, Mr. and Mrs. Tom Johnson and Mr. and Mrs. Walter Ramsay. Mr. Sample is the women's brother. The Samples are former Eldorado residents.

**FORD'S FIRST with the MOST!**

**FIRST in POWER!**

Ford's 110-h.p. Strato-Star V-8 is the most powerful engine... the only V-8 offered in a low-priced car! Ford's 101-h.p. Mileage Maker Six is the industry's newest, most modern Six!

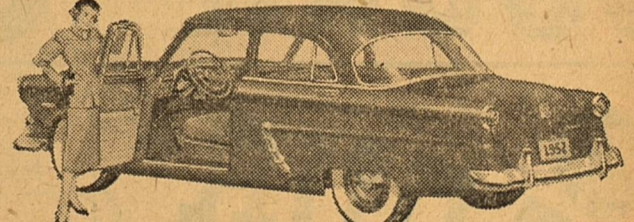

The '52 Ford brings you more power, more comfort, more "looks" and more "can do" than any other low-priced car! You can see it in Ford's new, longer, wider bodies of modern design. You can feel it in Ford's smoother, more level ride... in Ford's 25% easier steering. And, you can sense it in the more spirited response of the '52 Ford—whether it's the 101-h.p. Six or 110-h.p. V-8!

**FIRST in RIDE!** For the first time, in the low-price field, you can enjoy a truly fine-car ride! Ford's new Automatic Ride Control with its diagonally mounted rear shock absorbers and new spring suspension gives you a bump-leveling, highway-hugging ride.

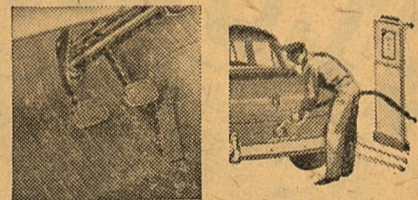

**FIRST in STYLE!**

This longer, lower style leader has the newest, most advanced body in the industry! It's styled to stay beautiful for years, and it's quality-built to stay young.

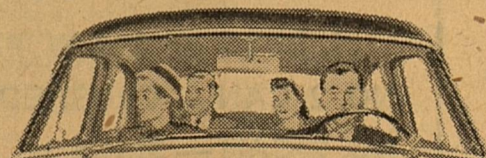

**FIRST in CHOICE!**

Ford offers the widest choice by far in the low-price field. 18 models... 11 body styles... 2 engines: V-8 or Six... 3 transmissions: Fordomatic, Over-drive or Conventional... and the most body, upholstery and color combinations.

**FIRST with the NEWEST!**

You'll find Ford has made more advances for '52 than any other car in its price field. You get new features like Power-Pivot Clutch and Brake Pedals, suspended from above, to allow more foot room, eliminate dusty, drafty floor holes. You get Center-Fill Fueling for easier gas filling from either side. F.C.A.

**FIRST in VISIBILITY!** New Full-Circle Visibility gives you the only one-piece curved windshield, plus car-wide rear window, in Ford's field. New I-REST tinted glass... available on Custom and Crestline models... guards against glare and reduces heat.

"Test Drive" the '52 FORD
