

### El Dorado Chapter Of D A R Holds Its First Meeting Of Year Thurs.

The El Dorado Chapter, D. A. R., convened for the first Fall meeting in the club room of the Memorial building, Thursday, with Mrs. Frank Meador hostess. Special prayer was given for Mrs. J. E. Hill who was to have been co-hostess and who is seriously ill in San Angelo. Decorations were bronze mums, orange daisies and purple asters.

The chaplain, Mrs. John Luedecke, led the opening by reading the 24th Psalm, giving the Flag Salute and having the chapter sing the national anthem. The regent, Mrs. J. E. Tisdale, presided during the business session. The yearbooks were distributed by the chairman, Mrs. Ernest C. Hill. Mrs. Mary Coupe reported that the chapter had bought a flag to be flown on the staff in front of the Memorial building. A member of the American Legion will have charge of the flag to see that it is raised and lowered on proper occasions. This flag was flown for the first time on Constitution Day, Sept. 17.

A report on the public library was read by Mrs. V. G. Tisdale; chapter voted to send the National D. A. R. Magazine for one year to the local library. Letters of thanks were read by Mrs. Ernest C. Hill from D. A. R. schools to which this chapter has contributed clothing and money. Several members bought copies of Miss Susan Miles' History of Gustav Schleicher and Mrs. Bert Page contributed a copy to the local library.

Mrs. W. O. Alexander was leader of the program which followed and stated the year's subject to be "United for the United States of America." Subject for the afternoon was "United to Support the Constitution." The Regent gave her message and read the President

General's letter to chapter. The regent has been appointed as state vice chairman of division 1 for the D. A. R. museum committee. The Divisional Meeting for division 1 will be in October in Midland. In Mrs. Gary's paper she gave reports of the evils of Socialism as is found in England and warned against too much nationalism in our own country.

The tea table in the banquet room was decorated with Fall colors, having a centerpiece of purple asters. Refreshments were served to Mesdames Josh Ewing, Bert Page, Luke Thompson Sr., Ernest C. Hill, John Luedecke, W. O. Alexander, Bailey Montgomery, V. G. Tisdale, J. E. Tisdale, C. M. McWhorter, Mary D. Coupe, Charles Gary, L. M. Hoover, W. F. Meador Sr., Miss John Alexander and Mrs. H. Q. ### Texas Democrats For Eisenhower Organize

AUSTIN—"Texas Democrats for Eisenhower" is the name of a new citizens' organization which opened headquarters here this week. Plans are being made to conduct a grass-roots campaign among members of the Democratic Party in behalf of Dwight D. Eisenhower, a native-born Texan, for President.

Claud H. Gilmer of Rocksprings, former speaker of the Texas House of Representatives, was named chairman. In accepting the office, Gilmer commented:

"I have been a lifelong Democrat, and still consider myself a Democrat. It is a case of deciding: When do you get enough? What are the best interests of Texas, and what are your best interests? We've got to help take the national leadership of the Democratic Party to the woodshed. This is not a creeping socialism we are fighting against, it's a galloping socialism."

Gilmer and other speakers stressed the mandate issued by the State Democratic Convention at Amarillo on Sept. 9, which resolved: "It is the recommendation of this Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice-President."

The meeting was called by Tom Sealy of Midland, who was elected co-chairman of the organization with Miss Nan Proctor, Victoria school teacher. Miss Proctor was a member of the Gilmer-Aikin Committee that reformed the Texas school laws in 1949. Gilmer was co-sponsor of the reform bill.

Democratic Party leaders selected for a statewide steering committee, to assist the officers, were: Sam Aldridge, Farwell; E. C. Aycock, Fort Worth; W. R. Beaumier, Lufkin; H. E. Chiles, Jr., Midland; Lester Clark, Breckenridge; Mrs. Charles K. Deval, Kilgore; Charles W. Duke, San Antonio; Charles E. Lang, Jr., Dallas; Maston Nixon, Corpus Christi; Emmett Shelton, Austin; and John V. Wheat, Houston.

Boumier and Duke are members of the State Democratic Executive Committee. Other members who attended the organizational meeting here were Fred Brown, Mineral Wells; Taylor Glass, Austin; Peyton McKnight, Jr., Quitman, and Lynn Smith, Gonzales.

Most of those who attended the first meeting here were leaders at the State Convention in ordering the names of the National Democratic nominees placed on the Texas ballot, while at the same time urging Texas Democrats to vote for Eisenhower.

The group selected Weldon Hart and John VanCronkite, Austin public relations men, to assist Gilmer in directing the campaign.

A. L. May of Longview is a new renter in the Jack Elder rent house. The former renters, Ira Glasscock Jr., and his wife and seven-year-old daughter Kathleen have moved to the Delwood Blair house, which they recently bought, making the move Monday evening. Mr. Glasscock is a driller, having located here last summer. The Blair family have moved into a trailer which they recently bought. The Glasscocks plan some repairs and improvements on their house.

Mr. and Mrs. H. E. Browder visited old friends and neighbors in Miles Sunday.

Mr. and Mrs. T. E. Donaldson of Calf Creek are visiting this week with the Sandy Donaldsons and other local relatives.

Mr. and Mrs. Will Isaacs have completed their duplex and have it ready to rent. The duplex has separate baths for the two apartments.

Mr. and Mrs. Bill Williams were in Barnhart Saturday and Sunday visiting Mr. and Mrs. Stacey Becknell.

Mr. and Mrs. Earl Cathey spent the day Sunday with relatives in Menard.

On a fishing trip to Buchanan were Mr. and Mrs. Marvin McDonald, Mr. and Mrs. Roy Andrews, Mr. and Mrs. P. W., Layman and Vernon Hazelwood, and Mr. and Mrs. Walter Taylor. The group fished from Tuesday through Sunday, returning home Sunday evening.

### The Fall Garden

College Station. — The home garden has become an economic factor in Texas family living during the past eight years. In 1944 more than one million home gardens were reported to the Agricultural Extension Service of A. and M. College, and the figure has hovered around the half million mark each year since. The total promises to be higher this fall with food prices eighteen per cent above pre-Korean War figures.

John Hutchinson, horticulturist for the Extension Service, says recent general rains will enable many families to renew efforts to have a successful fall garden. The gardener stands a good chance of harvesting many dollars worth of garden-fresh vegetables to save on the food bill and add variety and essential vitamins and minerals as well as downright goodness to fall and winter eating.

In most areas of Texas there are from 60 to 90 days of good growing weather during the later summer and fall. The horticulturist says, "For the maximum production of the widest variety of vegetables, make every day count."

He recommends planting certain varieties in the fall garden that will mature before frost, withstand light frost, and those that will bear well with heavy frost.

Vegetables that will mature quickly include green beans, mustard, Irish potatoes, radishes and squash. The Tendergreen, Topcrop and Stringless Green Pod are varieties of greenbeans for fall planting. The Tendergreen or Florida Broadleaf varieties of mustard will mature from 30 to 60 days. The Bliss Triumph is an Irish potato that matures within 75 to 90 days. For radishes, the Scarlet Glove is a quick maturing variety. The Early Prolific Straightneck squash will be ready for eating in 50 or 55 days.

English peas, turnips, lettuce, cabbage, beets and Swiss chard are vegetables that withstand light frost in the garden. Varieties for fall planting include the Laxton's Progress for English peas, Purple-top and Shogoin turnips, Great Lakes for head lettuce and Salad Bowl variety for leaf lettuce. The early cabbage varieties are Copenhagen, Charleston Wakefield and Golden Acre. The mid-season variety is Glory of Enkhuzon and the late kind is Flat Dutch. The Detroit Dark Red beet matures in 60 to 75 days and the Lucullus variety of Swiss chard matures in 45 to 60.

Vegetables that withstand heavy frost are collards, onions, spinach and carrots. Fall varieties for planting are Georgia and Louisiana collards, Bermuda and Sweet Spanish onions, Bloomsdale spinach and Danver's Half Long, Red Core Chanteny and Imperator carrots.

Information on seed treatment, fertilizer, insecticides and methods of cultivation are available at all county extension agents' offices.

Mr. and Mrs. Sam Lowe of Menard accompanied their son-in-law and daughter, Mr. and Mrs. Sam McGinnes to Orange, where they are visiting another daughter, Mrs. Charlie Hall. The Lowes, who had been visiting here two weeks, expect to remain in Orange for a longer visit, and the McGinneses are returning home this week end.

Mr. and Mrs. Elton McGinnes spent Saturday and Sunday at Tennyson with Mr. and Mrs. Claude Ditmore.

Mr. and Mrs. C. L. Meador spent the week end in McCamey with their son-in-law and daughter Mr. and Mrs. Russell Beach, and attended the ball game at Ft. Stockton.

### Written Leases Prevent Disputes

At this time of year, landlords and tenants alike are thinking about farm rental arrangements for 1953. While many operate from year to year on the basis of verbal agreements regulated largely by local customs, written leases are better and may save disagreement and hard feelings between the parties.

Farming is a business and should be conducted in a businesslike manner for best success. Rental contracts involve a full year's work by the tenant and possibly thousands of dollars for both parties. A few dollars spent on a properly drawn lease is good business economy.

A farm lease is not a simple paper. Printed lease forms often turn out to be traps if not understood, or if not properly executed. A farmer-tenant contract is intricate and of such importance to both parties concerned that amateur draftsmanship is risky.

Fixing of cash rent or designating the length of term are relatively simple. Yet, even in these matters, ambiguity or incompleteness can cause bitter disputes and expensive lawsuits.

A loosely drawn property description may have consequences entirely unintended by either landlord or tenant. Where rent is to be based on acreage, an accurate description is doubly important.

In addition, there are legal rules to substitute for some omissions in written leases. For example, a hold-over by the tenant may automatically renew the contract if the

lease is silent on the subject. It is as important to know the courts' interpretation of the language used.

There are many matters which should be covered by a properly drawn lease. For instance, if a tenant is to farm on a share basis, care should be taken to define what expenses are to be paid by the parties as well as what shares are to be taken out. A lease should cover such things as who is to make repairs, what land is to be cropped, whether the tenant can cut timber, whether loss of a building by fire or other cause frees the tenant, or whether the landlord must accept a sub-tenant.

One great cause of difficulty with leases is blind faith on the part of the persons involved that all differences of opinion can be worked out. Poor memories as to verbal agreements can cause disputes between persons even though they are both honest and generous.

Many of the possibilities that should be covered by a properly drawn lease will not occur to inexperienced persons. The renting of land deserves a written contract and it is a contract too important to be entrusted to anyone other than an expert.

"John Miller, registered polled Hereford breeder, made an important range management decision recently," says Bill Rountree, Work Unit Conservationist of the Soil Conservation Service.

According to Rountree, Miller decided not to graze his big pasture any more until moisture conditions improve. Realizing the need for keeping a cover on the range and observing with Rountree the use of which had been made on sidecats grama, bluestems, and vine mesquite caused Miller to make this decision.

Miller, cooperating with the Eldorado-Divide Soil Conservation District on his stock farm two miles northeast of Eldorado, understands that the biggest part of his acreage is range land. To increase his stocking rate, Miller, knows he must first improve the condition of his range. In order to receive the

desired range improvement John plans to use good management practices for he knows that increased rainfall alone will not give desired range improvement.

Having registered stock, John didn't feel like selling his herd so he figured what it would cost to run them on bought feed until April 1, 1952. By having a considerable amount of oats on hand, which was produced on the place some few years ago, he figured it would pay him to hold on to his registered herd. At the time he had a few cold blooded stock on hand which he intended eventually to get off the place.

Other conservation jobs which Miller plans to do in 1953 include the reseeded of a 164 acre pasture, construct a fire guard in one of his pastures, plant approximately 41 acres of blue panicum grass, and plant approximately 48 miles of madrid or hubam clover.

Our attendance continues to stay above the 200 mark in Sunday school. We had 210 in attendance in Sunday school Sunday and 57 in Training Union. Three departments tied for the orchids with a grade of 61. They were the Nursery, Beginner and Primary. I was told not to tell who won the orchids. Adults, Juniors, Primaries and Nursery went over their goal. Our offering to our budget through our Sunday school continues to grow for which we are very grateful. We also welcomed several visitors in our services Sunday. We are always happy to see the visitors. If you have no church home here in Eldorado we welcome you to make our church your church home. "The friendly church with a spiritual program."

Calling flight Intermediate ... Calling flight Intermediate! Intermediate airlines invites you aboard for the flight of progressive airlines for an entertainment Saturday evening September 27. Flight will originate from the parlor of the First Baptist Church. Flight time is 7:00 p.m. Chicken supper will be served to all passengers. The special guest of the airlines on this flight will be the 12-year-old Juniors, and the 16-year-old Intermediates. Don't miss this grand occasion.

A good group of our men met for our brotherhood meeting at 7:30 Monday evening. The men had as their guests the football team, coaches and managers of our high school. A good meal was served after which the men and boys heard gladly and profitably Paul Page, former star back of Southern Methodist University. And saw a fine film of one of the Aggie games. These are wonderful meetings. The

brotherhood meets each Monday following the third Sunday of each month. If you are missing these meetings, men, you are robbing yourself of some choice blessings.

Our offering to Western Missions will begin this Sunday, September 28, and will be kept open for two Sundays. We trust that every person will have a part in this most worthy offering. This offering is to be used as part of a loan fund to be set up for our struggling sister churches in eleven of our western states. The goal for Texas Baptist churches in this special State Mission offering is \$1,000,000, to be loaned to the churches plus \$100,000 to carry on our state mission program.

This Sunday is promotion day in the Sunday School. We urge that every pupil to be promoted be present. This is one of the high days in our Sunday School year. Beautiful certificates will be presented to each pupil that is eligible for promotion. Special emphasis will be placed upon this in each department. Special message by pastor for the occasion. Let us make Sunday, September 28, a banner day in attendance. We will be looking for you. Teachers, departmental superintendents, do you have everything in readiness? Have you filled out and gotten signed all of the certificates of promotion?

Keep in mind the youth meetings. Brother Welsh is anxious to meet with the youth choir Saturday evening at 6:15. This is a vitally important meeting. All boys and girls in the young people, Intermediate, and Junior departments are eligible for this youth choir. We trust a good group will meet with Brother Welsh at 6:15 Saturday evening. There was not nearly enough response to the cherub choir. We trust that you mothers and dads will help us in this choir by getting

your youngsters here. This cherub choir will be meeting on Sunday afternoons here at the church.

The pastor will preach at both services Sunday. His subject for Sunday morning will be, "God's Promotion Day." His subject for Sunday evening will be, "God's Divine Double Feature." We are grateful for the many visitors we have been having in our Sunday School and worship services. We welcome each and all of you to any and all of our services. We welcome into our church fellowship by letter Mr. J. D. Hallmark. May God continue to bless and lead as we follow Him.

The young people are advised and examined by this committee and the grades of the young people are recorded.

This is quite an honor for the local church to have their minister in this position.

At the meeting of the committee in Fort Worth this week Rev. Bruce was appointed as the director of the Young People's conference for the 1953 season. The young people of the Mid-Texas Presbytery will attend this conference at Camp Sisco.

On Sunday, Sept. 28, our church will observe rally day at church. This service will begin at 10:30 on Sunday morning. At this service the whole church will participate and it will take the place of the morning worship. At the close of the service the congregation will observe the beginning of Christian Family week by having a church family dinner in the basement of the church. The families of the church are most cordially invited to attend this dinner.

Rev. Bruce will attend the meeting of Presbytery at Itasco on Tuesday of this week. Edwin Jackson who is also a member of Presbytery's church extension will represent the church at the Presbytery.

Nope, jokes about high priced meat just ain't funny to the folks that produce livestock for a living.

Public Warned Against Picking Up Hitch-Hikers AUSTIN—Many motorists continue to give rides indiscriminately to hitchhikers despite reports by police officials of an increasing number of cases of motorists who have been robbed, beaten, forced to go out of their way, kidnaped and in some cases murdered.

Paul R. Kulp, manager of the Texas Division of the American Automobile Association.

In addition, Kulp points out that the practice is prohibited in 20 states and under curbs in five others. Texas is one of the 20 states prohibiting the soliciting of rides while standing in the roadway.

Aside from the physical dangers, Kulp says that motorists may run the risk of damage suits in the event of injuries to hitchhikers resulting from accidents.

He also points out that stopping on the road to pick up hitchhikers is dangerous from a safety standpoint.

Kulp cites a warning from J. Edgar Hoover, director of the FBI, that "motorists are cautioned to be alert to the danger of attack by criminals who may be posing in the guise of innocent hitchhikers along the highways of the nation."
