ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, NOVEMBER 6, 1952

NUMBER 45

## Material Arriving For Road

Nick Jurecek and Cecil Williams have started bringing in truck loads of fence posts for the new Mertzson road. The posts will be unloaded here and there along the right-of-way.

Roy Martin of Eldorado, who received the contract for drilling five water wells, has commenced work on the first of these. It is being dug on the McWhorter farm, about a mile out of town.

Andrew Hawkins of Menard, who has the contract for constructing the right-of-way fence, has been here making arrangements for the housing of his crew, and he states he will be ready to go in a short time.

The bond money has been received and the Court is now paying off the right-of-way deeds as fast as they come in. The Commissioners will meet Monday with a number of land owners to iron out a few remaining details and it is expected that the entire right-of-way will soon be legally deeded and paid for.

## Annual Convention of TS&GRA Slated For November 10-11-12

Interesting speakers, good entertainment, a style show honoring "Miss Wool and Her Ten Pretty Maids," and a chance to just visit are offered to all who attend the 37th Annual Convention of the Texas Sheep and Goat Raisers' Association to be held at San Angelo November 10-12, 1952. The first day will be mostly for registration and committee meetings. Headquarters will be the Cactus Hotel. John T. Williams, Sanderson, Association president, has announced that speakers will cover important phases of the industry. J. C. Petersen, President, National Lamb Feeders Association, Spencer, Iowa, and manager of a firm that buys several hundred thousand West Texas lambs annually, will be on the program.

What is being done to promote the use of wool and mohair at a time when man-made fibers catch the public's eye will be covered by F. Eugene Ackerman, President, Wool Bureau, New York City. J. M. (Casey) Jones, executive secretary of the National Wool Growers Association will cover that association's activities on behalf of the grower and explain a new plan of "Parity-Tariff for Tax Payer Protection."

Williams said that two talks which will be of great interest to dry West Texas will be on "Water for Texas" and soil and water conservation in general. Gibb Gilchrist, chancellor of the Texas A&M College System and J. C. Dykes, deputy chief of the United States Soil Conservation service, will cover those two topics. Two well known San Angelo speakers, State Senator Dorsey B. Hardeman and Congressman O. C. Fisher, complete the roster of speakers.

Of particular interest to the women will be the "Miss Wool and Her Ten Pretty Maids" style show and contest Monday night, November 10. Williams said. Eleven girls selected as finalists in a state-wide contest will model all wool dresses designed and made expressly for the occasion by nationally famous manufacturers.

Growers desiring rooms for the convention should send requests to the Board of City Development.

## Notice To All Veterans

There will be an out of town speaker in attendance at a meeting of veterans tonight, at 7:30, at the Memorial building, to explain veteran affairs. He will answer questions concerning GI homes, insurance, hospitalization, compensation, and GI and State land loans—also will give interpretation of the GI Bill of Rights for Korean vets, which differs somewhat from the others.

All veterans are urged to attend this meeting. Questions should be written down, so that the visiting speaker can answer them quickly, and thus be able to cover all problems which veterans would like to have explained.

Eldred Roach and his father, A. J. Roach, visited Sunday in Abilene with Mr. Roach's brother, who has been ill.

## THREE PRODUCERS ADDED IN HULLDALE FIELD RECENTLY

The Huldale (Pennsylvania reef) field in north central Schleicher County has gained three more producers.

Standard Oil Company of Texas completed a one-quarter mile west extender on the southwest side of the field for a daily flow of 1260 barrels through a 3/4 inch choke. The new oil is No. 2B3 McWhorter, 467 feet from north and east lines of the northwest quarter of section 70, block TT, TC survey. Production is coming from open hole at 5720-5772 feet.

The potential test was based on an actual four-hour flow of 210 barrels of oil. Gravity of the oil is 40.5 degrees and gas-oil ratio is 575-1.

The Ohio Oil Company No. 18 T. W. Thomson was completed for a daily flowing potential of 161.74 barrels of oil plus nine-tenths of one per cent water. Gravity was 39 degrees and gas-oil ratio 692-1. Production was from perforations between 5668-5700 feet in five and one-half inch casing set at 5754 feet, which is the total depth. Plugged back total depth is 5702 feet.

Top of the pay was picked at 5651 feet on kelly bushing elevation of 2283 feet. Tubing pressure was 150 pounds and casing pressure was 650 pounds. The pay section was acidized with 500 gallons. Location is 2733 feet from north and 924 feet from east lines of section 81, block TT, TC survey.

Delta Gulf Drilling Co., et al 1B Mrs. Viola McWhorter, 70-TT-TCRR, one location south of production in the Huldale (Pennsylvania) field of northern Schleicher County, topped the Canyon lime at 5538 feet on kelly bushing elevation of 2342 feet. It topped the first porosity at 5702 feet.

Operator set 5 1/2 inch casing at 5795 feet, the total depth, and perforated between 5751-75 feet with six shots per foot, a total of 144 shots. It then swabbed all day Monday and through Monday night.

This test was brought in Tuesday afternoon at 3:00. On a 24 hour test, this well flowed at the rate of 14 barrels per hour on a half-inch choke. It was shut in Wednesday afternoon while the derrick was let down and moved to Delta's No. 2 McWhorter.

Charles F. Garlitz and others of Fort Worth and Alex W. Head and John L. Welsh Jr., of Houston each staked location for a 5,500-ft wildcat in the northern portion of Schleicher County.

Garlitz and others will dig No. 1 Williams estate 330 feet from south and east lines of section 14, block 1, GH&SA survey. Operations are to start at once. Elevation at drillsite is 2340 feet.

Head and Welsh will dig No. 1 B. M. Boyd and is located 660 feet from north and east lines of section 15, block H, GH&SA survey and one mile southwest of the discovery and lone producer in the BMB-4400 foot field. Rotary tools will be moved in and operations will begin at once.

Sinclair Oil & Gas Company No. 1 McClatchy, one-mile southeast outpost to production in the Huldale (Pennsylvania reef) field, was drilling below 5131 feet in lime and shale.

In the same field, Ohio No. 20 Thomson had commenced operations.

La Gloria No. 1 T. C. Meador, wildcat in Schleicher, was progressing below 4622 feet in lime and shale.

Sinclair No. 1-101 University, another Schleicher wildcat, was making hole below 3514 feet in lime and shale.

Toklan Royalty Corporation and J. G. Catlett No. 1 McBurnett, another wildcat, has spudded and commenced operations.

T. L. Williams No. 1-F Page, outpost to the Page pool, was progressing below 4922 feet in shale.

Black & Rodman of Midland No. 1 T. R. Henderson, Page (Strawn) field outpost, spudded to 450 feet in shale and was setting 10 3/4 inch casing on bottom.

Mr. and Mrs. Martin Estes visited their son-in-law and daughter, Mr. and Mrs. W. L. James in San Angelo. Mrs. Estes is somewhat improved after her illness.

### Highway Problems Is Theme of Del Rio Meet Slated by Westex C of C

DEL RIO, Nov. 6.—Results of a detailed study of all phases of Texas highway problem will be presented to interested citizens of this part of the state Wednesday, November 12, by James F. Melton, manager of the taxation and legislation department of the West Texas Chamber of Commerce.

This will be one of eight regional meetings sponsored by local chambers of commerce and the West Texas chamber's Highway Policy committee. Chairman of that committee is Virgil P. Patterson, Amarillo banker.

Road needs of the various sections of West Texas and the financial and other problems that will confront the next Legislature will be discussed, said Patterson.

The meeting here will begin at 2:30 p.m. at the Roswell Hotel.

Those who plan to attend are asked to notify the Del Rio Chamber of Commerce in advance if possible.

E. L. Buelow of San Angelo, WTCC vice president, will preside at the meeting.

### TV Election Coverage Didn't Help Schleicher

Television coverage of the Presidential campaign came into its own this year, beginning with the major party conventions which unfolded before viewers last summer, continuing with the candidates during the campaign, and closing on election night when untold millions at their television sets saw the returns come in.

TV coverage for the first time matched that of radio, but Schleicher county was left out.

Most Schleicherites were still limited to their radios since this county is not in a TV area. The closest television broadcasting station is WOAI-TV, at San Antonio.

A few persons over the county, however, do have television. Joe Muller Christian reported somewhat varying reception on election night with his TV receiver. Earlier in the year he had somewhat better reception during the Republican and Democratic conventions.

E. H. Topliffe recently installed a set, and Bill Bierschwale brought a set with him when he moved here and has it installed.

Television is subject to freak conditions when broadcast over long distances, it is pointed out, which vary with the time of year. These conditions sometimes bring in a station many hundreds of miles away with surprising clarity.

Prospect of a television station for San Angelo gives rise to speculation that the next Presidential election year, 1956, might see more TV receivers in this area.

Mr. and Mrs. Ray Bruton had as weekend guests Mrs. Bruton's parents Mr. and Mrs. B. L. Hughes of Brady.

### Halloween Damage Light

Halloween night saw very little destruction of property in and around Eldorado, with the morning after revealing some soaped windows in the business district and a few highway signs moved to some residences.

"Tricks or Treats" was the main activity of many youngsters who went "spooking."

The Eldorado Eagles played the Ozona Lions, taking the losing end of a 40-0 score, and the PTA carnival was held before and after the game with good attendance reported by those in charge. Some other parties and activities were also being held.

Mr. and Mrs. Byrd White had as guests during the weekend Mr. and Mrs. Ralph Treadway of Midkiff, also Mrs. White's mother, Mrs. N. E. Blackwell, who remained for the week, the others returning home Sunday.

### Post Script

According to figures in the office of the tax assessor and collector, 75 per cent of the tax money for the county has already been paid, as compared with 60 percent at this time last year. The explanation seems to be that the oil companies pay promptly, and much of that amount is from them.

Sad to say, up until Tuesday, only 117 had paid poll taxes!

A light rain, termed by some as Democratic tears and by others a Republican omen of prosperity, fell in this county Election evening and night, Tuesday. The rains seemed to have been fairly general, but light everywhere—with as much as 3 inch as registered at Virge Tisdales and Sam McGinnesses, and about .25 in Eldorado. The rain was enough to lay the dust for a short time, but not enough to do any good to crops and pastures.

Neighboring communities reporting some rain included Ozona with a half inch, Big Lake with .1, Big Spring .06, Robert Lee, one half, Water Valley a half and Sterling City an inch. Also reporting light rains were Mertzson, Sonora, Barnhart, Eden, Miles, and other places.

Some building continues to go on: Alvin Farris is remodeling his residence, adding siding to house and garage, painting and repairing as needed inside and outside. C. L. Martin is planning to start on a residence, to be made from his present workshop. Dick Jones is carrying out an extensive remodeling job on his residence, doubling its size and remodeling the interior. Carrol Sproul is adding a porch and room to his new residence. Sandy Donaldson is adding a room to his house and remodeling and improving the interior.

Jack Shugart has practically finished the modern three-bedroom house adjoining Mrs. D. E. DeLong's near the school house and expects to sell it soon.

Schleicher County followed the state-wide trend Tuesday and gave a majority of its votes to Republican Candidate Dwight D. Eisenhower for President of the United States. The state's 24 electoral votes go into the Republican column for the first time since 1928, when they went to Hoover. But, local officials state that Schleicher's majority in 1928 stayed with Al Smith—so this is the first time in history for this county to poll a Republican majority by way of the split-ticket route.

A total of 628 votes for Ike, and 421 for Stevenson, gives a combined total of 1049. It is reasonable to suppose that there were a scattering of votes for MacArthur, and perhaps some mutilated ballots—and that the total county vote was very close to the number polled in the first primary in July, which was a record vote.

Nation-wide, the General was credited Wednesday with having carried two other Southern states—Florida and Virginia, in addition to Texas.

Here is the Schleicher County vote, by boxes, for Eisenhower and Stevenson:

	Stevenson	Eisenhower
1. Memorial Building	219	274
1A School House	112	186
2. Meyer	24	9
3. Adams	0	20
4. Vermont	7	15
5. Tisdale	0	22
6. Alexander	7	22
7. Absentee Box	26	39
8. Cliff	3	23
9. Reynolds	23	18
Total	421	628

In Schleicher County, a majority of the voters were against both of the proposed amendments. Amendment No. 1 was defeated 325 to 311, and No. 2 lost by a vote of 372 to 268.

### Eagles Lose To Ozona For Seventh Straight Defeat of the Season

The Eldorado Eagles continued their losing streak by dropping their seventh straight game, when they played Ozona here Friday and lost 40 to 0.

Ozona scored first after three running tries. Bill Smith recovered an Eagle fumble on the 10, and Piner carried it over the five after a gain by Charles Garlitz.

Eldorado, plagued with fumbles and a leaking line, held the ball for only three plays before Ozona took over again. W. Conklin climaxed a 66-yard drive when he passed from 11 yards out to D. Cooper.

Near the end of the half, Garlitz paced in the flat to Piner, who raced 55 yards to make it 21 to 0. Garlitz passed 28 yards to Bill Maness for the next touchdown.

The Eagles, eager to score throughout the last half, threatened twice. In the first all-out effort, Eldorado drove from the Ozona 44 down to the five and then failed. Jerry Perry, 119-pound Eagle quarterback, started it with a 19-yard pass to B. K. Cheek. The Ozona line strengthened considerably as the Eagles got closer, however.

The game ended with Eldorado trying again, in possession of the ball on the Ozona seven-yard line. Kittens Tomorrow

The Eagles play a non-conference game with the San Angelo Kittens tomorrow night on the Eldorado field.

### Radio Sidelights Of Election Night

Election returns were broadcast starting at 7:00 o'clock election night. Listeners heard even the earliest returns establish a trend for Eisenhower which continued throughout the night.

Optimistic reports came from both candidates, although one commentator reporting from Stevenson's headquarters saw "gathering clouds of doubt."

The Democrats continued to whistle in the dark right up to 11:00 o'clock when Stephen A. Mitchell, chairman of the Democratic National committee, told a gathering at Stevenson headquarters to wait for more significant returns.

He said that the Democrats would carry Texas and the other southern states which were becoming doubtful.

Shortly after midnight, our time, listeners heard Governor Stevenson concede the election.

Final returns gave the Republicans control of both houses of Congress, but by slim margins.

Success, \$2 year — anywhere.

### The Election As Of Wednesday Night

Here are some of the main election reports as given out over radio and press as of Wednesday (last) night.

Popular vote — Eisenhower had 31,690,000 votes; Stevenson 25,502,000.

Eisenhower leading in 39 states with 442 electoral votes. Stevenson in 9 states with 89 electoral votes. In the United States Senate the Republicans will have 49 seats, and the Democrats 47.

In the House of Representatives there were 435 races, 218 seats necessary for control. As of Wednesday night the Republicans had elected 220; Democrats 206. One independent, and 8 seats undecided.

There were 30 governor races. Democrats elected nine; Republicans 19. Gain for four for Republicans. Two still undecided.

### Thanks, Voters!

I wish to take this method of thanking the fine people of Schleicher County for their support during this presidential election.

I have had an unusually good corps of workers and numerous other friends who have attacked the problem wholeheartedly of getting out the vote. The result as registered at the polls Tuesday was more than gratifying, for which I thank you sincerely.

You have chosen to express your opinions in a definite way, and you cast your vote as you were urged to do. This is a very commendable act, and you are to be congratulated.

I do want to point out the Cliff precinct as an outstanding example of public-spirited cooperation. In that precinct the voters and their families had a big barbecue at Forrest Runge's. Of the 27 voters registered in that precinct, 26 voted in Tuesday's election. Other precincts also had very commendable response—the county is very proud of the way the people responded to our get-out-the-vote campaign.

The whole thing has been a gratifying experience to me as your county chairman, and I thank you for every bit of help and encouragement you gave me and my helpers all along the line.

Edwin Jackson  
County Chairman

### PRE-SCHOOL CLINIC

**Big Absentee Vote**

To date one hundred absentee ballots have been issued by County Clerk Ruel Adams and eighty-four of those have been returned or voted in person. All absentee ballots to be mailed in by voters must be postmarked not later than Friday, October 31, if they are to be counted. Friday is also the last day for persons to vote their absentee ballots in the clerk's office if they expect to be out of town or away from their precinct on election day. —Sanderson Times.

**Club Woman Travels**

Miss Ethel Foster returned home Monday from New York and Washington, where she had attended the fall General Federation of Women's Clubs board meeting and the New York Herald-Tribune Forum. The G. F. W. C. executive meeting was held in the Statler Hotel in Washington, D. C. While there the group was entertained with a tea in the White House. Miss Foster is the treasurer of the G. F. W. C.

From Washington Miss Foster went on to New York where she attended the New York Herald-Tribune's Forum. She was a guest at the forum, as were the other G. F. W. C. executive board members. —Sterling City News Record.

**Letter To Adlai**

A certified copy of a letter to the "Hon. Adlai E. Stevenson" is included among many other letters addressed to notables and now in possession of Lawrence L. Bruhl of Llano.

This particular letter was dated Sept. 30, 1893, and the Adlai Stevenson to whom it was addressed was vice president of the United States at that time. It was signed by M. T. Moloney, then the attorney general of Illinois. The text follows:

"This will introduce to you Mr. Louis H. Bruhl, formerly of Ottawa, LaSalle County (Ill.), but now and for some years last passed, a resident of Rockport, Texas.

"If it is in accordance with the proprieties, I wish you would favorably mention him as a deserving and competent Democrat for recognition at the hands of the Department in Washington. He is an applicant for the position of Consul at one of the German ports. I am, as always, your friend, M. T. Moloney."

In a notation on the letter, Vice President Stevenson said, "I concur in the statement of Atty. Gen. Moloney of Illinois."

The Veep of 1893 was the father of the Democratic candidate for president in 1952. —Llano News.

**World Community Day Program Is Tomorrow**

The program given each quarter by participating churches, in observance of World Community Day, will be presented on the afternoon of November 7 at the Presbyterian Church, other churches assisting. Starting time is 4:00 p.m.

The theme for this program is "Building For Lasting Peace," and Mrs. Joe Edens will be lesson leader. Rector John E. Winslow of St. John's Church in Sonora is scheduled to give the principal address.

The offering will make it possible to continue the Christian Woman's Action Program for Lasting Peace. This program promotes peace through prayer, education, neighborliness, and interest in United Nations and civic affairs. Some of the funds will also provide medicines and vitamins to build up the help of people in the far corners of the world.

Packets of used clothing for children up to six years will be made up. Most needed articles are warm underwear, sweaters, snow suits, plain dresses and coats for girls, and pants, shirts and coats for boys.

Also much needed are layettes, which may contain receiving blanket, kimonos, gowns, diapers, baby shirts, socks, rubber sheeting for crib, quilted pad for crib, bath towels, face cloths and towels, and mattress sheets. Used garments should be clean and mended.

Mrs. Chester Biggs, her daughter Vera Fay of San Angelo, and her son Bud of Brownwood, left Friday afternoon for Fort Worth to visit Mrs. Biggs' sister Mrs. V. L. Reed, of Fort Worth, who has been quite ill in Harris Hospital, but is improving. On their way home they stopped in Granbury to visit Mrs. Biggs' mother.

Mr. and Mrs. Thad Dildine and Ramona and Mrs. Lowell Ellis and son Dean went to Johnson City Friday night to attend the funeral of Mr. Dildine's sister, Mrs. Myrtle Mayfield. They returned home Sunday night.

W. F. Faight, who will be 80 years old in February, is hospitalized at Clinic Hospital in San Angelo, in preparation for major surgery, which will probably be performed in a few days. His children here have been taking turns staying with him at the hospital. It is understood that the operation will be a very serious one, especially in view of his advanced age.

Bill McSwain, former Eldorado contractor, now of San Angelo, is reported to be ill in a San Angelo hospital. He is related to members of the Cheatham family.

Mr. and Mrs. Wilson Joiner and daughter of San Angelo spent the day Sunday here with Mrs. Joiner's sister Mrs. C. C. McLaughlin and her family.

Luncheon guests in the Jim Wiloughby home one day last week were Mrs. F. M. Wulff, Mrs. John Wall, Mrs. A. R. Hays, Mrs. Frank Minter of Chicago, and Mrs. J. English of Rochester, N. Y., and Winter Park, Florida.

Hop Cheatham, who has been hospitalized in Sonora, was brought home Tuesday, somewhat improved.

**METHODIST NOTES**

The newly organized youth choir of the Methodist Church held their first regular practice Monday night at the church, with Bill Lester directing. Regular practice is scheduled each Monday night at 7:30. A number from the local church will go to Big Lake today, Thursday, to attend District conference. Several others will represent the WSCS, in session also at Big Lake at the same time.

Regular Methodist services scheduled: prayer meeting each Wednesday night at 7:00, followed at 7:30 by choir practice; Sunday school Sunday morning at 9:45; church services at 10:55; Sunday night service at 7:00 following the regular youth program.

**GUESTS ARE HONORED**

Guests in the O. B. Bradshaw home last weekend were Mr. and Mrs. W. R. Duncan of Calf Creek, Sherl and Dan Gandy of Calf Creek and Mrs. Valaree Gandy of Houston. Sherl and Dan were honored with a party at the Corral Saturday night, Monetta Bradshaw and her mother and aunt serving as hostesses.

The group of about 24 children spent the evening dancing and playing directed games, after which Cokes, cookies and nuts were served to the group. The hostesses were assisted in the serving by Mrs. Duncan.

**COUPLE GET THEIR DEER**

Mr. and Mrs. Sam Henderson are among the Schleicher County hunters who got one deer each on a hunting trip near Westcliff, Colo. While there they visited Mr. and Mrs. (Virginia McBurnett) John Douglas, who accompanied them on the hunting trip.

Henderson's buck measured 28 inches in spread and had 11 points, while his wife's measured 22 inches and also had 11 points.

**CARNIVAL IS SUCCESS**

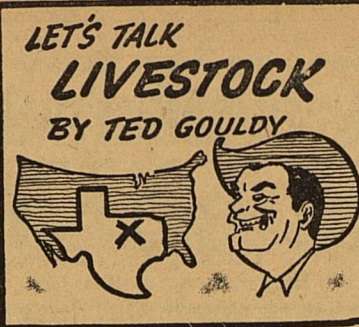

The Halloween Carnival, held under auspices of the Parent Teacher Association, with the finance committee, the room mothers and others carrying out the plans, was a success both from the standpoint of entertainment and financial returns.

A variety of stunts, games, booths and concessions, kept the affair moving at a fast pace thru the evening, and over \$341.31 was cleared for the PTA treasury.

**THURSDAY BRIDGE**

The Bridge Club met Thursday afternoon at the Memorial Building for a luncheon and afternoon of bridge, with Mrs. Ray Hudgens and Mrs. B. L. Blakeway as hostesses. There were five tables of players.

Prizes were awarded to Mrs. Gus Love, high, Mrs. Pat Enoch, low, Mrs. Jodie Whitten, bingo, Mrs. Joe Ed Hill, traveling, and Mrs. Elizabeth Powell, cut.

**FORT WORTH** — Sharp reductions in available supplies of livestock at major markets featured the trade this week. On Monday at Fort Worth, cattle and calf receipts were over 1,800 below a week ago, and at the 12 major public markets of the nation, cattle and calf receipts were over 61,000 below a week earlier. Similar smaller supplies of sheep and hogs were reported.

This short supply would normally have been a factor to induce sharply higher prices at the outset, but the impending election caused Monday's trade at Fort Worth and other market centers to be uneven and inclined to drift upward and downward without a definite pattern.

Cattle were uneven, and steady to weak, some bulls 50 cents lower. Stocker cattle were generally steady and enjoyed good demand.

Slaughter calves were firm, some spots higher. Butcher hogs were 50 cents, spots 75 cents, higher, and best hogs sold at \$17.75 and \$18. Sows at \$16.50 down, were steady to 50 cents higher.

Slaughter lambs were steady to 50 cents higher, and ewes were 25 cents higher, topping at \$6.50. Other sheep and lambs were fully steady.

Two loads of fed heifers at \$32 that averaged 687 lbs. came from the Judge F. W. Fischer feedlot near Gainesville, and a load of fat cows at 1,106 lbs. from the feedlots there drew \$19. Hovencamp Ranch, Tarrant County, had some choice steers at 955 lbs. at \$32 also.

Good and choice slaughter steers and yearlings sold at \$23 to \$32 and common to medium sorts sold at \$14 to \$22, with cutter grades for \$10 to \$13. Beef cows sold at \$13 to \$17, a few heiferettes to \$19, and canners and cutters cashed at \$8 to \$13. Bulls sold for \$10 to \$17.50.

Good and choice slaughter calves sold for \$19 to \$24, with best heavyweights to \$25 to \$26. Common and medium butcher calves drew \$14 to \$18.50, and culls cashed at \$10 to \$14.

Good and choice stocker calves sold for \$18 to \$24.50, and stocker steers and yearlings cashed at \$15 to \$23. Stocker cows drew \$7 down.

Medium, good and choice slaughter lambs sold at \$17 to \$23, and stocker and feeder lambs sold at \$8 to \$15. Fat yearlings sold at \$10 to \$15, and feeder yearlings sold at \$11 down. Slaughter ewes cashed at \$4 to \$6.50. Old bucks drew \$4 to \$5.25.

It is considered a certainty by livestock men and packing-house men at Fort Worth that another effort to get ceiling prices and compulsory grading removed from cattle and hogs will be made right away.

The fact that compulsory grading adds considerable expense to the cost of meat has been cited by packers as hurting the consumer—who eventually pays the bill.

The fact that many retail meat handlers have not given their customers full benefit of lower wholesale prices is allegedly responsible for some curtailed consumption of meat and has made slipping cattle and hog prices lose ground faster.

Reason advanced by the trade for thinking cattle growers and hog men will redouble their efforts was the recent victory of the sheep industry in getting the wholesale ceilings and compulsory grading and classification removed.

This fight launched at Ft. Worth early this year by sheepmen, Fort Worth market men and packers, has won plaudits from people all over the nation in the livestock or meat business.

Parity on October 15, as announced by the Bureau of Agricultural Economics, on livestock and wool was announced last week: Average prices, effective parity prices and percentage of parity are:

Beef Cattle	22.00	20.80	106%
Veal Calves	23.80	23.20	103%
Hogs	18.60	21.10	88%
Lambs	22.20	22.80	97%
Wool	50.4c	58.9c	84%

The losers in the recent elections have nobody to blame but themselves.

They did not promise a good general rain—and about three-fourths of the country could surely use one.

While feed supplies are critically short in many areas—stock water and drinking water are becoming critical in many places.

Mr. and Mrs. Max Henry have moved to the Ben Doty house, recently vacated by the Garys, and the Galbraith house, vacated by the Henrys, is now occupied by Mr. and Mrs. Albert Fore and children, former renters in the Allie Sweatt house.

**Personal News Items**

Mr. and Mrs. Dwight Wiedemann spent weekend at Lubbock attending the Homecoming at Texas Tech. They were met there by six other couples whom they had known in school.

Mrs. Lenna Currie of Monahans is here spending the week with her sister-in-law, Mrs. George Williams and other local relatives.

The W. S. Carrell family spent the weekend in London with Mrs. Carrell's parents, Mr. and Mrs. J. M. Clark, and were met there by a sister from San Angelo.

Visiting relatives and friends in Eldorado last weekend were Mr. and Mrs. Odean Brown and son Michael of College Station. He is a sergeant in the Air Force.

Here from Midland to visit in the T. W. Johnson home were the Johnsons' son E. T. and his wife and three children, Elaine, Tommy, and Denny. On Sunday morning Elaine, who is a Senior in Midland High and is also a music student, sang a solo "Thanks Be To God" at the First Baptist Church; her 12-year-old brother Tom accompanied her at the organ.

Mr. and Mrs. C. A. Kennedy of Ingram were here for the weekend to visit Mr. and Mrs. Buren Whitten and family. The women are sisters.

Mrs. R. A. King has returned from San Antonio and Austin. In Austin she visited her daughter Mrs. Georgia Offutt, and they went over to San Antonio for a visit to a doctor who is treating Mrs. King's eyes. While in Austin, Mrs. King had the opportunity of attending the SMU-University game with her grandson, Bunch King Brittain, who has transferred back to Houston from Odessa.

Mrs. Tom Henderson, who is spending some time in Lubbock with her daughter Jackie, student at Tech, spent the weekend on the ranch in Schleicher County.

Weekend guests in the Bertha Wilson and Mary Ann Johnston home were Mrs. Cut Edmiston and baby of Big Lake and Elizabeth Cloud of San Angelo. On Monday Mr. and Mrs. Samuel E. Cloud joined the group. W. E. Cloud, who has been on the sick list, is reported to be improving after his operation.

Reuben Reynolds is doing well at the hospital in Sonora, where he is recovering from an accident in which he nearly lost a leg when a portable woodsaw got out of control. He expects to remain there about two weeks, according to local relatives who visited him Tuesday.

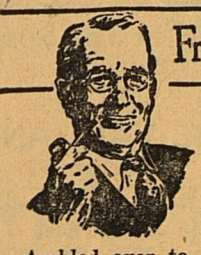

At home in Eldorado for the weekend were Tommy Jo and Henry Roach, children of Jim Tom Roach, who are attending a Catholic school in San Antonio. Jim Tom and Mrs. A. J. Roach took them back Monday.

Mrs. Grover Lee Johnson has joined Grover Lee in Missouri. He is stationed at Fort Leonard Wood, and Mrs. Johnson has an apartment at 213 North Jefferson (Apt. 1), in Lebanon, Mo., which is near the camp. She reports that several other army wives live in this apartment house.

Mrs. Horace Linthicum and daughter Prissy spent Friday night, Saturday and Sunday at Ft. Worth with Suzie, TCU student, and saw the Baylor TCU game. Mrs. Linthicum's sister Mrs. Lee Allison of Sonora accompanied them.

Mr. and Mrs. Russell Beach of McCamey and Mr. and Mrs. Claude Meador, Jr., of Eldorado went to Austin Saturday to attend the game, returning the same day.

Mr. and Mrs. Eddie Peel visited Sunday in Brady with a sick relative.

**Left Ham Sandwich**

-40¢

Ambed over to Bob's Restaurant Tuesday for lunch and noticed a new sign "Left Ham Sandwich, 40¢... Right Ham Sandwich, 30¢."

"Why the sign, Bob?" I asked. "Don't tell me you believe hogs scratch more with their right leg than with their left—so's the left ham is more tender?"

"No," he says. "I don't take any stock in it. But, some people have ordered those 'left' sandwiches. When I explain to them that there's nothing to that fable, that the sign is just a business-getter, and I've only one price, they enjoy

a regular, old fashioned, plain ham sandwich all the more!"

From where I sit, stories like "right" hams being tougher than "left" ones are with us because some people get ideas into their head and hang onto them for dear life. It's like those who think an adult like myself hasn't the right to a glass of beer with my supper. I say let's keep our opinions free from being "sandwiched-in" by misinformation.

**THE STATE OF TEXAS**  
To the Sheriff or any Constable of any County of the State of Texas GREETING:

Whereas, on the 15th day of September, 1952, John F. Isaacs recovered in the District Court of Schleicher County, a judgment against Johnny Florence for the sum of \$171.38 with interest thereon from the 15th day of September, 1952, at the rate of six percent per annum and costs of suit; and, whereas, the said judgment is a foreclosure of a tax lien on the following described property, to-wit: an undivided one-half interest in Lots 5, 6, and 7 in Block 3 in the Glendale Addition to the town of Eldorado.

as said tax lien existed on the 15th day of September, 1952, and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment. And if said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid over to the said Johnny Florence. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution, and such order of sale shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient deed, and place the purchaser of said property in possession thereof within thirty days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above described property, as under execution, and make a good and sufficient deed and to place the purchaser of the same in possession thereof within thirty days after the day of sale, and you apply the proceeds thereof to the payment and satisfaction of said sum of 171.36 Dollars, together with the interest that may be due thereon, and the further sum of Dollars, costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the defendant Johnny Florence. But if you fail to find said property, or if the proceeds of such sale be insufficient to satisfy said judgment, then you are directed to make the money, or any balance thereof remaining unpaid, out of any other property of the defendant, as in case of ordinary executions.

Herein Fail Not, but due return make hereof within 30 days, showing how you have executed the same.

Given under my hand and seal of the District Court of Schleicher County, at my office in Eldorado, this 15th day of October, 1952.

**Safety Hunting Tips For Accident Prevention**

Most hunting accidents could be prevented if hunters would observe the simple rules of safety with firearms. "Trigger happy" and careless hunters, says R. E. Callender, wildlife conservation specialist for the Texas Agricultural Extension Service, not only endanger the lives of every other hunter in the woods but also cause much damage to wildlife.

Practicing safety with guns in the fields or woods then, says the specialist, is just a good conservation practice and applies to both humans and wildlife. It is also very important at this time that hunters be doubly careful with fire. A wildfire can easily wipe out not only the wildlife of an area but destroy vegetation that is so badly needed at this time for livestock, says Callender.

He says records kept of hunting accidents shows that two thirds of them are caused by humans in the line of fire; mistaking humans for game and hunting with the safety catch off on the rifle.

He points out that good sportsmanship is just using good manners while on the hunt. It includes using the right gun for the right game, hunting only in season and not taking more game than can be used even though the bag limit may permit a larger take. Bird hunters, he says, should use a trained dog to retrieve crippled birds. The rights of others are always respected and permission is always secured before going onto another's property.

Here are Callender's suggestions for making the hunt a safe one. Treat every gun as if it were loaded; never carry a loaded gun in the automobile; be sure there are no obstructions in the gun barrel or action; carry the gun so that the hunter always has control of the direction of the muzzle, even if he should stumble; never pull the trigger until sure of the target and never point a gun at anything you do not intend to shoot.

Loaded guns, says Callender, should never be left unattended and hunters should always unload guns before climbing over a fence or into a tree. And he adds, bullets fired at flat, hard surfaces, or at objects on the surface of water may ricochet and hit objects not thought to be in the line of fire. Last but not least, he says gunpowder and alcohol should never be mixed for the results can be disastrous.

And finally, believes Callender, the intelligent hunter is always thinking about how he can aid in conserving and even building up the wildlife resources of his favorite hunting areas. By being careful, preventing accidents and fires and by always being the good sportsman, wildlife resources can be conserved and improved and relations between the landowners and the hunter can be given a big boost in the right direction, says Callender.

**Recipe of the Week**

**Apple Brown Betty**  
2 cups soft bread crumbs  
4 tablespoons butter or margarine  
3 cups pared, sliced apples  
½ cup sugar  
¼ cup water  
¼ teaspoon cinnamon  
½ teaspoon nutmeg, if desired  
1½ tablespoon lemon juice  
Grated rind of 1 lemon.  
Grease baking dish. Butter bread crumbs. Place 1/3 of crumbs in bottom of dish. Add half of apples, sugar, spices, lemon juice, and rind. Repeat. Cover top with remaining third of crumbs. Cover. Bake 30 minutes in a moderate oven (375). Remove cover, bake 30 minutes longer or until apples are tender and crumbs are brown. Serve with thin cream. Serves 4.

**Timely Tips**  
1. Apples are noted for good keeping qualities, but it takes a little care to hold them at their best in home storage. If storing a few days to 2 weeks, keep firm apples in a cool place, 60 to 70 degrees. Keep mellow-ripe apples in the refrigerator.  
2. Use tart firm apples for cooking.

**'Reaching From Heaven' Coming To Eagle Nov. 23**

A new religious picture, one that has been exceptionally well received wherever it has been shown, opens a two-day engagement at the Eagle Drive-In Theatre, Nov. 23-24. It is "Reaching From Heaven" with Hugh Beaumont and Cheryl Walker in the leading roles.

"Reaching From Heaven" was produced because a church grew tired of criticizing the movies and doing nothing constructive about it. So they simply went to Hollywood, secured the necessary technical talent and made a film which they believed would satisfy a great need.

The picture has been widely acclaimed and endorsed by ministers of all faiths. On a national scale, the reaction has been typified by Jimmy Fiddler's comment: "It is so entertaining, so fresh and beneficial I have a feeling the theater-going public is crying for such a movie today."

"Reaching From Heaven" follows the lives of several little people who are beset by problems of a wide variety, but all interwoven, and how these problems are solved one by one through contacts with Christian people.

Hugh Beaumont plays the part of a young construction superintendent who is not afraid to express his religious convictions. Cheryl Walker, who has the feminine lead, very capably portrays the part of a girl whose father says, "I had church pushed down my throat three times on Sundays and twice a week. No child of mine is going to have to go through that."

Regis Toomey gives a brilliant performance as the pastor in the story. John Qualen will be remembered by many of the older people as Papa Dionne in the Dionne Quintuplet pictures and plays the part of a tragic displaced person from Europe about whom much of the story centers.

The film is non-denominational and can only be identified as a Protestant picture.

It might be interesting to guess which denomination made the picture.

**GUEST SPEAKER HERE**

The Business Women's Circle of the WMU of the First Baptist Church entertained the WMU with a program on missions, Monday night, in which they presented Mrs. Clevenger of San Angelo, a full-blooded Navajo Indian, member of a Presbyterian church there, as guest speaker.

Mrs. Clevenger gave the history of her people, and made her address wearing native garb. She was well received by the listeners. A tea followed the program.

## National Art Week Is Observed In Eldorado With Attractive Displays

Displays of art work done by local people have been arranged in Eldorado stores this week, in observance of national Art Week, November 1-7. The displays feature needlework of many types, china and textile painting, etching, children's work, and other phases of art. The week's observance is under sponsorship of the Eldorado Woman's Club, with Mrs. Carl Stevens as committee chairman assisted by others. The purpose of the week is to call attention of the general public to arts and crafts which people may study and learn as hobbies, and to point out the fact that many local residents are interested in the arts.

### BRIDGE CLUB MEETS

Mrs. Gus Love was hostess at a bridge luncheon Wednesday at her home. There were five tables of players, also two guests for luncheon only, Mrs. Gus Love and Mrs. Jim O'Harrow.

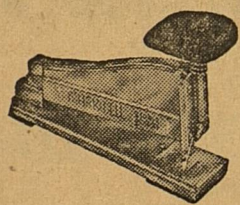

Mrs. Carrol Ratliff won high club, Mrs. Melvin Rogers of Menard high guest, and Mrs. Weatherly Kinsler bingo.

Players in addition to those mentioned above were the members and these guests: Mrs. P. F. Case, Mrs. James Page, Mrs. Jess Walston, Mrs. Patton Enochs, Mrs. H. T. Finley, and Mrs. Jim Rogers, of Menard.

### VISIT BIG LAKE CHAPTER

OES members visiting the Big Lake Chapter Tuesday night were four Eldoradoans who have official positions in the local chapter: Mr. and Mrs. Palmer West, Worthy Patron and Worthy Matron; Mrs. J. D. Ashmore, associate conductress, and Mrs. J. B. Montgomery, chaplain. The Big Lake Chapter, observing Friendship night, initiated four new members.

Mrs. Palmer West will give her report from Grand Chapter next Monday night, when Mrs. Joe Edwards, Mrs. Clyde Galbraith, and Mrs. Ben L. Isaacs are hostesses to the Eldorado Chapter. Also on the program will be Mrs. Glenn McDonald.

Eldorado Boy Scouts and Cub Scouts hung about 400 Liberty Bell door hangers on houses in town Saturday as a part of their Get Out The Vote campaign.

Cubs, under the direction of T. P. Robinson Jr., Cubmaster, canvassed the area west of the San Angelo-Sonora highway. Those taking part were Joe Lowe, Bill Lester, John McGregor, John Frank Griffin, Jimmy Lindsey, and Kenneth Hicks.

Boy Scouts took the area east of the highway, with seven participating: Sherrill Dannheim, Bill Edmiston, David Steen, Ernest K. Nimitz, Arnie Lee Westbrook, James Lee Swain, and Voy J. Mitchell.

### DDT Spray For Rugs Will Kill Beetles

COLLEGE STATION—A simple spray treatment with a 5 per cent DDT solution will protect your rugs and carpets from damage by moths and carpet beetles.

Since wool rugs and carpets attract clothes moths and carpet beetles throughout the year, it is well to realize that these insects recognize no season in a well-heated home.

J. C. Gaines, entomologist for the Texas Agricultural Extension Service says experiments with this treatment at the United States Department of Agriculture laboratory at Savannah, Georgia, have proved successful. Results, the specialist says, show the 5 per cent DDT solution spray will protect rugs and carpets from damage by moths and carpet beetles for more than a year.

To protect your rugs, the specialist says, apply a 5 per cent DDT oil spray uniformly over both top and bottom surfaces, sufficient to moisten the fibers. You can buy a common household spray under a variety of trade names, but check the label describing the ingredients for the 5 per cent DDT oil contents.

Mr. Gaines says a hand sprayer does a good job of applying the spray to the rugs and carpets. "Be sure to moisten them uniformly on the top and bottom to get longer lasting effects of the 5 per cent DDT oil spray," he adds.

### PARTY FOR CLARICE

On Oct. 23, at John Jones' home, Clarice Dannheim was honored with a surprise going away party.

There were a number of girls present including Wilma Lloyd, Naomi McCoy, Wanda McAngus, Ann Williams, Jorgi Lagow, May Runge, Nell Williams, Trudy Gaynor, Shirley Sofge, Esther Jones, and the honoree.

They listened to records, talked, and were served refreshments.

## Bulb Planting Time Lasts Until December 15

COLLEGE STATION—October 15th through December 15th is bulb planting time in Texas. Sadie Hatfield, homestead improvement specialist for the Texas Agricultural Extension Service says October is considered the best month for the planting of most bulbs which can exist in cold weather.

The hardest bulbs are the narcissi or daffodils, jonquils, grapehyacinth, snowflakes, snowdrops and most of the early blooming bulbs. The specialist recommends waiting until later to plant those with roots or bulbs that frozen soil

would destroy. Gladiolus grow from tender corms and dahlia from tender tubers, so these bulb-like plants are not planted until hard freezing weather is past. In much of Texas they can be planted in January and February.

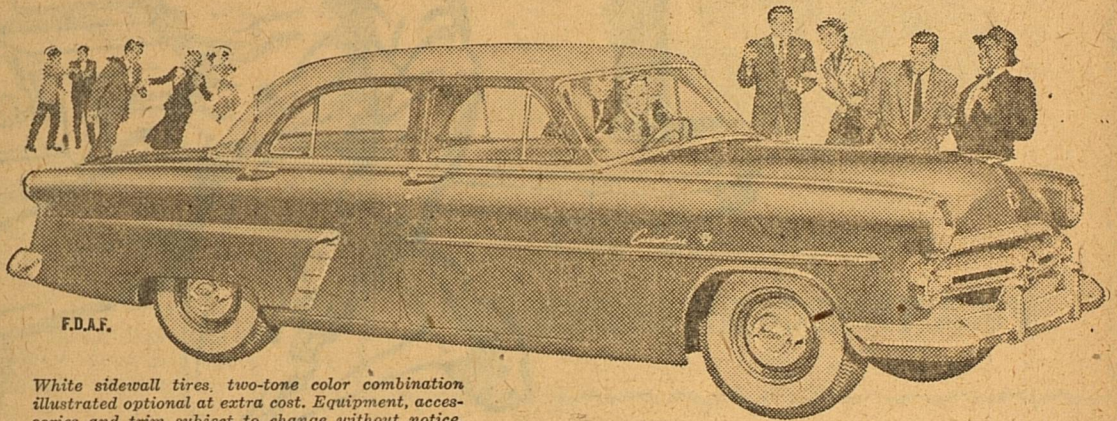

Most bulbs grow best in fertile soil which is moist but well drained. The specialist says most bulbs will grow better in full sun, however many of them grow in the shade.

Prepare the soil by fertilizing with 5-10-5 for the sandy and light soil, and 16-20-0 for black land and potash-rich soils in West Texas. The specialist recommends one-half cup to each 25 square feet of soil. Add a tablespoon of bone meal

and a cup of sand one or two inches beneath each bulb when placed in the soil.

The depth of planting depends on the size of the bulb. A large narcissus bulb may be planted seven to nine inches deep. Tulips are usually planted about seven inches, and bulbs of Dutch iris are smaller and planted four or five inches deep. Grape-hyacinth is still smaller and planted two to four inches deep. Iris which grow from rhizomes, are planted almost on top of the ground barely covered with soil. The crocus is planted only three inches deep. Place lilies which root at the base five inches deep in the soil.

It couldn't be done...but Ford did it!

## YOU BET YOUR LIFE-

Every time you cross a street against a red light—every time you dash out from behind parked cars in mid-block, every time you walk to the right, with your back to traffic, instead of to the left on a rural highway—you bet your life!

In 1950, 9,400 pedestrians bet—and lost. Another 299,000 gambled against traffic odds and came away injured. One out of every three traffic deaths were pedestrians, most of them struck down at or between intersections or on the open roads during dark hours.

We are still a nation of jay-walkers whose mental attitude apes the speeding driver, getting there fastest by the shortest route and leaving personal safety at the curb.

When you are walking remember, the red light means you, too. Cross at intersections on the green or amber light meant for you, but watch out for reckless drivers, too. On highways walk facing oncoming cars. At night wear or carry something white, use a flashlight. Let drivers know you are there.

Don't jay-walk into eternity.

### Presbyterian Choir From San Angelo Church Presents Program Here

A musical treat for church goers and others of Eldorado will be provided tonight, Thursday, at 7:30, when the choir of the First Presbyterian church, U.S., of San Angelo, will appear in sacred concert at the Presbyterian Church of Eldorado beginning at 7:30.

Announcement concerning this event was made in the churches of this city Sunday, and it is expected that a large crowd will hear this musical program. There will be from 25 to 30 singers under direction of Marie Watkins, San Angelo voice teacher, formerly of Sonora, who is regular director of this choir.

The program will include a variety of numbers, including negro spirituals, Christmas music, solos, duets, anthems, and other numbers. This program will be presented free to the citizens of Eldorado.

The pastor of the church represented by the visiting group is Dr. B. O. Woods.

### First Baptist News

Our attendance continues to be good. We had 230 in Sunday school and 88 in our training union Sunday. The orchids were won by the young people's department with a grade of 74. The primary department was second with a grade of 71. The onions went to the adult department with a grade of 52. We were deeply grateful for the fine attendance in our worship services. There were several visitors for which we were deeply grateful. You are always welcome at the First Baptist church. "The Friendly Church With a Spiritual Program," whose motto is "Building a greater church for a greater Eldorado for the glory of God." If you are a Baptist and are looking for a church home we invite you to our church.

We welcome into our fellowship by letter today Mrs. Alvin Shults and Alvin Jr. We were happy to baptize into full fellowship of our church Sunday evening the following: Juanice Williams, Sandra Nixon, Bobby Bible, and Jack Stanford. We know that many of you are happy for their decision and will pledge them your prayers as they attempt to live the victorious life for our Master. There are many of our friends who should make this decision for Christ and His church. In this day of so many

doubts it seems expedient. Brother Welsh has asked us to remind all the parents that the Cherub choir is meeting each Sunday afternoon at 5:15, and that you are urged to help your boys and girls get here. There were 9 present Sunday afternoon for Cherub choir practice. He also asks that we remind all the adults that each Sunday evening after the worship services that there is a church fellowship held in the banquet room. This service is for all the church and is sponsored by the young people of the church. Good chorus singing. Good devotional brought by one of our young people. More of the adults are urged to remain for this fellowship.

Mark this important date on your calendar—November 10-13 — All-church study course. Books will be taught that will be credited for both Sunday school and training union awards. Classes meet at 7:00 p.m. each evening. All are invited.

The Concho Valley Baptist Association Workers Conference will meet next Tuesday, November 11th. This will be with the First Baptist church of Sonora. This is an important day meeting. We trust that many of our folks will avail themselves of this opportunity and attend. Young people don't forget that the next youth meeting is November 29th. We want to retain the banner we won last time at Veribest. Don't forget mothers and dads that we will be needing some cars again. You were so very kind last time to offer more cars than we could use.

November 23rd is the big day. This is one of the most important days for the life of our church. Plan now to make that day a must in your calendar of attendance. The success of the day will depend upon all of us. This is the day we will set new and better goals. You can't afford to miss this Sunday. If you do you will regret it. We will be looking for you on November 23 at the First Baptist church.

Mrs. Vernie Logan was stricken with a light heart attack Saturday while helping her mother, Mrs. J. T. Ottaberry move back home from Colorado City. Her brother Farland and Mr. Logan went to Colorado City after her Monday.

Mrs. Bertha Dameron is back home after spending eleven days in St. Johns hospital in San Angelo. It will be some time before she will be out again, but she is slowly improving.

### Eldorado Home Ec Girls Hostesses At Meeting

The Eldorado Homemaking girls were hostesses to the District 5 Association in Eldorado all day Saturday, November 1. Miss Frances Barton, and her classes having general charge of entertainment of the guests.

Miss Sue Shilling of Big Lake was president of the association, and among the other officers was Trudy Gaynor of Eldorado, parliamentarian.

At this all-day affair, 19 schools were represented, and the attendance records show that over 250 were present. The Seniors served lunch to the group in the school cafeteria.

At the installation services at the conclusion of the afternoon program, corsages of red roses, the Home Makers' official flower, were presented to incoming and outgoing officers.

Registration, fun in the gym, and the meeting of the House of Delegates took the first hour.

At 10:00, at the morning session, Lupe Arriaga, district vice president, had charge. She was assisted by several in the opening ceremony followed by the invocation, given by Ellen Millers, Sonora chapter president.

Welcome was extended to the gathering by W. J. Fraker, high school principal; Billy Kenneth Cheek, president of the Eldorado Student Council; and Retha Nell Lloyd, president of the Eldorado chapter.

Response was given by Jeffie Harmon of Robert Lee.

Chapters were then introduced by Joyce Gooding, district corresponding secretary, followed by a skit by the Rankin chapter.

Mrs. Edwin Jackson then spoke to the group.

Other highlights of the morning included songs by the Eldorado sextette, presentation of mothers, and a reading.

The afternoon session began with group singing, followed by presentation of sponsors.

A panel discussion on Program with Purpose and Personality, was

led by Mrs. Faye Massey of Midland.

Music was rendered by a group from San Angelo and a report of the business meeting was given by Peggy Tidwell, district recording secretary.

Following installation of officers the meeting was closed with singing of the F. H. A. song.

As far as is known, this is the first time the Eldorado girls have had the honor of entertaining the district here, and all worked faithfully in advance of meeting day to have the new rooms and new equipment of the department at their very best for the inspection of the visiting girls, who were also interested in the entire new school plant.

#### Officers Elected

Area officers were nominated and district officers were elected.

Shirley Faulk of Eldorado and Shirley Payne of San Angelo were nominated for area officers.

### How to Keep Your Telephone From Being "BUSY" . . . Doing Nothing

Always replace your receiver carefully. If your receiver is not replaced properly your telephone is just as "busy" as if you were actually using it. This is equally true on a party line and private line. Calls can't come in to you—and, if you're on a party line, your neighbors can neither make nor receive calls.

So please try to hang up carefully, and see that your telephone receiver is always properly replaced. It means better service if you do. . . .
