Eagles Take Iraan 38-0 In Opening Game Here

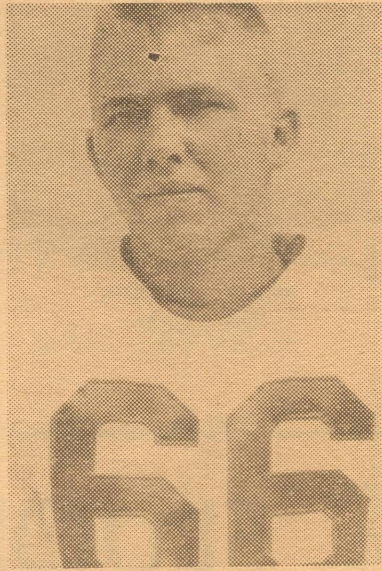

It took the Eldorado Eagles a full quarter last Friday night to overcome first-game jitters and the weight of the "one-of-the-football powers" publicity and throttle the Iraan Braves 38-0. Fact is that Iraan capitalized on an Eagle fumble early in the quarter and threatened but the Eldorado line would have "none of that" and the Eagles pulled themselves together and ground out six touchdowns in the remaining three quarters to win the game easily.

Statistics gave the Eagles 14 1st downs and 235 yards rushing against six first downs for Iraan and 108 yards against the disapproving Eagle line.

Too many thumbs kept the Eagles from completing more than four of nine passes attempted; but they made up for these omissions by stealing a pair of Iraan aerials, one more than they'd allowed the Braves to complete.

In the finals department, the Eagles outdid the Braves two to one.

The Braves made a game of it until immediately after the half when Mike Jurecek put an emphatic stop to Iraan's Captain Freddie Dry's attempted run, convincing Iraan backs that football is a rough and boisterous game. As a result, Iraan rushes for the remainder of the game lacked complete sincerity, and Eagle tacklers took full advantage of the situa-

DENNIS JURECEK
Eagle Of The Week

tion, preventing, hurrying, and rendering harmless Iraan passes, as well as punts.

The Eagles' passing attack featured Jim Cheek and Donnie Holden's right and left. End Pete Logan provided a nice receiving target as well as a decoy so that Denzel Fisher, Donnie Holden, John McGregor, Gary Whitten, and Mack McAngus could worry about holding on to Cheek, Holden, and Sophomore Lynn Meador's missiles.

Eagle backs ground out good gains, threatening long touchdown sorties several times but not making their way into the clear. John McGregor as well as Jim Cheek featured this area of play.

The Eagle lettermen of last year showed their sturdiness and ability. Some promising newcomers showed their wares also. Ray Ballew, Clyde Thackerson, Mack McAngus, Denzel Fisher, Lynn Meador, Gary Whitten and David Childers were some of the inexperienced men who showed up well. Of course the Jurecks, Logan, Holden, Cheek, McGregor and Draper, all did a fine job.

Coach Earl Barnett took advantage of Iraan's lack of enthusiasm to give his 11 green shirted Freshmen a bit of experience which opportunity they may not find many times more in the weeks ahead.

The Associated Press ranks Eldorado 5th in the state in class "A" football this week.

On To Wylie
The Eagles will again be the target for an underdog Wylie High School tomorrow night and a long way from home at that.

Wylie Independent School District has a valuation of \$1,338,000, a tax rate of \$1.10 for maintenance and 40c for indebtedness, and a total enrollment of 507 students. This same student body has a strong desire to avenge the lopsided 53-0 "thumping" the Eagles administered to them last year in Eldorado.

Wylie Superintendent R. H. Landers gets school mail via Route 5, Abilene, Texas, which address tells adults that folks in Wylie may not be novices at the game of football.

Game time is 8:00 o'clock tomorrow night on the Wylie field.

How To Get To Wylie
Wylie is not on the road map, and it's a 130-mile trip from Eldorado, the farthest distance the Eagles go to play this season.

As you enter Abilene on U. S. 277 from Bronte, turn right on the Loop Road (the first overpass across the highway). Stay on the Loop Road until you reach the Buffalo Gap exit. Turn right and you are in Wylie. Wylie joins Abilene's southeast boundary.

Sonora "B" Here Tonight

The Sonora Bronco "B" team will play the Eagles here tonight at 7:00 o'clock.

This will be a foretaste of the big district match with Sonora later in the season and will have 10-minute instead of 12-minute quarters.

Admission tonight will be 50c and 25c.

Mrs. Bill Works was brought home yesterday after a six-day stay in the hospital in Sonora.

Notice

Effective Sept. 14th

THE SINGLE-COPY PRICE OF THE

Eldorado Success

WILL BE INCREASED TO

10c per copy

Range Management Day Scheduled For Sept. 13th

A range management field day will be held at the Ranch Experiment Station on Highway 55 between Rocksprings and Sonora, beginning at 10 a.m. on Wednesday, September 13.

Economics of range management and progress of range management and wildlife management will be discussed during the morning program.

Lunch will be served by the Sutton County 4-H club at a nominal price.

A guided tour of the range study pastures will be conducted in the afternoon to show the results of different kinds and combinations of livestock grazing, rates of grazing, outstanding results of deferred rotation grazing, and results of rangeland and reseeding on rangelands.

Last Week Area Games

Menard 28.....	Robert Lee 14
McCamey 23.....	Ozona 6
Mason 6.....	San Saba 6

Oct. 12, Menard, there, 7:00.
Oct. 19, Big Lake, there, 4:30.
Oct. 26, Menard, here, 7:00.
Nov. 2, Sonora, there, 7:00.

Post Script

Effective with next week's issue of the Eldorado Success, the single copy price will be advanced to 10c per copy. We are following the lead of other weekly newspapers in this area, most of which have had the 10c price for some time.

Because of bookkeeping complications brought on by the sales tax, copies will be available only at the Success office.

An oft-quoted statement: "A copy of the hometown newspaper should be worth as much as a cup of coffee."

Success subscription prices will also be increased before long. Details will be announced later.

We point out several factors that have necessitated the increase in the single copy price: hikes in newsprint prices, increased costs of other overhead, and the new state sales tax which is to apply on gross sales of newspapers and to subscriptions.

—ps—

Some will ask:

"How come you can buy a big, thick daily paper for a nickel and your little weekly paper is selling for a dime?"

The answer is that dailies are produced on a mass production basis, with high prices for their ads. They could GIVE their papers away, and still stay in business.

—ps—

Firemen answered two alarms last Friday.

At 3:10 there was a grass fire on Claude Meador's place.

At 7:45 p.m. there was a grass fire at Whit Smith's.

Both fires were quickly brought under control.

—ps—

People moving:

James McWilliams, trailer on Phillips lot;
George Mikeska, to Crosby apartment;
Charlie Carroll, to Pete Finley house.

—ps—

With our subscribers:
Friend H. Dotson has moved from Odessa to Box 145, Bairoil, Wyoming.

—ps—

Mrs. A. J. Roach was rummaging through some old papers the other day and ran across an item that she thought was worth repeating. It was a city tax receipt for the year of 1929, and their total city tax that year was \$4.89.

—ps—

All went as scheduled Sunday when the First Baptist church observed its 60th anniversary with an all-day meeting. Barbecue was served at noon to 275.

County Drenched With Heavy Rains Monday

A rain that came up in the early-morning hours of Monday dumped about 5 inches in Eldorado, and probably put a halt to a lot of Labor Day holiday trips.

Coming up some time after midnight it caused householders to get up and close windows, and then go back to sleep. Many were surprised when they checked rain gauges in the morning and found 4½ to 5 inches recorded. A group of neighbors in the Reynolds community reported an average of 6 inches.

Capt. Thad Thomson had four inches, and the same amount was reported by Claude Doyle, while P. K. McIntosh received 2½. Peyton Cain swears that 8 inches fell at his place in the Bailey Ranch area.

It was a wonderful rain for the grassland and will put pastures in excellent shape for fall. Lucky, too were those who had winter grain planted—it's now got the moisture and is ready to go.

On cotton it was a mixed blessing. A good deal of cotton was

open and picking had started in several places. In these cases the rain damaged the grade. In cases where there was young, late cotton, the rain will help mature the bolls, but generally speaking it was too late to do cotton any good.

Some of the other rain totals gathered at random are:

Jess Koy	4.50
Gay Copeland ranch	2.75
W. F. Edmiston	6.00
Lester Nixon	6.00
Victor Sauer	5.50
Otis Deal	6.00
Lynn Alexander	5.50
Robert Nixon	5.00
(gauge ran over)	
Henry Speck, Sr.	3.60
Elizabeth Powell	3.50
Henry Speck, Jr.	6.00
Mrs. J. Tom Williams	6.00
Howard Derrick	3.20
Gene Edmiston	7.00

Losses Reported

Along with the heavy rains, the temperature dropped sharply, bringing sweaters and coats into use Monday for the first time this fall. Following the cold rains reports began trickling in of losses in the lamb and goat population.

Henry Speck had sheared goats about a week earlier and is reported to have suffered a heavy death loss. Others who had the same experience were John Ray Powell and Elizabeth Powell who had sheared about three weeks ago. W. F. Edmiston also reported a number of goats lost.

Otis Deal and Victor Sauer lost a number of lambs, and no doubt there are many other losses which we haven't heard about.

Picking Started

Bill Smith, Jene Moore and Ray Bruton had put pickers into their fields last week. Bruton had about four bales gathered and one bale delivered to the gin, but Bill Smith is credited with the season's first bale at the Eldorado gin.

When the weather clears and the fields dry up, picking will become general over the county.

In Training At Fort Knox

JAMES R. HODGES

Now in training for six months Army duty is Buddy Hodges, son of Mr. and Mrs. Sammie A. Hodges of Eldorado. He was a member of the EHS graduating class of 1961.

His address is:
Pvt. James R. Hodges FR18585453
Co. B, 3rd Bn
2nd Trg Reg
Fort Knox, Kentucky

Ten New Vehicles Registered In August

During August, the following 10 new vehicles were registered in the sheriff's office:

- Cramer Sofge, '61 Chevrolet truck tractor;
- W. W. Sudduth, '61 Ford 4-door;
- Luke Robinson, San Angelo, '61 Chevrolet pickup;
- Mrs. H. W. Scott, '61 Ford 4-door;
- J. E. Bennett, Christoval, '61 Ford 4-door;
- Joe Ed Spencer, '61 Chevrolet 4-door;
- Richard S. Runge, Rudd Route, Christoval, '61 Chevrolet 4-door;
- Bill D. Seward, San Angelo, '61 Olds 4-door;
- Southwest Texas Electric Co-Op, '61 Ford truck;
- David Powell, '61 GMC pickup.

NEW BAND UNIFORMS ARRIVE

The new uniforms for the School Band have arrived and will be in use for the first time at the game tomorrow night.

Glenn Matthews has charge of the band formations and they should show off the new uniforms to best advantage.

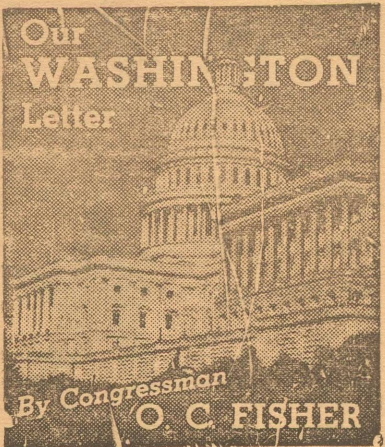

Old Dry Hole To Be Re-Entered Tested For Gas

A dry hole on the southeast corner of the Henry Moore ranch is to be re-entered and tested for gas production, according to a deal made recently.

According to Henry Moore, an oil operator drilled a well there about nine years ago. At that time they were interested in oil production from the Ellenburger zone, and the drillers pushed the hole on down without testing any of the higher formations.

In July when the TXL Corporation completed the R. L. Henderson well as a flash gas producer, interest in gas production picked up all over the west part of the county. In a deal made recently Bright & Shiff, oil operators from Dallas, took a lease on a small amount of acreage surrounding this dry Moore well. They have a 90-day drilling contract and are interested in testing the upper zones for gas.

Dick Dotson, a missionary to the Congo, spoke at yesterday's meeting of the Lions club. Joe Muller Christian is program chairman this month.

It's time we resume our nuclear tests. Time may be running against us. Improvement in A-bombs can only come as a result of testing, and we simply cannot afford to allow the Russians to get ahead of us in that field. In fact, it may be that the Soviets have been secretly testing all along by using underground sites. Such tests are difficult to detect.

It has become evident that the Kremlin has been playing for time while engaging in extended nuclear control talks at Geneva. It has been a stalling operation, capped suddenly last week by the announcement of test resumption. The next day they set one off, indicating they had been preparing for the test while pretending to negotiate in good faith.

Kruschev's threats about the super bomb, coupled with the new test, is believed to be a part of Soviet scheme to terrorize the world and in that way attract the panic-stricken neutral or uncommitted nations to the Russian orbit. Actually, our scientists believe we are as far along on development of a super megaton bomb as the Communists. In fact, in all likelihood we are further advanced unless they have been testing on the sly. In stockpile we are much ahead of them.

The new Russian technique of blackmail and intimidation may backfire, observers here believe. The effect may be to further solidify the west in the power drive now going on. And the neutral nations may not be as easily scared as Kruschev has planned. Nasser, for example, has condemned the Russians for resuming the tests, and even Nehru has been critical.

In analyzing the Soviet motives or breaking off control negotiations, followed immediately by a nuclear test, while at the same time boasting of their new bombs, observers are convinced it is a psychological move timed to coincide with the Berlin crisis and the Belgrade meeting of the neutrals, now going on.

In any event, it is imperative, as I see it, that we immediately prepare for resumption of tests. We have no alternative.

The Good Idea Department:
Put a thimble over the cap on the tube of the percolator while pouring in the dry coffee. It will prevent wet grounds from taking the perk out of the percolator.
To prevent the cream pitcher from dripping after pouring, grease the lip of the pitcher with butter before filling with cream.
Baking soda is a good fire extinguisher for small grease fires on stoves. Soda liberates carbon dioxide which envelopes the fire and shuts off the supply of oxygen. Fire can not burn without oxygen. A handy funnel for filling salt shakers can be quickly made by cutting off a small part of the corner of a paper envelope.
Meat loaf cooks faster in muffin tins. Attractive servings, quick to thaw if frozen.
Tack or nail a slice from an old tire on feet of ladder — the rubber prevents slipping.

* * *

The Six Mistakes of Man:
1. The delusion that personal gain is made by crushing others.
2. The tendency to worry about things which cannot be changed or corrected.
3. Insisting that a thing is impossible because we cannot accomplish it.
4. Refusing to set aside trivial

preferences.
5. Neglecting development and refinement of the mind, and not acquiring the habit of reading and study.
6. Attempting to compel others to believe and live as we do. — Cicero.

* * *

How do you know when something is too sweet? By tasting it, of course, but according to whose taste?
Nutrition research is beginning to find out that the sense of taste may be maintained by vitamin A. Laboratory animals deprived of vitamin A were unable to tell the difference in ordinary tap water and very bitter quinine water. Best sources of vitamin A are liver, milk, egg yolks, yellow fruits, and yellow and dark green vegetables.

Do you and your family like "French Fries" very much but find that the job takes a little more time and effort than you want it to when time is short? The answer to this problem is freezing French fried potatoes. Read carefully and then do a big batch while the grease is hot.
Frozen French Fried Potatoes
Select potatoes suitable for frying (the kind you would choose for baking).
Preparation:
Fry in deep fat until golden brown.
Drain thoroughly on absorbent paper. Brown paper sacks are good and paper towels are better.
Cool potatoes to room tempera-

ture.
Packaging:
Pack in moisture-vapor-proof frozen food containers (plastic bags fill requirements, wax paper does not).
Thawing and heating:
Remove from package, place on baking sheet, reheat in hot oven (400 F.) for 5 minutes.

* * *

Okra is the immature seed pod of a plant of the hibiscus family. Bananas are among the few fruits that reach their best quality and flavor after being harvested in a mature-green stage. When allowed to ripen on the plant, the flavor is strong and undesirable.

In These Days

ONE YEAR AGO Sept. 8, 1960—Fred Watson presented a program at the Lions club on the Boy Scout National Jamboree which was held in the summer of 1960 in Colorado. The Rev. R. Russell Heaner was transferred to the Methodist church at McCamey, and Rev. C. M. Nyquist arrived from Donna to serve the local church. Mass meetings were being held on getting a new doctor for Eldorado, and possibly a hospital. Betty Ed Bradshaw and Jimmie Whitten married. A son was born to Mr. and Mrs. Tony Cheatham.

FIVE YEARS AGO Sept. 6, 1956—P. O. Love, father of Gus Love, died at age of 83. Dr. B. J. Martin and Bob Allford were conducting a revival at the First Baptist church. Joe Ed Spencer and Gordon Hamm were in Army training at Fort Bliss. Open house was held in the new parsonage of the Mexican Baptist Mission. Trudy Gaynor became the bride of Noel Ned Nilsson. They were the first couple married in the new St. Mary's Episcopal church. Other weddings reported: Oreltha Powell and Lawrence Dannheim, Katherine Hemphill and Tony Kerr, and Barbara Spencer and Monty Hill.

12 YEARS AGO Sept. 8, 1949—The Lions club were sponsoring a two-day clean-up at the football field. Rev. F. E. King, and Gus Love, president of the local Men's Bible class, were planning to attend the 20th annual barbecue of the San Angelo Men's Bible Class. The local Boy Scout troop postponed their fall meetings for several weeks awaiting the moving in of the new Scout hall east of the Dr. Pennington clinic. Teachers in the elementary grades were Miss Mae Ellington, Miss Joyce Schwartz, Mrs. D. C. Royster, Mrs. Bennie Watson, Miss Woodrow Hays, Mrs. Payne Robinson, Miss Ina Mae Lightsey, Mrs. Vada Burns, and Mrs. Gordon Griggs. Mrs. Gwen Askew of Sonora was lining up her school of dance. Funeral services were held in the Baptist church for Granville H. Davis, 73. Jerry Perry and Harold Rutland each caught a 3 1/2-pound catfish on a Scout trip to McKavett. Miss Lois Patsy Martin and George Leonard Kenner married in the Methodist church.

35 YEARS AGO Sept. 3, 1926—Dean Swift was in from the ranch Wednesday looking after business. Committees for the upcoming county fair include: Agricultural Dept., W. F. Meador, supt. Livestock Dept., Sheep & goat division, George Williams; cattle, Sam E. Jones; horses & mules, O. E. Conner. Poultry Dept, Miss Chris Enochs. Cooking & Canning, Mrs. W. Dean Swift. Ladies & Junior departments, Mrs. W. F. Meador. Rodeo: Bronc riding, Don McCormick. Ropings, A. P. Bailey. Races, J. W. Lawhorn, Jr. Concessions & Entertainment, F. M. Bradley and Sam Roberts. Upcoming movies at the Palace Theatre: Tom Mix in No Man's Gold, and Douglas Fairbanks in The Black Pirate.

Lions club honor faculty. Sept. 19, 21, 26 & 28. Second Civil Defense Course. Sept. 21, Thursday. El Dorado Chapter, Daughters of the American Revolution, meets for first Fall meeting. Sept. 25, Monday. P-TA Social.

ELEVEN good yearling billies for sale, \$50 head. Our goats have been near top in all wool shows entered. Also 16 yearling registered Rambouillet rams, \$40 head. See W. L. (Tom) Davis, Sonora highway, or phone Sonora 28161.

Boosters Meet With Seven New Members Eldorado Booster Club met Monday, Sept. 4, with seven new members. Coach Earl Barnett and Douglas Jung gave high points on the last week's football game with Iraan. Next week a film will be shown of the Eldorado football game. Things being done by the club: cleaning around football field, lining the parking area, obtained post at highway on culverts at entrance to parking areas. Next meeting will be Monday, Sept. 11. Ladies invited.

Insurance Classification Saves Most Drivers Cash Approximately 55% of the private passenger automobiles in Schleicher county can now be covered for basic limits public liability insurance for only \$6.00 more than the same insurance cost in 1938. This is due to the use of insurance classification plans, including the Texas Safe Driving Insurance Plan, according to the State Board of Insurance. To give a specific illustration: basic limits public liability insurance (bodily injury and property damage combined) on a private passenger car, used only for family purposes, and not owned or operated by a male under 25 years of age, and principally garaged in a town or city in such county now costs \$36.00. If the owner and his co-resident operators are accident and conviction free under the Texas Safe Driving Plan (sub-class 0) a 20% differential is allowed that would reduce the rate to \$29.00. In 1938 the same insurance on a private passenger car in Schleicher county would have cost \$23.00. Approximately 55% of the non-farm private passenger cars in such county are entitled to this reduced rate. Farm automobiles carry a lower rate because they are not exposed in hazard in the same degree as non-farm cars. In most counties in Texas farm cars will enjoy about the same ratio of benefit from the Safe Driving Plan in relation to former costs as the non-farm cars will receive.

FAMILY GET-TOGETHER Mr. and Mrs. Jess Blaylock, Sue and Mike, visited Saturday with her parents, Mr. and Mrs. N. J. Bradshaw of Mertzon. Also visiting were Mrs. Blaylock's two brothers and their families. Navy Lieutenant Commander and Mrs. Ray Bradshaw and girls, Laura, Patty and Cathy from Long Beach, Cal. They were being transferred from Long Beach to Newport, Rhode Island, where he has been selected to attend the Navy War School for one year. From Sweetwater came Mr. and Mrs. Rex Bradshaw and children, Rex Jr. (Skip), Jan, and Mark. This was the first time in four years that all the children and grandchildren of Mr. and Mrs. Bradshaw were together.

WHITAKER IS BUYING GEORGE CALES HOUSE Guy Whitaker is in the process of buying the George Cales house, a block north of the school. The house was one of several moved in a few years ago from the Rancho camp south of town. Mr. and Mrs. Cales moved to Odessa a few weeks ago, and since that time their house has been occupied by Dr. Dyer and his family.

Early-Day First Baptist Church Here In Eldorado

From the Files of the Success comes this photo of the First Baptist Church building which was erected in 1905. This building made way for the new building in 1928. The church observed its 60th anniversary last Sunday

Mittel-Roloff Wedding Solemnized At Sonora

First Methodist church of Sonora was the scene Saturday of the ceremony uniting Miss Martha Dean Mittel and Melvin Lynn Roloff.

The Rev. Doyle W. Morton, pastor, performed the rites. John R. Tedford, organist, presented nuptial music and accompanied Eldon U. Black of San Angelo, soloist.

The wedding reception was held in the Fellowship Hall of the church.

Following a wedding trip to Mexico City and Acapulco, Mexico, the couple will be at home in Austin.

The rehearsal dinner was held Friday night on the patio at the home of Mr. and Mrs. Joseph VanderStucken in Sonora.

The bride also was feted with a luncheon Saturday at the ranch home of Mrs. G. H. Davis. Mrs. Joe Berger, aunt of the bride, and Mrs. Davis were hostesses.

BACK FROM CALIFORNIA

Mr. and Mrs. Buster Gunn returned from California over a week ago after spending about seven weeks at Long Beach, California, at the home of Mrs. Gunn's sister, Mrs. Roseman. Their visit there was a combination of business and pleasure—Mr. Gunn plied his trade while there.

Following their return to Eldorado, they went on to San Antonio to visit their children, returning home Sunday.

ENTERTAINMENT SET

Mrs. W. O. Alexander, president of The Eldorado Woman's Club, announces that members of the club and their guests will be entertained by the executive board with a Coffee at the Memorial building on Tuesday morning, September 12 at 9:30 o'clock. Members, please notice the hour.

Guest in the home of Mr. and Mrs. Robert Jay, Labor Day, was his father, Sam Jay of Robert Lee.

Mrs. Elizabeth Powell with her daughter and family, Mr. and Mrs. George Graham and children of Midland and Mrs. Lilly Mae Stovall also of Midland, have returned from a ten-day trip to California. Points of interest were a two night stay in the Disney Land Hotel, two nights in Las Vegas, Nev.; visited the Grand Canyon in Arizona. They also saw the Yankees play the Los Angeles Angels with the Angels winning. This was a very interesting game and was played in Los Angeles.

Mr. and Mrs. Wiley Hight visited last week end in Coleman with her mother, Mrs. J. T. Boatright.

Guests in the home of Mr. and Mrs. Oscar Keeney Sunday were Mr. and Mrs. Sam Keeney and three girls and Mr. and Mrs. Clay Keeney and son, Kenneth, all of San Angelo.

Fern Parrent was in the Sonora hospital Tuesday through Friday of last week for x-rays.

A Bishop Looks At Life

By Everett H. Jones, Bishop of The Episcopal Diocese of West Texas

The Double Search

"Canst thou by searching find out God?" This is a question Job asked many centuries ago (see Job 11:7), but it is a question that continues to be asked by all sorts and conditions of men. It is asked by young men and women in the inquisitive days of college and early adulthood. It is asked by those in adult life as they face their growing responsibilities. It is asked by those who face the sunset of life, and would know where to turn for comfort and assurance.

The Bible answer to the question is a paradoxical one. In a sense, it is "No", for it is made clear that the creature can never fully discover or understand the Creator; the finite cannot fully grasp the infinite; the natural man cannot exhaust the meaning of the supernatural. But in another sense, the answer is "Yes" for the Bible and all subsequent Christian history give the testimony of those who have found God and in finding Him have found the meaning and secret of life.

The truth of the matter is that there is a double search. First and foremost, God is seeking to reveal Himself to His children; He wants them to know Him and to love Him. "We love Him because He

Family Reunion

The family of the late Mr. and Mrs. J. C. Greenwood held their reunion on the Llano river at Camp Allison, over the Labor Day week end.

Those attending were Mr. and Mrs. S. A. Stepp and granddaughter from El Paso, Mr. and Mrs. Frank Orear of West Fork, Ark.;

Mr. and Mrs. Arch Crosby, Eldorado; Mr. and Mrs. R. G. Nance, Mr. and Mrs. Cleveland Nance and family, and Mr. and Mrs. Joe Nance and family, of Sonora;

Mr. and Mrs. Chuck Johnson and daughter of Midland; Mr. and Mrs. Pete Greenwood and family, Mr. and Mrs. Alton Long and family, Mr. and Mrs. Otto Kramm, all of San Antonio; and Mr. and Mrs. Willie Andrews, and Mr. and Mrs. Howard Flippin and family of Junction.

There were 43 who helped to celebrate the occasion.

Mrs. John Murr was hostess to the Tuesday Night Bridge Club when it met this week at the Memorial Building. Mrs. Ethel Etheredge, Mrs. Bob Evans, Jr., Mrs. R. L. Ballew and Mrs. Mert Williams were guests. Winners were: high, Mrs. Lewis Whitten; low, Mrs. Jim Martin; bingo, Mrs. Evans; and travel, Mrs. Larry Rittenhouse. Refreshments of coffee and cake were served to three tables of players.

Friends here have received word from Mr. and Mrs. Gordon Sansom, telling that they are now located in Illinois. Their address is 945 East Pells, Paxton, Illinois. Mr. Sansom was a member of the faculty here and the couple were active in the First Baptist church.

Mr. and Mrs. Leslie Baker and Ruth Baker drove to Fort Stockton Thursday and spent the night with the Seth Ramseys. The following day they went on to El Paso where they visited Buddy Baker and wife.

Mrs. Bertha Shugart is visiting in Fort Stockton this week.

Guests in the home of the Bert Pages this past week end were her son, Mr. and Mrs. Jimmy Templin and family and her sister, Mrs. Theresa Bridges, all of San Antonio.

Mr. and Mrs. J. L. Ratliff had as their guest last week end Rev. J. D. Coleman of Fort Worth. He was here to help celebrate the 60th anniversary of the First Baptist church.

Mr. and Mrs. Charles Kellogg had as their guests last week end Mr. and Mrs. Kirby Kellogg and daughter, Janet Lynn of San Marcos. Kirby is working on his Master's Degree at the college there.

Mr. and Mrs. S. E. Etheredge and family of Midland visited last week end in the home of his mother, Mrs. Ethel Etheredge.

Mrs. M. J. Cunningham and son of Dallas are here visiting her mother, Mrs. Lucille Doyle.

Methodist Notes

The Methodists Congratulate

Last Sunday morning the First Methodist congregation through its Official Board voted unanimously to extend congratulations to the First Baptist church upon their 60th anniversary; may the next 60 years bring as much progress and growth for the Kingdom in this community.

The First Methodist Church plans a homecoming celebration this coming Spring when the educational building and Art Glass windows together with other memorials will be dedicated.

The Eldorado Methodist church was the first religious organization in the county; over two years before Schleicher county was officially organized the Methodists were holding regular meetings in the town of Eldorado. In 1899 and 1900 Rev. J. N. Broyles preached in Eldorado and in July of 1901 the Methodist Church was officially organized and in 1903 the first building was completed; this was the first church building of any kind in Eldorado. We will have a complete story or short history in connection with our homecoming celebration in the Spring of 1962.

New Babies

Mr. and Mrs. Raymond Mittel are parents of a boy born Monday, September 4, in the Hudspeth hospital at Sonora.

The Mittels have two other children, a girl and a boy.

STILL SOME GAME WARDENS

A recent news release was in error when it stated that game wardens are to be called "conservation officers." The name "game warden" will remain, but same may advance to title of "conservation officer." The supervisors are to be called "conservation chiefs."

Mr. and Mrs. W. E. West, who have been visiting here for nearly a month, left Sunday to return to their home at West Palm Beach, Florida. They have been guests of Mrs. Rex McCormick and other relatives.

Jerry Doyle is here for a week's visit with his parents, Mr. and Mrs. Claude Doyle. Jerry has been employed in San Angelo this past summer, and will return to San Angelo College for another year.

Eldorado-Divide Soil Conservation District News

Widespread and heavy rains in Schleicher county during the past week end brought badly needed relief to ranchers and farmers.

Rainfall totals gathered by technicians of the Soil Conservation Service, are as follows: Hensel Matthews, 3.00; Duncan Wilson, 1.87; Jack Wade, 5.25; Archie Mittel, 7.00; Bill Watson, 2.50; Peyton Cain, 8.00; Clemens Sauer, 5.00; Eldorado (court house lawn) 5.00; Sam Oglesby ranch, 2.40; J. Forrest Runge, 3.50.

Some late feed will be benefitted by the good rains. However most of the maize was about ready to harvest before the rain and will not benefit from the rain. Most all the cotton in the district will also be benefitted by the good rain. Rangeland throughout the district will be benefitted twofold, the hazard of grass fires will be decreased and grass will make good growth and seed before frost.

Observations made following the rain indicated that much needed moisture was conserved for production on fields having true contour cultivation and level closed end terraces. In the area south and west of Eldorado where 7 to 8 inches of rain was received, the terraces had more water than they could hold. Lakes that were filled by the June rains are full again. Crops in the lakes will probably be lost this year.

The runoff from cultivated fields was less on fields that had been broken and had good residue left on the fields. On Ross McAngus' place three miles west of Eldorado, terraces broke in a field that is in cotton. Another field that had been broken recently and good crop residue left on the field, held all the water. It appeared that most all the water went into the ground before it reached the terraces. Very little water was standing above the terraces Tuesday morning.

A properly planned and constructed terrace system to hold and store the moisture, along with the other needed soil, water and plant conservation practices, will store the maximum amount of water from any rain. Water stored from such a rain will provide a good deep season for the next crop, and may easily mean the difference between a good crop yield and poor crop yield.

For planning and applying the needed soil, water and plant conservation practices on their places, farmers and ranchers can receive assistance from the Soil Conservation Service technicians assisting the Eldorado-Divide Soil Conservation District.

Personal News Items

Mr. and Mrs. Glenn Mathews had as their guests this last week end his sister, Mrs. Ed George of DeLeon, Texas.

Mrs. A. L. Futrell of Brackettville is visiting with Mrs. T. W. Johnson.

Mr. and Mrs. Otto Kramm of San Antonio are visiting Mr. and Mrs. Arch Crosby this week.

Mr. and Mrs. Claude Doyle were hosts at a 42 party and ice cream supper Saturday night in honor of their children who were visiting here. Present were S. E. Etheredge and children of Midland, Mrs. Ethel Etheredge, Mr. and Mrs. V. G. Sudduth, Mr. and Mrs. Jimmy Doyle and son, and Mr. and Mrs. The Woman's Society of Christian Service met Tuesday at the Methodist Church. Bro. Nyquist gave the lesson on "The Holy Spirit." Mrs. Keno Ogden and Mrs. Frank Meador, Sr., were hostesses and served cake and punch to 16 members and one guest, Mrs. Minnie Broman of Louise.

Mrs. Ernest C. Hill and sister, Mrs. Ernest S. Goens, visited last week end in Calvert, Texas, with another sister, Mrs. Jerry Blasienz.

Mrs. L. V. Newport was brought home Wednesday evening from the Shannon hospital. She planned to return to her teaching position this (Thursday) morning.

Mr. and Mrs. Charles Wimer are visiting relatives this week in Kansas and Oklahoma. They planned to visit Mr. and Mrs. Tom Stewart at Greensburg, Kansas, with Mr. Phil Church at South Haven, Kansas, and with other relatives.

Guests in the home of Mr. and Mrs. Jack Etheredge and Mr. and Mrs. Claude Doyle were their children, Mr. and Mrs. Billy Jack Etheredge and baby of Irving.

Mr. and Mrs. J. L. Ratliff visited in San Angelo Tuesday with Mr. and Mrs. Curtis Smith and family.

James Williams Car Market

Palmer Hutcheson and daughter, Eleanor, of Houston, spent the week end here at their cottage on the Thomson ranch, and hunted dove.

A guest in the home of the Rev. and Mrs. C. M. Nyquist is her mother, Mrs. Minnie Broman of Louise, Texas.

Judy Nyquist, daughter of the C. M. Nyquists, is home for a week's visit before leaving for Southwestern College at Georgetown. Judy has been working at a girls' camp at Kerrville this summer.

Ollie B. Page visited in Eldorado Saturday with Bert Page, his brother.

Mr. and Mrs. W. A. Van Dusen visited over the week end holidays in Dallas with Mr. and Mrs. Jerry Van Dusen, their son, and Mr. and Mrs. Donald Reed and Mr. and Mrs. George Reed. The Reed men are brothers of Mrs. Van Dusen. They were also met in Dallas by A/3c Kenneth Van Dusen, who is stationed at Sheppard AFB.

Billy Jack Etheredge and baby of Irving.

A. B. Thomerson has moved back to Schleicher county from Walden, Colorado. His address is Rudd Route, Christoval.

Edgar Spencer is still in the Clinic-Hospital in San Angelo, where he underwent surgery last week end.

Guests in the home of Mr. and Mrs. W. A. Van Dusen last Wednesday night were her sister, Mrs. H. F. Murry and daughter, Joan. They had been in Idaho for the summer and were returning to their home at Corpus Christi for Joan to start to school.

Miss Heavia Dickson of McCamey is visiting in the home of Mr. and Mrs. Claude Doyle this week end.

Guests in the home of Mrs. Carl McWhorter for the week end were Mr. and Mrs. John Buchanan of Houston, a nephew; also her sister, Mrs. A. F. Buchanan of College Station. Other guests were Mr. and Mrs. Harold Granberry of Midland.

Austin.—Storm clouds of protest boiled up quickly among consumers, clerks and merchants during the first week of application of Texas' almost-general sales tax.

Reaction was not so much against the cost of the new tax, but more to the principle, inconvenience and confusion. Natural resistance to any new levy always is evident. And there's certainly nothing "hidden" about a sales tax. Noticeable were strange new surpluses of pennies in pocket and purse. They were bothersome.

Arguments also ensued over what is subject to tax, and what isn't.

Although State Comptroller Robert S. Calvert issued bulletin after bulletin explaining what is covered by the tax, it was evident that much time will have to pass before everyone concerned clearly understands the new law.

No one would venture a guess as to how many telephone calls were received by the Comptroller's office during the first week. The multitude of businessmen converging on the Capitol to seek information or lodge complaint gave Comptroller Calvert not a moment's peace.

Meanwhile at the other end of the line—the direct contact point for collection of the extra pennies—clerks, especially those in supermarkets, were equally harried. There had been little time for them to bone up on the many exemptions and intricacies of the new way of taxing Texans.

Probably the most universal scheme to beat the tax emerged in coffee shops across the state. If the coffee tab for the group came to 25 cents or more, there was no sense in one person picking it up and having to pay an extra penny.

Chicken Prices Fixed

Texas chicken eaters who have been enjoying their favorite fare at phenomenally low market prices this summer have been given something to think about by Atty. Gen. Will Wilson.

"I want to determine if there is an effort to price the Texas poultry producer out of business," he said as he launched an investigation into the matter. "If our Texas broiler raisers are squeezed out of the market with below-cost prices, the ultimate result will be scarcity and sky-rocketing retail chicken prices."

Wilson said that since August, 1960, there has been a decline of some six cents per pound in the price paid broiler producers in Texas, to a low of 12 cents or less. He pointed out that 14 to 16 cents per pound is the usual cost of raising broilers.

The Attorney General is invoking a court-of-inquiry to investigate the possibility of anti-trust violations.

Drivers Slow Down

State Highway Department survey indicates a continued slowdown in average speed on Texas highways. This year the study indicated an average of 55.3 miles per hour for passenger cars checked by hidden radar at 25 locations over the state.

This compares with 55.9 MPH in 1960, and 56.2 MPH in 1959. Average speed for trucks was 50.1 MPH

compared with 51.2 MPH last year. Buses slowed down slightly from 60.7 MPH last year to 60.5 in the recent survey.

Lieutenant Governor's Race

Many eyes of Texans are beginning to look in the direction of the Lieutenant Governor's office, vacated by Ben Ramsey's appointment as Railroad Commissioner.

One candidate, Republican O. W. Hayes of Temple, has announced he definitely will be in the race. Other definite possibilities include House Speaker James A. Turman of Gober, Sen. Crawford Martin of Hillsboro, Sen. A. M. Aikin Jr. of Paris, Sen. Preston Smith of Lubbock, Sen. Bob Baker of Houston and Don Yarborough of Houston. Yarborough ran against Ramsey last time.

New Idea For Padre Island

Land Commissioner Jerry Sadler tossed a new idea into the breach of controversy over what should be done with the playland potential of beautiful Padre Island.

The beaches, he said, should be turned into a state park—not turned over to the Federal Government for a National park as has been proposed. He said the proposed Federal project would take about 200,000 acres of submerged lands which already have yielded more than \$12,000,000 for the state's permanent school fund, and which have a potential of at least \$1 billion in oil and gas development.

"It is imperative that the School Land Board act immediately and wisely to set aside beaches as state recreational areas and affirm our intention to hold the full billion dollars of potential mineral wealth for our future school generations," Sadler said in a letter to Gov.

Price Daniel

He requested appointment of a statewide committee to study feasibility of his proposal.

Tougher Security For Gatesville

Recent serious trouble at the Gatesville State School for Boys has led to tighter security measures.

Dr. James Turman, executive director of the Texas Youth Council, reports that horses and jeeps will soon be placed in service for patrol purposes, and men will be equipped with walkie-talkies.

"We want to give evidence of authority," he said.

Although guards will not be armed, he pointed out that "every man knows he can use physical force to control his company." He also noted that many problems will be eliminated with completion next year of a maximum security unit to be known as Mountain View School, one and one-half miles from the Gatesville school. A double fence with barbed wire on top will surround this unit.

"We are not dealing with Boy Scouts or Sunday School classes," said council member Robert W. Kneebone.

Automatic Tax Check Due

Internal Revenue Commissioner Mortimer M. Caplin, on a recent visit to Austin, dropped the hint that automation in the processing of income tax returns may ultimately eliminate spot-checks and permit scrutiny of every return in detail.

He said an automatic processing system soon will be put into service that will quickly spot individuals and business firms failing to file returns, check mathematical accuracy and other data.

Center of the tax accounting system will be in Martinsburg, West Virginia, where a master file of business and individual taxpayers will be contained. Returns from district offices will be sent to nine regional centers where data will be magnetic taped to be sent to the computer center for processing.

GETS PRINCIPAL'S JOB

Plans have been disclosed for a \$785,020 fully-accredited high school to be built at Randolph Air Force Base near San Antonio.

The school will have a starting enrollment of 350 students, with capacity for 450. The brick structure will be air-conditioned.

Earl F. Hall Jr., formerly of Port Lavaca, will be principal of a faculty of 20. He is a nephew of Mrs. Joe Edens.

Mr. and Mrs. Owen Fry had as their guests last week end Mrs. Fry's sister, Mr. and Mrs. Jimmy Allan and son, James Ernest of Temple.

Guests in the home of Mr. and Mrs. Henry Moore Sunday were Mr. and Mrs. Le Roy Olsak from Lamesa. Mrs. Moore and Mrs. Olsak are sisters.

Rev. Billy Williams is home on leave from Fort Ord, California. He is the son of Mrs. J. Tom Williams of Reynolds community.

Mr. and Mrs. B. E. Moore visited from Saturday until Monday in San Antonio with his sister, Mrs. Julia Shelton, who is seriously ill. They also visited with their children.

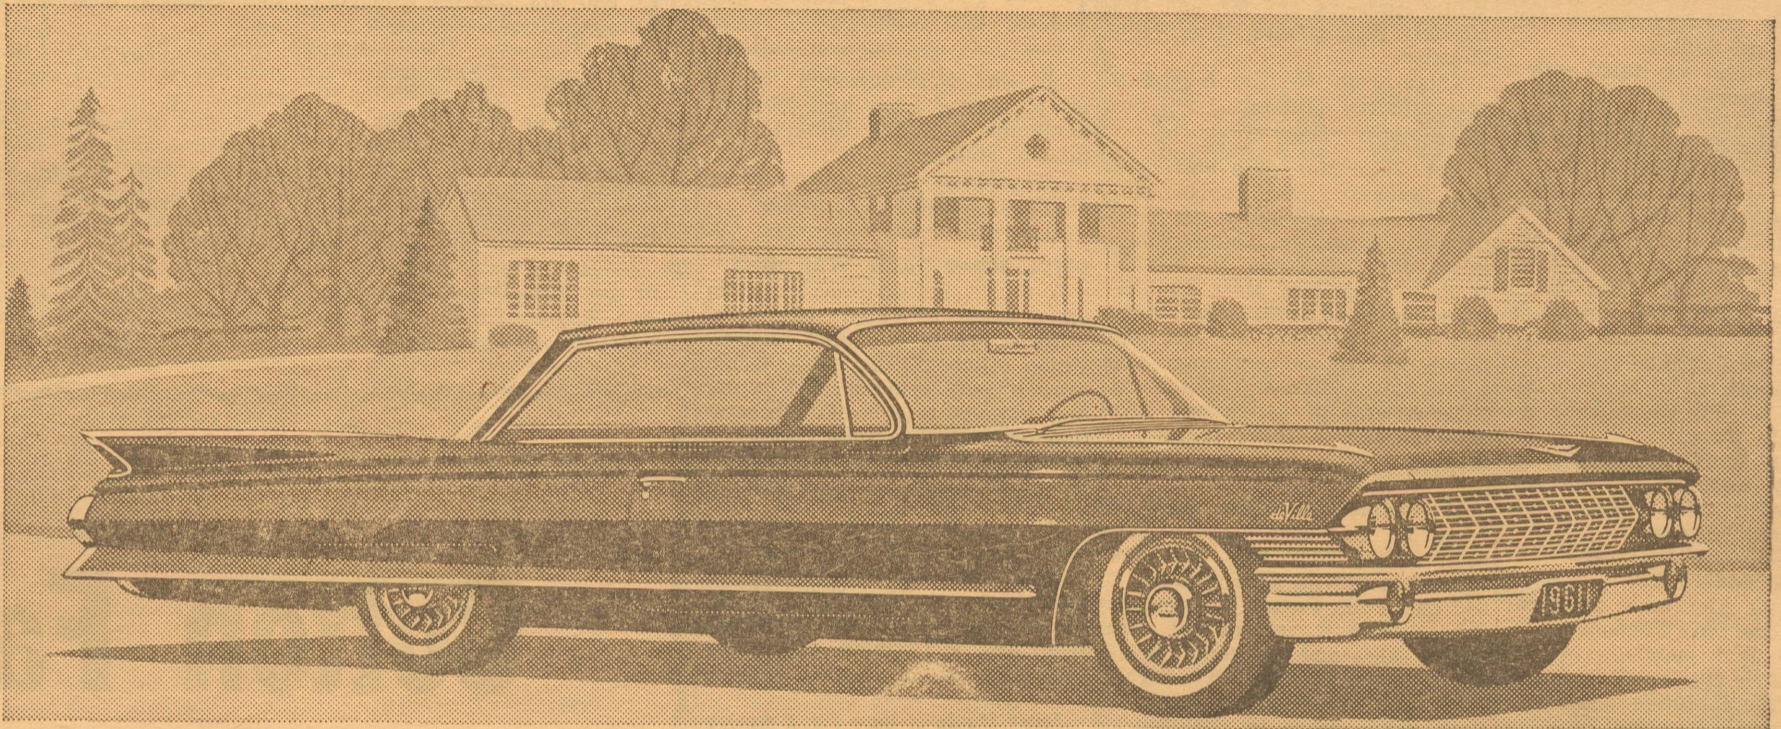

Sandra Alcorn, daughter of Mr. and Mrs. P. H. Alcorn, will leave next Tuesday for San Marcos where she will be a senior student at the college.

Visiting Mrs. J. F. Jeffrey and other relatives over the week end were: Mrs. Audrey Jeffrey, Mr. W. E. Jeffrey, Jr., and Tena and Jimmy Mullins, all of Dallas.

Remarkably practical

Your investment in a Cadillac returns many dividends over and above the finest motoring the world has ever known. Cadillac's favorable first cost, surprisingly close to many models of lesser cars, is very nearly your last . . . for no car is more economical in its maintenance

needs. And its precise craftsmanship and enduring styling have traditionally commanded a premium in resale markets across the land. Visit your authorized dealer and discover the practicality of owning a Cadillac . . . and why this is a practical time to buy.

On The Screen . . .

'Method' Actors Brando and Malden In 'One-Eyed Jacks' Showing Here

"One-Eyed Jacks," the much-heralded western in color which features Marlon Brando and Karl Malden in the lead parts, and which was also directed by Brando, makes its appearance at the Eagle Drive-In Theatre Sunday and Monday nights.

Brando puts aside his snakeskin jacket, motorcycle boots, and torn tee-shirt of previous movies and takes up his greasy serape and sombrero for this latest time up in a Mexican saddle. The result is a tightly-edited western that runs for two hours and 20 minutes, and mirrors the time, care and money coaxed into it by director Brando.

"One-Eyed Jacks" seethes with a tension and a fear of impending violence. Method actor Brando and method actor Karl Malden portray two fleeing bank robbers, surrounded below the border by Mexican police. Malden agrees to ride out the back way with the gold,

get fresh mounts and return for his nefarious friend, Brando.

He doesn't, and for five years Brando scratches away in a Mexican prison, obsessed with desire for revenge.

He escapes, hooks up with cowboy Ben Johnson, a highly capable drawler, and begins stalking his man.

When Brando tracks down Malden (now happily married to Katy Jurado and employed as the straight-shooting sheriff of Monterey, Cal.) the screen has a powerful moment when the two men finally meet, each putting on a smile and resolving to kill at the first chance.

Only Brando and Malden together, in what basically is a two-star-only picture, could communicate the brutal hatred of two men that comes full cycle when Malden flays the skin from Brando's back

after lashing him to a hitching post.

Brando spits in Malden's face. "You'd better kill me," he says simply.

Malden crushes Brando's gun hand to splinters with a shotgun butt.

"You're like a one-eyed jack," Brando says later. "I've seen the other side of your face." And at this point there is still more than a half hour to go. The inevitable showdown hasn't yet arrived. It's about here that you realize "One-Eyed Jacks" is the best western since "Shane."

Mr. Malden's performance is so lucid and vivid that he clearly is the actor to remember. Miss Jurado is asked chiefly to be silent and suffering but could rise to a tornadic sequence when once required.

Brando leaves the impression of a renegade more sinned-against than sinning.

Maybe only Brando could take a feature player named Slim Pickens and urge him to give an unforgettable performance as a buck-toothed, sadistic, cowardly deputy.

Only Brando could set his western in a locale where the Pacific Ocean rolls breakers up to the prairie, the smell is dead fish instead of sagebrush, and seagulls, not vultures, circle overhead.

The Method in acting emphasizes feeling and living the part, and it comes to full flowering in "One-Eyed Jacks."

The high priest of the Method movement in the United States is Lee Strasberg, with his temple, the Actors' Studio, appropriately located in a former church in midtown Manhattan. There, about 100 carefully-screened professional actors are enrolled free of charge in a workshop that gives them the opportunity to experiment before their fellow actors.

In addition to Brando, the Actors Studio has launched such other notables as Montgomery Clift, Julie Harris, and the late James Dean.

The Cast

Rio.....	Marlon Brando
Dad Longworth.....	Karl Malden

Mrs. Joe Garvin is leaving Thursday to join her daughter and son-in-law, Mr. and Mrs. Robert Schaefer of San Angelo, to go to Rapid City, South Dakota, for a visit with the Schaefer's daughter, Mr. and Mrs. Harry Lawson and two children, Bobby and Julian. They will be gone about two weeks.

Mr. and Mrs. Wiley Hight attended the funeral of Mrs. Shirley Martin and baby in San Angelo last Tuesday. Mrs. Martin was the wife of Wiley's nephew.

Mr. and Mrs. Howard Derrick met Mr. and Mrs. Don Libbey of Hot Springs, Ark., in San Angelo for a short visit Sunday. Mrs. Libbey is a sister of Mrs. Derrick, and time did not permit them to visit in Eldorado.

Mr. and Mrs. Gus Love and family spent the week end fishing at Granite Shoals.

Mike Moore, son of Mr. and Mrs. Henry Moore, visited last week with his uncle and family, Mr. and Mrs. Jack Moore at Columbus.

Guests in the home of Mr. and Mrs. F. E. Chapple last week end were their children, Mr. and Mrs. Pete McBurnett and Susan of Odessa, and Mr. and Mrs. J. W. Wingfield and son, Robert, of Houston.

Ollie Neille Sudduth, son of Mr. and Mrs. W. W. Sudduth, is spending a few days visiting his parents and other relatives. He has been a camera man for a San Antonio TV station, but is moving to Amarillo to work.

Mr. and Mrs. Harvey Dannheim and daughter, Marilyn, of San Angelo, visited in Eldorado with relatives last week end.

Local Reservists Have 'Cyclic Training Course'

The night of Tuesday, September 5, saw the Ozona-Junction-Sonora-Eldorado United States Army Reserve Unit go into its first "Cyclic Training Period" with three senior non-commissioned officers from Sonora as instructors.

Sergeant Bobby J. Granger instructed the Scout Section on Radio Operations and Maintenance. He was assisted by Sp-4 Daniel Rios of Ozona.

Sergeant Charles L. Haines instructed the Support Section on Turret Familiarization of the T-46 Tank with which the 4th Reconnaissance Squadron is equipped.

Sergeant Harold A. Schweining also of Sonora was Sergeant Haines's assistant.

Sergeant James H. Skinner instructed members of the Tank Section on Operation of the Caliber 50 Machine Gun including Head Spacing Techniques. He was assisted by Corporal Howard Huerca of Ozona.

It was the first drill in the month of September for the Army Reservists, last drill occurring August 22, at which period Sp-4 Jackie Heffernan of Eldorado instructed on Chemical, Biological, and Radiological Warfare.

Mrs. Nadine Hodges of San Angelo is making her home with Mr. and Mrs. Bert Page here.

REMEMBER HOW GREAT CIGARETTES USED TO TASTE? LUCKIES STILL DO

LUCKIES DON'T SKIMP

They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer.

THAT'S WHY THEY TASTE SO GREAT.
