## Eagles Making No Predictions On Rocksprings Opening Game

It will be Eagle Line Coach Douglas Jung's first trip with a football team back to Rocksprings since 1961 when he was the Billies' head coach; and his lads fought the highly favored Eldorado Eagles to a faltering stand-still only losing in the fading minutes of the bitterly contested game by a close 6-0 margin.

Coach Earl Barnett, with Coach Jung to assist him, will again make the long trip to Rocksprings but there will be a different attitude riding along with the Eagles. It is true that the Eagles gave the Rocksprings boys a terrific pasting last fall at Eagle stadium; but the Eagles remember the old Army adage that it is no disgrace to get stung by a bee once. They know also that Rocksprings lost only four lettermen last spring while the Eagles lost eight starters. Coach Barnett said that this season should see Rocksprings stronger and the Eagles possibly weaker than last season.

Coach Barnett continued this

week that he has 39 lads out for football: 11 freshmen, 11 sophomores, 9 juniors and 8 seniors. He stated that the boys were coming along slowly and that although exhibiting considerable determination, the Eagles, particularly the underclassmen, have lots to learn.

When queried concerning starters for tomorrow night's game, Coach Barnett listed the following lads.

No.	Name	Position
83	Larry Blair	Left End
66	Dennis Jurecek	Left Tackle
65	Bill Lester	Left Guard
50	Bobby Halbert	Center
64	George Draper	Right Guard
75	Clyde Thackerson	R. Tackle
55	Ray Ballew	Right End
15	Lynn Meador	Left Halfback
22	Gary Whitten	Right Halfback
37	Mack McAngus	Fullback
13	John McGregor	Quarterback

Coach Barnett continued that if conditions in the game permitted, good boys like Corky Hodges, an end; Ronnie Williams, a back; Tip Finley, reserve quarterback; Rex McCormick and Ellis Loden, both tackles, as well as a number of others, could expect to see some action.

When asked about succeeding games on the Eagle schedule, Coach Barnett smiled and remarked that there was only one game on the Eagle schedule each week and that was the big one as far as the coaches and boys were concerned.

Game time is 8:00 o'clock in Rocksprings.

## Cub Scouts Organizing At Meeting Tonight

The organizational meeting for the new year in Cub Scouting will be held tonight, Thursday, September 6, at 7:30 on the Court-house side of the Memorial Building. At this meeting, the names of all boys who plan to be Cub Scouts will be taken. The boys are to be present with their parents or guardian. Should there be any boys who cannot attend this meeting, it will be necessary to call the Cubmaster, Dan Sebesta, before the end of this week.

Dens will be formed on the basis of those attending the meeting tonight. Any names called in later will be taken on a first come, first served basis until the dens are all filled. In the light of this, the importance of attending the organizational meeting is obvious.

Cub Scouting is a program for boys eight, nine, and ten years of age, and their families. The whole family participates in Cub Scouting. The activities are slanted toward the home and neighborhood and are built around the needs and interests of the boy. As parents have been interested in the ideal that their boy live by the Cub Scout Promise, "...to do my best to do my duty to God and my country..." they have responded to the call of the Scouting program.

## Long Bicycle Trip Stops at Eldorado

And then there is the story of the two young Airmen from San Angelo's Goodfellow Field who got week-end passes and decided to go to Del Rio and Viacuna. They decided that since each had a fine new bicycle, they would just make the 300-mile trip into a fine Labor Day week end excursion. But there were some unforeseen obstacles. These were the wind, the sun, and the heat along with the long long miles themselves.

They left San Angelo Friday afternoon, expecting to arrive in Eldorado for supper. They arrived in Eldorado, all right, but past midnight. Bermuda shorts, sport shirts, and bare heads resulted in

sunburn, swollen faces, and a terrific lack of enthusiasm for the remaining 110 miles.

Saturday morning saw the young men cut short their excursion and head back to San Angelo for a Sunday and Labor Day period of recuperation.

Conclusions perhaps are as follows: Touring Texas by bicycle is not quite like touring Europe or even like back East. The sun is closer to the earth out here and there are so many West Texas miles and they are so much longer than ordinary miles—at 10 miles per hour. You know a trip to San Angelo used to take from two to three days one way—and this is within the memory of living men.

## Post Script

This week we present to our readers the opening of the Eagles football season, together with pictures of all the boys on the Eagle squad. This is an accomplishment that is not as simple as it would appear. First we have to have the co-operation of the coaches, in order to set a time and place for taking pictures. They have always been most agreeable and helpful in arranging this.

Once the pictures of the boys have been snapped, we have to send the film off to be developed and prints made. Then if the prints are satisfactory, they are sent off to have engravings made from which the printing in our newspaper is done.

We have to plan a week or ten days ahead of time to get all of this done, so that our paper will have pictures of all the squad in this issue before the opening game.

Films, developing, prints and engraving—it is no small expense for the newspaper, but we have been assured that the boys and their coaches appreciate the efforts we are making in their behalf.

Advertising and publicizing is "our stock in trade." By that we mean that as newspaper folks we have got to make it pay its way. So we come down to the heart of the matter. If it weren't for all the loyal business people who put their names down as sponsors of this project—and pay for it—we wouldn't be able to carry this publicity for the Eagles throughout their season.

And so as we enter upon another football season, we wish to express our own appreciation as well as in behalf of the boys themselves and their coaches for the co-operation of these sponsors who have made this series possible.

We hope the Eagles have a successful season. But all the neighboring towns are wishing the same for THEIR teams.

But win, lose or draw, the Eagles are OUR team.

Quite a bit of interest has developed over Texas in recent months in appropriately marking historical buildings and sites. Historical markers have been placed by the Texas State Historical Survey Committee.

Latest of such markers being placed have included those put on the Old Rock Store at Junction and the court house at Van Horn.

We wonder if Schleicher has any buildings which might be considered for historical markers. Our county was not established as early as others farther east in the state, so any such sites we have will not be as old in years as elsewhere.

It seems that the state committee investigates proposed buildings for the historical markers, and if such buildings are deemed as sufficient historical interest for preservation, the markers are then approved.

We no longer have the old Robinson store building which was an early-day landmark of Eldorado. It is doubtful if our courthouse is quite old enough to receive a marker as Van Horn's did.

The local members of the Mias Amigas club constitute the nearest thing to a historical society our county has, so maybe they would have some ideas.

The Success will be glad to print suggestions from readers in regard to this matter.

## Small Twister Demolishes Implement Shed at P. K. McIntosh's

THE 36- by 90-foot implement shed on the P. K. McIntosh place looked like this after it was demolished late Thursday afternoon by a high wind, which may have been a small twister. The wind was accompanied by a hard shower which dumped 1.25 inches of moisture. The implements in the building were unharmed and by this week Mr. McIntosh had several men at work cleaning up and rebuilding.

## First Home Game To Be With Sonora

In past years the Sonora-Eldorado game was the highlight of district competition and usually came off late in the season.

Now with Sonora in a double A district, the Broncos are scheduled in a non-conference contest with our Eagles on Friday, Sept. 14th.

Again this year their "Speedy Gonzales" is their triple threat and it is a question whether the Eagles have anyone capable of handling him, but you can be sure that Coach Barnett's boys have been working hard with that end in view. The game will be held in Eldorado—our first home game—and will probably draw the biggest crowd of the season.

For Eldorado fans who wish to keep up with it, we here give the Sonora schedule for this year:

## DIRECTOR OF ENGINEERING

Col. Robert F. Frost (Ret.) of 303 Princeton Blvd., Alexandria, Virginia, son-in-law of Mrs. F. M. Bradley and former resident of Eldorado, has been appointed director of engineering for Welox Electronics Corporation, Washington subsidiary of the Halliburton Company. He formerly was Chief of the communications system division, Joint Staff, and Deputy for Communications and Electronics, Tactical Air Command.

His wife is the former Margaret Bradley.

## School Opened Tuesday Morning

The Eldorado schools opened Tuesday morning with a general assembly at 8:45. A capacity crowd filled the auditorium for the opening exercises as is the custom in Eldorado. The Parent-Teacher Association representatives were registering the members for the local chapter and accepting dues.

Supt. Whitis gave a brief outline of the program that had been carried out during the last five years and outlined plans for the next five. Principal Frank Kemble stated that 10 minutes had been added to this year's schedule and announced the first bell would ring at 8:20 each morning, with a slight change in the lunch hour schedule. School will dismiss at 3:55 p.m. as usual.

Mrs. Wilson Page, vice-president of the P-TA, announced the meeting time had been changed to the 3rd Tuesday night of each month. Only one new teacher was introduced for this year: Guy Golden, who replaced Carroll Scott as high school math teacher.

First day figures were about the same as last year. There were a total of 604 students in the county enrolled: 334 in elementary school; 250 in Jr. & Sr. high combined, and 24 in the Miles school.

Four hundred ate lunch in the school cafeteria.

The W. B. Banta family moved to Levelland this week. Mr. Banta is being transferred there by the Service Pipe Line Co. His duties will be at the Slaughter station near Sundown. They have lived in Eldorado since 1953 when they were transferred here from Big Lake. Previously they lived at Quitman in East Texas.

## News of the Sick

We have heard no further reports on the condition of Henry Speck who is in the Methodist hospital in Houston. Apparently there is no change.

Frank Van Horn is still under a doctor's care at his home here.

Buster Hale is still undergoing treatment at St. John's hospital in San Angelo.

Buster Gunn is still in Shannon hospital where he is doing well after undergoing surgery several weeks ago. He is in Room 317.

Mrs. A. E. Kent will undergo eye surgery in San Antonio next Wednesday.

Mrs. Joab Campbell has been transferred from the Sonora hospital to the Shannon hospital in San Angelo. Mrs. L. M. Hoover has been at her bedside for several days.

Mrs. W. H. Joiner is ill at home.

Highlights and Sidelights FROM Your State CAPITOL

Austin.—What's an industry? School Land Board is going to have to decide before long what the Legislature meant when it said state-owned islands and submerged lands along the inland waters of Texas could be leased by the Land Board for "industrial purposes" only.

For example Port Aransas wants to lease some state land for a city airport. Is that an "industrial" use? Land Commissioner Jerry Sadler, chairman of the board, thinks it is. He wants to give a liberal interpretation to the term. A study of the law by the Attorney General's department has provided no judicial interpretations by Texas courts of the term "industrial." But they can take their choice from courts of other states. There the interpretations range from "manufacturing only" to one case where the courts held that rice farming was an industrial activity.

Convention Time Democratic and Republican leaders are busy planning their state party conventions to be held on September 18. Republicans meet in Fort Worth; Democrats meet in El Paso.

For the first time in many years careful attention is being paid to the party platforms.

Two big endorsements given to John Connally, the Democratic no-

minee for governor, hinge on what the platform says. The State AFL-CIO and Political Association of Spanish-Speaking Organizations are wanting to make sure the platform is not in opposition to some of their hoped-for legislation before their endorsements take effect.

Because many Texans remain undecided, both parties hope to gain votes by what they say in their platforms. But the problem is the same as usual. They have to keep the friends they now have, while trying to attract new ones. So, the careful, slow and demanding process of democracy goes on and on.

Teachers' Nest Egg

If teacher comes back to school smiling, it might be because she and the other 180,000 school and college faculties and employees have more than half a billion dollars in the bank.

The state's teacher retirement fund ended its 25th year with \$552,000,000 invested in stocks and bonds.

Investments are now advised by a group of leading bankers and investment experts. The Chase Manhattan Bank of New York is hired to advise on investments. Income from investments was almost \$17,000,000 this year—enough to pay the retirement benefits to the 13,000 teachers or their survivors who are collecting from the fund. This year, 1,229 more retired.

"Just Supposin' "

Most popular game today, among employees under the Capitol dome, is "just supposin' " what would happen if Texans elect a Republican governor.

Would it mean filling appointive state offices and boards with Republicans and giving the GOP preponderance in state government?

Most "political experts" warn that the Cox bid in November must be taken seriously. Decision to "ride the fence" until after the November election is being heard more frequently. This, from long-

time employees as well as some members of the Senate and House who are popular back home but who also are being realistic about the strength of the Cox following in their home-districts.

Another Park

The poverty-stricken State Parks system, which doesn't have enough money to hire someone to pick up paper in some of its parks, is getting two more huge park areas. It will not be able to develop them unless the Legislature loosens the purse-strings.

International Boundary and Water Commission, which is building a huge new reservoir on the Rio Grande near Del Rio, notified the Parks Board that it will give a 550-acre tract for a state park.

Parks Board has hopes of getting 2,700 acres on Dam "B" in the Piney Woods country from the U. S. Army Corps of Engineers. It wants to develop seven camping and boating areas around Dam "B" to be called Town Bluff State Park. Name comes from a town that was once the port through which supplies came to Tyler county before the railroads arrived.

Commission Criticized

Rep. James Cotten of Weatherford, who is likely to head the House Appropriations Committee for a second term starting next year, is gunning for the Commission on Higher Education.

He thinks it is playing politics by recommending the creation of so many new state colleges.

**New Auto Inspection Stickers Now Available**

Austin.—Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today a new-type motor vehicle inspection sticker is now available for the new inspection year beginning September 1.

"The only thing new about the inspection this year is the sticker itself," he said. "This new sticker is a dry mount decal which we believe will adhere regardless of weather conditions and one which has been used very successfully in other states."

More than five million vehicles registered in the state are required by law to be inspected at one of the 5,000 official inspection stations between this date and April 16, 1963. Owners of vehicles not displaying the current inspection sticker after that date will be in violation of the law.

Garrison urged motorists to get their vehicles inspected as early as possible, and pointed out:

"With hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked in preparation for the winter.

In announcing the new inspection period, the public safety director said the Vehicle Inspection Program in Texas has proved itself to be a valuable tool in reducing accidents on Texas streets and highways.

**Baptist Men Attend Brotherhood Jubilee**

District 16 Baptist Encampment Grounds at Lake Brownwood was the meeting place for the annual Brotherhood Jubilee, August 27-28. Ben Biggs, W. M. Rountree, Rev. D. C. DuBose, Frank O'Banion, Doug Yates, Raymond Hall, Jerome Mitchell, Jerroll Sanders, Alvin Farris, Roy Phelps, Fred Watson, Granville Hext, and Weldon Davis represented the Brotherhood from the First Baptist church of Eldorado.

Dr. C. Wade Freeman, director of evangelism for Texas Baptists, was the principal speaker and Rev. Lamoin Champ, pastor of Southside Baptist church in Palestine, Texas, was the music director. Two laymen, Lem Ray of Abilene and H. H. Fike of Fort Worth, gave their testimony to the men.

Dr. A. Ben Oliver, missionary from Rio de Janeiro, spoke at several services and told about his work in Brazil. Water sports such as fishing, swimming, boating, and skiing, were enjoyed by all.

**Turkey Hits Car**

Three people from Odessa were traveling along the Menard-Eldorado highway Sunday afternoon. A couple, Mr. and Mrs. Melvin McDonald, were in the front seat and an unidentified man was asleep in the back seat, when a huge turkey hit their windshield about 37 miles out of Eldorado. Glass was shattered all over the couple and the man in the back seat awoke with a start because it sounded to him like the car exploded.

Jerroll Sanders was driving along about the same time and stopped and administered first aid to the woman who had suffered cuts on her face from the glass. He stated that he estimated the turkey, a huge tom, to weigh about 35 pounds. Mrs. McDonald was later treated here.

**New Babies**

A daughter was born August 30 at 2:27 p.m. in Shannon hospital to Mr. and Mrs. John McGee. The baby weighed 5 lbs. 9 1/2 oz. and has been named Heather. She is the McGees' first child.

Mrs. McGee is the former Suzanne Evans. Grandparents include Mr. and Mrs. R. A. Evans Jr. of Eldorado and Mrs. R. A. Evans Sr. also of Eldorado is a great grandmother.

Friends here learned that a son was born in August to Mr. and Mrs. Paul Goodwin of Ballinger.

The Goodwins and their young daughter lived here a few years ago while he served as music director and associate pastor of the First Baptist church.

**Dist. Governor Ellis To Address Lions Club Here**

DAVID "DOC" ELLIS

The Eldorado Lions club will welcome David M. Ellis, district governor, District 2-A1, Lions International, which includes 59 clubs in this section of the state. Lion Ellis is Justice of Peace, Precinct 1, Place 2, Midland county. He is a charter member and past president of the Midland Downtown Lions club. He holds all the Key Awards offered by the Association including the International Key for sponsoring 200 new members. Ellis has been very active in Lionism having helped organize over 30 new Lions clubs. He has served his community in civic affairs for many years.

District Governor Ellis will visit the Lions club of Eldorado at 12:15 p.m. on Wednesday, September 12, at the Memorial Bldg. The purpose of his visit will be to advise and assist President W. R. Bearce, Secretary W. M. Rountree, and the officers, directors, and members of the club on matters pertaining to Lions administration and the Lions' great program of humanitarian service.

Lion Ellis is one of the 391 District Governors who supervise the activities of more than 16,500 Lions Clubs. Lions International was formally founded in 1917 in Dallas, Texas, and during the past 45 years has become the largest, most active and fastest growing service club organization in the world. There were on June 30, 1962, Lions clubs in 118 countries or geographic locations of the world with a membership of over 655,000. During the fiscal year of 1961-62, 914 new Lions clubs were organized.

The Lions Clubs' special mission is the promotion of good government and good citizenship, the development of civic, educational, social and moral welfare of the community and nation, and to help create and foster "a spirit of generous consideration among the peoples of the world." The slogan of the International Association of Lions Clubs is "Liberty, Intelligence, Our Nation's Safety." Its motto is "We Serve."

The Eldorado Lions Club is an active unit of the International Association of Lions Clubs, which is dedicated to community betterment in all its aspects: to national and economic, social and cultural progress; and to the promotion of international understanding and amity. In all these fields, Lions International has won strong influence and prestige, because of its countless constructive services.

**ELDORADO BOY IS WORLD'S CHAMPION BULL RIDER**

Tony Clark, son of Mr. and Mrs. Tucker Clark, was presented a saddle by the American Junior Rodeo Association at the Sweetwater Rodeo last Saturday night for being the world's champion bull rider in the 13 to 15 age group.

Group. Tony competed with 21 other participants during the four-day rodeo to win. His mother and brother, Mickey, were there with him all four days and nights.

He has ridden 13 bulls and steers during the year and won on 11 of them. He was awarded a saddle at the Crane rodeo two weeks ago when he won all-around cowboy and was runner-up for a saddle at the Ft. Stockton rodeo besides winning 5 or 6 belt buckles during the year.

His father, Tucker Clark, was there from Friday night on and saw his son win. Mr. and Mrs. D. Williams attended Friday night also. Mr. and Mrs. Kenneth Love of Davis, Oklahoma, formerly of Eldorado, were there for the finals. Tony was proudly showing his saddle to friends in Eldorado Sunday afternoon.

Mr. and Mrs. Claude Doyle had the following visitors in their home over the Labor Day week end. Mr. and Mrs. Jerry Doyle of Lubbock who were accompanied by two friends Alvin Atkins and Ed Strother; also Mr. and Mrs. Billy Jack Etheredge and baby of Irving and Mr. and Mrs. Jimmie Doyle and boys of Ozona.

**Rev. Heaner Is Winner Of Large \$500 Bible**

Rev. Russell Heaner of McCamey recently received one of the folio Bibles printed by the World Publishing Co., as a prize in a contest sponsored by Southwestern Drug Corporation.

A Bible was awarded in each of the firm's 11 divisions and Mr. Heaner won in the Midland Division for a 25-word statement he wrote about the Bible.

When open the Bible measures 32 inches in width. It is the only folio Bible printed in the U. S. and the retail price for each copy is about \$500.

Rev. Heaner was pastor of the First Methodist church in Eldorado for four years before moving to McCamey.

**Community-Wide Service Set Sunday Night**

The business men's Bible class of San Angelo will send their evangelistic team to Eldorado next Sunday night, September 9th. The meeting will be at the Methodist church at 8:00 o'clock, and folk from all churches are invited; the sponsoring churches are: the Assembly, First Baptist, Methodist and Presbyterian.

The speaker will be Mr. J. G. Bunyard; the song leader, Ralph Masterson or Charlie Poulter and pianist, Millard Allen. This is strictly an evangelistic service with no other motive than to bring the message of salvation from a laymen point of view. You are urged to join in this community effort.

**CIRCLE MEETS WEDNESDAY**

The Van Dusen circle met Wednesday morning at the home of Mrs. Truett Stanford. Mrs. Charley Morris presided over the business meeting.

Mrs. C. N. Clark announced that the Prayer Retreat and State Mission Week of Prayer Program will be held at the First Baptist church Sept. 12.

Mrs. Bascom Hartgraves taught the last two chapters of the book, "Enlistment for Missions."

Refreshments of coffee, tea and cinnamon rolls were served by the hostess to the eight members and one guest, Mrs. Morris.

**Former Eldoradoan At National S.C.S. Meet**

Washington, D.C.—A challenge to share American conservation farming skills with less-developed nations of the world highlighted the final session of the 17th annual meeting of the Soil Conservation Society of America at the Sheraton Park Hotel here.

The challenge was extended by Senator Hubert H. Humphrey, speaking at the convention banquet. Among the more than 1,300 registered for the 3-day convention were approximately 14 attending from Texas, including Mr. and Mrs. Liburn Hazelwood, formerly from Eldorado and Temple, Texas.

Humphrey's address was the climax of a program on the theme—"Conservation—A Key to World Progress." Earlier in the day, the convention board heard reports on conservation organizations around the world.

Mrs. Leon Younger from Odessa spent a few days this week with her mother, Mrs. W. H. McClatchy.

Mr. and Mrs. W. J. Humphrey have returned to Eldorado to make their home. They left here over eight years ago and lived at Robert Lee and Seminole. They have rented the Dora Oliver house.

Mr. and Mrs. Walter Van Dusen and baby left Wednesday for Great Falls, Montana, where he is stationed with the Air Force. They plan to visit relatives in Amarillo and Casper, Wyoming, en route, and spend two days camping and touring the Yellowstone National Park before he reports for duty on September 12.

Pfc. Morris (Butch) Hext is visiting his parents, Mr. and Mrs. Granville Hext and his sister, Deanne, this week. He is stationed at Fort Carson, Colorado, and is a clerk in Headquarters, First Brigade of the 5th Infantry Division.

Charles Haynes and family moved into an Alexander house on Field street from Sonora this week. He is now employed by the Eagle Chevrolet Co. Mrs. Haynes is the daughter of Mr. and Mrs. C. N. Clark and is a nurse in the Sonora hospital.

George West and family moved Alexander house. The W. B. Banta family moved from the other Alexander house.

Mr. and Mrs. E. T. Davis had as visitors recently Mr. and Mrs. E. W. Craig of Plains and Mary Lee Davis of Dallas.

Mr. and Mrs. Thomas Richard Jones and family returned recently from a trip to Mexico City.

Jerry Blaylock has been attending a nursing workshop in Austin. She is associate professor of nursing at John Sealy hospital in Austin.

**Methodist Men To Hold Laymen's Retreat**

The Laymen's Retreat of the Southwest Texas Conference will be held September 7-9, 1962, at Mt. Wesley Assembly, Kerrville, Texas. Speakers for the Retreat include Dr. Charles L. Allen, pastor of the First Methodist church, Houston; Mr. J. Clinton Hawkins, prominent layman of St. Louis, Mo.; and the Rev. Robert S. Tate, pastor of Alamo Heights Methodist church, San Antonio. Presiding at the opening session and serving as registrar will be Mr. James M. Walker, Conference Lay Leader, of Seguin, Texas.

The Rev. C. M. Nyquist and Charlie Trigg hope to have a carload of men attend the Retreat from the local Methodist church.

**Woman's Club To Meet Tuesday**

The first meeting for this Fall of the Woman's club will be held next Tuesday at 9:30 a.m., with a coffee at the home of M. S. Edwin Jackson.

The coming year's work will be reviewed with Mrs. Bascom Hartgraves as leader.

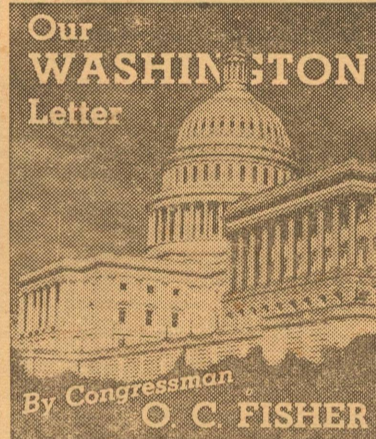

Mr. and Mrs. Ray West and family moved to San Antonio last week end where Ray is employed by a wrecking company.

Mrs. Mary Harvey, sister of Mrs. Alfred Stevens, was accompanied by her son-in-law and daughter, Mr. and Mrs. Terry Way of Houston, on a visit to Eldorado this week. Mrs. Harvey will spend a few weeks here.

Mr. and Mrs. H. L. Hazelwood and Mr. and Mrs. L. V. Hazelwood spent Labor Day at Buchanan Dam fishing.

Mrs. Ruth Williams returned home recently after spending eight months in California.

Mr. and Mrs. L. C. Higgins were called to Florida this week on account of a grandson's illness.

In order to create temporary jobs for an estimated 125,000 people in 1100 counties the House last week passed a bill to give the President stand-by authority to spend \$900 million during the next year on a wide variety of public works projects, the lucky ones to be chosen by the President. Uncle Sam would put up 75% of the cost and local interests would pay 25%.

This is supposed to stimulate the economy and help solve the unemployment problem, which now totals about 4 1/2% of the nation's labor force. There are now better than 65 million gainfully employed and about 3.7 million not working.

It goes without saying that this outlay will do practically nothing toward solving the cause of unemployment. It barely scratches the surface. Thus, it is essentially a WPA type of remedy such as might be applied during a depression time. It has been described as the granddaddy of all boondoggles, since it is a blank-check method of dishing out federal funds to only a limited number of counties with the others, ineligible for any of it, helping pay the bill. Only 47 counties in Texas would be permitted to board the gravy train.

But even if every Texas county could qualify, it would still be a bad bill. It is an exercise in fiscal irresponsibility. The plan throws the gates wide open for favoritism. Ah, what sins are committed in the name of unemployment.

And the sin in this instance is in spending our grandchildren's money (because all the money to pay for this one will have to be borrowed and added to the public debt which already approximates \$300 billion) without solving anything.

The Congress has already approved the annual public works bill, giving the go-ahead to the construction of sound flood control and reclamation projects, cleared by the engineers and free of pork-barrel taint. The \$900 million deal is an afterthought, not connected with the regular public works programs.

Texas Congressmen split, 11 for and 11 against. I was one of the 11 who voted against this outlay which will add that much to the deficit which is due to be \$6 billion or more during the current fiscal year.

'Exodus' Is Epic Film On The Founding Of Modern Israel

Leon Uris' famous novel, "Exodus" springs to life on the Eagle Drive-In Theatre screen this coming Sunday and Monday nights. Because it has three hours and 28 minutes of Technicolor footage, it will be shown just once each night. It is not a Biblical epic, as its title might indicate, but has a setting in the year 1947 when the new nation of Israel was being founded.

Fifteen years ago the United Nations, after much deliberation and by a narrow margin, voted to partition the ancient land once called Palestine between the Arabs and the Jews.

The period between the end of World War II and the creation of a Jewish homeland was marked by bitter controversy throughout the world and a fierce struggle by the Jews to regain their national identity.

A part of that struggle is now brought to the screen. "Exodus" does indeed move when Paul Newman and Sal Mineo are fusing dynamite for the underground and the rest of the time Producer-Director Otto Preminger has painted a sometimes-breathtaking camera picture of a love affair and violence in a nation about to be born.

This is the modern-day exodus of the Jews trying to claim Palestine against the harassment of both the British and the Arabs. The boxoffice-heavy cast includes Newman, Mineo, Eva Marie Saint, Peter Lawford, Ralph Richardson, Lee J. Cobb, John Derek, Hugh Griffith, the late Gregory Ratoff and a new find, England's Jill Haworth, who was 14 at the time of the filming.

This is also the film where young Mineo occasionally steals the picture from his veteran co-stars. He

got an Oscar nomination for his trouble.

As the young Jewish terrorist, bent only on dynamiting those standing in the way of his people's progress, Mineo comes of age in the scene where he confesses he once dynamited graves for the Germans to bury decimated Jews, in order to spare his own life.

Lawford and Richardson are the stuffy British Army officers who are duped by underground leader Newman into losing a load of Jewish prisoners via a sea-going freedom riders freighter called the Exodus.

Miss Saint is the American nurse who aids the cause when she is drawn into the movement to escape her personal problems, first through her concern for a blonde teen-age waif named Karen and then by her attraction to duty-bound Ari (Newman). She conveniently loses her uneasiness among Jews as she goes along, finally donning fatigues and grabbing a gun with the best of them.

The waif, Karen, is movingly portrayed by a 16-year-old newcomer, Jill Haworth. Her silent sorrow upon seeing her once-brilliant father left incapable by Nazi punishment should make the most stalwart movie-goer feel sympathetic.

This film is marked with scrupulous attention to detail, powerful acting, and good direction, all aided by beakground music.

"Exodus" was filmed entirely on location in Israel and Cyprus.

Hilarious Movie, 'Zotz' Is Showing Saturday

It isn't "Zotz's" so, but it will be amusing to believe in it for an hour and a half Saturday night at the Eagle Drive-In Theatre. If you fell for "The Absent-Minded Professor" with Fred McMurray's invention of a springy rubber or "Flubber," you are apt to succumb to "Zotz."

Tom Poston, as professor of ancient languages in a Pacific Coast college, receives an ancient coin through his innocent niece. By means of scholarship he discovers that "Zotz" retains its miraculous powers. Anybody carrying it can bowl over an enemy, laboratory mice or Russian spies by pointing a finger and saying "Zotz." Also he can reduce cops-and-robbers pursuit and other violence by the incantation reducing it to gentle slow-motion. "Weightlessness" our astronauts call it.

Mr. Poston, a gentle scholar, comes to disaster when he tries to practice "Zotz" with a basket of mice at the dean's reception. He had neglected to bring the coin with him.

Later he finds it indispensable when in the clutches of two men called Boris and Igor who would like to get "Zotz" out of the hands of a patriotic American. Poston's loyalty had been tested sorely at the Pentagon when lieutenants to

generals treat him as a nut.

The laughter-producing possibilities of the situation are taken leisurely but effectively by William Castle, the producer-director. He has not omitted a provocative romance. Julia Meade is a most plausibly beautiful and genteel doctress of modern languages ever to grace a campus. She is blond, shapely, assured in her lines and still wears a mask of high learning rather than high brass.

Poston exploits a suave personality with unusual instincts for projective spacing.

When Poston's topple from a skyscraper is arrested by "Zotz," the fatuous smile that goes with it is alone a masterpiece of comic timing.

Burly Jim Backus as a political professor is "Zotzed" while making a sycophantic speech at the dean's party and convinces the party that he has gulped one too many. He

hasn't, but how can he explain "Zotz"?

The Boris of the spies (Albert Glazer) is a dead ringer for a Russian named Khrushchev. We don't think the picture wants you to miss the point. The partner, Igor, looks like Mike Mazurki and, as a matter of fact, is Mike Mazurki.

The cast: Prof. Jonathan Jones.....Tom Poston Prof. Virginia Fenster.....Julia Meade Horatio Kellgore.....Jim Backus General Bulliver.....Fred Clark Dean Updike.....Cecil Kellaway Cynthia Jones.....Zeme North Persephone Updike.....M. Dumont Igor.....Mike Mazurki Boris.....Albert Glazer

**MISS VICK BRIDE OF RONNIE MITTEL IN CHURCH RITES AT IRVING SATURDAY**

Mrs. Ronald Archie Mittel

The Chapel of the First Baptist church of Irving set the scene for the marriage of Miss Sharon Ann Vick and Ronald Archie Mittel of San Angelo on Saturday evening, September 1. Parents of the bride are Mr. and Mrs. Lloyd Vick of Irving. The bridegroom is the son of Mr. and Mrs. Archie Mittel of Eldorado.

Rev. Henry H. Kinkeade officiated at the double ring ceremony against a white satin archway and prayer bench, flanked by baskets of white gladioli, green palms, and

candelabra. Vocal selections by Miss Rena Jo Cottrell were "Walk Hand in Hand With Me," "Because" and "The Lord's Prayer." She was accompanied by Mrs. Murray K. Hardy Jr. of Waco, at the organ.

The bride, given in marriage by her father, was attired in a traditional gown of white peau de soie. The fitted bodice featured a portrait neckline applique with motifs of Alencon lace re-embroidered with seed pearls and irridiscent. The long fitted sleeves tapered to petal points over the wrists. The polonaid skirt featured a bustle caught at the back of the waist with self fabric roses sweeping into a chapel train. Her fingertip veil of French silk illusion was held by a seed pearl and teardrop pearl tiara. She carried a bridal bouquet of white stephanotis centered with a white orchid.

Miss Joan Vick of St. Louis, Mo., sister of the bride, was maid of honor. Miss Margo Mittel of Eldorado, Miss Darleen Sweeten of Rocksprings, Miss Dorothy Taylor and Mrs. Joe Talley, both of Irving, were bridesmaids. They wore street-length gowns of white peau de soie. Their fitted bodices featured scoop necklines and cap sleeves. The bell-shaped skirts were caught in a bustle effect with white satin roses at the back of the waist. They wore matching pillbox hats with round veiling held in the back by three large peau de soie roses. They carried arm bouquets of long-stemmed red roses.

Billy Sam Hale of San Angelo was best man. Ushers were Edwin Robertson Jr. of Breckenridge, Jerome Schuetzeberg of Lubbock, Bill McManus and Billy Jack Hollis, both of San Angelo.

Misses Catherine and Rebecca Albertson, both of Irving, were flower girls.

Candlelighters were Billy Pat Swann of Idalou and Frank Sheffield of Dallas.

Mrs. Vick, mother of the bride, chose a gown of moss green embossed crepe with matching accessories, for the ceremony. She wore a corsage of red sweetheart roses.

Mrs. Mittel, the bridegroom's mother, wore a gown of mauve lace over self-same satin with matching accessories. She also wore a corsage of red sweetheart roses.

A reception was held in the church parlor immediately following the ceremony. Members of the house party were Mmes. Bill McManus Jr. of San Angelo, sister of the bride; Robert Price of Irving; Misses Becky Ball, Judy Parrett, Jean Box, all of San Angelo. Billy McManus, nephew of the bride, was rice bearer.

For travel, the bride chose a two-piece suit of red Italian silk with matching pillbox hat. Her ensemble was complemented by black accessories and a white orchid corsage.

Following a wedding trip to Red River, New Mexico, the couple will reside at 1871 Colorado Street in San Angelo.

The bride, a graduate of Irving High school, is a sophomore at San Angelo college. The bridegroom graduated from Eldorado High School and Texas Tech where his fraternity was Sigma Alpha Epsilon.

Mr. and Mrs. Arch Mittel entertained members of the wedding party with a rehearsal dinner Friday night in the Royal Room of the Holiday Inn in Irving.

Mrs. Lloyd Vick was hostess for the bridesmaids' luncheon Friday in her home in Irving.
