ELDORADO — SCHLEICHER COUNTY — TEXAS

THURSDAY, SEPTEMBER 27, 1962

NUMBER 39

HEAVY RAINS HIT COUNTY

Rain which started falling about 5:00 p. m., Tuesday continued throughout the night and dumped over 3 inches in Eldorado.

From 2½ to 3 inches seemed to be a general figure, except to the south and southwest. In the Bailey ranch area Peyton Cain had to be satisfied with 7-tenths and Parker Bros with 6-tenths. In the Reynolds community Virginia Bruton reported 3.30 inches, which put a stop to cotton stripping. Others in that area were about the same.

Some of the totals reported are:

Claude Doyle	2.50
Parker Bros.	0.60
Peyton Cain	0.70
Ford Oglesby	0.50
Dick Bearce	3.50
City Eldorado, over	3.00
Cooper Gas (Page field)	4.50
Earl Cathey	3.00
J. F. Runge	2.30
Derrick Ranch	2.50
Herman Walker	0.70
Duwan Sauer	3.00
Gail Mittel	3.00

Heavy clouds were hanging over the county all day Wednesday and more rain may have fallen by the time this paper gets to its readers.

Boy Scouts Meeting Each Monday Night

With Gail Mittel as new Scoutmaster, the Boy Scout troop has been reorganized and is now meeting each Monday night at the Scout hall.

All boys 11, 12, and 13 years old who are interested in becoming Scouts are urged to attend this coming Monday's meeting. J. B. Morris, Assistant Scout Executive from the Boy Scout office in San Angelo, is to be on hand to help launch the fall Scouting program.

Lions Club Ladies' Night Draws Good Crowd Mon.

About a hundred were present when the Lions club staged their ladies' night Monday honoring the faculty and administrators of the school. W. R. Bearce presided at the meeting which was held in the Memorial Building.

School Supt. A. M. Whitis introduced the faculty including the only new member this year, Guy Golden. Other guests were Dr. and Mrs. J. D. Blackburn and Mr. and Mrs. W. N. Ramsay.

Boss Lion Bearce recognized Granville Hext as chairman of the table arrangements and Dan Sebasta as having charge of decorations. Fred Watson and Roy Phelps were program chairmen.

Mrs. Irene Teele directed group singing and Mrs. Wilson Page sang selections accompanied by Mrs. Phelps at the piano.

D. C. DuBose introduced the Rev. Taylor Henley of San Angelo who brought the address of the evening. He centered his talk on the theme of "Debts."

Post Script

Everyone here will be packing up and preparing to leave out with other fans for Menard tomorrow where the Eagles are expected to have their hands full when they tackle the tough Yellowjackets.

But while this is going on there are some who may want to see what will be going on at Sonora. Big Lake is playing the Broncos at Sonora tomorrow night.

At the beginning of the season Big Lake was regarded as the strongest team in our district, and they are the boys who will close out the season here on Nov. 16 here in Eldorado. There are quite a few local fans who will be interested in seeing just how well Big Lake stacks up against the Broncos, and no doubt some will skip the Menard game in order to check up on the Owls.

Then a week from tomorrow Ozona will be playing at Sonora. That's on October 5, which is open date for the Eagles, and no doubt Eldoradoans will help swell the attendance at Sonora on that night.

With our subscribers: Robert F. Ackley of 1203 Lincoln Street, Albany, Georgia, is now taking the Success.

Mr. and Mrs. Sherwood Barker are now getting the Success at 714 E. 4th Street, Bishop, Texas. Mrs. Barker is the former Ann Ballew.

Billy Gene Edmiston has moved from Odem to Box 125, Banquete, Texas.

Mrs. Lillian Crosby has entered a subscription for her son-in-law and daughter: Lt. Col. E. C. St. Clair, Hq. 1st Weather Wing, APO 925, San Francisco, California.

Mr. and Mrs. Vernon Carroll report that their daughter, Shirley, has a new address in San Antonio: Mrs. Sam Granberry, 1317 W. French.

Mr. and Mrs. Jim Conner are moving from Floresville to 758 Church Street, Lockhart, Texas, where he will attend school at San Marcos and she will be working as Home Demonstration agent with the Extension Service.

H. Leslie Jones reports that he and Mrs. Camilla Raggio have moved from the ranch near Ft. McKavett to 2102 Live Oak in San Angelo.

Herman Phillips' new address at College Station is 202 Timber.

PEOPLE MOVING:
Chester Beard, from Riley house to Earl Parker house.
E. J. Hanusch to new house.
J. J. Heffernan to Schuller house.
C. E. Harris to Ratliff house.

We clipped the following little ditty from an article in another paper which was speculating on the idea that limited wars are something we don't need to worry about:

Don'tcha worry, honey chile,
Don'tcha cry no more,
It's jest a li'l ole atom bomb
In a li'l old lim'ted war.

It's jest a bitsy warhead, chile,
On a li'l old tactical shell,
And all it'll do is blow us all
To a li'l old limited hell.

Eagles Take On Tough Yellowjackets Tomorrow

By PEYTON CAIN

The Eldorado Eagle Task Force faces a difficult and dangerous assignment tomorrow night in Menard when they take the field against the Menard Yellowjackets in whom consecutive defeats have induced a fierce desire to pull enough Eagle feathers to stuff trophy pillows, sleeping bags, etc.

Eagle scouts report that Menard has a big well-balanced team along with a dangerous spearhead in the person of Gary Seat, a 165-pound nominee for allstate honors last year.

The potent Sonora Broncos, whom nobody discounts, were hard pressed to topple the Yellowjackets last Friday night 29-12. It was not too easy to accomplish.

Menard posted a most respect-

able 14 first down with 289 yards earned rushing against the ponderous Sonora line. Although Sonora logged 15 first downs, they rushed only 233 yards. It is obvious that Eagle Captain Dennis Jurecek and his "Stonewall Squad" will meet a stern challenge when they confront the potent Menard ground offense. The "Captain Lynn Meador-Ray Ballew Missile Intercept Service" may find most of its activity in suppressing ground attacks if Menard follows its Sonora pattern and continues its bruising ground game.

Not only will Captain Jurecek's defensive squad be busy but the offensive squad will have to look sharp to issue Eagle backs aimed by Captain John McGregor "safe conduct passes" through the Yellowjacket line. It could hurt the Eagles to have three or four 11-yard first downs shoved down their collective throats; but it could hurt the Jackets also to have a furious set of Eagles like Blair, Thackerson, Loden, Draper, Lester, Halbert, Jurecek, Hodges, and Ballew blast a way for the flying feet of McGregor, Williams, McAngus, Whitten, and Meador "Pig Skin" express. The Sonora Broncos panicked when their slow gains were nullified in this fashion. The Eagles' task will be to see how the Yellowjackets will react to this sort of thing.

All in all, Eldorado faces its sternest test of the young season tomorrow night. Coaches and fans sincerely hope they can continue to demonstrate their team unity, aggressiveness, alertness, and exert themselves to the utmost tomorrow night since they will have a week-end breather for October 5—play now, rest later, so to speak.

Zone 4 Conservation Election Set Oct. 2nd

Zone 4 residents of the Eldorado Divide Soil Conservation District have an election to keep Oct. 2. The election is very important and all eligible voters are urged to cast their ballots.

Zone 4 voters in the Eldorado Divide Soil Conservation District will elect a farmer or ranchman who will serve as their supervisor and representative on the Soil Conservation District Board for the next five years. Time and place for the October 2 balloting is the Ben Hext farm, Bailey Ranch Community, Tuesday at 5:00 p.m.

A qualified voter is a zone 4 landowner who is 21 years of age or older. Wives of eligible voters can vote and should do so since they have an interest in their soil conservation district.

Bill Works, the local Game Warden, and Area Game Conservationists located at San Angelo, will bring the program. The program will be of local interest to landowners of zone 4, sportsmen, conservationists and other groups in the county.

Soil conservation districts are political sub-divisions of the state of Texas and by law are charged with the responsibility of carrying out a soil and water conservation program in their district. Through such items as technical service, equipment, leadership in small watershed projects and many other services are provided to co-operating landowners.

If you are a qualified voter it is because of the great importance of the districts and the supervisors who direct their programs that J. F. Runge, chairman, Board of Directors, urges all eligible voters to participate in the October 2 election.

ELDORADO BOY LOOKS GOOD ON TEXAS TECH TEAM

In a recent issue of the Lubbock Avalanche-Journal appeared a picture of Jerry Don Johnson of Eldorado, who is a Tech sophomore and who was described as making a strong bid for playing time on The Red Raiders football squad. Johnson is a 6' 1" 185-pounder, and has been looking good in drills so far.

Jerry Don is on full scholarship at Tech. He is the son of Mr. and Mrs. Lloyd Johnson.

SONORA JR. HIGH TEAM COMING HERE TONIGHT

The Sonora Jr. High team will be here tonight, Thursday, for a tilt with Coach Guy Whitaker's Eagles. The game is set for 7:00 o'clock in Eagle stadium. There will be no "B" game tonight.

RETURNS FROM ACTIVE DUTY

Ronnie Sauer was released from six months of active duty in the U. S. Army at Ft. Jackson, South Carolina, last week end and joined his wife, the former Rozanna Sudduth in Eldorado. Their plans for the future are not definite.

News Of The Sick

Carl Stevens is at his ranch at Leander since being released from the Santa Rosa hospital in San Antonio. Mrs. Stevens was in Eldorado for a while Tuesday on business but Carl was unable to make the trip with her.

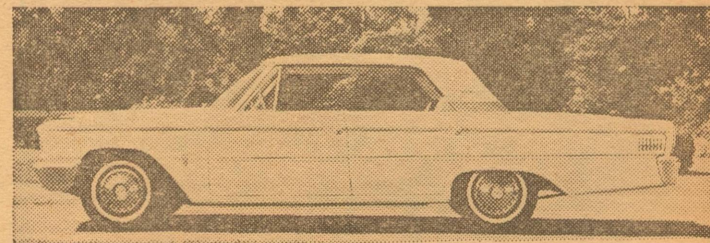

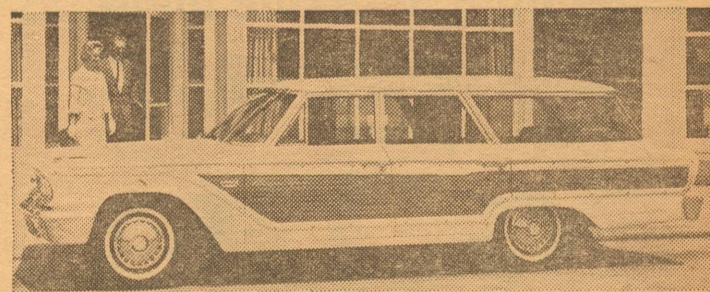

Billy Van Dusen will undergo knee surgery probably today in the Shannon hospital in San Angelo.

Mrs. A. E. Kent underwent eye surgery last week in a San Antonio hospital.

Mrs. Virge Tisdale was taken to Clinic-Hospital in San Angelo after sustaining a fall last week at her home in Sunset Acres.

Duwan Hughes, brother of Mrs. Charlie Trigg of Eldorado, is expected back in San Angelo Friday after undergoing medical treatment recently in Boston.

The '63 Fords Are Being Shown Friday At Humphrey's

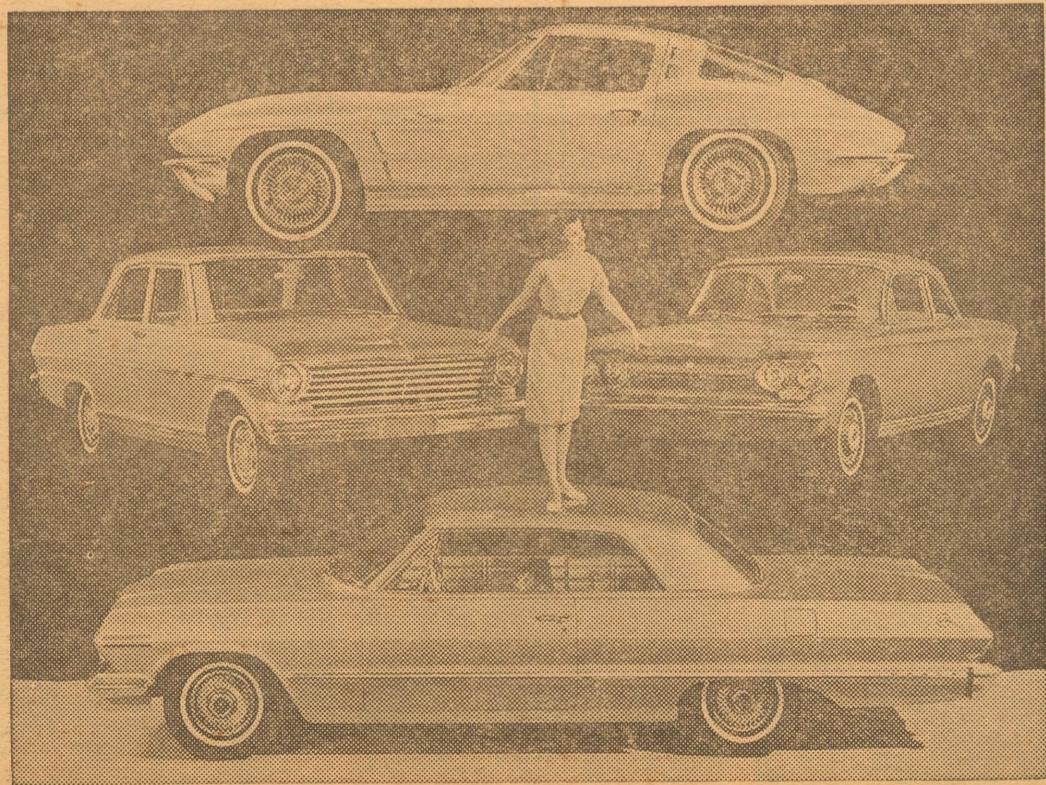

Providing fun for the whole family, and individuality for Mom and Dad, the top offering in Ford's 1963 station wagon line, the Country Squire, will have optional bucket seats. A nine-passenger car, the Squire has the only forward-facing third seat in the low-priced car field, and one of the widest tailgate openings in the industry—more than 50 inches.

Described as "the most service free standard-size American car ever produced," the 1963 Ford Galaxie features complete re-styling, a new 260-cubic-inch Challenger V-8 engine, 36,000-mile major lubrication intervals and 6,000-mile minor lubrication intervals, and "cushion link" suspension. Through use of improved lubricants, a complete "run-in" of each engine while it is being electronically analyzed, and an engine flush procedure, Ford has been able to eliminate the historic 1,000-mile inspection on all of its 1963 cars, except the three van-type vehicles in the Falcon line.

The 4-door hardtop (bottom), is one of the 14 models in the 1963 Galaxie line that will be introduced in dealer showrooms on Friday, September 28.

See The '63 Chevrolets And Have Refreshments Friday At Eagle Chevrolet-Olds Co.

Chevrolet's parade of new products for 1963 includes four lines. Heading the list, which will be announced on September 28, is the luxurious Impala Sport Coupe (bottom), Chevy II 4-Door Sedan (left center), Corvair Monza Club Coupe (right center), and the new and startling Corvette Sting Ray Sport Coupe, the epitome of advanced styling. Chevrolet's wide choice of passenger cars includes 33 models in addition to 6 variations with special optional power-train combinations.

Evangelistic Campaign To Start This Sunday At The First Baptist Church

The Fourth Annual Church Round-up this Sunday at the First Baptist church will launch an Evangelistic Campaign which will continue through the following week, announces the pastor of the church, the Rev. D. C. DuBose.

At the Round-up at the Sunday morning service, the church roll will be called and each member will be given the opportunity to answer for himself. The noon meal will be furnished by the church and will be served in the Memorial Building.

Revival services start the following night, Oct. 1st, at 7:30, with Bro. Roy Jerrell of the First Baptist church of Wickliffe, Kentucky, as visiting preacher. Services will continue Tuesday through Friday at 10:00 a.m. and 7:30 p.m.

Bro. Jerrell is a graduate of the Surtcliffe Baptist college at Alton, Illinois and holds two degrees from Southwestern Baptist Theological Seminary in Fort Worth. He has pastored in Illinois, Texas, Washington, and Kentucky and has served as moderator of every association in which he has pastored.

Music director for the revival series will be Bro. Bill Denton, music director of the First Baptist church, West Monroe, La. He attended high school in Daly City, California and holds degrees from Hardin Simmons University and Southwestern Seminary.

Everyone is invited to any and all of the Evangelistic meetings, Rev. DuBose concluded. (adv)

CHRISTIAN CHURCH

The C.W.F. met Thursday, Sept. 20, in the fellowship hall of the church for their mission study.

Mrs. Chas. F. Young, vice-president, presided in the absence of the president, Mrs. Roy Rowntree. She gave the report on the service project, and heard the treasurer's report from Mrs. Raymond Schrank. Four women answered roll call.

The mission leader opened the study session with prayer, and a devotional reading, then conducted the group in the study of a "A Young Man Named Saul."

After the close of the meeting, refreshments of chocolate cake and coffee were served. Mrs. R. A. (Bud) Haynes was hostess.

The next meeting will be Oct. 4th; study lesson 166; last 10 questions. —CWF Reporter.

SERVICE PIN DINNER

All employees in the 22 exchange Central Division area of General Telephone Company of the Southwest who received service pins during the past year in recognition of 15 or more years of service will be honored at an annual service pin dinner today, September 27, in San Angelo, according to John E. Robbins, Jr., division manager.

From Eldorado will be Charlie C. McLaughlin, combinationman, with 30 years service.

Kay Thomerson Married Sept. 14 In San Angelo

Gwendolyn Kay Thomerson was married to Patrick Anthony Thompson on September 14 at the home of Father Raymond in San Angelo. The bride is the daughter of Mr. and Mrs. A. B. Thomerson, Jr., and the groom is the son of Mr. and Mrs. W. J. Thompson.

The bride was given in marriage by her grandfather, M. W. McShan of Ballinger. The bride wore a white wool suit made of Anglo wool with white mink hat and accessories to match. She carried a white Bible topped with a white orchid surrounded by white tuberoses.

Her attendants were her sister, Miss Barbara Thomerson, and Miss Anita Thompson, sister of the groom. W. J. Thompson served his son as best man.

A reception was held at the home of Mr. and Mrs. J. W. Henson at 2312 W. Ave. K in San Angelo. Miss Nita Thomerson presided at the cake and Miss Anita Thompson at the coffee service. A few friends and relatives were present.

For going-away the bride wore a two-piece dark cotton suit with matching accessories. The couple went to Colorado on their wedding trip and will be at home in Sonora upon their return.

Mrs. Thompson attended San Angelo College and was a 1962 Miss Wool contestant. Mr. Thompson graduated from San Angelo college and is presently employed by Foxworth-Galbraith Lbr. Co. in Sonora. The couple plan to attend Texas Tech in Lubbock the second semester.

Bridal Shower Given

Hostesses at a shower given in the home of Mr. and Mrs. Richard Preston Sept. 8 were Mes. Preston, Walter McGregor, Jim O'Harrow, James Williams, Leslie Baker, Forrest Runge, Auta Mae Yates, Voy Butts, Bob Sykes, Bill Wyatt, Lawrence Steen, and Miss Ruth Baker.

Visitors were greeted by Mrs. A. B. Thomerson of Christoval, the bride's mother; Miss Kay Thomerson, and Mrs. W. J. Thompson of Sonora, the groom's mother.

The table was decorated in the bride's chosen colors of blue and white.

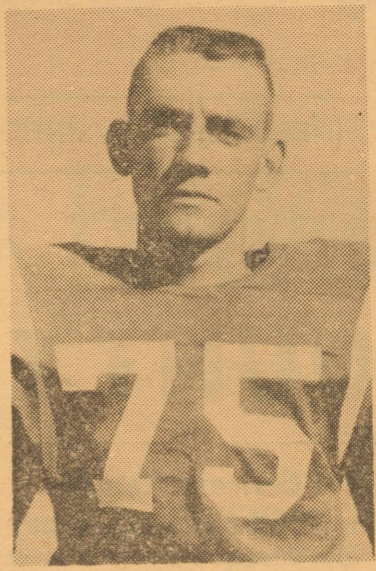

Linda Love, Edna Faught, Ann Blair, and Alice Dyer, all of Eldorado, and Anita Thompson, Sonora, and Mrs. Dan Mittel of Austin were in the house party.

Guests called from San Angelo, Ballinger, Sonora, and Christoval, as well as Eldorado.

We are telling the Nation's industrial leaders that...
EVERYTHING IS... "GO!"
...in this West Texas area
Because the space age we live in is a fast moving period of business and industrial expansion, we are working hard to see that this area gets its share.
We advertise the area's industrial advantages in national publications, and send factual mailing pieces to selected lists of business leaders. The Wall Street Journal advertisement and the colorful area folder shown above are current examples of this material.
In addition, our Area Development Representatives make periodical trips to the North and East, for personal contacts with these business executives.
WTU is enthusiastically engaged in this continuing program because we are convinced the Center of the Southwest faces GROWTH UNLIMITED.
We are backing this belief with a multi-million dollar expansion program of our own to serve more people, more businesses, more industries.

Funeral Held At Brady For John McLeod, 77

John (Babe) McLeod, 77, retired Pontotoc merchant and stock farmer, died in Brady hospital at 10:45 Monday night, Sept. 17. He had been a patient there for about a week.

Funeral services were held at 4:00 p.m. Tuesday at Wilkerson chapel in Brady conducted by Ernest McCoy, minister of the Fourth and Bridge Street Church of Christ. Burial was made in the Pontotoc Cemetery.

Mr. McLeod was born at Field Creek March 23, 1885, & had lived in that area all of his life. He and Miss Merle Conner of Eldorado were married in 1907. He was a charter director of the Lower Colorado River Authority.

Survivors include the widow and 3 sons: Paul McLeod, Odessa, Wilford McLeod of Pampa, and Dale McLeod of Las Cruces, N. M.; four grandchildren and four great-grandchildren.

Mr. McLeod was a brother-in-law of Mrs. J. L. Neill of Eldorado. Mr. and Mrs. Neill and Mr. Conner attended the funeral from here.

Also attending were Mr. and Mrs. Ed Hill and the George Draper family.

Mrs. McLeod plans to continue living at 1706 South Walnut in Brady.

Rev. and Mrs. R. R. Martinez who were scheduled to leave for Rockdale, have had their departure delayed until about Wednesday of next week, according to Mrs. Martinez, who explained yesterday that their living quarters in Rockdale were being renovated. Their address in Rockdale will be 781 Green Street.

'Jack The Giant Killer' Is Showing Saturday

Showing this Saturday night at the Eagle Drive-In Theatre will be "Jack The Giant Killer," which is one of those above-average monster opuses that usually makes a giant killing at the boxoffice.

Kerwin Mathews plays Jack, dashing around saving princesses, fighting two-headed monsters, releasing genies from bottles and changing skeletons into magic whips. His many similar roles are leaving Kerwin Mathews typed, but he nevertheless is one of those Hollywood actors who can always say, "My last picture made money."

Judy Meredith is co-star, in this movie in color.

'Jack The Giant Killer' Is Showing Saturday

Mr. and Mrs. W. A. Van Dusen and Johnny visited Mrs. Van Dusen's son, David Lawrence and family in Odessa over the week end.

E. R. (Pete) Bryant was recently at work building new curbs and enlarged parking area near the Eldorado Clinic building.

At a recent meeting, the County Commissioners Court accepted the oral resignation of Jack Montgomery as park superintendent, effective October 1st.

New Babies

A daughter was born Saturday, September 22nd, in the Sonora hospital to Mr. and Mrs. Frank O'Banion. Mr. O'Banion is music and education director of the First Baptist church here in Eldorado.

The baby weighed 7 lbs. 2 oz. at birth and has been named Gaye Ellen. She was born 52 minutes past midnight.

Grandparents are G. F. O'Banion of San Antonio and Mr. and Mrs. Dan Applin of Cross Plains.

Mrs. O'Banion and new baby came home from the hospital Monday.

Mr. and Mrs. Walter Ray Donaldson are parents of a girl born Wednesday morning, Sept. 26, at 9:36, in the Sonora hospital.

The baby weighed 6 lbs. 10 oz. and has been named Stassi Lynn. She has 10 grandparents to welcome her.

Grandparents are Mr. and Mrs. E. G. "Sandy" Donaldson of Eldorado and Mr. and Mrs. J. O. Durst of Baytown.

Greats are Mr. and Mrs. J. S. Wolfe of Houston, Mrs. Jim Durst of Baytown, and Mrs. Way King and Mr. and Mrs. T. E. Donaldson of Eldorado.

BOOSTER CLUB TO MEET MONDAY NIGHT AT SCHOOL

Walter McGregor and Ralph Waldron state that a re-organizational meeting of the Booster club will be held Monday night, October 1st at 8:00 o'clock at the school.

In addition to boosting the Eagles through the football season the Booster club will also boost the basketball and track programs later on.

All persons interested in the school athletic program are invited to attend the Monday meeting.

COFFEE HONORS BROWNS

The Reverend and Mrs. Alanson Brown were honored by the Women of St. Mary's (Episcopal) at a coffee in the home of Mr. and Mrs. Jene Moore Wednesday.

Rev. Brown was the first minister of the church in Eldorado and has been in Sonora eight years. He is going to a large church in Wichita Falls.

BROWNIES

The 3rd grade Brownies troop met Wednesday, Sept. 26. We elected officers as follows: Pres., Mary Susan Day; V. Pres: Jean Rountree; Secretary, Kathy Rutledge; Treasurer, Kathy Eisenberg; Reporter, Sheila Redwine. We put up hooks and bags for our coats and books, and planned our future meetings. Sunshine reporter for the week was Agrara Ortega. We played games inside. —Sheila Redwine, reporter.

New Fords To Be Shown Friday At Humphrey's

Friday, September 28, tomorrow, is showing date for the '63 Ford line at George Humphrey Motors here in Eldorado.

Dealer George Humphrey, his wife Lola, and the rest of the crew invite all Schleicher county residents to come in during the all-day showing.

Following are descriptions of the coming year's Ford line:

Ford Falcon

The Ford Falcon for 1963 emphasizes sports appeal with five new models, new styling and a host of new features.

"The Falcon will offer 17 model choices for 1963—more than any other compact line in the industry," O. F. Yando, Ford Division general sales manager, announced.

New Falcon models, all in the sporty Futura series, include a 4-door sedan and two convertibles.

Sharply reduced maintenance features new for 1963 include 36,000-mile chassis lubrication interval (up from every 1,000 miles), elimination of the traditional 1,000-mile new car inspection and self-adjusting brakes.

Ford Fairlane

Two completely new hardtops and three new station wagons feature Ford's pace-setting middle-weight line for Fairlane cars for 1963.

Introduced in 1962 in sedan models only, Fairlane passed the quarter-million sales mark at the end of the model year, outselling 20 other makes of full-line domestic cars.

The two new hardtop models capture the Thunderbird spirit with a lower profile, sleek thin roofline, rakish windshield angle and smartly styled over-all appearance. Newly-designed bucket seats, a full-length console and luxury car appointments combine to express a sporty feeling of fun on wheels.

The new Fairlane wagon line of three models includes the Fairlane Squire with simulated exterior wood paneling. Bucket seats will be available for the Squire Wagon as well as for the Sports Coupe.

Ford Galaxie

Described as "the most service-free standard-size American car ever offered," the 1963 Ford Galaxie features completely new styling, a new high economy V8 engine, new 36,000-mile major lubrication interval and a new, \$10-million soft-riding "compliance-link" suspension.

"The 1963 Galaxie represents an all-out effort by our stylists, engineers and product planners to capture an even greater share of the volume standard-size market," said E. F. Laux, Ford Division general marketing manager.

ATTEND WORKSHOP MONDAY

Attending a district Texas State Teachers' Association workshop Monday night in Ballinger were four members of the local school faculty. Bill Bowen, president of the Schleicher County TSTA unit; Mrs. Bowen; Mrs. Peyton Cain, treasurer; and Leslie Woullard, legislative chairman, went from here.

This district 11 workshop was held in preparation for the district convention to be held next March. Mr. Bowen will have charge of the speech and drama section at that convention.

Methodist Notes

An Attendance Contest to double attendance at the Sunday night service will be held starting this Sunday, Sept. 30, and continuing through October. The old reliable FILL A PEW program will be conducted with captains designated for 10 pews. The team with the highest score at the end of the five weeks will be given a beautiful Bible.

The new captains are: 1. Intermediate Fellowship; 2. Senior MYF; 3. Mr. and Mrs. Jim Martin; 4. Mr. and Mrs. Billy McCraley; 5. Mr. and Mrs. Raymond Moberly; 6. Mr. and Mrs. Albert McGinnes; 7. Mr. and Mrs. E. G. "Sandy" Donaldson; 8. Mr. and Mrs. Clovis Taylor; 9. Mr. and Mrs. Bill Gunthead; 10. Mr. and Mrs. Ralph Waldron.

New members: Mr. and Mrs. J. D. Redwine by letter from St. Luke's, Odessa. Also Shiela Kay Redwine by profession and baptism, and Michael Darrel Redwine on the preparatory roll.

Ushers for this Sunday will be Charlie Trigg and Howard Derrick. The Official Board meets at 7:30 p.m. this Monday, Oct. 1st.

Our parsonage committee has purchased some beautiful early American maple furniture for the family room, most of which was paid for by a designated gift.

Mr. and Mrs. Mart Stevens of Harper are visiting this week with Mr. Stevens' brother, Alfred Stevens, in the Bailey Ranch community.

Mr. and Mrs. Jack Hext and Mrs. Elton McGinnes visited during the week end in Denton with their daughters, Judy Hext and Lynda McGinnes, who are Freshmen this fall at North Texas State University.

Smooth, straight line styling gives the side of the new Chevrolet a flowing look of motion. A horizontal line highlights the sculpture of the side, extending from the foremost point of the front fender to the extended point of the rear fender. Lower, a slender accent rib from midway down the front fender skims the top of the rear wheel and carries through to the rear bumper.

Throughout the line, ventilated rocker panels provide a new measure of protection against corrosion. Doorlocks are improved to enhance passenger safety.

The Impala sport sedan has a fleet, new roofline and an optional vinyl top is available for the Impala sport coupe. Fifteen solid colors and 11 two-tone combinations are available in the regular Chevrolets.

Interiors of the cars are entirely new and more luxurious for 1963. Mechanically, there are a number of new features.

'63 Chevrolet Line To Be Shown Tomorrow

J. D. Huckaby and Paul Page and the service staff of Eagle Chevrolet Co. invite the public to the showing of the '63 Chevrolet line tomorrow, Friday, in their showroom. Refreshments will be served all day.

Four distinctive lines of 1963 automobiles are going on sale in Chevrolet dealerships across the nation this Friday.

Offering 33 models in four separate categories—each aimed at a specific segment of the market—the 1963 cars represent faith in a continued strong national economy by Chevrolet, which is already on its way to setting an all-time industry sales record for 1962.

There are significant styling changes in the regular Chevrolets, a continuation of their unique automotive personalities by the Chevy II and the Corvair, and two entirely new bodies and a new chassis for the Corvette sports car. All models have significant mechanical improvements.

Taking the four members of the Chevrolet family one at a time:

Regular Chevrolets

The traditional big car emphasis upon luxurious transportation is continued in the 1963 regular Chevrolets, offered in 13 models in the Impala, Bel Air and Biscayne series.

There is a sleek, longer look with all-new styling. Straight windshield pillars improve access for driver and passengers. The new front grill of anodized aluminum extends the full width of the vehicle, while a depressed center area adds new interest to the broad rear deck lid.

Smooth, straight line styling gives the side of the new Chevrolet a flowing look of motion. A horizontal line highlights the sculpture of the side, extending from the foremost point of the front fender to the extended point of the rear fender. Lower, a slender accent rib from midway down the front fender skims the top of the rear wheel and carries through to the rear bumper.

Throughout the line, ventilated rocker panels provide a new measure of protection against corrosion. Doorlocks are improved to enhance passenger safety.

The Impala sport sedan has a fleet, new roofline and an optional vinyl top is available for the Impala sport coupe. Fifteen solid colors and 11 two-tone combinations are available in the regular Chevrolets.

'Road To Hong Hong' Is On Sunday, Monday

Even before the title and credits come on the screen, there are Hope and Crosby, in straw sailors and blazers, doing the soft-shoe bit and hooking every person in the audience.

The showings Sunday and Monday nights at the Eagle Drive-in of "The Road to Hong Kong" are the seventh in the "Road" series, and should cause a seven-year itch among those who dig rib ticklers.

Crosby and Hope are nearing 60 and they've never been better. "Hong Kong" tops the predecessors yet retains the charm and wit of all those that came before.

Again, the boys are a couple of broken down vaudevillians who are con men at heart.

And it goes for 91 minutes, thru chases by foreign space conquerers, slinky dames, and "guest shot" appearances by Jerry Colonna, David Niven, Peter Sellers and even "The Clan."

It's like old times. Crosby gets mellow on a new Van Heusen-Cahn ballad, the boys horn in on a Hong Kong stage appearance with Dorothy Lamour, and what could be more natural in this age than to send the boys orbiting—under protest, of course—around the moon and to another planet.

Joan Collins, as the fem lead, is curvy to look at but is out of her league with the two old pros. Lamour could have carried it, but she is relegated to a nostalgic walk on bit.

See it. It's refreshing to laugh out loud at a theater again.

The cast:

- Harry Turner.....Bing Crosby
- Chester Babcock.....Bob Hope
- Diane.....Joan Collins
- Dorothy Lamour.....Dorothy Lamour
- The Leader.....Robert Morley
- Dr. Zorbb.....Walter Gotell
- Jhinnah.....Roger Delgado
- Grand Lama.....Felix Aylmer
- First U.S. Official.....Alan Gifford
- Second U.S. Official.....Robert Ayres

Army Reserve Offers Special School Courses

A story of considerable interest to United States Army Reservists in this area is in the form of a bulletin from VIII Corps United States Army Reserve Headquarters at Austin, labeled for immediate action. It is titled "Army Service School Quotas." Quotas for enlisted men with military occupational specialties will be set after applications to attend the schools have been received.

A little known side of military training is the superb service schools where skilled instructors, well grounded in their subject matter, teach in controlled atmosphere most conducive to learning.

The VIII Corps bulletin lists courses in Chemical, Biological, and Radiological studies, in Engineering, Atomic applications, Field Artillery, Infantry Orientation, Army Medical Service, Ordnance, Signal Corps, Familiarization, Electronic principles, Preventive Maintenance, Armor, Civil Affairs, and Air Defense Applications.

Courses are of varying length: some as refresher courses may be only five days long while others may extend as much as 4 months.

The VIII Corps Bulletin is posted on the bulletin board in Sonora Armory. Interested United States Army Reservists other than members of the Sonora platoon have access to the Armory on regularly scheduled drill periods, next of which are set for October.

SHEEP & GOAT AUCTION SET AT SAN ANTONIO

The first weekly Sheep and Goat Auction will be held at Union Stock Yards in San Antonio on Tuesday, October 9. A Sheep and Goat Auction will be held each Tuesday hereafter at 9:00 a.m. These weekly auctions are being sponsored by the Commission Firms and Union Stock Yards in cooperation with the San Antonio Livestock Market Institute.

In order to attract added volume and buying demand a substantial reduction is being made in the Sheep and Goat Tariff. Regular Private Treaty sales will be held Monday through Friday with a combined commission and yardage tariff of 30c per head. The Tuesday auctions will have a combined commission and yardage tariff of 35c per head.

GOSPEL MEETINGS

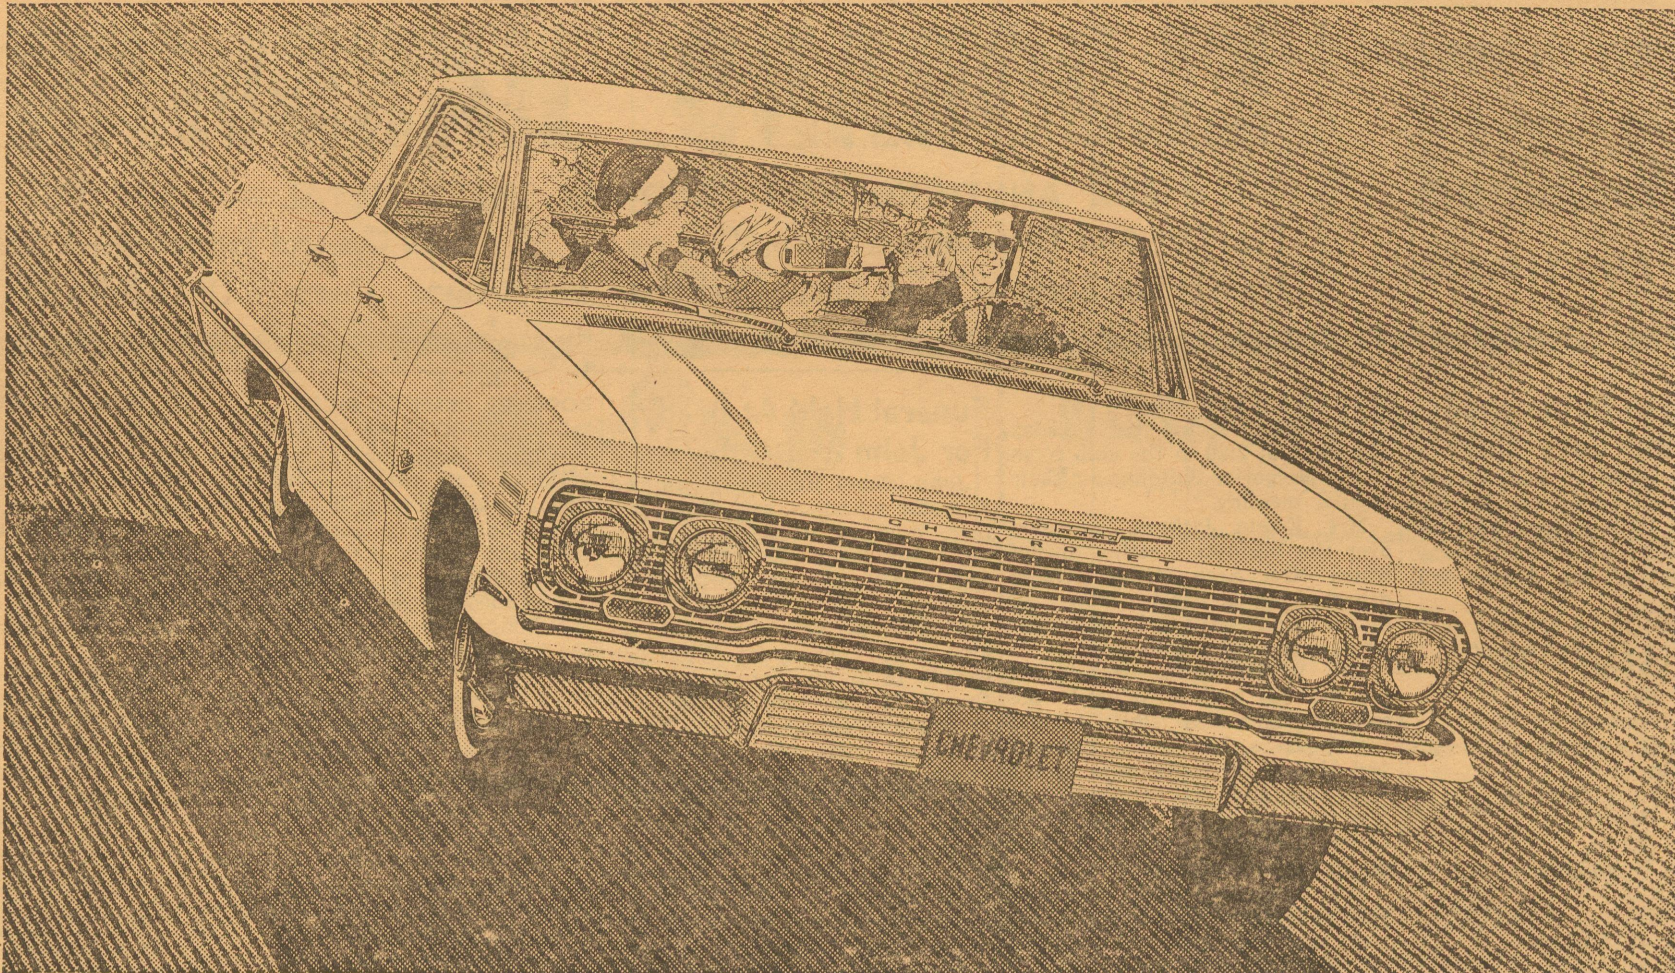

The Church of Christ at Cedar Hill announces a series of week end gospel meetings, Sept. 28 thru 30th, with services at 7:30 p.m. and 10:30 Sunday morning.

E. B. McCown, Church of Christ minister of Abilene, will be the speaker.

The people in this vicinity are invited to attend this gospel meeting.

Mrs. A. F. Futrell of Brackettville has been visiting here this week with Mrs. T. W. Johnson and other relatives.

The Kimble and Menard Co. singing convention will be held Sunday, Sept. 30, at the Hext Baptist church. Everyone welcome, states Mrs. Frank Schuessler, secretary.

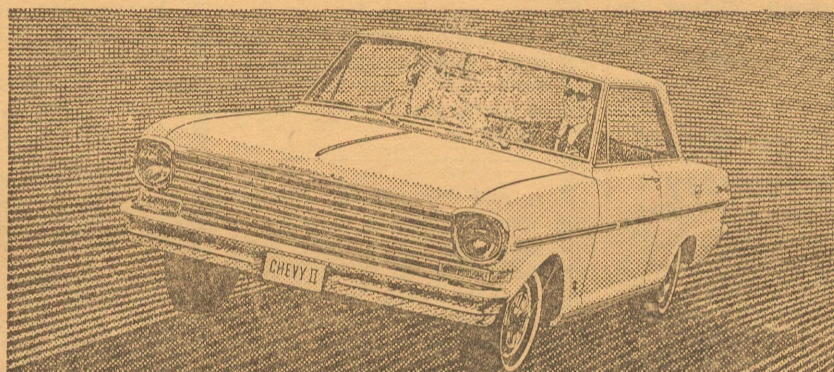

'63 CHEVROLET IMPALA SPORT SEDAN

Tomorrow-GO JET-SMOOTH CHEVROLET for '63

If it didn't say Chevrolet on the flanks of the superb automobile you see here, you'd have a hard time proving it's a low-priced car. It offers luxurious styling, extremely comfortable, spacious and silent interiors . . . plus a lot of invisible ways to keep it looking and running like new when a lot

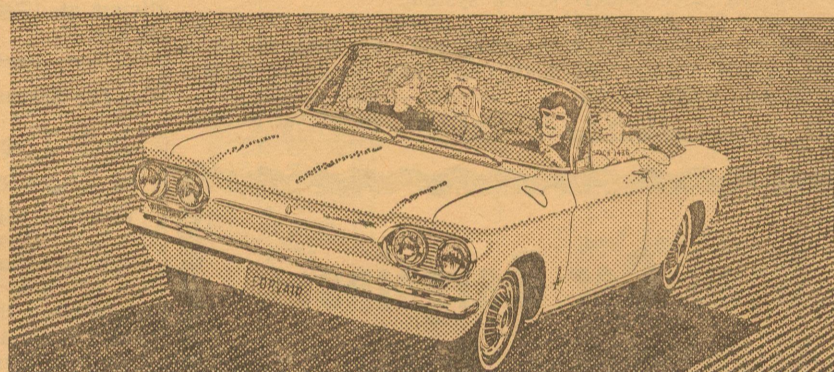

IT'S EXCITING!

of others have started to sag and sigh: new flush and dry rocker panels under the doors to guard against rusting . . . self-adjusting brakes . . . Delcotron generator for longer battery life. If you ever wondered why Chevrolet leads its field, a drive in this '63 should answer all your questions.

GO CHEVY II for '63-IT'S EXCITING!

'63 CHEVY II NOVA SPORT COUPE

GO CORVAIR for '63-IT'S EXCITING!

'63 CORVAIR MONZA CONVERTIBLE

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines all the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that'd do justice to cars with twice its price and half its charm.

Change it? Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a more fully aluminized muffler; interiors and outside trim are refined a bit, but the rest is pure Corvair with all the over-the-road goodness that implies. Oh yes, we changed the taillights so all those people you pass will know you're driving a '63.

Home Demonstration Agent's Column
By MRS. VIDA KREKUCW

Mrs. E. H. Dannheim was hostess for her Home Demonstration club last week and after the work of the afternoon was over she served coffee and a most wonderful tasting cake to her guests. It seems that she got the recipe from Mrs. W. C. Parks Jr. but regardless of where it came from it was good and while I was at it I got the recipe for you too.

Mystery Cake

Pour 1 1/2 cup boiling water over 1 cup oatmeal. Set aside.
Mix together:
1 1/2 cups flour
1 teaspoon soda
1 teaspoon cinnamon
1/2 teaspoon salt.
Cream together:
1 cup brown sugar
1 cup white sugar
1/2 cup Crisco.
Add:
2 eggs
1 teaspoon vanilla
1 cup chopped dates and if desired: 1/2 cup pecans.
Add dry ingredients and oatmeal mixture to creamed ingredients.
Bake in 9" x 13" pan for 35 minutes at 350 F.

Icing

1 cup brown sugar
3/4 stick oleo
2 T. milk
Boil all together for 1 minute.
1 teaspoon vanilla.
Stir in one can coconut. Spread on while cake is hot. Add pecans if wanted.
Actually this cake was called an oatmeal cake to begin with but the flavor is so elusive and hard to pin down that I decided to call it the mystery cake instead.

Recently we have had occasion to have a Latin American man to do some work around the place and it has been a pleasure to have him. He did his work so cheerfully he almost made me feel that we were doing him a good turn, even while he was digging in rock with a crow bar.

I'd like to know the person or the people who taught him his little bit of English. They were happy people and his lilting accent testifies to the fact. Everything was "good", "wonderful" and one piece of concrete work he did was "superb" according to his description. Children and students usually sound like their teachers. This means teachers are to be commended.

Home Demonstration clubs over the county have started their fall meeting schedule with an unusually good show of interest and enthusiasm. September meetings were labeled "Making Sense Out of the Food Dollar."

The homemaker today must not only be able to do, she must know. These meetings dealt with facts of food economics. We figured, together, that it is not giving the farmer fair play to assume that he is getting all the food dollar.

Broken down, it actually goes like this:

Farmer	40c
Laborer	32c
Hauler	7c
Adv., packager, merchant	21c

All of this is of course, gross income; what a man nets depends on lots of things such as the breaks of the weather, public demand, managerial ability.

Buying food today can be the same, dull, dreary job for some people or it can be fun and an opportunity for others. That is left up to the individual. Over 40,000 items may be found in a big super market and food experts say that by 1970 there will be over 60,000 items in one store.

If it makes any difference to you what your food cost is, watch these things. (Notice that I say food bill rather than grocery bill. A grocery bill covers too much ground.)

Know something about nutrition. How can you do an intelligent job of buying food for your family if you know nothing about the needs of the family? Even 4-H boys and girls who are feeding calves and lambs know the whys of the rations they mix up for their animals.

Plan menus. Keeps the hamburger and fried potatoes from showing up too often; helps you to buy more economically.

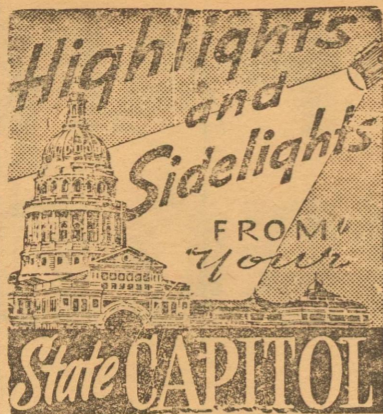

Always shop with a list. Impulse buyers, the ones without a list, spend much more than they think they are, or intended to.

Shop when the fewest people are in the store. Gives time for leisurely study and looking.

Take advantage of sales. A man in the food business can't afford to pawn poor food stuff off on people—he makes his living by keeping customers.

Remember that food which is not eaten is no bargain. I don't care if you get it free. Try to make every meal as good as it can be; it's worth it.

And last—don't forget that food today is our best bargain. Cars, houses, clothes and land have all gone up much more in proportion than food has. Good eating to you!

Austin.—Land Commissioner Jerry Sadler plans to fight the proposed bill to create a National Seashore Area on Padre Island when it comes before the State Legislature in 1963.

Congress voted the long-debated bill, but Texas legislators will have to approve the project.

Sadler contends that the Federal government will be grabbing a lot of state oil under Laguna Madre. Sponsors retort that this isn't so, that the U. S. law specifically provides that oil rights are to be retained by present surface owners.

Polio Report
Dr. J. E. Peavy, State Health

Buy It In Eldorado!

Commissioner, reported that Texas has had 158 cases of paralytic polio this season. State's cases are almost half as many as in all the rest of the nation combined.

Total number of polio cases has risen to 206 to date.

Without the mass immunization campaigns, he said, the Texas number undoubtedly would be much greater.

The Health Department recommended that oral vaccine types I and II be continued and accelerated; that type III be limited to preschool and school age children except in type III epidemic areas where it should be given to all age groups.

Highway Construction Safety
Traffic deaths on highway construction projects in Texas reached a five year low in 1961.

Credit for the good showing is given to a cooperative effort undertaken in 1958 by the Texas Highway Construction Traffic Safety Committee.

School Integration
School boards cannot integrate without a court order or an election, ruled Attorney General Will Wilson.

The opinion went to Dr. J. W. Edgar, State Commission of Education, on a question raised by the Yoakum School Board.

Short Snorts
