Antlerless Deer Permits Again To Be Issued Here

According to Schleicher County Game Warden Bill Works antlerless deer permits will again be issued in this county on Thursday and Friday, November 5th and 6th. Approximate issue rates will be one doe to 200 acres.

The permits will be issued at the court house during the hours of 8:00 a.m. to 5:00 p.m., on those two days at a ground floor office in the court house.

Also on Thursday night a meeting will be held at the Memorial Building to which land owners, Chamber of Commerce members and sportsmen are invited. Land owners will be able to get their shooting preserve books at this meeting, and sportsmen will be able to get antlerless permits.

The meeting is due to start at 7:30 p.m. Present will be Jack Thomas, wildlife research biologist who will bring a related message.

Robledo Sentenced

A jury Monday found Rumaldo Robledo, 28, guilty of fondling a 13-year-old girl and sentenced him to a year and a day in the penitentiary.

This was the first case tried the opening day of Judge Joe L. Mays' 51st District Court.

Robledo was defended by Atty. Wm. C. McDonald of San Angelo.

Oil News

Clyde Keeney's shallow oil well is being put back on production.

According to Mr. Keeney, the lease on his section has been taken up by P. S. Dudley of Eldorado after it had been dropped by the Tennessee Gas Co. Dudley has installed pumper equipment and storage facilities and the first day's pumping produced around 50 barrels.

Forward Oil Co. of San Angelo dug the well over a year ago on a farm-out from Tennessee. The well was abandoned after a series of production troubles and finally the lease was dropped.

Palmer West reports that the C. C. West estate section has been leased to Delta-Pauley. The lease had reverted back to the West family when the former operator was unable to carry out the terms of the lease.

Tucker Drilling Co. No. 1 Blaylock, 15 miles north of Eldorado, was declared a dry hole this week. Other reports from early this week include:

Humble No. 4 Williams preparing to take drill stem test.

Chase No. 1 McFall drilling below 6,640 feet.

Gulf started operations on its No. 2 Elizabeth Powell.

Cities Service No. 1-A Meador was 6212 feet in lime.

Cabot No. 1 Whitten taking drill stem test on their well located in the "Whitten draw" near the Merton highway.

Geochemical No. 1 Mertz drilling below 4875 feet in shale.

News Of The Sick

Pat Joiner was taken suddenly ill at the stockyards in San Angelo last Friday night while waiting to sell his stock. He was rushed to the Shannon hospital. Reports Wednesday were that he was much improved.

Ben Biggs is expected home soon from the Shannon hospital where he is convalescing nicely since undergoing surgery last week.

Mrs. Elton McGinnes is improving at the Clinic-Hospital in Sap Angelo.

Peggy Spencer has been ill most of the time since she enrolled at Sul Ross, Alpine, for the fall semester, having been able to attend classes only one day. She was brought to the Sonora hospital last week and transferred to the Shannon hospital in San Angelo Tuesday. She was in a coma Wednesday morning.

Mrs. Robert W. Moore is improving from surgery in Shannon hospital.

Local Demos To Attend Tea, Conduct Rally

FORREST HARDING

October 26th is the big day for voters of Schleicher county. Mrs. Lyndon Johnson, Mrs. W. Wirtz, Mrs. John Connally, Mrs. Robert McNamara and Mrs. Orville Freeman will arrive in San Angelo for a tea. A large group from Eldorado are planning to attend. Anyone wishing to go should call Mrs. Dick Preston, phone number 21741 or Mrs. Tom Ratliff, phone number 25541 and rides will be available.

At 7:30 that night a Rally will be held at the Memorial Building. Friends of Joe Foy and Rep. Forrest Harding and everyone interested in good government is urged to attend. There will be free baby sitting available for those who do not care to bring their children.

Call Kay Peters, phone number 24801 or Kay Sanders, phone number 25201 and they will make the necessary arrangements.

There will be refreshments served and a chance to speak with our guests, local Democrats said.

Ginning Resumes Following Wet Spell

A wet norther over the week end brought about one-half inch of moisture to the county. Although it halted the cotton harvest it was welcomed by ranchers and farmers as well.

Slow moving cotton gathering was resumed Tuesday and gin total here at noon yesterday was 380 bales.

Farmers could use many more pickers and even at the gin they say they are short handed. The gin continues to be idle during the forenoons, operating only during the afternoon and evening.

Johnson-Humphrey Office Opened Here

Local promoters of the Johnson-Humphrey candidacy were busy Tuesday morning opening an office in the small building just east of Parker Foods which formerly housed the telephone office.

Pamphlets, posters, bumper strips, buttons, etc., all promoting the candidacy of Lyndon B. Johnson and Humbert Humphrey, who head the Democratic ticket, will be available.

The office will be kept open each week day from 1:00 to 5:00 p.m. and all day on Saturdays. Sample ballots are available at the office.

Cub Scouts To Meet Tonight

Cub Pack No. 18 will have its monthly pack meeting on Thursday night, October 22 at the Memorial building at 7:00 p. m. Thirteen new boys will be inducted into Cub Scouts as they take part in the Bobcat ceremony. These are Kim Branham, Charley Davidson, Jimmy Deaton, Johnny Hanusch, David Haynes, James Holley, Larry Holsey, Benjie Jay, Joey Jones, Gene Nixon, Kenneth Peters, Mike Prater, and Joel Windham.

One other new boy is welcomed into Pack 18, Bobbie Joyce, who moves from a pack in Hobbs, New Mexico. Besides the Bobcat awards other awards will be given to boys for their various achievements. All Cub Scouts and their parents are encouraged to attend the Pack meetings.

Post Script

We're coming into the home stretch in regard to politics.

Just this week, the Lyndon Johnson For President headquarters opened in the small building on Gillis street across from Foxworth-Galbraith and east of Parker Foods.

This is the second week that the Goldwater headquarters has been in operation in the old Wiedemann clinic building on the San Angelo highway.

You are welcome to drop in at either place to learn more about the candidates.

Both offices have pictorial posters, pamphlets, buttons, bumper stickers, etc. Some items are given free to persons wanting them, while a small charge is made for other things.

Your cash contribution, too, is welcome at either of the local headquarters. This year, as never before, it takes money to run the campaign.

New pep and confidence was generated in the Eagles and Eagle fans last Friday when they upset the favored Sonora Broncos by a score of 6 to 3.

Many of us were uneasy in the last minute of play with the Broncos making a desperate drive for another score down near our goal line, and it was a big relief when the final whistle sounded.

Tomorrow night the Eagles meet the Iraan Braves here on our grounds and we have a feeling that our boys are going to need all the intestinal fortitude they can muster if they are to come up on top again.

Something has been happening to the Iraan Braves this year. In the past two weeks they beat Rankin and Sanderson, and the Iraan News last week enthusiastically described them as "still being on the warpath." I just have the feeling that they are coming here tomorrow "loaded for bear."

—ps—

James Williams reported Tuesday that as of then, the fund drive for the Concho Valley Council of the Boy Scouts of America had raised \$653.50 in donations and pledges.

Some workers have yet to turn in their cards, so the drive is incomplete.

With our subscribers: Mrs. Ethel Gunn is back in Eldorado after spending several weeks in Durant, Oklahoma.

Mrs. T. E. Parson has moved from Brownwood to Route 2, Blanket, Texas.

Mrs. Truett Stanford has entered a new subscription for her sister, Mrs. W. B. Means, of 5503 Valerie, Houston, Texas.

Mr. and Mrs. Harold Skaggs, Jr., are new subscribers at 124 Pompano, Galveston, Texas 77550. Mrs. Skaggs is the former Judy Hext.

L. L. Lacy has moved here with his wife and taken over management of the barber shop just north of the bank.

—ps—

The James Reyenga family have moved to Emmett, Arkansas, where he has gone to work as a carpenter's helper. Mr. Reyenga has been bookkeeper here at Foxworth-Galbraith Lumber Co.

Former Resident Dies

Fred Riley received a telegram this week telling of the death in Arlington of Harold Wright, who was here in about 1947 with Southern Geophysical.

Mr. Riley and Calvin Henderson worked for Mr. Wright while he and his wife lived here. Mrs. Wright was employed at McMillan Cleaners.

Mr. Wright's funeral was held this week in Arlington.

Historical Group To Meet October 29th

A meeting of the Schleicher County Historical Society has been called for 3:00 p.m. Thursday, October 29th in the Memorial Building.

Judge W. R. Bearce announced the meeting this week and invites all persons interested in local and area history to attend.

Tough Competition Expected From Iraan Here Tomorrow Nite

Other Games Tomorrow Night

Last week at this time there were three undefeated teams in 8A—Sonora, Big Lake and Ozona.

Ozona and Big Lake won their games last Friday, while Sonora received a surprising upset from Eldorado. Now comes Big Lake playing at Ozona tomorrow night and that contest will leave one of them the top-dog in the district.

Sonora plays at Junction tomorrow, and Rankin goes to Sanderson.

To Crown Band And Football Sweethearts

During half-time at the Iraan game here tomorrow night, the Band and Football sweethearts will be formally introduced and crowned in ceremonies on Eagle field.

The football captains will crown the football queen and one of the bandmen will so recognize the band sweetheart.

Identity of these two sweethearts is kept secret until the half-time of the game.

It will come as no great surprise to learn that open season or no, a band of Indians will arrive in Eldorado tomorrow on nothing else but an Eagle hunt and in this instance a very purposeful one. The Crimson and Black uniformed Iraan Braves will make up a very rough and ready set of hunters with a four-win vs two-loss record for the 1964 season and it is worthy of examination, even thoughtful examination.

They have defeated Grandfalls, 42-0; McCamey, 14-9; Rankin, 23-16; and Sanderson, 26-8. They have lost to Big Lake by a 27-6 margin, and to Sonora by 18-14. They pose a definite threat to Coach Barnett's Eldorado Eagles since they have good strong personnel and in the fact that they are using one of the strongest yet oldest offensive formations ever known in football: i.e., the "Single Wing."

Their offensive starting lineup goes as follows:

No.	Name	Pos.	Wt.
80	Orville White	LE	165
60	Edwin Sullivan	LT	159
15	Ray Harper	LG	123
73	Jackie Buchanan	C	185
63	John Word	RG	148
75	J. W. Blackwell	RT	198
62	James Coots	RE	164
20	Abe Ramirez	RHB	134

Eldorado 6; Sonora 3

Statistics of the Bronco - Eagle football game last Friday night reflect only the shattered hopes of the Broncos among the 1964 8A leaders. Immediately comes to mind the bitter old quotation: "The saddest words of tongue or pen, consist of these; it might have been." But it wasn't.

Eldorado	Sonora
9 First downs	13
69 yards rushing	157
99 yards gained passing	57
168 Total yards gained	214
6of11 Passes completed	4of8
0 Passes intercepted by	1
0 Fumbles lost	1
4for60 Penalties	5for55
3for36 Punts ave. distance	3for43

It really doesn't take long to suffer a disaster. That's what the Broncos learned Friday night when a lightly regarded non-descript team of Eldorado Eagles, several of whom were just up from injury-enforced idleness, flatly denied the Broncos a single excursion over the Eagle goal line and then blasted their way by air and by land to score a crushing touchdown to wither Bronco hopes for 8A glory even another day.

Sonora got within a yard of the Eagle goal line in the first quarter but the Eagle contenders became so contentious that the Broncos optimistically settled for a field goal. Their successive scoring opportunities were wrecked then by

Eagle defenders who became increasingly "hard nosed" about the sanctity of Eagle territory.

It's hard to see what linemen do other than swap bruises for low yardage, but Sam Henderson and other Eagle defensive backs became so boisterous that two or three Sonora ball carriers found the game a bit too exuberant and left the contest with bumps and bruises. An Eagle defensive lineman, Beep Cain, dealt Bronco Quarterback Bill Elliott, a severe buffet and purloined the ball, this capture blunting a determined Bronco drive.

The first quarter ended with Sonora out front 3-0. Then QB Scott McGregor selected some lightning bolts from the bucket at his disposal and Halfbacks Ronnie Griffin and Monte Montgomery assisted by pass receiver Captain Richard Preston blasted out 60 yards with Montgomery blazing the last ten yards through a dazed herd of Broncos. This put the Eagles out front 6-3; and that was how long it took to suffer a disaster.

The rest of the game featured Eagle defenders and their hard hearted attitudes towards Bronco tourists. Defensive secondary members Charley Nixon, Steve Blaylock, Jim Belk, and Captain Mike McCravey and with Captain Bobby Halbert between tackles promptly and enthusiastically smacked down Bronco momentarily breaking thru first line defensive stand manned

Their defensive posture will feature a five-man line which will be formidable in weight as well as experience. Junior J. W. Blackwell, 198 pounds; Senior Danny Heath, 187; Frank Heath, Sophomore, 208; Jackie Buchanan, junior, 185; and Junior Sammy Shaw, 179 pounds will probably be first to remonstrate with would-be Eagle ground gainers. They employ three linebackers, two corner men, and a safety who plays close to the line of scrimmage. This is essentially the ancient "7-diamond" defensive formation. When threatened severely, they often go into an 8-man line in an effort to "blitz" the opposition backs before they can develop their play.

They have 10 lettermen, five of whom are juniors and five seniors.

Earlier in the season, their singling formation excited considerable comment among area sportswriters. It appears to be an authentic version of Glen Scobie Warner's unbalanced formation and is particularly powerful with off-tackle plays in which it will appear that everybody in the Iraan grandstand except the president of the board of trustees will join in the Indian interference. This is merely an illusion.

Actually four but possibly five blockers will precede No. 21, John Joy, called a tall back since he is farthest back from the center and in theory can run, pass, or kick from the formation.

Defects in this formation are principally that everybody sees the ball snapped back and there is less deception than with more modern versions; and that plays though very powerful develop relatively slowly.

To be defeated by a team using this formation is like being demolished by a muzzle loading cannon: crude as it may appear, it is still deadly.

Eagle starters will probably be as usual: Ricky Jones and Captain Richard Preston at ends, Captain Mike McCravey and Joe Phillips at tackles, Jim Belk and Steve Blaylock at guards, Captain Bobby Halbert at center, Ronnie Griffin and Monte Montgomery at halfbacks, Sam Henderson at fullback, and Scott McGregor at quarterback.

Defensive changes will be routine.

It appears that tomorrow night will feature crisp weather guaranteeing a demand for hot drinks at the concession stand, probably some asperin, something to blunt the edge of the seats, but no adrenaline in this facet of play in "Savage District 8A" competition.

Bandmaster Eddie Pace's Eagle Band is hitting its peak but members will be strongly challenged by the Indian musical tribe who through the years have been particularly skillful in this area of school activity.

Miss Humphries Pledges Accounting Fraternity

BETTY HUMPHRIES

Betty Humphries, daughter of Mr. and Mrs. C. T. Humphries, has been selected to pledge membership in Beta Alpha Psi, national honorary accounting fraternity.

The purpose of the organization is to encourage and foster the ideals of scholarship and service as the basis of the accounting profession. Another purpose is to develop high moral, scholastic, and professional standards for its members and the profession in general.

Miss Humphries, a junior accounting major at Baylor University, was recently awarded the Charles D. Johnson-Alpha Omega Business Scholarship.

She is historian of Alpha Lambda Delta, Freshman women's honorary society, treasurer of Theta Chi, professional business women's organization, and a member of Kappa Theta Social Club.

Miss Humphries was on the dean's distinguished honor list both semesters last year and the summer session this year. She was valedictorian of the 1963 graduating class of Eldorado High school.

Mrs. Ratliff Attends Funeral in Wood County

Mrs. J. L. Ratliff left Friday to go to Wood county to attend the funeral of her former husband's mother, Mrs. E. L. Faulk, 80, of Winnsboro.

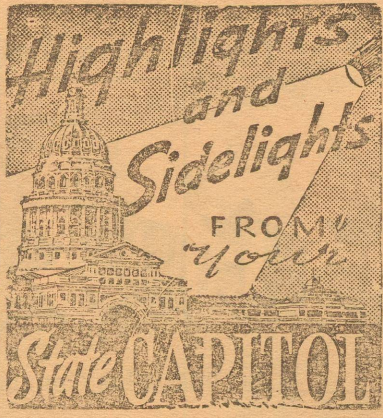

Mrs. Faulk was a lifelong resident of Wood county. She was the mother of seven children, four of whom preceded her in death.

She died in a Pittsburg, Texas, nursing home.

Mrs. Ratliff spent Friday night with her daughter, Mrs. R. H. Cannon and family of Burleson. After attending the funeral in Winnsboro on Saturday, she visited her sons, Lee Faulk and Carroll Faulk and their families in Dallas before returning home Sunday.

Mr. Ratliff stayed with his son and daughter-in-law, Mr. and Mrs. Tom Ratliff while Mrs. Ratliff was away.

Mr. and Mrs. Gene McCalla, Beth and Mary Lyn spent the week end with the Wm. Jarrett family in Lovington, N. M.

Austin.—An increase of \$107 million in state expenditures for higher education and doubled tuitions in state colleges and universities is proposed.

Texas Commission on Higher Education recommends a \$457,100,000 budget for upper level institutions during the 1965-67 biennium. Figure includes \$307,500,000 for 22 state supported seniors colleges and universities.

Tuitions under the Commission's recommendation would be hiked from \$50 to \$100 a semester. Last increase was in 1957, when the rate was raised from \$25. If the Legislature approves this hike, revenues would be boosted \$33,000,000—leaving some \$74,000,000 more needed from tax funds.

Overall budget increase of 45.2 per cent would permit a 23 per cent faculty salary raise. Previously, the Commission had asked for a \$5,900,000 supplemental appropriation for faculty salaries. The Commission also recommended the "phasing out" of Texas Southern University's law school.

Connally Gets New Job

Gov. John Connally returned from the Southern Governors' Conference in San Antonio with a new honor and a new assignment.

Already chairman of the National Democratic Governors' Caucus, he was unanimously elected chairman of the Southern Conference of chief executives.

In a three-day session, the governors discussed a variety of state problems and adopted 14 resolutions. Among the latter was one urging a federal constitutional amendment to permit states to take other factors than population into consideration in reapportioning their senates. Resolution was aimed at nullifying a U. S. Supreme Court decision ordering both houses of state legislatures apportioned on the basis of population alone.

Three governors blocked action on Alabama Gov. George Wallace's resolution calling on the federal government to leave operation of public schools entirely in the hands of states.

Texas Bids For Nat'l Convention

State Democratic Committee has authorized Chairman Marvin Watson of Daingerfield to enter a bid for the 1968 Democratic convention in Texas.

Watson will name a committee to consider possible host cities.

Textbook Protests Aired

Witnesses protesting adoption of three high school biology textbooks charged that evolution is an atheistic, unscientific and materialistic theory that should not be taught

in public schools.

State Textbook Committee took protests into consideration after a public hearing. Actually, eight books on the list were opposed. Principal targets were the three books developed by the National Science Foundation.

Oil Production Figure Set

Texas Railroad Commission set oil production for November at 28.4% of potential.

Figure represents a slight increase over October, which was limited to 2,860,000 barrels daily under a 27.9% of potential order.

Mental Health Plan Completed

A statewide citizens committee has approved a new program of mental health services.

Earlier, a steering committee had recommended creation of a single agency—Texas Department of Mental Health—to administer state-financed mental health services, including all mental hospital facilities.

Missing pieces in the Texas plan included facilities, financing and administration.

Hale County Judge C. L. Abernathy, chairman of the 112-member general planning committee, said efforts will be stepped up between now and next January to inform the public and officials about the recommendations which will be submitted to Governor Connally and the 59th Legislature.

Park Land Acquisition Urged

Parks and Wildlife Commission Chairman Will Odom said Texas may lose up to a third of its park land during the next 80 years because leases are expiring.

Odom called for a program of land acquisition to prevent loss of needed acreage when he spoke at the State Conservation Conference.

Earlier, he had lauded Gulf States Marine Commission for efforts to develop the fishing industry and bring sea resources to the public for general benefit.

Screwworm Battle Big Success

The screwworm eradication program, which was conceived by individual livestock producers in Texas and later embraced by State and Federal animal health authorities, now is such a big success that only 102 cases of screwworm infestation have been reported in Texas this year. This compares to 3,000 by this time in 1963, and 50,000 cases in the last half of '62.

According to Dr. Seymour J. Smith, state supervisor for the sterile screwworm plant in Mission, the picture is even brighter than those figures indicate because reporting of cases by farmers and ranchers has improved more than 100%.

Employment Up

Employment statistics from the Texas Employment Commission shows a big increase in August. There were 3,322,300 jobholders in the non-farm category in July, compared with 3,325,600 in August. More significant was a drop in unemployment: 152,500 were looking for work in August, compared to 159,500 in July, and 174,500 in August of 1963.

Ola Mae McDonald Attends WTU Women's Conference In Angelo

Two hundred women convened in San Angelo Sunday and Monday for the 10th annual Women's Conference of West Texas Utilities Co. They are a portion of the women personnel of the company, and come from more than 50 of the towns in its service area.

Attending from Eldorado was Ola Mae McDonald.

The conference is an annual workshop established ten years ago to develop leadership qualities in women office workers with the basic objective of helping them serve the public better. Since the meeting is held on a business day, women employees alternate from year to year with a portion remaining on duty while the others attend the session.

The business session opened at 9:00 Monday morning in the Cottillion room with Beulah Peiser of San Angelo presiding. Leannah Huddleston of San Angelo, in her opening remarks, presented the Conference theme "Singing Wires" followed by the address of welcome by Charles C. Coombes, Jr., WTU district manager.

The main address of the morning was given by J. F. Longley, WTU executive vice president of Abilene, with the subject "To Keep the Wires Singing." A film followed, called "Cashing in on Singing Wires" which was narrated by Polly Chitwood of Abilene.

The value of the annual Women's Conference was summarized by Program Chairman Leannah Huddleston of San Angelo, who said, "We know a company is judged by its people, and these sessions make us better representatives of WTU. We exchange ideas, listen to program features, and go back to work filled with inspiration and enthusiasm to serve our customers better than ever before."

Committee On Aging Proposal

Governor's Committee on Aging, chaired by State Senator Walter H. Richter of Gonzales, will ask the next Legislature to establish a permanent Texas Commission on Aging.

Purpose of the Commission would be to work with community groups interested in the problems of Texas' senior citizens and to coordinate efforts of local organizations with those of state agencies.

Short Snorts . . .

State Savings and Loan Commissioner James O. Gerst postponed until December 15 the hearing on an application from Portland Savings and Loan Association.

Attorney General Waggoner Carr filed two more suits alleging slant-hole oil well activities in five Rusk County wells against H. L. Long and J. K. Maxwell, both of Kilgore.

A highway program even larger than the present one will be needed for Texas in 1972, according to T. Lawrence Jones, deputy federal highway administrator.

Reynolds H.D. Meets

The Reynolds Home Demonstration Club met with Mrs. B. J. Reynolds with 7 members and the agent present.

The president, Mrs. J. Tom Williams, presided. The roll call was answered by "What I think would be a perfect Christmas gift."

The Reynolds club went on record of being in favor of helping with a county-wide T.B. test.

A bake sale was discussed for Nov. 3.

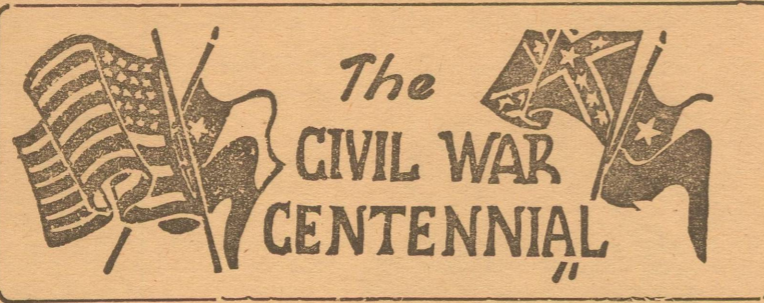

The thought for the month is cheerfulness, good will and kindness.

Mrs. Williams read an article on Mrs. Krecklow's receiving the distinguished agent's award.

We feel honored in having such a wonderful person for our agent.

After exchanging ideas for Christmas gifts we cut 7 pairs of pajamas for the McKnight hospital. Each member is to make a pair and donate something for the McKnight Christmas box and have it ready by Dec. 1.

Next meeting will be Nov. 10 with Mrs. Bob Reynolds. —Rep.

Had it not been for an act of the Texas Legislature in 1897, there would today be 38 Texas counties named for the state's prominent Confederates instead of 37.

Buchel County, created in 1837, was named for Brig. Gen. Augustus Buchel, who died of wounds received at the Battle of Pleasant Hill, La., on April 15, 1864. The county was attached to Brewster County for surveying purposes after its creation from Presidio County, but in 1897, was abolished and its territory included in what is now Texas' largest county.

Buchel was born in Germany and educated in one of the finest French military schools. While there he met a representative of the Turkish Army and accompanied him back to that country where he became an instructor with the rank and pay of a colonel.

Described as "scholar, soldier and Christian..." Buchel refused to give up his Christian faith and this kept him from advancement in the Turkish Army. He later participated in the Carlist War in Spain, was knighted by Queen Christiana, and awarded the Order of the Golden Cross for his services.

He came to Texas in 1845 after service in the German army, settling at Indianola. Soon Buchel was

off to war again, this time in command of a company of men in the Texas Regiment commanded by another future Civil War hero, Albert Sidney Johnston.

The "quiet and unassuming little man," as Buchel was described by a visiting British official, spoke French, Turkish, Italian, German and English and gained a place on the staff of Gen. Zachary Taylor where he helped plan and execute the Battle of Buena Vista. It is said that had President Taylor not died shortly after becoming President, he would have appointed Buchel minister to Brazil. Instead he was given a comparatively minor post as customs collector for the Port of Lavaca.

Buchel was at Brownsville when the Civil War broke out, having taken a company of men there to protect the Texas boundary against the raids of Juan N. Cortina, a Mexican renegade. Later, he was commissioned a lieutenant in the Third Texas Infantry Regiment, moving later to the command of the Third Texas Cavalry Regiment.

In 1864, when the Union armies under Gen. Nathaniel P. Banks began moving toward Texas during the Red River campaign, Buchel took his regiment to Louisiana where they participated in the Battle of Pleasant Hill on April 9. His regiment, along with that of X. B. DeBray, were led across an open field by Brig. Gen. Hamilton B. Bee and were caught in a cross-fire by the enemy whom they thought to be in retreat.

DeBray's men were ordered to retreat, but Buchel ordered his regiment forward. His horse was shot from under him and he received three wounds in the fighting, any one of which would have proved fatal. Captured briefly by the enemy, Buchel was later recovered by his men and died in their midst on April 15, 1864, at Mansfield, La.

He was later buried in the state cemetery at Austin.

On The Screen . . . Collegiate Hi-Jinks For Young at Heart

Once the viewer is convinced there are no Academy Award intentions behind "For Those Who Think Young," it's relaxing to sit back and enjoy the 90-minute campus-flavored film romp which is in color and which comes to the screen of the Eagle Drive-In Theatre Saturday and Sunday nights.

Pamela Tiffin and James Darren head a cast of bright, shiny faces, but there is a sprinkling of old-timers in cameo roles to satisfy the middle-age crowd. Look fast and you'll see George Raft, Allan Jenkins and Jack LaRue.

"For Those Who Think Young" has a plot which any youngster can follow. Darren is the richest kid on the campus. Miss Tiffin is being put through school by her uncle—a broken-down comic portrayed by TV's Woody Woodbury. His act, and Tina Louise's strip number, have made his club a favorite with the hip collegiate set.

Looming in the background is Grandpa Edgar J. Cronin, young Darren's beetle-browed source of revenue who wants him to wed an aristocrat. When he discovers his grandson is romancing a comic's niece, he decides to act fast.

The night club is set up as a target for a framed police raid.

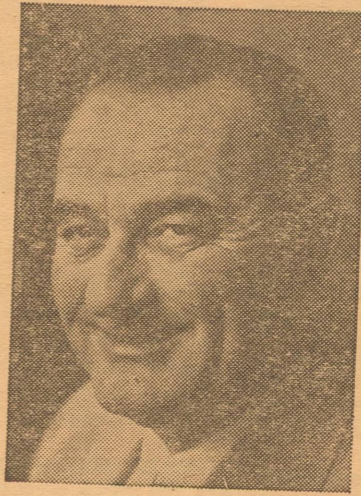

If uncle is out of work, his niece will have to move to another school. Get it?

Between the discovery of the romance and the raid led by detective Raft, there is ample time for a wild beach party, some fantastically beautiful color shots of surfers riding the breakers and Darren's moonlight visit to a sorority house. The latter is inhabited by such types as Nancy Sinatra and Claudia Martin, offspring of the celebrated crooners, who were making their Hollywood debuts in minor roles.

Ding Pruitt III.....James Darren
Sandy Palmer.....Pamela Tiffin
Woody Woodbury.....Himself
Sid Hoyt.....Paul Lynde
Topaz McQueen.....Tina Louise
Karen Cross.....Nancy Sinatra
Sue Lewis.....Claudia Martin
Edgar J. Cronin.....Robert Middleton

Lyndon Johnson

is to
blame for
all this . . .

1. BUSINESS PROFITS, AFTER TAXES, ARE 18% HIGHER THAN ONE YEAR AGO.
2. OUR SPACE PROGRAM.
3. CAPITAL INVESTMENT IS UP 12% OVER LAST YEAR.
4. ONE MILLION MORE AMERICANS EMPLOYED TODAY THAN ONE YEAR AGO.

While the Republican standard bearers have been traveling over the country criticizing him & engaging in personal attacks, Johnson has remained on the job, working for America. Judge for yourself: Which one is the "faker"? Which one is the "phoney"?

Plan now to attend the Democratic Rally on Monday, October 26 at 7:30 p. m. in the Memorial building. Forrest Harding and Joe Foy will be speakers.

"Oh brother, is this contraption ever a monstrosity! Can you imagine finding space to put one of these, or even actually using it? This old 1901 Peck-Williamson water-heating stove and clothes dryer can't hold a candle to the modern, automatic, flameless electric clothes washers and dryers. Besides being completely automatic and flameless, they save so much time and energy. The electric dryer alone saves 3 hours weekly of the housewife's valuable time which she can spend with her family and clothes come out so soft, fluffy, and easy to iron, there's no telling how much time is saved just on the ironing board.

Sixty-three years sure makes a lot of difference. Visit your electric appliance dealer or the nearest WTU office."

Tony Clark Named All-Around Cowboy

Tony Clark, 17-year-old son of Mr. and Mrs. A. A. Clark of Eldorado, won "All Around Cowboy" at the Future Farmers of America Rodeo held at Uvalde on October 9 and 10. This is the third year Tony has won this title in Junior rodeos during the six years he has participated in them. He was elected Bull Director of the American Junior Rodeo Association for the second year at Odessa in August, also. Tony is a sophomore in the local high school. He was accompanied by his father and Dee Williams to the rodeo at Uvalde. Texas' first Capitol was at Bell's Landing on the Brazos River. Hurricane winds of 132 miles per hour have been recorded in Miami, Florida. Avoid leaving air pockets around the roots when transplanting balled plants. John Brown had 18 men with him on the Harper's Ferry raid.

during the evening by Captain Mike McCravey, Joe Phillips, Beep Cain, John Mayo, Wayne McGinnes, and Captain Richard Preston. Eagle punter Carley Nixon was outdistanced by Bronco QB Bill Elliott but Nixon's masterful out-of-bounds kick in the closing seconds of the game helped complete the Bronco debacle. The Eagles threatened three times during the contest, twice by land and once by air. It seemed a pity for two thrilling runs by Halfback Montgomery and one by Halfback Ronnie Griffin to be wiped out by official decisions. Griffin lowering his head and incidentally the boom on the tackler who finally brought him down in classic fashion. Eagle fans grumbled several times over official omissions as well as decisions such as clips out in the clear and within a few feet of an official. There is a lingering doubt in two Eagle players' minds but that the try for two points after the touchdown was good. Official opinion whistled it down and ruled it no good; but the ball carrier saw the goal line beneath his feet.

The Eagles would not get discouraged about bad breaks and just kept playing rougher until the clock ran out and Sonora's place among 8A elite was gone. Nobody has been able yet to remember the last time the Eagles "whopped" the Broncs in Sonora, nor when the Broncs last "whopped" the Eagles in Eldorado. It could have been a long time ago. As usual Bandmaster Eddie Pace's Eagle High School band outsparkled their crimson-uniformed counterparts, big white stetosoms and all. And it was a beautiful night yet few persons worried about the edge of their seats, or to take an aspirin or not. There wasn't the faintest doubt about needing adrenaline; it was there.

Carnival, CROP Appeal, Set For Halloween

Young people from local churches will conduct a Trick-or-Treat appeal for cash for the Christian Rural Overseas Program, and the Parent-Teacher Association will stage a carnival on Halloween night here in Eldorado. The Ministerial Alliance will sponsor the C.R.O.P. appeal again this year. Plans call for church young people to meet at the Presbyterian church and then canvass the town between 6:00 and 7:00. The Halloween carnival will be the first to be held here in several years and is expected to attract considerable interest. It will be the main money-raising event of the year for the P-T-A. The room mothers of all the classes at school have been at work for some time on articles to be sold at the carnival. Further details on both of these events will be given in next week's Success issue.

Jimmy Daniels has moved to the Albert Bailey house.

Plans Moving Ahead For Halloween Carnival

Mrs. Gene McCalla, finance chairman for the PTA, and all the room mothers are at work on a Halloween carnival to be held October 31st in the Memorial building.

There will be movies, food, a street dance, a spook house, pick-pockets, fortune telling, fishing pond, games of all kinds and fun and goodies for all ages.

Anyone wishing to make a donation or lend assistance please notify any room mother. There is a need for bubble gum, suckers, balloons, cakes, pies, what-nots, jelly glasses, home canned foods, hats, candles, funny books, homemade candy, pop corn balls, etc.

For further news, information, and reports on the spookiest carnival ever, watch the Success.

Lions Club Meets

George Barnes of San Angelo presented the program on Girl Scouting when the Lions club held their regular meeting yesterday in the Memorial Building.

Mr. Barnes discussed the current program now being conducted by the Frontier Council of Girl Scouts, which takes in this county and 9 others, and which is to be expanded both in area and in scope next year.

The Lions club is the sponsoring institution for local Girl Scouts.

In the business session, at which Ray Boyer presided, Jack Bell and Ronnie Giles were voted in as new members. Guests included J. B. Morris of San Angelo and A. E. Prugel of Sonora.

Pink & Blue Shower

Mrs. Bert Bruton was honored with a pink and blue shower last Wednesday, Oct. 14 at the home of Mrs. C. E. Ham in Big Lake.

Hostesses were Mrs. C. E. Ham, Mrs. John Patterson, Mrs. Jason Pettit, Mrs. E. B. Dedeker, Mrs. Jack Ham and Mrs. Luin McWilliams.

Favors were storks made of safety pins and marshmallows, and the house was decorated with fresh flowers. Cake was served by Mrs. McWilliams, and punch by Mrs. Dedeker.

Letters to the Paper

JUST THINKING . . .

Not to take any glory away from the terrific game played by the football team last Friday night, but there is another group of youngsters who work just as hard and just about as long hours, but are all too seldom given the publicity and credit they deserve—namely, the band, the majorettes, and the cheer leaders. Those beautiful, near-perfect precision drills executed by the band and majorettes last Friday night would have done credit to any high school, anywhere. Furthermore, the music itself possessed a marked degree of precision and sharpness. Many were the sincere compliments heard voiced in the Sonora stands. It is regrettable that the majorettes of the Eldorado band were not introduced individually, as is the usual practice in other bands. They are excellent. Matter of fact, I don't believe their names were mentioned at all.

The cheer leaders, too, practice many hours and expend a lot of strength and energy at the games to provide that spark for organized cheering which adds the extra zip to any game. Could not their names be mentioned at the beginning of the game?

While it is encouraging to the football boys to see their pictures and names in the paper regularly, would it not be just as fair to the other hard-working groups to run in the paper, perhaps a few each week, all their pictures?—And to mention the outstanding work they are doing? And while we are at it—how about other students who are outstanding in other fields? —Florence Harris.

Sir: You have printed many letters citing the excellence of Senator Goldwater, with all of which I heartily agree. After his splendid speech over TV Tuesday night I feel I must add my enthusiastic "two bits" worth.

Senator Goldwater has been criticized for not facing any definite "issues" in this campaign. Surely the most important "issue" which faces our nation today is the dreadful decline in morals—public and private, throughout the country. We condone such lack of morality when we do not openly condemn it and Senator Goldwater's pledge to fight this situation starting "at the top" by example, as well as precept, should win him the votes of all of us.

B's Defeat Sonora

The scrapping Eldorado "B" team came from behind last Thursday night to beat Sonora 8-6. This is the first win for a team plagued by injuries, with one tie and three losses. They have played excellent defense but could never get their offense rolling. In the Big Lake game two weeks ago, quarterback Rusty Meador was injured thus leaving the team without a signal-caller. So against Sonora Coach Bell's team came out in a spread with Danny Richardson, David Nixon, Roy Davidson, and Jay Halbert in the backfield. Chris McCraeve was moved to end and performed well catching 5 passes for 91 yards. Phillip Montgomery on the other end, caught 6 passes for 44 yards. Roy Davidson and Jay Halbert split the passing chores and the total percentage was excellent. Jay attempted 14, completed 10 for 90 yards and Roy tried 5, completed 1 for 25 yards. Total passing yardage was 115.

One of those passes from Halbert to McCraeve was the extra point try that won the game. Rushing the Eagles had 3 ball carriers. Roy carried 9 times for 8 yards, Jay had 7 carries for 56 yards and Danny Richardson had 10 carries and 32 yards. This doesn't include a pass that Danny intercepted late in the fourth quarter and raced 35 yards. As the clock ran out the Eagles were again threatening the goal of the Broncs. Roy Davidson scored for Eldorado from the 1.

Kenny Phelps and Chris McCraeve were credited with 13 tackles. Ricky Buchner had 11, Bobby DeLong 10, Jay Halbert 8, Lonnie Gibson 7, Joe Max Edmiston, Roy Davidson, and Danny Richardson had 6 and Phillip Montgomery had 5. Mickey Pennington had 2.

The Eagles go to Big Lake tonight (Thursday) for the last game of the season. Big Lake scored late the fourth quarter to beat Eldorado earlier this season.

Game time is 7:00 p.m., immediately following the Jr. High game.

N.S.D.A.R. Begins Diamond Jubilee

The El Dorado Chapter of the National Society of the Daughters of the American Revolution met in the Memorial Building Oct. 15 with Mesdames S. S. Shanklin, Lowell Hankins, and J. B. Montgomery as hostesses. The chapter was opened by Miss John Alexander, chaplain, who, also as Flag chairman, led the Pledge of Allegiance to the Flag.

In the business meeting which followed, Mrs. V. G. Tisdale, library board member from the D.A.R., gave a resume of the history of the Schleicher County library. She stated that the Commissioners Court had arranged for more space for the library in the Memorial Building. Miss Ruth Baker, librarian and D.A.R. member, stated that Judge Pearce expected the new arrangement would be begun almost immediately.

Mrs. Ernest S. Goens, regent, read the messages of the President General, Mrs. Robert V. H. Duncan and the State Regent, Mrs. W. C. Dick.

Mrs. Ernest C. Hill, National Defense Chairman, gave an informative talk.

The program chairman, Mrs. J. B. Montgomery, presented the program leader, Mrs. W. F. Meador Sr., who in turn introduced Mrs. Mary Davis Coupe to launch the N.S.D.A.R. Diamond Jubilee Celebration which will last 18 months. She reviewed the beginning of the organization, giving many facts that are not generally known about the National Society. In closing, Mrs. Coupe said, "I believe if our beloved America ever gives up her individuality and submits to World Government dominated by Communists or U Thant it will be over the loud protest of the organization of noble and patriotic women who never 'say die'."

Delicious caramel cake with tea or coffee were served from the regent's table, adorned with a beautiful drawnwork cloth, centered with an arrangement of marigolds and asters.

W. A. Van Dusen Awarded For 20 Years

Mr. and Mrs. W. A. Van Dusen were in Snyder last Saturday to attend the annual banquet given by the Service Pipe Line Company for its employees. The banquet was held at the Country Club in Snyder for the employees of the Snyder district. During the ceremonies, Mr. Van Dusen was awarded a tie-bar for 20 years of continuous service with the company. He started working for the former Pan American Pipe Line Co. at Harlingen, Texas, in 1944. Since then he has been stationed at Quitman, Snyder, Colorado City, and Sterling City besides Eldorado, where he has been located for the last eight years or since the merger with Service in 1956.

Others who have been located at Eldorado and who attended the banquet were Mr. and Mrs. Ernest Thompson who moved to Albany last week, and Mr. and Mrs. Elton Donelson.

Baptist Circles Meet For Mission Study

The women of the First Baptist church met in circles Monday to begin the study of the new mission book, "Frontiers of Advance" by E. Luther Copeland.

Mrs. L. M. Hoover's circle met at the church with Mrs. Jess Blaylock as hostess. The circle made plans to serve at the general meeting at the church next Monday. The lesson was presented by Virginia Vaughan and Mary Robinson. Eleven members were present.

Mrs. Jack Griffin presided over the business session of her circle which met with Ruth Davis at her home. The circle voted to call themselves the Ruth Dickerson circle in honor of the missionary woman doctor, Ruth Dickerson, stationed in South Pakistan.

Jewel Van Dusen led the mission study lesson. Seven members were present and were served brownies and coffee by the hostess.

Mrs. Jack Bell's circle met at her home and decided to call themselves the Annie Sue Cliff circle for a missionary in Japan.

Margaret Rountree taught the first two chapters of the book mentioned above.

The hostess served peach cobbler and tea to the 11 members present including Mrs. Rountree.

It was announced in the circle that a work-shop will be held in San Angelo next Tuesday, Oct. 27 from 9 to 12.

BROWNIES

Brownies Troop No. 41 met Monday. There were 13 present. They practiced the flag ceremony and embroidered tops for pot holders. Billie Bruce was hostess for this week and served cookies and punch—she was also troop reporter.

BROWNIES MET TUESDAY

Brownie Troop 153 met at the Corral room, Memorial Building, Tuesday, Oct. 20. The Brownie Promise was given by each girl and then by the group. A new president, Jo Ann Rutledge, and a new treasurer, Eva Blaylock, were elected.

Refreshments were served by Debra Craig to 15 members and two guests.

Mr. and Mrs. Floyd McGinnes and family of Crosbyton were here last week end to visit Mr. McGinnes's parents, Mr. and Mrs. Sam McGinnes and to celebrate Mr. Sam's 75th birthday which was Sunday.

Mr. and Mrs. Claude Doyle, Mr. and Mrs. Jimmy Doyle and boys spent the week end in Lubbock where they visited Mr. and Mrs. B. J. Etheredge and children and Mr. and Mrs. Jerry Doyle. They all got together at the Etheredge home for a family dinner Sunday.

Mr. and Mrs. W. L. Kinser of Brawley, California, have been here on a 10-day visit with Kinser relatives, and nearly "froze to death" Tuesday morning when temperatures were down to a crisp 40 degrees. Brawley is one of the principal cities in Imperial Valley and Mr. Kinser is in the feed lot business there.

Mr. and Mrs. Richard Ray Richard and two children of Houston spent the week end here with her parents, Mr. and Mrs. E. T. Davis. They spent Monday in Austin on their way back to Houston.

COUNTY AGENT'S COLUMN

Schleicher County Agricultural Agent

Several men from Schleicher county will be in Sherman for the annual meeting of the Texas Association of Soil Conservation District Supervisors.

Lt. Governor Preston Smith will be among the speakers at the big SCD session being held for the first time in north Texas, and expected to draw 750 to 1,000 district officials. Among them: Mr. Edgar Shurley, Mr. Otis Deal, Mr. Ben Hext, all supervisors of the Eldorado Divide Soil Conservation District.

Mrs. Ben Hext will accompany her husband. Bill Rountree, work unit conservationist, will accompany the group.

The lieutenant governor will address the supervisors final night of the conference, when the association holds its annual banquet in Sherman Municipal Auditorium, site of all activities.

Other speakers and dates of their appearance before the supervisors: J. Earl Laney, association president; W. Lewis David, state executive director of the ASCS, and Jack Garrett, supervisor of the Southmost SCD, on October 28. Dr. Rex Johnston of the U.S.D.A. agriculture research, and Senator Walter Richter, the morning of

October 29.

The Texas Association consists of 182 soil conservation districts. A board of 5 supervisors elected for 5-year terms governs each district.

The smallest deed is better than the grandest intention.

All farmers and ranchers in the county will need this year's business records to help answer questions on a form scheduled for mailing in early November to start the nationwide census of agriculture.

The census of agriculture is taken every five years by the Bureau of Census, an agency of the U. S. Department of Commerce, in years ending in "4" and "9". It provides information of vital importance about the nation's agricultural resources and production. Such information is needed for the economy of the country. Data gathered is on the size of farms, number of persons living on farms, acreage and crops, livestock inventory, equipment and facilities, and on income and production figures.

The job of taking census will be in three stages.

1. Organizing a team of local citizens in the county to take the census is under way. Crew leaders to supervise will be trained. They will have the responsibility of recruiting and training enumerators to count farms and ranches.

2. November 1 the Census Bureau will mail out census questionnaires.

3. In the final stage, enumerators will visit each farm or ranch in the county. Enumerators' visits will take about 3 weeks and will start November 9 in this county.

The 1964 Yearbook of Agriculture is called the farmer's world.

The book will inform Americans about this country's growing stake in world agriculture and explain how our actions, trade and policies effect and are effected by agricultural, natural, and political developments abroad. It will inform people everywhere of the great-

ness of American agriculture, the problems we face, the importance of international understanding and joint effort, and the expenditures considered necessary to achieve agricultural prosperity and security.

The yearbook may be secured from the Department of Agriculture (USDA) Washington 25, D.C.

Now is the time to store pesticides out of the reach of children in a good secure dry place. It is time to purchase fungicides for disease control on fruit trees, pecan trees, shade trees, and shrubs.

A good pesticide (insects) and a good fungicide (disease) program is so much cheaper than fertilizer and water. Diseases weaken trees and shrubs and in turn are attacked by all insects known to this area.

The time to kill diseases is in the winter time, when the tree is dormant and the bacteria on the bark and twigs. Control measures is about the best that can be hoped for during the spring and summer.

It is suggested that you secure B-995 What I Should Know About Diseases which will help in diagnosing diseases. Then a good spray chart as to what insecticide to use on the various diseases will go a long way for healthier trees, roses and shrubs.

All are available at the county agent's office.

What helped you over the obstacles of life was asked a successful man. The other obstacles, was his only reply.
