Local Variety Store Changes Hands

After being closed Saturday for inventory, the variety store here opened Monday under the ownership of Mr. and Mrs. Gene McCalla, long-time Eldorado citizens who will continue the business under the name of Eldorado Variety Store.

Known for 30 years as Long's Variety Store, the business was sold April 1st to Mr. and Mrs. Buddy Spicer, who operated it for about five months and then returned to their former home in New Mexico. In a deal made last week-end Mr. and Mrs. McCalla became the new owners.

Well known in Schleicher county, Mr. McCalla is Commissioner of Precinct 2 and a long-time employee of El Dorado Woolens. Mrs. McCalla is an active worker in P-TA and other social activities. She will be assisted in the store by Nell Singleton who has been operating the business for Spicer's for the past two months.

Funeral Sunday For Mrs. McCormick

Mrs. Rex (Angie) McCormick, 77, resident of Eldorado since 1901, died Saturday night at 9:35 of an apparent heart attack, at the Golden Years nursing home in Christoval where she had been a patient since September 9th.

Funeral services were held at the First Baptist church at 4:00 p.m. Sunday with the pastor, Rev. Kenneth Vaughan, officiating.

A choir sang "Shall We Gather at the River" and "What a Friend" accompanied by Mrs. Roy Phelps at the organ.

Interment was made in the Eldorado cemetery under direction of Ratliff-Kerbow Funeral Home.

Mrs. McCormick was a charter member and life member of the Eldorado Chapter No. 140, Order of The Eastern Star. An O.E.S. committal service was conducted at the graveside with Mrs. Nan Montgomery as chaplain.

Angie Anderson was born in Menard county Dec. 19, 1886, to Mr. and Mrs. B. F. Anderson.

On February 10, 1904, she was married to Rex McCormick, Schleicher county businessman, and stock farmer and saddle shop operator. He preceded her in death May 3, 1948.

Of the four children born to the couple, three died in infancy. One son, Hollis McCormick, survives, and two grandsons, Rex Hollis McCormick of the University of Texas and Philip Arthur McCormick, of the home.

Other survivors include three brothers, George Anderson of San Angelo, Jim Anderson of Oregon, and Bob Anderson of Eldorado; also three sisters: Mrs. Wiley Brooks and Mrs. W. G. Smith of Carlsbad, N.M.; and Mrs. Will West of West Palm Beach, Florida.

The deceased was a member of the Baptist church for over 60 years and an early member of the W.M.U. She was a past worthy matron of the Order of Eastern Star and received a 50-year pin from that organization several years ago.

Contract Awarded For Road Work

A contract for 4.05 miles of construction on U.S. Highway 87 and S.H. 29 in Concho and Schleicher County has been awarded to a firm in Austin, it was announced in Austin this week by the State Highway Commission.

Acme Bridge Co., Inc. submitted the low bid of \$217,124.03 on the project. Grading, structures, flexible base and two course surface treatment from 1.5 mile east of Eden to 4.4 miles east (Sect) and from 21.9 miles east of Eldorado to 26.4 miles east of Eldorado (Sect) is expected to take 120 working days, according to J. A. Snell, District Highway Engineer at San Angelo.

G. L. Rogers, resident engineer at Junction will be in active charge of the project while it is under construction.

Rev. and Mrs. Kenneth Vaughan left Monday for Corpus Christi to attend the 19th annual convention of Texas Baptists which was held in the municipal coliseum through Thursday night of this week.

Post Script

Win, lose or draw—it was a much more interesting campaign here in Schleicher county with the two parties being organized and working on the local level. Over 800 votes were cast in the county Tuesday and this is probably a full turn-out.

It is interesting to note that in the May primary only 600 voters turned out.

Sometimes it has been the other way 'round—a big vote in the Democratic primary and a small turn-out in the General Election.

In 1954 here in Schleicher county 1100 turned out to vote in the primary and only 500 in the November election.

President Lyndon B. Johnson's sweep to victory has probably halted, at least for the present, the inroads being made in recent years in Texas politics by the Republicans.

With defeat of the two Texas Republican Congressmen, Ed Foreman of Odessa and Bruce Alger of Dallas, this state's Congressional delegation will once again present a united Democratic front after this coming January.

Senator Tower will be the only remaining top Republican official from Texas, and he will be up for re-election in two years.

People moving: Jimmy Harris to Clark house; George Mikeska to Crosby apartment;

L. L. Lacy, new barber here, is in the T. C. Henderson house; Mrs. Beula Barron to Riley house;

Mrs. LaVerne Garvin has moved her beauty shop to the new building near her residence in southeastern Eldorado.

After a career of some 54 years, L. M. Hoover has turned in his key and retired as pharmacist here in Eldorado.

While he sold his drug store to Mr. Deal 15 years ago and Deal sold it to Calk a short time later, Mr. Hoover has remained as part-time pharmacist since that time. He has been available for emergency prescription calls until last week when he turned in resignation and store key.

Improvements in the business district:

New cement steps have been cast at both the north and south entrances of the court house.

A new plate glass aluminum-framed door has been installed in the front of Frank Meador's office.

The Election Day bake sale held Tuesday took in about \$150, it was reported by Mrs. Vida Krelkow, H. D. agent, and Mrs. Charles Wimer, council chairman.

They thanked all who brought food to be sold, and all who helped in any way to make the event a success.

Funeral At Menard Mrs. R. S. Trimble

Mrs. R. S. Trimble, 70, of Fort McKavett died at Santa Rosa hospital in San Antonio on Tuesday night after an illness of about three weeks.

She is survived by six sons and three daughters, including Mrs. Clemens Sauer of Schleicher Co.

She was a member of the Church of Christ and a long-time resident of Menard and Kimble counties. Funeral services are scheduled to be held at Menard today, Thursday at 2:30, with interment there.

Halloween Carnival Was A Big Success

"An Unqualified Success" is the way most patrons who attended the P-TA Halloween Carnival last Saturday night described the event, which was the main money-raising project for this Fall.

The costume parade came thru the local business district and was followed at the Memorial Building by a short program.

Miss Jan Porter was named the Halloween queen for the High School, and Loretta Schooley was Elementary queen.

Mrs. Gene McCalla reported that the Carnival netted \$869.18 for the local unit of the Parent-Teacher Association.

She and the other P-TA officers thanked all who helped make the carnival such a success.

Eagles Have Their Final Game of Season Here Tomorrow

Lyndon Johnson Wins In Landslide

While all the votes are not in, even yet, it was evident by 10:00 o'clock Tuesday night that Lyndon Johnson had been re-elected President by the greatest popular vote in the nation's history. He swamped Barry Goldwater, who was left with only a bare handful of deep Southern states.

The Democratic landslide in Texas was fatal to the two incumbent Republican Congressmen. Popular Ed Foreman of Odessa lost to Democrat Richard White, and Bruce Alger, who had served the Dallas district for a decade, was also a victim. He was defeated by Earl Cabell, former Dallas mayor.

U.S. Senator Ralph Yarborough won a full second term over his Republican challenger, George Bush of Houston. This race was expected to be close, but Yarborough won by a handsome margin.

Schleicher county voters followed the national trend as shown in the following tabulation by voting boxes:

Bank Remodeling Nears Completion

Just a few finishing touches remain to be done in the next two or three weeks on the remodeling and expansion project of the First National Bank.

Already, the interior presents a different appearance with new draperies, carpeting, and furnishings.

The area just north of the building has been paved as well as the entire alley between the bank and Foxworth-Galbraith Lbr. Co., in preparation for putting the drive-in window into use in two weeks or so.

LYNDON JOHNSON

RALPH YARBOROUGH

Two To Join Staff Of El Dorado Woolens, Inc.

Tom Wallace, secretary and merchandising superintendent of El Dorado Woolens, Inc., has announced the association of Mrs. Sue Wilson of San Angelo as fabric designer for the firm.

Mrs. Wilson recently resigned her position with Hemphill-Wells.

Her duties with the local firm will include responsibility for quality control. She will continue work as an interior decorator through promotion of the company's new wool and mohair easement draperies and lamb pelt area rugs.

Also expected to join the local firm's accounting department is Joe Ed Spencer, Eldorado native who is currently on the faculty of Sul Ross college at Alpine. Mr. Spencer will finish the semester at the school and move with his family to Eldorado sometime in January.

His parents, Mr. and Mrs. Edgar Spencer, are looking for a three-bedroom house for him to move to.

El Dorado Woolens, which was re-organized about a year ago and was formerly West Texas Woolen Mills, is now maintaining a San Angelo office. A new headquarters building for the firm is nearing completion on the Sonora highway. Mrs. Wilson will be in charge of the decorating offices and the remnant shop in the new plant.

Knight-Susen Lumber Company of San Angelo is general contractor on the building with Harold Susen overseeing the work.

550 Bales

"Ginning is just about at a standstill now," George Mikeska reported yesterday, with only 550 bales processed up to that time.

Farmers are waiting for a killing frost to defoliate the cotton crop. Once that has happened they can strip it all at one time.

There was a chilly norther blowing yesterday and the hopes were that it would bring the needed freeze.

OTHER GAMES TOMORROW

Sonora will be playing at Menard tomorrow night; Iraan will be at Ozona; and Rankin plays at Junction.

Big Lake has an open date tomorrow.

The Sanderson Eagles will be in Eldorado tomorrow night for the second time in history, first appearance having been in 1962. That was when Eldorado took the better of the evening's discussion by a 49 to 8 margin.

The Sanderson variety of Eagles have played "up today-down tomorrow" ball all season for a relatively simple reason. Their first line troopers have been injury-ridden and have not been able to appear together but rarely. They defeated the Menard Yellowjackets 12-6. It will be remembered that Eldorado fans spent a nervous night watching the Eldorado Eagles down the same team 14-6.

On the "down side," Rankin defeated Sanderson 40-6; but on the "up side" the Sonora Broncs labored mightily to defeat Sanderson 20-12. Sanderson led Big Lake well into the second quarter bowing finally 34-12. It will be remembered that Eldorado reluctantly accepted a 37-14 defeat from Big Lake.

Another factor in discussing tomorrow night's possible outcome is that Sanderson had an open date October 30, and has possibly recuperated some of her ailing strength such as 160-pound Quarterback Cates who has sat out much of the 1964 season while 130-pound Harkins performed instead. Cates makes a difference.

Sanderson Coach Jim Spann favors straight and winged T formation offenses, each promising his relatively light personnel most for their efforts. Scouts report that Bogusch, a center; Hardgrave, an end; and Felts, a defensive line-backer, along with Pete Arredondo and Tommy Weigand as outside secondary defenders, are Sanderson defensive standouts.

Coach Jim Spann will probably start the following lads:

No.	Name	Pos.	Wt.
85	Gray	LE	145
80	Felts	LT	150
64	Allen	LG	160
55	Bogusch	C	175
65	Arredondo	RG	160
77	Guadarrama	RT	175
84	P. Arredondo	RE	140
42	Weigand	LHB	145
40	Gonzales	RHB	145
35	Garza	FB	185
10	Harkins	QB	130

Part of Sanderson's offensive punch features the running of speedy Halfback Weigand led by two fast and relatively heavy

Wildlife Meeting Is Set For Tonight

All sportsmen, businessmen, and farm and ranch operators of Schleicher have been requested to be on hand at the Wildlife meeting to be held tonight, Thursday, at 8:00 in the Memorial Building.

Jack W. Thomas, biologist of the Texas Game and Fish Department, will present a Wildlife Program. Mr. Thomas has done research on the game of the area and will be available to pass on this information to all interested local people.

Bill Works, game warden, will be present to issue hunting permits and antler-less deer permits to producers.

Jack Hext, Chamber of Commerce president, will be present to further advance the harvest of wildlife in co-operation with businessmen and land owners, and/or operators.

Next to the livestock industry, wildlife will be the county's largest harvest in dollars and cents for 1964, it was pointed out by W. G. Godwin, County Agricultural Agent.

The Schleicher County Chamber of Commerce office has been opened in the Eldo Hotel building with Mrs. Dean Murr in charge.

The C of C office telephone number is 23391.

Brownie Investure Held

Monday afternoon the Brownies held their investure service at the Presbyterian church. The first year Brownies received their pins and the second year girls received a star. The investure service was held by candlelight.

Thirteen girls, their leaders, and several mothers were present.

Lemonade and cookies were served by the troop leaders.—Jill Edmiston, rep.

guards, Allen and Arredondo as well as with Fullback Garza at 185 pounds for straight power or with "draw play" specials.

Eagle lineup will be probably as usual with Richard Jones and Captain Richard Preston at ends, Joe Phillips and Captain Mike McCravy at tackles, Steve Blaylock and Jim Belk at guards, Captain Bobby Halbert at center, Ronnie Griffin and Monte Montgomery at half-backs, Sam Henderson at fullback, and Scott McGregor at quarterback.

Ten Eldorado Eagles end their high school careers tomorrow night. They are David Whitten, Monte Montgomery, Ronnie Griffin, Captain Bobby Halbert, Phil Edmiston, Beep Cain, Captain Mike McCravy, Captain Richard Preston, Roy Love, and Richard Jones.

And it will be the last halftime show of the year for Bandmaster Eddie Pace's precisely marching band. For a final word, it would not be entirely amiss to keep a tranquilizer near at hand for this one. It may feature a rested Sanderson in a highly competitive frame of mind.

School News

There will be two Junior High games today, Thursday, when the Ozona Juniors come here to play the Eagles in the season's closing football games. The 7th grade game will start at 5:30 to be followed by the 8th grade tilt.

The Senior class will have the concession stand at the game tomorrow night when Sanderson comes here to play the Eagles.

The Seniors will present their play, "The Fly in the Wine Glass" Tuesday night at 7:30.

The District F.F.A. leadership contest will be held here all day Wednesday, November 11th. Glynn Hill and his chapter officers have charge of arrangements for this.

Girl's basketball season will get under way Nov. 12, when Brady comes here. Jack Bell is coach.

On November 13th the photographer will be at school to take individual photos of the students. Saturday, Nov. 14, is the date set for the Junior-High football party.

The High School football banquet will be held Nov. 21st.

The high school boys' basketball will start Nov. 24 when the team and coaches go to Iraan.

Good Voter Turnout

Here in Schleicher county, over 900 votes were cast in the Presidential race.

With passing of the deadline last Friday for voting absentee, there were 81 absentee votes cast in the office of J. P. Enochs, county clerk.

Eagles Down Rankin By Score Of 26 - 14

There was a good reason that they didn't beat the Rankin drum last Friday night. It already had the h-- beaten out of it; but it hasn't done the Red Devils much good as they have had a poor season for 1964, although they have been stubborn contenders all the way.

This is true with their efforts against the Eldorado Eagles this past Friday night as shown by game statistics.

Eldorado	Rankin	
12	First Downs	17
292	Yds. earned rushing	266
63	Yds. earned passing	103
355	Total yds. earned	367
2of2	Passes completed	7of12
0	Passes intercepted	0
2	Fumbles lost	2
3for35	Pen. & Yds.	8for70
3for40	Punts & av. dist.	2for41

It was really a nervous night for Eagle fans as Rankin took the opening kickoff and used nearly the first quarter marching down field, first down by first down, over a reluctant Eldorado defense. Finally the Eagles stopped the drive by virtue of David Whitten's dramatic in the air recovery of a Rankin fumble. The Eagles then reversed the downfield march and ground out a succession of bitterly contested first downs until Sam Henderson climaxed the drive with

Rankin Game

—(Continued From Front Page)—

four yards and a touchdown. Scott McGregor booted the extra point. That was that for the first quarter.

Then well into the second quarter, Fleet Ronnie Griffin took the ball on Eldorado's own 35-yard line and broke away to his left and with his flashing speed outdistanced Red Devil pursuers to set the score board flickering again on the Eagles' side. Again Scott McGregor's extra point kick was good and Eldorado was out a more heartening 14-0.

The Red Devils then opened up with a sort of desperation passing attack which featured their Quarterback Roy Winters whirling to fling bullet-like passes to Rankin receivers. One was good for the Red Devil's first touchdown but their try for extra point failed and the score stood 14-6.

Then in the third quarter, Monte Montgomery whose broken field running has tediously improved flitted wraith-like for 12 yards and Eldorado's third touchdown. The Eagles tried for two points but failed and the score stood 20-6.

Eagle fans sat back hoping to relax but the fourth quarter saw Rankin make their final dangerous threat. Red Devil QB Winters hit his fullback David Brown again for 14 yards and a second Red Devil score. Winters then ran over for two extra points and the scoreboard glittered an ominous 20-14 with Rankin challenging bitterly every Eagle sortie.

Held for downs on their own 30-yard line, the Eagles called on Charlie Nixon to boot them out of danger. He kicked a long one which alert Eagle forwards downed on the Rankin 20-yard line—80 yards to Eldorado's vital territory but the distance suddenly seemed too short. Some four or five interminable minutes remained—just long enough.

Game tension was suddenly eased when Defensive Guard Beep Cain tackled and wrested the ball away from Red Devil QB Roy Winters to give the Eagles possession on the Rankin 20-yard stripe.

It wasn't long until Monte Montgomery sped over from 12 yards out and the scoreboard stood a sparkling 26-14 for Eldorado. Nobody cared when the try for point failed.

It was too late for Eagle fans to sit back and enjoy the rest of the contest as they had time enough to do little more than sigh and lean back just a little and then the final horn sounded.

The win gave the Eagles a season's record of 6 wins, one via the penetration method, against three losses, to Crane, Ozona, and Big Lake. They wind up the 1964 season tomorrow night by playing host to the Sanderson Eagles who have exhibited bitterest competitive efforts with not too great success for the year.

T. J. Bailey, Wife, Die In Auto Crash

Arthur Buckner (Buck) Bailey, 68, formerly of Eldorado and considered one of the "grand old men" of sports, was killed in a two-car crash just west of Albuquerque, N.M., early Wednesday of last week.

His wife, Frances, 51, and the driver of the other car that collided headon with his, were also killed.

The Baileys left Ozona Tuesday where they had visited his brother, T. J. Bailey, and were planning to visit relatives in New Mexico and Phoenix, Ariz., on their way back home to the state of Washington.

Mr. Bailey was born in San Saba and moved with his parents to Eldorado in 1903, where he was reared. He was one of West Texas' most colorful figures in sports circles some 50 years ago. That color, however, had shown on the west coast the past 35 years where Buck was head baseball coach and football line coach for Washington State University. From early day sandlot and semi-pro baseball and football in West Texas, Bailey attended Abilene Christian College and A&M College and coached high school football in California and played football with the Olympic Club in San Francisco. He was captain of the west team in the first East-West Shrine game, the west coast classic, and was named an all-time lineman for the East-West games.

After retiring a few years ago from his coaching duties at Washington State, Bailey scouted for the Los Angeles Dodgers and did some sports broadcasting on TV. Lately, however, he had retired from such activities and was devoting his full time to enjoying golf and travel.

Washington State University recently honored their retired coach when they named the University's recently completed athletic field Buck Bailey field.

He and Mrs. Bailey were married only a few years ago, coming to Ozona on their honeymoon trip. She is survived by three children by a former marriage and by 11 grandchildren.

He is survived by three sisters, Mrs. Allie Gibson of Phoenix, Mrs. Mattie Cozzens of Eldorado, and Mrs. J. A. Nixon of Fort Worth; three brothers, N. W. Bailey of Abilene, O. H. Bailey of Eldorado, and T. J. Bailey of Ozona; and his stepmother, Mrs. A. K. Bailey of Abilene.

Funeral services for Mr. and Mrs. Bailey were held in Spokane, Wash., on Monday of this week and interment was made there.

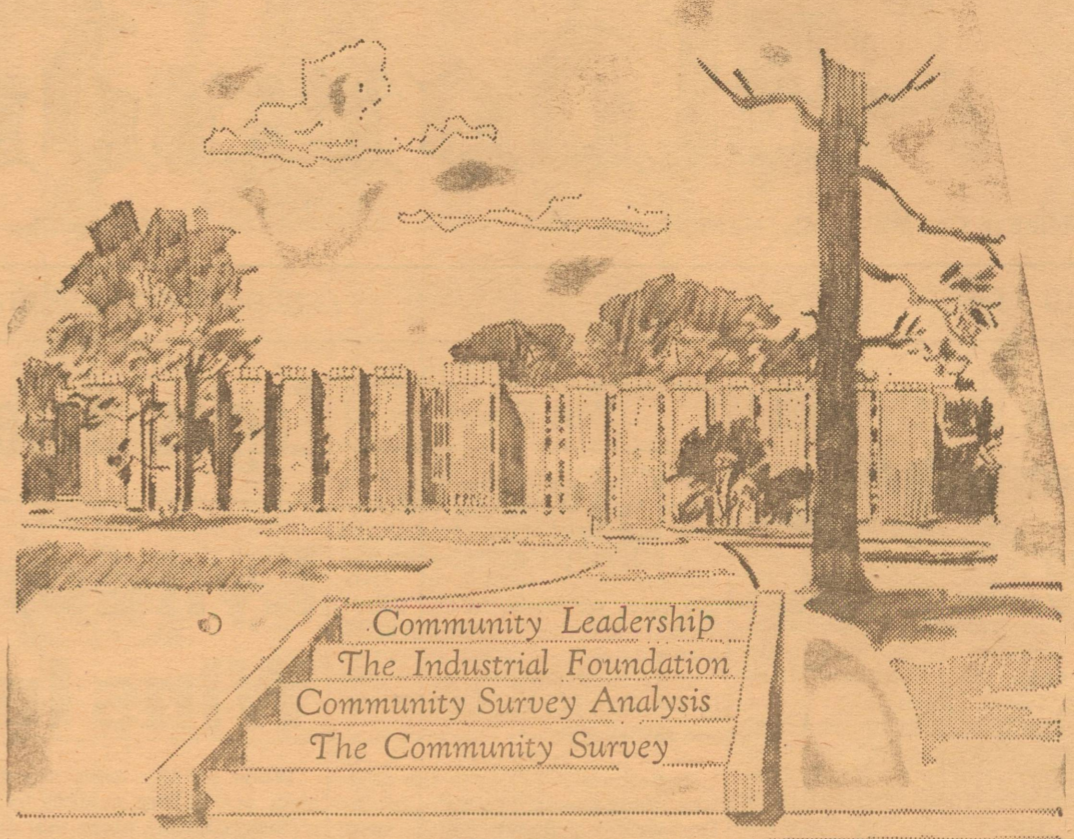

T. J. Bailey of Ozona attended the funeral was expected to fly back to Fort Worth this week to be met there by his wife for the trip overland to this area.

Girls' Basketball Is Under Way

The 1964-65 basketball season for the Eldorado girls began Oct. 15. The Eaglettes of Coach Jack Bell will have six returning lettermen and three starters back. Coach Bell begins his sixth season of coaching the Eldorado fems and they will be seeking their fourth district championship. The girls have won district three of five seasons. They went to the Regional Tournament twice.

Junction and Menard are the only district games as the district is now divided into two zones. The winner of each half will meet in a play-off in February.

Heading the list of returnees will be senior, three-year letterman, twice all-district forward Christy Moore. She is 5' 6" and owner of nine school records. Christy led the district in scoring last year with 716 points which is an average of 27 points per game. She has been all-Tournament at Eldorado and Christoval the last two years plus being voted outstanding player in both meets last year. She was all-tournament at Lake View last year. As a sophomore Christy received the sportsmanship award voted by her team mates, and last year as a junior she was voted the Most Valuable Player by her team. This last summer Christy received recognition in the state-wide coaching school newspaper. Opposing coaches see her as one of the outstanding forwards in the state.

At the opposite end of the court will be another senior, three-year letterman, all-district guard, Frankie Blaylock. She is a 5' 5" and garnered 248 rebounds last season. Frankie will carry the load defensively. She was all-tournament at Eldorado last year and also received the sportsmanship award.

Paula Mace is a 5' 7" senior letterman who had 49 rebounds last year as a reserve guard. Rita Rozean is also a senior letterman who stands 5' 5" and contributed 54 points in 11 games as a reserve forward.

There are two juniors who return to the Eagle line-up. One is 5' 4" forward Marsha Mund. Marsha scored some 217 points as a starter last year but she is a constant threat to the opposition because of her ability to steal the ball. She is a two year letterman and was honorable mention all-district last year. Karen Griffin, 5' 4" forward scored 137 points last year as first reserve. She was also honorable mention All-District last year. Marsha and Karen won

every track race the high school girls ran last year in the school Olympics. With this speedy combination the defense had better be ready. Christy, Karen, and Marsha plan to keep the scoreboard busy with their fine accuracy and hustle.

Mary Ann Page, a senior, is taking over this year as team manager and doing a fine job.

Besides the lettermen there are other girls with playing experience such as Mickey Phelps, Beth McCalla, Jane Cain, Libby Preston, Susan Hill, Shirley Hubble, Chris Edmiston, Sherry Yates, Martha Sue Page, Joan Doyle, Nancy Jurceek, Jacque Davis, Susan Mobley, Jan Wagley, Stella Hubble, Laura Nixon, Maggie Stockton, Billie Gavil Blaylock, Nell Neff, Maureen McCravey, Shirley Wilde, Judy Allard, and Carol Casbeer.

From these will come the A and B teams for 1964-65. There are two rule changes that will interest fans. Beginning this year the girls jump at center as do the boys at the start of each quarter. There will be no more "sudden death" play-offs. From now in three minute overtime periods will be played until one team wins.

The first two games will be A & B with Brady. The first is in Eldorado at 6:30 November 12 and the second at 6:30 November 20 in Brady. Eldorado has never beaten Brady so this presents a special challenge to the team. The girls will also participate in the Dyess Air Force Base Tournament Dec. 10-11-12. The eventual state champion has won this tournament the last two years thus indicating the strength. Coach Bell feels that it is an honor to be invited and at the same time an educational experience as a tour of the Air Force installation is included.

The girls will be here for the annual Eldorado Tournament December 17, 18, 19 and go to the usually strong Lake View Tournament in San Angelo January 7, 8, and 9.

Eldorado should show a top-notch offense with three quick, accurate, and experienced forwards returning. However defensive prospects are not quite as bright as only one experienced rebounder and ball handler returns.

Eagle fans can expect a hustling six girls to take the court come 8:00 November 12 with only one thing in mind, "victory."

Local Students Enroll In S.W.T.

San Marcos.—Seven Eldorado college students are enrolled at Southwest Texas State this fall.

A total of 4,460 students are enrolled in the San Marcos college this semester—a 15% increase over last year's 3,850 recorded in the fall. According to college Registrar Alton Brieger, the significant increase in the institution's enrollment is due to two major factors: (1) the national publicity SWT has received as the alma mater of President Lyndon B. Johnson, and (2) the increased emphasis on high academic standards and a stiffening of entrance requirements.

If this year's figures can serve as a basis for comparison, the college may expect 5,000 next year, Brieger estimated.

Seven Eldorado students who are enrolled in Southwest Texas include: Miss Martha Ellen Topliffe, James Tipton Finley, Clifford J. Conner, Ray Lewis Ballew, Eddy Alvis Etheredge, George W. Sofge, and Marvin McAngus.

Records indicate that the first use of the bow and arrow as hunting tools was in North Africa.

Jiffy Dinner

ANSW

EVERY homemaker welcomes recipes she can whip up in a hurry for tasty, nourishing family meal. Here's a jiffy ground beef delight:

- TOP HAT 'BURGERS**
1 lb. ground beef
1 tsp. salt
1 tsp. A.I. Steak Sauce
2 tbsp. minced onion
1 can (9 oz.) crushed pineapple
1 tbsp. butter or margarine
1 tsp. curry powder
1 can (7 oz.) jellied cranberry sauce

Combine beef, salt, A.I. Sauce and onion, toss lightly and shape into 4 patties. Broil or pan-fry to desired doneness. Meanwhile combine pineapple, butter and curry; heat gently. Top each 'burger with cranberry slice and spooning of hot pineapple mixture. Serves 4.

The 11th of November

This coming Wednesday is the eleventh of November . . . Those of us who are of an age who can remember when it was Armistice Day instead of Veterans Day can also remember when its approach called for a "chapel program" at school. Yes, that was the term then instead of "assembly."

We marched into the school auditorium while a pianist pounded out "The Long, Long Trail." This was followed by a group of girls singing "Over There" and "My Buddy" and the entire program theme harked back to the days of The Great War.

A fair-haired girl would come to the center of the stage to recite "In Flanders Field."
The superintendent then asked for a show of hands of how many of the student body were sons and daughters of veterans of the War, and well over half of us were.

Then a high school student would read a paper, giving a brief history of the War, which was interspersed with all of the old names: Meuse-Argonne . . . President Wilson . . . The Big Four . . . Verdun . . . Belleau Wood . . . The League of Nations . . . The Fourteen Points . . . General Pershing . . . The Lusitania . . . Chateau-Thierry . . . Saint-Mihiel . . . the Hindenburg Line . . . Kaiser Wilhelm . . . the Treaty of Versailles.

So now the day is on us again, and is now called "Veterans' Day" to honor all the veterans of all our wars.

Except for the post office and other federal offices being closed, the day now passes unnoticed by the general public.

If the anniversary of the cessation of hostilities of that War of half a century ago is now obscured, it can be attributed to several factors, among them the Great Depression, the even greater World War II, the Korean "police action" and in general the passage of time to the present where only older people can now remember the World War I period.

The veterans of that war are now coming in for old age pensions.

Yet: as another November 11th approaches, it might be well for all of us to think of World War I, when the soldiers who served in it trained under more primitive conditions and fought in trenches where they faced not only the enemy but mud and rats; when poison gas warfare was not an implied threat but a deadly reality; when there were no PX's or post movie theaters and few of the other amenities of service life which those of us who served subsequently can remember.

World War I was a turning point in the history of the United States in that it was the time this country asserted its might as a world power, when isolationism as a national policy began to fade away, when some of the more modern weapons of war such as aircraft were used for the first time to mark the beginning of mechanized and "total" warfare.

It was the War that shaped our century.

Baptist Women Observe World Day Of Prayer

The Woman's Missionary Union of the First Baptist church met in circles Monday afternoon to observe the Baptist Women's Day of Prayer sponsored by the Baptist World's Alliance and observed the first Monday in November each year.

The program titled, "The End of the World" was planned by the African Baptist Women's department, and was presented by the prayer chairman of each circle.

Mrs. Allan Kuykendall, prayer chairman of the Maurice Doyle circle, named for a missionary in Ecuador, led the program and was assisted by Mrs. L. M. Hoover, circle chairman, Miss John Alexander, Mrs. Ruth Finnegan, Mrs. T. P. Robinson Jr., Mrs. Richard Cheatham and Mrs. C. N. Clark.

The meeting was held at the home of Miss Mary Bruton with 11 members present.

Mrs. Ruth Davis presented the program for the Ruth Dickerson circle when they met at the home of Mrs. Jack Griffin, circle chairman, Monday. Others on program were Mrs. J. B. Montgomery, Mrs. Granvil Hext, Mrs. W. N. Ramsay, and Mrs. W. T. Whitten. Ten members were present.

The Annie Sue Cliff circle met at the home of Mrs. Ronnie Giles to observe the Day of Prayer. They

had seven members present and one guest, Mrs. Mike Nelson. The circle took its name from a missionary nurse in Japan. Mrs. Jack Bell is the chairman.

Those on program included Mrs. Bell, Dixie Davis, Sally Rowe, Lena Hall, Edna O'Banion and Mrs. Giles.

An offering was taken at the close of each program and each hostess served refreshments during the social period that followed.

Special Program Set At Lions Club Meeting

The Texas Lions Camp for Crippled Children at Kerrville will be the program subject of John W. Schwab of San Angelo when the Eldorado Lions Club holds its regular meeting at the Memorial Building this coming Wednesday, November 11th.

The Lions of Texas have set aside November in honor of the Camp, which has allowed more than 7,000 handicapped youngsters to enjoy the thrill of camping life since it was opened in 1953.

The camp is free to the blind and mute, deaf and crippled children of Texas from the age of 7 through 16. Growing steadily, the camp now has 16 permanent buildings perched on the brow of a hill and valued at more than \$600,000.

Each summer, for two weeks, 720 youngsters learn to swim, camp outdoors under the stars and develop new skills by learning various handicrafts.

Originally, the camp was in use only in the summer. Now it is being used the year around. During the other months, the camp serves as a training center for the adult blind.

Applications to the summer camp are handled only through local Lions Clubs.

To Receive Certificate

Mr. Don McCormick of Eldorado is scheduled to receive a certificate of appreciation from President Johnson soon.

The Presidential citation has been awarded for his service as local board member on the draft board serving Schleicher, Crockett, Sutton, Kimble, and Edwards counties.

Mr. McCormick has served five years, performing his duties without monetary compensation, as a public service.

Mr. Thomas A. Morriss, chairman of the board, representing the President at the request of Colonel Morris S. Schwartz, State Selective Service director, will present the certificate.

The brief ceremony is scheduled at 10:00 a.m. in the local board office in Sonora on November 10.

The certificate has also been signed by Governor John Connally, Lt. General Lewis B. Hershey, director of Selective Service and Colonel Schwartz.

WITH THE PUBLIC LIBRARY

Recent memorials added in the library are: Land Where Our Fathers Died, for Forrest Runge from Carl, Agnes, and Kathleen Spence; The Cowpens-Guilford Court-house Campaign, for Forrest Runge, from J. B. Morris;

Apache Gold and Yaqui Silver, for Forrest Runge, from Mr. and Mrs. Owen Brock and Mr. and Mrs. Bob Reynolds;

Mainstreams of Modern Art, for Sam Oglesby, from Mrs. H. C. Noelke.

Mrs. Alvin Farris brought a group of six Cub Scouts to visit the library October 28.

The librarian attended a library meeting for District III in San Angelo October 17. The theme of the meeting was "How can the Library serve the community in a better way?" —Ruth Baker, librarian.

Mr. and Mrs. Derl Griffin and daughters of Del Rio visited Mr. Griffin's parents, Mr. and Mrs. Jack Griffin and family last week end.

New Babies

Mr. and Mrs. A. L. (Sonny) Stanford of Henderson, Texas, announce the arrival of their third son and fourth child, Paul Covington Stanford, at a Henderson hospital on October 30.

The other children are Faye Marie 10, Jim 8, and Mike 5.

Grandparents are Mr. and Mrs. Truett Stanford and Mr. and Mrs. J. H. Mace of Eldorado.

Greats are Mrs. A. E. Kent, Eldorado; W. T. Floyd of Hedley, Texas, and Mr. and Mrs. E. B. Mace of Ft. Worth.

Mrs. Mace left Sunday to visit with the Stanford family for a week or two.

Mr. and Mrs. C. J. Niblett proudly announce the birth of a son, Charles Ashley, who was born on October 30 at Shannon hospital in San Angelo. He weighed 8 lbs. 12 1/2 oz. and was 22 inches long. He has two sisters, Elizabeth 6, and Cherie, 4.

Grandparents are Mr. and Mrs. Fletcher Freeman of Crane. Greats, also maternal, are Mr. and Mrs. Maurice Hargut of Moody, Texas.

Mrs. Freeman is visiting in the Niblett home at present.

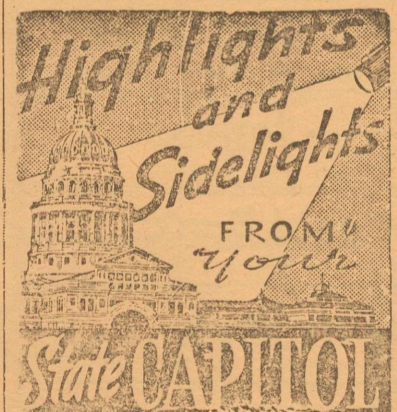

Woman's Club Meeting Date Changed

The annual Thanksgiving luncheon of the Woman's Club has been changed from the second Tuesday, Nov. 10th, to the third Tuesday, Nov. 17. The club will meet in the dining room of the West Texas Cafe on that day at 12:30 p.m.

Mrs. O. J. Mills, district president of the Heart of Texas district, will be speaker for the day.

All members are asked to contact Mrs. Josh Ewing or Mrs. W. T. Whitten for reservations.

Mr. and Mrs. Ronnie Mittel and Mr. and Mrs. Bill McManus Jr. and family of San Angelo visited Mr. and Mrs. Bill McManus Sr. in Irving last week end.

Austin.—This city once again became the seat of the executive branch of the federal government as President Johnson moved back to his home grounds for an expected prolonged post-election stay.

The President preferred to vote in person at his old box in Johnson City, rather than cast an absentee ballot.

An elaborate communications network was prepared for the election day party here. Hundreds of national press, radio and television representatives accompanied Johnson to Texas Monday night.

Major developments are anticipated at the vacation White House during days immediately following counting of the votes.

The president, while resting up from the campaign, undoubtedly will be formulating his plans for the future and staying abreast of national and international developments at this important period.

He is scheduled to entertain at least one distinguished visitor at the LBJ Ranch. Mexico's President-

elect Gustavo Diaz Ordaz will visit him November 12-13, according to early reports.

Most observers predict the President will remain at least until mid-November, possibly longer.

Courts Speak

Court of Criminal Appeals criticized state courts of inquiry but declined to declare unconstitutional the law authorizing such procedures.

Issue came before the court in the appeal of Pasadena Attorney N. A. Smith who claimed his constitutional rights were violated in a court of inquiry into Pasadena city finances. Judges ordered Smith freed of contempt of court charges arising from his refusal to testify at a court of inquiry held on June 2.

Court of Criminal Appeals also ordered a new trial for Arthur Geter on marijuana charges in Harris county, citing a new U. S. Supreme Court decision that legal representation in trials is a constitutional right. Geter began serving a life term in 1952.

Supreme Court refused to review a dispute between City of Athens and Gulf State's Telephone Company over phone rates. It thus left standing the lower courts' decisions that the East Texas city's 1961 and 1962 rate ordinances do not permit the company a fair return on its investment. City asked higher court to review the case.

In another case the Supreme Court agreed that Connecticut General Life Insurance Company is entitled to collect \$408,661 in overpayment of occupation taxes for 1952-57 and for 1959.

It left standing the lower court findings that United Press International libeled Bruce B. Mohs, a Madison, Wis., pilot in a story concerning a seaplane landing. Court of Civil Appeals has questioned the accuracy of most of the story. Mohs was awarded some \$7,500 in damages.

Board for State Hospitals and Special Schools cannot negotiate a new water-supply contract with the City of Big Spring, according to a ruling by 53rd District Judge Herman Jones. City attempted to have the Austin court set aside a 1937 contract under which it agreed to furnish water to the Big Spring State Hospital at a cost of 10 cents per 1,000 gallons. Estimated cost of furnishing this service now is set at 32 cents per 1,000 gallons. It is expected that the city will appeal Jones' decision.

Estes Judgment Entered

Atty. Gen. Waggoner Carr reports that the 108th District Court in Potter county rendered a \$547,500 summary judgment against onetime West Texas financier Billie Sol Estes, winding up the state's suit against Estes and Commercial Solvents Corp.

State claimed Estes and the firm combined to unlawfully injure and drive out competition in andyrous ammonia fertilizer in the high plains area by selling below cost & through other schemes violating the anti-trust act.

Commercial Solvents earlier had paid \$150,000 under an agreed judgment. But it admitted no liability.

Estes is appealing the Federal Court's 15-year fraud and conspiracy sentence to U. S. Supreme Court.

Highway Projects

A delegation from Tarrant, Wise, Parker, Johnson, Hood and Denton counties called on the State Highway Commission seeking a \$72.1 million highway development program in the Fort Worth metropolitan area.

struction of a 56-mile link between Fort Worth and Ennis on U. S. Highway 287 to facilitate truck traffic from Houston to Ft. Worth. Highway Commission's approval this week of a \$40 million highway construction project within the city limits of El Paso demonstrates results that can come from close cooperation between residents of a community and a state agency.

Eighteen months ago, the mayor and county judge from El Paso conferred with the Commissioners on traffic problems resultant from that city's status as the third fastest growing city in the U. S. in the decade ending in 1960. Highway Department told them

it could do nothing unless the people of El Paso got busy. They did—and passed a \$15 million road construction bond program in October.

When city officials came back to ask the Highway Commission for help, it came in a hurry, since \$7.5 million worth of local right-of-way funds were ready.

County Extension News

W. G. Godwin, Co. Agent

Nineteen counties have reported 22 cases of screwworms in the state the last two weeks.

With not too much help expected until November producers in this county who have considered themselves over the "hump," as far as screwworms are concerned, must again become screwworm conscious, and watch livestock so that all infestations will promptly be reported.

The finding of case no. 2 in the county on the Shaw ranch, now belonging to T. C. Meador, means that vigilance by all producers should be maintained.

This case was diagnosed October 22, triangulated for flying or fly drop. One million sterile flies were being dropped October 24-25.

Schleicher county's quota of \$70,000 in savings bonds of the E and H series has been 30% met for 1964. Only \$21,042 in savings bonds have been bought. Should this quota not be met, it will be the first time in over 10 years that Schleicherites have not over-subscribed.

The 2 most important words: "We believe."

The least important word: "I."

Three factors will determine the efficiency of cotton stripper operation. These are: (1) Field conditions at harvest time; (2) machine characteristics and adjustments, and (3) skill of operator.

Extensive tests show that best stripper performance is obtained when humidity is below 60%.

For better grades and cleaner fields delay harvest until the relative humidity is 60% or less at boll height in the field to be harvested. This measurement can be made by a dial-type hydrometer, a relative humidity instrument, cost-

ing about \$20.

Besides the humidity, the condition of the stalk is important. A small amount of green leaves and other green trash can cause a reduction in the grade of cotton. If a dessicant is applied before frost delay harvest a week or 10 days.

Harvesting after frost should be delayed until frost-killed leaves and stems are brittle and crisp. Here again, as though a dessicant was used—harvest while the stalk has enough sap in it to be limber. Brittle stalks and branches mean more bark in the cotton, but leathery leaves and limber stems mean extra moisture in the harvested cotton which can cause sweating during storage or prior

to ginning.

During the fall and winter months farmers of the county will be considering cropping plans for next year.

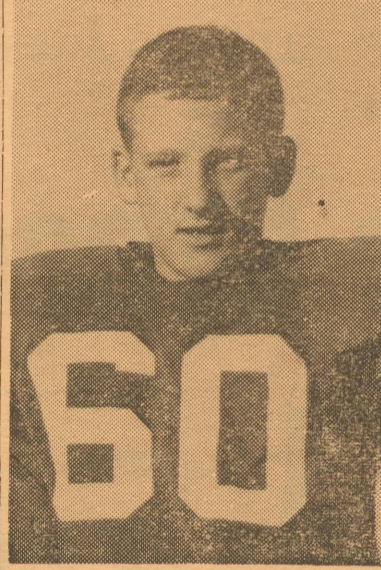

Consideration should be given to the fact that many plant diseases become more severe as a result of continuous cropping to one crop or crop family.

If a field has been continuously planted to cotton and shows signs of cotton root rot fungus, one should consider using a member of the resistant grass family such as grain sorghum or small grains in rotation.

Crop rotation programs are not "cure-alls." However, when used in conjunction to good disease control.

Research and result demonstrations here in the county prove the value of crop rotation under dryland and irrigated land conditions have proved top dollar value in crop rotating systems, not only for lowering diseases but also improving soils.

Most footprints on the sands of time were left by work shoes.
