\$486,350 School Budget Given As Board of Equalization Meets

The Board of Equalization met at the school last Thursday and were presented the budget for the Schleicher County Independent School District for the 1966-67 school year. The estimated budget totals \$486,350.50, and will come up for official adoption by the Board this fall.

This year's budget compares with \$408,393.50 presented a year ago, and \$390,880 for 1964.

The current building program at the school is the big factor for this year's budget hike.

The "Capital Outlay" this year totals \$67,500, and a year ago it was just \$10,000. Amounts are set out for sites, building, and furniture and equipment.

The new Band Hall and Vocational Ag. buildings, on which construction is under way, are to be ready for use this fall, and earth moving has been about completed for the new football field near the high school gym.

Teacher salaries are hiked just slightly from a year ago, from \$226,000 to \$230,000. Other estimated expenses as set forth for the upcoming year are generally about the same as for the past year.

The new school budget is as follows:

Mrs. Ochsner To Get School Tax Job

At a recent meeting Eldorado school trustees elected Mrs. L. D. Ochsner for the job of school tax assessor and collector to succeed Mrs. Roy Phelps who plans to leave Eldorado with her family some time this summer.

The Western Auto Associate Store in Eldorado, operated by Roy Phelps for the past 15 years, is being sold and change in ownership is expected about August 1st, at which time the Phelps family will move to another city.

Mrs. Ochsner in the meantime is familiarizing herself with the tax office in preparation for taking over the duties.

The Ochsner family came to Eldorado in 1942 when Mr. Ochsner took over duties as depot agent for Santa Fe. He died in 1962. Mrs. Ochsner was employed as bookkeeper at the First National Bank for a number of years, and last year was employed as a dean in a girls dormitory at Angelo State College.

Pony League Team Makes Good Showing

Eldorado's Pony League had its first chance last Wednesday night to try itself out against an outside team, when they crossed bats with an aggregation that came all the way from Mason.

Eldorado's team, made up of players from the Pickle Pickers and the Gas House Gang, gave a good account of themselves and dominated the game for 6 innings, but the final score was 8 to 4 in favor of Mason.

The game started at 7:00 and was scheduled for 7 innings. Mason made the first score and Eldorado tied it in the bottom of the first when Paul Page knocked a home run over the fence. Eldorado picked up two more runs in the 2nd, making it 3 to 1. Then each team raked up one more run making it 4 to 2 in Eldorado's favor.

Nothing more happened until the 7th and last inning when Mason staged a batting rally and ran in 6 scores, Eldorado failed to come back in the bottom of the 7th and the ball game ended 8 to 6.

But it was a good game and Eldorado managers were trying to give all their boys a chance. Now that they have had the experience of one game it can be expected that their Pony League team will show up even better in future games.

We will have a return game with Mason—at Mason—on Saturday, July 2.

It could be that it is getting late in the season and we may be unable to schedule many out of town games, but a large delegation is expected to attend the Mason game this Saturday.

Post Script

July 4th—Independence Day
Time was when Independence Day was a patriotic celebration. Everyone turned out for band concerts and patriotic oratory delivered from flag and bunting draped platforms.

Now, July 4 is largely a day when people throng the highways to and from resort areas. Little attention is paid to the real significance of the day.

Independence Day comes this year on Monday. This is a day that has meant much to the citizens of yesteryear and sometimes we wonder if it means as much to some of the residents of the United States now as it has in the past. This day has been a cherished one for the past 190 years and it should have more meaning today than ever. Maybe we should all take time out Monday and examine this fateful day in our history and what it means to us . . . other than just a day off. While we are at it and speaking of a day off, celebrations and such . . . think of this . . . If you are one of those that will be out on the highways over the coming week end, exercise all the precautions and don't become a statistic . . . we'd like to see you around again Tuesday.

With no major activities planned for Eldorado for the long Fourth of July week end, a relatively quiet time is expected by the local law enforcement officers.

Many Schleicherites will attend the events at Brady, Rocksprings, and Fredericksburg. A few may still take picnic lunches to Christoval. Others will load up the family and head for a lake.

Activities here will be confined largely to visiting, picnics, family gatherings, and just taking it easy.

Most stores here, as well as court house and federal offices, will be closed Monday for the holiday of the Fourth.

A few service stations and perhaps a cafe or two will be serving the traveling public.

What Price Patriotism?

They were men of means and well educated—yet they signed the Declaration of Independence knowing full well the price they'd pay. What happened to them?

Five signers were captured by the British as traitors and tortured before they died. Twenty had their homes ransacked and burned. Nine of the 56 fought and died from wounds or the hardships of the war.

Carter Braxton, a wealthy trader, saw his ships swept from the seas by the British navy. He sold his home to pay his debts and died bankrupt.

Thomas McKean was so hounded by the British that he was forced to move his family constantly and to keep in hiding. His possessions were taken and he was reduced to poverty.

British soldiers or vandals looted the properties of William Ellery, George Clymer, Syman Hall, George Walton, Button Gwinnett, Thomas Heyward, Edward Rutledge and Arthur Middleton.

At the Battle of Yorktown, Thomas Nelson Jr. noted that the British General Cornwallis had taken over the Nelson home for his headquarters. Nelson urged General Washington to open fire. The home was destroyed and Nelson died bankrupt.

Francis Lewis had his home and property destroyed. The British jailed his wife and she died within a few months.

John Hart was driven from his wife's bedside as she was dying. Their 3 children fled for their lives. His fields and grist mill were destroyed. For more than a year he lived in forests and caves, returning home after the war to find his wife dead and his children vanished. A few weeks later he died from exhaustion.

Robert Morris and Phillip Livingston suffered similar fates. Such are the stories and sacrifices of the American Revolution. These men HAD security, but they valued liberty more.

Suddenly we seem to be plagued with mosquitoes. If you haven't already noticed it, go out and start mowing your lawn.

"You just don't never get nothin' right!"

We've been accused of that any number of times and now comes another one. Five weeks ago this great family journal reported that the county was asking for bids on a new buildings at the park area to be located at the EAST end of the slab.

This past week end Logan and Griffin were laying out forms for the foundation when we came by. Everything was coming along fine, but it is actually located at the WEST end of the slab.

Tomorrow, Friday, July 1st is the day that the big Medicare program goes into effect for people 65 years of age and over.

If you are over 65 and think that now you can go to your doctor FOR FREE, you'll be disappointed.

The way we get it is that your doctor is going to demand that you pay him his bill like you always have. But he'll give you a RECEIPT for what you paid. In the course of a year if your receipts total more than \$50, then you fill out some forms, attach the receipts and send them in to the Medicare office. They deduct the first \$50, and pay you back 80% of the remaining amount—in God's good time. That's just part of it.

There are many other features in the program having to do with hospitalization and nursing homes. Pamphlets are being issued explaining all the various provisions. After you've read them you'll want a Philadelphia lawyer to explain it all to you.

Of course this is too early in the game for anyone to pass judgment on this vast program. No doubt it is designed to help the needy. Other countries have had medical programs for years, so why not us—the richest country in the world. But there is bound to be a lot of confusion for a while.

As for me, I can't help but feel that the service I get whether from a carpenter, a plumber, a dentist or a doctor is usually worth just about as much as what I pay for.

But then, again, how do we residents here in Eldorado and Schleicher county take advantage of this program even if we wanted to—

We don't have a hospital!
We don't have a nursing home!
We don't even have a doctor!
Don't ask me, I don't know either, but these are disturbing questions.

Pancho Bradley, who has had the C. C. West place on the west edge of town leased, is in the process of buying the house of the late Mrs. T. W. Johnson which is located just west of the Methodist church. Mrs. Burden and Mrs. Terpenning were still disposing of Mrs. Johnson's effects this week, and will give possession of the house in the near future.

New Pipeline To Be Built

Sinclair Oil and Gas Company has secured right of way for a gathering system and pipeline from Eldorado field to their plant at Huldale.

There about ten (or more) capped gas wells will be put on production when the 8-inch line is completed.

The Tulsa office reports that contractors are now submitting bids and construction will be under way in the very near future. The line has been in the planning stage since last year but was delayed awaiting FPC permit.

Miss McCalla Awarded P.-T.A. Scholarship

BETH McCALLA

Miss Beth McCalla, daughter of Mr. and Mrs. L. E. McCalla, has been awarded the P. T. A. Scholarship for the year 1966.

Beth, who was a member of the '66 graduating class of Eldorado High School, is already attending Abilene Christian College where she is majoring in Elementary Education and is also in the band.

In high school, she was a member of the F.H.A., band, basketball team and G.A.A. Her Senior year she was vice-president of the band, on the Student Council, band sweetheart and class favorite.

Walls Going Up

Logan and Griffin ran foundation and floor Monday on the new park building and walls were going up yesterday. By the time readers get this paper the job will have advanced rapidly.

Mr. and Mrs. Hal Whitten, and Milton, Sherri, and Martha Jo are moving to Sulphur Springs in East Texas around the 6th of July. Mr. Whitten will be ranching as he is here.

New Babies

A daughter was born last Friday, June 24th, to Mr. and Mrs. Jerald Hudson of Denver City. Mrs. Hudson is the former Eileen Kent of Eldorado.

The baby, who weighed 7 lbs. 3 oz., has been named Melinda Darleen. She was born at 1:58 a.m.

Grandparents are Mr. and Mrs. Victor Kent of Eldorado, and Mr. and Mrs. J. C. Hudson of Rowena. Great grandparents are Mr. and Mrs. L. Kent of Eldorado and Mrs. Gladys Stoepler of Eden.

A son was born Saturday evening, June 25th, in the Sonora hospital to Mr. and Mrs. Jimmy Wayne Harris. The baby weighed 8 lbs. 4 oz. and has been named Michael Todd.

Grandparents are Mr. and Mrs. Orland Harris who live here, and Mr. and Mrs. F. H. Sutherland of Bishop, California. Mrs. L. L. Harris and Mrs. R. W. King, both of Eldorado, are great-grandmothers. The Harrises have two other children, Wayne 5, and a daughter, Gina, 3. The father is employed here in the post office.

A son was born at 1:30 Sunday morning, June 26th, in the Clinic-Hospital to Mr. and Mrs. Ronnie Sauer. The baby weighed 8 lbs. 13 oz. and has been named Ronald Wayne, Jr. The Sauers also have a daughter, 1½ years old.

Grandparents are Alma Sauer of San Angelo and Victor Sauer of this county, and Mr. and Mrs. Waldene Sudduth of San Angelo. Greats are Mr. and Mrs. Oddest Sudduth and Mrs. Otto Sauer of here, and Mrs. Amos Taylor of Santa Anna.

A son was born Monday, June 27, in Shannon hospital to Mr. and Mrs. Dan Griffin.

The new baby weighed 6 lbs. 7½ oz. and has been named Kelly Dan. The Griffins have two other sons, Curt, 4, and Craig, 1½ years of age.

Grandparents are Mr. and Mrs. Jack Griffin of this place, and Mr. and Mrs. John F. Webb of Houston. Greats are Mrs. Frank Blair of San Angelo and Mrs. John Webb of New Orleans, La.

Eldorado Doctor Is Leaving For Midland

After serving Eldorado for two years, Dr. E. F. Vernezobre is closing his Eldorado clinic tonight (Thursday) and leaving for Midland.

The family consists of his wife, Diana, who is a registered nurse, a 2½-year-old daughter, and the doctor's mother and grandmother. They moved here from Baird, Texas, in July, 1964. Lack of hospital facilities here is given as one of the reasons for the move to Midland.

In Midland Dr. Vernezobre will be in charge of a clinic set-up at 2109 West Texas Avenue which is located near one of Midland's hospitals.

Dr. Vernezobre studied medicine at the University of Havana in Cuba where he received his diploma in 1952. Following his internship he started practice in Cuba in 1956. When he was forced to leave the island in 1961 he owned a 40-bed hospital.

Upon arrival in United States he started the intern process all over again in Virginia. He moved to Texas in '62 where he served on the staff of the San Antonio State TB hospital. He passed his Texas medical exams later that year and moved to Baird early in 1964.

Elton Harris Funeral Held Last Saturday

Military funeral services for Staff/Sgt. Elton O. Harris were held here last Saturday afternoon in the First Baptist church, after his body was flown here the day before from the Northeast. Sgt. Harris was killed in action June 18 in Vietnam, and his was the first death among servicemen from this county in that conflict. A military detachment from Fort Hood was here to provide pall bearers and a chaplain, Capt. Owinga, for the funeral, and a bugler and firing team for the graveside rites.

The Rev. Kenneth Vaughan and Capt. Owinga officiated.

Interment was made in the Eldorado cemetery.

Flags were flown at half-mast in the Eldorado business district all day Saturday in tribute to Sgt. Harris.

Mrs. Elton Harris and her two children left Wednesday morning to fly back to their home in West Virginia after they spent about a week here in the Odis Harris home.

Second Group Are At Girl Scout Camp

Another group of local Girl Scouts are attending the 2nd session of camp at Jo-Jan-Van near Barksdale.

Those going for one week include Patsy and Paula Prater, Sherwin Jackson and Patty Olson.

Marian Bland is going for the two week session that ends July 8. Claudia Meador, Peggy Hill, and Genie Newport returned Saturday from the camp.

Jack Steward Wins Am. Airlines Wings

Jack Gardner Steward, son of Mr. and Mrs. Aaron Steward, Route 1, Eldorado, Texas, has been awarded the silver wings of an American Airlines flight officer after completing the courses of training at the airline's flight school at Fort Worth, Texas.

Born in Eldorado, Texas, Steward graduated from Eldorado High School in 1954. He attended Texas Technological College and Abilene Christian College, where he was a member of Phi Delta Psi.

Steward served in the United States Air Force from 1958 to 1965 and attained the rank of Captain. He was based at Barksdale Air Force Base, La., for the last four years.

He, his wife, Donna, and their son, Scott, will make their home in Nashville, Tenn., where Steward has been based.

By MRS. VIDA KREKLOW

A little friend of mine, 8 years old, asked me the other day if I thought that there was any person in Eldorado who had never been out of this town. (I have figures on all kinds of statistics but I had nothing on this interesting question.) He and I speculated at length and finally decided that "yes," we guessed everybody had been out of Eldorado at least once. Of course, maybe, a tiny baby born here had not been, but everybody else—yes.

Now, I am not so sure. A copy of "Food and Nutrition News" came in the mail today which contained a statement concerning the facts of the conversation just mentioned.

I have just read—
"It was reported that 50% of the American people have never been further than 200 miles from home. More than 50% have never been to a hotel and more than 80% have never flown in an airplane."

And here we are, daily reading comments on the giant strides of the 20th century; on the traveling American public and the general, over all sophistication of our population, when according to these figures half of us haven't even been out of Texas yet!

Not that travel makes the man. It doesn't but it does change the angle of the view. I'm sure that none of our astronauts will ever be the same again. Their vantage points have undergone a terrific enlargement.

It's time to repeat the recipe for preserving figs the easy way. The season will be with us soon—if not now.

Fig Preserves
5 cups figs— wash and quarter them.
5 cups sugar; cover figs and let stand overnight.
Cook at low temperature for 30 minutes; while mixture is hot add family sized box strawberry flavored gelatin. Let dissolve.
Place in clean jars. Seal while hot.

This recipe came through the courtesy of Elnora Love. Remember, A friend in San Angelo gave it to her. For the friend and Elnora, we are appreciative.

A fitted sheet is not always just another fitted sheet. There is a difference.

Fitted, bottom sheets with elastic sewn into the corners last much longer than fitted cotton sheets with non-elastic corners.

And did you know that in a recent research test elastic cornered fitted sheets did not need any mending after 52 weeks of wear and washing while the non-elastic corners had to be mended after only two weeks of comparable use? Next time get elastic.

And—it is true that the fitted sheet does not wear as long as flat sheets but to me they are worth all they cost in ease and convenience of use. I'll take a fitted sheet every time. Some things are worth what they cost.

Recently as a part of a demonstration in meal planning I made and served a dish called "Turkey Divan." Chicken may be used instead of turkey and no one will mind the difference. I used a roasted wild turkey (from the freezer I assure you) and it tasted fine.

I promised the recipe to club members present at the luncheon and I believe that you will enjoy having it too.

Turkey Divan
Broccoli—2 boxes, frozen
Grated cheese, 1 cup
Sliced Poultry, 8 to 12 thick slices
Medium white sauce, 2 cups
Eggs, 2
Marjoram, 1/4 teaspoon
Minced onion, 2 teaspoons.

1. Cook broccoli according to directions; arrange in shallow baking dish.
2. Sprinkle half the cheese over broccoli.
3. Arrange sliced turkey over broccoli and cheese.
4. Make white sauce thusly: Melt 4 tablespoons butter in saucepan, add 4 tablespoons flour, 1/4 teaspoon salt, 1/4 teaspoon pepper, marjoram, and onion. Combine thoroughly.
5. Add 2 cups cold milk all at once; cook mixture, stirring until sauce thickens.
6. Beat eggs and add to cooked white sauce.
7. Pour sauce over broccoli and turkey slices.

Asparagus or spinach may be used instead of broccoli.

Turkey divan is good enough for a special company dish and yet as easy as the simplest everyday dish to prepare.

On the day before serving, the turkey was cooked, sliced from the bone and refrigerated. The white sauce was made and refrigerated. The cheese was grated.

Then—on the day of serving the broccoli was cooked in an electric skillet, with no waetr at 175-degree setting.

The dish was put together as described above and rewarmed before serving at lunch time.

The Turkey Divan was served with fresh green beans, garden fresh new potatoes, rolled in butter and browned in the oven, tiny yellow squash, tossed green salad, hot rolls and cherry tarts for dessert.

Yes indeed, we did eat well that day. But it happens nearly every time when a group has a meal together.

This was not a pot-luck affair but was a menu well planned by club members; each bringing her assigned dish. Works better than random preparation, I think.

Miss Carol Goff And Pete Logan Married

The wedding of Lewis F. (Pete) Logan, U.S.N., and Sonora, Texas, and Miss Carol Goff, San Diego, California, was performed at 2:00 p.m. Sunday, June 26, at the Antioch Baptist church here in Eldorado. The Rev. Jim Jackson, pastor, officiated.

The couple were attended by Miss Bonnie Luman, maid-of-honor and Jimmy Wayne Harris, best man.

The bride wore a white brocade sheath dress with white accessories. She carried a bouquet of white carnations. The maid-of-honor wore a blue two-piece lace dress with white accessories.

Music was furnished by Mrs. Roy Phelps, pianist, and Miss Teresa Phelps who sang, "I Love You Truly" and "A Wedding Prayer."

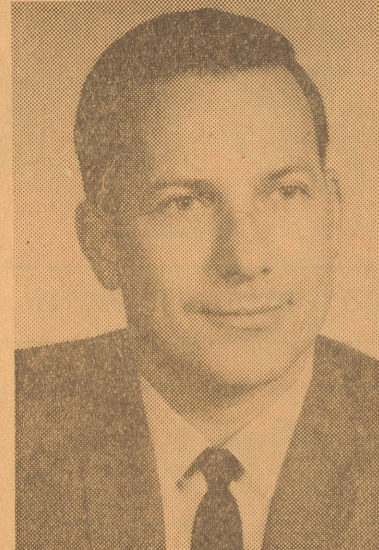

The couple left for a wedding trip before going to Gulfport, Mississippi, where the groom will be stationed.

The wedding was attended by a large group of relatives and friends.

A reception was held immediately following the ceremony at the home of Mrs. L. T. Wilson, grandmother of the groom. The bride's chosen colors of pink and white were used throughout the receiving and serving rooms.

At the punch bowl was Mrs. Jack Etheredge. Serving cake was Mrs. Estel Otte of San Angelo. Mrs. Joe T. Logan of San Angelo was at the guest register.

Final Meeting Of Revival Is Tonight

ROBERT T. GARTMAN

The fifth and final Revival meeting will begin at 8:00 tonight, Thursday, at the First Christian Church here.

Robert T. Gartman, minister of the Memorial Christian Church at Midland, is the preacher for this series of meetings which started Sunday night and has continued through this week.

Church members announce that all are welcome and that the church nursery will be open.

Insurance Hike Proposed For Drivers

The average motorist in Schleicher county will pay \$4 more for automobile insurance if the proposed change in rates is made by the State Board of Insurance, according to the Southwestern Insurance Information Service of Dallas.

Present cost of insurance on a new Ford or Chevrolet private passenger car driven to and from work and not driven by a male under 25 years of age is \$138. The new cost would be \$142. This includes basic liability coverage of \$10,000 for injury or loss of life of one person, \$20,000 for two, and \$5,000 property damage; \$100 deductible collision; and full coverage comprehensive insurance.

Under the new rates, motorists would pay \$1 more for bodily in-

jury and property damage liability and \$5 more for comprehensive. But the cost of \$100 deductible collision will be reduced \$2.

Cost for the same coverage but with \$50 deductible collision would be increased \$4 also, from \$151 to \$155.

Other types and older cars would have different rates. Texas has 26 rating territories and eight automobile classifications. The cost estimates given are for cars in classification 1B, which includes about half of the private automobiles in Texas.

For cars in this classification and insured under \$100 deductible collision policies, insurance would cost less in nine territories and remain unchanged in two. Costs for \$50 deductible policies would be lowered in seven territories and unchanged in one.

Even with the rate increases, Texas would rank about 30th among the states in the cost of automobile insurance to policyholders.

JOHNNY LAWRENCE MAKES PHARMACY HONOR LIST

Austin, Texas.—The University of Texas College of Pharmacy Spring Semester honor roll was recently announced.

Dr. Lee F. Worrell, College of Pharmacy dean, made public the list of 109 honor students.

Jonathan L. Lawrence of Eldorado made the "With Honors" roll.

Mr. and Mrs. E. W. Craig of Plains were here over the week end visiting her parents, Mr. and Mrs. E. T. Davis, and they attended the Elton Harris funeral.

Teresa Shipman, age 11, spent a week here recently visiting her grandparents, Mr. and Mrs. Dee Shipman, and has now returned home to Carlsbad, N. M.

Mr. and Mrs. Ernest Hill are home again after a stay of many weeks in the Sonora hospital.

Mr. and Mrs. N. G. Hodges expect the Jack Hodges family of Austin here for the Fourth of July week end, and they will also visit other local relatives.

The A. L. Stanford family of Henderson were here recently visiting in the J. H. Mace and Truett Stanford homes.

Charles Wimer and Kenneth Rosford were in Midland last week where they attended a Northern Natural Gas Co. meeting.

Top S.C.S. Districts Sought In Contest

The Eldorado-Divide Soil and Water Conservation District has entered the 20th annual Goodyear competition to select the nation's top 53 conservation districts, according to M. G. Shurley of Christoval, district chairman.

Activities of the district will be weighed against the performance of other districts in the state in determining the outstanding district in the annual event sponsored by The Goodyear Tire & Rubber Company of Akron, Ohio.

The Eldorado-Divide district has taken part in the competition 12 times in the past. District Supervisors are; M. G. Shurley, Christoval; Otis Deal, vice chairman, Eldorado; Ben Hext, sec., Eldorado;

Walter C. Pope, III, member, Fort McKavett; and Milton Rathbone, member, Knickerbocker, Texas.

Shurley said the district's outstanding operator will be selected from over the 320 farm operators enrolled in the district program. Nationally, over 2,000,000 farmers in over 2950 districts have signed cooperative agreements with local Soil and Water Conservation Districts.

Mr. and Mrs. Donald R. (Rusty) Dannheim and Linda, Gail, Richard and Karen of Seattle, Wash., are visiting Mr. and Mrs. E. H. Dannheim. Rusty, a First Class Petty Officer, is stationed at Sand Point Naval Air Station. The Dannheims visited Yellowstone National Park, The Air Force Academy, and other points of interest on their way to Texas. They plan to spend about three weeks here.

A LIGHT TO LIVE BY

It is customary to think of the United States as a young nation, and genealogically this is true. As a people, as Americans owing allegiance to none but ourselves, we are young. We declared our independence 190 years ago. We won it after seven bitter years of war 183 years ago. But what we forget is that young as we are, we are nevertheless the oldest republic on earth. We have more experience at community government than any other nation save Switzerland. It has worked wonderfully well for us. Even our Civil War more than a century ago resulted in cementing us more firmly together, and in our 183 years we have grown from a small, barely independent nation into the lustiest, most powerful people of them all.

What our detractors cannot conceive is that we have no desire to rule. Autocratic government must rule to live; they cannot govern because to govern is to carry out the wishes of the citizenry and few citizens of any nation want domination and political slavery.

The distractions which surround us must not obscure in our minds the means of preserving what our forefathers gained for us nearly 200 years ago. Those patriots lit a lamp that still burns brighter than any other and if we tend it well will continue to shed its warm and kindly light long after the cold flame of despotism has burned itself out.

an immortal day”**

—John Adams, July 4, 1776

Independence Day will soon be with us. And many a person will wistfully and nostalgically wonder, “Whatever became of the old-time Fourth of July?”

There are various answers. The urbanization of the country is one. Mobility which, whatever its attractions, makes for family rootlessness is another. The enormous distractions of the present age are still another. And so is a preoccupation with material things which tends to obscure simpler and often more profound virtues.

At any rate, the Fourth our fathers knew was a special and unique observance. It was a happy combination of fun and reverence for the men and principles that make up our rich history. The flag flew everywhere. The speakers' stands in the town squares blazed with bunting, and the bands tirelessly played patriotic airs. Fireworks exploded endlessly, ranging from the ubiquitous firecracker to stunning set pieces celebrating great events of the past. It was a wonderful day for young and old.

Not the least of its attractions were the fiery addresses, made by well-known public figures of the time. Some of these, needless to say, were of a low oratorical level. But all of them had one thing in common. They paid tribute to freedom, and how it was won, and what was needed to maintain and defend it. The theme was patriotism—dedicated, unabashed. And every listener went away with a little more determination to keep the spirit of the founders alive.

The old-time celebrations will be few and far between this year. But, whatever we do, wherever we go on that day, let us take a moment to think what freedom and independence, in the fullest sense of those words, mean—and let us determine that our heritage shall never be lost.

Don't Forget . . . that this Monday, the Fourth of July, most local stores will be closed. Do your shopping with your friendly home-town merchants here today, Friday, and Saturday.

V. A. Representative To Be In San Angelo
A Veterans Administration contact representative will be in San Angelo one day a week to personally assist veterans interested in benefits provided by the new GI Bill.
The VA representative will be in the basement, Room 1-B, Tom Green County Court House from 8:00 a.m. to 5:00 p.m. each Tuesday, Jack Coker, manager of the VA Regional Office in Waco announced.
The service is temporary and is being provided now because of the high volume of inquiries being received about the new GI Bill, the VA Manager said.
Veterans discharged from the Armed Forces after January 31, 1955, are eligible for benefits provided by the new law. These are education and assistance, home and farm loans, medical care, job counseling, job placement, federal employment preference and issuance of burial flags.
Patricia Enochs, who is attending summer school at North Texas State University, Denton, spent the week end here with her parents, Mr. and Mrs. J. P. Enochs.

Buddy Calk Leaving For Canoe Trip

Buddy Calk, son of Mayor and Mrs. Eldon T. Calk, will be among a group of about 30 Explorer Scouts and three leaders who will pull out from San Angelo Saturday morning for a Canadian Canoe Trip.

The group of Explorer Scouts, drawn from all over the 23½-county Concho Valley Council of the Boy Scouts of America, will meet at the bus station at 6:00 a.m. Saturday and their bus pulls out at 6:15. They will visit Chicago both going to and coming from the canoe base at Ely, Minnesota.

Buddy paid for this trip with a big box of pennies that he had been saving since he was about a Third Grader in school. He surprised Raymond Hall, cashier of the First National Bank, when he presented them for exchange.

The Explorer Scouts attended a Shakedown Camp for their Canadian Canoe Trip on June 18 and 19 at Camp Sol Mayer, near Fort McKavett. Vincent Hobbs, executive for the Council, had charge of arrangements. Since each boy will be required to carry all personal gear and portage their canoes around certain lake areas in Minnesota, they had to sort out all non-essential belongings to lighten their loads.

Here is the itinerary of the trip: July 2, 1966 (Sat.): Leave San Angelo by bus at 6:15 a.m. Arrive Fort Worth at 11:40 a.m. Leave Fort Worth at 1:00 p.m. on Santa Fe Railroad.

July 3: Arrive Chicago at 9:15 a.m. Transfer to Soo Line Depot. Spend day in Chicago sight seeing. Leave Chicago on Soo Line at 3:00 p.m. Change trains at Minneapolis.

July 4: Arrive at Duluth at 4:45 a.m. by Great Northern Railroad. Leave Duluth at 10:00 a.m. via chartered bus. Arrive at Region 10 Canoe Base, Ely, Minn., 2:00 p.m.

July 4 through July 13 on canoe trails.

July 14, 1966: Leave Canoe Base by chartered bus at 9:00 a.m. Arrive in Duluth at 12:00 noon, spend the balance of the day sight seeing. Leave Duluth on Great Northern Line at 4:45 p.m. Change trains in Minneapolis.

July 15: Arrive at Chicago at 7:40 a.m. by Soo Line. Spend day in Chicago sight seeing. Leave Chicago on Santa Fe at 6:00 p.m.

July 16: Arrive at Fort Worth at 1:45 p.m. Leave Fort Worth by Trailways bus. Arrive in San Angelo about 7:00 p.m.

Little League

Last Thursday

The score was 10 to 15 last Thursday night when the Tigers played the Christoval Cougars. As usual the Cougars were top dogs, and remain undefeated.

Friday Night

A somewhat unspirited game took place last Friday night when the Red Sox defeated the White Sox to the tune of 10 to 6.

First Half	Won	Lost
Cougars	6	0
White Sox	1	5
Red Sox	4	2
Tigers	1	5

Saturday All Stars

The first half of Little League season close out Saturday night with an all-star game. A team made up of players from Rex Sox and Tigers competed with White Sox and Cougars.

The Red Tigers took the lead in the first inning, and were leading 8 to 7 in the top of the 4th, but the White Cougars came back with 4 more runs which put the game on ice. It was a good game.

By Innings	1	2	3	4	5
Red Tigers	2	0	2	4	0
White Cougars	0	7	0	4	—11

Monday Game

The second half of the Little League got under way Monday night when White Sox and Tigers went 5½ innings for a score of 5 to 3 in favor of the Tigers.

Tuesday night

We witnessed a good game Tuesday night when the Cougars beat the Red Sox 5 to 2 in 5½ innings. It was tied up 1 and 1 up through the first half of the 4th inning. But in the bottom of the 4th with Cougars batting, the Reds lost control and walked four men and this along with fielding errors, allowed 4 scores to run in. Red Sox managed to get one more score in the 6th inning and managed to fill the bases, but were unable to stage a batting rally before their side was retired.

It was a fast game and local fans were home by 9:15.

By Innings	1	2	3	4	5	6
Red Sox	0	0	0	1	0	1
Cougars	0	1	0	4	0	—5

Boy Scouts In Camp

Scoutmaster Bob Joyce pulled out Sunday morning with nine local Boy Scouts for Camp Fawcett, where they are spending this week. The camp is located on the Nueces river south of Rocksprings, and near Barksdale.

Scout campers are: Billy Hubble, Keith Williams, Bobby Sykes, Charles Adams, Steve Sykes, Ricky Bishop, Mark Calk, Robby Joyce, and Mark Bland.

The Rev. Dempsey G. Salter conducted the interdenominational service for the group before they left for camp. Rev. Salter represented the Ministerial Alliance of Eldorado.

The boys will participate in advancement skills and work to qualify for merit badges and first and second class rank.

The advancement skills they work for include swimming, life-saving, boating, canoeing, scout lifeguard, nature study, soil and water conservation, bird study, wildlife management, pioneering, camping, cooking, and first aid.

The requirements to qualify for first and second class ranks are ability to use a knife and axe, build fires, swim, cook, practice elementary first aid, use maps, compass, Morse Code, star navigation and signaling.

Tonight, Thursday, is parents' visiting night in camp and several from here will visit, have supper, and then attend the evening campfire program.

Friday night, final night of camp, the campfire program will feature the tap-out for the Order of the Arrow, and Eldorado's Troop 18 will be allowed to nominate one Scout of First Class rank or higher for this honor.

The camp session will close with the noon meal on Saturday, after which all troops will leave for home.

Association Calls For "Safety Awareness"

Austin, Texas.—The Texas Safety Association today issued its annual Accidental Death Alert for the July 4th holiday week end and called for "total safety awareness" to combat holiday hazards.

"This week end can be a happy occasion for holiday celebrants instead of a time of tragedy caused by accidents," S. Ross Carr of Houston, TSA president, said.

"It all depends on the willingness of every individual to include a program of total safety awareness in his holiday plans."

The Association president called on Texans to put safety first at home, at play or on-the-road.

"Whether you are just relaxing at home, fishing at the lake or traveling on congested highways, stay alert for accident hazards," he urged.

Rodeo Night Of 4th To Be Held At Boys Ranch

Johnny Bonner, chairman of the West Texas Boys Ranch Rodeo Committee, has announced plans for the 5th Annual July 4th Rodeo are complete with the all-boy rodeo scheduled to begin at 7:30 p.m., July 4th. The Rodeo will be held in the Boys Ranch Arena on the Ranch grounds which was designed by World Champion Cowboy, Harry Tompkins.

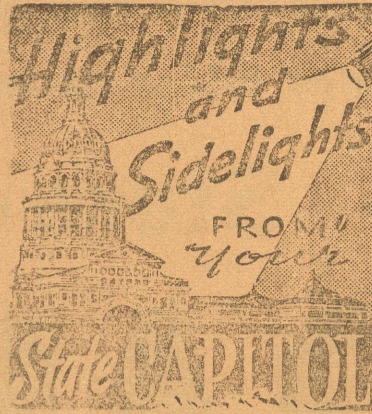

The Arena is well lighted and has a public address system; the public is cordially invited. Contestants will all be boy residents of the Ranch who will be competing for All Round Cowboy Trophy Buckles in three age groups.

Mr. and Mrs. Bob Mara and Twanna and Talena returned Sunday from a two-week vacation trip that took them as far north as Nevis, Minnesota. At Welcome, Minnesota, they spent a week visiting the Larry Rittenhouse family, former Eldorado residents. The Rittenhouses are operating a cafe in Welcome. The Maras returned home Sunday.

Corporals Larry and Gary Donaldson, sons of Mr. and Mrs. E. G. (Sandy) Donaldson, have been assigned permanent party cadre at Fort Leonard Wood, Missouri, pending reporting class date of Officer Candidate School at Fort Belvoir, Virginia. The two brothers graduated combat engineers June 3rd, and are now training incoming troops.

Mr. and Mrs. Claude Alexander, and Mr. and Mrs. Bubba Alexander and son David of Austin, and Mr. and Mrs. John Thomas Alexander and girls of Ft. Worth, and Mrs. Vera Word of San Antonio, and Mr. and Mrs. James Alexander and family of Sonora, were all recent visitors here in the Ray Alexander home, and they also visited other local relatives.

Grocery shoppers are now paying more for milk — the increase went into effect first of this week. From Austin comes word that automobile insurance rates are going up, too. It's all part of the dizzy spiral that we are living with.

Austin, Texas.—It's tourist season at the historic Texas State Capitol Building.

On any summer day, visitors from all parts of Texas, many other states and even foreign countries can be found in its spacious rotunda and in the splendid legislative halls or on the green, tree-shaded grounds.

More than 200,000 tourists looked over portions of the 78-year-old state house during the last year, estimates the Capitol Tourist Bureau which is operated seven days a week by Texas Highway Department personnel.

Two-hour free parking is available for visitors on a lot at 11th and Congress Ave.—across from the south Capitol grounds. Limited parking also is provided on a first-come-first-serve basis in marked tourist spaces on the grounds.

Dome Opened

A part of the famous Capitol dome was reopened last year for the first time in 12 years. Visitors can now go to the fifth floor landing (in company of a guide) and are rewarded by a spectacular view of the capital city from an outside balcony.

Six guided tours a day take them from the fourth-floor elevator stop —up 112 spiral steps to the fifth floor.

Many less-adventurous visitors are content to wander on their own through the columned corridors, to look up their Legislators' pictures in the House or Senate or drop by the Governor's office and sign the guest book.

Construction

The Capitol covers three acres of ground and has 192,374 square feet of floor space.

At the time of its completion in 1888, it was said to be the 7th largest capitol building in the world.

In 1879, the Legislature appropriated more than three million acres of land in 10 Panhandle counties to pay for the building.

Construction was begun February 1, 1882. Owners of Granite Mountain near Marble Falls in Burnet county offered free of charge to the state all granite needed to complete the building. (Original plans called for construction of Texas limestone.) Extended labor problems delayed construction, but Texas finally got a building that cost more than \$3,700,000 in exchange for her three million acres of land.

Rising to a height of more than 309 feet (from basement floor to top of the Goddess of Liberty statue on the dome), the building is seven feet higher than the National Capitol in Washington.

It is 585 feet long and 299 feet wide, including outside steps in both measurements.

Sutton Co. Homecoming Is Set For July 10th

A Homecoming will be staged the evening of Sunday, July 10th, on the courthouse lawn at Sonora, according to announcement made this week by the Sonora Ministerial Alliance.

A Basket Supper will be served at 6:00 p.m. that day. All who attend are asked to bring enough for their group.

At 7:30 p.m., there will be preaching and singing, with the Rev. Rodney Dowdy in charge of the services. The Rev. Tom Shipp, pastor of Lover's Lane Methodist church in Dallas, will be featured speaker and Joe Lane will be song leader.

Mr. and Mrs. Roy Briggs have moved to 4109 Pine Ave., in Waco, Texas. He is an inspector with the Liquor Control Board. Mrs. Briggs is the former Helen Marie Morgan of this place.

Texas red granite for exterior walls were hauled into Austin from Burnet county by ox-power and a specially built railroad. Texas limestone forms interior and dome walls.

There are still a few oldtimers around who remember when the grand old building was brand new.

Other Attractions

"The Texas Capitol is more than a seat of government; more than a fountainhead of law," one writer has said. "With its treasures of Texana, it acts like a lodestone upon even the 'summer soldier and the sunshine patriot.' And those who enjoy deeper drafts of history may stand again and again before the Capitol's paintings, sculptures and documents, each time finding something they had missed before. Here, one must thrill to the feel of an undercurrent of the tremendous energy and vigor which continues to keep Texas great."

Wainscoting of oak, pine, cherry, cedar, walnut, ash and mahogany would reach a length of seven miles.

Door and window frames are all in oak and pine, except those in the Governor's ornate reception room, which are of cherry.

The original copper roof covers 85,000 square feet. Original floors were of hand-blocked clay tile, glass and wood. New rotunda and hall floors are of terrazo, all Texas rock aggregate except for the blue in the U. S. Seal which was imported from Italy. These rotunda floors tell the story of Texas history and are regarded as among the largest and most beautiful terrazo floors in the world.

Modeled after the classic design of the National Capitol, the Texas Capitol is built in the form of a Grecian cross.

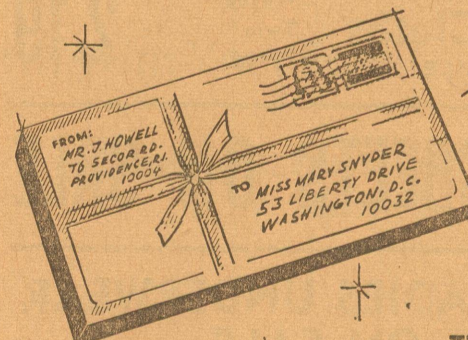

Many other state agencies are located in modern buildings just off the Capitol grounds. Visits to some of these buildings are also worthwhile.

Especially fascinating is the fine Archives and Library Building just east of the Capitol.

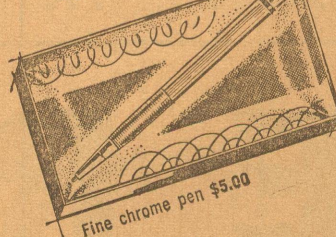

The Capitol Tourist Bureau, one of nine such units of the Highway Department, maintains complete information about other Austin attractions and provides travel information about the entire state.

Last year, these bureaus played ed host to 753,000 travelers out of a record total of more than 12.6 million out-of-state people who were passengers in autos visiting the state.

ELDORADO AND SONORA, TEXAS

Make Freedom Ring!

With a mighty chorus of Bells the nation is reviving one of our earliest traditions. On the 4th of July, once again, the joyous clangor of bells will peal out the good news of American independence just as the Liberty Bell pealed the news to the citizens of Philadelphia on July 4, 1774.

The renewed interest in a lost tradition in our nation's heritage is to us a joyous, wonderful sound of freedom! In the first hundred years of our country's life, the ringing of bells was the standard way of celebrating Independence Day. It is good that we still have such strong feelings about the values of the American past that we want to ring all the nation's bells simultaneously again this year.

It is our hope that you will listen at 2:00 p.m. E.S.T. on July 4 to this new, yet old, celebration, as across the country hundreds of radio and television stations will play chime music from a special record of the sounds of more than a dozen famous bells. Better still, ring your own individual bell and resolve with courage and determination to keep our nation "the land of the free and the home of the brave."

The above article has been written for the official Bulletin of the Order of the Eastern Star by Mrs. Edna Earl Duke, Worthy Grand Matron and Judge Marvin B. Simpson Jr., Worthy Iranl Patron of Texas.

And as a Deputy Grand Matron

of District Five, Section Two, I join them in asking each as freedom loving American citizens, to Ring Your Bell at 2:00 p.m. EST (1:00 p.m. Central Standard Time) and let's keep America Free! Ring the church bells, the school bells, the old fashioned driver bells, the door bells or the telephone bell, but let's Ring together in Eldorado for Freedom.—Blanche West Deputy Grand Matron, District 5, Section 2, Grand Chapter of Texas Order of The Eastern Star.

WESTS HAVE VISITORS

Mrs. Gene Eubank, and Leslie Lynn have been in Eldorado and Roosevelt this week. Scott Eubank is spending the summer with his grandparents, Mr. and Mrs. Palmer West and in Roosevelt with the Vance Eubanks.

Gene Eubank has been in Flint, Michigan, the month of June for special study with General Motors Corp. They will return July 1st to their home in San Antonio.

Scott will remain the summer. On Sunday, Mrs. Eubank and children attended the Methodist church and Sunday afternoon visited the Cashes W. Taylors and family in Sonora.

Maj. and Mrs. Dale M. Peterson and Alan and Eric departed recently for Charleston, S. C., where Maj. Peterson is stationed. Mrs. Peterson and the children have been visiting in the E. H. Dannheim home while Maj. Peterson was on temporary duty at Tinker AFB, Oklahoma.

Miss Jan Porter Bride Of Ronnie Williams

MRS. RONNIE WAYNE WILLIAMS (the former Janice Irene Porter)

Miss Janice Irene Porter, daughter of Mr. and Mrs. Wm. C. Porter of Eldorado, and Ronnie Wayne Williams, son of Mr. and Mrs. A. D. Williams of 2498 Culver in San Angelo, were married Saturday, June 25, in the First Christian church in Eldorado.

The Rev. Lloyd H. Thompson, pastor of Lake View Christian Church, of San Angelo, officiated. The bride's formal gown of bone peau de soie was styled with a sculptured neckline, accented with re-embroidered peau d'ange, and had a chapel length train. The bridal bouquet was placed on a family Bible belonging to the bride's grandmother, the late Mrs. Leonard Procter.

"Because" and "O Promise Me" were sung by Miss Mickey Phelps of Eldorado and Miss Karon Kemble of Thorndale. Mrs. Bill Rozean of Eldorado was organist.

Miss Kaye Harkey, cousin of the bride, was maid of honor. She wore a formal gown of dark blue and the bridesmaids wore matching gowns in light blue and carried blue and white nosegays. The bridesmaids were Miss Sharon Nyquist of Buchanan Dam, Mrs. Jean Earls, cousin of the bride, of Lubbock, and Miss Linda Hill of Winters.

Flower girls were Miss Myna Kay Roane of Robert Lee, cousin of the groom and Miss Candyace Martin of Eldorado. They wore identical dresses to the bridesmaids and carried baskets of blue and white flowers.

Dean Williams of Irving was his brother's best man. Groomsmen were B. F. Harkey, uncle of the bride, Bill Carrville, cousin of the groom, San Angelo, and Gary Fiest, cousin of the groom, also of San Angelo.

Gary Tidwell, cousin of the bride of Canyon, Texas, was ring-bearer, and the ushers were Phil McCormick and Lynn Meador. Gordon Schrank and Hyman Sauer were candle lighters. Miss Amy

Lee Speed, cousin of the bride of Lubbock, and Miss Jill Edmiston of Eldorado were Rice Bag Girls.

Mrs. Dean Williams registered the guests at the reception, which was held in the garden at the B. F. Harkey residence. Miss Frankie Blaylock and Miss Christy Moore served at the bride's table. Miss Paula Mace and Miss Marsha Tidwell, cousin of the bride of Canyon, Texas, served at the groom's table.

Mrs. Williams chose a blue silk suit with lace trim and white accessories for going away. She wore orchids from her bridal bouquet.

After a trip to Houston and Galveston the couple will be at home at 302 W. Harris in San Angelo.

Mrs. Williams, a graduate of Eldorado High School, is a sophomore in Angelo State College. Her husband, also a graduate from Eldorado High School, is a junior student at Angelo State College.

Parents of the bridegroom hosted the rehearsal dinner Friday evening in the home of Mr. and Mrs. B. F. Harkey.

The bride was honored with several parties including a Gift Tea in the home of Mrs. Pat Martin. Miss Linda Hill was hostess for a luncheon at the San Angelo Country Club. Mrs. Hollis McCormick, Mrs. Oliver Teele, and Mrs. Roy Phelps were cohostesses at a recipe party in the Phelps home. A pizza and swimming party was given by Mr. and Mrs. Robert Martin and Candyace at their ranch home. Mrs. Joe Wagley and Jan had a rice bag party in the Wagley home.

Mr. and Mrs. Ed Meador and Lynn entertained the young couple with a spaghetti supper and Mrs. B. F. Harkey and Kaye had "an ole Maid" party. The bride's luncheon was given by the bride's aunt, Mrs. Brad Castleman of Canyon, Texas. Mrs. Castleman was assisted by her daughter, Marsha. The luncheon was held at the Holiday Inn in San Angelo.

On The Screen . . .

There's A Long, Long Trail A-winding . . .

From Oklahoma to Wyoming in just about 156 minutes is acceptable when traveling by jet, and it seems equally fast on horseback and afoot as the participants do it in "Cheyenne Autumn." The trek starts, in Technicolor and Super Panavision at the Eagle Drive-In Sunday night, and continues thru Monday night.

John Ford's most recent opus has all of the traditional touches: The rough-and-tumble professional cavalymen, slews of Indians, a couple of good pitched battles and the assorted deering-do usually linked with his name. The screenplay, by James R. Webb, based on Maru Sandoz' book, "Cheyenne Autumn" has all the elements of an excellent western movie.

The picture concerns the struggle of a band of displaced Cheyenne, deceived by "the forked tongue of the white chiefs in Washington," to return to their tribal hunting grounds in the Yellowstone area. They jump the reservation in barren, dusty Oklahoma and set off to make the long and perilous journey.

They are accompanied by Carroll Baker (as Deborah Wright, a Quaker school marm) who doesn't feel that the children will be properly looked after without her, and by Capt. Thomas Archer, otherwise Richard Widmark, an old Indian-fighting cavalry officer.

As the Indians move homeward, they fight a couple of battles with the troopers and manage to outdo the bluecoats every time. The stories of the redman's savagery

spread over the country-side and cause panic on the prairie and high skullduggery in the nation's capital.

Naturally, winter comes and the tribesmen and their squaws and papooses, to say nothing of Miss Baker, are cold, hungry and tired. So, they separate, half following Dull Knife (Gilbert Roland) to shelter at Ft. Robinson; the rest pushing on under the guidance of Little Wolf (Ricardo Montalban). Karl Malden, the commander at the fort, a former Prussian now wearing Union blue, acting on sacred orders enters the Indians in a warehouse, without food, water or shelter, until they can be shipped back to Oklahoma.

Through some highly unorthodox maneuvering by Widmark, the Secretary of the Interior himself journeys west and the Cheyenne are allowed to return to their old stamping grounds. This decision is reached after Edward G. Robinson, who in scraggly beard, plays the Secretary, asks a framed photograph of Abraham Lincoln what he should do.

A bright spot is a Dodge City sequence featuring James Stewart as Wyatt Earp, Arthur Kennedy as Doc Holliday, and John Carradine as a professional gambler.

Director Ford assembled a galaxy of stars. Widmark and Miss Baker turn in creditable performances; it is good to see Dolores Del Rio back on the screen she graced for so long. She is still good to look at. So is the work of photographic director William Clothier. Some of his scenic shots are nothing short of spectacular.

The L. V. Newport family left this week to visit relatives at Commerce.

Three Local Girls To Attend Twirling School

Abilene—Three teenagers from Eldorado: Susan Mobley, Kay Sanders, and Mona Wagoner, will attend the 19th annual two-week summer vacation band and twirling school which opens July 10 on McMurry College campus.

Heading the 15-member faculty chosen from successful band directors and twirling instructors from over West Texas will be Dr. Raymond T. Bynum, director of the McMurry College Band.

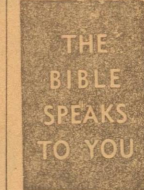

Dr. Bynum said, "Beginning on Sunday night, July 10, in Radford Auditorium the entire school will be together for a worship service. Monday night will be movies and dancing with music furnished by members of the band school faculty. For entertainment Wednesday night the faculty will give a recital."

The classes are designed to improve concert band performance

as well as marching showmanship. Attention will be given to all individual instrument instruction, conducting, marching and twirling, theory, percussion, and drum majoring. For mature and advanced players, a course in "reading band" will be offered again this year.

The summer band school is open to college and high school players. Exceptional players of junior high school age may attend upon recommendation from their band director.
