Number 9

Public School Week Observance Set Monday Thru Thursday, Next Week

The annual Public School Week is being held in the local schools Monday through Thursday of the coming week. While parents and other school patrons are welcome to visit the school at any time during the year, they are urged to make special effort to attend during Public School Week.

A Science Fair is being staged in the room across the hall from the lunch room. The room was vacated a few months ago by the Vocational Ag. department and the FFA boys. Visitors in both the elementary and high school should visit this Science Fair.

During Public School Week, the patrons have a special opportunity to become acquainted with the work which the local school system is doing, it was pointed out by the school administrators. They are

C. T. Humphries, superintendent; Guy Whitaker, high school principal; and Frank Janes, elementary principal.

In order for the school to have enough extra chairs to accommodate the visitors, certain days have been scheduled for visitation (see schedule below.) If this schedule does not fit the visitor's schedule, the administrators urge that parents come at their convenience. Likewise, in order to have sufficient food on hand for lunches, the visitors should sign the form for the day they intend to have lunch with the school and send it back to the homeroom teacher. The form should be sent back no later than this Friday, March 3rd.

Parents will use students' cafeteria tickets. If you have more than one child in the school, visit all of them on the day you choose.

VISITATION AND LUNCH SCHEDULE

GRADE	LUNCH TIME
Monday, March 6, 1967	
Seventh Grade	12:20
Juniors	12:10
First Grade	11:00
Tuesday, March 7	
Sophomores	12:10
Second Grade	11:10
Wednesday, March 8	
Freshman	12:15
Third Grade	11:20
Fourth Grade	11:30
Thursday, March 9	
Fifth Grade	11:35
Sixth Grade	11:40
Seniors	12:10
Eighth Grade	12:20

Friday, March 10: School holiday. District XI Teachers' Meeting will be held in Brownwood.

Post Script

Visit Your Public School

There have been many developments in education since the Public Schools were established in Texas 113 years ago. The celebration of Texas Public Schools Week points this out. During this special week from March 6th through the 9th, the Public Schools of Texas hold open house for everyone.

It gives those who are interested the opportunity of seeing how our schools are equipped, how they are staffed, and how the children are taught. There will be many surprises for those who have not visited a public school in recent years.

The Texas Public Schools have kept pace with the space age and are providing the type of instruction which you have a right to expect. The new scientific methods are combined with the three R's to give the children of today unparalleled opportunities to learn.

The school administrators and teachers are eager to reveal new teaching techniques and to answer any questions about our schools which you may have.

The complete visitation schedule for next week is on this page.

—ps—

You can't take a sentimental journey back to the little country school of your youth, because chances are that it isn't there any more. Times change, and there's been a revolution in the classroom.

You can see the changes especially clearly, if you are old enough to remember when . . . The kids from the country took their lunches to school in paper bags, or syrup pails that had holes punched in the lid. Their lunch, often as not, consisted of a few biscuits picked up from the breakfast table, along with perhaps a boiled egg, a banana, or an apple or orange.

Those from the more affluent families would step downtown during the lunch period and buy a hamburger.

Many pupils went to school barefooted when the weather was warm enough, and they wore overalls.

All classroom floors were oiled. You sat at the rows of desks with attached seat for the pupil in front, and with shelf space under the desks for books.

The average small-town school could get along with one coach, just one school custodian, and it was not unusual for a teacher to teach 40 or more students in a class, or that many or more in an elementary classroom.

The Third Grade marked a major milestone because you were allowed to write with pen and ink. The teacher had each pupil buy a penstach with several "1,000 R. E. Esterbrook" points, and a bottle of ink.

You attended "Grammar School" seven years, got a diploma then, and went on to four years of high school. That made 11 years of public schooling.

When you went to a school assembly, it was called "going to chapel program."

The school quite possibly had a "WPA Library" with the librarian paid by the Works Progress Administration.

Yes, those were the days of attending school in what has been called The Great Depression.

—ps—

I read the Menard News each week and have been interested in the fight they are putting up over there to keep their hospital.

They have had a hospital for over the past eight years, located in what was formerly a big hotel. They have enjoyed their hospital and are proud of it. They think it is a great asset to their city.

Now with Medicare coming on, it seems their set-up doesn't qualify under standards set by the State Health Department and Medicare. They have already put a great deal of money into the facilities they have. Now they are faced with its closing or spending lots more money—or abandoning what they have and starting over from scratch.

What I gather from this is:

Once a small city has enjoyed the facilities of a hospital they are willing to turn heaven and earth to keep it. That's what they're doing in Menard right now. They have learned what a great asset it is to their city. They are fighting to keep it and I hope they succeed.

Eldorado is somewhat late in introducing the idea of a county

Eldorado Wins Six Medals At Speech Tournament In Sonora

Speech Winners.—Seated, left to right, are Martha Sue Page, 1st in extemporaneous and 3rd in impromptu; Peggy Hill, 2nd in jr. declamation; and Susan Hill, 1st in prose reading. Standing are Buddy Calk, 3rd in humorous declamation; and Kathy Robinson, 1st in persuasive speaking. —photo by Allan Dinsmore.

The Eldorado Speech Club walked away with six medals at the Sonora Speech Tournament held February 24 and 25. With 10 schools coming from as far away as Denton and Alice, Eldorado made a really good showing. Going into the finals, Eldorado had 16 people in different events.

When the finals were over, Martha Sue Page had a first in extemporaneous speech and third in impromptu; Kathy Robinson had a first in persuasive speaking; Susan Hill had a first in prose reading; Peggy Hill had a second in junior declamation; and Buddy Calk had a third in humorous declamation.

With 24 people entering the preliminary events, and getting 16 people in the finals, Eldorado was

more than successful. At one time Eldorado had more people in the finals than San Angelo Central and all other schools except Denton.

Those reaching the finals included Mickey Pennington, Bible reading; Buddy Calk, humorous declamation; Kathy Robinson, persuasive speaking; Susan Hill and Kay Sanders, Bible reading; Terry Martin, dramatic interpretation; Martha Sue Page, impromptu; Peggy Hill, jr. declamation; Martha Sue Page, extemp; Kay Sanders, poetry; and Terry Martin and Sally Janes in duet acting. In addition Martha Sue Page and Kathy Robinson reached the quarter-finals before they were eliminated in debate by a 2-1 decision by San Angelo. Nan Sauer and Terry Martin also would have been

in the finals in junior declamation except that Nan Sauer ran 40 seconds overtime, and Terry Martin was not officially entered in the contest.

Other people entered in the tournament were Keith Williams, Charles Adams, Claudia Meador, Rusty Meador, Steve Whitten, Jimmy Mercer, Richard Keel, Ronnie DeLong, Susan Mobley, Connie Sue Speck, Nancy Lux, Lisa Whitten, Arlene Hartgraves, and Patty Johnson.

The Eldorado Speech team did a job that all Eldoradoans should be proud of, but one can not stop to wonder how much better Eldorado might have done if experienced and qualified judges would have been used in all events, and not local judges. —Rep.

Early Morning Fire Wipes Out Tenant Family

Firemen were called out about 1:45 a.m., Wednesday, to a tenant house on Cecil Meador ranch on the Mertzon highway about 10 miles from Eldorado.

The house sometimes referred to as the "old ranch house" was occupied by Mr. and Mrs. Salvador Perez and children, and was completely ablaze when equipment arrived, and burned to the ground.

The Perez family includes three boys ages 8, 11 and 12, and two girls ages 6 and 7. When fire was discovered it had gained such headway that they were forced to flee without saving a single household item. Clothing, furniture and utensils all went up in the fire.

Civic groups are appealing for donations of all kinds for the destitute family, who are in need of everything—clothing, food, furniture, utensils, etc. (and, of course, cash.)

The family is staying at present with Domingo Pina here in Eldorado. His phone number is 2873.

Bill Lester To Move To Colorado City

W. C. Lester, who has been an Eldorado resident for 15 years employed by Standard of Texas, is being transferred by that firm to Colorado City. Mr. Lester has been property pumper here, and is being promoted to gang foreman at Colorado City.

He will be at the new location about April 1st. Mrs. Lester and daughter, Helen (Bunny) will join him there after school is out. Bunny is an 8th grader in the local school this year.

The Lesters also have two sons, Bill, Jr., who is in the Navy stationed in Florida, and Bob, who is attending college.

Mr. Lester stated that his replacement here would be Leslie Bassinger, who will move here from Kermit.

Five Candidates File For School Trustee

As the Success went to press this week, there were five candidates on the ticket for the upcoming School Trustee Election.

In addition to the incumbents, Jo Ed Hill and Ford Oglesby Jr., the names of John Murr, Jerrold Sanders, and C. L. Martin had been filed. Deadline for filing was midnight Wednesday of this week.

There were still no new candidates out for the city posts. The incumbents, Mayor Eldon Calk, and Aldermen Jimmy Harris and Granvil Hext, filed some time ago. Deadline for filing is midnight this Friday.

News Of The Sick

Mrs. J. A. Enochs is still in a San Angelo hospital recuperating from her hip surgery of a while back.

Miss Ada Woullard was taken to the Memorial Hospital in San Angelo during the week end, and she is undergoing treatments there. She has made her home here in recent years with her nephew, Leslie Woullard, who is on the high school faculty.

A former resident of Eldorado who is now in Memorials is Ollie Page, brother of the late Bert Page.

Mrs. Jim O'Harrow returned to the ranch Saturday after a stay of about 12 days in Shannon hospital where she had surgery.

Mrs. W. B. Shipman came home last week from the Sonora hospital where she stayed about three days.

Joan Doyle, student at Angelo State College, spent a few days in the Sonora hospital recently with an infected throat. By Wednesday of this week, she was back attending her classes. She is the daughter of Mr. and Mrs. Kenneth Doyle.

Mrs. Marinda (Granny) Mund was transferred from the Golden Years Nursing Home in Christoval to the Sonora hospital, this past Monday. She observed her 90th birthday last summer.

Mrs. W. J. Humphrey is still in the Shannon hospital where she has been for a number of weeks.

—Receipt Books at The Success.

hospital. Menard, Eden, Sonora, and Ozona have had hospitals for some time. Now that we are coming up with the idea here, we should at least be able to profit by our neighbors' experiences and mistakes.

If—and when—we vote the necessary bonds and taxes for a county hospital, we would be starting from scratch, and whatever plans are made they would be approved, to begin with, by the Health Dept., Medicare and any other regulatory body. Since we don't have a doggone thing to start with, anything that is built here is not going to have to be REMODELED the first years.

That much, at least, is in our favor.

—ps—

With our subscribers: Dorothy Campbell has subscribed from 819 Seminole St., Odessa, Texas.

Gary Parks is a new subscriber at 1112 So. Brighton Ave., Dallas. Mrs. Joe B. Gault recently renewed from 926 Egyptian Way, Grand Prairie, Texas 75050.

—ps—

During the last month our printing department again turned out a number of jobs for Dr. Marcus Young, our former dentist who is now practicing in Angelo.

This week we received another order from Dr. Vernezobre in Midland for another batch of receipts, printed and numbered in duplicate. The last two or three orders were for 2 thousand. This time the order is for 4 thousand. The only conclusion we can come to is that the doctor's practice in Midland is rapidly growing. We're glad for him and we're happy to continue to get his printing business.

—ps—

WANTED: A three-inch rain between now and the next press day. (Signed) Everybody.

—ps—

When we quit work and started for home Tuesday about 6:00, we noticed a column of black smoke coming from out near the dump ground. The only unusual thing about it was that it was going straight up—it was standing there like a tall black column.

In other words there wasn't a

breath of wind. The sky was clear—a beautiful spring day. When I got home I didn't want to go inside. Instead I went around turning on faucets and watering the fruit trees.

Funny how days like that can affect a person.

Buddy White Replaces Hodges

Commissioners of the Eldorado Housing Authority met Tuesday night at the city hall and elected Buddy White of Western Auto as new chairman, to replace John Hodges who has moved to Louisiana.

Mrs. Max Wilkins, secretary, stated that the Eldorado project is still waiting an approval of their plans in Fort Worth.

Two Redbud Trees Given To City Park

The Eldorado Woman's Club has given two redbud trees for planting on the small city park area, across from City Hall.

This is a beautification project of the club, and the committee members are Mrs. Arch Mittel, Mrs. Edwin Jackson and Mrs. Granvil Hext.

LETTERS FROM THE PEOPLE

Editor, Eldorado Success:

As a tax payer in Schleicher County, I am interested in the proposed hospital for Eldorado and Schleicher County. I am for anything that is best for the town and county, but I do not think the proposed tax supported hospital is best. Our taxes are too high already. The cost of the Hospital building is just the beginning of the expense. The upkeep and running of the hospital is the big expense. The government minimum wage law which is \$1.40 an hour minimum and is going higher applies to all help, from janitor and yard man on up, and it is almost impossible to get help even at this price, and in the hospital business, you have to keep this help all the time, whether the hospital is empty or full.

In this day of specialization, the small hospital cannot give the public the services they demand. The image of the hospital has changed and almost imperceptibly patients are shifting from the solo doctor and hospital to Hospital Centers where they can get the highly technical diagnostic and treatment procedures, requiring facilities, equipment and personnel making it "totally impractical" for them to be performed anywhere else. Eldorado is only 30 minutes or 1 hour's drive from San Angelo or Sonora where these services are available. In Houston, San Antonio, Dallas and other cities patients have to travel further than this and thru congested traffic to receive these hospital services.

Dr. C. T. Womack
Rudd Route, Christoval, Tex.

Our WASHINGTON Letter

By Congressman **O. C. FISHER**

Our Central Intelligence Agency which is the U. S. means of directing the world battle against Communist propaganda, has recently come under sharp attack by a group of ill-advised liberals. The hassle exploded when it was disclosed that the National Student Association (NSA) has been subsidized by the CIA, followed by disclosures that some foundations and other organizations have also been helped.

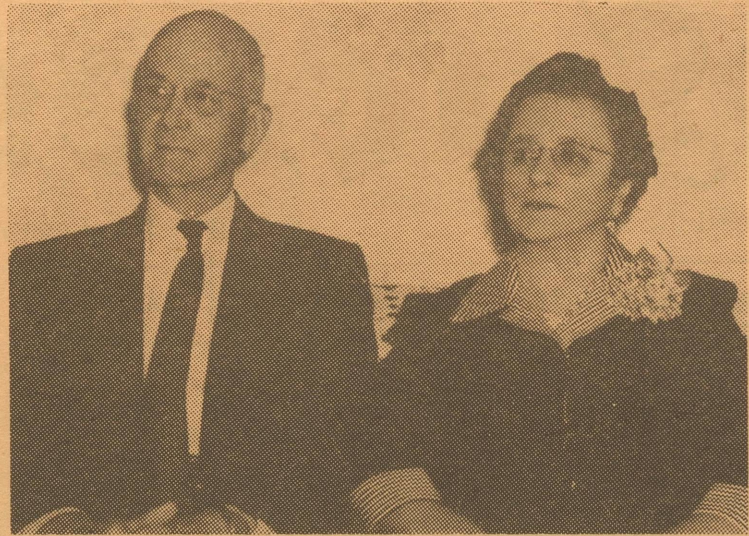

While there has probably been some mishandling of CIA's methods of fighting this war of ideas, the fact is that the agency appears to have done a fairly good job. After all, a major portion of the \$60-billion annual outlay for defense is due to the Communist threat to our security. It makes sense, therefore, that a well-planned intelligence service implement our military program even though it costs a few million.

There are scores of international meetings which deal with education, labor, culture, and other subjects—attended by both Communist and Free World delegates. There is other intermingling where undercover intelligence operatives can obtain pieces of vital information that affect our security. It is CIA's job to obtain and analyze bits of news relating to what our opponents are doing, planning and saying. Obtaining such data is often difficult and sometimes even risky. But an orderly and organized effort to do this seems highly essential in the struggle over the minds of men and in protecting our own security.

This battle involves the use of our wits and available means to compete in a conflict just as real, dirty and deadly serious as any shooting war in which we could engage.

But, unfortunately, the publicity is doing irreparable harm to this project. Intelligence of this kind feeds upon secrecy. The liberals are demanding that every traceable operation of CIA must be laid bare to public view. Thus, in effect these critics—wittingly or unwittingly—would curb or destroy the usefulness of our world-wide intelligence operation.

ALEXANDERS TO BE HONORED SUNDAY ON THEIR 60TH WEDDING ANNIVERSARY

MR. AND MRS. W. O. ALEXANDER

This Sunday, March 5th, Mr. and Mrs. W. O. Alexander will observe their 60th wedding anniversary with a family gathering here in Eldorado, with three of their four sons expected to be on hand.

Forrest Alexander of Amarillo, John Alexander of Irving, and Lewel of San Angelo, expect to arrive here with their wives late Saturday, spend the night, join Mr. and Mrs. Alexander in attending services at the First Baptist Church on Sunday morning, and then all will have dinner in San Angelo at noon that day. Otherwise, there is no observance planned.

The fourth son, Ollie Jr., lives with his family in California and does not plan to attend.

The Alexanders have 10 grandchildren and 7 greats.

Mr. Alexander has served as a deacon of the First Baptist church here since 1910.

Mr. Alexander was born in Prescott, Arkansas, and when a very small boy his father came to Texas and reared his family near Brownwood. Mrs. Alexander was born near Springfield, Ill., and when 9 years of age her father came to Texas, stopping first at Crawford.

In the spring of 1905 they both completed their business education, he at Howard Payne, and then began work at the Brownwood National Bank. Mrs. Alexander finished business college at Sherman and took a place in a real estate office in Denton, and in August, 1906, was sent to the Brownwood office. A month later she met Mr. Alexander at a Sunday School social, and they soon became engaged to be married.

On New Year's day, 1907, she went to Ballinger to a real estate office, and he went to Sonora to work in the bank, but on the first of March they resigned their positions and were married on Tuesday, March 5, 1907, at 9 p.m. in Ballinger, and left immediately by train for San Angelo, and Eldorado the following day, where his parents had been living since 1901.

After spending four weeks on the Alexander ranch 9 miles northwest of town, they came into town and he went to work as bookkeeper in the State bank, which had opened about April 20th and was located where Eldorado Drug now is. About two months later he went over to the First National Bank as bookkeeper, which had opened on May 1, 1907, and this was the beginning of his career with the First National Bank of Eldorado. He was director, cashier, and vice president until he retired several years ago.

The Alexanders moved into their present home on August 15, 1919, and here their four sons grew to manhood.

The following article appeared in the Eldorado Success of March 8, 1907. At that time it was published each Friday:

ALEXANDER - DAVIS

On Tuesday evening, March 5, 1907, Mr. Ollie Alexander and Miss Bessie Davis were united as one in the City of Ballinger. The wedding was a quiet one, and a surprise to Ollie's many friends. Immediately after the wedding, Mr. and Mrs.

Alexander left for their home in this county, where they were congratulated by their many friends. The bride is a stranger to us, but judging from what the groom is worthy of, she is a good and noble woman. The groom is from one of our best families and by those who know him in this city he is considered as one of the substantial and coming young men of the county, who will make his mark as a worthy son of honorable parents.

Mr. and Mrs. Alexander will be at home on the Alexander ranch about nine miles northwest of town. When the ceremony was performed that made them man and wife, it marked the most important milestone in their lives. Another home is made, a new state in life is commenced and the congratulations on the happy event are numerous and the Success is greatly pleased on this occasion to add its hearty good wishes to those being so freely extended.

Stevenson Speaks At Lions Ladies Night

Sid Stevenson, dean of men and director of the Student Center at Angelo State College, was the speaker at the Lions Club ladies night held Monday of this week in the Memorial Building.

He was introduced by Joe M. Christian, and Boss Lion Charles Wimer presided. Ronnie Mittel served as master of ceremonies.

Musical entertainment was rendered by Joe Kreklow and Rusty Meador at the piano. They played a Gershwin prelude and selections from "My Fair Lady."

At the beginning of the evening, Ronnie Mittel led the Flag Salute and P. S. Dudley gave the invocation.

Red and white decorations were carried out in table appointments. Several heart boxes of candy were given out as door prizes.

Mr. and Mrs. Bill Gunstead and Gwendolyn and Billy Charles, and Mrs. Otto Sauer, spent Friday and Saturday in San Antonio visiting Mrs. Cora A. DeLongue. While there, Billy Charles had his mouth checked by the plastic surgeon and had a good report.

Lecture Is Set For A Week From Tonight

Neil H. Bowles
 Christian Science Lecturer

"Who Is Your Brother's Keeper?" is the title of a Christian Science lecture by Neil H. Bowles, C.S.B., who will speak in San Angelo Thursday, March 9 under the sponsorship of First Church of Christ, Scientist, San Angelo.

The lecture will begin at 8:00 p.m., in Massie Club House, 815 South Abe Street.

Mr. Bowles is on tour as a member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Mass. A native of Chicago, Illinois, Mr. Bowles withdrew from business in 1942 to devote his full time to the public practice of Christian Science healing. Since becoming a member of The Christian Science Board of Lectureship in 1958, he has traveled widely in Europe and other areas as well as the United States and Canada. His present home is Atlanta, Georgia, where he is also a recognized teacher of Christian Science.

Stewardship Workshop Set at Methodist Church

A Stewardship Workshop will be held Sunday evening, March 5, at the Methodist Church. George Skeete of Water Valley will be in charge of the meeting. Skeete is a prominent ranchman, conservationist, and lay speaker. Attending the Workshop will be Official Board members, members of the Finance Commission, Chairmen of all other Commissions, Church School officers and teachers, and representatives from the Woman's Society of Christian Service and the Youth Fellowship. Elton McGinnes is chairman of the Official Board and Lawrence Steen is the chairman of the Commission on Finance.

The meeting will be held in the Fellowship Hall and will start at 7:30 p.m., lasting about 1½ hours. Hot coffee and doughnuts will be served, it was announced by the pastor, Rev. D. G. Salter.

Miss McMinn Honored With Bridal Shower

A Gift Tea Saturday honored Miss Judy Lynn McMinn, bride-elect of Larry D. Blair.

Some 55 people called during the tea hours. In the receiving line were Miss McMinn, her mother, Mrs. J. H. McMinn; Mrs. F. D. Blair, and Mrs. Frank Blair, Larry's grandmother.

Out of town guests were Mrs. J. R. Farmer of San Antonio and Mrs. Clifton Hancock of Mason. They are aunts of Judy's.

Mrs. M. H. Allen of Ozona also attended and Mrs. Kenneth Pennington of Austin.

Blue and white, Judy's chosen colors, were displayed throughout the club room of Memorial Building.

Mrs. Kenneth Pennington registered guests and Misses Marilyn Wilson and Karen Griffin were at the tea service.

J. T. Belcher Dies

Funeral services were held last Friday in San Angelo for J. T. Belcher, 77, former Schleicher county resident.

He lived on the place now occupied by R. D. Johnson and owned a saddle shop here, before he moved some years ago to San Angelo.

Mr. and Mrs. Don McCormick and Mr. and Mrs. Ray Boyer and Danny attended the funeral from here.

Thanks Donors

I want to say a personal "thank you with sincere appreciation" to each person who has contributed to the Heart Fund Drive.

Though February is designated as a special campaign month, contributions and memorials are always welcome. We have a memorial chairman in Eldorado.

The Texas Heart Association is grateful for any help and will continue in research and service so more people may be helped.

Again, thanks to you.—Mrs. Edwin Jackson, Schleicher County Heart Fund Chairman, 1967.

Little Miss Eubank Visits Grandparents

Leslie Lynn Eubank spent two weeks with her grandparents, Mr. and Mrs. Palmer West, while her family, the Gene Eubanks, were moving from San Antonio to Victoria, Texas. Gene is a staff adjuster for General Motors.

While here she visited in Roosevelt, Texas, with her other grandparents, Mr. and Mrs. Vance Eubank and John Deats, and Mrs.

Edna Eubank, her great grandmother.

The Wests took her home on their way to College Station where Asst. Fire Marshal Palmer West attended the annual Instructor's Course, planning for the A&M Firemen's Training School July 16-21 at College Station.

They visited Coralie Mebane and Pauline Mund in Douglass, Texas, on their way home.

Rev. G. D. Callis, pastor of the Apostolic Church here in Eldorado, spent five days last week in Big Spring where he preached each night at a revival meeting. Bro. Callis recently returned from Temple where he had some dental work done.

Jack Heffernan has moved from one Riley house to another Riley house.

Mrs. Ross McAngus returned home Wednesday of last week after 10 days in Clinic-Hospital of San Angelo. Tests were made and back therapy was done.

Good Crowd Attends Blue & Gold Banquet

The Cub Scouts' annual Blue & Gold Banquet drew a good crowd of Cubs, parents, and other friends of Scouting last Thursday night in the basement of the Memorial Building.

Cubmaster Bill Rozean had general charge of the event.

Eldon Calk showed a film, "Invest In Tomorrow."

Receiving Wolf badges were Charles Blair, Mike Redwine, Jerry Collins, Zack Holsey, Leslie Craig, Jim Bob Edmiston, Leslie Hill, and Randy Rozean.

Bear badges were presented to Jace Alderman, Mark Bishop, Larry Day, Billy Donaldson, Walter Hanusch, Gary Warnock, and Mike Salter.

The Webelos Wen presented the plaque to the Pack. A bottle drive Den 1 which took in about \$34 was previously conducted, and Den 1 was recognized for collecting the most bottles; Mrs. Cranford is den mother.

The one boy collecting the most bottles was Gary Collins; he collected over 200.

Two Eldoradoans Visit Louisiana Gardens

Miss Constance Spence and Mrs. J. L. Neill of Eldorado, Texas, visited Hodges Gardens in the historic and colorful Land of El Camino Real in Western Louisiana on U. S. Highway 171 midway between Shreveport and Lake Charles on Wednesday, Feb. 22.

Known as Louisiana's "Garden in the Forest," fabulous Hodges Gardens stems from a vast reforestation program and forest genetics research. Featuring a year around uninterrupted succession of bloom, the picturesque parkland of 4,700 acres includes formal gardens, natural scenic areas, a 225-acre lake, outdoor theater, bird sanctuary, wildlife refuge, gift shop and picnic grounds.

Five Explorer Scouts Attend Bivouac

Five local Explorer Scouts and their advisor, Buddy White, attended the Twin Mountain District bivouac held last week end at Camp Sol Mayer near Ft. McKavett.

Local boys who attended were Buddy Calk, Jim Martin, Leonard Wilson, Jimmy Mercer, and Tom Dempsey.

The local Post placed 3rd in the contests. Also attending the meet were two Posts from San Angelo. About 20 boys in all were on hand.

School Menus

Monday, March 6: Baked ham, sweet potatoes, green beans, mushroom sauce, cabbage & pineapple & raisin salad, buttered rolls, milk, canned fruit.

Tuesday, March 7: Roast and gravy, creamed potatoes, English peas, strawberry congealed salad, buttered rolls, milk, fruit cobbler.

Wed., March 8: Enchiladas, pinto beans, cole slaw, buttered rolls, milk, fresh fruit cup, brownies.

Thursday, March 9: Turkey and dressing, giblet gravy, waldorf salad, candied carrots, green lima beans, buttered rolls, milk, peanut butter cookies.

Fridya, March 10: Teachers' meeting at Brownwood; no school.

H. D. Club Meets

The Homemakers Home Demonstration Club met Feb. 22 in the home of Mrs. Tom Dempsey. Roll call was answered with a Washington Day comment. The business meeting was presided over by the president, Mrs. Jo Woodward. A white elephant sale will be held at the next meeting. Helen Maness was elected as a delegate to go to the District meeting in San Angelo the 27th of April.

Vida Kreklow, the agent, gave each one present a test on "The Kind of Person You Are." Very interesting personality concept.

The next meeting will be March 15 in the home of Mrs. Edith Collins.

Refreshments of coffee and coffee cake were enjoyed by six members and the agent. —Rep., Velma Tampke.

Mrs. Lynn Sorrells and two daughters of Odessa recently visited her parents, Mr. and Mrs. W. A. Tampke.

Mr. and Mrs. L. D. Jones returned last week from a week's vacation at Falcon State Park. They were accompanied by Mr. and Mrs. Bill Jones of Andrews.

Home Demonstration Agent's Column

By MRS. VIDA KREKLOW

The Schleicher County Library needs you as a friend!!

This is your special invitation to join a "Friends of the Library" group. What are you expected to do? Well, of course, I guess the first answer would be—be friendly. How to be friendly goes something like this:

—Use the library; read its books

—Know something about the library.

—Find out what the library has; find out what it needs.

—Join the organization by sending \$1.00 to Mrs. T. P. Robinson Jr. Mary is secretary - treasurer of the organization.

—The library needs new reference books desperately.

—The library needs a world globe; needs space maps and current information on the world of

COUNTY AGENT'S COLUMN

by Tina Godwin

Schleicher County Agricultural Agent

Fifty-five cotton producers heard the presentation by the Lockett Seed Company of producing quality fiber. The meeting was sponsored by the crops committee of the county and the Southwest Chemical Company.

Why the interest in quality fiber? Where does a longer staple cotton fit in the picture? What can the producer and the local gin do about the situation? This question was answered by Mr. Cato of the Lockett Seed Company an bu guidelines as sent to producers February 7, from the agent's office.

The milling process has "speeded up" the milling process which calls for a tougher longer staple cotton of upland variety. Shorter staples under one inch is expected to be reduced drastically during 1967 and 1968 while the longer staples moves ahead in the trade.

Cotton producers are asked and advised to improve the length of cotton in the county by growing and ginning in blocks. It will take at least 1000 acres to do this effectively in 1967.

Wayne Mikeska will be glad to talk to producers about seed requirements.

We can learn something from the parrot, which is content to repeat what it hears without making a good story out of it.

The weather is beginning to warm up and the spring fever is hitting most of us. Everyone is thinking of getting the working

tools and recreation equipment out of storage.

Such things as outboard motor, power saws, and the lawn mower will soon be put to use.

When using such engines of low horsepower, there are some things to keep in mind.

First of all, be sure to study the operator's manual carefully. Follow the manufacturer's recommendations on care, maintenance and operation of the engine. Pay special attention to safety rules.

Before using, find out the type of gasoline to use. This is listed in the manual. Fill the tank only when the engine is cool. Keep the fuel stored in a recommended metal safety can—never a glass container.

Occasionally, brush and wash the engine with cleaning solvent or kerosene. This makes it operate cooler. Never use gasoline for cleaning, because it might ignite and explode.

As a safety precaution, wear short sleeves, closed-toe shoes and snug-fitting clothes when working around engines.

And when it's necessary to work on an engine, remove the spark plug wire to keep the engine from starting if it is turned or moved. Never tamper with the engine governor. Excessive speed can ruin an engine.

Operators should not use gasoline engines inside a closed building. The carbon monoxide in the exhaust is deadly and it can't be seen, smelled or tasted.

It's also a good idea to keep children and pets away from an operating engine since all moving machinery is dangerous.

An egotist is a man who thinks that if he hadn't been born, people would ask why not.

Homeowners, now is an excellent time to look ahead to the spring months and the time for buying transplants or nursery stock. Later troubles can be eliminated by purchasing only disease-free, healthy plants.

If possible, root systems should be checked to detect such diseases as rots, galls or knots. Avoid buying any plant that does not have a healthy appearing root system.

Stems of plants also merit checking to assure that they are healthy in appearance. Dead areas or cankerous type lesions often found on stems may later develop and kill the plant. Then too, diseases can be carried to healthy plants already growing by planting those with diseases.

Care in the selection of bulbs to make sure they are not discolored and do not have scab-type lesions on the surface is important. Healthy bulbs will have smooth surfaces free from spots and pittings.

Evergreens should be checked for signs of leaf spot and their color should reflect uniformity and a healthy growing condition. It may be well worth the extra money to buy top grades of nursery stock.

Since some ornamentals are extremely susceptible to diseases which occur in a given area, selecting only those with resistance to these diseases pays off. Cotton root rot, for example, is common over much of Texas and should be considered when plants are being selected.

A beatnik is a cat who's too chicken to get into the old rat race.

science.

Do send a dollar and get a slip to show that you have sent it. There are nearly 3,000 people in Schleicher county. Just think how wonderful it would be if each one became a friend of the library.

We don't expect every one to join the group but, we do expect YOU. What a good thing to do with just—a dollar.

Excuse me for just one minute —I'm making out my check so that I may become a "Friend of the Library."

This item is a plea to parents, baby sitters, grand parents and all who have a child's life in their hands:

Protect the child you are responsible for by:

1. Poison-proofing your home. Keep household products, medicine and poisons out of reach and out of sight of children. Lock them up if you really care.

2. Do not—repeat—do not put poisonous materials in different containers; such as kerosene in pop bottles, poisonous solutions in fruit jars, cups—that kind of thing. Children do not have as keen a sense of smell as adults and that's the reason they will stand there and take a drink after drink of gasoline, kerosene or chlorox while an adult wonders how they do it.

3. Put a proper label on every thing which could be poisonous.

(This is a common mistake. I remember a story which illustrates my point.) When I was in college I worked in the cafeteria for room and board. A bunch of did, in fact. One day we sliced 10 pounds of cucumbers to be eaten plain, but with vinegar poured over them an hour or two before serving.

The manager of the cafeteria came along and said, "The first cucumbers of the season and how I love them," and tasted one. Her next statement was a shout of, "What in the world is on the cucumbers?"

One of the girls had poured one gallon of pure vanilla over the

cucumbers.

It looked a little like vinegar—and it was in a vinegar jug. But it sure wasn't vinegar.

4. Always turn on the lights when giving or taking medicine.

Another tale—I have a friend who took a couple of buttons one night. They weren't aspirin but they felt just the aspirin tablets that were near the buttons.

5. Children do what they see adults do—so don't take any medicine while children are watching.

6. Call medicine by its right name. Medicines are not candies and to refer to them as such could be dangerous.

7. Give the medicine closet a good cleaning—often. Pour old and

unused medicines down the drain; rinse the container and throw it away.

8. Don't give a child, or anyone else as for that, medicine which was prescribed for some one else. Medicine today is not what it was even 10 years ago and one simply can not be sure of side reactions which could occur on taking un-prescribed medicines.

9. Please be careful—it is estimated that more than 500,000 children will be poison victims this year; don't let yours be one of them.

Never miss an opportunity to make others happy, even if you have to leave them alone to do it.

Robert Massie Co.

In Those Days
Compiled From Success Files

ONE YEAR AGO
March 3, 1966—Further arrangements were being made for the proposed bus trip to the Astrodome in Houston. A meeting for all interested persons was coming up. Allen Keller Co. of Fredericksburg was awarded contract for rebuilding an 8-mile stretch of Highway 29 east of town. Joe M. Christian announced for commissioner of Precinct 3, for the unexpired term.

FIVE YEARS AGO
March 1, 1962—Basketball Coach Guy Whitaker announced that Jim Runge, Jim Cheek, John McGregor, Ray Ballew, Lynn Meador and Pete Logan were Eagle cage team lettermen. "B" team basketball lettermen were Mack McAngus, William Luman, Ronnie Williams, Larry Blair, Jackie Mackey, Richard Self, Ellis Loden and David Childers. B. A. Ivy moved to Hobbs, N. M., after working as a barber here for a while in Johnny Griffith's shop. Earl Parker was getting ready to open a new Rambler automobile agency. Slim Menees returned from a 10-day trip to Quitman in East Texas. Nancy Jo Jackson pledged Theta Phi Delta social sorority at Austin College in Sherman. Parrish and Paris Blues were being shown at the Eagle Drive-In.

12 YEARS AGO
March 3, 1955—D. C. Royster opened a new cafe in the building just south of the Methodist church. The congregation of the East Side Baptist church was having a "roof raising" with dinner on the ground, Saturday. Cooper Gas Co. announced plans to set up a gasoline plant for the Page Field. A. G. McCormack, who was injured Feb. 8th and had since been confined here, was taken by ambulance to Baylor hospital at Dallas for further medical treatments. Mr. and Mrs. Dick Preston and Mr. and Mrs. Hollis McCormick returned from New Orleans where they attended the Mardi Gras. Mrs. Arnold Gene Clark, a recent bride, was honored with a gift tea. Piano pupils of Miss Mae Ellington presented in recital were: Frankie Blaylock, Rickie Jones, Pam Jones, Kaye Harkey, Kay Peters, Mary Ann Page, Kenneth Isaacs, Jan Davis, Francis Lancaster, Gayle Woodward, Judy McGregor, Linda Jones, Ruth Parker, Linda Merle Nixon, Linda Love, Judy Wyatt.

35 YEARS AGO
March 4, 1932—Thelma Taylor had an article, "Help Us Beautify Our Cemetery." Royster-Whitten was advertising a 35c lunch for Sundays. A show was set for March 4th in the school auditorium; benefit: to paint the Methodist Church. "The Fourth Monday" had Mrs. J. D. McWhorter, Jetty Grace DeLong, Mrs. D. E. DeLong, Mrs. Roy Andrews, Mrs. W. E. Cloud, Mrs. Ed Ratliff, Mrs. Frank Bradley, Mrs. H. W. Smith, Mrs. O. E. Conner, Mrs. Bill Eaton, and Mrs. W. M. Davis in the cast. Also on the bill was "Boosting Bridget." The cast was Lila Lee Watson, Elizabeth Bradley, Mary DeLong, Frances Evans, Agnes Wright, Annice Putman, and Mildred Smith. March 11 was date set for a barbecue in the T. K. Jones pasture honoring the 4-H Club boys and girls of the county. Garth Clark's lamb was champion in the San Angelo show and was sold to Hilton Hotel for \$26.50 cwt. Other calves sold were those of Orland Harris, Guy Bodine, Elizabeth Martin, and Charlie Springstun. Ed Ratliff sold two bulls at the San Angelo Stock Show, one to Hugh Campbell of Ballinger for \$165, and the other to J. T. Davis of Sterling City for \$100. Miss Margaret Bradley as cow-girl and Miss Dahlia Fae Johnson, farmerette, represented Schleicher county at the Fat Stock Show in San Angelo. Also attending the show were Jack Kerr, Billy Kerr, John I. Jones, and Karl Kerr.

Mistakes Delay Medicare Payments
Missing signatures and addresses are two frequent problems that Blue Cross and Blue Shield has run into processing doctor bill request for payment forms from medicare beneficiaries, Ted Moellering, social security district manager in San Angelo said today. Representatives of Blue Cross - Blue Shield, the carrier for medicare doctor bill payments in the San Angelo area, have reported that some beneficiaries have received repayment for doctor bills later than was necessary because they forgot to sign their forms or to include their address. The signature on the request for payment form authorizes the carrier to pay the claim. Blue Cross has to have the signature before the claim can be paid. A missing address presents even a bigger problem according to the manager. "Without the address we don't know where to send the check, and the only way to get it is to write back to the doctors, who are sometimes reluctant to give out their patients' addresses." Moellering noted that there are two ways to get payment for doctor bills under medicare and that under the first method the doctor agrees to make the claim to the medicare carrier. But when the other method is used, the beneficiary pays the doctor bill and sends the claim to the carrier. Beneficiaries sending in their own request for payment forms should be especially careful to give all information called for, including their address, medicare identification number, and their signature, Moellering said. Also, the beneficiary should either have his doctor complete the second part of the request for payment form or enclose an itemized receipted bill before sending in his claim. "Because Blue Cross - Blue Shield has reported some problems with claims from this area," Moellering said, "we are suggesting that beneficiaries making their first claim bring the forms and receipts to the

social security office. By letting us check the request for payment forms before they are sent to the medicare carrier, the beneficiary can be sure that his claim won't be delayed because some item has been left off." Moellering said that persons unable to come to the office at 3000 W. Harris in San Angelo can mail in their forms. People who mail in their forms should indicate their telephone number so that they can be contacted if additional information is needed. We also remain open every Monday evening until 7:30 p. m. for the convenience of those who can't come in during regular office hours Moellering noted.

City Takes Over Gas Pipeline
Following City of Eldorado voters' approval a while back of a bond issue for purchase of the gas pipeline which serves the town, the necessary paperwork was completed, the bonds were printed, and the City of Eldorado officially took over the pipeline Wednesday morning. The line, between the Page field and Eldorado, was owned in recent years by Bob Page, Jack Hext, and George Neill of Sonora, and it was from them that the City of Eldorado made the purchase.

Girl Scout Week Is Approaching
Seek the highest ideals of character, conduct, patriotism, service. Find fulfillment in the arts, the home, the world outside. Dare to do the improbable and dream the impossible. This was the challenge that Juliette Gordon Low, founder of Girl Scouting in the United States, gave to her original band of 12 girls 55 years ago. Times change and the joyful world of the young has moved from madcap to mod cap. But the values and goals Mrs. Low established for Girl Scouts endure. Today, more than 3 million girls, ages 7 through 17, participate in the March birthday of Girl Scouts of the U.S.A. and in the way of life envisioned by Mrs. Low. Now, as always, Girl Scouts set the pace for their generation, moving with ease from the timely to the timeless—from frugging to farming, surfing to serving. Mrs. Low would be amazed and proud of her Girl Scout family, 55 years later. But all of us who have seen the family grow are just plain proud. Happy Birthday, Girl Scouts. Long may you glow!

Eaglettes Bow To Canutillo

Last Monday night the Eaglettes traveled to Ft. Stockton for the first round of the state basketball play-offs with 7-A winner, Canutillo. The Eldorado girls fell 39-43 in a very exciting contest.

The Eaglettes did not hit well from the floor making only 30%. The Susans (Hill and Mobley) were very closely guarded outside and Libby did not hit her usual percentage on the post but this might have improved if the green could have hit on free throws. The very place where they won so many this year was their downfall Monday for they hit only 54% missing 13 tries.

Fouls were equal on both teams but the girls from Canutillo were very quick and caused many Eagle passes to go astray. However the game was close all the way with never more than four points separating the two teams. The first quarter Canutillo led 16-10 but Eldorado pulled up to 20-21 by half-time. By this time the Eagle guards were settled down and doing a good job on defense. The third quarter saw the Eaglettes score only 8 points but the opponents made only 9 so the third quarter score was 28-30 in favor of Canutillo. The score was tied on occasion throughout the 4th quarter but the "juniors" just never were able to pull ahead.

Nearly everyone felt that had Eldorado hit the basket as they have throughout the latter games this season they would have captured their 27th victory, but as fans know no one can predict when a team will hit a cold spell. Champions are crowned by what they do on a given night, not what they are "capable" of doing and so Eldorado went down. However, despite the fact that they did make mistakes and had a hard time finding the basket everyone knew that they were trying hard every minute. A fine delegation of fans from Eldorado was there to back the girls win or lose.

This group has performed in an outstanding manner this year and nine of the 13 return next year.

Susan Mobley, Libby Preston, Susan Hill and Chris Edmiston, all juniors, hit for 13, 12, 11, and 3 points respectively. Defensively Chris and Sherry Yates each pulled in 11 rebounds while Shirley Hubble had 5 and senior Nancy Jurecek landed 6.

This group, for the most part, can begin now to set their sights high for next season and the entire team this year can be proud of a record year in which they won 26 games, won two tournament championships, won fourth in a tournament, and won district 8-A—while losing only 5 games by a total of 18 points.

Score by Quarters—
Eldorado — 10 10 8 11—39
Canutillo — 16 5 9 13—43

Cadette Girl Scouts Are In Grades 7, 8, & 9

The Cadette Girl Scout Troop No. 114 is the group comprising the girls in grades 7, 8, and 9. The leader of this troop is Mrs. Ed Meador and the troop meets in the Meador home. There are 15 girls presently enrolled, and of this membership, four have been regular summer campers at Camp Jo Jan Van.

It is a bit difficult for this troop to have regular meetings, but usually they meet twice a month.

During our meetings this year all have made some very pretty paper mache pins. Mrs. Mike Moore gave us our instruction for doing this and later this year we hope to have time to make some bracelets.

The Father-Daughter Banquet is one of the highlights of our year and several of our meetings have been busy ones preparing for the big occasion which took place in February.

Spring brings many plans for camping and we will be working on plans for several camping excursions this spring.

All of us are working on badges which pertain to our big challenge. We are working on at the present—the Challenge of Social Awareness.—Rep.

Rambler Prices Reduced For Auto Market Gap

Rambler American prices have been sharply reduced under American Motors' new program of aiming this series at a new gap in the auto market between the foreign imports and the lowest priced U. S. cars, Earl L. Parker said this week.

"These bold price reductions have resulted from the elimination of major annual model changes for the Rambler American, plus an anticipation of higher sales volume," Parker said.

The head of the Rambler dealership located at Eldorado said that Rambler American prices have been reduced as much as \$234 and now begin at \$1,839 for the 220 two-door sedan. The Rambler American 220 as a result has a price advantage of \$278 below its nearest six-cylinder U. S. competitor, he said.

Enochs Commissioned As 2nd Lieutenant

REX ENOCHS

Ft. Benning, Ga.—Rex Nelson Enochs, son of Mr. and Mrs. William Oran Enochs of Eldorado, Texas, received his commission as a second lieutenant in the Adjutant General's Corps Monday, Feb. 27, Lt. Enochs graduated from the United States Army Infantry School at Ft. Benning, Georgia.

Lt. Enochs entered the service on March 21, 1966. He received basic training at Ft. Bliss, Texas. From there he went to Ft. Ord, Calif., for Advanced Individual Training. Upon graduation from AIT, Lt. Enochs was presented an outstanding trainee award for attaining the highest score in his platoon. After AIT, Lt. Enochs was assigned to the Reception Center, Ft. Ord, Calif., as a Roster Guide and acting corporal.

On Aug. 28, 1966, Lt. Enochs was enrolled in the Infantry Officer's Candidate School at Ft. Benning, Ga. He is now assigned to the Adjutant General's School at Ft. Benjamin Harrison, Indiana where he will receive training prior to his being assigned to Ft. Monroe, Va., as an Automatic Data Processing Systems Plans and Operations Officer.

Lt. Enochs is a graduate of Eldorado High School and North Texas State University.

Eaglettes Win Dist. Championship

The Eaglettes of Coach Jack Bell were triumphant in their bid to recapture the district 8-A championship as they beat Rankin 57-43 in Ozona Thursday night. Eldorado has been district champion in the years 1960-61, 1962-63, 1963-64, & 1964-65, and 1966-67.

Thursday night it was a predominantly junior outfit that defeated a senior team from Rankin.

Susan Mobley led the barrage with 26 points and Libby Preston was right on her heels with 23 points. Susan Hill scored only 8 points but she did a good job of setting up plays for her team mates. As each of these starters retired from the game in the 4th quarter they received a fine ovation from an appreciative Eagle delegation.

At this point Stella Hubble, Martha Sue Page and Shane Henderson went in to finish the victory. Shane, who has been injured, has been played only sparingly but she did get to share in the championship as she has contributed to it along the way.

The guards, Chris Edmiston, Sherry Yates, Nancy Jurecek, and Shirley Hubble all did an outstanding job going most of the way.

Nancy Kay and Chris did a particularly good job defensively as Nancy held her girl to a mere 2 points all night and Chris fouled hers 3 baskets and she fouled her only two times. Sherry and Shirley each had foul troubles but they still played good basketball. Chris had 12 rebounds, Sherry 6, Nancy Kay 5, and Shirley 3. The next unit of guards came in and moved the ball well and did a good job on defense. These were Jacquie Davis, Jan Wagley, and Billie Gayl Blocklock. The ability of these girls to come in and carry on is a compliment to them.

The forwards hit their best percent of the year from the floor as they connected on 19 of 33 attempts for 57.5%. Libby Preston connected on 9 of 11 attempts and she hit 100% at the free throw line for a fine night's work. The free throw that has helped Eldorado to victory so often, suffered a slight cool spell as the girls could manage only 17 of 29 for 59%. The team average is usually around the 70% mark.

The Eaglettes jumped to a 13-2 first quarter lead and then moved it up to 27-16 at half-time. During the third quarter the lead built up to a 9 point spread before ending 44-27. During the last period it again built up before Rankin finally came to within 11 points and the final score.

Eldorado, thus won number 26, the best in the history of the school and hope to go on to greater things.

Scoring—
Eldorado — 13 14 17 13—57
Rankin — 2 14 11 19—46
Go All the Way, Eaglettes!

Eagles Attend Comanche Relays

The 1967 track season began for the Eagles at the Comanche relays held in Ft. Stockton this past Saturday, February 25th. Sixty-six teams, over 1,000 participants, entered in this meet in three divisions.

During the preliminaries the Eldorado 440 relay qualified for the final with a time of 46.5. Members of this relay team are Wayne Doyle, Jesse Bosman, Pat Childers, and Roy Davidson. In the 100 yard dash, Wayne Doyle qualified with a time of 10.2 and Roy Davidson qualified with a time of 10.4. Paul Page qualified in the 440 yard dash with a time of 55.4. Mickey Clark entered the hurdles and held the lead until he hit the fifth hurdle and therefore, did not qualify.

For the final events held that afternoon Johnny Mayo was first in the shot put, throwing 53 feet 3 inches. Johnny also placed 5th in the discus with a distance of 132 feet. The 440 yard relay was 6th with a time of 46.1. Ricky Buchner ran the 880 in 2:17.8. Roy Davidson was 5th with 10.3 and Wayne Doyle 6th with 10.4 in the 100 yard dash. Paul Page was 5th with 55.1 in the 440 yard dash. Albert Torres ran the mile run in 5:04.5. The mile relay team consisting of Ricky Buchner, Paul Page, Dwain Dempsey and Jesse Bosman completed the relay with a time of 3:51.1. The Eagles had a total of 20 points.

The track schedule for the season is as follows:

March 4 — Ozona
March 11 — Sonora
March 18 — Plateau Relays, Here
March 23-24 — San Angelo
April 1 — Colorado City
April 7 — Dist., at Ozona

Jr. High Track Schedule
March 4 — Fr. & Jr. Hi at Wink
Mar. 11 — Fr. & Jr. Hi at Crane
Mar. 23 — Fr. & Jr. Hi at Big Lake
Apr. 1 — Jr. High at McCamey
Apr. 7 — District at Ozona

Gift Coffee Saturday Will Honor Bride

A Gift Coffee honoring Mrs. Johnny Frank Griffin, a recent bride, will be held Saturday morning at the home of Mrs. M. H. Woodward, 407 Murchison here in Eldorado.

Calling hours will be from 9:30 until 11:00 o'clock.

Hostesses will be Mmes. Woodward, Ronnie Griffin, L. D. Mund, Claude Doyle, Granvil Hext, Joe Griffin, Orval Edmiston, N. G. Hodges, Bill Lester, Elton McGinnis, Jerrold Sanders, Kenneth Cheek, Delwood Blair, and Tom Dempsey.

Women's Club Hears Book Review Tuesday

Members and guests of the Eldorado Women's Club enjoyed Mrs. T. P. Robinson's inspiring review of Anne Morrow Lindbergh's "Gift from the Sea" Tuesday afternoon.

They met at the home of Mrs. M. H. Woodward at 2:30. Mrs. B. F. Hartgraves presided over the business session, during which Mrs. Arch Mittel, chairman of the beautification committee, reported that two red-bud trees had been purchased for planting in the island between the City Hall and the Court House square.

The president urged members to attend the Heart of Texas District Convention in Brady on March 10 and 11. She also reported that she had assisted during the cultural survey conducted recently that was sponsored by the Texas Federation State President, Mrs. B. F. Scay, recently.

Mrs. W. N. Ramsay introduced the guest speaker, Mrs. T. P. Robinson. Mrs. Robinson used shells from the sea to emphasize each chapter of the book.

The tea table was centered with pansies floating in a large pink sea shell behind a mirror flanked by smaller colored shells and miniature birds of the sea.

Mrs. L. L. Watson and Mrs. Keno Ogden assisted Mrs. Woodward as hostesses. They served assorted cookies, sandwiches, nuts, coffee and tea to the 19 members and five guests present.

The guests included Mrs. Robinson, Mrs. Joe Edens, Mrs. Porter Oglesby, Mrs. James Williams, and Mrs. John H. Hannes.

Seniors Had Party Night Play Given

The Senior play cast and other members of the class were honored the night the play was presented with a dinner and get-together at the Jack Jones residence.

Co-hosts with the Joneses were Mr. and Mrs. Bud Davidson and Mr. and Mrs. Delbert Taylor.

MEETING SET
Friend of the Library announce they have scheduled a meeting for Friday afternoon March 10th at 3:00 o'clock. It will be held at the library room and everyone is invited.

Mrs. Sauer Surprised On Her 80th Birthday

With brothers and sisters from Gillespie County initiating the event, a surprise birthday party was held for Mrs. Otto Sauer at her home in Reynolds community Tuesday on the occasion of her 80th birthday.

The crowd that was present for dinner and afternoon festivities numbered over forty. Those present from beyond Schleicher county were:

Mr. and Mrs. August Baethge, Alfred and Henry Baethge, Mr. and Mrs. Alonzo Faught and Mr. and Mrs. Ted Mund, from Doss.

Mrs. Alma Dettmar, Lurana Hartman and Mrs. Leona Wolfmueller, from Kerrville.

Regina Williams and daughter Mrs. Dot Harris, from Roby.

Emma Dannheim and Mrs. Frances Dendy, from San Angelo.

Cora DeLongue from San Antonio and William Sauer from Van Horn.

Eaglette Captains Were Elected Tuesday

The girls' basketball team voted on two team captains Tuesday for the 1966-67 team. The girls elected by team vote were Juniors, Libby Preston and Chris Edmiston. Libby scored 430 points in 31 games and led all offensive rebounders with 231. Chris played guard most of the season but on occasion was sent in at forward and did an excellent job. She scored 159 points in 23 games and 289 rebounds.

Girls Lettermen Named

Coach Jack Bell named the following girls as lettermen for the past 1966-67 in which the team reigned as district champions:

Nancy Jurecek, Martha Sue Page, Jacquie Davis, and Jan Wagley, all Seniors.

Juniors were Billie Gayl Blocklock, Chris Edmiston, Shirley and Stella Hubble, Susan Hill, Susan Mobley, Libby Preston, and Sherry Yates.

Two Sophomore lettermen included Shane Henderson and Kathy Robinson, manager.

Halbert and Bosmans Named Captains

The Eldorado Basketball Eagles voted two Seniors as permanent captains for the 1966-67 season, Danny Halbert and Jesse Bosmans.

Danny was the team's leading scorer and second in rebounding. He was named All Tournament in every tournament this year. Danny was a captain as a Junior.

Jesse Bosmans was fourth in scoring and rebounding for the season and the team's best defensive player.

All-Sports Banquet Is Coming Up On April 1st

The first annual All-Sports Banquet for Eldorado High School will be held in the Memorial Building on April 1st at 8:00 p.m. The speaker for this occasion is to be Mr. Berl Huffman of the Texas Tech coaching staff. Mr. Huffman is an outstanding speaker and we are honored to have him for this occasion.

The All-Sports Banquet will honor the boys and girls who have lettered on the varsity teams in all sports this past year: football, basketball, track, tennis or golf. There will also be a presentation of special awards made during the program. All the players will be recognized along with their coaches.

Tickets for the banquet will be \$1.75. No tickets will be sold at the door, so get your tickets early. You may purchase them from any of the coaches.

Further arrangements and details will be announced later by Ray Morgan, head coach and athletic director in the local schools.

Eagle Lettermen Named In Basketball Recently

The team which recently closed a fine 21-5 season has the following boys lettering:

Seniors Jesse Bosmans, Pat Childers, Danny and Jay Halbert, Donald Rogers, Chris McCravery, and Bobby DeLong.

Juniors were Gary Derrick, Rusty Meador and Buff Whitten.

Wildcat Slated

Robert A. Dean and L. E. Windham, Midland, will drill a 5,700-foot Strawn wildcat in Schleicher county as No. 1 O'Harrow, 660 feet from north and 1,980 feet from west lines of section 68, block H, GH&SA survey, 18 miles southeast of Christoval and half a mile east of Strawn oil production in the Toe Nail multipay pool, but separated from it by a 5,322-foot failure.

Ground has been broken for \$10-million Institute of Texan Cultures building at San Antonio's HemisFair '68.

Mrs. Skaggs Graduates From U. Of Houston

Mrs. Harold Skaggs, Jr., the former Judy Hext of Eldorado, received her Bachelor's degree from the University of Houston recently. She majored in elementary education and minored in music.

She is now teaching 6th grade social studies at League City, Tex. Her husband is a Senior in the University of Texas medical school at Galveston where they and their young son have lived in recent years. She is commuting to her new job.

Mr. Skaggs is scheduled to graduate from the medical school in June, after which time he and his family will move to his internship assignment.

KAY PETERS PLEDGES SORORITY AT DENTON

Denton, Texas.—Kay Frances Peters of Eldorado is among 60 women pledging six national social sororities at North Texas State University.

Miss Peters, a sophomore elementary education major, is pledging Chi Omega. She is the daughter of Mr. and Mrs. E. C. Peters of Eldorado.

JANIS MIKESKA ILL

Janis Mikeska, 9-year-old daughter of Mr. and Mrs. Wayne Mikeska, has been ill at home since being struck with an 8-inch splinter about a month ago.

The Mikeskas' doctor plans to enter Janis in a hospital Friday if she does not show improvement by then.

Austin, Texas.—Legislative redistricting reared its ugly head suddenly and formidably for Texas' House of Representatives. A U. S. Supreme Court decision invalidates the carefully-stuck-together reapportionment act of 1965 for representative districts.

This unexpected court action has changed redistricting from a routine cleanup chore into a major task. It could very well mean the end of the political line for some representatives and possible shaking of House unity.

Court found population variances among representative districts (up to 26%) too great to meet its one-man-one-vote standard and sent the 1965 districting plan back to Houston federal judges for recheck.

Representatives had figured all that was necessary this year was elimination of the 11 flatorial districts criticized by the Houston federal district court. Now, they are faced with wholesale redrawing of lines to equalize population discrepancies statewide.

Speaker Ben Barnes acknowledged: "It is a difficult situation."

Big city lawmakers said they soon would introduce a bill to give Bexar, Dallas and Harris counties one more representative each (high court held they were entitled to that) and adjust other variances.

Sensing that congressional reapportionment also might be struck down, redistricting acts in this area were introduced by Reps. R. L. Vale and Jake Johnson of San Antonio and Rep. Frank Cahoon of Midland.

Liquor-By-Jigger

A bill to legalize sale of liquor by the drink in Texas was introduced this week.

Reps. John Field and Dick McKissack, both of Dallas, are House authors. Sen. Joe Christie of El Paso is the Senate sponsor.

Highlights of the bill are: —Open saloons (banned by constitution) are defined as places devoted exclusively to sale of liquor for on-premises consumption. Bill would legalize mixed-drink permits for qualified hotels, private clubs, restaurants and lodges—businesses or organizations NOT engaged exclusively in the business of selling liquor.

—Measure would authorize mixed drink sales in some 122 counties where on-premise consumption of beer and wine and package store sales already are permitted. Provision is made for local elections in these areas on specific issue of mixed drinks. Failure of election would not affect status of other alcoholic beverages. In other areas, affirmative vote would be required for mixed drinks.

—Drinks would be subject to five-cents-an-ounce tax, plus 2% sales tax. Retail drink permit would cost \$1,000 at state level. Cities and counties could assess fees of \$500 each. Beverage servers would pay an annual fee of \$12. Private clubs in wet areas must operate under the same regulations as retail drink

establishments and pay the permit fee. Those in dry areas will pay a special registration fee and a 10% gross receipts tax.

Sheep Dip Bill

A bill to relax state standards of sheep from other states has passed both houses of the Legislature. But each house passed its own bill—though they say the same—so one must do it again.

Senate passed its SB 183, House passed its HB 396. Now, either the Senate must pass the House version, or the House and Senate version, in order for the measure to be ready for Governor John Connally's signature.

Present law requires mandatory dipping of sheep brought into Texas, except those going to slaughter. New bill would allow the Animal Health Commission to accept certificates from other states that shipments are free from scabies.

Time Marches On

Legislators had time on their hands and their minds as House State Affairs Committee conducted the longest hearing of this legislative session on the bill to outlaw daylight saving time in Texas.

Committee heard witnesses for nearly seven hours, until after 2:00 a.m., arguing both sides of the proposed act by Reps. Will Smith (of Beaumont) and Ralph Wayne of Plainview.

Federal Uniform Time Act of 1966 will place all states on daylight saving time from May to October unless a state's special legislation exempts it.

Lining up in favor of the bill were restaurant and theater owners and the farm bureau.

Opposing it were radio and television stations, investment bankers and some newspapers.

State Kindergarten

Sen. Don Kennard of Ft. Worth is sponsoring a bill to provide free public education for five-year-olds, with the state sharing the expense with local school districts on a 50-50 basis.

Kennard said the program would cost \$34.5 million for the first two years and that 50% of the five-year-olds would attend classes next year, 60% the second year and as many as 80% by 1970-71.

"A kindergarten program established under rules set up by the Texas Education Agency, is the most vital step Texas should take in improving our school system," the senator said. "There is abundant evidence that six years is too late an age to start children in school."

Attorney General Opinions

Proposed Medical Assistance Act of 1967 would authorize medical care benefits to inmates of state mental hospitals, under new state-federal "medicaid" program, says Atty. Gen. Crawford C. Martin. However, inmates will remain ineligible for old age assistance benefits.

In other opinions, Martin concluded that:

—A prisoner who received a suspended sentence under the old criminal code may not have his sentence reduced or terminated under provision of the new code.

—A bill to provide benefits to survivors of firemen and law enforcement officers killed in line of duty cannot be made retroactive.

—It is not within the discretion of a trial court to stay an order of the Department of Public Safety suspending a driver's license or motor vehicle registration.

Abortion Bill

Sen. George Parkhouse of Dallas has introduced a bill to expand the circumstances under which women can get legal abortions in Texas.

Present law allows an abortion only if delivery of the child would endanger the life of the mother. Parkhouse's bill also would allow abortions in the case of rape or incest, if the health of the mother would be impaired by having the baby, or if there is substantial evidence that the child would be born with a serious physical or mental defect.

This bill would require that a hospital abortion committee approve any abortion by a majority of the five members.

College Bids Rejected

After extensive hearings, the Higher Education Coordinating Board again declined to give its blessing to creation of four-year colleges in Midland-Odessa, Texarkana and San Antonio.

Midland-Odessa and Texarkana groups want to elevate existing junior colleges to senior college rank. San Antonio legislators propose a new institution to be built "from the ground up."

Board said all such proposals must await the statewide master plan for higher education, expected to be completed by the spring of 1968.

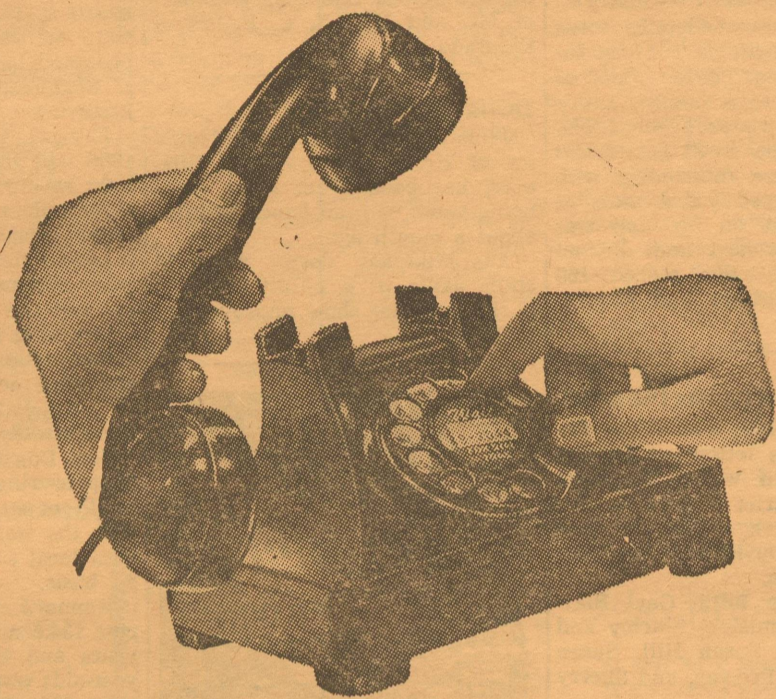

Short Snorts . . .

Texas' travel exhibit, designed to attract tourists to the state, has won top honors in the first of six North American travel shows in which it entered.

Legislation to stiffen Sunday closing law (removing emergency purchase provision) cleared Senate committee.

GIRL SCOUT WEEK

Is Approaching

And We're
Dialing Our
Best Wishes to all
Brownies, Girl Scouts, and
Leaders
with the approach of the

55th Birthday Of Girl Scouts of the USA

In our youth-oriented world, a 55th birthday might be better left uncelebrated. Who wants to admit being more than 17-years-old these mod-mod-mod days?

Well, a 55th birthday is being celebrated soon, not only with pride but with an eager anticipation of many more to come—the half-century-plus-five of Girl Scouts of the U. S. A.

There's been a long, long trail awinding from the 1912 era of the middy-blouse to that of the 1967 mini-skirt. Girl Scout hem-lines aren't that far up, of course, nor are those of most young moderns. But the organization's mood is on the move—as it has been through each changing generation.

Consider the Girl Scouts' new triennium theme: . . . "Values to Hold—Worlds to Explore." The values still are the solid values founder Juliette Gordon Low instilled in her original band of 12 girls: to seek and carry forth the highest ideals of character, conduct, patriotism and service. And worlds to explore? Tangible worlds, of course—of home, community, nation, other cultures, other lands. But perhaps, more important, the worlds of Girl Scout values themselves.

There's a lot of questioning and questing going on among all of today's youngsters. Girl Scouts are no exception. And being more than three million strong they represent a mighty force among American youth. So when they explore yesterday's values in the light of today's needs, they may come up with some meaningful answers for all young people.

Can girls be Girl Scouts and still be with it?

The girls and the two-third million adults, volunteers and professionals, who work with them believe they can. The communities which encourage and support them believe they can. So do we.

And on this editorial birthday cake, we're lighting 55 candles for the Girl Scouts—plus one more to grow on.

THESE PUBLIC-SPIRITED MERCHANTS EXTEND THEIR BEST WISHES AND CONGRATULATIONS TO ALL LOCAL GIRL SCOUTS

Sixth Grade Troop Meets Each Monday

The Sixth Grade Girl Scout Troop meets each Monday at the Methodist educational building.

We are working on the Sign of the Star. To earn the Sign of the Star we have to complete badges on Citizenship, Camping, Health Care, hobbies, hostess and service project. Besides these badges we are working on Magic Carpet, Books, Community Safety, Indian Lore.

Girls in Troop 41 are LeAnne Cawley, Melody Davidson, Priscilla Holsey, Sherwin Jackson, Jan Janes, Rosellen Maness, Patti Olson, Patsy Prater, Paula Prater, Cary Salter, Lynn Sanders, Patsy Tampke.

The leaders are Mrs. W. A. Tampke and Mrs. Bill Maness. —Rep.

Girl Scouting— Then And Now

Once upon a time, they had to know how to catch a runaway horse. Today, they're more likely to be catching a jet to an international meeting.

Once they had to know the names of the Governor of their state and the Mayor of their city. Today, they may have just been received by the President.

Once, they only had to know how to make an invalid's bed. Today they also teach handicapped children how to swim.

"They" are the Girl Scouts. And "once upon a time" was 55 years ago when Juliette Gordon Low founded Girl Scouts of the U. S. A.—with a troop of 12.

As Girl Scouts throughout the country celebrate their 55th anniversary this week, there may be a temptation to look at the past with a tolerant smile.

But if anyone in those days had known the word, the Girl Scouts of 1912 would have been called a pretty "swinging" group. They went on camping trips and hikes, learned how to handle tools and tie knots, how to ride a horse or a bicycle, how to swim and play basketball—activities not generally included in the upbringing of the young ladies of their time.

Of course, the early Girl Scouts learned to perform the traditional domestic duties too. A girl was required to know how to "cook one simple dish, such as a potato or a quarter of a pound of meat."

Girl Scouting has come a long way since then. This year, following up a national conference last summer, Girl Scouts all over the country will hold regional conferences to discuss with experts proper nutrition, home equipment, money management—and the role of women in the world outside the kitchen.

In 1912, Girl Scouts had to know how to "distinguish and name three trees, three wild flowers, three wild birds." Today, they carry out conservation and natural beauty projects as a follow-up to a nationwide coed conference of youth groups which opened on the White House lawn.

But right from the start, being a Girl Scout was the "in" thing to do. In a few short years, the original membership of 12 had grown to 12,000. Fifty-five years and a whole new world later, Girl Scouts are still going strong—more than three million strong.

Girl Scout Troop 93

Our troop is made up of 11 lively Fourth-Grade girls. This is our first year as Scouts, so our first few meetings were devoted to learning the Scout laws and promise and what they mean to us. We had a candle light fly-up ceremony and felt very proud that we had earned the right to wear the Girl Scout uniform. We decided to work first on the Drawing and Painting badge and put our eager hands to work on decorating a tablecloth for the annual Father-Daughter banquet.

We will complete this badge soon and then start on the Troop Dramatics Badge. We hope to complete many badges before the Court of Awards in April. Now we are doing our best to sell more cookies than any other troop in Eldorado and if enthusiasm has anything to do with it, we will win!

We meet each Thursday from four 'til five o'clock in the basement of the Presbyterian church.

Our meetings open with the Johnny Applesseed blessing, then refreshments, each taking a turn serving, and close each meeting singing Taps in an interlocking circle.

Our members are: Becky Blair, Dale Davis, Jill Edmiston, Wally Joiner, Vicky Mika, Lim Mittel, Carolyn Page, Debbie Robledo, Karen Rountree, Cindy Sessions, and Connie Mejia.

—Mrs. Paul Page, Leader

GOLDEN TOUCH OF HOSPITALITY

BY JANE ASHLEY

Bake A Continental Cake

If you should go searching for cake recipes in Europe, you would find that many of them call for a mixture of wheat and another flour. Very often the second flour is corn flour, the continental name for what we in America call corn starch. We discovered a delicious cake using corn flour in Switzerland. It was a marble cake baked in a tube pan and like many European cakes, is served warm without any frosting. Warm or cold, this cake is good.

Continental Cake

- | | |
|---------------------------|-------------------|
| 2 1/4 cups sifted flour | 3/4 cup margarine |
| 1 cup corn starch | 1 cup sugar |
| 3 teaspoons baking powder | 4 egg yolks |
| 1/4 cup sugar | 1 cup milk |
| 3 tablespoons cocoa | 4 egg whites |

Sift flour, corn starch and baking powder together. Thoroughly blend 1/4 cup sugar and cocoa. Cream margarine and 1 cup sugar in mixing bowl; beat in egg yolks. Mix in sifted dry ingredients alternately with milk, beginning and ending with dry ingredients. (Batter may appear slightly curdled.) Divide batter in half. Stir sugar-cocoa mixture into one portion, blending well. Beat egg whites until soft peaks form when beater is raised. Fold half into each portion of batter. Drop batters alternately by teaspoonfuls into greased 9-inch tube pan. Bake in 350 degrees F. (moderate) oven until cake tests done, about 1 hour. Serve warm or cooled. Makes 1 (9-inch) tube cake.

Girl Scout Troop 153

Troop 153 would like for you to know what a fun year this has been. Mrs. Paul Page and Mrs. Wilson Page are our leaders. We have 15 girls in our troop: Denise Adams, Eva Jo Blaylock, Jane Bellman, Billie Marie Bruce, Sue Collins, Debra Craig, Beverly Hartgraves, Lucretia Henderson, Pamela Ingdahl, Andrea Lee Lacy, Patricia Mann, Vonda Maness, Vanessa McGrew, Debbie Page, and Kathy Page.

To open our New Year we had a cook out with all the trimmings. We took a hike—collecting rocks, insects, plants, fossils, and paying particular attention to the cloud formations. (A few daddies present were seeking rain signs!) After the "Johnny Applesseed Blessing" we feasted on hot dogs, potato chips, marshmallows, "smores," and barbecued fingers.

Mr. Lawrence Newport gave us a great start on our "Sign of the Arrow" badge telling us of his boyhood life with some young Indian friends. (Incidentally, Mrs. Newport, did you know Mr. Newport used to go with an Indian girl?) We learned Indian songs, told Indian legends, and made beaded Indian friendship rings.

Christmas was most gratifying. It was such fun last year we voted again to make scrapbooks for the elderly people in the Golden Years Nursing Home. We planned a musical program in which each Girl Scout took part. Before we left even, the wonderful elderly ones were singing "Rudolph, the Red-Nosed Reindeer" with us.

January brought with it cold weather and indoor fun. A puppet show, "The Wizard of Oz" was planned. We made puppets out of sawdust, flour, and water, created our own costumes, and entertained the other Girl Scout and Brownie Troops. Even our Daddies were entertained with portions of it at our colorful Valentine, Father and Daughter banquet.

Troop 153 regrets the loss of Velda McAvery who moved to Haskell, Texas, and at the same time is proud to announce a new member, Pamela Ingdahl.

We wish to thank Mrs. Teele, who has loaned us records for our Dancer badge, Miss Jewel Shelton, who graciously helped us with bulletins, books and pictures about stars and constellations for our astronomy study, Mr. Newport, who excited us with talks of Geronimo, Indian customs, and legends and the mothers of our buddies who have faithfully served us "goodies" at every meeting.

Don't forget to buy your Girl Scout Cookies! Thank You.—Troop 153.

SALES PADS for sale at the Success office

CHARGE CHECKS special for service... for \$1 or \$11 carton... available at the Success.

Brownie Troop 150

Brownie Troop 150 meets Thursdays at 2:45 at the Methodist church.

The girls in the troop are: Carolyn Bland, Brenda Bruce, Vicky Cheatham, Sherry Dockal, Kim Griffin, Cindy Jackson, Judy Reynolds, Vicki Rowe, Darla Sheppard, Rosa Marie Smith, Charlene Warnock, Terrie Fatheree, Janis Mikeska, and Marcella Vaughan.

This year the girls of Troop 150 have toured the woolen mill, taken a penny hike, had a party on their troop's birthday, and have made all their decorations for the Father and Daughter banquet. We have also sold Girl Scout Calendars and Girl Scout Cookies and have done many other things. Later in March we will go on our yearly picnic.

The leaders of the troop 150 are Mrs. Billy Bruce and Mrs. Tony Cheatham. —Rep.

Brownie Troop 91

Brownie Troop 91 has 14 members, who are girls from the Second Grade. Their names are: Frances Bland, Cleve Nelle Clark, Vivian Espinosa, Shirley Fay, Rita Ann Lozano, Gynna Jay, Elizabeth Niblett, Gloria Ortiz, Lupe Ortiz, Mary Ann Pina, Lucy Robledo, Barbara Speck, Susan Warnock, and Jill Yates.

Leaders for the group are Mrs. Robert L. Jay, and Mrs. Earl Dean Clark.

Some of the projects these Brownies have done were making Christmas gifts for their parents, making up a First Aid Kit, and presenting a skit on manners at the Father-Daughter banquet.

Things they are currently doing include selling Girl Scout cookies, making a cartoon and riddle scrapbook, which will be sent to McKnight hospital, and raising money to buy a tree for the school grounds.

This troop meets each Tuesday from 3:00 to 4:30 at the Methodist church. The objects of the Brownies are to live up to the Brownie promise and Brownie B's, Be Discoverers, Be Ready-Helpers, Be Friend Makers.

Merry Makers Meet

Mrs. Ernest Finnigan was hostess Thursday, Feb. 24th, as she entertained the Merry Makers 42 Club in her home.

There were three tables of players including two guests, Mrs. Dick Jones and Mrs. Thomas Baker. A salad plate with cake, coffee or tea was served. —Rep., Mrs. Claude Doyle.

Mr. and Mrs. W. A. Tampke were week end visitors in Uvalde and Camp Wood, with Mr. Tampke's parents, Mr. and Mrs. W. F. Tampke and his sister, Mrs. Bob Patton and family.

Week end guests in the home of Mr. and Mrs. L. D. Jones were Mrs. O. W. Paine and Mrs. Charles Baccus of Abilene. Mrs. Paine is the mother of Mrs. Jones.

I'd Like To Be—

The proverbial Girl Scout next door is moving.

She's the pig-tailed moppet in brown, off to an "up-side down" discovery hike, trying to find out what lives under things.

Or she's the sharpest teenager in town, dashing from school to TV studio in her snappy green suit, prepared to take part in a youth forum on "New Careers in a New World."

She's a Girl Scout and she's on the move, becoming a woman on her own terms, the personal terms of "I'd Like to Be..."

Whether she is seven or 17, whether her interest is art or zoology, a Girl Scout's quest is limited only by the boundaries of the universe and her own imagination. What would she like to be? Scouting invites her to find out.

During the coming year, more than three million girls everywhere in the country will be exploring the world in terms of what they'd like to be. Each girl's personal aspiration will determine her course, but all three million will base their explorations upon the unchanging ideals of character, conduct, patriotism and service at the heart of the Scouting movement.

As they meet, work with and learn from the men and women of their communities who have achieved what they'd like to be, the girls will be eager—and admiring—novices. But knowing the Girl Scouts, these novices of today will be the doers of tomorrow. One of them may even be the first woman president of the U.S.A. or the first woman to reach the moon.

In hospitals and art studios, banks and laboratories, libraries, offices, and stores, Girl Scouts will visit the world of others—and will search for the world of themselves.

So next time, don't look out the window or across the white picket fence for the Girl Scout next door. She's on the move—toward what she'd like to be.

Bond Typing Paper

In 100-Sheet Packets

Letter Size 8 1/2 x 11

16-Lb. Ave Wt.-----\$1.00

In The

"Who is your brother's keeper?"

Should it be you?

In a time when it's every man for himself, to love your neighbor as yourself may seem to carry a hollow ring.

But to do so can be vital to each of us. To love even our enemies is to discover something of the richness of love itself. It can open the way to greater accomplishment in our lives, restoring health and blessing others. And the way is to begin to see our true nature — and that of our fellowman — as fashioned in the image and likeness of God.

You are invited to hear this subject explored in a challenging lecture by Neil H. Bowles, C.S.B., of Atlanta, Georgia. Mr. Bowles is a member of The Christian Science Board of Lecturers. Admission is free and all are welcome.
