67th YEAR

ELDORADO—SCHLEICHER COUNTY, TEXAS, (76936)

Thursday, February 1, 1968

Number 5

Deadline Monday For Candidates To File

This coming Monday, February 5th, is the deadline for candidates to file for places in the coming primaries, set for May.

This year of 1968 promises to be more interesting politically, than any year of the recent past.

Locally, Sheriff Orval Edmiston is being opposed by James Mika, and Weatherly Kinsler, the incumbent Commissioner of Precinct 1, has had Buster Gunn and George Williams to file as opponents. Joe M. Christian filed for re-election as Precinct 3 commissioner and at press time this week had not had an opponent to file.

On the higher level, neither State Senator Dorsey Hardeman nor State Representative Hilary Doran had opposition as the Success went to press this week, although they might by Monday.

For the first time in many years, we will have a race for Congressman from the 21st District; in fact the race will be two-fold.

Gordon Johnson of Odessa will try to unseat O. C. Fisher, long-time incumbent in the Democratic primary in May. And Jack Alexander, also of Odessa, will run as a Republican against the winner in the General Election in November. At that time, too, President Lyndon Johnson is expected to seek re-election with a Republican, at this time indefinite, running against him.

Voter Registrations Pass 1100 Mark

At 10:00 Tuesday morning, there had been 1145 voters to register in the office of Orval Edmiston, county sheriff and tax assessor-collector.

More were expected to file during the day Wednesday, Jan. 31st, the last day for voters to register to be eligible to vote in 1968.

Elderly people were also required to register this year, a change from the past.

Today, Feb. 1st, the sheriff's office will begin selling 1968 License Tags. The office personnel remind everyone to bring their title and license receipt from last year. This will speed the handling of your payment for new tags.

SALES PADS for sale at the Success office.

Political Announcements

County Offices -----\$25.00
Commissioners -----\$15.00
State and Congressional -----\$25.00
Federal Offices -----\$25.00

Note: The above prices include one (1) write-up of not exceeding 250 words; additional wording will be charged for at regular reader advertising rate (3c a word). The price does not include subscription to this publication. No refund to candidates withdrawing.

ORVAL N. EDMISTON
(For Re-Election)

JAMES MIKA

For Commissioner, Precinct 1:

GEORGE WILLIAMS

WEATHERLY KINSER
(For Re-Election)

BUSTER GUNN

For Commissioner, Precinct 3:

JOE M. CHRISTIAN
(For Re-Election)

Scout Court Of Honor Held Monday Night

With Scoutmaster Jim Holley in charge, the members and parents of Boy Scout Troop 18 held a Court of Honor Monday night in the Memorial Building.

Mark Calk was presented his First Class badge, and those given the Star rank were James Holley, Mark Bland, and Dewayne Rushing.

Scoutmaster Holley announced that coming events to be held in connection with Boy Scout Week include a cook-out demonstration in the business district on Saturday, Feb. 10th, and the following day is Scout Sunday, when Scouts and Cubs are invited to attend church in uniform.

Susan Hill Named Crocker Homemaker

SUSAN HILL

Because she ranked first in a written homemaking knowledge and attitude test given Senior class girls in Eldorado High School here Dec. 5th, Susan J. Hill becomes 1968 Betty Crocker Homemaker of Tomorrow for her school, it has been announced. Registered for the test, now in its 14th year, were 603,798 girls in 15,079 of the nation's high schools, a new record for the program sponsored by General Mills.

This year's honoree is the daughter of Mr. and Mrs. Jo Ed Hill.

Susan remains in competition for state and national scholarship awards ranging from \$500 to \$5,000 and will be awarded a specially

(Continued on Page 5)

Mrs. Jackson Heading Heart Fund Drive

Mrs. Winnie Jackson is chairman again this year of the Heart Fund Drive to be conducted here in Schleicher county throughout the month of February, which is Heart Month.

Mrs. Jackson will line up her co-workers in the near future and they will make effort to contact all residents here and out in the county for contributions to this cause.

Anyone wishing to do so may hand his contribution to Mrs. Jackson, or mail a check. Make out the check to "Heart Fund."

News of the Sick

The Hazelwoods here report that "Papa sure does like to get mail." Mr. J. C. Whiteley, who was a long-time blacksmith here in Eldorado, has been a patient for many months in a nursing home in Brady where he is always glad to receive cards or notes from his friends. His mailing address is: Fireside Nursing Home, Brady, Texas 76825.

Another of Eldorado's old timers who likes to hear from friends is Mrs. Henry Mund, known affectionately as "Aunt Marinda" to so many. Mrs. Marinda Mund's address is Golden Years Nursing Home, Christoval, Texas 76935. Although she can no longer read or write, Mrs. Mund has her cards and notes read to her. Recently she broke two ribs but is still able to get around. She is now 91½ years old.

The Dan Griffin family were ill with flu last week, but by Monday Dan was back at his service station. His family are also better now.

Phil, son of Mr. and Mrs. Hollis McCormick, is in Room 347 Shannon hospital following minor surgery.

Eldorado Lawmen Take Part In Search For Dead Veteran

Courthouse grounds here in Eldorado Sunday were the gathering place as West Texas lawmen were searching for the body of a Denver, Colo., youth whose abandoned blood-spattered car indicated foul play.

The search involved lawmen from Big Lake, Ozona and Department of Public Safety officials, as well as Schleicher county Sheriff Orval Edmiston, Deputy Jack Jones and Game Warden Bill Works. Texas Ranger A. Y. Alee of Ozona was directing the search.

Object of the search was Michael Robineau, 21, who had been mustered out of service Friday at San Antonio, and who had written his mother that he was going to take U. S. Highway 87 from San Antonio to Amarillo. The young man was heir to a Colorado oil fortune.

Foul play was suspected Saturday when the abandoned, blood-spattered car was found at Big Lake. A break came Sunday when lawmen found a collection of papers belonging to Robineau about 8 miles west of Eldorado on Highway 29.

The search was continued and widely publicized until Monday night when the body was found in a cotton field about a mile west of Wall. He had been shot at least once in the right side of the neck.

Also late Monday Odessa police arrested a man believed to have been riding with Robineau. The man is being held on an AWOL charge from Ft. Sam Houston, the same Army post where Robineau was discharged Friday.

Still 50 More Bales To Go At Mikeska Gin Here

Low hanging clouds and occasional fog and drizzle are factors that are delaying closing of the cotton gin for the season.

There could possibly be another 50 bales in the county that should be processed and Wayne Mikeska would like to see a spell of dry weather so they could complete the season.

He said Nick Jurecek still has some cotton as well as Bill McWhorter and Ben Keel, but continued unsettled weather keeps the fields too moist to admit equipment.

One week of good dry weather could probably do it, but some weather bureau reports predict that "wetter-than-usual" weather will continue well into February.

Gin figures Monday showed that 1307 bales had been processed up to that time.

Methodists To Plan Church Improvement

Following a shortened morning worship service this Sunday, Feb. 4, a church-wide meeting will be held in the sanctuary of the First Methodist church to discuss a renovation program. Under consideration is the partitioning of the church basement to make three large class rooms and a smaller room housing the choir robes and music as well as a church library. A small heating and air conditioning unit would be installed to take care of this area. Needed repairs and repainting would be done in the existing Education Building and air conditioning would be added. Plans to renovate the interior of the sanctuary and the foyer are also under consideration, such as paneling being installed, exposed beams in the ceiling, and the addition of a new lighting system that would be in keeping with more authentic church architecture.

A panel of church officials will present the improvement program in detail. Following this there will be a question and answer period. The Rev. D. G. Salter, church pastor, urged all church members to make a special effort to be present Sunday morning.

Raymond Mittel moved with his family Wednesday to Kerrville. His address is Route 1, Box 25, Kerrville, Texas 78028.

Boy Scout Week Is Set This Year February 7 Thru 13

FOUR NEW EAGLE SCOUTS were formally recognized last year at a Court of Honor held by Troop 18. Left to right are Jerry Childers, Bobby Sykes, Buddy Calk, and Keith Williams. —Staff Photo

State Sen. Hardeman Seeking Re-Election

DORSEY B. HARDEMAN

State Senator Dorsey B. Hardeman of San Angelo, whose four-year elective term won in 1966 was shrunk to two years by state-wide legislative redistricting, expectedly announced today his candidacy in the 25th Senatorial District for a full four-year term.

"I am deeply grateful to the people of the 21-county district for electing me in 1966 to a four-year term and respectfully ask their continued support," Hardeman said. He was one of 15 senators who drew a two-year term following senatorial redistricting which was done in state compliance with the "one man, one vote" decision of the United States Supreme Court. Election this year will give Senator Hardeman a full four-year term.

Hardeman said he will counsel, as he is accustomed to do, with the people throughout the district before the Democratic Primary on May 4. "It has been my purpose, at all times, to help maintain a sound, responsible and responsive state government and to handle all legislation of local interest with dispatch," the senator said. "This I will continue to do."

A practicing attorney highly respected as an authority on constitutional law, Hardeman is married to the former Geneva Moore, daughter of the late Lawrence Moore and Mrs. Moore of Schleicher county. The Hardemans are members of the Church of Christ. Their sons, Mark and Bryan, are students at The University of Texas and Angelo State College, respectively.

Hardeman is presently vice-chairman of the Senate Finance Committee which provides funds for state-supported institutions and educational facilities; is chairman of the Senate State Affairs Committee which reviews all revenue measures, and is serving as a senior member of the Budget Board, the vital legislative research arm on finances to fulfill state needs. During 11 regular and 11 special sessions of the Legislature, Hardeman has served as chairman or as a member of all major Standing Committees of the Senate, giving him experience and seniority valuable to the people of the 25th District in particular.

Hardeman's interest in constructive legislation for the district, for

Explorer Scouts Have Active Program On

Explorer Post 318 here in Eldorado was one year old last October, last October when the post was re-activated, the officers elected were: Buddy Calk, pres.; Richard Keel, vice-pres.; Jimmy Mercer, treas.; Robert Wilson, sec.; and Alan Corbell, sgt. at arms.

We have had many good service projects this last year. The Explorer Post cleared off the lot on the highway where there used to be junk piled. We have opened and maintained a club for teen agers as a money making project. We have adopted and are supporting a Korean orphan with the help of many people here in Eldorado.

We also have a lot of plans for this young year. We plan to re-open the "Sugar Shack" in March. We plan to have a city-wide clean-up campaign before the summer tourists come through. All of us in the post feel very grateful to our advisor, Mr. Buddy White, for helping through our starting years. —Buddy Calk, pres.

Mrs. L. Teele's Funeral Held Here On Tuesday

Funeral services were held here Tuesday in the First Baptist church for Mrs. Lou Pallie Teele, 90, who died Monday in Golden Years Nursing Home in Christoval following a long illness.

Interment was made in Millersview cemetery. Pall bearers were Andy Nixon of Eldorado, Mac McGregor, Christoval; S. E. Stout and Gordon Roach, Big Lake; and Guy Hartgroves and Truman Laudermilk, Mertzon.

Mrs. Teele was born Oct. 19, 1877 in Alabama. She had lived for many years at Mertzon.

Survivors include three sons, Grover Teele of Mertzon, Oliver Teele of Eldorado and Floyd Teele of Big Lake; a grandchild and two great-grandchildren.

Air Force Call-Up Includes Eldoradoan

Call up of Air Force reserves last week has disrupted plans of a young Eldorado couple residing in Austin and caused concern for their parents here.

Kenneth Pennington, Airman 1st Class, of the 921st Air Force Reserve, was ordered to Kelly Field last Friday and entered on his official duties there Sunday. His reserve period would have ended in August.

Son of Mrs. Evelyn Pennington, Kenneth is a graduate of Eldorado High School and earned a degree from U. of Texas about five years ago. His wife is the former Ann Blair, daughter of Mr. and Mrs. F. D. Blair of this city. The couple have a 4-month-old son.

Call up of Navy and Air Force came over a week ago when North Korea seized the American intelligence ship Pueblo and its crew of 83 Americans. The administration appears to be determined to press every effort for a peaceful way out, while still beefing up military preparations.

No telling how long the reserves will remain on duty.

In Austin Kenneth has been employed as an auditor for the State Education Agency.

Eagles Defeat Junction In Cage Game Friday

The Eldorado Eagle cage team took a 51-47 victory over Junction here Friday night.

It was a District 8-A East Zone game. Junction led 10-7 at the end of the first period and 28-23 at the half.

The fourth period was all Eldorado's as the Eagles outscored Junction 21-12 for the victory.

Buff Whitten paced Eldorado with 26 points. Preston Joy and Buddy Murr each had 13 for Junction.

Girl Scout Cookie Sale To Start Here Friday And Continue Several Days

It's Girl Scout Cookie Sale Time again and soon the local Girl Scouts will be knocking on your

door. There are about 70 registered Girl Scouts in Eldorado and this is one way they can raise money for their own troop projects and help maintain the Council Educational Camp.

Camp is Jo-Van-Van near Mertzon and several of the local girls have attended camp there in the summer. Some return year after year for the fun, badge work that cannot be done in the local troop and make new friends from surrounding towns. More than half the money you pay for a box of cookies goes into the local troop bank accounts and to maintain our camp.

This year there will be no order sales. The girls will have the cookies with them when they call. There are five varieties. We are using a different Cookie Company this year and the cookies are much more delicious than those we have been used to.

Please give your money on hand when the girls call on you, and support your local Girl Scouts. —El Camino Council, Girl Scouts.

Support Better Scouting

Buy GIRL SCOUT COOKIES

WHAT \$3.15 BUYS

What can you buy with \$3.15? Lots of things.

Three pairs of ladies' stockings. A case of soda. Two men's T-shirts. Six quarts of beer. A carton of cigarettes. A pair of kid's tennis shoes. Four pounds of butter. A box of inexpensive cigars. Or a typical prescription for one of today's modern medicines.

Twenty years ago, when your \$3.15 could buy a lot more butter or beer or just about anything else, one thing it couldn't get you was most of the medicines now commonly prescribed.

Reason? Many medicines you take for granted now couldn't be had then. Not at any price. They were yet to be discovered.

Conclusion: Today's good health is more than a good buy . . . it's good fortune.

Buddy White Serves As Explorer Leader

Buddy White is serving again this year as Explorer Advisor for Post 318. Eldon Calk is institutional representative, and the Post is sponsored by the Lions Club.

The Post committee consists of Harry Mercer, Ben Keel, and Bobby R. Sykes.

Boys currently registered are: Buddy Calk, Robert Corbell, Charles M. Dempsey, Richard Keel, Charlie J. Martin Jr., Clay Meador, James R. Mercer, Hyman Sauer, Robert A. Wilson, Mike Olson, William Edmiston, and Joe Musquiz.

Lewis Wilson Funeral Held On Wednesday

Lewis T. Wilson, 59, formerly of Eldorado, died Friday in an automobile accident near Merced, California.

Services were held at 2:30 p.m. Wednesday at Eldorado First Baptist church with burial in Eldorado cemetery.

Survivors include his mother, Mrs. L. T. Wilson of Eldorado, two sons, Lewis Wilson Jr. of New Mexico and Bruce Wilson of San Angelo; a daughter, Mrs. Corrine Coble of Deming, N. M.; two sisters, Mrs. Ruby Deaton of Concord, Calif., and Mrs. Nettie Clevenger of Ono, Calif., and seven grandchildren.

JUNIORS DEFEATED MENARD

The Jr. Eagles defeated the Menard Yellowjackets, 23-12, Monday night, Jan. 22, at the Eagle Gym. Heading in posts was Archie Nixon with 9, Billy Dook Hubble with 5, Ricky Mann and Ricky Griffin both 4, and Hunter Henderson with 1. Tom Hartgraves, Norris Sauer, Kenneth Hight, John Rae Powell, John Rosford and Chris Pena did their part moving the ball and feeding it to the other boys.

Mr. and Mrs. Vernon Carroll of Brady visited here during the week end with the Hazelwoods.

JOHN STIGLER JEWELER

Holley Scoutmaster Of Troop 18 Here

Jim Holley is serving as Scoutmaster of Troop 18 of the Boy Scouts, which has been sponsored for nearly 40 years by the Eldorado Lions Club. Eldon Calk is institutional representative.

Gerald Childers is assistant Scoutmaster.

Bobby Sykes, Bill Gunstead, and James Williams are the Troop committee.

Boys, ages 11 through 13, who are currently registered in the troop are: Ricky Bishop, Mark Bland, Mark Calk, Jerry Childers, Timmy Farris, Billy Hubble, Robby Joyce, Mike Manning, Lynn Mertz, Mike Prater, Bob Sykes, Steve Sykes, Keith Williams, James M. Holley, Dwayne Rushing, Larry Holsey, Benny R. Jay, Joey Jones, Jimmy Deaton, David Yocham, and Ricky Griffin.

Gift Coffee To Honor Miss Griffin Saturday

KAREN GRIFFIN

A Gift Coffee will honor Miss Karen Griffin, bride-elect of Sam H. Henderson this Saturday, Feb. 3rd, in the home of Mrs. Granvil Hext. Calling hours will be from 9:30 to 11:00 in the morning.

Hostesses, with Mrs. Hext, will be Mmes. L. E. McCalla, L. D. Mund, Orval Edmiston, Joe Griffin, Jerroll Sanders, Vernon Rogers, M. H. Woodward, Sadie Davidson, Peyton Cain, J. P. Enochs, Bessie Doyle, John Stigler, N. G. Hodges, Kenneth Doyle, B. F. Blaylock, F. D. Blair, and Andy Nixon.

TROOP 150 MEETS

Girl Scout Troop 150 did a lot of things Monday. We wrote two thank-you notes, learned how to address an envelope, and we learned the parts of a letter. Kim Griffin served refreshments.

—Rep., Sandra Kreie, P.S., If you like cookies, try our new Girl Scout cookies this year, please.

Tower Top In Place At HemisFair

Horns blew, sirens screamed and bells rang throughout San Antonio last week, signifying the completion of the intricate lifting of the 650-ton tophouse to its perch on the Tower of the Americas.

The massive six-storey tophouse had risen 608 feet in 21 days, and completion put workmen on a downhill grade towards finishing the tallest observation tower in the western hemisphere for the April 6 opening of HemisFair '68.

The 622-foot Tower will offer visitors to the World's Fair a view of 100 miles around the HemisFair city, dining on two levels, and two levels for sightseeing.

One restaurant will make a complete revolution each hour, allowing diners to have their salad on the north side, the main course on the south and wind up with desert while looking to the north again.

Each minute, hour and day left before HemisFair '68 is marked at the San Antonio International Airport.

The reminder comes from the "countdown clock" installed by HemisFair at the airport.

President Lyndon Johnson set the clock in motion recently by activating an electronic signal at the White House and the time began to tick away before the April 6 curtain call.

The clock is the same device used to count down for the World's Fairs at Seattle, New York and Montreal.

Cub Scout Leader Is Glynn Hill

Glynn Hill is now Cubmaster, and Den Mothers are Mrs. Jim Thornton, Mrs. Edith Collins, and Mrs. Myrtle Campbell.

Pack 18 of the Cub Scouts is sponsored by the Ministerial Alliance of Eldorado. Rev. D. G. Salter is institutional representative.

The Pack committee consists of Junior D. Redwine, Ira D. Day, Robert Jay, Dewey E. Campbell, and Guy Whitaker.

Boys currently registered as Cub Scouts include: Jace Alderman, Mark Bishop, Charles Blair, Gary Collins, Leslie Craig, Larry Day, Billy D. Donaldson, Jim Bob Edmiston, Walter Hanusch, Leslie Hill, Zack Holsey, Joey Jones, Mike Redwine, Randy Rozean, Mike Salter, Gary Warnock.

Also: Barney McAlpine, John Campbell, Jay Holley, Mike Collins, Mark Thornton, Lynn Whitaker, Max Sides, Charles Atchley, and Mac Sessom.

What Is A Boy?

Between the innocence of babyhood and the dignity of manhood we find a delightful creature called a boy. Boys come in assorted sizes, weights and colors, but all boys have the same creed: to enjoy every second of every minute of every hour of every day and to protest with noise (their only weapon) when their last minute is finished and the adult males pack them off to bed at night.

Boys are found everywhere — on top of, underneath, inside of, climbing on, swinging from, running around, or jumping to. Mothers love them, little girls hate them, older sisters and brothers tolerate them, adults ignore them, and Heaven protects them. A boy is Truth with dirt on its face. Beauty with a cut on its finger. Wisdom with bubble gum in its hair, and the Hope of the future with a frog in its pocket.

When you are busy, a boy is an inconsiderate, bothersome intruding jangle of noise. When you want him to make a good impression, his brain turns to jelly or else he becomes a savage, sadistic jungle creature bent on destroying the world and himself with it.

A boy is a composite—he has the appetite of a horse, the disposition of a sword swallower, the energy of a pocket-size atomic bomb, the curiosity of a cat, the lungs of a dictator, the imagination of a Paul Bunyan, the shyness of a violet, the audacity of a steel trap, the enthusiasm of a fire cracker, and when he makes something he has five thumbs on each hand.

He likes ice cream, knives, saws, Christmas, comic books, the boy across the street, woods, water (in its natural habitat), large animals, Dad, trains, Saturday mornings, and fire engines. He is not much for Sunday School, company, books without pictures, schools, music lessons, neckties, barbers, girls, overcoats, adults or bedtime.

Nobody else is so early to rise, or so late to supper. Nobody else gets so much fun out of trees, dogs, and breezes. Nobody else can cram into one pocket a rusty knife, a half-eaten apple, 3 feet of string, an empty Bull Durham sack, 2 gum drops, 6 cents, a sling shot, a chunk of unknown substance, and a genuine supersonic code ring with a secret compartment.

A boy is a magical creature—you can lock him out of your workshop but you can't lock him out of your heart. You can get him out of your study, but you can't get him out of your mind. Might as well give up—he is your captor, your jailer, your boss, and your master—a freckled-faced, pint-sized, cat-chasing, bundle of noise. But when you come home at night with only the shattered pieces of your hopes and dreams, he can mend them like new with two magic words "Hi Mom" or "Hi Dad."

Next National Jamboree Set For 1969 In Idaho

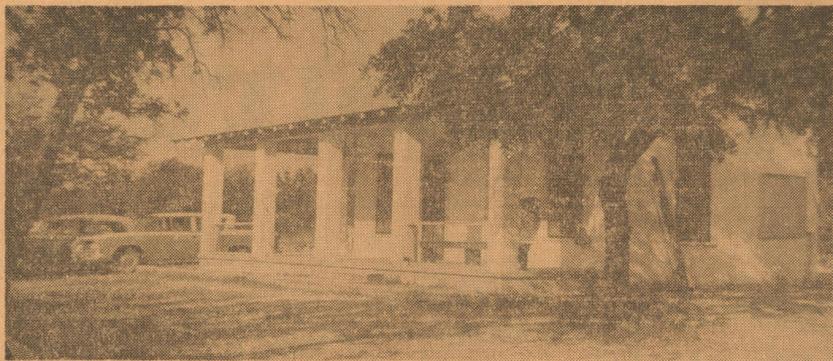

Farmington State Park, Idaho, has been tentatively approved as the site for the Boy Scouts of America 7th National Jamboree (set for the summer of 1969). The 5,000-acre park on Lake Pend Oreille was the site of the XII World Jamboree last August.

A number of Boy Scouts from Schleicher county have attended National Jamborees of other years.

The headquarters office of the Concho Valley Council, located in San Angelo, will no doubt announce preliminary arrangements within a few months for sending a contingent of Scouts and leaders to the next National Jamboree, set for the summer of 1969 in Idaho.

Usual procedure is for the Council to appoint a Jamboree committee who select the leaders to go, make cost estimates and plan the itinerary for the trip, both going and coming. After that, the Council headquarters will begin accepting reservations from individual Scouts from over the 23½ counties of the Concho Valley Council. That should be within a year.

Beautiful Camp Fawcett Located on Nueces river near Barksdale

CAMP FAWCETT is one of the two camps owned and maintained by the Concho Valley Council of the Boy Scouts Of America. This is the headquarters and office building.

ANOTHER VIEW at Camp Fawcett shows the handicraft shack and the V. A. Brown dining hall. Scoutmaster Jim Holley plans to take several Troop 18 Scouts to Camp Fawcett for a week this Summer.

AT HOSPITAL CORPS SCHOOL

San Diego, Cal. (PHTNC) —Jan. 18.—Hospitalman David D. Overstreet, USN, son of Mr. Delbert Overstreet of 405 Mulberry, Eldorado, Texas, is attending the 14-week basic Hospital Corps School, San Diego, Calif.

Taught by Navy nurses and senior hospital corpsmen, the school is designed to train Navy and

Coast Guard personnel in hospital techniques. The curriculum includes the study of anatomy and physiology, minor surgery, the administration of medicines and emergency first aid treatment.

The training course also includes working with doctors and nurses at the Balboa Naval Hospital in San Diego, where the knowledge gained in the classroom is

put to use.

Kaye Peters visited here for a few days with Mr. and Mrs. E. C. Peters, between semesters from North Texas State University, Denton.

Mrs. Elnora Love spent last week visiting in McAllen with the Bob Whitis family.

Inspiring Leadership

All Americans look upon the leaders of Cub packs, Scout troops and Explorer units as devoted and dedicated citizens. As volunteers, their motivation is service to God and Country through boyhood. Week in and week out they are helping boys in a big way to grow physically and mentally, morally and spiritually.

In Those Days
Compiled From Success Files
ONE YEAR AGO
Feb. 2, 1967—In a home ceremony in Fort Worth, Miss Lucille Farmer became the bride of Robert L. McWhorter.
A March of Dimes drive was launched with Leslie Baker as chairman.
Mrs. Cora Spencer Stevens died at the age of 75.

FIVE YEARS AGO
Jan. 31, 1963—Clifford and Loretta Schooley took top honors in the lamb division with champion and reserve champion respectively as the annual stock show was held.
The County Commissioners set annual salaries of \$6,000 for the County Judge, Clerk, & Treasurer.
Mr. and Mrs. Sam Oglesby were being honored Sunday on their Golden Wedding Anniversary.
An outdoor boiler exploded at the Sinclair-Skelly Gas Products plant in the Huldale area. No one was injured.
Some office machines stolen from the office of Gerald Hart-graves were recovered in Del Rio and San Angelo.
Bill Bowen directed the Junior class play, Three Sisters. The cast included Eileen Kent, Jane Sanders, Alice Dyer, Joan Griffin, Deanne Hext, Karon Kemble, Linda Boynton, David Childers, Jack Mackey, Lynn Meador, Tip Finley, and Rex McCormick.
A historic medallion was placed on the Col. Black ranch house in the east part of the county.
Ann Blair and Linda Love completed their courses at Texas Wesleyan College, Fort Worth.
Tom R. Henderson died at the age of 77, and his funeral was held.

12 YEARS AGO
Feb. 2, 1956—The 4-H and FFA Livestock Show was held. Jimmy Whitten had champion ram, Bob Stewart had champ ewe, and Brian Edmiston had champion Rambouillet in the fine wool lamb class.
C. L. Meador had charge of the March of Dimes drive, and Mrs. Luke Thompson was the Mothers March chairman; the drive took in \$434.92.
Eddy Eugene Pearl, 16-year-old son of Mr. and Mrs. Lee Pearl of Sonora and formerly of Eldorado, was killed in Sonora in a motorcycle accident.
Rev. Matt Stearns of the Methodist church announced that a Revival would start, with Dr. Frank L. Turner evangelist.
Mrs. Jack Mowrey honored her daughter Jeanette, 3, and Mrs. Howard Derrick honored her daughter, Linda, also 3, on their birthdays.
Nell Williams and Thurman Atchley were married, and then went to Tech at Lubbock to make their first home.
A daughter was born in San Angelo to Mr. and Mrs. Fred Thomas Gillaspay.
Mrs. V. G. Tisdale, Mrs. Luke Robinson and Mrs. Grace O'Harrow returned from a trip to Hawaii.
W. F. Parrent reported that a new irrigation well had been completed on the Virgil Powell "six mile" ranch 25 miles east of town.

35 YEARS AGO
Feb. 3, 1933—Mr. and Mrs. W. T. Conner were honored on their Golden Wedding.
H. Grady Parker was taken to Shannon hospital suffering from peritonitis. He was reported in critical condition.
Rev. S. L. Batchelor and daughter, Miss Imogene, escaped near tragedy as their car was struck by a train near Mertzon. Rev. Batchelor had gone there to conduct services at the Methodist church. He and his daughter were shaken up and unconscious for a while, but not seriously injured. He was presiding elder for the San Angelo district.
Francis J. Wood and County Judge F. M. Bradley attended a Lions Club meeting at Winters.
Fred Lohn of Sonora opened the Ritz Theatre here and announced showings Thursday, Friday, and Saturday nights.
A. T. Wright Jr. was reported captain of this year's boxing team at Annapolis Naval Academy.
Sam Williams and son, Otto, were in the city Monday shaking hands with friends and looking after business. They ranch about 25 miles east of Eldorado.
The Dallas Journal was advertised One Year By Mail: \$2.95.
Miss Jeanette Henderson was home for the week end from San Angelo Junior College.
Hoover's Drug Store advertised two tubes of Dr. West's Perfect Cleansing Tooth Paste priced 37c.

COW POKES

By Ace Reid

"Well, we're jist in time to see the Wild Cow Milkin' Champion practicin'!"

Another Letter Of Appreciation Received

—from Comanche, Tex.
Dear Mr. McDonald (And all members of the Eldorado Band)
Just this past week end my wife and I had the opportunity to chaperone some 28 members of the Comanche High Band to a small West Texas town by the name of Eldorado. We took this job with some misgivings because we felt that a town this small or one a great deal larger could not handle the great number of music students that could be expected at the All-Regional Band Contest.
My reason for sending you this letter is to let you know what a great surprise was had in store for us. We had hardly arrived in town when all of our students were whisked away by very willing band students to private homes of a group of your fine citizens of the area who certainly made an indelible impression on each of the students. We only hope that we were able to make the same impression.
Even though as chaperons we had very little to do after the fine breakfast that was served to us by the men of the First Baptist Church, it was a great pleasure to watch your students turn to and help in all ways to make it a great regional meet. Also the great number of women who worked in the concession stand and cafeteria, I am sure that there were just as many ladies working on the outside.
Your School Officials, your Band Parents and your Band Students and all of your fine citizens are to be congratulated on a job well done.
Eldorado may be a small town in population but for a town with a heart it will have to be classified as one of the largest.
Thank you again for the wonderful hospitality and I hope we might have the opportunity to return same. —Very truly yours, Albert A. Brannan.

Jr. Eagles Participate In Sonora Tournament

The Jr. High Eagles won their first game with Comstock 39-24. Leading scorers were Archie Nixon with 15, Billy Dock Hubble with 12, Ricky Mann with 6, Hunter

Henderson with 4, and Kenneth Hight with 2. Assisting were Tom Hartgraves, Oscar Martinez, Mike Mikeska, and Ricky Griffin.

The boys lost their second game, 20-30, to Sonora. Scorers were Archie Nixon with 8, Oscar Martinez with 5, Hunter Henderson, Billy Dock Hubble, and Tom Hartgraves all with 2, and Ricky Mann with 1. Assisting in this game was Ricky Griffin, Mike Mikeska, Kenneth Hight, John Rae Powell, and John Rosford. The big difference in the game was at the foul line as Eldorado hit 4 of 8 while Sonora hit 10 of 25. Nixon sat out the 2nd quarter with 4 fouls and played the last half under the pressure of have four. Hubble fouled out with about 2 minutes left in the game.
Archie Nixon was selected to the All Tournament Team.

Junction Game

The Jr. High Eagles defeated Junction 36-30 here Monday night. Leading in points were Archie Nixon with 17, Ricky Mann with 9, Billy Dock Hubble with 4, and Oscar Martinez with 6. Tom Hartgraves and Hunter Henderson did a good job of defense and ball handling. It was one of the best performances of the season for the Eagles.
The boys led most of the game, but fell behind in the 3rd, 21-23, quarter with a three-point output while Junction was scoring eight. They took the lead back early in the 4th quarter and never lost it again although the score was tied at one time, 28-28. The Eagles hit for 15 points in the final period on 6 field goals and 3 free shots as Nixon scored 10 points.

Hardeman

(Continued From 1st Page)

West Texas and the state is well known. He sponsored legislation providing that landowners, acting as agents for the state, shall share in bonuses, delay rentals and royalties from the leasing of mineral classified land for sulphur. This same policy in leasing of such lands for oil and gas has contributed to the more than \$700 million in the Permanent School fund. Hardeman sponsored the Medicaid bill (S.B. 2), extending Federal Act Title XIX benefits to all eligible recipients within the state.

"Adequate salaries for state employees and school teachers," Hardeman said, "are essential to retain experienced and qualified personnel, as well as necessary to protect the investment the state now has in their training and experience." He will continue to work for the establishment of Permian State College and for the creation of dental and medical schools in the West Texas area. He was successful in passage of the bill providing for a Regional College District for the Permian area.

"I am disturbed by the threat to the security of our homelife and streets by increasing crime," Hardeman said. "We must tighten the halter on professional criminals and those who advocate violence in our streets." The expansion of Mental Health and Mental Retardation programs also have been of great interest to Hardeman. He said he considers water development and the public health projects of air and water pollution among essential developments necessary for the state's economic growth and well being.

"It is clear that we must continue to support improvements in these areas and in promotion of tourism which," the Senator said, "has become a billion dollar a year industry in Texas. I feel development of park areas, and recreational facilities, together with restoration of forts and historic sites, are highly important to a successful tourism program."

Hardeman said he will continue the principles of government which have guided him as a lawmaker:

"To give the people the services they need and require at the least possible cost; and to operate the government economically and efficiently."

Susan Hill

(Continued From 1st Page)

designed silver charm to mark her local achievement.

A state Homemaker of Tomorrow will be selected from winners in high schools of the state in the program's next step. She will be awarded a \$1,500 scholarship with a \$500 award going to the runner-up. The school of the winner will be given a set of Encyclopaedia Britannica, by Encyclopaedia Britannica, Inc.

Following her selection, the State Homemaker of Tomorrow, along with a school advisor, will join winners and advisors from each of the 49 other states and the District of Columbia in an expense-paid educational tour of Washington, D. C., Colonial Williamsburg, Va., and Minneapolis, where the trip will climax with naming the 1968 Betty Crocker All-American Homemaker of Tomorrow.

Chosen from the state winners on the basis of her original test score; plus personal observation and interviews during the tour, the winner will receive a scholarship increased to \$5,000. Grants of second, third, and fourth ranking girls in the nation will be raised to \$4,000, \$3,000 and \$2,000 respectively.

All judging is conducted by Science Research Associates, Chicago. The educational testing and publishing firm also constructs and grades the written test.

Started during the 1954-55 school year, the Betty Crocker Search for the American Homemaker of Tomorrow is designed to emphasize the importance of homemaking as a career. Almost 6 million girls have participated in the program since it began, and, with 1968 awards added, scholarship grants will approach \$1.5 million.

Lum Davises Attend Jan's Graduation

Commerce, Tex.—Winter commencement ceremonies were held at 10:00 A. M. Tuesday, January 23, 1968 at East Texas State University. Among the 343 students presented degrees was Jan Davis Dismuke, daughter of Mr. and Mrs. Lum Davis. Degree candidates received their diplomas from East Texas President Dr. D. Whitney Halladay.

Jan received a baccalaureate degree in the school of Arts and Sciences, in the department of Home Furnishings Merchandising and Interior Design Emphasis. Jan has been on the dean's list and graduated with a 2.3 on a 3-point system.

Mr. and Mrs. Davis attended the commencement from here, and returned last Wednesday.

Post Script

Boy Scout Week—Feb. 7-13 For All Boys

The oft-repeated statement that Scouting is for ALL boys is a declaration of purpose and a challenge to all Scouters.

Scouting's founder, Baden-Powell deliberately chose a mixture of boys for his experimental camp on Brownsea Island in 1907. Half were sons of friends, naturally enough, but the rest didn't have their advantages of social position, education or wealth. For that day, this was nothing short of radical. But it worked. Apparently the well-to-do boys learned as much and had every bit as good a time as their camp mates from humbler backgrounds.

If anyone was astounded by this, it certainly was not B-P. He had always suspected that there is less difference among boys than people think. And he knew that a good leader with a fascinating program can always attract and hold the attention of boys while he works to influence their lives.

The world has changed since 1907, and boys have changed, but the world still seems to want sound minds in sound bodies, men of integrity in positions of responsibility, straight-minded men to guide the young and men of character as well as ingenuity creating our consumer goods and devising our defenses. We still regard discipline as superior to regimentation, cooperation preferable to coercion, education the alternative to ignorance. We prize freedom and justice and want them for all.

Further, we don't expect these good things to exist only for an elite. We feel they apply to every economic and social group in our country; and we stretch out our hand to extend them to our brothers elsewhere. If these are ideals that must be made to seem desirable, if they result from things that can be taught, then we must be about the business of demonstrating their desirability and teaching them, everywhere, now.

We can't afford to wait until a boy comes to us to learn. He may come too late or not at all. He will come and he will stay only if what we have to offer is attractive and enjoyable.

The genius of Scouting is that

we don't offer to develop a boy's character—we offer him excitement, adventure, companionship, and achievement. But we must OFFER them to him personally, if possible. Otherwise he may not think we're talking to him. He may think Scouting is for the other guy, not for him. And, then, of course, it won't be.

Baden-Powell proved Scouting could cut across the rigid class lines of his day before he went ahead with it. He lived to see it cut across the boundaries of countries and continents. He saw it as a means to world brotherhood, a force for good in the lives of nations as well as the lives of individuals.

Scouting can do these things, he thought. To maintain the vigor of its past, to merit the strong support of its host of volunteer leaders and the communities in which they work, to fulfill the glorious vision of enriched individuals linked in bonds of world brotherhood—Scouting must be for ALL boys.

It is a pleasure to salute all Boy Scouts and their leaders at the approach of this 1968 Boy Scout Week, and the 58th anniversary of the founding of the movement.

What will they think of next? Barbed wire is now an item of historic interest, with several associations devoted to the collection of the various types of wire that fenced the ranges decades ago.

Now comes a Fort Worth jewelry store that takes 7-inch lengths of six different types of collector's barbed wire, plates them with 24-K gold, puts them in boxes and sells them as gift items called Swizzle Stix. They can be used for stirring mixed drinks or that long-time Texas favorite, iced tea. To say the least, they would be "something different".

These bits of wire are billed as "genuine collector's items, many pieces 40 to 50 years old, that once fenced Texas ranches."

Rusty Gibson, who owns and operates his Southwestern Fence Co. here, is a collector of barbed wire.

DESK-SIZE BLOTTERS: Red, Blue and Green. 20c each at the Success office.

Eaglettes Lead Dist.

The Eaglettes took control of the East Zone 8-A with a hard-fought 54-50 victory over Menard in Menard Tuesday night.

The Eldorado girls took an early 8-2 lead then 10-6 at the end of the first quarter; however, a cold spell from the floor saw Menard go ahead and hold a 24-20 half-time margin. Eldorado hit a poor 18% from the floor during the 1st half but managed to come back during the third quarter and stay on even terms but still were behind 36-40.

As the fourth quarter opened it seemed to be a new game as Eldorado began to click and 18 points to 10 for Menard. However, Libby, Chris and Sherry were all playing with four fouls and Menard was trying to eat up the clock. The Eaglettes responded to the pressure and came on to tie up the game at 46-46 then take a 1-point lead.

A mistake by the Yellowjackets added 2 more plus a free shot and Eldorado was ahead 50-47 then 51-47. Free throws saved the day as Eldorado controlled and went to the line three times more and made it 54-50. The Eaglettes won the game on free throws hitting 24 of 35 for 70% as both teams hit 15 field goals.

The effort by each girl saw the victory made possible because it took every rebound, field goal, and free throw to win it. Susan Mobley hit 24 points which included 14 of 18 free shots, Susan Hill added 19 points as she hit 9 of 11 free throws. Libby hit below par making only 6 but her 11 rebounds assisted shots by the other forwards. Stella Hubble came in and hit a driving left-hand hook in the third quarter when it was desperately needed and in the second quarter Arlene Hartgraves came in to score 3 points to keep the green within reach.

Defensive chores were handled by Chris, Sherry, Donna Davis, and Lisa Whitten. Over-all they did a good job but each hopes to improve in holding Menard to less scoring the next time around.

Chris, Sherry, and Donna had 9 rebounds each.

It was an exciting game requiring a team effort. It was the team's 14th consecutive win and 21st of the year. This puts the team 2-0 in east zone play.

Eaglettes Take District Win Friday

The Eldorado Eaglettes took their first district 8-A east zone win last Friday night in Eagle Gym by downing Junction 68-30.

The green and white offense was potent as Arlene Hartgraves hit 17, Libby Preston and Susan Mobley 16, plus 12 from Susan Hill, Dale Montgomery and Stella Hubble had 4 and 3.

On defense the story was about the same as usual, too much Sherry and Chris plus very able assistance from Donna Davis, Randy Yates, Lisa Whitten, Billie Gayl Blaylock, and Shirley Hubble. The two leading guards brought down 12 rebounds each.

The team hit a very respectable 40% from the floor and continued to hit very well from the free throw line getting 20 of 28 for 71%.

Eldorado took a quick 17-3 lead and by half-time had rolled up a 37-11 margin. The third quarter stood 5-22 before the final total. This marked the 20th victory of the season for the Eldorado girls.

Oil News

Tisdale Wildcat Slated

Tucker Drilling Co., Inc., San Angelo, will drill the No. 1 Albert Tisdale, et al, a 6,350-foot Strawn lime wildcat in Schleicher county, 11 miles northeast of Eldorado, 3 5/8 miles east northeast of the one-well Baugh (Strawn) field and 1 3/4 miles south and slightly west of the one-well R. E. G., South (Strawn) field but separated by Tucker's No. 1-A Tisdale, a 6,215-foot failure.

The project spudded Sunday with a company rig. Casing (8 5/8 inch) was set at 544 feet.

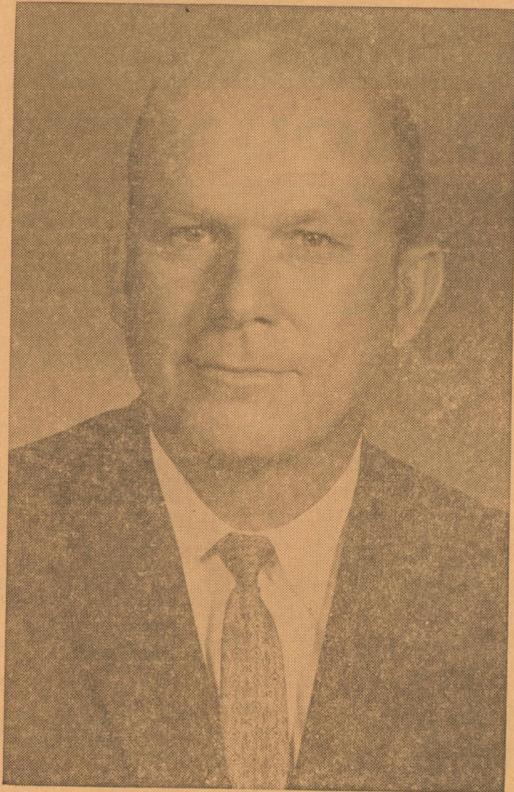

Location is 467 feet from the south and 1,795.0 feet from the west lines of 23-M-GH&SA, Abst. 1318.

It is also 1 1/8 miles north and slightly west of Tucker's No. 1 Baugh-Spence, a 6,215-foot failure, abandoned May, 1966.

The No. 1-A Tisdale, abandoned Nov. 22, 1967 tested through perforations at 5,987-91 feet. It flowed gas at the rate of 12 million cubic feet and surfaced oil, no gauges, on a drillstem test at 5,965-95 feet, which recovered 370 feet of 44 gravity oil, 395 feet of heavily oil-and-gas-cut mud and 540 feet of salty sulfur water. A subsequent test at 6,067-76 feet recovered salt water.

Alexander was born in Sandia, a small South Texas town. He was reared on the Texas Gulf Coast, Southwestern New Mexico, and West Texas where his father worked in the oil fields. He graduated from high school at Sundown, Tex. He is married to the former Rita Roberson of Stephenville and they have three children: Ann, 16; Barbara, 10; and Paul, 3. They are members of the Crescent Park Baptist Church in Odessa.

Ector Co. Republican Commissioner To Run For Congressman, 21st Dist.

JACK ALEXANDER

Ector County Commissioner Jack Alexander of Odessa, announced Saturday he is a candidate for the Republican nomination for the 21st District congressional seat now held by O. C. Fisher.

Alexander, 43, pledged to "wage an all-out campaign to meet as many people as possible in the coming months. This is a big district, but I plan to cover it thoroughly to discuss the issues directly with the people.

"I know people are concerned about the war in Viet Nam, inflation, higher taxes, low prices for many agricultural products, the climbing crime rate and many other problems.

"The Democratic Administration has demonstrated it is unable to deal with these problems effectively. It's time for new leadership," Alexander stated.

Alexander is serving his second term as commissioner. He was the first Republican elected in Ector county when he ran in 1962 and re-

ceived 52% of the vote. In 1966 he was re-elected with 64% of the vote.

A Navy veteran of World War II, Alexander is a petroleum engineering graduate of Texas A&M. He was an engineer for oil companies in West Texas until last year when he became a sales representative for an investment firm.

In 1965 he was awarded the Engineer of the Year award by the Permian Basin Chapter of the Texas Society of Professional Engineers.

Alexander was born in Sandia, a small South Texas town. He was reared on the Texas Gulf Coast, Southwestern New Mexico, and West Texas where his father worked in the oil fields. He graduated from high school at Sundown, Tex.

He is married to the former Rita Roberson of Stephenville and they have three children: Ann, 16; Barbara, 10; and Paul, 3. They are members of the Crescent Park Baptist Church in Odessa.

Eaglettes Try Wildkits

This Saturday night the Eaglettes both B and A teams will go to Del Rio to take on the Wildkits of Coach Ray Nichols. Eldorado played Del Rio in the season opener in Eagle Gym and beat the Class AAA school 57-31 with everyone getting in the game. The Del Rio team has improved with the season and naturally will play better in the confines of their home court.

Game time for the "B" game is 6:00. The "B" girls also hold a previous victory over the Del Rio "B" team and will be seeking their 10th victory of the season against one loss.

The varsity Eaglettes will be seeking their 22nd win of the season.

EAGLETTES TO JUNCTION

The basketball team goes to Junction Tuesday night to try for their third district win. The Eaglettes hold a previous victory over Junction but their leading scorer played only briefly due to injury. It should be a much tougher battle in their gym with district riding on the outcome.

Eldorado-Divide Soil Conservation District News

Farmers and ranchers of today have many things in common with the farmers and ranchers of long ago. One of the main concerns of farmers and ranchers has always been good crop production. To produce good crops there has always been some things that must be done.

The use of the land according to its capabilities and treating it according to its needs, has always assured the farmer of the best production attainable from his land. The misuse of the land has always resulted in low production. Continued misuse can eventually result in such low production that farming ceases to be economical.

Farmers in the Eldorado-Divide Soil and Water Conservation District are concerned about what the crop yields for 1968 will be. In addition to being concerned about this year's crop yields, wise farmers will be concerned about good yield for years to come. Not only will the wise farmer be concerned about good yields, but he will also be doing the things necessary to attain this good yield.

One of the important rules that must be followed on all agricultural land, is using the land according to its capability. This is something that should be determined before rangeland is converted to cropland. One of the best tools available in making this determination is a good soils map. Very shallow soils on steep slope would be of a capability not suitable for cultivation. However, very shallow soils on steep slope would be capable of supporting good range grasses.

Treating the land according to its needs is the next item of importance, following using the land according to its capability. Treatment needed on cropland can be determined by making use of a good soils map.

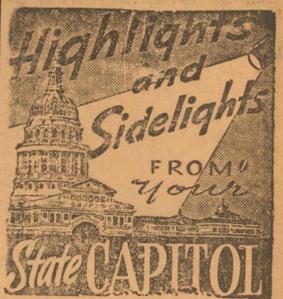

Soil, water, and plant conservation practices that can be applied now and affect this year's crop yields, are: contour farming, terrace construction, construction and maintenance, crop residue use and crop rotation. In addition to these practices, cover crops, soil improvement and cotton burs and soil improvement and cover, can be applied in 1968 and will affect yields for years to come.

Each farmer in the District who is interested in attaining the best yields possible on his land, should take a good inventory to determine if all the needed soil, water and plant conservation practices seeded on his land have been applied and are being maintained. The application and maintenance of these needed conservation practices is the only way that maximum potential yield can be attained.

Cropland is usually in good condition when first put in cultivation. However, the treatment of the land before it is put in cultivation affects the condition of the soil and could cause it to be poor. Soils that have been protected by a good grass cover at all times, up to the time they are put in cropland, are in about as good a condition as possible. The elements that cause new cropland to be in good condition begin to be depleted when the first crop is grown on the land. The degree and rate of depletion is governed by the crop or crops that are planted continuously.

Soil condition and fertility has been compared to a bank account. If a bank account is drawn on without depositing more in the account, it continues to decrease and eventually there will be nothing left to draw from.

Numerous crops can soon be planted for soil protection and improvement. Small grains, grain sorghums and legumes have been used in this area and good benefits attained. Guar and field peas are the two summer legumes that can be used. The legumes normally add more nitrogen to the soil than non-legumes.

Austin, Texas.—Political candidates have only a few more days to make up their minds whether they are going to have a share of the action in the slam-bang 1968 races.

Already the governor's column is jammed with impressive Democrats who include former State Rep. Dolph Briscoe Jr., former Atty. Gen. Waggoner Carr, Secretary of State John Hill, former U. S. Deputy Ambassador to Vietnam Eugene M. Locke, radio executive Gordon McLendon, insurance executive Pat O'Daniel and Lt. Gov. Preston Smith.

Briscoe is from Uvalde. Carr and Smith are from Lubbock. Hill is from Houston. Locke, McLendon and O'Daniel are from Dallas.

Republicans promise a candidate or two for governor—maybe three—in their own primary. Already announced is Dallas Attorney John Trice.

While the spotlight will be on the Democratic governor's race in the May 4 primary, there will be action in the lieutenant governor's contest also where House Speaker Ben Barnes faces opposition from State Rep. Don Gladden of Fort Worth.

Court races have brought forth the following candidates:

For Supreme Court (Place 1): District Judge Sears McGee of Houston and Associate Justice Matt Davis of the Texas Court of Civil Appeals. (Place 2): District Judge Tom Reavley of Austin and Chief Justice James G. Denton of the Amarillo Court of Civil Appeals.

For Court of Criminal Appeals: Judge W. A. Morrison, incumbent, and State Attorney Leon Douglas of Austin.

Industrial Award Proposed

Until February 5, Texas Industrial Commission is accepting nominations for "The Governor's 1967 Industrial Expansion Award."

Nominees should be 1966 manufacturing concerns that expanded in 1967 to the economic benefit of the community at large.

Another point may be won by showing that the nominees contributed to civic and community betterment in 1967. Award will be presented during the Governor's Conference on Industrial Expansion in Austin's municipal Auditorium on April 3.

Medical/Dental Schools Needed

At least one and maybe two new medical and dental schools should be authorized by the Legislature next year, according to the Legislative Budget Board.

Higher Education Commissioner Jack K. Williams reported need for one new institution in each category.

Lt. Gov. Preston Smith said at least two each should be authorized.

Higher Education Coordinating Board has favored putting a medical school in Houston and a dental school in Dallas. Texas Dental Association favors San Antonio for the dental school since a medical school already is there.

LCB/DPS Merger Proposed

Former Attorney General Waggoner Carr, now a candidate for governor, suggests merging the Texas Liquor Control Board with the State Department of Public Safety.

In speaking at a Junior Chamber of Commerce banquet here Carr said he learned to respect the LCB and its agents when he was an assistant county attorney in Lubbock with the job of helping to enforce liquor laws. Carr says LCB agents are the "step-child" of other law enforcement agencies, and are paid less than other officers. He contends they need higher pay and better state transportation and this could be accomplished by merging the two agencies.

Short Snorts . . .

Texas retail sales boom continues into its 8th year, with 3% gain reported last year over 1966. State Treasurer Jesse James has filed for his 14th term.

Ground has been broken for new multi-million-dollar state finance building in the Capitol complex.

The American Party has opened Austin headquarters, naming Geo. Wallace of Alabama for President. A magistrate must appoint an attorney for an indigent brought before him if the accused requests it, says Atty. Gen. Crawford Martin.

Parks and Wildlife Commission will hold its regular quarterly meeting in Austin at 10 a.m. on February 13.

8:15 a.m. Sundays

THE BIBLE SPEAKS TO YOU

For Boy Scout Facilities . . . No Longer In Use . . . Depression Year '33 Saw Cornerstone Laid And Dedication Of Facilities

It was in 1933, a generation ago, that Boy Scout facilities on both the council and local levels came into being with laying of the cornerstone for the large stone Yates Hall at Camp Louis Farr near Mertzon, and the dedication here of the Scout hall near the school.

The following accounts from the period, printed in the Success, give further details:

Cornerstone Laid At Scout Camp Louis Farr

Some 2,000 people witnessed the laying of the cornerstone at Camp Louis Farr, Sunday afternoon at Mertzon, in memory of the late Louis Farr, Mrs. Farr, Ira G. Yates and Fayette Tankersley were central figures of the program. The Camp is dedicated to the Boy Scouts and Camp Fire Girls of the State of Texas, Oklahoma and New Mexico. Messrs. Farr, Yates and Tankersley were life-long friends and cowboys of this section of Texas, and have played a fair part in the bringing of civilization to West Texas.

Quite a few went from Eldorado to witness the program and take part in the event and all are of the opinion that it was a great day to be long remembered by the Boy Scouts that were present. The DeMolay Band of San Angelo furnished music for the occasion. A council-wide court of honor was held under a big grove, after this or at this program awards were given the Scouts according to their standings. Many civic organizations were represented and addressed the crowd.

Climax of Ceremonies

The climax of the ceremonies was next witnessed when Mrs. Louis L. Farr, Ira G. Yates and Fayette Tankersley placed their tokens in the cornerstone. Mrs. Farr's token was a Masonic watch charm which was prized very highly by the late Louis Farr. It was given to Mr. Farr by his mother and was engraved with his name. Mrs. Farr then spread the first trowel of mortar for the laying of the cornerstone. Mr. Yates and Mr. Tankersley also spread trowels of the white mortar.

Fred Smith and a crew of expert rock masons then laid the cornerstone while the DeMolay Band played a stirring march.

To-the-Colors ceremony was then held by all the Scouts in camp. The band played Star Spangled Banner and Bugler Bill Erwin played Colors as a picked guard from Sonora carefully took down the American flag.

Following this several picnics and barbecues were held by troops and visitors from the various towns of the Council. A group of Irion county citizens honored the Farr, Tankersley and Yates families at a large barbecue held near the famous Tankersley Springs. —from The Success, Aug. 25, 1933.

Scout Hall Dedicated

Last Thursday night the new Scout Hall held its dedication service at the Hall. Several out of town visitors were present for the service among them being Houston Harte, publisher of the San Angelo Morning Times, who is also president of the Council. The services were opened by Prayer by Rev. Frazier, which was followed by singing of America, led by R. L. Parish.

The local Scouts then put on some demonstration work showing the arts they had accomplished since they became Scouts in tying knots, signaling, first aid and other Scout activities.

A deed from the Eldorado Townsite Company, who donated the lot to the Scout Organization, was presented to Houston Harte for the property at the closing of the service. Don McCormick is the Scoutmaster and Judge J. A. Whitten one of the local directors, assisting him in promoting the Scout work, assisted by others including

the local Lions Club.

The following Scout awards were made:

Tenderfoot badges were awarded to Banning Wade, James Sample, Willie Bridges, George Williams, Jr., James Tisdale and Jack Jones.

Second Class badges were awarded to Jim Tom Roach, T. C. Casey, A. J. Friess, M. C. Laird, Bob Bradley, Dan McWhorter, John McWhorter, J. T. Billew, Hugh Craig, Jack Rane, Charles Ratliff, and Patton Enochs.

Sonora boys who received badges were: Lloyd McGhee, Reginald Trainer and Kenneth Babcock.

Trainer received a star scout badge and Babcock life scout rank.

In addressing the people present Mr. Hart said, "That if San Angelo had as much money per capita invested in Boy Scout plant as Eldorado it would have to spend \$50,000 and that Dallas would require \$600,000 to be adequately provided for. He said that character was the one thing that was most needed in modern life, and that all the agencies of the government were incapable of providing this essential element of manhood. He said the Boy Scout movement was a character building enterprise and that Eldorado and Schleicher county would receive benefits for years to come from the boys who are now and will be trained here." —from The Success, Oct. 13, 1933.

And Now Today . . .

It is interesting to note that neither of the foregoing facilities is in use any longer for West Texas Scouting.

Camp Farr was the only camp that the 17-county Concho Valley Council had for some years following 1933; the council headquarters then were located in City Hall in San Angelo. The council subsequently acquired Camp Fawcett near Barksdale and more recently Camp Sol Mayer near Fort McKavett. Camp Farr near Mertzon has not been in use now for about a dozen years. The large stone dining hall, for which the cornerstone was laid 35 years ago, is now a crumbling monument to the earlier era, and is in a bad state of disrepair.

The Scout Hall which was dedicated here in 1933 just south of the elementary school remained in use by the Scouts until about 1950. At that time the school acquired it and it was used for many years afterward as the Band Hall, until the new Band Hall was built a while back. The building is now used mostly for storage by the school.

Since 1950, the local Boy Scouts have used their building in north-eastern Eldorado, near where the public housing units have just been built.

PAR-TEE

Everybody seemed to enjoy the Bingo game Saturday night! We had about 65 players and I believe all families won at least one game (except the W. L. Kinsers and the Jack Hexts). Guess that is a pretty good percentage of winners tho. The session was so successful that the finance committee, headed by Dick Preson, has decided to make this a monthly affair. The bingo night will be the fourth Saturday in each month at the Memorial Building at 7:30. So mark your calendar and be ready to play on February 24th. This next session (Feb. 24) we will have a surprise bingo deal so make your plans now to be a part of this SURPRISE.

The business meeting of the El Dorado Golf Club was called to order by President, Ralph Waldron at 8:30 p.m. It was determined that a quorum was present. Carroll Ratliff read the proposed constitution and by-laws. A motion

Shown last Summer as they prepared to leave for the Canadian Canoe Trip with other older Scouts from the Concho Valley Council are Bobby Sykes and Keith Williams. Later they earned Eagle Scout rank.

was made and seconded that the constitution and by-laws be accepted as presented by Mr. Ratliff. Motion carried. It was also voted to have the annual business meeting for the club on the last Thursday in March of each year.

The nominating committee appointed by the chair is as follows: J. C. Ratliff, chairman; and Dick Preston, Delbert Taylor, Bob Bland and Granvil Hext. This committee will give a report at the March 28th meeting and officers for 1963-69 will be elected on this date.

Mr. Waldron gave a brief report of the club's activities for this year and there being no further business the meeting was adjourned and there being no further business the meeting adjourned, and the second session of bingo began.

There were only four women playing golf this past Thursday afternoon—regular ladies day. The weather was good—a little windy—and the game a little good and bad. You ladies don't forget to come out this Thursday at 1:00

p.m. and let's try to improve our game a bit. —Rep.

School Menus

MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

Scratch Pads—40c Lb.—Success

The goal of Texas Farm Bureau members in forming their own insurance companies was to provide members with the best insurance available, at the lowest possible cost. This is still true today and now members have all lines of insurance available from their own companies.

The job of providing this service is big today. The people necessary to keep pace with Farm Bureau growth are increasing. The companies now have 41 men around the state to handle the claims of members. As agriculture changed, it became important to have trained specialists to oversee

some of the complex insurance needs of members, we have added 13 Field Underwriters to do this.

The Agency force, full time dedicated men who contact members about their insurance needs, has grown also. These 20 years have seen this group increase from 11 to 275.

The Texas Farm Bureau is a membership organization dedicated to preserving the free independent way of life for the Texas farmer and rancher. Southern Farm Bureau Casualty is proud to be a part of this and proud of its 20 years of helping Texas grow through Agriculture.
