## Eagles to Host 14th Annual Plateau Relays Here Saturday

SPRINT RELAY TEAM: Paul Page, Keith Williams, Wayne Doyle, and Bob Page.

MILE RELAY TEAM: Paul Page, Bob Sykes, Archie Nixon, and Bob Page

### Post Script

NEW HOME OF THE HUGH KILLEBREW FAMILY

BOBBY KILLEBREW IN HER NEW KITCHEN

Mr. and Mrs. Hugh Killebrew moved to Eldorado over a year ago with the opening of the new hospital. Mrs. (Bobby) Killebrew took over as head cook at the new institution and her husband became employed at Luna Davis Fina Station. Being a daughter of Mrs. Nellie and the late Bob McKee, the Killebrews obtained title to the old McKee place with its 18 acres on the old Sonora road and have been in the process of completely remodeling it for the past three months.

The family recently moved in and on Tuesday Bobby proudly showed us through the new modern home and allowed us to take the above pictures. It has four bedrooms and the largest kitchen you ever saw.

Construction, by an Angelo firm, was plagued by constant rains for the past three months, and they still have some tidying up to do in their yard.

Stopped by the hospital Tuesday to meet briefly with Dr. Julius Fechner. Found him to be a distinguished appearing person and very polite and courteous.

Incidentally the 'h' in his name is silent and he pronounces it FECK-NER.

### Jaycees And C of C Set Banquet April 4th

Members of the Eldorado Jaycees and the Chamber of Commerce have ordered tickets printed for the banquet to be given the evening of April 4th. They expect to have the tickets available and on sale by this week end.

Jim Reese, mayor of Odessa, will be the speaker at the banquet. The tickets will be sold for \$2.00 each.

### COLLISION MONDAY

Monday morning at about 9:00, David Blakeway and Slim Green collided their vehicles at the post office corner. Both vehicles sustained some damage and the mishap was investigated by Del Copeland, highway patrolman.

### IN CONTEST AT BROWNWOOD

In U. I. L. Contest for Soloes and Ensembles, held in Brownwood Saturday, Mr. McDonald's band students came out looking good.

Lisa Whitten, trumpet solo, entered in Class 1, received a 2. Gail Robinson and Brian Holsey, in Class 2, each received a First on their trumpet solos. Benjie Jay, in Class 2, also received a First on his trombone solo and the Trumpet Trio, composed of Lisa Whitten, Gail Robinson and Santos Pina Jr., received a First.

### RANCH CLASS VISITS HERE

The Ranch Class from Texas Christian University were visitors on the Henry More ranch early this week. They made a tour and were served barbecue.

They were accompanied by two instructors. In addition to Texas, the 19 boys represented the states of Colorado, Kansas, Florida and California. Also Brazil and Colombia.

### HOSPITAL PATIENTS DISMISSED BETWEEN MARCH 10 & MARCH 17:

Joe Wilson  
Juana Cardona  
Dee Shipman  
Sharon Luman.

### PATIENTS ADMITTED:

Tibba Powell  
Rosa Aguilar  
Carlos Trevino  
Lavita Brooks  
Sharon Luman.

### PATIENTS NOW IN HOSPITAL:

Helen Barnes  
Nellirene Williams  
Anna Faulk  
Maude Donaldson  
Carlos Trevino  
Lavita Brooks  
J. H. Emmons  
Robert Whitley  
Tibba Powell  
Rosa Aguilar.

### Absentee Voting Now Under Way In City Elections

Ballots for the city election were delivered this week and are now at the city secretary's office where they are available for absentee voting.

According to a posted notice the office will be open for this purpose from 8:00 a.m. to 5:00 p.m., five days a week from Monday through Friday. The April 4th ballot carries the following names:

For Aldermen (vote for 3):  
John Hodges  
Ted Short  
R. L. Waldron  
Edwin Martin Jackson  
S. C. Engdahl

Ballots were also printed last week for hospital and school elections. Except for possible write-ins, candidates on those ballots are all unopposed, but the school has provided for absentee voting in case anyone wants to—at Mrs. Mayo's office.

### Past Week Brings Variety Of Weather

On two separate mornings last week ice was found on water puddles and early fruit blossoms were killed.

Cold spells were followed by warm days with temperatures in the 70's.

Enjoying summer-like temperatures Monday we were warned to watch out for a norther which was on its way, and it came late in the day and continued into the night.

Tuesday—real warm again. What the rest of the week will be like is anybody's guess.

Weeks of this kind of weather has left the ground soggy with moisture.

### Attend Zone Meeting

A meeting of Lions Club officers from Big Lake, Sonora, Ozona and Eldorado was held Tuesday evening in Sonora.

Attending from the Eldorado Lions Club were Boss Lion A. G. McCormack; Pat Wester, secretary; and L. D. Mund and Bill Gunstead, vice presidents.

Discussed at the meeting were arrangements by the various clubs for membership development and retention, attendance and programs. Also the District Convention set in San Angelo April 24-25, and the International Convention coming up in Atlantic City July 1-4.

Ralph Havenhill of Big Lake presided.

A. E. Prugel of Sonora, current governor of District 2A-1, spoke to the group.

If you will be out of town April 4th, you may now vote absentee in the City Alderman election.

### Stage Band Presents Lions Club Program

Under direction of Eagle Bandmaster Wayne McDonald, the stage band presented several selections for the program at the meeting yesterday of the Eldorado Lions Club.

Guy Whitaker is program chairman for this month, and Boss Lion A. G. McCormack presided.

Next week, at the meeting on the 25th, Dr. Brame will give a presentation on the testing for diabetes.

### School Turning Out For Easter Holidays

Thursday and Friday of this week are the final school days before the Easter holidays which are set for all next week.

When school turns out Friday afternoon, students won't have to return to classes until Monday morning, March 30th.

Friday afternoon the elementary grades will have their Easter egg hunts.

Junior Class members are decorating the main room of the Memorial Building for the Junior-Senior banquet Saturday night.

### Nursing Home Notes

Mrs. Victoria Ohlenburg visited Saturday and Sunday with her dad, Tom Jones. Sunday afternoon she took T. K. and Mrs. Sam Jones and Mr. Orville Conner for a ride in the county.

Mr. and Mrs. Driscoll Christian of San Angelo were here to see her mother, Mrs. Lizzie McCalla.

Mrs. Estelle McConnell had as a visitor Mrs. A. Johnson of Sonora.

Mr. and Mrs. Cleve Jones came from Sonora to see Ollie Walker.

Mrs. Charles Williams of San Angelo visited her mother, Mrs. Pearl Bradford.

Mrs. Tessie Broadfoot of San Antonio was here to visit her mother, Mrs. Minnie Kyle.

Mrs. Hallie Parker's daughter, Mrs. Mills of Big Lake, helped her mother celebrate her birthday during the week.

Mrs. Martha Jones and Tom Jones were visited by Mr. and Mrs. Jimmy Martin and Molly and Mr. and Mrs. Stewart Williams of Abilene, nieces and nephews of theirs.

Miss Annella Stites and Mrs. Hutchinson of Sonora were here to see Mrs. Donna Stites.

Mr. Will Haines' daughter and son-in-law, the Dayton Capps of Sonora, were here Saturday.

Mr. Durhon's daughter and son-in-law, Mr. and Mrs. Doran of Sonora also were here Saturday.

Mrs. Winnie Davidson visited Mrs. Minnie Kyle.

Sunday, Mrs. Patsy Collins and three children of San Angelo were here to see Mr. and Mrs. Martin.

The First Methodist Church held church services last Sunday.

### Relays Set

The 14th annual Plateau Relays have been scheduled for this Saturday at Eagle Stadium with 25 teams competing for two championships. The Plateau Relays has grown to be one of the outstanding track and field meets in West Texas.

The large field of teams will be divided into two divisions. The class AA schools will all be in Division I. Teams entered in this division are Ballinger, Burnet, Brady, Coleman, Crane, Lake View, Llano, Marble Falls, Ozona, Reagan County, San Angelo (sophs), and Winters.

Some of the outstanding performers in this division will be two hurdlers from Winters; Alton Pierce in the 120 High Hurdles with a time of 15.1. Mike Mathis in the 330 I. H. who has a time of 41.6. Two fine high jumpers with Buddy Ward of Crane who has cleared 6' 3" and Willie Jones of Brady who has done 6' 2". Ozona also has a fine performer in Mike Haire who has run the 120 high hurdles in 15.1, and the 330 I. hurdle in 41.4. In the 440 yard relay Coleman has the best time with a time of 44.4. The favorite in this division will be Ozona being challenged strong by Coleman, Crane and Winters.

In division I teams entered are Bronco, Eldorado, Eden, Iran, Mason, Junction, Menard, Rankin, Rocksprings, Robert Lee, Sanderson, Sonora, and Well. Some top performers in this division are: In the 440 yard dash it will be a duel between Paul Page of Eldorado with the best time of 50.3. Kurt Miller of Mason who has a 50.6 and Mike Taylor with a 53.0. In the 330 I. Hurdles two boys should battle it out for first place, Robin Lee of Mason and Mickie Clark. Lee has a time of 42.2 while Clark has posted a 42.9.

In the 100 and 220 yard dash it should be Wayne Doyle and Keith Williams of Eldorado finishing first and second in each race.

Wayne Doyle has a 22.5 in the 220 yard dash while Keith Williams is close behind him in both the 100 and 220 yard dash.

Bob Page another Eagle draws the favorite role in the 120 High Hurdles. Bob has a time of 15.6 to his credit this year.

In the shot put it should be a close fight between Archie Nixon of Eldorado and David Wuest of Sonora. Both boys are hitting close to the 50-foot mark.

In the relays it should be Eldorado (44.3) in the sprint relay while in the Mile relay it could be Mason being challenged by Sonora and Eldorado. Mason has turned in the best time of the year with a 9:01.

The best Eldorado Eagles will be expected to win their division drawing a strong challenge from Sonora and Mason. Any of the

—(Continued On Page 5)—

**Clean Up Your  
MEDICINE CHEST  
12 Safety Rules To  
Prevent  
Accidental Poisoning**

1. Keep all medicines and household poisons (cleaning fluids and insecticides) out of the reach of children.
2. Never refer to medicine as "candy" to your child.
3. Read all labels carefully and follow directions.
4. Don't take a medicine prescribed for someone else.
5. Never increase the dosage or the frequency of a dose of medicine—unless your doctor suggests it.
6. Throw out the contents of all old medicine bottles.
7. Keep internal medicines in one cabinet and external medicines and poisons in another.
8. Do not place poisonous liquids in soda bottles.
9. Throw out all unlabeled medicines and containers.
10. Do not take or give medicines in the dark—when you may be sleepy.
11. Protect your skin when using insecticides, solvents or cleaning agents. Remember some products can be absorbed through the skin; use as directed.
12. If someone takes a potentially toxic substance in your home, call a physician immediately. Don't wait for symptoms to appear.

**Eldorado DRUG**  
For Your Health's Sake  
ELDON CALK, R. PH., Owner

**School Menus**

(All meals served with hot rolls and milk.)

Thursday, March 19: Swiss steak, buttered rice, blackeyed peas, cabbage & carrot & apple salad, fruit cobbler.

Friday, March 20: Fresh fish fillets, tartar sauce, cream style corn, stewed tomatoes with green beans, cookies.

March 23-27: Easter holidays.

Monday, March 30: Baked ham, pinto beans, stewed tomatoes, tossed green salad, canned fruit.

Tuesday, March 31: Fried chicken and gravy, creamed potatoes, Spanish style corn, congealed strawberry salad, banana pudding.

Wed., April 1: Hamburger, lettuce and tomato slices, corn chips, fresh fruit cup, peanut butter cookies.

Thursday, April 2: Lasagne casserole, mixed greens, cabbage & carrot & raisin salad, chocolate cake with fudge icing.

Friday, April 3: Tuna salad, hash brown potatoes, buttered carrot coins, stuffed celery, fruit cobbler.

**Unemployment Is  
On The Increase**

By U. S. Sen. Ralph Yarborough

This week let us talk about the distress facing the unemployed in this nation. Many Americans are faced with the fact they may well lose their jobs during 1970. The spectre of unemployment hangs over the table of millions of American families. An increasing number of workers have already lost their jobs.

The latest government figures show that in one month unemployment jumped nearly one-half of 1%. That was the biggest increase in the percentage and number of jobless people taking place in only one month in 9 years.

Today nearly 4% of the work force of the nation—and that means some 3 million, 400 thousand workers—are without jobs. The indications are this number will increase in the months ahead. The President's top economic adviser is saying that unemployment could go as high as 5% in some months in 1970. Other experts are saying unemployment could go higher—to 6 or even 7%.

Remember, the people counted in these figures are those who register with an official employment agency that they are out of work and want to find a job. There are many other people employed who are not registered with an employ-

ment agency.

These big layoffs are not coming yet in the white collar jobs. But they will come as more of the blue collar workers lose their jobs. Most of the layoffs up to date have been among blue collar workers and unskilled workers. Eight and one-half per cent of all unskilled workers are without jobs, are looking for jobs and cannot find jobs. That is 440,000 men and women in this one group.

The job layoffs are not isolated cases where one or two are laid off at one plant or maybe a half dozen at another. Whole plants are being shut down, including plants in Texas.

In January, I spoke to the men from the Ford Plant in Dallas. Nearly 2000 men jammed the hall where I spoke. They had just been told a couple of days before that Ford was closing its plant in Dallas. I saw in the faces of those workers the concern and the worry of men facing the prospect of unemployment and of looking for a job. Some could stay with Ford if they moved to another state to another plant, but many did not want to move away from Texas, and others did not have the choice. Unemployment figures become very real when you talk to the men like these.

The closing of the Ford plant in Dallas is part of a pattern across the nation. The Big Three auto makers have laid off 20,000 workers. Auto parts makers and smaller auto makers have laid off about that many more workers.

These layoffs affect more than just the worker who lost a job. In Dallas, the small businessmen around the Ford Plant are worried because they did most of their business selling to the workers and their families. Now they have lost those customers.

Some economists—even some high in the Administration—argue that there must be an increase in the number of unemployed if we are to put a stop to inflation. They ignore the fact that unemployment was kept down during the Johnson Administration, and that we did not have the runaway inflation as we have today.

**I Will Vote to Oppose  
Welfare Plan**

By Congressman O. C. Fisher

The Administration's new welfare plan will be debated in the House soon—probably before the Easter recess. While it will likely be approved, I plan to vote against it.

The new scheme would more than double the 10.1 million now on relief rolls, and would add, initially, some \$5-billion per year to welfare costs—which now exceeds \$20-billion, not counting private charity.

The chief innovation is a \$2400 per year guaranteed annual income for all families of four—whether they work or not. This figure includes \$800 in food stamps.

Sponsors theorize that somehow the plan would create an incentive for low-income people to harder, make more money, and rise above the \$2400 "subsistence" level. But experience with both the Kennedy and LBJ welfare programs has proved it simply doesn't work that way. It has been demonstrated that welfare begets welfare and, after a taste of it, people tend to become beholden to welfare as a way of life.

Moreover, we have also learned that welfare schemes are often saturated with politics. A guaranteed income, once on the books with approval of the concept, lends itself to demagoguery and vote-baiting. Signs of that are already in the works. President Nixon had hardly taken the wraps off his Plan when Senator Fred Harris, chairman of the Democratic National Committee, offered a bill to up the minimum to \$3600. Then came the radical ADA, calling for \$5500. Now, in the distance, we can hear the soothing call: "Who'll make it \$6000? And who'll make it 7?"

In any event, adoption of the income guarantee concept pushes the USA closer to the status of the total welfare state.

And—what about the taxpayers? And, also, what about the inflation caused by excessive federal spending?

All right-thinking people want to help the unfortunate who cannot help themselves. But welfare programs have a way of getting out of hand.

**Former Band Director  
To Oklahoma Job**

Glen Matthews, former director of the Eldorado Eagle Band, has accepted a position as band director at the Central Junior High School in Broken Arrow, Okla. He is currently bandman at Marlow, Okla.

His wife, Winnie, will teach in the elementary school at Broken Arrow.

Mr. Matthews had charge of the Eagle Band for four years, and left here about seven years ago. The Matthews have two children.

**Shell Men Honored Last Week At Safety Meeting**

Charles Adams, Ralph Waldron and Bruce Shipman were given awards as Chapter Safe Drivers.

Rancho Pipe Line held its Eldorado Safety Chapter Dinner Meeting in the Lions Club room of the Memorial Building Wednesday evening, March 11th, 1970.

A Certificate of Achievement was presented to the group for the district's safety record, having completed prior to Jan. 1, 1970, 92,342 safe work hours since the last disabling injury on the job. Chapter safe drivers thru 1969

recognized with awards were C. W. Adams, 15 years; W. B. Shipman, 13 years; R. L. Waldron, 10 years, and C. E. Biddle of Junction 10 years.

Honored guests were Mr. and Mrs. Ben Hext. Out of town guests were Mr. and Mrs. W. J. Grillo, division manager; Mr. and Mrs. T. E. Green, District Supt.; and J. E. Fairweather, Safety Representative, all of Midland, Texas.

**IF WE KNEW —**

**— THAT JESUS WOULD COME TONIGHT**

The churches would be filled with praying people immediately.

The shows, Beer Joints, Dance Halls, Gambling Dens, and other godless places would be emptied.

There would be no more ball games, picture shows, or other worldly affairs.

Cursing, swearing and vulgar language would stop.

There would be no bean suppers or hamburger fries in the churches tonight.

Women would wash the pain off their faces and put on enough clothes to be decent.

Beauty Parlors would have to shut their doors, for no one wants to look like a clown when they meet Jesus.

Men and women would throw their tobacco away and no more would be used.

Parents would burn up the filthy literature, cards and other devilish trash out of their homes.

There would be no petting parties by the roadside or in the homes.

No one would have to be begged to take part in the Lord's work, for all want to be busy when He comes.

There would be no lies told, nor any excuses made for not doing our duty to God.

People who had been holding grudges would be running around trying to get forgiveness of their fellow man.

The old long-tongued gossips would stop their devilish lying and start begging God for mercy.

Modernistic preachers would hunt frantically through their notebooks for a sermon on real salvation and would hurriedly burn their godless, modernistic sermons and books.

"Eternal Security" preachers and believers would suddenly decide that they were not so secure and would start begging God to forgive them for sending so many souls into hell.

Compromising, holiness preachers would suddenly realize how wrong they were and begin to beg God to save them.

Television sets would be shut off and an effort made to get rid of

them before the Lord arrived. Merchants would be swamped with calls from those who wanted to pay old debts and clear up unfilled obligations.

Churches would be flooded with money as delinquents sought to pay up their tithes and offerings which they had withheld.

Men and women who are living in adultery with one of the opposite sex would suddenly desert them in an effort to clean up their immoral life.

Refrigerators would be emptied of beer, wine and everything else that comes under the condemnation of God.

The few hours left before the arrival of the Lord would be a "Heaven on earth" as everyone sought to do just exactly what they thought the Lord would have them do.

Poor families would be fed; sick people would be comforted; jails would be visited; those in trouble would receive help; as all would seek to meet God's requirement of "inasmuch as ye have done it unto me I will do it unto you."

Well, Jesus is coming, Brother, and we don't know how soon. If you do not want to be doing these things when He comes, you had better quit them now. We had better "cleanse ourselves of all filthiness of the flesh and spirit perfecting holiness in the fear of the Lord." (2 Cor. 7:1) for Jesus gave His life for the church "that He might sanctify and cleanse it with the washing of water by the word, that He might present it unto Himself a glorious church, not having spot or wrinkle or any such thing, but that it should be holy and without blemish." Eph. 5:27.

Matt. 25:13 . . . Watch therefore for ye know neither the day nor the hour wherein the Son of Man cometh."

The United Pentecostal Church of Eldorado invites you to attend and learn of soul salvation which comes by being baptized in Jesus' name and receiving the Holy Ghost.

—Rev. W. L. Ford

**Reynolds H.D. Meets**

The regular meeting of the Reynolds Home Demonstration Club was held on March 10 in the home of Mrs. W. V. Lux. We had 13 members, one visitor Mrs. Cora DeLoe of San Antonio, and our agent, Mrs. Kreklow, present. Our president, Mrs. Jack Wade, called the meeting to order at 2:00. Roll call was answered by each lady giving her idea of the greatest need of Schleicher county.

After the business meeting, Mrs. Kreklow gave us a lesson on Awareness. The lesson being that we should have more empathy for people and be more aware of their feelings and needs. So let us be less critical and more understanding. Our next meeting will be in the home of Mrs. Virginia Bruton on April 14th. —Mrs. Cecil Williams.

Our club contributed 100% to

**Are you going to  
go through another year  
thinking you can't afford  
an Oldsmobile?**

Our own surveys indicate that quite a few people think an Oldsmobile is out of their reach. They think it costs a lot more than it really does. Result? Many people buy an ordinary car and end up with a lot less car and value for their money.

It's so unnecessary, too, because Oldsmobile has many models that are priced right down with the so-called low-priced cars.

So why settle for the ordinary when you can step up to an Olds and all the value

that an Olds represents. Take this big, exciting Delta 88, for example. It starts out with a surprisingly modest price. Add to this the features that make it such an outstanding value—extras that are included in the modest price:  Regular-gas Rocket V-8  Power Steering  Power Brakes, front discs  Nylon-loop carpeting  Bias-Belted Tires  Door Side-Guard Beams  Hidden Radio Antenna  Flo-Thru Ventilation  Bigger, better riding 124" wheelbase. Check these extra values at your Olds dealer's today!

**Oldsmobile: Escape from the ordinary**

## COUNTY AGENT'S COLUMN

by Tim Godwin

Schleicher County Agricultural Agent

Chemical treatment of planting seed is good insurance against reduced crop yields from seed and soil borne disease organisms.

The practice is inexpensive and effective and the recommended chemicals are safe and easy to use.

The chemical forms a protective coating around the seed and protects it from micro-organism growth during the period of germination. However, seed treatment will not control damping-off after the seedling growth out of the treated zone and damping-off organisms develop most rapidly when weather conditions are unfavorable and cause growers to associate damping-off of seedlings with cold, wet weather.

Most commercially purchased planting seed will be treated and will be noted on the container tag. Growers who save their own planting seed can purchase seed treatment chemicals at most agricultural supply houses.

If seed are treated on the farm, the important thing is to get a uniform covering of the protective fungicide over the seed coat. This can be done with a homemade device which will tumble the seed and mix the fungicide thoroughly with the seed being treated.

The need for using the proper dosage is important. Lower than recommended dosage may cause the treatment to be ineffective while excess rates may damage the seed or at most be wasteful. Diseases borne inside the seed must be treated by different methods.

Detailed information on chemical seed treatment is available from my office. Finally, seed which have been treated should be used only for planting purposes and should never be fed to livestock or poultry. All container directions should be closely followed.

Facts do not change; feelings do.

Higher vegetable prices could be incentive enough to cause thrifty homeowners to do some vegetable

gardening on the side.

And, small backyard gardens can be made to produce an abundance of wholesome eating for the entire family.

A planned garden is a must for small areas. It allows for maximum use of the available space and permits a better selection of the vegetables to be grown. The vegetables which will be maturing at about the same time should be grouped. As one crop is removed, another may be planted in its place. Follow each crop with an unrelated one to avoid buildup of diseases and harmful insects.

The earliest planting should be made at one side of garden, working across with the later maturing crops until all space is used.

Vegetables that may be considered for successive plantings are: early season—lettuce, radishes, onions and turnips; midseason—green beans, southern peas, tomatoes, cucumbers, and peppers; late season—fall tomatoes, broccoli, cauliflower, and late varieties of lettuce and turnips.

Parts of a garden shaded by trees or buildings during the day should be planted to leafy vegetables. Fruit bearing and root crops should be planted in the part of the garden with the greatest amount of sunlight.

Perennials, such as asparagus and artichokes, should be planted along one side of the garden so as not to interfere with seasonal crops.

Many vegetables can be decorative as well as useful when interplanted with flowers and shrubs. Bell peppers, egg plant, okra, tomatoes and other can be attractively placed in flower beds. Beets, carrots, spinach and cherry tomatoes make attractive borders for beds. Cucumbers and pole beans can be planted along fences.

Success comes from mastering defeat.

Beautiful lawns don't happen.

### New Fire Truck Is On Hand, Needs Work, Equipment

THIS NEW DODGE FIRE TRUCK CHASSIS was delivered here recently. It is at Eldorado Welding Shop for some minor work, and equipment will be installed later.

They are the product of good planning and management, including the use of proper grass, fertilizing, mowing, watering, and in some instances drainage and disease and insect control.

A deadline is at hand, and that is a spring application of a complete fertilizer. It should be made about the time the grass begins to grow. The fall application, again of a complete fertilizer, should be made about 30 days before the average date of the first frost. Generally, a fertilizer with a 3-1 or a 2-1-1 ratio should be used and applied at the rate of 2 pounds of actual nitrogen per 1,000 square feet of lawn.

Bermuda, Saint Augustine and Zoysia lawns should also receive 1 pound of actual nitrogen per 1,000 square feet every 30 to 40 days during the growing season to keep them green and vigorously growing.

Nitrogen is the key element in turf production. It produces vegetative growth and gives the plant a deep green color. Phosphorus stimulates development of a good root system and potassium affects the physiological processes of the plant.

A nitrogen deficiency causes stunted plant growth. The leaves are relatively small, thin and yellowish green to yellow, resulting in a condition often referred to as "firing." Phosphorus deficiency causes slow growth of the entire plant and unhealthy dark green colored leaves. Potassium deficiency causes stunted growth with the entire plant eventually drying up and taking on a brownish color.

Available detailed information on how to correct many lawn problems is available and interested homeowners are invited to come by my office for copies.

Talent that is used is multiplied.

Most farmers in the Eldorado-Divide Soil and Water Conservation District already have their fields ready to plant. Preparing cropland for planting is considered by all good farmers to be an important and essential farming operation. Good or poor crop yields can be attributed in part to proper or improper seedbed preparation. When proper preparation is carried out in conjunction with good farming practices including the application and maintenance of the needed soil and water practices, the maximum potential yields can be obtained.

Each year from the time the seed bed is prepared, farmers begin to plan and look forward to harvest time and good crop yields. It's only natural that farmers always hope for good crops.

Water is one of the most important elements needed for crop production. This was true when the first rangeland was converted to cropland in Schleicher county. When the first land was put in cropland it probably was in much better condition than most land today. This being the case the same amount of rainfall could produce more. The soil and its treatment must be considered as important as the rainfall received.

Most cropland is in good condition when first put in cultivation. Usually soils receive the best treatment possible while in grassland. A good cover of grass when managed properly cannot be excelled in protecting the soil against erosion.

Some of the conservation practices that can be applied in 1970 will not benefit this year's crop to a great degree. However there are practices that should be practiced each year. The application of a cropping system would fit in this category. For the best possible benefit the system must be practiced continuously from the time land is put into cropland.

It is not too late to apply practices that will help this year's crop yields. Contour farming and level terraces can still be applied and help yields for 1970.

Assistance in planning and applying the needed practices is available for the Soil Conservation Service technicians assisting the district. Cost share assistance is available through the Great Plains conservation program, administered by the S. C. S. and from the Schleicher County A S C S office.

### Methodist Notes

It is coming Sunday is Palm Sunday. This day commemorates Jesus' triumphal re-entry into Jerusalem. The shouts of "Hosanna" this day were to turn to "Crucify Him" later in the week. Our Sunday morning service is to be on the theme of re-entry.

Then on Sunday evening at 7:00 the last of our special Lenten dramas and meditations on the theme, "Father, Into Your Hands I Commit My Spirit" will be presented.

Remember our Maundy Thursday Communion Service on March 26 at 7:30 p.m.

All are welcome to any and all of these services. —Rev. Bobby Palmos, pastor.

**In Those Days**  
Compiled From Success Files

**ONE YEAR AGO**

March 20, 1969—Word was received here of the death in North Carolina of Mrs. J. A. Carriker. The Carrikers formerly lived here and he was Presbyterian pastor. Mr. and Mrs. Elton McGinnes and Mr. and Mrs. Leonard Lloyd flew to Atlantic City, N. J., for the annual convention of National Rural Electric Cooperative Association.

A good crowd turned out in the old school gym for the first wrestling match sponsored by the Jaycees.

**FIVE YEARS AGO**

March 18, 1965—Ren McCormick died at the age of 78 in the Veterans Hospital in Temple and his funeral was held here. Funeral services were held in San Angelo for Duwan Hughes, 41.

Richard Preston was named All-District for his record on the Eagle cage team.

Eagleette lettermen named were: Christy Moore, Frankie Blaylock, Marsha Mund, Karen Griffin, Paula Mace, Rita Rozean, Mickey Phelps, Beth McCalla, Jane Cain, Susan Hill, Libby Preston and Chris Edmiston.

Mrs. Susan Steele, local teacher, left for Little Rock, Ark., to attend the funeral of her brother, Steve Shimek.

Sam Henderson as president and Joe Phillips as vice president headed the newly-elected slate of Student Council officers.

Airman Voy J. Mitchell was visiting here with home folks after an Air Force tour of duty in Germany.

A new Elks Lodge was being organized in Sonora.

**12 YEARS AGO**

March 20, 1958—Dick Runge presented a program on FFA at a meeting of the Lions Club. A film, "Here and There With the FFA" was shown.

Mr. and Mrs. J. L. Ratliff attended the WMU convention in San Angelo.

L. Kent observed his 78th birthday.

Mrs. Edwin Jackson, Mrs. Leslie Baker, Mrs. John Williams, Mrs. Joe Edens, Mrs. Lum Burk and Mrs. Jack Mowrey attended the District 2 conference of the Presbyterian church held in Big Spring.

Mrs. M. H. Woodward was elected president and Mrs. L. E. McCalla vice president of the P-TA for the coming year.

The Methodist church was having a kick-off dinner for the Farrow Plan finance campaign. Team captains were Howard Derrick, Dwight Wiedenmann, Dick Preston, W. G. Godwin, W. F. Meador, and Gerald Hartgraves. Dr. Ennis Hill was to speak at the dinner.

Sheila Harrison was honored on her 8th birthday.

**35 YEARS AGO**

March 22, 1935—The Eldorado Golf Club met and A. L. Ohlenburg, V. H. Humphrey, E. W. Brooks, Conn Isaacs and J. B. Sammons were elected directors. W. O. Alexander was named secretary-treasurer.

Tom Kent was building a new home eight miles southwest of town in the Bailey Ranch neighborhood, where he was to be in the farm and ranching business.

The County Library was to open school, under sponsorship of the Woman's Club, Self-Culture Club, Alpha Delta Club, Parent-Teacher Association and the Lions Club.

J. L. Ratliff was setting up a burial insurance association in connection with his funeral home.

Vice-President John Nance Garner praised the record of Charles L. South, for his showing in the Congress as new representative from the 21st District.

In Bailey Ranch, Mr. and Mrs. Hon Ashmore had as visitors his brother, Carl Ashmore and family of Santa Anna.

T. R. Havins, president of the alumni association of Howard Payne College at Brownwood, spoke to the Senior class here and invited them to attend the school.

A 5-lb. can of Folgers Coffee cost \$1.60, peaches, 2 1/2 lb. can were 2 for 31c, and 15-oz. cans of Hominy were 4 for 26c, at Wright's Cash Store.

Shirts and shorts were 19c at Ratliff's.

Celeste and Jim Tisdale returned Sunday from Fort Worth where they attended the Fat Stock Show.

CHARTER MEMBERS recognized at Golden Anniversary Tea of The Woman's Club were Mrs. J. L. Neill and Mrs. W. N. Ramsay. The club was organized and federated in 1920 and the tea cited half a century of accomplishments.

**Girls Take Track Title At Robert Lee**

The Eldorado girls track team came from "nowhere" Saturday to win their first meet of the season with 86 points and the championship of the Robert Lee track meet. Borden County was second with 51 and Robert Lee third. This championship came as somewhat of a surprise because the Eaglettes have suffered the loss of some runners who carried a heavy responsibility on state qualifying teams of the past two seasons but "proof of the pudding" so to speak was a fine team effort in getting lots of places in many events.

Janet Oglesby, a freshman, was the only individual to cop a gold medal. She did this by winning 800 yard run, which is a new event this season. Her time of 2:49.6 is the record for the track meet. Janet also high jumped and with work may be showing some ability in this area.

The Mile Relay team which has always been Eldorado's "thing" in girls track won first with a time of 4:35 which is a respectable time

for the short period of work due to poor weather. This team is composed of Mary Lynn McCalla, Loretta Schooley, Peggy Hill, and Gay Lyn Richardson.

Special places came by Kathleen O'Harrow in the discus with 88' 5" and freshman Rosellen Maness in the 200 dash with a prelin time of 29.0, her best ever. The 800 relay team with only one back from last year's group came in second with a good time of 1:58.8. This group was Mary Lynn McCalla, Rosellen Maness, Patsy Tampke, and Barbara Rolledo.

Fourth place finishes came in the discus by Mary Lynn McCalla, the shot put by Kathleen O'Harrow and the 440 relay team composed of Gay Lyn Richardson, Rosellen Maness, Patsy Tampke, and Peggy Hill. Their time was 54.2.

Fifth place points came on Patsy Tampke's 14' 4" broad jump. Mary Lynn McCalla's shot put, and Loretta Schooley's 220.

Sixth place is also awarded a point and this went to Gay Lyn Richardson in the high jump, and Lynn Sanders in the 440 dash.

There were other green-clads who did not score points but they performed well and with more

work in their chosen areas may be contributing points at that all important district meet. These included freshmen Janet Davis in the 220, discus, and 100 yd. dash; Leanne Cawley in the triple jump, hurdles and 440; Patti Olson 60 yd. dash, 440 dash, and broad jump, and Sherwin Jackson in the hurdles and 100 yd. dash. When all these girls were not running or jumping or throwing they were trying to encourage the others. Team effort—togetherness.

Coach Bell said there were some disappointments but there were some bright spots too and each girl sees what she must do to improve her performance in future meets.

The next formal meet will be the Eaglette Relays in Eldorado, April 4.

The girls' track team takes this opportunity to congratulate the Eldorado boys on their victory in the Sonora Relays.

Top point maker was Mary Lynn McCalla 15, Rosellen Maness 14, Kathleen O'Harrow 12, Janet Oglesby 10, Patsy Tampke 8, Gay Lyn Richardson 8, Peggy Hill 7, Loretta Schooley 7, Barbara Rolledo 4, and Lynn Sanders 1.

**Jerry Doyle Honored**

Jerry Doyle recently attended a District TSTA meeting in San Antonio and was elected to the house of delegates from that area teachers association.

He and others teachers were honored to attend a banquet in San Antonio Thursday night following the meeting.

He is currently teaching at Pearisall.

**MARCH 12 BRIDGE WINNERS:**  
1st, Dorothy Clark and Fayla Cheatham;  
2nd, Yvonne Kerr and Susie Martin;  
3rd, The Blakeways.

Next session Thursday, March 19th. Play canceled for the 26th.

Mrs. Elnora Love recently attended a Bexar Design School in San Antonio.

Discus, 169' 10", Gary Sutton, Ozona, 1967.

The 9.6 time in the 100 yard dash by David Green of Richland Springs set in 1953 is the oldest record on the books for the Plateau Relays.

**BUCHNER IN VIETNAM**

Camp Frenzell-Jones, RVN—PFC Ricky Buchner, son of Mr. and Mrs. C. E. Buchner, who reside in Eldorado, Texas, has been assigned to the 199th Infantry Brigade in the Republic of Vietnam and is currently receiving a week of intensive training.

This training consists of Radio Techniques; Enemy Mines and Booby Traps; Ground Navigation; Use of Mines and Grenades; Air-mobile and Evacuation Procedures; Ambush Techniques; Night Operations and Marksmanship.

Every man assigned to the "Redcatcher" Brigade, whether a cook, clerk, driver or infantryman, must take this training prior to being assigned to a unit in the field.

The "Redcatcher" Brigade is working with the 18th ARVN Division in Long Khanh Province to upgrade local forces, assist in the pacification program, and increase the efficiency of the Infantry Regiments of the Division.

Buchner graduated from Eldorado High School in 1967.

**The Bible Speaks To You**

KGKL-960 Anglo New Christian Science Radio Series

**Eagle Trackmen Win Sonora Relays**

For two week ends in a row, the speedy Eldorado Eagles have come home with the championship trophy. This time it was the first place trophy of the Sonora relays. The Eagles total 144 points to win the meet. The runner-up trophy went to Ozona with 132 points and Sonora placing third with 116 points.

In winning the meet, the Eagles won six first places, five second places, two third places, two 4th places, two 5th places and two 6th. A summary of the places is:

First Place:  
Sprint Relay, Bob Page, Wayne Doyle, Keith Williams, Paul Page.  
440 yd. dash, Paul Page.  
100 yd. dash, Wayne Doyle.  
220 yd. dash, Wayne Doyle.  
Mile Run, Steve Sykes.  
Shot Put, Archie Nixon.

Second Place:  
100 yd. dash, Keith Williams.  
220 yd. dash, Keith Williams.  
120 H. H., Bob Page.  
Long Jump, Wayne Doyle.  
Mile Relay, Bob Page, Archie Nixon, Bobby Sykes, & Paul Page.

Third Place:  
880 yd. dash, Jimmy Martin.  
Discus, Archie Nixon.  
Fourth Place:  
330 int. hurdles, Mickie Clark.  
Shot Put, J. Baty.

Fifth Place:  
Discus, Jerry Baty.  
Long jump, Terry Clingan.  
Sixth Place:  
Shot Put, Bob Page.  
220 yd. dash, James L. Davis.

Coach Sherwood Barker said that the Eagles did about what was expected of them but was surprised and happy with two places that the Eagles won. These two were the first place finish by Steve Sykes in the Mile Run. Steve did a fine job of running the mile and he will continue to win because he is a fine worker for me. The other pleasant place came when Jimmy Martin won a third place in the 880 yard dash. Jimmy is steadily improving and he will get stronger in the event from week to week. Distance running is a hard event but with the pride and determination that these two boys have they will both finish high.

This week the Eagles will be at home with the annual Plateau Relays here at Eagle stadium. We all hope the Eagles can make it three championships in a row.

**Jr. Highs To Angelo**

The Eldorado Junior High participated Saturday in the 12th annual San Angelo Junior High Relays. Participating in the meet were 63 area Junior High schools consisting of approximately 1600 junior tracksters. Eldorado entered the 7th and 8th grade division of the three division meet and was the only Class A representative school present. Due to the tough competition of the larger junior highs, Eldorado found it difficult to accumulate any points in the running events of the meet. However the 8th grade sprint relay made up of Gene Nixon, Ken Peters, Timmy Farris, and Mike Manning qualified for the finals with a good time of 50.0. In the finals the relay team placed 6th with a time of 50.2. In field events, outstanding performances were turned in by Mike Manning who placed first in the 8th grade discus with a throw of 132.7 and Gene Nixon who placed 3rd in the eighth high jump. Ken Peters qualified for the finals in the shot put with a throw of 40.8, but failed to place in the finals.

The Eldorado eighth finished with a total of 14 points and 11th place in that division coming in ahead of many of the larger area junior high schools. The seventh grade team found competition even more difficult than the eighth. No points were made by the seventh graders, but good effort and determination was shown by each member of the team.

Even though the competition was difficult for the Eldorado teams, valuable experience was gained from participating in the San Angelo meet which will help the teams in their future track meets.

The Eldorado Junior High has 17 boys participating in track this Spring. They are:

8th grade:  
Ken Peters  
Mike Manning  
Timmy Farris  
Gene Nixon  
Lester Nixon  
John O'Harrow  
Bonnie Jay  
Chris Gartman

7th Grade:  
Jimmy Cawley  
Dale Storie  
Mark McDonald  
Forrest Henderson  
Gary Warnock  
Daniel Robledo  
Jerry Gartman  
Robert Greenier  
Billy Donaldson.  
Coach is Lynn Meador.

**Beta Sigma Phi To Elect Officers**

All members of Alpha Delta Iota Chapter of Beta Sigma Phi are urged to attend the regular meeting Monday, March 23, at 7:00 in the club room, with the purpose of electing officers for the 1970-71 year.

The sorority is currently working on its new project of securing playground equipment for the county park.

Birthday calendars are still on sale and can be purchased from any member.

**DAR Tea Will Honor Five Good Citizens**

Today, Thursday, the Annual Tea to honor five DAR Good Citizens sponsored by El Dorado NSDAR, will be held.

Five girls, members of their school's graduation classes, have been selected as Good Citizens for the current year, through their demonstration during the entire course of the qualities of Dependability, Leadership, Service, and Patriotism. The selection was made first by the classmates, then from the top selections, the faculty selected the Good Citizen.

Hostesses for the Tea will be Mrs. Wm. Gunstead, Luke Thompson, and J. E. Hill.

Mrs. Coupe, Program Chairman, invited Mrs. T. P. Robinson to give an address "Good Citizenship".

Each DAR Good Citizen will be presented a Good Citizen Pin and a Certificate from the National Society of the Daughters of the American Revolution by Mrs. Gerald Hartgraves, Good Citizen committee chairman.

DAR Good Citizens, name of the school they represent, and a partial list of their many honors and of their activities include:

—Tommye Lynn White, daughter of Mr. and Mrs. Tom D. White, is the DAR Good Citizen of Big Lake High School. She is a member and an officer in National Honor Society, Senior representative to the Student Council, Editor of the current yearbook, a member of the drama club, Masque and Wigs, and a valuable member of the Reagan Band.

—Randy Yates, daughter of Mr. and Mrs. Earl M. Yates, is the DAR Good Citizen chosen from the Senior class of the Schleicher County High School. She was elected Football Sweetheart, cheerleader, president of the Girls' Athletic Association, Miss Eldorado High School and captain of the girls' basketball team. She is a member of the high school band.

—Martha Ferguson, daughter of Mr. and Mrs. Lewis Ferguson, was elected DAR Good Citizen from the Senior class of the Junction High School. She has been awarded a scholarship to Abilene Christian College based on her ACT score. She is Reserve Champion Girls' Division at Youth Show, Delegate to Farm Bureau Citizenship in Waco, Delegate to 4-H Seminar in Washington D.C., and Kimble County 4-H Gold Star Girl in 1969.

—Barbara Ann Davis, daughter of Mr. and Mrs. Arthur Davis, was chosen by the Merton High School, senior class, to be the IAR Good Citizen. This year she is Editor of the 1970 annual after being a member of the staff for four years. She received an all District guard award. In 4-H she won awards including Gold Star Girl for Irion county, awarded the Betty Crocker Award for Merton High School. At a recent Sweetheart Banquet she was named Sweetheart and Girl of the Year, and an all-district guard.

—Marylee Wittenburg, daughter of Mr. and Mrs. James Wittenburg, was chosen DAR Good Citizen by the Senior Rocksprings Hi. School. She was Duchess for American Legion Rodeo, active member of Texas Sheep & Goat Raisers Assn., District winner of Texas Federation of Women's Club Home Life department, Who's Who in English, State Finalist in track, Most Athletic Girl, State, National, twice recognition in 4-H, participation in patriotic programs of Woman's Club, Lions Club, and Music Club.

**Twentieth Annual Easter Pageant To Be March 28th**

Twentieth Annual Easter Pageant in the natural amphitheatre below the everburning cross on Lover's Leap southeast of downtown Junction will be presented Easter Eve, Saturday, March 28.

Starting at 10:00 p.m., the story of the last week in the life of Christ on earth will conclude shortly after midnight with the climaxing scenes of the resurrection and ascension on Easter morning. More than 100 amateur performers, most of them experienced in their roles, will pantomime the story in 13 acts on 14 stages of varying levels, supported by

changing lights, script readers and background music.

Twenty-one actors presented the first pageant on three stages the year the pageant and its sponsor the Men's Bible Class, were organized.

Mrs. Hamp Johnson is director, the third in the history of the pageant, which draws spectators from over the nation and foreign countries. She and all other participants are volunteers. LaRue Newby, a charter member of the class, is general chairman.

Thousands of spectators will watch from their cars which will be parked in the valley under direction of Boy Scouts. Free programs will be distributed. No admission is charged.

Free coffee is served from the chuckwagon of the late Ranger Captain Gully Cowsett, starting at 4:00 p.m. Sandwiches and soft drinks will be available at a concession stand operated by a service club. Many spectators arrive in time for picnic supper in the parking area or along Cedar Creek in the Hill Country Fairgrounds. The public is cordially invited.

**Fisher Vote Record 'Personal Insult' To Nixon, Gill Charges**

Republican Congressional candidate Dick Gill and key campaign advisors met in Austin Monday with 21st District GOP leaders to discuss what one staff aide described as "Ovie Clark Fisher's shocking performance" during the first year of the Nixon Administration.

Recently compiled figures show that Fisher ranked second from the bottom among all Texas Congressmen in voting to support President Nixon's programs during the first session of the 91st Congress. Fisher voted in support of the President only 38% of the time, less than only one other House member.

"I feel this entire matter amounts to a gross, personal insult to President Nixon," Gill said today. "Mr. Fisher had the affrontery in 1968 to run a campaign ad which placed Mr. Nixon's picture next to his own. In his newsletters to his constituents, Mr. Fisher tries constantly to trade on the President's popularity and the tremendous public approval of the Nixon-Agnew Administration's programs."

"But when it comes down to the business at hand—such as in the case of the President's courageous veto of the inflationary HEW money bill, or his urgent plea to hold the line of government spending—Mr. Fisher bows to his national party bosses and flaunts his vote in the President's face."

"I think Mr. Fisher owes the President a personal apology for his shameful use of Mr. Nixon's popularity and public approval. And I think he owes every Texan in the 21st District a personal apology for trying to hide his complete subservience to the national Democratic Party policies," Gill said.

Referring to the recently released voting figures, Gill campaign strategy chief Harry Pittman noted, "This is just a part of Ovie Clark Fisher's shocking performance. A more detailed examination of the record shows that he voted with the Democratic majority on over 70% of the roll call votes in 1969. I think this proves conclusively where Mr. Fisher's loyalties lie: From beginning to end, he is tied hand and foot to the national Democratic Party—a party which has nothing but a \$10-million deficit in its treasury as evidence of its ability to lead our nation."

"The national Democratic Party seems bound and determined to place our nation's Treasury in the same sorry shape as its own," Pittman added, "and Mr. Fisher has proved conclusively that he is unwilling or unable to follow any path but the one laid out for him by his party bosses."

In commenting on the strategy session, which followed the State Republican Executive Committee's weekend meeting in Austin, Pittman said the primary purpose of the session was to determine "how to most effectively communicate the facts about Mr. Fisher's voting record to the people of the 21st District."

State Supreme Court set April 8 to hear arguments on a test case involving the constitutionality of the state law providing tax exemptions for historic buildings and sites.

High Court refused to enjoin the State Democratic Executive Committee from placing Rep. C. L. Ray of Marshall on the ballot as a candidate for associate justice of the Texas Court of Civil Appeals.

Supreme Court defined rules for paying natural gas production taxes where gas of several producers is collected by a central plant for processing, thus permitting Mobile Oil Corporation to recover nearly \$350,000 in taxes paid under protest.

Third Court of Civil Appeals, reversing trial court, concluded that former State Securities Commissioner William King exceeded his authority in banning sales of cosmetics distributorships by Koscoet Interplanetary Inc., a Florida-based concern.

Court of Criminal Appeals affirmed the death penalty assessed a 21-year-old Corpus Christi man in the strangulation of an 83-year-old woman in 1965.

In another recent opinion, Martin said the West Side Calhoun County Navigation District may designate an out-of-county bank

Austin, Tex.—With a total of 901 new plants, Texas has earned No. 1 rating among the states in industrial development for 1969—first time in its history.

Gov. Preston Smith announced that Dun & Bradstreet Corporation, in a report published by the Fortune Magazine marketing research staff, bestowed the recognition.

Number of new plants in Texas last year exceeded California's by 42%. California was in second place.

Texas is the only southwestern state to rank in the top ten of new industrial locations.

Only six other states now exceed Texas' overall total of 15,576 manufacturing plants. Number increased by 6% during last year.

Smith credited the increase to efforts of the Texas Industrial Commission and "the close-knit alliance between local, regional and state development groups and the partnership of industry and government that we have in Texas to promote a better life for all citizens."

Top ten states invested \$7.9 million in programs to attract industry last year. Texas spent only \$385,570—or less than 5% of the total. State's share of the 3,813 new plants nationwide was 24%.

"For an investment of one half the average, Texas has been able to accomplish nearly three times the results," Smith boasted.

Other states among the top ten were Georgia with 609, Illinois with 290, Alabama with 289, Indiana with 240, Florida with 224, Minnesota with 224, Ohio with 212 and North Carolina with 189.

**Safe Driving Program Pushed**

Governor Smith pledged all the influence and prestige of the governor's office to curb highway traffic accidents.

His "Drive Friendly" program calls for:  
—Operating vehicles responsibly.  
—Obeying all traffic laws.  
—Respecting state and local police officers.

—Being generous with the right of way.  
—Keeping vehicles in good operating condition.  
—Avoiding driving while unfit (particularly when drinking).

**Welfare**

Social Security checks will increase April 1, but many will receive smaller state assistance payments and some will become ineligible for state aid.

Welfare Commissioner Burton C. Hackney said Social Security Act amendments will have this effect on Old Age Assistance:  
—About 138,500 OAA recipients will receive smaller state checks, although with Social Security increase, income will go up about \$4 a month.

—Another 95,500 will get \$4 more in state Old Age Assistance.  
—About 4,100 will no longer be eligible for state aid. These now receive relatively high Social Security benefits and token state aid.

**Courts Speak**

State Supreme Court set April 8 to hear arguments on a test case involving the constitutionality of the state law providing tax exemptions for historic buildings and sites.

High Court refused to enjoin the State Democratic Executive Committee from placing Rep. C. L. Ray of Marshall on the ballot as a candidate for associate justice of the Texas Court of Civil Appeals.

Supreme Court defined rules for paying natural gas production taxes where gas of several producers is collected by a central plant for processing, thus permitting Mobile Oil Corporation to recover nearly \$350,000 in taxes paid under protest.

Third Court of Civil Appeals, reversing trial court, concluded that former State Securities Commissioner William King exceeded his authority in banning sales of cosmetics distributorships by Koscoet Interplanetary Inc., a Florida-based concern.

Court of Criminal Appeals affirmed the death penalty assessed a 21-year-old Corpus Christi man in the strangulation of an 83-year-old woman in 1965.

In another recent opinion, Martin said the West Side Calhoun County Navigation District may designate an out-of-county bank

depository in an adjoining county.

**Grants Approved**

Community Action (federal) grant of \$280,779 has been approved for Community Council of Bee County in Beville for the 12 months which started February 1.

A second \$218,826 Community Action grant also was approved for Associated City-County Economic Development Corporation of Hidalgo County, Edinburg.

A \$186,463 federal grant to Community Action Corporation of Wichita Falls and North Texas Area cleared earlier as did following:  
—Dimmitt Independent School District, \$47,954 child development grant.

—Harrison-Panola Counties Action Association Inc., Marshall, \$27,000.

**Democrats, GOP's Certify Ballots**

Democrat and Republican executive committees certified candidates for their May 2 ballots and mapped plans for party conventions on September 15.

Republicans will take their 4,300-vote convention to Fort Worth. Democrats, with 5,541 delegates, will go to Dallas.

Democrats passed up suggestions to place referendums on busing of school children, daylight saving time and lowering the voting age on their ballot.

**Discrimination**

Title insurance companies operating in Texas have been ordered by the State Board of Insurance to revise their "chain of title" reports to make sure they are not violating the federal civil rights act.

Order requires title insurance policies, when referring to deed restrictions, to omit references to color, religion or national origin. Those restrictions have been held invalid by the courts.

**Appointments . . .**

A rash of legislative committees have been appointed by Lt. Gov. Ben Barnes and House Speaker Gus Mutscher. Among assignment were the following:

Study of a four-quarter program in schools, Reps. Jack Blanton of Carrollton, Dan Kubiak of Rockdale and Delwin L. Jones of Lubbock.

Agricultural Production Potential study, Sens. Bill Patman of Ganado, David Ratliff of Stamford and J. P. Word of Meridian.

Mental Health and Mental Retardation Law study, Sens. A. M. Aikin Jr. of Paris, H. J. Blanchard of Lubbock and Joe Christie of El Paso.

Study of State-owned Aircraft, Sens. Tom Crighton of Mineral Wells and A. R. Schwartz of Galveston.

Interim County Government Study, Reps. Joe Shannon of Jack McLaughlin of Fort Worth, Walter Knapp of Amarillo, Donald R. Uher of Bay City, and E. L. Short of Tahoka.

Study of problems caused by surpluses of unskilled labor in some sections and labor shortages in others, Reps. Honore Ligarde of Laredo, H. Tati Santiesteban of El Paso, Felix McDonald of Edinburg, J. A. Garcia Jr. of Raymondville and Doyle Willis of Fort Worth.

**Short Snorts . . .**

New Texas Water Resources Study Committee held its first hearing in Mount Pleasant, will hold others in all parts of state.

Dairymen warned a legislative committee of laxity of milk inspection in some cities.

Parks and Wildlife Commission will hold its quarterly meeting here on March 25.

New report of Texas Advisory Committee to U. S. Commission on Civil Rights recommends (among many other things) abolishing the Texas Rangers.

QUICK SERVICE on orders for rubber stamps, Dating stamps and stamp pads in stock. The Success.

**MEMORIAL PROGRAM**  
Your Memorial Gift is a fitting tribute to a loved one. This remembrance helps support the research, education and service programs of the American Cancer Society.  
Memorial gift funds may be sent to your local Unit of the Society.  
**AMERICAN CANCER SOCIETY**  
We have the appropriate cards to send to the family and to the donor, and will send your check to the American Cancer Society in Austin.
