HOUSE OF

The HOUSE of HOLLAND Famous for DIAMONDS.

Proving Worthy of The Public's Trust.

To deserve, to merit and to enjoy the public's confidence, to sell only that which is good, at a price that is right, is the ambition of The HOUSE of HOLLAND.

Why Does the HOUSE of HOLLAND Maintain "ONE PRICE?" because it is the only safe, sure way for the purchaser to secure honest dollar-for-dollar value; because it is the only way to merit the public's confidence and respect.

When a jeweler "Cut His Price", how can you be sure of what you are getting?

Give a little thought to this, and when you, or your friends, think of buying jewelry, think of The HOUSE of HOLLAND, where you pay only for what you get and get just what you pay for.

The success and steady growth of The HOUSE of HOLLAND can not be accounted for in any way except through The HOUSE of HOLLAND'S policy of fair dealing.

SHUGART HOME BURNS AT KAFFIR SATURDAY.

We regret to learn that the ranch home of Mr. and Mrs. J. L. Shugart, of Kaffir, 16 miles west of Eldorado, was destroyed by fire Saturday about 1:30. The Shugart and Andrews families had prepared dinner and met at the Choate place to have dinner together and it was while they were there they discovered that the Shugart home was on fire, they rushed to the burning building as quick as possible, but were too late to save many of the things, the fire originated in the ceiling, supposed to have caught from the kitchen flue. The loss is estimated at about \$1,500.

ENTIRE COUNTY VISITED BY RAIN SATURDAY MORNING.

Schleicher County has again been visited by Jupiter Pluvius and the entire county received a good rain in the early morning hours of Saturday, seven tenths of an inch fell at Eldorado, Ozona, Sonora, McKavett and San Angelo all reporting rain.

The cloud came from the northeast and the rain seemed to be heavier in that direction, also more rain is registered at Ozona and Sonora than was at Eldorado, but if the shows keep coming Grand Old Schleicher will again harvest an abundance of crops.

Another rain visited Eldorado and Schleicher County, Sunday morning, amounting to about half an inch.

GETS PLENTY OF FINNIES.

L. T. Wilson, the expert farmer for Schleicher County, has made good in another line, he went, with his family, to the South Concho last week, leaving home after three o'clock and returning home that night with 40 pounds of finnies, that's the beauty of owning a jitney, he doesn't want his friend D. C. Hill and J. S. Pelt to know this, as they will want some instructions and he is to busy just now to pay them any mind.

Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3 1/2-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

Friday June 25.

With this issue of The Success we round out our fourteenth year of business as publisher. We have endeavored to represent this section of country to the best advantage at all times, we believed at that time there was a great future for Schleicher County and to some extent that belief has developed, our lands have greatly advanced in price and improvements, the homes both in Eldorado and on ranches have been greatly improved.

The population has changed with this space of time, many new faces are among our people, many of the old ones have moved and some have been called to their last resting place, from which none return.

The old Livery Stable has given way to the progressive age and in its stead the Garage stands, the freight team has given way to the trucks.

We have enjoyed the publishing business and out of 16 papers published in this section of Texas, The Success is one of 4 that has never changed hands during the past 14 years, we have stuck to our post of duty, although we have labored under many disadvantages, we have never missed getting out a paper but one week, and that was the past winter when the "flu" visited us. We are greatly indebted to the many readers and advertisers that remained true to us during this entire period. We also appreciate the new ones that are being added to our list, and will continue to publish a paper worthy of the people and county it represents.

If you are not a subscriber we ask you to join the number, and then if you wish, criticize as much as you please, for wholesome criticism is good stimulation. We are not running the paper just for the financial gain, every man has a mission, and when we bought the paper it

was changed from a republican to a democratic paper, and from an anti-prohibition paper 14 years ago was not a popular thing in this section of Texas, and to this end we have been rewarded, for we expect to see old Texas elect a prohibition governor this year by the largest majority ever given a governor.

We can conscientiously say we have not profited off of any one since the fad of high prices has caught the world in its grasp, but have tried to treat my fellowman as I would ask of him, so as we start out on another run we do so with a full consciousness of not entirely pleasing our whole subscription list, but will try to play the game fair as we see it.

Guess what we will have at the end of 14 more years.

R. E. Thomason, candidate for governor spoke in San Angelo Wednesday, and some of our local men went to hear him and were favorably impressed with the cleanness of his speech and the things he advocates, we are sorry this speaker has not been able to visit Eldorado, but then he has a public record to judge his views from. He is our favorite on the ticket and has been from the first, the race lies between Thomason and Neil, as we see it, either of which will make a good governor.

If every road leading to San Angelo furnished as many travelers to the Goat and Sheep Raisers Convention as did the State Highway No. 4, passing through Eldorado, San Angelo had a crowd.

It has gotten so it can rain in this country when ever it wants to.

Well let's give the next three days to the meeting.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel

and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

From the Ames Iowa Intelligencer.
When a man comes to you all double up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. RACING HORSE-SHOE TIRE

"Remember the Horse-Shoe Tread"
—not only because it is the hall-mark of a great tire, but because it has several distinct advantages of its own.
It is equally efficient on front and rear wheels—has no tendency to "climb" out of ruts or make steering difficult. And it is wonderfully tough—seldom gets cut.
These qualifications combined with its unusual wearing qualities have made it the sole choice of many of the world's largest corporations.
Remember—the next tire you buy is going to be a Horse-Shoe!

The Whole Secret of A Better Tire

Simply a Matter of the Maker's Policies

This you will realize—once you try a Brunswick—that a super-tire is possible only when the name certifies that the maker is following the highest standards.

For tire making is chiefly a matter of standards and policies—cost plus care. Any maker can build a good tire if he cares to pay perfection's price.

All men know Brunswick standards, for Brunswick products have been famous for 74 years.

Formulas, fabrics and standards vary vastly in cost. Reinforcements, plies and thickness are a matter of expense. And these variations affect endurance. It rests with the maker how far he wishes to go—how much he can afford to give.

For there are no secrets nor patents to hold one back.

To ascertain what each maker offers one must analyze and test some 200 tires—as our laboratories have done.

Then it is a matter of combining the best features and building according to the highest standards.

Once you try a Brunswick you will understand how we have built model tires, regardless of factory expense.

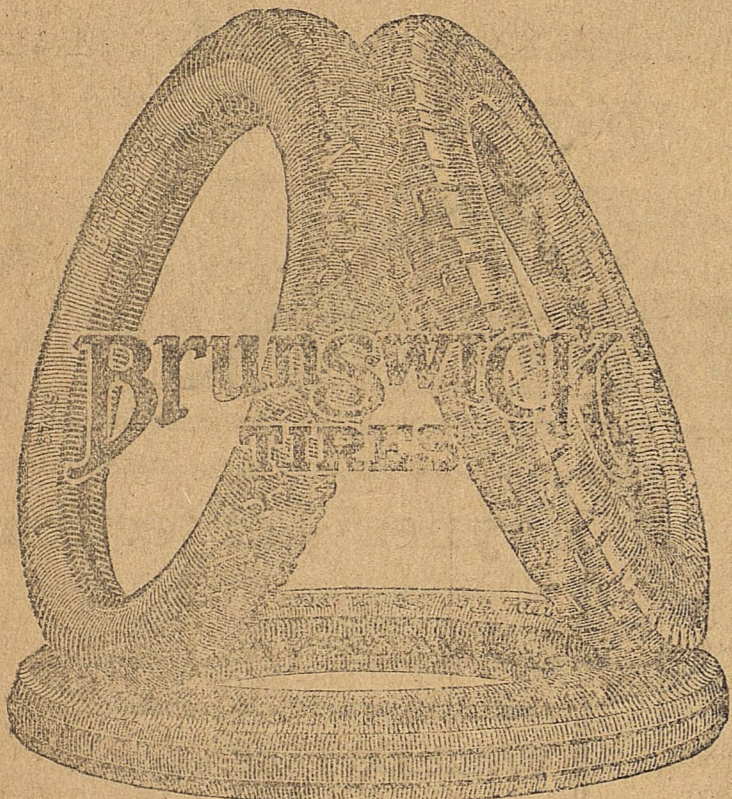

Yet Brunswick Tires cost you the same as other like-type tires. Our saving is on selling cost, through our nation-wide organization.

We realize that you expect more from Brunswicks, and we assure you that you get it. ONE Brunswick will tell you the story.

And then you'll want ALL Brunswicks. No other tire, you'll agree, gives so much for your money.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.
A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

JUST DELAYED.

The Board of Directors of the Cemetery Association is holding up its Campaign for funds for the present on account of the present temporary financial depression on account of there being no wool sales. But Plans are being perfected to raise the necessary funds in less than a week when the Campaign does start. Some are getting impatient but too much haste now might mean a greater delay.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say I was not a pain. . ."

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.
