LEWIS JONES WINS OVER

HOLDEN AT GOAT ROPING.

Those who attended the Jones-Holden goat roping at San Angelo Saturday, report a lively contest in which 20 goats each were roped, Jones winning by 39 seconds.

This contest has been matched several times but for some reason has never been tried out until Saturday, when Lewis Jones, of Christoval wins the championship.

Holden is from Garden City and made best time in tying one goat.

COMPLEMENTS.

THE RIGHT THING.

In reading The Eldorado Success of last week, Dec. 31, I was very much struck with the splendid issue of the paper, and especially wish to commend the splendid thoughts contained in the article entitled "The New Year Greeting" by The First National Bank, of the little city of Eldorado. Indeed it was short but from the first to the last it has the "Ring" that is genuine! It carries the hopeful tune of the conservative optimist, also the spirit of real fellowship and sacrifice, prospering and suffering with its constituents; the great and good spirit of gratitude is encouraged; criticism is bit hard and discouraged; the strength of unity is pictured and a splendid exhortation follows; the value of honor is lifted up and discussed as being closely associated with faith and confidence in one's fellowman; thrift and economy is sighted as qualities of success; last but not least of all is the fundamental thought of God. That article says: "Have Faith In God!" To a preacher, that expression serves well for a text to such a splendid sermon outline.

Say, you farmers, you merchants, you who have opportunity look up that article and read it if you missed it. Read it over and over. He who formed it must be skilled in the art and deserves well his reward, and shall have it at the proper time, if he holds fast the profession of his faith in God and works out his salvation with fear and trembling.

In closing, I say, Mr. Editor, you are giving your people a splendid weekly. They should all subscribe for it, and read it, in order to keep up with the progress of the home community.

Happy New Year, The Success, and all the good people of Eldorado. With institutions that can write like this article shows, backed by all the powers of the Kingdom of God and Righteousness, your little city can face the storm and keep the track. Your old friend,

S. C. Dunn, Brady, Texas.

[Many thank from "boff" of us. Editor.]

REDUCTION ON WALL BOARD.

The West Texas Lumber Co., has a good supply of two kinds of Wall Board, and has reduced the price from \$7.50 to \$6.50 per square, this is almost pre war prices, get in line and fix up that home, take advantages of this greatly reduced rates while they last. A. J. Atkins, Manager.

ONE MILLION POUNDS

OF MOHAIR SOLD.

The San Angelo Standard reports the sale of one million pounds of mohair by Charles Schriener, of Kerrville, to Winslow & Company and Studley & Emery, of Boston. The price paid for the mohair being 25 1-2 cents per pound, a train of 30 cars was required to move the mohair.

J. M. WEST DIES.

J. M. West, father of Mrs. W. P. Evans of Eldorado, died at Del Rio December 26. Mr. West at one time ran a hotel in our city, and latter engaged in Stock-farming in this county, while in our midst he made many warm friends, he lived that life of "do unto others as you would have them do unto you."

The Success joins the many friends of Mrs. Evans in extending condolence to her in her bereavement. She was with her father during his illness and death.

RAMBO-JONES.

R. L. Jones one of our prominent young stockmen stole away to Menard, Saturday, January 1st, where he was united in the holy bonds of wedlock to Miss Lena Rambo, of Menard. The happy young couple came to Eldorado Sunday where they have received congratulations from the many friends of the groom.

The bride is a stranger to us but the one she has chosen for a life companion is a worthy young man of sterling character, and is held in the highest esteem by those who have known him since his early childhood, and the bride will be welcomed into his circle of friends.

The Success join in wishing the bride and groom many happy years to come, and may they all start off as bright and lovely as did the year 1921.

O. H. Newman was up from Santa Anna this week looking after his ranch interest here. Mr. Newman at one time lived in this county and has a longing to enjoy the hospitality of our citizenship once more, but will not likely move back to Schleicher before the first of next year.

Mrs. A. B. White and daughter, Miss Marion spent part of last week in Ballinger, visiting relatives. Mrs. White's mother, Mrs. A. C. Alexander, accompanied them home for a few weeks visit.

Mordecai Davis left Saturday to enter the Baylor University in pursuit of that higher education, he was a graduate from our school in 1920 and won in declamation in the Interscholastic League of this district, he is a bright energetic young man we expect to hear of greater achievements later.

NEW YEAR GREETINGS.

Born—to Mr. and Mrs. C. H. Cochran a fine baby girl, every one is doing nicely even the grandfather, Dr. Patton, who has laid aside that money strenuous look and is wearing a broad smile as if everybody had paid him up, the new grand-daughter arrived New Year's day and has black curly hair says grandma Patton,

Father doesn't give many presents but pays for a good many.

Do not get vexed because you can not think to write 1921, we will all learn in time.

1921 is still running in high regardless of the price of gasoline.

And another thing if you can't pay all your taxes, pay the school tax any way.

A good listener learns many new things, while the loud talker tells more than he knows.

This is the season when men begin to look sheepish. They just can't resist breaking a few of those resolutions.

Don't get it in your head that money matter will always be tight, it takes a little screwing down once in a while to keep us from getting to sinful.

Now the holidays are over and time for building in at hand, the old town has been thoroughly shot up to the satisfaction of all in the shooting.

Let's go to work and try to pay off our Christmas debts.

INTERNATIONAL SUSPICION.

Eldorado Success: Those who fought the League of Nations because they said England had six votes to America's one can now see, if they will, that they were mistaken, as Canada and Australia voted against England. Sometimes we talk when we know nothing.

State Press: Yes, but they won't see it because it doesn't jibe with their fanfare. If the League of Nations had been accepted, the treaty of Versailles ratified promptly, the world would, in all likelihood, have gone ahead on the new foundation and the present world-wide depression have been avoided.

In what respect is the world, or this country, or any country, better off by reason of the fight made in the United States against the treaty? We can all see where the world is worse off, but is there a single betterment to point to? Not as you can notice.

The League of Nations will never function normally until the greatest Nation joins it, and until that time the powers of earth will not disarm, will not give up the war mind for the peace mind. The consequence of this must be that all the nations will go on taxing their burdened citizens to maintain armaments on land and sea.

International confidence not only begets international peace, but international friendship and trade. The world is suffering today for lack of international trade, and a part of that lack is due to international suspicion.

With every Government devising new taxes and planning new restrictions against imports, there is an unsettled and disturbed feeling which operates directly against good times.

This feeling must pass away before things get better. And they will get better the moment that feeling subsides.—Dallas News.

This is a time when the rich are poor, and the poor are rich. The rich man scrambles night and day trying to borrow money to pay the interest on what he owes, consequently he is worried, but the "gink" who has always been poor, has nothing to borrow money for, is in a state of satisfaction, consequently he is the guy with the good rich feeling.

By-the-way have you been down to where the road work is going on, the Commissioners' Court is doing their own work, that is they are the contractors, and now they have about one mile of road finished with the sledged rock and the work is progressing nicely, the traveling public may think the work is grinding slow but the building of this kind of road is a slow job, but with labor more plentiful and some cheaper, the work will likely make a better showing in the future, and when it is finished the taxpayers will have something for their investment.

Another reason why The Success is glad the Commissioners are doing the work is, that the home people can do the work if they will work, there is no use to be idle.

Experts in the business world assure us that the worst is over, and that 1921 will see a strong revival of business and a steady forward to continued prosperity. That sounds good, and it will be even better when it materializes.

Every time we hear of a fire we think how much better off they would have been had they carried some fire insurance.

It's strange when "Uncle Kip" came to Sunday School Sunday morning without his collar and tie, everyone knew "Bill Ann" wasn't at home.

Now our Christmas visitors have gone let's get ready to visit them next Christmas.

BEAT IT!

There's a real menace to the farmer of this country in cheap South American beef. Our packers are building more and more big plants in Argentina, Brazil, Uruguay; refrigerator ships are dumping the frozen and canned beef on the markets of the United States and the rest of the meat-buying world. How can this dangerous competition be met?

In pure-breds lies the answer. The pure-bred farmer can produce prime carcasses at an economy that challenges competition or, better, he can sell breeding stock to a steadily growing market.

From every point of view pure-bred cattle give security. The farmer who raises them has fewer worries over high feeds, increasing freight rates, decreasing soil fertility and poor bank credits. Because his business is on a more economical basis his margin of profit is greater than that of a scrub raiser. Because his margin of profit is greater he can weather a market slump that crushes other beef raisers. There is more demand for his superior kind of cattle—right

now foreign markets are clamoring for his breeding stock.

Don't you want to enroll in the ranks of safe farmers who make more money and have better homes? Don't you want to help make this community a better place to live?

THE COUNTRY GENTLEMAN, the great National Weekly of Profitable Farming, will point the way. In the 52 big issues that come every Thursday for just \$1.00 it offers a uniquely valuable national farm service.

Texas Hereford Breeders Association. John Lee, Secretary. San Angelo, Texas.

HEALTH RESTORED.

"My horse was in such run down condition, I thought he would die. After feeding him Dr. LeGear's Stock Powders, he is as well as ever and is now as good looking a horse as there is in this section."—J. C. Huste, Rockbridge Baths, Va.

Dr. LeGear's Stock Powders built up the body, vitality and muscular energy of your horse or mules, insured more meat with less feed, from your hogs, sheep and cattle, and help your cows produce more and richer milk.

Mr Huste's small expenditure saved him the price of a horse. Dr. LeGear can also help you. For 23 years as a Veterinary Surgeon and Expert Poultry Breeder he has devoted himself to the compounding of remedies for ailments of stock and poultry. Whenever you have an ailment among your stock or poultry get the proper Dr. LeGear Remedy from your Dealer. It must satisfy you, or your money will be refunded. (Adv.)

EVER BILIOUS?

Charleston, Miss.—Mrs. R. V. Heins, of this place, says: "I have never had to use very much medicine, because if I felt headache, dizziness, or colds, bad taste in the mouth, which comes from torpid liver, I would take a dose or more of Black-Draught, and it would straighten me out and make me feel as good as new. We have used in our family for years

THEDFORD'S

BLACK-DRAUGHT

and it certainly is the best liver medicine I ever saw. It has not only saved me money, it has helped keep my system in shape, and has never weakened me as so many physics do. I recommend it to my friends and am glad to do so." Black-Draught is the old, reliable liver medicine which you have doubtless heard much about. When you feel badly all over, stomach not right, bad taste in your mouth, bilious, or have a headache, try Theford's Black-Draught. At all Druggists.

CALOMEL

Calomel is a dangerous drug. It is mercury—quicksilver; and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work.

Take "Dodson's Liver Tone" Instead!

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go

back to the store and get your money. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't sllivate, so let them eat anything afterwards.

Sore Nipples.

Any mother who has experience with this distressing ailment will be pleased to know that they may be relieved by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use his salve with best results.

Booze Is Not a Good Cure

From the Ames Iowa Intelligencer. When a man comes to you all double up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

Cut This Out and Take It With You.

A man often forgets the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quiet so satisfactory for constipation and indigestion.
