The Story of Our States

By JONATHAN BRACE
XXIII.—MAINE

OBSCURED in the haze of antiquity the old Icelandic sagas record a voyage in 1000 by Leif, son of Eric the Red, who sailed from Greenland to Labrador and down the coast of Maine. The next probable voyage to this coast was by John Cabot in 1497 and later by his son Sebastian. It was, however, Capt. John Smith, the leading spirit of the settlement at Jamestown, who sailed as far north as the Penobscot and first drew a rough chart of it.

In the grant by James I to the Plymouth Colony Maine was included in their territory. Opposition to the Plymouth Colony arose among the king's courtiers and Sir Ferdinando Gorges and Captain Mason succeeded in obtaining for themselves rights to the country between the Merrimac and Kennebec rivers. This they divided, Gorges taking the northern section. Meanwhile Gorges had sent over a small colony to the mouth of the Kennebec, but this settlement was soon abandoned. The first permanent settlement was made in 1625 at what is now York. Massachusetts objected to Gorges' claim and finally annexed all the territory up to Casco Bay and called this northern section the District of Maine. Maine was dissatisfied with the rule of the mother state and by 1820 succeeded in being admitted to the Union as the twenty-third state.

Maine was the first state to adopt prohibition. In the beginning Maine was strongly Democratic. It was largely for this reason that she objected to being ruled by Massachusetts which was Federalist. Since 1856, however, Maine has been decidedly Republican. It has six electoral votes for president.

The name Maine was so designated in the charter of 1639 in which Charles I granted this land to Gorges. It had already been commonly used by the sailors as distinguishing the mainland from the many islands along the shore. The nickname for the state is the Pine Tree State. Its area is 33,040 square miles, which is practically as large as the combined area of the other five New England States.

Demand For Tanlac Breaks All Records

Amazing Success Achieved by Celebrated Medicine Not Only Phenomenal, But Unprecedented - Over 20,000,000 Bottles Sold in Six Years - Foreign Countries Clamor for It.

Never before, perhaps, in the history of the drug trade has the demand for a proprietary medicine ever approached the wonderful record that is now being made by Tanlac, the celebrated medicine which has been accomplishing such remarkable results throughout this country and Canada. As a matter of fact, the marvelous success achieved by this medicine is not only phenomenal, but unprecedented.

The first bottle of Tanlac to reach the public was sold just a little over six years ago. Its success was immediate and people everywhere were quick to recognize it as a medicine of extraordinary merit. Since that time there have been sold throughout this country and Canada something over Twenty Million (20,000,000) bottles, establishing a record which has probably never been equalled in the history of the drug trade in America.

Fame Is International.

The instant and phenomenal success which Tanlac won when it was first introduced has been extended to practically every large city, small town, village and hamlet in North America. Its fame has become international in its scope and England, Japan, Mexico, Cuba, Hawaii, Alaska, Porto Rico and many European countries are clamoring for it.

From coast to coast and from the Great Lakes, Tanlac is known and honored. Millions have it with the most gratifying and

astonishing results and have pronounced it the greatest medicine of all time.

Tens of thousands of men and women of all ages in all walks of life, afflicted with stomach, liver and kidney disorders, some of them of long standing, as well as thousands of weak, thin, nervous men and women apparently on the verge of collapse, have testified that they have been fully restored to their normal weight, health and strength by its use.

Restored to Health

Still others, who seemed fairly well, yet who suffered with indigestion, headaches, shortness of breath, dizzy spells, sour, gassy stomachs, coated tongues, foulness of breath, constipation, bad complexion, loss of appetite, sleeplessness at night and of terribly dejected, depressed feelings state that they have been entirely relieved of these distressing symptoms and restored to health and happy by the use of Tanlac.

Tanlac is sold in Eldorado by L. M. Hoover. (Adv.)
