There is a right way and a wrong way to do everything, why not do right.

Now since the Church Schools has been cleaned up of heresy, why not clean up the churches of hypocrisy.

The violation or ignoring of any law will soon educate any people to brage any law. If we don't respect the laws of our country we practice anarchy.

We need more candidates to get in the race for county office, it sure is nice to hold an office during these strengent times, it would be nice any time we im magin.

Some people still think that because they don't take The Success it is having no success, in fact, they are having no Success.

Remember The Succes can take your order for any magazine you may want, we will re-fund your money if you don't get your magazine. We can give you better service and make something for ourselves.

The Commissioners Court of Sutton County has set a side \$49,185.57 to be suplimented by like amonut by State and Federal aid, for the construction of a piked road from Sonora to the Schleicher County line, on Highway no 4.

No wonder our boys lost out at Sonora, listen to this from the pen of John Eaton, "We had a sheriff and three deputies on the side lines just to keep Karney Wystt from cleaning up on Your bunch." Then he exorts our boys not to be afraid of him but try to get someone to guard him. Gee! if the sheriff and three deputies can't guar him, excuse us please.

MOTHER! MOVE CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

H. L. TAYLOR DIES AT CHRISTOVAL.

After spending a useful life of 72 years, Mr. H. L. Taylor, died at his home in Christoval Monday January 23rd, surrounded by his entire family and many friends, he was buried in the Christoval Cemetery Tuesday morning, Rev. Clark, Methodist pastor holding the services.

Mr. Taylor lived an exemplified Christian life, consequently, when the end came he had no enemies, they were all of one accord, we find no fault in him. How blessed it is to live such a life, it is better than gold, yea, much fine gold. His wife, three sons a daughter and one grand-daughter survive him, who by exemplifying his christian life can again commune with him in that better world.

The Success

Tom Blanton has introduced a bill in Congress to stop the government from furnishing free baths to Congressmen. The preamble to the bill recites that the government now furnishes free to all Congressmen, male employees of their offices and friends bath service, including free bathrooms, furniture, fixtures, lights, water, heat, towels and soap. In addition to this the government furnishes an attendant at \$85 a month and tips to rub the Congressmen down after they come from playing golf. Does the Brownwood Bulletin say that it is right, fair or just to the people to take their tax money for such silly expenses? That may be a small matter, but it looks to Sun-of-a-Gun like pure and simple graft. Blanton has also introduced bills to stop free restaurants and barber service for Congressmen at public expense. A little bit of royalty at the national capitol may be all right, but too much of it is darned expensive to Jones, he pays the freight.—Sun-of-a-Gun in San Saba News.

We always smile when we reflect on the past and see what we have accomplished in helping to elect this fearless servant of the people.

The Story of Our States

By JONATHAN BRACE
XLVIII.—TERRITORIES

"THE Story of our States" would not be complete without a brief mention of the other territory of the United States, which is not included in the actual forty-eight states. The biggest of these territories is Alaska, with an area of 590,884 square miles. This huge region was under Russian domination until 1867 when the United States purchased it for \$7,200,000, or less than two cents an acre. There was some grumbling at the time by a few congressmen over "adding a refrigerator to the United States." But the refrigerator has been found to be well stocked with gold, coal, forests and fisheries, so that Alaska has proven a profitable investment.

Hawaii, like Alaska, is a regular territory. In 1893 there was a successful revolution against the Hawaiian queen, and a provisional government was formed under American protection. In 1898, at the request of the population, Hawaii was annexed to the United States.

Porto Rico, Guam and the Philippines were ceded to the United States in 1899 as a result of the Spanish-American war. Porto Rico and the Philippines are dependencies and not territories. Their local affairs are administered by a legislature of two houses and they are represented in the United States by resident commissioners elected by the legislatures. Guam is under the control of naval officers in command of naval stations. Under similar naval control are the Tutuila group and Samoa, which were ceded in 1899 by Great Britain and Germany.

Then there is the Panama Canal Zone, which was purchased from Panama in 1904 for \$10,000,000. This is governed by the Isthmian Canal commission.

The year 1917 saw the purchase from Denmark of the Virgin Islands, for \$25,000,000. These aggregate only 150 square miles and are temporarily governed by a naval officer.

Finally, there is the District of Columbia, which was organized in 1791, as the seat of our Federal government. The residents have no vote for either local or national officials, nor are they represented in congress.

Calomel salivation is horrible. It
swells the tongue, loosens the teeth and
starts rheumatism. There's no reason
why a person should take sickening, sali-
vating calomel when a few cents buys a
large bottle of Dodson's Liver Tone—a
perfect substitute for calomel. It is a
pleasant vegetable liquid which will
start your liver just as surely as
calomel, but it doesn't make you sick
and can not salivate.

Calomel is a dangerous drug, besides
it may make you feel weak, sick and
nauseated tomorrow. Don't lose a day's
work. Take a spoonful of Dodson's
Liver Tone instead and you will wake up
feeling great. No salts necessary. Your

Clean your liver and bowels!
One or two candy-like Cascarets

gentlest bowel cleansing you ever ex-

ness or sour stomach when you wake
up in the morning. More men, women
and children take Cascarets for the
liver and bowels than all other laxative-
cathartics combined. They cost only
