DELONG-SHARP.

Sunday evening Edwin DeLong and Miss Velma Sharp surprised their many friends when they secured a marriage license and drove to the home of Mr. and Mrs. Sam E. Jones where they were united in holy bonds of wedlock by Judge C. C. Doty in the presence of a few friends.

Mr. DeLong is the oldest son of Mr. and Mrs. Dave E. DeLong prominent ranch people 16 miles north west of Eldorado and has been reared in Schleicher County.

Miss Sharp is a daughter of Mr. and Mrs. H. E. Sharp who for many years have resided in the Middle Valley Country in Schleicher County and has grown into womanhood in this county taught school for a while and for the past year has been working in the Central Office here.

These esteemable people are held in the highest esteem by all who know them and have the congratulations of the entire neighborhood who wish for them many happy returns from the new journey upon which they have started.

They will make their home on the ranch west of Eldorado.

The Success joins in the throng of congratulations and best wishes.

When "Ukalele Jim" first entered politics he was truthful or rather he told the truth on time, he said he was a degenerated son of a noble Sire. This evidently must have been true, and as far as the world knows he is still that way, from the mud bings and from the language he uses in his present campaign is evidence that he is still of a degenerated nature. But The Success is confident that right will win among the people of Iseral. When the people cast their ballots Saturday the Protestant religion against Romanism will be a contest, liquor against righteousness, the banner of Mayfield is held out to you by the forces of righteousness, the banner of Ferguson is held out to you by the forces of eniquity, "choose ye this day whom you will serve."

Miss Lillie Benson writes that she is now located in her new home at Arlington.

Alf Bruton, the expert welder, dropped in The Success office Tuesday and said that the Cheek well that was supposed to be lost by dropping pipe and caving, last week, was put to pumping water again Monday, thru a two and a half inch pipe that Mr. Bruton worked down through the peckage to the water, sometimes going through the old pipe and again on the out side of it. Alf reported the mill was pumping five gallons a minute when he left.

Those owing notes and past due accounts to Eldorado Hdw. Co. must make arrangements to pay early this fall. We have carried them much longer than we have been at all able to the great injury of our business. Please dont ask or expect us to wait longer for we cannot.

**Calomel Good
but Next Dose
may Salivate**

It is Mercury, Quicksilver,
Shocks Liver and Attacks
Your Bones

Calomel salivation is horrible. It swells the tongue, loosens the teeth and starts rheumatism. There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel. It is a pleasant vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.
Calomel is a dangerous drug, besides it may make you feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No salts necessary. Your druggist says if you don't find Dodson's Liver Tone acts better than treacherous calomel your money is waiting for you.

RESOLUTIONS.

Whereas, It has pleased our Supreme Grand Master to call the wife of our worthy brother, F. H. Watson, from labor here to rest in the Celestial Lodge on high; therefore be it

Resolved, That the Eldorado Lodge No. 692, Independent Order of Odd-Fellows, extend our sincere sympathy and brotherly love to Brother Watson and family; but we can only remind them that she is not dead, she is only asleep—resting and awaiting that great day when they can all be united in the family of Gods children. Let us live and perform our duties here as to insure a joyful reunion with those who have gone before, and a happy life in the great hereafter.

Map God in his kindness ever be their keeper and shield them from all harm. Committee,
A. T. Wright,
A. J. Atkins,
A. F. Luedecke.

MISCELLANEOUS SHOWER.

One of the most unique miscellaneous showers ever given a bride and groom was given Mr. and Mrs. H. W. Smith at the Hoover Hall Wednesday afternoon, the Hall was beautifully decorated for the occasion and a real interesting program was given. A small white room was prepared in which the gifts were deposited, the bride was seated in front and when the curtain was drawn and her eyes beheld the many useful gifts, a smile of gratitude beyond expression in words, strolled across her face, and as each gift was presented with name of the donor, she in her wit and humor answered in word pleasing and entertaining to each donor.

One of the largest crowds ever took part in a shower participated in this one, and only speaks of the high esteem in which these young people are held in this community.

They had previously received other wedding gifts sent before the shower, but the shower Wednesday was further evidence of stronger and truer friendship.
