CAR THIEF INVADERS ELDO- RADO AND GETS CAR.

Last Thursday afternoon when Mrs. W. M. Bearce went to her garage to get her car it was gone, and up to the present time has not been heard of, it is presumed that the car was taken some time Wednesday night, it is new Ford and driven off without the key. This is the first car stolen in Eldorado and the man that got this one must have been acquainted with the situation.

Friday, November 3.

Scarborough? 100 per cent?

Don't forget that meeting for Friday night November 3.

The Italian government has changed hands, the old government was overthrown by Fascisti.

Spooks ran freely Tuesday night and much merriment for the little folks was in evidence, entertainments of many kinds were given for all ages.

That little cute bunch over at Corsicana, the latest Ku Klux exterminators, was knocked into a cocked hat by the Supreme Court, and Mayfield is still running for Senator, and will be elected by an overwhelming majority, for the bone and sinew of our citizens are for Mayfield.

The Supreme Court held that the court at Corsicana (18th District Court of Navarro County) to hear the injunction suit (against Mayfield) and that Section 9 of the anti-corruption law was not violative of the Constitution.

It looks like that anti bunch would have had more sense than to bring that suit in a district number 13, but then there is lots of district Judges that wouldn't pay them any mind, told them right off the reel that they were "nutty."

While the Ku Klux were parading at Vernon Thursday night, some one of the 15,000 on-lookers hurled a bottle into the marchers and hit one of the men cutting his face. This is more evidence that there is a few outside of the Klan that don't play the game fair. If you will note it, there is just as many hypocrits outside of the church as there is in it.

Every town should have some kind of a business club, they are the channels in which information is given and received. We need to let others know of our wonderful resources, of the magnificent stock farming possibilities that lie undeveloped in our community, there's none better, why not let it be known, a good live business organization could be of much benefit for this purpose.

And now comes a report that there is a deficit in express earnings of \$13,000,000, the next thing we hear will be a deficit in freight earnings.

Oh! my, when will we get relief, it seems like nothing in the country is paying expenses except Mayfield and he's over paid.

Kuzn Bill over at Ozona intimates that he is done with politics, its just like any other evil temptation, it will bob up again.

Remember that Cash gets best prices, we want a portion of your trade, therefore, we offer you your Groceries at close prices. Wright's Cash Store.

Clyde Galbreath, Ben Heat, Sam Oglesby and A. A. Bush, four marksmen, left for parts unknown, properly equipped for most any occasion, we predict that they will return anxious for a good meal prepared by the girls they left behind.

The writer overheard an argument between two of them in regard to the amount of meat to be taken with them, we presume by that, they were going to hunt meat. Just how much ammunition they may waste is not safe to predict, they expected to be ready to pull the trigger the morning of November 1st, some where between here and the Davis Mountains.

Calomel is a Dangerous Drug

Next Dose may Salivate You,
Loosen Teeth or Start
Rheumatism

Calomel is mercury; quicksilver. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

HALLOW'EEN SOCIAL

AT BAILEY RANCH.

The people of Bailey Ranch and vicinity, were eagerly entertained at the home of Mr. and Mrs. O. Suddeth on the 28, with a Hallow'e'en social, about one hundred persons being present. The visitors were met at the front gate by a couple of spooks and escorted around to the back door where they introduced to the skeleton (with icy hands) who asked each to walk right in, as they entered the door the "Old Witch" made each one step over the broom and walk across our smooth carpeted floor (a pair of bed springs) where they were then in the habitats of the wizards.

The guests were then kept busy for some time reading signs, and answering questions propounded by the "Old Witch" among the features of the evening "stunts" was a beautiful vision of the "Blue Sea" shown by one of the little "spooks" bobbing for apples by the guests and "Fortune-telling" by the skeleton.

After all had enjoyed themselves "combustively." The "Old Witch" brushed the "Cobwebs" and killed the "Flies" off the guest and called for a vote on the prettiest paper suit, said vote being in favor of Miss Lora McDonald.

Twenty-five little paper shoes with a ladies name in each shoe were placed in a row. The guests were given a slip of paper on which they wrote their names, and then put it in a Shoe by

which he selected himself a partner, and marched out to supper, where "Devil's wine" and "Witches brew" were served with Phantom and Spookie cake (all being served) the guests were then bidden good night by the "Old Witch" who asked each to return one year hence.

For sale, at my place, some nice large bundled, fall cut, Wiggera Feed, 4 cents per bundle.

A Wish

"I have taken Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak, too," says Mrs. Silvio Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of

CARDUI

The Woman's Tonic

and her condition was much better.

"We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, as this country wasn't built up, and it made it hard for us.

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work."

The convention of the Protestant Episcopal Church has made some interesting charges in the rubrics and the canons of the church. It has taken out of the marriage service the promise to the woman to obey her husband and the man's promise to "endow" his wife with all his worldly goods. It has forbidden all communicants of the church to marry divorced persons except those who are the innocent parties in a divorce for infidelity. It also ratifies the so-called concordat that permits Episcopal bishops to give ordination to ministers of the Congregational Church if they so desire. That would permit such ministers to officiate in both Episcopal and Congregational churches.—Youth Companion.

Rev. B. M. Bridges Gives Facts In His Case

It is doubtful if there has ever been a medicine endorsed by so many ministers of the Gospel as has Tanlac. Indeed, there is scarcely a faith creed or denomination in all the land in which one, or more, of the clergyman has not publicly expressed their indebtedness to the Premier Preparation for the benefits they have derived from its use.

One of the latest to speak out in this connection is Rev. B. M. Bridges, a widely known and beloved Baptist preacher, residing at Mooresboro, N. C., whose statement follows:

"Tanlac has given me a good appetite, toned up my system and renewed my strength in such a gratifying way that I am glad to recommend it to anyone who is in a rundown condition. For ten years past I have had such a severe case of indigestion that I could not find anything to eat that agreed with me. Finally I became very nervous and could get but very little sleep or rest.

"It seems that I took nearly everything trying to get myself right, but nothing helped me until I ran across Tanlac. My nerves are so much better now that my sleep is sound and refreshing. I enjoy my meals and have also gained weight. I can say from experience that Tanlac is a splendid medicine and tonic, for it has built me up wonderfully."

Tanlac is sold by all good druggists. (Adv.)
